LETTER

To Our Patrons About An Inspiring Motion Picture

Dear Friends:

I am a showman and as such I accept the part that sensationalism plays in my business. Exaggeration, the glowing phrase, appealing pretty girls with shapely figures — all of these are part of the "glamour" of show business and

But frankly, I regret that the producers of "SALOME" have given so much promnence to the 'Dance Of The Seven Veil's' in their advertising material on that picture. "SALOME" is abible story -- a magnificent, exciting, soul-stirring drama of deeply religious significance.

Everyone knows that Salome's famous dance was performed while that devout man of God, John The Baptist, was being beheaded by evil and lustful King Herod, but the dance itself pales to ingnificance before the spectacular scenes of John The Baptist on trial, the miracles of Jesus. the immortal Sermon On The Mount.

In my humble opinion, "SALOME" might very well be presented as a sermon in any church. It's story dramatizes the dawn of Christianity, the courage of those who chose to follow Jesus Christ in spite of Herod's brutal persucation.

I hope our patrons will remember "SALOMS" - not alo e for its "Dance Of The Seven Veils" - but as a memorable and deeply inspiring event in our thealers.

The Palace Theatre will proudly present "SALOME" Preview Saturday Night, Sunday and Monday, October 10-11-12, and at our REGULAR ADMISSION. f. D.McCain
