Spur Opens District Cage Race With Wins Over Post

Play Slaton Teams In District Tilts Tonight

By Billy Bigham
Tuesday night Spur and Post opened conference play in District 5AA here in the local gym with Spur winning both boys and girls games.

The girls won by a score of 39-23 and the boys won 59-53. Little Jane Simpson led Spur's scoring with 18, Alexander made 4-0 lead at the opening whistle and held an 8-7 lead at the end of the quarter. The Spurrettes fought their way to the front in the second quarter and were never headed afterwards, leading 17-14 at the half, 32-19 at the third quarter and 39-23 at the end of the game.

Spur guards held Post to only two field goals in the last half. Little Jane Simpson led Spur's scoring with 18, Alexander made 4-0 lead at the opening whistle and held an 8-7 lead at the end of the quarter. The Spurrettes fought their way to the front in the second quarter and were never headed afterwards, leading 17-14 at the half, 32-19 at the third quarter and 39-23 at the end of the game.

The Post boys also took an opening lead with a fast crisp shot by Murray, but Don Snodgrass came back for Spur with a beauty from way out to tie it up.

The Bulldogs took it on from there to lead 20-12 at the end of the first period, 39-19 at the half, 54-38 at the end of three and 59-53 at the end of the game. Coach Jim Edkins sprinkled his lineup with reserves throughout the second half. The Post boys came on fast in the last half to make it a pretty close ball game.

The Bulldogs worked with clock-like precision and speed in the first half to gain their 20-point lead, then coasted on in for the victory.

Lanky Ronnie Ensey was high only three quarters and racking point man in the game, playing up 35 points. The other boys fed the ball in to him from every angle and he couldn't miss. J. Hays was high for Post.

In the preliminary the Post B team defeated Spur B boys in a close hard game 46-36. This game was a see-saw affair with first one then the other in the lead until the closing minutes when Post meshed four quick goals to put the game on ice. Ronnie Cloude was leading point-maker with 14. Spur To Slaton Tonight

The local teams will go to Slaton tonight to play their second conference games. Girls will start about 7:15 and the boys about 8:30. Prior to these games the B boys will tangle at 6:00. Slaton has very fine ball clubs this year and Spur will have to go all out all the way to beat them.

Jr. Hi's Best Clairmont
Monday night the boys and girls of Spur Junior High took a twin bill victory over visiting Clairmont.

The girls won 34-16 with Powell scoring 16, Middlebrooks 6 and Fitzgerald 12 for Spur. Clairmont's scoring was 10 for Mary Savage, 2 for Mary Alvarado, 2 for Sivill Ochoa and 2 for Mary Garcia.

The Spur boys took their game 50-16 with Gabriel and Bigham tied for high point with 10 each. Murrell was high for the losers with 8.

Junior high teams play Jayton here tonight at 7:15. If you can't go to the Slaton games, come see these games. These kids can put on a good show.

Boys Second At Floydada
The Spur boys fought their way into the finals of the Floydada tournament last week by beating Pafucak 55-36 Thursday and Floydada 77-60 Friday night.

In the championship playoff Saturday night Abernathy defeated Spur 57-50 to take the first place trophy. Spur played them a good, hard-fought game, but after a very cold second quarter they could not catch up with the fast starting Antelones.

Girls Lose Second Game
The Spurrettes played three in the tournament, winning one and losing two. Friday they best Tahoka 52-27 with Nan Alexander leading the way with 24 points.

Saturday morning Tolla and Simonson tangled in a thriller that ended the wrong way 49-46. Jane Simpson netted 30 for the home team.

In the game for third place on Saturday evening the Spurrettes again lost a close one to Abernathy 49-45. In the three games played at the tournament our girls

ENSEY, ROBERSON, SNODGRASS HEAD 7 BULLDOGS ON ALL-DIST.

Ronnie Ensey, Gene Roberson and Don Snodgrass led the all-district 5AA football selections for Spur at a district committee meeting last night. The trio of Bulldogs were chosen on both the offensive and defensive teams.

Other Bulldogs chosen as all-district were Carlos Bass, offensive guard; Eddie Hagins, offensive fullback; Bobby Thomason, defensive guard; and Max Gabriel, defensive linebacker.

Other Bulldogs receiving honorable mention were Jerry McAlpin, Billy Watson and Alton Williams.

The district committee selected 11 offensive men and 12 defensive men as the mythical team. Of the 23 slots, Spur boys filled 10 from their championship squad.

Of the seven Bulldogs chosen on the honorable team all are seniors except Gabriel and Hagins.

Representing Spur at the meeting in Slaton were Coaches Sam Hawkins and Billy Hahn, Supt. Bob Nunley and Principal C. L. Rerry.

Other boys to make both teams were Marvin Rucker of Floydada, and Dwan Reeves and Fred Apperson, both of Abernathy.

Of the 23 positions, Spur filled 10. Abernathy seven, Floydada three, Slaton two and Tahoka one.

To Peddle Peanuts For March of Dimes

Spur high school students will set into the march for March of Dimes funds this Saturday by selling peanuts down town.

The peanuts will be sold for whatever contributions folks want to give.

Glyndon Johnson urges everyone to buy March of Dimes peanuts and to join in the various other March of Dimes activities during the drive.

Among the various events supporting the March of Dimes this month is the three-act play being sponsored by the VFW and to be presented Jan. 19 and 20.

Last Tuesday Billy D. Starcher and Johnson presented a special program at the Lions Club. The talk made by Starcher and the film shown by Johnson both stressed the work being done for the ones who had already been stricken or prior to the Salk vaccine and those yet to be stricken who have not had the vaccination shots.

Pink March of Dimes envelopes have been sent to area folks as an easy and convenient way to donate to the drive.

ROB JACKSON COMPLETES TRAINING AT LACKLAND

Robbie E. Jackson, 19 son of Dillard F. Jackson of Spur, has completed his Air Force basic military training at Lackland Air Force Base, the "Gateway to the Air Force."

His Lackland training has prepared him for entrance into Air Force technical training or for an Air Force duty assignment. The course includes a scientific evaluation of his aptitude and inclination for following a particular career field.

Mr. and Mrs. Bill Andrews of Muleshoe were recent visitors in the home of Mr. and Mrs. Tom Johnston. They also visited with other friends while here.

scored 143 points to their opponents' 125.

Bulldogs To Seagraves
Tomorrow the Bulldog basketball team will travel by cars to Seagraves where they will compete in the last tournament of the season. They have played in the Matador and Floydada meets and finished second in both. The final games of these tournaments are the only games they have lost this season.

They play Seagraves Friday night at 8:15 and two games on Saturday—probably one in the morning and the other Saturday night.

DR. JOE ALEXANDER DROPS HOSPITAL SUIT

Dr. Joe Alexander, D. O., announced yesterday that he has dropped his law suit against the City of Spur for the right to practice in the Spur Memorial Hospital.

The suit was filed in district court May 27, 1954 but was never brought to trial. It was dropped by Dr. Alexander on Dec. 29, he said yesterday.

He states that the reason the suit was dropped is that his practice is highly specialized and he no longer has need of hospitalization facilities.

METER INSTALLATION DUE WITHIN TEN DAYS

The Magee Hale Park-O-Meter Co. of Oklahoma City told City Manager W. W. Spray yesterday that installation of parking meters will be underway within the next ten days in Spur.

The city has contracted with the company to install meters in Spur on a six-month trial basis.

Spur Group Attends Recent Convention Held In Lubbock

Horace Wood, Larry Boothe, Everett McArthur and Mr. and Mrs. O'Neay Walker attended the annual convention of the American Association of Sheriff's Poses and Riding Clubs held in Lubbock Jan. 6 and 7. Horace Wood showed films of the final championship game between Spur and Eldorado and the 1955 Roundup Parade in Spur.

Members of the Berna Lillio Sheriff's Posse in Albuquerque asked to borrow the film of the game to show to their own club and the New Mexico State Fair Board. This request was made due to the many inquiries and interest in palmetto polo.

During the convention the Western States rules committee, of which Everett McArthur is chairman, held its business meeting. Others serving on the committee for the 1956 year are Jim Franklin of San Angelo, Lynn Webb of Roby, Ray Christopher of Brownfield and Foss Collier of Hereford.

This year the trail ride from Idalou to Spur will be sponsored by the AASPRC and anyone who wishes to make the ride may do so.

Again seventeen riding members turned out for polo practice Sunday. The club is welcoming new members who wish to participate in the sport.

Self-employed farmers and ranchers can become eligible for insurance benefits under the social security law by mid 1956 if they have earned as much as \$400 from farming in both calendar years 1955 and 1956 and have paid the social security tax.

P. W. BAILEY DISMISSED AS CITY MARSHALL

P. W. (Butch) Bailey was dismissed as City Marshall on Tuesday, Jan. 3, at the regular meeting of the City Council.

Bailey stated yesterday that he has since been employed as city patrolman at Snyder, Texas.

Week End Revival At Bethel Church

The Bethel Baptist Church will hold a week end revival beginning Wednesday, Jan. 11 and continuing through Sunday, Jan. 15.

Only night services will be held and each service will feature a different speaker. The services are scheduled to begin at 7:30 p. m.

Also the regular Bethel Baptist singing will be held Sunday afternoon at 2 o'clock. Several out-of-town quartets will participate in the program, and everyone is invited to attend.

FRANK SMITH IS NEW PATROLMAN IN SPUR

State Highway Patrolman Frank Smith has been assigned to the Spur area as the partner of Leonard Rose.

Smith came to Spur on Jan. 4 from Plainview. He has been with the State Highway Patrol three and a half years.

Mr. and Mrs. Smith and their two daughters, Deborah Sue, four years old, and Carolyn Ann, one year old, live at 1020 West Harris. They are members of the Baptist Church.

CHAMBER DOINGS... Spur Merchants Set New Closing Times

By Jane B. Moore, Sec.

Starting Monday, Jan. 16, several stores in town will begin closing at 5:30 during the week and at 8:00 on Saturdays. This is not a chamber-sponsored project, but one which was undertaken by the businessmen themselves.

The following stores have indicated they will observe the new closing hours: Scales Western Store, Hogan and Patton, Gabriel's, Wacker's, Holder's, Ben Franklin, Proctor's, Dunlap's, Campbell's Furniture and Godfrey's Furniture.

Word has been received from the West Texas Chamber of Commerce of an Employers' Payroll Cost Conference which will be held in Abilene next Monday, Jan. 16. This conference is designed to bring to the attention of employers ways and means of reducing costs in day to day business operations.

All employers are urged to attend. If any conference are interested in the conference, please let the local chamber office know and perhaps a delegation can be made up from Spur to attend this meeting.

New Contract With Enterprise Is Signed

Olen Arthur, Dickens County Pioneer, Civic Leader, Buried Here Monday

Funeral services for Olen Arthur were conducted at the Spur Church of Christ Monday, Jan. 9, 1956, with C. V. Allen and Bob Copeland, ministers of the church, officiating.

Arthur was born March 8, 1891 in Eastland County, Texas, and passed away Jan. 8, 1956 at 12:40 p. m. in the Spur Memorial Hospital.

He came with his parents, Mr. and Mrs. J. E. Arthur, to Dickens County on Jan. 2, 1898. He was married to Miss Georgia Stephens on Jan. 31, 1917. This marriage was blessed with seven children: Carl of Fort Worth, Miss Doris Arthur of Lubbock, Mrs. Nell Moore of Jackboro, Mrs. Morelle Caraway of Dallas, Mrs. Beth Williams of Spur, and Mrs. Jean Martin of Rockford, Ill. One infant, Velma Rhea, preceded him in death in 1924. Mrs. Georgia Arthur and a host of friends survive to mourn his passing.

Arthur was active in many civic and community affairs. He served as secretary of the Dickens County Democratic Committee for several years. He was Dickens County and District Clerk for six years. Interment was in the Dickens Cemetery with Chandler's Funeral Home in charge of arrangements.

Johnston, O. L. Kelley, Gene Green, C. T. Rodger and Tom Kl...

William Alfred York was born in Jerico, Missouri, August 6, 1877 and died December 31, 1955 at the age of 78 as a result of a heart attack. He and Miss Florence Farmer were wed February 25, 1900 in Gage, Oklahoma. The place of marriage was also where the couple made their first home. The couple came to Texas in 1916 and came to reside in Spur in 1952, at which time they began operating the El Patio Motel. Mr. York was affiliated with the Baptist Church and was converted to the Christian religion in 1910.

Survivors include his wife and one niece, Mrs. Sanford Smith of Hereford, Texas.

Interment was in Ballinger Cemetery at Ballinger, with Chandler Funeral Home in charge of arrangements.

Week End Revival At Bethel Church

The Bethel Baptist Church will hold a week end revival beginning Wednesday, Jan. 11 and continuing through Sunday, Jan. 15.

Only night services will be held and each service will feature a different speaker. The services are scheduled to begin at 7:30 p. m.

Also the regular Bethel Baptist singing will be held Sunday afternoon at 2 o'clock. Several out-of-town quartets will participate in the program, and everyone is invited to attend.

FRANK SMITH IS NEW PATROLMAN IN SPUR

State Highway Patrolman Frank Smith has been assigned to the Spur area as the partner of Leonard Rose.

Smith came to Spur on Jan. 4 from Plainview. He has been with the State Highway Patrol three and a half years.

Mr. and Mrs. Smith and their two daughters, Deborah Sue, four years old, and Carolyn Ann, one year old, live at 1020 West Harris. They are members of the Baptist Church.

CHAMBER DOINGS... Spur Merchants Set New Closing Times

By Jane B. Moore, Sec.

Starting Monday, Jan. 16, several stores in town will begin closing at 5:30 during the week and at 8:00 on Saturdays. This is not a chamber-sponsored project, but one which was undertaken by the businessmen themselves.

The following stores have indicated they will observe the new closing hours: Scales Western Store, Hogan and Patton, Gabriel's, Wacker's, Holder's, Ben Franklin, Proctor's, Dunlap's, Campbell's Furniture and Godfrey's Furniture.

All employers are urged to attend. If any conference are interested in the conference, please let the local chamber office know and perhaps a delegation can be made up from Spur to attend this meeting.

DUAL FUEL, \$12,500 DISCOUNT, 5-WEEKS DEADLINE INCLUDED

The City of Spur and the Enterprise company entered into a revised contract last Thursday night, Jan. 5, calling for a dual fuel engine at \$12,500 below the original contract price.

The new contract specifies that the engine is to meet all specifications of the original contract with the exception of type of fuel within five weeks of Jan. 9 (Feb. 13).

The original contract with the Enterprise concern called for an LPG supercharged engine with a 700 KWH capacity. The engine was installed last summer but was never made to carry the specified load even after extensive experimental research.

The change-over to the dual fuel type of engine will require the city to use both propane and fuel oil. However, the fuel oil is used only for ignition with propane being the primary fuel.

Upon the meeting of the requirements of the original contract except for fuel, the city will pay a balance of \$25,000 for the motor. The original contract price was \$75,000. Already the city has paid the company \$37,500. The new contract sets the total price of the motor at \$65,500, or \$12,500 less than the original price.

The entire expense of the change to dual fuel is to be borne by the Enterprise company. City Secretary W. W. Spray has estimated that the change will cost the Enterprise company from \$7500 to \$8,000.

The new contract further states that if the five-week performance deadline is not met by the company, it will upon written request from the city, remove the motor from the plant and replace and repair all damages incurred to city property. The company also will, in case of non-performance, set up in Spur at its own expense, a temporary 250 KWH engine to be used by the city at no charge until other arrangements can be made, but not to exceed one year.

The P. T. A. held its regular monthly meeting Tuesday, Jan. 10 in the primary auditorium. Rev. John Floyd opened the meeting with prayer.

Leader for the afternoon was Mrs. Ann Blumberg. The group singing was led by Mrs. Bob Nunley.

The first grade pupils gave a demonstration on Arts and Crafts by showing illustrations of finger painting, graph drawing, clay modeling, free-hand drawing, soap painting, story illustrating and puppet work. The puppets were acted out in the stories of "Brer Rabbit" and "Tiger and Brahman."

Mr. John Haden Moore, the new fifth grade teacher replacing Mrs. Hawkes, was introduced to the group.

The rooms winning on room count were Whitaker, Marcy, Blumberg and John F. Moore. Return slips was won by Whitaker, Marcy, Blumberg, Albin, Waggoner, Womack, Bachman, Harwell and McArthur.

Pum Night has been scheduled for the night of Feb. 24. More announcements concerning this activity will be made at a later date.

The next meeting will feature the NIBS and a report of the nominating committee will be heard.

Mr. and Mrs. Jack Jones are the parents of a new set of twins born at 10:15 p. m., January 10 in Paloalto, California. The girl weighed seven pounds twelve ounces and the boy weighed six pounds eight ounces. Mrs. Moore is the former Era Belle House daughter of Mr. and Mrs. Ned Hogan of Spur.

Miss Ann Craven of Matador visited last week in the home of Mrs. Charles Haney and Mrs.

Campbell Named Spur Fire Chief

Spencer Campbell was named chief of the Spur Volunteer Fire Dept. Monday night.

Other officers elected include Calvin Simmons, first assistant chief; John King, Jr., second assistant chief; A. J. Harvey, captain engine company no. 1; Joe Bell, captain engine company no. 2; Dr. Joe Alexander, secretary-treasurer; and W. W. Gregory and C. P. Scudder, fire police.

Joe Bell, with a perfect attendance record, and A. J. Harvey were the winners of bunker suits given by the city commission based on fire and drill attendance for the past six months.

During 1955 the Spur Fire Department answered 47 alarms.

Former Resident Buried Here Tues.

Funeral rites for Elizabeth Wilson Terry of Dallas were held in the Presbyterian Church in Spur on Jan. 10, 1956. The Rev. Dean Moore of Dallas was assisted by Rev. J. C. Willett as he conducted the services.

Palbearers were Joe Long, Coy McMahan, Carter Robinson, Johnny Koonsman, Elmer Mahen and Olney Walker. Honorary palbearers were Dick Samson, Cecil Fox, A. F. Danalis, Bernie Goldberg, Bill McArthur and Bud Morrison.

Elizabeth was born in the Exempla community near Spur on March 27, 1880 and died Jan. 8, 1956. She was wed to Harley Terry in 1926 in Spur. She lived in Spur all her life until moving to Dallas in 1942. Following the teaching profession, she taught in Floydada, Spur and Dantoni for a total of 17 years.

She was converted early in life and became a member of the Episcopal Church.

Surviving Mrs. Terry are two daughters, Mrs. Elizabeth Yeager and Mrs. Mary Lou Dudley of Dallas; one brother, Bill Elliot of Crystal City; three sisters, Miss Margaret Elliot and Virginia Williams of Spur, and Mrs. Audrey Hensley of Guthrie; and two grandchildren.

Interment was in Spur Cemetery under the direction of Chandler Funeral Home.

Tickets On Sale For "The Rainmaker"

Tickets are now on sale for the big comedy production of "The Rainmaker" to be presented Jan. 19 and 20 by the Spur VFW Post. Tickets are 75c for adults and 50c for students.

The star-studded three-act play is reported as being designed especially for Spur area tastes, including the woes of drought, the extremes in getting it to rain, the joys of a general downpour—and of course, all the emotions of a good love affair.

Cast in the production are E. B. Blumberg, Virgil Rogers, Jane Moore, Bob Johnson, Glyndon Johnston, Bill Starcher and Jimmy Green. The play is directed by Mrs. Max Eckels.

Proceeds from the play will go to the Dickens County March of Dimes and to the local VFW building fund.

The East Ward auditorium will house the comedy with performances beginning at 8 p. m. each evening.

Located on the north edge of Girard is the farm of Henry Stiles, pictured above. The farm picture was published last week by Ricks' Chevrolet as the Mystery Farm.

The Stiles farm is devoted to whiteface cattle, cotton and feed. He lists whiteface cattle as his favorite. He practices contour farming as a conservation measure.

The Mystery Farm series is being published by Ricks' Chevrolet as a tribute to the rural folks of the Spur area.

Highway Community News . .

(Delayed)
Sgt. and Mrs. Billie Hemphill of Ft. Campbell, Kentucky visited his mother, Mrs. Edna Hemphill, during Christmas.

Sgt. Ic Tommie Hemphill of Ft. Hood visited his mother, Mrs. Edna Hemphill, and other relatives over the week end.

Mr. and Mrs. David Clay and Mr. and Mrs. Dick Stubblefield of Dickens visited Mrs. Edna Hemphill, Saturday.

Quite a large crowd attended services at the Church of Christ, Sunday morning. Visitors were Mrs. Darrell Thomason and children of Hereford, Mrs. Raymond Whitford of Azle, Lorell Hairgrove of Lubbock, Sandra Martin

of Littlefield, Melinda Martin of Hamlin, Sharon Wyatt of Girard, Mrs. Walter Thomason of Spur, Shelly Williams of Dry Lake and Mr. and Mrs. Virgil Sonnamaker of Haskell.

Mr. and Mrs. Virgil Sonnamaker and children of Haskell spent the day Sunday with his parents, Mr. and Mrs. Frank Sonnamaker.

Mr. and Mrs. Donnie Pace went to Oil Center, New Mexico, Saturday to visit their daughter, Mrs. Loyd Rhinehart, and family.

Ro Anna Parker spent the night with Ann Putman, Monday night.

Mr. and Mrs. Raymond Whitford and Paul of Azle, Mr. and Mrs. James Daughtry of Spur,

Mrs. Walter Thomason and Mr. and Mrs. Darrell Thomason visited Mr. and Mrs. Earl Thomason, Sunday.

Mr. and Mrs. Jerry Thomason have returned from California where they spent Christmas with her parents.

Mr. and Mrs. Buster Thomason of Hereford came Saturday to clean the house they will move into and hauled feed from Hereford for the cows. They will be at home soon on the Willie Hindman place.

Billy Ray Stanley was here during the Christmas holidays visiting his parents, Mr. and Mrs. Wilbur Stanley.

Mr. and Mrs. Darrell Thomason and children have returned to Hereford, having stayed ten days visiting their parents, Mr. and Mrs. Earl Thomason and Mr. and Mrs. Keley Putman. Wanda Thomason went home with them for a visit.

Carl Dockery, Lubbock's Ambassador to Turkey, showed a film of his trip to Turkey at the community house Friday night. Several people from Dry Lake and Spur came to view the film and we welcome all visitors. Everyone reported the film and talk Carl made as most interesting.

Mr. and Mrs. Jimmie Hahn and Mr. and Mrs. Bob Hahn drove to Swenson, Thursday to attend the funeral of Mrs. Ed Hahn.

Mr. and Mrs. Larry Smith of Lubbock visited his parents, Mr. and Mrs. Willie Smith, Sunday.

Dora Putman of Vernon visited his brother, Kelly Putman, and family Sunday evening and they hunted a while.

Mr. and Mrs. Clifford Kever of Spur visited her parents, Mr. and Mrs. Elmer Thomason and family Sunday.

Mr. and Mrs. Johnny Ruckler of Abilene spent the day with Mr. and Mrs. Jimmie Hahn, Sunday.

Texie Soehlet and Marie Pierce were guests of Ann Putman, Tuesday night.

Mr. and Mrs. Clarke Morean and family spent Sunday in Spur visiting her father, Lam Walden, her sister, Mrs. Cecily Hunt and family of Post and her brother, L. D. Walden, and family of Lubbock.

LETTER TO THE EDITOR.

Dear Editor,
We spent a most enjoyable Christmas in this Magic Valley of semi-tropic climate. The day dawned, still and balmy, with golden sunshine overspreading the earth.
After hearing a wonderful message at church, we invited guests for noon dinner, a young couple and sons recently from Athens Greece and were feeling faraway and lonely.

The poinsettias seem to know the exact date for blossoming out in their full beauty. The air was heavily laden with odor of orange and grapefruit and ripening bananas.

We drove down Sherryland Road through part of the vast estate of the late John Sherry, father of Mrs. Shivers. In the driveway was the shining new station wagon in which the Governor's family made the trip for the holidays. The grounds are beautifully landscaped with tall royal palms and the little man-made where our President sat

and fished on his recent visit to the valley. Also there is a miniature golf course and a chapel built especially as a place of worship for those living on the estate.
Another time we drove to Port Isabella and across the multi-million dollar bridge to Padre Island where we waded in the Gulf of Mexico and gathered sea shells, and then on to Port of Brownsville where we bought bananas right off the boat anchored there. We were told that the hurricane last fall destroyed 80 percent of the banana crop in Mexico.

We meet many people who have come here to live from that part of West Texas and the Panhandle. Emma B. Russell Mrs. Kate C. Buchanan.

Fertilizer sales in Texas during 1954-55 topped last year's total by 5 percent. The total sales amounted to 588,061 tons. Mixed fertilizers accounted for 52 percent of the total and nitrogenous materials, superphosphates and ammoniated phosphates for 48 percent.

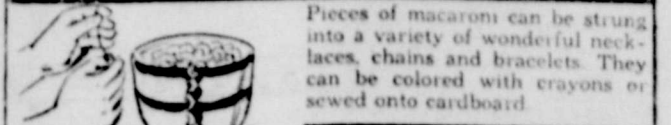

Lombardo Creates Moods With Lights and Music

Guy Lombardo, renowned bandleader, sportsman and restaurateur, has called upon his years of theatrical acumen to make his East Point House Restaurant in Freeport, Long Island, a joy to the eye as well as to the palate. As Guy puts it, "I know the importance of controlled light to create the proper mood and atmosphere. That's why we use Luxtrol to dim or brighten the lights. Our diners appreciate the right atmosphere to help them enjoy dancing and our famous shore dinners."

How to Keep a Sick Child Happy

A happy, relaxed atmosphere is important for the quick recovery of a sick child. A sick little girl can be amused by dressing her special sick-bed doll in a complete wardrobe prepared in advance by Mother. Make the doll a patient too, with bandages, arm sling and other sick room equipment.

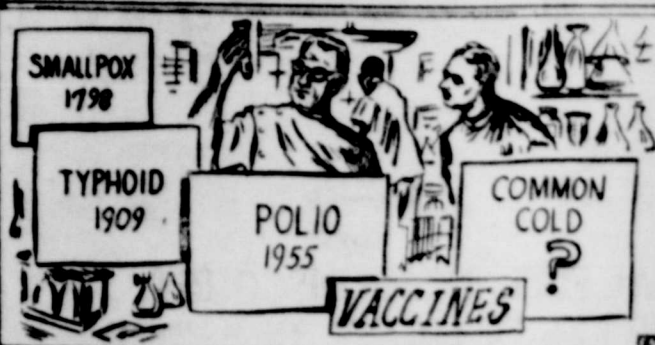

Pieces of macaroni can be strung into a variety of wonderful necklaces, chains and bracelets. They can be colored with crayons or sewed onto cardboard.

Special sick-bed cars, trucks and fire engines and a large box to "drive" them in will keep a little boy with the sniffles entertained for hours. Provide a quantity of salt to make roads. This picks up easily with a vacuum cleaner.

Don't let glaring lights make the patient uncomfortable during the day or awaken him at night when you look into see that all is well. By using the new Luxtrol light control which regulates the intensity of light—from bright to near darkness—the lights in the sick room may be controlled for playtime activities or for rest and sleep. Easily installed, the unit is an excellent addition to any child's room.

New Hope Against The Common Cold

One of man's most bedeviling foes—the common cold—may soon lose much of the stranglehold it has in the U.S., where three colds each year is the average for the entire population.

That is the hopeful prospect stemming from the Public Health Service's report in November of a new vaccine effective against one special "cold-type" infection. Although just being tested, and no date set for making it available to the public, the vaccine is believed to prevent getting one of the ten known "grippe" viruses. This one causes conjunctivitis, about six days' fever, sore throat, swollen glands and laryngitis.

However, the vaccine does not stop you from catching the common cold or the eight other "cold-like" respiratory diseases that hit hardest at this time of year. Conquering them is likely years away.

but medical science seems to be on the right track.

Meanwhile, the wisest thing to do is resign yourself to your quota of colds at the same time, take sensible precautions to ward off as many as possible. It is definitely not good sense, once you have one, to give credence to the host of myths about treating it. By the end of 1955, cold sufferers will have spent over \$400 million for treatment, including a staggering variety of expensive and generally useless remedies.

Regarding medicine, most doctors say plain aspirin is by far the most effective, safest—and cheapest—to reduce fever and relieve aches and pains from the "sniffles." It is so safe that doctors prescribe it for small children.

Following are other common myths and the medical facts:

- | MYTHS | FACTS |
|---------------------------------------|--------------------------------------------------------------------------------------|
| • Whiskey kills the cold "germ" | has no medical value. |
| • "Sweat" it out under heavy blankets | bed rest is important, but not excessive sweating. |
| • "Drafts" cause colds | only in susceptible people with low resistance. |
| • Remove a child's tonsils | no effect on colds. |
| • Antibiotic injections | helpless against cold virus. |
| • Stuff a cold, starve a fever | follow normal, well-balanced diet; plenty of liquids; aspirin will bring fever down. |

THAT'S A FACT

TURKEY VS. EAGLE
IF BEN FRANKLIN HAD HAD ONE NATIONAL SYMBOL, WOULD HE HAVE CHOSEN THE TURKEY OR THE EAGLE? DON'T SAY THE TURKEY IS A MORE OBSCURABLE BIRD AND WITH A TRUE ORIGINAL NATIVE OF AMERICA.

STRANGE IMPORT
WHEN A ZOO IN AFRICA WANTED A LION—THEY IMPORTED THE PAIR FROM A DUBLIN IRELAND ZOO! THE REASON? THE DUBLIN LIONS HAD BEEN REPT IN CAPTIVITY AND WOULD BE BETTER ADAPTED TO STAY IN AFRICA THAN THE NATIVE AFRICAN VARIETY.

ONE 5-MILE DRIVE WILL PROVE IT

Your driving is easier—you feel safer—in THE BIG M

The stunning Mercury Montclair 2-door hardtop with distinctive low profile and Flo-Tone color styling.

Easier riding and handling on sharp turns—new comfort on bumpy roads—widest choice of safety features in its field help explain why THE BIG M is the big buy for 1956.

Riding is so much better than reading. That's why we invite you to take a demonstration drive in our big M.

Then you'll feel the big M's reflex action firsthand—how ball-joint front suspension adjusts itself instantly to rough roads, ruts, and curves.

And you'll experience the reflex-action response of THE BIG M's new SAFETY-SURGE V-8 engine—how it takes the tension out

of passing, makes hill-climbing as effortless as breathing.

You'll discover the new peace of mind provided by THE BIG M's new Safety-First Design. For this year Mercury offers 10 new safety features, including the only impact-absorbing steering wheel in its field.

So see us for a test ride. Compare our prices and you'll find that THE BIG M is as easy to own as it is to drive.

BIG 4 OF THE BIG M

- NEW REFLEX-ACTION PERFORMANCE.**
THE BIG M responds to your every command—go, stop, climb, pass—quick as an athlete's reflex. On all roads and curves, Mercury adjusts instantly, automatically, for your ease and comfort.
- BIG M BEAUTY.**
New, long, low profile. Distinctive Flo-Tone color styling. Clean-lined beauty for young-minded people.
- NEW SAFETY-FIRST DESIGN.**
Widest choice of safety features; impact-absorbing steering wheel, safety door locks (at an extra cost); padded instrument panel, safety belts, optional.
- PROVABLE VALUE.**
Low price when you buy—low cost while you drive. For 4 years best resale value in its field. Many dividend features for greater performance and convenience.

CLOTHING... for the Cowboy

Cowboys dress for their job and for the climate they live in. The brightly colored "neckerchief" or "bandanna" protects his face and neck from sun and dust during the summer and from sleet and bitter wind during the cold western winter.

Smart cowboys never ride the range without their chaps. Made of strong leather or fur, every cowboy wears them as leg armor as they ride thru sagebrush, cactus and chaparral in search of a lost "dog". No cowboy feels dressed for work without his chaps.

A cowboy's hat has many uses. The wide brim is a sunshade, he uses it to fan his campfire to life, to water his horse, as a pillow, for signaling when he's in trouble—and many other unusual uses. A good hat costs from two to six months wages for a ranch hand. See you on the NBC TV Roy Rogers Show with more cowboy data.

REFINING IN OIL

DR. WILLIAM M. BURTON 44%
 INVENTED AND DEVELOPED THE FIRST COMMERCIAL CRUDE OIL CRACKING PROCESS IN 1915.

DR. BURTON'S THERMAL CRACKING PROCESS OPENED THE WAY FOR MODERN REFINING TECHNIQUES SO THAT TODAY 99 PER CENT OF THE CRUDE OIL PRODUCED IN THE U.S. IS A BLEND OF CRUDE OIL TO A HIGH AND GASOLINE.

DR. BURTON ASSOCIATED HIMSELF WITH THE OIL INDUSTRY IN 1925 AND WAS CONSIDERED AMONG THE FIRST COMMERCIAL CRACKING ENGINEERS IN THE INDUSTRY. BY 1930 HE REALIZED THAT THE NEED FOR CRACKING WOULD SOON BEYOND KEROSENE DEMAND.

DR. BURTON HAS BEEN IN THE OIL INDUSTRY SINCE 1925 AND HAS BEEN A MEMBER OF THE AMERICAN PETROLEUM INSTITUTE'S BOARD SINCE 1947.

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

GIFTS—HOW MUCH DO THEY COST?

Since thoughts of gifts come quite naturally to mind during the Christmas season, the subject of gift taxes may be a timely one. Although it may surprise some people, the federal government made by one person to another, levies a tax which applies to gifts.

However, the government has no desire to tax ordinary birthday and Christmas gifts. The law therefore excludes from taxable gifts the first \$3,000 given to each individual in each calendar year.

The law also excludes from taxable gifts, gifts to the church, community chest, and similar charitable organizations, and allows each giver an exemption of \$30,000 before the tax applies.

The tax applies whether the gift is of money or of property. If it is of property, the tax is computed on the fair market value of the property at the date of the gift.

The purpose of many gifts is to remove the property from the taxable estate of the giver at the time of his death. This may or may not be accomplished. The federal law provides that transfers made within three years before date of death shall be deemed to have been made in contemplation of death and shall be taxable in the estate of the one who dies.

It may be advisable to "look a gift horse in the mouth" for the gift may cost the one who receives the gift in income taxes as well as the giver in gift taxes.

For income tax purposes the cost basis of property received by gift is the cost to the giver regardless of the fact that the giver may have paid a gift tax on the gift. The other rule is that in case of property received by inheritance, the cost basis is the fair market value at the date of the decedent's death.

An example will show the application of the rules. Suppose a farmer acquired his land in the early days at a cost of \$10,000. This property is now worth \$50,000. The farmer wishes to retire and to escape estate taxes, so he gives the farm to his daughter.

Although he may pay federal gift taxes totaling several thousand dollars, when the daughter decides to sell the farm for its \$50,000 value, she still has to pay income tax on \$40,000 profit (difference between the sales price and her father's cost of \$10,000).

On the other hand, if the farmer had not given the farm to her daughter, but had left it to her under his will, he would have saved the gift tax. The daughter would have taken the property at a cost basis of \$50,000, so upon the sale she would not have had to pay any income tax.

Of course, there would have been some estate taxes and administration expenses in the father's estate, but that would have been much less than the taxes which resulted from the gift. However, depending upon individual and particular circumstances, there may be occasions when a gift is advisable. Your lawyer can advise you on this matter.

(This column, based on federal and Texas law, is written to inform—not to advise. No person should ever apply or interpret the law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

NOTICE

Our law office will be closed all day on Saturday, January 14, 1956, in order that the firm members may attend a One-Day Institute on the new Texas Probate Code to be held at Plainview. We regret the necessity of closing our office for the day, but the importance of this new law is such that we think it is imperative that we attend the Institute.

Dodge presents... "The TEXAN"

Choice of this sleek Lancer Hardtop or the big, rangy 4-Door Sedan

The Texan by Dodge!

A handsome, rugged car big as all outdoors, with the surging power of a quarter horse, sweeping lines of a gull in flight, the relaxed touch of push-button driving!

The Texan is built for Texas driving. It skims swiftly along the big broad highways, it rips over hills like a hungry cougar, it takes the bumpiest, roughest, sandiest road and comes back for more. Powered by the mighty engine that busted the AAA record book wide open at Bonneville Salt Flats, it gives you the same superior engineering and design that made Dodge the greatest sales-gainer in the industry in 1955.

Plenty of special features, too... specially designed interior trim, special paint combinations, jaunty twin exhaust pipes, and other smart touches. The Texan's name is proudly blazoned on both rear fenders. And the brave crossed flags of the Lone Star State are right up front where your fellow-Texans can admire them!

Best of all, the Texan is priced right down with the so-called "low-priced three." Yet it's big and powerful and luxurious... rivaling cars costing as much as a thousand dollars more! Visit your nearest Dodge Dealer now and drive the Texan!

The Texan

H.D. Club Has Regular Meeting

The Antelope Home Demonstration Club met in the home of Mrs. George Perry, January 5. Mrs. Brown gave out some of the programs for the New Year and during the year, each member will participate on the program. Miss Brunson presented an interesting discussion on "Low Cost Main Dish Dinners". Seven members and one guest, Miss Brunson, were present. Others were unable to attend due to illness.

Martha Bailey Feted With Birthday Party

Little Martha Faye Bailey was honored on her sixth birthday by her parents with a party held in her home January 7. Games were played and refreshments were served to the following guests: Barbara, Linda and Steve Rogers, Linda Daughtry, Bunkie and Patricia Garner, Barbara Watson, Prissy Nunley, David and Cintha Talis, Jamie Allison, Judy Ann Kidd, Leon and Erlene Patterson, Susan Adams, Mike, Pat and Bob Rose, Rebecca, Jenny, Ray, Jerry Don and Aaron Bailey, Jerry Dave Hagins and Jerry Waddell.

Delisle Home Scene Of H.D. Meeting

The Epiphany Home Demonstration Club met in the home of Mrs. G. L. Delisle, January 4, at 2 p. m. for its first meeting of the year. The new yearbooks were issued to each member and programs planned. The president appointed the following club committee chairmen: Citizenship, Mrs. Pearl Morgan; Health and Safety, Mrs. T. A. Johnson; Education, Mrs. Lee Parker; Civil Defense, Mrs. G. L. Delisle; Recreation, Mrs. Bob Dixon; and Reporter, Mrs. Don Ramsey. Misses Alton Delisle and J. W. Holloway will serve as clothing demonstrators. Food demonstrators of the club will be Misses C. F. Holloway and Toby Collett. Those present were Misses Harold Karr, W. E. Ball, Bob Dixon, Pearl Morgan, John K. Johnson, T. A. Johnson, C. F. Holloway, J. W. Holloway, Lee Parker, Don Ramsey, Alton Delisle, and the hostess. The next meeting will be January 18 in the home of Mrs. W. E. Ball.

Church Ceremony Unites Nancy Barnett Neal Hindman, December 27

Miss Nancy Elizabeth Ann Barnett, daughter of Mr. and Mrs. O. E. Barnett, became the bride of Lloyd Neal Hindman, son of Mr. and Mrs. Lloyd Hindman, at 7 p. m., December 27, 1955 in the First Methodist Church, Spur.

The Rev. Cal C. Wright read a double ring ceremony before altar arrangements of white gladioli and paper white narcissuses, flanked by candlesticks holding white cathedral tapers. Pews were marked with stems of gladioli and white satin bows.

Miss Lanell Macey, organist, played wedding music and accompanied Donald George Snodgrass as he sang "He" and Ralph Gibson, who sang "Became". The bride, given in marriage by her father, wore a gown of Chantilly lace over taffeta, styled with a fitted Spencer jacket with a collar and was buttoned in front with tiny self-covered buttons. The long sleeves formed petal points over her hands. Her skirt was of lace banded with ruffles of tulle. The circular illusion veil fell from a tiara of seed pearls.

She wore the traditional "something old, new, borrowed and a blue" garter, the gift of a friend, Nancy Powell. She carried a white pearl Bible topped with a bouquet of white gardenias and stephanotis. White cascades of stephanotis and white net on streamers of white satin love knots and bridal lace tapers to the tip of her dress.

Candlelighters were Bonnie Ensey and Curtis Blair. Alton Williams served the groom at best man and Bonnie Ensey, Donald Snodgrass, Curtis Blair and Joe Bruce Long were ushers. Miss Barbara Barnett attended her sister as maid of honor and ring bearer. She wore a pink-orchid waist-length net dress designed with a scoop neckline and full skirt. Her boutonniere was of pink daisies and she carried a matching nosegay. Bridesmaids were Misses Carol Gordon, Jane Ann Albin, Jerry Waddell, and Sue King. They wore dresses like that of the maid of honor. Two were dressed in pink and two in blue. They carried nosegays of white daisies and wore matching bandeaux.

Preceding the bride were Ray Hindman, who attended his brother as ring bearer, and Joanne Abbott of Lubbock, cousin of the groom, who was flower girl. Her bandeau was pink daisies. She carried a white basket from which she dropped petals for the bride. At the conclusion of the ceremony, Ralph Gibson sang the "Wedding Prayer".

Parents of the bride were hosts to a reception given in the church parlor. Assisting in entertaining were Mrs. Horace Wood, who registered the guests, Mrs. J. C. Payne, who cut the cake, Miss Barbara Nell Foreman, who served the cake, and Miss Dorothy Payne who presided at the punch bowl. Twin tables were used for the reception. They were covered with white maderia cloths over blue with crystal appointments. The three-tiered heart shaped cake was topped with a miniature bride and groom, with a pink rosette trim, and rested on a silver tray. Punch was served from the other table which was decorated with the bride's bouquet and Bible and the bouquets of the bridal attendants. Baskets of gladioli were placed in the background. For a trip to San Antonio, the bride wore a brown suit with tan accessories and a corsage of white gardenias.

Out of town guests included Mr. and Mrs. Hatty Hanson of Garbure, Mrs. Ruth Hindman of Lubbock, Mr. and Mrs. L. J. Abbott and family of Lubbock, Mrs. Myrtle Ensey of Odessa, Mrs. Bill Perrin of New Mexico, Mrs. Mary Dunn, Robert Reynolds and Mr. and Mrs. W. H. Hindman all of Dickens.

Boonstra-Pritchett Vows Read In Holland Recently

Miss Yany Boonstra, daughter of Mr. and Mrs. Jacobus Boonstra of Amsterdam, Holland, and Cleston Pritchett, son of Mr. and Mrs. Dan Pritchett of Spur, were united in marriage in Holland, December 29, 1955.

In Holland there are two ceremonies, usually about fourteen days apart, so the definite date of the civil ceremony is not certain as yet.

Cleston met Miss Boonstra while serving as a Sgt. with the U. S. A. F. on a Good Will Tour of the European countries. The couple will make their home in Spur. Enroute to the United States, the couple will visit in Arkansas, with his brother, Dan Jr. and family; Denton, with another brother, Leonard, and family; and Ft. Worth, with two other brothers, Doyle and family and Randolph and family.

J. Boothe, C. Sonnamaker United In Double Ring Ceremony, December 16

Miss Jean Boothe and Charles Sonnamaker were united in marriage in the home of the bride's mother Friday, December 16, at 7 p. m.

Parents of the couple are Mrs. Rada Person and Mr. and Mrs. Frank Sonnamaker. Dell Young solemnized the double ring ceremony under an arch of greenery set with small aqua Christmas balls. From the center top of the arch hung a big white bell attached to a large white satin bow.

Misses JoAnn, Margaret and Lillian Bailey provided the music as they sang "Because", "I Love You Truly", and "Bless This Home". The traditional "Became" was presented by a recording. The bride, given in marriage by her uncle, Ike Simmons, was attired in a waist-length dress of white lace over tulle. Her dress of princess style was topped with a short lace bolero with a Peter Pan collar and elbow length sleeves. Her veil of silk illusion was attached to a headband outlined with white velvet and sprinkled with white sequins. She carried a lace covered white Bible, given her by her maid of honor, which was topped with white carnations.

For the traditional something old, new, borrowed and blue she wore a watch, a graduation gift from the groom; her wedding ensemble, for something new; a white linen handkerchief, belonging to her mother; and a blue garter.

Miss Beverly Bostic was the bride's only attendant. She wore a fitted waist-length dress of aqua net over taffeta. Her bolero was aqua taffeta fashioned with elbow length sleeves and a portrait collar. Her matching headband was set with tiny artificial flowers and she carried a nosegay of pink carnations.

Rodger Sonnamaker served his brother as best man. Immediately following the ceremony a reception was held in the dining room. The table was laid with a white lace cloth over aqua centered by a four-tiered white cake trimmed with aqua bells and topped with a miniature bride and groom. White candles in crystal holders were placed on each side of the cake and crystal and silver appointments completed the arrangement.

Boonstra-Pritchett Vows Read In Holland Recently

Miss Yany Boonstra, daughter of Mr. and Mrs. Jacobus Boonstra of Amsterdam, Holland, and Cleston Pritchett, son of Mr. and Mrs. Dan Pritchett of Spur, were united in marriage in Holland, December 29, 1955.

Y.W.A.'s Meet In Jones Home Tues.

The Bethel Y.W.A.'s met Tuesday, January 10, 1956, at Mrs. Glenn Jones' home. The meeting was called to order by the president, Miss Onal Jean Feaster, who also presided during the business meeting. The program for the afternoon was a Bible study. Nine persons were present and anyone who would like to meet with the Y.W.A.'s is invited to do so. The organization will meet each Tuesday afternoon from 5 until 6 p. m. in the home of Mrs. Glenn Jones.

Marvin Tidwell, Bruce and Jack Allen and Quinn Hickman made a business trip to Petersburg, Monday.

Tommy Lumsden arrived home Sunday after spending 2 years and 3 months in Germany. He received his discharge at Camp Chaffee, Mr. and Mrs. Bobby Hardin and children and Mr. and Mrs. Dale Neff and family spent the day Sunday in Springdale visiting with Tommy and their parents, Mr. and Mrs. O. E. Lumsden.

HEALTH HORIZONS

The Antibiotic Age

Many of us, perhaps, have come to accept the present period in medical science as "The Antibiotic Age." Thus, we may be inclined to take for granted an announcement of the discovery of a new antibiotic. Yes, just such an announcement caused an uncommon degree of interest at the Third Annual Symposium on Antibiotics, held recently in Washington, D. C., where a team of New Jersey physicians described a new drug called Albamycin.

Guided by the knowledge that various bacteria have developed insensitivity to the usual, routinely prescribed antibiotics, the New Jersey doctors used Albamycin to treat a variety of human infections.

Already, extensive clinical studies of the new drug, under way in a considerable number of medical centers, it is expected that Albamycin will prove effective in the treatment of bacterial infection in the skin, lungs, bone, urinary tract and the blood stream. The way in which the new drug was discovered suggests the possibility that we are about to witness a new kind of "Gold Rush" in the United States. Albamycin, for example, was developed in the research laboratories of The Upjohn Company, Kalamazoo, Mich., from soil samples collected in a suburb of New York City. Research scientists, after completing a series of clinical and laboratory tests of the new drug, report that Albamycin reveals two unique and clinically significant features: it has shown no cross-resistance (i.e. bacteria which have become insensitive to other commonly used antibiotics remain sensitive to Albamycin); it gives the highest blood levels ever experienced with any antibiotic. One key to the effectiveness of an antibiotic is the amount absorbed into the blood stream where it is available to fight disease-causing bacteria. On an oral dose for dose basis, Albamycin quickly gives blood levels 50 times higher than penicillin, 25 times higher than erythromycin, and 10 times higher than tetracycline.

Local Couple To Wed February 14

Mrs. Claud W. Barclay of Spur announce the approaching marriage of her daughter, Margie Lou Campbell, to Joe Max Barclay of Lubbock, son of Mr. Claud W. Barclay of Spur on February 14, 1956 in the First Baptist Church, Spur.

Miss Campbell is a graduate of Spur High School and graduated from H. S. U. of Abilene. She is now employed with Humble Oil Company in Abilene. Joe Max is a graduate of Spur High School and Texas Tech and is employed with an insurance firm in Lubbock.

Mr. and Mrs. Hughes Smith and Mary Ann, Mrs. Dale Thomas, Linda and Mark of Whiteface and Don Smith, with the Air Force stationed in San Antonio, spent Wednesday in the home of Mrs. Smith's parents, Mr. and Mrs. J. H. Miller.

Mrs. Lee Payne of Dickens spent Tuesday night in the home of Mr. and Mrs. J. H. Miller. She also visited in the H. D. Nickels home during the week.

Mrs. John A. Allen, Bruce and Carol Ann, returned Wednesday from a visit with her mother, Mrs. J. B. Cleaver, and other relatives at Jacksonville and Nacoleches.

Thirteen Attend 1931 Study Club Meet

Mrs. W. D. Blair was hostess to the members of the 1931 Study Club when they met in her home recently.

Mrs. Alfred Walker presented the summary of "Child-Parent Relationship" followed by a talk, "Toys and Literature and the Child," by Mrs. Mac Allison.

Those present for the meeting were Misses Mac Allison, Louis Arnold, Floyd Ball, Earl Barnett, Bill Glenn, Fike Godfrey, Bill Gregory, J. B. Haralson, James Jay, Harold Karr, Dalton Lebew, Everett Martin, Bill Newsom, Alfred Walker, Pat Williams, and the hostess.

Mrs. Noble Neff honored her children, Wednesday with a birthday. Roy Lee celebrated his 9th and Natalia Jo her 8th. Refreshments were served to the eight children present.

FARM TOPICS

The first Soil Testing Laboratory to be located away from College Station is being opened at Seymour, Friday, January 13. The new laboratory is holding open house from 9 a. m. till 4 p. m. Farmers and business men from this part of the state have been invited to look at the lab.

Soil Testing stations are being scattered all over the state to give faster and better service to farmers and to encourage wider use of soil testing facilities by farmers.

The Dickens County 4-H, FFA committee met Monday night. Plans are well underway for the 4-H, FFA Livestock Show which will be held March 2 and 3.

This years show will be bigger and better than any previous one. According to the older members of the committee, there are more livestock entered and they are of much better quality than in previous years.

Irrigation farmers in Dickens and Motley Counties are having a meeting on Irrigation Problems on February 22. The speaker at the meeting in Roaring Springs will be Bob Thurmond, Irrigation Specialist with the Extension Service.

More information will be available soon and interested farmers will be further advised at that time.

Join with friends and neighbors in 1956 and start in your community a program on farm and home safety. It could save your life.

Properly kept records, when thoroughly analyzed, can reveal weakness in management which may be costing money and making the cost-price squeeze even tighter for the farm or ranch operator.

Cushions Are Loaded and Nobody Walks

CHEVROLET SCORES WITH NEW NINE-SEATER

It takes nine for a baseball team and that's the number of passengers who can be accommodated in two new Chevrolet station wagons for 1956. Just to illustrate the point, the Queens, a girls' baseball team from Flint, Mich., climbed into the new car and found plenty of room left behind the third seat for equipment. This is one of six Chevrolet station wagons.

HIGH SCHOOL MENU JANUARY 16-20

MONDAY
Cream potatoes, kraut and weiners, buttered carrots, hot rolls and butter; peach halves.

TUESDAY
Roast and brown gravy, candied yams, mixed green salad, rice pudding, pineapple rings.

THURSDAY
Sliced cheese, English peas, buttered rice, brownies, milk, bread.

FRIDAY
Chicken fried steak, cream gravy, blackeye peas, celery stick, fruit jello, bread, milk.

MAHON WARNS OF LOWER FARM SUPPORT PRICES IN NEW PLAN

Rep. George Mahon (D-Tex.) warned on the eve of scheduled Senate hearings on a new farm law that steps should be taken to prevent the adoption of a plan for lower supports on cotton of less than one inch staple.

"The present law requires that cotton loans be based on seven eighths inch staple. There is considerable sentiment in the U. S. Senate to raise the seven eighths inch basis to one inch. This would tend to reduce the support on all cotton on an average of about 2 and one half cents per pound," Mahon declared.

He said Senator Ellender, chairman of the Senate Committee on Agriculture, has indicated his committee might favor raising the basis from seven-eighths to one inch.

"One proposal would require 90 percent of parity support of one inch staple, but a support level of less than 90 percent for cotton having less than one inch staple," Mahon said.

"For example, the support level on one inch cotton might be 90 percent of parity and the support for seven-eighths inch staple might be 75 percent of parity."

This would not only be discriminatory, according to Mahon, but would deal a disastrous blow to West Texas cotton producers.

Since his return to Washington, Mahon has discussed the problem with officials of the Department of Agriculture and members of the Senate and House agriculture committees.

The Senate Committee is expected to open brief hearings on the new farm bill today. Mahon has asked to be allowed to testify before the committee before final action is taken.

Briefly, here is the legislative outlook in Congress on the farm program. The House last year passed a bill providing for the

restoration of 90 percent of parity supports for the basic crops.

The next move is up to the Senate, and it is expected that the Senate will modify the House bill to include many additional provisions before the House will again have a chance to vote on the new farm legislation.

Senator Ellender expects to have a bill on the President's desk by February 15.

"We are interested in getting something done reasonably soon, but we are more interested in getting the right kind of legislation and most anxious to safeguard ourselves against discrimination in the new law as applied to West Texas," Mahon concluded.

Of the cotton growers voting in the respective referenda, 91 percent approved marketing quotas for the 1956 upland cotton crop and 90.5 percent on December 11, voted for quotas on extra long staple cotton.

CARD OF THANKS

To our friends who so generously expressed their deep concern for the welfare and comfort of our loved one and his entire family during his illness and death, it is with the deepest of gratitude that we say Thank You Most Sincerely. May God's richest blessings be yours.

Cadillac

Not Wealthy... Just Wise!

Most people think that the gentleman who owns and drives a new Cadillac must necessarily be blessed with an abundance of this world's goods.

But the truth of the matter is that a great many motorists of relatively modest means—like the happy man you see here—sit at the wheel of the "car of cars."

For wisdom and practicality lead to Cadillac—just as surely as prominence and prosperity!

Listen, for a moment, to this remarkable assembly of facts—and see if you don't agree.

The Series Sixty-Two Coupe... the beautiful and inspiring motor car pictured above... costs just a few dollars more than many cars in the "medium-price" bracket.

Cadillac's dependability is so extraordinary that

the car is virtually free from all but the purely routine requirements of service.

A Cadillac stretches a gallon of gasoline over so many miles that it is actually the rival of much smaller, lighter cars in this regard.

And a Cadillac will retain its value over the years better than any other automobile in the land.

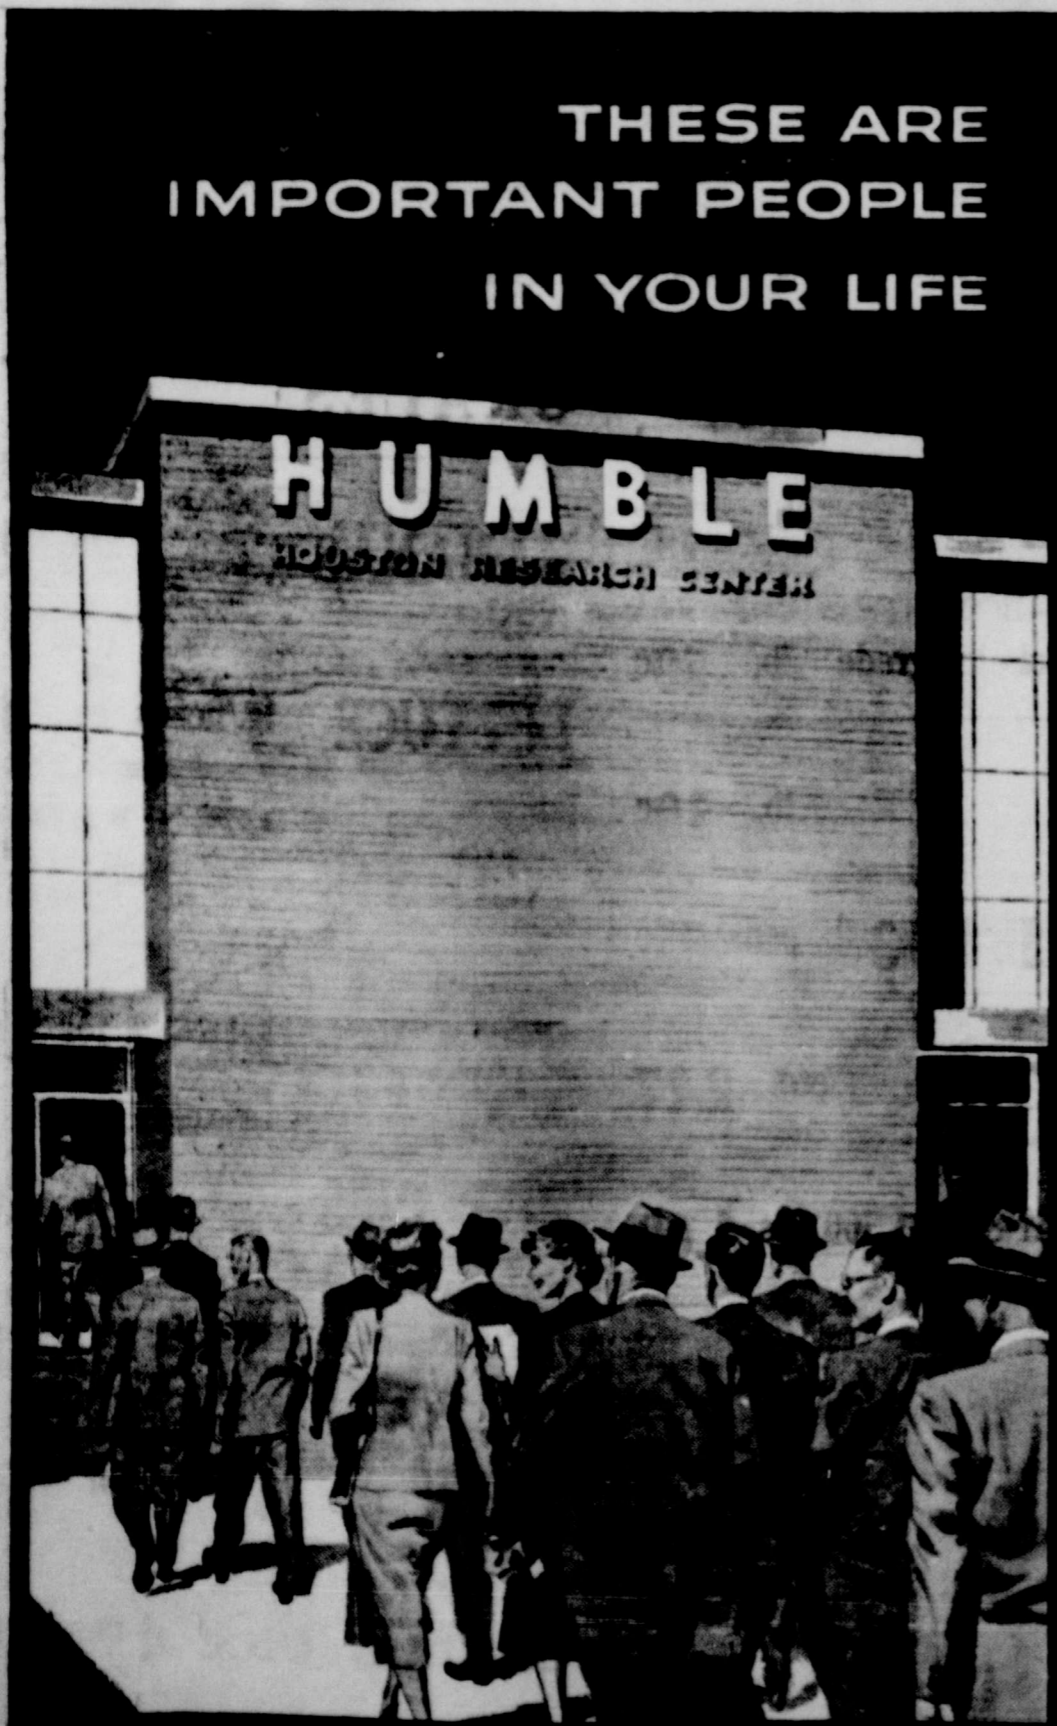

The conclusion is, we think, self-evident: Cadillac ownership is not only wonderful and thrilling—but sound and sensible as well.

Why not stop in soon for a look and a ride?

You'll discover the most beautiful Cadillac ever built... the finest-performing Cadillac of all time... and the greatest value in Cadillac history.

That's Cadillac's magical combination for 1956—and it's waiting for you now in our showroom.

Reagan Motor Co.

THESE ARE
IMPORTANT PEOPLE
IN YOUR LIFE

Dear Friends

The people in the picture in this advertisement are Humble researchers on their way to work in Humble's Houston Research Center.

They are important people in your life, because their studies and their constant experimentation have only one purpose: to supply your increasing needs for oil and natural gas.

At the Houston Research Center, they pool their efforts to make the finding and production of oil and natural gas more efficient. And since they are top people in their different fields, their work has met with notable success.

It has helped to make the Humble Company not only the largest but also one of the most efficient producing companies in the country.

The new ideas, new methods and new practices developed by Humble researchers have resulted in the discovery of new reservoirs of a valuable natural resource; in making these reservoirs more productive; and in prolonging their life for your future benefit.

Sincerely

HUMBLE OIL & REFINING CO.

HOSPITAL NOTES...

Edith Pritchard was admitted December 14 for surgery and discharged the following day.

Entertaining on the 15th were Helen Young and R. S. McBride, both receiving medical care.

Charles Stinnett and Lizzie Rumbert were admitted December 16 and discharged several days later.

Robert Lee Hudson was admitted December 17 as a result of an accident and was discharged the 18th.

Joe Wallace Bingham received surgery December 19 and was discharged the following day.

Admitted for medical treatment on the 19th was Delton Roberts.

A December 20th patient was W. H. Boone, who underwent medical treatment for three days.

Brady Walker was a patient beginning December 19. He received surgery and has not yet been discharged.

Entering on December 21 were Mrs. Charlie Kimmel and Joe Nally. They received medical treatment.

Thelma Fitzgerald underwent surgery December 22 and was dismissed the following day.

Receiving medical care beginning December 22 was Kate Tidwell and has not yet been discharged.

Two patients, Mrs. Frances Smith and Larry Harris, were admitted for medical treatment the 24th and both were dismissed December 25.

Five persons were omitted Christmas day as a result of an accident. Those admitted were Vada Tarrant, Carla Tarrant, Mrs. Welton Tarrant, Dee Tarrant and Jerry Tarrant. They were all discharged at various times.

Also receiving medical care on Christmas day was Bobby Joe Witcher. He is still undergoing treatment.

Mrs. Jack Williams and Mrs. C. C. Haile entered on December 26 and both have been dismissed.

Lou Ann Gregory received treatment on the 27th.

Surgery was performed on Marie Shaw beginning December 28 and she was discharged the following day.

Medical patients being discharged on December 30 were Mrs. J. H. Rigby and Carolyn McCoy.

Alberta Jones was a hospital patient beginning December 31.

The first New Year's entry was Bobbie Courtsey who underwent medical care. She was discharged January 2.

Others who are still undergoing medical treatment and were admitted the 2nd are George Lindholm, Mrs. Bessie Schuessler, and Shirley Harrison.

Dr. P. C. Nichols, who has been a patient for some time, was dismissed January 1.

Eyes glowed and hearts were glad Thursday night, December 22 at the NIBS-Hospital Christmas dinner. After enjoying a delicious turkey dinner everyone gathered around the beautiful Christmas tree in the lobby while the NIBS sang carols outside.

After the songs, Dr. Williams made a brief talk commending the Ladies Auxiliary and the NIBS for their good work and value to the community. Gifts were then exchanged. The NIBS with a medalion necklace with her name engraved on one side and the word "NIBS" on the other. The mothers of the NIBS gave each girl a doll dressed in the standard uniform of the NIBS. They are now on display in Dunlap's window.

The ladies of the hospital Auxiliary baked a cake for each employee of the hospital and we were all very happy to receive them.

We are sincerely thankful to Cecil Godfrey for the turkeys which helped make our dinners successful, and to everyone who sent cards, flowers, candy and other gifts. We also thank Max Eckels for displaying the NIB dolls at Dunlap's and Mr. and Mrs. Jim Barron for the thermometer holder.

Demonstrations in all sections of the state are proving the value of soil testing. Now is the time to submit soil samples from the fields where next year's crops will be planted. See the local county agent for details on soil testing.

Unmarketable honey in feeding bins needs were fully met, the calf crop went to 93 percent.

Last year REA-financed systems sold an estimated 19 billion kilowatt-hours of electricity—16 percent more than the year before. The cost to consumers dropped 5 percent during the same period.

Exports of agricultural commodities from the U. S. during the July-November 1955 period were 4 percent larger than for the same period in 1954. Cotton exports, however, were less than half those for the 1954 period.

The formal opening of the Baylor County Soil Testing Laboratory will be held in the C. Hall at Seymour on 9 a. m. January 13.

The amount of protein consumed by cows in the beef breeding herd has a strong bearing on the size of the calf crop. Research showed that when cows got two-thirds of their protein requirements they produced a 64 percent calf crop but when the

TIMELY FARM TIPS

Autumn Ideal Time to Kill Rats, Mice

Here's how:

- 1. SANITATION**—Remove all rubbish, garbage, and other refuse from the premises. Stack lumber and firewood neatly on racks at least one foot above ground level.
- 2. RATPROOFING**—Step No. 2, can effectively keep rats and mice out of corncribs, granaries, warehouses, and all other places where feed is available. Bulletin describing ratproofing methods may be obtained from your county agricultural agent.
- 3. PLACE BAIT**—Baiting is the third and most effective blow in the autumn anti-rat campaign. Outstanding among the available rat and mouse killers is warfarin, a potent substance discovered in the laboratory of Dr. Carl Paul Link, Entomology Dept., University of Wisconsin, by Dr. Mark A. Stalmann, Miyoshi, Okawa, and Link. Warfarin is recommended because:
 - It kills all species of rats and mice common to the United States; it is a slow killer and does not create bait shyness; no pre-baiting is required; no tolerance develops; it is easy to use; it may be used in any climate or season at any temperature; it is comparatively safe to use; and it may be purchased as a ready-mixed bait, as a concentrate, or in water-soluble form.
 - In using warfarin bait, it must be made available to the rats and mice at all times. Bait stations—shallow containers protected with a board or a wooden box—are normally examined and replenished every 48 hours. A limited number of permanent bait stations will kill newcomers and control reinvasion.

Dry Lake Community News

There will be a fellowship at Foreman Chapel Church, Friday, January 20 at 7:30 p. m. Rev. and Mrs. Charles Pickens will be present at this meeting. Everyone is invited to come. There will be a song service and then everybody will be at liberty to visit and talk. There will be refreshments for all.

The Dry Lake Baptist W.M.U. met Monday at 2:30 p. m. in the home of Mrs. Jim Smith. The lesson for the afternoon was Royal Service. Those present were Mrs. Lon Bass, Ola Miller, Jeff Smith, J. B. Karr, Bernice Berry, Ella Draper, and the hostess. The next meeting will be in

T. N. Morgan.

Visiting Mrs. Thelma Calvert, Sunday were her daughters, Mr. and Mrs. James Reast of Brownfield, Mrs. Dorothy Kissinger, and Mr. Rex Smalgen of Lubbock, and Mr. and Mrs. O. H. Forbes of Crosbyton.

Kathy Williams spent Friday night with Patsy Powell.

Mr. and Mrs. Ellis Draper attended the funeral of her aunt, Mrs. Ed Hahn, last Thursday in Aspermont.

Rev. and Mrs. Morris Denson, pastor of the Soldier Mound Baptist Church, were dinner guests of Mr. and Mrs. W. E. Ball, Sunday.

Miss Lanell Marcy and her father visited Foreman Chapel Church, Sunday. Miss Marcy played the piano for the morning service.

Mr. and Mrs. Ivy McMahan visited their daughter, Mr. and Mrs. Archer Powell, Saturday night.

Mr. and Mrs. Dewey Johnson

of Jayton visited his sister, Mr. and Mrs. Coy Dopsos, and boys, Kenneth and Donald.

Sp 2c Charles W. Wright, who has been in Korea and will return soon, and his new bride visited over the week end in the home of his brother, Mr. and Mrs. Dick Wright, and family.

Miss Nancy Powell spent Friday night with Miss Agatha Ellis.

The Dry Lake young folks met in the home of Mr. and Mrs. Ellis Draper, Sunday night after church for their fellowship hour.

Miss Nancy Powell and Miss Joann Foreman attended the basketball game in Floydada, Friday night.

We congratulate Mr. and Mrs. John Aston on having their second irrigation well.

The scripture lesson Rev. Charles Pickens gave Sunday morning was read from Genesis 3rd Chapter, first 13th verses. The text was "Confession is Good For the Soul". The evening lesson was read from the 26th Chapter of

Matthew.

Mrs. Coy Dopsos attended the funeral of O. C. Arthur, Monday afternoon.

Mr. and Mrs. D. C. Wright of Abernathy visited his brother, Mr. and Mrs. Dick Wright, and family Sunday afternoon.

Sunday school will start promptly at 10:00 next Sunday so that those who can will go to Dickens to the conference.

Rev. and Mrs. Bill Ware of Point, Texas, visited Mr. and Mrs. Ellis Draper during the holidays. Rev. Ware is a former pastor of a Dry Lake Church.

The Wednesday night prayer meeting at Foreman Chapel church is still going. Mrs. Coy Dopsos gave the lesson last Wednesday night. Don't miss next Wednesday night.

Mr. and Mrs. Lon Bass attended the funeral of his niece, Mrs. Perry Bryant, of Brownfield, last Wednesday.

Mr. and Mrs. J. M. Kirby of Sherman, Texas, are visiting her sister, Mr. and Mrs. W. E. Ball, this week. Another visitor was Mrs. Archer Powell, niece of Mrs. Kirby.

JULY TO NOVEMBER FARM EXPORTS UP 4 PERCENT

Exports of agricultural commodities from the United States during the July-November period are estimated at \$1,000,000,000, a gain of 4 percent over the same period for 1954.

According to the U. S. Department of Agriculture, farm exports in November are estimated at about \$275,000,000, or 11 percent greater than the monthly average in the first quarter of the current fiscal year, but 18 percent less than for November of 1954. The chief differences between November 1955 and the corresponding month a year earlier were the declines in exports of cotton and vegetable oils and oilseed while increases were made of grains and feeds. Exports of livestock products, tobacco and fruits and vegetables did not change significantly.

"DAN DAILY STARS IN A GAY NEW 60 MINUTE MUSICAL COMEDY FOR OLDSMOBILE SAT. JAN. 21. NBC-TV"

GIRARD NEWS

(By George Darden)

The Girard High School basketball teams motored over to Peacock last Friday night for two conference games. The Girard girls won by a score of 45 to 29. The boys game was a thriller from start to finish and ended with Peacock winning in the last minute of the game by a score of 51 to 48.

Supt. M. H. Galbreath and Carlos Dickerson, president of the school board, spent last week in Austin on school business.

Carlos Dickerson, M. H. Galbreath and Buster Chism returned home Saturday after a week in Austin on business.

The erection of a new Kent County court house that is about to get underway and the local political races will perhaps take our minds off dry weather to some extent temporarily.

Ye ole "gossip snatcher" was in Jayton last week looking over the race colts recently purchased in Kentucky by Claude Kelley.

We look for a big field of candidates for county office jobs this year. Most anybody would like to prop their feet on a mahogany desk in a new court house. Wages are good and the work isn't hard.

Hoyle Boone is home from the Rotan hospital where he was confined for several days with a heart attack.

Mr. and Mrs. Ben Cockrell and children from Dumas and Mr. and Mrs. George Darden Jr. and daughters from Lovington, New Mexico visited their parents in Girard last week end.

Mrs. Arthur Dyer underwent surgery in Rotan last week. She is reported improving.

The passing of Rev. W. T. North last week was a shock to many friends in this community.

Several ladies of the Baptist Church were in Clairmont for an all day W. M. U. meeting last Tuesday.

There will be a big picture show at Girard High School next Monday night showing an hour show of local school activities and you will see a lot of Girard folks along with many of your friends.

The films were made at this year's homecoming. There will be no admission but what you pay at the door will go to the March of Dimes fund for Kent County. Ladies of the community are asked to bring pies, which will be sold at auction. Come and tell your friends. You will enjoy every minute of it and certainly the picture show. You will see your child perform and you will be helping some crippled child walk.

GIRARD SCHOOL NEWS
Monte Dell Cooper is going to get a television set today.

Bruce Browning went to the Swenson Ranch, Saturday to get a horse.

Linda Milton's aunt and uncle, Joyce and Robert, visited her Sunday.

Valene Taylor states that they are graveling the road in front of Perkins' house.

Donna Dyer went to see Darden's and Della's new house.

Jerry Stanland's big brother went to Hamlin today.

Veda and Sharon have gone to Lubbock today.

Allan Ray Smith of Lubbock visited Charles Stinnett over the week end.

Billy Hamilton from Lubbock visited his aunt and uncle the Bucklews, Tuesday of last week. He was on his way to Corpus Christi.

Ray Lee Johnston visited Don Wright at Spur.

The 5th and 6th grades are reviewing for mid-term this week, and some are in doubt!

At a dinner meeting of the Texas Small Schools Association Administrators held in the Driscoll Hotel in Austin, Thursday night, M. H. Galbreath was elected vice-president of the association for 1956.

Mrs. Buford Sain and daughter, Barbara, of Amarillo were recent guests of her parents, Mr. and Mrs. George Yandall, and other relatives.

Roaring Springs

(Delayed)

House guests of Mr. and Mrs. N. M. Gray was her sister, Mrs. Alpha Reynolds of Terral, Oklahoma and New Year guests were their son and family, Mr. and Mrs. Charlie Gray, and sons, Edd, Bill and Joe Bob, of Dallas.

Mrs. Lydia Warren returned recently from Meadow where she spent several months. She is now staying with Mrs. Minnie Smith as companion.

Rev. and Mrs. R. L. Jameson visited here Monday with their daughter, Mrs. Eva Kingery.

Mr. and Mrs. Harry Duval left Thursday for their home at Bellville, Kansas, after a visit here with relatives.

The annual Kingery reunion was held Sunday in Hereford in the home of Mr. and Mrs. Martin Kingery. Those from Roaring Springs who attended were Mr. and Mrs. L. E. Kingery, Mr. and Mrs. Ramon Kingery, Mrs. Eva Kingery, and Mr. and Mrs. Clyde Williams and children.

Sterling Jackson of Muleshoe visited here Monday with his father, H. Jackson, and Mrs. Jackson.

Mrs. Ethel Brown returned Saturday from a visit in Ft. Worth.

Mr. and Mrs. Brink Carlisle of Spur visited here Sunday with Mrs. Minnie Smith.

Mr. and Mrs. Francis Gunter visited in Seymour, Monday with her mother, Mrs. J. B. Warren.

Mrs. Mary Crauston of Abilene

Randolph Scott will be seen Saturday in a new wondrous adventure, "Tall Man Riding," at the Palace Theatre. Dorothy Malone, Elaine of "Battle Cry" fame, and Peggy Castle also star in "Tall Man Riding." Bill Ching, John Baragrey and Robert Barrat appear in important supporting roles.

The WarnerColor production presents Scott in the role of a man bent on revenge, who returns to Little River to find that the father of the girl he loves is the man he has sworn to kill. Dorothy Malone is Scott's leading woman and Peggy Castle is the rival for his attentions. The setting for the Warner Bros. adventure is

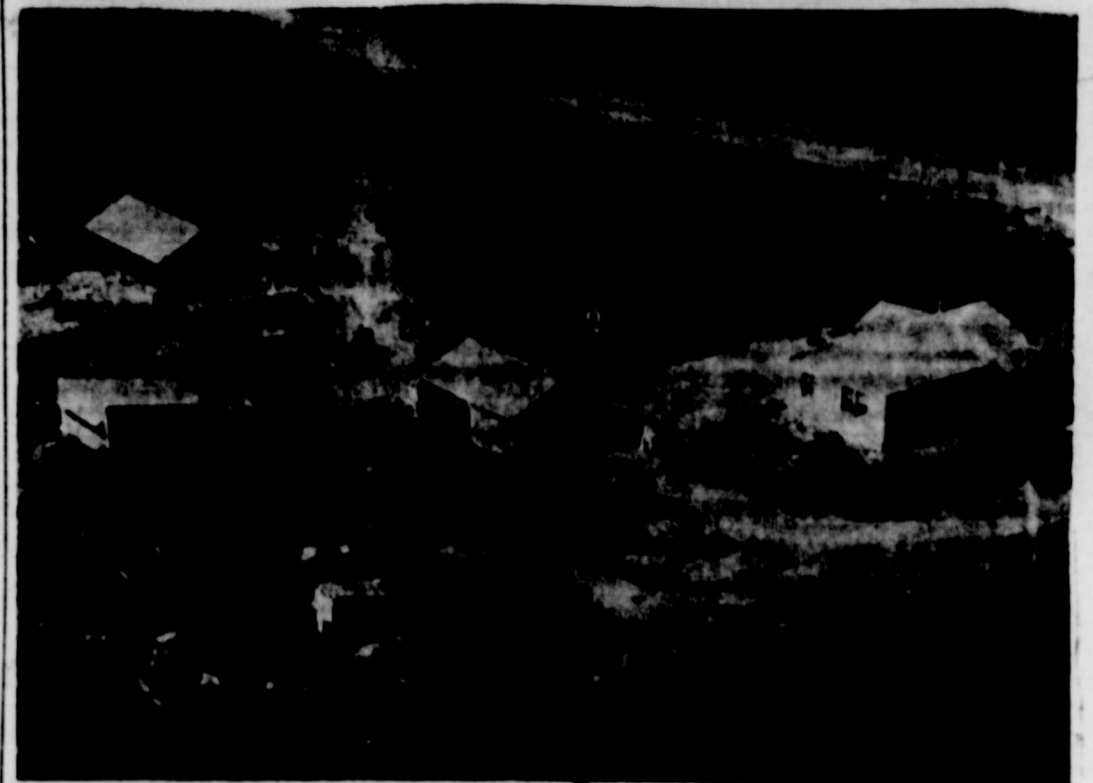

visited here Saturday night with her sister, Miss Bess Medlin. Sunday the ladies drove to Snyder and are house guests of another sister and husband, Mr. and Mrs. W. R. Ely.

TO RELIEVE RHEUMATISM

THE BEL AIR SPORT COUPE—one of 19 high-priced-looking Chevrolets, all with Body by Fisher.

Hardly ever speaks above a whisper, this new Chevrolet. But when you do the "talking" . . . when you want a hill flattened or a quick sprint for safer passing . . . its action gives you all the right answers!

Soft-spoken, yes! (One reason is the hydraulic-hushed valve lifters now in all Chevrolet engines—V8 or 6.) And this handsome traveler packs a horsepower wallop that ranges up to 205! It's charged with sheer concentrated action!

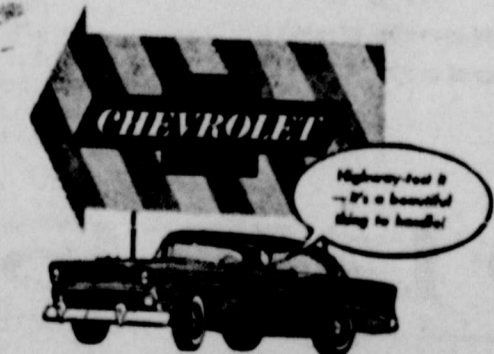

Action that can save you precious seconds for safer passing on the highway! Action that lets you take steep hills in effortless stride! Action that helps

you zoom out of trouble spots! And Chevy holds the road like part of the pavement! You feel added assurance in the solid way it clings to curves.

Of course, Chevrolet brings you the security of safety door latches. And you can have instrument panel padding and seat belts, with or without shoulder harness, at extra cost.

Drop in and drive a record-breaking new Chevrolet.

THE HOT ONE'S EVEN HOTTER

RICKELS CHEVROLET CO.

aring Springs...

Mrs. Joe Duran re-visited Ft. Worth recently with Mr. and Mrs. Lenard Clemments.

Van Earl Bradford of Lubbock visited during the week end with his parents, Mr. and Mrs. Roy Bradford.

Veterinary officials advise farmers that the best breeding results in dairy cows can be expected if cows are bred at least 60 days after calving.

Undesirable hardwood trees take water and plant food from the soil which could be producing forage for livestock. Too, says G. O. Hoffman, extension range specialist, these trees often grow on the most productive land or in fence rows and reduce the yields of cultivated crops as well as pastures. The winter season is an excellent time to apply chemical controls.

Greater susceptibility to infectious atrophic rhinitis has been exhibited by the smaller pigs of a litter than by their larger litter mates.

A beef cow herd is one means of marketing grass, straw, corn stalks and cobs and other roughages that otherwise go to waste on a farm.

M & M FOOD LOCKER
Crosbyton, Texas

The car says 60 and the price won't stop you!

Invest in Dependability... get a Bonus in Go!

You can buy it on its name alone—this big, high-powered '56 Pontiac—and be safe in the knowledge that you couldn't have made a better investment in years of dependable, carefree motoring.

The good things you've been hearing about Pontiac for years assure you that.

But "go" is the word for '56! Performance so new and dramatic it must be experienced to be believed!

A short spell behind the wheel will nail that statement down as a fact. Come along for a drive and see.

Waiting for the light to change, you can't hear the engine. But touch your toe to the accelerator and in a split second there's a torrent of power, sparked by the most advanced engine of them all—the blazing 227-h.p. Strato-Streak V-8.

Team this terrific power plant with Pontiac's all-new Strato-Flight Hydra-Matic* and you've got the smoothest take-off that ever brightened a highway.

And remember—this easy handling dream is actually among the biggest, huskiest cars built!

Now for the final test—head for the open road and some landmarks you can challenge. Wipe out a hill. Straighten a curve. Smooth out a stretch of rough road that's bothered you for years.

Now see why they're calling this the greatest "go" on wheels? More than that—it's the greatest buy on wheels! And that too, is easy to prove.

Then take a look at the price tag—a check on our deal.

Nothing will stop this powerful beauty from being yours!

*As extra-cost option.

TREASURY DEPARTMENT INTERNAL REVENUE SERVICE

Amarillo, Texas
NOTICE OF SALE
January 6, 1956
Pursuant to authority contained in Section 6331, Internal Revenue Code of 1954, the following described property has been seized for nonpayment of delinquent internal revenue taxes due from T. F. Mays & Ralph White, Mays-White Motor and Taylor F. & Frances Mays, 2819 Barbara Lane, Amarillo, Texas.
The property will be sold in accordance with the provisions of Section 6335, Internal Revenue Code of 1954, and regulations thereunder, at public auction on

the 24th day of January 1956 at 2:00 P. M. o'clock, at Lubbock County Court House, on Texas between Main & Broadway Streets, Lubbock.
The property will be sold in the aggregate. Only the right title and interest of Taylor F. & Frances Mays in and to the property will be offered for sale.
The terms of payment will be payment in full upon acceptance of highest bid.
Ellis Campbell Jr., District Director of Internal Revenue
Forest M. LeNoir, Collection Officer
An undivided one-sixteenth (1/16th) interest in and to all of the oil, gas and other minerals in

and under and which may be produced from the following described tracts or parcels of land lying and being situated in the County of Kent and State of Texas, to-wit:
All of Sections 42, 43, 44, 45, 48, 49, 50, 51, 52, 55, 56, 57, each containing 640 acres of land and being in Block 4 of the H&GN RR Co. Surveys, Kent County, Texas; and those parts of the following sections in Block 4 of the H&GN RR Co. Surveys, Kent County, Texas lying East of the center line of the Snyder-Clairemont Road, viz:
Sec. 34 (569.5 acres, more or less, being East of the center line of said road).
Sec. 35 (596.6 acres, more or

less, being East of the center line of said road).
Sec. 36 (310.2 acres, more or less, being East of the center line of said road).
Sec. 37 (85.65 acres, more or less, being East of the center line of said road), and
Sec. 41 (438 acres, more or less, being East of the center line of said road); and All of Section 53, Block 4, of the H&GN RR Co. Surveys, Kent County, Texas, EXCEPT 40 acres (that part of said Survey lying South of Double Mountain Fork of the Brazos River) conveyed by Latham Land & Cattle Company to J. L. Gilbert by warranty deed of April 16, 1908, recorded in Vol. 12 at page 175 of the Deed Records of said

County, to which deed and its record reference is here made for a more particular description of said 40 acres; and
All of Sections 20, 21, and 44 in Block G of the Waco & Northwestern RR Co. Surveys, Kent County, Texas, said Sections 20 and 44 containing 640 acres each and said Section 21 containing 548.33 acres and
The S-2 and NW-4 of Section 47, Block G, Waco Northwestern RR Co. Surveys, Kent County, Texas (480 acres), together with the right of ingress and egress at all times for the purpose of mining, drilling and exploring said land for oil, gas and other mineral, and removing the same therefrom.
