

### Christmas Enriched By Preparing And Planning Together

Christmas, more than any other holiday, is enriched by families planning and preparing together

as well as celebrating together. Each family has its own pattern of celebrating, special family rituals which strengthen the family feeling which are perhaps more important today than ever before.

**Pontiac** enable every member of the family to have a chance to enjoy all of the Christmas activities. A first step might be to plan together for balanced family giving. Decide together how much money can be used for Christmas this year on activities. Some will be needed for preparing the home

## How to Pour Molasses Out of a Cup

The first woman who greased the cup before measuring molasses deserves a small but appropriate medal for ingenuity. Likewise, the first man who thought to tape an emergency key under his car hood. Or whoever first sprinkled salt on an icy sidewalk. Or whoever first tried warming a knife before cutting fruitcake.

In case you think all pesky problems center around the home, try soldering the connections on a radio. Or assembling the bits and pieces of an automatic toaster.

If you did it for a living, you'd be on the lookout for better ways of working. That's for sure. In our family, a General Electric man or woman who finds an easier way to work a tool, to tighten a belt, or pack a parcel may win the price of a new hat, or a suit, or maybe even win the price of a new car.

Our sugar bowl marked "Cash for Suggestions" has been hit for over \$4,000,000 by employees in past years. Last year, over 25,000 suggestions were accepted and rewarded. This has been going on since way back in 1922.

As we write this, a machinist in our Schenectady plant has just made himself a tidy \$5,000. His suggestion led to an improvement in the bearing that supports a giant generator. By the way, we asked him how he planned to spend the money. Turns out to be a down payment on a brand-new home.

You get something extra out of this, too. You want products that give a pedigreed performance, do more, behave better. Thousands of thoughtful people backstage add their bit to our production efficiency. And only an efficient company can hope to deliver something extra in the package.

You can put your confidence in—

GENERAL ELECTRIC

## WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Since the election, this column has received a flood of mail from all over the country, asking questions on what small business wants from new administration.

Most of the varied questions have been answered by majority vote of independent businessmen through regular polls conducted by the National Federation of Independent Business with the individual signed ballots sent to Congress.

Here are some of the questions asked, and the majority vote of independent businessmen.

"What new legislation do independent businessmen want?"

By and large, none. Naturally, in common with most, businessmen would like stronger laws against communism.

"Do independent businessmen want anti-chain legislation?"

The majority answer is no. Independent businessmen feel attacking bigness solely because it's big is sheer demagoguery.

"Isn't this stand inconsistent?"

No. Independent businessmen only want long-existing anti-trust laws enforced, especially the sections prohibiting secret discounts, and other undercover practices between manufacturers and some big retail outlets.

"Isn't this a Pollyanna attitude?"

No independent businessmen claim this. There is a limit to the competitive vigor any operation depending upon hired management employees can maintain when competing with businesses.

where the owner is the active on-the-ground manager, if both operations have the same prices and rebates from suppliers.

"How can this be done?"

Appointment of a competent assistant attorney general in charge of the antitrust division with immunity from pressure, thus ending constant dismissal of competent men from this post as witnessed in the past.

"Is this goal possible?"

Yes. In new Congress Small Business has many champions needing only strong public support.

"What about controls?"

All controls, OPS, etc. should be abolished. Not only failing to accomplish any good, they are harming independent business by imposing a costly burden of overhead. Besides wasting taxes, they are also nurturing Socialists with power.

"What about taxes?"

Independent businessmen want taxes cut NOW, nationally, and at state, county and city levels.

"Do independent businessmen feel that one of the major political parties has a stronger regard for independent business?"

No poll has been taken on this. During last GOP reign antitrust law enforcement was lacking. Many feel this caused depression. During last 20 years much bipartisan progress at Congressional level was blocked at administration level. Both Democratic and Republican Congressmen, backed by organized independent business, have done some outstanding work for free enterprise, but too often the march to economic freedom, bipartisanly organized on Capitol Hill, has run into traps enroute to Commerce Avenue.

for the celebration, some for materials or gifts within the family, to relatives and friends, and then some for giving to the less fortunate in the community and other lands

Unpacking and bringing out the special Christmas library is an important part of the preparation in some homes. Books which the family read together, Christmas carols to sing together, and a Christmas prayer to be enjoyed as the family works.

Select a Christmas tree that even the smaller children can enjoy decorating. This is a source of real Christmas spirit for the family, and can become a family event if everyone has a part in the decision of what size, where it should be placed, and the decoration. Making some of these can be included in the Christmas planning. Mrs. Johnson says beautiful, durable decorations can

be made from nuts, pine cones, sweet gum balls and other products of nature in your neighborhood. They can be gilded or painted and safely handled by even the tiniest or the oldest without fear of breaking.

Many parents are concerned with the over-emphasis on toys and gifts which tend to develop selfishness in children. You may find it helpful to spend more time talking about and working on gifts for others together. The spirit of giving can be strengthened as we give to those who can not have the kind of Christmas joys we have.

### PERSONALS

Mr. and Mrs. Charles Bills and Charlotte visited her parents, Mr. and Mrs. Floyd Barnett, during the Thanksgiving holidays.

Mrs. Dee McArthur and Merry Dee spent Thanksgiving in Abilene with her son, Douglas, and her mother and sister. They returned Sunday.

Mr. and Mrs. L. J. Hurst and four boys of Lubbock visited Sunday and Thanksgiving day with her mother, Mrs. Eric Foster.

Mr. and Mrs. Joe Ham of Beaumont and Mrs. Edna Tanner of Throckmorton visited over the week end with their sister, Mrs. Eric Foster.

### Girl Scouts

#### TROOP VI

On Wednesday, November 26, the Girl Scouts of Troop VI met at the Little House and started work on Christmas projects. This was to satisfy one of the requirements in the field of Homemaking. Plans were made for the entire project. Each girl was given a part on a committee. Mary Dee McArthur was absent.

#### TROOP IV

The Girl Scouts of Troop IV met on December 1 at the regular time. All members were present. An arts and crafts project was begun and plans were made for Christmas programs and gifts.

#### TROOP IX

Members of Troop IX met on December 1 at the regular time and place. A short business meeting was conducted. Christmas projects and secrets were continued with seven members present. Games and songs were enjoyed during the last part of the meeting.

Iris Jean Moudy, reporter

#### TROOP VII

The Brownies of Troop VII met on Monday, December 1, at the Girl Scout Little House. The new officers elected were: president, Marilyn Hagins; secretary, Phyllis Wright; reporter, Ann Godfrey. All members of the troop were present and worked on Christmas secrets.

### Mrs. Marion, Mrs. Davis Hostesses To Spur Garden Club

The Spur Garden Club met Friday, November 21, in the home of Mrs. Neil Davis with Mrs. Paul Marion serving as co-hostess. Twenty seven members were present.

Mrs. Eric Foster, club president presided at the meeting. Colored slides of roses were shown by the county home demonstration agent, Mrs. Harriette Hatcher. Garden reminders were given by Mrs. Cecil Godfrey. Mrs. Nell Davis reported on flower arrangements.

The next meeting will be December 19 with Mrs. George S Link and Mrs. Fannie McNeill serving as co-hostesses.

We Invite You To Use Our Lay-Away Plan For Your Christmas Buying

### Father Of Local Lady Dies Thursday

L. L. Adams, aged 54 of 911 40th Street, Lubbock, died at 8:30 a. m. Thursday in the West Texas Clinic Hospital following a stroke he suffered Sunday, November 23.

Adams, who was a Lubbock resident for the past year and a half, operated a cafe in Lubbock. He moved to Lubbock from Childress where he operated the Ideal Cafe for approximately five years, where he was employed by Banner Dairies for fifteen years. He formerly lived in Abilene. Funeral services were held in Dublin at 2 p. m. Saturday, November 29.

Survivors include his wife, two sons, Earl of Kermit and J. G. of Texon; one daughter, Mrs. B. J. Carlisle of Spur; his father, J. S. Adams of Dublin; four brothers, James and Walter of Dublin, P. D. of Tahoka, and L. B. of Fort Worth; and two sisters, Mrs. Fred Dorris of Fort Worth and Mrs. Melvin Stivy of Stanford.

### Food Price Index Shows Slight Drop

Bread and sugar and sweets are having a neck-and-neck race for low position among the major food items which are used in the Bureau of Labor Statistics consumers' price index. The latest monthly report from the BLS showed a slight reduction in the "all foods" index as compared with the previous month.

Among the major items in the index, bread has advanced less than any of the others, when compared with the 1935-39 average which the BLS uses as 100. Bakers say this points up even more sharply their statement that "penny for penny, bread is your best food buy."

### PERSONALS

Visiting with Mrs. Minnie Lewis Thanksgiving day was her son, Mr. and Mrs. Dick Lewis and family of Paduash.

Mr. and Mrs. Marshall Cox and family of Jayton were guests Thanksgiving day of Mr. and Mrs. J. E. Simpson.

Mr. and Mrs. Bill James and family of Snyder visited with her parents, Mr. and Mrs. Bill Simpson, Saturday.

Mrs. Mertie Cox and son, R. D., of Van, visited over the week end with her nephew and family, Mr. and Mrs. Bill Simpson.

Orville Claude visited with his parents during the holidays. He is attending Chiropractic college in San Antonio.

Students attending Draughon's Business College that were home over the week end were Nelda Horn, Vera Crafton, Billy and Katherine Stanley, Gay Nell Bass.

### UNICEF a Daily Reality to World's Children

In terms they can understand the U.N. International Children's Emergency Fund makes world cooperation a reality to children everywhere. The youngsters in this Guatemalan school shown during a lunch recess know the U.N. agency as a reliable friend. In a nutrition experiment at the school, UNICEF is providing milk and food to supplement the pupil's diet. This is but one example of its long-range programs to improve mother-child health and nutrition in the underdeveloped countries in many parts of the world.

Mr. and Mrs. Sam Hawkes and family returned Sunday from visiting with her parents, Mr. and Mrs. Harry W. Williams of Fort Worth, over the holidays.

Mr. and Mrs. Emil Cunningham and family of Ft. Worth visited during the Thanksgiving holidays with his brother, Kermit and O. R. They returned home Sunday.

Double Ring Ceremony In Hobbs Unites Miss Gracye Fields, Rev. A. B. Stuckey

Shades of pink illuminated by candle light formed the setting at the First Baptist Church in Hobbs Friday, November 28, at five o'clock in the afternoon of the ceremony which united in matrimony Miss Gracye Lou Fields and the Rev. A. B. Stuckey, Jr.

The Rev. Earl R. Keating, pastor of the church, officiated at the double ring ceremony before an archway of greenery entwined with pink gladioli. Baskets of pink gladioli and pink asters on each side were flanked by pink candles in branched candelabra. Huckleberry trees formed the background for the archway.

Miss Susan Logan of Lamesa and Miss Jerry Williams of Lubbock lighted the candles before the ceremony. Given in marriage by her father, the bride was attired in a wedding gown of bluish pink Duchess satin fashioned with a portrait neckline outlined with a band of lace embroidered with sequins and seed pearls.

The bride wore a veil of imported silk illusion attached to a tiara embroidered in iridescent beads and seed pearls. For something old she carried a white Bible by a corsage of sweetheart roses from which fell pink velvet streamers. Her only jewelry was a double strand of pale pink pearls borrowed from the occasion from her great aunt, Mrs. Alice Galloway of Los Angeles.

Mrs. Caudle Is Honoree At Coffee

A coffee was given in the home of Mrs. M. L. Steele Wednesday December 3, at 9:30 a. m. honoring Mrs. E. E. Caudle, who is leaving this week for her new home in Abilene.

Coffee and doughnuts were served by the hostess. Those present were Mrs. George Stanford, Mrs. W. B. Francis, Jr., Mrs. Richard Ensey, Mrs. Jesse Morrison, Mrs. Grady Lackey, Mrs. Fred Neaves, Mrs. Alfred Walker, Mrs. Leonard Wilson, Jr., the hostess and the honoree, Mrs. Caudle.

Mrs. George Hill Is Honoree At Shower

Mrs. George Hill, nee Mary Swenson, was the honoree at a wedding shower given at the home of Mrs. C. H. McCully, 613 N. Willard, during the hours from 3 p. m. until 5 p. m., Friday, November 28.

The centerpiece on the table was yellow candles tied with brown ribbons, brown and gold spider chrysanthemums, and autumn leaves. Miss Shirley Hairgrove presided at the guest book.

Mrs. Weaver Is Speaker At 1933 Study Club Meeting

The 1933 Study Club met in the home of Mrs. W. F. Patrick December 2 at 7:30 p. m. with Mrs. Mary Boothe serving as co-hostess. Mrs. W. R. Weaver was guest speaker of the evening.

SOCIETY

Baysinger, Thomason Are Wed In Double Ring Ceremony Sat.

Miss Patricia Jeannine Baysinger, daughter of Mr. and Mrs. O. Baysinger, Oil Center, was married to Rayburn Thomason, son of Mr. and Mrs. Elmer Thomason, Spur, in a ceremony held at the First Baptist Church in Oil Center November 22 at 7:30 p. m.

The bride was given in marriage by her father, Rev. R. R. Hutchenson read the double ring ceremony before an altar flanked by baskets of white chrysanthemums and white tapers in tall candelabra.

Attending were Billy Ray Stanley, best man, and Miss Sue Robinson, maid of honor, both of Lubbock. Ushers were Ronald Clement of Oil Center and Clifford Kyzer of Spur.

The bride's mother wore a brown dress with gold accessories and a yellow carnation corsage. The bridegroom's mother, Mrs. Thomason, wore a pinstriped dress of wine and black with a white carnation corsage.

Approaching Marriage Is Announced

Mr. and Mrs. Roy Ware announce the approaching marriage of their granddaughter, Miss Doris Loree Stubbsfield, to Charles Perrin of Jayton. The couple plan to be married Saturday, December 6, at 4 p. m.

Thanksgiving Dinner Is Held In Wilson Home

A Thanksgiving dinner was held in the home of Mr. and Mrs. Tom Wilson Thursday, November 27.

Following the dinner, games were played by the guests. Those attending were Mr. and Mrs. Homer Wilson of Lubbock, Mr. and Mrs. Shelt Waldon of Roby, Mr. and Mrs. Don Spradling and Linda of Gravette, Arkansas, Mr. and Mrs. R. D. Hooper and Donald Ray, Melba Campbell of Spur, Mr. and Mrs. Pete Sherer and boys, Mrs. Robert France and children, Mr. and Mrs. Billie Lou Wilson, Mr. and Mrs. Glenn Spradling and family, Mrs. B. F. Soradling and Bertie Wilson.

Book Reviewed By Mrs. Geo. Stanford At WMS Meeting

The W. M. S. of the First Baptist Church met at the church Monday, November 24, for mission study. Mrs. George Stanford reviewed the book, "Scattered Abroad." A covered dish luncheon was served.

Those present were Mrs. C. P. Scudder, Mrs. L. W. Langston, Mrs. E. B. Smith, Mrs. R. McCombs, Mrs. John Adams, Mrs. Hattie Turvan, Mrs. J. Morrison, Mrs. Aldredge, Mrs. W. F. Patrick, Mrs. E. C. Clinkscale, Mrs. Nora Lehman, Mrs. E. E. Caudle, Mrs. O. R. Cloude, Mrs. Henry Gruben, Mrs. W. L. Singleton, Mrs. N. C. Moffett, Mr. and Mrs. Bob Lewis, Melva North, Mrs. Stanford, Mrs. Hunter Wilson, and Mrs. Myrtle Whitwell.

Marvin Barrett, a student from Tech, visited with his grandparents, Mr. and Mrs. L. R. Barrett over the week end. Students home from Harding-Simmons University for Thanksgiving were Emma and Joe Simmons, Kenneth Watson, Margie Campbell, and William North.

Over the week end Gladys Wade was home from T. S. C. W. and Virginia Ruth Stugart and Peggy Wilson were home from Baylor.

Corn Bread and Pork Score Easy "Ringer"

Left-over pork is sweet meat when combined in its own gravy with the full-bodied flavor of corn meal. And there is an easy way to do it so that corn bread, meat and gravy can be served together as the main dish of a tasty meal.

Highway Community News . . .

Color and construction were discussed fully by the judges, Mrs. Braanen and Mrs. Moore, as they examined the nine entries in the dress review at the Community Center at Highway on November 19.

Four red ribbons and two blue ribbons were awarded on the display of food.

The building was arranged by a committee of three women, Mrs. Forest Martin, Mrs. Maenard Dagle, and Mrs. Donnie Pace.

Fall Favorite . . . Apple Pie a la Mode

NOW ripe and beautiful and plentiful in the market are pie apples, ready to be transformed into one of the all-time favorite desserts - apple pie a la mode.

Farmall Bulletin USED EQUIPMENT FOR SALE. FARMALL "M" just overhauled, painted & new tires, Guaranteed. 1949 Ford Tractor with complete two row tools, overhauled and guaranteed. Two used 12-disk 10" spacing Grain Drills at a bargain. Eight foot Hoeme plow that looks like new, good tires \$149.00. 1948 Jeep pickup with 4-wheel drive, good tires \$450.00. 13-disk late model John Deere one way plow (for remote control cylinder) \$242.00. 1949 KB-1 1/2-ton International Pickup \$626.00. Two W-9 Farmall tractors, overhauled & guaranteed-these would be ideal tractors to do your deep plowing with this winter. Prestone & Zerex \$3.00 gallon or \$17.50 per case of six gal. EDWARDS - KELLEY IMP. CO.

Extra Helpings. Illustration of various food items like a pie, a cake, and vegetables.

ICE CREAM in pint or half-gallon paraffined cartons is easy to buy at food stores along with a package or jar of mince meat for a simple yet showy fall dessert.

Temple oranges, grown almost exclusively in Florida, are probably a hybrid of the tangerine with the sweet orange. Like the tangerine, this highly flavored citrus fruit is easy to peel and section.

A calorie is the unit of measure used for stating the "fuel" value of a food or the "energy requirement" of an individual.

Brazil nuts are seeds of the fruit growing on the Brazil nut tree. This fruit, an orquiro, is a large woody-shelled pod closely resembling the coconut. When opened, the orquiro reveals 12 to 20 or more Brazil nuts arranged like segments of an orange.

Storing eggs with the large end up keeps the yolk centered. Eggs stay fresh longer in a covered container in the refrigerator.

### GOOD HEALTH

1. WHAT IS A COMMUNITY SELF-SURVEY OF HEALTH FACILITIES?

3. HOW SERIOUS IS NOSE-BLEED?

These community self-surveys are the method by which the people themselves study what local health facilities and services they have as a first step toward improving community health conditions where the need is indicated. These surveys, which are being used in an increasing number of communities throughout the United States, are conducted with a maximum participation of the community. Factors studied are frequently family life, school, industrial and rural health, health of the aged and dependents, dental health, hospital care, nursing and sanitation.

**Answer to Question No. 2:** Leprosy, now called Hansen's disease after the discoverer of the bacillus which causes this dreaded illness, was until recently incurable. Use of a new drug, first

tried out in the United States in 1943, has produced striking results and shortened the previously long, drawn-out treatment. The number of people being returned to useful lives from the desolation of the leper colony is mounting steadily, and some experts predict that within 10 to 15 years the disease will be controlled.

**Answer to Question No. 3:** In most instances nose-bleed is not serious and it usually stops after a short time even without treatment. It is most commonly caused by a local condition of blood vessels in the nose. However, blows on the nose, infections, new growths, etc. can also cause bleeding. Frequently a severe nasal bleeding may require medical care. Call your doctor.

### Make a Candy Santa Claus

A clever Christmas Tree ornament or an extra gift for a young child may be a candy Santa Claus which you can make yourself. Aside from ingredients, all the equipment needed is a roll of clear cellophane, a piece of green or red crepe paper, and a small amount of cotton. The directions are given below for one large Santa, but you can make several small ones if you prefer, following the same instructions.

**Candy Santa Claus**  
1/4 cup butter or margarine  
1/2 pound marshmallows (about 2 1/2 dozen)  
1/2 cup brown sugar  
1/2 cup white sugar  
1/2 cup vanilla  
5 cups Rice Krispies  
Cook butter and marshmallows over boiling water until syrupy, stirring frequently. Add vanilla; beat thoroughly. Put Rice Krispies into greased large bowl and pour on marshmallow mixture, stirring briskly. When cool enough to handle, shape mixture into "arms," "legs," "head," and "body." Wrap the various parts of the "body" in cellophane and twist ends. Tie at wrists with string and then tie head to plane and twist ends. Tie at wrists with string and then tie head to plane and twist ends. Tie at wrists with string and then tie head to plane for hat, cotton to decorate hat and for buttons, and large dried prunes for shoes.  
Yield: 1 Santa about 10 inches tall.

## You can unwrap this Christmas Package at your Ford Dealer's, December 12th

No fair peeking until next Friday, but oh boy, what a car Ford is going to have for you!

You know, of course, that Ford has had other makers doing a jig trying to catch up with such things as a huge one-piece windshield and an automatic transmission like Fordomatic. So when Ford says the '53 Ford is '53's finest, the jig department will have to start all over again.

Our '53 car is the absolute tops in many years of Ford engineering, styling and plain value leadership. In fact, with 41 "worth more" features, it is designed and built to be worth more to you not only when you buy it but when you sell it.

So—if you're thinking about a new car, don't make a move until you've had a chance to see the '53 Ford—the safest place to put your new car dollar! You'll find it the new Standard of the American Road.

Equipment, accessories and trim subject to change without notice.

Texas Farm Family Outlook Uncertain

COLLEGE STATION, December 4.—Weather, during the months just ahead, will have a tremendous effect upon Texas agriculture in 1953. Most of the state must have above normal rainfall before producers can begin to plan for 1953 and next year's production. Scattered rains have been beneficial but general and heavy rains are needed.

According to C. H. Bates, farm management specialist for the Texas Agricultural Extension Service, the demand for production from the farms and ranches of the state will continue high during 1953—especially the first half. Employment is at a record high level and total income of individuals is expected to rise slightly above 1952 levels. Government spending for defense, he adds, is scheduled to be higher during the first six months of next year and the increasing

population rate is another favorable factor. The present population of the nation is estimated to be 157 million and is increasing by more than two millions annually. Prices on the whole, says Bates, are expected to continue near the 1952 levels. Prices of some commodities may show further declines during 1953, especially where export demand is a factor. Cotton and wheat are crops with large export outlets. No sharp drops are expected because of the present strong demands, says Bates. Farm costs are expected to edge upward in the months ahead continuing the cost-price squeeze on farm operators. Farmers will need larger amounts of machinery, tools, fertilizers, insecticides and other manufactured articles if high production is to be maintained. None of these is expected to be cheaper than 1952. Except for some large machines, wire and fencing, ample supplies of production materials are in sight, says Bates. Labor, says the specialist, will continue to be tight and farm wages, already at record levels,

WINDING UP THE SEASON—Ten-year-old Kenneth Merford Shavor of Chalk, Texas, tries out his passing arm at the football season nears an end. Kenneth hopes to see action some day on the football field, once he is cured at Texas Scottish Rite Hospital for Crippled Children at Dallas of the effects of polio. He is flanked on the left by John McKee of Dallas, incoming Grand Master of the Masonic Grand Lodge of Texas, and on the right by Lee Lockwood of Waco, Sovereign Grand Inspector General of Scottish Rite Masonry in Texas. The two Scottish Rite leaders will play important roles Dec. 2 at Waco when a new Scottish Rite room is dedicated at the Grand Lodge of Texas building.

Vic Vet says PLANNING TO APPLY FOR EDUCATION UNDER THE KOREA GI BILL? DON'T SEND YOUR APPLICATION TO WASHINGTON. SEND IT TO YOUR NEAREST VA REGIONAL OFFICE... THAT WILL SPEED IT UP!

Name 4 Texas Top Ranking 4-H'ers

TOP RANKING records in the 1952 National 4-H awards programs have brought state honors to four Lone Star State club members. They are:

Rails Youth Best 4-H Dairy Manager Kenneth Sellers, 19, of Rails, has received recognition for excellent work in dairy production and management. As state winner in the 4-H Dairy Achievement program, he will attend the National 4-H Club Congress in Chicago as the guest of Lederle Laboratories. A 4-H'er for nine years, Kenneth learned the application of modern scientific methods, and the importance of cleanliness and sanitation in the handling of dairy animals. Starting with two dairy cattle he now tends a herd of 83 animals. Tests run on them at Texas A. & M. College show that the average butterfat production is greater than two and one-half times the "average" dairy cow in the United States. Kenneth has won 17 grand championships, 108 firsts, 53 seconds, and 15 third places. He has served in every 4-H office in the county, the last three years as junior leader.

Girl, Champ 4-H Gardener Gardening has come to mean many things to Nell Fuller, 17, of Buffalo Springs. A favorite project, it has helped with the family food budget, promoted relaxation and good health, and netted Nell statewide recognition in the 4-H Garden awards program. Her all-expense trip to the National 4-H Club Congress in Chicago was provided by Allis-Chalmers. As far back as she can remember this young miss had helped with the family garden and last year she started her own. When the time came to plant the early vegetables, onions, cabbage, peas, lettuce, beets, carrots, spinach and corn, it was so dry that water had to be carried to the field. Notwithstanding, she produced 750 pounds of potatoes, 100 pounds of onions, and 25 pounds of beans. She also canned and froze more than 800 pints of vegetables and fruits. This year she served as president of local club and county council.

Corpus Christi 4-H'er Top Meal Planner Irene M. Polasek, 19, Corpus Christi, state winner in 4-H Food Preparation, has enjoyed every moment of her seven years in 4-H. Planning, selecting and preparing nourishing foods has been a challenge to this young homemaker. Her National 4-H Club Congress trip award was provided by Kelvina-Tor. Irene has to her credit more than 4,165 meals cooked and served for her family of eight. In addition to regular meals, Irene has baked 226 cakes, 287 pies, 945 dozen cookies, 305 dozen biscuits, 181 dozen yeast rolls, and made 977 dozen sandwiches. She reports an interesting list of frozen foods, vegetables and meat. Last year she wrapped and froze 666 packages of beef and pork, each package containing enough meat for one meal. Irene was Foods Chairman for the Annual 4-H Achievement Barbecue and served approximately 700 members. All these programs are conducted under the direction of the Cooperative Extension Service.

Top 4-H Farm Electrician State winner in the 4-H Farm and Home Electric program, Ronald Davidson, 16, of Big Spring, was awarded the Westinghouse Educational Foundation all-expense trip to National 4-H Club Congress. A better understanding of electricity and the know-how gained during three years in the project, has meant greater productivity, better management and more leisure time for the Davidson family. The electrical equipment he has built or installed includes a cattle water warmer, fly catcher for the barn, heating equipment for chicks, and an electric fence. Making a survey of his farm, he found and repaired faulty sockets and wiring. In addition to this, he has made a house-to-house survey on electrical equipment and its care; also numerous demonstrations before as many as a thousand people. Currently he is serving as president of county council and is a junior leader.

are expected to rise slightly. In some areas, seasonal labor shortages are likely to be more acute than in 1952, particularly if weather conditions are favorable for seeding normal acreages of cotton and other "high labor" crops. Feed supplies are extremely short in Texas and the South-west, and producers should give special attention to building up feed reserves. Feed costs are likely to be unusually larger this winter because of the local shortages. The over-all picture right now is not a bright one, says Bates. But, he adds, good general rains before December 1 would materially improve the situation. Bates believes that agricultural producers must take advantage of every opportunity to cut corners and hold down labor and other

Merry's the Day you make this yours POWER STEERING on the Roadmaster and Super Television treat—the BUICK CIRCUS HOUR every fourth Tuesday HOW would you like the fun of Christmastime to last all the year through? That's the way it seems to be when you call this Buick beauty your own—with the constant cheer it brings to you week after week, month after month. The cheer of traveling in style that's bright and gay as a holiday wrapping. The cheer of having rich and spacious comfort—plus the cheery thought that nowhere else can you get as much room for the money. The cheer of knowing abundant and mighty able power is on call, with all that's valve-in-head—and also high-compression. The cheer of riding wonderfully buoyant, level and steady—with a ride that feels like the million dollars it cost to perfect. The cheer of taking your travel free and easy—with Dynaflo Drive\* doing the chores in letter-perfect smoothness—with Power Steering\*\* assisting to make parking and slow-motion maneuvers no task at all. Even the price is a cheerful note here—low enough, you'll find, to crowd the so-named "low-price three." That means action is called for this very week, to make the most of this good deal while it lasts. Why not drop in today or tomorrow and see how much cheer is to be found in a Buick showroom right now? Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series. \*\*Optional at extra cost on Roadmaster and Super only. 4 Texas 4-H'ers Win Chicago Trips

Elvera Duerksen Donald Bayer Julia Kirbo Delbert Davidson

ALL-EXPENSE trips to the 31st National 4-H Club Congress in Chicago were awarded four Texas 4-H Club members for superior achievement in the 1952 National Clothing, Farm and Home Safety, Girls' Record and Tractor Maintenance programs. The state winners and summaries of their achievements follow:

Tops in the Girls' Record program for Texas, Elvera Duerksen, 15, of Plainview, will compare notes with other top homemakers at the Chicago 4-H Club Congress. As guest of Montgomery Ward, she will join record-making girls from all parts of the country for good times, exciting experiences, and serious discussions. Sound planning and plain hard work, during six years in 4-H was Elvera's successful formula. She completed 33 projects including food preparation, gardening, poultry, home improvement and electricity. Elvera is especially fond of sewing and food projects, which she has carried for six years. She has made 105 garments, prepared 585 meals and 575 dishes, frozen 360 quarts of fruits and vegetables and 158 chickens, and canned 298 quarts of vegetables. Her demonstrations on dairy foods, of which she has given 28, have won many blue ribbons.

Donald Bayer, 17, of Muenster, has accomplished noteworthy results in the 4-H Farm and Home Safety program, for which he received the General Motors trip award to the Chicago Club Congress. By means of surveys, demonstrations and other aids, he has helped to make his community more safety conscious, locating and correcting 40 safety hazards. Donald began with a survey of his own farmstead where he built a shield for the electric milker, checked the electric hay baler, lengthened the sewer line and buried it with the correct slope and drainage, taped wire across on all wiring, labeled gas and kerosene cans, and cleared the yard of refuse. During National Farm Safety Week Donald arranged two safety displays in Muenster and neighboring communities.

All these programs are conducted under the direction of the Cooperative Extension Service.
