VOLUME 44

Whoa, Now!

By Grady Lackey

Coach Bill Henry is rapidly establishing himself in the hearts and lives of the youngsters of Spur along with showing the city dads that he knows a little about football.

Coach Bill Henry

Coach Henry has produced an undefeated football team over at the junior high school this year, with a record marred by only one tie.

Head Coach Sam Hawkes and Superintendent C. F. Cook both speak very highly of the Howard-Payne product. They agree with other school patrons that a junior high coach must offer the boys much more than the fundamentals of football.

As for the way the young coach is stacking up with his players, the following incident might shed a little light:

Three of his football players brought up the accompanying picture of him and requested that we put it in our column. "We don't care if you have anything in there about us—just put about Coach Henry," one of them commented. Along with his coaching duties at junior high, he is helping the high school team by scouting opponents prior to their meeting the Bulldogs.

The junior high boys and the whole town are proud of Coach Henry and wish him all the luck as he continues in his career of making better men by making better boys.

The City Commission of Spur will soon reach the end of its two year tenure. We think that they are to be commended—even praised for the fine way they have carried on the business of our city and have met the ever rising needs of a progressive community.

Mayor Ned Hogan and Commissioners Joe Long and Dr. W. F. Patrick have individually and as a group marked distinct advances in our city and will be remembered as a progressive, sincere and conscientious commission.

Number One, both in cost and need, among the projects of the city during the 1951-52 period, is, of course, the hospital. Well on its way toward completion, the Spur City hospital will soon become one of the most modern hospitals in West Texas, serving a large population of rural West Texans.

Next on the list of city advancements in the last two years is probably the hiring and equipping of a city policeman. It seems the general opinion about town that the city commission used very good judgment both in their selection of an officer and the equipment provided him. We feel that this step forward has added both safety for life and property and dignity to our city.

Other accomplishments made by the city in the last two years that are well worth mentioning are the purchase and equipping of a new fire truck, the erection of new street lights on Burlington, the extension of city utilities service on both the east and west sides of town, the annexation of sizeable areas, the completion of a modern and ample sewage disposal plant, the maintenance of an ample water supply even during the present drought, the beautification of the city park, and the numerous smaller and routine responsibilities of running a city.

Surely, we've disagreed with them on several instances, and they with us, likewise, but in all, we've enjoyed watching the city progress under their leadership.

We don't mean to infer that

Rotary Sweetheart For November Is Miss Alice Crockett

The Spur Rotary Club met at noon Thursday, November 6, for a regular meeting. Jack Godfrey served as chairman of the day with E. S. Lee giving the invocation.

The visiting Rotarians introduced were John Thomas of Ralls, O. V. Farnsworth of Abilene, and Jim Dennard of Ralls.

The program of the day was presented by Miss Ruth Lopez, Miss Naomi Lopez, and Mrs. John Carter, daughters of Rev. A. Lopez. The girls sang a classical song in Spanish. Following this they sang "Near to the Heart of God" in English accompanied by Carolyn Kelley, and then they sang it in Spanish to show the difference in the rhythm.

After announcements were made, the Rotary Sweetheart for the month of November was introduced. She is Alice Crockett, a junior in high school.

Rev. T. B. Allen was speaker for the day. His speech was based on the book, "Wake Up or Blow Up," by F. C. Leboch.

Students, Sponsors Attend Workshop

Saturday, November 8, eight Spur students entered in the Texas Tech Interscholastic League workshop in Lubbock. Spur was represented with two debate teams, two extemporaneous speakers, and two declamation students.

At 9:30 a. m. the assembly of all the students entered in the workshop began in the Aggie auditorium. The assembly continued until 10:15 a. m., and then each group entered in different activities went to the designated place. The meetings were dismissed at 11:45 a. m. and resumed again at 1:15 p. m. No place winners were selected, but critics explained mistakes and what was needed to remedy them.

The Spur debate teams were opponents to two Lubbock teams. The Spur debaters were Frances Wilson and Wanda Cunningham, Duffy Austin and John Rankin. Extemporaneous speakers from Spur were Jean Boothe and Marjaine Driggers; Carolyn Kelley and Jackie Cloude were entered in declamation.

Mrs. Jay Austin, Mrs. Oscar Kelley, Miss Rena Noack, and Miss Louise Elder were the sponsors.

Sheriff-Elect Rogers Names Tullis Deputy

Sheriff-elect Cleo Rogers announced this week that he will recommend the employment of Duward D. Tullis as his deputy.

Tullis will be considered along with other county employees at the first regular meeting of the new county commissioners court in January, 1953. Judge W. H. Hindman states that the court customarily hires deputies solely on the recommendations of the county sheriff and will thus consider Tullis.

Tullis has recently been employed by Spur Bakery. He first came to Spur in 1936 and since that time has lived here about 12 years.

He is a veteran of five years service in the Field Artillery, having served two years in the Pacific area.

He is a member of the local VFW and American Legion organizations.

COLD SPELL BRINGS 19 INCHES MOISTURE

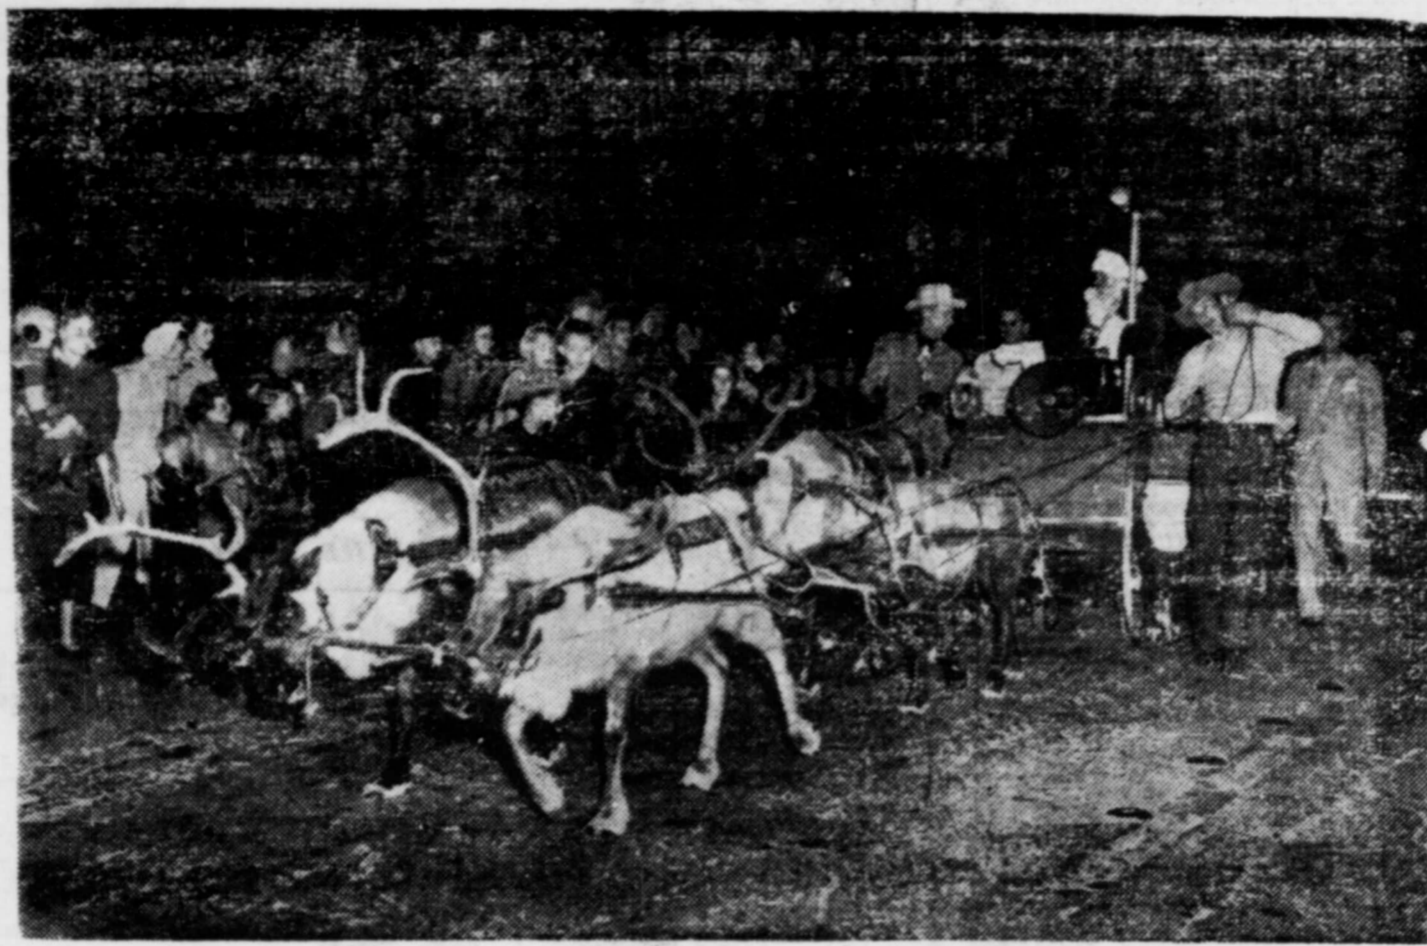

Spur and Dickens county got a good taste of winter this week with the temperature dropping to a season's low of 28 degrees early Monday morning.

This moisture was recorded at the Spur Experiment station and is fairly representative of the light fall over the county. It was far from sufficient to even dent the drought conditions existing.

They have completed their job and that there is nothing left for them to do between now and city election time in the Spring. We don't know what their plans are concerning next Spring's election and we wanted to get in this little squib before any firm commitments one way or the other because we're not campaigning for any one or all of them—we're just pointing out a few of the things done by three very capable and honorable men.

Sixteen men and Miss Gayle Reese, special guest, were present for the meeting.

SANTA CLAUS AND HIS REINDEER TO VISIT SPUR ON DECEMBER 10

Pictured above is Santa Claus and his reindeer as they will appear in Spur on Wednesday, December 10, at 4 p. m. The merchants' committee of the Spur Chamber of Commerce is planning an extensive Christmas program for Spur which will feature Santa Claus and will include a big parade, contests, free candy, Christmas caroling, etc. The big parade to open the season will include bands, pep squads, and floats and will be the largest Christmas parade ever held in Spur.

MR. AND MRS. SHIPMAN MANAGERS OF SPUR CAFE

The Spur Cafe, under the new ownership of Mr. and Mrs. A. Shipman, will have free doughnuts and coffee Friday, November 14, from 2 p. m. to 4 p. m.

Mr. and Mrs. Shipman have had eight years' experience in the cafe business before coming to Spur.

The Spur Cafe was formerly owned by George Lisenby.

Miss Barbara Sharp Elected Sweetheart

Barbara Sharp has been elected Spur F. F. A. Sweetheart for the school year of 1952-53. Miss Sharp, who is a junior, will represent the local chapter in various contests.

The Spur F. F. A. Chapter held its regular meeting Monday night, November 10. During the meeting the chapter decided to sponsor a donkey basketball game, which will be held December 8. Further information will be available later this month.

Miss Barbara Sharp

After committees were appointed and the regular meeting was adjourned, a special session was held to eliminate candidates to go to Cooper. The candidates chosen will represent the Spur F. F. A. chapter at Cooper in parliamentary procedure, farm skill, and F. F. A. broadcasting. The boys will leave November 13.

Friday, November 7, the regular assembly was sponsored by the Spur F. F. A. department. The F. F. A. Harmonizers opened the program by playing and singing "Jambalaya." Chapter president Hershel Wade introduced the newly elected officers.

Following another song by the Harmonizers, the Godfrey and Smart Motor Company, represented by Fike Godfrey, presented the keys for the courtesy pick-up to Bill Gregory.

TEXACO SERVICE STATION UNDER NEW MANAGEMENT

The Texaco Service Station at 102 West Hill is under the new management of Elgie Rudder.

The station was formerly owned by Gail Smith.

East Warders Gather Toys For Christmas

The recent toy collection drive sponsored by the collections committee of the Community Service Committee has been reported successful.

The drive was held through the classes of the East Ward schools with the winning groups from each building receiving free theater parties. Winning rooms were those of Mrs. John L. Floyd and Lester Ball. The pupils will see "Duel at Silver Creek" next Monday at the Palace.

Toys gathered by the students were judged on quantity, usability and value by judges Cecil Fox, Mrs. Nina May King and Mrs. Pat Soladay.

The toys will now be turned over to the Boy Scouts, who, with the aid of the veterans' school and the FFA, will repair and repaint the toys for Christmas delivery to needy children.

The local high school chapter of the FFA helped in the collection of the toys.

The Committee is now making plans for the county Thanksgiving program and will co-ordinate the preparation and delivery of dinners and baskets to needy families.

The next regular meeting of the group will be held Thursday, Nov. 20, at 9:30 a. m. in the local Chamber of Commerce office.

Seven Spurites Are Enrolled At H-SU

Seven persons from Spur are among the 1450 students enrolled at Hardin-Simmons University this fall. They are Joe Randall Simpson, Emma Lena Simpson, Carole Denson, William Milton North, Margie Lou Campbell, Kenneth Allen Watson, and James Alfred Criswell.

Reserve Officers' Training Corps courses are being offered at Hardin-Simmons this year for the first time. Freshman and sophomore male students are required to take the basic course in the branch general ROTC program. Advanced courses are also being offered.

Emma and Joe Simpson are the daughter and son of Mr. and Mrs. J. E. Simpson. Joe is a member of the P. E. Club, Rodeo Club, baseball and basketball teams. He is treasurer of the Student Council. Mrs. Denson is the daughter of Mr. and Mrs. O. L. DeWess. North, the son of Mr. and Mrs. Van North, is a member of the Cowboy band. Miss Campbell, the daughter of Mrs. C. W. Spur Merchants Host Latin Americans; Parade, Music, Contests Planned

Buenos dias, amigos! Saturday, Nov. 15, is Latin-American Day in Spur, with the Mexican families of this area and visiting farm laborers from South Texas and South of the Border the special guests of the merchants of Spur.

The gala event will include a big down-town parade, music, singing, dancing, contests, and an array of prizes from the merchants.

The big parade is scheduled to begin at 2 p. m.

Valuable merchandise prizes will be given to the family coming the greatest distance to Spur, to the largest family, to the oldest mother and to the youngest mother.

Contests will be held to determine the winners of other valuable prizes. These contests include accordion players, mandolin players, guitar players, quartets, Spanish dancing, and Spanish costumes.

Area merchants have requested that farmers and ranchers cooperate in this program by telling their Mexican employees about it and by making it possible for them to attend.

The entire program has been planned with the assistance and supervision of local Mexican peo-

TITLE GAME SET FOR 8 P. M. IN TAHOKA STADIUM TOMORROW

The Spur Bulldogs will match forces with the Tahoka Bulldogs in a battle for the District 6-AA crown tomorrow night in Tahoka.

Tahoka, defending district champs, have already rung up wins over Post and Slaton with scores very similar to Spur's winning scores over these two district teams.

A slight edge in total scores throughout the season has caused most South Plains dopsters to favor the host team. Many, however, have listed the game as a toss up.

The Tahoka aggregation runs off of the winged T formation. Main sparks seem to be John Foster in the line and John Ablet the most able in the backfield.

Enthusiasm over town indicates that there will be a mass migration of football fans trekking behind the Bulldogs Friday.

The businessmen, working men, farmers, ranchers, professional men, etc. plan to gather over at Jones stadium this afternoon during Spur's final workout preceding the big game to show the Bulldogs that the town is really behind them and is pulling for them in this final fray. A special bus has been chartered to carry the team to Tahoka.

Last Friday night the Bulldogs continued their journey toward a district 6-AA championship with an impressive 25-7 victory over a visiting Slaton eleven.

Dean King scored for the Bulldogs early in the first quarter on a 20 yard jaunt.

Soon thereafter the Bulldogs took over again on downs and marched to another TD. Although Curtis Blair toted it over from the two, the score was set up by a sparkling end-around play with Franklin Gabriel carrying the ball for a 30-yard gain.

Half time score was Spur 12, Slaton 0.

The Bulldogs came out strong again in the third quarter with George McAteer tossing a lateral to Fullback Tommy Hightower who scooted 58 yards to score.

Jackie Cloude converted to make the count 19-0.

Hightower scored again late in the third quarter from the two yard line.

Reserve halfback James Kidd thrilled the crowd with a nice run only to have it called back.

Slaton scored on a pass interception and a 98 yard run in the final stanza. Final score: Spur 25, Slaton 7.

6-AA JOINED BY ABERNATHY, FLOYDDADA FOR '53 SEASON

Returning from a district 6-AA meeting Tuesday evening in Slaton, Coach Sam Hawkes reported that Floydada and Abernathy will compete in District 6-AA next year.

These two new members will extend the district membership to six teams including also Post, Slaton, Tahoka, and Spur.

Coached by Ralph Marshall Patton dealt out defeat to all other district teams including Jayton, Glard, Dickens, Flomont, Guthrie, Roaring Springs and Southland.

The bi-district game will be played in Jones Stadium beginning at 7:30 p. m. one week from tomorrow night. Admission charges will be \$1.00 for adults and 50c for students.

HAMILTON SPEAKS AT P-TA MEETING WEDNESDAY

L. P. Hamilton, local employee of the State Department of Public Welfare, addressed the East Ward Parent-Teacher Association yesterday, Wednesday, Nov. 12, on the subject "Under-privileged Children."

He pointed out that parents and teachers should observe the child as a whole and not look only at his ragged shirt.

He stressed that underprivileged children might lack other things than financial means. Other needs discussed are physical, mental, and esthetical.

The Soldier Mound Home Demonstration Club members hosted Espuela Club members Thursday, November 6, at 2:30 p. m. in the home of Mrs. Henry Gruben. The occasion was Food Achievement Day.

On the food program food leader, Mrs. Cal Martin and Mrs.

Hade Condon, presented a demonstration on "Let's Fill the Cookie Jar." After the cookies were baked, each member was given a score sheet and asked to grade the cookies according to appearance, color, moisture, content, texture, lightness, and flavor.

Miss Wanda Rhine, home economics teacher, was present to judge the baked products brought by each member. Mrs. F. B. Crockett from the Espuela Club won a blue ribbon and the highest score of 98 with a sponge cake. Mrs. Dee McArthur won a blue ribbon and a high score of 96 with a pecan pie. Several other blue ribbons were awarded.

Mrs. Van North closed the program by speaking on "Safety practices in the Use of Electricity" and showing a film entitled "The Shocking Truth."

Refreshments of sponge cake and hot spiced apple juice were served to the following: Mrs. W. E. Ball, Mrs. Don Ramsey, Mrs. Crockett, Mrs. Ollie Hindman, Mrs. Martin, Mrs. John Aston, Mrs. Dee McArthur, Mrs. North, and the hostess, Mrs. Gruben.

The next meeting will be with Mrs. Ollie Hindman Thursday, November 20, at 6:30 p. m. for the annual Thanksgiving dinner.

The Women's Society of Christian Service of the Methodist Church observed the Week of Prayer Program Monday, October 27, in all day services at the Methodist Church. The program theme was "Ventures of Faith" and the time was spent in meditation and prayer. Inspiring solos were sung by Mrs. Jim Barron and Mrs. Jack Moore. During the noon hour Barbara Sharp, Alice Jo Crockett, Billy Gregory, and Betty Sue Dyess sang "The Spirit of God" accompanied at the piano by Mrs. Sam Hawkes.

Others attending the services were Mrs. Gollihar, Mrs. Homer Hindman, Mrs. Stephenson, Mrs. Echols, Mrs. Bingham, Mrs. Evans, Mrs. Payne, Mrs. Johnson, Mrs. Gilbert, Mrs. Howell, Mrs. Rector, Mrs. Foster, Mrs. Ensey, Mrs. Sailer, Mrs. Link, Mrs. Koon, Mrs. Mann, Mrs. McCully, Mrs. Laine, Mrs. Wright, Miss Etta Fite.

Recital Is Held In Mrs. Williams' Home

Mrs. Al C. Williams' high school and junior high pupils met in a candlelight recital at her home at 617 North Miller Thursday, November 6.

Each pupil lighted a candle to good music habits, true rhythm, correct fingering, etc. Each played a number by candlelight.

Those who presented numbers were Marlene Driggers, Nancy Smithy, Ann Austin, Ann Reagan, Mary Sue Bigham, Ada Beth Reader, Ruth Ann McAber, Jerry Waddell, Mary Ann East, Melba Love, Gail Williams also played a selection. Jean Boothe was a guest.

Cakes and cookies were served and movie tickets were given to those present to attend "Wildfire."

Wedding Is Planned By Megill, Roberts

A December wedding is being planned by Miss Gloria F. Megill and S/Sgt. Raymond D. Roberts, son of Mrs. Levi Meador of Spur. The engagement was announced November 2 by the bride's parents, Mr. and Mrs. Ralph M. Megile, Sr., of Dorothy Drive, College Park Maryland.

The prospective bride as a graduate of the Palm Beach High School, West Palm Beach, Florida, and S/Sgt. Roberts graduated from Arlington High School, Arlington, Texas.

S/Sgt has served five years with the Air Force and is now stationed at Palm Beach International Airport, West Palm Beach with the 1707th Training Sq. (Amph). S/Sgt. Roberts has completed the required test for Officers Candidate school and will be assigned to an AF school within the next few months.

Norma Ruth Gruben Celebrates Birthday

Norma Ruth Gruben celebrated her eighth birthday with a party in her home Monday afternoon, November 10. Guests arrived at three o'clock and enjoyed numerous indoor and outdoor games before assembling in the living room to witness the opening of gifts and to sing "Happy Birthday to You."

The dining room table was laid with a white crocheted cloth and was lighted by novelty little girl candles surrounding the birthday cake which was decorated with red, white, and blue candles and small American flags.

Plate favors were miniature magnets and metal clovers.

Refreshments of birthday cake, ice cream, and soda pop were served to Judy Morgan, Margaret Elder, Priscilla Wood, Susan, Janie and Tommie Hawkes, Rickie Ensey, Joe Wallace Bingham, Eldon Ray Fox, and the honoree, Norma Ruth.

The oldest health stamp in existence is the Christmas Seal, sold once each year to provide funds for fighting tuberculosis.

FOR BETTER ROADS AND SAFER RIDES SUPPORT PAR—Project Adequate Roads

When involved as a party to litigation everyone wants, and is entitled to, a jury of 12 disinterested and completely impartial persons—men who will try the case fairly on the law as stated by the judge, and on the evidence admitted at the trial. This kind of jury is what lawyers and judges are trying to secure when they orally examine members of a jury panel.

To be questioned and challenged by a lawyer and excused by the judge is not a reflection upon the prospective juror's integrity or intelligence. It simply means that, in one particular case, the judge may deem it proper to excuse that person.

There are many reasons why a person originally called for a jury panel might not be a fair impartial juror. He may be closely related to one of the litigants, have a business relationship with one of the lawyers, or have personal knowledge of the case to be tried. He may show some leaning, one way or the other, regarding the type of case being tried that would make it difficult for him to render a strictly impartial verdict.

Even where there is no condition producing a conscious or readily apparent bias, a lawyer may ask that a panel member be excused under the peremptory challenge allowed his client. He usually does this because he feels there is something in that person's background which might unconsciously sway his judgment, even while honestly attempting to be absolutely fair. Many apparently irrelevant questions may be asked by an attorney in reaching a decision regarding this unconscious factor.

Under the law each juror must be a citizen of Texas and of the county in which he is to serve. He must be qualified to vote in such county, except that he need not have paid his poll tax. He must own land within the State or he must be the head of the household within the county. He must

be of sound mind and good moral character and able to read and write the English language. A juror is not qualified for service if he has served as a juror within a certain specified length of time. No one who has been convicted of a felony is qualified to serve as a juror, nor is an individual who is under indictment or other legal accusation of theft or of any felony.

The statutes of Texas exempt certain persons from the obligation of serving as jurors. Persons over sixty years of age, civil officers of the State or the United States, ministers, physicians, attorneys, publishers of newspapers, school master, druggists, undertakers, telephone operators, railroad station agents, ferrymen, millers engaged in grist, flouring and saw mills, certain railroad officials, firemen and certain

Forestry employees may claim exemption from jury duty. The exemption must be stated and claimed under oath.

(This column based on Texas law, is written to inform—not advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Mr. and Mrs. W. H. Jones of San Antonio visited in the home of her niece, Miss Roberta Phelps, Monday. They were enroute to Post where they visited with his brother.

Van Phelps, who lives in Roaring Springs since his discharge, visited with his aunt, Miss Roberta Phelps, Sunday afternoon.

Mr. and Mrs. M. L. Rickels visited in the home of their grandson and wife, Mr. and Mrs. JuRon Rickels, during the Baylor Homecoming at Waco. They were among the 45,000 that witnessed the colorful parade.

Start the cattle grub control program as soon as the grubs appear in the animal backs. Controlling the grubs now means fewer heel flies next spring. This parasite is a livestock profit robber.

Christmas Seal funds last year provided more than 250,000 chest x-rays for Texans.

Christmas Seal funds have financed major discoveries in the field of medical research on tuberculosis which in 25 years have lengthened the life of the average patient by 15 years.

GOOD HEALTH

1. CAN A PERSON WITH EPILEPSY BE HELPED?
 There are many reasons why a person originally called for a jury panel might not be a fair impartial juror. He may be closely related to one of the litigants, have a business relationship with one of the lawyers, or have personal knowledge of the case to be tried. He may show some leaning, one way or the other, regarding the type of case being tried that would make it difficult for him to render a strictly impartial verdict.

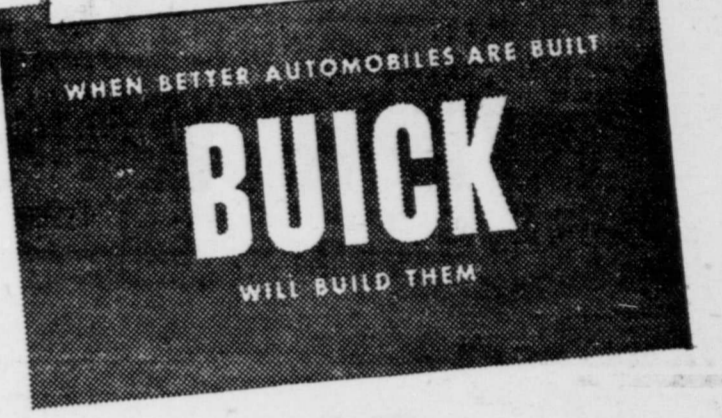

2. IS HOOKWORM COMMON IN THE UNITED STATES?
 about 15 to 16 thousand cases reported annually in the United States during recent years, mostly in our southern states. Improved sanitation and better living conditions can eradicate the disease.

3. WHAT IS MIGRAINE HEADACHE?
 Severe pain, usually limited to one side of the head, is the typical discomfort of a migraine headache. This pain is often accompanied by vomiting and general prostration and will last anywhere from a few hours to several days. Medical treatment is now combined with psychiatric care of the patient's personality. A great deal has been done by medical science to relieve the discomfort of migraine. Complete success in dealing with these headaches has yet to be realized.

GREAT GOING -any way you figure

Only Buick provides them all
 DYNAFLOW DRIVE • FIREBALL 8 ENGINE
 NEW WIDE-BAND BRAKES • MILLION DOLLAR RIDE
 TOP-CAPACITY TRUNKS • NEW TWO-TONE INTERIORS
 SWEEPSPEAR STYLING • POWER STEERING!
 EASY-EYE GLASS**
 Plus These, Too, On ROADMASTER
 AIRPOWER CARBURETION • NEW SILENCE

NUMBER ONE item on most anyone's list of automobile "musts" is power—the life and lift of your going.

In this Buick SPECIAL you get a valve-in-head high-compression Fireball 8 Engine that can pour out a wealth of the thrilling power you ever held rein on—more power per dollar than you'll find elsewhere.

Number Two is ride—the way you go—the comfort and steadiness and luxury of your travel.

Every Buick has big soft coil springs on each wheel to cushion your way—and an unyielding torque-tube that firms and steadies your ride. Yet these are just two of the fifteen

Buick ride features that cost, literally, more than a million dollars to engineer.

Then there's style, there's room, there's visibility, there's handling ease—all part of your travel—all helping to make the difference between good going and great going.

But price is very much part of the picture, too—what you pay for what you get.

So when you add in the big horsepower rating you get in a Buick, plus the extra thrill and thrift of its Fireball performance...

When you measure the inches of room, count up the many hours of comfort through the years, check off things like durability and solid satisfaction and high trade-in value...

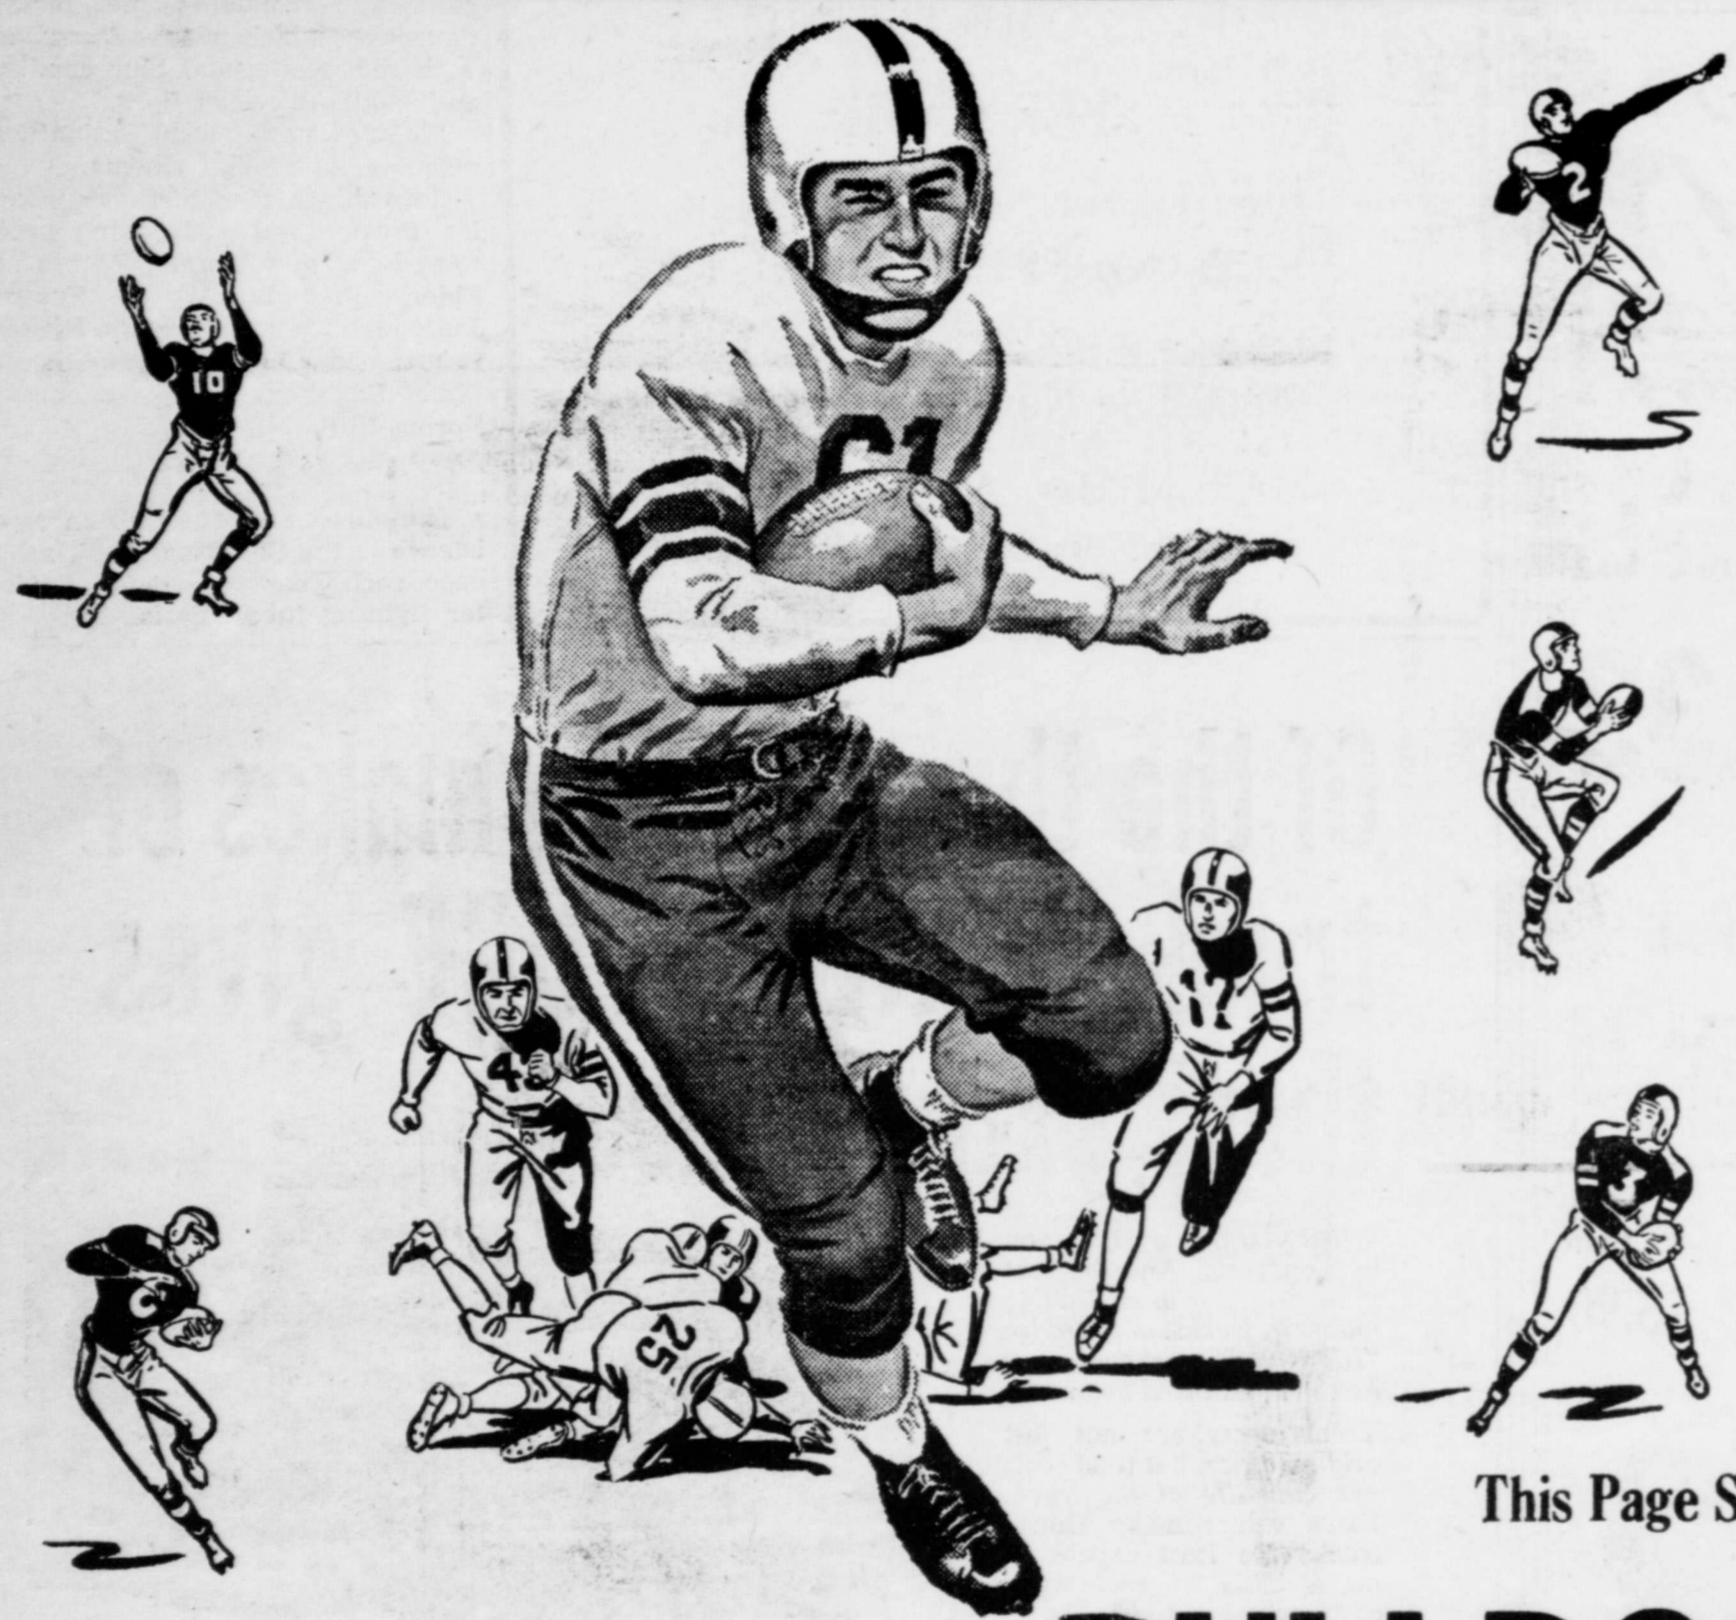

And when you put this total against the price of a Buick—you're going to say, "Man! That's great going all the way!"

Come in and see us today or tomorrow, won't you?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost on Roadmaster and Super only. **Optional at extra cost—available on most models.

There's nothing like a woman's touch!

Even the hard-bitten U. S. Army recognizes that. And so some lucky soldiers—patients at Brooks General Hospital—will soon enjoy golden-crusty, apple-rich turnovers. Prepared with a woman's touch and a scientist's skill by these dietetic interns. They're lieutenants in the United States Army—doing a woman's work in a man's world—doing their part to protect your world. You're on the "defense team," too—when you save your money, and protect your family, with United States Defense Bonds.
 So why not start investing in Defense Bonds today... and get them regularly through the Payroll Savings Plan where you work. Thousands say it's the only sure way to save—because it saves something out of every check before you have a chance to spend it. And you know, no matter how small your income you can't afford not to save something for yourself!

HERE'S HOW E BONDS NOW EARN MORE MONEY FOR YOU!
 Now safe, since U. S. Series E Defense Bonds pay an even better interest than ever before... thanks to 3 brand-new money-earning features... approved by the U. S. Treasury.
 1. Now every Series E Bond you get begins earning interest after only 6 months. It earns 3% compounded semiannually, when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start!
 2. Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date—without your lifting a finger!
 3. During the 10-year extension period, every un-matured bond earns at the new, higher interest (average 3% compounded semiannually). Your original \$18.75 can now repay you \$33.67. \$37.50 pays back \$67.34. And so on.
 Start now! Invest more savings in better-paying Series E Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank!

Peace is for the strong... for peace and prosperity, save with U.S. Defense Bonds!

WASHINGTON AND
"SMALL BUSINESS"
By C. WILSON HARDER

A wily Persian, Mossaddegh, Premier of Iran, is causing friendly side stepping in Washington.

His current actions, plus the recent release of the long secret Federal Trade Commission report on the worldwide oil monopoly to the Senate Small Business Committee, could, and may, blow the lid off the cozy control plan of Big Oil.

A British firm, Anglo-Iranian, had the oil concession in Iran. The FTC report shows this British company is linked with Standard and other U.S. companies, to peg oil prices.

Iran disagreed with the royalties paid for its irreplaceable petroleum. The merit of the issue is a matter for conjecture. The FTC report states Persian Gulf Oil sold to the U. S. Navy for \$1.05 during the war, and to the Marshall Plan for \$1.88, costs from 27 to 40 cents per barrel to produce including royalties.

Perhaps the wily Persian took the viewpoint that if the world must pay such high prices for oil, Iran should get more.

The situation now became involved. Iran has 2 million tons of oil to ship, but no buyers.

None of the major American companies have made a move to buy oil from Iran despite their claims of fierce competition in the oil industry. Independent U. S. oilmen do not dare buy Iranian oil.

British published advertisements in U. S. threaten anyone attempting to buy the oil.

So in a non-communist world of supposedly free trade, that world is confronted with a buyer ready and able to sell, and no buyers.

Mossaddegh has worked State Department into tight corner.

For one thing, State Department offered Iran \$10 million in U. S. taxpayers' cash to settle a claim Iran has against British Anglo-Iranian. It was refused.

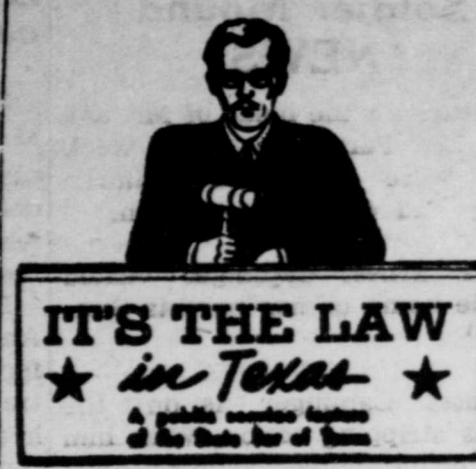

State Secretary Dean Acheson then made the most startling offer of all. In writing he stated that the following condition "the freedom of Iran to sell its oil on other than a monopoly basis" is acceptable to the U. S. Thus, for the first time in years a high level U. S. official has recognized publicly monopoly practices in oil industry.

This official recognition of an oil monopoly, plus the Federal Trade Commission report on a world oil monopoly, could be the start of restoring the petroleum industry to a status of free competition, restoring opportunity to independent U. S. oilmen.

Consumers could also be relieved of the burden of an artificially supported price structure.

Big Oil seeks to establish the entire matter as Russian inspired. However, for a year Iran has had oil to sell, and despite boycott has not sold Russia.

While in desperation Iran may eventually be forced to the Russian market, it will be monopoly forcing that move. The entire fight with Iran has been to save the oil monopoly. If Iranian oil were sold to independents as well as the monopolists, it could end the cozy arrangement by which British and American interests peg oil prices around the world.

To many people, the call for jury service always seems to come at the wrong time. Just when plans for that hunting trip are complete, an inventory or other business problem is demanding special attention, or the best Jersey comes down with a serious ailment, a jury summons is sure to arrive.

In spite of the regularity with which such unhappy coincidences occur to some individuals, no

gremlin is watching to see when you can least afford to be away from home and business. Being chosen for jury service at any particular time is largely a matter of chance.

Under Texas laws jury panels for District Courts are selected by one of two methods—the Jury Wheel or the Jury Commission. The jury wheel is a hollow metal wheel or container, so erected that it will freely revolve on its axle.

In counties using a jury wheel, a list of all qualified jurors is prepared from the official tax lists in August of each year. Taking part in the ceremony are the County Tax Assessor, the District Clerk, the County Sheriff, and the County Clerk. Each prospective juror's name is written on a card of uniform size and placed in the metal container.

Then the wheel is locked with two separate locks, the key to one lock being kept by the District Clerk and the other key

being kept by the Sheriff. As jurors are needed, the wheel is revolved to mix the names and the required number drawn for preparation of jury lists.

Three persons must be present when the wheel is unlocked and the names drawn therefrom—the Sheriff (or one of his deputies), the District Clerk (or one of his deputies), and the District Judge. Upon completion of current required jury lists, all names are returned to the container, which is again double locked.

Later, when the time comes around to prepare a new set of lists, some of the same names will very likely be drawn again. Others may never be drawn.

In counties not operating under the jury wheel system, the District Judge at each term of his court appoints from three to five persons from different sections of the county to act as Jury Commissioners.

Using the county tax assessment roll, these men follow the

Judge's instructions as to the number of jurors to be selected for various weeks of the court term. The lists of names prepared by them are sealed in separate envelopes and delivered to the Judge. He, in turn, turns them over to the District Clerk or one of his deputies in open court, who immediately files the envelope away in a safe place in the Clerk's office.

Although ordinary inconveniences are not usually sufficient to gain an excuse from jury service, emergency hardship is a different matter. If you face such extreme circumstances in your business or personal affairs that your mind cannot freely reflect and meditate upon the important issue to be tried, call this to the attention of the judge.

Courts try to be reasonable in granting excuses. The judge will consider your situation carefully and thoughtfully, and may determine that your services should be deferred.

GM Opens \$194,000 Highway Contest

FROM DETROIT headquarters, thousands of entry blanks and rule books were being mailed out this week to contestants in the General Motors Better Highways Awards Contest. The contest is the largest of its kind ever attempted and GM is offering 182 prizes, totaling \$194,000 for the best essays on the subject, "How to Plan and Pay for the Safe and Adequate Roads We Need."

Open to every man and woman in the United States, the contest offers a first national award of \$25,000; second place nationally, \$10,000; third place, \$5,000; and three national honorable mentions of \$3,000 each. In addition, there will be nine separate regional awards of \$2,500 each. Finally, first place winners in each of the 48 states plus the District of Columbia will receive \$1,500 each. Two honorable mention awards for each state and the District of Columbia will be \$500 each, a total of 98 state honorable mentions.

GM is sponsoring the essay writing contest, which closes on March 1, 1953, in an effort to stimulate "more nation-wide thinking, discussion and understanding of the facts of our current highways requirements."

Entry blanks, rule books and further information about the contest may be obtained at any GM passenger car or truck dealer in the U. S. or by writing to General Motors Better Highways Awards Contest, General Motors Building, Detroit 2, Mich.

Book Review Given In Engleman Home For Federated Clubs

Approximately eighty members of Federated Clubs of Spur enjoyed a review of the book, "My Son, My Son," given by Mrs. Leona Luckett of Matador in the home of Mrs. E. D. Engleman Tuesday, November 18.

The event was sponsored by the 1931 Study Club.

Guests were received upon arrival by the hostess, Mrs. Engleman, and Mrs. Bill Gregory, the 1931 Study Club president.

Before Mrs. Luckett's very interesting and vivid review, guests were served individual pumpkin pies and coffee. Mrs. Buck Denton and Mrs. Charles Moore poured coffee.

Mrs. Fike Godfrey presented each guest with a small fall corsage.

The table was decorated with an arrangement of large yellow chrysanthemums and autumn leaves at one end. A wide gold and brown leaves which ran the yellow chrysanthemums and satin streamer bedecked with length of the table.

The other rooms were decorated with giant bronze mums and fall leaves.

BUY-WORD
in the field of travel

WHEN was the last time you priced the new cars?
When was the last time you matched feature against feature, size against size, horsepower against horsepower — and discovered for yourself which car really tops the value parade?
We'll tell you this —
If you put any Buick—SPECIAL, SUPER or ROADMASTER—against other cars of comparable cost, you'll find it the buy-word in the automobile market today.
Not alone on room, and power, and ride — and equipment included in the list price.

But also—and this is where your senses must be judge—in the thrill per dollar you get in a Buick.

There's no other way to know the lift in spirit you get when a great Fireball 8 Engine is pouring out its high-mileage power, when Dynaflo Drive* is at its silky work, when a million dollars' worth of ride engineering is cradling your travel in ever-level comfort.

We'll tell you this too —
If you can afford any new car you can afford a Buick. For Buick prices start way down where the so-called "low-priced three" really worry.

Drop in and let us show you the big-thrill buy called Buick.
Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

"She's Working Her Way Thru College" Coming To Palace

A big campus musical comedy, complete with new songs, dances, gorgeous co-eds and six of Warner Bros.' top stars, marks the entry of "She's Working Her Way Thru College" into the Palace Theatre on Sunday, November 23. Virginia Mayo, Ronald Reagan, Gene Nelson, Don DeFore, Phyllis Thaxter and Patricia Wymore comprise the stellar cast of the Technicolor production.

Virginia Mayo, who was first discovered for films dancing at Billy Rose's Diamond Horseshoe, has the central role of a burlesque queen bent on a college education. Reagan, Nelson and Miss Thaxter are on hand to further this end, while Patricia is seen as a jealous classmate who vies with Miss Mayo for the "most popular" rating at the school. In addition, the Blackburn Twins, Ramon and Royce, famous night club performers, highlight the spectacular college play sequence in the film.

Sammy Cahn and Vernon Duke, two of the nation's top songwriters, teamed up to write "I'll Be Loving You," "Love Is Still For Love" and "The Stuff That Dreams Are Made Of," among the hit tunes heard in the picture.

Heavy Brush Growth Intensifies Drouth Damage On Range

COLLEGE STATION, November 20. An acre of average mesquite infested Texas range land is tapped daily for 52 gallons of water. That loss, says A. H. Walker, range specialist for the Texas Agricultural Extension Service, is the amount of water given off by the mesquite through transpiration.

When moisture isn't a problem, he explains, the loss gets little attention, but right now the grass that might have been produced with the 76 tons of water lost per acre yearly would loom pretty large in the feeding plans of many Texas ranchmen. Walker

Fruit in a Winter Gel-Setting

SUNS of summer days are winter fruits in gelatine. With unfavored gelatine, the natural fruit flavors predominate these shimmering specialties that may be served as salad or dessert.

Gel fruit salads and desserts may be varied according to the fruits and juices available. One can be quite imaginative in the types of juices used. Just remember that one envelope of unfavored gelatine will gel two cups of liquid. If sugar is added, count it as part of the total liquid because it goes into solution. Two cups of diced fruits may also be added.

When it is time to unmold a gelatin dish, dip the mold in warm water. The water should be in a container deep enough so that the mold can be immersed to its depth. If you are using glass molds, use very hot water to loosen the gel-

atine as glass is a slower conductor as compared with metal molds. Then loosen gelatine around top edge of mold with tip of a paring knife. Place serving dish on top of mold and turn upside down. Shake. Holding serving dish tightly to the mold. Lift off mold.

Winter Fruit Mold

4 envelope unfavored gelatine
1/2 cup cold water
1 cup hot water
1/2 cup sugar
1/4 teaspoon salt
1/4 cup lemon juice

2 cups mixed drained fruit (any fruit sections, orange sections, halved white grapes, sliced bananas)

Soften gelatine in cold water. Dissolve thoroughly in hot water. Add sugar, salt and lemon juice; mix well. Chill until the consistency of unbeaten egg white. Fold in fruit. Turn into a 4-cup mold; chill until firm. Turn out.

Palace Theatre To Present "Bugles In The Afternoon"

Actor Hugh Marlow, who left the Broadway stage a comparatively short time ago for a successful career on the screen, maintains that he is as impressed with the production wonders of film making as he is interested in its dramatic side. Especially so for "Bugles In The Afternoon," the William Cagney Production for Warner Bros., in which Mr. Marlowe plays the chief menace. Ray Milland, Helena Carter and Forrest Tucker also star in the Technicolor outdoor drama, due at the Palace Theatre on Wednesday.

"We went on location to Kanab, Utah, scene of actual Indian warfare fought many years ago," said the actor.

To authenticate the battle scenes between cavalry and red-men, Col. Charles B. Benton, an officer with the 7th and 8th Cavalry Regiments was assigned as technical advisor to Director Roy Rowland. The Colonel made certain that the proper military

tactics of the period were observed and that appropriate uniforms were worn.

"There, too, was a constant radio hookup between director, the actors, the property truck and the other sources of supply. Some of the actors even wore miniature radio receivers and transmitters while scenes were being shot. This permitted Mr. Rowland to instruct the actors over great distances and he thereby was able to film fierce skirmishes over a wide terrain.

Now the car of the year — the deal of the year!

And we're ready to back up that headline with appetizing facts and generous figures. For example, "the car of the year" is more than a glib phrase, it's a title that Mercury has earned by doing—by making news.

Mercury is the one car in its class that came up with something really new for 1952—styling so new it left other cars far behind. And, if that weren't enough, Mercury (with optional overdrive) again proved that pound for pound it could beat all comers for economy in the Mobilgas Economy Run.

But, we know, you're equally interested in "how much" for your present car. We can give you some idea if you just pick up the phone and call us. But we can do even better if you give us a chance to appraise it firsthand—so we can allow for extras and care you've given it.

So drop around. Our deals are now the best of the year. That means tops in town.

Standard equipment, accessories, and trim illustrated are subject to change without notice. White side-wall tires and full-disc hubcaps at extra cost.
