Whoa, Now!

By Grady Lackey

With so many vital issues to be settled at the polls this year, it's just hard for us to keep from harping on paying your poll tax. So if you've already paid yours, and have reminded all of your friends and relatives to pay theirs, just ignore the first part of our column this week.

Did you ever stop and think just what you can do about the evils that exist in the local, state, national and world economic, social and political set-up? Do you ever get the feeling that things have gone completely out of the hands of the individual citizen and are being run by an uncontrollable machine? We have on several occasions. And for most of us there are only two things that we can do about it. The first, and of great importance, is to clean up our own ways of living, thinking and acting. And the second is to vote into political offices the people who stand for our way of living and thinking. The first step toward this end is to pay our poll tax.

Sure, you just have one vote—and very few elections have been won by one vote—but we just have one and the next fellow just has one. It's the composite of all these votes that are cast that put the right or wrong man in office.

Some folks like to follow the saying that if you can't beat 'em, join 'em, but we like to believe that eventually the forces for right will overcome the forces of evil. This can be hastened by people with convictions to vote for candidates for public offices who stand for the same convictions. To do this we must first be able to vote.—So we're right back where we started.—

PAY YOUR POLL TAX BY JAN. 31!

We're happy to welcome back an old advertising account this week. On page 5 you'll see the grocery ad of Piggy-Wiggy.

Carl Murray's ad has been absent from our columns for some time, but we hope to bring you week end specials in groceries at his store in every issue now.

Gabriel's and Dunlap's department stores are opening sales this week end to clear their shelves for spring merchandise. We're looking over both lists of bargains and will assure you that there are many real money-savers at both stores.

One of the requirements of an interesting hometown newspaper is pictures of home town folks. We are trying to get just that for The Texas Spur this week end.

Norman Morgan will be at the Spur Inn all day Friday to take pictures of local business and professional men and women and civic leaders. From these pictures he will have engravings made for future use in our paper.

The picture-taking will be free of charge, with, of course, the opportunity to buy pictures for your personal use.

The Sunday School teacher of a three-year-old class was quite perturbed when she received no reply to her questions as to the identity of Matthew and Paul.

Finally she asked, "Surely someone knows who Peter was." A little boy from the back row answered "I not sure, but I think him was a rabbit."

Local coffee cup politicians have been discussing rather heatedly whether or not President Truman will run for re-election. The Abilene Reporter-News doesn't know the answer to this question any more than we do, but they recently published a picture of the president with the caption "Pay your poll tax—He may run again."

Noted in a newspaper concerning a young lady who got shot while standing at the top of a flight of stairs:

"After being shot, she fell down the stairs, bruising her somewhat but not harming her otherwise. The doctor's report shows that the bullet is in her yet."

ANTELOPE CHURCH WILL HOST SINGING SUNDAY
A singing convention will be held at the Antelope church at 2:30 o'clock Sunday afternoon, January 20.

Everyone is cordially invited to attend.

Chamber of Commerce Doings . . . Annual Membership Drive To Open February 1; Election of Officers March 1

The opening date of the annual membership drive for the Spur Chamber of Commerce has been announced as Friday, February 1. The date was set by the board of directors in a special meeting held January 11.

Detailed plans of the drive will be made by the chamber budget and membership committee, who will appoint additional committee men to assist them in the drive.

The membership goals for 1952 have been set at 165 members and \$8,000 which will be used to carry out the projects of the eight standing committees and other expenses of the local chamber.

Spur has a very high percentage of membership, and it is hoped that the present membership will be maintained and many new members added. This will make possible the attainment of the 1952 goals. It may be of interest to some businesses to note that chamber dues are income tax deductible if deductions are itemized.

Spur businessmen have gained recognition in Spur and in West Texas Chambers of Commerce for their excellent support of the local organization. With this continued support, the Spur Chamber of Commerce should have a very successful year in 1952.

DATE TO REMEMBER
March 1 has been set as the date of election of new members to the Chamber board of directors.

The terms of three board members will expire and three members will be elected to fill these vacancies. Term of office on the board is three years.

Installation of the new directors will be held on April 1. Another date which will be announced definitely later is the date for the annual Spur Chamber of Commerce banquet. Tentative

plans set the banquet date sometime during the month of March.

ESSAY CONTEST
Several schools in the surrounding area have been invited to enter the "Pay Your Poll Tax" essay contest sponsored by the Spur Chamber of Commerce.

The Spur Schools are giving their full cooperation and other schools are expected to enter soon.

The main objective of the contest is to get more people to pay their poll tax and to cast their votes in the coming elections.

PROJECTS APPROVED
Chamber projects for 1952 have been submitted to the board of directors and approved together with the assignment of projects to the various committees.

Some long range projects of the 1951 program of work appear again on the 1952 program. Included in this group are the road to Calgary and a bridge over the White River. Work is still being done on these projects and will continue until they are completed.

NEWCOMERS
We would like to welcome as newcomers to our city this week Mrs. Julia Havens, Mr. and Mrs. Marshall Lucas, and Mr. and Mrs. Donnie Richardson.

McMahan to Operate Levelland Tire Store
Coy McMahan and S. C. Reynolds have announced the opening of a new tire store in Levelland. McMahan left Spur last week to manage the Levelland store which will operate under the name of Reynolds & McMahan Tire company.

Mr. and Mrs. McMahan and William Coy will make their home in Levelland, but Mrs. McMahan and William Coy plan to remain in Spur until the end of the present school term.

McMahan has been a resident of Spur since 1920, and had been in business with Reynolds at the local O. K. Rubber Welders company for the past three years.

He was a member of the local Lions Club, the Presbyterian church, a member of the Spur Volunteer Fire department, and a member of the board of directors of the Spur Chamber of Commerce.

V. Murray Employed As Asst. Manager of Spur Lumber Co.
Clarence Alexander, manager and co-owner of the Spur Lumber company has announced that Virgil Murray has been employed by the company as assistant manager.

Murray has recently been manager of lumber yards in Midland and Levelland, and was formerly employed by the Tri-County Lumber company in Spur.

"Virgil is thoroughly trained and experienced in the building supply business, and will be glad to help you with your individual building problems or needs," states Alexander.

Junior Class Play Cast Announced
The cast for the presentation of the junior class play entitled "We Shook the Family Tree" was announced today by Miss Dorothy Taylor, speech instructor at Spur high school.

The play, a comedy in three acts, is scheduled for Thursday, February 7.

The cast of characters includes Hildegarde, who is tired of being a wallflower, Paulita Karr; Mr. Dolson, her father, Robert Ensey; Mrs. Dolson, her mother, Peggy Reid; Sally, her younger sister, Beverly Wood; Bob, the older brother, Bobby George; Jimmy, the younger brother, Lawrence Cook; Paige, who likes to play postman, Anna Lou Hagins; Ellie May, Bob's sweetheart, who wears knickers, Jackie Cloude; Mr. Sherman, his father, John Rankin; and Mrs. Sherman, his mother, Beth Watson.

Stage manager of the production is Franklin Gabriel and Francis Morrow is the official prompter.

Class sponsor is Miss Rena Noack.

Junior High Teams Win One, Lose One In Friday Contests
Jane Simpson was credited with the 7 points made against the Crosbyton eagles' 15 points in the game held between the two junior high school teams Friday, January 11.

In the boys game, Ronnie Ensey scored 9 points, Bobby Dyess, 3, and Alton Williams, 2, which totaled 14 points over Crosbyton's 13 points. It was a fight to the finish game as Crosbyton was in the lead until the final quarter.

A tournament at Crosbyton is scheduled for the first week-end of February.

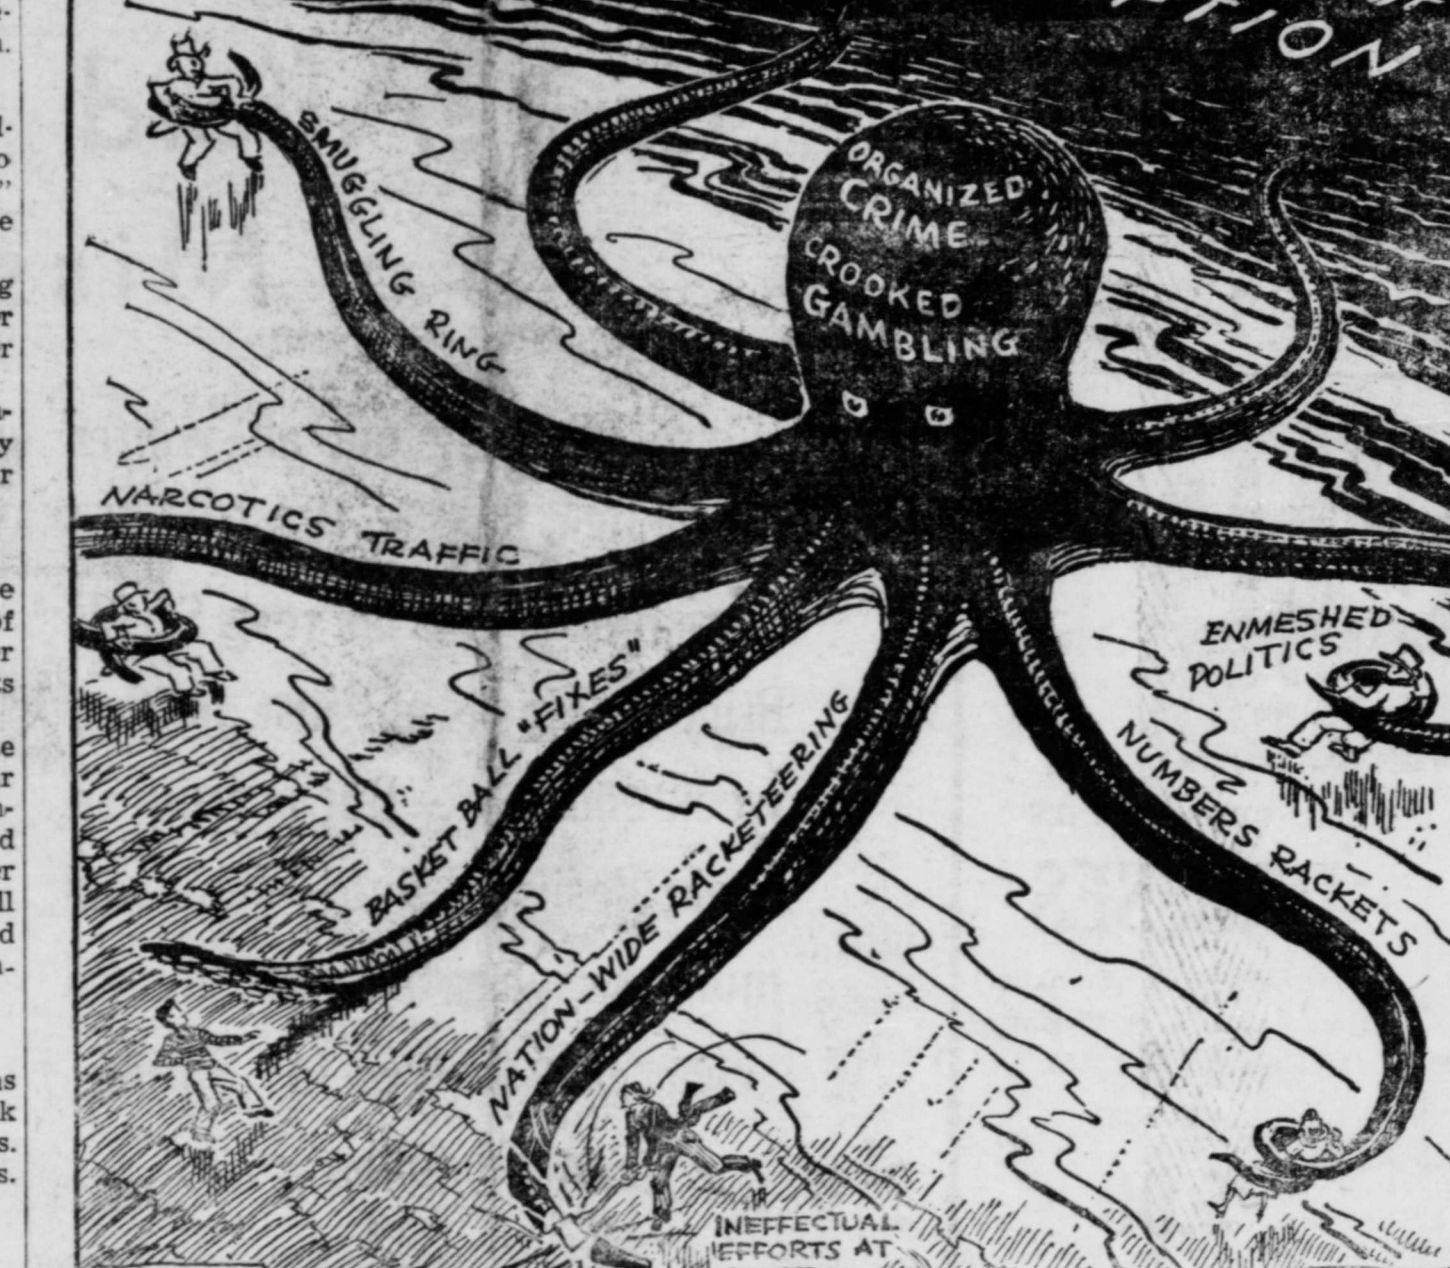

LOADED TRUCK STOLEN AT DICKENS COURTHOUSE
A 1950 model Dodge truck loaded with cedar posts was stolen from a parking space in front of the Dickens county courthouse Wednesday.

The truck was found on a hill east of Dickens. All the tools had been taken. Considerable damage had also been done to the truck.

SIX ARRESTS MADE IN SPUR DURING THE WEEK
Violations are on the uprise after an unexpected quietness during the holidays, according to reports given by Deputy Sheriff Horace Cagle, Wednesday.

Six arrests have been made this week, five of which were traffic violations; the other was for drunkenness.

L. Hindman Named To Spur School Board

At a regular meeting of the Spur school board Monday night, Lloyd Hindman was appointed to serve the unexpired term of Raymond Higginbotham who recently moved to Hereford. Since he will be taking an appointive office, Hindman will automatically be included in the group for re-election to the board at election time in April.

The school board also voted to accept \$550 from the Spur softball league for use on the stadium grounds. This money, profits from the 1951 softball season, was offered to the school following the unanimous vote of the softball commissioners and representatives of league teams in a meeting last week.

Resident of Dickens Reports Purchase of "Fireball" Sweaters

A resident of Dickens, whose name has been withheld upon request, reported the purchase of two of the "fireball" sweaters to county law officials this week.

The purchaser of the sweaters stated that he bought them a few days after the Thanksgiving holiday from an itinerant peddler, who appeared to be of Jewish descent, driving a 1951 Chrysler with a California license plate. Paying a price of \$10 each, the buyer felt that he was getting a bargain since the original asking price was \$15 each. There was no company label on the sweater.

Becoming wary of the material in the sweaters after hearing radio broadcasts and reading newspaper articles, the sweaters were brought to Sheriff Charlie Kimmel for inspection.

According to Kimmel, one of the sweaters was placed on the ground and a match struck near it. The sweater burned in 50 seconds while lying on the ground.

Kimmel warned that the sweaters were "very easily ignited and should not be worn, and are too dangerous to keep in one's possession."

Culbert Distributor of Mrs. Baird's Bread

Ross Culbert, manager of the Spur Bakery, announced this week that he is now distributing Mrs. Baird's bread in Spur and surrounding towns and communities.

The local bakery will continue to make pastries and other bakery products, the local baker adds. The bread is being supplied from the Mrs. Baird's bakery in Abilene and is brought fresh to Spur daily.

Culbert states that another delivery truck and another employee will be added to his staff when the new set up is worked out.

The local bakery did not have the necessary equipment to make the type bread now being put out by the larger bakeries, states Culbert, so the local plant has discontinued bread baking.

Grady Elder, manager of the Spur Chamber of Commerce states that this new business in Spur is an asset to Spur and welcomes the concern to the membership of the chamber.

Leon Huff, assistant manager of the Abilene Chamber of Commerce, has resigned to accept a position as manager of the Snyder chamber. Formerly manager of the Spur chamber, Huff will assume his new duties on February 1.

Attempted Robbery Made On Local Bank

Sometime between midnight Saturday and Sunday morning an attempt of robbery was made on the Spur Security Bank, according to reports from Sheriff C. C. Kimmel's office.

Breaking into Cuba White's office, located over the bank, the would-be robbers drilled holes into the flooring, planning to gain entrance into the vault below. They lacked approximately one foot being over the bank vault.

White discovered the evidence at his office early Sunday morning and reported it to the local officials.

Deputy Horace Cagle expressed the opinion that "it was no amateur job."

Remodeling At Mac's Nears Completion

Mac's Food Market in Spur is undergoing re-modeling this week, announces Cecil Driver, manager, and Mac Steele, owner. The Spur grocery store will announce its re-opening soon and plans to have a re-modeling sale.

The re-modeling project includes a complete paint job inside, and newly painted and rearranged shelves, states Driver. "We are striving to make our store one in which the housewife can shop in comfort and convenience," he adds.

The meat market will feature a new "self service" counter designed to aid the shopper in making selections and to speed up market service. This new counter will be used for all wrapped market items. Cecil Fitzgerald is manager of the market.

The re-opening date will be displayed on the front window of the store as soon as it can be determined, concludes the manager.

THREE CARS COLLIDE NEAR DICKENS SUNDAY NIGHT

Luckily no one was seriously injured in a three-car collision that took place 12 miles east of Dickens Sunday night. Two of the three cars involved were completely demolished, reports Deputy Sheriff Horace Cagle, and the third car, received approximately \$1,000 damage.

It is believed that the accident was caused by one of the drivers going to sleep.

REVIVAL TO BEGIN AT DICKENS CHURCH OF CHRIST

Bro. J. L. Pritchard of Brownfield, Texas, will conduct a series of gospel meetings at the East Side Church of Christ in Dickens on Friday night, January 18, it has been announced.

Bro. Pritchard is considered an able minister of the gospel, and the public is invited to come and hear him.

Tahoka Defeats Spur In First Conf. Game

Probably the biggest surprise to come to Spur high school and local basketball fans in some time was the ease with which Tahoka defeated the Bulldogs in a boys game Tuesday night by a score of 50-27.

Coach Sam Hawkes gave this impression of the opposing Tahoka cagers: "It was the first conference game, and Tahoka was hotter than a pistol."

Tahoka cagers Havers, Huddleston and Howle held the scoring honors with 10 points each, while Joe Bell made nine of the 27 for Spur.

The boys averaged 35% on free throws, making seven out of 20 and chalked up an equal 10 fouls and 10 field goals. Tahoka racked up 18 fouls, six free throws and 22 field goals.

Spur's next game will be with Slaton Tuesday night.

Girl Cagers Victors Over Jayton, Tahoka

Spur high school girl cagers took two games this week, winning the Tahoka game by a 44-16 count and taking the Jayton contest 36-24.

In the Tahoka game Duffie Austin's 11 points and Francis Wilson's 10 points paced Spur to a quick victory. Huddleston took scoring honors for the losers with nine points.

Spur girls averaged 24% on free throws, making six out of 25, and chalked up 19 field goals and 19 fouls. Tahoka racked up six free throws, five field goals and 24 fouls.

Spur girls stopped Jayton by scoring a 36-24 triumph, with Wilson and Austin tying for scoring honors with 12 points each. Glenn Jones eased past the opposing cagers with 10 points to her credit.

Kelly scored 11 points for the Jayton losers, which was almost half her team's total.

Statistics on the Spur-Jayton game are 19 fouls, 2 free throws and 17 field goals for Spur, and eight field goals, eight free throws and 13 fouls for Jayton.

Ladies' Basketball Tournament Planned By P.T.A. For Jan. 31

Plans for the ladies' basketball tournament to be sponsored by the Spur Parent-Teachers Association were made at the regular meeting Tuesday afternoon, January 8.

The tournament is slated to be held on Thursday evening, January 31 at the high school gym. Nine teams have been invited to participate.

Refreshments may be purchased at the gym, according to the organization president, Mrs. W. F. Patrick, and families are urged to eat their evening meal at the gym.

The Spur High School band presented a concert as the program for the afternoon meeting. The band is directed by Melvin M. King.

Five rooms won room count. They were the rooms of Mrs. Doris Moore, Mrs. Paul Sweett, Mrs. Edith Durham, Mrs. Willis Jernigan and Mrs. Glen Harwell.

The next regular meeting will be held Tuesday evening, February 12. A night meeting, the fathers are especially urged to attend.

"Pay Your Poll Tax" Essay Contest Is Sponsored By C. of C.

A "Pay Your Poll Tax" essay contest is being sponsored by the Spur Chamber of Commerce for high school students of the schools in the Spur trade territory.

Prizes of \$10, \$5 and \$2 are being offered for the best essays. Judging will be based on originality, timeliness and neatness.

Letters have been sent to all the high schools in this area urging them to announce the contest and to encourage entries from their students. Weldon Skinner, principle of the Spur high school has reported to the chamber that all junior and senior students of the Spur high school will be required to write "Pay Your Poll Tax" essays as regular English assignments.

The dead line for entries in the contest is 5 p. m. Tuesday, January 23. They must be submitted to the chamber office either typed or written in ink on one side of the page. Word limit has been set at 150 words.

Placards announcing the contest will be mailed or delivered to the schools planning to submit entries this week end.

Several of the essays will be published in next week's issue of the Texas Spur, and winning essays and their authors will be published in the January 31 Texas Spur.

Judging will be done by three competent persons to be selected by the projects committee.

The contest is one of the major projects of the local chamber in its efforts to get citizens to pay their poll tax. Under the direction of the projects committee, it will distribute small leaflets to the business men as reminders to their customers. These reminders will be delivered to the businesses this week end.

Cancer Education Program To Be Held Here, January 24

An afternoon program of cancer education for volunteer workers interested in continuing the fight against cancer in Dickens County will be held on Tuesday, January 24, at the First Baptist Church in Spur.

Mrs. Malcolm Brannen, county lay woman of the American Cancer Society, has announced a full program, beginning at 1:30 o'clock, including the showing of cancer films designed to aid in the detection of cancer and to remove some of the misconceptions about the disease.

Dr. Bob Alexander, the Cancer Society's medical advisor in Dickens County, will be present to further explain cancer from a doctor's point of view and to tell of some of the advances being made toward control of cancer.

Other local doctors and a visiting doctor will assist Dr. Alexander in the medical session.

The educational meeting will be coordinated by Miss Margaret Sharp, of Midland, West Texas representative of the American Cancer Society, Texas Division.

Mrs. Paxton Howard, of Midland, District 2 lay woman director, will also participate in the program.

The training program is open to anyone interested in cancer control, and all organizations are invited to send representatives to the meeting.

Rotarians Honored At Thurs. Meeting

Birthdays seemed to be prevalent among Rotarians in the weekly Rotary Club meeting, Thursday, January 10.

Rotarians recognized for having January birthday were Spencer Campbell, Carl Murray, W. F. Gilbert, J. D. McCain, Lynn Zubee and W. R. Weaver.

The invocation was given by W. F. Godfrey presiding the noon meal.

Visitors introduced in Rotary were Rev. Ralph Russell, pastor of the First Christian Church of Spur; Bob Chambers, who is leaving in the very near future to serve as a missionary to Japan; and Joe Hile of Amarillo.

For the program men were selected from the group for representation in an identification contest between the "reds" and "blues". They had to act out in pantomime either a book, song or movie.

The meeting was adjourned by Walter Gruben, Rotary president.

Piano Auditions, Contests Are Open To Spur Piano Pupils

All piano pupils everywhere are invited to participate in the international auditions sponsored by the National Guild of Piano Teachers. The auditions are to be held during the months of March through July.

You are invited to share \$30,000.00 in certificates, diplomas, medals, fraternity pins and cash prizes by entering the National Piano Playing Auditions, The Piano Guild's Annual Composition Test, and the International Piano Recounting Festival.

For full information and literature, ask your piano teacher to contact Mrs. J. E. Berry, Spur, local chairman of the national guild.

The March of Dimes organization maintains equipment depots in seven strategically located cities to speed shipment of iron lungs, hot pack machines and other essential polo-fighting supplies to any stricken area.

BRUCE BROWNING ATTENDS AFSCD MEET THIS WEEK

Bruce Browning, principal of East Ward Schools, left Tuesday for Fort Worth to attend a meeting of the Association for Supervision and Curriculum Development.

Browning will work with a committee on the preparation of a bulletin entitled "Pupil Progress and Reports to Parents." This bulletin, when completed, will be distributed by the NEA and will be available to schools throughout the nation.

The meeting is sponsored by the Texas Education Agency. Browning planned to return to Spur this week end.

County Judge and Mrs. Walter Davies of Lubbock and Mrs. Ed Wren of Crosbyton were among those from out-of-town attending the John N. Luce funeral.

Visiting in the home of Mr. and Mrs. Alex Fry last week end were Mr. and Mrs. Jimmie Bird of Post, and Mr. and Mrs. Murry Rodgers of O-O Ranch, Jayton.

Romantic tug-of-war... Alexis SMITH, Bing CROSBY and Jacq WYMAN in a happy scene from Paramount's "HERE COMES THE GROOM."

'Here Comes The Groom' Superb Mating Of Bright Comedy, Top Tunes, Romance

'HERE COMES THE GROOM'

A superb cast, a hilarious story and a rich serving of songs have been artfully blended in Paramount's "Here Comes the Groom," the Bing Crosby comedy scheduled to open on Sunday at the Palace Theatre. This latest, and reportedly merriest of all the Groaner's film adventures, finds him in the stellar company of Jane Wyman, Alexis Smith, Franchot Tone and James Barton in a Frank Capra production that pays out the laughs with all the hearty abandon of a shore-leave sailor unloading his coin.

There are lots of bonuses in this gloom-busting bozanza, too. Anna Maria Albergheiti, a sensational fifteen-year-old singing find, and Jacky Genece, a wonderfully talented young French actor, make their American film debuts. Jay Livingston and Ray Evans have concocted a bright and durable set of tunes for Der Bingle and his friends, with a one-song assist by Johnny Mercer and Hoagy Carmichael. The ditties include "Your Own Little House," "Bonne Nuit," "Misto Cristoforo Colombo" and "In the Cool, Cool, Cool of the Evening," this last by Mercer and Carmichael.

The laugh-loaded story casts Bing as a reporter who's given a week by immigration authorities to find a mother for two orphans he had adopted in France. His fiancée, lured by a three-year engagement, has become engaged to a millionaire socialite in Bing's absence, and his uproarious attempts to garner a mother for his prefabricated family serve as a springboard for a series of howling situations.

According to wet-eyed previewers, this is the perfect mating of the famed Frank Capri comedy magic and Crosby's wide-ranging talent in a film that is funny, bright and heart-warming. Capra, who directed such comedy milestones as "It Happened One Night" and "Mr. Deeds Goes To Town," is said to have turned in his finest job, and Bing's performance is reportedly a honey that will place

him even more firmly in the affection of his many fans.

The screenplay was written by Virginia Van Upp, Liam O'Brien and Myles Connelly.

Hints For Homemakers

By Hartense North
Electrification Adviser
Dickens County Electric Cooperative, Inc.

Does your kitchen make you feel it's grand to be alive? Or is it a room you never notice any more?

You'd be surprised at the difference a new plant on the window sill can make—Or some gay canisters on the counter—Or your favorite plates hung on the sunniest wall.

It's just such small, thoughtfully chosen details that can turn the trick. And they're not expensive. In fact, likely as not, there are things in your own cabinets you can use.

While improving the kitchen why not include plans to add those needed electric appliances. The fully electric kitchen, so widely publicized may not be possible in every home but a large percentage of American homemakers will be purchasing additional equipment soon. Such equipment can lighten the work load to such a degree that electricity is often called the extra "hired girl." It is ready to work for you at any hour of the day or night, is never temperamental, never asks for days off, and costs so little that you would be ashamed to offer similar wages for help.

With the new electric range every cooking job can be done with less effort, less time, and more convenience than ever before. And speaking of cooking, do you have a good skillet meal? If not, why don't you try this delicious pork chop skillet meal.

PORK CHOP SKILLET MEAL
6 tablespoons fat
6 pork chops (1" thick)
6 slices Bermuda onion (1/2" thick)
6 rings of green pepper
6 tablespoons uncooked rice
4 cups canned tomatoes
1 cup diced celery.

Heat fat in skillet on HIGH. Turn switch to MEDIUM LOW and brown chops on both sides. Place a slice of onion and pepper ring on each pork chop. Fill each pepper ring with one tablespoon

of rice. Pour tomatoes around the meat; add celery. Place cover on the skillet and when steam appears (about 8 minutes) switch to SIMMER and allow to cook one hour. (Amount - 6 servings.)

Dates Set For '52 South Plains Junior Fat Stock Show

Lubbock, Texas, January 17—Dates for the South Plains Junior Fat Stock Show have been set for March 17-18-19, show officials announced this week.

The announcement followed a survey of the area's agricultural leaders to determine favorable dates for the show. Exhibitors annually journey here from 26 counties in Texas and New Mexico. Officials had seriously considered later dates for the show this year, but the survey revealed that exhibitors would have a longer feeding time between their local shows and the regional show here.

The 19th annual exposition is expected to exceed last year's record entry list of 668 pigs, 266 calves and 142 lambs, a total of 986 animals.

DR AND MRS. CLOUDE ATTEND TSCA MEETING

Dr. and Mrs. O. R. Cloude of Spur were among those attending the mid-winter post graduate program of Districts 3 and 7 of the Texas State Chiropractic Association held at Abilene, Saturday and Sunday, January 12 and 13.

The program included instruction in the Carver Technique by Dr. Wesley Smith of the Carver School of Chiropractic at Oklahoma City, Okla., and diagnostic procedures by Dr. Wm. D. Harper, Jr., of the Texas Chiropractic College at San Antonio. Films and other entertainment were provided for the group.

Meeting at the home of Mrs. W. F. Godfrey with Mrs. J. Fike Godfrey as hostess, the group elected the following officers: Mrs. W. W. Gregory, president; Mrs. Bill Innes, vice-president; Mrs. Sherian Campbell, secretary; Mrs.

WHO'S COLD?

Who's worried about snowy winter weather? Not glamorous Virginia Mayo, who is enjoying sunny Southern California sunshine in an eye-catching black and white printed cotton sun dress. The blonde Warner Bros. actress tops the halber bodies with a matching cotton bolero at times when a cover-up is in order.

F. R. Blair, treasurer; and Mrs. W. L. Kizer, delegate to City Federation.

During the program period Mrs. Alfred Walker discussed "Texas Laws Pertaining to Man, Woman and Child," and Mrs. Jessie Morrison gave a talk on "Can You Make a Legitimate Will?"

Present for the meeting were Mesdames Morrison, Innes, A. M. Stoy, Matthews Gruben, Gregory, Campbell, Kizer, Walker, Rob Simmons, Wilburn Ball, Jim Humphreys, and the hostess, Mrs. Godfrey.

NATIONAL PRESS BUILDING WASHINGTON, D. C.
By Anna Goode

Well, Christmas is over. Nothing but the bills linger on — unless it's a few spots here and there on the table linen and on the living room table. Along about now a colorful new hat is good for the ego and if the budget can't see it — freshen up an old one with a pretty veil, a fresh feather or attractive flower.

Speaking of spots—holiday parties usually leave some depressing stains on your Sunday-best table linen. To take out coffee or tea, rub the spots with glycerine. Let stand a few minutes and wash. Fruit stains may be removed by pouring boiling water over the spot from a height of two feet. All fruit stains must be removed before washing the linen or soap may set the stain.

Children's sweaters don't have the hand-me-down look when with all-purpose dye they're converted into a bright, beautiful new color with a personal touch added. Simple embroidery down the front is a dainty finish for a young girl's sweater, a wool applique football is fine for a boy's.

Dry wet woollens in a warm room but not too near heat. That goes for wet leather shoes, too. When woollens are dry brush with a soft but firm-bristled clothes brush. When wet shoes are dry brush off dirt and give a thorough polishing with a good wax-liquid or paste polish.

Key to Good Health

Good food is one of the most important keys to good health. And of today's endless variety, one of the best foods to serve your family is oatmeal. In recent years scientists have confirmed what people have known for generations; that oatmeal is one of the finest foods in nutritive value.

Several recent scientific feeding experiments proved that oatmeal is far superior to other leading breakfast cereals in its protein value. Not only is oatmeal superior in the amount of protein, containing more protein than any of the other grains, but the growth-promoting value of that protein is also superior to all of the leading breakfast cereals.

Start your day with an oatmeal breakfast and take full advantage of such outstanding value. A real eye-opener that will "stick to your ribs" all through the morning is this tempting breakfast:

- Orange Juice
- Prune Oatmeal with Sugar and Cream
- Hot Cornmeal Muffins
- Butter
- Coffee
- Milk

Serve oatmeal often for real economy too. It still costs less than a penny for an average serving. This old-fashioned, yet ever popular favorite, with its high quality protein, its iron and B vitamins will be an important key to good health for your family.

Bible Study Course Slated At First Bapt.

A Bible study course has been scheduled to begin at the First Baptist Church Monday evening, January 21, and will continue each evening through Friday, January 25. The meetings will begin at 7:30 p. m.

Rev. T. B. Allen, pastor, will teach the course based on the book "The New Testament Doctrine of the Church" by Clyde Turner.

The nursery will be open for the children.

Du Pont Biologist To Study Crop Pests

Two field biologists of the Du Pont Company have just been given full-time assignments to test the effects of recently developed agricultural chemicals under Texas conditions.

The men are C. S. Gould, who will make his headquarters in San Antonio, and D. M. Tingdale, who will work out of Edcouch in the lower Rio Grande Valley.

Mr. Gould, who hails from Colingswood, N. J., is a master of science in agriculture from Rutgers University. He will concentrate on testing chemicals for the control of weeds and brush, chemical defoliation of crops such as cotton, and related problems.

Mr. Tingdale, of Minneapolis, Minn., is a master of science in entomology from Colorado A. & M. College. He will devote his attention to experimental control of insects attacking cotton and to testing chemicals against insects and plant diseases affecting vegetables and other crops for which this section is famous.

The assignment of these agricultural products development representatives in Texas is another step in the Du Pont agricultural program, aimed at measuring the effectiveness of various chemicals in solving regional problems in major crop areas throughout the country.

Radio Evangelist To Be in Lubbock Sun.

James Walter Nichols, nationally known, young radio evangelist of Abilene, Texas, will be in Lubbock Sunday afternoon, January 20, to speak at an area-wide meeting of the churches of Christ it has been announced by Norvel Young, minister of the Broadway Church of Christ in Lubbock.

The purpose of this meeting, Young pointed out, is to acquaint members of the churches of Christ in this area with the details of a nation-wide radio program being planned to commence February 10th on a major radio network. Speakers for this coast-to-coast broadcast will be James D. Willeford of Madison, Wisconsin and Nichols who will be the featured speaker of this afternoon's meeting starting at 3 p. m.

Young said that this radio program is under the direction of the Elders of the Highland Church of Christ, Abilene, and will be the first of its kind ever produced by the churches of Christ. Although individual congregations have had local broadcast over many of the nation's radio stations this is the first nation-wide hook-up ever undertaken by the Church of Christ.

GOOD NEWS!

FOR OWNERS OF U.S. SERIES E GOVERNMENT BONDS MATURING THIS MONTH

Now these bonds keep on earning you interest for ten more years!

ARE you one of those patriotic and thrifty citizens who has held your Series E Bonds the full ten years? Here is important news! Now you'll be able to keep those bonds earning more money. Without so much as your lifting a finger!

Last April Congress passed the Bond Law which makes it possible for all Series E Government Bonds to continue earning interest for twenty years instead of ten as originally planned.

For example, a Series E Bond which cost you \$18.75 in 1941 will pay you \$25 in 1951. But if you hold that same bond ten extra years, until 1961, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

Money put into U. S. Bonds regularly and left there grows and grows. It can build into enough to pay for a home, a business, a retirement fund, an education for your children, or whatever really big thing is your own personal dream.

So if you have bonds which are coming due this month, remember the new money-making opportunity your Government is giving you. Just hold onto your bonds and they'll go on earning money for you. In the meantime keep up your regular saving with more U. S. Defense Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

Sandra Lumsden Is Bride of B. Hardin

Miss Sandra Lumsden became the bride of Bobby Hardin in a single ring ceremony performed on Saturday, January 12 at 4 o'clock, at the Baptist parsonage in McAdoo.

The bride chose a gray tuxedo suit with purple accessories for the ceremony.

The bride is the daughter of Mr. and Mrs. O. E. Lumsden and the bridegroom is the son of Mr. and Mrs. B. C. Hardin.

The couple will be at home in McAdoo.

Sharp, Addison Wed In Dickens Ceremony

Miss Edna Sharp became the bride of J. D. Addison at 8 o'clock Thursday evening, January 10.

Bro. A. B. Crabtree of Dickens read the ceremony at the Dickens county courthouse.

The bride is from Afton and the groom's home is at Afton.

Attending the wedding ceremony were Robbie Jo Williams, and Joyce Addison, sister of the groom, both of Afton; Henry Love, Francis Morrow, Mr. and Mrs. Wilson Hagler, and a brother of the groom, Mr. and Mrs. Roy Addison, Cathy and Judy, all of Spur.

The couple will make their home in Spur where he is employed by Red's Garage.

Gayle Reese Hosts Daughters of '33

Gayle Reese was hostess to the Daughters of the 1933 Study Club at their regular meeting Wednesday afternoon, January 16.

The program entitled "School Activities" was introduced by Carolyn Kelley. Erma Gannon made a talk on "Activities" and Lois Dunwoody gave a discussion of "My Favorite Sport."

Officers were elected during the business session with Emma Lena Simpson, organization president, in charge. Elected were Beverly Wood, president; Carolyn Kelley, first vice-president; Kathleen Kelley, second vice-president; Gayle Reese, corresponding secretary; Barbara Sharp, recording secretary; Alice Crockett, reporter; Wanda Cunningham, parliamentarian; and Janie Alexander, delegate to the City Federation.

These officers, elected for the 1952-1953 club year will be formally installed in May.

Refreshments of tuna fish salad sandwiches, open-face pimiento cheese sandwiches, olives, cookies and fruit punch were served to guests.

Present for the meeting were Gayle Reese, Lois Dunwoody, Carolyn Kelley, Emma Lena Simpson, Kathleen Kelley, Wanda Cunningham.

It may be snowing in northern climes, but down in the Southern reortlands it's time for outdoor fun. With old Sol high in the sky, this pretty vacationer is all set for a boat ride. She is as talented with a needle as she is with an oar, for she made her own sun outfit from cotton bags. She used plain white flour bags for the shorts and jacket, with a border print bag for the halter and trim.

Spur Among 5 Cities Entering Contest

ABILENE, Jan. 17—Spur is one of the five cities that have been entered by their chambers of commerce in Group 4 of the West Texas Chamber of Commerce Fundamentals of Citizenship Contest. WTCC headquarters announced. The five are Albany, Crosbyton, Santa Anna, Spur and Stanton.

Group 4 includes all towns of the WTCC territory in counties with population of less than 10,000. All chambers of the 132-county WTCC territory are eligible to enter their towns.

The chamber of commerce representing the winning city in each group will be awarded a plaque. The contest will end November 11, following the general election.

The contest will be decided on the following basis: portion of 1950 county population that pays the poll tax, portion of population that casts ballots in the first and second primaries and the general election, the campaign by the chamber of commerce to promote the contest in its own town and county, and the portion of population that attends party precinct conventions.

Other cities entered include Amarillo and Lubbock, Group 1; Brownwood and Midland, Group 2; Breckenridge, Dumas, Hamilton, Memphis, Coleman and Del Rio, Group 3.

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

LET'S pare this down to plain statements of fact and let them speak for themselves:

The dynamic darling pictured here is the 1952 ROADMASTER.

It has the mightiest engine in Buick history.

It has the biggest brakes of any postwar Buick.

It is the quietest car that Buick ever built.

It has the richest fabrics and smartest tailoring that ever graced a Buick's interior.

It has the greatest trunk space since spare tires moved off the front fenders.

It has the most superb ride in Buick history.

It has the finest carburetor that Buick research has ever devised.

And with all its new power, it delivers more miles per gallon.

But that is not all.

For those who wish it, there is a brand-new version of power steering that works like a helping hand—gives you the same sure feel of control you have always known in straight-away driving—yet takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Equipment, accessories, trim and modifications subject to change without notice.

We're neighbors

Wherever you live in Texas, the oil industry is your neighbor. For the Texas oil industry is the bread-and-butter, the opportunity, the daily work of some 190,000 Texas men and women.

The girl who sits next to you in the bus; the hearty-looking man who waves as you pass on the highway; the family behind you at the PTA; in Texas, they all could be, some certainly are oil workers. Bookkeepers, stenographers, executives, drillers, roughnecks, stillmen, geologists, salesmen, pipe liners, petroleum engineers—the oil industry supplies the livelihood of all, and many more.

Neighbors of yours these people are, folks who pay taxes like yours, spend their money in the stores you patronize, drive the same kind of automobile, send their children to the same schools.

The oil industry is more than a balance sheet, a set of statistics, an investment in derricks and pipe-stills. In Texas, it's the family next door.

The next meeting is scheduled for January 18.

TROOP IV

Members of Troop IV met at the home of Cookie Gregory on January 7.

Badge work reports were made and more plans were made to continue this work.

All members of the troop are sorry to know that Linda Meekins is leaving Spur this week. She has been a member of Troop IV for over a year.

TROOP VII

The Brownies of Troop VII met in the Girl Scout Little House and organized a working unit. Mrs. Buzbee and thirteen girls were present.

Karen Thomas was absent because of illness.

Officers elected were Ann Godfrey, president; Rhoda Sue Turner, secretary; and Everetta McArthur, reporter.

As a special treat for the first meeting in the new year, refreshments were served.

Reporter, Everetta McArthur

TROOP VIII

The Brownies of Troop VIII met on January 9 at the Girl Scout Little House. All members with the exception of two were present.

Each girl received her membership card and will be able to prove her membership when she wishes to secure Girl Scout material and supplies or take advantage of offers made to Girl Scouts.

The last part of the meeting was devoted to reading a story which will be continued at the next meeting on January 15.

These Brownies will begin working on another secret; a secret that may be used.

Housewarming Given For Wayne Beadles

The Wayne Beadles of Gilpin were honored with a housewarming on Thursday evening, January 10.

Guests were registered in a guest book in the form of a miniature house resembling the Beadles home. Approximately 100 guests called.

The serving table was laid with a lace cloth over pastel green. In

the center of the table was an arrangement of talisman roses flanked by silver candlesticks with green tapers. A silver coffee service was placed at one end of the table. Coffee, cocoa and tea cookies were served to guests. Pastel green napkins engraved with "The Beadles" in dark green were also used.

Games of "42" and dominoes were played.

A floor lamp was presented to the honoree as a hostess gift. Many other attractive gifts for the Beadles home were received.

Hostesses for the occasion were Mesdames Jessie Hagins, Rita Bell, Walter Driggers, Emmett Hagins, Ed Brown, Myrtle Webb, Elmer D. Hagins, Lee Hollis, F. E. Rich, Tom Hunnicutt, Claude Neaves, C. V. Canaster, Jack Smithy, Millard Smith, Pete Sherer, Noel Lee, Clayte Barton and George Willis.

Local Men Attend Baptist Evangelistic Conference In Fort Worth This Week

Four men from the Spur First Baptist Church were among the Texas Baptist pastors, evangelists, singers, and lay people who gathered in Fort Worth January 14-16 for their sixth annual state-wide evangelistic conference. They were C. P. Scudder, W. B. Francis, J. K. Whitman, and Rev. T. B. Allen, pastor of the First Baptist Church.

Approximately ten thousand Baptists attended the meeting, according to Dr. C. B. Jackson, associate secretary of evangelism for the Baptist General Convention of Texas. Headquarters were at the Will Rogers Coliseum in Fort Worth.

Denominational leaders from Texas and three other states addressed the conference crowds on some phase of the general theme, "The Bible Speaks."

Among speakers were Dr. Robert G. Lee, Memphis, Tenn.; Dr. J. D. Grey, New Orleans, La.; Dr. Forrest Fezoz, Waco, and Angel Martinez, Fort Smith Ark.

"Citizenship Week" Proclaimed In Spur By Mayor Ned Hogan

Mayor Ned Hogan has issued a proclamation designating the week of January 20 through January 26 as "American Citizenship Week." His action is in line with a recent "Official Memorandum" signed by Governor Shivers setting up the entire month of January, 1952, as "American Citizenship Month." Stressing the responsibilities and duties of the individual citizen in preserving the democratic way of life, the event is part of an annual citizenship program sponsored by the lawyers of Texas.

"Every individual should stop and think about the fact that we have obligations as well as privileges arising from our status as citizens of a democratic nation," the mayor stated in referring to his official degree. "We cannot expect to retain our liberties forever unless each of us personally shares in performing those obligations of citizenship."

Spearheaded by the State Bar of Texas, which is furnishing speakers for local programs throughout the state, the 1952 campaign has as its theme, "What Can I Do For Democracy?" Approximately 7500 local civic minded organizations are expected to cooperate in the drive, bar president Cecil E. Burney has announced.

Among groups taking part over the state will be local organizations of Lions International, Texas Federated Womens Clubs, Rotary International, Texas League of

Women Voters, Optimist International, the American Legion and Legion Auxiliary, and Veterans of Foreign Wars.

Also participating will be C. I. O. and A. F. of L. locals, the various railroad brotherhoods, local G. I. Forums, Chambers of Commerce and Junior Chambers of Commerce, the State Bar has indicated. In addition, every college, junior college and university in Texas has been asked to conduct special assembly programs.

The State Bar committee on American Citizenship, responsible for planning and direction of the state-wide crusade for better citizenship, is headed by co-chairman David A. Witt of Dallas and Jack Pope of San Antonio.

Other members of the committee include Roy Bass, Lubbock; Solomon Casseb, Jr., San Antonio; Leonard E. Chate, Beaumont; John B. Daniel, Jr., Temple; C. Brian Dillon, Houston; Herman Pitts, Mineral Wells; Billy B. Goldberg, Houston; and L. Dewitt Hale, Corpus Christi.

Also, T. Lawrence Jones, Dallas; Thos. H. Law, Fort Worth; James T. Nesbitt, Laredo; Robert D. Nogueira, Beeville; Elmer H. Parish, Wichita Falls; Ernest E. Sanders, Fort Worth; and Chas. O. Shields, Dallas.

State Bar director J. Glenn Turner, Dallas, serves as board advisor to the panel of lawyers.

Spanish Dinner Fetes Spur Harmony Club

A Spanish dinner was served to members of the Harmony Club Tuesday evening, January 15, by Mrs. E. A. Brashear at her home. Decorations throughout the entertaining rooms followed the Spanish theme.

Mrs. Newt Bingham was leader for the program period following the dinner, on the subject "Music From Our Movies." A discussion of the "Development of Musical Background From the Silent Film to Modern Films" was given by Mrs. Fred Halle.

Selections from the musical context of Jerome Kern's "Roberta" were sung by Mrs. Thos. B. Stephenson accompanied by Mrs. Sam Hawkes at the piano. Mrs. Jack Moore sang selections from Oscar Hammerstein's "Annie Get Your Gun" and Mrs. George gave excerpts from Victor Herbert's "Naughty Marietta". Mrs. Moore and Mrs. Gabriel were accompanied by Mrs. W. T. Andrews at the piano.

A talk on "Classical Music in Films" was given by Mrs. Andrews. To conclude the program Mrs. J. W. Henry presented "Barcarole" from the "Tales From Hoffman."

Present for the evening dinner and program were Mesdames A. C. Williams, J. E. Swenson, A. R. Sweatt, Stephenson, C. P. Scudder, Van North, Moore, Bingham, Henry, Hawkes, Harriett Hatcher, Halle, Lester, English, Hershel Durham, Andrews, J. E. Berry, Gabriel, Miss Faye Middlebrooks, and the hostess, Mrs. Brashear.

The Twentieth Century Study Club met Tuesday January 15, in the home of Mrs. O. M. McGinty, 714 N. Parker.

The program topic was "Women Who Have Achieved in Science" led by Mrs. J. C. McNeill and assisted by Mrs. E. L. Caraway. Parts were given on "Helen Tausig" and "The Women Who Come to Our Kitchens."

Officers elected who will begin the club year in September of 1952 were Mrs. T. H. Blackwell, president; Mrs. O. L. Kelley, first vice-president; Mrs. B. F. Hale, recording secretary; Mrs. J. A. Koon, second vice-president; Mrs. L. D. Ratliff, corresponding secretary; Mrs. McNeill, treasurer; Mrs. James B. Reed, reporter; and Mrs. O. C. Arthur, delegate to the City Federation.

Mrs. W. R. Weaver and Mrs. Dee Hairgrove have recently been elected to membership in the club. Cox Warns Against Respiratory Diseases

AUSTIN, Texas, January 17—Carelessness in the treatment of respiratory disease is not only foolish but very hazardous, according to Dr. Geo. W. Cox, State Health Officer, who warned Texans today to be on guard against such illnesses as lead to pneumonia.

Dr. Cox pointed out that pneumonia can and does strike with little or no warning, and in many instances its forerunner is a simple cold, an attack of influenza, or some other respiratory infection.

"A cold or any other infection of the breathing passage which makes one constitutionally weak, especially if it is accompanied by fever, demands the immediate attention of the family physician. To self treat and fight on ones feet a condition of this kind is to endanger life unnecessarily. It is advisable to take all possible steps to avoid respiratory illnesses since they so frequently lead to that dangerous complication—pneumonia."

Dr. Cox stressed the fact that it is important to build up, normal physical resistance by sufficient outdoor ventilation, adequate nourishing food, outdoor exercise and sufficient sleep, but added to that the family physician should be called immediately if, in spite of such care, a respiratory disease develops.

"Guard against pneumonia which is a communicable disease. It may be acquired by direct or indirect contact with a pneumonia patient. Reduced bodily resistance resulting from habitual disregard for normal physical requirements makes pneumonia doubly hazardous. A physician should be con-

Save Your Life! with Amazing TWIN LENZ LIGHT

AVOID NIGHT ACCIDENTS
Every year thousands of tractors are hit on the highways. Most of the accidents are the result of poor lighting at night. In 7 out of 10 fatalities, it is the tractor operator who dies. Figure also injuries to yourself and others, sorrow and distress to relatives and friends, damaged or destroyed machinery, and punitive lawsuits. Is it worth a chance? Twin Lenz Lights make it very easy for you to avoid night accidents.

HERE'S HOW AMAZING TWIN LENZ WORKS
(1) Easy-to-install Twin Lenz Unit is mounted on tractor. It is always with your tractor. (2) New top light reels out to 35 feet for attaching to towed wagons or machinery. Spring powered drum keeps line taut at all times. (3) Red Lenz on rear light can be swung out of beam utility light. Use in fields, yards, feedlots, emergencies—lets tractor work 24 hours a day. Very well made. All material and workmanship guaranteed. Works off tractor electric system. All parts easily replaceable.

AVOID EXPENSIVE LAWSUITS
Laws of nearly every state say that vehicles, including tractors and towed equipment, must have prominently visible lights at night. Iowa law, typical of state laws, says that red lights must be visible 500 feet to the rear. You are dangerous to yourself, as well as others on the highway at night.
