## Dickens Lions Receive Bell, Gavel From Spur Club

Bruce Browning, right, president of the Spur Lions Club, presents the Bell and Gavel to C. C. Kimmel, president of the newly organized Dickens Lions Club. The Dickens Lions Club received its charter last Thursday night at a barbecue at the Dickens High School. The Spur Club is the sponsor of the Dickens Club. Photo by B. & H. Studio, Spur.

## Dickens Club Host To Spur Lions

Members of the Spur and Dickens Lions Clubs were honored with a chicken barbecue with all the trimmings September 8 at 8:00 p. m. in the Dickens High School Gym.

The purpose of the barbecue was to celebrate the chartering of the newly organized Dickens Lions Club. The Spur club is the sponsor of the new club.

Bruce Browning, president of the Spur Club, presented a Bell and Gavel to Charlie Kimmel, president of the Dickens Club. Charles Cryer, district governor of Lions International, presented the club with their charter and made the main address for the evening on Lionism.

Officers of the new club include Kimmel, president; Guy Felney, 1st Vice president; Jake Varnell, 2nd vice president; and Frank Carter, Secretary.

Guest Lions attended from Spur, Matador, Crosbyton, Roaring Springs, and other nearby towns.

## Family Party To Be Presented By Farmall House

Edwards-Kelley Implement Company announces that there will be a Family Party in the Spur High Gym Sept. 19 at 8:30 p. m.

Everyone is cordially invited to attend this party that is for the whole family. It is all free and there will be star entertainment as well as a few movies. No sales talk, just entertainment.

Among the many stars of radio and stage you will see Evelyn Hill, Queen of the Accordion, Ed Coatsney, who was formerly with Spike Jones and Bob Wills, The King Brothers Sensational Balancing Team, and John Ellis, your Magical Master of Ceremonies.

Mr. and Mrs. Roy Arrington had as their guests the past week end Mr. Arrington's sisters, Mrs. John Douglas of Ft. Worth, and Mrs. C. H. Borden of El Paso. Other guests were a niece and nephew Mr. and Mrs. Allen Moore and son Butch of Rankin and Mr. and Mrs. Luther Borden of El Paso.

## Bulldogs Taken By Indians 19-6; Journey To Hamlin Fri. Night

Spur's Bulldogs, one of the pre-season District 3-A favorites, were beaten 19-6 by a visiting Haskell eleven under cloudy skies here Sept. 9.

The visitors drove the ball to paydirt after receiving the opening kickoff, and then added the extra point for a 7-0 lead.

Clyde Blair took the return kickoff and raced 51 yards for a touchdown on the next play, which was Spur's only score.

Haskell scored again in the third and final periods. Coach Jack Rosen's team made 19 first downs and 236 yards to Spur's 10 first downs and 166 yards.

Charles Byrd, who donned a football suit for the first time Thursday, played center the second half of the game after the Bulldogs regular center, Dean Watson was injured. Don Hindman a second string end, also played the second half when Grimland was injured.

Guard Joe James and End Joe King turned in creditable performances for Spur.

Backs Clyde Blair and Melvin Lindsey were the most outstanding secondary players for the losers while J. Lusk and E. Ammonett, 190 pound fullback, shined for the visitors.

The Bulldogs will go to Hamlin Friday Sept. 16 and it was stated by one of the eleven that they will bring back a victory. We'll be rooting for you, Bulldogs.

## First Baptist Church Opens Revival; Rev. Ponder Of Houston To Preach

The First Baptist Church will start a revival Sunday Sept. 18 with Rev. J. Lowell Ponder preaching and C. Melvin Rathel leading the singing.

Rev. Ponder, formerly District Missionary of Spur is now District Missionary of Houston. Rev. Ponder will preach twice daily starting Sept. 18-25th.

The week day morning services have been arranged so that everyone including the school child may attend church in the morning with plenty of time to get to school or to their place of business. The services begin at 7:00 a. m. and close at 7:45 a. m. The evening services will begin at 8:00 p. m. and good gospel singing and preaching is in order for all services.

Everyone is cordially invited to attend this revival meeting, stated C. Melvin Rathel, pastor of the First Baptist Church.

## Kelly To Direct Hospitals, Schools

Mayne Kelly, formerly Superintendent of the Patton Springs School, was named Monday as director of the state's vast system of hospitals and special schools.

Kelly's salary will be \$10,000 a year. He was elected by the newly-created board which took over operation of the institutions from the Board of Control September 1, 1949. The big, jovial Orphans Home superintendent was one of thirteen applicants for the position.

He was graduated from the University of Texas in 1942, and has taught school in Texas and Arkansas.

His mother, Mrs. Tuthill, is now a resident of McAdoo.

## Three Ex-Bulldogs With W. T. S. Buffs

Three Spur football players will be among the 42 varsity candidates when the West Texas State Buffaloes trot onto the field Saturday night, September 17 against East Texas State in Canyon.

Representing Spur will be Darold Roberson, Deane Wright and Jimmie Draper.

Roberson is a 190 pound guard standing 6 feet 2. He has been tearing up the opposition in practice and is expected to develop into one of the best linemen in the history of West Texas State. He is the son of Loyd Roberson, Box 248 Spur.

Deane Wright plays plenty of ball at an end position for Coach Frank Kimbrough. He can catch a pass with the best of them and is a terrific blocker. Deane weighs 190 and has two more years of varsity competition for West Texas State.

Jimmie Draper is good enough to make the starting line-up this season for the Buffaloes. He has two more years to play, also. Jimmie throws his 165 pounds around very convincingly as a back and is extremely speedy. He is slated to open the campaign as a tailback in Kimbrough's winged-T formation.

The West Texas State home schedule is: Sept. 17 East Texas State; Sept. 24 McMurry; Oct. 2 Texas Western (Mines); Oct. 22 Trinity University and Nov. 12 Hardin-Simmons.

## Rain Halts Ginnings; 110 Bales Reported

Dickens County's bumper cotton crop received a temporary setback early this week in the form of a nearly two inch rain. However, it is reported that little damage has been done so far by the moisture. Continued dampness could cause extensive damage by causing boll rot.

By Wednesday noon, the local gins had ginned 110 bales with work practically at a halt due to the rain.

Swift Gin reported 11 bales ginned; the Co-op gins reported 66, and Martin Pope of the Williams Bros. Gin reported 37.

With a lull in the rainy weather, picking should be well underway again by the first of next week.

The farmers' and the ginners' more serious problem is at the present and will probably continue to be through out the fall, is the shortage of pickers. Reports indicate that more pickers will be available as more cotton opens, but farmers will probably have to take them when they can get them. The irrigated lands to the west of Dickens county continue to entice the pickers from this area.

## DDGC Addresses Knights Of Pythias

John D. Corcoran, District Deputy Grand Chancellor of the Grand Lodge of Texas, addressed the local Knights of Pythias at their regular meeting Monday night September 12.

Corcoran, of Lubbock, was accompanied by Russell Harden, Grand Master at Arms, Ace Cope, C. H. Tisdell, and Tony Gilson, all also of Lubbock.

In the Lodge's attendance contest, it is reported that George Gabriel's team is leading J. D. McCain's team by a large margin.

After the address and meeting refreshments were served to the members and guests.

## LOCAL FLYER HAS LEAVE

2nd Lt. Aubrey C. Edinburg, USAF son of Mr. and Mrs. Russell Edinburg of McAdoo has been home on a three week furlough visiting friends and relatives.

Edinburg received his wings while in training at Williams Field, in 1948. Later he was stationed in South Carolina where he was a member of "Satans Angels" an aerial acrobatic flying team.

Edinburg returned to Hamilton Field California Wednesday. He will soon embark for Japan where he will be stationed for 18 months.

Joe Simpson and Foster Cook spent the weekend visiting their parents and friends. These boys are attending Arlington's North Texas Agriculture College.

## Mobile X-Ray Unit Opens Friday; Mayor To Lead Citizens Through

### Ex-Bulldogs Now Buffaloes At West Texas

Pictured above are the three Spur players now romping on the gridiron in the livery of West Texas State Buffaloes. They are, left to right, Darold Roberson, guard; Deane Wright, end; and Jimmie Draper, fullback. The Buffaloes open their season Saturday night, September 17 in Canyon against the Lions from East Texas State.

## 'Appreciation Day' Initiated By Twenty Five Spur Merchants

Twenty-five merchants have created a "Treasure Chest" of \$100 from their profits, a percentage of which will be given their customers next Wednesday, September 21, in appreciation of the customer's patronage.

The Treasure Chest will be added to each week by the merchants and thus the appreciation gift will be a larger sum each Wednesday. The merchants will carry the weekly event "Appreciation Day."

With each purchase, the customers will be more likely to receive the gift, Bob Weaver of the Chamber of Commerce stated.

The Spur Chamber of Commerce is backing the program, and will act as director of it.

The participating merchants include: Wacker's, Spur Shoe Store, Palace Theatre, Bryant-Lank Co., Gabriel's, Dunlap's, City Drug Co., Campbell's Furniture, Leon Ice Co., Hill Top Cafe, Alderson's, Brashear's Supply Co., Home Dept. Store, Palace Drug Co., Godfrey's Furniture, Reagan Motor Co., Red Front Drug, McClurkin Jewelry, Quality Cleaners, Godfrey and Smart, Clover Farm Store, Edwards-Kelley Imp. Co., Joe Terrell's Shoe Shop, Garner Appliance Co., and Smith's Grocery and Market.

Weaver said that the gift will be given to a customer at 3:00 sharp each Wednesday somewhere along Burlington. The public address system and the crowd will indicate just where.

The gift will be given to a person only if he or she is present. No one except one's husband or wife can accept the gift for another.

The following rules are to be followed by the customers:

1. Get a coupon when a purchase is made.
2. See that percentage conforms to amount of purchase.
3. If punched on the line, the lower percentage will govern.
4. Write your own name.

## Doyle Scott Family Moves To Spur

Newcomers to Spur this week are Mr. and Mrs. Doyle Scott and daughter, Patricia Ann.

The Scotts are moving to Spur from Paducah. Mr. Scott is opening a home-owned Western Auto Store on the corner across from Gabriel's. He stated that the new home and auto supply store will open approximately October 1.

Patricia Ann will enter the East Ward school in the second grade.

## Duck Creek Soil Conservation District News Notes

Operated by R. G. Bostic. A diversion terrace 1180 feet long has been built on Jim Barron's ranch to carry water that normally would run off from his pasture into one of his tanks.

E. C. McGee has made preparation to sow 3 acres of bottomland, which is infested with salt spots, to birdsfoot trefoil. Trefoil is a salt tolerant legume used for hay and pasture. Its value as forage ranks with alfalfa. The district owned grain drill will be used to sow the seed.

Coordinated Soil and water conservation plans have been formulated for farms belonging to Harold Hardy of McAdoo and R. J. Bell of Gilpin. The plans will be submitted to the district supervisors for their approval at their next meeting. M. H. Costello has made application to the supervisors for assistance in establishing a conservation program on his farm.

## Service Offered By State Health Dept.; Participation Urged By Mayor Hogan

Mayor Ned Hogan will officially open Chest X-Ray Week in Spur tomorrow morning at 9:00 a. m. at the Godfrey and Smart show room. The Mayor will be the first to have his chest x-rayed.

The mobile X-Ray unit, furnished by the State Department of Health will remain in Spur through Tuesday, September 20.

The Mayor has urged all citizens in and near Spur over the age of 15 to have their chest x-rayed. The service is free, and is the best known way of detecting Tuberculosis in its earliest stages.

Guy Karr, chairman of the committee for the promotion of this service, is again reminding the public that the service is for everyone. The most healthy person can have T. B. in his lungs and not know it until the disease is deeply imbedded in his body. Karr stated.

"No disturbing is necessary," Karr stated. "The x-ray can be taken through your shirt or dress."

Mayor Hogan has urged and requested that the merchants and employers in Spur give each and every employee ample time off during one of the four days that the unit will be in Spur to have his or her chest x-rayed. It will take a very short time, and no serious loss of time from any job should result.

Karr, and his cooperating co-chairmen throughout the county have put on an extensive campaign in an effort to inform everyone in the county as to what the x-ray is for and to stress the importance of this free service. It is believed that every family in the county has been contacted either personally by one of these volunteer workers or through the mail.

A near 100% turnout is expected during the four-day stay of the unit in Spur of the citizens between the ages of 15 and 80.

As to the results of the x-ray, Karr states that if a person is free of the disease, he will be contacted to that effect. If any trace at all of T. B. is evident, the person's family or personal physician will be contacted, who, in turn, will contact the person with T. B. All findings, of course, are handled confidentially by authorized personnel, and the privacy of every person will be respected and protected.

## Proclamation

Proclamation is hereby made of the week September 15, 1949 through September 20, 1949, as CHEST X-RAY WEEK in the city of Spur.

During this official week, the citizens of Spur are urged and requested to participate in the Chest X-Ray program in our city for the purpose of detecting Tuberculosis in its first stages.

Merchants are urged and requested to give each employee ample time off during any one of the days that the X-Ray unit will be in Spur to have his or her chest X-Rayed. The unit will operate at the Godfrey and Smart building September 16, 17, 19, and 20.

NED HOGAN  
Mayor, City of Spur

## NFLA Schedules 28th Annual Meeting

Members of the Spur National Farm Loan Association will hold their annual meeting Saturday September 17th, 1949 at the Old Liberty Theatre Building in Spur. It has been announced by James B. Reed, Secretary-Treasurer.

The meeting will provide the 333 members with an opportunity to elect Directors for the cooperative organization through which farmers obtain long-term land mortgage loans from the Federal Land Bank of Houston.

An interesting program is being arranged for the meeting which opens at 2:30 and will close at 3:30, Mr. Reed reports.

Presiding at the meeting will be G. W. Bennett, Vice-President of the Association. Other members of the executive board are O. M. McGinty, C. F. Martin and C. F. Watters.

The Spur National Farm Loan Association will be observing its 28th annual meeting. The cooperative credit organization was established in 1922, and numbers among its membership 532 farmers in Dickens, Crosby, Kent and Motley Counties.

## Hoyt Cole Tops At McMurry

Highest scholastic average in the history of McMurry college was attained by Hoyt Cole of McAdoo, a summer graduate, the registrar's office disclosed today.

Cole received only four grades—all "B's"—below "A" in his four years of college. A history major toward a law degree at Southern Methodist University.

Following his graduation from Estelline High school in 1943, Cole worked one year with Pan-Tex Ordnance company and served two years in the Air Force. He entered McMurry in June, 1946.

## Last Rites Held For Thomas Dave Hale

### The Stratton Story Featured At Palace

There was, and is, such a baseball player as Monty Stratton, a Texan who went to the top of his profession, had a fine wife and two kids and had his leg amputated as a consequence of a hunting accident. It is told that he lost courage and interest, pitied himself and gradually stepped out of his dependency when he saw his young son learning to walk.

This is the turning point in his life and he goes back to make the name Monty Stratton mean something in baseball history.

To help James Stewart and June Allyson make this fine picture are Frank Morgan, Agnes Moorehead and from the baseball world you will see Jimmy Dykes, Gene Bearden, Bill Dickey and Mervyn Shea, and a host of other real figures in baseball.

### Governor, State Solons And Press To Open Texas Prison Rodeo

Huntsville, Sept. 9. Opening day at the greater Texas Prison Rodeo will be known as "Governor's Day". French M. Robertson, Abilene prison board member and chairman of the board's rodeo committee, announced today.

He said that Governor Allan Shivers has accepted the prison board's invitation and will appear as guest of honor at the opening of the Prison Rodeo on Sunday, October 2, in Prison Stadium, Huntsville. It will also be a day in honor of the members of the Texas Legislature. Each member has been issued a personal invitation by prison General Manager O. B. Ellis.

In a further display of honor to Governor Shivers, Mr. A. C. Turner, prison rehabilitation director and rodeo publicity chief, has asked all Texas newspaper and radio men to be his guest on "Governor's Day". He expects about 2,000 newshawks and their wives to be present, and has arranged a special "press section" for the visitors.

Mr. Robertson promised many special features for the "Governor's Day" ceremonies and Rodeo Manager Albert Moore insists that he'll have the fastest, wildest

show ever staged during his 16 years of Prison Rodeo experience. Activities begin promptly at 2 p. m. on opening day and each Sunday thereafter during October. A Wednesday performance is also scheduled for October 19. Reserved seats are now on sale at the ticket office in Huntsville. Prices are the same as last year: two dollars for reserved seats and one dollar for standing room. "Early ticket sales are brisk," says L. J. Craig, chief cashier at the prison rodeo ticket office.

Margaret Davenport, manager of Milams Variety in Lubbock, spent last Sunday with her parents Mr. and Mrs. W. O. Davenport of Spur.

Mr. and Mrs. Melvin Starcher spent the week-end in Ft. Worth visiting friends and relatives.

Mary Ann Gaines who has been a guest of Mrs. Nona Starcher for the past two weeks returned to her home in St. Louis, Missouri, Sunday.

Molly Pitcher was the first woman sergeant in the American Army.

### Chief Asks Home Fire Safety Check

A single afternoon or evening will be enough time to rid your home of the most common fire hazards, Fire Chief Norton Barrett said today in urging local citizens to join in the nation-wide observation of Fire Prevention Week, Oct. 9 to 15.

"The first step is to clean out the cellar," the Chief said. "Most families have stacks of old magazines, piles of discarded clothing and even pieces of furniture stuck away down there."

"All it takes is a spark from the furnace, or a defect in the wiring, or a carelessly dropped cigaret to start a fire in the cellar. Once it is started, it is particularly difficult to bring under control of these piles of fast-burning paper, cloth, and wood are there to

supply fuel."

**Cellar Is Danger Spot**

The National Board of Fire Underwriters estimates that one out of every three home fires begins in the cellar, the Chief said.

"The next step is to clean out the attic, which is another danger spot," he said. "By cleaning up your home this week, you may keep it from burning up next week."

The Chief also suggested these "Seven Steps to Fire Safety":

1. Have the complete heating system inspected, cleaned, and repaired by an experienced repairman.
2. Provide covered metal containers for ashes and trash.
3. Avoid hanging extension cords over bare nails or running them under rugs, as this causes dangerous wire. Replace worn extension cords.
4. Always call in an experienced electrician for necessary home wiring, because "home handy-

man" have been responsible for many fires traced to faulty wiring.

**Keep Motors Cleaned and Oiled**

5. Oil and clean motors of electric appliances, and check to be sure that belts are in proper condition. (This does not apply to refrigerators which have sealed-in motors.)
6. Place a metal screen in front of the fireplace, to guard against flying sparks and hot ashes.
7. Never clean with gasoline—it's dangerous. Fire experts suggest that cleaning be sent out, if you must clean at home, use cleaning fluids bearing the U. L. label of Underwriters' Laboratories, Inc.

In addition to these specific steps, the Chief emphasized that "careless handling of cigarets and matches is still the No. 1 fire cause."

He said that the National Board of Fire Underwriters estimates that nearly a third of all fires, in homes, factories, forests, and elsewhere, are caused by careless smokers. "This week and every week, you should make certain cigarets are out before throwing them away, avoid tossing cigarets or matches into waste-baskets, and especially make certain that no member of your family ever smokes in bed."

### Dickens Baptist Association To Meet

A state denominational budget of ten million dollars will be the main item of discussion when Baptists of this area meet September 21 and 22 for the annual conference of the Dickens Association. The First Baptist church, Dickens, will be headquarters for the meeting.

Dr. A. C. Miller, secretary of ministry to minorities for the Baptist General Convention of Texas, will present the ten-million-dollar budget, which comes up for approval at the statewide Baptist convention in El Paso in November. For the first time, the state executive board will ask the convention to adopt a budget only half of which will go for state missions, the other half to worldwide causes.

Representatives from the sixteen churches in this association will report on the progress of their various organizations and will make plans for the coming year.

Dr. Miller will urge the individual churches represented to follow the convention example by designating fifty per cent of their own budgets for worldwide causes.

The Baptist churches in this association have a total membership of 1,797.

Mr. and Mrs. Raul English had as their guests Sept. 9, Mr. and Mrs. Henry Atkinson and daughter, Judy, Mr. and Mrs. V. M. Wilson, Dr. and Mrs. William Kemp, Giles Kemp, and Mr. and Mrs. Red Henshaw, all of Haskell.

Scout Executive A. M. Standerfer, Veterans present who assisted with the weiner roast were B. G. Mayo, Jack Tarver and C. H. Sprayberry.

Cubmaster Pippins has set the next regular meeting of pack 37 for Oct. 3 at the V. F. W. Hall. He urges that all boys and parents interested in the cub Scout program be present at this meeting.

### Grain Drills To Appear Soon In Texas Wheat Belt

In a short time, grain drills will be a common sight throughout much of the Texas wheat belt. Acreage planted will of course depend on the size of wheat acreage allotments. The importance of planting only good quality varieties cannot be overstressed.

E. A. Miller, extension agronomist of the Texas A. and M. College System, advises wheat growers to plant only those varieties that have good yielding ability as well as good yielding ability. Since the new improved varieties are good yielders, there is no longer any need for planting varieties with poor baking quality which are trouble makers on the market, he adds.

Most of the flour goes into commercial bakeries and they demand flour with which they can make the kind of bread that consumers desire.

The recommended varieties in the main wheat area of Texas are Westar and Comanche for bakers flour Wichita and Triumph are best for family trade flour. Also, excellent quality varieties are Tenmarq and Turkey, but they are not as good yielders as Westar and Comanche.

In central Texas, the Austin variety which is more rust resistant is well adapted while in south Texas the new variety called Seabreeze has done well, especially for grazing. However, seed of the latter is still scarce, says Miller.

Texas formerly had a reputation for fine quality wheat which was in demand because it was nearly all of good baking varieties. Unfortunately, some varieties with poor baking quality, which were brought in from other states, have caused Texas to temporarily lose its good reputation for high quality wheat. This has resulted in some mills shipping in good quality wheat from the northern states to meet the keen competition and demand for good flour, says Miller.

The situation is now changing fast. Surveys made by the Texas-Oklahoma Wheat Improvement Association show that approximately one and a quarter million more acres in Texas were planted to good quality wheat varieties for harvest in 1949 than in 1947. Texas, as a whole, showed a 23.7 per cent improvement in acreage of the better varieties.

This, according to Miller, is indeed a fine showing and should bring dividends to the wheat growers of Texas in regaining their reputation for good quality wheat.

Dr. A. C. Miller, secretary of ministry to minorities for the Baptist General Convention of Texas, will present the ten-million-dollar budget, which comes up for approval at the statewide Baptist convention in El Paso in November. For the first time, the state executive board will ask the convention to adopt a budget only half of which will go for state missions, the other half to worldwide causes.

Representatives from the sixteen churches in this association will report on the progress of their various organizations and will make plans for the coming year.

Dr. Miller will urge the individual churches represented to follow the convention example by designating fifty per cent of their own budgets for worldwide causes.

The Baptist churches in this association have a total membership of 1,797.

Mr. and Mrs. Raul English had as their guests Sept. 9, Mr. and Mrs. Henry Atkinson and daughter, Judy, Mr. and Mrs. V. M. Wilson, Dr. and Mrs. William Kemp, Giles Kemp, and Mr. and Mrs. Red Henshaw, all of Haskell.

### Texas HDA To Hold Meeting At Mineral Wells

COLLEGE STATION — A thousand women are expected to attend the session of the annual meeting of the Texas Home Demonstration Association at Mineral Wells, September 21-23. The three-day meeting is planned around the theme "Today's Home Builds Tomorrow's World."

Mrs. R. L. Campbell, Wildorado, Texas, president of the association will preside over the general sessions, and other members of the board of directors will conduct work shops on the association's plan of work—results in the counties, and recommendations for the new year's program.

The scope of their interests has broadened during the years of their growth in home demonstration organizations. Miss Maurine Hearn, state home demonstration agent and vice-director for women for the Extension Service of Texas A. & M. College, says "The leadership which home demonstration workers have always given in the important fields of nutrition, home management, clothing, housing and the like, is also needed in solving such problems as health, recreation and the enrichment of living."

Among the special speakers for the convention are the Rev. Homer Vanderpool, Tyler Street Methodist Church, Dallas, and Mr. Wes Izzard, editor of the Amarillo Daily News-Globe and news commentator for Radio Station KGNC, Amarillo.

Mrs. Gus Rogas, Manor, Texas, will act as chairman of the plan of work which will be made during the six work shop sessions. Mrs. C. E. Caskey, Graham, will conduct the recreation committee workshop; Mrs. George Parr, Paris—the Legislative; Mrs. B. M. Harris, Plainview—the 4-H committee; Mrs. Robert Lange, Brenham, the education; Mrs. T. L. Ernest, Jourdanon—market-

**Cauthen Circle Has Stewardship Study**

Divine ownership was the truth emphasized by Mrs. Franklin Patrick at the regular meeting of the Cauthen Circle of the First Baptist WMS, Tuesday morning, September 13.

The group met for mission study at the home of Mrs. Elmer Hagins, 303 E. First. Mrs. Patrick taught a portion of the book, "Stewardship Applied in Missions" by Dr. J. B. Lawrence as the program period with Mrs. Edge Caudle, circle chairman presiding. These officers for the coming year were elected: Mrs. Elmer Hagins, circle chairman; Mrs. E. H. Carpenter, co-chairman; and Mrs. Grady Lackey, secretary-treasurer.

The group voted to change the meeting time from 9:30 to 10 a. m. to become effective next Tuesday, September 20. The circle will meet at the home of Mrs. Franklin Patrick.

Cakes were served to Misses L. M. Huff, C. P. Scudder, Melvin Rathel, James Wright, Franklin Patrick, Grady Lackey, Audrey Johnson, N. C. Moffett, Edge Caudle and Elmer Hagins, hostesses.

**City Federation Has First Meeting**

The City Federation held its first business meeting, September 10th at 9:00 p. m. in the home of Mrs. J. E. Berry, President. The purpose of this meeting was to appoint various committees to serve for the year.

Mrs. C. H. McCully was appointed as Chairman of the Committee to contact all merchants, asking them not to sell fireworks for Christmas in or near Spur.

The next was the Library Committee, Miss Margaret Elliott as Chairman and to serve with her were Mesdames Durward Woodward, Coy McMahon, Paul Marion and Clyde Bingham. They will assist Mrs. J. R. Laine, Librarian and handle all affairs of the Library.

The Program Committee consists of Mesdames O. M. McGinty, Chairman, R. E. Dickson, Beal Breshair, George Gabriel and Faye Middlebrooks, whose duty is to plan all programs for City Federation including the Library Tea, Federation Day and Texas Day which will be joint programs for all club members.

Members present were Mesdames E. J. Foster, L. D. Ratliff, Fike Godfrey, Nellie Davis, F. H. Carpenter, Byrum Brittan, J. C. Payne, J. E. Berry, Tom Johnston, Miss Margaret Elliott and Mrs. J. R. Laine, Librarian.

Mrs. Nona Starcher had as her guest for the week-end Mr. William C. Starcher and daughter Carmen. Mr. Starcher is manager of a department Store in Las Almos, N. M.

**Potts-McMillan Rites Are Read**

Miss Doris Jean Potts, daughter of Mr. and Mrs. A. D. Potts, Lubbock, and Denzil E. McMillan of Lubbock, son of Mr. and Mrs. W. D. McMillan of Floydada, were married Thursday at 7:30 p. m. in the McAdoo First Methodist church. Rev. H. F. Dunn of Cooper read a double ring ceremony in a setting of palms, before an archway of lemon leaves and gladioli.

Mrs. J. Malcolm Edwards, pianist and cousin of the bride, accompanied her husband as he sang "Because" and "Wonderful One" preceding the vows, and The Lord's Prayer at the close of the ceremony.

Given in marriage by her father, the bride wore a gown of white Chantilly lace over satin, fashioned with a yoke of illusion, and long sleeves ending in points over the hands. The bodice had a fitted torso from which a full skirt extended into a train. Her finger-veil of illusion fell from a band of lace and satin, and the bridal bouquet was an arrangement of stephanotis and roses with an inserted white rosebud corsage.

Miss Jean Eldridge of McAdoo, maid of honor, wore a dress of orchid dotted swiss with a matching hat and carried a bouquet of yellow roses. Misses Betty Maeker and Dorothy Pritchard, both of Lubbock carried arrangements of tallian roses, with the former dressed in green and the latter dressed in yellow. Wynn Nona McMillan, sister of the bridegroom from Floydada, was the flower girl.

W. B. McMillan of Lubbock attended his brother as best man, and ushers were Eldon Williams of McAdoo and Burnice McMillan, brother of the bridegroom from Floydada.

A reception was held following the service in the home of Mr. and Mrs. Robert Nickels, grandparents of the bride. Assisting the couple in receiving were Mrs. E. H. Owens of Tahoka, Miss Bobby Fox of McAdoo, the wedding party and their parents.

The bride's table was laid with a white damask cloth and decorated with white roses and white tapers in silver candelabra. The wedding ring cake was topped by a miniature bridal couple standing among mallow roses.

Following a wedding trip to Hudson, N. M., the couple will be at home in Lubbock.

For traveling the bride chose a gray gabardine suit with green and brown accessories and a white corsage.

The bride is a nurse at Lubbock Memorial hospital and the bridegroom is a senior student at Texas Tech with a major in accounting.

Constitutional Amendments To Be Voted On In Election

AUSTIN, Texas, Sept. 10.—A storm is brewing over the double-barreled proposal for higher pay and annual sessions for the Texas Legislature.

This proposal is one of ten constitutional amendments to be voted on in a special election November 8.

A group of Dallas businessmen is fighting the amendment because, among other reasons, it includes two questions instead of one.

If voters did ballot separately on the two questions, the likelihood is that annual sessions would be approved and the pay raise would be defeated.

Central West Texas Fair Opens In Haskell, October 6 Thru 8

Haskell—(Spl.)—Final plans for the twenty-first renewal of the Central West Texas Fair which is to open in Haskell on October 6-8, are being completed this week according to officials.

Buildings and grounds are being placed in condition for the opening day which is expected to be the largest single day in the Fair's history.

The parade, always a colorful event in the past, will officially open the Fair at noon on Thursday, October 6.

Expected to lead the show will be the exhibits of the area's 4-H and F. A. Clubs.

Plans were completed this week for an expanded automobile and implement show that will display the latest farm equipment and the newer models of all makes of automobiles.

A major event this year will be the Horse Show with judging of Quarter horses on Oct. 6 and the Palomino division on October 7.

On the midway will be one of the largest carnival attractions ever presented by the Fair.

New Amendment To Be Introduced

Full support was promised today by Governor Allan Shivers for an amendment to the Texas Constitution which would give mentally ill persons admission to state hospitals without a mandatory jury trial.

"I am glad that this matter has at last come before the people," said Governor Shivers.

The amendment, passed by large majorities of both houses of the 51st Legislature, will be submitted to a statewide vote on November 8.

"It appears to me that the proposed amendment has been well worded," stated Governor Shivers.

The Governor praised efforts of the Texas Society for Mental Hygiene and the Texas Council on Mental Health in working for improvements in the state mental laws.

The Governor praised efforts of the Texas Society for Mental Hygiene and the Texas Council on Mental Health in working for improvements in the state mental laws.

and make the legislature meet every year. Does this sound to you like a good idea, or not?"

Good idea 56% Not such a good idea 30% No opinion 14%

The fact that a majority of voters say the annual-session-and-higher-pay proposal sounds like a good idea does not necessarily mean it will win approval in the November election.

Two other important factors should be considered: 1. In a special election, statewide turnout is usually very small.

2. Many persons vote blindly, at least on some issues in an election, according to other surveys by The Texas Poll.

The official ballot in the November election does not explain the annual-sessions-and-higher-pay amendment, thus increasing the chances of blind voting.

Any voter may mark the ballot "for" or "against" the proposal even though he doesn't know its provisions.

Child Safety Urged As Schools Open

Austin, Sept. 15.—Readin', ritin', and 'rithmetic time is here again for Texas youngsters. "This is 'Back to School Safety' month in Texas and once again we must increase and vigilance while driving." This was the warning issued today by Ross Rommel, who heads the school safety program of the Texas Safety Association.

"School time," Rommel said, "takes the child away from his mother's apron strings for a few hours a day and during part of that he is a potential traffic accident victim unless we adults protect him." Emphasis on child safety is particularly appropriate in September, according to the Texas Safety Association, because at no other time of the year are so many children exposed for the first time to the dangers of our streets.

The bumper crop of war babies now entering first grade not only tax school room facilities but school crossings as well. Despite careful teaching by their parents of correct pedestrian habits, children are still immature in their thinking, and warning have very little meaning to them, the Association says. "We can't over-estimate the importance of conscientious traffic training on the part of parents," Rommel said "but we shouldn't forget that the responsibility for child safety will always lie heavily on the shoulders of the motorist than the parents."

"Motorists must not forget to expect the unexpected while driving near schools, playgrounds, and residential districts. When a child's life is at stake we can't afford the luxury of laxness."

Drinking Leads To Fatal Accidents

CHICAGO—Elbow bending often leads straight to traffic accidents, according to the 1949 edition of the National Safety Council's statistical yearbook, "Accident Facts."

One out of every six drivers involved in fatal motor vehicle accidents during 1948 had been drinking, accident reports showed. One out of every four adult pedestrians killed in last year's motor vehicle accidents had been drinking, too.

The yearbook also shows that one out of every eight drivers violating traffic laws was driving while under the influence of alcohol.

'Here Are They, and Here Are We ...'

The still dangerous Kashmir issue—arising from the question of whether the state of Kashmir should join India or Pakistan—seems to be nearing a peaceful solution through the efforts of the United Nations. Invitations to implement recent truce agreements have been accepted by both countries involved. Meanwhile, however, U. N. military observers stay on the job, to check on possible unauthorized advances beyond accepted "cease fire" lines. Here a U. S. lieutenant and a Canadian colonel, under orders of a U. N. Commission, check positions of opposing troops.

HEALTH NOTES

AUSTIN, TEXAS, Sept. 15, 1949. Undulant fever or Malta fever, a disease contracted from cattle, goats or sheep which are infected with contagious abortion, is being reported sporadically throughout Texas and the nation, according to Dr. Geo. W. Cox, State Health Officer. This indicates Malta fever to be a public health problem and the attendant need of more general recognition by the public to the disease.

Undulant fever is so called because of the wave-like variations in temperature. The symptoms include rise in temperature, loss of weight and strength, chills, sweats and joint pains. The disease has rather a low mortality rate, but important because symptoms may persist for a number of weeks and even months before normal health and strength are restored.

In Texas the goat, horse and cow are the usual spreaders of this disease. The germs of undulant fever enter the body through the mouth or skin. Therefore, care should be used in handling animals known to be infected and dairy products from the same sources should be pasteurized, if used. More men acquire this disease than women and adults seem more likely to have it than children. More cases are found in the rural areas than in the cities.

The true prevention of undulant fever is based upon the detection of the disease in livestock and the elimination of infected stocks from the herds. Dairy herds should be tested for Bacillus abortus. This is a task that cannot be accomplished in a short time. Pasteurization of milk will prevent the spread from this source.

Accidents Lead As Cause Of Deaths Among Workers

CHICAGO—Are accidents now the leading cause of death in America?

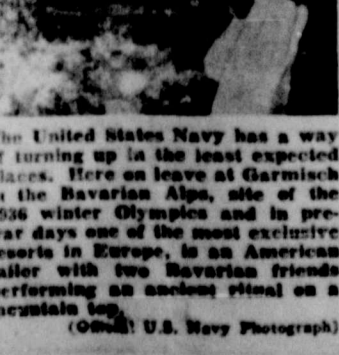

In a sense—yes. That is the statement made in the 1949 edition of "Accident Facts," statistical yearbook of the National Safety Council.

Accidents take a greater toll of productive years than any one natural cause of death, according to a study by the American Medical Association.

More actual deaths still are caused by heart disease, cancer and cerebral hemorrhage. But the points out that such deaths usually befall older persons after their working lifetimes are ended.

In the usual working age span of 20 to 65, accidents claimed 1,750,000 work years; heart disease, 1,680,000; pneumonia, 1,110,000; and cancer, 1,040,000.

HUNTERS PLEASE! THERE I WAS, SITTING ON A TELEPHONE WIRE, MINDING MY OWN BUSINESS. WHEN ALL AT ONCE A BLAST FROM A SHOTGUN KNOCKED ME RIGHT OFF MY PERCH

WELL, SIR, I CAME OUT PRETTY GOOD—ONLY A FEW TAIL FEATHERS MISSING—BUT THE HUNTER THAT MISSED ME CLIPPED A COUPLE OF TELEPHONE WIRES. ONE WAS MY FAVORITE ROOSTING PLACE, TOO.

THAT "ROOST" WAS ALSO CARRYING AN IMPORTANT LONG DISTANCE CALL. THAT'S WHY WE ASK HUNTERS: PLEASE DON'T SHOOT AT BIRDS ON TELEPHONE WIRES OR POLES. THANK YOU.
