OPEN HOUSE SLATED FOR NEW GIRARD SCHOOL

An open house will be held in Girard Friday, August 31, at 7:30 p. m. for inspection of the new school building.

M. H. Galbreath, superintendent of Girard schools, urges everyone to come. The P-T-A. will serve refreshments.

DICKENS NINE HOSTS TURKEY SEPTEMBER 2

The Dickens baseball club will be hosts to the Turkey nine Sunday afternoon, September 2. The game is scheduled to start at 2:30 in Koonie Park in Dickens.

Mr. and Mrs. Jim Koonsman and James attended the horse races in Raton, New Mexico, Sunday. They also visited other points of interest in New Mexico before returning home.

Chamber to Start Weekly Broadcast From Floydada Station Sunday Afternoon

Dial 900 kc on your radio dial Sunday August 2, and listen to your Chamber of Commerce broadcast.

The board of directors met Friday August 24, in a special meeting and voted unanimously to have the Spur Chamber of Commerce broadcast each Sunday from 3:15 to 3:30 p. m. by remote facilities from the Chamber office. Present at the board meeting were George Gabriel, Dr. W. H. Brannen, Coy McMahon, Guy Karr, Lester Garner, Bob Blackshear, Lewis Lee, Fike Godfrey, D. J. Dyess and absent were J. D. McCain, W. T. Andrews, and O. L. Kelley.

The broadcasts are being arranged and the public is invited to give suggestions in arranging any type of public service program that will be of benefit to Spur. The Chamber is interested in diversity and will consider any suggestion.

The first broadcast will be by Charles Fisher, manager of the Spur Experiment Station. The first of the K F L D studio and the following broadcasts will be through remote facilities.

Fisher's program will be an educational and informative type talk with the discussion of experimental work and an overall picture of the work at the experiment station. He will discuss progress made by experiments from 1927 through 1950.

Future program will be planned several weeks ahead and there will also be some tape recordings by the Chamber to send to K F L D during the week. Programs will consist of every phase of activity and will be for the purpose of publicizing Spur.

The recent purchase of a tape recorder will enable programs by delayed broadcast. The Spur high school band will be on hand August 16 to entertain on the Chamber program. Other possible programs will be a round table discussion by all ministers, sports news by Coach Sam Hawkes, history of business by the Chamber, City Government by Mayor Hogan, and many others.

If you like the broadcast write the Chamber of Commerce, box 1435, Spur, Texas. We also invite suggestions and criticism for improvement. The first broadcast from the chamber office will be by remote control on September 9.

This is the last chance businesses will have to get in on the Treasure Hunt sale. If you have not been contacted by a committee and you want to get in on the big sale, call the Chamber and get the information needed to become a Treasure Hunt merchant.

The merchants are cooperating and some sixty or seventy have already put the signs in their store windows.

The people who come to Spur on the 5th of September should look for the sign in the window stating that this merchant is a Treasure Hunt merchant.

Price clinics are held in the Chamber office on Monday afternoon. You are invited.

The Chamber is happy to extend a hearty welcome to newcomers to Spur and invite them to visit the Chamber office for gifts of appreciation by the merchants of Spur. These are the newcomers this week: J. A. Alexander, A. D. Michel, Henry Mullins.

Guests of Mr. and Mrs. Henry Gruben this week were his son and his family, Mr. and Mrs. Henry Gruben, Jr. and David, of Pampa. Mrs. Gruben, Jr. received a bachelor of science degree from TSCW last week.

Wednesday, September 5, will mark the first city-wide Treasure Hunt day in Spur. Approximately 70 Spur merchants are cooperating in this program to offer Spur shoppers a full town of bargains and lots of fun seeking "treasure."

Here's how it works: The Spur Chamber of Commerce will mail 3700 numbered post cards to box holders in the Spur trade territory from Matador to Aspermont. Each of the participating Spur merchants have been assigned a number corresponding to a number on one of the cards mailed. The merchants will post the Treasure Hunt number inside their place of business on Wednesday, September 5.

To the holder of the card bearing the merchants Treasure Hunt number, will go a gift of at least \$5.00 in merchandise or cash.

In other words, if all the Treasure Hunt numbers in town are found by the one holding the corresponding post card over \$350.00 in merchandise and cash will be given away free next Wednesday.

Signs stating that a merchant is participating in the Treasure Hunt will be conspicuously posted in windows, according to Grady Elder, Chamber of Commerce manager.

At present, the following merchants are participating in the Treasure Hunt by agreeing to give a gift and to offer shoppers some real bargains in first class merchandise and service next Wednesday:

SPUR SOFTBALL CHAMPIONS HONORED

The Hoover-McAtee Hotrods are pictured above as their sponsors receive the Texas Spur trophy immediately following the league-winning game. Left to right are Don Hill, Robert Bradshaw, Billy Hoover, Jimmy Rainbow, Don Hindman, Jerry Price, Rayburn Thomason, Robert "Soapy" Stewart, Duane "Beanie" Durham, Vernell McAlpin and co-sponsors Buddy Hoover and Dave McAtee.

The team, the league umpires and commissioners were feted with a chicken barbecue by the team sponsors, Hoover-McAtee, Thursday night at Swenson park with Charles Taylor barbecuing the chickens. Potato salad, assorted relishes, iced tea and homemade ice cream were served to guests as trimmings.

SPUR SCHOOLS TO OPEN MONDAY; TEACHER ROSTER ANNOUNCED

At 9 a. m. on Monday morning, Sept. 3, the Spur public schools will open for their regular work. New teachers in the local schools are Mrs. Paul Sweett, Miss Sue North, J. E. Bachman, Henry Mullins, Miss Joann Akens, Paul Sweett, Weldon Skinner and Miss Lavenia Wilson. Miss Leola Ruth Johnson is a new teacher in the Haynes school.

The faculty roster, including ten teachers who hold master's degrees, includes C. F. Cook, M. A., superintendent of Spur public schools; Weldon A. Skinner, M. A., high school principal and junior high principal; Sam T. Hawkes, B. S., assistant high school principal, coach and general math; Miss Rena Noack, B. A., English; Miss Joann Akens, B. A., English; Mrs. Alva Brannen, B. S., natural science; Mrs. Floy Grimland, B. A., commercial subjects and Spanish; Mrs. Ila Johnston, B. A., social science; Billy Hahn, B. S., assistant coach, junior high math, junior business; James W. Jay, B. S., math; Melvin King, B. M., band; Paul Sweett, M. S., vocational agriculture;

Miss Lavenia Wilson, B. S., homemaker; Miss Dorothy Taylor, B. S., speech; Bruce Brown, M. A., East Ward principal; Mrs. Anna Mae Bloomberg, B. S., first grade; Mrs. Stella Browning, B. S., first grade; Mrs. LaFaye Marcy, B. A., first grade; Miss Eula Whitaker, B. S., first grade; Mrs. Doris Moore, B. S., second grade; Miss Sue North, B. A., second grade; Mrs. Paul Sweett, B. Teachers in Hayes school are G. W. Kerr, B. S., principal and eighth thru twelfth grades; Mrs. Louise Kerr, B. S., first thru third grades; and Miss Leola Ruth Johnson, B. A., fourth thru seventh grades.

The lunchrooms will be in operation Monday. They will operate under the same personnel as last year. The price for each lunch will be 25c. It is requested that lunches be paid for in advance.

Buses will begin their regular schedules on Monday morning. Bus drivers who will drive the same routes as last year are A. C. George, Ila Simmons, J. L. Hamilton, Logan Singleton, Gene Rob-

erts and Garner Young. Mr. Alldredge will run the Red Mud, Peaceful Hill route in Bus No. 6.

The principals' reports will give information concerning the individual grades and schools. They will also give the methods for assignment in each school.

The fine spirit of cooperation the public has extended the school has been greatly appreciated, states Cook, school superintendent. "It is our earnest desire that this fine help will continue through this school year."

East Ward School There will be an assembly in the Primary building auditorium at 9 a. m. Monday morning. New teachers will be introduced. Parents and the public are invited to attend the opening and meet the new teachers. Principal Bruce Browning has announced.

All pupils who were enrolled in the Primary or East Ward buildings last year will be enrolled and assigned to rooms before school opens on Monday. If a child was enrolled in the Spur school last year, do not send the child to school on Saturday.

All pupils who were not enrolled in the Spur school last year, and the six year old children who missed the spring enrollment, should report to the Primary building auditorium on Saturday, Sept. 1, at 9 a. m. so that they may be enrolled and will be ready to begin class on Monday.

The band pupils will be transported to the high school band hall each school day at 11:15 a. m. by school bus. They will be returned to the East Ward school at 12 noon. This enables the school to use its equipment to the advantage of more of its students. Parents who want to pick up their children at the high school may do so.

JUNIOR HIGH SCHOOL Morning classes will start in junior high school at 9 o'clock Monday morning. Pupils who attended Spur Schools last year need not report to the school before that date. Pupils entering Spur Schools for the first time this fall should report to Henry Mullins in the junior high school principal's office at 10 o'clock Friday morning.

There will be four 45 minute periods in the morning and classes will dismiss at 12 noon. Afternoon classes will begin at 1 p. m. and continue on a one-hour basis until 4 p. m.

Junior high school football players will work out from 11:45 until 12:15 each morning. A school bus will transport these players from the football field back to junior high school following practice.

The junior high school and will have rehearsal in the band room from 11:15 until 12 noon each day. Parents desiring information about instruments should contact Melvin King, band instructor.

This school has the unique distinction of having all its teachers

Family Farm Meeting Slated for Tonight At Spur Theatre

The final meeting of a series of community meetings on evaluating agricultural practices and improving services of the Department of Agriculture to the advantage of the family farm is slated to be held tonight, Thursday, Aug. 30, at the Spur Theatre.

The series of meetings, sponsored by the Dickens county Agricultural Mobilization committee, is being held for the purpose of obtaining profitable suggestions from local farmers in the solving of local farm problems.

All local farmers are urged to attend and participate in the meeting scheduled for tonight.

New Arrivals

Mr. and Mrs. Winston Barclay of Midland, formerly of Spur, are the proud parents of a baby girl born Sunday, August 26. The little girl, who weighed seven pounds, has been named Claudia Jane. Her grandparents are Mr. and Mrs. Claude Barclay and Mr. and Mrs. M. A. Karr, all of Spur.

Mr. and Mrs. Howard Hickman of McAadoo are announcing the birth of a daughter on August 5, in Stanley Hospital at Matador.

Local Cub Scouts To Organize New Pack; Friday Meet Slated

The cub scouts of Pack 37 will have their Pack Meeting at the Legion Hut, Friday, August 31, at 7:30 p. m. All members of the pack and their parents are urged to attend this meeting.

An outline of the program for the coming year will be presented, and plans will be made for future cub scout activities.

Several cub scouts will be presented awards for the achievements they have passed this summer. Three cub scouts, Gary Whitmore, Jim McAtee and Stanley Irwin, have attained the highest rank in Cub Scouting and will be presented their Webelos badge.

Parents of boys of cub scout ages, 8 to 10 years, are invited to attend the Pack Meeting and apply for membership in Pack 37.

A new cub scout pack to be organized in September. The Spur Rotary Club is sponsoring Pack 99 and the leaders of Pack 37 are helping to organize this new pack.

If you have any questions about cub scouting, you are invited to attend the meeting Friday evening and the leaders of Pack 37 will be glad to give you any information they can.

Mrs. Carl Rye and children of Fort Worth were guests of Mr. and Mrs. Billie Powell last week.

ENGINEERS START WORK; BID TO BE ACCEPTED BY BOARD SATURDAY

A \$600,000.00 loan has been approved by the Applications and Loan Division in Washington, D. C. for the CRTC, according to an announcement made yesterday by James R. Wright, CRTC manager.

Wright received the information by telephone from Richard F. Richters, head of the Applications and Loan Division for this region.

Immediately following the phone call from Washington, CRTC engineers started staking areas to receive the initial construction of rural telephones. Wright states that under favorable conditions, some CRTC telephones will be in operation by October 1.

This \$600,000.00, representing approximately one half of the total amount being sought by the CRTC, will be used to start line construction in areas which have the required number of members. It is planned by the CRTC board of directors to complete the transaction with H. K. Kearney of Jayton for the purchase of the Jayton, Peacock, Girard, Swenson and Clairmont exchanges, and to concentrate the original construction of rural lines around these points.

However, Wright adds, new exchanges in several areas elsewhere in the area to be served by the CRTC will be constructed and put into operation with funds from this initial loan.

Wright states that the balance of the loan, approximately another \$600,000.00, will be forthcoming from the federal government when other areas have reached their required percentage of memberships in the co-op.

Bids are being received at the present by the directors for the co-op on materials and labor on the proposed lines. Wright states that the board plans to accept a bid at their meeting Saturday, Sept. 1, so that actual construction can begin immediately. He adds that it will take possibly a week to prepare and execute the final papers prior to receiving the government loan.

Bulldogs Prep For Opener On Sept. 7 Forty boys answered the call to football practice Monday morning and are now working out twice daily in preparation for their opening game a week from tomorrow night, Sept. 7, in Matador.

Coach Sam Hawkes and his assistant Coach Billy Hahn are putting the boys through a pretty rapid clip for the first week of practice with stress on getting the boys in shape and on fundamentals.

Coach Hawkes states that the 1951 edition of the Spur Bulldogs will seriously lack experience and weight but is gifted with a generous portion of desire to play and win.

The team spirit of these boys has always been good so we're sure to have a good ball club, win or lose," says Coach Hawkes.

According to the coach, there is little possibility of using an effective platoon system this year because of the shortage of experienced substitutes at key positions. Headed by three lettermen, Charles Grimland, Paul Simmons and Orville Cloude, the Bulldogs roster at present reads as follows:

Backs: Grimland, Paul Simmons, Gordon Simmons, Lawrence Cook, Franklin, Gabriel, Bobby George, George McAtee, Tommy Hightower, Curtis Blair, Jackie Cloude, Chester Lindsey, Billy Morgan, Bobby Walker, Neil Hindman, Charles Evans and Loyd Smith; Ends: Orville Cloude, Boyce Rankin, Charles Watson, Dean King, Don Steele, Charles Sonamaker, Thurmond Morrow, Don McGinty, Calvin Reynolds and James Daughtry;

Centers: Joe Bell, Toby Williams and Freddy Young; Tackles: Kenneth Vaughn, Ralph Gibson, John Rankin, and Fred Price;

Guards: Harley Bingham, Larry Smith, Tommy Bass and Hershel Wade.

Mrs. Bill Johnson of Girard is in the Nichols General Hospital.

Edgar Johnson of Jayton was discharged from the Nichols General Hospital Wednesday after a week's stay.

Mrs. Melbie Powell and Billie las last week to visit friends and relatives and to attend to business. Mrs. Hattie Turvan accompanied them to visit relatives.

Bob Morgan of Lovington, N. M. visited his mother, Mrs. Lela Morgan, and his brother, Clark Morgan, last week end.

Mr. and Mrs. Leland Rankin and Larry of Lubbock were visiting Mrs. Rankin's parents, Mr. and Mrs. Lee Parker, Sunday, August 26.

Mr. and Mrs. John Adams received word of the death of his sister-in-law's mother, Mrs. C. H. McCarty of Fort Worth Tuesday.

Surveys made among farm families in which farm accidents have occurred show that many of the serious accidents happen during the last working hours of the day. This indicates that fatigue is a contributing cause of farm accidents and farm workers thus are urged to be even more careful when they become tired.

Mourning dove limits this fall are 10 per day or 10 in possession.

1951 State Fair Is Greater Than Ever

The State Fair of Texas has virtually completed its lineup of major attractions for the 1951 exposition, Oct. 6-21, James H. Stewart, executive vice president and general manager, has revealed.

The biggest and best of all state fairs expects to crack wide open the national records set by last year's fair, which drew a whopping 2,176,519 attendance, Stewart said. Here are some impressive samples of this year's top-caliber attractions:

"Guys and Dolls," successor to "South Pacific" as Broadway's hottest musical smash hit, will play 24 performances in the Auditorium. An impressive cast is headed by Movie Star Allan Jones.

The Pan-American National Hereford Show will have more than 500 whiteface aristocrats competing for \$25,000 in premiums. Total livestock and poultry premiums add up to a record \$90,414, highest in history. There'll be 26 breeds of beef and dairy cattle, horses, swine, sheep and Angora goats shown.

There'll be a bigtime college football game in the Cotton Bowl each Saturday of the fair—SMU vs Missouri Oct. 6, Texas vs Oklahoma Oct. 13 and SMU vs Rice Oct. 20—plus six other games.

Featured will be "The Storybook of Texas Agriculture," revolutionary new presentation of Texas' agricultural riches in a massive, animated display; a Science Engineering Show that will show how research laboratories of the nation's industrial giants are creating modern miracles of science; the 35th annual Southwestern Automotive Exposition, South's largest automobile show.

The fabulous million-dollar Midway will be bigger and brighter—with the nation's best sideshows, 33 great thrill rides, a half-acre of rides just for the kids, and the sensational Sky Wheels, twoering double ferris wheel that will carry fun-seekers to new heights indeed.

Free lectures, flower shows, contests and a vastly expanded list of competitive classes will boost the Women's Show to the top among the nation's events of that type.

And that's only the beginning, Stewart promises. There'll be Ice Cycles of 1952, the Aut Swenson Thrillcade, thousands of glamorous, free exhibits, farm machinery exhibits, free aerial acts, scores of special events, free fireworks and entertainment, to make the 1951 state fair the world's biggest entertainment and educational bargain.

Emphasis on youth activities by the State Fair of Texas is illustrated by the substantial increase in premiums for the fair's Junior Livestock Show, Oct. 14-20, Ray W. Wilson, livestock manager points out.

Premiums for junior dairy, steer, sheep, pig and commercial steer shows total \$14,945, an increase of \$3,695 over last year's premiums.

In 1950, more than 1,000 animals were shown in junior divisions of the fair's livestock show. Even more are expected to be entered this year. The fair is one of the few in the nation that provides free stall and pen space to junior exhibitors.

Premiums include: Junior Dairy

THE MIDDLES By Bob Karp

Show, \$3,705; Junior Steer Show, \$3,085; Junior Commercial Steer Show, \$3,000; Junior Pig Show, \$3,185; Junior Negro Pig Show, \$782; Junior Sheep Show, \$978. There also will be a Junior Market Turkey Show for \$600, and a Junior Market Broiler Show for \$400, in the Poultry Show.

Special awards include the John Henry Dean, Jr., Memorial, junior steer showmanship contest with five awards totaling \$400 for exhibitors of Hereford, Angus and Shorthorn steers; and the State Fair Junior Herdsman Awards totaling \$200, offered in dairy cattle, steer or commercial steer, junior pig of Junior Negro pig, and junior sheep division.

All entries in the Junior Livestock Show must be made through a county agent or vocational agriculture teacher before Sept. 10.

Fat steers, lambs and hogs entered in the Junior shows will be auctioned on Saturday, Oct. 20.

W. L. Stangel, is general superintendent. Show officials include: Junior Dairy Show, R. E. Burleson, superintendent, and A. M. Meekin, assistant; Junior Steer and Commercial Steer shows, A. L. Smith, superintendent, A. B. Childers and U. D. Thompson, assistants; Junior Pig and Junior Negro Pig shows, E. M. Regenbrecht, superintendent, and L. M. Hargrave, assistant; Junior Sheep Show, J. B. Payne, superintendent.

Farmers Urged By USDA To Take Part In Local Meetings

COLLEGE STATION, August 29—Farmers and others interested in long time improvement of agriculture are urged to take part in the meetings now being held throughout the state for the purpose of reviewing the programs and policies of the U. S. Department of Agriculture.

County Agricultural Mobilization Committees are in charge of the meetings and discussions in the counties. Membership on these committees is composed of representatives from state and Federal agencies who work with rural families. Officials of the USDA point out that the population of the nation is growing steadily and by the end of the century is expected to be near 200 million, or approximately double the 1900 total. Then too, most of the country's farmable land already is under cultivation and the extra food and fiber needed to feed and clothe the growing population must come from increased acreage yields and more efficient production.

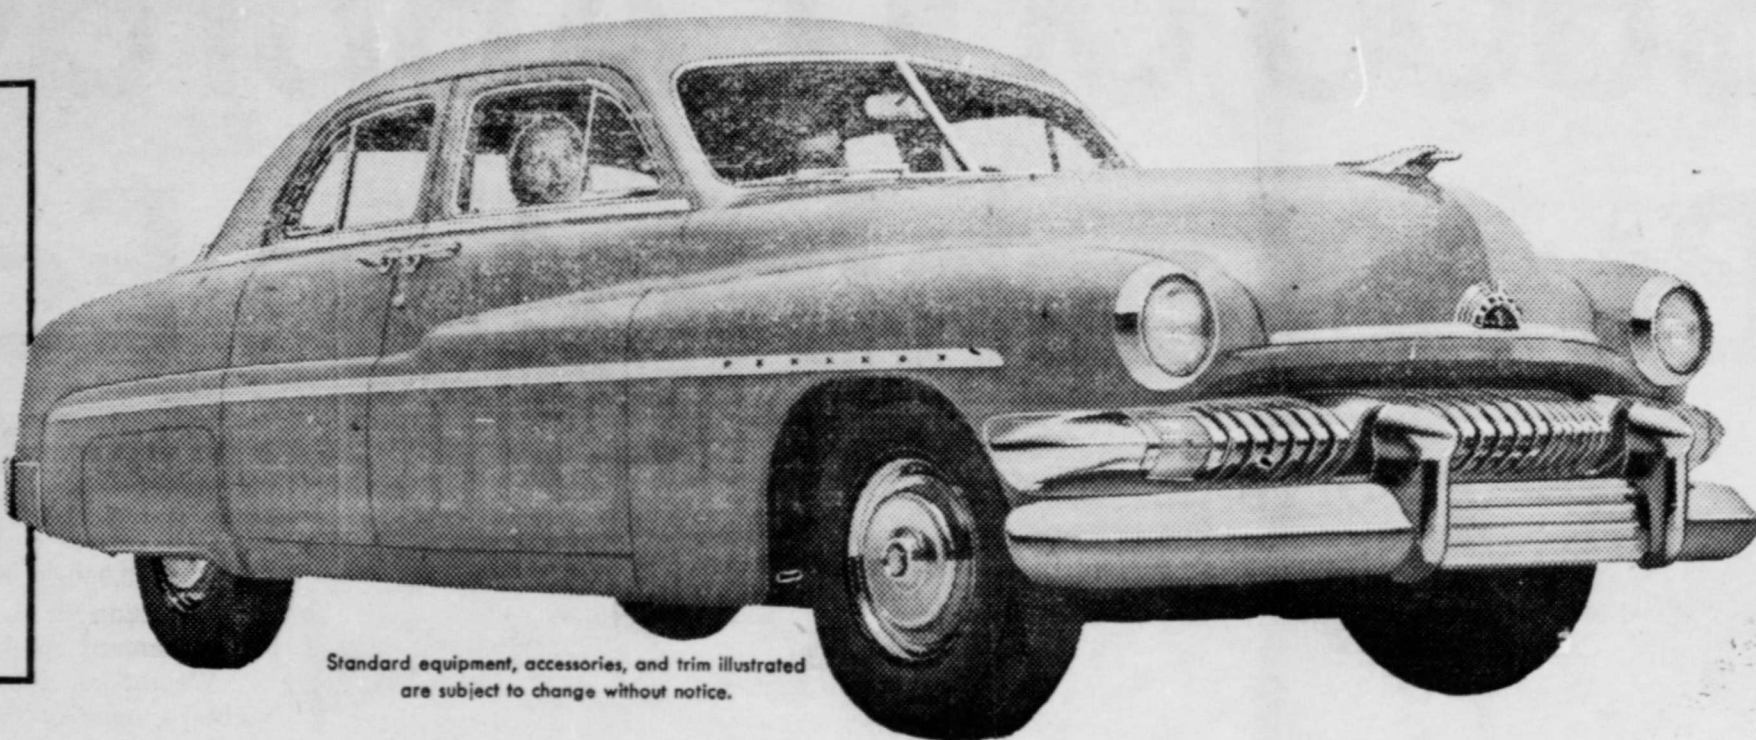

This increased agricultural production must come from the family farms for they make up almost 98 percent of the Nation's total. These are the farms which are operated by family units and supply the bulk of the family's income with the family providing most of the labor needed on the farm.

It is the family farm operators and their families, therefore that are now being asked to make suggestions for improving the services and programs of the USDA. The best suggestions for dealing with local farm problems come from local farmers and all are urged to attend and participate in the meetings being called in the communities. The recommendations from these meetings and discussions may form the basis for improved farm programs and assurances to the millions that America's family farms can provide the nation's future needs of food and fiber.

Farmers are urged to submit soil samples to the soil laboratory at College Station from the land on which legumes will soon be planted. The analysis will show what fertilizers are needed and in what amounts.

bridegroom is the son of Mr. and Mrs. Heston W. Houser, 2207 Twenty-fourth, of Lubbock.

The ceremony was read at 7:30 in the evening August 4 in the First Christian Church in Carlsbad, N. M. Rev. Clifford B. Thomas officiated at the single ring service before a bank of palms and baskets of white gladioli tied with white satin ribbon and flanked by white cathedral tapers in candelabra.

The bride wore an original dressmaker suit of mauve gabardine with pink accessories. She carried a white Bible with two white orchids showered with white satin ribbon and split pink carnations. For something old she wore an heirloom diamond lavalier that had belonged to her grandmother, the late Mrs. Ernest L. Adams of Spur.

Mrs. Arthur Rampey of Lubbock, matron of honor, wore a pink suit with navy accessories and a white carnation corsage. Arthur Rampey of Lubbock was best man.

A wedding supper was served at the La Caverna hotel after the ceremony.

The bride attended school in Corpus Christi and Spur. Houser is a graduate of Lubbock High school. He attended business college and has been associated with his father in the drug business for several years.

The couple are making their home at 2406 Main in Lubbock. **SHOWER IS COMPLIMENT** Mrs. Wayne Houser was given a "surprise" gift shower Tuesday night, August 28, in the home of Mrs. Juanita Mullican and Mrs. Arthur Rampey, 3002 Twentieth, of Lubbock, assisted by Mrs. E. A. Rampey.

Miss Jo Nabors registered 27 guests.

A Nile green net-covered organdy cloth covered the table which was centered with bronze and yellow chrysanthemum arrangements. Bronze and yellow streamers on the table were lettered in gold "Wayne and Jimmie Nell." Arrangements of other fall flowers were used in the rooms.

Wood Home Scene Of Party, Aug. 24

Margaret Wood was hostess to a group of young people in her home Friday evening, August 24. Those attending were Letha Beth Turner, Duane Durham, Shelley Bell of Vernon, Foster Cook, Jr., Doris Gibson, Neal A. Chastain, Jr., Ginger Walker, Wayne Smith, Carolyn Chancellor of Dallas, Ju Don Rickels, Beverly Wood, Charles Lee, Joe Simpson, and the hostess, Margaret Wood. Strawberry punch and covered crackers were served to the guests.

Garden Theme Used at Party Feting Baptist Training Unions, August 23

The Intermediate and Young People's Training Unions of the First Baptist Church were entertained by their sponsors with a garden party at the home of Mrs. E. D. Engleman on Thursday evening, August 23.

Lois Dunwoody, dressed as Mary, Mary Quite Contrary in poke bonnet and pantaloons, greeted guests to her garden and gave them programs decorated with a drawing of Mary.

Hurricane lamps and small watering-pots filled with cut flowers were used as decorations. Along the porch wall were hung tiny baskets of marigolds tied with yellow satin streamers and net. On the tables were a large market basket of assorted zinnias and two miniature wheelbarrows filled with marigolds.

Ralph Gibson and Jackie Cloude led the guests in singing garden songs accompanied by Faye Middlebrooks at the piano. Gail and Glynda McWilliams of Matador played violin duets of "The Blue Danube" and "Lilacs" accompanied by Faye Middlebrooks.

Feggy Reid told the meaning of flowers sent as gifts in a talk entitled "What the Flowers Say." Lyndal Bingham, Ralph Gibson, Frankie Gabriel, and Bobbie George, as a barbershop quartet complete with suspenders and spit-curls, sang "My Wild Irish Rose."

Faye Middlebrooks, Gayle Reese and Margie Campbell sang "The World Is Waiting for the Sunrise." "When Apples Grow on Lilac Trees" was sung as a duet by Gayle Reese and Ralph Gibson.

Joe Simpson gave a devotional talk entitled "The Master Gardener" which closed with Gayle

Reese and Ralph Gibson leading the group in singing "The Beautiful Garden of Prayer."

The guests were served cake and time sherbert in paper cups with real bachelor buttons stuck in the sherbert to simulate growing pot plants.

Members of the training unions who attended the party were Clara Moffett, Norma Jean Gilcrease, Melba Campbell, Janie Alexander, Chester Lindsey, Patsy Mobley, Jane Simpson, Shirley de Graffenreid, Gladys Wade, Beth Watson, Dean Reagan, Jackie C. Cloude, Gayle Reese, Peggy Reid, Joe M. Barclay, Hershel Wade, Charles Moffett, Nell Hopkins, John E. Berry, Emma Lena Simpson and Darvin Callihan.

Official Memorandum

BY

ALLAN SHIVERS
Governor of Texas

GREETINGS:

AUSTIN, TEXAS

The percentage of farm homes in Texas receiving central station electric service has increased from 2.3 per cent to 90 per cent during the past 16 years, largely through the stimulation of the Rural Electrification Administration (REA) program.

More than 282,000 rural families of Texas now enjoy the benefits of electric lights and power through cooperatives which they themselves own and operate.

Each of the 77 rural electric cooperatives in Texas is a free and independent, tax-paying business enterprise, chartered under the laws of the state of Texas, and owned and controlled by the farmers and ranchers who receive service along its lines.

The availability of electricity has brought about a wholesome revolution in farm methods, production and living standards; has lightened the drudgery of farm tasks and increased farm output and profits; has been instrumental in keeping young people on the land, and has promoted the general welfare not only of rural people, but of urban residents as well whose prosperity and well-being depends upon a sound and prosperous agriculture.

THEREFORE I, as Governor of Texas, do hereby proclaim the week of August 19th to 25th, inclusive, as

RURAL ELECTRIFICATION WEEK

in Texas, and call upon all citizens of the state to observe during this week the splendid progress that has been made in electrifying rural areas during the past 16 years, and to resolve anew that the program shall continue to expand until every farm family in the state shall enjoy the blessings of electric lights and power.

In official recognition whereof, I hereby affix my signature this 18th day of July, 1951.

Jo London Accepts Miss Colorado Title

Jo London, formerly of Spur, dark-haired, dark-eyed and 20, didn't hesitate last Wednesday before she said "Yes" and accepted the title of Miss Colorado of 1951, vacated by the resignation of blond Marie Aber of Hayden, Colorado.

"Of course, I will accept the title and I will do my very best to prove worthy of it," said Miss London, a Morganti model and a public relations employee of the Yellow Cab company, as she set her sights on Atlantic City and the annual nationwide beauty contest.

Miss London had seen the crown placed on the curls of Miss Aber at the coronation ball last week in the Elitch Gardens Trocadero, and, smiling to hide her natural disappointment, had rushed to congratulate the winner. Her first thought was for her rival Wednesday morning, too.

"I feel sad that Marie felt she had to resign," she said.

A daughter of Mr. and Mrs. F. C. London, Jo lives in a sleek trailer in Aurora with her parents and her sister, Cherry, 9.

Proving that brains go with beauty, Jo was an honor graduate at the Spur, Texas, high school although she changed schools thirty-three times as her family shuttled between Texas, Colorado and Montana wheat farms and cattle-feeding ranches.

She won essay and public-speaking awards, the latter giving her the talent for dramatic reading which she exemplified in the Miss Colorado contest with an adapted version of "The White Cliffs of Dover."

She attended Colorado State college three years, majoring in dramatics and her days were busy as activities editor for the college annual and an apprentice pharmacist eight hours a day to earn her way through school.

Not only that, she finished the three years of college work at the age of 19, when many students are just entering college.

With a full-time job and a lot of studying to do in preparation for a modeling career which already is keeping her busy, Jo still finds time for entertaining the patients at Fitzsimons Army hospital, helping out in charity drives for Laradon hall and other organizations and keeping up her attendance at church services.

Hen-Pecked Husband Can Be Thankful

WACO, Texas, August—The hen-pecked husband of a human female should just be thankful he isn't a spider.

Or at least that he isn't an ordinary garden spider of the family Argiopida, warns Professor Bryce C. Brown of the Baylor University biology department.

Mr. Argiopida, the unfortunate fellow, is about three-fourths of an inch long. Mrs. Argiopida is a full inch in size and she takes advantage of the difference.

Her use for her husband is very brief and specific, Brown explains.

There is, of course, the honey-moon.

But then Mrs. Argiopida starts raising her family. It gives her a tremendous appetite and she eats everything she can find.

Yes, says Brown, that is her secondary and final use of Mr. Argiopida. She eats him up.

Dr. Buford Nichols Added to Faculty Of Baylor University

WACO, Texas, August—Dr. Buford Lee Nichols, professor of Old Testament, Hebrew and Ethics at the China Baptist Seminary in Shanghai for eleven years, has been added to the Baylor University religion faculty for the 1951-52 school year.

Baylor President W. R. White announced that Dr. Nichols has agreed to teach at Baylor during his force furlough from mission work in China. He will return to the Chinese seminary when political conditions in the Orient permit.

A native of Milam, Texas, Dr. Nichols gained his education at the University of Texas and California and at Southwestern Baptist Theological Seminary. He was pastor of the Baptist Churches at Round Rock and Hamilton and the University Baptist Church at Fort Worth before going to China in 1937.

He received the Cloud-Banner decoration from the former Chinese government for distinguished service as a liaison officer between the American army and Generalissimo Chiang Kai Chek in World War II.

Accidents Frequent Certain Day Hours

CHICAGO — Accidents don't punch a time clock on the job—but more accidents check in during certain hours of the day.

According to the 1951 edition of "Accident Facts," statistical yearbook of the National Safety

Council, more workers suffer disabling injuries on the job between 10 and 11 o'clock in the morning and between 3 and 4 o'clock in the afternoon than during any other hours of the day.

SENATE JOINT RESOLUTION NO. 9 proposing an Amendment to Section 45-d of Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts so as to provide that the Legislature may authorize an ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article VII of the Constitution of the State of Texas shall be amended by adding after Section 11 thereof a new section to be designated Section 11a, which shall read as follows:

"Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in such other securities, including bonds, preferred stocks and common stocks, as the Board of Regents of the University of Texas may deem to be proper investment for said fund; provided, however, that not more than fifty per cent (50%) of the said fund shall be invested in any given time in stocks, nor shall more than one per cent (1%) of the said fund be invested in securities issued by any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any further that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following: "FOR the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts."

AGAINST the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50) Cents on the One Hundred (\$100.00) Dollars valuation for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the tally of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

The expense of publication and election for such Amendment shall be paid out of the proper appropriation made by law.

The barn or screech owl is often called the "feathered cat" because it is a great foe of mice.

HOUSE JOINT RESOLUTION NO. 97 proposing an Amendment to Article VII of the Constitution of the State of Texas by adding a new section after Section 11 thereof to be designated as Section 11a, providing for the investment of the Permanent University Fund in additional securities; those now enumerated in Section 11 of Article VII of the Constitution of the State of Texas; providing for the necessary proclamation and publication, and calling of an election therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article VII of the Constitution of the State of Texas shall be amended by adding after Section 11 thereof a new section to be designated Section 11a, which shall read as follows:

"Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in such other securities, including bonds, preferred stocks and common stocks, as the Board of Regents of the University of Texas may deem to be proper investment for said fund; provided, however, that not more than fifty per cent (50%) of the said fund shall be invested in any given time in stocks, nor shall more than one per cent (1%) of the said fund be invested in securities issued by any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any further that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon the words:

"FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive officers and employees of the State of Texas, and **AGAINST** the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. If at said election, a majority of the votes are "FOR" the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees, the foregoing proposed Amendment shall become Section 61 of Article XVII of the Constitution of Texas, and proclamation shall be made by the Governor therefor.

HOUSE JOINT RESOLUTION NO. 98 proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be numbered 63, and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county; providing that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein; and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 61 of Article XIII, providing for the calling of an election and the publication and issuance of the proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVI of the Constitution of the State of Texas, be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary and shall first be authorized by vote of the qualified voters of such county; provided further that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 61 of Article XIII."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors at an election to be held throughout this State on the second Tuesday in November, 1951, and at said election the ballots shall have printed thereon the words:

"FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and **AGAINST** the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. If at said election, a majority of the votes are "FOR" the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees, the foregoing proposed Amendment shall become Section 61 of Article XVII of the Constitution of Texas, and proclamation shall be made by the Governor therefor.

Rabid Skunks Are Menace To Farmers In Winter Weather

AUSTIN, Aug. 29—Texas farmers and ranchers in the Red River Valley region and in South-west and Central Texas have been warned to begin killing skunks—lots of them—before cold

weather brings an increase in rabies cases.

The grim warning is contained in an animal morbidity report compiled by the State Department of Health. The idea is to pin point rabies infested areas as warning to people in adjacent areas.

State Health Officer George W. Cox said Texas had areas "bigger than most states" which are completely free of rabies.

"From now on we're going to call our shots by county of oc-

currence. It isn't going to be 'Texas rabies' any more," the health official declared.

"Livestock owners . . . should have active skunk killing programs, especially in the Red River Valley area, when winter approaches and skunks hole up with livestock in dilapidated barns," the report cautioned.

Current focal points of skunk rabies are, the report indicated, in Harris' Matagorda, Fort Bend, and Lavaca Counties. Another focus exists in the region of Comal and Hays Counties, and in Central Texas in Travis, Bell, Coryell, Lampasas, and McLennan Counties.

"The trend is eastward in Central Texas," the report said.

Titus and Hopkins, an area hit hard last year, continues to have a serious problem, causing health officials to caution livestockmen in the eastern part of the Red River Valley to be especially vigilant against skunk invasions of barns and outhouses.

The rabies morbidity report is something new in disease control. Modeled after the method used to keep tab on cases of human communicable diseases, it is part of the general protection the state health agency is providing.

For July the report shows: 77 dogs, 6 foxes, 6 cats, 4 skunks, 4

calves, 3 pigs, 2 civit cats, and 1 cow were diagnosed as rabid at the state Bureau of Laboratories. Bexar and Harris Counties were hardest hit during July. Each reported one case of dog rabies each day of the month.

Polio Cases Below Last Year's Record

AUSTIN, Aug. 29—The state last week logged its highest polio incidence of the season, but it was still far short of the record set last year.

Ninety-seven cases of the virulent disease were reported by the State Department of Health for the week ending August 11, bringing the year's total to 874. Last week's report bested the previous week's incidence of 92 cases by five.

"Even one case of polio is too much," State Health Officer George W. Cox said, "but I'm mighty glad we don't have polio in wholesale lots like we did last year and the year before."

"Of course we still have to get through September and October—they can be mean for polio too," he cautioned.

Last year Texas suffered 2355 cases for the entire season. There were 210 deaths for the entire year, State Health Department statistics show, 88 of them occurring during the first 6 months. Through June of this year 20 polio deaths have been recorded.

Counties heaviest hit last week were Dallas, 17 cases; Tarrant, 10 cases; Bexar, 10 cases; and Harris, 7 cases.

Meanwhile, dysentery, always a leader among communicable diseases, continued its hot weather rampage. Morbidity statistics show 16,775 cases to date. Border counties—principally Cameron, Hidalgo, and Webb—reported the highest number of weekly cases.

"A return to fundamental personal, household, and community sanitation will do more to cut both polio and dysentery rates than anything else," Dr. Cox asserted. He appealed to parents to take the lead by keeping their own houses free of flies, and by demanding that their city officials take steps to "permanently eliminate breeding places."

Texas Jersey cattle breeders last year ranked at the top or near there in eight different categories according to information released by the American Jersey Cattle Club.

U.N. to Issue Own Postage Stamps

The United Nations postage stamps shown above will appear during the fall of 1951 and will be used in all mail sent from U.N. Headquarters. Under a recent agreement between U.N. and the United States, U.N. will issue its own postage stamps and will establish a United Nations Post Office to replace the U.S. Post Office now in operation at Headquarters. Ordinary stamps will be issued in 11 denominations. The airmail series will be issued in 4 denominations.

You never tried a fine car like This One

You've a right to set your sights higher when you buy a fine car.

You can rightly expect more room—more comfort—more performance—and a lordly smoothness in the way it carries you.

So we present these facts:

You'll find, in a ROADMASTER, more usable room than you'll find in any other six-passenger car in America.

You'll find the extra comfort of double-depth foamtex cushions in ROADMASTER only.

You'll find that the ROADMASTER has a high-compression, valve-in-head power plant that is also exclusively Buick's—a mighty Fireball Engine

endowed with more performance than most owners will ever need.

And you'll find that a ROADMASTER rolls with unsurpassed levelness and poise, thanks to coil springs on all four wheels—which is still another feature found on no other car in the fine-car field.

But the thrill that is yours, when you get this willing beauty out on the open road, is something that can't be summed up in any listing of features, one by one.

It's a "feel" which, we honestly believe, no other car can approach.

It's the sure way this dazzling

performer holds the road—the way it responds to your slightest wish—the quick answer you get when you nudge the throttle—the extra security you feel in the velvet grip of the brakes—the complete freedom from tension you find in Dynaflo Drive—the sense of mastery that makes every mile a joy.

And, confidentially, there's one more important way in which ROADMASTER stands alone, and that is in the modest cost of its pounds and performance.

Better come in soon and check for yourself what a great car and a great buy this one really is.

Equipment, accessories, trim and models are subject to change without notice.

Potassium Cyanate Will Kill Crab Grass

COLLEGE STATION, Aug. 29
—Crab grass is being eradicated

from the Bermuda grass turf on the football field at Texas A. & M. College by spraying with potassium cyanate.

The Bermuda grass is expected to make a cover on the field by September that will compare with

the playing ability of A. & M.'s fullback, Bruis'n' Bob Smith. The improved condition of the field has resulted from turf management recommendations given by Dr. J. R. Watson of the A. & M. Agronomy Department.

Last spring, the field was aerated and fertilized with a liberal application of turf special fertilizer. It was seeded to Bermuda grass and a good cover had developed by July.

However, the Bermuda stand was badly infested with crab grass, a species that dies out during late summer and leaves bare

spots in the field cover. Dr. Watson recommended spraying the field three times with potassium cyanate at 7 to 10-day intervals.

"Potassium cyanate is the most effective material against crab grass in all stages of development," said Dr. Watson. "Bermuda is discolored by the crab grass killer, but it turns green again in four or five days."

are required in 400 gallons of water.

One teaspoon of liquid soap must be added for each gallon of the spray as a wetting agent to make the spray stick to the grass leaves.

Potassium cyanate is available in 91 and 55 percent pure forms. The 55 percent form already contains the wetting agent. Usually, the material cannot be obtained locally, but must be ordered from a company that handles turf supplies.

Dr. Watson cautioned, "It is absolutely essential that good, uniform coverage be obtained with the spray so there will be no spots of crab grass left."

Farmers Have More Income Than in 1950

AUSTIN, Texas, Aug. 29—Texas farmers' total cash income for the first half of 1951 was 39 percent greater than in the same 1950 period, the University of Texas Bureau of Business Research reports.

Revenue from Texas poultry was up from \$5,951,000 (million) to \$27,651,000 in the most impressive gain. Egg profits were up, too, from \$18,595,000 to \$52,481,000. Incomes from grain sorghums and calves both increased more than 100 percent.

Revenue from mohair and wool in the first half of 1951 increased

97 to 75 per cent, respectively, over the same period last year. The total value of both crops during January-June 1951, was \$43,172,000—approximately \$18,000,000 more than the same 1950 period. Milk and milk products (up 84 per cent), corn (up 54 per cent), hogs (up 46 per cent) and cattle (up 36 per cent) brought significantly larger sums to raisers. Cattle and milk and milk-products, the two most important commodity classes during the first half of 1951, brought Texas cattlemen \$183,179,000 and dairymen \$103,957,000.

Breakfast Honors Glad Game Class

The Glad Game class of the First Baptist Church was honored with a breakfast at 7 o'clock, Tuesday morning at the home of Mrs. Hattie Turvan, 502 N. Carroll.

On the menu were tomato juice, ham, scrambled eggs, jelly, honey,

hot biscuits and white seedless grapes.

Attending the breakfast were Shelly Williams, Oma Lee Garner, Norma Jo Hickam, Melba Love, Frances Mobley and Mrs. Hattie Turvan.

Mrs. Turvan is teacher of the class.

130 Boys, Fathers Attend Barbecue

Approximately 130 BFA and 4-H club boys and their fathers attended an afternoon barbecue and get-together at Swenson Park, Friday, August 24.

Co-sponsored by the Stock Show committee and the Spur Chamber of Commerce, the fun

included a free swim courtesy of the City of Spur, a softball game, egg catching contest, and horse-shoe and washer pitching.

On the picnic menu were barbecued chicken, baked beans, pickles, onions, iced tea and coffee.

Peggy Wilson was shopping and attending to pre-school business in Waco the first part of the week.

Mr. and Mrs. Grady Lackey took a vacation trip to points in New Mexico last week end.

OPEN HOUSE SLATED FOR NEW GIRARD SCHOOL

An open house will be held in Girard Friday, August 31, at 7:30 p. m. for inspection of the new school building.

M. H. Galbreath, superintendent of Girard schools, urges everyone to come. The P-T-A. will serve refreshments.

DICKENS NINE HOSTS TURKEY SEPTEMBER 2

The Dickens baseball club will be hosts to the Turkey nine Sunday afternoon, September 2. The game is scheduled to start at 2:30 in Koonie Park in Dickens.

Mr. and Mrs. Jim Koonman and James attended the horse races in Raton, New Mexico, Sunday. They also visited other points of interest in New Mexico before returning home.

Chamber to Start Weekly Broadcast From Floydada Station Sunday Afternoon

Dial 900 kc on your radio dial Sunday August 2, and listen to your Chamber of Commerce broadcast.

The board of directors met Friday August 24, in a special meeting and voted unanimously to have the Spur Chamber of Commerce broadcast each Sunday from 3:15 to 3:30 p. m. by remote facilities from the Chamber office. Present at the board meeting were George Gabriel, Dr. W. H. Brannen, Coy McMahon, Guy Karr, Lester Garner, Bob Blackshear, Lawis Lee, Fike Godfrey, B. J. Dyess and absent were J. D. McCain, W. T. Andrews, and O. L. Kelley.

The broadcasts are being arranged and the public is invited to give suggestions in arranging any type of public service program that will be of benefit to Spur. The Chamber is interested in diversity and will consider any suggestion.

The first broadcast will be by Charles Fisher, manager of the Spur Experiment Station. The first of the K F L D studio and the following broadcasts will be through remote facilities.

Fisher's program will be an educational and informative type talk with the discussion of experimental work and an overall picture of the work at the experiment station. He will discuss progress made by experiments from 1927 through 1950.

Future program will be planned several weeks ahead and there will also be some tape recordings by the Chamber to send to K F L D during the week. Programs will consist of every phase of activity and will be for the purpose of publicizing Spur.

The recent purchase of a tape recorder will enable programs by delay broadcast. The Spur high school band will be on hand August 16 to entertain on the Chamber program. Other possible programs will be a round table discussion by all ministers, sports news by Coach Sam Hawkes, history of business by the Chamber, City Government by Mayor Hogan, and many others.

If you like the broadcast write the Chamber of Commerce, box 1435, Spur, Texas. We also invite suggestions and criticism for improvement. The first broadcast from the chamber office will be by remote control on September 9.

This is the last chance businesses will have to get in on the Treasure Hunt sale. If you have not been contacted by a committee and you want to get in on the big sale, call the Chamber and get the information needed to become a Treasure Hunt merchant.

The merchants are cooperating and some sixty or seventy have already put the signs in their store windows.

The people who come to Spur on the 5th of September should look for the sign in the window stating that this merchant is a Treasure Hunt merchant.

Price clinics are held in the Chamber office on Monday afternoon. You are invited.

The Chamber is happy to extend a hearty welcome to newcomers to Spur and invite them to visit the Chamber office for gifts of appreciation by the merchants of Spur. These are the newcomers this week: J. A. Alexander, A. D. Michel, Henry Mullins.

Guests of Mr. and Mrs. Henry Gruben this week were his son and his family, Mr. and Mrs. Henry Gruben, Jr. and David, of Pampa. Mrs. Gruben, Jr. received a bachelor of science degree from TSCW last week.

Wednesday, September 5, will mark the first city-wide Treasure Hunt day in Spur. Approximately 70 Spur merchants are cooperating in this program to offer Spur shoppers a full town of bargains and lots of fun seeking "treasure."

Here's how it works: The Spur Chamber of Commerce will mail 3700 numbered post cards to box holders in the Spur trade territory from Matador to Aspermont. Each of the participating Spur merchants have been assigned a number corresponding to a number on one of the cards mailed. The merchants will post the Treasure Hunt number inside their place of business on Wednesday, September 5.

To the holder of the card bearing the merchants Treasure Hunt number, will go a gift of at least \$5.00 in merchandise or cash.

In other words, if all the Treasure Hunt numbers in town are found by the one holding the corresponding post card over \$350.00 in merchandise and cash will be given away free next Wednesday.

Signs stating that a merchant is participating in the Treasure Hunt will be conspicuously posted in windows, according to Grady Elder, Chamber of Commerce manager.

At present, the following merchants are participating in the Treasure Hunt by agreeing to give a gift and to offer shoppers some real bargains in first class merchandise and service next Wednesday.

For twenty years prior to 1935, private interests worked with the idea of rural electrification, and they came up with an answer: it couldn't be done.

Then the Rural Electrification Administration was set up as an agency of the U. S. Department of Agriculture. It was established on May 11, 1935, by Executive Order, and authorized to make loans at 2 percent interest over a 25 year period.

Again the private power companies were offered the job, and again they refused. Then the job was turned over to farmers and ranchers. These men and women worked many hours, giving of their time and energy freely until they had signed up enough members to apply to the Rural Electrification Administration for a loan to build the 75 miles of line.

In 1945, the loan was granted and work was soon under way on the Dickens County Electric Co-op.

This same story was repeated 77 times over Texas and more than 1,000 times all over the United States, Alaska and the Virgin Islands. Their facilities today include more than 1,100,000 miles of line serving about 3,500,000 farms and other rural consumers.

REA itself operates no rural electric facilities, and its program involves no grants or subsidies. Dickens County Electric Co-op is locally owned and operated, tax-paying business.

It is one of 1,000 co-ops which have brought about the 36 per cent electrification of the United States. But the job is far from complete.

Kilowatt hour consumption per month per farm member has increased to 104 kw in 1951. This means not only that farmers of this area find electric power an essential, but that lines must be made heavier, and that facilities must be made constantly better.

County's First Bale Brought To Gin By Jim Barron Saturday

Jim Barron brought Dickens county's first bale of cotton from the 1951 crop into the Massey Gin in Spur on Saturday, August 25. The bale weighing 460 pounds, was picked from approximately 37 acres and will sell for 35c plus seed.

A premium of \$174.50 was paid to Barron by business and professional men of Spur.

Lunchrooms Open Monday

The lunchrooms will be in operation Monday. They will operate under the same personnel as last year. The price for each lunch will be 25c. It is requested that lunches be paid for in advance.

Buses will begin their regular schedules on Monday morning. Bus drivers who will drive the same routes as last year are A. C. George, Ike Simmons, J. L. Hamilton, Logan Singleton, Gene Rob-

SPUR SOFTBALL CHAMPIONS HONORED

The Hoover-McAtee Hotrods are pictured above as their sponsors receive the Texas Spur trophy immediately following the league-winning game. Left to right are Don Hill, Robert Bradshaw, Billy Hoover, Jimmy Rainbow, Don Hindman, Jerry Price, Rayburn Thomason, Robert "Soapy" Stewart, Duane "Beanie" Durham, Vernell McAlpin and co-sponsors Buddy Hoover and Dave McAtee.

The team, the league umpires and commissioners were feted with a chicken barbecue by the team sponsors, Hoover-McAtee, Thursday night at Swenson park with Charles Taylor barbecuing the chickens. Potato salad, assorted relishes, iced tea and homemade ice cream were served to guests as trimmings.

SPUR SCHOOLS TO OPEN MONDAY; TEACHER ROSTER ANNOUNCED

At 9 a. m. on Monday morning, Sept. 3, the Spur public schools will open for their regular work.

New teachers in the local schools are Mrs. Paul Sweatt, Miss Sue North, J. E. Bachman, Mary Mullins, Miss Joann Akens, Paul Sweatt, Weldon Skinner and Miss Laveria Wilson. Miss Leola Ruth Johnson is a new teacher in the Haynes school.

The faculty roster, including ten teachers who hold masters degrees, includes C. F. Cook, M. A., superintendent of Spur public schools; Weldon A. Skinner, M. A., high school principal and junior high principal; Sam T. Hawkes, B. S., assistant high school principal, coach and general math; Miss Rena Noack, B. A., English; Miss Joann Akens, B. A., English; Mrs. Alva Brannen, B. S., natural science; Mrs. Floy Grimland, B. S., commercial subjects and Spanish; Mrs. Ila Johnston, B. A., social science; Billy Hahn, B. S., assistant coach, junior high math, junior business; James W. Jay, B. S., math; Melvin King, B. M., band; Paul Sweatt, M. S., vocational agriculture.

Miss Laveria Wilson, B. S., homemaker; Miss Dorothy Taylor, B. S., speech; Bruce Brown, M. A., East Ward principal; Mrs. Anna Mae Bloomberg, B. S., first grade; Mrs. Stella Browning, B. S., first grade; Mrs. LaFaye Marcy, B. A., first grade; Miss Eula Whitaker, B. S., first grade; Mrs. Doris Moore, B. S., second grade; Miss Sue North, B. A., second grade; Mrs. Paul Sweatt, B. E., assistant principal of junior high and eighth grade teacher; Miss Margaret Elliot, M. A., seventh grade; Miss Willie Hampton, M. A., seventh grade; and Mrs. Florence McNeill, M. A., eighth grade.

Teachers in Hayes school are G. W. Kerr, B. S., principal and eighth thru twelfth grades; Mrs. Louise Kerr, B. S., first thru third grades; and Miss Leola Ruth Johnson, B. A., fourth thru seventh grades.

All pupils who were enrolled in the Primary or East Ward buildings last year will be enrolled and assigned to rooms before school opens on Monday. If a child was enrolled in the Spur school last year, do not send the child to school on Saturday.

All pupils who were not enrolled in the Spur school last year, and the six year old children who missed the spring enrollment, should report to the Primary building auditorium on Saturday, Sept. 1, at 9 a. m. so that they may be enrolled and will be ready to begin class on Monday.

The band pupils will be transported to the high school band hall each school day at 11:15 a. m. by school bus. They will be returned to the East Ward school at 12 noon. This enables the school to use its equipment to the advantage of more of its students. Parents who want to pick up their children at the high school may do so.

JUNIOR HIGH SCHOOL

Morning classes will start in junior high school at 9 o'clock Monday morning. Pupils who attended Spur Schools last year need not report to the school before that date. Pupils entering Spur Schools for the first time this fall should report to Henry Mullins in the junior high school principal's office at 10 o'clock Friday morning.

There will be four 45 minute periods in the morning and classes will dismiss at 12 noon. Afternoon classes will begin at 1 p. m. and continue on a one-hour basis until 4 p. m.

Junior high school football players will work out from 11:45 until 12:15 each morning. A school bus will transport these players from the football field back to junior high school following practice.

The junior high school and will have rehearsal in the band room from 11:15 until 12 noon each day. Parents desiring information about instruments should contact Melvin King, band instructor.

ENGINEERS START WORK; BID TO BE ACCEPTED BY BOARD SATURDAY

A \$600,000.00 loan has been approved by the Applications and Loan Division in Washington, D. C. for the CRTC, according to an announcement made yesterday by James R. Wright, CRTC manager.

Wright received the information by telephone from Richard F. Richters, head of the Applications and Loan Division for this region. Immediately following the phone call from Washington, CRTC engineers started staking areas to receive the initial construction of rural telephones. Wright states that under favorable conditions, some CRTC telephones will be in operation by October 1.

This \$600,000.00, representing approximately one half of the total amount being sought by the CRTC, will be used to start line construction in areas which have the required number of members. It is planned by the CRTC board of directors to complete the transaction with H. K. Kearney of Jayton for the purchase of the Jayton, Peacock, Girard, Swenson and Clairmont exchanges, and to concentrate the original construction of rural lines around these points.

However, Wright adds, new exchanges in several areas elsewhere in the area to be served by the CRTC will be constructed and put into operation with funds from this initial loan.

Wright states that the balance of the loan, approximately another \$600,000.00, will be forthcoming from the federal government when other areas have reached their required percentage of memberships in the co-op.

Bids are being received at the present by the directors for the co-op on materials and labor on the proposed lines. Wright states that the board plans to accept a bid at their meeting Saturday, Sept. 1, so that actual construction can begin immediately. He adds that it will take possibly a week to prepare and execute the final papers prior to receiving the government loan.

Surveys made among farm families in which farm accidents have occurred show that many of the serious accidents happen during the last working hours of the day. This indicates that fatigue is a contributing cause of farm accidents and farm workers thus are urged to be even more careful when they become tired.

1951 State Fair Is Greater Than Ever

The State Fair of Texas has virtually completed its lineup of major attractions for the 1951 exposition, Oct. 6-21, James H. Stewart, executive vice president and general manager, has revealed.

The biggest and best of all state fairs expects to crack wide open the national records set by last year's fair, which drew a whopping 2,176,519 attendance, Stewart said. Here are some impressive samples of this year's top-caliber attractions:

"Guys and Dolls," successor to "South Pacific" as Broadway's hottest musical smash hit, will play 24 performances in the Auditorium. An impressive cast is headed by Movie Star Allan Jones.

The Pan-American National Hereford Show will have more than 500 whiteface aristocrats competing for \$25,000 in premiums. Total livestock and poultry premiums add up to a record \$90,414, highest in history. There'll be 26 breeds of beef and dairy cattle, horses, swine, sheep and Angora goats shown.

There'll be a big-time college football game in the Cotton Bowl each Saturday of the fair—SMU vs Missouri Oct. 6, Texas vs Oklahoma Oct. 13 and SMU vs Rice Oct. 20—plus six other games.

Featured will be "The Story" book of Texas Agriculture, revolutionary new presentation of Texas' agricultural riches in a massive, animated display; a Science Engineering Show that will show how research laboratories of the nation's industrial giants are creating modern miracles of science; the 35th annual Southwestern Automotive Exposition, South's largest automobile show.

The fabulous million-dollar Midway will be bigger and brighter—with the nation's best sideshows, 33 great thrill rides, a half-acre of rides just for the kids, and the sensational Sky Wheels, towering double ferris wheel that will carry fun-seekers to new heights indeed.

Free lectures, flower shows, contests and a vastly expanded list of competitive classes will boost the Women's Show to the top among the nation's events of that type.

And that's only the beginning, Stewart promises. There'll be Ice Cycles of 1952, the Aut Swenson Thrillcade, thousands of glamorous, free exhibits, farm machinery exhibits, free aerial acts, scores of special events, free fireworks and entertainment, to make the 1951 state fair the world's biggest entertainment and educational bargain.

Emphasis on youth activities by the State Fair of Texas is illustrated by the substantial increase in premiums for the fair's Junior Livestock Show, Oct. 14-20, Ray W. Wilson, livestock manager points out.

Premiums for junior dairy, steer, sheep, pig and commercial steer shows total \$14,945, an increase of \$3,695 over last year's premiums.

In 1950, more than 1,000 animals were shown in junior divisions of the fair's livestock show. Even more are expected to be entered this year. The fair is one of the few in the nation that provides free stall and pen space to junior exhibitors.

Premiums include: Junior Dairy

THE MIDDLES By Bob Karp

Show, \$3,705; Junior Steer Show, \$3,085; Junior Commercial Steer Show, \$3,000; Junior Pig Show, \$3,185; Junior Negro Pig Show, \$3,782; Junior Sheep Show, \$978. There also will be a Junior Market Turkey Show for \$600, and a Junior Market Broiler Show for \$400, in the Poultry Show.

Special awards include the John Henry Dean, Jr., Memorial, junior steer showmanship contest with five awards totaling \$400 for exhibitors of Hereford, Angus and Shorthorn steers; and the State Fair Junior Herdsman Awards totaling \$200, offered in dairy cattle, steer or commercial steer, junior pig of junior Negro pig, and junior sheep division.

All entries in the Junior Livestock Show must be made through a county agent or vocational agriculture teacher before Sept. 10.

Fat steers, lambs and hogs entered in the Junior shows will be auctioned on Saturday, Oct. 20. W. L. Stangel, is general superintendent. Show officials include: Junior Dairy Show, R. E. Burleson, superintendent, and A. M. Meekin, assistant; Junior Steer and Commercial Steer shows, A. L. Smith, superintendent, A. B. Childers and U. D. Thompson, assistants; Junior Pig and Junior Negro Pig shows, E. M. Regenbrecht, superintendent, and L. M. Hargrave, assistant; Junior Sheep Show, J. B. Payne, superintendent.

Farmers Urged By USDA To Take Part In Local Meetings

COLLEGE STATION, August 29 —Farmers and others interested in long time improvement of agriculture are urged to take part in the meetings now being held throughout the state for the purpose of reviewing the programs and policies of the U. S. Department of Agriculture.

County Agricultural Mobilization Committees are in charge of the meetings and discussions in the counties. Membership on these committees is composed of representatives from state and federal agencies who work with rural families. Officials of the USDA point out that the population of the nation is growing steadily and by the end of the century is expected to be near 200 million, or approximately double the 1900 total. Then too, most of the country's farmable land already is under cultivation and the extra food and fiber needed to feed and clothe the growing population must come from increased acreage yields and more efficient production.

This increased agricultural production must come from the family farms for they make up almost 98 percent of the Nation's total. These are the farms which are operated by family units and supply the bulk of the family's income with the family providing most of the labor needed on the farm.

It is the family farm operators and their families, therefore that are now being asked to make suggestions for improving the services and programs of the USDA. The best suggestions for dealing with local farm problems come from local farmers and all are urged to attend and participate in the meetings being called in the communities. The recommendations from these meetings and discussions may form the basis for improved farm programs and assurances to the millions that America's family farms can provide the nation's future needs of food and fiber.

Farmers are urged to submit soil samples to the soil laboratory at College Station from the land on which legumes will soon be planted. The analysis will show what fertilizers are needed and in what amounts.

Jimmie Nell Bowman, Wayne Houser
Marry in Carlsbad, N. M., August 4

Mr. and Mrs. James Howard
Bowman of Spur and Corpus Wayne A. Houser of Lubbock. The

bridegroom is the son of Mr. and Mrs. Hester W. Houser, 2207 Twenty-fourth, of Lubbock.

The ceremony was read at 7:30 in the evening August 4 in the First Christian Church in Carlsbad, N. M. Rev. Clifford B. Thomas officiated at the single ring service before a bank of palms and baskets of white gladioli tied with white satin ribbon and flanked by white cathedral tapers in candelabra.

The bride wore an original dressmaker suit of mauve gabardine with pink accessories. She carried a white Bible with two white orchids showered with white satin ribbon and split pink carnations. For something old she wore an heirloom diamond lavalier that had belonged to her grandmother, the late Mrs. Ernest L. Adams of Spur.

Mrs. Arthur Rump of Lubbock, matron of honor, wore a pink suit with navy accessories and a white carnation corsage. Arthur Rump of Lubbock was best man.

A wedding supper was served at the La Caverna hotel after the ceremony.

The bride attended school in Corpus Christi and Spur. Houser is a graduate of Lubbock High school. He attended business college and has been associated with his father in the drug business for several years.

The couple are making their home at 2406 Main in Lubbock.

SHOWER IS COMPLIMENT
Mrs. Wayne Houser was given a "surprise" gift shower Tuesday night, August 28, in the home of Mrs. Juanita Mullican and Mrs. Arthur Rump, 3002 Twentieth, of Lubbock, assisted by Mrs. E. A. Rump.

Miss Jo Nabors registered 27 guests.

A Nile green net-covered organically cloth covered the table which was centered with bronze and yellow chrysanthemum arrangements. Bronze and yellow streamers on the table were lettered in gold "Wayne and Jimmie Nell." Arrangements of other fall flowers were used in the rooms.

Wood Home Scene
Of Party, Aug. 24

Margaret Wood was hostess to a group of young people in her home Friday evening, August 24.

Those attending were Letha Beth Turner, Duane Durham, Shelley Bell of Vernon, Foster Cook, Jr., Doris Gibson, Neal A. Chastain, Jr., Ginger Walker, Wayne Smith, Carolyn Chancellor of Dallas, Ju Don Rickels, Beverly Wood, Charles Lee, Joe Simpson, and the hostess, Margaret Wood. Strawberry punch and covered crackers were served to the guests.

Garden Theme Used at Party Feting
Baptist Training Unions, August 23

The Intermediate and Young People's Training Unions of the First Baptist Church were entertained by their sponsors with a garden party at the home of Mrs. E. D. Engleman on Thursday evening, August 23.

Lois Dunwoody, dressed as Mary, Mary Quite Contrary in poke bonnet and pantaloons, greeted guests to her garden and gave them programs decorated with a drawing of Mary.

Hittikane lamps and small watering-pots filled with cut flowers were used as decorations. Along the porch wall were hung tiny baskets of marigolds tied with yellow satin streamers and net. On the tables were a large market basket of assorted zinnias and two miniature wheelbarrows filled with marigolds.

Ralph Gibson and Jackie Claude led the guests in singing garden songs accompanied by Faye Middlebrooks at the piano. Gail and Glynda McWilliams of Matador played violin duets of "The Blue Danube" and "Lilacs" accompanied by Faye Middlebrooks.

Official Memorandum

BY

ALLAN SHIVERS
Governor of Texas

AUSTIN, TEXAS

GREETINGS:

The percentage of farm homes in Texas receiving central station electric service has increased from 2.3 per cent to 90 per cent during the past 16 years, largely through the stimulation of the Rural Electrification Administration (REA) program.

More than 282,000 rural families of Texas now enjoy the benefits of electric lights and power through cooperatives which they themselves own and operate.

Each of the 77 rural electric cooperatives in Texas is a free and independent, tax-paying business enterprise, chartered under the laws of the state of Texas, and owned and controlled by the farmers and ranchers who receive service along its lines.

The availability of electricity has brought about a wholesome revolution in farm methods, production and living standards; has lightened the drudgery of farm tasks and increased farm output and profits; has been instrumental in keeping young people on the land, and has promoted the general welfare not only of rural people, but of urban residents as well whose prosperity and well-being depends upon a sound and prosperous agriculture.

THEREFORE I, as Governor of Texas, do hereby proclaim the week of August 19th to 25th, inclusive, as

RURAL ELECTRIFICATION WEEK

in Texas, and call upon all citizens of the state to observe during this week the splendid progress that has been made in electrifying rural areas during the past 16 years, and to resolve anew that the program shall continue to expand until every farm family in the state shall enjoy the blessings of electric lights and power.

In official recognition whereof, I hereby affix my
signature this 18th day of July, 1951.

Governor of Texas

Skunks Are Amenace To Farmers In Winter Weather

AUSTIN, Aug. 29—Texas farmers and ranchers in the Red River Valley region and in South and Central Texas have been warned to begin killing skunks—lots of them—before cold

weather brings an increase in rabies cases. The grim warning is contained in an animal morbidity report compiled by the State Department of Health. The idea is to pin point rabies infested areas as warning to people in adjacent areas. State Health Officer George W. Cox said Texas had areas "bigger than most states" which are completely free of rabies. "From now on we're going to call our shots by county of occurrence. It isn't going to be 'Texas rabies' any more," the health official declared.

"Livestock owners . . . should have active skunk killing programs, especially in the Red River Valley area, when winter approaches and skunks hole up with livestock in dilapidated barns," the report cautioned.

Current focal points of skunk rabies are, the report indicated, in Harris, Matagorda, Fort Bend, and Lavaca Counties. Another focus exists in the region of Comal and Hays Counties, and in Central Texas in Travis, Bell, Coryell, Lampasas, and McLennan Counties.

"The trend is eastward in Central Texas," the report said. Titus and Hopkins, an area hit hard last year, continues to have a serious problem, causing health officials to caution livestockmen in the eastern part of the Red River Valley to be especially vigilant against skunk invasions of barns and outhouses.

The rabies morbidity report is something new in disease control. Modeled after the method used to keep tab on cases of human communicable diseases, it is part of the general protection the state health agency is providing. For July the report shows: 77 dogs, 6 foxes, 6 cats, 4 skunks, 4

calves, 3 pigs, 2 civit cats, and 1 cow were diagnosed as rabid at the state Bureau of Laboratories. Bexar and Harris Counties were hardest hit during July. Each reported one case of dog rabies each day of the month.

Polio Cases Below Last Year's Record

AUSTIN, Aug. 29—The state last week logged its highest polio incidence of the season, but it was still far short of the record set last year.

Ninety-seven cases of the virulent disease were reported by the State Department of Health for the week ending August 11, bringing the year's total to 874. Last week's report bested the previous week's incidence of 92 cases by five.

"Even one case of polio is too much," State Health Officer George W. Cox said, "but I'm mighty glad we don't have polio in wholesale lots like we did last year and the year before."

"Of course we still have to get through September and October—they can be mean for polio too," he cautioned.

Last year Texas suffered 2385 cases for the entire season. There were 210 deaths for the entire year, State Health Department statistics show, 88 of them occurring during the first 6 months. Through June of this year 20 polio deaths have been recorded. Counties heaviest hit last week were Dallas, 17 cases; Tarrant, 10 cases; Bexar, 10 cases; and Harris, 7 cases.

Meanwhile, dysentery, always a leader among communicable diseases, continued its hot weather rampage. Morbidity statistics show 16,776 cases to date. Border counties—principally Cameron, Hidalgo, and Webb—reported the highest number of weekly cases.

"A return to fundamental personal, household, and community sanitation will do more to cut both polio and dysentery rates than anything else," Dr. Cox asserted. He appealed to parents to take the lead by keeping their own houses free of flies, and by demanding that their city officials take steps to "permanently eliminate breeding places."

Texas Jersey cattle breeders last year ranked at the top or near there in eight different categories according to information released by the American Jersey Cattle Club.

Texans over 17 years of age must have hunting licenses providing, of course, they hunt beyond their own home county. All residents entitled to hunt in their own home area without a license must have an "exempt license" before hunting deer and turkey on land of their residence.

Farmers who use anhydrous ammonia are urged to be on the alert for hazards that might cause accidents. If this new source of nitrogen is handled properly and the right kind of equipment is used, it is no more dangerous to store and apply than the hazards that go with many other farm operations.

U.N. to Issue Own Postage Stamps

United Nations postage stamps shown above will appear during all of 1951 and will be used in all mail sent from U.N. Headquarters. Under a recent agreement between U.N. and the United States, U.N. will issue its own postage stamps and will establish a United Nations Post Office to replace the U.S. Post Office now in operation at Headquarters. Ordinary stamps will be issued in 11 denominations. The airmail series will be issued in 4 denominations.

You never tried a fine car like This One

You've a right to set your sights
higher when you buy a fine car.

You can rightly expect more room
—more comfort—more performance
—and a lordly smoothness in the way
it carries you.

So we present these facts:

You'll find, in a ROADMASTER, more
usable room than you'll find in any
other six-passenger car in America.

You'll find the extra comfort of
double-depth Foamtex cushions in
ROADMASTER only.

You'll find that the ROADMASTER has
a high-compression, valve-in-head
power plant that is also exclusively
Buick's—a mighty Fireball Engine

endowed with more performance
than most owners will ever need.

And you'll find that a ROADMASTER
rolls with unsurpassed levelness and
poise, thanks to coil springs on all
four wheels—which is still another
feature found on no other car in the
fine-car field.

But the thrill that is yours, when you
get this willing beauty out on the
open road, is something that can't be
summed up in any listing of features,
one by one.

It's a "feel" which, we hon-
estly believe, no other car can
approach.

It's the sure way this dazzling

performer holds the road—the way it
responds to your slightest wish—the
quick answer you get when you nudge
the throttle—the extra security you
feel in the velvet grip of the brakes—the
complete freedom from tension
you find in Dynaflo Drive—the
sense of mastery that makes every
mile a joy.

And, confidentially, there's one
more important way in which
ROADMASTER stands alone, and that
is in the modest cost of its pounds and
performance.

Better come in soon and check for
yourself what a great car and a great
buy this one really is.

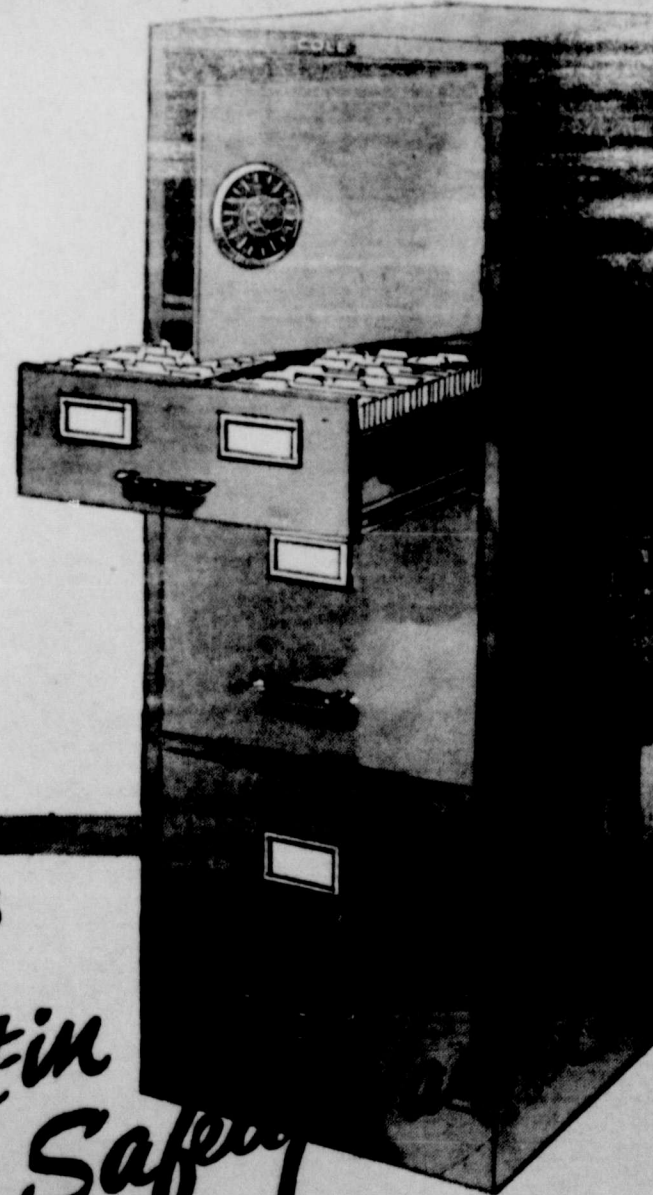

Equipment, accessories, trim and models are subject to change
without notice.
