Whoa, Now!

By Grady Lackey

Following a lecture from his father on the wonderful freedom we Americans enjoy, little Johnny soundly punched his younger brother in the nose. To his father's chastisement, he replied, "This is a free country and I can put my fist anywhere I please." His father then completed his freedom lesson by explaining to his son that his freedom stopped where his brother's nose began.

True freedom of our actions always end when they interfere with the wellbeing of others. We have laws in the land that were made primarily to protect and maintain this idea.

We all enjoy following a fire truck and watching a fire. We like to get in as close as we can, both for the present excitement and so that we can tell it later that we were there when it happened.

But, are we encroaching on the rights of others when we speed behind a fire truck or edge in as close as possible to where the firemen are trying to fight a fire?

Besides endangering our own lives, there are at least two ways in which we're denying others. First, we are possibly delaying the firefighters and their equipment at a time when seconds sometimes mean lives and most always mean valuable property. We're directly denying someone the fire protection to which he is entitled.

Second, we're endangering the lives of others. When the fire alarm sounds, the fireman's first and primary thought is to get to the scene of the fire. He's not to be denied his desire and responsibility to do just this. We hinder and endanger the life of hurrying firefighters when we get ourselves and our automobiles in his way.

Since our lust for excitement sometimes causes us to forget or ignore these things, the State of Texas has passed laws to remind us.

Section 100 of Article 6701d of the Revised Civil Statutes of Texas reads as follows:

"The driver of any vehicle other than one on official business shall not follow any fire apparatus traveling in response to a fire alarm closer than 500 feet into or park such apparatus within the block where the apparatus has stopped for a fire alarm."

Under Section 143 of the article, any person found in violation of the above law shall be fined not more than \$1.00 nor more than 30 days.

The Blair Family Fund, now totaling about \$895.00 may seem like an ample amount to some, but a report came from Lubbock this week that Speck's hospital bill for one week exceeded \$500.

Speck is battling for his life with Joyce at his bedside doing everything she can to relieve his pain and insure his recovery. We here at home can make both of their jobs lighter and their moments happier by letting them know that we are doing all we can for them.

If your name isn't on the list printed this week, get it there by next week with a contribution to one who needs and will appreciate what you can give.

Mail or bring your contribution to the Texas Spur office.

Mr. and Mrs. F. F. Vernon recently had as their guests their granddaughter, Laura Ann Vernon of Borger, and their niece, Lona Truitt of Abilene.

Two Games Tonite In Local Stadium

Proctor's and Hoover-McAtee maintained their deadlock for the first rung in the Spur Softball League standings this week with one win each.

The Lions held the third place slot briefly by defeating the City Drug nine last Thursday, but dropped one Tuesday to Proctor's to go back into a tie.

Last Thursday the Lions pushed two across in the last inning to take the Glamour boys 8-7. In the nightcap, the Hotrods had it easy against the VFW with an 8-0 win in five innings.

The possibility of damp grounds kept a good many fans away Tuesday night but games were played as scheduled. In the opener, the young Lions gave Proctor's a run for their money, only to succumb to sheer force 5-0. The City Drug downed the VFW 9-5 to complete the evening.

Tonight the up-and-coming Jayton nine will test the Hoover-McAtee bunch while the City Drug takes on Proctor's.

Next Tuesday, it'll be VFW vs Jayton and Hoover-McAtee vs Lions.

MRS. BUCK DENTON TO DIRECT INITIAL PLAY FOR LITTLE THEATER

Mrs. Buck Denton has been chosen to select, cast and direct the initial play to be given by the Spur Little Theater group.

Members of the board of directors of this organization met in the East Ward auditorium Tuesday evening, July 8, and decided to postpone any musical dramas until next fall, according to the president, O. L. Kelley.

This organization is open to all persons of Spur and surrounding areas, with no age limit, for the purpose of creating drama interest in this community. All interested persons are urged to attend these meetings in an effort to promote this organization.

BETTY ARNOLD, PEGGY REID TO BE HEARD OVER RADIO STATION KFLD

Misses Betty Arnold and Peggy Reid will be interviewed over radio station KFLD, Floydada, Monday at 9:15 a. m., July 14.

The program, "Listen Ladies" is directed by Mrs. Alma Holmes of Floydada.

These two high school students attended Girls' State under the sponsorship of the Spur American Legion Auxiliary and will bring reports from this Austin meeting.

NORTHER BRINGS SPUR 1.26 INCHES; FARMERS PLANTING COTTON, FEED

Hot, cold, dry and wet have taken turns on the weather docket in Dickens county recently to give everyone at least a sample of their favorite weather.

The entire area received life-saving rain Monday night and Tuesday morning with the Spur Experiment station reporting 1.26 inches for Spur. The heaviest fall seems to have been in and near the Highway community with some farmers reporting as much as four inches of the precious stuff.

Croton reports a little less than 1 inch in places while Dickens got 1.25, Afton 1.5, McAdoe 1 to 2, and Duncan Flat about 2.

The 1.26 measurement for Spur raised the possibility of again at least reaching an average amount of moisture. Over the last 30 years the average for the entire month of July is 1.93. However, the average over the same period for June is 2.59—This year's read 0.6.

June, 1952, also proved to be the hottest in many, many years. The mercury topped the hundred marker fifteen of the thirty days for the hottest June since 1924.

Down at the other end of the thermometer, Dickens county recorded the coolest July day in 16 years. The mercury dipped to a chilly 55 degrees following Monday's norther.

Charles Taylor, county agent, reports that some of the cotton that was up but was suffering seriously from the hot dry weather will be left for what it might make. He states that from 60,000 to 70,000 of the estimated 100,000 acres will make with another rain or two. Probably an additional 1,000 acres will be planted in cotton yesterday and today, he adds.

From 30,000 to 50,000 acres of the county's farm land will be planted.

ROPING ARENA TO BE SCENE OF CONTESTS SAT.

Saturday night, July 12, at 8 p. m. at the roping arena located one mile south of Spur, events will take place which should be of interest to all cowgirls and cowboys.

There will be jack pot calf roping, ribbon roping, old timers calf roping, girls barrel races, junior flag races, bronc riding and reining horse contests. No one will be barred from entering these events.

Everyone is invited to attend. Admission price for adults will be 50c, with children admitted free. There will be plenty of cold drinks and fun for all.

Legion, Auxiliary To Install New Officers

The American Legion Auxiliary of Spur elected officers for the new organizational year at the meeting of the group held Monday evening, July 7.

Officers elected were: Mrs. Nina King, president; Mrs. Roy Arrington, first vice-president; Mrs. D. I. Loe, second vice-president; Mrs. Joe Jeffers, secretary; Mrs. Larry Boothe, treasurer; Mrs. Lonnie Lewis, chaplain; and Mrs. Jean Dean, sergeant-at-arms. Serving on the executive committee will be Mrs. Charlie Kearney and Mrs. C. L. Martin.

The officers elected Monday will be installed in a joint installation ceremony with the Legion at the Legion Hut on Thursday night, July 10.

Misses Betty Arnold and Peggy Reid, who were recently sent to Girls' State in Austin by the auxiliary, will bring their report on the Austin meeting on the night of the installation.

Blair Family Fund Still Underway

The Blair Family Fund which was started last week by a group of men in town and the Texas Spur, has reached approximately \$895.00 with donations still coming in.

Latest reports from the Blair family are that Speck is continuing to improve but is still considered in a critical condition. Floyd "Speck" Blair was seriously burned in a blaze at the Spur air port Monday, June 30.

Those wishing to contribute to the fund for the financial relief of this local family, may bring or send their contributions to the office of Ratliff, Conner and Walker or the Texas Spur.

Spur Baby Drowns In Duck Creek Tues.

Roberta Lynn Thompson, 2, Is Victim Of Current; Two Hour Search Finds Body

Little Roberta Lynn Thompson, daughter of Mr. and Mrs. Robert M. Thompson, Jr. of Spur, drowned in Duck Creek Tuesday evening, July 8.

After failing to find his daughter, Thompson rushed to the highway about a half mile away and sent word to town. In very little time the Spur Volunteer Fire department and others responded to the call and started a systematic search for the body.

The searchers fastened a large seine about 200 yards below the bridge and started another seine upstream from the fast net. Others went for two or three miles downstream searching the banks and snags where the body could have lodged.

The still dangerous water under the bridge prevented anyone from swimming under to see if the body was lodged under it. However, firemen and others probed under and around the bridge with grappling poles.

The body was found on the bottom in about five foot water by Robert Stewart who was working on the large seine. It had been in the water approximately two hours.

Dr. Joe Alexander, Billy Ray Barrett, Norton Barrett, Joe Bell and others of the fire department worked over an hour with the department's resuscitator trying vainly to revive the child.

The child was born August 6, 1950 in Spur.

She is survived by her parents, two sisters, Betty Lee, 5, and Myrtle Laverne, 3; grandparents, Mr. and Mrs. Milo Thompson of Spur, Mrs. Frank Dobson of Hereford, and F. B. Stewart of Crosbyton; and great grandparents, Mr. and Mrs. Henry Warren of Crosbyton.

Palbearers were Jack Tarver, Albert Spraberry, Eldon Reynolds and P. R. Davis. Interment was in Spur cemetery with Chandler Funeral Home in charge.

NEW ROTARY DIRECTORS, OFFICERS

Pictured above are the new officers and directors of the Spur Rotary Club. They are, left to right, top row, Paul Marion, president; Buck Denton, director; Bill Gregory, director; bottom row, Paul Sweat, director; Grady Elder, secretary; Lloyd Hindman, director; and Bob Weaver, treasurer. Not included in the picture are R. A. Conner, vice-president; and Weldon Skinner, director.

Below are President Marion and Rotary Sweetheart, Miss Carolyn Kelley.

Dewey Lee Watson Arrives In San Diego

Dewey Lee Watson, machinist's mate third class, USN, arrived in San Diego, Calif. July 1, aboard the Pacific Fleet Amphibious Force attack cargo ship, the USS Union, which has just completed an eight month tour of duty in the Far East.

The USS Union left the United States in September 1951 enroute to the Orient to begin her second tour. When hostilities broke out in Korea the Union was in Far Eastern waters participating in amphibious training exercises and was immediately pressed into service by the United Nations. She returned from her first tour in November 1950.

Upon arrival the officers and men of the Union donated a check to Marcia Owens, 7-year-old polo victim for the Shriners Crippled Children's Hospital. The Shrine Patrol and clowns of the AL Bahr Temple, San Diego, families and friends were on the dock to welcome the ship as she tied up.

Funeral services were held at the Bethel Baptist Church here at 4 p. m. Wednesday, July 9, with Rev. R. D. Hill officiating. The two-year-old tot, with her parents and two sisters were standing on the Blair crossing bridge around 6:30 p. m. watching the swollen creek rush under the bridge. She slipped from the grasp of her father and into the water on the up-stream side. Her father jumped in after her but was sucked under the bridge by the strong current. He narrowly escaped death himself as the violent water carried him through the three-foot tile culvert.

After being sucked under the first time, the body of the child was not seen again until approximately two hours later when one of the some 50 searchers found her on the bottom about ten feet from the bridge.

After failing to find his daughter, Thompson rushed to the highway about a half mile away and sent word to town. In very little time the Spur Volunteer Fire department and others responded to the call and started a systematic search for the body.

Dial Exchange Plan Told To Rotarians At Thurs. Meeting

Spencer Campbell served as chairman of the day at the regular noon meeting of the Spur Rotary Club Thursday, July 3.

Preceding the noon meal, "America" was sung by the group, and the invocation was given by Martin Pope.

The program of the day was presented by the Caprock Rural Telephone Co-op., directed by James Wright who presented three telephone engineers. They were Gene Ichisky and Carl Doggett, both of Washington, D. C., and John R. Ragland of Lubbock, who are in Spur at present to advise concerning the new telephone dial exchanges.

A question and answer forum was directed by Ichisky and Wright. The policy of the engineering division was stated by Ichisky before the forum.

Other visitors at the meeting included Alton Chapman and his son, Brooks, and Miss Gennyce Taylor of Dickens who is serving as assistant Rotary Sweetheart for the month of July.

The meeting was adjourned by the new club president, Paul Marion.

If you want bigger payloads, you want a Dodge

- ▶ For bigger payloads, choose a Dodge "Job-Rated" truck—1/2- through 4-ton.
- ▶ "Job-Rated" engineering makes it possible for you to haul more with the right Dodge truck for your needs.
- ▶ You haul more economically, too, because of such Dodge advantages as lightweight aluminum-alloy pistons and others.
- ▶ For smoother power, extra load protection, gyro Fluid Drive is available on 1/2-, 3/4-, 1-ton and Route-Van models.
- ▶ Come in for a demonstration—and an extra good deal!

Better weight distribution. Dodge short wheelbase allows more weight to be carried on the front axle. Because the engine is located farther forward and front axle is moved back, you can haul bigger loads without overloading.

The right load-carrying units. Frame, axles, and other units that carry the load are "Job-Rated" on Dodge. Each is engineered to provide strength and capacity needed to support your load. All are "Job-Rated" to work together!

The right load-moving units. You get an engine that's "Job-Rated" with plenty of power to pull bigger loads at low cost. In fact, all load-moving units—such as clutch, transmission, rear axle—are engineered to move bigger loads.

... says **BERNARD J. CARNEY**, Manager Weyerhaeuser & Donkerson Lumber Yard, Rock Island Lumber Co., Rock Island, Ill.

"We solved our hauling problems with Dodge 'Job-Rated' trucks"

"Our business calls for trucks that can haul big loads day in and day out—and we like our trucks to last, too! That's why we prefer Dodge trucks that are 'Job-Rated' to fit our particular hauling job.

"We recently put in service two Dodge 'Job-Rated' 1 1/2-ton models . . . and they sure haul big loads the way we want them to! For instance, the 170-inch wheelbase models allow for a 14-foot body, which is ideal for our business. And Dodge easy-handling advantages enable us to maneuver these trucks in the same space as some other trucks with 12-foot bodies."

A four-footed friend in a foreign land lends aid to the U. S. Marines

This is a picture which could have been taken almost anywhere and almost any time in the past ten years . . . there may very well be others like it taken in the next ten years . . . or more.

For in a time of unrest such as this, our country must be alert on many fronts—to keep the restless peace. This takes strength. Strength in manpower, strength in our national economy, represented by YOU!

For you are an important part of our country's economy. When you have a sturdy backlog of savings you are secure—and so is your country. And one of the best ways for you to build up and keep such security is by buying United States Defense Bonds—regularly. Your bonds and other forms of saving make you a solid, dependable citizen of an economically strong nation. And *peace is only for the strong!*

Buy Defense Bonds today . . . and buy them regularly through the Payroll Savings Plan where you work. Strengthen your own future and that of your country by saving your money through bonds.

HERE'S HOW E BONDS NOW EARN MORE MONEY FOR YOU!

Now safe, sure Series E Bonds pay an even better return than ever before . . . thanks to 3 brand-new money-earning features just announced by the U. S. Treasury.

1. Now every United States Series E Bond you buy begins earning interest after only 6 months. It earns 3%, compounded semiannually, when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start!
2. Every Series E Bond you own can now go on earning interest for 13 more years after it reaches the original maturity date—without your lifting a finger!
3. During the 10-year extension period, every unmaturing bond earns at the new, higher interest (average 3% compounded semiannually). Your original \$18.75 can now repay you \$33.67. \$33.50 pays back \$67.34. And so on.

Start now! Invest more savings in better-paying Series E Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

Peace is for the strong . . . for peace and prosperity save with U. S. Defense Bonds!

"Bend of the River" With James Stewart Coming To Palace

A powerful action story backgrounded against some of the most spectacular scenery ever captured in Technicolor and backed by one of the most capable casts ever assembled stamps Universal-International's super-production, "Bend of the River", opening Sunday at the Palace Theatre, as one of the most exciting adventure dramas to ever roar out of filmdom.

First of all, "Bend of the River" is a personal triumph for both of its male stars, James Stewart and Arthur Kennedy, each scoring time and again with their portrayals in the rugged action plot.

Stewart, as a wagon train guide in 1847 Oregon, adds even greater power to a role that fairly bristles with manliness. Kennedy, seen as a villain who becomes a pal of Stewart's, then turns on him viciously, once again proves why Hollywood and moviegoers consider him the screen's most accomplished dramatic discovery.

Matching these superior performances with outstanding work, too, are Julia Adams, who carries the feminine lead; and Rock Hudson, the handsome young actor who booms to greater prominence with each succeeding film assignment.

"Bend of the River", telling the

THE AMERICAN WAY

But What About The Second Bill?

dramatic tales of the fortunes and misfortunes of a pioneer trek into Oregon at the time of the gold rush, benefits gloriously from its actual backgrounds in Oregon, where filming was centered against the dramatic backdrops of Mt. Hood, the Columbia River and other spectacular Oregon skylines.

ARMY'S NEWEST TANKS BEGIN TO ROLL

For the first time, the Army has permitted photographs of its new Patton 48 medium tanks rolling from the Chrysler Delaware Tank Plant assembly line. Military experts say this new spectacular tank will whip any other tank in the world. This million square foot tank plant produced and delivered its first Patton 48 to Army Ordnance on April 11, 1952, less than a year from the date the first steel was raised.

U.N. Tests Millions of Children for TB

This boy from Lucknow, India, is the seven millionth child to be tested for tuberculosis in the BCG campaign which the United Nations International Children's Emergency Fund (UNICEF) and the World Health Organization (WHO), are assisting in India. Thus far nearly 2,500,000 children have been vaccinated. By the end of 1953 it is hoped that there will be 100 teams working in all of India's 29 states. Pulmonary TB is one of India's worst health problems.

Chamber of Commerce Does . . . LARGE CROWD SEES PERFORMANCE AT COMMUNITY DAY SATURDAY

The Community Day program last Saturday in Spur was enjoyed by an even larger crowd than the estimated 1000 people who witnessed the initial show last month.

Mr. and Mrs. Barney Watts and Jearl Watts started the program with western music. Mrs. Watts presented her trick violin act by playing the violin in several positions.

The Double Mountain boys band played western music at the conclusion of the program. Hue Duncan and Weldon Myrick of Jayton and Harold Parker and Henry Diggs of Peacock were the players on the Community Day program. Swanna Gray and Wanda Rush sang for the band.

Mrs. Biddy Hicks of Patton Springs and her two daughters, Coralyne, 10, and Rose Mary, 11, were impressive to the crowd with their musical selections. Mrs. Hicks played the piano and her daughters sang.

Patricia Fowler and Pat Kelley of Jayton were outstanding on the program with their performance as two inebrated individuals (drunk). A record player was used for the sound effects.

The Maurice Goodwin family from Afton set the afternoon off with their excellent performance and songs. Jane Ann, 9, Martha Sue, 6, and Billy, 11, were outstanding with their popular and religious songs. Mrs. Goodwin plays the piano and accordion for the youngsters.

No better performance could be had, and a sincere appreciation goes out to those who participated.

Bill Chandler, Dillard Williams, Carl Proctor, Grady Lackey, Clarence Alexander, Jimmy Jones, Max Eckels, Billy Bigham, Mrs. Nona Starcher, and Pete Kizer made the arrangements for the

Harry E. Johnson New Spur Minister

The elders of the Spur Church of Christ are happy to announce that Brother Harry E. Johnson will serve as minister of the local congregation beginning July 1, 1962.

Harry E. Johnson

Prior to his coming to Spur, Bro. Johnson served the Church of Christ in Hamilton, Texas, for over three years, leaving behind him splendid accomplishments. He is a sound gospel preacher, a diligent worker and is well known in the churches of Christ as a leader of men.

Recently his wife underwent major surgery in Temple. As soon as her condition improves, the family will join him in Spur. The family will be at home at 424 W. Second Street.

J. R. Whitmire Is Guest Speaker For Rotarians Thursday

J. R. Whitmire, motor vehicle inspector, was guest speaker for the regular noon meeting of the Spur Rotary Club, Thursday, June 28.

The meeting was opened with the group singing "America", and the invocation by W. F. Godfrey. The accomplishments of the past year were summarized by the outgoing president, Walter Gruben. Recognition was made of club members with perfect year attendance. The past president's pin was presented to Gruben, and the new president's pin to Paul Marion.

In the absence of his daughter, O. L. Kelley received a gift for her from the club. Miss Carolyn Kelley will again be Sweetheart of the club.

Whitmire, during his talk, stressed the purpose of motor vehicle inspection as a means of saving lives and stated that only one-fourth of the motor vehicles in Dickens county have been inspected thus far.

Rotarian visitors were introduced and the meeting was adjourned by Marion.

BLAIR FAMILY FUND

As this is written, Floyd R. (Speck) Blair is fighting for his life in a Lubbock hospital as a result of the severe burns he received Monday in the airport fire. The blaze burned up his home and furniture and the airplane with which he made a crop-spray pilot.

In addition, one of his children is suffering from severe burns. His courageous wife, Joyce, is credited with saving Speck and the child from certain death by her cool quick thinking in an emergency.

To further add to the financial and other troubles of this local family, Joyce is expecting an addition to the family in the future. Speck faces a long fight to get back his physical health so as to make a living for his family. This paper does not often sponsor money raising campaigns to help deserving families, but it seems to us that here is a case where the people of Dickens and Kent counties, of the great Spur trade area, can show themselves to be real friends and neighbors to this unfortunate family. We cannot alleviate their physical suffering, but we can help them financially and show them that we care for them.

Clip the coupon just below this item and send it along with your contribution; we will publish your name and the amount of your contribution unless you ask us not to do so.

Rich folks, how about some of that folding money; poor folks, how about some small change; boys and girls, how about a few pennies; they will all add up to help these good folks, our neighbors, get started again.

Many thanks,
The Editor

Arrangements For Soloday Funeral Are Completed

Funeral arrangements have been completed for Marine Capt. Harry S. Soloday, whose body will arrive in Carlsbad, N. Mex. Friday, July 4.

Military funeral services will be held Monday, July 7 at 4 p. m. in the First Methodist Church of Carlsbad.

Capt. Soloday was killed May 1 while leading a flight of Corsairs on a regular bombing mission over Kumsong.

The captain's widow and children, Charles, 5, and Sharon, 3, live in Spur at the home of Mr. and Mrs. C. H. McCully who will accompany them to Carlsbad Thursday to meet the body.

Other survivors include his parents, Mr. and Mrs. Roy Soloday of Carlsbad; a brother, Arthur of Carlsbad; and three sisters.

The West Funeral Home of Carlsbad will be in charge of arrangements.

Wade, Bass Will Represent Spur FFA Chapter In Dallas

Two boys, representing the Spur Future Farmers chapter, will go to Dallas July 16-18 to attend the 24th Annual Convention of the Texas Association of Future Farmers of America.

Hernesh Wade, area reporter from Spur, will be accompanied by Paul Sweatt, local Vocational Agriculture teacher and Future Farmers advisor.

Tommy Bass, vice-president of the local chapter, will also make the trip.

They will be among some 7500 other Future Farmers from all over the State of Texas who are expected to attend the convention. The scene of all the meetings during the convention will be the Baker and Adolphus hotels.

Some of the activities planned for the Future Farmers include a gigantic parade up Elm Street and a Golden Key banquet Thursday evening, where over 600 Future Farmers will receive Lone Star Farmers Keys for rendering outstanding service in the Association.

More than \$2,000.00 in awards will be presented to the outstanding Future Farmers during the three-day meeting.

Local arrangements for the convention are being made by a committee of Dallas and Fort Worth businessmen headed by Cal T. Johnson, Southwestern public relations director for Sears Roebuck and company; C. G. Scruggs, associate editor of the Progressive Farmer; and Murray Cox, farm director for radio station WFAA.

Baptist Men To Hear Bob Lewis Tuesday

Bob Lewis, director of music and education at the First Baptist Church of Spur, will be the principal speaker when the men of the Brotherhood meet for their regular meeting Tuesday morning, July 3, at 7:00 a. m.

Lewis assumed his duties at the local church last Sunday.

J. R. Whitmire, program chairman of the organization, states that Lewis will also be in charge of the music for the group, with Rev. Billie Smith at the piano.

Local MYF Members Attend Sub-District Meeting Wednesday

Many members of the Spur Methodist Youth Fellowship attended the organization of the new sub-district for MYF work in Crosbyton Wednesday.

Attending the meeting as candidates for office were Lawrence Cook and Billie Sue Gregory. Lawrence was nominated for the office of president and Billie Sue for recreation commissioner at the MYF meeting Sunday night.

Gennyce Taylor of Dickens attended the meeting with the Spur representatives.

Also at the Sunday night meeting Cell Groups were organized. The MYF is divided into two cell groups to be named at their next meeting. In each group, leaders, secretaries, and program chairmen were appointed. These cells will compete for points and new members.

The MYF is happy to announce the first issue of their newspaper, The Paper, which is being named in a contest, is published every Thursday and mailed to the MYF members. Billie Sue Gregory is the editor and Beverly Wood is the typist. Any member of the MYF may help with the publishing of this newspaper by contacting the editor.

G. E. HARDWICK BURIED IN AMARILLO WEDNESDAY

Funeral services were held in Clevis and interment in Amarillo yesterday, July 2, for E. F. Hardwick, 82.

Hardwick died Sunday night, June 28, in an Amarillo hospital. He is the former owner of the Palace and Spur theatres here, and the father-in-law of the present owner, G. R. Lunsford.

He is also the father of Charles H. Hardwick, former manager of the Palace theatre.

Blair, Daughter Seriously Burned; Wife Is Heroine

Hotrods, Jayton Both Beat Proctor's

By Billy Bigham

In spite of two defeats in their last two games, Proctor's remains at the top of the Spur Softball league standings with the Hoover-McAtee boys just a half game behind them.

The Hotrods dealt Proctor's their first defeat of the season last Thursday night with an impressive 6-1 score. In the night cap Thursday, City Drug won a slugging contest from Jayton by 13-11.

Friday night found the Rhodes Bros. back in town whipping the All Stars 8-3. For the time being, All Star games will not be scheduled due to what seems to be a lack of interest in the team by the players.

Monday night the girls team from Crosbyton came down to take a 34-10 shelling from the Spurettes. The Spur girls' team is undefeated this year.

Back to league play Tuesday

night the dope bucket was upset in both games. The young ambitious Lions team gave the VFW boys a going over in five innings 19-4. The Veterans took a three run lead in the first inning but the Lions came roaring back to tie up and go ahead one run in their half of the inning.

After the first, the Lions went on a hitting spree and couldn't be stopped. Curtis Blair hit two home runs for the winners, getting a steak dinner from the Little Diner for the first and another from Williams Market for the second.

In the second game of the night Proctor's again went down before the hard hitting and determined defensive play of the boys from Jayton. The score on this one was 17-10. John Cave won his second steak dinner of the year with a home run in the fifth inning.

Tonight the Lions play City Drug for undisputed third place in league standings, while Hoover-McAtee will be after that half-game lead in their tilt with the VFW. These two games will end the second round of play.

Cub-Dad Camp Out Held At Camp Post

A group of Cub Scouts from Pack 37 and their dads attended the final Cub-Dad Camp-out at the Boy Scout Camp near Post.

This was the fifth week end which was set aside for Cubs and their dads to camp over night at Camp Post.

The Cubs from Spur included Driver Francis, Tommy Stephenson, Jett Conner, Billie Gordon, Buddy Beadle, Tim Hurst, David Marlon, Bobby Williams, Alva and Royce Smith.

The dads who accompanied the Cubs were Ernest Dunaway, A. E. Smith, Raymond Beadle, Bob Conner, Gordon and Paul Marlon.

Coy McMahon and William Coy came from Levelland and camped with Pack 37. Steve Portman, Jett Conner's cousin, who is a Cub Scout in Pack 4 of Dallas, went with the group.

On June 14, Woody Woodward, Buzzie Jones, Dickie Sullivan, Jim Gabriel, Alan Ray and Wayne Ensey attended the 3rd Cub-Dad Encampment.

They were accompanied by Durwood Woodward, Jimmy Jones, George Gabriel, and Richard Ensey.

Legion Auxiliary To Elect Officers Mon.

The American Legion Auxiliary of Spur will elect officers for the new organizational year at the meeting of the group Monday night, announces Mrs. Joe Jeffers.

The officers elected Monday will be installed in a joint installation ceremony with the Legion at the Legion Hut on Thursday night, July 10.

Misses Betty Arnold and Peggy Reid, who were recently sent to Girls' State in Austin by the auxiliary, will bring their report on the Austin meeting on the night of the installation.

\$25,000.00 BLAZE DESTROYS HOME, HANGER AT AIR PORT MONDAY

"Speck's condition is much more assuring now than the doctors previously expected," are the words of Joyce Blair late Wednesday afternoon.

According to a telephone conversation with Mrs. Blair, Speck is doing remarkably well considering his condition.

Floyd R. Blair, manager of the local air port and a crop-spray pilot, is still in a critical condition in a Lubbock hospital suffering from burns received in a \$25,000.00 gasoline-ignited fire which completely burned the Blair home, three airplanes and a hanger at the Spur airport.

The fire started about 7:30 p. m. Monday, June 30.

Mrs. Blair was inside the house adjoining the hanger when an explosion set off the blaze. She was slightly burned on the leg and chin.

The 4-year-old daughter of the Blairs was in the hanger with her father and is in serious, but not critical condition in the hospital with leg and arm burns.

Mrs. Blair stated that her husband had just landed his crop-spray plane and was pumping gasoline into a dump pit when the explosion occurred.

She had stepped to the door adjoining the hanger to call the girl and her father to supper.

Mrs. Blair ran to the side door just in time to see Speck run from the hanger his clothes ablaze, onto some gravel where he fell and rolled to extinguish the flames. The little girl ran out the door behind her father, shuttled further explosions and her personal safety. Mrs. Blair got in the car parked very near the burning buildings and picked up her family to take them to the hospital here in Spur.

She offered the two victims immediate first aid and continued to practice her registered nurse ability after reaching the hospital.

The presence of mind and cool thinking of Mrs. Blair has been accredited as saving the lives of the two. Since the removal of Speck and his daughter to Lubbock, Joyce has maintained a constant vigil at the bed sides of her loved ones.

In the telephone conversation with Mrs. Blair late yesterday afternoon, she expressed, between audible sobs, her thanks and appreciation for the many kind deeds of the people of Spur.

She seemed almost elated over Speck's obvious improvement, but stated that he will remain on the critical list for some time.

She reports that he is conscious and is able to talk to her. He is being fed liquids orally.

Margaret is responding to treatment for her burns, but will remain in the hospital for a good while.

A group of local men have started a Blair Family Fund to help lighten the financial burden that this catastrophe will undoubtedly place on the Blair family. A coupon appears in the lower left hand corner of this page for the convenience of those who wish to donate to the fund.

The Spur Volunteer Fire Department was virtually helpless against the flames due to the lack of a water supply at the air port. The two fire trucks shuttled water from town in a quantity sufficient to prevent a near-by hanger from being ignited.

Most Firms To Close Tomorrow For July 4

The entire city of Spur, with very few scattered exceptions, will close all day tomorrow, July 4, in observance of Independence Day.

The town's Dollar Days merchants, along with local grocery stores, have started their weekend specials a day early to give shoppers a pre-holiday opportunity to buy merchandise at savings.

Merchants participating in Dollar Days specials this week, Thursday, Saturday and Monday, are Proctor's, Gabriel's and Dunlap's.

Mac's Food Market and Safeway are making their week-end specials effective today and Saturday.

Edwards-Kelley Implement Co. and the Texas Spur have both announced that they will be closed both Friday and Saturday to give their employees a long week end for the holiday.

Betty Arnold; Peggy Reid Visit Lions Tue.

Misses Betty Arnold and Peggy Reid brought reports from the Girls' State program in Austin to the Spur Lions Club at their regular meeting Tuesday noon.

Betty Arnold, Peggy Reid

The two high school students attended Girls' State under the sponsorship of the Spur American Legion Auxiliary, and were introduced to the Lions by Mrs. Joe Jeffers, president of the auxiliary.

The girls told about their experiences in "running" the state for the week of June 16-22. They told of city, county and state government studies and recommended that more organizations send youths to the state capital for the program next year.

The club program marked the initial meeting for the new Lion Boss, Guy Karr. C. B. Chandler was in charge of the program for the day.

Spur Rotary Club Elects New Officers

Officers have been elected for the new club year of the Spur Rotary Club, and were recognized at the Thursday noon meeting, June 26.

They are as follows: Paul Marion, president; Bob Conner, secretary; Grady Elder, secretary; and Bob Weaver, treasurer.

Serving on the board of directors will be Weldon Skinner, director in charge of club service; Bill Gregory, director in charge of vocational service; Lloyd Hindman, director in charge of community service; Buck Denton, director in charge of international service; and Paul Sweatt, to assist in club service.

Miss Carolyn Kelley has again been elected Sweetheart for the new club year, with Miss Gennyce Taylor of Dickens to serve as guest Sweetheart for July.

George Link, Jr. will serve as program chairman for the first six months, with Dr. W. F. Patrick serving as chairman the remaining six months.

PATSY RICH WEDS WESTAL FUCHS IN DOUBLE RING CEREMONY SUNDAY

In a double ring ceremony read Sunday morning at 9 a. m., June 28, in the home of the bride's sister, Miss Patsy Rich became the bride of Westal Fuchs. The Rev. T. B. Allen officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. A. E. Rich of Patton Springs, Mr. and Mrs. Evan Fuchs of Mayfield, Okla., are the parents of the bridegroom.

Vows were repeated in the Floyd Ball home before an archway with baskets of yellow gladioli and maroon daisies tied with yellow satin streamers and tropical greenery in the background. The bride wore a ballarina

length nylon net dress over white taffeta designed with an off-the-shoulder neckline. It was fashioned with a full skirt and tiny buttons fastening the long fitted waist.

Her fingertip veil of illusion fell from a headpiece of pearlized orange blossoms. She carried a bouquet of white carnations centered with an orchid.

Miss Ella Earl Hyatt of Dickens served as maid of honor. She wore a ballarina length dress of yellow organza over yellow taffeta fashioned after the bride's. Her bouquet was of yellow peruvian lilies.

Coleman Ward of Vernon ser-

ved as best man.

A reception immediately followed the ceremony.

The refreshment table was laid with a brown linen cloth centered with white maroon daisies, and a two-tiered wedding cake topped with a miniature bride and groom.

Guests were served cake and coffee by the bride's sisters, Mrs. Don Houston and Mrs. Lester Mayfield, both of Carlsbad, N. Mex.

For a wedding trip to Las Vegas, N. Mex., the bride wore a white sharkskin suit with white and brown accessories and an orchid corsage.

Out-of-town guests included Mr. and Mrs. Don Houston and Richard, Mr. and Mrs. Lester Mayfield and sons, all of Carlsbad; Chae Ellen Fuchs of Mayfield, Okla.; Don Gordon of Mayfield, Okla.; and Mr. and Mrs. Darwin Callihan of Midland.

The bride is a 1951 graduate of Patton Springs High School where she served as class officer all four years. Her freshman

year she was elected FFA Sweetheart; her sophomore year, class favorite and football queen. Dur-

her junior year she served as cheer leader and was again elected football queen. For two years she was a member of the FHA club and was elected "outstanding student" her senior year. For the past year she has been employed with the Spur Security Bank.

The bridegroom is a graduate of the Sayre, Okla. High School and Texas Tech. He received his BS degree with a major in agriculture with the class of 1950. He served with the United States Navy for two years during which time he saw action in the China theatre.

The couple will make their home in Spur where he is employed with the Duck Creek Soil Conservation Service.

Mr. and Mrs. Gordon Treadaway and children, Frank and Cissy, were Sunday guests in the George Gabriel home.

Mmes. Engleman, Walker Entertain

Mrs. E. D. Engleman was hostess to a breakfast at her home Thursday morning, June 26. Mrs. Alfred Walker served as co-hostess.

The tables were laid with white cloths and centered with bouquets of pink carnations. White placecards with miniature pink carnations on each side were used.

The breakfast menu included canteloupe rings filled with fruit, pink sausage, eggs, biscuits, cinnamon rolls and coffee.

Games of bridge and canasta were played during the morning.

Attending the breakfast were Mmes. L. D. Ratliff, Elynum Britton, Neal Chastain, Adrian Rieckel, Bob Blackshear, Buck Denton, M. H. Brannen, Bob Decker, Jesse Morrison, Fred Bennett, Earl Burnett, Jim Humphries, Don Henley, Billy Hilley, and the hostesses, Mmes. Engleman and Walker.

Girl Scouts

TROOP III

The Scouts of Troop III met on Friday, June 27, at the Little House.

A number of the girls finished the project with coconut and made more plans for summer meetings.

Miss Virginia Ruth Shugart assisted Miss Doris Gibson as leader.

The next meeting will be Friday, July 4.

TROOP IV

The girls of Troop IV met for individual checking for new badges. Some of the girls discov-

ered a number of badges almost completed.

TROOP IX

The Brownies of Troop IX met Monday, June 30, in the Round-up building.

The time was spent in playing games and other recreational activities.

Mary Esther Garner of Houston was a visitor in the troop.

W. G. JOHNSON FAMILY HAS REUNION PARTY

Week end visitors in Spur were Mr. and Mrs. Hershell Miller and daughters, Sandra and Sheila, of Mineola. They visited in the home of Mrs. Miller's parents,

Mr. and Mrs. W. G. Johnson. Saturday night a party and reunion of the family was given at the home of Mrs. Miller's sister, Mrs. L. M. McCarty.

Refreshments were served to Mr. and Mrs. W. G. Johnson, Sr., Mr. and Mrs. B. J. Whitener, Mr. and Mrs. J. P. Withers, Paula and Mike, Mr. and Mrs. Edward Johnson, Eddie and Patricia Ann, Mr. and Mrs. Walter G. Johnson, Jr., Mr. and Mrs. L. D. Johnson, of Girard, Mr. and Mrs. Charlie Ray Ogle of Crosbyton, Mr. and Mrs. Miller and daughters, and Mrs. hosts, Mr. and Mrs. McCarty.

Mrs. A. F. Green is visiting her sister of Gustine, who has just returned from the hospital.

"Governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute a new Government..." (From the Declaration of Independence now 176 years true)

... and the fight for Freedom must never cease!

Abolitionism Government is no respecter of person or place. It can and does raise its ugly, ungodly standard over traditionally free soils as it does over England and the land of the Czars. None of the real, pretended, or promised benefits of Abolitionism Government can in the end justify its existence.

The freedoms for which generations of Americans have fought and died are slipping away from us... centralized government and bureaucratic directives are nibbling away at our American heritage.

Freedom is not free—it had to be fought for, and you will have to fight to maintain it. Now is the time for everyone to come out, stand up, be counted, and vote the way he desires to vote, regardless of those who would perpetuate power politics.

ARMY'S NEWEST TANKS BEGIN TO ROLL

For the first time, the Army has permitted photographs of its new Patton 48 medium tanks rolling from the Chrysler Delaware Tank Plant assembly line. Military experts say this new spectacular tank will whip any other tank in the world. This million square foot tank plant produced and delivered its first Patton 48 to Army Ordnance on April 11, 1952, less than a year from the date the first steel was raised.

WAS \$6.25
NOW \$1.37
It's getting to be a rare day when you see a real, genuine bargain advertised. In these days of planned economy everything seems to be included in the plans except economy.
But we have here an honest-to-Pete bargain to tell you about. It's a bargain because it's much more useful than it once was, and costs much less than it used to.
It's the television set.
In 1948 our 10-inch screen set cost \$6.25 per square inch of picture. Today, our 20-inch set costs only about \$1.37 per square inch, and gives you a much finer picture almost four times the size.
So, you see, with all the fuss of inflation, a counterforce has been quietly at work. Research and engineering are steadily plugging along—improving products—making them do more, cost less, and last longer.
At least, that's the way it is at General Electric.
Sure, it's smart to look at the price tag. But it's also smart to look beyond... to the performance of the product and the name of the maker. The best possible products at the lowest possible prices—that's G.E.'s idea of good business.
You can put your confidence in...

CONVENTION NOTES

The 1932 political conventions are the first in history to be air conditioned. While delegates may still get "hot under the collar," they can't blame the heat or the humidity. Here are facts compiled by engineers of Carrier Corporation, which manufactured the air conditioning equipment for the International Amphitheatre in Chicago.

COMFORT WILL BE THE KEY NOTE OF THE 1932 CONVENTIONS. AN ACRE OF COOLING COOLS WILL REMOVE EXCESS HEAT OF MOISTURE FROM INSIDE THE CONVENTION MALL.

WALKER, Jackie Williams, Sue King, Chester Lindsey, Jane Anne Albin, Jackson East, Billie Sue Gregory, Jackie Claude, Beverly Wood, Lyndal Bingham, Betty Sue Dyess, Wanda Cunningham, Lois Dunwoody, Jack Condon, Don Hindman, Mr. and Mrs. C. O. Fox, Nelson, and Weldon Ray.

Miss Zella Watson Engagement Told

Mr. and Mrs. Floy Watson wish to announce the engagement and approaching marriage of their daughter, Zella, to G. C. (Mac) McKinney, son of Mr. and Mrs. L. R. McKinney of De Queen, Ark.

The nuptial event will take place in the home of Mrs. Quida Watson, mother of the bride-to-be, on July 26.

Miss Watson is a 1949 graduate of Spur High School and attended Draughton's Business College of Lubbock. For the past year and a half she has been employed with the Spur Security Bank.

The prospective bridegroom is a graduate of the De Queen High School and served with the US Navy during World War II.

Several Teachers Leave Spur Schools

From the office of School Supt. C. F. Cook comes this report concerning the resignation of teachers in the Spur school system.

Those who are not resuming teaching duties in Spur are Mrs. M. H. Brannen, Mrs. Florence McNeill, Mrs. Joe Grimland who plans to join her husband in Waco, Miss Jo Ann Atkins who plans to teach in the Lubbock public school, Miss Lavenia Wilson who is working toward a master's degree at Texas Tech, and Miss Dorothy Taylor.

Others not returning include

Bruce Browning who is working toward a doctor's degree. Mrs. Bruce Browning who will teach in the Austin public school system, Mrs. Dean Duffie, Mrs. Willis Jernigan who has joined her husband in Commerce, and Melvin King.

CAED OF THANKS

We wish to acknowledge our sincere appreciation for the kindness, sympathy and the beautiful floral offerings, and the many endless deeds shown us by our friends and neighbors during the illness and death of our little boy, Ronnie.

Your friendship in our saddest hours has meant much to all of us. May God bestow His richest blessings upon all of you.

Mr. and Mrs. Pat Fletcher and Jackie.

J. P. Simmons returned Thursday night, June 18, from a visit with Woodrow Simmons and family of Salem, Oregon. He also visited Mrs. Nora Dunn, sister of Mrs. Simmons.

Mr. and Mrs. Lawis Lee have as their house guest this week their little grandson, Ricky Lee Hurst of Matador. Ricky's parents are on vacation.

Miss Ruth Young of Port Arthur is visiting her relatives, Mr. and Mrs. E. L. Caraway, Sr., Dr. and Mrs. M. H. Brannen, and Mr. and Mrs. Riley Wooten, all of Spur, this week.
