## PASTEURIZING PLANT INSTALLED HERE; NOW IN OPERATION

### Dillard Williams Installs Modern Pasteurizing Plant

A milk pasteurizing plant has been installed in Spur and is set in operation this week. The plant, located just west of Safeway stores, is under the active management of Dillard Williams who is assisted by a staff of workers. The plant is putting out a large daily capacity of pasteurized milk and will increase output as demand justifies. Mr. Williams stated.

The pasteurized milk is being sold in local stores, according to Mr. Williams and first response of Spur housewives to having the new milk available here for the first time, is gratifying, he said.

The firm here has installed a modern and complete plant including automatic heating and processing facilities which eliminates impurities from milk and leaves the principal healthy ingredients, it was pointed out.

Mr. Williams has been in the produce business here for some time. He will continue to operate the produce business as well as the pasteurizing plant, he said. Formerly he was engaged in the grocery business.

Mr. Williams is being assisted in the plant by Darold Roberson, Ima Gene Billberry, Willard Williams and C. L. Williams. Other employees will be added to the firm as the pasteurized milk business expands.

## Sylvan Golding Reports On Lions Convention

Sylvan Golding gave a report of the District Lions convention held last week in El Paso, at the regular weekly luncheon of the club held at Tuesday noon at Spur Inn. Mr. Golding, A. J. Harvey, Fred Kinney and Leon Reagan represented the Local Lions club at the El Paso meeting.

Mr. Golding described the program, talks by various prominent speakers, programs of entertainment and other phases of the convention.

The group attended the convention in the border city on Monday and Tuesday of last week and returned to Spur Tuesday night.

## M. C. Golding Attends Dallas Market

M. C. Golding arrived in Spur Wednesday afternoon from a trip to market in Dallas, making purchases of merchandise for the E. Schwarz & Son store here. Mr. Golding flew back from Dallas to Abilene and was met in that city by Bernard Golding, a member of the local firm, and they arrived here about noon Wednesday.

## Mrs. J. F. Williams Buried Wednesday

Another early day resident passed on when Mrs. Sallie E. Williams, 81, died at the home of a daughter in Dallas early Monday morning, May 12.

Mrs. Williams who had been visiting with friends in Spur when she became ill and was moved to the Nichols General hospital. Her daughter, Mrs. Fred O'Dell of Dallas with whom she made her home, came to Spur to return her mother to their home in Dallas and apparently she was recovering when her condition became worse. Her other children arrived in Dallas Sunday to be with their mother during her last illness.

Mrs. Williams was born in Cotton Gin, Texas, June 4, 1865. She was married to James F. Williams in 1888 at Collinsville, Texas. In 1912 they moved to Spur to make their home and for years the late Mr. Williams was one of the leading druggists of Spur, being the owner of the Spur Drug Store. Since leaving Spur, Mrs. Williams had made her home with one of her daughters, Mrs. Mildred O'Dell in Dallas. She was affiliated with the Church of Christ after being converted early in life.

Funeral services were conducted from the Church of Christ in Spur, Wednesday, May 14 at 2:30 o'clock with C. V. Allen officiating. Interment was in the Spur Cemetery with Campbell Funeral Chapel in charge of arrangements.

Pallbearers were Leonard Wilson, Floyd Barnett, Dr. M. H. Brannen, E. S. Lee, J. B. Johnson and Joe B. Whitener.

Honorary Pallbearers were J. H. Clay, C. L. Love, T. W. Rash, Leonard Joplin, Dalton Johnson, J. I. Mecom, John Hazelwood, S. A. Lawrence, Will Garner and Joe Christal.

Her husband, J. F. Williams preceded her in death in 1928. Surviving her are two sons, Frank Williams of Austin and Weldon Williams of Houston; four daughters, Mrs. Eula Joplin, and Allynne Barr of Los Angeles, California; Mildred O'Dell of Dallas and Dorothy Nasci of Albuquerque, New Mexico. Four grandchildren and four great-grandchildren, one sister, Mrs. Lee Prater of Burlington, Texas also survives.

## C. C. Kimmel Urges All To Render State & County Taxes

Sheriff and Tax Assessor, C. C. Kimmel is urging those who have not rendered their state and county taxes to do so at once. All taxes not rendered will be placed on the unrendered roll, he said, making it very necessary that everyone see that his or her property has been rendered.

The deadline for renditions is May 15.

## Girl Scout Troop 1 Hold Regular Meeting

Troop 1 of the Girl Scouts met in the basement of the First Baptist church to hold their regular meeting.

Roll was called, dues were collected and games were played by the group. Leaders of this troop discussed Nap Sacks that had recently been completed and also discussed painting the emblem on the Nap Sacks.

Mrs. Rex Carlisle gave instructions to the girls on dancing.

## Interest In Cowgirl Contest As Big Prizes Announced

Spur will go western today (May 15) when business and professional men, farmers and ranchers will don cowboy attire for the purpose of advertising the big Spur Cowboy Jubilee to be held here on June 5, 6 and 7. Local stores are featuring cowboy regalia in their display windows and buyers are stocking up for the big event.

Local men will either go western or else, according to officials of the Spur Chamber of Commerce. Cowboy attire is going to be the rule about town and not the exception, Jubilee officials state. Big hats, boots, shirts and accessories are expected to be seen on the streets today and every day until the show.

Interest in the Cowgirl contest is gaining momentum this week with the announcement of huge cash prizes that will be awarded winners. Local business firms are choosing sponsors for their representative in the contest. Girls from over a wide area of West Texas are expected to take part in the competition. First place winner will be awarded \$75.00; second prize will be \$50.00; third \$35.00; fourth \$25.00 and fifth prize \$15.00. A special prize of \$75.00 for the top ranking Dickens county girl will be awarded also.

Contestants in the cowgirl sponsor contest will be judged on the ability and attire of both the horse and the girl and on the time for riding the barrels, according to rules set up by the Rodeo committee. Bob Simmons has been placed in charge of the sponsor contest and he will be assisted by Mrs. Simmons who will serve as sponsor hostess.

Towns from throughout the entire area are being urged to have representatives in the sponsor contest and a large number of entries are expected to enter. Local firms are now being urged by Mrs. Simmons to select their sponsors for the event. Girls interested in entering the contest are urged to contact Mrs. R. H. Simmons, box 105, Dickens, Texas.

Plans are going forward for the rodeo and other phases of the Cowboy Jubilee program. The work is going forward according to schedule, it was reported by Committee chairman in charge of the various phases of the program at a meeting held Monday night. All phases of the arrangements are being worked out as rapidly as possible.

A firm has been contacted to decorate the city for the celebration. Men will arrive here on Saturday preceding the rodeo to decorate the stores and streets for the occasion, according to plans.

## Geo. Gabriel Attends Dallas Shoe Market

George Gabriel, Manager of the Fair Store, was in Dallas the first of this week attending shoe market and making purchases for the shoe department of the local store. He left here Sunday and returned Tuesday.

providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor.

#### BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred (\$100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 7, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two (2c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate Army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein above levied.

"Also, there is hereby levied, in addition to all other taxes permitted by the constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided, the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereby authorized; provided further, that the state tax on property as heretofore permitted to be levied by Section 51 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"Funds raised from said Five (5c) Cents tax levy for the ten (10) year period beginning January 1, 1948, are hereby allocated to the following institutions of

"Not later than June 1st of the beginning year of each succeeding ten (10) year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session full-time student enrollment for the preceding five (5) year period of time, shall re-allocate, to the above designated institutions of higher learning then in existence, all funds to be derived from said Five (5c) Cent ad valorem tax for said ten (10) year period; and all such designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not thereafter receive any other state funds for the acquiring or constructing of buildings or other permanent improvements for which said Five (5c) Cents ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enacting. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treas-

ury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose."

"Section 18. For the purpose of constructing, equipping or acquiring buildings or other permanent improvements, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Five Million (\$5,000,000.00) Dollars, and the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Ten Million (\$10,000,000.00) Dollars. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than twenty (20) years from their respective dates, and in no event later than twenty-five (25) years after the date of the adoption of this amendment. This amendment shall be self-enacting.

"Said Boards are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes. All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at a special election to be held throughout the state on the fourth Saturday in August, A. D. 1947, at which election all ballots shall have printed thereon: "For the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levy-

ing of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and of The University of Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

able state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and of The University of Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

Non-operating railroad unions are demanding still another raise of

**\$568,000,000.00** a year

## You would foot the bill!

Lock out... there's another big railroad wage demand headed your way!

The non-operating unions alone—whose members do not actually operate trains—are demanding a flat increase of 20 cents an hour. These demands would cost the railroads of the country **five hundred sixty-eight million dollars a year!**

Last year these employes had an increase of 18½ cents an hour. This was their third major wage increase since 1939. Their average weekly pay has gone up 75%, as against a cost-of-living rise of 51%.

Since 1939, railroad wage and material costs have gone up more than three times as much as freight rates, and five times as much as passenger fares. That is why in 1946, with the largest peacetime traffic in history, the net income of railroads went down to the equivalent of only 2¼% of the net property investment.

—special payroll taxes on railroads have recently been increased;  
—and passenger traffic has declined.

### BOYS DEFEAT IN VOLLEY BALL

**By T. F. Baze**

The Spur boys played a very exciting game when they played McAdoo.

Near the end of the game the scores were 14-14, then McAdoo made a score, making the score 15-14 in favor of McAdoo.

The boys who played Howell Pugh, Billy Hoover, Dean Watson, Don Hill, David Spraberry, Jimmy Green, Lavern Wilson, Don Hindman, Vernell McAlpine, Herbert Roberson, Don Slack, Drennon Garner and Robert Stewart.

These boys played a very good game. We hope the boys in Junior High next year are as good, in volley ball, as they are this year.

### USHERS ELECTED

**By Joyce Daughtry**

The eighth grade elected two boys and two girls out of the seventh grade to be ushers in their commencement exercises. They were Emma Lens Simpson, Gloria Lewis, Orville Cloude, and Charles Ray Watson. We are indeed happy to have these four pupils in our graduation exercises.

### THANKS THANKS!

**By Billy Hoover**

We, the Junior High School, wish to thank the persons who have made it possible for us to use the paper for our Junior High Echo. We have deeply appreciated having our articles, songs, events, and fun in your paper. It is people like you who make our success possible and desire for future achievement. Thanks again.

We also wish to thank Miss Campbell for her help with our graduation exercises and songs. We are very grateful to her, and to all the teachers of Junior High school your help we will never forget.

### HISTORICAL ASSOCIATION

**By Annette Lee**

The Dickens County Historical Association has offered a prize to the person who writes the best history of Spur and Dickens County, in a contest they are sponsoring. Also, they are offering a prize for the best collection of pressed flowers of Dickens County. The history and the pressed flowers will be due next September 15th. The name of the collectors must be turned in before May 20th.

### EIGHTH GRADE CHOSEN FOR HONORARY MEMBER

**By Annette Lee**

Myra Alice Ratliff was chosen to be an honorary member of the Dickens County Historical Association, in an election held May 6 by her classmates. To be a member you must have been born and reared in Dickens County, be interested in the county, and be dependable. To be an active member you must be 25 years of age.

Runner-up in the contest was Margaret Wood, who will also help with the Association activities.

On Saturday, Margaret and Myra Alice will label the con-

tributions that our Science Club has to offer to the Historical Association.

### 7TH GRADE NEWS

**By Billie Boykin**

Our seventh grade has worked hard this year and we are still striving toward the goal. We have worked especially hard this week in preparing for our Harlow Tests which we had May 8.

We are looking forward to vacation during the three months following this school term.

Our teachers have worked hard with us in this year's work.

### GRANT WOOD VISITS THE FIFTH GRADE

**By Janie Carlisle and Erma Lou Gannon**

Grant Wood visited the fifth grade rooms last week. He was a great American artist. He painted flowers, fruit, and vegetables for commercial use, but he painted portraits for amusement.

Grant Wood is a very skilled artist. His pictures, sometimes are put on stationery to decorate the front page. During the study of his flower pictures, Alice Jo Crockett brought some pansies. Grant Wood's "visit" and art was enjoyed by the two fifth grades.

### GIRLS WIN IN INTERSCHOLASTIC LEAGUE

**By Marcell James**

The eighth grade girls journeyed to Girard Saturday to play volley ball for Interscholastic League championship.

They left at 11:30 with Mr. Browning driving the bus. The girls arrived at Girard about 12.

They played Peacock for their first game. After a hard struggle the Spur girls won.

The line-up starting off were: Delma Joyce Hagin, Wynell Mahan, Marlene Sprayberry, Marie Cornelius, Wynell Smith, and Marcell James.

Mrs. North, the coach, seemed very happy over the event. After the game she bought them an ice cream cone, each.

The group started back about 3:30. Everyone had a nice time.

**STATE READING CERTIFICATES**

The students of Junior High who read 30 required books will be honored with a State Reading Certificate. They are: Wynell Smith, Marie Cornelius, Wallace Young, Varnell McAlpine, Davis Sprayberry, Wynell Mahan, Troy Smith, Wayne Smith, Dick Gibson, T. F. Baze, Carole DeWees, Lera Frazier, Carolyn Kelley, Janie Carlisle, Francis Wilson, Ella Mae Copeland, Don Gannon, Wynell McCarty, Lloyd Womack, Beverly Wood, Treddy Wyatt, Harley Gean Bingham, Lorell Hairgrove, Barbara Nalley, Nancy Pritchett, Gayle Reese, Mary Jo Rogers, Peggy Reid.

The following have gotten the State Reading Certificate before. They will also get the seal this time: Jean Calvert, Doris, Williams, Jane Holloway, Annette Lee, Margaret Wood, Billy Hoover, Beryl Durham, Lucy Nell Boothe, David Cage, Jean Wilson.

### BASEBALL

**By Joe Neil James**

Spur Soft baseball players went to Girard, Friday, April 25. Spur came home from a good game. Spur defeated Girard 45-4.

Spur Line-up—  
Catcher—Dean Watson. Floyd Arnold, substitute.  
Pitcher—Don Hindman. Herbert Roberson, substitute.  
First Base—Robert Stewart. Beryl Durham.  
Second Base—Don Hill. Wallace Young, substitute.  
Third Base—Billy Hoover. Dick Gibson, substitute.  
Short Stop—Jimmy Green  
Left Field—Joe Neil James  
Center Field—Lavern Wilson  
Right Field—Vernell McAlpine  
Rover Filed—Howell Pugh  
Girard returned to Spur Wednesday, April 30. Spur sixth grade played. Girard was defeated by Spur with a score of 22-18. County meet was held May 7. Spur started out playing Jayton. Spur beat with a score of 21-7. Girard and Peacock played. Pea-

cock beat 18-4. Spur played Peacock and beat with a score of 16-5. Which put Spur in the championship.

This poem has been chosen "Courage For Graduation" by Anita Cunningham.

From the eighth grade class to the eighth grade class.

### COURAGE FOR GRADUATION

Courage for graduation, will certainly take a lot To keep the girls from crying and the boys tears not, We all look forward to Graduation When our certificates are like a mansion.

Courage for graduation, when someone doesn't pass When next year they have to stay in the eighth grade class We'll love you and care for you When we leave you in the old class.

Courage for graduation, the time must come, When we leave the old school with nothing to hum. The fairest of all in my schoolmate The one who seventy, he couldn't make.

Courage for graduation, when we leave for a new school And those who didn't care will be like a fool. You see, the eighth grade is in Junior High school. And some only sat on a stool.

### JOKES AND JEERS, SCANDAL, AND CHIT CHAT—KNOW ALL AND TELL ALL

**Myra Ratliff**

Carole DeWees is sporting a new bracelet. It has Dub Karr on it.

Annette Lee and Billy Hoover wanted to sit together at History, and they did. Could it be another love affair?

Arlene Wilson was sitting on the edge of her seat, listening to Collin Roy Reese in English class.

Lera Lou told Joyce Daughtry that she liked David Cage.

Barbara Vaughn is going to have a lot of explaining to do to Jackie, when word gets around about Friday night.

Lucy and Beryl write notes all the time. I wonder what they can say.

Joyce wears a ring now with the letters on it H. P., could it be Howell Pugh?

Delma Joyce is whispering around about an army guy, is he good looking Delma?

School is almost out, I've been counting the minutes, months, and days and I guess I better know.

### JOKES AND JEERS

**By Margie Campbell**

What's this we hear about Wynell Mahan and Laverne Wilson. He is cute, isn't he Wynell?

Look's like Howell Pugh and Joyce Daughtry really have up a case, a cute couple, too.

Jerry Graves says he and Ada Lou Chambless are getting along just fine. Is that right Ada Lou?

Paul Simmons sure stays around Shirley Henshaw's house a lot. I don't blame him, she's real cute.

The girls say that Van Cash doesn't give them a chance. Come on Van, give the girls a break.

Ann and Lynn Wright are getting along nicely with John Van Zandt, so people say. They're cute, aren't they John?

Doris Williams sure goes around with stars in her eyes. Randolph Pritchett, can you tell why?

### Steel Hill Church Of Christ To Hold Services May 18

The Steel Hill Church of Christ at Justice will conduct services Sunday, May 18 at 10:30 a.m. Beurel Lynley of Abilene will be in charge of the services and an invitation is extended to all to attend this service.

### Girl Scout Board To Meet Tonight At Round-Up

The local Girl Scout Board Association meeting was held at the Round-Up last Thursday night to discuss the Day Camp to be held here, June 23 through the 26.

The Girl Scout organization is well underway in the county and stands a very good chance of being one of the top organizations in this association. In order to keep the Girl Scouts active, the co-operation of every parent and civic organization is needed to back this group.

Repair on the Girl Scout house was another topic discussed. Miss Bonnie Campbell who is chairman of this project will appreciate any help that may be offered and asks anyone wishing to do so to please contact her. It is hoped that the little house will be ready for the Girl Scouts to begin the painting and the hanging of the curtains in the very near future.

The next board meeting will be held in the Round-Up tonight, May 15 at 8 o'clock. Those present at the last meeting were; D. J. Dyess, Mrs. Leland Wilson, Mrs. Joe Long, Mrs. Abb Bingham, Miss Margaret Elliot, Miss Bonnie Campbell, Mr. and Mrs. Leon Reagan, Sylvan Golding, Mr. and Mrs. Miller, Mrs. Phifer, Mrs. Raul English, Mrs. E. B. Henshaw and Mrs. Lynn Buzbee. The committee to raise funds for the repair of the Girl Scout house is composed of O. L. Kelley, Sylvan Golding and D. J. Dyess. Anyone wishing to make any donations may contact one of these men.

### Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

### A. C. Hulls Present Daughter In Recital

The Spur Inn was the scene of a seated tea hosted by Mr. and Mrs. A. C. Hull on Sunday afternoon, May 4, when their daughter, Ann, was presented in piano recital. Assisting her in her program was Richard Lunsford, son of Mr. and Mrs. G. R. Lunsford of Olney, who played his accordion.

The young people were introduced by Mrs. W. M. Hilley and both displayed unusual art and skill in their playing, making it an enjoyable occasion for their many friends who came to hear them.

The refreshment table was laid with cut work linen cloth and featured crystal punch bowls surrounded with fern and purple iris.

Others in the house party were Mrs. E. D. Engleman, Mrs. L. D. Ratliff, Miss Creola Rector, Miss Virginia McNeill, Miss Sue Hull and Bobby Britton.

Out of town guests besides Mr. and Mrs. Lunsford and Richard were the mother and brother of Mrs. Hull, Mrs. J. A. Ward, Sr. of San Angelo and Mr. Rip Ward of Sonora. Also Mrs. L. J. Hurst of Lubbock.

### FILM 'DEAD RECKONING' IS FULL OF CRACKLING ACTION

Danger lurks in every corner! Humphrey Bogart and Lizabeth Scott in the mystery thriller, "Dead Reckoning."

Millions of Humphrey Bogart fans are looking forward with keen relish to seeing Bogey and his newest screen light o'love, beauteous Lizabeth Scott. Teamed in John Cromwell's "Dead Reckoning," a Columbia production coming Sunday to the Palace Theatre, they're said to be an explosive combination of man and woman dynamite.

From advance Hollywood reports, the fans are assured of a typical Bogart film—and that means plenty of crashing action and reckless romance. The action is really rugged with Bogey called upon to take and administer terrific physical punishment. The love between Bogart and Miss Scott, as unpredictable as a sultry summer's day, will have the fans gasping.

Taking his cue from Oliver H. P. Garrett's and Steve Fisher's terse screenplay, based on a story by Gerald Adams and Sidney Biddell, Cromwell has directed for hair-raising suspense. Bogart, as a paratrooper returned to the U. S. to receive a combat award, is plunged into a furious round of manhunt, slugging and romance when a disappearing buddy turns up—dead!

The uniting of Bogey and Miss Scott will reward the fans' anticipation, for they're terrific together. A clamor can be expected for their screen reunion—for they're a torrid and winning combination.

Strong support for the stars is afforded by Morris Carnovsky, Charles Cane, William Prince, Marvin Miller and Wallace Ford.

Pat Christal spent the past few days here, visiting his father, Joe Christal and also to visit his brother, Marion who is here visiting from McCord Field, Washington.

### 1933 Study Club Installs New Officers At Luncheon

Fragrant roses decorated the entertainment rooms at the home of Mrs. George Gabriel Tuesday afternoon, May 6 when the 1933 Study Club held their last meeting of the year with a covered-dish luncheon.

The lace covered dining table was centered with a huge bowl of red roses artistically arranged. Individual tables were centered with a crystal bud vase containing a lone pink rose bud.

Mrs. W. F. Gilbert was in charge of the program for the afternoon. Roll call was answered with Current Events on Youth. After which the installation of officers for the new year were held.

Members present were: Mesdames Abb Bingham, C. N. Gilbert, C. F. Cook, Coy McMahan, Chap Reese, C. H. McCully, Everett McArthur, J. L. Koonsman of Dickens, L. S. Wilson, W. F. Gilbert, Adrian Rickels, O. R. Claude, J. C. Payne, John Criswell, Billy Bob Saxon, George Sloan, Ira T. Tyler and Mrs. Dee Hairgrove, a new member and the hostess, Mrs. George Gabriel.

Neal Chastain of Munday spent the week-end in Spur with Mrs. Chastain and Neal A. Jr.

Mr. and Mrs. Ira Slayden was in town Saturday from their home north of Spur.

**Famous Kansas Bank Robbery Reenacted For Film "When the Daltons Rode"**

One of the greatest frontier epics of all time, Universal's "When The Daltons Rode," is being shown at the Liberty Theatre Tuesday and Wednesday. For sheer daring, bravery and foolhardiness, the attempt of the celebrated Dalton gang to stage a double bank robbery in Coffeyville, Kansas, in 1892, is unparalleled in frontier annals.

This episode is the climaxing highlight of the picture in which Randolph Scott and Kay Francis play the leading roles with Brian Donlevy, George Bancroft, Broderick Crawford, Andy Devine, Stuart Erwin and Frank Albertson.

In their comparatively brief crime career of three and a half years, the Dalton boys left the most spectacular trail of all frontier outlaws.

The Daltons never thought that they were wrong in pursuing their career of crime. In their opinion, they were merely seeking revenge for the wrong done them as ranch owners by a company, which sought to

aud ranch owners by laying honest claims to their property. However, the authorities agreed with their interpretation and they were prosecuted under the law, but before they were finally brought to justice, their depredations wreaked havoc in the Midwest.

Mrs. Paul Braddock and Miss Eva Collier of Afton were in town Monday from their home east of Dickens. Mr. and Mrs. A. J. Richey were in town Monday from their home east of Dickens.

Wholesome home life, under the watchful, loving care of a "mother," is provided every minute of the day for the young residents of the Veterans of Foreign Wars National Home, at Eaton Rapids, Mich. Mrs. Pearl Holloway, who is in charge of the Wisconsin cottage at the home, is typical of the "mothers" who lavish love and tender care on their young charges—orphans of veterans. One cent for each Buddy Poppy sold annually by the V. F. W. goes to the support of the V. F. W. National Home.

A pound of DDT sprayed on cattle during fly season is worth 2,000 pounds of beef to the Texas stockmen.

A variation of apple butter can be made by substituting 1 1/2 pints of pure grape juice for the pint

of water ordinarily used in making butter from a gallon of apples.

### Butane Users Increase In State

With the return to the domestic market of gas-burning appliances in large numbers the problems of the butane industry are increasing rapidly, according to a statement just made by Lyle Blanton of Hereford, who is president of the Texas Butane Dealers Association. He pointed out that prior to the war few persons were heavy users of butane and propane as a heating and cooking fuel and that the small storage system in general vogue at the time was ample to meet his needs.

"As the manufacturers get back into production and appliances begin to flow to the markets, thousands of persons are adding ranges, refrigerators, water heaters and space heaters to already overloaded systems," continued Blanton, "with the result there is an unprecedented drain upon their small systems and the customer often finds himself without fuel. This requires frequent trips by the fuel dealer to the customer's premises, but it also raises the more serious question of whether or not the trend will continue to the point where there will not be enough gas produced during the peak months of November, December, January, and February to fulfill the demands. As a matter of fact, this condition did not develop in many parts of Texas last year and it appears it will be even worse next winter.

"The logical and practical answer to the problem," stated the president of the state butane trade association, "is for customers to take out 'winter insurance' by purchasing and installing butane systems large enough so they can 'stock-pile' the butane gas during the summer months when the domestic demand is the lightest. In that way they can have enough fuel on hand at the beginning of the winter months to carry them through until Spring without another filling of their tank. There is absolutely no loss to the customer from evaporation or shrinkage during the months the gas is being held in the customer's tank."

Local butane gas dealers are supporting the program being sponsored by the Texas Butane Dealers Association to get new butane users to install adequate storage facilities, or to supplement their present systems if they are already customers, so as to take care of their needs during the forthcoming winter months.

Apples may be kept several months in their natural state if they are in good condition when stored.

### Duck Creek Soil Conservation District News Notes

RILEY WOOTEN, Chm. OSCAR McGINTY, Sec.  
WILL WRIGHT TOM MURDOCH CHAS. WITT

One of the best crop prospects for several years is being reported as a result of the general rain that began falling last Friday and lasting through Sunday. Red Copeland, co-operator of the Duck Creek Soil Conservation District in the Sage Branch group, reports that he received 5 inches of rain and none of it was lost through runoff. Copeland's farm has a slope of more than 2 per cent, and he has had to apply intensive conservation practices to take care of his land. "Even though the rain fell slowly in most places," Copeland remarked, "there has been an enormous amount of water lost through runoff. Some

farmers still have their rows running with the slope of the land and think it is too much trouble to terrace or contour farm."

Wilson Draw lake is nearly full as a result of the failure to hold the rain where it fell. Last summer the technicians of the Soil Conservation Service made an engineering survey to determine how many acre feet of water this lake contains. It was surprising to some to learn that the water the lake holds would produce over 80 bales of cotton or, that the grass this water would have been capable of producing would have maintained 13 head of mother cows with calves

### CARD OF THANKS

We wish to thank you, our friends and neighbors who gave so generously of your time, your services and your sympathies at a time when friends mean so much.

You thought of everything that would help us to bear our sorrow.

You prepared and brought food, you opened your homes to us, you came and stayed. You sed your cars day and night; human hands could not have done more, and we are grateful to have you for our friends and neighbors.

Mr. and Mrs. R. A. Butler and family.

for one year.

Another farmer who reports no runoff from his farm is Barney Yeakley of the Twin Wells conservation group. Yeakley recently signed a co-operative agreement with the District and has constructed several miles of terraces.

Lee Glenn, who lives two miles west of Glenn, is proud of his conservation work and reports that his terrace system controlled the 5-inch rain that fell on his farm.

The 40 acres of lovegrass Bud Smiley planted is coming up to a fair stand. Smiley remarked, "I turned my cows in on the lovegrass I planted last year. They had been running on rye and I never expected them to take the grass very well because I had heard they would not. However, I have never seen cattle eat anything as well as they did that lovegrass."

### FARM HOME LIGHTING

(This is another in the series of articles on lighting the farm home and answering the questions most often asked of General Electric home lighting specialists.)

Wish you could have seen a "Before" picture of this farm home bathroom, when a single bare bulb dangled on a drop cord from the ceiling, providing nothing but shadows for the person trying to shave or apply cosmetics before the mirror.

The re-lighting plan for this

farm home called for a 75 watt bulb brought up close to the ceiling in an 8-inch glass enclosing globe. This improved the general lighting in the room and did away with some of the shadows.

To add some localized light at the mirror, a simple wall bracket was installed on either side using 60-watt bulbs shielded with simple dime-store shades. The installation would be even better if the wall brackets were lowered somewhat, so as to be on a level with the face in the mirror.

### ANY MESSAGE FOR FRANCE, M'SIEU?

Radiant Hilma Seay of Memphis, Tenn., the 1947 Maid of Cotton, asks French Consul Jean La Pierre of New Orleans if he has a message for the folks back in France. The Cotton Maid flew to Paris aboard an Air France Comet late in March for a two-week visit to the French capital and towns on the Riviera. She is in the midst of a five-month international cotton goodwill tour.

An acre of sudan grass for each dairy cow will provide inexpensive feed and maintain production when permanent pastures lay out. Before a fertilizer is offered for sale in Texas, it must be registered with the State Chemist, and must meet all requirements of the fertilizer law.

### Cotton Shows Gain; Cattle Lower On S. W. Markets

(USDA)—Cotton, strawberries, and some grains and livestock strengthened last week, but other southwest farm products sold about the same or lower, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Corn climbed 13 to 16 cents per bushel last week, completely offsetting almost continuous losses during the past fortnight. No. 2 white corn reached \$1.96 per bushel Friday at Fort Worth and Galveston; and yellow \$1.91. Oats went up four cents, to sell at \$1.06 to \$1.08. Dull trading in other grains left prices little changed.

Despite seasonally dull trading in spot cotton, prices gained around \$4.50 per bale. Middling 15-16 closed Friday at 36.60 at Dallas and New Orleans; and 36.35 at Houston. Small supplies of high grades let lower classes sell better.

Poultry saw little change, with heavy hens at 26 to 28 cents per pound, and fryers 33 to 36. Eggs dropped one or two cents per dozen at most places. Week's price at Fort Smith averaged 36 cents; Amarillo and Denver 37; Topeka, Oklahoma City, San Antonio and Fort Worth 38; Dallas 39; New Orleans 42; Shreveport 44 and Houston 45.

Most cattle sold lower at Texas markets last week, but other southwest terminals paid generally higher prices. The bulk of common to medium steers and yearlings brought \$13.50 to \$17.50 at Houston; while medium to average good kinds turned to \$18 to \$22.25 at San Antonio. Medium to good steers and yearlings cashed at \$18 to \$22.50 at Fort Worth; and \$20 to \$23.50 at Oklahoma City. Medium to good steers cleared at \$20 to \$23.50 at Wichita; and \$18.10 to \$24.75 at Denver.

Hogs gained generally 25 cents to \$1.00 for the week, but sows lost 25 to 50 cents at Wichita. Closing top price at San Antonio was \$23.50; Fort Worth \$24.25; Oklahoma City \$24.00; Wichita \$24.75; and Denver \$25.

Some lambs weakened at Texas markets, and stockers and feeders lost at Denver. Other sheep and lambs moved steady to higher. Good and choice spring lambs realized mostly \$19.50 to \$21 at San Antonio; \$21 to \$23 at Fort Worth; \$2 3at Denver; \$23.25 to \$23.75 at Wichita; and up to around \$24 at Oklahoma City.

### Deadline For Pineapple Orders Drawing Near

The County Home Demonstration Marketing Committee are taking orders for pineapple and the deadline for turning in orders is drawing near. This date is Saturday, May 17.

This is the final date and all those interested in placing orders should see one of the club marketing Chairmen at once. The following members will receive orders: Dry Lake, Mrs. Lon Bass; Espuela, Mrs. Ava Johnson; East Spur, Mrs. Lloyd Johnson; Soldier Mound, Mrs. Dee McArthur.

Jake Varnell of the capitol city was in Spur Tuesday attending to business.

**Butane-Propane USERS**

Is Your BUTANE or PROPANE System Too Small?

Can your butane or propane tank carry you through four winter months without refilling? If not, you should see your local gas dealer at once or you may be without fuel in the coldest season of the year.

Many users of butane and propane have added new appliances—ranges, hot water heaters, and refrigerators—until they've outgrown their present systems. New industries developed during the war (synthetics, plastics, etc.) use great amounts of these gases on a year-round basis. But domestic users burn four to seven times more gas in winter than in summer, while your dealer can furnish you very little more in winter than in summer. Therefore, heating gas users must plan

now to store gas in summer, when the demand is not heavy.

By doing this, your four months supply will be in your tank when you need it most. That's "Winter-Insurance." Farmers have always stored their grain in summer, just as housewives do their winter canning early. And by taking less time for your dealer's services, he can supply you and your neighbors more economically at the very time when roads are worst.

The Texas Butane Dealers Association urges you to drop in and see your local gas dealer as soon as possible. He knows butane-propane, and will do everything he can to help you get ready for next winter now. At any rate, consult your local gas dealer before you buy any system—and you'll be sure!

See Your Local Butane-Propane Gas Dealer Today!

**How many do you have in your house?**

Counting on your fingers is fair. But first, make a quick guess: How many electric motors do your home-work for you? Would you say 3?, 5?—maybe 10?

Now count 'em up. It's easier if you think of them room by room. How about the bedrooms? Electric clocks and shavers each have a motor. So do the fans you use in summer.

A modern kitchen is a gold mine. There's a motor in the electric refrigerator, the food mixer, the ventilating fan. (The list below will remind you of others.) Don't skip any rooms. Even the basement and storeroom may be rich picking.

Finished? How does the count compare with your guess? Most people guess way low. Actually 10 motors per house is common—20 is not unusual!

But, whatever the number, the point is true. We seldom realize how many jobs electricity does for us, because it does them so dependably, regularly and cheaply.

You've helped bring this about by taking advantage of so many electrical opportunities. And the men and women of the business-managed electric companies are always working to bring you better service at lower cost. That's one reason why the price of electricity has gone down and down, while the price of almost everything else has gone up and up.

Here's a Partial List of Electrical Helpers—Each One Operated by an Electric Motor
