## Whoa, Now!

By Grady Lackey

We appreciate and invite the use of the columns of The Texas Spur to criticize, rebuke, praise, suggest and condemn issues of public interest and editorial thoughts of the editor. This week we were handed the following letter and are glad to publish it for your information and evaluation.

"To the Editor:  
 "First let me say I like your title to your editorials, for truly this age does need occasionally to 'Whoa, Now,' and do a little reasoning and thinking. Certainly your presentation of problems has awakened people and induced them to weigh and cross examine some of the community's needs.

"I have not concurred with all of your thinking, and would like to remind you of a little matter I think you should be enlightened about. Let me ask you one question, namely, 'Why do you constantly ignore the fact that Spur has a hospital?'

"You have upon occasion scolded the local populace for not patronizing the local merchants and markets, so how can you be so inconsistent in going to Crosbyton hospital for the birth of your progeny?

"Perhaps the offspring of youthful editors might require some special type of birth—but I have known (and the county court record proves it) births of merchants, farmers, bankers and yes, even Spur editors' offspring to be born at the local hospital with our local doctors and their staff attending. The records also show that all types of births have taken place here—natural, caesarian, twins, premature, and all the methods known to modern medical science. Let me add that a lot of times this service was rendered without pay or hope of pay.

"Let me pause briefly and pay homage to the local hospital and its fine Christian staff for the noble and capable manner in which they have served this community through droughts, wars, depressions, tornadoes, emergencies, accidents and happy prosperous years. The local doctors and nurses have endeared themselves to all of us—black or white, rich or poor. Let's pay honorable homage to them—not ignore their existence."

Mrs. Talitha Watson.

Yes, Mrs. Watson, we do have a local hospital that has faithfully served Spur for many years. Dr. Nichols has undoubtedly done as much—if not more—for the welfare of Spur as anyone.

But let's not close our eyes to the present needs of a larger Spur and a larger Spur trade territory.

## Community Day Re-Set For Saturday, May 24

### Chilly, Damp Weather Causes Postponing; Large Crowd Expected This Saturday

Threatening weather with occasional drizzling rain last Saturday caused the postponement of Community Day in Spur to this coming Saturday, May 24, states Mrs. Nona Starcher, chairman of the merchants committee of the Spur Chamber of Commerce.

Community Day has been designed to bring talent and entertainment from area towns and communities into a big hour and a half show on Burlington Avenue. It is presented in an effort to promote understanding and fellowship among the communities, states Mrs. Starcher.

For the first show scheduled for 2:30 p. m. at the corner of Burlington and Harris Sts., the city of Dickens will be represented by the Dickens Tune Busters, a string band sponsored by the Dickens civic club.

The Maurice Goodwin family will represent Afton with musical numbers presented by the three Goodwin children accompanied by Mrs. Goodwin. Joan Ann, 6, Martha Sue, 9, and Billy, 11, have won acclaim in this area for the musical renditions and novelty numbers.

Lloyd Spicer and his western string band will be here from Peacock to present both band and vocal western music.

Tom Wilson, widely known magician from Matador, will be present to present a magic show on the program.

Buck Denton will be master of ceremonies for the afternoon. The show will be presented from a truck stage with the use of a public address system so that everyone will be able to hear and see.

Grady Elder, manager of the chamber of commerce, states that many people braved the untimely weather last Saturday to see the show and that it is regretted that it had to be postponed. Weather permitting, however, the show will be presented this week end, adds Elder.

### Church of Christ To Honor Jernigans Sun.

"Where do we go from here?" is the title of the last Sunday morning service to be preached in Spur by Willis G. Jernigan, minister of the Spur Church of Christ for the last three and a half years. The title of his evening sermon has not yet been announced.

Sunday, May 25, is a day of three-fold importance to Jernigan. In addition to being the day that will officially end his ministry in Spur it is the anniversary of his own birthdate, and the anniversary of his 39th year in the pulpit. The local church will observe this day by serving a birthday dinner to which the entire church group is invited to attend.

While in Spur, Jernigan has resided with his wife and son, at 424 West 2nd St. Mrs. Jernigan is a member of the Spur public school faculty and young Willis is a junior in high school.

The Jernigan family will leave June 1 for Commerce where he expects to resume the ministry of the church where he served prior to coming to Spur. Mrs. Jernigan has accepted the position of a teacher with Commerce State Teachers' College.

While in Spur, Jernigan has been active in the Lions club and in the American Legion activities.

### Mrs. Worthington Buried at Dickens

Funeral services were held for Mrs. Mary Ann Worthington in the Dickens Church of Christ, Tuesday, May 20, with W. D. Black, pastor, officiating.

"Aunt Ann" as she was known was born June 11, 1874, and came to Dickens county in 1891.

She died Monday, May 19, in Morgan's Convalescent Home of Dickens.

Survivors include only a niece and nephew.

Serving as pallbearers were J. L. Koonsman, Fred Arrington, G. A. Carroll, Jack Gipson, James Faubus, and Tom Farley.

Chandler Funeral Home was in charge of arrangements with interment in the Dickens cemetery.

### Funeral Rites Held For Buster Robinson

Funeral services were held for Phillip Terrill (Buster) Robinson in the First Methodist Church, Tuesday, May 20, at 3:30 p. m.

The Rev. Howard Crawford of Stamford officiated, assisted by Revs. J. M. Morton, Cal Wright, and T. R. Elder.

Robinson was born in DeSoto, Mississippi, April 1, 1874, and at the age of five came to Texas. He had been a resident of Dickens county for 35 years.

In 1897 he was married to Mary Edna Fair in Robert Lee, Texas, and to this union were born three children.

After the death of his first wife in 1917, he was married to Miss Ella Rye.

Robinson was converted to the Christian religion at the age of 19 and joined the Presbyterian church.

At the time of his death he was engaged in farming near the Highway Community.

Survivors include his wife, two sons, Lafayette and Fannie of Spur; one daughter, Mrs. Mildred Bratcher of Fort Worth; two sisters, Dora Lee of Los Angeles and Blanche Miller of Phoenix; one brother, Sid of Lamesa; two grandchildren, Orville Robinson of Lubbock and Janie Bratcher of Fort Worth.

Serving as pall bearers were Bob Hahn, Earl Thomason, J. R. Cole, Archer Powell, Dee Hairgrove and Cliff Bird.

Honorary pallbearers were Fred Jennings, John King, Sr., E. J. Lasseter, R. H. Witt, Coy Dopson, M. E. Tree, Nerte Kidd, W. A. Harris, John Aston, Willie Hindman, and Raymond Powell.

Interment was held in Spur cemetery with arrangements under the direction of Chandler Funeral Home.

## Large Crowds Attend Opening Softball Games

### PROCTOR'S, HOOVER-McATEER UNDEFEATED IN LEAGUE PLAY

By Billy Bigham

The Spur softball league got off to a big start last Thursday night before a large crowd with two nip-and-tuck ball games.

In the season's opener, Proctor's outlasted the young Lions club nine to take a 9-7 victory in the eighth inning.

The night cap on opening night saw the City Drug Glamour Boys come from behind in the last of the seventh inning to defeat the VFW 8-7.

Spur fans viewed for the first time the newly organized Jay-ton team in the opener Tuesday night as they bowed to the Hoover-McAteer team 1-0. It was the first game of the season for both Jay-ton and last year's champions. Several errors were made, but lots of hustle and sparkling plays somewhat offset them.

Jimmy Green, playing center field for the Hoover-McAteer Hotrots, made the fielding play of the night with a long running shoestring catch of a Texas leaguer which should have fallen in for a hit.

Jerry Price was the winning pitcher with a neat two-hitter. Bobby Hicks was the losing pitcher but deserves a lot of credit for pitching with a sore arm injured two weeks ago in football practice.

In the last game Tuesday night City Drug tangled with Proctor's in what turned out to be a marathon of sluggers. Wilburn Sims of City Drug and Bud Sims of Proctor's both came up with a

perfect night at the plate with four for four.

When the dust finally settled, Proctor's came out on the big end of a big score, beating the Glamour boys 20-12.

Tonight fans will see the battle of the youths in the second game as the Hotrots challenge the Lions. Although pitchers for the game have not been announced by team managers, it is possible that Hoover-McAteer's star hurler, Jerry Price, will be pitching against his younger brother, Fred Price.

Proceeding this game will be the VFW vs Jayton.

Next Tuesday City Drug plays Hoover-McAteer in the opener, followed by VFW vs Proctor's.

### Local Group Plans Little Theatre Club

There will be a meeting in the East Ward auditorium Monday night, May 26, at 7:45 p. m. of persons interested in organizing a Little Theatre group in Spur.

The idea of such an organization has been circulating in Spur for several days and it is indicated that a large group is interested in it.

Those promoting the Little Theatre idea state that such an organization would offer entertainment for the entire population along with an opportunity for growth and development in the fields of speech, dramatics, handcrafts and stage production for those participating.

It is pointed out that no professional or formal training in dramatics is needed to become an active member of a little theatre group.

Mrs. Neal Chastain and Mrs. Buck Denton, speaking for those definitely interested in forming a Little Theatre group in Spur, urge everyone who is interested in the idea to be present at the Monday night meeting.

### Willard D. Hutton Awarded Silver Star

Sgt. Willard D. Hutton, now serving with E. Company, 167th Infantry Regiment, has been awarded the Silver Star for gallantry in action while serving in Korea.

During a withdrawal in the vicinity of Parun-ni, South Korea, Sgt. Hutton saw a member of his company lying on an open ridge line, wounded and exposed to intense enemy fire. With complete disregard for his own personal safety, Hutton and another comrade carried the man to a place of safety.

This act greatly inspired the remaining members of his company, encouraging them to fire upon the enemy, inflicting heavy casualties. The gallant courage and lack of fear in the face of enemy fire displayed by Sgt. Hutton reflects great credit upon himself and the military service.

Before entering the service, Sgt. Hutton made his home in Spur with his mother, Mrs. Bertha Hutton.

Favorite 1951-52, outstanding in football, basketball and track.

Dorothy Powell, freshman girl, daughter of Mr. and Mrs. Tracer L. Powell. Scholastic average 94. Vice-president freshman class, freshman cheer leader, FFA sweetheart, elected vice-president of the sophomore class 1952-53.

## Fisher Receives \$5000 Agriculture Award

### CALLIHANS ACCEPT MIDLAND POSITION

Mrs. Darwin Callahan will join her husband in Midland June 1, where he accepted a position with the Midland fence Company two weeks ago as bookkeeper and salesman.

During their six years of residency in Spur they have been employed with Dunlap Dept. store and City Drug Company.

### Experiment Station Supt. Wins Wide Acclaim For Advancement In Research

C. E. Fisher, superintendent of the Spur Experiment Station, was named winner of the \$5,000 Hoblitzelle Agriculture Award yesterday, Wednesday, May 21, for his scientific contributions through the agricultural sciences toward the solution of agricultural problems.

The award was made at the annual open house of the Texas Research Foundation at Renner, Texas, through the Karl Hoblitzelle Agricultural Laboratory.

(The winning of the award places Fisher at the first of the field of research and the advancement of Texas rural life. The award came to Fisher as the result of many years of study and work under the nationally famous R. E. Dickson. Fisher was the man who was at the side of Dickson during many of the years that he lived and worked at the Spur station.)

Since the death of Dickson, Fisher has been superintendent of the station and has carried on untrillingly in the field of agricultural research.

The Hoblitzelle Agricultural awards were established in 1950 by Karl Hoblitzelle, Texas theatre man and philanthropist, to recognize outstanding contributions to agriculture and to encourage the development of well balanced systems of farming adapted to the soils and climates of the respective regions.

In an interview this week with Fisher, he said that he was most highly honored in receiving the award, but that he felt that research in agriculture still in the development stage.

He explained "There has been a definite development in research, but I feel that we are still in the T-Model stage, if it were compared to the automobile industry."

There is no doubt that Fisher is interested in research in agriculture and is devoting his life to that field. Spur is privileged to have him as winner of the \$5,000 award for his leadership in agriculture in Texas.

### Legion Aux. To Send Two To Girls' State

Betty Arnold, daughter of Mr. and Mrs. Jessie E. Arnold, and Peggy Reid, daughter of Mrs. Alvis Wilson have been chosen by The American Legion Auxiliary of Spur as delegates to attend Girls State to be held at the Texas School for the deaf, at Austin, Texas. The dates are June 16 to June 22, inclusive.

Gayle Reese, daughter of Mr. and Mrs. Chap Reese, and Nell Hopkins, daughter of Mr. and Mrs. J. D. Hopkins, have been chosen as alternate delegates.

These young ladies were chosen by merit on the basis of leadership, character, courage, honesty, scholarship, cooperativeness, and physical fitness. Eligibility is limited to any girl in her junior year of high school. She should be able to bring back to her community the interest in and the sense of responsibility toward government which it is expected she will gain as a member of Girls State.

The purpose of Girls State is to educate our young women in the duties, privileges, rights and responsibilities of American citizenship. Its purpose is to awaken within the youth of our nation a sincere conviction that a well-informed, intelligent, participating citizenry is most vitally needed to protect and preserve our American institutions, and our American Democracy.

It is a mythical 49th state where for one week, the citizens of Girls State organize their own city, county and state governments. They choose their own officials in accordance with regular election procedures. They learn the duties of the various city, county and state offices. They introduce and argue their own bills in a legislature. Justice is administered by their own law enforcement agencies and courts. In Girls State the object is for the young citizens to "learn by doing."

A visit to the State Capitol Building will be included in the program which will feature conferences with outstanding state officials.

The American Legion Auxiliary of Spur in sponsoring these young ladies as delegates, has accepted the responsibility of paying the transportation of the girls to and from Austin, and paying a fee of \$26.00 for each girl exclusive of transportation.

It has been announced by the Dickens County Cemetery Association that the annual meeting of this organization is to be held May 30, at which time officers for the next year will be elected.

It is expected that workers shall begin to gather around nine a. m. with people working most of the day. The ladies of Dickens are preparing basket lunches.

### Council and Class Officers Elected For High School

Seniors who have been elected to serve as members of the Spur High School Council during the school year 1952-53 are Peggy Reid, Betty Arnold, Jackie Cloude, Lawrence Cook, and Pat Young. Ralph Gibson, Carolyn Kelley, Francis Wilson, and Neal Hindman will represent the junior class council. Sophomores elected were Jane Ann Albin, Fred Young, Billy Phillips, with Jesse King and Marian Carlisle serving for the Freshmen.

Lawrence Cook was elected as president of the Senior Class of next year. Also in the Senior election were Bobby George, vice-president; Robert Ensey, secretary; Walton Walker, treasurer; Franklin Gabriel, parliamentarian; Joe Bell, sergeant-at-arms; and Jackie Cloude, reporter.

Elected to the Junior class offices were Ralph Gibson, president; Curtis Blair, vice-president; Duffy Austin, secretary; Janie Alexander, treasurer; Van Cash, parliamentarian; and Wanda Cunningham, reporter.

Fred Young was elected to the presidency of the Sophomore class with Dorothy Powell, serving as vice-president; Boyce Rankin, secretary; George McAteer, parliamentarian; Merla Be Foreman, sergeant-at-arms; Helen Dean Bingham, reporter; and Charles Sonnamaker, treasurer.

Elected to serve as president for the Freshmen was Jesse King, with Sammy Caudle as vice-president. Other officers are Patsy Smith, secretary, Ronnie Ensey, treasurer; Carlos Bass, parliamentarian, Kenneth Harris, sergeant-at-arms, and Yvonne Adams, reporter.

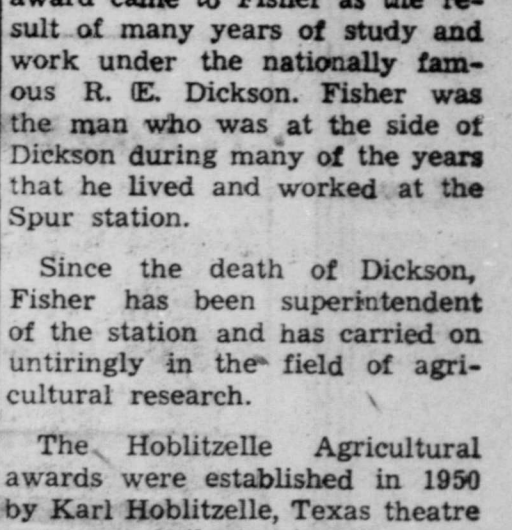

### Supt. Cook Makes Year's End Report

In a recent news release from Superintendent C. F. Cook of the Spur Public Schools it was stated that the school year has come to a close. The success of this school year is determined greatly by what the public thinks. We think that as teachers we have accomplished many things that will help the students of this community. There are many things that have not been done, but we plan to do some or all of these in the near future.

Each year the teachers of any school are faced with the problem of promotion or retention. It would be much easier to pass all children but we feel that we should do the thing best for the child.

If your child is retained in his or her grade this year, please realize that we think that this will be better for your child. We have no desire to hurt any child. So many times children are promoted.

See COOK'S REPORT— page 5

Pictured above are high school junior delegates and alternates being sponsored by the American Legion Auxiliary of Spur to attend Girls State. They are from left to right, Gayle Reese-alternate, Betty Arnold-delegate, Peggy Reid-delegate, and Nell Hopkins-alternate.

### Spur Presbyterians To Open Revival; Hardie Is Preacher

The Rev. James F. Hardie, D. D. will preach during the revival services at the First Presbyterian Church, Spur, May 26 through June 1.

The services will begin Monday at 8 p. m. and continue through Sunday at the same hour. The morning service will start Tuesday at 7:00 and continue through Saturday, the same hour.

Rev. Hardie is known far and wide, not only in West Texas and the state, but over a great part of the southland. He has served in the churches of the Second Presbyterian Church, Houston, the Second Presbyterian Church of Charlotte, North Carolina, the Broadway Presbyterian Church of Fort Worth, and is now pastor of the First Presbyterian Church at San Saba.

While a student at the Seminary, Rev. Hardie held a pastorate at the Spur Church and has since conducted a revival meeting in the church.

Mrs. Hardie will accompany him and assist in the song services. The public is invited to attend the services and hear Rev. Hardie.

**Duck Creek Soil Conservation District News Notes**

D. M. McGinty, Chm. Joe Hunnicutt Giles McCrary, Sec. Chas. P. Witt Clark Forbis

Farmers of this district will be better able to get conservation jobs done at the proper time by using equipment purchased by the Duck Creek Conservation District Supervisors, here Friday.

One major problem has been that of getting cover crops down early enough to protect the land from winter blowing. The cotton just doesn't come off in time. But with the new inter-row drill purchased, District Cooperators can sow two rows of winter legumes, or grain between the cotton rows, without damaging the cotton. If this is done in September or October the Supervisors think that many times

the cover may grow enough to prevent winter blowing.

The drill will also put down phosphates, which are needed for good growth on vetch, or winter peas.

Another big shortage has been experienced in the number of grass drills this spring. As a result, the Supervisors have ordered three new drills to add to the two they already own.

The demand for grass seeding assistance has grown possibly faster than that for any practice in the district. Soil Conservation Service technicians urge that anyone who plans to plant grass another year prepare for it this year. This is best done by planting sudan or red top cane, and allowing it to fall on the land. This will furnish a dead cover to protect the young seedlings next year.

**ITS NEW KIND OF HORSEPOWER IS SOMETHING TO FEEL!**

With its 180 HP V-8 engine, on 125 1/4 inches of wheelbase, many people think the Saratoga is the best Chrysler car of all.

We invite you to take the wheel and feel what happens! There's a new sense of easy power, of reserve power that make driving a new experience.

Its revolutionary combustion chamber develops more of the power in each charge of fuel than other engines can do. One result is performance, even on non-pre-

mium fuel, such as you have never felt. Another result is new economy. It's an engine that scarcely forms carbon at all. It creates less heat. It will last much longer, stay younger on the way!

And with Chrysler full-time Power Steering\*, you steer with one-fifth the usual effort... drive with five times the usual control! With Power Brakes you need up to two-thirds less foot pressure... and still stop in many feet less than other cars can do.

Yes, behind Chrysler's new engine you'll find a new kind of car. Won't you come in and feel what we mean?

**REGISTERED NURSE SAYS BIG 12 FORMULA IS BEST**

When a registered nurse with years of experience in hospitals and private homes caring for sick people recommends a medicinal product one can be certain that the product has real merit. "Mrs. Fern Collins, a registered nurse who resides in San Clemente, California and recently visited in Texas had this to say about BIG 12 Iron Tonic.

"I am a registered nurse, serving many years in hospitals and private cases, and I have seen many instances where patients, suffering from stomach trouble, nervousness, sleeplessness, loss of appetite and a general run-down condition have been greatly benefited by taking a vitamin and mineral tonic such as BIG 12. In fact I should consider BIG 12 an absolute necessity where the patient's system is deficient in Vitamins B<sub>1</sub>, B<sub>2</sub>, Nicotin, and Iron; this is especially true in cases of iron anemia of which there are many. I have studied the BIG 12 formula carefully and BIG 12 supplies by far more iron per daily dose than any similar product I have seen and I think I am familiar with all of them. BIG 12 also supplies in the daily dose as much of the new Red Vitamin B<sub>12</sub> as a doctor usually gives in an intramuscular injection. I believe that BIG 12 Iron Tonic, supplying as it does, helpful amounts of Vitamin B<sub>1</sub>, B<sub>2</sub>, and Nicotin in addition to Vitamin B<sub>12</sub> and with such a large iron content is undoubtedly by the best tonic a person, young or old, can take to relieve conditions caused by these deficiencies. Also, because of its pleasant taste, BIG 12 is invaluable to mothers whose children are not thriving as they should, since children will readily take BIG 12 and this is important to mothers because other similar products usually taste atrociously and have to be diluted with water to enable an adult to take them, much less trying to get such a dose down a child. BIG 12 requires no dilution with water, in fact BIG 12 can be placed in milk without causing the milk to curdle as will be the case with other similar products."

If you or any one in your family, a grownup, or child, is suffering with stomach distress, listlessness, poor appetite, nervousness, nagging aches and pains and sleeplessness due to deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Nicotin and Iron you could not possibly do a greater favor than to purchase a bottle of BIG 12 Iron Tonic at your drug store and within a short time, often before the first bottle has been taken, you will note a decided change for the better, you'll note more energy, better appetite and a general improvement so why wait? BIG 12 is the product you have been looking for if you suffer from these deficiencies and it is as close to you as your nearest drug store. # You're money ahead when you buy on these PLAIN HARD FACTS

**RUGGED as they come!**

**CHEVROLET**

Stack up what you get for what you pay . . . and join the nation's largest group of truck users by choosing Chevrolet

By far the biggest number of truck users today are Chevrolet owners . . . and for good hard-headed reasons. Because what they get is this:

Low Cost—in purchase price and in upkeep. A truck that gets the job done. A truck that's rugged, long lasting. Take a look at the four facts below . . . and see why you, too, will be money ahead with a Chevrolet truck. Come in and see us about it!

**FACT NO. 1** Save money on purchase price. Stack up a Chevrolet truck against any other truck with comparable specifications. You'll find the Chevrolet truck lists for less.

**FACT NO. 2** Save money on operating costs. Hundreds of thousands of truck users have proved to their own satisfaction that Chevrolet costs the least of all to own and maintain.

**FACT NO. 3** Save money on job efficiency. Chevrolet trucks are factory-matched to your payload requirements. You don't buy "too much or too little truck."

**FACT NO. 4** Save money on low depreciation. Records show that Chevrolet trucks traditionally bring more money at resale than any other make which costs about the same new.

**CARD OF THANKS**  
To the people of Spur:

Mrs. King and I have enjoyed these last three years in Spur very much and will always consider them three of the best years of our lives. The students, faculty, administration and school board have been wonderful people to work with and with their assistance we feel we have built a good band program for Spur. The parents of these students have also been very cooperative—without their help none of the work could have been done.

Our plans for the future are not definite yet but it is our plan to go to another school next year—a place to be selected next month. Our reason for moving will be an attempt to better ourselves financially and professionally.

We think the Spur bands have much to look forward to in the next few years. With continued support of the city and school, the band will mature into a true high school band (instead of a mixture of Jr. High and High School) and will probably be one of the best in the state. Our best wishes for continued success go to the members of the bands.
