

Six Reasons

Why Hart Schaffner & Marx OVERCOATS are the best coats for you

Come in and Look

We are Glad to Show You

I
STYLE—Hart Schaffner & Marx observers in every world fashion center, every large university gives us the new styles first.

II
QUALITY—Hart Schaffner & Marx not only command the world's best woollens—they scientifically test each fabric for color, long wear, all wool

III
VALUE—Vast resources, immense buying powers, modern efficiency in shop organization enable Hart Schaffner & Marx to give you the utmost for your money.

IV
VARIETY—No matter what your size—you may be a university man, young man, business man—you'll find what you want in Hart Schaffner & Marx Clothes

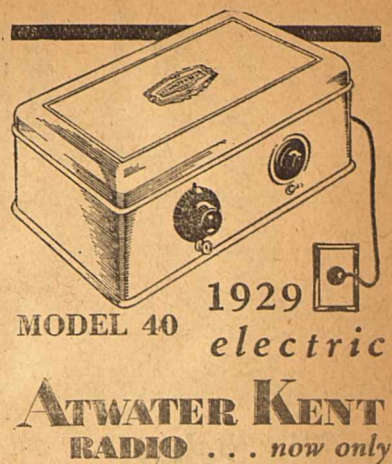

V
RELIABILITY—Each Hart Schaffner & Marx coat comes to you with a guarantee of satisfaction

VI
Because they are as reasonably priced as any other Overcoat.

\$27.50 and \$30

Other Good Tailored Overcoats at **\$15 to \$25**

Radio Land can be found in our Radio Department. Here are the masterpieces of Radio Reception. Majestic, the receiver that is startling the Radio World at this time. Nothing like it for the price. Kolster with that matchless power Speaker that gives you every tone from the softest to the highest. Atwater Kent, the radio that leads the world in sales. Models to suit every purse.

MODEL 40 1929 electric ATWATER KENT RADIO . . . now only

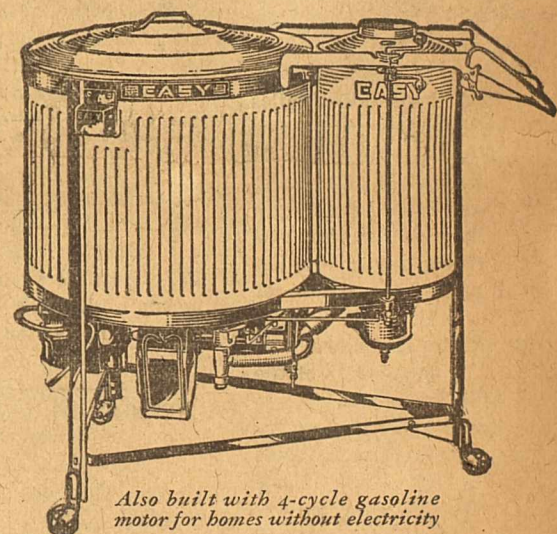

complete! on EASY TERMS

No invention of the age compares with the Radio. Think of sitting in your home, be it Ranch, Farm or Town and by simply turning a little switch hearing the masters of the musical world. No event of importance can happen but that you know it as soon as the daily press. Keep your children at home these winter nights and let them hear programs of educational worth.

Now is the time to get your new set. Life is short at best. We owe it to ourselves and children to have a Radio in our homes. We have expert Radio men, so here you not only get the best the world has yet produced, but service if needed. What could you buy for the whole family that would bring so much joy this Christmas?

The new wringerless EASY WASHER

- SAFER
- FASTER
- EASIER
- GENTLER

Also built with 4-cycle gasoline motor for homes without electricity

Here is the washer you have been wishing for. No longer need you worry about the old button-smashing, wrinkle-pressing wringer.

The latest EASY Washer has a better method—damp-drying. You place a whole batch of clothes in the separate damp-drying tub—turn a lever and, behold! . . . in less than two minutes, they are ready for the line. The damp-drying tub works while the big tub washes . . . two operations at once!

No more water to lift or carry! A tiny, trouble-free pump does it for you. These are but two of the startling improvements on the new EASY Washer. See it work at our expense. Let one of our demonstrators do your washing in your home.

10 things you will like best about the EASY Damp-Dryer

1. Safe—no exposed moving parts.
2. Operation simple and automatic.
3. Removes water more gently than most delicate hands can.
4. No strain on fabrics—does not crack silk or rayon garments.
5. Leaves blankets and woollens fluffy and unstretched.
6. Breaks no buttons or metal fasteners.
7. Takes out more water than wringing does.
8. Leaves clothes evenly damp and free from deep, hard creases.
9. Makes ironing easier.
10. Damp-dries the difficult pieces—overalls, sweaters, comforters and even pillows.

A ROLL CALL OF MISERY A ROLL CALL OF MERCY

Tragedy stalked in the wake of the West Indies Hurricane, writing in terms of terror, this fearful roll call—

500,000 Homeless 20,000 Sick 3,000 Dead

The hurricane was only one of 67 tragic roll calls during the past year alone—roll calls of misery following flood, fire, famine, earthquake or epidemic—

Now comes a different kind of roll call—a roll call of mercy. Pledge your name proudly to its list of millions—the millions of true Americans who will give this year more than ever to the American Red Cross For now the need is greater than ever.

Today the Red Cross is still rendering assistance to victims of unparalleled disasters

Today the Red Cross is still ministering to 25,500 disabled soldiers of the Great War.

Today the Red Cross needs your help more than ever—to prepare for the emergencies of the coming year.

TODAY is the time to renew your membership in the Red Cross—legion of mercy. Help the Red Cross Help Humanity—now. We ask you only once a year—we ask you now.

Red Cross Annual Roll Call

NEW CHEVROLET

GREATEST IN HISTORY
troit, November 24-29, Auditorium General Motors building; New York, November 24-29, Waldorf Astoria Hotel; and Chevrolet Retail Store, Broadway at 57th Street; Washington, D. C., December 1-4, Mayflower Hotel; Chicago, December 1-6, Pur-Oil Building, Wacker Drive and Wash Avenue; Los Angeles, December 1-6, Auditorium Ambassador Hotel; Cincinnati, December 8-14, Sinton Hotel; San Francisco, December 8-13, Civic Auditorium—Larkin Hall; St. Louis, December 8-14, Arcadia Ballroom, 3515 Olive Street; Atlanta, December 18-22, Auditorium Armory; Dallas, December 18-22, Adolphus Hotel; Portland, Ore., December 18-22, Public Auditorium. All of the foregoing dates are inclusive.

In each of these places the complete passenger car line will be displayed in automobile show style. Elaborate entertainment feature have been arranged for the display in each city and in every case provision will be made to accommodate the hundreds of thousands of visitors who will view the new Chevrolet line between November 24 and December 22.

Advance orders will be taken immediately following the announcement with deliveries starting January first, officials stated. They also pointed out that to insure delivery early next year it would be advisable to place orders as soon as possible.

The plan of introductory showings with deliveries to follow after January first was adopted for two reasons, it was explained. In the first place officials pointed out approximately five weeks will be required to change over the production line from the four to the six in the motor plant at Flint, Mich. Added to this was the necessity for inventory taking, which

is customary at this time each year. At the same time, R. H. Grant, vice president of the Chevrolet Motor Company, in charge of sales, saw in this necessary five week interval an opportunity to provide the sales organization of some 30,000 dealers and salesman with a means of profitable activity during this period when otherwise they would be comparatively idle.

The new Chevrolet, which on its debut November 24, promises to write a new chapter in motor car history, is in every sense a proved product. Four years ago Chevrolet engineers began their research work, engineering, planning and General Motors Proving Ground testing. Associated with the Chevrolet engineers were the specialized engineers of the General Motors Research Laboratories.

Night and day, in doors and out, in good weather and bad, they designed, built and tested every modern type of motor so that no opportunity would be overlooked—so that every desirable feature might be harmoniously incorporated in the new product. Perhaps a thousand ideas were considered and discussed. More than 100 different motors were built up and given exhaustive test block and road tests before the cabinet of expert engineers, presided over by O. E. Hunt, Chief Engineer of the Chevrolet Motor Company, finally approved the new Chevrolet valve-in-head six cylinder motor.

Speed, acceleration, power and smoothness, to an unusual degree, are offered in the new motor. It is of the high compression type, fully enclosed and with a non-detonating head. It has a three and five sixteenths bore and a three and three quarters inch stroke with a 194 cubic inch piston displacement.

The motor develops 32 per cent more horse power than its famous predecessor and has an abundant source of reserve power for fast get away, heavy roads and steep grades. New features that contribute to this added power are an improved combustion chamber; a newly designed camshaft and four exhaust and three intake ports.

The speed has been stepped up to satisfy maximum requirements and in acceleration the new motor is vastly superior to any previous Chevrolet model. This remarkable acceleration is due partly to the use of a new accelerating pump. When the accelera-

tor is suddenly depressed this pump forces a small quantity of gasoline into the manifold of the carburetor, giving the car the instant power and get-away so necessary in modern traffic. On actual dynamometer tests the new engine develops 46 horsepower at low engine speed. At all ordinary speeds it develops from three to four times the amount of power required to drive the car.

Torsional vibration is imperceptible at any speed through the use of a heavy 46 pound crank shaft which is perfectly balanced statically and dynamically. A further contribution to the exceptional quietness of the motor is the automatic lubrication of the entire rocker arm mechanism and of all valve operating parts, which in addition are completely enclosed.

Another advanced feature is the fuel pump which insures a positive and uniform supply of gasoline to the carburetor under all driving conditions, regardless of engine speed, load or road grade. A gasoline filter built in as part of the fuel pump insures only clean gasoline reaching the carburetor and engine. The carburetor is further protected by a new type AC air cleaner which prevents grit and dust from entering.

There is a combustion splash and wick flow methods of lubrication with the oil supplied through an oil filter at the bottom of the crankcase by means of a newly designed vane type pump. There is an oil pressure gauge incorporated in the new instrument panel.

Assuring maximum cooling efficiency there is a large chromium-plated Harrison honeycomb radiator with water pump and fan.

The clutch is of the single plate dry disc type and requires no lubrication.

The new rear axle is similar in design to that used on the most expensive cars. It is of the semi-floating type with a strong, one piece, banjo type, pressed steel housing. Six heavy duty New Departure annular ball bearings and extra heavy cut spiral bevel gears make for smooth driving operation.

The steering gear is semi-reversible of the ball bearing full worm and gear type. The ne wshaft is solid, replacing the tubular type formerly used. It is mounted in a bracket securely riveted to the frame. The beautiful seventeen inch black finish steering wheel has a rubber covered

spider. Dependable non-locking four wheel brakes with rear service brakes in two self-aligning segments contribute to the quiet, safe operating features of the car.

The service brakes on the 11 inch drums on the rear wheels are of the external contracting type and those on the front of the internal expanding style. The emergency brake lever is conveniently located on the driver's right and operates a braking system independent of the service brakes.

Long chrome vanadium shock absorber steel springs of the semi-elliptic type are one of the factors accounting for the easy riding qualities of the new car. The springs are set parallel to the frame, assuring safety as well as comfort at all speeds. The front springs are each 36 inches in length and the rear springs 54 inches. The wheelbase is 107 inches.

Attractive new colors and a new order of beauty in Fisher body design characterizes the entire passenger car line. The high flattened hood and the gleaming chromium radiator shell supply the keynote of unusual smartness and garce. The rakish unbroken lines, emphasized by distinctively grouped hood curves suggest speed and alertness. The divided body moulding and the concave front pillars reflect the vogue so widely favored by leading custom builders, while the larger, longer, lower bodies stand out as tributes to the latest advance in Fisher craftsmanship.

Appointments are the richest and most luxurious ever offered by Chevrolet. The seats are wider and

more restful. The driver's seat in all closed models is easily adjustable forward or back, a feature recently introduced on a few of the high priced cars. The redesigned rash carries an attractive grouping of all control

instruments indirectly lighted including the new motor temperature indicator. Rich, long-wearing upholsteries and specially designed Ternerstedt hardware contribute to the en-

(continued on back page)

MAKE "JERSEY" MORE PROFITABLE

Plant a fall pasture of wheat, rye, oats, or barley, and cause "Old Jersey" to give more milk. This will increase the production of cream and bring more money to the farmers.

We are needing a great deal more cream at this time. Cream now is at the highest point it has been during the year, and your cows should be encouraged to produce more milk. Proper feeding, a good warm place to stand, not to be out in the cold, etc., will have a great influence on your cows.

We are trying to serve the people to the best of our ability. We want to assist the farmers to establish a good market for dairy products. Let's work together in that direction.

C. W. Frazier, of Afton, was look-

ing after business affairs in our city Saturday. Mr. Frazier says he enjoys a good town just as much as any body.

Mrs. B. C. Cairnes, of Clairemont, was visiting friends and doing some shopping here Saturday.

20TH CENTURY CLUB

The 20th Century Club met with Mrs. E. L. Caraway on November 14, with Mrs. F. B. Crockett as leader. Roll call was answered with a famous saying from some great American.

The following papers were discussed:

1. American Growth Westward 1776-1876—Mrs. F. B. Crockett.
 2. The Romance of Exploration and Settlement—Mrs. Malone.
 3. The First Log Cabin and the Modern Town—Mrs. E. S. Lee.
 4. The American Axe Man as a Founder—Mrs. W. S. Campbell.
 5. The Pioneer Explorer and Home Maker—Mrs. P. C. Nichols.
- General discussion of early settlers and historic spots near home. Why should they be marked and their meaning impressed on children?
- (a) Daniel Boone—Mrs. W. B. Lee.
 - (b) Lewis and Clark—Mrs. J. M. Foster.
 - (c) Audubon—Mrs. E. L. Caraway
 - (d) Fremont—Mrs. Wolfe.

MRS. DAVIS HOSTESS

Mrs. Nellie Davis was hostess at Bridge to quite a number of her friends on Wednesday afternoon.

The rooms, where the five tables were arranged, were unusually attractive with chrysanthemums in vases and baskets. The tallies, score pads and refreshments carried out further the chrysanthemums plan.

In the games high score prizes went to Mrs. J. B. Reed and Mrs. Riley Wooten and low to Mrs. Renelle Brannen.

Others present were Meses. Margaret Newman, C. L. Love, Joe Kellam, Jack Rector, Cecil Hicks, E. Rippley, C. A. Love, L. H. Perry, M. C. Golding, D. H. Zachry, Oran McClure R. C. Forbis, F. W. Jennings, W. D. Wilson, H. P. Schrimsher, Houston Scarborough, J. O. Smith, W. E. Manning, E. A. Russell, Weldon McClure, Floyd Barnett, W. L. Gibbs and Miss Margaret Elliott.

JOI DE VOI CLUB

The Joi de Voi Club members and others were most delightfully entertained by Mrs. M. H. Brannen on Thursday afternoon.

For prizes Mrs. Brannen gave useful things for the kitchen, which went to Mrs. J. O. Smith, Mrs. W. L. Gibbs, Jr. and Miss Leille Lucas.

Lovely refreshments were served to Meses. E. L. Tanner, F. W. Jennings, W. D. Wilson, Floyd Barnett, Jack Rector, Willis King, J. E. Hall, E. Rippley, H. P. Schrimsher, C. A. Love, C. B. Jones, Cecil Hicks, J. O. Smith, W. L. Gibbs, Jr., Horace Hyatt R. R. Wooten, D. H. Zachry and Miss Lucille Lucas.

PICNIC

Mrs. Tom Teague entertained with a picnic honoring her daughters, Constance and Peggy Jane, on last Wednesday. The children enjoyed a trip out to Duck Creek where they were served a most delicious picnic lunch.

Children enjoying this occasion were Ann Mott, Lillian Grace Dickson Lois Jo and La Nell Fallis, Dot Taylor, Opal McGlathery, Wynell McClure, Helen Hale, Ernestine and Marion Hale, Margaret and Roger Abbott, Mary Nancy Roberts and the hostesses.

W. C. Cartwright, north of town, was in looking after business affairs the first of the week.

J. M. Robertson, of Highway, was transacting business in our city Saturday.

E. B. Shaw, of Croton, one of our early and progressive citizens, was looking after business interests here Saturday.

W. G. Causey, of Red Mud, was transacting business in our city Saturday.

C. C. James, of Dry Lake, was in our city Saturday attending to business matters.

F. E. Henze, of Gilpin, was transacting business in our city Tuesday. Mr. Henze stated his eldest son was afflicted with tonsillitis and was having to be treated.

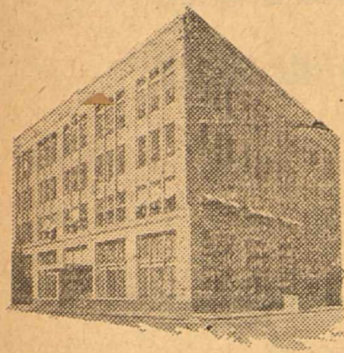

D. W. Sims, of near Roaring Springs, was transacting business in our city Monday.

J. H. Latham, of Red Hill community, was attending to business affairs in our city Monday.

Miss Lela Harvey, of Dickens, was doing some shopping with our merchants Monday.

J. M. Aston, of Joe Bailey, was in our city Monday taking advantage of bargains offered by our merchants.

Miss Lloyd Guthrie, of Matador, was doing some shopping with our merchants Monday. Miss Guthrie is one of our leading teachers.

A New Discovery!

We are a progressive and so-called "thinking" people, yet, it took Man 4000 years to learn there was a better way to get his shirt on than to put it on over his head. Wonderful thinkers—we are! Rather than "think" or "plan for the future" he would touse his hair, tare his shirt, and "cuss" the cat.

Many have discovered recently that our school is offering some "Real Quality Training." The progress and improvement of many of our students is sufficient evidence that their discovery is well founded.

"Many Young People Like Ancients"

There are literally "hundreds" of our younger people however, who have not yet discovered that TIME is one of their most valuable assets, and they are still throwing it, like chaff, "to the winds." Figuratively speaking—"They are still putting their shirts on over their heads."

Time Yet For A Thinker

If you want the next 20 years of your life to be more pleasant, and profitable, then its time to stop and think. It is worth three to six months systematic study? If you are employed, and must continue your employment for a livelihood during these months of preparation, then take advantage of

OUR NIGHT SCHOOL CLASSES

We have had only one weeks work in these classes, it isn't to late to start—we will give you special help if needed. Classes meet Monday, Wednesday and Friday nights—6:30 to 9:30. If you cant take a complete course—you may enroll for any classes desired.

A new year will soon be here—have you made a single move during 1928 to improve your situation for the present of future? Think—Think.

AMERICAN BUSINESS COLLEGE

H. G. HARCROW, Manager
Third Floor Campbell Bldg.
Spur, Texas

that they had not known before. One thing they found out is that Dean Reddell can run when he gets started.

Jordan caught several passes that furnished good gains and one touch down. Cecil caught and intercepted several passes during the game. And of course old faithful, Dimples Puckett played a game that suited us all. North Texas Gaines was in every play of the game.

The game by main plays:
Just to get things started off right Puckett ran about sixty yards for a touchdown on the first down. Spur did not get point. Spur kicked to Hamlin. Hamlin gained 8 yds. on an end run. Ball goes to Spur on downs. Then Reddell makes a breath taking ninety yard run for the second touch down. Any of the Hamlin men did not even think of catching Reddell after he get those long legs and arms flying in windmill fashion. Spu kicked to Hamlin but they could not gain on the Bulldogs so they were forced to punt on the fourth down. The Bulldogs could not gain and were forced to punt. Spur 12 Hamlin 0.

On The Field

Spur received Hamlin's kick, and since Pucket had the ball he saw no reason for not starting the game at once. Making a few quick zigzags through the bunch and a 60-yard run, he carried the ball over for a touch down, completing the play within one minute after the first whistle. Spur then kicked off to Hamlin landing the ball far down the field. Hamlin lost the ball to Spur by not making the required distance. Spur made two downs and a cut-back and Reddell carried the ball over for Spur's second touchdown. Spur made the extra point, making the score 13 to 0.

Hamlin then received from Spur, securing the ball at the 40-yard line. After attempting a forward pass and two downs Hamlin kicked the ball to Spur's field and went on the defense again. The ball went from side to side three or four times. Spur attempted a forward pass and Hamlin received the ball. With a successful forward pass Hamlin carried the ball over for their first and only touchdown.

Spur received the ball and made a 20-yard gain before Hamlin was able to offer resistance. A few downs with a forward pass and Albin went over the line for Spur's third touchdown. Hamlin received and gained 5 yard on a pass. Hamlin continues to make gains on downs. Spur is penalized 5 yards and Hamlin makes another gain of 7 yards on a pass. Whistle. Score 19 to 6.

Second Half

Spur received and carried the ball over a 30-yard gain. The first down and Jordan carried the ball for 19 yds gain. It was placed in Puckett's hands on the next down and he went over, but Spur suffered a penalty and the score was not counted. Spur received the ball and failed on a forward pass and Hamlin gets the ball. A successful forward pass gave the visitors a gain of 20 yards. Hamlin kicked after two downs and the Bulldogs took charge again. Spur failed on a forward pass and kicked after third down. Hamlin got possession of the ball, but in attempted forward pass the Bulldogs received the ball. Rickels covered 35 yards in two downs. Then a series of line plunges and Albin went over for the fourth touchdown. Score 25 to 6.

Hamlin received and attempted a forward pass which for the second time went into the paws of the Bulldogs. Spur failed on a forward pass and ball went to visitors. Hamlin kicked and Rickels received it for the Bulldogs, making a 10 yard gain. Jordan received a pass and went over for the fifth touchdown. Spur made the extra point.

Hamlin received and made good gains. At third down the visitors kicked the ball to the Bulldogs. Rickels again captured the pigskin and was haking good speed when he was intercepted. Jordan carried the ball for good gains. At the second down Reddell went over for Spur's sixth touchdown. The extra point was made.

Hamlin received again and lost the ball on a kick. Spur then put in part of the Junior team. There was no great gain made by either side for the next five minutes. The whistle sounded with the ball in possession of visitors. The score stood 39-6.

P. M. W. CLUB

Mrs. Finis McGlathery entertained with a 42 party on last Thursday afternoon at the home of Mrs. Tom Teague.

A Thanksgiving motif was carried out in tallies, score pads and decorations.

Lovely refreshments were served to the following: Mesdames Whigham, E. C. McGee, Hairgrove, S. B. Scott, Jr., J. Boyd, Tom Teague, Bill Brown, G. H. Stack Obrey McCombs, Foy Vernon, Vester Paterson, Herbert Swan, Eric Ousley, Ralleg Harkey, Perry Pryor, Renelle Brannen, A. C. Burgeson, S. C. Fallis, Otto Mott, Louis Rickles, Arthur Stearns, Draper, Crockett, Fred Donohue, of Jayton, Texas, E. L. Smith, F. B. Crockett, Pleas Curd of Sonora, Texas, and the Misses Ruby Rucker and Jessie Woltman.

SHOWER FOR MRS. SMITH

Mrs. Brown Smith was honoree at a miscellaneous shower given by Mrs. W. S. Patrick and Mrs. Herbert Swan on Friday of last week.

A program was given consisting of the following numbers:
Reading—Sybil Schrimsher.
Violin Solo—Mrs. J. E. Berry.
Reading—Belva Swan.
Reading—Grace Foster.

After this, the gifts were presented to the honoree in a clever way. The rooms were beautifully decorated with white and pink predominating. After viewing the gifts refreshments were served.

Mrs. Smith was remembered on this occasion by the Mesdames H. P. Schrimsher, O. B. Bowman, P. C.

Nichols, Ray Sanders, E. Chapman, Oran McClure, G. M. Williams, Thurman Moore, Eric Ousley, J. M. Foster, W. C. Gruben, D. M. Henson, J. L. Wolfe, J. E. Berry, J. H. Busby, E. J. Cowan, Joe Kellam, Geo. S. Link, W. D. Starcher, W. F. Godfrey, Birl Hight, B. T. Moore, Con Moore, Misses Bessie Luella Smith.

42 PARTY

Mrs. W. C. Gruben entertained with a 42 party on last Friday afternoon, having as her guests members of the Bluebonnet and Friday Afternoon Clubs.

The tables were attractively arranged and upon each were baskets holding the place cards. After the guests had found their places the games began. Each time a person won a game, she was given a flower for her basket. Mrs. Oran McClure and Mrs. J. C. Payne proved to be champions for the afternoon, not losing a game.

For plate favors small potted plants were used.

Mrs. Gruben served a delicious salad course to the following: Mesdames R. C. Forbis, Oran McClure, J. C. Payne, M. E. Manning, Chas. Whitener, B. F. Hale, W. S. Campbell, L. R. Barrett, J. E. Berry, C. L. Love, P. C. Nichols, W. B. Lee.

MRS. LINK HOSTESS

TO B. B. SOCIETY

Mrs. Geo. S. Link entertained members of the Belle Bennett Missionary Society on last Monday afternoon.

A Voice Program was held with Mrs. Zachry as leader. Others taking part in the discussion were Mesdames Mack Tidwell, Barrow, J. O. Smith and Jack Rector.

After the lesson a most entertaining social hour was held. Besides others already mentioned, Mrs. Link served lovely refreshments to Mesdames Leland Campbell, G. H. Stack, Lester Ericson, M. H. Brannen, Page Gollihar, Faust Collier, Shirley Robbins, Leonard Joplin, C. B. Jones, and Misses Rena Higgins and Alma Sanderford.

W. G. Hinson, of Red Mud, was looking after business interests in our city Saturday.

Harvey S. Holly, of Dickens, was greeting friends on our streets Saturday.

Eveready Prestone

The anti-freeze without a fault!
Safe, harmless, all-season protection with one supply

9

points of superiority

- 1 Gives complete protection
- 2 Does not boil away
- 3 Positively will not damage cooling system
- 4 Will not heat up a motor
- 5 Will not affect paint or varnish
- 6 Non-inflammable
- 7 Odorless
- 8 Does not become viscous at low temperatures will not decompose at high temperatures
- 9 Never deteriorates—economical to use

Everyready Prestone, sold as a pure, undiluted product, costs more initially than other anti-freezes but less of it is required for complete protection, and one supply makes your car safe as long as cold weather lasts. An investment in Eveready Prestone is the most economical winter insurance. Better to be safe than sorry. Go today and get the right amount of Eveready Prestone to protect your car for the entire winter season.

We also have Whiz Anti-Freeze and Denatured Alcohol Sunshine Service Station

were Republicans and 11 Democrats. Arizona, New Jersey and Ohio, were states that elected Republican Governors with Democratic Governors retiring. While Massachusetts and Rhode Island gave Governor Smith a majority for President, yet the Republican candidates for governor of these two states were successful.

The following Governors have either been declared elected or are so far ahead of their opponents as to prevent a different decision.

- Arizona—John C. Phillips, Republican.
- Arkansas—Harvey Parnell, Democrat.
- Colorado—William R. Adams, Democrat.
- Connecticut—John H. Trumbull, Republican.
- Delaware—C. Douglas Buck, Republican.
- Florida—Doyle E. Carlton, Democrat.
- Georgia—L. G. Hadman, Democrat.
- Illinois—Louis L. Emmerson, Republican.
- Indiana—Harry G. Leslie, Republican.
- Iowa—John Hammill, Republican.
- Kansas—Clyde M. Reed, Republican.
- Massachusetts—Frank L. Allen, Republican.
- Michigan—Fred W. Green, Republican.
- Minnesota—Theodore Christianson, Republican.
- Missouri—Henry S. Caulfield, Republican.
- Montana—John E. Erickson, Democrat.
- Nebraska—Arthur J. Weaver, Republican.
- New Hampshire—Charles W. Toby, Republican.
- New Jersey—Morgan F. Larson, Republican.
- New Mexico—Richard C. Dillon, Republican.
- New York—Franklin D. Roosevelt, Democrat.
- North Carolina—O. Max Gardner, Democrat.
- North Dakota—George F. Shafer, Republican.
- Ohio—Myers Y. Cooper, Republican.
- Rhode Island—Norman S. Case, Republican.
- South Dakota—William J. Bulow, Democrat.
- Tennessee—Henry H. Horton, Democrat.
- Texas—Dan Moody, Democrat.
- Utah—George H. Dern, Democrat.
- Vermont—John E. Weeks, Republican.
- Washington—Roland H. Hartley, Republican.
- West Virginia—William G. Conley, Republican.
- Wisconsin—Walter J. Kohler, Republican.

BOGUS INDUSTRIES

A certain group of promoters offered for sale stock in a proposed woolen mill, relates W. R. Morehouse of the Public Relations Commission, American Bankers Association. In order to sell the stock they resorted to the use of misrepresentation and false claims. After renting space on the ground floor of an office building fronting on a busy street, they began their campaign. Orally and by printed advertisements extravagant claims were made for the proposed corporation which were grossly false.

It was claimed that the promotion had the support of the Chamber of Commerce, but it did not have any such indorsement. It was claimed that the corporation had a signed contract for the sale of millions of dollars worth of its products—orders enough to keep the mills running day and night for many years and accordingly to insure its success, but all that it had was valueless fake agreement.

It was claimed by two of the principal promoters that they had had many years of experience in the manufacture of woollens—in fact had organized and financed a woolen mill which is the largest in the United States. The facts were that these two promoters had not been connected with any mills for more than twenty years and they had attempted at different times to promote mills, all of which had failed.

One of the promoters represented that formerly he was president and general manager of one of the largest woolen mills in Canada. The fact was the mill referred to had gone into bankruptcy and he had been caretaker of the plant.

This story of misrepresentation can be duplicated in practically the whole industrial field, and because industries are being exploited with intent to defraud, it behooves every investor to investigate carefully. He should consult his banker before drawing out his saved funds and listing them on some wildcat investment.

Ten Selected For Ukelele Club

Fifteen Girls In Tryouts On Wednesday

Wednesday morning, in chapel, the final tryout for the ukelele girl's club was held.

The judges were selected from the high school faculty and they took into consideration the song, the way it was sung and especially the way it was played.

The fifteen girls played together then each girl played and sang alone. All of the girls worked faithfully

and played well and the ten lucky ones who were selected should feel greatly honored.

The following will make up the club, "Las Polomas": Evalene Hazel, Marguerite Aston, Cap Garner, Iris Howell, Addie Faye Boothe, Eleanor Ensey, Mavis Stafford, Alva Ince, Lynn McGaughy, Louise Rogers.

Costumes will be ordered right away and "Las Polomas" will make their first appearance in chapel soon.

CLUB MET

The 4-H Club girls of Croon met at 10:45 in the Croon school building. The following officers were elected: Thehma Gilstrap, president; Imogene Riddle, vice-president; Jewel Mimms, secretary; Claudia Mimms, reporter. Miss Osborne talked to the girls on different materials.

An Unpleasant Subject

All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 35 cents per bottle from

Honesty Best Policy

There is no way that will compare With always dealing on the square; All shady schemes it pays to shun, They lead to loss in the long run. The man whose promise always comes true You'll find is he who makes but few. And the man whose word is always good Is seldom ever misunderstood. The Spur National Bank is looking out For men who go the honest route.
