Whoa, Now!

By Grady Lackey

Art LeCroix referred the following little ditty to us yesterday and we thought it worthy of being passed on to you:

"Worth Thinking About"
ONE VOTE never seems important—before an election.
But on the day AFTER—on November 5, this year, someone, somewhere will be saying: "It we'd only had one more vote!"
It may happen in a "little" election—for township trustee, or a county officer, or a rural school board member—or for the Presidency of the United States.

It HAS happened, many times in our short history.
ONE VOTE cast by a voter who left his sick bed to go to the polls gave victory to an Indiana Congressman.

ONE VOTE cast by this same Congressman, in 1876, made Rutherford B. Hayes President of the United States . . .

ONE VOTE cast by a miller in DeKalb County, Indiana, in the 1840's elected a certain man to the state legislature . . .

ONE VOTE by this same legislator, sent Edward A. Hanegan to the United States Senate . . .

ONE VOTE cast by the same Edward Hanegan, admitted Texas to Statehood—for which U. S. and Mexico went to war . . .

ONE VOTE admitted California, Idaho, Washington and Oregon to the Union . . .

ONE VOTE in the U. S. Senate denied this statehood to Alaska . . .

ONE VOTE more in each California precinct in 1912 would have defeated Woodrow Wilson, and given victory to Charles Evans Hughes . . .

ONE VOTE more in each of Ohio's and California's precincts would have tied the electoral race between Dewey and Truman in 1948 . . .

Will it be yours?
We'll give Rev. T. R. Elder credit for pointing this one out to us:
"The history of man is told in this brief story:
From Bondage to Spiritual Faith—
From Spiritual Faith to Great Courage—
From Courage to Liberty—
From Liberty to Abundance—
From Abundance to Selfishness—
From Selfishness to Complacency—
From Complacency to Apathy—
From Apathy to Dependency—
From Dependency to Bondage."

Majorettes Perform With Band Fri. Night

Something new had been added when the Spur high school band took the field at half time last Friday night.

Presented for the first time were Spur's new twirling majorettes—Gail Love, Billie Sue Gregory, Dean Reagan and Sue King.

The girls are all members of the band and are all honor students. Miss Reagan plays the clarinet and the other three girls all play the clarinet.

The majorette idea is reported to have started last year when former band director Melvin Knig organized a class in baton twirling. Miss Love had been practicing twirling since grade school, and she and Misses King and Gregory took lessons in twirling at seven o'clock in the morning twice a week all last winter.

Miss Reagan joined the trio last summer and the quartet took more lessons under Miss Betty Sechrist, ex-student of Spur high school and a four year twirler for the McMurry Indian Band. Miss Sechrist also designed the uniforms for the Spur majorettes.

Mrs. George Nalley of Spur made the uniforms for the girls.
Last Friday night climaxed a year's hard work for the four girls who will continue to represent Spur schools at football games, in parades and at the annual contests next spring.

NOTICE
There will be a layman to speak at the Foreman Chapel Church Sunday, October 26, at the morning hour.
Everyone is cordially invited to attend.

Rotarians Entertain With Banquet Thurs.

Thursday evening, October 16, the local Rotarians entertained their Anns, the teachers, and trustees of the Spur Public School system with a banquet in the high school gymnasium.

After the dinner, which was prepared and served by Mr. and Mrs. D. J. Dyess, Superintendent C. F. Cook introduced and recommended all who were associated with school activities.

Oscar Kelly, who acted as Master of Ceremonies for the evening, introduced Mrs. Tom Stephenson, who sang Victor Herbert's "I'm Falling in Love with Someone" and "Ah, Sweet Mystery of Life," from Naughty Marietta, accompanied at the piano by Mrs. Sam T. Hawkes . . .

Kelley introduced Cecil Cale of Lubbock, District manager for Southwestern Bell Telephone Company, who presented the guest speaker of the evening, Don Hanson of Dallas, Public Relations representative with the telephone company.

Hanson gave an interesting and informative program on Television Net Work Broadcasting in Texas, explaining and demonstrating the two types of TV transmission now in use. The older and more commonly used method, stated Hanson, is the Co-Axial Cable which is in reality a telephone cable which spans the entire United States from coast to coast and passes through Abilene, Texas.

The newer phase of transmitting, according to Hanson, is by Micro-Wave, and is the type largely used for net-work broadcasting in Texas. Detailed instructions and actual demonstrations of both co-axial and micro-wave transmissions were given by Hanson and were thoroughly enjoyed by his audience.

Mrs. Loretta Beeson, Miss Patsy Hyatt, and Mr. and Mrs. Jack Farver of the local telephone service were special guests for the occasion.

Other guests were present, and a few of the teachers were absent because of illness. Some Rotarians were away on hunting trips, but the affair, an annual Rotary event in Spur, was reportedly well attended.

Rites Held Saturday For George Andrews
Funeral services were held for George T. (Tom) Andrews Saturday, October 17, at 3:30 p. m. at the Spur Church of Christ.

Bro. H. E. Johnson officiated assisted by Bro. C. V. Allen. Andrews was born April 14, 1877, and died October 16. He came to Texas at the age of twelve and had lived in Spur seven months. He was married to Mary McDonald at Comanche in 1899.

Survivors include his wife, Mrs. Mary Andrews of Spur, and children, Nellie Nance of Plainview, Millie Vickery of Afton, Erna Mae King of Spur, John and Ellis of Brownfield, and Lonnie of Spur, seventeen grandchildren, and seven great grandchildren.

Interment was in the Spur Cemetery under the directions of Chandler's Funeral Home.

Colored School To Re-Open Following Harvest Recess
Prof. G. W. Kerr announced this week that the Colored School of Spur will re-open Monday, October 27. The school has been closed for the last five weeks for harvesting.

"It is desired that all pupils be present each day," stated the professor in his announcement.

COOK MEETS WITH SCHOOL PERSONEL IN LAMESA
C. F. Cook, superintendent of the Spur public schools, attended a meeting of the West Texas School Administrators in Lamesa on October 20. At this meeting, the problems of West Texas schools were reviewed and plans set up to better inform all the school people of this area.

Prior to this meeting, Cook attended a committee meeting at which the dates for the Spring Contest for Bands and Chorals of Region I were set.

These contests will be held on April 4, 1953 and May 1 and 2, 1953 in Plainview.

Mrs. Della Merriman's son, Rex, is visiting with relatives in Lubbock.

"A MEDAL FOR DADDY . . ." Charles Soladay, 6, shows his sister, Sharon, 4, the Purple Heart awarded to his father in special services at Lubbock Thursday night, Oct. 16. The two Soladay children and their mother are from Spur. Their father and husband, Marine Capt. Harry Soladay, was killed on his 37th mission as a fighter in Korea in May, 1952. Major Jarvis Witt, commanding officer of the Marine reserve unit in Lubbock made the presentation.

The medal was presented in a ceremony at the Naval Reserve building on the Texas Tech campus. There were about a dozen people present at the ceremony. Some were relatives, others just friends.
Capt. Soladay was a fighter pilot in World War II and was recalled to duty in the summer of 1951. He went to Korea in February of this year. He was a student of McMurry when he entered service originally in 1942, and attended Tech after his discharge.

Candidates Calm On County Write-In Issue

Confidence Expressed By Cleo Rogers; Kimmel Willing To Serve If Elected

Democratic nominee for Sheriff, tax assessor and collector of Dickens county, Cleo Rogers, expressed complete confidence in the continued support of the people of the county in an interview concerning the write-in campaign being staged by friends of Sheriff Charlie Kimmel.

"The majority of the voters elected me as their nominee and as far as I know, nothing has happened to change their minds," stated Rogers. "I have no doubt about being elected in the general election on November 4," he added.

Sheriff Kimmel made the following statement concerning the write in campaign this week:
"Back in the spring, I told the voters of the county that I would not ask them for their support or vote. I intended to remain true to this statement, and do not, now, ask anyone for their vote."

"At the recent picnic in Dickens, I was approached by several who seemed interested in such a write-in campaign. After due consideration I told those interested in supporting me for re-election that if the people saw fit to elect me, I wouldn't refuse to serve after they had been so good to elect me for three successive terms."

"May I say again, I do not now and will not actively solicit votes in any write in campaign, but if called on to serve as sheriff of the county, I will feel obligated to do so."

When asked if he would like to serve another term, Sheriff Kimmel stated that in a way, yes. He added that there are always cases that a sheriff would like to close while in office.

Rogers states that many rumors seem to be in circulation that he has already made firm commitments concerning deputies jobs. In regard to this, he states that he definitely has not made any commitments concerning either an inside or outside deputy jobs or any other jobs pertaining to the sheriff, tax assessor and collector's office.

TELEVISION SERVICE IN SPUR BY NEXT APRIL SAYS TV OFFICIAL
It now appears that Spur may have television service by early next year.

At least, that's the opinion of Joe Bryant, Lubbock radio and television executive.
Bryant is president of Bryant Radio and Television, Inc., which recently received a TV grant from the Federal Communications Commission.

Construction work on his company's television station—KCB-D-TV—has already started in Lubbock. Completion of such a station usually requires five to six months, which means that KCB-D-TV may be able to begin operations by April of 1953.

The exact quality of television reception in the Spur area remains to be seen. Engineers for KCB-D-TV say that their station will have a radiated power of approximately 100 kilowatts, which means that it will be more than three times as powerful as TV stations now in operation at Fort Worth and Dallas.

The KCB-D-TV engineers say that the station will give consistent, reliable coverage for a minimum radius of 53 miles from Lubbock. Beyond that distance, coverage will depend on several factors—such as the receiving antenna and set, and the amount of electrical disturbance at the receiving location.

Spur, which is about 61 air-line miles from Lubbock, lies outside the 53-mile minimum radius. However, KCB-D-TV is expected to provide satisfactory coverage up to 75 miles and more in many instances, so it is quite likely that residents of the Spur area will have satisfactory service.

The new Lubbock station will feature the latest RCA equipment throughout its studios, which will have more than 13,000 square feet of floor space. The transmitting tower will be 786 feet high, and will be located adjacent to the new studios on a 30-acre plot on the southern outskirts of Lubbock.

It is believed that nation-wide television service will be available to KCB-D-TV by the time construction of the station is completed. Lubbock will be tied to the network by means of microwave interconnection.
Other details regarding operations of KCB-D-TV will be announced as developments occur.

Final Community Day Planned For Saturday

'Winds Take Spur 34-0; Local Boys To Meet Chiefs Friday

The Spur Bulldogs will be gunning for a spot back in the win column this week as they journey to Crosbyton Friday night to meet the Chiefs in non-district battle.

Having dropped three in a row and without a lone score, the Bulldogs are licking their wounds this week, striving to get into shape for the caprock rivals.

Last week the Spur boys were added to the long list of the Floydada Whirlwinds by a score of 34-0. The mighty Whirlwinds are undefeated this season and have allowed their opponents a total of seven points while they have racked up 242. Again without the services of halfback Curtis Blair, the Bulldogs played a good game before the large crowd but just couldn't seem to get the breaks.

Twice the Bulldogs were inside the Whirlwind ten yard line but bogged down.
Down field blocking and fast, experienced ball carriers are two of the main reasons for the strength of the Whirlwinds this year, and both traits were often displayed here Friday night. Adrian Helms accounted for the first score for the visitors with an 80 yard scamper on their first play from scrimmage. Half time score was 14-0.

Lawrence Cook, Spur's regular center and line backer, received a cracked arm bone in the Haskell game, prior to the Floydada game. Coach Sam Hawkes states that it is doubtful if young Cook will play much more football this season because of it. He played the Floydada game with the injury, thinking it only a sore muscle or a charley horse.

Coach Hawkes states that Don McGinty will probably be called on to fill the vacancy left by Cook's injury.

It is also doubtful, added the Coach, if Blair will get into the Crosbyton game. Blair has a pulled muscle in his hip that is being very stubborn about healing.

In previous recent encounters with the Chiefs from Crosbyton, the Bulldogs have an impressive seven-straight record. The Chiefs' last victory over Spur came in 1935 by a 13-12 score.

Although lacking experience and depth, the Crosby county boys have proven themselves to be scrappy and are capable of making their single wing offense work against the better defenses. Their standouts are J. V. Harkins, Dick McDuff and Bill Savage.

PLAYER OF THE WEEK
The Rowel sports staff of the Spur high school has chosen Frank Gabriel as the player of the week in last week's fray with Floydada.

Frank played a fine defensive game at his left end slot. He stopped many plays and made the Whirlwinds aware of the No. 80 on left end.

He is a senior this year and a two-year letterman. He has been shifted from fullback to the end slot this year. He is also an honor student in Spur high school.

MUSICAL PROGRAM FEATURING LOCAL TALENT TO START AT 2 P. M.

Saturday, October 25, is Community Day in Spur.
Sponsored by the merchants' committee of the Spur Chamber of Commerce, the Community Day programs throughout the summer have attracted large crowds from all over the Spur trade territory and have presented leading talent from nearly every community included in this area.

This Saturday will wind up the outdoor Community Day programs for the fall and winter, states George Gabriel, president of the chamber. However, the president continued, the chamber will continue an active program of work throughout the winter months.

Saturday Buck Denton will again serve as master of ceremonies and will present the Watts family of Spur in musical numbers including trick violin playing. Tex Sechrist is scheduled to render vocal solo numbers on the program. Bob Lewis, along with a group of young folks from the First Baptist Church, will present entertainment on the program. The Spur high school Band also will perform.

Homer Hindman, manager of the chamber, states that this will be one of the best entertainments of the year. "Bring the children and tell all your neighbors", he added.

For this year's Christmas program, the chamber has again made arrangements with Santa Claus with his reindeer to visit in Spur at 4 p. m. on Wednesday, December 10.

The seasonal plans also call for the return of the jolly elf to the streets of Spur on several occasions. The traditional decorations and Christmas carols also are included in the program.

USED CLOTHING DRIVE WEDNESDAY, OCTOBER 29
There will be a used clothing drive all day Wednesday, October 29, in Spur for the Community Service organization, states Mrs. Jessie Morrison, chairman of the collections committee.

The committeemen will collect all types of usable clothes, blankets, quilts, etc. for babies, children and adults. Those wishing to donate to this drive are requested by the committee to place the clothes in a bundle on their front porch properly tagged so that they can be picked up.

"We will also maintain a collection station all next week at the Dixie Dog Drive Inn" states Mrs. Morrison, "and clothing may be left there any time during the week."

QUATTELBAUM TO REPLACE WARNER IN COUNTY FHA
John Quattlebaum will succeed Howard Warner as county supervisor for the FHA in Dickens and Kent counties effective Monday, October 27.

Warner has held the position in Spur for the past two and a half years and will go from here to a similar position in San Angelo. He will be county supervisor for Tom Green and eight other counties.

Quattlebaum is a veteran of three years service in the Army Air Corps. He holds a degree in agriculture from Texas A. & M.

Fredrick W. Bennett Promoted to Rank Of Corporal Recently
Fredrick W. Bennett, 23, of Spur, Texas, has recently been promoted to the rank of Corporal. Bennett, a member of the 808th Engineer Aviation Battalion in Korea since April of 1952, was promoted on the basis of leadership qualities and the proficiency attained in his work. As the Message Center Chief in the Administrative and Personnel Section of Battalion Headquarters, he directs the flow of both incoming and outgoing messages and correspondence. He also maintains a file on all correspondence passing through the Message Center. As an additional duty, he volunteered to print up "The Invader", the Base daily newspaper.

Corporal Bennett entered the military service at Fort Sill, Oklahoma in August 1951, and received training at Fort Leonard Wood, Missouri. He has been awarded the Korean Service Ribbon and the United Nations Ribbon.

A 1947 graduate of Crawfordville High School in Crawfordville, Indiana, he attended Purdue University. Prior to entering the service, he was employed as a florist designer with Spur Flower's in Spur, Texas.

His wife, Billie, resides at 723 Carroll Street in Spur, Texas.

MRS. IDA LEA RETURNS FROM VISIT IN EAST
Mrs. Ida Lee of Spur returned to her home last week end following a visit in the East with her sister, daughter, and other relatives.

Mr. and Mrs. Murry Lea brought her home from Dickens upon her return to the county.

Board Of Directors For Ex-Students' Association Named

The four elected members of the Ex-Students' Association met and appointed a board of directors for the Ex-Students' Association for 1952-53. At the annual home coming next year each graduation class of Spur High School will be expected to meet and select a member from their respective classes to represent them on the Board of Directors.

The only required qualification is that he or she must live in Dickens or an adjoining county.

The first meeting of the board will meet Monday night, October 27, at 7:30 p. m. in the Chamber of Commerce office.

The following members are urged to attend: Homer Hindman, president; Everett McArthur, vice president; Billy Ray Barrett, secretary and treasurer; Mr. Bill Gregory publicity; and the following appointed members, Lewis Lee, 1916; Mrs. Henry Grubben, 1918; Foy Vernon, 1920; Mrs. Helen Williams, 1921; Mrs. Jack Rector, 1922; Mrs. Ollie Hindman, 1923; Mrs. Ustas Blumberg, 1924; Mrs. Harvey Holly, 1925; Tang Smith, 1926; Hazel Taylor, 1927; Archer Powell, 1928; Oscar Kelley, 1929; Mrs. Adrian Rickels, 1930; Mrs. Jack Simmons, 1931; Spencer Campbell, 1932; Raymond Powell, 1933; Mrs. Clarence Foreman, 1934; William Starcher, 1935; W. Science Studies Two-Tailed Mouse

PEARL RIVER, N. Y. — Not only political parties are split this year. Evidence of a division in the animal world is also apparent. But unlike the election year phenomenon, the split in this little mouse's tail is a very rare thing. One of the world's largest breeders of mice for experimental work said that in his 22 years of raising 25,000 mice a week, he had never seen such a specimen. The double appendage saved this one's life, because she was to be used as a test animal here at Lederle Laboratories. One scientist said that instead of injecting this mouse they would now attempt to mate her and get a batch of little "fork-taileds". He theorized that maybe they would be useful in research work that requires tail injections. "If you made a mistake on one," he said, "you could just try the other tail."

Citrus Basket For Autumn Decoration

Colorful table decorations that are seasonal, simple and stunning are called for now. A basket piled high with oranges and lemons, with some turning leaves tucked in between gives a festive atmosphere to your dining table.

You could use almost any shape or size of basket that you have on hand. The one illustrated uses about eight large California oranges with several lemons. A few autumn leaves, two ears of corn and several stalks of wheat are added for balance. Their warm tan and brown colors enhance the yellow and orange shades of the citrus fruit. For a finishing touch, surround the fruit-filled basket with low candles placed on brown leaves.

Both beautiful and tempting, this centerpiece is practical, too—the fruit can be used for eating, just pick-up style or in recipes. As the oranges are eaten, you can replenish the basket from your refrigerator. Oranges and lemons keep well at room temperature. When you are ready to change the centerpiece, cut up the oranges for salads or snacks, use the lemons in pies, puddings, or sauces.

Smaller baskets can be arranged on end tables, within easy reach of fruit-hungry guests. Bowls of fruit and nuts to eat casually near the TV or fireplace give a feeling of warm hospitality this time of year.

Mr. and Mrs. E. B. Buckner, Jr. and son of Lubbock visited Sunday with his parents, Mr. and Mrs. Ewell Buckner. They attended services at the Church of Christ.

Highway Community News . . .

A pork barbeque was enjoyed by approximately 60 people at the community center on Tuesday night of last week. The pig was donated by Bill Rucker and Earl Thomason. It was butchered and dressed by the men of the community and was cooked under the supervision of Cecil Estep.

J. Ross Kemp, traffic safety expert from the State Department of Public Safety, was the guest of the evening. There was the showing of a film that was also presented to other groups of the county. It was a grand film and should be a warning to each car

driver on the road. We appreciate it very much.

Buck (Herb) Cooper, a former resident of our community, passed away on Friday of last week from a heart ailment brought on by the shock of a car accident while riding with a son in Ft. Worth. He worked for a number of years in the home of J. Vernon Powell. He was known and well liked by everyone. Those at-

tending the funeral were Mr. and Mrs. Raymond Powell of Highway, Mr. and Mrs. Billie Powell of Spur, and Mr. and Mrs. Hermon Messer of Espuela.

The Forrest Martins are sporting a new car this week. They made a trip to Girard Thursday night to visit their daughter and family, the Jim Wyatts. On Friday they journeyed to Littlefield to visit their son, C. F., Jr. and family. They also attended the

football game and came back by Floydada to visit her father, W. C. Garrett, and brother, Jim Garrett.

Donnie Pace is busy this week running a row binder in the harvesting of his feed. The cold snap was a fair warning that the time has come to get it done. Bob Greer was out looking for a binder on Friday and said he was afraid of the weather, too.

A pink and blue shower was held for Mrs. Harriet Smith in the home of Mrs. Rose Dawson. Hostesses were Mrs. Ray George, Mrs. Conley Smith, and Mrs. Rose Dawson.

Refreshments of congealed fruit salad, punch and cookies were served. Those present and sending gifts were Mrs. L. L. Teague, Mrs. Nita Suits, Mrs. Mary Putman, Mrs. Earl Thomason, Mrs. Willie Smith, Miss Anita Putman, Mrs. Forrest Martin, Mrs. Ike Simmons, Mrs. Edna Hemphill, Mrs. D. L. Pace, the hostesses, and the honoree, Mrs. Smith.

A birthday party for Linda Deason was held at the same time and gifts were distributed to her on the arrival of each guest. Birthday cake was served to the children present.

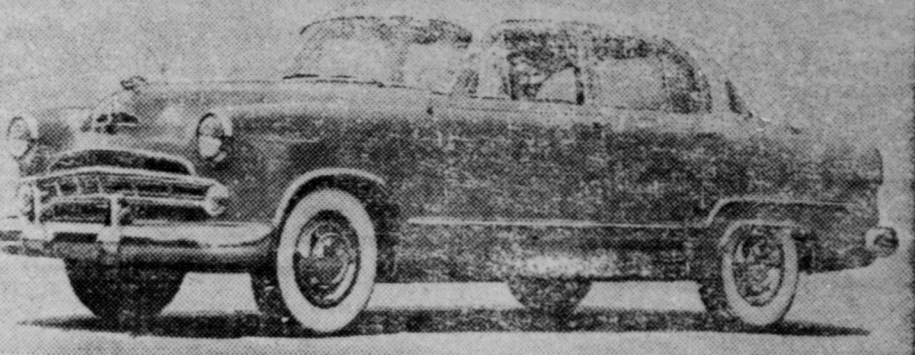

Mrs. B. B. Gideon and her daughter, Mrs. Lora Wooler of Success, Arkansas, attended church services at Highway Sunday.

Mrs. Francis Lynch and Miss Jayzelle Hahn of California are visiting their parents and grandparents, Mr. and Mrs. F. E. Walker.

Mr. and Mrs. Forrest Martin were Sunday dinner guests in the home of her sister, Mr. and Mrs. Walter Stephenson of McAdoo. Her sister Mrs. Jake Murphree, and Mrs. Jno Nunn of Borger were also visiting their father and grandfather, W. C. Garrett of Floydada.

The Earl Thomasons journeyed to Olton to work Saturday. They reported the work much better there.

New Dodge Features Sleek, Low Lines

Complete new styling is an outstanding feature of 1953 Dodge, now on display in dealers' showrooms. This Coronet four-door sedan typifies the new "action appearance" of the entire Dodge line. Coronet models have the new 140-horsepower Red Ram V light engine which develops its high efficiency on regular fuel. Both the Coronet and Meadowbrook series are available in a wide range of bright, new colors and two-tone combinations. The restyled Meadowbrook series retains popular "Get-Away" Six engine.

You couldn't ask for a **Better Time—Better Car—** or **Better Deal!**

If you have been eyeing this beauty for the past few months . . . if you've been wondering what kind of a deal you could make . . . you couldn't ask for a better time to drop around for the facts and figures.

For now's the time for a smart shopper to buy a new car. Now's the time to get the most for your present car. Now's the time to get style at a saving.

No need to worry about future style trends. They're already built in. Because of Mercury's forerunner design, you know you're making a sound investment.

And if you're on a budget (and who isn't?), remember this. This is the car that wins Economy Runs. Pound for pound (with optional overdrive) it's proved to be America's economy champion. And it gives you the kind of economy that includes comfort, size, weight, balance, and power.

So drop around. Let us give you the facts—and we think you'll want to do business now.

Standard equipment, accessories, and trim illustrated are subject to change without notice. White side-wall tires optional at extra cost.

Tom Williams has been having trouble by losing the pipe in a well about 270 feet deep. He was asked how much power it took to dislodge it from the mud and get it out. He said at least ninety thousand pounds. The well is back in operation now.

The Earl Doziers have been picking cotton near Croton for her father, but they are over the best part and are at home this week working.

Lloyd Womack filled his regular appointment at the Church of Christ Sunday. There were almost fifty people present. Come help us out. We are trying to reach the 50 mark next Sunday.

We are unhappy to report that Donnie Pace became very nervous, and it was feared that he might have an occurrence of his old ailment. He is better at this writing.

Luncheon Honors Eudora Hawkins

Mrs. W. R. Weaver entertained with a luncheon at 12:30 Tuesday, October 21, in her home at 918 West Harris, honoring Miss Eudora Hawkins of Abilene.

The centerpiece was Talisman roses and Pompon chrysanthemums. These flowers served as decoration throughout the house.

A three course luncheon was served to the guests who were officers and the yearbook committee of the Twentieth Century Study Club. Those present were Mrs. Jack Rector, Mrs. J. A. Koon, Mrs. James B. Reed, Mr. O. L. Kelley, Mrs. T. H. Blackwell, Mrs. O. M. McGinty, Mrs. L. D. Ratliff, the honoree, Miss Hawkins, and the hostess, Mrs. Weaver.

Mr. and Mrs. R. L. Benson attended the ACC-McMurry game in Abilene Friday. They also visited over the week end with A. Z. Hays, Myrtle and Ruth Bumpus.

MR. FARMER:

Don't you think control of the farm program should be in your hands?

Don't you think you are capable of running your own business?

Then vote for Texas Ike for President. He is pledged to decentralize the farm program, to place control on the state, district and county levels.

Here's what Ike said at Waco: "Our farm policies ought to begin, as well as end, out where the plowing and the planting are actually done. It should be a unified program, one in which the left hand knows what the right hand is doing."

Shower Honoring Mrs. Howard Given

A miscellaneous shower honoring Mrs. R. W. Howard, nee Ann Bateman, was given in the home of Mrs. Charles Scott on Saturday, October 11, from 4 to 6 p. m. Mrs. J. B. Kimmel served as co-hostess.

The brides chosen colors of chartreuse and brown were used in the decor of the receiving rooms.

The serving table was laid with a brown linen cloth and centered with an arrangement of water lilies. Fruit punch and angel food squares were served by the hostesses.

Approximately 75 people called or sent gifts.

SOCIETY

Mrs. Smith Hostess To Circle 4 Ladies

The ladies of Circle Four of the W. S. C. S. of the Methodist Church met with Mrs. Samatha Smith as hostess. Mrs. Porter gave the devotional. There were eight members present and one visitor Miss Etta Fite.

The committee on supplies needed in work, Mrs. Morris, Mrs. Shockley, and Mrs. Foreman, got linings, cotton, and thread. Two quilts were quilted and one in frames was finished after the meeting. Some comforts were re-

ady for sale and two more tops are ready to be quilted.

The motion was made and seconded that the committee get a gift for Mrs. Hairgrove, who is in the hospital at Abilene.

Thirty four visits were made, nine trays given, nine cards were made or sent since the last meeting.

After a refreshing drink was served by the hostess, the group formed a circle repeating a prayer in unison.

The meeting was adjourned to meet October 31 with Mrs. Lena Stubbiefield.

Party Honors Miss Janie Kaye Ensey On Third Birthday

Friday, October 17, little Miss Janie Kaye Ensey was honored with a party on her third birthday in the home of her parents, Mr. and Mrs. Richard Ensey, 619 N. Burlington.

The Halloween motif was carried out with each guest receiving a Halloween hat as he arrived.

After games were played, and the honoree had opened her gifts, a refreshment plate of fruit punch, cake, Dixie cups and "trick or treat" candy was served to the following little guests: Tommy Joe Allen, Linda Lackey, David Godfrey, Steve Horton, Brenda Ray, and Vickie Clifton, Maxine Steele, Margaret Prickett, Linda Daughtry, Evelyn Patrick, John Gruben, Sue Stanford, Susan Adams, Halla Francis, Linda Smith, Wayne Alan, Steve Ensey, and the honoree.

Those sending gifts but unable to attend the party were Becky Muth, Diana Innes, Morris and Don Steele.

Apollo Club Meets With Mike Hairgrove

Mrs. Henry's Apollo Club met with Mike Hairgrove Thursday night, October 16. The lives of Bach and Beethoven were read and discussed by Tim Hurst and Sandra Caplinger.

Refreshments of cookies and punch were served to Mary Dee McArthur, Linda Waggoner, Tim and Kathy Hurst, Rosella and La Nell Marcy, Sandra Caplinger, Mike Hairgrove, and Janis Powell.

Vera Lynn Crafton, student at Draughon's Business College, spent the week end with her parents, Mr. and Mrs. Oscar Crafton.

Mrs. Lee Parker Celebrates Birthday

A birthday dinner was given October 19 in the home of Mr. and Mrs. Lee Parker honoring Mrs. Parker. For the dinner, which was given by her children, a large birthday cake was baked by Ross Culbert of the Spur Bakery. The top layer was inscribed "Happy Birthday, Mother."

A dinner of chicken and dressing, a roast, meat loaf, gravy, salad, pies, cakes, tea, and punch was prepared by the children.

The children, who arrived Friday and Saturday, presented Mrs. Parker with a number of gifts. All the children but one son, Mr. and Mrs. Henry Parker and children of San Antonio, and two grandsons, A/3c Clifton Williamson and John Gatha Williamson, were present.

Those present were Mr. and Mrs. Aaron Parker and children, Eldred Parker and children, Wendell Parker, Dalton Roberts and children, Leland Rankin and children, Lee Williamson and children, Mr. and Mrs. J. T. Brice and family, Mrs. A. B. Singleton and family, Mrs. Billy Joy Brice and baby, Mr. and Mrs. J. V. McCormick and children, Mrs. Verdie Bill Johnson, and Mr. and James Whitlack.

I hope you won't mind - if I tell you what a wonderful thing you're doing and how proud it ought to make you feel, says Loretta Young

The wonderful thing I want to tell you about is something that you and I and millions of our friends and neighbors all over America are doing. Investing in U. S. Defense Bonds!

I think we ought to be proud that we're a part of the great team of Americans who now own more than 49 billion dollars worth of our country's interest-earning bonds. For this is the greatest success story of its kind in history!

A great success story proving that we Americans are determined to keep ourselves, our families, and our country strong and independent.

I hope you feel as proud of what we're doing as I do. And I hope you'll keep on investing in U. S. Defense Bonds regularly through the convenient Payroll Savings Plan where you work, or the Bond-A-Month Plan where you bank.

Great News! New money-earning features for U. S. Defense Bonds!

FIRST—Series E Bonds now begin earning interest after only 6 months. They earn 3% interest compounded semiannually when held to maturity. They reach full maturity value earlier (9 years 8 months) and the interest they pay is now bigger at the start.

SECOND—Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date —without your lifting a finger!

THIRD—During the 10-year extension period, every unexpired bond earns at the new interest rate (average 3% compounded semiannually).

FOURTH—If you want to be paid the interest your bonds are earning every six months, or if you want to invest more than the present \$20,000 limit for E Bonds, ask at your bank about the new Series H, J and K Defense Bonds that pay 2.76% interest!

Peace is for the strong. For peace and prosperity save with U. S. Defense Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council and

MAY WE TRY TO GET BY FOUR MORE YEARS

The Republican seed sprouted and grew. In the simple minds of quite a few. And many people who's minds ain't rite, Have made up their minds to vote for Ike.

They've promised a lot, and they'll promise more, Let's look and see what they've done before. Twenty years have passed and yet Those Hoover days I'll never forget.

When Hoover was in I lived on a farm, A dollar bill looked as long as my arm. I never saw a ten dollar bill, And if Ike is elected, I doubt if I will.

When Hoover was in things were really tight. The rabbits were scarce, and the fish wouldn't bite. The men were too ragged to go anywhere, And women wore flour sack underwear.

Remember men when you cast your vote, If you vote for Ike, you'll cut your own throat. Would you rather have a life of ease, Or live on gravy and black-eyed Peas?

Ever since nineteen hundred and thirty-two, The Republican party has been in a stew. They've called the Democrats nasty names, But the banks stayed open just the same.

If Ike is elected, I'll move to the farm, I'll plant some tatters behind the barn. I'll steal my neighbor's roasting ears, And try to get by four more years.

Costly Cattle Grubs Can Be Controlled

COLLEGE STATION, October 23. Extra feed is required for cattle infested with cattle grubs and there is no profit in feeding these parasites, says U. D. Thompson, assistant animal husbandman for the Texas Agricultural Extension Service.

The losses caused by cattle grubs are borne by the livestock producer and he can do something about it, adds Thompson. These parasites annually cause damage to hides and high priced meat cuts that amount to millions of dollars to say nothing about lower milk production in the dairy herds. This loss could be added to the income of cattle producers and dairymen if the parasites were controlled.

Thompson recommends the use of a power spray -- with a pressure of 200 to 400 pounds. Lower pressures decrease the effectiveness of the treatment, he says. The animals should be held in a chute while they are being treated. The spray nozzle should be held no further than four inches from the back of the animals. It is best, says the specialist, to use a full gallon of spray on each animal and from 10 to 15 seconds are required for doing a thorough spraying job.

The spray material should consist of 7 1/2 pounds of 5 per cent rotenone dust for each 100 gallons of water. Mix it thoroughly, says Thompson.

The first application should be made as soon as the grubs appear in the animals backs and repeat at intervals of three weeks as long as needed. Three or four treatments are usually sufficient to get good control.

A good control job should result in weight gains for cattle of up to 20 per cent and materially increase the value of the hides and cattle when they are marketed.

He's got a trick-play called the "muleback sneak"

Wait'll you hear Francis' advice to the lovelorn

Francis is doing a little brass polishing

The dairyman with grub free herd can expect a good increase in the herd's milk production and, adds Thompson, a good job done now means there will be few or no heel flies next spring. Animals tormented by these parasites lose weight rapidly and is coupled with milk losses for the dairy herd. Controlling the cattle grub breaks the life cycle of the parasite and thus stops the damage from grubs and the multiplication of the heel fly.

Right now feed is about the most important item being considered by livestock producers and Thompson says, the animals cannot fully utilize their feed if they are heavily infested with grubs. Thompson adds that local county agricultural agent will be glad to supply additional information on controlling this livestock profit robber.

Difference Between Divorce and Annulment Explained

Notice of the filing of suits for divorce appear daily in our newspapers. Something has gone wrong with the marriage, and one of the spouses is asking the court to end the marriage by granting a divorce.

Occasionally, however, we read that someone is suing for an annulment of their marriage. The average reader may be inclined to say, "What is the difference?" Obviously the marriage is terminated if the court grants the petition, whether for divorce or annulment.

In the case of a divorce, the plaintiff (the person asking for

an end to the marriage, whether the husband or wife) recognizes that the two parties involved were validly married and that there is an existing valid marriage.

The plaintiff alleges, though, that the other spouse has been guilty of some act which the law says constitutes a ground for divorce. If the divorce is granted, a marriage that actually exists is terminated legally by the court.

In effect, the court tells the couple that they were validly and legally married at one time, but no longer are.

ANNULMENT DIFFERS

In the case of an annulment, however, the plaintiff alleges that there never was a valid marriage in the first place because of some impediment of the parties or because of some fraud in its inception.

In this case the court must determine whether there ever was a valid marriage. If the court agrees with the plaintiff, the decree says in effect that the couple never was legally and validly married, and is not now.

Such a decree of annulment establishes for the public record the fact that the marriage was and is invalid according to law.

form of a divorce or an annulment, the decree will have no effect on the legitimacy of the couple's children. Our statutes provide that the children of couples whose marriages have been declared null shall nevertheless be legitimate.

Every divorce petition must set out the name, age, sex and residence of each child under 16 years of age born of the marriage

involved. Then, before a divorce may be granted, the trial judge is required by law to inquire into the "surroundings and circumstances" of each such child.

Having considered all the pertinent facts and circumstances, the court in granting a divorce may give the custody and education of the child to either the father or mother. The governing factor here is the judge's belief and findings with regard to the best interest of the child himself.

Either parent may be required to make periodical payment for the benefit of the child, and may be punished for contempt of court in event of failure to comply with the support order.

experienced in enforcing support orders against parents who move out of the state, as a person cannot ordinarily be extradited for the purpose of answering a contempt of court charges. However, many states (including Texas) have recently passed laws providing for the reciprocal enforcement of such order, which is bringing some relief in support cases.

(This column, based on Texas law, is written to inform, not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

BAPTIST CIRCLES

The Circles of the W. M. S. of the First Baptist Church met at the church for a Royal Service Monday, October 20.

Mrs. C. P. Scudder was program leader. Mrs. Hunter Wilson and Mrs. Henry Gruben read scriptures for the devotional thought. A round table discussion, "Christian Citizenship," was held by the members.

The members set a goal of \$1000 for the Lottie Moon Christmas Offering. Members were asked to bring used clothing to the circle meeting next Monday.

Those present were Mrs. Joe Long, Mrs. Wilson, Mrs. T. B. Allen, Mrs. Earl Burnett, Mrs. W. G. Hinson, Mrs. T. J. Seale, Mrs. Mary Francis, Mrs. E. L. Smith, Mrs. Scudder, Mrs. Grady Lackey, Mrs. Myrtle Whitwell, Miss Jenny Shields, Mrs. Gruben, Mrs. H. R. Burnham, Mrs. L. C. Ponder, Mrs. John Adams, and Mrs. L. W. Langston.

Mr. and Mrs. L. C. Senn and son, Loyd Clark of Rotan, were visiting with his brother, Mr. and Mrs. V. S. Senn and family, Sunday.

The Twentieth Century Study Club met Tuesday, October 21, at 8:30 p. m. in the home of Mrs. E. S. Lee.

Leader for the program was Mrs. W. R. Weaver. She introduced the guest speaker for the afternoon, Miss Eudora Hawkins, who is head of the Public Service Department of West Texas Utilities in Abilene and is a board member of the sixth district of Texas Federated Women's Clubs.

Miss Hawkins gave an interesting talk on the Economic System. Governing Homes of the World. She discussed this subject under four heads: To Identify Socialism and Communism, Supremacy of American Way of Life, To Understand American Way of Life, and To Preserve American Way of Life.

Guests present were Mrs. Page Gollihar, Mrs. Roy Stovall, Miss Hawkins, and Mrs. Pat Williams of Dallas. Members present were Mrs. Fannie McNeill, F. B. Crockett, O. L. Kelley, O. C. Arthur, Jack Reator, P. C. Nichols, E. L. Caraway T. H. Blackwell, George S. Link, Eric Foster, O. M. McGinty, L. D. Ratliff, J. A. Koon, Henry Gruben, Cliff Bird, James B. Reed, A. M. Walker, W. R. When a young girl's fancy turns to Cooking

On an Electric Range, cake icing can be prepared in a regular saucepan. No double boiler needed because the heat's so evenly measured and distributed. No scorching the bottom of the pan, either, because there's no flame or soot.

"Yes, Judy, cooking on our Electric Range is exciting! Electric cooking is so clean, so fast and so easy!"

"And we certainly make the best use of our Electric Range to cook complete meals... Dad sure loves these delicious roasts, tasty pies and cakes, and he's proud of those economy meals. Our food tastes better, cooks easier, and we save time and energy, too. By the way, dear—those cake layers should be ready by now. That bell you just heard was the automatic reminder. It's saying, 'Cake's done!'"

"You might say that our Electric Range is like an automatic cook. It does the work, and you don't have to worry about it."

"Another nice thing, you don't have to clean the kitchen so often, because there's no smoke and no soot. The kitchen stays cooler, too, because the heat goes into the food, not the air."

DID YOU KNOW...

with an Electric Range you can:

- Melt chocolate squares in waxed paper on a surface unit... save natural vitamins and minerals by cooking vegetables with very little water... roast meats perfectly with a minimum of shrinkage... pop corn or sterilize baby's bottles in the deep-well cooker... have delicious "charcoal-type" broiling with no flame? Did you know that housewives everywhere are switching to Electric Cooking, the modern way?

The modern Electric Range is truly automatic. The automatic clock timer starts the oven, shuts it off when things are done—while you are doing other work, or just relaxing.

For real convenience and economy the deep-well cooker can't be beat. You can warm rolls, make stews and soups, bake beans, even cook complete meals in this wonderful cooker.

Mother Knows Best... of Course, it's Electric!

Million Dollar Ride—Buick's exclusive Dynaflo Drive*—Buick room—Buick's Power Steering†—Buick comfort, Buick style—and Buick durability.

And when it comes to price—you will find out this: What you pay for a SPECIAL, a SUPER or a ROADMASTER RIVIERA will shine by comparison with the price tag of anything in their fields.

Isn't that enough to make you want to try out a RIVIERA today?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost on Roadmaster and Super only.

YES, this is a RIVIERA. Sleek and swift-lined, like a convertible. Solid-topped like a sedan. Six-passenger roomy—and just about the smartest number that's made its bow in years.

And how folks love it. The day it was first displayed, orders started rolling in.

The rest of the industry took a look—and decided to make a carbon copy.

Over the years, these "hard top" jobs have spread to every price range—including the big-volume, lower-priced three.

But this Buick version has forged ahead in popularity—and today it's the "best seller" in the whole "hard top" field—bar none.

What's the reason?

Well, it is—as you can see—a smoothie to look at and a smoothie to drive.

It's a Buick—with Buick's famous Fireball 8 Engine—Buick's marvel

Sure is true for '52

FFA Boys Report On Trip To Kansas City

(Editor's note: The following report was submitted by the two boys representing the Spur FFA chapter at the national convention at Kansas City.)

We left Spur Sunday morning about 11 o'clock. Mr. Gregory carried us to Amarillo and there we boarded a train. The FFA boys had a special car; on this car there were 21 boys from different towns in this part of the country.

The towns closest to Spur that sent representatives were Quail and Floydada. This group was under the leadership of Mr. James B. Price, an agriculture teacher of Floydada. Mr. Price was a swell man and each boy learned to like him very much. There were two other men besides Mr. Price. The train left Amarillo about 6:15 p. m. Sunday, and we arrived in Kansas City Monday about 6:45 a. m. Monday. After arriving, we immediately went to the Pickwick Hotel where we had reservations.

Monday morning we registered, and then we were free for the rest of the morning and that evening until 8 p. m.

Monday afternoon we went on a tour. This tour carried us through the Ford Assembly Plant and the Butler Manufacturing Company. The plants both proved to be very interesting.

Monday night the first session was called to order by National

President Donald Stahell. After the opening ceremony the National FFA band was introduced to the group. The band, consisting of 112 members, played the "Star Spangled Banner" as their first number.

Monday night the public speaking contest was held. Bruce Ayers from Virginia won the contest.

After the public speaking contest the National Chorus was presented, and their first number was "Peter On The Sea." The chorus consisted of 110 members representing 32 states. The chorus was also very good.

The address of the retiring officers were very good. In their addresses they told of all the FFA activities they had participated in during the year.

Then a member of the Future Farmers of Canada spoke; he told of how the FFC had founded their organization of the FFA.

The American Farmer Award was presented to 300 or 325 Future Farmers. There were 35 American Farmers from Texas. In the group that traveled together from Amarillo there were two American Farmers. They were Jack Aaron from Quail and Bud Kamp from Sudan.

The Star American Farmer Award was presented to four boys. The Star Farmer who had progressed the most was Wayne Yager who represented the Central Region. Wayne was presented \$1,000. The other three boys each received \$500. The four boys who received this award had very outstanding records in FFA work.

Thursday evening was the last session we attended.

We left Kansas City about 9:50 p. m. Thursday and arrived in Amarillo Friday morning around 10 o'clock.

We rode from Amarillo to Floydada with Mr. Price. There we attended Mr. Barber's agriculture classes that evening. Late Friday evening we reached Spur. The Floydada school was very nice to us; also they really had the school spirit and were yelling "Beat Spur."

Freddie and I wish to express our appreciation to the local FFA chapter for sending us to the convention. We know that we got lots of good from it, and we hope that the things we learned will help to improve our Ag chapter.
