Chamber of Commerce Doings: Local Citizens Urged to Cease Useless Hoarding; Government Control Threatened

MILITARY PURCHASE LISTS:

Spur manufacturers and wholesalers may now take a growing part in supplying increased needs of the armed forces and government departments.

Daily lists of procurement needs come to the Chamber of Commerce from the U. S. Department of Commerce, and information will be made available to all firms which might qualify to provide the wide variety of items needed by government establishments. These items range from paper clips to automobiles.

Bids opening dates have been advanced sufficiently under the new USDC schedule so that firms here may check the lists, write for bid forms and specifications and still have time to enter a competitive bid for supplies. Merchants Committee has charge of the lists.

LET'S STOP HOARDING:
Items such as sugar, coffee, spices and linen goods are plentiful in Spur and will continue to be plentiful until selfish individuals decide to purchase large quantities and start hoarding. According to Government sources and State authorities Texas is tops on the list at present in buying scarce goods. We do not want rationing but we will be forced to accept it when a buying spree on these items. Why not be reasonable and practical, and stop outrageous purchases before drastic measures are forced to be imposed on these goods.

SOLICITERS AND PETTLERS' BEWARE:
Signs are being printed for the benefit of business establishments in Spur to prohibit undesirable soliciting and peddling in these businesses. There have been many complaints concerning these solicitors and peddlers from the merchants and signs are being printed for each merchant to have in his store, which reads as follows:

THIS MERCHANT IS A MEMBER OF THE SPUR CHAMBER OF COMMERCE. ALL SOLICITERS AND PEDDLERS ARE REQUIRED TO SECURE A LETTER OF INTRODUCTION FROM THE CHAMBER OF COMMERCE.
The Chamber is asking the cooperation of each individual citizen and business establishment to refrain from buying or donating to any organization until they see a letter of introduction from the Chamber of Commerce.

NEW CHRISTMAS DECORATIONS:
This year you will find new Christmas decorations in Spur. The Merchants Activity Committee will plan to have new elaborate decorations down Burlington and many merchants will be contacted in regard to these decorations within the next few weeks. These new decorations will be of the type used in Lubbock last year.

WELCOME NEW MEMBERS:
We are happy to have these new members join hands with the Chamber of Commerce:
Fagan Department Store on Buglington Ave.
M. P. Vannoy who is in the insurance and loan business in Spur.

MEETING ANNOUNCEMENT:
The Merchants Activity Committee will meet Friday August 4, 10:00 A. M. in the Directors room of the Chamber of Commerce.

Members of the Committee are:
Forrest H. Irwin, Chairman; Cecil Godfrey, Vice-Chairman; Carl Murry, E. A. Brasher, Jackson East, Billy Bingham, H. W. Houser, Lee Snodgrass, Edge Caudle, Nona Starcher, James Culbert, Howard Morrow.

PADUCAH SINGING:
Gospel singers who live in the West Texas area are invited to an all-day singing with dinner on the ground to be held August 6 in Paducah. The singing will be held in the Veterans' Building off the northeast corner of the Court House square.

Services Held For Mrs. Lee Hindman
Funeral services for Mrs. Lee Hindman, 59, a resident of Dickens county for forty years, were conducted at 3 p. m., Aug. 2, in the First Baptist church. C. Melvin Rathel was officiating pastor.

Mrs. L. A. Finch Dies, Burial At Crosbyton
Funeral services for Mrs. Maggie Finch, longtime resident of Crosbyton and mother of Mrs. F. A. Phifer of Spur, were held in the Crosbyton First Methodist church, July 29. Mrs. Finch died July 25 in Amarillo.

GO TO CHURCH SUNDAY

REFRESHING PICKUP

For the nation's 2,600,000 Boy Scouts, summer is adventure time. On the trail, in camp or at home they're always on the go. And they enjoy ice cream anytime as a refreshing food at mealtime and around the campfire as a pickup. According to the National Dairy Council Boy Scouts help boost America's ice cream consumption to nearly five and a quarter billion pints a year.

PREVIOUS COUNTS MADE OFFICIAL BY DEMO. COMMITTEE; DELEGATES APPOINTED TO ATTEND STATE MEET

"Contrary to reports printed in the daily papers there will not be a run-off in the Dickens County Judge and Sheriff races," stated Dr. M. H. Brannen following the Dickens County Democratic Committee meeting last Saturday, July 29.

Dr. Brannen, local Democratic Committee Chairman, stated that the balloting as reported on the down-town board and printed in last week's Texas Spur has been accepted as the official count. Both C. C. Kimmel and W. H. Hindman officially received majority votes for sheriff and judge, respectively.

At the Saturday's meeting, the county committeemen voted unanimously to support the State and national Democratic nominees.

Delegates elected to attend the September State Democratic Committee meeting are Dr. Brannen of Spur, H. A. C. Brummett of

Dickens Park Slates Two Weekend Tilts

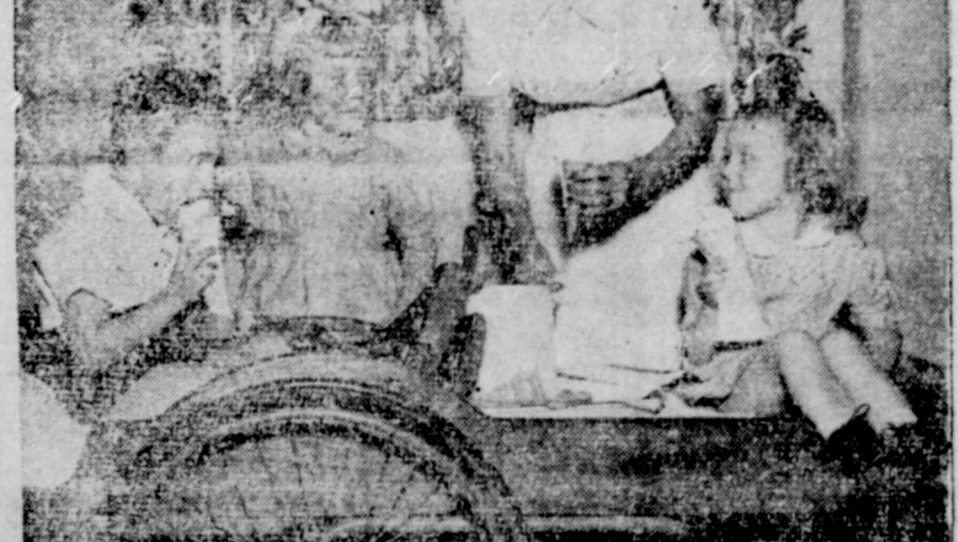

The Dickens baseball club will meet a team from Reese Air Force base, Lubbock, at 8:30 p. m. Thursday (tonight) in Koonie Baseball park, Dickens, according to Johnnie Koonsman, owner-manager of the park.

Two colored teams, the Lubbock Blue Sox and the Spur team, will play at the same time Friday night. Fans who enjoy this sport are expecting to see a brand of baseball uncommon in this area in both these tilts.

SPUR ROPERS IN MATCH WEDNESDAY NIGHT
A matched roping will be held at the Spur Roping Arena Wednesday evening at 8:30 p. m. with the Spur team matched against a combination of Matador and Roaring Springs ropers.

The evening's events will include a jack-pot roping contest. An admission of 50c for adults will be charged.

Kenneth Williams visited with his parents and friends in Spur last weekend. Kenneth is employed by the Atchison, Topeka and Santa Fe Railways as telegraph operator in McGregor.

Yum! Yum! Ice cream is a favorite, during warm summer months, with the children at the Texas Scottish Rite Hospital for Crippled Children in Dallas. Unable to wait for Nurse Edith Kasper to hand a double dip cone to Rebecca Neumann, Detroit; Alejandra Ferreris, Brownville; (left) and Sylvia Landers, Mississippi, (extreme right) are happily making short work of their ice cream cones.

Locals Play Abilene; To Compete In State Softball Tournament

The Spurettes softball club will meet a girls' team from Abilene at 8:30 p. m., Friday, in Jones' stadium. This is the last scheduled tilt for the locals before they journey to Stamford for the Girls National Softball Congress State tournament slated there Aug. 7-12.

Teams that have entered the tournament are the Breckenridge Bellies, O'Brien Girls, Baird Girls, Miller and Miller of Wichita Falls, Stamford Girls and the Spur Spurettes.

Several other top-flight teams have been sent invitations to enter the double-elimination event. Winner of the tournament will go to Phoenix, Ariz., Sept. 7-17.

Haralson Will Command Legion Group During 1950-51; Installation In August

J. B. Haralson was named Commander of Williams-Puckett Post 161, local American Legion group, last Thursday night.

Installation of Haralson and other 1950-51 heads of the organization will be held at the first meeting in August.

Legionnaires who were elected to other posts were: C. B. Chandler, first Vice-Commander; Tom Kizer, second Vice-Commander; Guy B. Karr, Adjutant; L. E. Lee, finance officer; P. G. (Gordon) Pierce, sergeant at arms; Hugh Swearingen and Kelly Marsh, directors.

Retiring officers are M. P. Vannoy, Commander; Alton Foreman, first Vice-Commander; Larry Boothe, Adjutant; G. W. Grimes, sergeant at arms, and M. C. Hurst, finance officer.

NEW BUTCHER NOW AT SAFEWAY STORE

Mr. and Mrs. S. S. Hickam and their four children are new comers to Spur, having moved here from Abilene. Mr. Hickam is employed by the Safeway company and is now manager of the newly re-modeled market in Spur's Safeway Store.

He has been with the Safeway company several years and is thoroughly familiar with the meat market business. He and his family are planning to purchase the home of Mrs. Hazel Young.

Truckers Study Fleet Operation At Texas A. & M.

COLLEGE STATION, TEXAS—There is more to truck driving and fleet operation than meets the eye in the motor transport industry today, as Texas A. & M. is plainly showing in its vocational training course. This Fruehauf trailer powered by an International tractor, provides the main prop in this unique class room, out in the Texas sunshine. The courses are conducted by Engineering Extension Service Industrial Division of the College cooperating with the State Board of Vocational Training. The courses cover such fields as Oil Field Haulers, Private Carriers, Common Carriers and Insurance Agents and Safety Engineers.

Co. Agent Reports Insect Situation In Dickens County

By Chas. A. Taylor
Leafworms are appearing in large numbers in many fields at this time. At present a large portion of these are in the pupa stage and the adults will emerge shortly and if weather conditions remain favorable these adults will deposit eggs on the leaves which will hatch into leafworms. It takes about two to three weeks to complete the cycle.
Poison will not kill the leafworms in the adult, pupa or egg stage. Therefore it is best to wait until worms are present to apply poison. Sprays or dust will control leafworms if properly applied. When dusting the presence of dew is not necessary and best results are obtained early in the morning or late in afternoon where wind velocity is three miles per hour or less. Sprays should be directed on the plant.
Toxophene or Toxophene-DDT mixtures or Calcium Arsenate applied as spray will control leafworms. Dust consisting of 20% Toxophene-40% sulfur, 3% BHC, 5% DDT-40% sulfur, and Calcium Arsenate will get the job done if applied properly.
Applying poison when insects are in small numbers may destroy the beneficial insects as well as the harmful ones and set the stage for heavy infestations of the detrimental insects especially the boll worms.
Fields should be watched closely for the outbreak of any of the harmful insects and as soon as they begin to work in sufficient numbers to justify poisoning dusts or sprays should be applied and repeated applications made until they are under control.
Spur last Friday returned to Spur last Friday after a two-weeks visit with her daughter and son-in-law, Mr. and Mrs. Bob Decker, in San Marcos, Texas.
Mrs. Hazel Young, formerly employed by the Jones Motor Company of Spur, recently moved to Tahoka, Texas, to accept a position with the Chevrolet dealer there.

New Post Office To Be Built; Construction To Begin Soon

Work is scheduled to start immediately on the new Post Office building in Spur.

Word was received this week that the bid of a group of local businessmen to construct the building on Engleman and Adams' lots on Burlington had been accepted. The bid calls for a contract with the U. S. Postal Department for a ten-year lease on the property.

The building is to be 33'x73'. It will be a one-story brick and tile structure, completely air conditioned. It is said that the building will be ready for occupancy possibly by October 1, 1950, but not later than December 1, 1950.

D. C. Jernigan, Post Office Inspector from Fort Worth, will meet with the businessmen involved and with their architect Saturday morning, Aug. 5, to discuss the building and to work out details pertaining to the contract and construction.

The businesses and businessmen involved in the proposed construction are Engleman and Adams, Lester Garner, Godfrey & Smart, Bob Blackshear and Caudle & Steele.

The building is to be constructed on lots 6 and 7 of block 38 on Burlington Ave.

Farmall, Lions, Clash at 9:15 Tonight; Play-off Games To Be Scheduled

The die will be cast tonight to determine the winner of the second round of the City Softball League when the powerful Farmall team takes on the spirited Lions at 9:15.

Both teams, thus far undefeated in second-round play, will take the diamond following the twilight tilt between Proctor's and the V. F. W.

The Farmall boys have racked up an impressive record in their first four games of the present round, starting with a 10-7 victory over the strong Proctor's nine. A week later they took the Fireboys for a 9-6 ride and followed with a 6-1 win over the V. F. W., and then last Tuesday defeated McNutt's boys 6-2. They go into tonight's game the favorite because of superior infield play and powerful batting. Either Rip Garner or Bob Cutberth is due to be the starting pitcher.

The Lions, with three straight wins, have shown hustle to equal any team in the league, but lack the tightness of infield and consistency at the bat that the Farmall team sports. In the second-half opener for the Lions, they squeezed by the V. F. W. 7-6. Then they beat McNutt's team 9-4 and Proctor's 9-6. Their game with the Fireboys was rained out and it is still undecided if this game will have to be re-scheduled. Jerry Price is scheduled to be the starting pitcher tonight.

In the event the Lions defeat the Farmall team tonight, they will clinch a play-off berth regardless of the outcome of a game with the Fireboys, because it has been ruled that if there is a tie for first place, the team that defeated the other team will play in the play-off. It seems, however, that most players want both games that were rained out, and the remaining schedule to be played.

Soon after the tilt tonight, the two-out-of-three play-off between Proctor's and tonight's winner will be scheduled. Plans are being made for a small admission to be charged for the play-off games.

With the end of the second round near, the standings of the teams are:

STANDINGS

Team	P	W	L	Pct.
Farmall	4	4	0	1.000
Lions	3	3	0	1.000
Fireboys	3	1	2	.333
Proctor's	3	1	2	.333
V. F. W.	4	1	3	.250
McNutt's	3	0	3	.000

Tuesday night the Fireboys are scheduled to meet McNutt's team. In the event one of the rained-out games is scheduled to follow this game, the managers of both teams will be notified in ample time.

New Arrivals

Mr. and Mrs. Tommy Smith are parents of a baby daughter, Judy Ellen, born July 28 in the Crosbyton hospital. The baby weighed 6 pounds 8 ounces.

Mr. and Mrs. R. C. Jackson announce the birth of a son, Wayne Leon, on July 30, weighing 8 pounds.

Mr. and Mrs. W. B. Francis are parents of a son born July 30 in the Crosbyton hospital. The baby weighed 8 pounds 6 ounces.

Kathy Marie is the name given the daughter of Mr. and Mrs. Joe Vickers of Girard, born July 31. She weighed 7 pounds 1 ounce.

Mr. and Mrs. Randolph Barron are parents of a son, Sylvesta, born August 1 in the Crosbyton hospital, weighing 4 pounds.

Local Businesses Offered Opportunity For Govt. Contracts

The Spur Chamber of Commerce, Above the Spur Security Bank recently became one of the Cooperating Offices for the distribution of the consolidated synopses lists of items currently being purchased by the Armed Forces and the General Service Administration of the Government.

Mr. Leon M. Huff, Jr., Manager, invites businessmen in this area who are interested in the program to visit the Chamber Office and pick up a copy of the synopses lists, as new lists are received in his office daily.

To give all American businessmen equal opportunity to compete for military and civilian procurement contracts, the Department of Commerce has developed cooperative programs with the department of Defense and the General Service Administration to speed procurement information to key points throughout the country.

These programs, now in effect, provide for the speedy transmission of procurement information to all Department of Commerce Field Offices and Cooperating Chamber offices where businessmen will have direct access to the information.

Mr. Ray L. Miller, Regional Director, Region 9, of the Commerce Department's Field Service for the states of Louisiana and Texas, recently announced that in addition to the lists of items currently being procured there is now available once a week a list of names and addresses of contractors awarded contracts valued at \$25,000 or more who may be contacted for sub-contracting opportunities.

Mr. and Mrs. Elmer Hagins returned recently from a vacation in Colorado and New Mexico. Among scenic spots which they visited were Pikes Peak, Colorado Springs Museum and the Van Briggie Pottery plant in Colorado, and Cimarron Canyon, Eagle Nest and Santa Fe, New Mexico.

CEMETERY CUSTODIAN

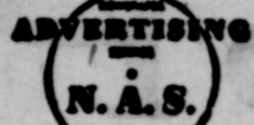

W. A. King, former custodian of the cemetery at Comanche, has announced that he will be available in the Spur territory to clean and care for lots in the Spur cemetery. King is a comparative newcomer to Spur, having lived here only eight months, but he comes with experience and promises dependable service.

LET'S FACE IT

BY DEWITT EMERY

This Korean thing has most people a whole lot more worried than they care to admit. They aren't worried because of what happened in Korea, but rather are deeply concerned over what may happen elsewhere. Russia definitely has the initiative and may break out at any time in one or more of a half dozen spots.

Probably the most concerned over what may happen to this country is the shooting is not confined to Korea. Its a well known fact that plans have been drawn to conscript everything and everybody in the United States in the event of another war.

If the absolute dictatorship which is now on the legislative drafting boards is ever established, none of us yes, not even our children or our grandchildren, will live long enough to see freedom of speech, freedom of religion, freedom of opportunity and all the other freedoms we now enjoy, reseeded in the United States.

Heretofore in this country when the killing and destruction were over, those who survived took up more or less where they left off. They resumed the pattern of their lives in the American way. They were free to work where and when they wished, to worship as they pleased, to speak their minds on any subject, to meet with their fellow men for any peaceful purpose, to be secure in their possessions and to have their day in a free court.

This time, if there is a this time and if the military and defense planners have their way, ALL THIS WOULD BE WIPED OUT IN THE VERY BEGINNING; FREEDOM, OPPORTUNITY AND JUSTICE WOULD PERISH FROM THE UNITED STATES FOR A LONG LONG TIME IF NOT FOREVER. This is what we must avoid even though we may not at this late date be able to avoid being forced into another war.

I understand why, if we get into a full scale war, wage, salaries and prices should be frozen immediately and taxes increased. I also understand why rationing of civilian goods and allocations of the materials of production in a total war effort

are both necessary and desirable, all of which can be done without changing our government to a dictatorship.

I don't believe, for example, that when you chain a man to a machine or a bench or for that matter behind the wheel of a truck that you'll get as much production or service from him as you would if he were a free agent. Yet that is exactly what conscripting manpower means.

Conscripting of wealth means that the government takes whatever you have that it wants by simply telling you to turn it over. Due process of law and just compensation are all the way out the window.

Maybe some of you don't like the name "dictator" as applied to this country. I don't either. But if the War Powers Act as now drafted should be passed by Congress, it would conscript manpower and wealth, and if that wouldn't set the President up as an absolute dictator, you'll have to tell me what it would do.

It is not necessary, desirable or in any sense practical to conscript manpower or wealth. All history shows that free men outproduce slaves (a conscript is a slave with whom you like it or not) by a very, very wide margin. Also, the American people have never failed to over-subscribe every war bond offering made to them and they always will as long as they understand the need and are a free people.

The way then to fight an all-out-war, if that becomes necessary, is to increase taxes, to freeze wages, salaries and prices at once and immediately rationing of civilian goods and allocation of materials into effect. Then put on the biggest and the best sales campaign the United States has ever seen to get everyone in the country to do his or her job better and faster than ever before and to buy bonds as they are offered.

This will get the job done quicker and much better than any other method. We'll retain our freedom and come out of it with our Republic intact. Whether you realize it or not, our American way of life is the greatest blessing ever bestowed on mankind any place on the face of God's earth.

Mr. and Mrs. A. M. Karr spent a few days this week visiting in the home of Mr. and Mrs. Bert Brilley at Chico. The Brilleys are former residents of Spur.
Mr. and Mrs. J. L. Williamson, Jr. and family and Mr. and Mrs. Lee Williamson and family, all of Spur, attended the Williamson family reunion in Dublin last Sunday.

RETURN FROM VACATION

Mr. and Mrs. B. Rogers and Virgil returned Sunday from a two weeks tour through southern states. Among the eight states through which they traveled were Alabama, Georgia and Florida, which they report, had a most "beautiful coastline."

COMMUNITY SINGING

A community singing is held each night in the Highway Church of Christ. The public is cordially invited to attend the Sunday singings which begin at 8 p. m.

A \$4,200,000 expansion program is now in progress on the campus of Texas Technological College at Lubbock.

World Labor Leaders Meet

Six leaders of labor take an informal time out from the General Conference of the International Labor Organization (I.L.O.), which met recently at Geneva. The Conference of I.L.O., a United Nations Specialized Agency, brings together representatives of labor, management and government from more than 50 countries. Shown here are (left to right) Syndolpho de Azevedo Pequeño, of Brazil; John J. Moreschi, U.S.A., Building and Common Laborers' Union; J. H. Oldenbroek, the Netherlands, International Confederation of Trade Unions; Fernando Ibañez Aguilá, Chile; George F. Delaney, U.S.A., American Federation of Labor; and Paul Finet, of Belgium.

Dry Lake Community News

Many Dry Lake farmers are beginning to slack up on their farm work and are able to take long-wished-for vacations.

Mr. and Mrs. E. J. Lasseter left recently for an extended trip through California.

Mr. Homer Hill and family made a business trip to Brownwood last Wednesday night and returned home Thursday.

The community meeting was a success last Wednesday night. Mr. Springer of the Highway Patrol addressed the group on safe driving pointers. Coy Dopson spoke on safety factors in the driving and caring for tractors and other farm machinery. Charles A. Taylor, county agent, showed a film on farm accidents and their prevention. This safety program was proclaimed the most interesting program this year. In August, the community meets will be on the third and fifth Wednesday nights.

Mr. E. J. Lasseter's youngest daughter and family are moving to Spur to make their home.

Mrs. Ivy McMahan and son, Billy Joe and friends are spending several days vacationing in New Mexico and Colorado.

Mrs. Coy Dopson has as houseguests her aunt and sister from south Texas.

Mrs. Ethel Ballard and Billy Ray visited relatives in Haskell county last week.

The ladies of Dry Lake community want to welcome the new home demonstration agent, Mrs. Harriette Hatcher, and will try their best to show by their clubwork their appreciation.

by Mrs. Jack Gordon

The Texas Tech Foundation will soon publish an illustrated brochure, "Your Share in the Future," to help Texans know more about the state's third-largest public-supported institution of higher learning.

Rev. Morris Denson To Conduct Revival

The public is cordially invited to attend the revival meeting at Steel Hill Baptist church Aug. 4 through August 13.

Rev. Morris Denson, pastor of the church, will do the preaching and Carl Lee of Streetman will direct singing. "Come and bring a friend with you," states Rev. Denson. "If you are not prepared to face Jesus, you should come now."

Watch your expiration date

Mr. and Mrs. Truman Green and family of Lubbock, former Spur residents are moving to Jefferson City, Missouri, where he will be manager of Central Electric Power, cooperative.

Mrs. Sam J. Robles has returned to her home in Albuquerque, N. M., after a two-weeks visit in the home of her parents, Mr. and Mrs. R. T. Anglin.

George Gabriel and Carl Proctor have returned from a trip to fall markets in St. Louis, Mo.

GO TO CHURCH SUNDAY

Mr. and Mrs. Billy Addy visited overnight last week in the home of her parents, Mr. and Mrs. Elmer Frazier of Afton, Mrs. Nell Addy returned to Spur with them after a week's visit in their home in Big Spring.

No other country can match Finland's record of being 71 per cent forested. Sweden is second with 56.5 percent.

Deficiency of vitamin A in rations for gilts and sows can cause several diseases and defects of baby pigs.

The high cost of living

has a long way to fall before it gets down to

the low cost of electric service

For a long time, electric service has been just about the best bargain in your family budget—dependable and ready at all times to make life easier, healthier, more comfortable for you. What else gives you such high living value, at such low cost?

West Texas Utilities Company

Truman Is Texans' Favorite For Presidential Post During War

By Joe Belden
Director, The Texas Poll

President Truman appears to be slightly more popular with Texas voters now than before the outbreak of the Korean war. But still less than half of the voters think he should seek re-election in 1952.

Now, as before the Korean war, almost as many Texans would vote for General Dwight D. Eisenhower running as a Republican as would cast their ballots for Truman.

This is the finding of the Texas Poll from two comparable statewide surveys. The first survey was conducted in May about a month before the Korean war; the

second, in July, about three weeks after the fighting had begun. These questions were put to a cross section of qualified voters: "Do you think Truman should run for President again, or not?"

	May	July
Yes, he should	42%	44%
No he shouldn't	44	41
No opinion	14	15

100% 100%
"Suppose the Republicans name General Eisenhower as their candidate for President in 1950, and the Democrats nominate Truman again, for whom would you vote?"

	May	July
For Truman	42%	41%
For Eisenhower	38	39
Rather not say	12	8
Undecided	3	12

The results indicate the Korean war so far has had very little if any effect toward increasing popular demand for a military leader in the White House. What influence future military developments may have on Texas public opinion remains to be seen.

Parrot Bathing Suit

Rayon elasticized fabric is a perennial favorite for beachwear, for its sleek good looks are extra figure flattering. It's economical too and lends itself well to smart prints such as the two colorful parrots on this pretty suit. This suit, made of Avisco yarn, may be worn strapless, or with the halter shown here.

Coastal Fishing Pact Is Studied

A study designed to break down barriers between states, as concerns management of the commercial fisheries, has been authorized by the Gulf States Marine Fisheries in Mobile, Alabama, on recommendation of the executive secretary of the Texas Game, Fish and Oyster Commission.

The next step will be taken at a conference called for August 17 and 18 at New Orleans to be tentatives of the legal department attended by biologists an drepresentatives of the five interested states and of the Federal Fish and Wildlife Service. The states are Texas, Louisiana, Mississippi, Alabama and Florida.

The executive secretary said the recommendation was based on the belief that special reprisal state laws aimed at commercial fishermen from other states have

worked to the detriment of the entire coastal fishing industry.

He told the Mobile conference that the New Gulf State Marine Fisheries Commission, which has just observed its first anniversary, is the logical medium "to break down these needless and harmful state barriers." He suggested that the study be undertaken from "biological management as well as from legal procedure."

The Fisheries Commission already has launched exploratory and research projects for the betterment of commercial fishing in the Gulf states. A noteworthy development at the Mobile conference was the decision to cancel study of sharks because of the collapse of the market for shark liver oil and to concentrate on shrimp and other varieties. One large ocean going ship already has begun the coastal studies to spot new fishing grounds. Another is being rigged up.

GO TO CHURCH SUNDAY

ANGLINS VISIT IN KERMIT

Mr. and Mrs. R. T. Anglin and their daughter and houseguest, Mrs. Sam J. Robles of Albuquerque, N. M. visited last weekend in the home of Mr. and Mrs. James Wilson of Kermit. On their return, they visited with Mr. and Mrs. Harry Blenden of Andrews, whom Spurites will remember as former residents of Spur. The visitors also attended a rodeo in Monahans.

WILLIAMS TO DALLAS

Mr. and Mrs. Pat Williams and family have moved to Dallas where he will enter Southwestern Medical Institute in September. Pat, the son of Mrs. Helen Williams, Spur, graduated from Texas University in June. Mrs. Williams is the former Beth Arthur, daughter of Mr. and Mrs. O. C. Arthur, Spur.

Texas Technological College will celebrate its 25th anniversary this fall with a special publi-

lee program two souvenir publications, and the Silver Anniversary Homecoming Nov. 11.

First of the Fine Cars in Value

Even Wiser than He Seems

PLAINLY, here travels a man wise in the ways of fine motorcars.

You know that, by the four Ventipoints and the rich sweep of chrome which mark his car as a ROADMASTER.

You know it, should you trail him on the highway, by the smooth lift of the big Fireball

Only BUICK has Dynaflow-DRIVE and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, legs over-all length for easier parking and gauging, short turning radius • EXTRA-WIDE SEATS, cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

power plant at his toe's command, by the obvious levelness of the ride he enjoys, the swift ease with which Dynaflow Drive solves his traffic problems.

What is not so plain from what you see is that here also is a man very wise in what today's dollar should buy!

For this man has all that a fine-car owner can ask for—brilliant performance, a ride without equal for gentle softness, finger-easy handling, abundant room all around him, styling that is easily the most distinguished on the highway.

Yet he paid considerably less than comparable merit costs elsewhere.

He found fewer extra charges in his delivered price, with such things as Dynaflow Drive, foam rubber cushions, windshield washers, electric clock, even non-glare rear-view mirror included in the price.

If you know fine cars, it won't take fifteen minutes behind a ROADMASTER wheel to see that here is one of the finest.

If you have inquired about prices, a single glance at the delivered figures establishes this as the big buy of the field.

Why not make both checks—especially since your Buick dealer will be glad to arrange a trial run in a ROADMASTER any time you care to call on him?

Chapel Service Uniter Louise Hicks And Kenneth Street In Kerrville

Miss Louise Hicks of Lubbock, daughter of Rev. and Mrs. A. L. Hicks of Kerrville became the bride of Kenneth Willow Street, son of Mr. and Mrs. K. W. Street of Dickens in a service read at 3:30 p. m., July 31, in the chapel of the Veterans' Hospital at Kerrville.

The single ring ceremony was performed by the bride's father.

The service was read before an altar banked with white gladioli, diffinbochia and calladium. White tapers were lighted in wrought-iron candelabra in the background. Mrs. J. C. Colley, Kerrville, played wedding selections which included "At Dawning," "This You," "Ahl Sweet Mystery of Life," "Salut d'Amour," "Lord's Prayer" and "Always."

The bride wore a dress of powder blue crepe with lace bodice and crepe jacket. She wore navy accessories and a corsage of gardenias showered with pink asters. She carried a white linen handkerchief, a gift from her aunt, Mrs. Peyton Legg. For something old, she wore her mother's wedding band.

Attending the bride as maid of honor was Miss Chichi Meadors cousin of the groom. She was attired in brown linen with coffee brown accessories and wore a corsage of pink asters.

Carlton Dodson of Dickens served the groom as best man.

A reception was held following the ceremony in the reception room adjoining the chapel. The bride's table was centered with a three tiered wedding cake topped with a miniature bridal couple. Assisting the couple in receiving were Mrs. A. L. Hicks, mother of the bride, Mr. and Mrs. K. W.

East Spur Club Has Forty-two Party

East Spur Home Demonstration club women entertained their husbands with a forty-two party in the home of Mr. and Mrs. Tang Smith last Thursday evening. Mrs. Harriette Hatcher, Dickens county's New home demonstration agent, was present for the entertainment.

After games were played, refreshments of ice cream with various fruit and nut toppings was served to Messrs. and Mmes. Arner Watson, Lloyd Roberson, James Wright, Jack Ensey, Floyd Smith, Mrs. John Webb, Mrs. Hatcher, and the host and hostess Mr. and Mrs. Smith. Co-hostesses of the party were Mmes. Lloyd Roberson, John Webb and Russell Williams.

Next meeting of the East Spur club will be in the home of Mrs. Arner Watson on Aug. 10, at which time Mrs. Hatcher will be present.

Enseys Host Friends At Canasta Party

Mr. and Mrs. Jack Ensey were hosts to a group of friends when they entertained with a Canasta party last Saturday evening.

The living room was decorated with bouquets of pastel petunias and other summer flowers. After games of Canasta guests were served ice cream and cake. Those attending were Messrs. and Mmes. John Webb, James Wright, Matthews Gruben, Billy Powell and the hosts, Mr. and Mrs. Ensey. Out-of-town guests were Mr. and Mrs. Homer Taft of the Lubbock Conservation service and Mr. and Mrs. Hugh Tegg, visitors from San Diego, California.

Russell - Sprayberry Vows Read July 15

In an impressive double ring ceremony at the home of Mr. and Mrs. Wayne Russell of Mt. Blanco, Dahlia Sprayberry, daughter of Mr. and Mrs. V. C. Sprayberry of Dickens, became the bride of Henry Russell, son of Mr. and Mrs. C. A. Russell of Floydada, at 11 o'clock in the morning, July 15.

Rev. Berry Watson of Matador officiated.

The bride wore a street length dress of navy blue lace with white accessories and a corsage of white carnations.

Her attendants, Misses Deanne Dillard and Betty Chambliss of Roaring Springs, wore matching dresses in shades of pink and white carnation corsages.

Attending the groom were Glenn Sprayberry, brother of the bride, and Billy Ferguson of Floydada.

A reception followed the ceremony in the Russell home. Summer flowers decorated the receiving rooms and a two-tiered wedding cake and crystal punch bowl centered the lace-covered table.

Mrs. Ray Latham, twin sister of the groom, served punch, and Mrs. Clarence McCandless, another sister of the groom, served cake.

Among the guests were Mr. and Mrs. V. C. Sprayberry and Donna, and Glenn and Wallace Sprayberry, all of Dickens.

The couple will be at home in Floydada after a short honeymoon. He is employed with the Willson and Son Lumber company.

Couples Wed In Double Ceremony

Miss Marjorie Ann McBride of Dickens and Truett Culler Shirley of Crosbyton and Miss Delores Winania Mobley of Dickens, Edgar Wayne, Witt of Calgary were married in a double wedding ceremony read at 12 a. m., July 29.

Marriage vows were repeated in the home of Rev. Dock Love, Spur. The couples' parents and close friends attended.

Mrs. Shirley wore a brown street length dress with white and black accents, and Mrs. Witt was attired in a wine dress with black accessories.

Mrs. V. C. Gillison of Billings, Montana, was a recent guest in the home of her parents, Mr. and Mrs. C. H. McCully and a sister Mrs. C. D. Foreman.

Mr. and Mrs. Clark Morgan and children spent the past week end in New Mexico visiting Carlsbad Carvers.

W. D. York Reunion Held in Spur Park

Children and friends of W. D. York met in Charles A. Jones Memorial park on July 30 to celebrate his ninety-second birthday. Those attending were: the guest of honor, W. D. York, a brother, I. S. York of Gonzales; four sisters, Mrs. Zannie Kuhn, Moulton, Mrs. T. G. Cherry, Spur, Mrs. R. J. Hairgrove, Spur and Mrs. Jane Crench, San Marcos.

Mr. and Mrs. Morgan Stacy Fort Worth; Mr. and Mrs. John Stacy and son, Mr. and Mrs. Howard Farris and son, Killen; Mr. and Mrs. D. D. Stacy and family, Lubbock; Mr. and Mrs. E. A. Brown, Croton; Earl Kuhn, Irving; Wayne Kuhn, Moulton; Mr. and Mrs. Wint Botter, Alvin; Miss Charlene French, Taft; Mrs. C. J. Crouch, Mr. and Mrs. G. L. Palmer and children, Mrs. Winona Thomas Houston; Mrs. Ida Miller Bangs; Mrs. Joe Sockwell Moulton; Mrs. Alma York, Spofford.

Mr. and Mrs. J. W. Brown and children, Mrs. B. T. Sullinger and son, Mrs. Neddie Brunson and sons, Mrs. J. H. Frederick, Mr. and Mrs. Emmet Hairgrove, all of Levelland; Mr. and Mrs. Will Stacy, Mr. and Mrs. Wayne Hill and family, Mr. and Mrs. T. M. Baker and family, Wichita Falls; Mr. and Mrs. Bert Cherry and family, Mrs. A. F. York, New Mexico; Mr. and Mrs. Bert Cherry and family, Mr. and Mrs. Raymond Kingston Mr. and Mrs. R. H. Kingston and family, Shallowater.

Attending from Spur were Mr. and Mrs. A. B. Stuckey, Mr. and Mrs. Bill James, Mr. and Mrs. James Houston and son, Mrs. Ivy James and children, Bernard York, Mr. and Mrs. D. A. Stanley and family, Mr. and Mrs. Russell Williams and family, Mr. and Mrs. Lloyd Hindman and sons, Mr. and Mrs. H. E. McGee, Mr. Will Leach, Mr. and Mrs. Dee Hairgrove and family, Mr. and Mrs. Wilburn Ball and son, Mr. and Mrs. Bobbie Grice and daughter, Mr. and Mrs. Marcus Copeland and family, Miss Eula Cherry, Mrs. D. C. McAteer, and Misses Patsy Hyatt and Jerrelene Womack.

VFW Auxiliaries To Convene In Lorenzo

All Auxiliaries of District 7 Veterans of Foreign Wars will convene at 2 p. m. Aug. 6 in the VFW Home at Lorenzo.

Elective and appointive officers of each auxiliary are urged to attend this school of instruction. Auxiliaries in this district include Brownfield, Levelland, Lorenzo, Lubbock, Morton, Post, Seagraves, Sundown, Spur and Tahoka.

Miss Ollie Joyce Batchler of Lubbock was an overnight guest of her parents, Mr. and Mrs. J. E. Batchler, Spur, Miss Batchler, who will receive her degree from Texas Tech in August, is presently employed with a banking concern in Lubbock.

Highway News

Members of the Highway community met at the community grounds recently for the purpose of eradicating mesquites. A picnic lunch was served and the work continued throughout the day.

A pie supper was held at the home of Mr. and Mrs. Earl Thomason recently. The proceeds will buy playground equipment for the community center.

Mr. and Mrs. Forrest Martin will be hosts to the next community meeting.

Mrs. Donnie Pace has returned from a visit with her daughter in New Mexico.

Mr. and Mrs. Leonard Blackman and Dessie, Mr. and Mrs. Bert Holloway and daughters and Mr. and Mrs. Junior Blackman and son from California have been guests in the home of Mr. and Mrs. M. E. Tree.

Larry Hahn spent a week's visit with his parents, Mr. and Mrs. Jimmie Hahn recently.

Mr. Earl Thomason and Darrell and Mr. B. K. Putman and Ina made a trip to Oklahoma last week.

Gerrilene Estep has been visiting her aunt and uncle, Mr. and Mrs. Junior Martin, in Littlefield. Don Estep is recovering rapidly from his accident.

Mr. and Mrs. Conley Smith have returned from a visit in east Texas where Mrs. Smith visited a brother in the Army that she had not seen in five years.

The Highway Cardinals played the Highway Gents recently and came out losers with a score of 25-8.

By Mrs. B. K. Putman

Donald Snodgrass Is Lions Guest Speaker

In the regular Tuesday noon meeting of the Lions Club, Leon Huff, Secretary Manager of the Chamber of Commerce, made an interesting announcement of the plans being made concerning the new highway project to Post.

Van North, who was in charge of the program, introduced his guest speaker in keeping with the Creed of Lionism by saying that Boy Scouts and Girl Scouts of all ages always had a place in the Lions Club.

Donald Snodgrass, local Boy Scout who attended the International Boy Scout Convention in Valley Forge, Pennsylvania, gave an interesting account of his trip. He pointed out some interesting facts such as: there were 47,500 scouts at this meeting; the next International meeting will be in Australia, and it will be 13 years before another convention will be held in the United States.

County Wings Over Savings Bond Quota

Dickens county was one of 103 counties in Texas that exceeded their quotas in the recent Independence Savings Bonds Drive, W. T. Andrews, county Savings Bonds chairman, announced today after receiving final sales figures from Nathan Adams, state chairman.

Sales in this county were \$34,931.25, or 120.45 percent of the \$29,000 quota.

The Independence Drive was held May 15-July 4, with sales through July 17 being counted toward the quota.

Total sales in Texas for the drive were \$25,383,274.75, or 105.37 percent of the state's \$24-

Junior Rodeo Opens Third Annual Show At Post On Aug. 9

The Southwestern Championship Junior Rodeo will open the gates for its third annual show on August 9 at 8 p. m. at Post, Texas. A gigantic street parade will precede this first performance at 6 p. m. The rodeo will continue through the 12th with a performance each night at 8 p. m. and a Saturday afternoon matinee at 2 p. m.

Bill Elliott, western movie star, is guest star of the rodeo and more than two hundred junior cowboys and cowgirls from all over the southwest will be competing for the top honors of the junior rodeo world and more than \$3,000 in prizes.

Goat Mayo of Petrolia, Texas is furnishing the stock for the show. Nat Fleming of Wichita Falls is the announcer. Dale Winders of Earth is clown. Ted and Betty Lamb of Dallas are trick riders and trick ropers for the rodeo. Sonny Bradley and his "Flying Saucers" of Dublin will present a Roman style riding act. Floyd Tillman, western recording star, will appear at the show on the last day.

Events in the rodeo are: Boy's calf roping, girl's calf roping, hat race, ribbon roping, cutting horse contest, bull riding, bareback bronc riding, and girl's barrel race. The rodeo is open to any boy or girl who is nineteen or under.

A special matched roping between Mrs. Jerry Dusek of Van Court, Texas, the 1949 champion calf roper of the Girls Rodeo Association, and Helen Hightower, top junior cowgirl calf roper of the southwest, will be the highlight of a Thursday afternoon, August 10th, show. This will not be a complete rodeo performance however. On the following afternoon, August 11th, there will be a match between Jack Lowe, a top P. C. A. roper of Amarillo, and Bob Thompson, state champion

high school roper of Texas in 1949, from Stinnett. These matches are to show the abilities of junior ropers in competition with adult ropers.

A Quarter Horse Show has been added to the rodeo this year for the first time. It is expected to draw some of the top horses of the state. Bill Elliott who is a director of the Pacific Coast Quarter Horse Association is judge of the show.

Judges for the rodeo are: Betty Rush, Levelland; LeDrew Arrott, Bronte; and Bobby Gray, Snyder. Bill Elliott of North Hollywood, California and Novis Rodgers of Polar, Texas will judge the cutting horse contest. Riding judges will be elected by the contestants.

The opening parade will feature riding groups from several west Texas towns. Those who will be in it are: the Longhorn Riding Club of Graham, the Midland Sheriff's Posse, the Seminole Sheriff's Posse, the Lubbock Sheriff's Posse, the Lamb County Sheriff's Posse, the Lynn County Sheriff's Posse, and the Post Stampede Cowboys. The Will Rogers Range Riders of Amarillo and their band will ride in the second day's parade. Movie newsreels will be covering all of the show as they did the 1949 rodeo.

County Wings Over Savings Bond Quota

Dickens county was one of 103 counties in Texas that exceeded their quotas in the recent Independence Savings Bonds Drive, W. T. Andrews, county Savings Bonds chairman, announced today after receiving final sales figures from Nathan Adams, state chairman.

Sales in this county were \$34,931.25, or 120.45 percent of the \$29,000 quota.

The Independence Drive was held May 15-July 4, with sales through July 17 being counted toward the quota.

Total sales in Texas for the drive were \$25,383,274.75, or 105.37 percent of the state's \$24-

088,000 quota. The goal was reached and exceeded during the last week of the drive, with a final burst of bond buying accounting for over \$7,000,000 in sales.

"You and the people of your county can be proud of your record in this drive," Mr. Adams told Andrews. "By exceeding their quota they have helped the state preserve an unblemished record

of always going over the top in bond drives. At the same time the people of your community have added substantially to their savings and, consequently, to their personal financial security."

"Hardware trouble" in cows often shows up a short time after calving.

Seeing is Believing

**4400 FARMERS KILLED
300,000 INJURED**

DON'T "CULTIVATE" ACCIDENTS ON YOUR FARM

A field half plowed—a furrow left unturned—work stopped by accident!

To the farmer, working against time and weather, delay can mean the difference between a crop and no crop, a good year or a lean one. So accidents have no place in his schedule; they cost money, delay production—and the growing season keeps rolling along.

Yet, farming ranks third most hazardous in eight major industries. Think of it, while the death rate for all industry is 29 per 100,000 workers, in agriculture it is 55 per 100,000! One farmer in every 15 is injured on the job! Total—4400 killed, 300,000 disabled by injury every year.

The wise farmer knows where his hazards are—and avoids them. Falls, machinery and animals account for most accidents down on the farm. Their annual cost—\$73,000,000. Yet, they're so easy to prevent. Just a little caution is all it takes.

Don't "cultivate" accidents and losses! Instead, "cultivate" safety and success!

"Ole' Sarge," Recruiting Service Columnist, Reports Latest Enlistment Changes

(Editor's Note: "Ole' Sarge," a weekly column prepared and released by the U. S. Army & Air Force Recruiting District, will be carried weekly in the Texas Spur during the present military emergency to keep the public informed with the latest recruiting data.)

In view of the present Korean situation, a number of changes have been made by the Recruiting Service, which will be of interest to former servicemen and young men who have been considering a military career.

The Air Force has been authorized a troop basis increase and the Recruiting Service has been asked to assist by the enlistment of former Air Force personnel with technical qualifications, who are not members of the Air Force Reserve. These reenlist-

THE AMERICAN WAY

ments will be in the temporary grade equivalent to the grade held at time of discharge. Although complete regulations governing this type of reenlistment have not been received, the Recruiting Service has announced that this type of enlistment is expected to get under way in the very near future.

The Department of the Army has announced an immediate call for enlisted reservists to volunteer for extended active duty for a minimum period of one year or for such longer period as may be required. Reservists will be recalled in their reserve grade.

The reservists most urgently needed include radar, radio, tank, and anti-aircraft-artillery mechanics; engineer heavy equipment operators; cryptographic technicians; and engineer construction specialists. The preceding specialties are only a portion of the total skills required.

Individuals with dependents must have attained grade E-4 (Cpl) or higher in order to be acceptable and all individuals must meet current physical standards.

All enlisted reservists are encouraged to make application for recall through their reserve unit instructors, who are being furnished detailed lists of the exact military occupational specialties needed.

A revolutionary recall program for a limited number of reserve officers will be announced shortly. Medical Corps officers of the Re-

FALSE SECURITY PROPAGANDA

serve are urged to apply without delay.

At the present time, normal recruiting activities continue without noticeable change. Volunteers are being offered the many advantages of a military career: good pay, educational advantages, retirement benefits, adventure, travel, and job security.

The Air Force Cadet program remains the same with class openings available for young men between the ages of 20 and 26½, who have completed at least 60 semester hours of college work and are capable of meeting the high physical and mental standards required by the Air Force.

This is the picture of the Recruiting program at the present. For the many individual questions the reader may have, it is suggested that the local Recruiting Sergeant be contacted. As new changes are received that affect the recruiting program as a whole, they will be reported to you through the medium of this column.

So long 'till next week,
OLE' SARGE.

Freezing is one of the newer methods being used for preserving peaches, and when properly done is very satisfactory. Several factors are involved in the selection and preparation of the fruit and in the freezing process that must be given careful attention.

The best varieties for freezing are Elberta, Hiley, J. H. Hale, Hale Haven and Frank. The peaches to be frozen should have reached the choice eating stage. This means firm, evenly ripened fruit of good quality.

After the peaches have been selected, they should be carefully washed and peeled. They should be treated to prevent discoloration and there are several products available for doing this job.

Ascorbic acid, vitamin C, is one of them. It is available in powdered and tablet form and one and a quarter of the 100 milligram tablets should be used for each pint of fruit or one-half teaspoon of the powdered ascorbic acid for each quart of syrup. The ascorbic acid should be dissolved in the syrup before it is poured over the fruit.

Citric acid is also recommended for preventing discoloration. Dissolve one-fourth of a teaspoon of citric acid in one quart of cool water and leave the fruit in the solution only 15 or 20 minutes, then remove, place in containers and cover with a sugar syrup.

Following are the essential steps in freezing peaches. Select fresh, firm and ripe peaches. Wash them well, peel and remove the seed and halve or slice. Then treat to prevent discoloration. Package the fruit in the containers for freezing and cover with sugar syrup. The syrup can be made by dissolving three cups of sugar in one quart of water or dry sugar may be preferred to the syrup.

Next, place crushed waxed paper or cellophane on top of the peaches to keep them under the syrup. Seal the containers and quickly freeze immediately.

Announcing

Will begin teaching piano in my home and probably part-time in one of the school studios Sept. 4. Certificate in piano and voice. Many years experience. Have attended several music clinics in recent years. Many excellent to superior winners in NFSM.

State Cash Income Has Seasonal Drop

June farm cash income in Texas was substantially below seasonal expectations, despite a small gain over the previous month, the University of Texas Bureau of Business Research reported.

After adjustment for seasonal variation the Bureau's index of farm cash income dropped from 276 in May to 218 in June (1935-39-100). The June 1949 index stood at 341.

Texas farmers received an estimated \$87,867,000 in June, or 35 per cent less than in June 1949. With the exception of livestock, marketing of all farm products was smaller in June than in the same month a year ago.

Cattle sales amounted to \$21,125,000 in June, the greatest source of farm income for five consecutive months. Wheat accounted for \$19,356,000 in June, reflecting heavier movements. Wool sales totaled \$12,365,000. All of farm products decreased in revenue from the previous month.

June income was considerably above the May level in East Texas Timber Plains (120 per cent), Western Cross Timbers (93 per cent, Black and Grand Prairies (63 per cent), Red Bed Plains (59 per cent, and Edwards Plateau (27 per cent).

On the other hand, May-to-June declines in farm income for

7 of the 12 crop-reporting districts ranged from 4 per cent in the Edwards Plateau to 71 per cent in the Lower Rio Grande Valley.

In comparison with June 1949 figures, all crop-reporting districts shared in the general decline in June.

Northern High Plains recorded the biggest reduction in farm cash income in June from the comparative level of last year—78 per cent. Red Bed Plains had a 51-per cent drop, and income fell 42 per cent. Red Bed Plains had a 51-per cent drop and fell 42 per cent in the Black and Grand Prairies; 40 per cent in the Southern Texas Prairies; and 38 per cent in the South Texas Plains.

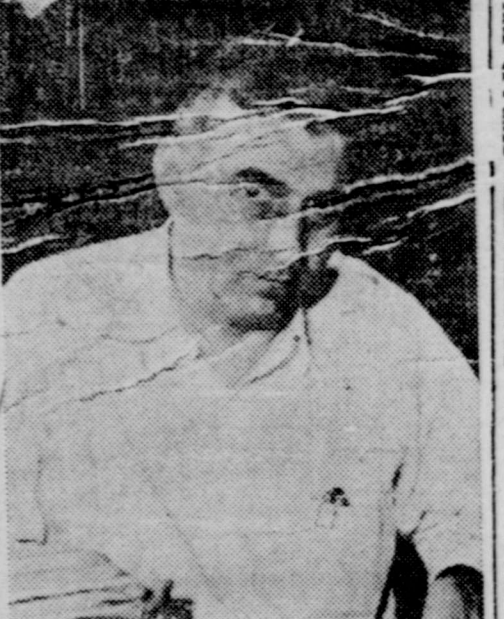

For the first half of 1950, farm cash income was running 6 per cent behind the comparable period of 1949, with only four crop-reporting districts surpassing their year-earlier totals. Southern High Plains scored a 33-per-cent increase, and Edwards Plateau showed a 15-per-cent rise. Income for the first six months of the current year was 7 and 3 per cent above a year ago in the Lower Rio Grande Valley and the Trans-Pecos districts, respectively.

Prompt Dental Care Urged For Children

"Now is an excellent time for school children of all ages to make a trip to their dentists' office," Dr. Geo. W. Cox, State Health Officer, reminds Texas parents. Since progress is influenced by the pupil's health, which is in turn affected by mouth conditions, it is wise to visit the dentist during the summer vacation and obtain any needed treatment before school starts.

"It is dangerous to assume that there is no need for dental attention simply because a child does not complain of a tooth ache or the parent does not notice any cavities. Only careful examination by a dentist can justify such conclusion.

REMSEY THANKS TEXAS VOTERS

BEN RAMSEY, run-off candidate for Lieutenant Governor, thanked Texas voters this week for the vote they gave him in the July 22 primary election. Ramsey, shown here in his San Augustine law office, said his heart was "filled with humble gratitude," and asked his supporters to continue the fight and elect him Lieutenant Governor in the Aug. 26 second primary. Ramsey is the only experienced candidate in the race.

RANCH STYLE

This chic lass takes a cue from the cowboys and wears a Western style kerchief at her neck. Her dress and matching kerchief are created from sheer swager ging-ham in neat checks by Gale. Lord. Gingham is most popular for cool summer frocks that ever become wearing to National Cotton and Fashion experts.

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B, B, Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago. "That is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

HADACOL Can Help You, Too! as it has helped thousands of others whose systems lacked Vitamins B, B, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

Make Up Your Mind to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

Flag for Unified Headquarters

A United Nations flag, already a veteran of U.N. field missions, is given to Ambassador Warren Austin of the USA (left) by U.N. Secretary-General Trygve Lie (center) for use over the headquarters of the USA's General of the Army Douglas MacArthur, commander-in-Chief of the unified forces acting in behalf of U.N. in Korea. Looking on is Ambassador Arne Sunde of Norway, Security Council President for July. The blue-and-white flag was formerly used by U.N. military observers and the U.N. Mediator in Palestine.

US ROYAL TIRES

first time are particularly in need of dental attention. Usually they are at the age when the first four permanent teeth, the sixth year molars, appear. Because these erupt before the shedding of any baby teeth, they are often mistaken for baby teeth. Since these are important teeth they should receive early and regular attention by the family dentist.

"Postponement of a visit to the dentist may result in pain and discomfort for the child later on. To avoid such suffering and to prevent the development of conditions that may require more extensive dental services at a later date, parents are strongly urged to take their children to the dentist for an examination now. Prompt action will allow time to complete any needed correction before school opens."

Insurance Figures Highest Since War

Texas families owned 7,590,000 life insurance policies, totaling \$2,250,000,000, at the start of this year, a new record high of such protection, the Institute of Life Insurance reports. This represents an average of \$3,800 per family in this state, compared with \$2,800 per family at the start of 1946. Total life insurance owned in the state at the start of 1945 was \$4,936,178,000.

"These years since the end of

the war have seen a tremendous development of life insurance ownership," Holgar J. Johnson, Institute president, commented. "This is a striking demonstration of the thrift-mindedness of American families and of their reliance on the 'do-it-yourself' philosophy of financial security achieved through individual initiative. Through life insurance, they are providing not only for their own future, but as the money they put into life insurance is invested, for the future growth of the nation's production."

Of the total life insurance owned in this state on January 1, \$5,330,000,000 was in 2,430,000 ordinary life insurance policies, which are generally for amounts of \$1,000 or more each and are paid for annually, semi-annually, quarterly or monthly. Purchases of this type of life insurance during 1949 in this state amounted to \$827,249,000.

An additional \$1,260,000,000 was owned at the start of this

year in 4,240,000 industrial insurance policies, generally issued in small units and with weekly or monthly premiums usually collected at the door. And \$1,680,000,000 was in group life insurance, represented by 920,000 individual certificates.

Nationwide, life insurance ownership was at a record \$214,350,000,000 at the start of the year, under an aggregate of 193,420,000 policies. This was a rise of \$68,300,000,000 in the past five years and brought average ownership per family in the U. S. to \$5,000.

These family ownership figures varied widely from state to state, with a high of \$8,000 and a low of \$1,700. District of Columbia families led the nation in life insurance ownership per family, with \$8,000. New York was second with \$7,300 and Connecticut and Delaware tied for third with \$7,100. In aggregate ownership, New York families led with \$31,330,000,000, Pennsylvania was second and Illinois third.

Jayton clinic with severe burns which she suffered recently. The child's mother is the former Evelyn Fincher of Girard. Relatives request that cheerful cards and letters be sent to the patient during her stay in the clinic.

Top o' Texas Rodeo To Feature H. S. U. Band.

The Hardin-Simmons University Cowboy band will be in Pampa August 9 for its fourth consecutive annual performance for the Top o' Texas Rodeo and Horse Show August 8-12.

The band is in the midst of a busy month of public performances which include performing for the Monarchs Rodeo and the XIT Roundup. Later the band will accompany the Texas Veterans of Foreign Wars to its national encampment at Chicago.

The versatile organization, which can give concert programs, has probably played more music for bucking broncs and rarin' brahm bulls than any other musical organization.

eriff Will Watson, who is always dressed in his typical colorful regalia in parade performances, claims to have led more parades than any other person in the United States. He is the only person continuously associated with the organization for most of its 25 years of existence.

The band has been presented in Europe and on the continent, in Mexico and in Canada, as well as appearing in major cities of this country from coast to coast. The colorful organization has gained wide recognition for its unusual showmanship while marching and the colorful uniforms which consist of levis, gold shirts, boots and spurs, big white stetsons, and brass-studded, bat-winged chaps.

Texas Traffic More Deadly Each Year

Traffic accidents in Texas are killing about one-third more people than they did last year, according to Colonel Homer Garrison, Jr., director of the Texas department of public safety.

"If this rate continues," Colonel Garrison said, "there will be 2,500 lives lost in traffic accidents during 1950 and that will be 540 more than were killed during the year 1949."

During the past twelve years the highest toll for the month of

Charming Doris Day, Warner Bros. star, looks as sweet as she is young. She is fresh as a daisy in her navy can-can with gores of blue eyes inserted to make a regular skirt. The bolero is in white with a blue and white pattern. Her costume is by snowy white-toned gloves.

United Nations Radio documentary feature on atomic energy, entitled "Year of Decision," will be heard over many radio stations all over the world. The program features excerpts from U.N. meetings and includes statements on atomic armaments race and the future use of atomic energy by such authorities as Albert Einstein, whose voice is heard; David Lilienthal; J. Robert Oppenheimer; and Robert M. Hutchins. Movie actor John Garfield (left) and U.N. Radio personnel are shown here recording the program.

May was in 1947 when 160 were killed. A preliminary figure for May 1950 is 202 deaths and complete reports for that month will push the total to 225.

Speed is the number one killer, Garrison warned, in that it claims one out of every three traffic deaths. Somehow we must impress upon drivers that when they have an accident while driving at excessive speed the resulting impact is more than bodies will stand.

In order to reduce such mass slaughter, the Highway Patrol division has received instructions to curb speeding on rural highways where traffic accidents have increased 24 percent.

Mr. Link Robinson, 519 Lindbergh, is the most content and satisfied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he is on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B₁, B₂, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was... I couldn't eat, I had gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I am not nervous anymore, either. Best of all, I haven't got those terrific gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

HADACOL is Different
Countless thousands are benefiting from HADACOL... even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B₁, B₂, Iron, and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails. Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50. © 1950, The LeBlanc Corporation.

SPUR, DICKENS COUNTY, TEXAS THURSDAY AUGUST 3, 1950

NUMBER 41

Chamber of Commerce Doings: Local Citizens Urged to Cease Useless Hoarding; Government Control Threatened

MILITARY PURCHASE LISTS:
Spur manufacturers and wholesalers may now take a growing part in supplying increased needs of the armed forces and government departments.

Daily lists of procurement needs come to the Chamber of Commerce from the U. S. Department of Commerce, and information will be made available to all firms which qualify to provide the wide variety of items needed by government establishments. These items range from paper clips to automobiles.

Bids opening dates have been advanced sufficiently under the new USDC schedule so that firms here may check the lists, write for bid forms and specifications and still have time to enter a competitive bid for supplies. Merchants Committee has charge of the lists.

LET'S STOP HOARDING:
Items such as sugar, coffee, spices and linen goods are plentiful in Spur and will continue to be plentiful until selfish individuals decide to purchase large quantities and start hoarding. According to Government sources and State authorities Texas is tops in the list at present in buying scarce goods. We do not want rationing but we will be forced to accept it when a buying spree on these items. Why not be reasonable and practical, and stop outrageous purchases before drastic measures are forced to be imposed on these goods.

SOLICITERS AND PEDDLERS BEWARE:
Signs are being printed for the benefit of business establishments in Spur to prohibit undesirable soliciting and peddling in these businesses. There have been many complaints concerning these solicitors and peddlers from the merchants and signs are being printed for each merchant to have in his store, which reads as follows:

THIS MERCHANT IS A MEMBER OF THE SPUR CHAMBER OF COMMERCE. ALL SOLICITORS AND PEDDLERS ARE REQUIRED TO SECURE A LETTER OF INTRODUCTION FROM THE CHAMBER OF COMMERCE.
The Chamber is asking the cooperation of each individual citizen and business establishment to refrain from buying or donating to any organization until they see a letter of introduction from the Chamber of Commerce.

NEW CHRISTMAS DECORATIONS:
This year you will find new Christmas decorations in Spur. The Merchants Activity Committee will plan to have new elaborate decorations down Burlington and many merchants will be contacted in regard to these decorations within the next few weeks. These new decorations will be of the type used in Lubbock last year.

WELCOME NEW MEMBERS:
We are happy to have these new members join hands with the Chamber of Commerce:
Fagan Department Store on Burlington Ave.
M. P. Vannoy who is in the insurance and loan business in Spur.

MEETING ANNOUNCEMENT:
The Merchants Activity Committee will meet Friday August 4, 10:00 A. M. in the Directors room of the Chamber of Commerce.

Members of the Committee are:
Forrest H. Irwin, Chairman, Cecil Godfrey, Vice-Chairman, Carl Murry, E. A. Brasher, Jackson East, Billy Bingham, H. W. Houser, Lee Snodgrass, Edge Caudle, Nona Starcher, James Culbert, Howard Morrow.

REFRESHING PICKUP

For the nation's 2,600,000 Boy Scouts, summer is adventure time. On the trail, in camp or at home they're always on the go. And they enjoy ice cream anytime as a refreshing food at mealtime and around the campfire as a pickup. According to the National Dairy Council Boy Scouts help boost America's ice cream consumption to nearly five and a quarter billion pints a year.

PREVIOUS COUNTS MADE OFFICIAL BY DEMO. COMMITTEE; DELEGATES APPOINTED TO ATTEND STATE MEET

Contrary to reports printed in the daily papers there will not be a run-off in the Dickens County Judge and Sheriff races, stated Dr. M. H. Brannen following the Dickens County Democratic Committee meeting last Saturday, July 29.

Scout Troup 37 Wins District Swim Meet
Boy Scouts of local Troop 37 came home from the district swim meet with enough first place honors to rate them winners of the meet and a try in the Lubbock competition August 11.

Dickens Park Slates Two Weekend Tilts
The Dickens baseball club will meet a team from Reese Air Force base, Lubbock, at 8:30 p. m. Thursday (tonight) in Koonie Baseball park, Dickens, according to Johnnie Koonsman, owner-manager of the park.

SPUR ROPERS IN MATCH WEDNESDAY NIGHT
A matched roping will be held at the Spur Roping Arena Wednesday evening at 8:30 p. m. with the Spur team matched against a combination of Matador and Roaring Springs ropers.

Services Held For Mrs. Lee Hindman
Funeral services for Mrs. Lee Dial Hindman, 59, a resident of Dickens county for forty years, were conducted at 3 p. m. Aug. 2, in the First Baptist church. C. Melvin Rathel was officiating pastor.

Mrs. L. A. Finch Dies, Burial At Crosbyton
Funeral services for Mrs. Maggie Finch, longtime resident of Crosbyton and mother of Mrs. F. A. Phifer of Spur, were held in the Crosbyton First Methodist church, July 29. Mrs. Finch died July 25 in Amarillo.

Locals Play Abilene; To Compete In State Softball Tournament

The Spurettes softball club will meet a girls' team from Abilene at 8:30 p. m. Friday, in Jones' stadium. This is the last scheduled tilt for the locals before they journey to Stamford for the Girls National Softball Congress State tournament slated there Aug. 7-12.

Haralson Will Command Legion Group During 1950-51; Installation In August
J. B. Haralson was named Commander of Williams-Puckett Post 161, local American Legion group, last Thursday night.

Joe Long Presents Minnesota Hogs To FFA "Pig Circle"
Patton Springs FFA club boys recently received two Minnesota Number 1 hybrid hogs as an additional part of their unique "pig circle."

Truckers Study Fleet Operation At Texas A. & M.
A group of fifteen young people and their sponsors from the First Baptist church who have been attending the Baptist Assembly at Ridgecrest, N. C. are due to arrive in Spur tomorrow night.

Co. Agent Reports Insect Situation In Dickens County
Leafworms are appearing in large numbers in many fields at this time. At present a large portion of these are in the pupa stage and the adults will emerge shortly and if weather conditions remain favorable these adults will deposit eggs on the leaves which will hatch into leafworms. It takes about two to three weeks to complete the cycle.

Services Held For Mrs. Lee Hindman
Funeral services for Mrs. Lee Dial Hindman, 59, a resident of Dickens county for forty years, were conducted at 3 p. m. Aug. 2, in the First Baptist church. C. Melvin Rathel was officiating pastor.

Mrs. L. A. Finch Dies, Burial At Crosbyton
Funeral services for Mrs. Maggie Finch, longtime resident of Crosbyton and mother of Mrs. F. A. Phifer of Spur, were held in the Crosbyton First Methodist church, July 29. Mrs. Finch died July 25 in Amarillo.

Services Held For Mrs. Lee Hindman
Funeral services for Mrs. Lee Dial Hindman, 59, a resident of Dickens county for forty years, were conducted at 3 p. m. Aug. 2, in the First Baptist church. C. Melvin Rathel was officiating pastor.

New Post Office To Be Built; Construction To Begin Soon

Work is scheduled to start immediately on the new Post Office building in Spur. Word was received this week that the bid of a group of local businessmen to construct the building on Engleman and Adams' lots on Burlington had been accepted. The bid calls for a contract with the U. S. Postal Department for a ten-year lease on the property.

New Stop Signs Erected In Spur
Local law enforcement officers state that local citizens should acquaint themselves with the newly installed stop signs in Spur.

Farmall, Lions Clash at 9:15 Tonight; Play-off Games To Be Scheduled
The die will be cast tonight to determine the winner of the second round of the City Softball League when the powerful Farmall team takes on the spirited Lions at 9:15.

Local Businesses Offered Opportunity For Govt. Contracts
The Spur Chamber of Commerce, Above the Spur Security Bank recently became one of the Cooperating Offices for the distribution of the consolidated synopsis lists of items currently being purchased by the Armed Forces and the General Service Administration of the Government.

LET'S FACE IT

BY DEWITT EMERY

This Korean thing has most people a whole lot more worried than they care to admit. They aren't worried because of what happened in Korea, but rather are deeply concerned over what may happen elsewhere. Russia definitely has the initiative and may break out any time in one or more of a half dozen spots.

It is not necessary, desirable or in any sense practical to conscript manpower or wealth. All history shows that free men outproduce slaves (a conscript is a slave with whom you like it or not) by a very, very wide margin. Also, the American people have never failed to over-subscribe every war bond offering made to them and they always will as long as they understand the need and are a free people.

Maybe some of you don't like the name "dictator" as applied to this country. I don't either. But if the War Powers Act as now drafted should be passed by Congress, it would conscript manpower and wealth, and if that wouldn't set the President up as an absolute dictator, you'll have to tell me what it would do.

It is not necessary, desirable or in any sense practical to conscript manpower or wealth. All history shows that free men outproduce slaves (a conscript is a slave with whom you like it or not) by a very, very wide margin. Also, the American people have never failed to over-subscribe every war bond offering made to them and they always will as long as they understand the need and are a free people.

The way then to fight an all-out-war, if that becomes necessary, is to increase taxes to freeze wages, salaries and prices at once and immediately put rationing of civilian goods and an allocation of materials into effect. Then put on the biggest and the best sales campaign the United States has ever seen to get everyone in the country to do his or her job better and faster than ever before and to buy bonds as they are offered.

This will get the job done quicker and much better than any other method. We'll retain our freedom and come out of it with our Republic intact. Whether you realize it or not, our American way of life is the greatest blessing ever bestowed on mankind anywhere on the face of God's earth.

are both necessary and desirable, all of which can be done without changing our government to a dictatorship.

I don't believe, for example, that when you chisel a man to a machine or a bench or for that matter behind the wheel of a truck that you'll get as much production or service from him as you would if he were a free agent. Yet that is exactly what conscripting manpower means.

Conscription of wealth means that the government takes whatever you have that it wants by simply telling you to turn it over. Due process of law and just compensation are all the way out the window.

Maybe some of you don't like the name "dictator" as applied to this country. I don't either. But if the War Powers Act as now drafted should be passed by Congress, it would conscript manpower and wealth, and if that wouldn't set the President up as an absolute dictator, you'll have to tell me what it would do.

World Labor Leaders Meet

Six leaders of labor take an informal time out from the General Conference of the International Labor Organization (I.L.O.), which met recently at Geneva. The Conference of I.L.O., a United Nations Specialized Agency, brings together representatives of labor, management and government from more than 50 countries. Shown here are (left to right) Syndolphe de Azevedo Figueira, of Brazil; John J. Moreschi, U.S.A., Building and Common Laborers' Union; J. H. Oldenbroek, the Netherlands, International Confederation of Trade Unions; Fernando Ibañez Aguila, Chile; George P. Delaney, U.S.A., American Federation of Labor; and Paul Finet, of Belgium.

Dry Lake Community News

Many Dry Lake farmers are beginning to slack up on their farm work as they are able to take long-wished-for vacations.

Mr. and Mrs. E. J. Lasseter left recently for an extended trip through California.

Mr. Hemer Hill and family made a business trip to Brownwood last Wednesday night and returned home Thursday.

The community meeting was a success last Wednesday night. Mr. Springer of the Highway Patrol addressed the group on safe driving pointers. Coy Dopson spoke on safety factors in the driving and caring for tractors and other farm machinery. Charles A. Taylor, county agent, showed a film on farm accidents and their prevention. This safety program was proclaimed the most interesting program this year. In August, the community meets will be on the third and fifth Wednesday nights.

Mr. E. J. Lasseter's youngest daughter and family are moving to Spur to make their home.

Mrs. Ivy McMahon and son Billy Joe and friends are spending several days vacationing in New Mexico and Colorado.

Mrs. Coy Dopson has as house-guests her aunt and sister from south Texas.

Mrs. Ethel Ballard and Billy Ray visited relatives in Haskell county last week.

The ladies of Dry Lake community want to welcome the new home demonstration agent, Mrs. Harriette Hatcher, and will try their best to show by their club-work their appreciation.

by Mrs. Jack Gordon

The Texas Tech Foundation will soon publish an illustrated brochure, "Your Share in the Future," to help Texans know more about the state's third-largest public-supported institution of higher learning.

A capacity crowd of 25,000 recently attended a concert by the Texas Tech glee club at the Lion's club international convention at Chicago.

The expansion program at Texas Technological College is geared to equip the campus for an enrollment of 12,000 students in 1960.

The Texas Tech Red Raiders will meet five Southwest conference opponents. The Border conference foes and the University of Tulsa in their 1950 gridiron schedule.

Mr. and Mrs. Clyde Rogers and children, Colleen and Burris of California are visiting in the home of Mr. and Mrs. B. Rogers this week.

Mr. and Mrs. Gene Eoberts and son Wayne, are vacationing in Modesto, Calif. They will spend about two weeks.

Chapel Service Unites Louise Hicks and Kenneth Street in Kerrville

Miss Louise Hicks of Lubbock, daughter of Rev. and Mrs. A. L. Hicks of Kerrville became the bride of Kenneth Willow Street, son of Mr. and Mrs. K. W. Street of Dickens in a service read at 3:30 p. m., July 31, in the chapel of the Veterans' Hospital at Kerrville.

The single ring ceremony was performed by the bride's father. The service was read before an altar banked with white gladioli, daffodils and calladium. White tapers were lighted in wrought-iron candlesticks in the background.

Mrs. J. C. Colley, Kerrville, played wedding selections which included "At Dawning," "Tis You," "Ah! Sweet Mystery of Life," "Salut d'Amour," "Lord's Prayer" and "Always."

The bride wore a dress of powder blue crepe with lace bodice and crepe jacket. She wore navy accessories and a corsage of gardenias showered with pink asters. She carried a white linen handkerchief, a gift from her aunt, Mrs. Peyton Legg. For something old, she wore her mother's wedding band.

Assisting the bride as maid of honor was Miss Chichi Meadows, cousin of the groom. She was attired in brown linen with coffee brown accessories and wore a corsage of pink asters.

Carlton Douison of Dickens served the groom as best man.

A reception was held following the ceremony in the reception room adjoining the chapel. The bride's table was centered with a three tiered wedding cake topped with a miniature bridal couple.

Assisting the couple in receiving were Mrs. A. L. Hicks, mother of the bride, Mr. and Mrs. K. W. Street.

East Spur Club Has Forty-two Party

East Spur Home Demonstration club women entertained their husbands with a forty-two party in the home of Mr. and Mrs. Tang Smith last Thursday evening. Mrs. Harriette Hatcher, Dickens county's New home demonstration agent, was present for the entertainment.

After games were played, refreshments of ice cream with various fruit and nut toppings was served to Messrs. and Meses. Arner Watson, Lloyd Robertson, James Wright, Jack Ensey, Floyd Smith, Mrs. John Webb, Mrs. Hatcher, and the host and hostess.

Mr. and Mrs. Smith, co-hostesses of the party were Meses. Lloyd Robertson, John Webb and Russell Williams.

Next meeting of the East Spur club will be in the home of Mrs. Ensey Watson on Aug. 10, at which Mrs. Hatcher will be present.

Enseys Host Friends At Canasta Party

Mr. and Mrs. Jack Ensey were hosts to a group of friends when they entertained with a Canasta party last Saturday evening. The living room was decorated with bouquets of pastel petunias and other summer flowers.

After games of Canasta guests were served ice cream and cake. Those attending were Messrs. and Meses. John Webb, James Wright, Matthews Gruber, Billy Powell and the hosts, Mr. and Mrs. Ensey. Out-of-town guests were Mr. and Mrs. Homer Taft of the Lubbock Conservation service and Mr. and Mrs. Hugh Teggars, visitors from San Diego, California.

W. D. York Reunion Held in Spur Park

Children and friends of W. D. York met in Charles A. Jones Memorial park on July 30 to celebrate his ninety-second birthday. Those attending were: the guest of honor, W. D. York, a brother, I. S. York of Gonzales; four sisters, Mrs. Zannie Kuhn, Moulton, Mrs. T. G. Cherry, Spur, Mrs. R. J. Hairgrove, Spur and Mrs. Jane Crouch, San Marcos.

Mr. and Mrs. Morgan Stacy Fort Worth; Mr. and Mrs. John Stacy and son, Mr. and Mrs. Howard Farris and son, Killeen; Mr. and Mrs. D. D. Stacy and family, Lubbock; Mr. and Mrs. E. A. Brown, Croton; Earl Kuhn, Irving; Wayne Kuben, Moulton; Mr. and Mrs. Wint Botter, Alvin; Miss Charlene French, Tati, Mrs. C. J. Crouch, Mr. and Mrs. G. L. Palmer and children, Mrs. Winona Thomas, Houston; Mrs. Ida Miller Bangs, Mrs. Joe Sackwell Moulton; Mrs. Alma York, Spofford.

Mr. and Mrs. J. W. Brown and children, Mrs. B. T. Sullinger and son, Mrs. Neddie Brunson and sons, Mrs. J. H. Frederich, Mr. and Mrs. Emmet Hairgrove, all of Levelland; Mr. and Mrs. Will Stacy, Mr. and Mrs. Waymon Hill and family, Mr. and Mrs. T. M. Baker and family, Wichita Falls; Mr. and Mrs. Bert Cherry and family, Mrs. A. F. York, New Mexico; Mr. and Mrs. Bert Cherry and family, Mr. and Mrs. Raymond Kingston, Mr. and Mrs. R. H. Kingston and family, Shallowater.

Attending from Spur were Mr. and Mrs. A. B. Stuckey, Mr. and Mrs. Bill James, Mr. and Mrs. James Houston and son, Mrs. Ivy James and children, Bernard York, Mr. and Mrs. D. A. Stanley and family, Mr. and Mrs. Lloyd Hindman and son, Mr. and Mrs. Joe Draper, Mr. and Mrs. H. E. McGee, Mr. Will Leach, Mr. and Mrs. Dee Hairgrove and family, Mr. and Mrs. Wilburn Ball and son, Mr. and Mrs. Bobbie Grice and daughter, Mr. and Mrs. Marcus Copeland and family, Miss Eula Cherry, Mrs. D. C. McAtee, and Meses Patsy Hyatt and Jerlene Womack.

A reception followed the ceremony in the Russell home. Summer flowers decorated the receiving rooms and a two-tiered wedding cake and crystal punch bowl centered the lace-covered table.

Mrs. Ray Latham, twin sister of the groom, served punch, and Mrs. Clarence McCandless, another sister of the groom, served cake.

Among the guests were Mr. and Mrs. V. C. Sprayberry and Donna, and Glenn and Wallace Sprayberry, all of Dickens. The couple will be at home in Floydada after a short honeymoon. He is employed with the Wilson and Son Lumber company.

Couples Wed In Double Ceremony

Miss Margorie Ann McBride of Dickens and Truett Culler Shirley of Crosbyton and Miss Delores Winantia Mobley of Dickens, Edgar Wayne, Witt of Calgary were married in a double wedding ceremony read at 12 a. m., July 29.

Marriage vows were repeated in the home of Rev. Dock Love, Spur. The couples' parents and close friends attended the ceremony.

Mrs. Shirley wore a brown spot length dress with white and black accents, and Mrs. Witt was attired in a wine dress with black accessories.

Mrs. V. C. Gillison of Billings, Montana, was a recent guest in the home of her parents, Mr. and Mrs. C. H. McCully and a sister Mrs. C. D. Foreman.

Mr. and Mrs. Clark Morgan and children spent the past week end in New Mexico visiting Carlsbad Carvens.

Donald Snodgrass Is Lions Guest Speaker

In the regular Tuesday noon meeting of the Lions Club, Leon Huff, Secretary Manager of the Chamber of Commerce, made an interesting announcement of the plans being made concerning the new highway project to Post.

Van North, who was in charge of the program, introduced his guest speaker in keeping with the Creed of Lionsism by saying that Boy Scouts and Girl Scouts of all ages always had a place in the Lions Club.

Donald Snodgrass, local Boy Scout who attended the International Boys Scout Convention in Valley Forge, Pennsylvania, gave an interesting account of his trip. He pointed out some interesting facts such as: there were 47,500 scouts at this meeting; the next international meeting will be in Australia, and it will be 12 years before another convention will be held in the United States.

VFW Auxiliaries To Convene In Lorenzo

All Auxiliaries of District 7 Veterans of Foreign Wars will convene at 2 p. m., Aug. 6 in the VFW Home at Lorenzo.

Elective and appointive officers of each auxiliary are urged to attend this school of instruction. Auxiliaries in this district include Brownfield, Levelland, Lorenzo, Lubbock, Morton, Post, Seagraves, Sundown, Spur and Tahoka.

Miss Ollie Joyce Batchler of Lubbock was an overnight guest of her parents, Mr. and Mrs. J. E. Batchler, Spur, Miss Batchler, who will receive her degree from Texas Tech in August, is presently employed with a banking concern in Lubbock.

Junior Rodeo Opens Third Annual Show At Post On Aug. 9

The Southwestern Championship Junior Rodeo will open the gates for its third annual show on August 9 at 8 p. m. at Post, Texas. A gigantic street parade will precede this first performance at 6 p. m. The rodeo will continue through the 12th with a performance each night at 8 p. m. and a Saturday afternoon matinee at 2 p. m.

Bill Elliott, western movie star, is guest star of the rodeo and more than two hundred junior cowboys and cowgirls from all over the southwest will be competing for the top honors of the junior rodeo world and more than \$3,000 in prizes.

Guest Mayo of Petrolia, Texas is furnishing the stock for the show. Nat Fleming of Wichita Falls is the announcer. Dale Wunders of Earth is clown. Ted and Betty Lamb of Dallas are trick riders and trick ropers for the rodeo. Sonny Brackley and his "Flying Saucers" of Dublin will present a Roman style riding act. Floyd Tillman, western recording star, will appear at the show on the last day.

Events in the rodeo are: Boy's calf roping, girl's calf roping, hat race, ribbon roping, cutting horse contest, bull riding, bareback bronc riding, and girl's barrel race. The rodeo is open to any boy or girl who is nineteen or under.

A special matched roping between Mrs. Jerry Duesch of Van Court, Texas, the 1949 champion calf roping of the Girls Rodeo Association, and Helen Hightower, top junior cowgirl calf roping of the southwest, will be the highlight of a Thursday afternoon, August 10th show. This will not be a complete rodeo performance however. On the following afternoon, August 11th, there will be a match between Jack Love, a top C. A. roping of Amarillo, and Bob Thompson, state champion

County Wings Over Savings Bond Quota

Dickens county was one of 103 counties in Texas that exceeded their quotas in the recent Independence Savings Bonds Drive. W. T. Andrews, county Savings Bonds chairman, announced today after receiving final sales figures from Nathan Adams, state chairman.

Sales in this county were \$34,931.25, or 120.45 percent of the \$29,000 quota.

The Independence Drive was held May 15-July 4, with sales through July 17 being counted toward the quota.

Total sales in Texas for the drive were \$25,383,274.75, or 105.37 percent of the state's \$24,088,000 quota. The goal was reached and exceeded during the last week of the drive, with a final burst of bond buying accounting for over \$7,000,000 in sales.

You and the people of your county can be proud of your record in this drive," Mr. Adams told Andrews. "By exceeding their quota they have helped the state preserve an unblemished record of always going over the top in bond drives. At the same time the people of your community have added substantially to their savings and, consequently, to their personal financial security."

"Hardware trouble" in cows often shows up a short time after calving.

**4400 FARMERS KILLED
300,000 INJURED**

DON'T "CULTIVATE" ACCIDENTS ON YOUR FARM

A field half plowed—a furrow left unturned—work stopped by accident!

To the farmer, working against time and weather, delay can mean the difference between a crop and no crop, a good year or a lean one. So accidents have no place in his schedule; they cost money, delay production—and the growing season keeps rolling along.

Yet, farming ranks third most hazardous in eight major industries. Think of it, while the death rate for all industry is 29 per 100,000 workers, in agriculture it is 55 per 100,000! One farmer in every 15 is injured on the job! Total—4400 killed, 300,000 disabled by injury every year.

The wise farmer knows where his hazards are—and avoids them. Falls, machinery and animals account for most accidents down on the farm. Their annual cost—\$75,000,000. Yet, they're so easy to prevent. Just a little caution is all it takes.

Don't "cultivate" accidents and losses! Instead, "cultivate" safety and success!

Prepared in co-operation with the President's Conference on Industrial Safety and contributed to the public interest by

"Ole' Sarge," Recruiting Service Columnist, Reports Latest Enlistment Changes

(Editor's Note: "Ole' Sarge," a weekly column prepared and released by the U. S. Army & Air Force Recruiting District, will be carried weekly in The Texas Spur during the present military emergency to keep the public informed with the latest recruiting data.)

In view of the present Korean situation, a number of changes have been made by the Recruiting Service, which will be of interest to former servicemen and young men who have been considering a military career.

The Air Force has been authorized a troop basis increase and the Recruiting Service has been asked to assist by the enlistment of former Air Force personnel with technical qualifications, who are not members of the Air Force Reserve. These enlist-

ments will be in the temporary grade equivalent to the grade held at time of discharge. Although complete regulations governing this type of reenlistment have not been received, the Recruiting Service has announced that this type of enlistment is expected to get under way in the very near future.

The Department of the Army has announced an immediate call for enlisted reservists to volunteer for extended active duty for a minimum period of one year or for such longer period as may be required. Reservists will be recalled in their reserve grade.

The reservists most urgently needed include radar, radio, tank, and anti-aircraft-artillery mechanics; engineer heavy equipment operators; cryptographic technicians; and engineer construction specialists. The preceding specialties are only a portion of the total skills required.

Individuals with dependents must have attained grade E-4 (Cpl) or higher in order to be acceptable and all individuals must meet current physical standards.

All enlisted reservists are encouraged to make application for recall through their reserve unit instructors, who are being furnished detailed lists of the exact military occupational specialties needed.

A revolutionary recall program for a limited number of reserve officers will be announced shortly. Medical Corps officers of the Re-

Frozen Peaches Are Best When Packed During Eating Stage

Freezing is one of the newer methods being used for preserving peaches, and when properly done is very satisfactory. Several factors are involved in the selection and preparation of the fruit and in the freezing process that must be given careful attention.

The best varieties for freezing are Elberta, Hiley, J. H. Hale, Hale Haven and Frank. The peaches to be frozen should have reached the choice eating stage. This means firm, evenly ripened fruit of good quality.

After the peaches have been selected, they should be carefully washed and peeled. They should be treated to prevent discoloration and there are several products available for doing this job.

Ascorbic acid, vitamin C, is one of them. It is available in powdered and tablet form and one end a quarter of the 100 milligram tablets should be used for each pint of fruit or one-half teaspoon of the powdered ascorbic acid for each quart of syrup. The ascorbic acid should be dissolved in the syrup before it is poured over the fruit.

Citric acid is also recommended for preventing discoloration. Dissolve one-fourth of a teaspoon of citric acid in one quart of cool water and leave the fruit in the solution only 15 or 20 minutes, then remove, place in containers and cover with a sugar syrup.

Following are the essential steps in freezing peaches. Select fresh firm and ripe peaches. Wash them well, peel and remove the seed and halve or slice. Then treat to prevent discoloration. Package the fruit in the containers for freezing and cover with sugar syrup. The syrup can be made by dissolving three cups of sugar in one quart of water or dry sugar may be preferred to the syrup.

Next, place crushed waxed paper or cellophane on top of the peaches to keep them under the syrup. Seal the containers and quickly freeze immediately.

Band Class

Registration for private lessons and instrumental classes will begin at 9 a. m. Monday, August 7, at High School Band Hall.

In addition to lessons will be full band rehearsals, working, supervised swimming and picnicing.

State Cash Income Has Seasonal Drop

June farm cash income in Texas was substantially below seasonal expectations, despite a small gain over the previous month, the University of Texas Bureau of Business Research reported.

After adjustment for seasonal variation, the Bureau's index of farm cash income dropped from 276 in May to 218 in June (1935-39-100). The June 1949 index stood at 341.

Texas farmers received an estimated \$87,867,000 in June, or 35 per cent less than in June 1949. With the exception of livestock, marketing of all farm products was smaller in June than in the same month a year ago.

Cattle sales amounted to \$21,125,000 in June, the greatest source of farm income for five consecutive months. Wheat accounted for \$19,356,050 in June, reflecting heavier movements. Wool sales totaled \$12,265,000. All of farm products decreased in revenue from the previous month.

June income was considerably above the May level in East Texas Timber Plains (120 per cent), Western Cross Timbers (93 per cent), Black and Grand Prairies (63 per cent), Red Bed Plains (59 per cent), and Edwards Plateau (27 per cent).

On the other hand, May-to-June declines in farm income for

7 of the 12 crop-reporting districts ranged from 4 per cent in the Edwards Plateau to 71 per cent in the Lower Rio Grande Valley.

In comparison with June 1949 figures, all crop-reporting districts shared in the general decline in June.

Northern High Plains recorded the biggest reduction in farm cash income in June from the comparative level of last year—78 per cent. Red Bed Plains had a 51-per cent drop, and income fell 42 per cent. Red Bed Plains had a 51-per cent drop and fell 42 per cent in the Black and Grand Prairies; 40 per cent in the Southern Texas Prairies; and 39 per cent in the South Texas Plains.

For the first half of 1950, farm cash income was running 6 per cent behind the comparable period of 1949, with only four crop-reporting districts surpassing their year-earlier totals. Southern High Plains scored a 33-per-cent increase, and Edwards Plateau showed a 15-per-cent rise. Income for the first six months of the current year was 7 and 3 per cent above a year ago in the Lower Rio Grande Valley and the Trans-Pecos districts, respectively.

Prompt Dental Care Urged For Children

"Now is an excellent time for school children of all ages to make a trip to their dentist's office," Dr. Geo. W. Cox, State Health Officer, reminds Texas parents. Since progress is influenced by the pupil's health, which is in turn affected by mouth conditions, it is wise to visit the dentist during the summer vacation and obtain any needed treatment before school starts.

"It is dangerous to assume that there is no need for dental attention simply because a child does not complain of a tooth ache or the parent does not notice any cavities. Only careful examination by a dentist can justify such a conclusion."

REMSEY THANKS TEXAS VOTERS

BEN RAMSEY, run-off candidate for Lieutenant Governor, thanked Texas voters this week for the vote they gave him in the July 22 primary election. Ramsey, shown here in his San Augustine law office, said his heart was "filled with humble gratitude," and asked his supporters to continue the fight and elect him Lieutenant Governor in the Aug. 26 second primary. Ramsey is the only experienced candidate in the race.

Flag for Unified Headquarters

A United Nations flag, already a veteran of U.N. field missions, is given to Ambassador Warren Austin of the USA (left) by U.N. Secretary General Trygve Lie (center) for use over the headquarters of the USA's General of the Army Douglas MacArthur, commander-in-Chief of the United Nations Command in Korea, in Seoul. Looking on is Ambassador Arne Sunde of Norway, Security Council President for July. The blue-and-white flag was formerly used by U.N. military observers and the U.N. Mediator in Palestine.

RANCH STYLE

This chic lass takes a cue from the cowboys and wears a Western style kerchief at her neck. Her dress and matching kerchief are created from sheer swayer gingham in neat checks by Galey and Lord. Gingham is more popular for cool summer wear than any other fabric according to National Cotton Council fashion experts.

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B₁, B₆, Iron and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago. "That is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says, "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I had had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

HADACOL Can Help You, Too! as it has helped thousands of others whose systems lacked Vitamins B₁, B₆, Iron and Niacin. Yes, 6000 hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

Make Up Your Mind to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL either the trial size, 15¢, or the large size, 50¢, and if HADACOL does not help you your money will be returned.

first time are particularly in need of dental attention. Usually they are at the age when the first four permanent teeth, the sixth year molars, appear. Because these erupt before the shedding of any baby teeth, they are often mistaken for baby teeth. Since these are important teeth they should receive early and regular attention by the family dentist.

"Postponement of a visit to the dentist may result in pain and discomfort for the child later on. To avoid such suffering and to prevent the development of conditions that may require more extensive dental services at a later date, parents are strongly urged to take their children to the dentist for an examination now. Prompt action will allow time to complete any needed correction before school opens."

Insurance Figures Highest Since War

Texas families owned 7,590,000 life insurance policies, totaling \$8,250,000,000, at the start of this year, a new record high of such protection, the Institute of Life Insurance reports. This represents an average of \$3,800 per family in this state, compared with \$2,800 per family at the start of 1949. Total life insurance owned in the state at the start of 1943 was \$4,936,178,000.

These years since the end of the war have seen a tremendous development of life insurance ownership," Holgar J. Johnson, Institute president, commented. "This is a striking demonstration of the thrift-mindedness of American families and of their reliance on the 'do-it-yourself' philosophy of financial security achieved through individual initiative. Through life insurance, they are providing not only for their own future, but as the money they put into life insurance is invested, for the future growth of the nation's production."

Of the total life insurance owned in this state on January 1, \$5,330,000,000 was in 2,430,000 ordinary life insurance policies, which are generally for amounts of \$1,000 or more each and are paid for annually, semi-annually, quarterly or monthly. Purchases of this type of life insurance during 1949 in this state amounted to \$827,249,900.

An additional \$1,260,000,000 was owned at the start of this year.

Mr. Link Robinson, 519 Lindsey, is the most content and satisfied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he is on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B, B₁₂, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was, I couldn't eat. I had gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL, and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I am not nervous anymore, either. Best of all, I haven't got those terrific gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

year in 4,240,000 industrial insurance policies, generally issued in small units and with weekly or monthly premiums usually collected at the door. And \$1,660,000,000 was in group life insurance, represented by 920,000 individual certificates.

Nationwide, life insurance ownership was at a record \$214,350,000,000 at the start of the year, under an aggregate of 193,420,000 policies. This was a rise of \$68,300,000,000 in the past five years and brought average ownership per family in the U. S. to \$5,000.

These family ownership figures varied widely from state to state, with a high of \$8,000 and a low of \$1,700. District of Columbia families led the nation in life insurance ownership per family, with \$8,000. New York was second with \$7,300 and Connecticut and Delaware tied for third with \$7,100. In aggregate ownership, New York families led with \$31,330,000,000. Pennsylvania was second and Illinois third.

JAYTON CHILD BURNED
Janell Murdoch, small daughter of Mr. and Mrs. Truman Murdoch of Jayton, is hospitalized in the

Top o' Texas Rodeo To Feature H. S. U. Band.

The Hardin-Simmons University Cowboy band will be in Pampa August 9 for its fourth consecutive annual performance for the Top o' Texas Rodeo and Horse Show August 8-12.

The band is in the midst of a busy month of public performances which include performing for the Monahans Rodeo and the XIT Roundup. Later the band will accompany the Texas Veterans of Foreign Wars to its national encampment at Chicago.

The versatile organization, which can give concert programs, has probably played more music for bucking broncs and rarin' brahm bulls than any other musical organization.

as appearing in this country from coast to coast. The colorful organization has gained wide recognition for its unusual showmanship while marching and the colorful uniforms which consist of levis, gold shirts, boots and spurs, big white stetsons, and brass-studded, bat-winged chaps.

Texas Traffic More Deadly Each Year

Traffic accidents in Texas are killing about one-third more people than they did last year, according to Colonel Homer Garrison, Jr., director of the Texas department of public safety.

"If this rate continues," Colonel Garrison said, "there will be 2,500 lives lost in traffic accidents during 1950 and that will be 540 more than were killed during the year 1949."

During the past twelve years the highest toll for the month of

Charming Doris Day, Warner Bros. star, looks as sweet as the sugar she is known for. She is dressed in a lovely navy blue dress with touches of white. The bolero is in matching white and she is wearing a white hat with a black band.

United Nations Radio documentary feature on atomic energy, entitled "Year of Decision," will be heard over many radio stations all over the world. The program features excerpts from U.N. meetings and includes statements on atomic armaments race and the future use of atomic energy by such authorities as Albert Einstein, whose voice is heard; David Lilienthal; J. Robert Oppenheimer; and Robert M. Hutchins. Movie actor John Garfield (left) and U.N. Radio personnel are shown here recording the program.

May was in 1947 when 160 were killed. A preliminary figure for May 1950 is 202 deaths and complete reports for that month will push the total to 225.

Speed is the number one killer, Garrison warned, in that it claims one out of every three traffic deaths. Somehow we must impress upon drivers that when they have an accident while driving at excessive speed the resulting impact is more than bodies will stand.

In order to reduce such mass slaughter, the Highway Patrol division has received instructions to curb speeding on rural highways where traffic accidents have increased 24 percent.

Cool and Comfortable

Wear it, pack it, wash it, enjoy it — here's a dress that will go anywhere, anytime, always looking like a million! The fabric is a smooth spun rayon made of Avicore rayon yarns that will hold its shape and resist wrinkling, even in the hottest weather. It has the good-wearing qualities which are characteristic of spun rayons, and it looks like a fine handkerchief linen. It washes like a dream, too. For fun on washing all kinds of rayon fabrics, send for the free leaflet, "How To Wash Rayons." To receive your free copy, send a self-addressed stamped envelope to the Women's Editor of this newspaper.

John Milton helped make England and England also helped make Samuel helped make Israel, at some other stage in history, might have lived and died a country priest.

Let no man think himself self-made; not even a great man. Without the God who endows him with his gifts, without the times that call forth the gifts, even the most gifted shrink to little or nothing.

Many-Gifted Man
Lesson for July 23, 1950

IF A MAN can do one thing well, he can usually find his place in the world. Life being as short as it is, and the possibility of misfits being what it is, it may also be fair to say that many a man who does one thing well could have done something else better, if he had not done the one thing he did so well.

Such persons are rare, and far above the average. Ordinary men take such a long time becoming experts in one line that they simply don't have time in their lives to be expert at other things too. But there are geniuses with many sides, or perhaps men gifted with many talents plus an extraordinary capacity for hard work.

In our times there is Albert Schweitzer, outstanding not only as a scholar but as a musician, doctor and missionary. The President of Harvard at the present time is a noted chemist as well as a distinguished executive. Robert E. Lee was a brilliant soldier who also, as an educator, left his mark on his native state to this day. Leonardo was a diplomat and philosopher; but this was by no means all. He served his generation in other ways as well.

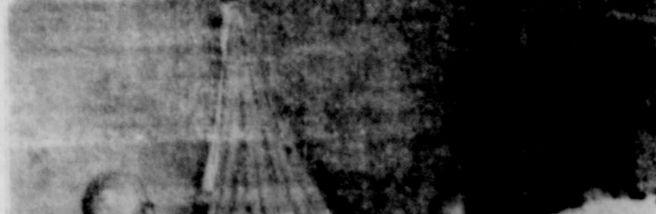

He was the chief conceive of the people, king without the title. Though possessed of dictatorial powers, when during a wave of popularity he resigned, and he was called to produce one single case of dishonesty or graft, none was brought against him.

He was a circuit judge, going from one city to another dispensing justice. He acted as a priest, indeed as the high priest of his people. We know of one occasion when he led his people in battle, and he was as successful as if war had always been his business. He was a king-maker, for God entrusted to him twice the delicate mission of selecting Israel's king.

imes and the Man
"Two thoughts strike one who reads the story of Samuel. One is the way his great and many-sided powers were used for public service. Put into modern terms, he could have made a fortune if he had "stuck to private practice" and used his talents for himself. But at no time and in no way did Samuel work for Samuel. He worked for God and his country, and he died a poor but honored man.

One of the greatest needs of the nation today is men of Samuel's caliber, high-threshold men. We have plenty of small-caliber bureaucrats, and we have plenty of large-caliber men who are quite selfish. How few unselfish large-caliber men there are! The other thought is that the times and the man go together. A man's greatness comes in large part from his opportunities.

resources and equipment with the right. The City reserves the right to reject any or all bids. Plans are on file at the office of the City Clerk, Spur, Texas. Hasie and Green, Engineering Office in Lubbock or Texas Contractors' Publication Office. Plans and specifications may be obtained at the office of Hasie and Green Engineering Company, P. O. Box 1139, Lubbock, Texas, upon a deposit of twenty five dollars (\$25.00) which will be refunded to each actual bidder upon return of the plans and specifications. Fifteen dollars (\$15.00) will be refunded to non-bidders upon return of the documents. Proposals are available without charge.

CITY OF SPUR.
By NED HOGAN, Mayor. 41-4tc

Mr. and Mrs. George Winstead and family have recently moved to Coleman. Mr. Winstead is employed by the Safeway company and has been transferred from the Spur store to the Coleman store.

A cut in mail deliveries to one day has his bright side, too—we'll only get those bills and advertisements half as often as before.

A youth in a Delaware town stole an auto "just for a joke." Police found him in a ditch with the joke on him.

Glacier National Park in Montana covers 1534 square miles; its length is about 45 miles.

Based on the same per ounce rate for the currently styled woman's bathing suit, a man's overcoat would cost about \$4.960.

Drama in the Sun

One of the best looking of this summer's new play fashions is this one-piece suit topped by a smock-type jacket. The suit is styled along Grecian lines with a graceful pleated skirt and handsome wide leather belt. The coat has a Peter-pan collar and loose, smart lines. The fabric is a butcher-lyne weave in Avicore spun rayon which wears and wears.
