Spur School News ... Spur High School Homecoming Set For Friday, Oct. 3; Full Program Being Planned

Spur High School Homecoming will be held on Friday, October 3, the day of the Haskell football game, announced school officials this week.

The first annual homecoming event will feature a big afternoon parade down town, all day open house at the high school, a special assembly program at the high school and the crowning of the homecoming queen at the evening's football game.

The student council will prepare identification ribbons for all exes and students to be worn on the homecoming day. The council will also conduct a registration of all exes visiting the school on that day.

GIBSON HEADS STUDENT COUNCIL AS PREXY

Ralph Gibson, junior football letterman and student leader, was elected president of the Student Council of Spur High School this week.

Other officers elected were Jackie Cloude, vice-president; Peggy Reed, secretary; Betty Arnold, treasurer; and Carolyn Kelly, reporter. Mrs. Ila Johnston is faculty sponsor of the council.

Funeral Rites Held For Ricky R. Henley

Funeral services were held Sunday, September 14, at Afton for Ricky Ray Henley, son of Mr. and Mrs. J. D. Henley, Jr.

Officiating at the service was Bro. Novel Baize of Stamford.

Rickey, aged two years, nine months, and sixteen days, was a victim of polio.

He is survived by his parents, Mr. and Mrs. J. D. Henley, Jr., three brothers, Ronnie, Jerry, and Garry, two sisters, Janie Marie, and a twin, Retha Faye, all of Odessa. Other survivors include his grandparents, Mr. and Mrs. J. D. Henley, Sr. of Afton and Mr. and Mrs. W. C. Roller of Roaring Springs, and a host of other relatives and friends.

Interment was in the Afton cemetery under the direction of Rix Funeral Home of Odessa.

REV. H. LELAND MURPHY TO SPEAK AT BIBLE SERVICE

Rev. H. Leland Murphy, pastor of the First Presbyterian Church in Abilene, Texas, has accepted an invitation to speak at the cooperative community service between several churches at the First Christian Church in Spur.

The services will be held on Tuesday, September 30, at 7:30 p. m. honoring the King James Version and recognizing the publication of the new Revised Standard Version of the Holy Bible.

This will mark one of the most significant religious events of the twentieth century when the new Revised Standard Version, the greatest Bible news in 341 years, will be presented to the church people of the United States and Canada, states Rev. T. R. Elder, pastor of the Presbyterian Church in Spur. In the Revised Version the true meaning of many passages will be clear to the lay reader for the first time, he added.

Ministers and Bible teachers have had help for a long time but the new version will assist the average reader to grasp the true meaning of many passages. The new version of the Bible is more accurate with some of the earliest available manuscripts being used. Those recently discovered are over a thousand years older than any previously used.

Three important dates are featured on the week's schedule: Sunday, September 28: Rally Day Services, Sunday School, local church services and youth meetings. Tuesday Evening, September 30: Community services to be held in more than 3,000 cities and towns.

Sunday, October 5: World-Wide Communion Sunday. The theme of the observance is: "The Word of Life in Living Languages."

Mrs. G. W. Justice has returned home from an extended visit with her son and family, Mr. and Mrs. Wilson Justice of Kerrville. She has also been sight-seeing in the John Nance Garner Park in Uvalde, Eagle Pass, and in Old Mexico. She reports a very nice time and an enjoyable trip.

PUBLICATION HEADS NAMED

Paulita Karr was named editor-in-chief of the Rowell staff, and Betty Espuela, this week, and Betty Arnold was elected as editor-in-chief of the Rowell staff, the school's weekly newspaper.

Other Espuela staff members are Janie Alexander, assistant editor; Dean King, business manager; Chester Lindsey, assistant business manager; and Miss Galway, sponsor.

Movie Presented At Noon Rotary Meet

At the meeting of the Spur Rotary Club held at 12 o'clock on September 11, "chairman of the day" Loyd Hindman presided.

After the invocation was led by Joe Long, group singing was directed by James B. Reed with Carolyn Kelley at the piano. The visitors introduced were Kenneth Watson, Ben Lewis, and George Stanford, who is with the S. C. S.

Following the announcements, a movie was presented by Earl Barnett, who works at the Experiment Farm. The movie illustrated the use of krillion and the effects it has upon the soil. After the meeting there were no questions so the meeting was adjourned.

Spur Is Represented At M. Y. F. Meeting

Nineteen young people and adult counselors of the Methodist Youth Fellowship went to the Signal Mount Sub-district meeting in Lorenzo Monday night September 8.

Recreation, including games and singing around a bonfire, preceded the business meeting.

Trait Craft was elected president of the organization to replace Rodney Mitchell of Crosbyton who is going away to school this fall. Craft was elected with C. K. Simmons of McAdoo and Joe Bell of Spur as his opponents. Beverly Wood and Betty Sue Dyess presented the worship service with the Lorenzo M. Y. F. providing special music.

The next sub-district meeting will be held in Ralls on November 8. However, there will be a short business meeting during the Lubbock District meeting to be held October 11.

The churches represented were Ralls, Crosbyton, Spur, McAdoo, and the host church, Lorenzo.

Representing Spur were A. C. Sharp, Kenneth Hairgrove, Beverly Wood, Barbara Sharp, Shareline Fitzgerald, Kathleen Rector, Billie Sue Gregory, Lorell Hairgrove, Curtis Blair, Tommy High-tower, Don Hindman, Joe Bell, Bobby Dyess, Betty Sue Dyess, Cernyce Taylor, Alice Joe Crockett, Beryl Durham, C. O. Fox, and Rev. Cal Wright.

Dickens Freshmen Have Picnic Tuesday

The freshmen of Dickens High School had a picnic at 6 p. m. Tuesday, Sept. 16 on Duck Creek. Games were played until 7 o'clock when supper of hot dogs, cookies and iced tea were served to the group. A huge bonfire was built and games were continued by the light of the fire.

Those present were members of the freshman class: Don Atkinson, Ira Clower, John Jackson, Carl Shaw, Franklin Whitehurst, Felix Hash, Ruth Chesney, Freddie Hawley, Inell Lewil, Linday McBride, Wanda Wright, and Sputter Thomason, and other guests, Mr. and Mrs. Thurman Lewis, Jerry and Stanley Lewis, C. L. Atkinson, Joan McCormick, Deweylou McGinley, and their sponsor, Mrs. D. H. McGinley.

It was announced this week that Mr. and Mrs. Galen Smith have sold the El Patio Motel located on the highway east of Spur to W. A. York.

Mr. and Mrs. George Darden announced this week the opening of Darden's Diner on Girard way. Along with the announcement, the couple invites their Spur neighbors down to see them and try their home-cooked meals.

Science Engineering Show Included In State Fair of Texas

Major free exhibits just announced for the 1952 State Fair of Texas, Oct. 4 thru 19, will reflect what's new in science, industry, transportation and farming.

An all-new Science-Engineering Show will include a WFAA-TV Television studio in full operation, a one-man helicopter, an animated atomic engine model, a telescopic display by the Texas Astronomical Society, Defense Dept. exhibits and displays by the University of Texas and Texas A&M.

The 36th annual Southwestern Automotive Exposition, largest auto show in the South, will cover more than two acres. It will include \$1,500,000 worth of new cars-every domestic make and several foreign cars. At least two experimental, futuristic "dream cars" will be shown. Individual exhibits will feature style shows with pretty girl intricate cutaway mock ups of the mechanical "innards" of engines and chassis construction and other unusual exhibits.

U.N. Improves Fish-Breeding in Asia

One of the best ways of overcoming the general lack of protein in the diet of the people of the Far East is by increasing the production and consumption of fish. In Thailand, for example, an expert of the Food and Agriculture Organization of the United Nations (FAO), is training and assisting local technicians to improve and develop their country's fish resources. This Javanese scene shows time-honored fish-breeding practices in Tjini pond by local fishermen.

City Still Seeks Man For Marshall's Job

The City commission of Spur is still looking for the right man to employ as City Marshall.

Mayor Ned Hogan states that several applications and have seriously considered two different men for the position.

"We must take much care in selecting a man for this job," states Mayor Hogan, "and are very anxious to get the right man from the start." The commission still have several applications under investigation and indicates that more will be solicited if necessary until they feel the right man is found for the position.

The commission has indicated, states the Mayor, that they are willing to pay from \$200 to \$300 per month for a capable man and that the employment of a man will take place just as soon as a suitable one can be found.

Fair Boosters Will Visit County Tues.

Residents of Spur and Dickens will get their share of more than a million and a half bucks next Tuesday when a bus load of Lubbock's leading businessmen visit Dickens county to publicize the Panhandle South Plains Fair which will be held in Lubbock September 29 through October 4.

The Lubbock group will lunch at Matador, be in Roaring Springs from 1:15 until 1:35 p. m., Dickens from 2:05 until 2:25 p. m. and in Spur from 2:45 until 3:10 p. m. The group will go on to Crosbyton after leaving Spur.

Of course all the money they'll be giving away is money, but it is still a valuable reminder of the many free shows which can be seen daily at the fair.

While in Dickens and Spur, the boosters will distribute free Fair tickets, souvenirs and copies of the annual Fair newspaper to all school students. Stops will be made in the main business section of Dickens and Spur and at the schools.

The Harmanicans, a trio from Reese Air Force Base, will be on hand to provide musical entertainment during the visit here.

BULLDOGS JOURNEY TO RALLS FOR TOUGH NON-DISTRICT BATTLE FRI.

The Spur Bulldogs rolled to an easy 44-13 victory over the Matador Matadors last Friday night for a victory in their opening football tilt of the 1952 season.

Curtis Blair sparked the locals with four punters. Spur's newly-discovered fullback, Dean King, drew blood first with a 20-yard jaunt in the first period. A Chester Lindsey-to-Jackie Cloude pass combination accounted for the second tally with Blair scoring the next three on runs of 9, 5 and 4 yards.

Lindsey, running from the quarterback slot on the split T formation, accounted for Spur's sixth TD on a keeper play off guard. Blair ended the spree from the 11 on the last play of the game.

The Matadors, showing Spur some fairly even football for the first three quarters, scored twice on double reverse plays.

In general, the Spur fans seemed impressed with the performance shown by the Bulldogs, with Lindsey's quarterbacking and passing accuracy two very pleasant surprises. The entire Spur offensive line showed up commendably with Bobby George, Franklin Gabriel and Ralph Gibson standing out defensively. On the offense, Spur's guards, Wade and Bingham turned in fine games.

Coach Sam Hawkes indicated that any predictions of scores at this Friday night up at Ralls as the Bulldogs meet one of the strongest teams on their schedule. Chester Lindsey was injured in Tuesday's practice and gave way to Lawrence Cook at the quarterback slot in yesterday's workout. Although scheduled to be ready for service by game time, Lindsey will miss the two days' workouts and will not be expected to be up to par.

Ralls sports a well-rounded and experienced ball club, having drubbed Hale Center in a conference game last Friday. They out-weight the Spur boys about four pounds to the man and have three ball runners weighing over 168 each.

This week's prediction: Spur 19 - Ralls 13.

(Coach Hawkes stated this week that any predictions of scores appearing in publications are not

DICKENS BASEBALL CLUB HONORED WITH BARBECUE

A barbecue was held Saturday night at the home of Mr. and Mrs. Murray Lea and son, Kenneth honoring the Dickens Baseball Club. Approximately 100 guests were present. Uncle Johnny Parker barbecued the beef, and music was furnished by the Dickens' Tune Busters. After eating the barbecue, a group gathered and sang many old time songs. The baseball club wishes to thank Mr. and Mrs. Lea and all who helped make the party a success.

Dry Lake Community Receives \$250 For First Place In Range - Pasture Contest

A check for \$250.00 and a first place certificate was presented to the Dry Lake Community Tuesday night for their efforts in the recent Range and Pasture Improvement contest sponsored by the Dallas Morning News, Station WFAA, and the Texas A. & M. Extension Service.

The community was commended for its outstanding work, determination and spirit in the face of the adverse conditions presented by the drought.

J. C. Dopsen, chairman of the community organization, presided over the meeting and received the check and certificate for the community.

Representing the Dallas newspaper was Roy Roddy who presented the check.

County Farmers Pick Conservation Projects

The 1953 agricultural conservation practices were selected by members of the Community and County P. M. A. committee, and the County mobilization committee at a meeting in Spur Friday afternoon, September 5.

Dickens County committeemen were permitted to select 10 practices from the Texas handbook to be used on farms and ranches in Dickens county in 1953. Assistance will be given on these practices to the tune of about \$60,000.

The ten practices selected are: terracing, deep plowing, bindweed control, construction of erosion control dams, construction of earthen reservoirs, application of phosphate, planting of winter legumes, chemical control of mesquite, subsoiling, and seeding pasture grasses.

As soon as the State committee gives approval of these selections Community committeemen will contact farmers and ranchers in the county about using these practices. This sign-up campaign will be completed by December 1 and only those producers who indicate their intentions in writing will receive assistance from the program.

Farmers and ranchers are urged to plan the conservation practices for 1953 now that they might be in position to take advantage of this assistance offered by P. M. A.

FARM SCIENCE AT BAT IN THE COTTON FIELD

Now that cotton picking time is here, let's have a look at a cotton field evolution. The familiar scene at the left is being replaced by the one on the right, as more workers leave the farms each year. Thanks to agricultural science, the mechanical picker now can do the work of before; a new high in mechanical harvesting is predicted this year. The National Cotton Council reveals.

Girl Scouts

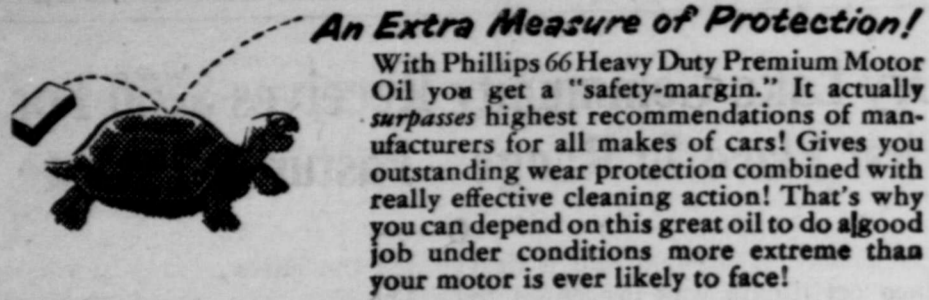

The Girl Scout Executive Board Welcomes New Leaders.

The Dickens County Girl Scout Council welcomes new leaders. Mrs. W. C. Arnold, who has come to Spur recently from Lubbock where she was an active committee member, is to be the leader of Troop VI. The council is sorry to lose the leadership of Mrs. John King. Mrs. Harry Haladay is to be the leader for Troop III. Miss Gibson has done nice "summer time" work but is returning to college. Miss Virginia Ruth Shugart, who has been directing the work of Troop IV, is also returning to college.

COTTON BAG CHRISTMAS STOCKINGS

The National Cotton Council reports a money-saving way to make Christmas stockings for Santa Claus to fill, by using cotton feed bags! Use hose for the pattern. Lay pattern on printed or plain cotton bag material, double thickness. Allow extra room for toys, cut any desired length. Sew around and turn. Cut cuff to fit top of stocking. Sew with right side to inside of stocking so that seam will be underneath the cuff. Write child's name on cuff; place band of cotton on top and stitch. Add a Christmas bell and a loop for hanging the stocking.

may speed up the time of organization by securing a leader for a new troop.

Fly-up ceremonies and courts of awards have been planned for October. At present there are more than 85 girls active in Scouting in Dickens County. With parents of each girl interested and leaders active, Scouting in Spur can accomplish much in the education of our future civic leaders.

TROOP III

The Scouts of Troop III met at Miss Doris Gibson's home on Friday, September 12, and gave an extra push to the plans for a badge in Designing. The next meeting will be on Thursday, September 18, in the Girl Scout Little House with Mrs. Harry Haladay as a new leader.

TROOP IV

The girls of Troop IV met in a regular meeting on Monday,

September 15, and did an intensive piece of work to earn a badge in Designs of Arts and Crafts. This Troop is planning to receive many merit badges when the National Representative is in Spur in October. This troop will be open for new members during the next two weeks.

TROOP IX

Troop IX Brownies met on Monday, September 15, at the regular time. Each girl painted four spoons for a jumping rope. A new song called "Telephone" was learned and a new game was played.

Mrs. Neal Chastain and son, Neal, vacationed in Colorado while Neal Chastain, Sr. hunted in Wyoming.

TELL THEIR OWN STORY . . .

The story of the Methodist Home at Waco actually told by the children themselves will go on the air again Sunday, September 21, at 8:15 a. m. over 14 radio stations. The Home is dramatizing activities from the lives of its more than 400 children again this fall on Sunday morning because of an enthusiastic response from radio listeners all over the Southwest last fall. Some of them wrote that they had contributed to its support many years without ever having been able to visit its campus, and that the radio programs gave them a vivid picture of its life.

Students and ex-students have done most of the script-writing and are acting out the incidents. Music by the Home choir will be a feature of the 15-minute broadcasts which are entitled, "They Are Your Children."

Radio stations which will carry the program are as follows: WFAA, Dallas; KPRC, Houston; WOAI, San Antonio; KRIS, Corpus Christi; KRGV, Weslaco; KGNC, Amarillo; KCRS, Midland; KOSA, Odessa; KROD, El Paso; KFYO, Lubbock; KWKC, Abilene; KGGK, San Angelo; KFDM, Beaumont; and KTRE, Lufkin.

Knits — sweaters and dresses — are going to be popular wardrobe items this Fall and Winter.

If you're a honey fancier you'll love this delectable topping for apple cobbler or hot gingerbread. First, cream 1/2 cup vitaminized margarine with 1 cup sifted confectioners sugar. Then add 2 tablespoons honey and 1 teaspoon lemon juice. Chill before serving.

Don't forget to close snap fasteners and zippers before putting garments containing them into the tub or washing machine. Protect them from being bent during the washing and wringing process.

If the hot summer sun has streaked your sheer glass curtains, why not strip their color with a good color remover, then tint or dye them a lovely fresh color with all-purpose dye that works on all fabrics.

Distribute the wear on your sheets by placing the small hem at the top of the bed at least half of the time. And for sweet-smelling sheets — store your perfumed toilet soaps near them in the linen closet.

When adding seasonings to ground beef for patties, mix lightly and shape with a "light" hand. Never pack if you like good juicy hamburgers — and don't we all!

Lubbock County Sheriff Posse.
 In order that an expected record breaking attendance of 150,000 persons may see this year's Fair Association has installed 12 new turnstiles to eliminate the jam at the gates which has slowed down the crowds in past years. With the new installations, persons need only drop coins in the turnstile and they will automatically be admitted to the grounds.
 Every afternoon and evening there will be four free aerial acts presented on the midway. In addition, each evening there will be a mammoth fireworks display. As a special free educational exhibit, arrangements have been made to have a television display in the Merchants Building.

Mr. and Mrs. Fred Delisle of Lubbock were Sunday guests in the home of her parents, Mr. and Mrs. Jeff Smith.

Highway Community News . . .

The moisture received last week in variable amounts over the community was reported as 1/4 inch on the Jimmie Hahn farm in the northeastern part to 1 1/2 inches on the Maenard Dagley ranch becoming lighter south. D. L. Pace reported .85 inch as was recorded by the vial system measurement.

Mr. and Mrs. Roy Pool and daughter and Gene Thomason of Lubbock were Saturday and Sunday visitors in the Earl Thomason home.

Some are beginning the fall harvest in our midst. Several hands were seen in the R. A. Green cotton fields last week.

Our scrap iron drive conducted last Saturday was a success from reports by the committee chairman.

Mile Long Parade To Open Fair

A mile-long parade of giant balloons, 105 clowns, seven bands and a sheriff's posse will mark the opening of the 1952 Panhandle South Plains Fair September 29.

The huge balloons—30 in all—are designed to show the youngsters many of their favorite characters from the Land of Wonders. Most of the multi-colored balloons are more than 10 feet tall and several even reach 14 feet. The longest display is 110 feet.

The cavalcade is divided into four sections. The first group shows the wonders of the North Pole, complete with an eskimo girl, igloo, penguin, snowman and trained seal. Following this will be the Oz Wonderland which includes a lion 50 feet long, the Strawman 14 feet tall, the Tin Woodman and many of the other favorites from the Oz books.

One of the most colorful and amusing sections is the Alice in Wonderland division which has

the famous White Rabbit, The Mad March Hare, Humpty Dumpty, the Frog Footman and Alice herself in a beautiful costume.

The fourth section of the parade will feature all the freaks and a two headed cat, an upside down unusual character of fairy tale—man, a geni that springs out of an urn when Aladdin rubs the lamp and many others.

The parade will move at 2:30 p. m. from Jones Stadium at Texas Tech and travel to the Fair Grounds and clowns there will be a number. In addition to the balloons of Lubbock area bands and the

Only six of our Club Members were in attendance Monday afternoon at the club meeting when Mrs. Harriett Hatcher, home demonstration agent, gave a very interesting lesson on the proper arrangement of patterns when cutting a garment.

Mr. and Mrs. Harry Martin of Dickens and Mr. and Mrs. Forrest Martin, Jr. of Littlefield were visitors and attended church in our community Sunday.

Mr. and Mrs. Alton Estep of Ida Lou were Sunday guests of his mother, Mrs. Ray George, and her sister, Mrs. Ike Simmons.

Mr. and Mrs. Earl Thomason were Jayton visitors Tuesday of last week in the home of her mother, Mrs. J. T. Johnson.

Mr. and Mrs. Preston Smith and Mr. and Mrs. Buster Smith and family of Azel were week-end visitors in our community.

Mr. and Mrs. Jack Church of Littlefield and Mrs. Walter Thomason were Tuesday evening visitors in the Earl Thomason home.

J. E. and Mrs. Jim Hemphill were visitors in Matador Sunday afternoon.

Mr. and Mrs. Earl Fry of Lubbock were guests of Mr. and Mrs. Jimmie Hahn and Mr. and Mrs. M. E. Tree over the week end.

Gordon Simmons, Billy Ray and Katherine Stanley, who are attending Draughon's at Lubbock were visiting their parents and attending the ball game Friday evening.

FORD'S FIRST with the MOST!

FIRST in POWER!
 Ford's 110-h.p. Strato-Star V-8 is the most powerful engine... the only V-8 offered in a low-priced car! Ford's 101-h.p. Mileage Maker Six is the industry's newest, most modern Six!

FIRST in RIDE! For the first time, in the low-price field, you can enjoy a truly fine-car ride! Ford's new Automatic Ride Control with its diagonally mounted rear shock absorbers and new spring suspension gives you a bump-leveling, highway-hugging ride.

FIRST in VISIBILITY! New Full-Circle Visibility gives you the only one-piece curved windshield, plus car-wide rear window, in Ford's field. New L-REST tinted glass... available on Custom and Crestline models... guards against glare and reduces heat.

FIRST in CHOICE! Ford offers the widest choice by far in the low-price field. 18 models... 11 body styles... 2 engines: V-8 or Six... 3 transmissions: Fordomatic, Over-drive or Conventional... and the most body, upholstery and color combinations.

FIRST with the NEWEST! You'll find Ford has made more advances for '52 than any other car in its price field. You get new features like Power-Pivot Clutch and Brake Pedals, suspended from above, to allow more foot room, eliminate dusty, drafty floor holes. You get Center-Fill Fueling for easier gas filling from either side. F.C.A.

STOP, THEN PASS HALTED SCHOOL BUS AT 10 MPH, LAW SAYS

School busses over the state

have now begun the task of carrying thousands of children to and from their studies. Soon to be expected are the inevitable tragic reports of deaths and injuries occurring when impatient youngsters dash across busy highways to greet their waiting parents or to board the bus. Most of such accidents could be avoided if motorists would adhere strictly to the letter of the law pertaining to the passing of school busses.

Most Texans aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After

stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed "which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

What many persons do not realize is that the very same rule applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200.00 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties

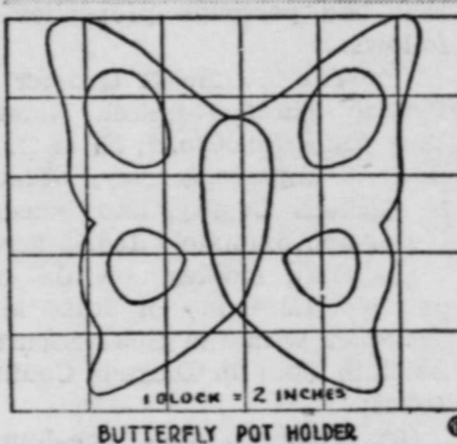

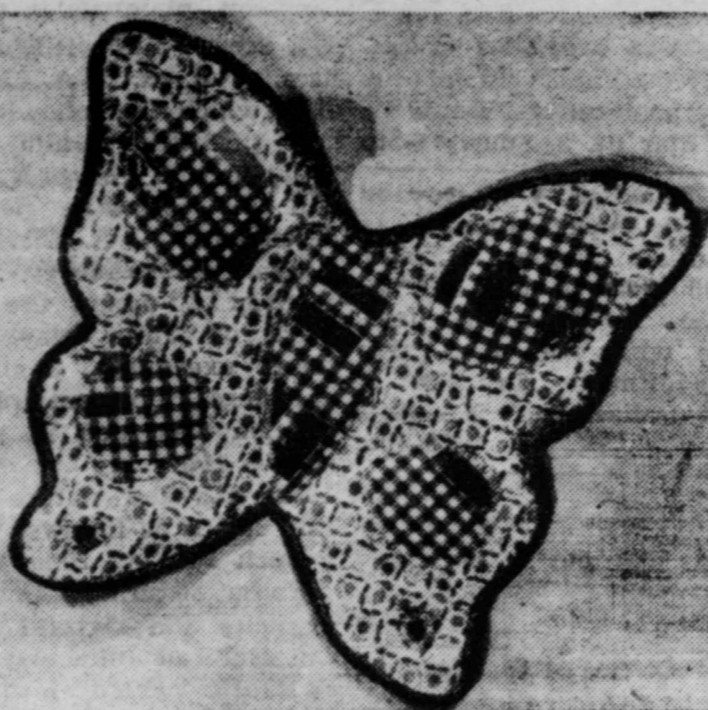

Yes siree! I'm a depositor at Spur Security Bank too . . . !

Gee, I'm glad I took Dad's advice to save my money at Spur Security Bank instead of keeping it around the house. And I can't lose it, either, like I once did. Yes Siree! I'm sure glad that I'm a depositor, like my Dad at Spur Security Bank.

BUTTERFLY POT HOLDER

A colorful Christmas gift for mother is this pot holder made from cotton feed, flour or fertilizer bag scraps! Here's how: Using diagram, cut two butterflies, one body section and two of each of the wing spots. Applique body and spots on top piece. Arrange layer of cotton on inside of lower piece. Pin wings together at edges, and bind. Stitch around body and spots to hold in place.

are naturally much more serious. Although the above rule does not apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious. When it comes to overtaking

and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaking is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movements in safety. And in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Even when not engaged in pass-

Red Raiders, Buffs Open Season Friday

A keen, regional rivalry will be renewed as Texas Tech and West Texas State opens their football season in Lubbock September 20. Game time is 8 p. m.

Although his Red Raiders hold the favorites' spot as a result of last year's 46-7 win, Coach DeWitt Weaver is quick to point out that the Buffs came a lot closer to heading off Tech than the score indicated. Statistics gave West Texas an 18-14 first down margin and Tech a mere 21-yard bulge in total offense.

Frank Kimbrough, the Buff coach, is thoroughly respected by the Tech coaching staff. Added to his williness is the fact that West Texas annually goes all out to beat its bigger neighbor to the south. And succeeded mightily well two years ago-by a 28-13 score.

Robert Welchel, power runner from Claude, is one of the new weapons Kimbrough will spring on the Raiders, switching from his usual winged-T attack. Kimbrough will send the Chicago Bear-type T against the Raiders' split-T.

Brownfield's great Jerrell Price will be replaced by Marland Ribble of Fort Worth in Tech's offensive lineup and Bobby Lambert, junior college All-American, on defense. Instead of Aubrey (Red) Phillips of Fort Worth should be R. B. Hodge of Blytheville, Ark., at center and Jimmy Williams of Phillips at linebacker.

Another all-conference man, quarterback Junior Arterbuen of Ranger, will be replaced by Jerry Johnson of Hale Center, Remainder of Tech starting offensive lineup should see Paul Erwin of Odesa and Lew Crossley of Eastland at ends, Hollice Davis of Fort Worth at a tackle, Don Gray of Breckenridge and Buddy Barron of Temple at guards, Jim Turner of Olney and Bobby Cavazos of Kingsville at halves, and Sandy Welton of Fairmont, West Va., at fullback.

Tickets are still on sale.

ing another vehicle, a driver is prohibited from driving to the left of the center of the roadway in many instances. Familiar to all are the no passing zones designated by the dash lines placed to one side of the center stripes on our highways.

Not so well known are the restrictions against crossing the center line when approaching within 100 feet of any bridge, viaduct or tunnel. The prohibition also applies when approaching within 100 feet or when traversing any intersection or railroad grade crossing. A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic.

(This column based on Texas law, is written to inform-not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

APPLE FOR THE PROOF

The spirit of femininity is portrayed in this versatile cavalier jacket and skirt ensemble of butter-soft cotton corduroy by Stephanie Koret. Style highlights point to the narrow skirt, the rounded hips and push-up sleeves on the jacket.

Planks Compared By Major Parties

Comparisons of planks of the national platforms of the two major political parties that relate to national defense and foreign program spending are presented in another "no comment, no interpretation" release by the public information department of the West Texas Chamber of Commerce.

Language of the two platforms on these subjects is, in essence, as follows:

National Defense: Democratic platform: Promises continued support of "the expansion and maintenance of military and civil defense forces required for our national safety;" reject "The defeatist view of those who say we cannot afford the expense and effort necessary to defend ourselves."

Republican platform: Promises adequate support for national defense and for meeting treaty obligations; seeks "quickest possible development" of adequate air power; promises to "strip our entire preparedness program clean of waste;" and to eliminate conflict inertia and lack of cooperation among the armed forces.

Democratic platform: Promises to encourage the "economic and political security of Europe," to "carry forward and expand the Voice of America program, to continue to aid Israel and the Middle East, to aid growth of the United Nations to continue South American program, and to help India and Pakistan create a better life for their people." Support is pledged for expansion of the Point Four program to help undeveloped lands raise living standards. Continuation of present aid to Nationalist China is pledged.

Republican platform: Promises

to "encourage and aid" collective security forces in western Europe and elsewhere and to "end neglect of the Far East," pledges aid to Israel and the Arab states. Support of the United Nations and strengthening of ties with South America are pledged. Measuring of foreign commitments "so that they can be born without endangering the economic health of the United States" is also promised. This plank declares for continuance of the program of exchange of students with foreign countries and efforts for improvement of underdeveloped countries. It promises "to sever from the public payroll all the hordes of loafers, incompetents and unnecessary employees who clutter up the administration of our foreign affairs. The party will rid the State Department and other agencies of "those responsible for the needless perils in which we find ourselves," the plank states.

Orby McCombs of Abilene was visiting with his sister, Mrs. Ruby Hays, recently.

Even when bananas are to be eaten in the tropics, the fruit is not allowed to ripen on the plant. The finest flavor develops only when bananas are cut green and ripened afterwards.

When cane and beet sugars are completely refined, there is no difference between them that can be determined by chemical tests.

Flavor note for iced tea or other cool beverages: Dilute lime juice with water . . . half and half . . . and freeze in ice cube tray. August and September are peak months of supply for the big, shiny green seedless limes from Florida.

Chocolate morsels, the small easy-to-use pieces of semi-sweet chocolate, were first produced for convenience in making one particular cookie. When these chocolate crunch cookies first became popular for home baking, women bought semi-sweet chocolate bars and cut them into small pieces.

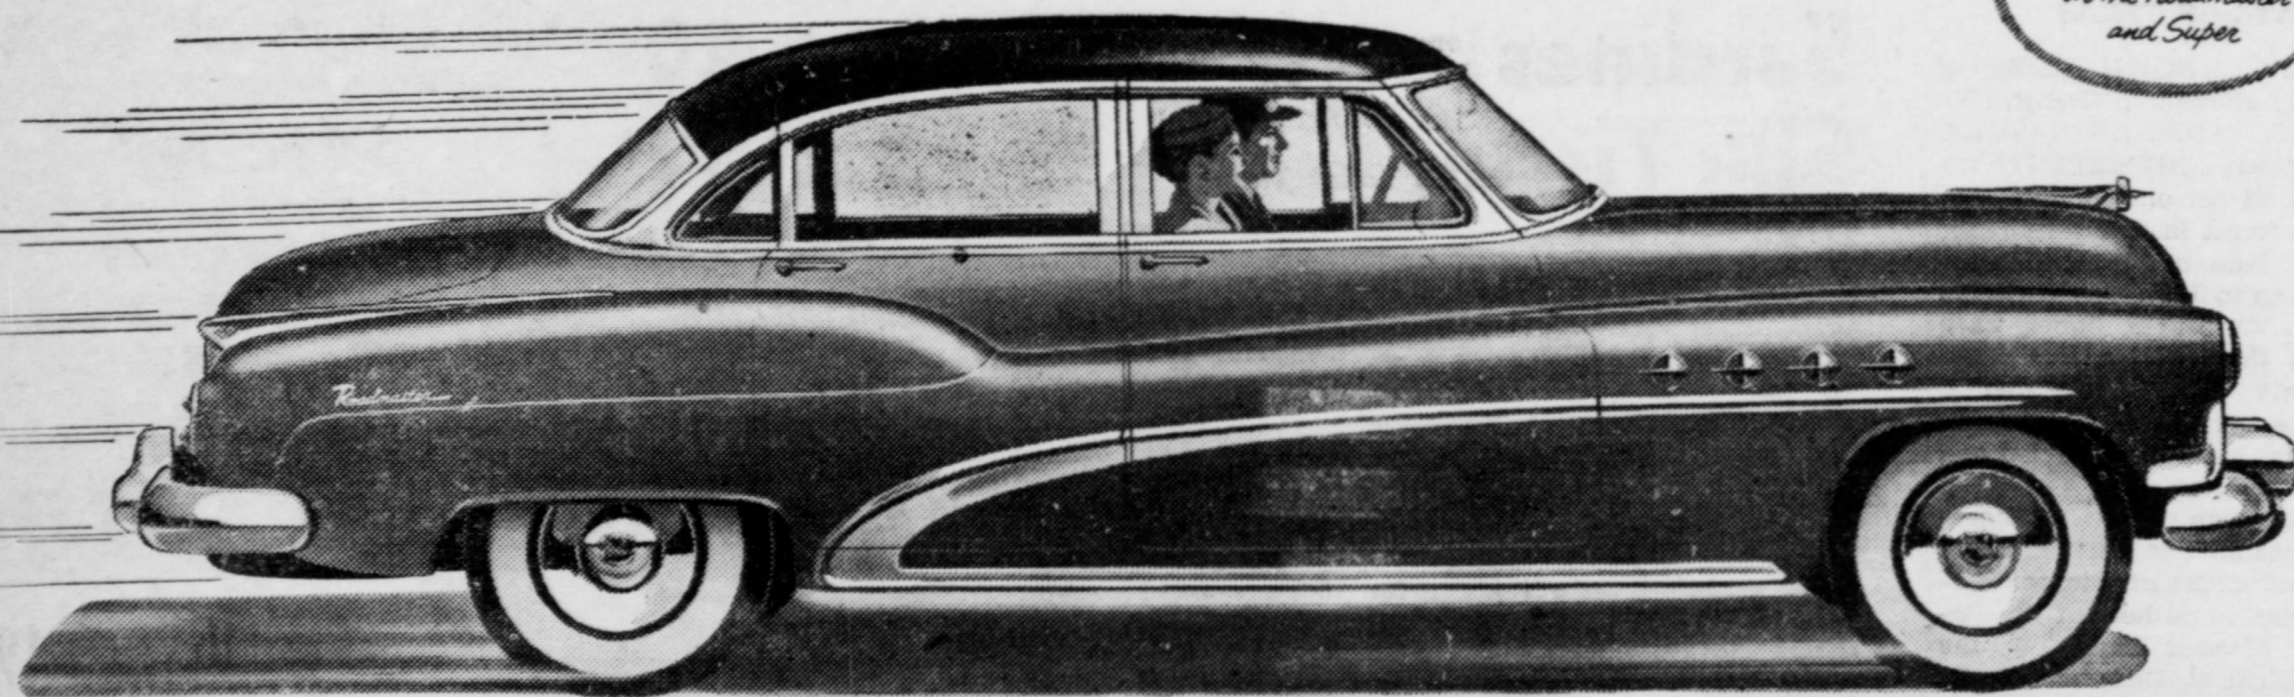

Per capita consumption of ice cream in the United States is 29 pints a year. Mother makes about half of these purchases for the family and generally at self-service counters where the ice cream is pre-packaged and ready to carry home.

"Spring chickens" or fryers are now marketed all year round. Scientific breeding and fast-growing methods, special starter and brooder houses are the reasons.

Unflavored gelatin which is all protein may be used by dieters to stave off mid-meal hunger. An envelope of the gelatin can be dissolved and heated in bouillon or taken in water or fruit juice.

Cherry pie arithmetic: One of the No. 2 cans of red sour pitted cherries will make the filling for an 8 inch pie. For a deep-frosted 9 or 10 inch pie, use two of these 1 pound 4 ounce cans of cherries.

PARDON MY GUST!

POWER STEERING on the Roadmaster and Super

BENEATH that big broad bonnet is the reason for this headline. It's a four-barreled automatic carburetor—Airpower by name—which has a way of gulping in what the dictionary defines as "a sudden blast of wind" when extra power is needed.

And the way this gorgeous performer can step out as this occurs is something you'll always remember.

For ordinary driving, two barrels are all you need—and two barrels are all that are working. They give you an extra thrifty flow of fuel for round-town cruising.

When extra power is wanted in a hurry—the "reserves" swing into action—feeding extra fuel and extra air in an ever-thrifty mixture, which delivers the greatest horsepower in Buick history.

This is one of many distinctions that endear ROADMASTERS to fine-car owners.

It's a car as rich in finish as it is in power—a car of expansive room—restful silence—level in gait—beautifully responsive to your mood and will.

And it offers the effortless ease of Power Steering* especially engineered by Buick to save your strength in

parking and slow-motion maneuvers, and still let you feel a proud sense of command and a sure sense of control on the highway.

There's just one question we'd like to ask: When are you going to come in and enjoy the ride of your life?

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on ROADMASTER and SUPER only.

LEGAL NOTICE

THE STATE OF TEXAS

To The UNKNOWN HEIRS, of Julia May Hickman, THEIR EXECUTORS, ADMINISTRATORS, and LEGAL REPRESENTATIVES, and all persons claiming any title or interest in the hereinafter described land under deed heretofore given to Julia May Hickman and Mrs. Autrey B. Jones, each and both then residents of Dickens County, Texas, as stated in such deed, grantees, all defendants in the hereinafter styled and numbered causes;

You, and each of you, are hereby commanded to appear before the County Court of Dickens County, Texas, to be held at the Courthouse of said county in the City of Dickens, Dickens County, Texas, at or before 10:00 o'clock a. m. of the first Monday after the expiration of ten (10) days from the date of issuance hereof, that is to say, at or before 10:00 o'clock a. m. of Monday, the 29th day of September, 1952, and answer the petition of Julia May Hickman and George N. Bingham, plaintiffs in Cause No. 666, styled Julia May Hickman Bingham, et al, vs. N. A. Clarkon, et al in which the following persons are plaintiffs: Julia May Hickman Bingham and George N. Bingham; and the following persons are defendants: N. A. Clarkon, Earl Nelson, Mrs. Audrey B. Jones, Clifford B. Jones, the unknown heirs of Julia May Hickman, their executors, administrators, and legal representatives; which petition was filed in said Court on the 11th day of September, 1952, and the nature of which said suit is as follows:

(1) The Southeast Quarter of Section Three Hundred Ninety-One (391), Blk. No. 1, H. & G. N. R. R. Company Survey, situated in Dickens County, and consisting of approximately 165.32 acres;

(2) Cash monies now on deposit in the name of Julia May Hickman with the Spur Security Bank in Spur in Dickens County, Texas;

(3) Fourteen and one-fourth (14 1/4) shares of Spur Security Bank stock issued by the Spur Security Bank of Spur in Dickens County, Texas;

(4) One 1941-model Buick passenger car, Texas Certificate of Title issued to J. M. Hickman;

(5) Household and kitchen furniture and furnishings, together with all items of a personal nature belonging to Julia May Hickman at the date of her death.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

Given under my hand and seal of said Court at office in Dickens, Texas, this 11th day of September, 1952.

(SEAL) Fred Arrington, Clerk County Court, Dickens County, Texas.

Issued this 11th day of September, 1952.

(SEAL) Fred Arrington, Clerk, County Court, Dickens County, Texas.

Then sung, Mrs. Fred Neaves read the scripture followed by a summarized program on the Needs of the people of Japan, our mission work there, and our opportunity to open even greater mission field was discussed by Mrs. George Stamford.
