Chamber of Commerce Doings: Spur Chamber Hosts Broadway-Big Bend Highway Delegation At Luncheon Friday

The Broadways to Big Bend Highway association will meet in Spur tomorrow, June 8, and the Spur Chamber of Commerce will be host for the meeting and will serve luncheon to the visiting delegation. Senator Kilmer B. Corbin will be the principal speaker, with several other speakers expressing their views on this extensive highway project that will reach from the Big Bend country of Texas to Oklahoma City, Oklahoma.

The Chamber of Commerce is expecting approximately 30 guests for the meeting. The list will include Senator Kilmer B. Corbin, President of Big Bend association, Charles W. Roberts, secretary, and the members of the Board of directors of the association. There will be chamber of commerce managers, county judges, and county commissioners from Dawson, Garza, and Dickens counties present to discuss the highway project. There will be several local guests present including Mayor Ned Hogan, Dr. W. F. Patrick, Joe Long, George Link, Jr., T. T. Kizer, Dr. M. H. Brannen, C. A. Proctor, and the Chamber of Commerce Board of Directors, J. D. McCain, president; George Gabriel, vice-president; Fike Godfrey, finance; Lester Garner, Coy McMahan, W. T. Andrews, Bob Blackshear, Lawis Lee, E. E. Caudle, D. J. Dyess and O. L. Kelly. This meeting is being held preparatory for a hearing with the Texas State highway officials in Austin the latter part of June.

Jim Moreau, price specialist from the Lubbock district office, will be in Spur at 8 a. m., Wednesday, June 13, to further assist in

Old Timer Recalls First News Office

John Tallant, one of the original 10 subscribers to the first Texas Spur newspaper ever published, is visiting in Spur this week. Tallant, who worked cattle over much of the territory on which Spur is now located, recalls that the late Oran McClure was publisher of the paper, known then by its present name, The Texas Spur.

Tallant now resides in Wewoka, Okla., where he has lived for the past 21 years. He remembered the site of the first newspaper office in south Spur, but upon his arrival the sun tanned veteran of World War I was unable to locate it.

He is a brother of Mrs. Jesse Hagins of the Gilpin community, whom he had not visited since 1932.

Area Servicemen Complete Training

Two Dickens county servicemen have completed basic training with the U. S. armed forces, and will be assigned for more training in specialized work in their branches of service.

Pvt. Loyd Randolph Pritchett, 19, son of Mr. and Mrs. Dan Pritchett of Spur has completed his AF basic armor indoctrination course at Lackland Air Force base, San Antonio.

Pfc. Donald A. Green, son of Mr. and Mrs. A. H. Green of Dickens, recently completed his recruit training at the Marine Corps Recruit Depot, San Diego, Calif. He will be transferred to one of the duty stations where Marines are serving throughout the world, or be assigned to a specialist school for technical training.

Danish Hospital Ship Serves with UN in Korea

Denmark's contribution to the United Nations effort in Korea is the fully manned hospital ship "Jutulandia" formerly a passenger liner on the North Atlantic run. The ship, now in Korean waters caring for U.N. wounded personnel, has space for 300 patients and its staff of medical and administrative volunteers numbers one hundred. Here, Commodore Kai Hammerich, commander of the Danish ship (left), discusses his work with Admiral Sohn of the Korean Navy.

Baptist V. B. S. Plans Picnic For Friday

The Vacation Bible School being held at the First Baptist Church this week and through next Wednesday, June 13, has enrolled 145 children, according to J. Malcolm Edwards, director of the school.

Classes are being conducted in missionary activities, memory work, story telling and, expression activities. A school bus leaves the American Legion hall at 8 a. m. daily, and returns to the church via the Experiment station and West Harris street, for the convenience of children and parents. Another bus leaves the Baptist Mission church on the East highway at 8:15 a. m., and reaches the church via the Garner store and East Second street. Any child who lives along these routes is urged to ride either of the busses to the school.

The school picnic is being planned for 11:00 a. m. Friday and will be held in the Swenson Park. Superintendents of the various departments are: Mrs. Grady Lackey, Beginners; Mrs. C. Melvin Rathel, Primary; Mrs. C. P. Scudder, Juniors; and Mrs. Lester English, Intermediates.

Commencement exercises for the school will be held at the church next Wednesday night, states Edwards.

J. H. Hemphill Rites Read At Dickens

Funeral services for Jim Hartford Hemphill, 61, Dickens county farmer who died May 30, were held at 5 p. m., June 1, in the Dickens Church of Christ.

C. V. Allen conducted the services, and interment was in Dickens cemetery. Hemphill suffered a heart attack at his home in the Highway community. He was born Nov. 4, 1890, in Red Rock, Texas. Following his marriage to Edna Davis at Brady in 1911, the couple came to Dickens county in 1918.

Survivors include his wife, Mrs. Edna Hemphill, three sons, Billy Jack and Tommie of Matador, and J. E. of Spur; five daughters, Mrs. Ila Daniel, Fort Worth; Mrs. Elva Clay, DuMont; Mrs. Odal Iovern, Hialeah, Florida; Mrs. Lois Garrett, El Paso, and Mrs. Glyn Smith, Monahan.

Two sisters, Mrs. Jack Stinson and Mrs. Jack Beavers, both of Paducah, also survive, and 15 grand children and one great grandchild.

Chandler Funeral home directed all arrangements.

4-H CLUB ACTIVITIES SLATED FOR SUMMER

All persons interested in girls' 4-H clubwork in the Spur area are urged to contact Mrs. Jack Gordon, of route 1, Spur, for information and program plans for summer activities. Mrs. Gordon is adult chairman for 4-H clubwork in Dickens county.

Legion Team To Play Independent

The American Legion Junior baseball team and its managers C. B. Chandler and Guy Karr decided at their regular practice Wednesday, June 6, to play as an independent team this season and not enter the American Legion league.

Chandler explains that this decision was made because of the youth of the team and the older, more experienced teams competing in the national league. "We've got some fine material and the makings of a fine club," states Chandler, "but many of our boys are two or three years younger than boys of other teams. For this reason, we decided to schedule games with teams more our size and wait until next year to compete with the larger teams."

The team will remain under the sponsorship of the Spur American Legion and will play other American Legion teams when games can be scheduled. Chandler states that the boys will not be certified under the American Legion regulations so that more than 16 boys can be placed on the roster. The team will, however, comply to other American Legion rules.

Working out at the different

Marcy, Taylor Win City Golf Flights

Homer Marcy and Chales Taylor won the first and second flights respectively in the City Golf Tournament with the winner of the championship flight yet to be determined.

Frank Graham has a spot in the championship finals after receiving a win by default from Fred Kinney who is recovering from burns received recently. He will be opposed for the championship by the winner between H. S. Holly and Ralph Mills.

Marcy won the first flight with a win over T. C. Ensey. He beat Loyd Womack in the semi-finals and Ensey beat E. H. Carpenter. Consolation honors were taken by "Big Boy" Reynolds with a victory over Lee Snodgrass.

In the second flight Taylor defeated Tang Smith. They had defeated L. W. Wilson and T. C. Johnston respectively in the semi-finals. Red Hurst beat Frank Watson in the consolation finals.

Two matches remain unplayed in the championship consolation bracket. Clint Crawford victor over N. A. Chastain, will play the winner of the Lawis Lee-D. E. Corley match for the consolation championship.

Start Doing Your Part

Right now you can start doing your part in the national emergency. One way you can help yourself and your country is to buy U. S. Defense Bonds where you work or where you bank.

Defeat Inflation

You can help defeat the home front's most dangerous enemy—inflation—by buying U. S. Defense Bonds until the national emergency, will help make a better future for yourself and for your country.

Band Boosters Open Membership Drive; Will Sponsor Buying of Uniforms As Project

Spur Band Boosters organization opened its membership drive Monday night in the initial fund raising campaign of the newly formed group held in the East Ward auditorium. A 100 percent record was set when each person present paid the membership fee of \$1, enabling him to become a member of the first band boosting organization of its kind in Spur.

Persons wishing to become a member or who would like to contribute the fee, may pay to the membership committee, composed of Fred Neaves, Raymond Higginbotham, Frank Watson, Mrs. Clyde Horn and Mrs. Leon Reagan. Mrs. Jack Recker, chairman of the constitution and by-laws committee, presented a constitution and by-laws which the organization approved.

For a better understanding of the working plan of the Band Boosters, we present several of the articles and by-laws as prescribed by the organization:

CONSTITUTION
Article I Name
This organization shall be known as the Spur Band Boosters Organization, and shall consist of

positions now are: Chester Lindsey, catcher; Steve Dobbs and Loyd Womack, pitchers; Franklin Gabriel and Bobby George, first base; Sammy Caudle, second base, Curtis Blair, third base; Lawrence Cook, short stop; and fielders Ronny Ensey, Billy Watson, Charles Culbert, Alvin Williams and Kenneth Harris.

THRILLS OF 1951 COWBOY JUBILEE—Pictured above are action shots of the 1951 Cowboy Jubilee held in Spur May 29 through June 2.

Upper left pictures the Spur High School Band leading last Wednesday's big down-town parade. The band is directed by Melvin King with Myra Ratliff acting as drum major. The high school cowboys and cowgirls, attired in their western regalia, led both the Wednesday and Saturday parades.

Rev. Alfred P. Ahlman, new Methodist circuit preacher, delivered his first sermon in the Foreman Chapel church Sunday with a good attendance.

REV A. P. AHLMAN IS NEW METHODIST CIRCUIT PASTOR

Rev. Alfred P. Ahlman, new Methodist circuit preacher, delivered his first sermon in the Foreman Chapel church Sunday with a good attendance.

Rev. Ahlman's schedule for this quarter will be first Sundays, Foreman Chapel; second and third Sundays, Dickens, and fourth Sundays, Duck Creek.

Mr. and Mrs. C. W. Harbin and son of Cypress, Texas, were guests at the church, for her brother's initial sermon. Bro. Ahlman and his mother will reside at the parsonage in Spur.

ARCHITECTS TO SUBMIT HOSPITAL PLANS SOON

Word was received this week by the City of Spur Commission that initial plans for the City of Spur Hospital will be ready for submission and discussion "around the middle of June" according to James Cowan, city manager.

The architects are expected in Spur on or about June 15 with tentative plans and drawings for the consideration of the commission and the Hospital committee.

Standings

TEAM	D	W	L	Pct.
V. F. W.	5	4	1	.800
City Drug	5	4	1	.800
Fireboys	5	3	2	.600
H-MCA	5	3	2	.600
Proctor's	6	3	3	.500
"66"	4	0	4	.000
Baptists	4	0	4	.000

Remaining first-round schedule Thursday, June 7—Hoover-McAteer vs Baptist Brotherhood, City Drug vs Phillips "66".

Tuesday, June 12—V. F. W. vs Fireboys.

The make-up game between the Baptist Brotherhood and Phillips "66" which was rained out early in the season, is tentatively being scheduled as the second game next Tuesday night.

Champions Crowned During Final Jubilee Performance

Lower right shows a cowboy matching his balance, finesse and luck against the twisting antics of a wild bull. In this particular instance, the cowboy won.

On the right, one of Goat Mayo's wildest and meanest bucking broncs tries to shed one of the best cowboys in West Texas. The free stirrup indicates that probably the cowboy didn't wait for the whistle before getting off.

Champion of the Old-Timers roping contest was G. W. Rogers of Girard. Dick Sampson of Claremont placed second in this event.

City Drug Defeats Fireboys; Share Lead With V. F. W.

City Drug rallied in the sixth and seventh innings Tuesday night to defeat the Fireboys 13-9 in the top game of the week in Tuesday night's opener. Proctor's trimmed Hoover-McAteer 11-4.

The City Drug win placed them in a tie with the V. F. W. for the lead in the City Softball league with a 4-1 win record.

Winless Phillips "66" will strive to better their plight tonight against the strong City Drug team, but seem unlikely to upset Jerry Ensey's boys. The V. F. W. will meet the scrappy Fireboys next Tuesday night and must win to stay with City Drug.

Proctor's win over Hoover-McAteer did not help their standing in the league but forced Buddy Hoover's team into a two-way tie with the Fireboys for third place with a 3-2 win record. Proctor's win did, however, keep last year's champions in the running for a spot in the play-off scheduled for the end of the season.

In Tuesday night's opener Jay Austin pitched all the way for Proctor's and received credit for the win. Jerry Price was losing pitcher.

J. B. Haralson pitched for City Drug against the Fireboys and strengthened toward the waning minutes to hold the Fireboys scoreless for two innings while his teammates ran nine runs across in three innings. Due to recent burns received by the Fireboys regular pitcher, Fred Kinney, their manager, Ernest McNutt imported Ken Hicks from Jayton for mound duties.

Tuesday, June 26—City Drug vs Baptist Brotherhood. Fireboys vs Proctor's.

Thursday, June 28—V. F. W. vs Proctor's. Hoover-McAteer vs Phillips "66".

Tuesday, July 3—Hoover-McAteer vs City Drug. Baptist Brotherhood vs Phillips "66".

Thursday, July 5—V. F. W. vs Baptist Brotherhood. City Drug vs Proctor's.

Tuesday, July 10—V. F. W. vs Phillips "66". Hoover-McAteer vs Fireboys.

Thursday, July 12—City Drug vs Fireboys. Proctor's vs Hoover-McAteer.

Tuesday, July 17—Phillips "66" vs City Drug. Baptist Brotherhood vs Hoover-McAteer.

Thursday, July 19—Fireboys vs V. F. W.

Rain, Casualties Mar Rodeo's Big Year

After three cloudless, sun-washed days of performing in the Spur rodeo arena, cowboys hit the mud in Saturday night's final go-round of the 1951 Spur Cowboy Jubilee.

Rain dampened the final show, forcing many of the estimated 1,500 spectators to retreat to cars to watch the final performance.

Five casualties resulted from the rodeo, more than a usual number for the local event. Larry Wright of Jayton, Rocky Bird of Spur, C. B. Leach of Abilene, Hal Courtney and Billy Thomas of Matador were reported to have various injuries ranging from a broken nose to a head concussion. None were extremely serious.

Grand Champion roper of the entire show was J. Oxford of Haskell. The champion calf roper was Willis Brunson of Crosbyton. For their expert prowess with a lairai both were awarded hand tooled saddles donated to the Spur Rodeo association by W. C. Boles, interested cattleman from Mt. Enterprise, Texas. Champion, double-mugger was Rube Smith of O'Donnell, also awarded a tooled saddle.

Champion of the Old-Timers roping contest was G. W. Rogers of Girard. Dick Sampson of Claremont placed second in this event.

Porter Myers from the 6666 Ranch, Guthrie, riding "Farmer," won the cutting horse contest. Second was George Humphries of the 6866 Ranch who rode "Red Alec," and third was Rome Rogers of Claremont who rode "Socks."

Grand champion cowgirl of girls' barrel racing was Mary K. Bradley of Electra. Doris Hart was named Dickens county champion cowgirl; and placing second in the main event. Third was Sadie Smith of Gail, fourth was June Hassell of Childress, and fifth was Maxine Harbin of Eastland.

Final results of the second go-round—a combination of Friday and Saturday shows—were:

Double Mugging—Glen McWhorter, 13 seconds; J. Oxford, 15.2; Jack Peek, 16.7; and Rube Smith, 16.6.

Calf roping—Jack Peek, 11.6; Dee Burris, 12.3; Lassiter Forrest, 12.9; and Alvis Townley, 13.1.

Bull Riding—Don McDonald, Jimmy Moore, Bob Jackson and Bill Kerley.

Saddle Bronc Riding—John Farris, Tommy Riley and Jimmy Beck.

Bareback Bronc Riding—John Farris and Bill Ivy tied for first and second; Jimmy Moore and Don McDonald tied for third and fourth.

A parade, held at 6 p. m. Saturday through Spur featured the Spur High school band followed by approximately 100 cowboys on horses. The parade included small girls on large horses, a buckboard and for contrast, late model cars.

The rodeo judges were Johnny Koonsman, Bob McAteer, Bill Rucker, Slim Mettler and Bill Myers. All have been connected with the Spur rodeo for several years.

President of the rodeo association is J. E. Swenson, while Martin Pope is chairman of rodeo events and A. B. Smith is arena director.

The stock was furnished by Goat Mayo of Petrolia.

Dickens County 4-H Club Girls Hold Annual Dress Judging And Revue May 19

Seven classes of cotton dresses represented by 50 garments were modeled by Dickens county 4-H club girls in their annual dress judging and revue held May 19 in the high school gym. The garments were modeled in the East Ward auditorium the same night.

Judges for the county-wide show were Miss Thelma Wirges, home demonstration agent of Haskell county, and Mrs. Cecil R. Peacock, Baylor county HD agent. Slide films of the 1950 state dress revue were shown by Mrs. Harriette Hatcher, Dickens county HD agent. Special guests were mothers of the club girls and area HD clubwomen.

Winners in Class I, which included dress-up dresses made by fifth and sixth graders were Cleta Nell Allen, McAdoo, first; Josie Cyperl, McAdoo, second; June Merritt, McAdoo; Marlan Marcy, Spur; Sharon English, Spur; Patsy Nell Williams, Patton Springs, Lane Ligon, Patton Springs; Louise Williamson, Spur; Rosanne Bohannon, McAdoo; Anna Stanley, Spur; Yvonne Nichols, Patton Springs; Barbara Parnell, Spur; Janell Gage, Patton Springs; Charlene Ambrewster, Spur; Barbara Gregory, Spur. Winners of Class III, play dresses, were also fifth and sixth grade students. They were Rita See 4-H CLUB GIBLO Page 8

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles. We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving. So we know how you feel, and we'd like to help you make your dreams come true. We'd like you to discover how fine a fine car can be. We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics. We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale. But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS. One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflo Drive, which is, incidentally, one of the many features included in the price. We try to hold down our enthusiasm in talking about this masterful beauty. We might claim—you'll find more room—more comfort—

more luxury—a smoother ride—more conveniences—more thrill in a ROADMASTER than in any other car in the fine-car field. But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own. And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe. Equipment, accessories, trim and models are subject to change without notice.

Texas Wildlife Does Prosperous Income

Wildlife furnishes not only recreation and food for a considerable number of people of Texas, but also an income of more than \$2,000,000 yearly to landowners for hunting and fishing leases, while the pelts taken by hunters and trappers of furbearers amounts to several millions more. The wildlife population of the land is perhaps more thoroughly safeguarded and more widely distributed today than at any time in recent years. In 1950, for example, 996 deer, 160 antelope and 557 other wild species were shifted

for restocking game preserves in other adapted areas. Inland fish resources stem from about 150,000 ponds on farms, 1,049 lakes of five acres or larger with a combined water area of 362,000 acres, and 2,000 miles of fresh water streams. Preservation and propagation of species of animal and bird life in Texas is attributed in substantial measure to the demonstrations in conservation which the A. & M. College Extension Service has sponsored in cooperation with land owners for the past decade and a half. The Extension program is headed by R. E. Callender, wildlife conservation specialist, working as an assistant-at-large to county

DESIGN FOR LIVING . . . Civil defense head, Millard Caldwell, shows setup for action in atomic attack on a city.

course of this work 13 county wide 4-H Club conservation camps were held and 298 communities were represented at county, district, or state camps. A total of 3,800 4-H members received training in marksmanship and these youths accounted for 6,594 predators by different means in 1950. In the same period, 1,002 club members produced 28,657 rabbits for meat or breeding, while over the state 124 community cooperative game management associations were active. The variety of Texas' wildlife is diverse and several species are plentiful. The Extension specialist lists 32 game and fur bearing animals extant, and 11 species of

Extension agents who deal directly with the people. In this capacity Callender prepares subject matter for demonstrations in their districts. In addition, he cooperates with Federal, State and local organizations concerned directly, or in association with phases of wildlife. Selections from achievements in 1950 reported by county agricultural agents reveal substantial to excellent wildlife programs in 212 counties; 13,500 persons cooperated in 2,089 demonstration areas representing 14,631,000 acres, and 37,000 protective signs or markers were posted on property of cooperating land owners. The Extension specialist estimates that since the Extension program was commenced 14 years ago, more than 125,000 such markers have been erected at a cost of about \$73,000 to cooperators. Other, but related, activities included 9,761 farmers assisted with specific improvements for wildlife 118,407 farm ponds constructed by co-operators; 6,233 farm ponds stocked with fish; and more than 38,000 predatory species trapped or destroyed by other means during the year. A wildlife conservation demonstration program for members of 4-H clubs, with 11,034 enrolled, was conducted by the Extension specialist in association with county agricultural agents parallel with that for adults. In the

native and migratory fowls and birds. But some animals have dwindled to mere traces. Bighorn sheep, for example, are found sparingly in two Texas counties; black bears in three, and ocelot in a like number. The specialist emphasizes that while protection is largely dependent upon available food and shelter and closed seasons mean little where food and cover are lacking. The harvesting of game as a crop is encouraged and such is preferable to long-time closed seasons except when seed stock is at stake or a species is approaching extinction. The State 4-H Roundup and Extension Conference will be held at A. & M. College the week of June 25-29. Last year's income from hunting and fishing leases in Texas, exceeded \$2 million and the sale of furs added several millions more to the wildlife income of the state.

Spur Clubwomen Attend Annual Convention Of GFWC May 13-19 In Houston

Mrs. O. M. McGinty and Mrs. Wallace Hinson attended as delegates the 60th annual convention of General Federation of Women's clubs held May 13-19 in Houston.

Other members of local women's clubs who attended the meeting of the international organization were Mmes. P. C. Nichols, B. F. Hale, James B. Reid, Roy Stovall and Cliff Bird.

Highlights of the 5 day convention program were addresses by major military and political figures and well known feminine leaders from the fields of literature, diplomacy and clubwork.

Headquarters for the occasion was the fabulous Shamrock hotel, where the hundreds of clubwomen gathered—35 of whom were foreign delegates.

On the roster of speakers were Allan Shivers, governor of Texas; Mrs. Hiram Cole Houghton, president of the GFWC; Kathleen Norris, noted author and lecturer; Dr. Kenneth McFarland, superintendent of Topeka, Kansas, schools; Hon. Walter H. Judd, Minnesota congressman; Mrs. John L. Whitehurst of Baltimore; Bourke B. Hickenlooper, Iowa senator; Dr. Luther Evans, librarian of the Library of Congress, Washington, D. C.; and Mrs. Perle Mesta U. S. Minister to Luxembourg, who flew from her foreign post for the convention.

An outstanding feature of the

program was a national defense forum, headed by Nelson Rockefeller. Also on the forum was Hon. Millard F. Caldwell, representing Gen. Omar N. Bradley who was unable to be present.

Special musical programs were presented by operative talent from Texas Christian University, the Singing Cadets of Texas A. & M. College, Melody Maids from Beaumont, and the A Capella Choir from Howard-Payne college, Brownwood.

Arlene Wilson Is June Bride-Elect

Mr. and Mrs. L. S. Wilson have the honor of announcing the approaching marriage of their daughter, Arlene, to Mr. Billy Wyatt, son of Mr. and Mrs. Bill Wyatt of Spur.

The service will be read at 8:30 o'clock in the evening, June 21, in the home of the bride-elect's parents, 705 West Harris Street.

HOLLYS HAVE GUESTS

Mrs. Ed Lisenby and her granddaughter, Barbara Shone, of Washington, D. C., visited in the home of Mr. and Mrs. Harvey Holly and Mrs. George Lisenby this week. Other weekend guests in the Holly home were Mr. and Mrs. Harvey Giddens of Odessa, Mr. and Mrs. E. T. Holly and son of Austin, Mr. and Mrs. E. D. Barnes and Mr. and Mrs. Mark Kouns of Abilene. Mmes. Giddens, Barnes and Kouns are sisters of Mrs. Holly and Lisenby.

Methodist Youth Attend Conference

Representatives of the local Methodist Youth Fellowship are in Abilene this week where they will attend sessions of the Northwest Texas MYF conference being held on the McMurry college campus.

Attending are Lawrence Cook, Barbara Sharp, Betty Sue Dyess and Beverly Wood. Approximately 400 young people are expected to attend the meet. The group will return Saturday.

Bible Lesson Is Taught Bagby Circle

First Baptist church Bagby circle met in the home of Miss Jennie Shields Monday morning.

Mrs. Roscoe McCombs taught the Bible lesson, preceded by a prayer.

Attending were Mmes. T. J. Seale, Sallie Shockley, Cole, Morris, McCombs and Miss Shields.

Gregory-McAnally Vows Read May 20

Miss Lulu Lee Gregory of Dallas and Dan Gray McAnally of Dallas were married in a double ring ceremony May 20, in the Quana First Methodist church with Rev. Wayne Cook, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Sam Gregory of Quana, and a niece of Mrs. Alonzo Lollar of Spur. She attended North Texas State Teachers college and has been employed by Sun Oil company in Dallas the past four years. The bridegroom is the son of Mr. and Mrs. H. B. McAnally, Sr., of Bonham. He is a Texas A. & M. graduate and is employed with a Dallas engineering firm.

Church decorations for the ceremony were centered at the altar where masses of palms and white gladioli formed the background. White gardenias covered an arch, and white cathedral tapers were lighted.

The bride chose a gown of white Chantilly lace in a lover's knot pattern, finished with a deep V-neckline and a tiny scalloped roll collar. The fitted bodice fell to a princess line down the skirt front, and bouffant gathers formed the back of the skirt, sweeping into a fan shaped train. Her fingertip length veil was caught to a crown lace bonnet. Her bridal bouquet was of white gardenias and stephanotis, centered with a white orchid and banked with white maline.

Miss Mary Fern Gregory of Dallas attended her sister, wearing a white lace dress with overskirt of white net dipping in graduated lengths. Her bouquet was of green gardenias.

Following a reception the couple left for a wedding trip to New Orleans. The bride wore away a pale blue linen suit with matching hat and accessories of navy. The couple will live in Dallas.

4-H Head Reports On Tractor Program

Nearly 180,000 volunteer local 4-H Club leaders and members in 47 states have received training in the 4-H Tractor Maintenance program since its inception in 1945. This was announced by Kenneth H. Anderson, associate director, National Committee on Boys and Girls Club Work, at a recent regional conference in New Orleans.

The conference was attended by forty Extension Service representatives from Alabama, Arkansas, Louisiana, New Mexico, Mississippi, Oklahoma, Tennessee and Texas. They included state club leaders and agricultural engineers, and U. S. Department of Agriculture officials. Also personnel of the Pan-Am Southern Corporation and Stanolind Oil and Gas Company, sponsors of the 4-H Tractor Maintenance program in the eight state area.

"In the eight states represented at the meeting," Anderson said, "enrollment of 4-H Club members in the Tractor Maintenance program has tripled between 1945 and 1950. From the very first, the program was set up on the basis of training volunteer 4-H leaders, and learning by doing. The program was designed to provide an opportunity for 4-H members to keep pace with power farming by acquiring tractor and other mechanical skills. It is a program of tractor care—not repair, conducted under the direction of the Cooperative Extension Service."

Ann Hull To Wed David Haines Here

Mr. A. C. Hull announces the engagement of his daughter Ann, to Mr. David Haines, son of Mr. and Mrs. P. G. Haines of College Station.

The wedding will be solemnized on June 23 in the First Baptist church, Spur.

The bride-elect is a graduate of Stephens college in Missouri, and attended Texas university. Mr. Haines is a graduate of Texas A. & M.

Sue Beth Legg Is Bride of Soldier In Lubbock Church Ceremony, June 1

Announcement has been made of the marriage of Miss Sue Beth Legg, daughter of Mr. and Mrs. J. P. Legg of Lubbock and Billy J. Gafford, son of Mr. and Mrs. Truman Gafford of Lubbock on June 1.

The ceremony was read at 8 o'clock in the College Avenue Baptist church, Lubbock, with Rev. Abe Hester, Jr., officiating. The double ring service was read before an altar banked with baskets of gladioli, with a background of greenery and candleabra.

The bride and her family are former residents of Spur.

Following a prelude of wedding music, the bride entered in a gown of white satin. A nylon lace yoke topped the fitted bodice, and a peplum of nylon lace encircled the waist fastened in back with tiny pearl buttons. Long sleeves were pointed over the hands and edged with nylon lace. The skirt was fashioned with a train. Her fingertip veil of illusion was attached to a headdress of seed pearls and rhinestones. She carried a bouquet of white roses centered with a camellia and tied with white satin ribbon.

Miss Lucille Legg, sister of the bride, attended as maid of honor, and Mrs. W. B. McLeroy of Leveland, sister of the groom, as brides matron. Miss Legg wore a dress of pink net over pink satin and carried a bouquet of white carnations tied with pink ribbons. Mrs. McLeroy wore a dress of pale pink net over Nile green satin and carried a bouquet of white carnations tied with green ribbons.

The uncle of the bridegroom, Jack Grant, was best man. Ushers were James Johnson and Pvt. Alton Bazelle of Fort Hood Eugene Legg, cousin of the bride from Afton, was ring bearer, and Marsha Hilton of Littlefield was flower girl.

Reception Held

After the ceremony a reception was held at the church Mothers of the couple assisted in receiving guests from Spur, Amarillo, Dalhart, Hereford, Lamesa, Afton, Smyer, Littlefield, Woodrow, Tulia and Hobbs, N. M.

For a wedding trip to Ruidoso, the bride wore a dusty rose redin-

ote dress with white accessories and corsage. She is a graduate of Spur High school, and is employed in Lubbock. Pvt. Gafford, a graduate of Frenship High school, is stationed at Fort Hood, and will report for overseas duty. Mrs. Gafford will reside with her parents.

Putman-Thomason Betrothal Announced

Mr. and Mrs. Kelsey Putman announce the engagement and approaching marriage of their daughter, Ina Kay, to Derrell Thomason, son of Mr. and Mrs. Earl Thomason.

The wedding will be solemnized June 10.

Care Urged When Handling Poisons

Recently a new insecticide highly poisonous not only for insects but also for man and animals has become available commercially said Dr. Geo. W. Cox, State Health Officer. It is known under the trade name of "Parathion" and has proven quite effective for certain agricultural uses.

Because of its extremely high toxicity it would be desirable if its use could be restricted to a few individuals who could make a business of applying it and educate and equip themselves so as to insure the maximum of safety. In Texas and a number of other states, however, there are no laws making such restricted use possible. Therefore, a brief statement of warning is being offered.

Parathion in the pure state is a brownish liquid with a high boiling point and a peculiar odor. It mixes but slightly with water, but is completely soluble in alcohol, acetone and certain other similar solvents. Under factory conditions it is usually mixed with a powder such as talc or bentonite as a carrier and appears on the market as a powder which has

absorbed the parathion. "Its toxic effect may result from breathing the dust, as a result of swallowing contaminated substances, or by absorption through the skin. The latter may be indirect absorption such as contaminated clothing.

Safe use is dependent on the use of precautionary measures so as to prevent contact. The user should seriously study and observe these precautions. The user should also be alert for symptoms of poisoning so that a physician may be in attendance without delay should he be needed. Atropine, a potent medicine has been mentioned as an antidote. It should be borne in mind that this is another poison about as dangerous, if improperly used, as is parathion. It should only be used under competent medical direction.

"We Own Our Own At Home"

GOOD HEALTH

I CAN COLDS BE FATAL?

1. IS TB INCREASING IN THE U.S.?

2. IS SALT BAD FOR YOU?

Answer to Question No. 1: 1. Not directly, or by themselves. An untreated or unchecked cold may lead to such serious illnesses as pneumonia, pleurisy, tonsillitis and other infections of the upper respiratory tract. Even if it does not cause complications it must be remembered that the longer a cold hangs on, the more susceptible the body becomes to more serious illnesses.

Answer to Question No. 2: 2. No. Although statistics show an increase in the number of cases of tuberculosis reported in the U.S., the figures are misleading because case-finding methods have improved so that more cases are now discovered, especially in the early stages when cure is relatively easier and quicker. Whereas five years ago only 2,000,000 chest X-rays a year were taken (outside the armed forces), seven times that many were taken in 1949.

Answer to Question No. 3: 3. There is little harm in using average amounts of salt. In certain kidney and heart diseases your doctor will reduce your salt allowance. Salt in the system helps retain fluids. Contrary to popular belief, it does not make the bones brittle or arteries hard.

(Copyright 1951 by Health Information Foundation)

Dry Lake Community News

Mrs. Coy Dopson, who underwent surgery at Crosbyton hospital two weeks ago is recovering at her home. We hope she will be able to join us soon.

Mr and Mrs. E. J. Lasseter made a pleasure trip recently to East Texas. While there they attended the high school graduation exercises of her nephew.

Mrs. George Ballard of Rochester has been visiting this week with Mrs. Ethel Ballard and boys

and Mr. and Mrs. Buck Ballard. Friends and relatives gathered at the home of Mrs. Ethel Ballard on May 29 for an old fashioned quilting party. The guests brought covered dishes for luncheon, and completed a quilt for Mrs. George Ballard, a visitor in the Ballard

home. During the afternoon, the ladies ironed for the Coy Dopson family, because Mrs. Dopson is not able yet to do her housework. Attending were Meses. Sallie Shockley, Dell Merriman, and W. F. Foreman of Spur, Jeff Smith, Kenneth Coursey, Ola Miller, B. F. Saxon, Bob Pickens, Ivy McMahan, Paul Hotchoco, Buck Ballard, Jack Gordon, of Dry Lake, and the honor guest from Rochester, Mrs. George Ballard.

Approximately 80 persons attended our last community meeting, a great success. Paul Marion of the Spur Experiment station showed slides and gave an interesting discussion on cotton. The next meeting will be on Wednesday night, June 13. Dr. J. F. Hughes of Spur will give a program on health. The meetings are open to everyone, and we urge every resident of our community to take part.

Mr. and Mrs. Raymond Gordon and children of Lubbock spent several days last week with the Jack Gordon family.

Faydell and Billie Muri Gordon are visiting in Lockney this week with relatives.

By Mrs. Jack Gordon

V. A. Loan Program Will Close June 30

World War II veterans planning to apply for direct home and farm loans from the Veterans Administration are reminded by the VA that the Direct Loan Program ends by law on June 30, 1951.

VA states it would scarcely be possible in most instances to process applications before the June 30 deadline that are received by the VA Regional Office after June 15.

The Housing Act of 1950 authorized VA to make direct loans up to \$10,000 at four per cent interest to World War II veterans with which to buy or build a home, or to build or improve a farmhouse. The Act stipulated that VA was to make these direct loans in those areas of the country where the regular GI Loans were not available from private lenders. The Law further required VA to designate the areas as eligible for direct loans.

Since the program got under way last summer, more than 2,600 counties or parts of counties in the United States have been designated as eligible for direct

loans. An estimated 5,000,000 World War II veterans live in these designated areas.

As of May 10, about \$90,000,000 of the \$150,000,000 authorized for the program had been disbursed or reserved under pending applications for direct loans to veterans.

While the Direct Government Loan Program ends June 30, 1951, the regular GI Loan Program does not expire until July 25, 1957. Both programs are subject to the same minimum down payments imposed by the credit controls announced October 12, 1950.

Taxes on Texas farm and ranch real estate in 1950 varied from an average of five cent per acre for the Trans-Pecos area to \$3.41 per acre in the lower Rio Grande Valley.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

Do What You Fear To Do

AT ONE TIME John Stemle, Jasper, Ind., was afraid to spend the night on the river unless he had a companion and left a carbide lamp burning all night. Not that the companion had to be a fighter; he just had to be there. Not that a little light was so much protection; it could work the other way around.

It was necessary for him to take these river trips in order to attract the attention of a manufacturer for the mass production of a boat he had designed. The questions most frequently asked by the man whom he would encounter in a two dollar rowboat, or in a \$30,000 cruiser, was "Aren't you afraid at night? What do you do with yourself?"

Carnegie

Yes, he was afraid. And he searched for things to do in a pup tent on a dark, rainy night on a Mississippi sandbar. Sound is multiplied when you are lying with your ear to the ground. A fox or a coon coming down to the river sounds like a bear crashing through the underbrush. A fish comes looking pretty harmless by day, but at night the sounds it makes are horrible and terrifying. There's another little bird, no bigger than your finger, that emits a blood-curdling, mournful scream. Hearing those notes made John afraid to go beyond the bounds of his tent. When they occur, one after the other, and sometimes several in unison, there are just two things you can do: (1) Bury your head under a blanket and let your imagination run wild. (2) Open your flap tent and go out and discover from where the noise emanates. The latter is the one and only thing to do, for the moment you discover the source of the sounds, you no longer fear them.

"Conquering that fear of noise at night," says John Stemle, "taught me to conquer other fears. For instance, when anything bothers me to the point of fright, I simply search for the origin! or if it is mental, for the cause. Then when I have done that, fear dissipates into thin air."

This is just one more example of applying the advice: "Do what you fear to do, and your fear will no longer exist."

Careful Handling of Insecticides Stressed

The battle with bugs is now underway. As the fight becomes more intense, there often develops a tendency among the human fighters to become careless. Any relaxation of proper handling and methods of application of many of the commonly used insecticides can result in injury or even death, say the Extension entomologists of Texas A. & M. College, to the careless handler.

They point out that insecticides kept in the house should be stored only in a closed metal container. When insecticides that are classed as dangerous are being mixed or applied, the handler is urged to wear a respirator and avoid dust drift of spray mist. The clothing worn when dangerous materials are being handled should be removed and washed before being worn again.

They advise anyone to consult a doctor immediately if any degree of illness is noted during or after applying one of the dangerous type insecticides. All fruits and vegetables that have been treated with insect poisons should be washed thoroughly before they are eaten. Applications of organic insecticides such as DDT should not be made within two weeks

YOUR brain budget

1. In which of these was oil painting invented: (a) Prussia, (b) Flanders, (c) Florence, (d) France?
2. Which of these was brought to Salome on a platter: (a) an olive branch, (b) the Holy Grail, (c) head of John the Baptist, (d) news of Marathon?
3. Which of these states is named for its dry climate: (a) Arizona, (b) Nevada, (c) Colorado?
4. Which of these rode a talking ass: (a) Balaam, (b) Barney Google, (c) Don Quixote?

Answers: 1. (a) Prussia, (b) Flanders, (c) Florence, (d) France. 2. (c) Head of John the Baptist. 3. (a) Arizona. 4. (a) Balaam.

Materials that are highly flammable should not be stored in place where there is a fire hazard. When sprays are used in the house or barn, the specialists caution against getting any of the material in dishes, utensils and drinking or feeding troughs. Insecticides stored in barns or other farm buildings should always be clearly labeled poison.

The specialists suggest that you check your local county extension agent regarding the toxicity of any particular insecticide.

The month of June will be observed on a nationwide basis as Dairy Month. The observance is sponsored by the entire dairy industry.

Texas dairy producers in 1950 produced approximately four billion pounds of milk that was valued at \$200 million.

Livestock that is forced to fight off flies during the summer months cannot be expected to make the greatest possible gains and monetary returns to their owners. These insect pests can be successfully controlled and doing so will mean money to the producer.

It's a paying proposition to handle all insecticides carefully, off flies during the summer months recommendations of the manufacturer in handling, mixing, applying and storing the "bug killing" materials on the farm.

State Highway Patrol Has Vacancies

Homer Garrison, Jr., Director of The Texas Department of Public Safety, announced today that applications are being accepted to fill vacancies in the Texas Highway Patrol.

Able-bodied young Texas men who are interested in becoming Texas Highway Patrolmen are requested to contact the nearest District Headquarters for application blanks or write directly to Chief W. J. Elliott, Texas Highway Patrol, at Austin.

Applicants must be between the ages of 21 and 35 years, inclusive; at least 5 feet 8 inches in height, without shoes; and must weigh not less than two pounds or more than three and one-half pounds per inch of height. They must be of excellent moral character, physically able to pass a rigid examination; and must possess a high school education or its equivalent. In addition, they must successfully withstand an exhaustive field investigation; and must have been a resident of Texas for at least one year prior to filing of the application.

According to Garrison, applications will be received and handled until July 10, 1951, at which time the application list will be closed.

Highway Patrol District Offices are located at Austin, Dallas, Abilene, Beaumont, Amarillo, Lubbock, Pecos, San Angelo, San Antonio, Corpus Christi, Houston, Tyler, Harlingen, Fort Worth, and Waco.

Hot summer days won't melt the crisp, out-of-the-handbox look of this blonde beauty. She is wearing a fresh cotton frock with Dan River's wrinkle-shed finish. The checked cotton frock has a boat neckline trimmed with snowy pique applique that repeats the white of her jaunty cuffs.

Texas Wildlife Does Prosperous Income

Wildlife furnishes not only recreation and food for a considerable number of people of Texas, but also an income of more than \$2,000,000 yearly to landowners for hunting and fishing leases, while the pelts taken by hunters and trappers of furbearers amounts to several millions more. The wildlife population of the land is perhaps more thoroughly safeguarded and more widely distributed today than at any time in recent years. In 1950, for example, 998 deer, 160 antelope and 357 other wild species were shifted

for restocking game preserves in other adapted areas. Inland fish resources stem from about 150,000 ponds on farms, 1,049 lakes of five acres or larger with a combined water area of 362,000 acres, and 2,000 miles of fresh water streams. Preservation and propagation of species of animal and bird life in Texas is attributed in substantial measure to the demonstrations in conservation which the A. & M. College Extension Service has sponsored in cooperation with land owners for the past decade and a half. The Extension program is headed by R. E. Callender, wildlife conservation specialist, working as an assistant-at-large to county

DESIGN FOR LIVING . . . Civil defense head, Millard Caldwell, shows setup for action in atomic attack on a city.

Extension agents who deal directly with the people. In this capacity Callender prepares subject matter for demonstrations in their

districts. In addition, he cooperates with Federal, State and local organizations concerned directly, or in association with phases of wildlife.

COTTON QUIZ

WHAT IS THE SAFEST FABRIC FOR DOCTORS AND NURSES' CLOTHING?

COTTON! IN THE OPERATING ROOM, STATIC ELECTRICITY GENERATED WHEN FABRICS MADE OF SYNTHETIC FIBERS RUB AGAINST EACH OTHER MAY CAUSE CERTAIN ANESTHETICS TO EXPLODE VIOLENTLY!

Selections from achievements in 1950 reported by county agricultural agents reveal substantial to excellent wildlife programs in 212 counties; 13,500 persons cooperated in 2,089 demonstration areas representing 14,631,000 acres, and 37,000 protective signs or markers were posted on property of cooperating land owners. The Extension specialist estimates that since the Extension program was commenced 14 years ago, more than 125,000 such markers have been erected at a cost of about \$73,000 to cooperators. Other, but related, activities included 9,761 farmers assisted with specific improvements for wildlife; 18,407 farm ponds constructed by co-operators; 6,233 farm ponds stocked with fish; and more than 38,000 predatory species trapped or destroyed by other means during the year.

A wildlife conservation demonstration program for members of 4-H clubs, with 11,034 enrolled, was conducted by the Extension specialist in association with county agricultural agents parallel with that for adults. In the

course of this work 13 county wide 4-H Club conservation camps were held and 298 communities were represented at county, district, or state camps. A total of 3,800 4-H members received training in marksmanship and these youths accounted for 6,594 predators by different means in 1950. In the same period, 1,002 club members produced 28,657 rabbits for meat or breeding, while over the state 124 community cooperative game management associations were active.

The variety of Texas' wildlife is diverse and several species are plentiful. The Extension specialist lists 32 game and fur bearing animals extant, and 11 species of

SORORITY BUYS IRON LUNG—Epsilon Sigma Alpha sorority bought this iron lung to initiate its new state polo educational and patient services. Mrs. Edna Dougherty, Austin, new state president, (left) inspects the machine with Miss Jeanne Kaplan, Texas City, (center) and Mrs. R. O. Pearson, Abilene, Texas director of women's activities for the National Foundation for Infantile Paralysis.

native and migratory fowls and birds. But some animals have dwindled to mere traces. Bighorn sheep, for example, are found sparingly in two Texas counties; black bears in three, and ocelot in a like number.

The specialist emphasizes that while protection is largely dependent upon available food and shelter and closed seasons mean little where food and cover are lacking. The harvesting of game as a crop is encouraged and such is preferable to long-time closed seasons except when seed stock is at stake or a species is approaching extinction.

The State 4-H Roundup and Extension Conference will be held at A. & M. College the week of June 25-29.

Last year's income from hunting and fishing leases in Texas, exceeded \$2 million and the sale of furs added several millions more to the wildlife income of the state.

Mr. and Mrs. Ted R. Brannen of Austin visited this week in the home of his mother, Mrs. J. H. Bowman. Both are teachers in the

persons working for themselves in their own trade or business, or as partners in such enterprises.

"If you are self-employed and derive as much as \$400 in net profit from your business or business in any taxable year after Dec. 31, 1950, your Social Security coverage is compulsory by law," Mr. Hutton said.

He also pointed out that the only exception are income derived from practice as a physician, lawyer, dentist, osteopath, chiropractor, optometrist, naturopath, veterinarian, architect, CPA licensed, registered or full-time practicing public accountant, Christian Science practitioner, professional engineer or funeral director.

report themselves with the employees. This income must be reported annually on income-tax form 1040 Schedule G, especially revised for this purpose. The first such report is due March 15, 1952, covering self-employment income for the taxable year 1951.

Payable along with the report is self-employment Social Security tax. This tax is 2 1/4 per cent of the first \$3,600 net business profit. For business partners, the tax is levied on the first \$3,600 of the distributive share of the partnership net profits, whether or not the profits are distributed.

A representative of the Social Security Administration will be in Spur at the Post Office on Thursday, June 14, at 9:30 A. M. and

will be glad to assist anyone in matters pertaining to Social Security.

Texas Releases Its Lowet Draft Quota

A July draft quota of 367 men for Texas was received May 3, from national headquarters, Brigadier General Paul L. Wakefield, state Selective Service director, announced.

This is the state's share of a national quota of 15,000, announced several days ago from Washington. The Texas quota is the

smallest monthly quota received since beginning of the conflict in Korea.

Local board quotas for the July call are presently unavailable at state headquarters. Quotas will be sent to local boards sometime after June 15, according to present plans at state draft headquarters.

The July call brings the Texas total of men called for since the beginning of the United Nations fight in Korea to 27,207. During the same period, the entire nation has been called upon to furnish 565,000 men.

At the same time he made this announcement, the state Selective Service director passed on some advice to college students.

Students who plan to request deferment to continue their studies should immediately after the close of their current academic year.

"To get deferment consideration from local boards," General Wakefield said, "student registrants have to request it. Taking the college qualification test or ranking high in their classes won't assure consideration for deferment unless they ask for it in writing."

The Selective Service college test is an examination to demonstrate high educational aptitude. It is estimated that 400,000 college students have registered for these tests. An estimated 175,000 already have taken it.

Failure to furnish information showing intention to request deferment, in some cases, may result in a student's being inducted into service at the end of the 30-day postponement period commencing at the end of the current academic year, the state director said.

General Wakefield said responsibility rests upon a draft registrant to supply his local board with any information affecting his draft status.

Tech Slates Games With "Bowl" Champs

Two "bowl" champions are on the ten-game schedule Texas Tech's Red Raiders face this fall Presidential Cup game, and West Texas State. Sun Bowl titlist, head the cup. The Red Raiders engage three Southwest Conference schools, four fellow Border Conference members, two Missouri Valley teams, and a Sky-Line Seven entrant.

To prepare the Red Raiders for this slate, Tech has hired practically an entire new coaching staff. DeWitt T. Weaver is head coach. Formerly associate coach at Tulsa University, he was All-Southeast Conference guard for the University of Tennessee.

Assistant coaches are W. A. (Babe) Wood, former teammate of Weaver's, more recently assistant at Wake Forest; Jack Mitchell, Oklahoma University. All-American quarterback, Tulsa assistant last year; Wyatt Posey, ex-Georgia star, line coach at Yale last year; Wade Walker, Oklahoma's All-American tackle, who was North Carolina assistant; and Bobby Goad, All-Big Seven end at Oklahoma, who coached Chickasha (Okla.) High School last season.

Polk Robison, head basketball coach, will also continue to be chief scout. George Scott, last year's freshman coach, is trainer. Texas Tech's schedule—West Texas State, Sept. 22, here; Texas A. & M. Sept. 29, Dallas; University of Houston, Oct. 6, Houston; Texas Christian University, Oct. 13, here; Baylor University,

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION

The State of Texas County of Dickens.

WHEREAS, by virtue of an order of sale issued out of the District Court of Dickens County, Texas, on a judgment rendered in said court on the 17th day of May A. D. 1951, in favor of the said O. W. Young and against the said Ola Mildredge Blanton, No. 2148 on the Docket of said Court, I did, on the 4th day of

June A. D. 1951, at 11 o'clock A. M. levy on the following described real estate described in said order of sale and in said judgment, as follows, to-wit:

Being all of Lot No. 1, in Block No. 5, of the Freeman Addition to the town of Spur, in Dickens County, Texas, as shown by the map or plot of said town now on file in the office of the County clerk of said Dickens County, Texas, belonging to said Ola Mildredge Blanton;

And on the 3rd day of July A. D. 1951, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the court house door of said county I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Ola Mildredge Blanton in and to said property

Dated at Dickens, this 4th day of June, A. D. 1951.

C. C. KIMMEL, Sheriff of Dickens County, Texas. Anna Ruth Speer, Deputy 33-3tc.

MR. D.A.'s CRIME CALENDAR

JUNE is the Month for...

TEEN-AGE TROUBLE: The end of the school term signals a fresh outburst in juvenile delinquency. With school out—watch out! The new-found freedom from the restrictions and regulations of the classroom creates wild urges in our youngsters. Anything from runaways to car thieves to gas station stick-up men are in the making. Especially if they have no place to go and nothing to do, the temptation to break the law for the thrill involved is an impulse hard to subdue. Those term-end parties, we find, start the surge, and delinquency is evident from the time school is dismissed clear through the summer.

BIGAMY: It follows that June, essentially the month of brides, is also the month of bigamists. The whirlwind romance and quick trip to the altar can have their heart-breaking aftermaths. About the only suggestion we could have is to get to know more about your mate-to-be. A little head-work keeps the heart happy.

ONE-ARM BANDITS: This is not a man; it's a machine. Right about now, with vacationists checking their resort lists, these one-arm bandits are in operation in lavish casinos and along the walls of not-so-lavish barns. Believe me, they can fleece the unwary as cleanly as any two-armed gambler. If your vacation spot boasts a network of slot machines, friend, your host may not be the Honest Joe he appears...

While on the subject of resort gambling, here's another note: The crime investigations have driven many a tinhorn into hiding. Maybe he's turned up at your country paradise or your happy island to play for small stakes. Small stakes to what he's been used to—but maybe stakes you can't afford to lose.

June A. D. 1951, at 11 o'clock A. M. levy on the following described real estate described in said order of sale and in said judgment, as follows, to-wit:

Being all of Lot No. 1, in Block No. 5, of the Freeman Addition to the town of Spur, in Dickens County, Texas, as shown by the map or plot of said town now on file in the office of the County clerk of said Dickens County, Texas, belonging to said Ola Mildredge Blanton;

And on the 3rd day of July A. D. 1951, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the court house door of said county I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Ola Mildredge Blanton in and to said property

Dated at Dickens, this 4th day of June, A. D. 1951.

C. C. KIMMEL, Sheriff of Dickens County, Texas. Anna Ruth Speer, Deputy 33-3tc.

DEFENSE MOBILIZATION QUANDARY

BOOSTERS. From Page 1

by mail of such meeting.

Article V Jurisdiction

The jurisdiction of the Spur Band Boosters Organization shall always be within a framework of helping the bands, band director, and school board in a supplementary way. At no time shall this organization attempt to set policies that would conflict with those policies set within the framework of the school itself. By supplementary help is meant such things as financial aid, transportation aid, entertainment, etc.

BY-LAWS

Article I

Section 5. The Executive Committee shall consist of the elective officers and of five members elected by the membership of the organization. The Band Director will be a member of the committee, but will have no vote being used in an advisory capacity.

Article II

Section 1. The Membership Fee shall be \$1.00 per school year, payable in September of the school year.

Section 2. Membership Fees

will be mainly used for expenses in-

currred by the operation of the organization. Expenses such as advertising, stationary stencils, etc. are to be covered in this way.

Article IV

Jurisdiction Explained

Section 1. The club, nor no one member of the club, nor no one committee of the organization shall at any time cause friction in the community by stepping out of the framework of this constitution and set of By-Laws. Neither shall any part of the organization nor the organization itself attempt to set policies that would conflict with those of the school or band itself.

Directors elected at the Monday meeting were Oscar McGinty, E. H. Carpenter, Clyde Horn, Mrs. Willie Williams and Mrs. Lee Snodgrass.

Members voted to sponsor the securing of uniforms as their first project, with several contributing on the spot. Persons who wish to make donations toward this project may contact C. P. (Johnnie) Scudder or Dr. W. K. Callan.

Next meeting of the group will be held at 8 p. m., June 18 in the East Ward auditorium. The public is urged to be present.

School dresses made by seventh and eighth graders were grouped in Class V. Winners were Wanda Nell Harris, McAdoo, first; Jane Simpson, Spur, second; Sheila Kay Karr, Spur, third; Ola Eugene Jacob, Spur; Carol Ann Allen, McAdoo; Joann Bailey and Patricia Lane, Spur.

Marquita Barton of McAdoo, placed first, and Mary Catherine Dean, also of McAdoo, placed second in Class VI, which included play dresses made by seventh and eighth grade girls.

Skirts were placed in Class VII, and winners were Joy McCormick, first, and Ella Mae McCormick, second, both of Dickens.

Lynna Arthur of Dickens was named overall winner, and was awarded a pair of scissors and a purple ribbon. First place winners were given gold medals and blue ribbons; second place, silver medals and red ribbons, and third placed sewing gauge and green ribbons. All other placings, received sewing gauges and white ribbons.

On display during the judging was a cotton exhibit from a well known cotton mill.

Chamber of Commerce Doings: Spur Chamber Hosts Broadway-Big Bend Highway Delegation At Luncheon Friday

The Broadways to Big Bend Highway association will meet in Spur tomorrow, June 8, and the Spur Chamber of Commerce will be host for the meeting and will serve luncheon to the visiting delegation. Senator Kilmer B. Corbin will be the principal speaker, with several other speakers expressing their views on this extensive highway project that will reach from the Big Bend country of Texas to Oklahoma City, Oklahoma.

The Chamber of Commerce is expecting approximately 30 guests for the meeting. The list will include Senator Kilmer B. Corbin, President of Big Bend association, Charles W. Roberts, secretary, and the members of the Board of directors of the association. There will be chamber of commerce managers, county judges, and county commissioners from Dawson, Garza, and Dickens counties present to discuss the highway project. There will be several local guests present including Mayor Ned Hogan, Dr. W. F. Patrick, Joe Long, George Link, Jr., T. T. Kizer, Dr. M. H. Brannen, C. A. Proctor, and the Chamber of Commerce Board of Directors, J. D. McCain, president; George Gabriel, vice-president; Fike Godfrey, finance; Lester Garner, Coy McMahan, W. T. Andrews, Bob Blackshear, Lewis Lee, E. E. Caudle, D. J. Dyess and O. L. Kelly. This meeting is being held preparatory for a hearing with the Texas State highway officials in Austin in the latter part of June.

Jim Moreau, price specialist from the Lubbock district office, will be in Spur at 8 a. m., Wednesday, June 13, to further assist in

Old Timer Recalls First News Office

John Tallant, one of the original 10 subscribers to the first Texas Spur newspaper ever published, is visiting in Spur this week. Tallant, who worked cattle over much of the territory on which Spur is now located, recalls that the late Oran McClure was publisher of the paper, known then by its present name, The Texas Spur.

Tallant now resides in Wewoka, Okla., where he has lived for the past 21 years. He remembered the site of the first newspaper office in south Spur, but upon his arrival the sun tanned veteran of World War I was unable to locate it. He is a brother of Mrs. Jesse Hagins of the Gilpin community, whom he had not visited since 1932.

Area Servicemen Complete Training

Two Dickens county servicemen have completed basic training with the U. S. armed forces, and will be assigned for more training in specialized work in their branches of service. Pvt. Loyd Randolph Pritchett, 19, son of Mr. and Mrs. Dan Pritchett of Spur has completed his AF basic airman indoctrination course at Lackland Air Force base, San Antonio.

Pfc. Donald A. Green, son of Mr. and Mrs. A. H. Green of Dickens, recently completed his recruit training at the Marine Corps Recruit Depot, San Diego, Calif. He will be transferred to one of the duty stations where Marines are serving throughout the world, or be assigned to a specialist school for technical training.

Danish Hospital Ship Serves with UN in Korea

Denmark's contribution to the United Nations effort in Korea is the fully manned hospital ship "Jutulandia," formerly a passenger liner on the North Atlantic run. The ship, now in Korean waters caring for U.N. wounded personnel, has space for 300 patients and 100 staff of medical and administrative volunteers numbers one hundred. Mrs. Commander Kai Hammerich, commander of the Danish ship (left), discusses his work with Admiral Soha of the Korean Navy.

Legion Team To Play Independent

The American Legion Junior baseball team and its managers C. B. Chandler and Guy Karr decided at their regular practice Wednesday, June 6, to play as an independent team this season and not enter the American Legion league.

Chandler explains that this decision was made because of the youth of the team and the older, more experienced teams competing in the national league. "We've got some fine material and the makings of a fine club," states Chandler, "But many of our boys are two or three years younger than boys of other teams. For this reason, we decided to schedule games with teams more our size and wait until next year to compete with the larger teams."

The team will remain under the sponsorship of the Spur American Legion and will play other American Legion teams when games can be scheduled. Chandler states that the boys will not be certified under the American Legion regulations so that more than 16 boys can be placed on the roster. The team will, however, comply to other American Legion rules.

Working out at the different

Marcy, Taylor Win City Golf Flights

Homer Marcy and Chales Taylor won the first and second flights respectively in the City Golf Tournament with the winner of the championship flight yet to be determined.

Frank Graham has a spot in the championship finals after receiving a win by default from Fred Kinney who is recovering from burns received recently. He will be opposed for the championship by the winner between H. S. Holly and Ralph Mills.

Marcy won the first flight with a win over T. C. Ensey. He beat Loyd Womack in the semi-finals and Ensey beat E. H. Carpenter. Consolation honors were taken by "Big Boy" Reynolds with a victory over Lee Snodgrass.

In the second flight Taylor defeated Tang Smith. They had defeated L. W. Wilson and T. C. Johnston respectively in the semi-finals. Red Hurst beat Frank Watson in the consolation finals.

Two matches remain unplayed in the championship consolation bracket. Clint Crawford, victor over N. A. Chastain, will play the winner of the Lawlis Lee-D. E. Corley match for the consolation championship.

Start Doing Your Part

Right now you can start doing your part in the national emergency. One way you can help yourself and your country is to buy U. S. Defense Bonds where you work or where you bank.

Defeat Inflation

You can help defeat the home front's most dangerous enemy—inflation—by buying U. S. Defense Bonds until the national emergency will help make a better future for yourself and for your country.

4-H CLUB ACTIVITIES SET FOR SUMMER

All persons interested in girls' 4-H clubwork in the Spur area are urged to contact Mrs. Jack Gordon, of route 1, Spur, for information and program plans for summer activities. Mrs. Gordon is adult chairman for 4-H clubwork in Dickens county.

Band Boosters Open Membership Drive; Will Sponsor Buying of Uniforms As Project

Spur Band Boosters organization opened its membership drive Monday night in the initial fund raising campaign of the newly formed group held in the East Ward auditorium. A 100 percent record was set when each person present paid the membership fee of \$1, enabling him to become a member of the first band boosting organization of its kind in Spur. Persons wishing to become a member or who would like to contribute the fee, may pay to the membership committee, composed of Fred Neaves, Raymond Higginbotham, Mrs. Frank Watson, Mrs. Clyde Horn and Mrs. Leon Reagan. Mrs. Jack Rector, chairman of the constitution and by-laws committee, presented a constitution and by-laws which the organization approved. For a better understanding of the working plan of the Band Boosters, we present several of the articles and by-laws as prescribed by the organization.

positions now are: Chester Lindsey, catcher; Steve Dobbs and Loyd Womack, pitchers; Franklin Gabriel and Bobby George, first base; Sammy Caudle, second base; Curtis Blair, third base; Lawrence Cook, short stop; and fielders Ronny Ensey, Billy Watson, Charles Culbert, Alvin Williams and Kenneth Harris.

THRILLS OF 1951 COWBOY JUBILEE—Pictured above are action shots of the 1951 Cowboy Jubilee held in Spur May 29 through June 2.

Upper left pictures the Spur High School Band leading last Wednesday's big down-town parade. The band is directed by Melvin King with Myra Ratliff acting as drum major. The high school cowboys and cowgirls, attired in their western regalia, led both the Wednesday and Saturday parades.

Lower right shows a cowboy matching his balance, finesse and instinct against the twisting antics of a wild bull. In this particular instance, the cowboy won.

On the right, one of Goat Mayo's wildest and meanest bucking steers tries to shed one of the best cowboys in West Texas. The free stirrup indicates that probably the cowboy didn't wait for the whistle before getting off.

Photos courtesy B. & H. Studio

REV. A. P. AHLMAN IS NEW METHODIST CIRCUIT PASTOR

Rev. Alfred P. Ahlman, new Methodist circuit preacher, delivered his first sermon in the Foreman Chapel church Sunday with a good attendance. Rev. Ahlman's schedule for this quarter will be first Sundays, Foreman Chapel; second and third Sundays, Dickens; and fourth Sundays, Duck Creek.

Mr. and Mrs. C. W. Harbin and son of Cypress, Texas, were guests at the church, for her brother's initial sermon. Bro. Ahlman and his mother will reside at the parsonage in Spur.

ARCHITECTS TO SUBMIT HOSPITAL PLANS SOON

Word was received this week by the City of Spur Commission that initial plans for the City of Spur Hospital will be ready for submission and discussion "around the middle of June" according to James Cowan, city manager. The architects are expected in Spur on or about June 15 with tentative plans and drawings for the consideration of the commission and the Hospital committee.

Champions Crowned During Final Jubilee Performance

City Drug Defeats Fireboys; Share Lead With V. F. W.

City Drug rallied in the sixth and seventh innings Tuesday night to defeat the Fireboys 13-6 in the top game of the week. In Tuesday night's opener, Proctor's trimmed Hoover-McAtee 11-4.

The City Drug win placed them in a tie with the V. F. W. for the lead in the City Softball league with a 4-1 win record.

Winless Phillips '66' will strive to better their plight tonight against the strong City Drug team, but seem unlikely to upset Jerry Ensey's boys. The V. F. W. will meet the scrappy Fireboys next Tuesday night and must win to stay with City Drug.

Proctor's win over Hoover-McAtee did not help their standing in the league but forced Buddy Hoover's team into a two-way tie with the Fireboys for third place with a 3-2 win record. Proctor's win did, however, keep last year's champions in the running for a spot in the play-off scheduled for the end of the season.

In Tuesday night's opener Jay Austin pitched all the way for Proctor's and received credit for the win. Jerry Price was losing pitcher.

J. B. Haralson pitched for City Drug against the Fireboys and strengthened toward the waning minutes to hold the Fireboys scoreless for two innings while his teammates ran nine runs across in three innings. Due to recent rains received by the Fireboys regular pitcher, Fred Kinney, their manager, Ernest McNutt imported Ken Hicks from Jayton for mound duties.

STANDINGS table with columns for TEAM, W, L, PCT. Teams listed include V. F. W., City Drug, Fireboys, H-McA, Proctor's '66', and Baptists.

Remaining first-round schedule Thursday, June 7—Hoover-McAtee vs Baptist Brotherhood, City Drug vs Phillips '66'.

Tuesday, June 12—V. F. W. vs Fireboys. The make-up game between the Baptist Brotherhood and Phillips '66' which was rained out early in the season, is tentatively being

SWIMMING POOL ANNOUNCES SUNDAY CLOSING HOURS

Closing hours for the Spur swimming pool will be at 5 p. m. on Sunday and 10 p. m. on weekdays, it was announced this week. The pool previously was scheduled to close at 6 o'clock on Sunday evenings.

Rain, Casualties Mar Rodeo's Big Year

After three cloudless, sun-washed days of performing in the Spur rodeo arena, cowboys hit the mud in Saturday night's final round of the 1951 Spur Cowboy Jubilee.

Rain dampened the final show, forcing many of the estimated 1,500 spectators to retreat to cars to watch the final performance.

Five casualties resulted from the rodeo, more than a usual number for the local event. Larry Wright of Jayton, Rocky Bird of Spur, C. B. Leach of Abilene, Hal Courtney and Billy Thomas of Matador were reported to have various injuries ranging from a broken nose to a head concussion. None were extremely serious.

Grand Champion roper of the entire show was J. Oxford of Haskell. The champion calf roper was Willis Brunson of Crosbyton. For their expert prowess with a lariat both were awarded hand-tooled saddles donated to the Spur Rodeo association by W. C. Bales, interested cattleman from Mt. Enterprise, Texas. Champion, double-mugger was Rube Smith of O'Donnell, also awarded a tooled saddle.

Champion of the Old-Timers roping contest was G. W. Rogers of Girard. Dick Sampson of Clarendon placed second in this event.

Porter Myers from the 6666 Ranch, Guthrie, riding "Farmer," won the cutting horse contest. Second was George Humphries of the 6666 Ranch who rode "Red Alec," and third was Rome Rogers of Clarendon who rode "Socks."

Grand champion cowgirl of girls' barrel racing was Mary K. Bradley of Electra. Doris Hart was named Dickens county champion cowgirl; also placing second in the main event. Third was Sadie Smith of Gail, fourth was June Hassell of Childress, and fifth was Maxine Harbin of Eastland.

Final results of the second round—a combination of Friday and Saturday shows—were: Double Mugging—Glen McWhorter, 13 seconds; J. Oxford, 13.2; Jack Peek, 16.7; and Rube Smith, 16.6.

Calf roping—Jack Peek, 11.6; Doc Burris, 12.3; Lassiter Forrest, 12.9; and Alvis Townley, 13.1.

Bull Riding—Don McDonald, Jimmy Moore, Bob Jackson and Bill Kerley.

Saddle Bronc Riding—John Farris, Tommy Riley and Jimmy Beck.

Bareback Bronc Riding—John Farris and Bill Ivy tied for first and second; Jimmy Moore and Don McDonald tied for third and fourth.

A parade, held at 6 p. m. Saturday through Spur featured the Spur High school band followed by approximately 100 cowboys on horses. The parade included small girls on large horses, a buckboard and for contrast, late model cars.

The rodeo judges were Johnny Koonsman, Bob McAtee, Bill Rucker, Slim Mettler and Slim Myers. All have been connected with the Spur rodeo for several years.

President of the rodeo association is J. E. Swenson, while Martin Pope is chairman of rodeo events and A. B. Smith is arena director.

The stock was furnished by Goat Mayo of Petrolia.

Dickens County 4-H Club Girls Hold Annual Dress Judging And Revue May 19

Seven classes of cotton dresses represented by 50 garments were modeled by Dickens county 4-H club girls in their annual dress judging and revue held May 19 in the high school gym. The garments were modeled in the East Ward auditorium the same night.

Judges for the county-wide show were Miss Thelma Wirges, home demonstration agent of Haskell county, and Mrs. Cecil R. Peacock, Baylor county HD agent. Slide films of the 1950 state dress revue were shown by Mrs. Harriette Hatcher, Dickens county HD agent. Special guests were mothers of the club girls and area HD clubwomen.

Winners in Class I, which included dress-up dresses made by fifth and sixth graders were Cieta Nell Allen, McAdoe, first; Josie Cyper, McAdoe, second; and Janell Hobbs, Spur, third. Class II was composed of school dresses made by fifth and sixth grade girls, and included Elaine Boucher, McAdoe, first; Ruth Ann McAtee, Spur, second; Barbara Turberville, Patton Springs, third; Jennie Lou Robbins, McAdoe; June Merritt, McAdoe; Marian Marcy, Spur; Charon English, Spur; Patsy Nell Williams, Patton Springs; Lane Ligon, Patton Springs; Louise Williamson, Spur; Rosanne Bohannon, McAdoe; Ann Stanley, Spur; Yvonne Nichols, Patton Springs; Barbara Farnell, Spur; Janell Gage, Patton Springs; Charlene Ambrewater, Spur; Barbara Gregory, Spur. Winners of Class III, play dresses, were also fifth and sixth grade students. They were Rita See 4-H CLUB GIRLS Page 6

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles. We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving. So we know how you feel, and we'd like to help you make your dreams come true. We'd like you to discover how fine a fine car can be. We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics. We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale. But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS. One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflo Drive, which is, incidentally, one of the many features included in the price. We try to hold down our enthusiasm in talking about this masterful beauty. We might claim—you'll find more room—more comfort—

more luxury—a smoother ride—more conveniences—more thrill in a ROADMASTER than in any other car in the fine-car field. But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own. And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe. Equipment, accessories, trim and models are subject to change without notice.

Texas Wildlife Does Prosperous Income

Wildlife furnishes not only recreation and food for a considerable number of people of Texas, but also an income of more than \$2,000,000 yearly to landowners for hunting and fishing leases, while the pelts taken by hunters and trappers of furbearers amounts to several millions more. The wildlife population of the land is perhaps more thoroughly safeguarded and more widely distributed today than at any time in recent years. In 1950, for example, 896 deer, 160 antelope and 557 other wild species were shifted

for restocking game preserves in other adapted areas. Inland fish resources stem from about 150,000 ponds on farms, 1,049 lakes of five acres or larger with a combined water area of 362,000 acres, and 2,000 miles of fresh water streams.

Preservation and propagation of species of animal and bird life in Texas is attributed in substantial measure to the demonstrations in conservation which the A. & M. College Extension Service has sponsored in cooperation with land owners for the past decade and a half.

The Extension program is headed by R. E. Callender, wildlife conservation specialist, working as an assistant-at-large to county

DESIGN FOR LIVING . . . Civil defense head, Millard Caldwell, shows setup for action in atomic attack on a city.

Extension agents who deal directly with the people. In this capacity Callender prepares subject matter for demonstrations in their

districts. In addition, he cooperates with Federal, State and local organizations concerned directly, or in association with phases of wildlife.

COTTON QUIZ

WHAT IS THE SAFEST FABRIC FOR DOCTORS AND NURSES' CLOTHING?

COTTON! IN THE OPERATING ROOM STATIC ELECTRICITY GENERATED WHEN FABRICS MADE OF SYNTHETIC FIBERS RUB AGAINST EACH OTHER MAY CAUSE CERTAIN ANESTHETICS TO EXPLODE VIOLENTLY!

Selections from achievements in 1950 reported by county agricultural agents reveal substantial to excellent wildlife programs in 212 counties; 13,500 persons cooperated in 2,089 demonstration areas representing 14,631,000 acres, and 37,000 protective signs or markers were posted on property of cooperating land owners. The Extension specialist estimates that since the Extension program was commenced 14 years ago, more than 125,000 such markers have been erected at a cost of about \$73,000 to cooperators. Other, but related, activities included 9,761 farmers assisted with specific improvements for wildlife: 118,407 farm ponds constructed by cooperators; 6,233 farm ponds stocked with fish; and more than 28,000 predatory species trapped or destroyed by other means during the year.

A wildlife conservation demonstration program for members of 4-H clubs, with 11,034 enrolled, was conducted by the Extension specialist in association with county agricultural agents parallel with that for adults. In the

course of this work 13 county wide 4-H Club conservation camps were held and 298 communities were represented at county, district or state camps. A total of 3,000 4-H members received training in marksmanship and these youths accounted for 6,594 predators by different means in 1950. In the same period, 1,002 club members produced 28,657 rabbits for meat or breeding, while over the state 124 community cooperative game management associations were active.

The variety of Texas' wildlife is diverse and several species are plentiful. The Extension specialist lists 32 game and fur bearing animals extant and 11 species of

SORORITY BUYS IRON LUNG—Epsilon Sigma Alpha sorority bought this iron lung to initiate its new state polo educational and patient services. Pearson, Abilene, Texas director of women's activities for the National Foundation for Infantile Paralysis.

native and migratory fowls and birds. But some animals have dwindled to mere traces. Bighorn sheep, for example, are found sparingly in two Texas counties; black bears in three, and ocelot in a like number.

The specialist emphasizes that while protection is largely dependent upon available food and shelter and closed seasons mean little where food and cover are lacking. The harvesting of game as a crop is encouraged and such is preferable to long-time closed seasons except when seed stock is at stake or a species is approaching extinction.

The State 4-H Roundup and Extension Conference will be held at A. & M. College the week of June 25-29.

Last year's income from hunting and fishing leases in Texas, exceeded \$2 million and the sale of furs added several millions more to the wildlife income of the state.

Mr. and Mrs. Ted R. Brannen of Austin visited this week in the home of his mother, Mrs. J. H. Bowman. Both are teachers in the

Spur Clubwomen Attend Annual Convention Of GFWC May 13-19 In Houston

Mrs. O. M. McGinty and Mrs. Wallace Hinson attended as delegates the 60th annual convention of General Federation of Women's Clubs held May 13-19 in Houston.

Other members of local women's clubs who attended the meeting of the international organization were Misses P. C. Nichols, B. F. Hale, James B. Reid, Roy Stovall and Cliff Bird. Highlights of the 5 day convention program were addresses by major military and political figures and well known feminine leaders from the fields of literature, diplomacy and clubwork.

Headquarters for the occasion was the fabulous Shamrock hotel, where the hundreds of clubwomen gathered—35 of whom were foreign delegates.

On the roster of speakers were Allan Shivers, governor of Texas; Mrs. Hiram Cole Houghton, president of the GFWC; Kathleen Norris, noted author and lecturer; Dr. Kenneth McFarland, superintendent of Topeka, Kansas, schools; Hon. Walter H. Judd, Minnesota congressman; Mrs. John L. Whitehurst of Baltimore; Bourke B. Hickenlooper, Iowa senator; Dr. Luther Evans, librarian of the Library of Congress, Washington, D. C.; and Mrs. Perle Mesta U. S. Minister to Luxembourg, who flew from her foreign post for the convention.

An outstanding feature of the

program was a national defense forum, headed by Nelson Rockefeller. Also on the forum was Hon. Millard F. Caldwell, representing Gen. Omar N. Bradley who was unable to be present.

Special musical programs were presented by operative talent from Texas Christian University, the Singing Cadets of Texas A. & M. College, Melody Maids from Beaumont, and the A Capella Choir from Howard-Payne college, Brownwood.

Arlene Wilson Is June Bride-Elect

Mr. and Mrs. L. S. Wilson have the honor of announcing the approaching marriage of their daughter, Arlene, to Mr. Billy Wyatt, son of Mr. and Mrs. Bill Wyatt of Spur.

The service will be read at 8:30 o'clock in the evening, June 21, in the home of the bride-elect's parents, 705 West Harris Street.

HOLLIES HAVE GUESTS

Mrs. Ed Lisenby and her granddaughter, Barbara Stone, of Washington, D. C., visited in the home of Mr. and Mrs. Harvey Holly and Mr. and Mrs. George Lisenby this week. Other weekend guests in the Holly home were Mr. and Mrs. Harvey Giddens of Odessa, Mr. and Mrs. E. T. Holly and son of Austin, Mr. and Mrs. E. D. Barnes and Mr. and Mrs. Mark Kosus of Abilene. Misses Giddens, Barnes and Kosus are sisters of Mrs. Holly and Lisenby.

Gregory-McAnally Vows Read May 20

Miss Lulu Lee Gregory of Dallas and Dan Gray McAnally of Dallas were married in a double ring ceremony May 20, in the Quannah First Methodist church with Rev. Wayne Cook, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Sam Gregory of Quannah, and a niece of Mrs. Alonzo Lollar of Spur. She attended North Texas State Teachers college and has been employed by Sun Oil company in Dallas the past four years. The bridegroom is the son of Mr. and Mrs. H. B. McAnally, Sr., of Bonham. He is a Texas A. & M. graduate and is employed with a Dallas engineering firm.

Church decorations for the ceremony were centered at the altar where masses of palms and white gladioli formed the background. White gardenias covered an arch, and white cathedral tapers were lighted.

The bride chose a gown of white Chantilly lace in a lover's knot pattern, finished with a deep V-neckline and a tiny scalloped roll collar. The fitted bodice fell to a princess line down the skirt front, and bouffant gathers formed the back of the skirt, sweeping into a fan shaped train. Her fingertip length veil was caught to a crown lace bonnet. Her bridal bouquet was of white gardenias and Stephanotis, centered with a white orchid and banked with white maline.

Miss Mary Fern Gregory of Dallas attended her sister, wearing a white lace dress with overskirt of white net dipping in graduated lengths. Her bouquet was of green gardenias.

Following a reception the couple left for a wedding trip to New Orleans. The bride wore away a pale blue linen suit with matching hat and accessories of navy. The couple will live in Dallas.

4-H Head Reports On Tractor Program

Nearly 180,000 volunteer local 4-H Club leaders and members in 47 states have received training in the 4-H Tractor Maintenance program since its inception in 1943. This was announced by Kenneth H. Anderson, associate director, National Committee on Boys and Girls Club Work, at a recent regional conference in New Orleans.

The conference was attended by forty Extension Service representatives from Alabama, Arkansas, Louisiana, New Mexico, Mississippi, Oklahoma, Tennessee and Texas. They included state club leaders and agricultural engineers, and U. S. Department of Agriculture officials. Also personnel of the Pan-Am Southern Corporation and Stanolind Oil and Gas Company, sponsors of the 4-H Tractor Maintenance program in the eight state area.

"In the eight states represented at the meeting," Anderson said, "enrollment of 4-H Club members in the Tractor Maintenance program has tripled between 1945 and 1950. From the very first, the program was set up on the basis of training volunteer 4-H leaders, and learning by doing. The program was designed to provide an opportunity for 4-H members to keep pace with power farming by acquiring tractor and other mechanical skills. It is a program of tractor care—not repair, conducted under the direction of the Cooperative Extension Service."

Ann Hull To Wed David Haines Here

Mr. A. C. He'll announces the engagement of his daughter Ann to Mr. David Haines, son of Mr. and Mrs. P. G. Haines of College Station. The wedding will be solemnized on June 23 in the First Baptist church, Spur.

Sue Beth Legg Is Bride of Soldier In Lubbock Church Ceremony, June 1

Announcement has been made of the marriage of Miss Sue Beth Legg, daughter of Mr. and Mrs. J. P. Legg of Lubbock and Billy J. Gafford, son of Mr. and Mrs. Truman Gafford of Lubbock on June 1.

The ceremony was read at 8 o'clock in the College Avenue Baptist church, Lubbock, with Rev. Abe Hester, Jr., officiating. The double ring service was read before an altar banked with baskets of gladioli, with a background of greenery and candleabra.

The bride and her family are former residents of Spur. Following a prelude of wedding music, the bride entered in a gown of white tulle. A large lace yoke topped the fitted bodice, and a ruffled train of white lace encircled the waist fastened in back with tiny pearl buttons. Long sleeves were pointed over the hands and edged with nylon lace. The skirt was fashioned with a train. Her fingertip veil of illusion was attached to a headress of seed pearls and rhinestones. She carried a bouquet of white roses centered with a camellia and tied with white satin ribbon.

Miss Lucille Legg, sister of the bride, attended as maid of honor, and Mrs. W. B. McLeary of Levelland, sister of the groom, as brides matron. Miss Legg wore a dress of pink net over pink satin and carried a bouquet of white carnations tied with pink ribbon. Mrs. McLeary wore a dress of pale pink net over Nile green satin and carried a bouquet of white carnations tied with green ribbons. The uncle of the bridegroom, Jack Grant, was best man. Ushers were James Johnson and Pvt. Alton Bazelle of Fort Hood. Eugene Legg, cousin of the bride from Afton, was ring bearer, and Marsha Hilton of Littlefield was flower girl.

Reception Held After the ceremony a reception was held at the church. Mothers of the couple assisted in receiving guests from Spur, Amarillo, Dalhart, Hereford, Lamesa, Afton, Smyer, Littlefield, Woodrow, Tullis and Hobbs, N. M. For a wedding trip to Ruidoso, the bride wore a dusty rose red dress.

The bride-elect is a graduate of Stephens college in Missouri, and attended Texas university. Mr. Haines is a graduate of Texas A. & M.

Patman-Thomason Betrothal Announced

Mr. and Mrs. Keley Patman announce the engagement and approaching marriage of their daughter, Ina Kay, to Derrell Thomason, son of Mr. and Mrs. Earl Thomason. The wedding will be solemnized June 10.

She dress with white accessories and corsage. She is a graduate of Spur High school, and is employed in Lubbock. Pvt. Gafford, a graduate of Freshup high school, is stationed at Fort Hood, and will report for overseas duty. Mrs. Gafford will reside with her parents.

GREAT BIG FALL... Thomas Faiva, Jr., rests in New York hospital after falling 15 stories from window at his home.

Care Urged When Handling Poisons

Recently a new insecticide highly poisonous not only for insects but also for man and animals has become available commercially. It is known under the trade name of "Parathion" and has proven quite effective for certain agricultural uses.

Because of its extremely high toxicity it would be desirable if its use could be restricted to a few individuals who could make a business of applying it and educate and equip themselves so as to insure the maximum of safety. In Texas and a number of other states, however, there are no laws making such restricted use possible. Therefore, a brief statement of warning is being offered.

Parathion in the pure state is a brownish liquid with a high boiling point and a peculiar odor. It mixes but slightly with water, but is completely soluble in alcohol, acetone and certain other similar solvents. Under factory conditions it is usually mixed with a powder such as talc or bentonite as a carrier and appears on the market as a powder which has

absorbed the parathion. Its toxic effect may result from breathing the dust, as a result of swallowing contaminated substances, or by absorption through the skin. The latter may be indirect absorption such as contaminated clothing.

Safe use is dependent on the use of precautionary measures so as to prevent contact. The user should seriously study and observe these precautions. The user should also be alert for symptoms of poisoning so that a physician may be in attendance without delay should he be needed. Atropine, a potent medicine has been mentioned as an antidote. It should be borne in mind that this is another poison about as dangerous, if improperly used, as is parathion. It should only be used under competent medical direction.

The Ideal Way to Save

Millions of people have sung the praises of the U. S. Savings Bonds as the ideal way to save. Make it your theme song too—buy Bonds today. Remember that they are now Defense Bonds and will be for the duration of the national emergency.

GOOD HEALTH

1. CAN COLDS BE FATAL?
2. IS TB INCREASING IN THE U.S.?
3. IS SALT BAD FOR YOU?

Answer to Question No. 1: Not directly, or by themselves. An untreated or unchecked cold may lead to such serious illnesses as pneumonia, pleurisy, tonsillitis and other infections of the upper respiratory tract. Even if it does not cause complications it must be remembered that the longer a cold hangs on, the more susceptible the body becomes to more serious illnesses.

Answer to Question No. 2: No. Although statistics show an increase in the number of cases of tuberculosis reported in the U. S., the figures are misleading because modern diagnostic methods have improved so that more cases are now discovered, especially in the early stages when cure is relatively easier and quicker. Whereas five years ago only 2,000,000 chest X-rays a year were taken (outside the armed forces), seven times that many were taken in 1949.

Answer to Question No. 3: There is little harm in using average amounts of salt. In certain kidney and heart diseases your doctor will reduce your salt allowance. Salt in the system helps retain fluids. Contrary to popular belief, it does not make the bones brittle or otherwise hard.

Dry Lake Community News

Mrs. Coy Dopson, who underwent surgery at Crosbyton hospital two weeks ago is recovering at her home. We hope she will be able to join us soon.

Mr and Mrs. E. J. Lassetter made a pleasure trip recently to East Texas. While there they attended the high school graduation exercises of her nephew.

Mrs. George Ballard of Rochester has been visiting this week with Mrs. Ethel Ballard and boys

and Mr. and Mrs. Buck Ballard. Friends and relatives gathered at the home of Mrs. Ethel Ballard on May 29 for an old fashioned quilting party. The guests brought covered dishes for luncheon, and completed a quilt for Mrs. George Ballard, a visitor in the Ballard

home. During the afternoon, the ladies ironed for the Coy Dopson family, because Mrs. Dopson is not able yet to do her housework. Attending were Meses. Sallie Shockey, Dell Merriman, and W. F. Foreman of Spur, Jeff Smith, Kenneth Coursey, Ola Miller, B. F. Saxon, Bob Pickens, Ivy McMahon, Paul Hotchoco, Buck Ballard, Jack Gordon, of Dry Lake, and the honor guest from Rochester, Mrs. George Ballard.

Approximately 80 persons attended our last community meeting, a great success. Paul Marion of the Spur Experiment station showed slides and gave an interesting discussion on cotton. The next meeting will be on Wednesday night, June 13. Dr. J. F. Hughes of Spur will give a program on health. The meetings are open to everyone, and we urge every resident of our community to take part.

Mr. and Mrs. Raymond Gordon and children of Lubbock spent several days last week with the Jack Gordon family. Faydell and Billie Murl Gordon are visiting in Lockney this week with relatives.

By Mrs. Jack Gordon

V. A. Loan Program Will Close June 30

World War II veterans planning to apply for direct home and farm loans from the Veterans Administration are reminded by the VA that the Direct Loan Program ends by law on June 30, 1951.

VA states it would scarcely be possible in most instances to process applications before the June 30 deadline that are received by the VA Regional Office after June 15.

The Housing Act of 1950 authorized VA to make direct loans up to \$10,000 at four per cent interest to World War II veterans with which to buy or build a home, or to build or improve a farmhouse. The Act stipulated that VA was to make these direct loans in those areas of the country where the regular GI Loans were not available from private lenders. The Law further required VA to designate the areas as eligible for direct loans.

Since the program got under way last summer, more than 2,600 counties or parts of counties in the United States, have been designated as eligible for direct

loans. An estimated 5,000,000 World War II veterans live in these designated areas. As of May 16, about \$90,000,000 of the \$150,000,000 authorized for the program had been disbursed or reserved under pending applications for direct loans to veterans.

While the Direct Government Loan Program ends June 30, 1951, the regular GI Loan Program does not expire until July 25, 1957. Both programs are subject to the same minimum down payments imposed by the credit controls announced October 12, 1950.

DALE CARNEGIE

AUTHOR OF "HOW TO STOP WORRYING AND START LIVING"

Do What You Fear To Do

AT ONE TIME John Stemie, Jasper, Ind., was afraid to spend the night on the river unless he had a companion and left a carbide lamp burning all night. Not that the companion had to be a fighter; he just had to be there. Not that a little light was so much protection; it could work the other way around.

It was necessary for him to take these river trips in order to attract the attention of a manufacturer for the mass production of a boat he had designed. The questions most frequently asked by the man whom he would encounter in a two dollar rowboat, or in a \$30,000 cruiser, was "Aren't you afraid at night? What do you do with yourself?"

Yes, he was afraid. And he searched for things to do in a pup tent on a dark, rainy night on a Mississippi sandbar. Sound is multiplied when you are lying with your ear to the ground. A fox—a coon coming down to the river sounds like a bear crashing through the underbrush. A fish comes looking pretty harmless by day, but at night its sounds it makes are horrible and terrifying.

There's another little bird, no bigger than your thumb, that emits a blood-curdling, mournful scream. Hearing those notes made John afraid to go beyond the bounds of his tent. When they occur, one after the other, and sometimes several in unison, there are just two things you can do: (1) Bury your head under a blanket and let your imagination run wild. (2) Open your flap tent and go out and discover from where the noise emanates. The latter is the one and only thing to do, for the moment you discover the source of the sounds, you no longer fear them.

"Conquering that fear of noise at night," says John Stemie, "taught me to conquer other fears. For instance, when anything bothers me to the point of fright, I simply search for the origin or if it is mental, for the cause. Then when I have done that, fear dissipates into thin air."

This is just one more example of applying the advice: "Do what you fear to do, and your fear will no longer exist."

Carnegie

Careful Handling of Insecticides Stressed

The battle with bugs is now underway. As the fight becomes more intense, there often develops a tendency among the human fighters to become careless. Any relaxation of proper handling and methods of application of many of the commonly used insecticides can result in injury or even death, say the Extension entomologists of Texas A. & M. College, to the careless handler.

They point out that insecticides kept in the house should be stored only in a closed metal container. When insecticides that are classed as dangerous are being mixed or applied, the handler is urged to wear a respirator and avoid dust drift of spray mist. The clothing worn when dangerous materials are being handled should be removed and washed before being worn again.

They advise anyone to consult a doctor immediately if any degree of illness is noted during or after applying one of the dangerous type insecticides. All fruits and vegetables that have been treated with insect poisons should be washed thoroughly before they are eaten. Applications of organic insecticides such as DDT should not be made within two weeks

of harvest. Materials that are highly flammable should not be stored in place where there is a fire hazard. When sprays are used in the house or barn, the specialists caution against getting any of the material in dishes, utensils and drinking or feeding troughs. Insecticides stored in barns or other farm buildings should always be clearly labeled poison.

The specialists suggest that you check your local county extension agent regarding the toxicity of any particular insecticide.

The month of June will be observed on a nationwide basis as Dairy Month. The observance is sponsored by the entire dairy industry.

Hot summer days won't melt the crisp, out-of-the-handbox look of this blonde beauty. She is wearing a fresh cotton frock with Dan River's wrinkle-aid finish. The checked cotton frock has a boat neckline trimmed with snowy pique applique that repeats the white of her jaunty cuffs.

State Highway Patrol Has Vacancies

Homer Garrison, Jr., Director of The Texas Department of Public Safety, announced today that applications are being accepted to fill vacancies in the Texas Highway Patrol.

Abie-bodied young Texas men who are interested in becoming Texas Highway Patrolmen are requested to contact the nearest District Headquarters for application blanks or write directly to Chief W. J. Elliott, Texas Highway Patrol, at Austin.

Applicants must be between the ages of 21 and 35 years, inclusive; at least 5 feet 8 inches in height, without shoes; and must weigh not less than two pounds or more than three and one-half pounds per inch of height. They must be of excellent moral character, physically able to pass a rigid examination; and must possess a high school education or its equivalent. In addition, they must successfully withstand an exhaustive field investigation; and must have been a resident of Texas for at least one year prior to filing of the application.

According to Garrison, applications will be received and handled until July 10, 1951, at which time the application list will be closed.

Highway Patrol District Offices are located at Austin, Dallas, Abilene, Beaumont, Amarillo, Lubbock, Pecos, San Angelo, San Antonio, Corpus Christi, Houston, Tyler, Harlingen, Fort Worth, and Waco.

LAURETTE LUEZ smiles at the sweet words of ERROL FLYNN, in this scene from MGM's spectacular film, "KIM," in color by Technicolor.

persons working for themselves in their own trade or business, or as partners in such enterprises.

"If you are self-employed and derive as much as \$400 in net profit from your business or business in any taxable year after Dec. 31, 1950, your Social Security coverage is compulsory by law," Mr. Hutton said.

He also pointed out that the only exception are income derived from practice as a physician, lawyer, dentist, osteopath, chiropractor, optometrist, naturopath, veterinarian, architect, CPA licensed, registered or full-time practicing public accountant, Christian Science practitioner, professional engineer or funeral director.

Self-employed persons do not report themselves with the employees. This income must be reported annually on income-tax form 1040 Schedule G, especially revised for this purpose. The first such report is due March 15, 1952, covering self-employment income for the taxable year 1951.

Payable along with the report is self-employment Social Security tax. This tax is 2 3/4 per cent of the first \$3,600 net business profit. For business partners, the tax is levied on the first \$3,600 of the distributive share of the partnership net profits, whether or not the profits are distributed.

A representative of the Social Security Administration will be in Spur at the Post Office on Thursday, June 14, at 9:30 A. M. and

will be glad to assist anyone in matters pertaining to Social Security.

Texas Releases Its Lowest Draft Quota

A July draft quota of 367 men for Texas was received May 3, from national headquarters, Brigadier General Paul L. Wakefield, state Selective Service director, announced.

This is the state's share of a national quota of 15,000, announced several days ago from Washington. The Texas quota is the

smallest monthly quota received since beginning of the conflict in Korea.

Local board quotas for the July call are presently unavailable at state headquarters. Quotas will be sent to local boards sometime after June 15, according to present plans at state draft headquarters.

The July call brings the Texas total of men called for since the beginning of the United Nations fight in Korea to 27,207. During the same period, the entire nation has been called upon to furnish 565,000 men.

At the same time he made this announcement, the state Selective Service director passed on some advice to college students.

Students who plan to request deferment to continue their studies should notify their local boards immediately after the close of their current academic year.

"To get deferment consideration from local boards," General Wakefield said, "student registrants have to request it. Taking the college qualification test or ranking high in their classes won't assure consideration for deferment unless they ask for it in writing."

The Selective Service college test is an examination to demonstrate high educational aptitude. It is estimated that 400,000 college students have registered for these tests. An estimated 175,000 already have taken it.

Failure to furnish information showing intention to request deferment, in some cases, may result in a student's being inducted into service at the end of the 30-day postponement period commencing at the end of the current academic year, the state director said.

General Wakefield said responsibility rests upon a draft registrant to supply his local board with any information affecting his draft status.

Tech Slates Games With "Bowl" Champs

Two "bowl" champions are on the scene—schedule Texas Tech's Red Raiders face this fall Texas A & M, winners of the Presidential Cup game, and West Texas State, Sun Bowl titlist, head the card. The Red Raiders engage three Southwest Conference schools, four fellow Border Conference members, two Missouri Valley teams, and a Sky-line Seven entrant.

To prepare the Red Raiders for this state, Tech has hired practically an entire new coaching staff. DeWitt T. Weaver is head coach. Formerly associate coach at Tulsa University, he was All-Southeast Conference guard for the University of Tennessee.

Assistant coaches are W. A. (Babe) Wood, former teammate of Weaver's, more recently assistant at Wake Forest; Jack Mitchell, Oklahoma University All-American quarterback, Tulsa assistant last year; Wyatt Pusey, ex-Georgia star, line coach at Yale last year; Wade Walker, Oklahoma's All-American tackle, who was North Carolina assistant, and Bobby Good, All-Big Seven end at Oklahoma, who coached Chickasha (Okla.) High School last season.

Polk Robinson, head basketball coach, will also continue to be chief scout. George Scott, last year's freshman coach, is trainer. Texas Tech's schedule—West Texas State, Sept. 22, here; Texas A. & M. Sept. 29, Dallas; University of Houston, Oct. 6, Houston; Texas Christian University, Oct. 13, here; Baylor University,

LAFF OF THE WEEK

"Sorry, Mac - just closing."

October 20, Waco; University of Arizona, Oct. 27, here; Texas Western, Nov. 3, El Paso; Tulsa University, Nov. 17, Tulsa; New Mexico University, Nov. 24, Albuquerque; Hardin-Simmons University, Dec. 1, here.

CARD OF THANKS

We wish to take this method of thanking our many friends and neighbors for their kindness shown during the sudden death of our beloved husband and

father. For every word of sympathy, act of kindness, the beautiful floral offering, the food served by the ladies, and all who had part in making our burden lighter. May God's richest blessings rest upon each and everyone of you is our prayer.

Mrs. Edna Hemphill, J. E. and Tommy, Mr. and Mrs. Bill Hemphill; Mr. and Mrs. Pete Daniels; Mr. and Mrs. David Clay; Mr. and Mrs. Emmitt Lovern; Mr. and Mrs. Palmer Garrett; Mr. and Mrs. Jack Smith.

Only \$525.00 down
\$54.27 per month
(1/2-ton low-side standard pick-up illustrated)

It's easy to buy this
DODGE
"Job-Rated"
PICK-UP

ASK FOR A DEMONSTRATION OF THE "BEST BUY IN TOWN!"

More load space
Big, rugged high-side body, available on Dodge "Job-Rated" 1/2-ton pick-up, has 44.16 cu.-ft. capacity to top of tailgate—biggest load space of any popular truck of comparable wheelbase. Roomy 3/4-ton and 1-ton pick-ups have extra capacity, too.

Biggest seat and windshield
There's plenty of room for three husky men in the comfortable chair-height seat—widest of any popular truck. You get the biggest windshield of any popular truck, too—more than 900 square inches for extra-safe visibility. Dual windshield wipers are standard.

All these extra values, too!
No other pick-up offers you all these proved features! Big 97-horsepower engine! Overflow shock absorbers for unequalled riding smoothness! Lightweight, 4-ring pistons with top ring chrome-plated for economy and long life! Fully controlled hydraulic brakes with Cyclobond "no rivet" brake linings and independent hand brake! Moistureproof ignition for all-weather dependability!

Once you see... ride in... and drive this great money-saving 1/2-ton pick-up you'll know why owners all over town say they never expected "so much truck for so little money." And with our special credit terms, it's so easy to buy!

You can also get a 3/4- or 1-ton Dodge "Job-Rated" pick-up with high-side or low-side body on equally easy terms.

Nothing else like it! Fluid Drive—available on 1/2-, 3/4-, and 1-ton models—makes driving easier, increases truck life. This proved fluid coupling between engine and clutch makes starts smoother, protects your load.

The Only Pick-up Trucks With **Fluid Drive!**

NEW YADE
Guaranteed MOTHPROOFING SERVICES
NOW IN OPERATION

Protect CLOTHING FURS MOHAIR ALL WOOLLENS

Mrs. Housewife WE KNOW YOUR MOTH WORRIES

Our business is handling fine fabric. We know the destructive power of the tiny moth larvae. Over our counter daily come costly woolsens, fine furs, silks, velvets and other animal fabrics. We see the paths the moth cuts... the tattered edges, the aging spots, the little pin pricks that grow... and grow... and GROW. Whether it's a \$3,000 fur or a \$30 suit, we see the value disappearing.

Today, Science has an answer to the moth menace. Housewives couldn't kill all the moths, so YADE chemists mothPROOFED the fabric. We're glad we've got Y.A.D.E. . . . THE ONLY MOTHPROOF CONTAINING Fastox

Withstands Dry Cleaning AND WET-WASHING!

MR. D.A.'S CRIME CALENDAR

JUNE is the Month for...

TEEN-AGE TROUBLE: The end of the school term signals a fresh outbreak in juvenile delinquency. With school out—watch out! The new-found freedom from the restrictions and regulations of the classroom creates wild urges in our youngsters. Anything from runaways to car thieves to gas station stick-up men are in the making. Especially if they have no place to go and nothing to do, the temptation to break the law for the thrill involved is an impulse hard to subdue. Those term-end parties, we find, start the surge and delinquency is evident from the time school is dismissed clear through the summer.

BIGAMY: It follows that June, essentially the month of brides, is also the month of bigamists. The whirlwind romance and quick trip to the altar can have their heart-breaking aftermaths. About the only suggestion we could have is to get to know more about your mate-to-be. A little head-work keeps the heart happy.

ONE-ARM BANDITS: This is not a man; it's a machine. Right about now, with vacationists checking their resort lists, these one-arm bandits are in operation in lavish casinos and along the walls of not-so-lavish barns. Believe me, they can fleece the unwary as cleanly as any two-armed gambler. If your vacation spot boasts a network of slot machines, friend, your host may not be the Honest Joe he appears to be. While on the subject of resort gambling, here's another note: The crime investigations have driven many a tinhorn into hiding. Maybe he's turned up at your country paradise or your happy island to play for small stakes. Small stakes to what he's been used to—but maybe stakes you can't afford to lose.

WANTED: Farm Loans, 4% interest payable on or before maturity, Spur National Farm Loan Assn. Spur, Texas. 22-ctfn

WILL DO IRONING by piece, will take in plain sewing. See Roberta Phelps, 1/2 mile west on Experiment station road 33-1tp

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION

The State of Texas, County of Dickens.

WHEREAS, by virtue of an order of sale issued out of the District Court of Dickens County, Texas, on a judgment rendered in said court on the 17th day of May A. D. 1951, in favor of the said O. W. Young and against the said Ola Mildred Blanton, No. 2148 on the Docket of said Court, I did, on the 4th day of

Dated at Dickens, this 4th day of June, A. D. 1951.

C. C. KIMMEL, Sheriff of Dickens County, Texas, Anna Ruth Speer, Deputy 33-3tc

DEFENSE MOBILIZATION QUANDARY

BOOSTERS, From Page 1

by mail of such meeting.

Article V Jurisdiction

The jurisdiction of the Spur Boosters Organization shall always be within a framework of helping the bands, band director, and school board in a supplementary way. At no time shall this organization attempt to set policies that would conflict with those policies set within the framework of the school itself. By supplementing the school year.

Article II

Section 1. The Membership Fee shall be \$1.00 per school year, payable in September of the school year.

Section 2. Membership Fees will be mainly used for expenses in-

curved by the operation of the organization. Expenses such as advertising, stationary stencils, etc are to be covered in this way.

Article IV Jurisdiction Explained

Section 1. The club, nor no one member of the club, nor no one committee of the organization shall at any time cause friction in the community by stepping out of the framework of this constitution and set of By-Laws. Neither shall any part of the organization nor the organization itself attempt to set policies that would conflict with those of the school or band itself.

Directors elected at the Monday meeting were Oscar McClinty, E. H. Carpenter, Clyde Horn, Mrs. Willie Williams and Mrs. Lee Snodgrass.

Members voted to sponsor the securing of uniforms as their first project, with several contributing on the spot. Persons who wish to make donations toward this project may contact C. P. (Johnnie) Scudder or Dr. W. K. Callan.

Next meeting of the group will be held at 8 p. m., June 18 in the East Ward auditorium. The public is urged to be present.

4-H CLUB GIRLS From Page 1

Williams, Spur, first; Arlene Harvey, McAdoo, second; Linda Christopher, McAdoo, third; Darlene Marcy, Spur; Linda Hotchock, Spur, and Bobby Swann, Dickens.

Class IV was composed of dress-up dresses made by seventh and eighth grade girls. Winners were Lynna Arthur, Dickens, first; Nelora Winkler, Spur, second; Joy Walker, Spur, third, and Ann Putman, Melva Jay Owen, Kathryn Wade and Joyce Lasseter, all Spur 4-H club members.
