Do you believe in ^{Dollar} signs?

THERE are a lot of signs to guide you to the best buy in automobiles.

Popularity is a good sign. It means that a lot of people have tried a car and found it good. So it's important to know that Buick is today — and has been since 1938 — the most popular car outside the "low-priced three."

Room, comfort, power, ride are good signs. So it's important to know that you can pay hundreds of dollars more and not

beat the room and comfort you get in a Buick SPECIAL.

Nor, at the price, can you match its power. And only Buick gives you a real million dollar ride.

Doesn't all this give you a hint?

Doesn't it suggest that you ought to try out a Buick — sample its Fireball 8 Engine — find out how it takes you over the road — feel the sure control that is yours on curves — discover its "big car" room and smoothness?

Do that — and look at the dollars on the price tag — and we know what you'll find out:

If you can afford a new car, you can own a Buick — and boy, what fun that will be! Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

COTTON QUIZ

WHO IS KING COTTON'S FIRST LADY?

Drought . . . and the price of milk!

The milk producers of North Texas have asked processors for a price increase of 72c per hundredweight for Class 1 raw milk due to drought conditions and the resulting high prices paid for feed. Manager J. O. Woodman of the North Texas Producers Association advises that the price of No. 1 alfalfa hay has jumped from a range of \$23-25 a ton to \$50 a ton and that cottonseed meal has jumped from \$72.50 to \$100 a ton.

Without the requested voluntary 72c per hundredweight increase, Mr. Woodman fears that many dairy herd owners will have to sell their cows for slaughter.

We of Safeway Stores believe it is important to the economy and the health of this area that the dairy herds be kept intact; therefore, Safeways Lucerne Milk Company plant, in an effort to help the herd owners through a distress period caused by the drought, has agreed to pay the producers their requested 72c per hundredweight increase in price for Class 1 raw milk.

Effective Monday, August 25th, the price of Lucerne milk at Safeway stores was increased to . . .

Lucerne homogenized or pasturized . . . 25c qt.
Lucerne homogenized or pasturized . . . 49c 1/2-gal.

These prices are still 2c under the ceiling recently set by OPS in order to give the milk producers relief during this distress period.

"We ought to be proud,"

Dickens Co. Farm Bureau News Notes

By J. Walter Hammond, President, Texas Farm Bureau Federation

Through the efforts of farm organizations, members of Congress, employees of agricultural agencies, and many others interested in equal opportunity, which means a balanced economy, much progress has been made. The combination referred to welds a powerful influence in maintaining and perpetuating the American way, which includes the incentive system, with rewards in accordance with service rendered, a system which has proven to be the most productive plan ever in existence. As a result of the ingenuity and productive capacity of the country America enjoys a higher standard of living than any country on earth.

There are individuals and groups who desire to profit from the tools of agriculture and there are those who strive to replace our form of government with a socialistic regime to destroy the unity and effectiveness of these agricultural groups. Methods being used are an old stock-in-trade, divide and conquer.

These would-be obstructionists who pose as uplifters of agriculture are generous in spreading propaganda designed to create dissension between the different groups. Any individual or group of individuals who purposely and intentionally spread gossip designed to hamper, weaken or destroy a bonafide organization or agricultural agency whose function, purpose and intent is to safeguard the interest of the people who till the soil, is an enemy to agriculture and should be recognized as such. Of course, since nothing worldly ever reaches perfection, wholesome, honest, constructive criticism designed to improve the operation of an organization or agency is justified and

ALTHOUGH I've never had the pleasure of meeting you personally, in a way, I feel as though I already know you. For I've just heard about the wonderful way you're building for your future through U. S. Defense Bonds. It's something I'm sure you must be proud of. And you know, it makes me feel a little proud, too. For I'm a regular U. S. Defense Bond buyer myself.

When you stop to think about it, we're not only building for our own future—our own hopes and dreams—but for the peaceful future of our country. For you and I and millions of our friends and neighbors all over America now own more than 49 billion dollars worth of interest-earning U. S. Defense Bonds. The greatest success story of its kind the world has ever known!

Of course we know about all the security and peace of mind that Bonds can buy. But I think it's our job to tell other people, too, to help them get the benefits we're getting.

And here are just a few of the good things about U. S. Defense Bonds that I think we ought to tell them:

FIRST—Thanks to new Treasury regulations, every Series E Bond we buy begins earning interest after only 6 months. It earns 3% interest compounded semiannually when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start.

SECOND—Every Series E Bond we own can now go on earning interest for 10 more years after it reaches the original maturity date—without our lifting a finger!

THIRD—During the 10-year extension period, every unmaturing bond earns at the new, higher interest rate (average 3% compounded semiannually). Our original \$18.75 can now pay us back \$33.67. \$37.50 pays back \$67.34. And so on.

FOURTH—When we make ourselves and our families economically secure through buying bonds, we're helping to build the great economic strength that backs up our national defense. And this is the best security our money can buy. For after two world wars we have found that peace is for the strong!

U. S. Defense Bonds are one of the easiest, most convenient forms of saving ever invented. Start buying them today through the Payroll Savings Plan.

Peace is for the strong—For peace and prosperity, save with U.S. Defense Bonds

Fisherman's Luck

By P. F. Carspecken

The fisherman couldn't help noticing what a beautiful evening it was, for the road to the river led smack into the sunset. What kind of luck was lying in wait for him down there at his favorite spot by the big snag, he wondered, as he drove slowly along. His limit? Or maybe a prize catch? He always liked to tantalize himself with such questions as he bounced along the old river-road.

But it was a grim kind of luck that awaited him that evening—quite some distance from the river. An energizing line swung sharply down over the road, barely clearing it.

He ran into the wire before he even noticed it. He stepped from his car, completed the circuit to the ground and in the midst of a blinding flash he pitched forward, dead.

The next afternoon a neighbor, one of a volunteer party looking for the missing man, came down the same road. He stopped when he saw the other car and stepped out to investigate. Before he discovered his friend's body, he contacted the low-hanging wire and he, too, was killed.

Night had already fallen when two more men of the searching party drove uncertainly down the river road. They stopped by the two cars, got out and began to investigate by the feeble light of flashlights. The man in the lead stumbled over the death-dealing wire, and it claimed its third victim!

Three men — husbands and fathers, all needlessly killed! And why? Because a hunter wanted to shoot at something—anything. He singled out the high voltage insulators on a pole. He managed to nick all eight insulators on the double crossarm, and several were destroyed completely.

Result: one wire swung free of the pole, looping down over the road to within two or three feet of the ground.

And then the hunter had cleared out, leaving his death-trap and failing to report it. As far as results go, he might as well have lain in ambush and shot these three men through the heart!

It's high time for hunters to realize the terrible consequences that can result from shooting at insulators, high time for them to realize that it's vicious and damaging . . . and that it can be manslaughter. (From Rural Electrification Magazine.)

"Belles On Their Toes" To Open Sunday In Spur at Palace Theatre

The lovable Gilbreth family of "Cheaper By The Dozen" fame returns to the screen in "Belles On Their Toes," a comedy in color by Technicolor, which comes to the Palace Theatre on Sunday.

Jeanne Crain, Myrna Loy, Debra Paget, Jeffery Hunter and Edward Arnold have the stellar roles and the supporting cast is headed by Hoagy Carmichael, Barbara Bates, Robert Arthur and Verna Felton.

Unfortunately, there are some who thoughtlessly and without investigation, join forces with groups whose function is against his own interest. The interests of the farm and ranch can best be served with a closely knit organization, with a will to blend the ideas and opinions of actual farmers and ranchmen into a program geared to meet changing conditions. Beware of do-gooders who might have a selfish motive.

Little Johnnie asked his father for a dime to give to a poor, ragged old man. In complying, his father commented, "I am proud of you in this noble act," and asked, "what is the poor old man doing?" "He's selling ice cream," was Johnnie's reply.

There are a lot of 180 pound Johnnies loose in the world.

"Belles On Their Toes" is based on the novel by the same authors, Frank and Ernestine Gilbreth, of "Cheaper By The Dozen." The story reveals the further adventures of the uproarious clan and tells what happens when the Gilbreth boys get growing pains and the girls discover romance.

Producer Samuel G. Engel and Director Henry Levin used eight musical numbers, some new and some old, to heighten the human interest qualities of the story and to give the entire family a chance to show off vocally as well as sentimentally.

"Belles On Their Toes" captures the spirit of the flapper age with such dances as the "Shag," the 1923 vintage Pierce Arrow which the family used as a carry-all and the familiar racoon-coat-college boys. The hilarious comedy is highlighted by a silent reel sequence showing the meal-time efficiency of the Gilbreths, the atomic explosions of a batch of home-brew and a bathroom scene in which the Gilbreth boys give their sister's boy friend, Al, a very bad time.

In the romance department, Jeanne Crain, as Anne, the eldest daughter, falls in love with Jeffery Hunter, the young doctor, and Barbara Bates has an adolescent crush on Al, played by Martin

TROOP III
The Scouts of Troop III met at Miss Doris Gibson's home on August 22.

They made plans for a carving project. At the meeting on August 29, all girls will need to have knives for carving and be dressed to work out-of-doors.

Girl Scouts

The Dickens County Girl Scout Council regrets to announce the resignation of Mrs. Billie Bennett as leader of Troop IX. Mrs. Bennett is leaving Spur but her work with scouting has been appreciated by many people.

TROOP IX
The Brownies of Troop IX met at the regular time on August 24. Mrs. Bachman, as leader, discussed health and safety with the girls.

Bronell Allen was elected song leader. The troop sent Suann Shugart a get well card and each member of the troop wrote her a letter.

LARITA BAUM, FORREST KEITH REPEAT WEDDING VOWS AT McADOO

Miss Larita Baum, daughter of Mr. and Mrs. M. C. Baum of McAdoo, and Forrest D. Keith, son of Mr. and Mrs. W. L. Keith of Eastland, Texas were united in marriage at the home of the bride's parents at 7 p. m., August 21.

The bride and groom exchanged vows before an improvised altar, beautifully decorated with pink gladioli and greenery. Minister Paul Rogers, of the Church of Christ, performed the single ring ceremony.

The bride, wearing the traditional "something old, something new, something borrowed, something blue", wore a street length dress of pale blue eyelet embroidered pique, styled with a full skirt and pointed neckline. Her accessories were blue and white, with a shoulder corsage of pink carnations.

She wore a gold necklace set with blue stones, a gift of the groom. For something old, she pinned her corsage with an antique pearl pin of her mother's, and carried a white handkerchief which her mother carried at her wedding. For something borrowed, she wore rhinestone ear rings belonging to Mrs. Ben Eldredge.

The bride's mother, Mrs. Baum, wore a navy sheer dress with brown accessories. Her corsage was of miniature yellow daisies.

The sister of the groom, Mrs. Perry C. Vines of Lubbock wore

a dress of aqua nylon and white accessories.

The bride attended school at Cross Plains and McAdoo. She attended the University of Texas following her graduation from McAdoo High School.

The groom finished school at Carbon and attended Ranger Junior College at Ranger, Texas, and Texas Technological College at Lubbock. He served three years in the Naval Air Corps during World War II. With a major in agricultural education, he received his B. S. degree from Texas Tech in 1950, and has been instructor of Vocational Education in the McAdoo Public Schools for the past two years.

Following a brief wedding trip, the couple will be at home in McAdoo.

Immediately following the wedding ceremony, a reception was held in the bride's home.

The serving room was centered with bouquets of garden flowers. The bride's table was covered with a white linen cloth and appointed with crystal and silver. The four-tiered wedding cake topped with a miniature bride and groom, was decorated in the bride's chosen colors of pink and green. Lime punch and wedding cake were served by Mrs. Weldon McClure, cousin of the bride, and Mrs. Ben Eldredge, to the guests.

Guests included Mr. and Mrs. Alexander, Weldon Bailey, R. D. Bailey, George E. Erath, Cloy Marshall, G. B. Erath, Bill Dement, T. T. Pierce, Clyde Horn, Marion Jordan, J. D. Hopkins, Floy Watson, Willie Ball, Rube Waddell, Mary Grantham, Preston Boothe, D. B. Sparks, A. R. Pierce, Granny Newman, the honoree, Mrs. Kidd and the hostess, Mrs. Cross.

Baby Shower Honors Mrs. B. Kidd, Thurs.

Mrs. Elmer Cross was hostess to a pink and blue shower honoring Mrs. B. Kidd, Thursday afternoon, August 14.

Guests were registered in a baby shower book by Mrs. Raymond Bailey.

Bouquets of summer garden flowers were arranged about the entertaining room.

The refreshment table was laid with a white linen cloth and centered with a bouquet of summer garden flowers. Guests were served refreshments of punch and cookies by Mrs. John Dunaway.

Plate favors were miniature colored diapers fastened with small gold pins and filled with mints.

Those attending or sending gifts were Mes. J. D. Hopkins, Dunaway, Lester Watson, Leonard Grantham, Jr., Bailey, Norman Wilson, Louis Arnold, Pat Fletisher, A. M. Hoover, Travis Hoover, E. C. Clinckscale, Billy Bingham, R. A. Gilcrease, Floyd Green, L. H. McCormick, Morgan Randall, Thurman Hoover, Buddie Hoover, A. C. Vaughn, Garner Young, Floyd Faubus, Cleo Murray, R. L. Alexander, Weldon Bailey, R. D. Bailey, George E. Erath, Cloy Marshall, G. B. Erath, Bill Dement, T. T. Pierce, Clyde Horn, Marion Jordan, J. D. Hopkins, Floy Watson, Willie Ball, Rube Waddell, Mary Grantham, Preston Boothe, D. B. Sparks, A. R. Pierce, Granny Newman, the honoree, Mrs. Kidd and the hostess, Mrs. Cross.

Season Sandwiches With Dressing

Choosing seasoning for a sandwich is as important as choosing the filling itself. Salad dressing or mayonnaise does for a sandwich just what a fruit sauce does for a steamed pudding, or chocolate sauce does for ice cream—turns a "plain Jane" into a luscious creation. Give salad dressing an opportunity to glorify all of your favorite sandwiches. Swiss Decker Sandwiches, a meal-in-one-type, please with their spread of mayonnaise and filling of boiled or baked ham, coleslaw and mellow Swiss cheese.

Swiss Decker Sandwiches

12 slices toast
Mayonnaise
6 slices boiled ham
Swiss cheese
Spread the toast with mayonnaise. For each sandwich place a slice of ham on a slice of toast, cover it with coleslaw, a slice of cheese and another slice of toast.

Legg-Kirkland Vows Read In Lubbock

Of interest to Spurites is the recent marriage of Miss Vada Lucille Legg, formerly of Spur, and Allison Roger Kirkland of Reese Air Force Base in a double ring ceremony read Sunday, June 8, in Reese Air Force Base Chapel by Maj. Harold B. Howard, chaplain.

The service was read before an altar banked with baskets of gladioli and white daisies with a background of greenery and tapers in candelabra.

The bride is the daughter of Mr. and Mrs. J. P. Legg of 2401 2nd St. in Lubbock, and the bridegroom is the son of Mr. and Mrs. S. W. Jolly of Kansas City, Mo.

Preceding the ceremony Larry Tonroy accompanied Miss Vanda Lester as she sang "I Love You Truly" and "Because".

Given in marriage by her father, the bride wore a gown of white satin with nylon lace yoke and peplum. Tiny pearl buttons were at the back opening. Long sleeves edged in lace ended in points over her hands. Her fingertip veil of illusion was attached to a headress of rhinestones and seed pearls, and she carried a bouquet of white roses and stephanotis atop a white Bible.

Mrs. B. J. Gafford was her sis-

ter's matron of honor. Bridesmaid was Miss Jo Ann South, cousin of the bride. Attendants were identical dresses of yellow and pink satin and taffeta and carried Colonial bouquets of carnations matching their dresses.

Flower girl was Dana Sue Ross. She wore a dress of blue organdy. A/3C Donald L. Pilcher of Reese Air Force Base was best man. Ushers were A-3C Benney Barber and A/3C Peter Yuhas, both of RAFB. Dave Holt was ring bearer.

A reception followed the ceremony in the chapel annex. The couple was assisted in receiving by their parents. Miss Orwelle Lambert was at the register. The table was centered with a tiered wedding cake. Attendants' bouquets were used.

For a wedding trip the couple toured New Mexico, Arkansas, Missouri and Oklahoma. As going away attire the bride chose a powder blue shantung dress with white accessories.

The bride is a senior student at Lubbock High School. The bridegroom attended Westpost High School and was the former state representative of district 1 in Kansas City before enlisting in the Air Force.

Mr. and Mrs. Fordtran Johnston and daughter, Laverne of Junction spent last week end in the home of Mr. and Mrs. W. W. Gregory. Laverne will remain in the Gregory home for several more days.

Miss Karr Is Honoree At Bridal Shower Fri.

A miscellaneous bridal shower was given as a courtesy to Miss Jane Karr at the home of Mrs. D. J. Dyess on Friday evening, August 22. Miss Karr is the bride-elect of John L. Koonsman.

In the receiving line were Mrs. Dyess, the honoree, Mrs. Hubert Karr, mother of the honoree; and Mrs. Johnnie Koonsman, mother of the prospective groom.

Mrs. L. P. Hamilton registered guests as they arrived in a white bride's book which played "Here Comes the Bride" when opened. A white organdy cloth covered the register table and was edged with three miniature umbrellas of blue net, tied with bows of blue and white satin.

A musical background was furnished for the occasion by Misses Sue and Melva North, at the piano.

The serving table, laid with a white organdy cloth with lace insertion, was centered with a miniature bride gowned in white satin, and a miniature umbrella of white lace and blue net, edged with white carnations and tied with blue and white satin bows.

The crystal punch bowl was encircled with blue net and blue and white satin streamers. Other appointments were of silver.

Guests were served lime sherbet punch and cookies by Mrs. Pete Kizer.

Plate favors were also miniature umbrellas of blue net enclosing sprays of baby's breath and a white card inscribed with the name and wedding date of the honoree, tied with blue and white satin ribbon.

Gifts were shown to the guests by Mes. W. R. Weaver and Bryan Britton.

For the occasion the honoree chose a nie green organdy

dress with brown accessories. Her shoulder corsage was of bronze daisies tied with yellow and brown ribbon.

Approximately 200 persons called or sent gifts.

Mr. and Mrs. Sam J. Robles of Douglas, Wyoming are making their home there after his recent return from Alaska with the United Geographical Oil Company. Mrs. Robles was employed by the Palace Theatre of Spur until her husband returned to the states.

Horseback Wedding Set For Old Settlers Reunion Friday

Annual Reunion To Open With Parade: Two Days Of RODEO

A ROMANCE that began in the saddle will be climaxed in matrimony next week with the entire wedding group on horseback. G. B. (Slim) Durham, employee on the D. I. W. Birnie ranch and Miss Mary Norman, Texas Tech graduate, of Crowell will be married on horseback Friday night, August 29th, in the rodeo arena, during the Old Settlers 29th annual reunion at Pioneer park, Roaring Springs.

A cordial invitation is extended to the public to attend. Sheriff John Stotts will be best man, and Miss Dorothy Traweck will be maid of honor. Rev. Marvin Brotherton, pastor of the Matador Methodist church, will perform the ceremony. The father, H. C. Norman of Crowell, who will also be on horseback, will give the bride away.

Members of the "Matador Quadrille" square-dancers on horseback will be attendants. The bride will wear white riding trousers, western shirt, white hat, boots and tie. The groom will also be attired in riding costume.

Officials of the Old Settlers expect the largest crowd ever to attend a single performance of the organization, will be present for the unusual wedding ceremony.

Old Settlers two-day reunion will open with parade.

Mr. and Mrs. H. H. Covart, teachers in the Olton school, visited Sunday with the G. G. Allens.

Mr. and Mrs. E. W. Harris and Mike spent Tuesday and Wednesday with her parents, Rev. and Mrs. J. R. Baker of Quitaque.

will open next week with a parade Thursday morning at 10 a. m. through the streets of Roaring Springs. Curtis Graham, chairman of the parade arrangements said a large array of pioneer entries and horseback riders will be present. The parade will lead to Pioneer pavilion where memorial services for deceased early-day residents will be held at 11 o'clock. Rev. Lance Hurst, brother of Andy Hurst of Matador, will conduct the memorial services. Arrangements have been completed for an entertaining program each afternoon, which will also include free dancing for old settlers at the pavilion. Two dances will be held each night of the reunion (young folks dance and old timers dance).

Outstanding Rodeo Arranged

Two evenings of outstanding rodeo performances under lights in the Old Settlers arena are assured by Ward Rattan, president of the rodeo division. Roping contests will be held during the afternoons. Admission for the night rodeo performances will be \$1 for adults and 50c for children. More bleacher seats are being built, however, only early arrivals are assured of a place to sit. The rodeo performances last year won acclaim from everyone who witnessed them. Plans have been made to have a better show this year.

Stores To Close Here

As has been the custom for many years most stores and other places of business in Matador will close Thursday in honor of the pioneers and in order to permit managers and employees to attend the opening day of Old Settlers. Concession plans will be completed this afternoon at Pioneer Park when directors will open bids for the cold drink and eating place concessions.

The carnival which provided rides and swings for children last year, will open Monday and provide entertainment during the Old Settlers, Thursday and Friday.

THANKS...

I wish to thank the people of Dickens County for their support and influence during the recent Sheriff, Tax Assessor and Collector election.

If I can be of service to you in any way in the future, I will be glad to do so.
