NUMBER 34

Whoa, Now!

By Grady Lackey

When chewing gum and a cup of coffee get swept up by the rising prices, a copy of the Texas Spur will be just about the last thing in Spur that the lowly five cent piece will buy. Effective Monday, Spur merchants will join the country in charging six cents for a bottle of Coke.

Come Monday, also, the citizens of Spur will begin to see the results of years of hoping, and planning for a modern 20-bed hospital in Spur. The contracts have been signed, work orders issued, and ground breaking is due to start Monday.

Just before he died Joe made his wife promise she wouldn't marry again. When Jones heard about this he said: "That was just like Joe, always doing something to help his fellow men!"

And then there was the fellow who claimed draft exemption because of faulty eyesight—and took his wife along to prove it.

Two weeks ago we slipped the wrong correction line in a galley of type including Byron Jenkin's announcement as candidate for Constable, Precinct 3. In spite of the strange and peculiar way the announcement read, Byron is a candidate in good standing, and is extended our apologies.

Jack Godfrey and others seem inclined to differ with us on our prediction (wild guess, possibly) that it'll be Truman vs Taft in the presidential race this fall. He claims that Truman has continuously said that he would not run under any circumstances. It remains true, however, regardless of who gets the democratic nomination, that Harry is both human and a politician and thus is doubly qualified to change his mind.

With the continuing bolstering of Taft backers throughout the Republican areas of the nation, it's not difficult for anyone to see that Robert has definite possibilities to upset General Ike's apple cart. If for no other reason, (and we think there are several other reasons) Truman's desire for a scrap with his political enemy could very easily cause him to change his mind and make a definite bid for the nomination.

The democratic convention is taking shape as the ideal arena for just such a stunt, too. With either un instructed or divided delegates representing a large majority of the democrats, lots of spur-of-the-moment decisions will have to be made and it is very likely that a compromise could include the incumbent again in the number one slot.

(Please don't misunderstand us and think that Truman is necessarily our choice for the spot.)

The proud father of triplets called his hometown newspaper to report the event. The editor, not quite hearing what he said, asked, "Will you repeat that?" "Not if I can help it!" snapped back the father.

Reece B. Webster, 72, Buried Saturday

Funeral services were held Saturday at 3:30 p. m., June 7, at the First Baptist Church of Spur for Reece Butler Webster, with the Rev. Doc Love, officiating.

Webster was born in Georgia, February 1, 1870 and in 1937 came to Crosby county to make his home in Kalgary.

He was married to Belle Lewis in Limestone county, Texas. Webster was converted to the Christian religion at an early age and joined the Baptist church.

At the time of his death Webster was residing in Georgia. Survivors include his wife; two sons, George of Kent county and Alva of Spur; and two daughters, Mrs. Ella Newson of O'Donnell and Mrs. Mozell Cathey of Wyoming.

Serving as pallbearers were Charlie Witt, Lewis Williams, Seamon Reynolds, H. E. Will, Gordon Pierce, and Buddy Hoover.

Interment was in the Spur cemetery under the direction of Chandler Funeral Home.

SPUR'S JR. LEGION TEAM DROPS OPENER TO ABERNATHY WED.

The Spur American Legion Junior baseball team started its 1952 schedule yesterday afternoon, taking a 10-1 drubbing at the hands of the Abernathy nine.

Thirteen of the eighteen boys who have been certified for the team made the trip along with an array of spectators and parents.

The team is composed of boys seventeen and under and is under the management of C. B. Chandler, sponsored by the Spur American Legion post.

Spur is playing in the east half of District 2, including Ralls, Plainview, Abernathy, O'Donnell and Petersburg. Bob Clodfelder of Lubbock is district chairman.

The complete roster of the Spur team includes Sammy Caudle, Billy Watson, Curtis Blair, Calvin Reynolds, Alton Williams, Donald Snodgrass, Ronnie Ensey, Bobby Dyess, Robert Ensey, Joe Bell, Franklin Gabriel, Loyd Womack, Jesse King, Max Gabriel, Lawrence Cook, Jackie Cloude, Kenneth Harris and Jerry Don McAlpin.

The team played Wednesday's game without the services of Ronnie Ensey. Ronnie was injured in a fall from a tractor Monday afternoon and is still favoring several cuts and bruises.

Spur's next game will be with Ralls here tomorrow, June 13. Next Monday, June 16, the boys travel to Plainview, and on June 18 will be host to O'Donnell. Next Friday they play at Petersburg.

Bapt. Bible School Commencement Is Held Wed. Night

Daily Vacation Bible School commencement was held at the First Baptist Church of Spur, Wednesday evening, June 11.

The school enrollment for the eight days was 196 with an average daily attendance of 145.

Classes were held for the Nursery, Beginner, Primary, Junior and Intermediate age groups.

The commencement procession was played by Miss Faye Middlebrooks with the call to worship directed by the Rev. T. B. Allen, church pastor.

Following the flag and Bible pledges, each group demonstrated work done during the eight day period. The program included songs, scripture and Bible drills.

Certificates were presented to those who had been present at least two days.

At the close of the commencement an exhibit was shown of the work done by each department.

The benediction was given by A. Z. Hayes.

Baptist Men Meet Tuesday Morning

The Brotherhood of the First Baptist Church met for their regular meeting Tuesday morning at 7 a. m. in the educational building of the church.

Joe Max Barclay brought the devotional thought for the meeting. Bill Glenn led the group in singing prior to the business session led by Lloyd Hindman, president.

Rev. Billie Smith, pastor of the Soldier Mound Baptist Church, has joined the group as pianist.

The next regular meeting will be held June 24.

Lubbockites Meet With Little Theater Group Monday Night

Mr. and Mrs. Bert McGinis of Lubbock were guests at the "Little Theater" group meeting held in the East Ward auditorium Monday evening June 9.

This couple represented the Lubbock Little Theater and held a question and answer forum as assistance in organizing and developing a similar dramatic club for Spur and the surrounding areas.

A business session directed by the president, O. L. Kelley, involved a name for the organization that would include all communities participating, with no definite name chosen.

Two young people, Carolyn Kelley and Franklin Gabriel, were elected to serve with the other ten members of the board of directors.

The constitution and by-laws committee composed of Mrs. Jack Rector, Mrs. O. M. McGinty, Mrs. Buck Denton, Grady Elder, Miss Carolyn Kelley, Dog Thompson, and Don McGinty, was unable to report. Therefore, a special call meeting of the organization will be announced later.

Everyone who is interested in helping establish a drama group in Spur is urged to attend the next meeting. An age limit has not been set for members, and all interested persons including those of the surrounding areas of Spur are invited and urged to join.

Hospital Construction To Begin Here Monday

Methodist Youth Attend Fellowship Assembly At McMurry In Abilene

Ginger Walker, Billie Sue Gregory, Beverly Wood and Sue King are the delegates from the Spur M.Y.F. that are attending the Methodist Youth Fellowship Assembly in McMurry College this week.

These girls left Monday morning, June 9 from Spur via a charter bus. They will return to Lubbock Saturday.

There are expectations for four hundred delegates at this annual meeting.

Earl Burnett Is Guest Speaker For Rotarians

"What We Can Expect This Year in the Way of Cotton Production" was the topic for discussion by Earl Burnett of the Spur Experiment Station for the Rotary Club, Thursday noon, June 5.

Jimmie Jones served as "chairman of the day" and the invocation was given by Forest Irwin.

Visitors introduced other than the guest speaker were Max King and Franklin Gabriel.

Cigars were presented to Jack Rector in the absence of W. F. Gilbert who had previously guessed nearest to the lint yield per acre during the past year.

His guess compared to the actual 186 pounds per acre was 187, while Rector's was 187 1/2 per acre. Tying for third place was Dr. O. R. Cloude and W. F. Godfrey who guessed 189 respectively.

Burnett expressed the opinion that the prospect for cotton yield this year will be poorer due to the lack of rainfall. According to Burnett, the average rainfall received this year is 5.83 inches in comparison to the 6.90 inches received during the same five months period last year.

A forum concerning proper planting time was held at the close of the talk by Burnett. Slips of paper were then passed out and approximate guesses made as to the county average of lint cotton production for this year.

Rotarian president, Walter Gruben dismissed the meeting.

RALPH YARBROUGH TO VISIT SPUR THURS. JUNE 19

Ralph Yarbrough, candidate for governor, plans to be in Spur for a brief visit on the afternoon of June 9, according to an announcement made yesterday by Dr. W. F. Patrick.

The Spur visit will mark one of the candidate's stops during his tour of the state.

Mrs. J. W. Martin and Mrs. Elmore Smith and her son Jimmy of Haskell have recently been visiting in the E. D. Engleman home.

Powerful Proctor's Maintains Lead; Two Games Scheduled for Tonight

Proctor's steamroller continues to roll in the Spur softball league, leaving two more hapless teams behind them. Last Thursday the league-leaders defeated Jayton and Tuesday evening they virtually slaughtered the Lions 20-1.

The Hoover-McAtee team took undisputed second rung in their victory over the V. F. W. Tuesday night. This game completed the first three rounds of league play. Jerry Price pitched his team to a 15 to 5 win.

The Lions moved out of the cellar at the expense of the City Drug boys last Thursday night in a 13-10 affair.

Tonight the two third place teams will be fighting it out for the number three rung. The V. F. W. and City Drug will square off at 7:30, to be followed by Hoover-McAtee and Jayton.

Next Tuesday the City Drug meets Proctor's in the opener, followed by Jayton vs. V. F. W.

VEHICLE INSPECTIONS IN COUNTY ONLY FOURTH COMPLETE

J. R. Whitmore, Department of Public Safety Motor Vehicle Inspector stationed in Spur, reports that inspections in Dickens county, are approximately one fourth complete.

According to county records, there are 2840 vehicles registered in Dickens county, of which only 779 have been inspected. These figures are of June 1, 1952.

Whitmore states that car and truck owners should have their vehicles inspected immediately to avoid the last minute rush. All vehicles must be inspected by September 6 to meet the new state requirements. Nearly all automobile and truck dealers in Spur are official inspection stations, adds Whitmore.

Tulia Meeting Is Attended By Paul Sweatt, May 28

The Vocational Agriculture teachers of Area 1 met in Tullia, May 28 for a day of instruction in various farm skills. Dr. Callahan, a prominent plains veterinarian, gave a demonstration on drenching various farm animals and a panel discussion on the common diseases of farm animals and the treatment of them.

Various teachers of Area 1 gave demonstrations on: wiring farm buildings, sewing up ruptured pipes, dehoring with the electric dehorer, caponizing young cocks, and a film on one shot vaccination of hogs for hog cholera.

Paul Sweatt, local Vocational Agriculture teacher, attended the meeting from Spur.

DON MCGINTY BEGINS TRIP TO ST. LOUIS

Don McGinty, son of Mr. and Mrs. Oscar McGinty, left Wednesday night for Houston to begin the trip to St. Louis. This trip is sponsored by the Ralston Purina Feed Mills of St. Louis and Gray Summit, Missouri.

Don was awarded this trip as part of the top award at the Huston Stock show last February. There will be four boys making this trip. Don will return the last part of next week.

Places of interest that he will visit are the laboratories and feed mills. He will be entertained at the expense of the company.

LT. JAMES DOBBINS AT MEDICAL FIELD SERVICE SCHOOL

2nd Lt. James P. Dobbins, Medical Service Corp, son of Mr. and Mrs. J. H. Dobbins, 616 N. Burlington, Spur, is now at Medical Field Service School, located at Brooke Army Medical Center, Fort Sam Houston, Texas, to attend an eight weeks orientation course in military medical service.

The class is made up of officers recently called to duty in the Medical Corps, Dental Corps, Veterinary Corps, and Medical Service Corps.

Mr. and Mrs. Bill Gannon visited their daughter, Mrs. Thelma Fletcher, of Brownwood this week end.

Bobby Belcher, son of Mr. and Mrs. R. W. Belcher is visiting relatives in Phoenix, Ariz.

Mr. and Mrs. Harvey Holly visited friends in Lubbock last week-end.

Mr. and Mrs. Lester Ball are vacationing in the Ozark mountains this week.

Mr. and Mrs. George Tollet of Fort Worth visited in the Loyd Womack home Tuesday and Wednesday of this week.

Work Orders Issued; Contractors Have 300 Days To Complete Project

Final contracts were signed and work orders issued last week end for the construction of the \$250,000.00 Spur hospital.

The initial work order was issued effective Monday, June 9, 1952 and actual construction is expected to begin with the breaking of the site for the foundation Monday, June 16.

W. B. Abbott, Jr., manager of the Abbott Construction company of Lubbock, is the general contractor. His contract is in the amount of \$130,646 according to Ned Hogan, mayor. Williams and Williams Concrete

contractors will do the foundation concrete work, according to Grady Elder, Chamber of Commerce manager.

James Cowan, city secretary, states that the water line to the hospital site is under construction and will be completed by this week end. Work will continue on the sewer line through the summer and will be ready in ample time for the hospital use.

The general contract on the hospital project calls for completion in 300 calendar days which will mean that it will be ready for use by April, 1953.

The mechanical contract for the hospital has been let to the Francis Company of Quanah for \$43,092.00. This contract includes plumbing heating, etc.

The Electric Service Company of Quanah received the electrical contract for \$13,274.00. The West Texas Coffee company of Abilene are the contractors for the kitchen equipment which originally was in the amount of \$5,815.73, but has been reduced by \$526.00. Casework will be furnished and installed by Metal Fabricators of St. Louis for a contract price of \$8,523.00.

Sterilizing equipment will be furnished by the Wilson X-Ray and Surgical company of Austin for \$7,499.00. The contract for X-Ray equipment has not yet been signed, states Mayor Hogan, but the low bid received on it is \$4,399.00.

The total estimated cost of the hospital includes a \$2,751.27 construction contingency fund, \$21,960.00 architects' fee, and \$12,040.00 for movable equipment and furnishings.

Mayor Hogan states that at a later date individuals, organizations and businesses will be given an opportunity to donate towards furnishing the hospital rooms. The Spur Lions Club has already tentatively designated the proceeds from their cold drinks concession at the Spur softball games for this purpose. The amount should reach approximately \$500, states D. J. Dyess, chairman of the concessions.

Mayor Hogan points out that the federal government will match dollar for dollar all gifts and donations of this type for the hospital furnishings.

The above mentioned contracts, with flexible contingency fund, will make the hospital cost the originally estimated \$250,000.00.

NEWS ABOUT TOWN

Mr. and Mrs. A. M. Walker and Mr. and Mrs. Alfred Walker will leave Friday, June 13, to attend the wedding of their son and brother, George in Austin.

Mr. and Mrs. Raymond Higginbotham of Hereford and Mr. and Mrs. Dudley Wooten of Lubbock visited with Mr. and Mrs. Ned Hogan Sunday.

Mr. and Mrs. Bill Gruben, Pat and Bill III of San Antonio, Mr. and Mrs. James Allbritton, Susan and Janet of Seymour, and Mr. and Mrs. Matthew Gruben, John and Matthew, Jr., visited in the home of Mr. and Mrs. W. C. Gruben, Sunday.

Pat and Bill Grubes, III of San Antonio are spending this week in Spur visiting their grandparents, Mr. and Mrs. W. C. Gruben.

Mr. and Mrs. M. C. Golding of Corpus Christi visited in the home of Mr. and Mrs. W. T. Andrews this past week. They are formerly of Spur.

Donna and Lynda Hinson, daughters of Mr. and Mrs. Douglas Hinson, are spending the summer in Houston, visiting their aunt, Mrs. J. C. Hinson.

Miss Kathleen Rector left Spur this week to spend a while in San Marcos visiting with her sister, Mrs. Bob Decker.

Mr. Jack Tarver was host to a fish fry in the park on Wednesday, June 4. Potato chips, cokes, olives, pickles, were served with fish to the Spur telephone office employees. Approximately 16 guests attended.

Mrs. Tom Milam and her son, Charles, spent the past week-end in the Carl Proctor home.

Wayne Hoover, son of Mr. and Mrs. Buddy Hoover, Joe Bruce Long, son of Mr. and Mrs. J. B. Long, and Mac Fry, son of Mr. and Mrs. A. A. Fry, are enrolled in the Texas Technological Band School for the month of June. These boys will live in a Tech dorm and will have other activities than school. They will be under the direction of teachers from many different localities.

Miss Mazelle Beadle, a '52 graduate of Spur High School is now employed with the Spur Telephone office.

Don Thompson, son of Mr. and Mrs. O. D. Thompson, is home for the summer from Texas Technological College of Lubbock where he is majoring in speech. Dan will be employed by Swift's Gin of Spur.

This modern French-designed and built jet fighter plane is nearing regular production schedules thanks to more than \$5 million worth of American machine tools supplied as defense support under the Mutual Security Program.

CHRYSLER SARATOGA
6-PASSENGER SEDAN

DON'T LET YOUR WIFE DISCOVER THIS TOO LATE!

Women by the thousands are discovering in the beautiful Chrysler Saratoga the easiest "big car" of all to handle... the most generously comfortable to ride in... and the most instantly responsive to their command.

That's why we say to you... and your wife... "Come in and see for yourselves what the Saratoga does for you." And do it now, before you decide on any car... not later, when you may regret not having all the things you can have in a Saratoga!

Yes, it is a big car with big car power... a breath-taking 180 H.P. performer (the most revolutionary V-8 engine in 25 years) that answers to the touch of your toe with delightful gusto. And it doesn't call for premium fuel, either!

Does your wife think there's too much car here to handle?... let her try its Power Steering that does 4/5 of all the steering work and gives five times greater control on the road and when parking!

Is she safety-minded? Chrysler Power Brakes give her quicker, safer stops... with up to two-thirds

less foot pressure. She'll appreciate Chrysler's Safety-Cushion dash panel. And in case of a blow-out, she'll have the assurance of Safety-Rim wheels that won't "throw" a tire.

How about comfort? Come, both of you, for a ride!... feel how those amazing Oriflow shock absorbers "liquidate" even the worst road bumps. Chair-high seats plus big, big windows let even the tiniest little lady see out properly. Doors open wide... and she can keep her hat on!

Here, in short, is the car beautifully designed for men and women. The liveliest, best handling car in America. The car you'll both be glad you saw first. Why not stop in today?

NOTE: Power Steering standard on Crown Imperial. Available, extra, on any new Chrysler.

Patentable Ideas Protected By Simple Precautions

Many people have good ideas about new or improved machines, or gadgets, but never do anything about them because they don't know how to protect their rights

while perfecting such items and going through the necessary patenting procedure. Here's what you can do to protect your invention before you have it patented.

Under the patent laws of the United States the person who first conceives of a new and novel patentable idea is entitled to it. Therefore, if conflicting claims arrive as to who is entitled to a patent, it is necessary to establish who first had the idea, not who filed the first application for patent.

Of course, it is always advisable to make application for patent as soon as possible in such cases. But don't forget to protect yourself while you are completing your final drawings and ultimate plans and making such tests as may be needed to perfect your patent. To do this, you should,

as soon as you conceive the idea, make a written record of the facts, dating the same, including a general statement of the nature of your invention, and a rough drawing if possible. This should be witnessed by two persons who could be called later on to certify that they witnessed the same on the dates set out in the instrument you have drawn.

Some inventors placed such witnessed statements and drawings in an envelope. They seal and mail to themselves by Registered Mail. Their post office stamps each seam of the envelope in such a way that any opening of same can be detected. Upon receiving the registered envelope and its contents, the inventor merely files it away in a safe place unopened. Then, if a contest should later develop, postal records will lend additional support to the testimony of his witnesses.

By taking the above precautions, you will establish a preliminary date showing the time when your original idea was conceived. After that you can continue with your work, perfect your idea, and after the same is perfected, make application for a patent, if you feel that you have a patentable idea.

GRANT-IN-AID GIVEN TO TEXAS EXPERIMENT STA.

Two grants-in-aid, donation of equipment and the loan of animals, have been made recently to the Texas Agricultural Experiment Station, Dr. R. D. Lewis, director announces.

A grant-in-aid of \$1,000 to be used at Substation 7, Spur, under the leadership of C. E. Fisher to support research on chemical control of mesquite and associated species, has been received from the Dow Chemical Co., of Midland, Michigan.

The Dow Chemical Company made another grant-in-aid of \$1,000 to be used under the direction of K. P. Ewing, Bureau of Plant Entomology and Plant Quarantine, of Waco, in cooperation with the Department of Entomology for the purpose of evaluating ovotran, metacide, and systox for control of cotton insects.

The Goldwaite Texas Toro Company of Fort Worth, has donated several pieces of equipment to be used by the Department of Agronomy in turf research.

Loans of Hereford bulls have been made by George Jones of Marfa, J. V. Williams of Paint Rock and Reid Brothers of Fort Davis. The animals will be used at Substation 14 of Sonora.

Girl Scouts

TROOP III
On Friday, June 6, in the Girl Scout Little House, members of Troop III met to continue work on an arts and crafts project. As this was the last meeting for Sharon English as a member of the troop, other girls helped finish her project. Sharon asked for a transfer from the troop and will become an active member of some troop in Lubbock where she moved with her family on Saturday.

TROOP IV
The Scouts of IV did not meet, but members are doing individual work to complete reports on projects done recently.

TROOP IX
The Brownies of Troop IX met in the Round-up building at the regular time on Monday, June 9. As the girls worked Mrs. Bachman talked about Day Camp and hikes. The Brownies put their names on pins to be used for identification of "nosebags" for Day Camp. Each girl present had remembered to bring the pins for this project. This is another proof that they are growing as Brownies.

Plans were made for a picnic and nature study for the next meeting which will be on Monday, June 16. Members of the troop were sorry to know that one of its members had recently lost her house through fire and extend their sympathy to Patsy Crafton.

Alaska Studied By Baptist WMS Circle

Culpepper Circle

The Culpepper Circle of the First Baptist Church met at the home of Mrs. Billie Powell, Monday evening, June 9.

Mrs. M. H. Brannen was guest speaker and had as her subject "Alaska." She plans to leave soon to visit her daughter, Jane in Alaska this summer.

Mrs. C. P. Scudder continued the program with the subject, "Organized Mission Work in Alaska."

During a brief business session

the group elected the following officers: Mrs. Powell, chairman; Mrs. Eva George, co-chairman; and Mrs. Gracie George, secretary-treasurer.

Refreshments of cheese crackers, pickles, olives, potato chips, cookies and cakes were served.

Attending the meeting were Mesdames W. C. Gruben, Thurman Morrow, Dewey Hames, Kimmel, Clarence Alexander, Scudder, J. E. Berry, A. G. Dunwoody, the guest, Mrs. Brannen and the hostess, Mrs. Powell.

Cauthren Circle

Mrs. C. L. Williams was hostess to the Cauthren Circle of the W. M. S. of the First Baptist Church

at her home, Monday afternoon, June 9.

A business session was held with Mrs. Leonard Wilson presiding in the absence of the chairman. Due to the large number of members, plans were made to divide the circle.

Refreshments of cakes and cookies were served to those present.

Attending the meeting were Mesdames Henry Mullins, Bill Glenn, E. E. Caudle, Grady Lackey, Floyd Ball, W. B. Steel, Wilson, W. F. Patrick, and the hostess, Mrs. Williams.

Bagby Circle

Members of the W. M. S. Bagby

Circle of the First Baptist Church met at the park Monday morning, at 8, June 9, for a breakfast.

The breakfast menu included bacon, eggs, potatoes, hot biscuits, jelly, donuts, coffee and tea.

A devotional, "The Biblical Picnic" was given by Mrs. Hattie Turvan. Mission program articles were given by Mrs. Roscoe McCombs and Mrs. John Adams.

Attending the breakfast were Mesdames Adams, McCombs, Turvan, Sally Shockley, W. M. Hazel, Myrtle Whitwell, J. R. Cole, A. F. Green, G. B. Morris, Misses Dollie Powell and Jennie Shields.

Judson Circle

Members of the W. M. S. Judson Circle of the First Baptist Church met at the home of Mrs. E. C. Clinkscales, 821 N. Miller, Monday at 9:30 a. m., June 9.

Mrs. Henry Mullins gave a book review of "First Missionaries."

Refreshments of orange sherbet and angel squares were served at the close of the meeting.

The group was dismissed with prayer by Mrs. Joe Long.

Attending the meeting were Mesdames Mullins, W. G. Hinson, C. P. Scudder, Homer Wilson, Horace Cagle, Long, C. A. Alldredge, O. R. Cloude and the hostess, Mrs. Clinkscales.

Lockett Circle

Mrs. Henry Gruben was hostess to the Lockett Circle Monday at 4 p. m., June 9.

The mission study book, "Inca Gold" was taught by Mrs. Gruben.

Refreshments of fruit punch and cookies were served to those attending.

Present for the meeting were Mesdames E. L. Smith, L. W. Langston, E. J. Bilberry, H. L. Burnam, O. P. Dupree, J. A. Marsh, Miss Safronie Ponder, and the hostess, Mrs. Gruben.

TEXAS TECH EXPECTS LARGE ENROLLMENT IN SUMMER SESSION

Texas Tech officials expect an enrollment of approximately 2,300 students for the first summer term. The number is virtually the same as the enrollment for the first term of 1951.

Students started registering June 5, with classes beginning June 6. The first term ends July 16, and the second session begins July 17.

A total of 2,745 students attended summer school at Tech last year. W. P. Clement, registrar, said not many more are expected this year.

Local students that will attend are Margaret Wood and Myra Ratliff.

SWITCH TO DODGE-SLASH UPKEEP COSTS

"We switched to Dodge and upkeep costs went down."

... says MAURICE ATLAS

Atlas Super Markets, Indianapolis, Indiana

"Since putting our first Dodge into service, we have been most satisfied. As soon as we switched to Dodge, our upkeep costs went down!"

"We have found that Dodge 'Job-Rated' trucks perform at a much better level of economy in operating and maintenance costs, as compared to the previous makes we owned."

- Whatever your needs, there's a Dodge truck "Job-Rated" to fit your job, save you money.
- Every model—1/2- through 4-ton—is engineered with the right load-carrying units.
- Every model—4,250 lbs. to 40,000 lbs. G.V.W.—is engineered with the right load-moving units for top performance.
- Better weight distribution enables you to carry bigger payloads without overloading.
- Come in today for a Show Down of value... a demonstration... and a good deal!

The Right Power. With a Dodge you'll enjoy "Job-Rated" power—the right engine for the job. You'll lower upkeep costs because of such features as chrome-plated top piston rings and exhaust valve seat inserts.

Longer Truck Life. With a Dodge "Job-Rated" truck you'll save on upkeep because of such advantages as a deep channel-type frame, sturdy "shot-peened" rear axle shafts, and long, special-alloy steel springs.

Fluid Drive Protection. Depend on *gyrol* Fluid Drive to protect vital drive-line parts, keep upkeep costs low! This power "cushion" between engine and clutch is available on 1/2, 3/4, 1-ton and Route-Van models!

Quality Refreshment Costs So Little

When you raise a frosty bottle of Coca-Cola to your lips, you can be sure it is always delicious—always refreshing. You know you can trust its quality.

You may find you are paying a penny more for each bottle now and a few cents more for each carton. Due to rising costs, we have been forced to raise our wholesale price.

Even so, the cost of quality in Coca-Cola is remarkably low. At work, at play, at home—where else can you get so much refreshment for so little than in ice-cold Coca-Cola?

Engagement of Ryan-Dobbins Is Announced

Announcement has been made of the engagement of Miss Jo Beth Ryan, daughter of Mr. and Mrs. G. L. Ryan of Austin to Pike H. Dobbins of Spur. The bride elect, who received a bachelor's degree from the University of Texas, has been a music teacher in Woodridge Elementary School for two years and will teach there next year.

Mr. Dobbins has received his degree in electrical engineering from the University of Texas and is a member of Phi Gamma Delta. He served in the United States Navy in 1945-46.

The ceremony will be at the First English Lutheran Church of Austin July 19, with the Rev. Lewis P. Speaker officiating in formal double-ring rites.

GOOD HEALTH

1. IS STOMACH CANCER CURABLE?
Stomach cancer is curable if diagnosed and treated early. Improved surgical methods, aided by transfusion of blood, better anesthesia and antibiotics, have helped in curing the disease. These improvements have come about in the last twenty years, especially in the last ten. With recurring abdominal symptoms, see your doctor.

2. WHAT IS GOING ON?
Gout is a disease resulting from disorders in metabolism that produce swelling and pain in any joint of the body, particularly the big toe. Your doctor can give you

great relief from the pain and he will be able to shorten the attack. Colchicin and proper diet lessen the likelihood of a recurrence.

3. IS SKIMMED MILK A VALUABLE FOOD?
Skimmed milk has all the properties of regular milk except milk fat and is therefore a valuable food. It is especially useful in reducing diets. Whole milk is preferable for children and adults who are underweight, but if skimmed milk is used the milk fat can be replaced in the diet by butter, oleomargarine, or other fats if desired.

Cokes To Cost 6c Starting Monday

Beginning Monday, retail customers in the Spur area will pay a few cents more for each carton and case of Coca-Cola they buy as the result of an announcement made this week by Harmon Daffern, manager of The Texas Coca-Cola Bottling Co.

Rising costs of the bottling operation and spiraling labor costs have combined to make the increase necessary, according to Mr. Daffern. Dealers will be affected in a higher wholesale cost per carton and per case, and

the increase will of course be passed along to the consumer. "Our increase is no more than the Ceiling Price Regulations permit" and retailers are permitted under these same regulations to charge not more than 6¢ per bottle. While retailers may charge any price they choose, with cer-

tain limits as prescribed by law, on cartons, it is our suggestion that cartons retail at 30¢ (plus deposit) and the 24-bottle case at \$1.20 (plus deposit). Our deposit structure of 4¢ per bottle, and 3¢ per paper carton remains unchanged."

SUB-DISTRICT MEETING
The Women's Society of Christian Service met in a Sub-District meeting with the Spur Auxiliary

as hostesses, June 3.
The theme for the program was "That the Kingdom of God May Be Realized."
Guest speakers were Mrs. J. H. Rutherford of Stamford, Mrs. Stevenson Davis of Stamford, and

Mrs. C. J. Robinson of Jayton. The meeting closed with a meditation given by Mrs. Dee Hairgrove.
CIRCLES 1 AND 3
Circles 1 and 3 of the Women's

Society of Christian Service met in the home of Mrs. Paige Gollhar at 3 p. m.
Mrs. C. F. Cook was leader of the program, "Fruit of the Spirit" and "Diligence." Mrs. Lewis discussed "Criteria for Choosing a Candidate," and Mrs. George Link, Sr. discussed "Becoming Acquainted With Women in Emergency Areas."
During the business session the Circle members chose the name Leota Ensey Circle to replace the names 1 and 3. This was in honor of the late Mrs. J. J. Ensey.
The following officers for the new year were elected: Mrs. Jack Rector, chairman, Mrs. Henry Simmons, treasurer, Mrs. Cook, recording secretary, Mrs. C. H. McCulley, Secretary of Christian Social Relations.
During the social hour guests were shown the new home of Mr. and Mrs. Gollhar.
Refreshments of ice cream were served to the guests.

Wesleyan Circle
The Wesleyan Circle met in the Round-up building on June 9 at 8 p. m. Mrs. R. L. Walker called the meeting to order. After a short business meeting Mrs. Raymond Beadle began the program. Her topic was "Are Children Our Concern." Mrs. Van North continued the program with the subjects: "Children Need Us" and "Child Labor and Working Mothers." Mrs. Harry Miller also discussed two subjects to complete the program, "Food and Shelter" and "If Children Cry."
Mrs. W. G. Johnson, Jr. and Mrs. O. D. Thompson, hostesses, served punch and cookies to Mrs. J. W. Henry, W. G. Johnson, Jr., Nina King, Lawis Lee, Miller, North, Thompson, Walker, Lane Bachman, Beadle, James Cowan, Weldon Grimes, Marion Hurst, and Miss Willie Hampton.

Somebody's Going to be Surprised!

Well, it's Junetime—and the top is down—and his heart is filled with memories . . . and where do you think he's going?
He's going halfway up the hill, to a spot where a lane strays into the wildwood and he can glimpse the top of a fieldstone chimney above the trees. That's his lane—and he's going home!
It has been a well-guarded secret. Just two people have known about it all these months—himself and his Cadillac dealer.
To make doubly sure, he has hinted at everything under the sun as a fitting tribute to this wedding anniversary—except a Cadillac!
Well, it won't be long now. He's getting closer and closer. And now the stones in the driveway crunch under the wheels . . . he gives the familiar three "toots" on the horn . . . and then she sees him, with his cap in his hand, bowing and pointing to the driver's seat.

Surprised? Never so much in all her life. And never more thrilled—for it's the "car of cars" for the "day of days!"
And is he happy!
Maybe it has taken him ten years—or fifteen—or even twenty . . . to make his dream come true.
But during all this time he never wavered in what he wanted. He wanted to make one anniversary mean something special above all the rest . . . by the gift of a Cadillac.
Perhaps, as you read this, you are looking forward to some very special anniversary of your own.
If you are—and you're planning on giving the gift of gifts—then you'd better come in and see us soon.
We've kept many and many a secret, for many and many a man—so you may trust us not to tell!
We'd be delighted to see you . . . at any time you find convenient.

Ed Billings, Anton, To Be Basketball Coach At Tulia

Ed Billings, Wayland College's outstanding athlete for 1952, has accepted the position of head basketball coach and assistant football coach at Tulia High School, according to announcement from Coach Harley Redin. Billings, who is the son of Mr. and Mrs. M. R. Billings of Anton, had a brilliant cage career at Wayland, Plainview, being one of few men ever to letter four years.

Coach Redin states that Billings started 121 games of the 125 played by the Pioneers since 1948. He scored 1547 points in that time. "Ed, who towers 6 feet 4 inches, has been outstanding as rebound man, with his specialty being rebounds under the defensive board," says Redin. "He has the perfect competitive temperament, making him a top defensive man and a steady scorer."

Not only has Billings been outstanding in athletics but rated a place in Wayland's Who's Who on College Campuses. Both the student body and the senior class elected him "favorite," gaining him special sections in The Traveler, college year book. In addition, he worked with the Baptist Student Union on and off the campus, appearing on many programs before youth groups throughout this section.

Just wait till you see the PRICE TAG!

ONLY BUICK PROVIDES THEM ALL

- DYNAFLOW DRIVE
- FIREBALL 8 ENGINE
- NEW WIDE-BAND BRAKES
- MILLION DOLLAR RIDE
- TOP-CAPACITY TRUNKS
- NEW TWO-TONE INTERIORS
- SWEEPSPEAR STYLING
- EASY-SEE GLASS

Plus These, Too, On ROADMASTER

- AIRPOWER CARBURETION
- POWER STEERING
- SILENCE

If you've been doing a bit of shopping for a new automobile, we'll tell you this: The price on this one will open your eyes. It's the price of the six-passenger, two-door SPECIAL—ready to roll.

When you put this price against the local delivered prices of other cars that folks usually associate with Buick—you'll have a hard time finding a single one as low.

When you put this price against what you'll pay for cars with the reputation of being "lower priced"—you'll find why this Buick gives them such keen competition.

And—if you want to go in for extras—you can still add up what goes on the bill of sale of other cars and a Buick—you'll find out that Buick's an even greater buy.

We know that price is important to a lot of folks, especially with the price of groceries—and even baby shoes—where they are today. But you also want some fun for your money—and that's where a Buick really shines.

Just wait till you give a gentle nudge to the power that's under that big, broad hood and feel your shoulders sink back as this beauty takes off.

You'll feel like the million dollars it cost to perfect its ride, when you sample the steady smoothness of its gait.

It's eager, alert, alive—makes each mile a new experience.

Want to try it? Why not? We're willing to let this beautiful bundle of high-powered energy speak for itself.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. **Optional at extra cost—available on most models. †Optional at extra cost on Roadmaster only.
