THE GREATEST CAR EVER BUILT

Out-rides them all ! The '52 Ford gives you riding comfort such as you have never

before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

Out-sizes them all! The '52 Ford has longer wheelbase, wider front tread and

greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all. Full-Circle Visibility!

With narrower corner pillars, picture windows all around and

a rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

Exclusive Power Pilot Economy!

Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-combustion system gives you high-compression "go" on "regular" gas.

CHALLENGING NEW 125 HP HIGH-COMPRESSION V-8

Here's the new stepped-up successor to the engine which for two straight years won top class honors in officially sponsored economy tests. This yeareven more efficiency, greater horsepower, and better power-to-weight ratio. It's high-compression, V-8 power at its best-by the company which has built more V-type engines than all others combined.

3 GREAT TRANSMISSIONS-Mercury offers you a hoice of three dependable performance-proved drives: silent-ease standard transmission; thrifty Touch-O-Matic Overdrive*; and Merc-O-Matic*, greatest of all automatic drives. *Optional at extra cost.

your eyes on this, America. Mercury has done it - brought you a really new 1952 car that's far, far ahead . . . that stands as an even greater challenge to the motoring world than last year's Mercury, one of the most popular cars that ever came down the American Road.

Your first look begins to tell you why. For here's something entirely new in car design . . . swift, clean lines that sweep from the new "Jet-scoop" hood (inspired by the smartest European cars) to a strikingly new rear deck design. Here's styling made possible for the first time in automotive history by revolutionary new

techniques in metal engineering. But wait till you feel the stepped-up pace, the steady bal-

ance of this beauty. There's more power-125-horsepower highcompression V-8 - greater pickup, and even better efficiency. And that's saying plenty when you think of the prize-winning Mercury performance of recent

there's only ONE

So many people know and want the WD Tractor that sometimes it takes a little waiting to get an order filled. We're sorry when delay is necessary, but we're mighty proud to sell this kind of tractor . . . so much in demand by farmers who want the best that orders across the nation have always outrun the available supply.

for plowing and other heavy jobs. EE-SOTTOM pickup plow for big-tractor capacity with light-trace

It may take a little time, but the sooner you order, the quicker you'll have a new WD. And you'll be glad you waited for the first choice in farm power. Ask any owner, or let us prove it by a demonstration on your farm.
