Chamber of Commerce Doings: PARK CLEAN-UP PROGRESSING; WELCOMING PLAN INAUGURATED

CITY PARK BEING CLEANED, MOVED

Much progress is being noted in the cleaning the city park with approximately one-half of the area cleaned and mowed. The improvement in the appearance is already noticeable with weeds and grass as high as six feet tall being mowed.

Several rocks and iron stakes have hampered progress somewhat, but the Boy Scouts will take their turn this week in helping remove objects that will break the mower. Last week the Boy Scouts planned to be in the park to help in this campaign, but rain came and they were unable to work as planned.

Last week the Cub Scouts cleared approximately one half of the park area and received refreshments, compliments of the Chamber of Commerce. In a short time our city park will be a suitable place for picnics and club activities. It is the duty of everyone who uses the park to help keep it clean and throw trash and cans in the barrels provided.

BUSINESSES WELCOME NEWCOMERS

Starting this week the Chamber of Commerce will issue certificates of appreciation to new comers who establish residence here in Spur. The appreciation certificates will be taken to several businesses which will present the new arrivals with small gifts of welcome as residents of Spur. Some of the first to be welcomed in this manner are Mr. and Mrs. Paul Sweat, Mr. and Mrs. Rodger Hopsby and Mr. and Mrs. Weldon Skinner. Sweat is the recently appointed Agriculture instructor in the Spur high school. Skinner will assume duties as principal of Spur High School. Hornsby is in the oil business.

NO OPS CLINIC JULY 4

The District office of Price Stabilization has informed this office that the price clinic scheduled for Spur on Wednesday morning, July 4, will not be conducted. However, the reminder of the price clinic program scheduled in July will be maintained. All of the deadlines have passed for complying with OPS ceilings but several businesses are receiving their charts from the district office for correction. The Chamber of Commerce will be happy to assist in correcting the charts and will continue the OPS clinic for approximately five more weeks.

Don McGinty Places In 4-H Club Contest

Don McGinty, son of Mr. and Mrs. Oscar McGinty, was the high point individual at the Soil and Water Demonstration Team contest at the state 4-H Roundup last week end at College Station.

Eleven teams participated in the contest with first place going to Archer county with a score of 86 1/2 points with a possible 100. Team members were Gerhardt Jentsch, Wichita Falls; and Mack Rucker, Holliday, County Agent C. W. Wilhite was their coach.

Second place went to Cooke County with a score of 85 1/2 points, and third place to Raines county with a score of 84 points.

The high team and individual will receive pen and pencil sets from the Firestone Tire and Rubber company, sponsors of the contest.

County agent Charles Taylor of Dickens was coach for Don McGinty.

CRTC Loan Now In Final Processing Step

Tuesday, June 26, the Caprock Rural Telephone cooperative received word that the co-op loan has been approved by the Application and Loan division in Washington for the construction, and maintenance of rural telephones in this area, states James R. Wright, manager of the CRTC.

The application has now been forwarded to the engineers' office in Washington for final approval.

On Saturday, June 30, a delegation from the CRTC will meet in Lubbock with the deputy administrator from Washington to discuss details that must be considered immediately before and after the loan has been executed.

Recently a supplementary list for subscribers has been started in order to aid more subscribers to be among the initial ones to receive rural telephone service, according to Wright.

Rural families may get on this supplementary list by submitting applications for membership to the CRTC office or to members of the CRTC board of directors.

Mr. and Mrs. C. A. Fagan were in Lubbock on a business trip Tuesday.

Old Settlers Meet In Dickens Today

DICKENS, June 27. (Special)—

Free barbecue, free dancing and fun in general—plus a newly announced program feature, matched roping—have been promised in connection with Thursday's and Friday's Dickens Old Settlers reunion.

The reunion is sponsored by Dickens Civic club.

The matched roping will be at 2:30 p. m. Thursday, at Koonsman park. Odell Blackwell of McAdoo will compete against Leroy Murry of Guthrie and Bill Morrow of Abilene. They will rope four calves each. Total elapsed

time will decide the match. A girl sponsor contest also will be staged. All entry fees will go into a purse. The winner also will be awarded a pair of boots.

Koonsman park is just outside the south limits of Dickens.

Other Thursday's activities will start with the barbecue at 11:30 a. m., followed by a kiddie parade, a band concert by the Patton Springs High School band, an amateur contest, a dance at 4:30 p. m. to the music of Uncle Dee's old time band of Floydada and an 8 p. m. dance with music furnished by Mike Smith and his Pan-handle Cowboys.

Friday's program will include an old fiddlers' contest, a young fiddlers' contest, an exhibition square dance contest and afternoon and night dances.

New \$48,700 Disposal Plant Now Serving City Of Spur

Guest speakers will be Charlie

Coombs, Stamford attorney, who will address an expected crowd of 2,000 to 3,000 people at the dance platform on the courthouse square Thursday, and Judge Alton Chapman of the 116th judicial district, who will give the main address Friday.

NOTICE

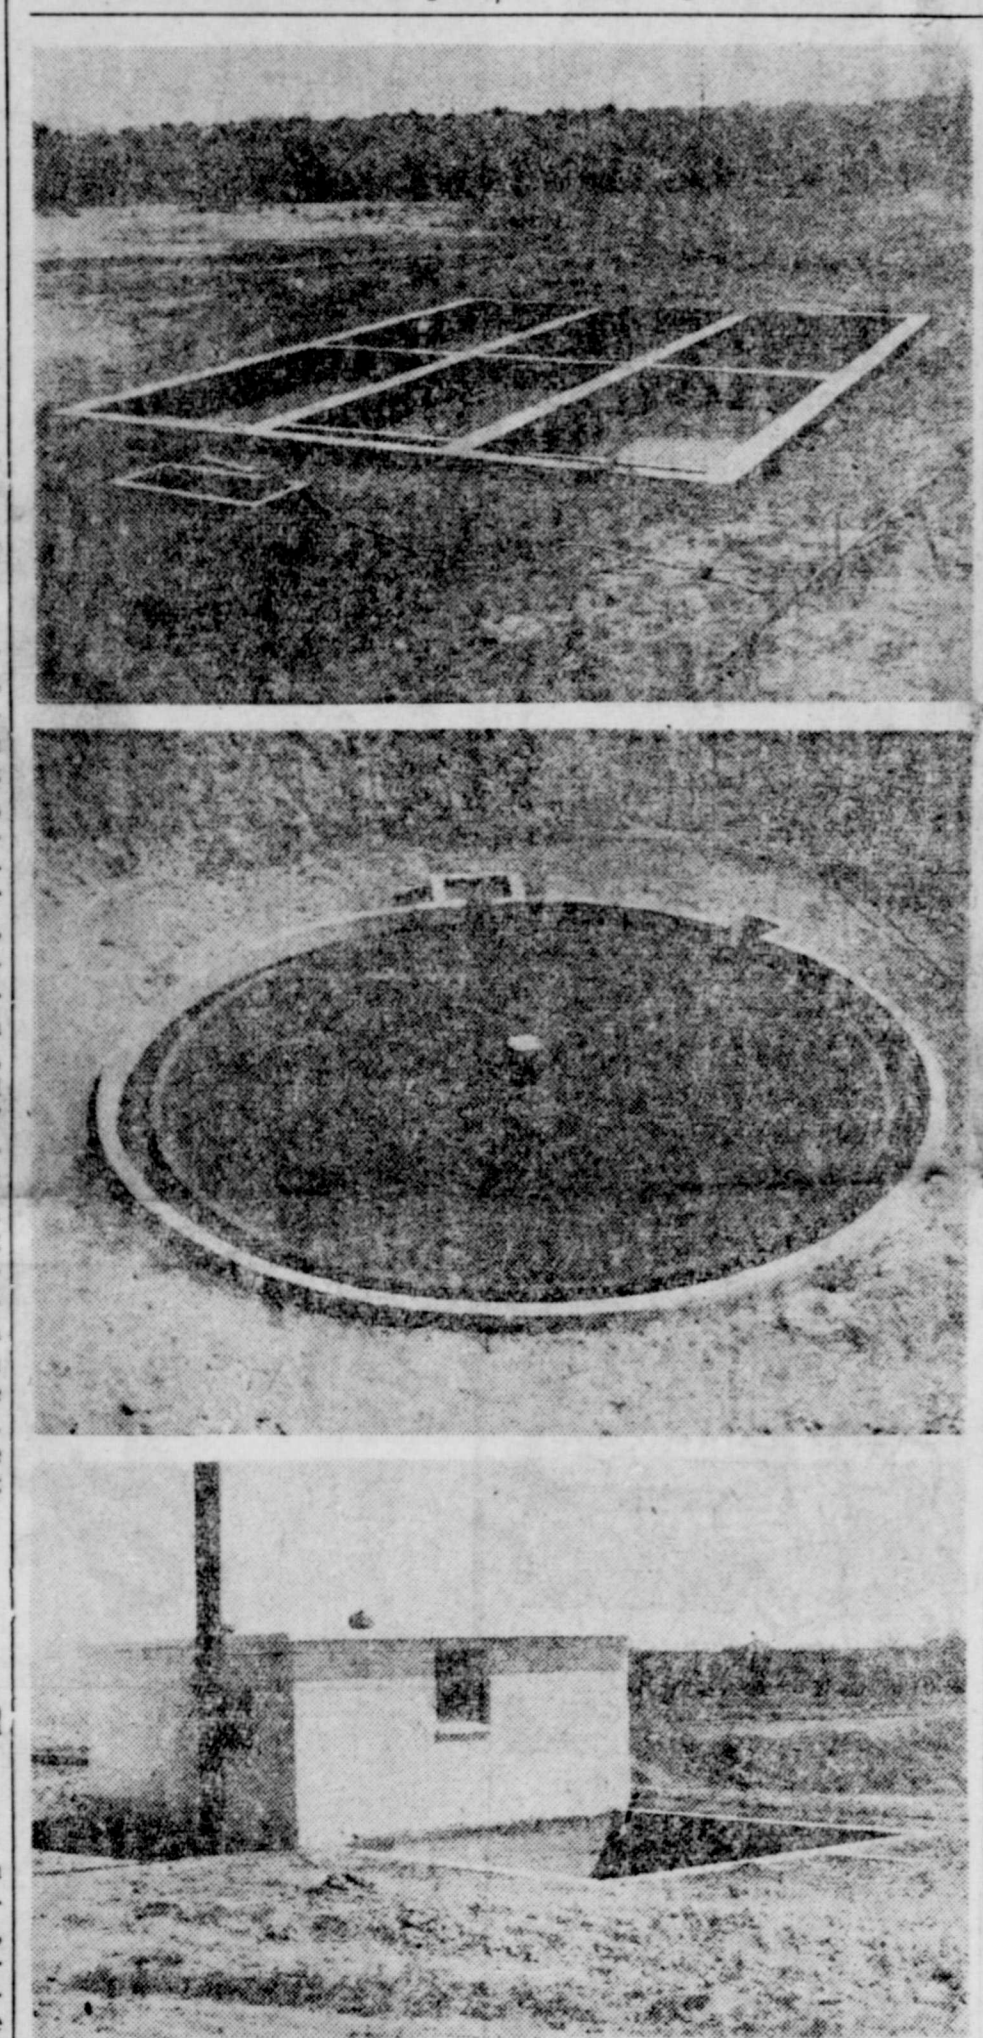

The 4-H Club girls will have a bakery sale in front of Campbell's Furniture Store, Saturday, June 30.

The money will be used to pay expenses for the girls to the 4-H encampment to be held at Roaring Springs, July 13 and 14.

Construction of Plant Completes \$150,000 Water, Sewer Improvement Project

Recently completed and now in use is the new \$48,700 City of Spur sewage disposal plant. Located south of town, adjoining the old plant, the completely modern and approved plant is now furnishing well over 80 per cent decontamination of Spur's sewage.

The new plant marked the final major project included in the \$150,000.00 water works and sewage revenue bonds voted by the city in 1948.

Pictured are the different units of the new \$48,700.00 sewage disposal plant recently completed by the City of Spur. Upper left shows the sludge drying beds where solids are dried and removed. Upper right are the trickling filter, a 100-foot diameter, rock filled structure where moss and algae account for an additional 30 percent treatment of impurities. Center left is the final clarifier where remaining solids are removed and pumped back into the Imhoff tank and the 80-plus percent pure water is drained into Duck Creek. Lower left shows the lift station which pumps the solids from the bottom of the final clarifier back into the Imhoff tank.

The new sewage disposal plant is approved by the Texas State department of Health and is capable of handling a city of 5000 population. The new plant is located south of town.

City Drug, Hoover-McAteer Meet Tues.; Proctor's Rallies

The high-flying City Drug still holds half game lead over the Hoover-McAteer team in the city softball league this morning, but the latter can go back into a tie for first tonight by winning over the Phillips "66" team.

Since last Thursday, Proctor's and the V. F. W. have swapped positions in the standing and the other five teams have held the same spots. Proctor's is now in a tie with the Fireboys for third place and the V. F. W. has dropped to fifth.

Games scheduled for last Thursday night were rained out and postponed until last Friday and Monday. Friday night Jerry Price pitched the Hoover-McAteer nine to a 10-8 victory over the V. F. W. to keep in pace with the league leaders.

Ken Hicks and the Fireboys took an easy 16-8 win over the error-plagued Baptist Monday night.

Tuesday night, the Baptists, on rebound from their drubbing at the hands of the Fireboys, gave the City Drug one of their most serious scares of the season, only to drop the game in the last of the seventh by a score of 8-7. Comperence, first class infield, and maximum batting power against the Hoover-McAteer's polished pitching and youthful desire to win. Record attendance is expected for next Tuesday night.

Following the match of the two top teams will be the battle for the cellar between the Baptist Brotherhood and the Phillips "66" teams. The Phillips bunch has a half game lead over the cellar-dwelling Baptists at this time.

FIRE DESTROYS WAREHOUSE; DAMAGES ESTIMATED AT \$10,000

Fire destroyed the warehouse and office of Merchant's Fast Motor Freight company in Spur Saturday, June 23, shortly after noon.

Twenty firemen of the Spur Volunteer Fire department fought the flames approximately forty-five minutes, but Fire Chief Norton states that flames were generally spread throughout the building when the fire-fighting equipment arrived, making it impossible to save the building or contents.

The building was constructed mainly of corrugated iron with wooden floors and partitions. Barrett states that a much smaller-than-usual amount of freight was in the building at the time of the fire.

The fire was allegedly started by near-by burning trash blowing into the open building. High winds and two large open doors quickly spread the flames through the building.

The fire was reported from the office of the Rule-Jayton Cotton warehouse just south of the Merchant's Warehouse. Firefighters were at the fire before the fire alarm whistle finished blowing.

Damages was estimated by Fire Chief Barrett at from \$8,000 to \$10,000.

Personnel working at the building had allegedly just left the building prior to the fire for lunch. No one was in the building when the fire was reported.

Although no firemen or spectators were injured while fighting the fire, Olan Daughtry and several other firemen experienced a temporary retreat from the burning building when an explosion occurred near the open door through which Daughtry was directing a stream of water. The origin of the explosion could not be determined, states Barrett.

Mr. and Mrs. M. L. Crafton are improving after being ill for some time.

Services Held For James Gragson, 36

Funeral services for James Ernest Gragson, 36, were held at 2 p. m. Monday in the First Baptist church of Spur. Rev. O. L. Dewesse, assisted by Dock Love, conducted the services.

Gragson died Sunday morning from third degree burns sustained when a spark from a motor pump ignited fumes of the gasoline he was unloading into an overhead tank at the Lubbock airport.

Gragson had been a driver for the past two months for the Petroleum Transport company, an affiliate of the Benton Oil company of Lubbock. He was unloading gas from his transport into a 6,000 gallon tank of West Tex Aircraft when the accident occurred.

Born in Wichita county in 1915, he came to Dickens county with his parents in 1922. He was married to Edith M. Wilhoit in 1933 at Spur. He and his family first moved to Lubbock from Spur 13 years ago. He returned to Spur for a year and then moved to Lubbock again last year.

Survivors are his wife, three

Hasie and Green Engineering company, Lubbock, were the engineers for the project and the contract for \$48,702.45 was let to H. Jordon and company, contractors, of Plainview.

The plant completed the plans laid by the city commission of 1948 which included new water wells, new pumping facilities, new water mains, new sewer lines and new disposal plant. The 1950 commission composed of Mayor Ned Hosan and commissioners Bynum Britton and E. C. McGee, directly oversaw the actual construction of the new plant.

The plant consists of three tankmajor steps, (see pictures) according to city secretary James Cowan. The Imhoff tank offers roughly 30 per cent treatment by removing solids and starting digestion of organic matter. Prior to the construction of the new system, the Imhoff tank was Spur's sole means of sewage disposal and was inadequate for a town of this size.

This tank was constructed by the city in 1943 and was added to this year. It includes large drying beds where the solids are dried and then hauled off in trucks.

The second major step in the new system is the Final Clarifier. This large tank settles the remaining solids to the bottom which are pumped back into the Imhoff tank for re-treatment. This process offers another approximate 30 per cent treatment.

The third and final step in the new system is the Final Clarifier. This large tank settles the remaining solids to the bottom which are pumped back into the Imhoff tank for re-treatment. This process offers another approximate 30 per cent treatment.

Approved by the Texas State Department of Health, Spur's new sewage disposal plant is one of the most modern and adequate plants for towns this size in the state. According to Cowan, the city of Henrietta, approximately 400 population, was awarded a state award and statewide recognition for the construction of a similar plant in that city recently. The new plant is capable of offering adequate disposal for a city of approximately 5000 population, states Cowan. At present, there are about 850 sewer connections in the city and the new plant will care for about 1500.

In explaining the reasons for the large plant, Cowan states that to cut down on the size of such plant would not appreciably cut down on the cost. He added that the plant is not too large for our present needs and is large enough to care for a reasonable increase in population for several years to come. He also added that all three steps in treatment are required for state approval.

Smaller projects included in the overall sewage disposal program included new lines in the Gabriel and Smart additions. Lift stations were installed in each addition. In the near future, according to Cowan, the city will construct several short sewer lines over the city and a large line to the proposed city hospital.

New Arrivals

Mr. and Mrs. Warren W. Pickens, Jr. of Brownwood, are the proud parents of a son, Noland Gene, born June 19, at Brownwood Memorial Hospital. The baby weighed 7 pounds.

Pickens is assistant county agent of Brown county. Maternal grandparents are Mr. and Mrs. Bedford Shearer of Lubbock, and the paternal grandparents are Mr. and Mrs. Warren Pickens of Spur.

A baby girl was born to Mr. and Mrs. Fike Godfrey Thursday, June 21, in the Crosbyton Children's Hospital. The baby, who has been named Jan, weighed 7 lbs. 6 oz.

Mr. and Mrs. Bud Harris are the parents of a baby girl born Tuesday morning at the Crosbyton hospital. Her name is Helen Ruth.

Texas HD Clubs Civil Defense Work

COLLEGE STATION, June 28—Early in January, Texas home demonstration club women began their civil defense work. The county home demonstration council appointed Civil Defense Chairmen to coordinate their efforts with the county defense program. Each club selected a chairman to extend the plans into every community. The immediate goals were first aid and home nursing training for each family. Maurine Hearn, State Home Demonstration Leader for the Extension Service of A. & M. College, says many counties have completed this initial training. She says home demonstration agents have assisted in giving information and arranging for the American Red Cross courses. Two bulletins, "Survival Under Atomic Attack" and "What You Should Know About Biological Warfare," have been distributed.

Miss Hearn says indication of the value of this type of preparedness was shown during the recent tornado disaster at Olney in Young County. Lucille Kink, home demonstration agent, had just completed a demonstration with the 4-H girls on "What To Do In Case of An Atomic Attack." The girls reported they knew to crawl under their desks and away from the windows, so there were only a few scratches as a result.

The Olney and Graham Home Demonstration Clubs had just completed their first aid course, and were ready to assist. They helped set up an emergency feeding station for the workers clearing away the debris. The Indian Mound, Ellasville, Loving and Proffit Home Demonstration Clubs sent collections of clothing, towels, bedding and cooking utensils. Jake Eddleman and Red Top Home Demonstration Clubs contributed money.

Every club in the county is making a survey of the number of people their communities could care for in emergencies. The tornado showed them the necessity of being prepared.

Cotton Variety Test Results Announced

COLLEGE STATION, June — Hi-Bred and Deltapine (TPSA) produced the highest average yields in the cotton variety tests conducted at the Big Spring Experiment Station for the last three years, announced F. E. Keating, Big Spring station superintendent. "Average per acre yields of 214 and 211 pounds of lint were obtained from Hi-Bred and Deltapine (TPSA)," said Keating. Other high yielding varieties were Stormproof 1; Paymaster 54; Stoneville (TPSA); CA 89A Stormproof; Texacala, Rogers; and Northern Star. These varieties varied in average acre yields from 206 and 191 pounds, in the order named, Keating reported. In the 1950 test, Stoneville (TPSA) produced the highest yield, with 354 pounds of lint per acre. Deltapine (TPSA) Stormproof 1, Paymaster 54 and Hi-Bred were the four next highest

yielding varieties for the single year. All produced more than 300 pounds of lint per acre.

Keating reported these results in Texas Agricultural Experiment Station Progress Report 1372. This report, which is available from the Publications Office, College Station, Texas, also gives the percentage of lint, staple length and number of bolls per pound for each of the varieties tested. In addition to the regional test, results are reported on a supplemental cotton variety test—conducted on varieties and strains which may possibly be adapted to West Texas conditions.

Aluminum Pipe Lines Hold Promise of Lower Oil Costs

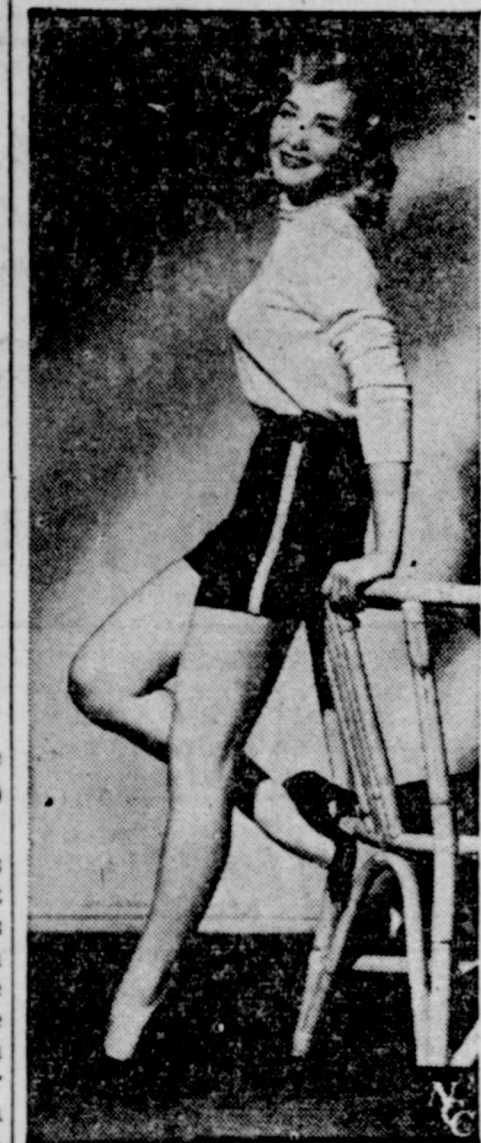

A new development in petroleum transportation is the use of aluminum pipe lines. The lightweight lines are said to be easier and less expensive to lay than steel. Lighter construction equipment can be used, the pipe does not require preliminary cleaning,

Why It's Called "Service"

When the oil industry calls its retail outlet "service stations" it really means just that. Just how much service is given can be seen in the report by one statistically-minded oil company that in 1950 its dealers wiped 129,024,700 windshield, checked 123,863,700 tires, filled 78,834,300 radiators, and checked 47,739,100 batteries—all for free.

does not have to be wrapped, and is much easier to weld than steel pipe. In operation, aluminum pipe is reported to have less internal friction than steel pipe. Pipe lines speed the flow of oil and oil products from wells to refineries to consumers.

Church Under Fire

Lesson for June 24, 1951

ABOUT two thousand Christian missionaries have been forced to leave China during 1950 and 1951. In more than one country "freedom of religion" has meant, in practice, freedom to ridicule and hinder religion. In Spain, Protestants are forbidden to use the name "church," to meet in any building on a main thoroughfare, or to worship in buildings that in any way resemble a church. In Colombia, churches have been burned by mobs without the slightest interference from the police. All this is bad; but it is nothing new.

When Christian Meant Criminal At the time the Christian religion began, it came under fire from the authorities of Jerusalem. It was to be expected that the same men who had condemned, cast out and crucified Jesus would try to stamp out his followers as well.

But one of the leading men of Jerusalem said, in effect: "If this new cause is God's cause there is no use in our fighting it." It was God's cause, and so the opposition at Jerusalem not only did not stop or destroy the church but actually succeeded in spreading it. As the new Christian religion then moved out into all parts of the Roman Empire, at first the imperial and local authorities paid it no attention; and in fact for some years it enjoyed the protection of the government. So long as it was supposed that Christianity was simply a sect of Judaism, the Roman government let it go.

But when it came out that Christianity was a new religion, and especially when it became clear that the Christians acknowledged only one Lord, and would not worship the Emperor, the Roman government began a long series of persecutions, which lasted for close to three

Inspiration Behind Bars

FIVE letters of Paul, including II Timothy, were written from Roman jails, and reliable tradition tells us that Paul was finally beheaded just because he was a Christian.

If you will look on a map of the Roman Empire for the places mentioned at the beginning of I Peter, you can see how widespread was the "fiery trial" which the readers of that letter were then suffering. As for the book of Revelation, its writer was, he says, "on the island of Patmos for the word of God and the testimony of Jesus Christ." Patmos Island was no rest-haven for tired missionaries; it was not a missionary field either. It was a barren island, a convict camp, where many Christian missionaries, on being arrested, were sent after their trial and sentence, to work at forced labor in the mines there.

If the scenes of that book often flow with blood and blaze with fire, it is not because the writer had a too vivid imagination. He might have seen with his own eyes Christians, men, women and even children, with their heads chopped off by the public executioner, or dying amid the flames at the stake. Those were terrible times, and it took courage to be a Christian at all.

The Victory THE message of the New Testament is never optimism, but always hope. That is to say, no one in the New Testament, from Jesus in Galilee to John on Patmos, holds out any promise or picture of smooth and easy going for the Christian church.

It will have trouble, and the more faithful it is to Christ the more trouble it is likely to meet. But in the long run, Christ's true church (which means simply all those who are true to Christ) will conquer all her enemies, for the reason that it is Christ's church and not ours alone. It has recently been reported that the Russian government has thought up a smart idea. They find that the more religion is persecuted, the more stubbornly vigorous it grows. So the government has given up persecuting religion, and proposes to let it "die on the vine."

That may work, if Christians have too easy a time, the church will attract only the lazy and the comfort-loving—which will kill off the church. But the vine will not die, if only every branch is close-joined to Christ, the ever-living Vine of God.

Mr. and Mrs. W. F. Patrick were called to Lamesa on Friday to attend the funeral of her grandmother.

Ann Hull, David Haines United Friday In Spur

Miss Ann Hull, daughter of A. C. Hull of Spur, became the bride of David Haines, son of Mr. and Mrs. Paul Haines of College Station, in a formal ceremony at the First Baptist Church, Saturday evening at 8:30 o'clock.

The Reverend Cal Wright, pastor of the First Methodist Church of Spur, read the double ring ceremony as the couple stood before an arch covered with woodwards, jade and emerald greens and white miniature chrysanthemums, flanked with sunburst arrangements of white gladioli and white chrysanthemums. The altar was lighted with white cathedral tapers, and the bride's aisle was marked with white gladioli and white chrysanthemums.

Mrs. Malcolm Edwards, organist, played traditional wedding music. She accompanied Malcolm Edwards who sang "At Dawning," and, at the close of the ceremony, "The Lord's Prayer," Malotte.

Entering the church on the arm of her father, the bride wore a gown of white organza with draped bodice and full skirt with scalloped hemline of imported Chantilly lace ending in a chapel train. Her shoulder-length veil of illusion fell from a scalloped Chantilly lace cap. She carried a traditional bouquet of stephanotis and lilies-of-the-valley showered with white satin streamers. She wore a single strand of pearls, gift of the bridegroom, and white organza gauntlets.

Mrs. Harry H. Jung, Jr. of Spur was matron of honor. She wore a gown of green marquisette over matching taffeta, with shirred, tightly fitted bodice, bouffant skirt and matching mits. Her wide-brimmed hat was of creamy white horsehair braid circled with green ribbon. She carried a basket of yellow chrysanthemums and yellow carnations accentuated with philodendron.

Bridesmaids were Misses Patsy Klaver of San Antonio, Jinny Leon of Rotan, and Mrs. Tom Edwards, sister of the bridegroom. Miss Sue Hull, sister of the bride, was junior bridesmaid. Their

costumes were identical to that of the matron of honor. Kathryn Edwards, daughters of Captain and Mrs. Tom Edwards, served as flower girl, wearing a yellow net dress and bandeau, and carrying a miniature basket of flowers. Her brother, Tommy Edwards, was ring bearer.

Keith Haines, brother of the groom, served as best man. Groomsmen were Lt. R. L. Haines of Fort Sill, Okla., A. DeLoach Dallas, Mr. and Mrs. John A. Martin, Jr. and Ferris Brown of Abilene. Ushers were Kirk Gregory of McCamey, Robert B. Johnson and Neal A. Chastain of Spur.

The bride's maternal grandmother, Mrs. J. A. Ward of San Angelo, wore a gown of crepe and lace with a corsage of gardenias.

The groom's mother wore a gown of aqua lace over taffeta with matching hat. Her corsage was of white gardenias.

Hostesses at the reception held at the home of Mr. and Mrs. E. D. Engleman, 922 West Harris, were Mesdames Engleman, Tom Milam of Lubbock, and R. K. Blackshear.

The bridal table in the patio was centered with a three-tiered wedding cake with hurricane candles on either side. The circular tables at each end held crystal punch bowls surrounded with greenery and yellow chrysanthemums. Assisting with the serving were Mesdames Malcolm Brannen, Milam, Dick Barron, Bynum Britton and Reese McNeill and Miss Doris Gibson.

An arrangement of birds-of-paradise was featured in the living room where the gifts were displayed. Miss W. M. Hilley presided at the bride's book.

Others in the house party were Mesdames Roy Stovall, James B. Reed, L. D. Ratliff, Jack Rector and Neal Chastain; also Misses Kathryn Gaines of Oklahoma City, and Carolyn Henshaw of Haskell.

Out-of-town guests other than those in the bridal party were Mrs. Clyde Gaines of Oklahoma City, Mr. and Mrs. Rip Ward and Albert

of Sonora, Mr. and Mrs. Ernest Leonard and Robert A. of Austin, Miss Marilyn Lawton of Dallas, Mr. and Mrs. John A. Ward, Jr. of Sonora, Miss Dorothy Corder of Burnet, Mrs. DeLoach Martin, Jr. of Dallas, Mr. and Mrs. Ty Allen of Roscoe, Mr. and Mrs. Dee Hull of Lamesa, Mr. and Mrs. J. D. McBrien of Floydada, and Mr. and Mrs. Algie S. Smith of Big Spring.

Also Mr. and Mrs. Bob Stumbaugh of Lubbock, Mrs. Hill Perry and Miss Mary Berta Perry of Mineral Wells, Mrs. Bullock Tillotson of Stamford, Mr. and Mrs. Jeff Hynie of Abilene, Mr. and Mrs. C. L. Harris of Lubbock, Mr. and Mrs. Ward Gregory of Houston, Mr. and Mrs. Jimmie Maddox of Maryneal, Mr. and Mrs. C. E. Leon of Rotan, Mrs. Gladys Addison and Mary Sue, and Miss Mary Wood of Waco.

For a wedding trip to Kerrville and Houston, the bride wore a beige suit of imported silk faille with a hat of beige lace and a corsage of brown cymbidium orchids. After their trip the couple will live at the Haines' family lodge on Lake Woodrow until he enters military service late in the summer.

The bride attended Stephens College and the University of Texas where she was a member of Chi Omega sorority. The bridegroom is a graduate of A. & M. College.

BRIDE COMPLIMENTED WITH SHOWER RECENTLY

Honoring Miss Ann Hull, who became the bride of David Haines, Saturday evening, a bridal shower was given at the home of Mrs. Roy Stovall, 921 W. Harris, Wednesday, June 20. Guests were invited to call between 4 and 6:30 o'clock.

Receiving the guests were Mrs. Stovall; the bride-elect; Mrs. J. H. Ward, grandmother of the bride; Mrs. Clyde Gaines, aunt of the bride; and Mrs. Paul Haines mother of the groom. Mrs. Harry Jung presided at the guest register.

The serving table, appointed with silver and crystal, was laid with green and yellow mint centers. Plate favors were miniature pleated fans tied with satin streamers. When the guests' names of the honoree were visible.

Other members in the house party were Mesdames J. B. Reed, Malcolm H. Brannen, Reese McNeill, Bynum Britton and L. D. Ratliff.

Mr. and Mrs. Gray Draper returned Thursday from Bonham after spending a week with their son and family, Mr. and Mrs. Ruben Draper and son Ruben Paul.

Arlene Wilson and Billy Wyatt Wed In Candlelight Ceremony

In a candlelight ceremony Thursday evening, June 21, Miss Arlene Wilson and Billy Wyatt exchanged marriage vows before an improvised altar of flowers and greenery at the home of the bride's parents, Mr. and Mrs. L. S. Wilson, 713 W. Harris. The groom is the son of Mr. and Mrs. Bill Wyatt, residents of Kent county.

Rev. Cal C. Wright, pastor of the First Methodist church officiated for the double ring ceremony.

The altar, before the fireplace, was decorated with greenery and white gladioli, flanked by baskets of sunburst arrangements of white gladioli and greenery.

Miss Myra Ratliff played traditional wedding music and accompanied Mrs. Charlie Cravey, aunt of the bride, who sang "Because." White tapers in candleabra flanking the altar were lighted by Miss Beverly Wood as "Indian Love Call" was played.

Entering on the arm of her father, the bride was attired in an informal blue organza dress worn over white taffeta. She wore a blue net veil caught by a circle of daisies, and her fan-shaped bouquet was of white stephanotis with white streamers. The bride wore a locket which had belonged to her paternal great-grandmother, and carried a sixpence in her shoe given to her by Mrs. L. D. Ratliff. For something blue, she wore a blue satin garter borrowed from Miss Margaret Wood.

Miss Lenora Wilson attended her sister as maid of honor. Her dress was of pink taffeta trimmed with organza lace. She carried a

Love-Young Rites Are Read In Clovis

Miss Dorothy Virginia Love and Gordon Young of Fort Sumner, New Mexico, were married in a single-ring ceremony at 9:30 o'clock, Sunday morning, June 24, in the First Presbyterian Church at Clovis, New Mexico. Rev. A. M. James was the officiating minister.

The bride is the daughter of C. L. Love of Spur. Mr. and Mrs. G. A. Young of Tulsa are the parents of the bridegroom.

For the ceremony, the bride wore an ice blue sally suit, with matching lace blouse and black velvet accessories. For something old she wore a platinum lace and diamond bar pin that belonged to her mother. Her bouquet was of pink rosebuds.

Those attending the wedding from Spur were C. L. Love, father of the bride; Leon Love, the bride's brother; and Mmes. Neitha Campbell and Troy Whiting.

Other out-of-town guests included Mr. and Mrs. Cline Edmonds, Thomas Leon, Edmonds, and Miss Virginia Edmonds, Watson of McAllen, Love Edmonds, Mrs. Edw. Carlow Okla., Dr. and Mrs. W. A. M. Ficaney and Miss

Barrett of Fort Sumner, N. M., Miss Zell Ellis of Las Cruces, N. M., and Mr. and Mrs. A. J. Young of Tulsa.

For the past three years, Mr. Young has operated a ladies ready-to-wear shop in Fort Sumner. The groom is a rancher.

After a short wedding trip to Santa Fe, the couple will be at home in Fort Sumner.

Anita Cunningham, R. Stewart Wed

Mr. and Mrs. Kermit Cunningham are announcing the marriage of their daughter, Anita, to Robert Stewart, son of Mr. and Mrs. Frank Stewart.

The couple were married Thursday morning, June 21, in Clovis N. M. Attending the couple were Mr. and Mrs. Charlie Arrington.

The bride and groom are both 1951 graduates of Spur High school. They plan to make their home in Spur where Stewart is in farming business with his father.

Bonnie Beth Henry Engagement Told

Mr. and Mrs. J. W. Henry announced the engagement and approaching marriage of their daughter, Bonnie Beth, to Travis Jordan, son of Mr. and Mrs. S. T. Jordan of Amarillo, with a tea given at their home, 719 N. Carroll, Sunday afternoon.

The wedding will be solemnized on August 11 at the First Methodist Church of Spur.

The bride-elect and her mother were in the receiving line with other members of the houseparty including Misses Margaret Wood, Myra Ratliff, and Mesdames Marion Hurst and Billy Jack Pitts.

The serving table was laid with a crocheted white cloth with a centerpiece of yellow and white daisies. Green and gold ribbons with names of the couple were used to announce the event in the chosen colors of the bride-to-be.

Fruit punch, cookies and nuts were served to approximately 65 guests.

Meat Price Ceilings Posted June 25

Official charts of retail beef cut ceiling prices were posted in meat shops throughout the country on June 25, says the district OPS office at Lubbock. This date for posting ceiling prices was a week later than previously announced and was finally selected as the date to allow for last-minute price revisions and distribution.

Housewives can refer to the price charts which must be posted by butchers in a readily visible place, to be sure they pay no more than the ceiling price for beef set for this area. The district OPS explained that the ceiling prices for

beef cuts have been determined by geographic zones of the country.

The listed prices are for the cuts that are legally required by OPS. In addition to the posted price charts, retailers are required to have separate grades in separate trays with each tray tagged with its correct price.

New price charts showing lower prices will be effective August 1, and still lower prices will go into effect October 1. After the last reduction, beef will be selling at retail from 8 to 10 cents less, while cattle prices will be about 25 percent higher than parity.

Along this same line, the Office of Price Stabilization is now engaged in a study of dollar-and-cents price ceilings at wholesale for veal. Provisions for a retail

veal price regulation have already been studied. The proposed wholesale and retail ceiling price regulations of veal will be issued together and will be patterned after the beef regulations now in effect. The district OPS office explained that before the regulations are issued that OPS discusses the problems involved with members of the industry. Both large and smaller packers and wholesalers make up the 13-man industry advisory committee on veal.

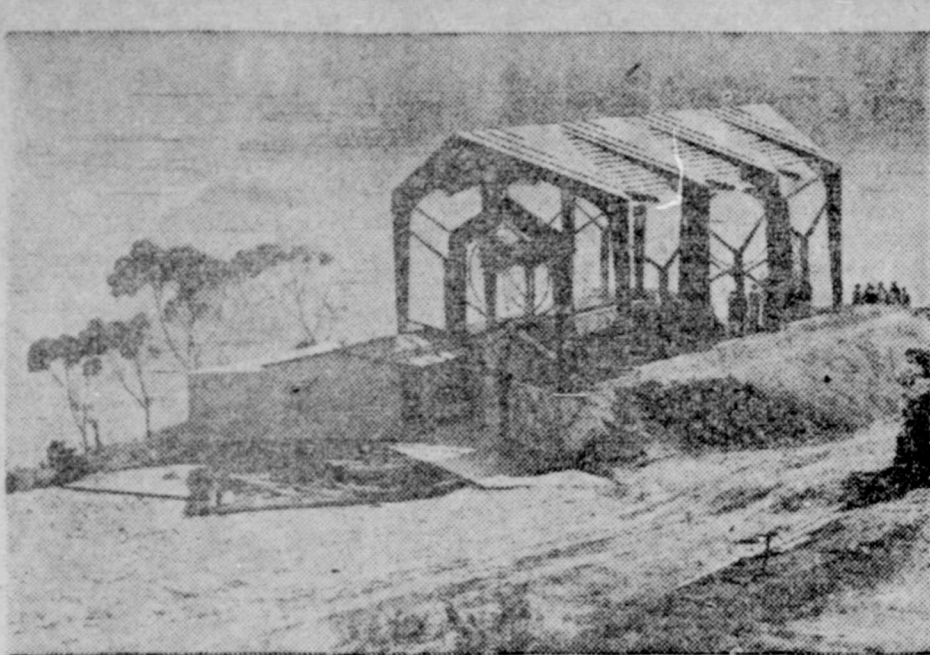

Apparel Prices Regulated
Practically all types of men's, women's, children's and infants' apparel is brought under ceiling price regulation at the manufacturing level by the Office of Price Stabilization, the Lubbock district office announced. The new manufacturers' regulation is CPR 45.

Purpose of the new manufacturing regulation which producers must comply with by August 15, is to roll back any cost margins that may have been widened since pre-Korean days, to restore normal cost-price relationships and to grant makers any needed relief from the general freeze order.

In addition to most kinds of garments and underwear, the regulation controls prices on bathing suits, handbags, neckwear, scarves, earmuffs, garter supporters, and other items important in the family budget. The apparel manufacturers' ceiling price regulation (CPR 45) is a further step in the planned program of providing "tailored" or special OPS regulations to cover the needs of each industry and to further hold values of the buying power of our dollars, the OPS district office said.

District Price Executive, C. J. Taylor, reminded sellers of most consumer services that their deadline for filing came last Friday, June 15. However, those who have not posted their ceiling prices on services in their place of business and have not sent along a duplicate copy to the district office, should do so immediately in order to continue to operate their businesses legally.

Deadline Is Set For Patrol Applicants

AUSTIN, June 28 (Sp) — Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today that the closing date for receiving applications for appointment as Texas Highway Patrolmen is July 10th.

Young men who are citizens of the United States and who have resided in Texas for at least one year immediately preceding the date of their application and who are between the ages of 21 and 35 years, inclusive, with a minimum height of 5 feet, 8 inches; and who meet the other necessary physical, mental and character qualifications may secure application blanks from their nearest

Texas Highway Patrol District Office or by writing to W. J. Elliott, Chief, Texas Highway Patrol, at Austin.

Garrison pointed out that the patrol offers excellent advantages in working conditions to young Texans who are interested in career law enforcement.

Applicants who successfully pass the exhaustive character investigation and field examinations will be thoroughly schooled at the Department's headquarters in Austin early this fall before assignment to duty posts over the State.

Game Commission Asks For Zoning

AUSTIN.—The Federal Fish & Wildlife Service is being advised that Texas still prefers zoning the state for the waterfowl hunting season.

The Executive Secretary is forwarding to Washington the resolution, adopted at the Game, Fish & Oyster Commission's meeting in McAllen, re-asserting the requests that the Federal Fish & Wildlife Service act on the suggestion. The details of the plan as to the boundary within the state and the separate hunting dates would be arranged after the principle of zoning has been determined.

The Commission's action is in line with a recommendation by the newly organized Outdoor Writer of Texas. That group recently suggested that Texas is so large that sportsmen can obtain a fair opportunity to hunt waterfowl only through a zoning plan. At its McAllen meeting, the Commission discussed progress of the four experimental and demonstration areas established in the

state. It decided to concentrate on these projects, as a means of improving hunting and fishing, rather than authorize any other areas for the present.

The Commission accepted the retirement request of H. F. years.

Faubion as Assistant Executive Secretary, and promoted Chief Clerk W. J. Cutbirth, Jr., to succeed Mr. Faubion. Cutbirth, a Navy veteran of World War II, has been in the department for 20 years.

Sequel To "Father of The Bride" Showing At Palace Sunday - Monday

The captivating Banks family, whose adventure in "Father of the Bride" provided one of Hollywood's most hilarious movies, are back again in M-G-M's follow-up picture, "Father's Little Dividend," showing at the Palace Theatre, Sunday and Monday. And they are more lovable, lovable and laughable than ever!

In the original story, we left Spencer Tracy, as Stanley Banks, and Joan Bennett, as Mrs. Banks, exhausted but happy at having launched their "little girl," Kay (Elizabeth Taylor), over the threshold from unexpectedly grown-up daughter to budding bride. The new adventures revolve themselves about the Stanley Banks becoming a grandfather!

It's all here as it happens in all families whose daughter is "expecting." The typical "Stork Shower," the fears of the young expectant mother, the issue of which doctor is the best, the arguments as to what the baby will be named, the period of tentativeness in which Stanley and Ellie are riveted to the telephone in case of an emergency call. Then the turbulent excitement of the baby's birth, further jealousies between the respective parents-in-law, each of whom want a hand in the raising of the young heir, the inevitable spat and reconciliation between the inexperienced young married couple, and finally, when all seems well, with Kay and Buckley established in a home of their own, Stanley by an unexpected misadventure comes close to losing the baby! But all ends happily, with a final fadeout at the infant's christening with the distraught grandpa coming into his reward when the baby is named "Stanley."

Tracy's portrayal of the man who finds it difficult to reconcile himself to the fact that he has reached the grandfather stage is both humorous and touching and his scenes with the baby, whose initial antipathy toward him turns to affection, are a sheer delight. The others in the respective Banks and Dunstan families are similarly ingratiating, with Joan Bennett again proving an admirable helpmeet, Elizabeth Taylor and Don Taylor enacting a young couple who might be living next door, and with Billie Burke and Moroni Olsen providing laughs as the

Lt. Bill Starcher will be in Spur visiting with his mother until July 7, when he will have to report back to Lackland Air Force Base in San Antonio. Mrs. Starcher made the trip to San Antonio last week to see Bill receive his commission and he returned with her Sunday. Lt. Starcher is with the intelligence department.

Mr. and Mrs. Billy Suggs of Chemawa, Oregon, have been visiting her mother, Mrs. Jewel Fox of Lubbock, and his mother, Mrs. J. A. Suggs of Spur. They also visited with his sister, Miss Ila Vell Suggs and Mrs. J. P. Wright and family.

rival "in-laws."

Screen writers Albert Hackett and Frances Goodrich, Director Vincente Minnelli and Producer Pandro S. Berman, who made up the team responsible for "Father of the Bride," were retained by M-G-M for the sequel picture. In "Father's Little Dividend" they have repeated their earlier success and have given the screen another delightful family comedy. We can't wait for the next installment!

Campfire Service Held For MYF

Members of the local Methodist Youth Fellowship attended a campfire service in Swenson Park Sunday evening. Lawrence Cook was in charge of arrangements for the campfire.

Miss Barbara Nalley led group singing and also sang a solo.

Misses Ginger Walker and Myra Ratliff told inspirational stories in keeping with the service. In closing the group sang, "Into My Heart" around the campfire and left in silent meditation.

Approximately twenty members attended. Plans for a swimming party and picnic on Friday, June 29, at 6:30 o'clock were discussed.

Cosmetics Studied By Highway Club

The Highway Home Demonstration community building Monday afternoon, June 25, with Mrs. Conley Smith as hostess.

Mrs. Forrest Martin has been selected as nominee for delegate to the state Home Demonstration association meeting.

Cosmetics were the topic for

study at the afternoon meeting, with Mrs. Bob Greer giving a short lecture and demonstration.

Several sales were made with the club receiving a percentage of the sales for its treasury.

Refreshments of punch and cookies were served to seventeen women and children.

The next meeting will be at the home of Mrs. Cecil Estep July 10.

Trip To Colorado Made By Seniors Of Patton Springs

The Patton Springs senior class has returned from its 1500 mile trip to the state of Colorado.

Leaving Monday morning, June 18, the group spent most of their time in the Colorado Springs and Denver areas. While in Denver a tour was made of the state capitol building, the Museum of Natural History and the zoo.

On the return trip, a stop was made in Canon City. Here they viewed the Royal Gorge and bridge and visited Colorado state Penitentiary.

Seniors making the trip were Tiny Bateman, Robert Bourell, Barbara Dawson, Lera Frazier, Ella Hyatt, Earline Lawrence, Jean Ragland, Patsy Rich, Dale Sedgwick, Thelma Smiley and Tom Yeates.

Accompanying the seniors were their class sponsor and family, Mr. and Mrs. Paul Sweatt, Marcus and Ronnie, class mothers, Mrs. W. F. Ragland and Mrs. Charlie Sullington, and two guests, Mrs. Oscar Stokes and Mrs. Nellie Bateman.

The balance left in the class

treasury, \$31.24 will be used to start a fund for an electric scoreboard and clock to be placed in the Patton Springs gymnasium.

Other donations to this fund would be greatly appreciated.
