

## GAS INSPECTION HERE CONTINUES

### Early Settler Of Dickens County Buried Friday

Last rites were held Friday afternoon, January 10, at 2 o'clock, for Thaddeus Gay Rankin, 79, at the First Baptist church in Spur. Rev. H. L. Burnam officiated, assisted by Rev. Doc Love and Rev. L. S. Bilberry.

Mr. Rankin, who had been ill for the past month, died Thursday, January 9. He was born in Leon county, November 23, 1868, moving to Dickens county 34 years ago. He was married to Mattie Jane Wilson, November 27, 1890 at Buffalo, Texas.

Mr. Rankin was converted early in life and was affiliated with the First Baptist church. Interment was in the Red Top Cemetery with Chandler Funeral Home in charge of arrangements.

He is survived by two daughters and two sons, L. J. Rankin of Spur, Mrs. Ada Springer of Clovis, New Mexico, Ida Rucker of Dallas and Melvin Rankin of Madera, Calif. All were present for the funeral. Also surviving him are 12 grand-children and 2 great-grandchildren.

Pallbearers were, Charlie Kearney, Liland Rankin, Doyle Hinson, Kay Brantner, Odell Kelley and Roland Springer.

### Frank Adams Again Associated With O.K. Rubber Welders

Frank Adams, former owner of O. K. Rubber Welders here is again associated with the firm, after a year's absence working in Missouri. Mr. Adams recently returned to Spur and re-entered the tire business with S. C. Reynolds, who is a partner in the concern.

In commenting on his return home, Mr. Adams stated that he wasn't as tired of the tire business here as he thought he was at the time of selling out, and was glad to be back with the firm here.

The firm handles automobile and tractor tires and also does repairing and recapping of tires.

### Brother H. A. Marcy Buried At Lubbock Tuesday Afternoon

Services for John M. Marcy, 77, of Lubbock, who died about 9 o'clock Sunday night at his home following about two years ill health, was conducted at 3 o'clock Tuesday afternoon at the Central Baptist church in Lubbock, with interment in the Lubbock cemetery.

Survivors include four sons, J. M. Marcy, Jr., of Ropesville, Zed Marcy of Lubbock, Lewis Marcy of Levelland and Bud Marcy of Meadow; six daughters, Mrs. Nadine Scott, Miss Elsie Marcy and Mrs. Gordon Richardson of Lubbock, Mrs. Sallie Fields of Rochester, Mrs. George Turner of New Home, and Mrs. John Moore of Meadow; three brothers, H. A. Marcy of Spur, O. B. Marcy of Pyote, and J. B. Marcy of Lubbock. 12 grand-children also survive.

### AMERICAN LEGION WILL MEET FOR FEED FRIDAY NIGHT

#### Former Dickens Co. Resident Dies At Crosbyton Monday

Death claimed T. A. Randleman, 86, resident of Crosby county for the past 20 years and of Spur and this section for the past 36 years, Monday morning at 11:30 at the home of a daughter, Mrs. Leonard Surginer in Crosbyton.

Funeral services were held in Crosbyton at the First Baptist church at 4 o'clock Tuesday afternoon, with the pastor, Rev. T. M. Gilliam officiating, assisted by Rev. J. W. Watson, pastor of the First Methodist church at Crosbyton. Mr. Randleman was buried in the Crosbyton cemetery beside his wife who died several years ago.

Born at Springfield, Mo., Randleman came to Spur 36 years ago and lived here until moving to Crosbyton 16 years later. He was a farmer and had owned several businesses before his retirement.

Survivors include a daughter, Mrs. Surginer at Crosbyton with whom he made his home, and a son, Alvin of Las Cruces, New Mexico.

### January Clearance Sale Being Held By Fair Store

A January Clearance Sale is being conducted this week by the Fair Store in Spur and will continue throughout next week, according to George Gabriel, Manager of the firm.

Mr. Gabriel points out that the present sale is the first such event held by the store in the last five year and that everything in the entire store has been reduced to move out and make room for spring merchandise.

An ad on the Clearance Sale appears in this week's edition of the Spur on page five.

### Rickels Appointed Dealer Here For Farm Machinery

The Rickels Motor Company has been awarded the Minneapolis-Moline Farm Machinery dealership for Dickens County, it was announced this week by Adrian Rickels, manager of the firm. Mr. Rickels spent two days last week attending a school in Vernon for dealers of the farm machinery.

The school was conducted by R. L. Prather, regional manager. He was in Spur last Friday and allotted \$30,000 in farm machinery for the first six months of 1947, Mr. Rickels stated.

Mr. Prather has been with the farm machine company for 34 years and resides in Wichita Falls. He will be in Dickens county from time to time demonstrating M-M tractors and equipment, Mr. Rickels stated.

### Movie And Feed Will Be Served Veterans Friday

A meeting of the Spur post of the American Legion will be held Friday night at 7:30 at the Spur high school lunch room, it was announced this week.

All service men are cordially invited, regardless of whether or not they are members of the organization. A motion picture on New York City and Yellowstone Park will be shown and refreshments of ham sandwiches and coffee will be served.

"We are expecting 100 or more to be present and all veterans are urged to attend," Adrian McKeeis, Post Adjutant stated.

### Large Crowd Attends "John Deere Day" At Bryant-Link Co.

The new warehouse building of Bryant-Link company in Spur was filled to capacity Wednesday afternoon when motion pictures were shown to friends and customers of the firm. Tractors and farm implements had been moved out of the warehouse building and the spacious building filled with chairs for the "John Deere Day" program.

George S. Link, Sr., met those attending the show at the door and personally escorted them to a seat. Preceding the show and at intervals, doughnuts and coffee were served. The show lasted for several hours and the building was filled during the entire time.

Bob Burns in the "Windjammer," New Power for the Small Farmer," "Headlines in Tractor Values," "New Pages in John Deere Progress," and "Conservation Farming With Regular Equipment" were features shown during the afternoon.

## Spur Basketball Teams Win; Will Play Tonight

### Locals To Play Dickens Thursday Paducah Tuesday,

Coach Sam Hawkes' Spur High School cagers won two games from Floydada here Friday night to start the district play. Sparked by Homer Wilson and Dean Wright who made 13 and 12 points respectively, the locals chalked up winners in the first conference games of the season. On the "B" string, Roy McMahan was high point man with ten points while Darold Robertson followed closely with nine points and David McAteer made 7 points.

The score of Friday night's results follow: "A" String: Wilson, 13; Wright,

### INSPECTION OF GAS EQUIPMENT HERE CONTINUES THIS WEEK

#### Albert M. Pettigrew Buried At Dickens Friday Afternoon

Funeral services were held Friday afternoon, January 10, at the Dickens cemetery for Albert M. Pettigrew, 93, who died at 1.05 p. m. Thursday.

Graveside services were conducted by Rev. O. L. Head of Floydada with McDonald Funeral Home of Matador in charge of arrangements.

He was survived by one son, Ira Pettigrew of Tenn., two brothers, Bob and Lee Pettigrew, also of Tenn. One grand-daughter, Mrs. E. G. Parker of Corinth, Kansas and one niece, Mrs. T. A. Blurton of Ryan, Okla.

#### Farm To Market Roads To Be Built In Section

Another mile has been added to the farm to market road construction job from Spur south and west, to make the road a total of seven miles, according to information received this week by County Judge A. C. Sharp from the State Highway Engineer at Austin.

Work is now underway on farm highway 643, from Girard eight miles west in Kent county. The work includes grading, structures and surfacing and work will cost \$48,000. The job is being done by Ernest Loyd Construction Company.

Contracts are scheduled to be let in 1947 on the following highway projects in the section:

1. U. S. highway 83, Stonewall county, 15.6 miles from U. S. 380 to King county line, \$15,600.
2. State highway 87, Howard county, 6.1 miles from Big Spring to Martin in the county line, \$22,000.
3. Farm highway 610, Stonewall and Fisher counties, 21.5 miles from Aspermont to State highway 70, at \$151,000.

Pat Christal, student at Texas Technological college at Lubbock was in Spur over the weekend visiting his father, Joe Christal.

### CHILD INJURED IN CAR ACCIDENT HERE MONDAY

#### Brenda Joy Reagan Hit By Car In Front Of Home

Brenda Joy Reagan, daughter of Mr. and Mrs. J. C. Reagan, was injured Monday afternoon when struck by a car in front of her home on East Second street. According to information the girl was at play and ran in front of a car.

The child was given first aid treatment at the Alexander clinic here and later removed to the Nichols General Hospital. She was removed Monday night to a Lubbock hospital.

The accident occurred in front of the Reagan home at 4:30 Mon-

### Faulty Equipment Being Eliminated From Buildings

Inspection of Spur business buildings, public buildings and churches throughout the city was continuing today, according to C. T. Cline, Railroad Commission Inspector. Mr. Cline has been here inspecting butane gas installations and equipment for the past week.

"There have been numerous faulty installations of butane gas equipment and improper appliances found in Spur," Mr. Cline stated. "And instructions have been given for rectifying the hazardous conditions," he said.

Butane gas installations at the high school, junior high school and East Ward school buildings were found to be improperly installed and work is now underway changing the equipment to comply with state regulations, Mr. Cline stated. The equipment did not present immediate danger to students, however, but the nature of the gas installations were in violation to state regulations and might become hazardous in case of a gas leak.

C. F. Cook, Superintendent of Schools said that all recommendations given by Mr. Cline were being complied with and the entire gas system was being thoroughly gone over in all local school buildings.

Mr. Cline was in Spur last week for a routine inspection at the time of a butane gas explosion at the Hurst Cafe in which Mr. Hurst was severely injured. He made an inspection following the fire and then found improperly installed gas equipment in various other buildings. He stated this week that his office in Austin had advised him to remain here until the hazards had been found and instructions given to eliminate them.

In listing local firms who have proper Railroad Commission licenses for work on butane gas equipment, the name of the Riter Hardware Store was eliminated last week. Mr. Cline had not received information of this license being granted.

### Rotary Club Met At Bryant-Link Company Today

The Spur Rotary club met in the new warehouse building of Bryant-Link company at the regular weekly luncheon today. Doughnuts and coffee was served by the Bryant-Link company to members of the club.

Jackson and Randolph East entertained the group with a musical program.

12; McCarty, 4; Dyess, 6; Barclay, 1; and Robertson, 1. Total 37 points.

"B" String: Roberson, 9; McMahan, 10; Bingham, 4; McAteer, 7; Swaringen, 1; Simpson, 3; and Brannen, 1. Total 35 points.

#### Paducah Game

The Bulldogs won two games from Paducah Tuesday night in district play. In the first game the "A" string chalked up a 19 to 11 victory and then the "B" string came through with a victory of 52 to 11 against the visitors.

Individual scoring records were as follows:

"A" team: Wilson 6; Wright, 6; McCarty 3, Dyess, 2 and Barclay 2.

"B" team: Roberson 11, Bingham 8, Swaringen 3, McAteer 6, McMahan 9, Simpson 10, and Brannen 3.

The Spur Bulldog cagers will play Dickens High School boys and girls teams in two interesting games tonight (Thursday) at the local Gym. The games will be called at 7:30 and will be fast and with plenty of competition on the court.

The Spur basketball teams will play Paducah here Tuesday and will play Dickens on the local court Thursday of next week.

They will journey to Petersburg Friday for a game on the opponent's court Friday night.

Tuesday night they will play at Crosbyton.

BAND NOTES

The members of the band have  
decided to put to use the prize  
money they brought home from  
Childress. It will be used to buy  
attractive pins they have ordered.

New marches have been issued  
to take the place of the old ones  
that have been taken up. The band  
is starting the new year with all  
new music. Some of the new  
music will be presented at the  
forthcoming concert, to be held  
in two or three weeks.

A lot of practice has been put  
out this last six weeks as Mr.  
Pulis has been trying out a new  
grading system. The system is as  
follows: For no practice a 70 was  
given, for 3 hours a 75, for 7  
hours an 80, for 11 hours an 85;  
for 15 hours a 90, for 19 hours  
a 95 and for 24 hours 100 was  
given.

Band isn't all work however  
since jokes have been very liber-  
ally ad libbed as the comparison  
between the Model A and the  
Band—they both have cranks in  
front and are made up of little  
nuts.

BASKETBALL JACKETS ARRIVE

The boys and girls on the 1946  
basketball squads of Spur High  
are proudly displaying jackets  
they have been awarded recently.  
The jackets are royal blue with  
gold letters. The boys were  
awarded theirs on Tuesday of last  
week. Jackets for the girls, how-  
ever, which were late in arriving  
were awarded Monday, January  
13.

Boys receiving letters for last  
season were: Wayne McCarty,  
Bill Swaringen, Homer Wilson,  
and Roland Hairgrove — now a  
student at Tech. Several other  
members of the team played  
enough to letter but since they  
were receiving football letters  
were ineligible for basketball  
jackets. They were Deane Wright,  
Dewie Watson, David McAteer,  
Jr., Bill Calvert, Bill Dyess, and  
Joe Max Barclay.

Girls receiving jackets were:  
Maude Brown, Mafoi Carlisle,  
Jane Brannen—a student of Tex-  
as U., Imajean Bilberry, Grace  
Bailey, Bonnie Bilberry—gradu-  
ate of '46, Robbie Scott—gradu-  
ate of '46, Doris Blakely, and  
Jean Williams.

THE OLD LAMP LIGHTER

He made the night a little bright-  
er

Where ever he would go  
The old lamp lighter of long,  
long, ago.

His snowy hair was so much  
whiter

Beneath the candle glow  
The old lamp lighter of long,  
long, ago

You'd hear the patter of his feet  
As he's come toddling down the  
street

His smile 'would cheer a lonely  
heart you'd see

When there were lovers in the  
park

He'd pass a lamp and leave it  
dark

Remembering the days that used to  
be.

For he recalls when dreams were  
new

He loved some one who loved  
him too.

Who walks alone with him in  
memory.

He made the night a little brighter  
Where ever he would go

The old lamp lighter of long,  
long, ago.

Now if you'll look up at the sky  
You'd understand the reason why

The little stars at night are all  
aglow

He turns them on when night is  
here

He turns them off when day is  
near.

The man we loved so long ago.

WHO'S WHO  
WITH THE SENIORS  
Joyce Williams

Joyce Williams, our only Sen-  
ior member of the Band, was born  
here in April 19, 1930. She has  
brown hair, dark brown eyes,  
weighs 112 lbs., and is 5 feet 7  
inches tall.

She just doesn't have a favorite  
subject, but on the outside, has  
a very special interest in piano  
playing. Incidentally, she's pretty  
good!!! Football is her favorite  
sport. (Wonder why S.H.S. doesn't  
have a girls' football team, there  
is so much interest???) "Now  
what's your favorite pastime,  
Joyce?" Then she replies, "Well!!!"  
Enough said! She simply loves  
fried chicken and Hogy Carmi-  
chials playing "Oh! What it  
Seemed to Be". She isn't the only  
one!!)

Her "dream man" is one with  
dark brown hair, blue eyes, is  
5 feet 11 inches tall and weighs  
155 lbs.—and believe me, I have  
no idea whom she's describing!!!

Dewie Watson  
Dewie Watson, the former Co-  
Captain of the "Local Eleven,"  
will be missed tremendously up  
here at S. H. S. after Mid-Term.

RED FRONT DRUG

SCANDAL

You know, it's funny a whole  
two weeks and so little dirt. Won-  
der if it's because so many were  
out of town? Here's all I could  
find.

Well, it's plain to see who  
Maudie's "A" man is!

A few of the S. H. S. romances  
endured the holidays. Virginia  
and Neal A. are still that way.

Gosh! its such a pity that we  
couldn't all rate like Doris Blake-  
ley does. I suppose you've all seen  
the bee-utiful witch!

And notice that birthstone ring  
Trinia Mae is sparking since the  
holidays—and Jean Copeland's  
bracelet, MY. MY!

Virginia and Joe Max seem to  
really have a case. Wonder what  
will develop? And what's hap-  
pened to a certain third party,  
Or is that important?

Haven't heard much about  
Billie Marie and Darold lately.  
Is there still riom for gossip?

That Ernest! He's added an-  
other type to the list—Wandering  
Heart Trouble. Say, that reminds  
me, is that your ring, or is it  
just a little small?

By the way, what's the attrac-  
tion at Jackie Ted's house that  
fascinates Bobby Wright so. Cer-  
tain little Jr. High gals are gonna  
be awfully jealous!

Mary Ann and Tommy have  
settled down to a peaceful way  
of life at last. It took them long  
enough.

Poor Jonnie! She just couldn't  
find a soul to take her to Floyd-  
ada last Friday. You'll have to  
let us know a little in advance next  
time, gal.

Attention girls! Howard says  
anyone will do. My! isn't he en-  
couraging. Guess that's all.

since he'll graduate. He was born  
on April 21, 1929 at Spur, and  
has been here ever since (said he  
couldn't do anything about it!)  
He has red hair, greenish-brown  
(if there is such a color eyes.)  
weighs 165 lbs. and is 5 feet 10  
1-2 inches tall.

He likes compusology, football,  
carrots fixed any way. "Sentim-  
ental Journey" by Charlie Spi-  
vak's Orchestra, and loafing!  
His favorite hobby is "Dear Hunt-  
ing" Hum-m-m-m-m.

He's on the lookout for a beau-  
tiful girl—one with blond hair,  
blue eyes, 5 feet 3 1-2 inches tall,  
nice personality, good figure, and  
is at least 17 or 18 years old. Well  
who isn't ??????

## Duck Creek Soil Conservation District News Notes

RILEY WOOTEN, Chm. OSCAR McGINTY, Sec.  
 WILL WRIGHT TOM MURDOCH CHAS. WITT

Field inspection following the sub-zero weather showed some of our small grain to be damaged. Balboa rye, on the other hand, indicated its ability to withstand cold weather by showing no signs of being hurt. Reese McNeill reports the 40 acres of rescue grass he has planted for seed production has been bitten back by the freeze.

The effect of stubble retaining snow was noticed by many farmers. In contrast, fields bare of any vegetation lost much of the snow and resulting moisture.

Terracing was temporarily halted by the wet spell, but is now getting under way again. Elmer Shugart has completed terracing for Gordon Parks and Noel Shaw in the North White Horse conservation group, and is now working in the Middle Dockum group. About 20 miles of terraces are being built this winter for Hugh Hagins by the District's heavy equipment. Hagins, who is a cooper with the Duck Creek Soil Conservation District, received assistance from the Soil Conservation Service technicians in planning and laying out his terrace system.

Penn Shugart has bought Geo. S. Link, Jr's whirlwind terracer and plans to construct his own terraces.

"The cattle I have on 300 acres of Austrian Winter Peas are in better shape than any others on the ranch," reports J. D. Patterson. Last fall Patterson tried to harvest a seed crop from his love grass. Having no success in harvesting them, he has ordered 25 pounds to be planted next spring. "This grass certainly looks good to me and I intend to have quite an acreage of it before I am through," comments Patterson.

Approximately 240 million pounds of fats and oils are scheduled to be imported by the United States during the first three months of 1947.

### Rowel Continued—

WHEN I GROW UP  
 I'd like to be an engineer  
 And build some bridges long  
 I'd like to be an artist.  
 Or write a lovely song.  
 I'd like to be a model,  
 Or an actress or cop—  
 It's always been my wish to  
 Trot a horn and holler "Stop"  
 I'd like to be a doctor  
 And cure folks of their ills.  
 I'd like to be a pharmacist  
 And make up fancy pills.  
 I think I'll be a poet.  
 And work with ink and pen.  
 But I'd love to walk a tightrope  
 So here we go again.  
 I'd like to do some mission work  
 And teach the golden rule  
 But I think what I had better do  
 Is—graduate from school!

### MID-TERM EXAMS COMIN UP

Most of the students of Spur High have been pretty busy studying for mid-term exams being given Wednesday, Thursday and Friday of this week. Most of them, that is except for the lucky few who are exempt from their mid-terms. Exemptions are determined by the grades and the number of absences of the student. Anyone with an average of 85 or more can be exempt provided he has not been absent more than two times. Three absences require a 90 average, and any student with 95 average for the three six weeks can be exempt with four absences.

## Soil Conservation Meetings Scheduled For This Area

More than four thousand personal invitations to a series of five open soil conservation meetings in West Texas and Panhandle territory served by Fort Worth and Denver City and Wichita Valley Railways have been mailed to bankers, farmers, business men, and individuals throughout that area by the Second National Bank of Houston, which Burlington Lines co-operating, will send O. Dooley Dawson, vice-president and manager of its agricultural department, to be the principal speaker at these affairs. Dawson will show a moving picture entitled, "This Is Our Land," made by Ethyl Corporation, at each of the meetings. Members of the public at large are being urged to attend.

Scheduled at five centrally located points, these meetings will

comprised of bankers, business men, county agents, Burlington Lines' and state and federal representatives are working out details of the programs.

At Haskell the meetings will be called to order at 2:30 p. m. by T. J. Pace, pioneer land owner and farmer; at Dalhart in the Dallam County District Court Room at 2:30 p. m. by S. E. Brown, banker; at Memphis in the High School Auditorium at 7:30 p. m. by W. P. Hooser, County Agent; and at Plainview in the City Auditorium at 2:30 p. m. by Raymond Lee Johns, manager of Plainview Chamber of Commerce.

## Near Capacity Audience Applaud Scianti And Artist Students

Under the sponsorship of the Woman's Federated clubs of Spur, the North Texas State college school of music, of which Wilfred C. Bain is Dean, presented seven artist students of Silvio Scianti's and assisted by the school's chamber orchestra under Scianti's direction, Friday night at the First Baptist church.

The concert gave Spur's music lovers a treat long to be remembered. It was a difficult and technical program, but these artists handled it well, displaying good interpretation and technique throughout. The young artists with their exquisite harmony of touch, brought forth the heart-felt applause of the near capacity audience.

The program presented included all or parts of a number of the standard and best known piano concertos with orchestra accompaniment. The following list was played: "Concerto in D Minor (K466)" (Mozart), first movement by Mary Nan Huggins, second and third by Connie Cover, with cadenzas by Beethoven; "Symphonic Variations" (Franck); Glenn Welsh; "Concerto No. 2 in C Minor" (Rachmaninoff), two movements by Jeaneane Dowis and finale by Virginia Thomas; "Concerto No. 1 in E-flat" (Liszt), Mary Lou Colvin; "Concerto in B-flat Minor" (Tschai-kowsky), second and third movement; Albert Gillespie.

Miss Huggins, 17, of Dallas, won several Mu Phi contests and for six years the highest rating in the National Piano Tournament. Miss Cover, 15, is from Okmulgee, Okla. Welsh of Shreveport, a graduate of NTSTC, has returned to the Scianti studio after serving as a lieutenant (jg) in the Navy.

Miss Dowis, only 14, is from Dallas and was winner both in 1945 and 1946 of the Dallas Civic Federated contest and holds a Mu Phi scholarship at Denton.

Miss Thomas, 16, of Brownwood, winner for the last two years in the Dallas Civic Federation contest, was presented on a tour of NTSTC performers a year ago and in the Grieg concerto by the Houston Symphony Orchestra.

Miss Colvin is the holder of the Domenico Savino and Sigma Alpha Iota scholarship at Denton. Her home is in Tulsa.

Gillespie, of Fort Worth, won the latest Dallas Civic Federation contest, and as the winner of the G. B. Dealey Memorial Award will be presented as soloist in March with the Dallas Symphony Orchestra under the baton of Antal Dorati, playing the Brahms "Concerto in D Minor."

An evening of music such as this program offered is an ideal event for Spur. The performers gave much pleasure. Such entertainment does much to further the cause of good music in Spur.

John B. Stapleton of Floydada, new district attorney for the 119th Judicial district, was a Spur visitor one day last week.

Mr. and Mrs. Ira Slayden were in town Monday from their home north of Spur, shopping with the Spur merchants.

## MRS. RAY DICKSON EXPRESSES APPRECIATION

The Federated Clubs of Spur wish to express their appreciation to those who worked so faithfully to help make the concert, played last Friday night by students of NTSTC school of music, a success. To those who provided rooms for these students and to the 1931 Study Club members who so kindly served the evening meal Friday night to this group.

Mrs. Ray Dickson, Jr., stated that the women of all the clubs were to be commended for the way they so willingly helped in every way to make this concert a success.

This concert was not given as a money making project, but to provide a higher type of entertainment for Spur and the surrounding territory. Mrs. Dickson stated, and it is hoped that we may have more of this type of entertainment which was so well received.

## BUSTER MORGAN RECEIVES TWO BROKEN WRISTS RECENTLY

Buster Morgan, son of Andy Morgan is spending a few weeks here while recuperating from an injury received recently at the Flagg Ranch near Hereford where he is now employed.

Buster received two broken wrists when he fell from a wagon while feeding cattle on the ranch. He stated that he had played football for several years and seen action during the recent war, coming through both without a scratch.

Buster was a little reluctant about telling about this accident, since he was born and raised on a farm. He will have both wrists in casts for six weeks, after which they will be removed and casts of a different type will replace the ones he now wears.

K. G. and Harry Martin of Jones county recently visited their aunt, Miss May Bell Thornton. They were returning from their annual bird hunt in Motley county.

Dot Karr, daughter of Mr. and Mrs. A. M. Karr spent the weekend with her parents. Dot is a Freshman at Texas Technological college at Lubbock.

## Home Demonstration Club Holds First Meeting Of Year

Record breaking weather and snow did not keep the Soldier Mound Home Demonstration club from its first meeting in 1947.

The club met Thursday afternoon, January 2 at 2:30 o'clock in the home of Mrs. Hade Condron. Mrs. Dee McArthur, the new president, called the house to order. Roll call was answered with "Ways I Could Improve My Kitchen."

Mrs. Floyd Barnett gave an interesting demonstration on baked apples. Mrs. Barnett stated that it was "just old fashioned baked apples with a new wrinkle," however the club decided it was baked apples without wrinkles. They were both attractive and delicious. She also gave a talk on ways for arranging a kitchen conveniently.

Mrs. Condron served the baked apples with thick cream, cookies and coffee to mesdames V. L. Craves, Buck Ballard, Dee McArthur, Floyd Barnett and Hobert Lewis.

## Soldier Mound H. D. Club Carries On Efficient Work

In spite of the fact that Dickens county has been without a Home Demonstration agent for the last nine months in 1946, the Soldier Mound Home Demonstration club has not missed any meetings and the attendance has been near the one hundred percent mark for each meeting. Mrs. Dee McArthur, the efficient program leader for 1946, arranged an interesting and educational program for each meeting.

One of the social highlights for the club during the year, was the Thanksgiving dinner given in the home of Mrs. Dee McArthur. Mr. and Mrs. Floyd Barnett entertained members of the club and their husbands with a "42" party in December. The Christmas theme was carried out in artistic decorations. A beautiful lighted tree in the window was the symbol of pleasure. Pecan pie and coffee was served to the guests.

The climax was the Christmas party in the home of Mrs. Barnett on December 19. Mrs. Hindman read the Christmas story from the Bible. Mrs. Hobert Lewis gave "The Other Wise Man" by Henry Van Dyke, and Mrs. Dee McArthur read "Twas the Night Before Christmas." After the exchange of gifts, refreshments were served to Mesdames Floy Watson, Ollie Hincman, Jno. Aston, Hade Condron, Buck Ballard, Dee McArthur, Hobert Lewis, and David McAtter. Mrs. Bill Ballard was a guest, as was little Mary McArthur.

## New Officers Elected For 1931 Study Club

The 1931 Study Club met Tuesday afternoon in the home of Mrs. Paul Marion at the Experiment Station.

A Fine Arts program was given with Mrs. Pauline Clemmons as guest speaker. She spoke very interestingly of "David Guion As I Knew Him." Mrs. Bob Simmons gave a paper on "Works of David Guion."

A business session was conducted and officers were elected for the new year.

President, Mrs. Ray Dison, Jr.; 1st Vice-president, Mrs. Harold Karr, 2nd vice-president, Mrs. Spencer Campbell; Secretary, Mrs. Carlos Brummett; Treasurer, Mrs. Bob Conner; Reporter, Mrs. Bynum Britton; Historian and Librarian, Mrs. Billy D. Bell; Delegate to City Federation, Mrs. Paul Marion.

Those present were Mesdames Ferrel Albin, H. M. Christian, Bynum Britton, Ray Dickson, Jr., Lynn Busbee, Francis McLemore, Lacy Armstrong, Bob Conner, Rob Simmons, Dan Pritchett, Billie D. Bell, Harold Karr, Hobert Lewis, Spencer Campbell, John King, Jr., Carlos Brummett, and Mrs. Pauline Clemmons and the hostess, Mrs. Marion.

Miss Mae Toi Murphy assisted her sister, Mrs. Marion in serving delicious Angel Food Cake, topped with whipped cream, cherries and nuts and coffee to the guests.

## Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

## 1917 Study Club Meets With Mrs. J. E. Berry

Mrs. J. E. Berry was hostess to the 1917 Study Club Tuesday, January 7 at her West Harris street home.

In the business session, officers were elected for the club year of 1947-48.

President, Mrs. R. C. Forbis; Vice-president, Mrs. Cecil Godfrey; Recording secretary, Mrs. Tom Johnston; Corresponding secretary, Mrs. J. H. Bowman; Treasurer, Miss Julia May Hickman; Parliamentarian and Critic, Mrs. Fred Haile; Historian, Mrs. R. E. Dickson.

Leader for the afternoon was Mrs. R. C. Forbis, with Mrs. Cecil Godfrey giving a very interesting paper on, "The Vatican." Miss Hickman very ably discussed, "Even Routine Days are Busy In Vatican City."

Mrs. Raymond Van Zandt sang, "The Bells of St. Marys," accompanied by Mrs. J. H. Bowman. A delicious salad plate was served to members present.

## Ten Students From County Enrolled At ACC

Abilene Christian College, opening the spring semester of its forty first session Feb. 7, will be able to care for additional students because of buildings procured from Camp Berkeley, and newly-constructed permanent buildings on the campus.

Abilene Christian College, maintained and directed by members of the Church of Christ, has for its motto "Emphasizing Christian Living."

Enrolled in Abilene Christian College from Spur are the following students:

Warren Pickens, Jr., Jean Arthur, William Morgan Randall, Betty Barnett, Marjorie Randall, Bill London, and Vernelle Wilson.

Charles Williams is enrolled from McAdoo, and Donna Gipson and Chichi Meadors from Dickens.

We've Hired an EXTRA SERVANT.

AT NO EXTRA COST

With household help becoming more and more a problem to obtain—a fact that is not pleasant to recognize—our customers are increasingly looking to Reddy Kilowatt as the only servant available, not only for part time work, but as a regular

24 hour day chief cook and housekeeper. Positive evidence of the demands for Reddy's services are at all electric employment centers—our display floors and the display floors of every electric dealer.

That people are hiring Reddy to do their cooking and house cleaning is shown by their eagerness to purchase every electric range and vacuum cleaner on arrival, and their insistence in holding their place on waiting lists for delivery as soon as possible.

Reddy's wages are still the bargain of the age. For year-round service with no time off, he's the post war super domestic.

## There's EXTRA SAFETY in the Tire that OUTWEARS PREWAR TIRES

While many postwar products are still in the dream stage, one is not... the new postwar B.F. Goodrich Silvertown that OUTWEARS PREWAR TIRES.

It's been produced... and what is more... in the past twelve months it's been delivered to car owners in greater quantities than any tire in B.F. Goodrich history.

Of course, many car owners have heard about the thousands of extra miles of service from the broader, flatter tread that covers more road area and gives greater protection against skidding. They know about the 35% stronger cord body that gives better resistance to road shocks and bruising. It's no wonder the factory's out-

standing production has been taxed keeping up with this extra demand.

But this is one product you can take out of your dream book... it's here. If you'll be needing new tires soon... check with us today for the tire that's worth much more but costs no more—the B.F. Goodrich Silvertown that: OUTWEARS PREWAR TIRES.

## RURAL ELECTRIFICATION SHOWS EXPANSION DURING PAST YEAR

### Electric Service To Be Available To Additional Farms

Approximately 170 new consumers were added to the Dickens County Electric Cooperative's lines during 1946, Bynum Britton, manager, stated this week. This brings the total number of members served by the cooperative to more than 325, located in Dickens and Kent counties of this area.

New Consumers are being connected to the cooperative's lines as rapidly as the available supply of construction materials permits, the manager said. A severe shortage still exists in wire, transformers, poles and many other items needed in building rural power lines.

The electric cooperative program was inaugurated in Texas 11 years ago this spring when the first REA line in the nation was built near Bartlett in Bell county, Central Texas, Mr. Britton said. At that time, only three percent of the rural homes of Texas—less than 12,000 in all—had electric service. Today more than 44 percent are electrified.

Texas' 75 rural electric cooperatives serve approximately 146,000 rural consumers in 220 counties. Included are farms, ranches, rural schools, churches, stores, and hundreds of small rural industries.

The Dickens County Electric Cooperative was organized in February 1940. Its first lines were energized in August of 1945.

The system when completed will serve approximately 2400 members in the counties of Dickens, Kent, Crosby, Stonewall, Motley and Garza.

The cooperative is a private business enterprise, owned and controlled by the rural people who receive service along its

lines. It is a non-profit organization, serving its members with electricity at cost. The board of directors includes:

Joe M. Rose, President of Duncas Flat; C. V. O'Keefe, Vice-President; Girard; S. L. Benefield, Secretary - Treasurer, Espulita; Chas. Gage, East Afton; Fded Dawson, Roaring Springs; Bert Wallace, Clairmont; W. L. Buckelew, Jayton; Jim Speights, Afton; and J. P. Shorp of Dickens.

The REA co-op program has not only been of tremendous benefit to rural people, lightening the drudgery of farm work and making farm life more pleasant and profitable, but it has also been of great value to business throughout this area, Mr. Britton pointed out. Electricity has increased the productivity and purchasing power of every farmer it has served, and created a vast new rural market for electrical appliances and equipment of all kinds.

### Cotton Market Tumbles \$6 to \$7 Last Week

Cotton tumbled \$6 to \$7 a bale last week below the previous week's close. Cattle dropped too, but hogs, sheep, grain and vegetables advanced. Other farm products held about steady at most southwest markets last week, according to USDA's Production and Marketing Administration.

Light supplies of eggs and poultry were adequate to meet the fair to good demand at southwest markets last week. Current receipt eggs held steady at 35 to 40 cents per dozen. Also, heavy hens were steady at 22 to 25 cents per pound at Denver; 24 to 26 at Ft. Worth; and 26 at Dallas. Turkey trading was near a standstill at about 20 cents per pound for toms and 33 for hens.

Hogs gained 50 cents to a dollar a hundred last week at most southwest markets. Top butchers brought mostly \$22 per hundred at Ft. Worth; \$21.50 at San Antonio; \$22 to \$22.50 at Oklahoma City; \$22.25 to \$22.50 at Wichita and \$22 to \$22.65 at Denver.

Cattle prices went down at most southwest markets last week. Losses ranged from 25 cents to \$2 per hundred. San Antonio reported about the only steady market with medium and grassy short-fed steers and yearlings selling at \$17 to \$19.65. Common and medium steers and yearlings brought \$12.50 to \$16.50 at Houston. Good beef steers and yearlings realized \$16 to \$23 at Ft. Worth and \$17.50 to \$23 at Oklahoma City. Wichita moved medium and good lightweight steers at \$19 to \$22.50. Denver quoted medium to choice steers \$18 to \$20.

Sheep and lambs advanced 25 to 50 cents per hundred at most southwest markets last week. Common and medium lambs brought \$13.50 to \$16 at San Antonio and \$14 to \$20 at Ft. Worth. Medium and good lambs realized \$18 to \$21.50 at Oklahoma City. Denver sold good and choice lambs at \$23 per hundred daily last week.

Most grains were slightly stronger last week. Sorghums made the sharpest advances. Feed prices followed a mixed trend with bran and shorts higher than a week ago while soybean and cottonseed meal continued to decline. Hay demand improved, but prices were unchanged.

## I Give You Texas

By Boyce House

If you owned a business and were going to hire a man to run it, would you have the outgoing manager make the plans for operating the business for the next two years?

That's the way it is done in Austin. The outgoing governor submits the budget. Wouldn't it be common sense for this to be done by the man freshly elected by the people and who, moreover, will have the responsibility for the next two years?

When the famous lawyer, Clarence Darrow, was just beginning his career, an opposing attorney kept referring to him as "that beardless youth." At last Darrow said, "A king once sent a young nobleman to the court of a neighboring king. That monarch, displeased at the youth of the ambassador, said, 'Does your king lack men that he sends a beardless boy?' The ambassador said, 'If my king had supposed that you imputed wisdom to a beard, he would have sent you a goat.'"

Darrow's opponent said no more on the subject. What this country needs more than a good five-cent cigar is a man's undershirt that can not be put on backward. In other words, any way the owner puts it on, it will be on right.

In a grocery store in the edge of Mount Pleasant, there is a tiny Mexican dog who at his owner's bidding (and at the promise of a marshmallow) will dance, and then buck like a horse. And if you believe that you can't teach an old dog new tricks, Pete was six years old when he was taught his amusing little stunt.

The recent hotel tragedy in Atlanta, Ga., should cause authorities in Texas to look around to see that we don't have any 10 or 15-story hotels without fire escapes. Proper safety measures taken now will prevent such disasters.

### CARD OF THANKS

We take this means to thank the people of Spur for their kind thoughtfulness to us during the Christmas holidays, especially the Harmony Club and Lions Club. Also the Methodist church for making this sad Christmas a happy one.

An "orchid" among motor cars is this milestone model, the 19,000,000th Chevrolet built in the 35 years of the division's history. Production of this car early in December highlights the endeavor of automotive manufacturers of America to supply a car-hungry nation within the limits imposed upon the industry by current business conditions. Top-ranking executives of Chevrolet who "delivered" this welcome souvenir "wrapped in cellophane" are Nicholas Dreystadt (left), general manager, and T. H. Keating, general sales manager.

**Dimes Training Polio Experts**

More than 300 critically needed physical therapists — trained through March of Dimes funds last year—were available to help fight the 1946 onslaught of infantile paralysis, Jerry Ensey, County Chairman of the 1947 March of Dimes, January 15-30, disclosed today.

Urging all-out support of this annual fund-raising drive of the National Foundation for Infantile Paralysis, Mr. Ensey said:

"Another 300 physical therapy students are now in training to meet a national shortage of these skilled professional workers. Altogether some 1,000 will be awarded scholarships in physical therapy through this program financed by the March of Dimes."

The Dickens County Campaign Chairman explained that physical therapy, which makes use of heat, light, electricity, water and scientific massage, plays a vital part in bringing about maximum recovery for infantile paralysis victims.

"More, many more, of these qualified physical therapists are needed," Mr. Ensey said, "not only for the treatment of infantile paralysis but also for rehabilitating victims of industrial accidents."

"At the same time, this physical therapy program of the National Foundation is but one branch of the vast work being underwritten by the March of Dimes in the fight against infantile paralysis. Contributions to the 1947 March of Dimes, January 15-30, will enable us to intensify our efforts and eventually win complete victory over a dread disease."

**\$345.00 To Be Given In Historians Writing Contest**

The Texas State Historical Association has announced a first prize of \$100.00 for the winner of the 1946-1947 Junior Historian Writing Contest. Eighteen papers will receive awards totaling \$345.00.

Contest entries may deal with any topic in Texas history, but contestants are urged to work on some subject related to their community or local history. Some suggestions for topics are: cattle, trails, saddles, Indian depredations, transportation, natural history, exploration, oil, economic, political, or biographical subjects.

"Any boy or girl in Texas under twenty-one years of age may become eligible for competition," stated H. Bailey Carroll, Editor of the Junior Historian, the magazine of the Association which is written almost exclusively by young Texans.

April 1, 1947, is announced as the closing date of the contest. All interested are invited to write for further information to the Junior Historian, Box 2131, University Station, Austin 12, Texas.

**Singing To Be Held At Girard Next Sunday**

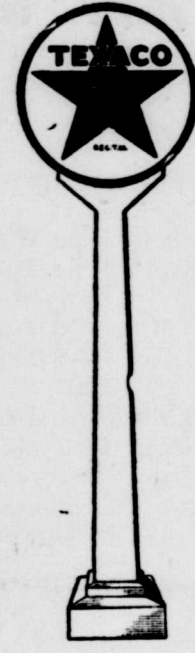

A singing will be held at the Girard Church of Christ on Sunday, January 19 at 2:30 p. m., it was announced this week. This is the regular third Sunday singing held by the church.

A large gathering is expected with singers from Dickens, Stone-wall and Kent Counties, it was stated and everyone is cordially invited to attend.

*First* IN CAR PRODUCTION . . . *First* IN TRUCK PRODUCTION  
*First* IN COMBINED CAR AND TRUCK PRODUCTION!

**A**GAIN at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is *first in passenger car production—first in truck production—first in combined passenger car and truck production . . .* despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes to be able to build more and more of these fine products which

America is buying so eagerly—the *only* motor car giving **BIG-CAR QUALITY AT LOWEST COST**—the *only* truck giving **BIG-TRUCK QUALITY AT LOWEST COST**—the complete Chevrolet line which stands out as the *lowest-priced line in its field!* One word of caution about deliveries: There still aren't enough new Chevrolets to go around, but obviously you'll get *quicker delivery* by purchasing the product of America's largest builder of cars and trucks, and you'll get *higher quality* by purchasing the product America likes best—*Chevrolet!*

Remember . . . **LARGEST PRODUCTION** means **QUICKEST DELIVERY** of your new car. Place and keep your order with us for a new Chevrolet and get *biggest value as well as earliest possible delivery!*

A romantic scene from the true life story of "Sister Kenny," starring Rosalind Russell with Dean Jagger and Alexander Knox.

### "Sister Kenny's" Career Told in Vivid Photoplay

at the Palace Sun. and Mon.  
 The stirring career of an obscure Australian bush nurse who emerged into fame with her fight against the dread results of infantile paralysis, serves as the theme of RKO Radio's brilliant biographical drama, "Sister Kenny," co-starring Rosalind Russell in the role of the nurse and Alexander Knox, as Dr. McDonnell her mentor and staunch champion.  
 The story covers Sister Kenny's life, from the age of 22 when she graduated from nursing school, up to the recent opening of her Minneapolis clinic. The film opens with her decision to work in the medically-neglected Australian bush rather than take a more comfortable job in the dis-

trict hospital. Her first contact with the dread disease follows quickly, and how she copes with it gives her an initial clue to effecting results. Her rebuffs from conservative medical authorities; her fight to establish clinics only to see them shut down at the instigation of medical authorities, and her sacrifice of personal happiness builds to the picture's climax.  
 Interlaced with the story is her little known, long-lasting romance with an Australian Army officer, Kevin Connors, (Dean Jagger) a romance which was thwarted by her complete absorption in the cause to which she had dedicated herself and by the fact that Australian nurses cannot marry.  
 "Sister Kenny" tells one of the great stories of our time, and is distinguished by its strict regard for authenticity and for brilliant performances by all concerned.

## DICKENS

By Mrs. Rex Robinson

Mr. and Mrs. J. A. Calhan of McAdoo visited in the J. R. Miller home Sunday.

Miss Nettie Littlefield made a business trip to Crosbyton Monday.

Mr. and Mrs. Burford Cook have moved to Dickens from Como, Texas. Mr. Cook is employed at the Dickens Oil Well.

Mr. Billie Overstreet is home with his parents, Mr. and Mrs. Ben Overstreet, until he starts back to school in February.

Miss Jane Felmy had as her dinner guests Sunday Misses Fancey Turpin, Minnie Pearl Stubblefield and Deana Thacker.

Odell Holley is well underway in building a new garage here in Dickens. It will be equipped with a wash and grease rack.

Mr. C. C. Swaringen of Dickens sold his wholesale gas business to D. C. McAteer of Spur. Mr. McAteer has a sub-agency here at the Texaco Service Station.

Mr. and Mrs. C. C. Swaringen spent Friday in Abilene on business.

The Dickens boys and girls played some exciting games of Basketball Friday night. The Girard boys beat the Dickens team with a score of 24 to 23. It was necessary to play overtime to decide the winner.

Last Friday night the Dickens School held a picture show for the public titled "Home in Indiana." The school has the necessary equipment for educational purposes and it has proved to be a great help to the school children. This week "The Keys of the Kingdom" will be shown.

The School Lunch Room is doing a wonderful job in serving the children meals. As many as 135 lunches are served during one lunch hour. This job is made difficult by the poor condition of the stoves. It is hoped that an effort will be made by the parents to put a fund-raising campaign in motion to provide better equipment for this worthy purpose.

### Geo. Fisher High In Tech Judging

Sponsored by the Block and Bridge club of Texas Technological College at Lubbock, the first half of the 21st annual freshman livestock judging contest, was held at the college judging pavilion last Saturday afternoon with about 80 participating. Nathan Allen was superintendent of judging. Cattle and sheep were judged.

Individual winners were George Fisher of Spur, first, with a score of 447 out of a possible 500; Keayon Banks of Meadow, second, 446; Thomas Davis of Lubbock, third, 444; Ben Wilson of Claude, was fourth.

Sheep judging was led by Ralph Cleveland of Garland, George Fisher of Spur, and Jay Kiepper of Mobeetie.

Harold Eastland was assistant superintendent of the contest, Robert Baumgardner, timekeeper; John Bill Wheeler, Lloyd Holloway, Olen Elkins and Jess Robinson, recorders; Albert Tevin, H. G. Sprawls, and John Bayles sections leaders; James Gunter, K. O. Lewis, Roy Boone, William Montgomery, Robert Kelley, Johnny Leathers, Jim Humphries and Edwin Dawson, judges.

Second half of the judging will be held in the spring.

### Mr. and Mrs. Rolly R. Adeock

are announcing the arrival of a son, Michael Ray, Tuesday, January 7 at the Nichols General hospital. Michael weighed six and one half pounds. Both mother and son are reported to be doing nicely. The father is employed at the Magnolia Service Station.
