

# A WEST TEXAS PAPER FOR WEST TEXAS PEOPLE Dickens Co. Times

VOLUME 9

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, OCTOBER 5, 1933

WHOLE NUMBER 430

## Business In Spur Is Improving

Business conditions in the country seem to have been looking better for the past several days, and to verify the belief that there is an improvement business men of our city have stated favorably. There seems to be a great deal of cotton coming in at this time. Many of the farmers are in town by daylight with their cotton, and it seems that as soon as it is ginned and sold the farmers want to get in touch and settle what few obligations they may have. People are coming to Spur from many miles away because they can secure a good selection of merchandise and at right prices. Spur merchants feel grateful for the excellent patronage they receive and say they expect to have what the people want.

The following merchants had a good word of encouragement as to conditions:

B. Schwarz & Son: "We had a fine business Saturday evening (This store was closed Saturday for religious holiday) and all this week. Conditions look much better."

The Fair Store: "Business is dandy, a good steady run."

Hogan & Patton: "Business is picking up right along, much improvement."

Bryant-Link Company: "Business is going good and it seems that fall business is here again."

Henry Alexander & Company: "There is a decided difference in our business. It continues to pick up."

Taylor's Department Store which had its opening last Saturday stated: "Business has started off fine for us. We are well pleased with Spur and the people of Spur country."

The drug stores were equally as jubilant over conditions. The City Drug stated: "Business is much better and people are happier." The Red Front Drug reported: "Business is much better and picking up all the time." Gruben Drug & Jewelry Store: "Business is much better and we feel this will be a good fall. People talk more encouraging." Sanders Pharmacy: "Yes, business is looking better all the time with a steady increase."

The grocery stores of Spur show a decided change. Landers Store, No. 1 said: "Yes, business is either picking up or the work is getting heavier. We're busy all the time." Mr. Landers stated he was very grateful for the way collections were coming in. Bailey-Johnston Food Store: "Business has continued to increase with us since we opened, and last week we enjoyed the greatest increase yet."

The Safeway Store: "Business has made considerable increase." City Grocery: "Business is much better, we have had to increase our sales force." Ericson's Grocery and Rickels Market: "Business has improved much. Last Saturday was the best in a year."

Speers Variety Store reported a good business, especially last Saturday. Have doubled the sales force.

Campbells Furniture Store gave encouraging account saying that business is picking up. The Spur Hardware & Furniture Company stated that business is improving.

Fallis Second Hand Furniture is feeling jubilant over conditions.

Ritor Hardware Company stated that a decided change had come about the past ten days.

What is true of the above named business firms is largely true of every other business in Spur. The people are coming to Spur for their needs and are being well supplied from large stocks of merchandise. The people have some money to spend and it is much more pleasant when any one can pay for what they need. The merchants take much pride in the interest of their customers. Probably, the future will mean a lot and there will be some thing to live for yet.

## DR. A. H. HORNE CHIROPRACTOR AND FOOT CORRECTIONIST

Will open an office in the Spur National Bank Building Monday, October 9.

Office hours 9 to 11:30 a. m. 1:30 to 5:30 p. m.

Other hours by appointment. All ailments respond to Chiropractic, but I appeal especially to those suffering from apoplexy (stroke of paralysis), infantile paralysis, Epilepsy, Ruptures, Kidney and Bladder disorder, Prostrate Gland Trouble, Ulcer and Tumors and all Nervous disorders. It

## ASSEMBLY OF GOD CHURCH

The revival held at Red Mud school house by N. C. Whitlock and Sister Mollie Franklin was a great success. Sixteen were saved twelve received the Holy Ghost, five baptized according to Matthew 28:19. Others yet to be baptized.

Regular services: Sunday school at ten a. m., Morning worship at eleven, Evangelistic services at 7:30 p. m. A hearty welcome is extended to all.

N. C. Whitlock, Pastor.

C. D. Bird, of Matador, was attending to business matters in our city Wednesday.

Z. W. Fowler, of Dickens, was transacting business in our city Wednesday.

## STILL AND MASH CAPTURED

Last week Sheriff Arthur made conditions a little uncomfortable for a "wildcatter" just north of Dickens. He captured a still and a quantity of mash on the Arthur Gibbons farm and took one man into custody. The man was incarcerated in the county jail at Dickens Sheriff Arthur stated that children may unthoughtfully violate the laws, but that our older people should do all they can to uphold our laws and our government. As an officer he stated he is going to do his best to see that the laws are properly enforced.

## CAR STOLEN; MAN CAPTURED

A man giving his name as Kirkland was arrested here last Thursday by Sheriff Arthur. The charge was car theft. The man lives in Fisher County and had secured the car at Roby. As he came through Sheriff Arthur took charge of him and reported to Fisher County authorities.

## R. F. C. Office Moved

The Rehabilitation and Relief Office of Dickens County is being moved from the Riter building east of the post office to the Hale building just west of the post office. New cabinets are being made for files and a very complete arrangement is secured.

In addition to the relief office the Federal Employment office will be in the building, too. It is through this office that people can secure employment on governmental work. O. C. Arthur will have charge of the work of both offices.

## New Coal and Feed Store Opened

The firm known as the Ferguson Grain and Coal Company has opened business in the building which was occupied by the Swafford Coal Company last year. This location is just west of the Mission Service Station No. 1. Homer Ferguson, formerly of Quanah, is the business manager and seems to be a hustler for business.

The new firm will carry a complete line of poultry feeds and other feeds and a good supply of coal for fuel at all times. Mr. Ferguson states that he is just another citizen of Spur and is here to serve the public and make the town better.

## RETURNS FROM CANADA

Dr. and Mrs. A. H. Horne returned Monday from a trip into Canada where they have been spending a little time visiting and securing a much needed rest. While away they visited many of the northern cities.

Dr. Horne is opening an office in the Spur National Bank Building. He is a chiropractor and foot correctionist. He is a man of several years experience in his profession. Dr. and Mrs. Horne are located in Mrs. Clemmons home at the corner of First Street and Willard Avenue.

## Municipal Plant Sold; Taxes Argued in Utah

To the Utah Supreme Court has gone the vexing question of whether the owner of a title-retaining note or the person in possession of the property covered by it must pay the tax. A writ of review has been issued by the court against the state tax commission, directing that body to deliver to the court the record of the proceedings before it with regard to the assessment of the property of the Southern Utah Power Company in Kane County.

The writ was issued on petition of the county commissioners of Kane County, whose action was overruled by the tax commission. The plant in question was built for Kanab city by the Fairbanks-Morse Company, which took a title-retaining note. After operating it for three years, during which the plant, as a municipal enterprise, was not assessed, the city sold the plant to the power company. When the assessors came to place a value on the property, he found that the title remained with the Fairbanks-Morse Company and its successors in interest to whom the note had been sold.

Accordingly, taxes for four years were assessed against the titleholder, and the county commissioners upheld this action of the assessor.

## BAPTIST CHURCH

The T. E. L. Class of the Baptist Church, met in the home of Mrs. Luther Powell Tuesday evening. The meeting was opened with prayer. Mrs. Loyd Wolfe had charge of the business and called for the election of officers for the ensuing year.

The following were elected: President, Mrs. Loyd Wolfe; first vice president, Mrs. W. C. Gruben; second vice president, Mrs. P. C. Nichols; third vice president, Mrs. Homer Dobbins; secretary, Mrs. Luther Hindman; stewardship, Mrs. Wilbur Perry; reporter, Mrs. J. W. Hembree.

After the business session refreshments were served to the 23 members present and a social hour was enjoyed.

Second Sheets at Times Office.

## New Pastor At Church of Christ

Albert Smith, minister of the Church of Christ, who was called recently by the local congregation, began his duties with that church Sunday. Rev. Smith had served the church at Slaton for more than two years and had met with excellent success as a minister there. He is a native of Kentucky and came to Texas 14 years ago. He has done local work in Louisiana, Texas and New Mexico, and has done evangelistic singing in those three states and in Oklahoma. He received his college training at Harding College, Morrilton, Ark. Members of the local Church of Christ seem well pleased with the work of the new pastor. Announcement was made that a very fine day was enjoyed by the church Sunday and the work seems to be starting off in a splendid way. The pastor will do full time work.

## McADOO LADY PASSES AWAY

Mrs. Sarah Alice Tullas, 66 died at the home of her daughter at McAdoo Tuesday of last week. Funeral services were held Wednesday, Rev. C. W. Parmenter, pastor of the Methodist Church, officiating. Interment followed in McAdoo cemetery.

Mrs. Tullas was a native of Kansas. She was a widow and not long ago moved to McAdoo to live with her daughter.

## MISS MARTHA NICHOLS ILL

Miss Martha Nichols, daughter of Dr. and Mrs. P. C. Nichols, has been ill several days of malarial fever. She is a student at the Texas Technological College at Lubbock and became ill while there. She was in the Lubbock Sanitarium six days. Dr. and Mrs. Nichols brought her home Tuesday afternoon and she appears greatly improved. She will remain at home until she regains her strength before returning back to school.

## ONLY TWO PER CENT ADDED ON TAXES

Under the new law one per cent fee was added to all delinquent taxes, state, county and school, making the total penalty two per cent since October 1. This amount will hold lawful until January 1 when the penalty is doubled. At present any person who owes delinquent taxes may pay them with only two per cent penalty added and no interest at all. After January 1, the penalty will be four per cent.

R. J. Bateman, of Afton, was attending to business matters in our city Wednesday.

## STOCK LAW NOTICE

There has been many questions of inquiries to various county officials as to when the Stock Law of Dickens County, prohibiting horses, mules, jacks, jennets and cattle running at large goes in effect. For the benefit of the people of Dickens County I am taking this opportunity to make it clearly understood to everyone it will be unlawful for any one to permit their animals mentioned above to run at large in Dickens County beginning October 4, 1933.

Respectfully yours,  
JIM CLOUD, County Judge, Dickens County, Texas.

## Spur National Bank Has New Customer

Little Patsy Maurice McKeever evidently knew what she was doing when she arrived in Spur at the home of her parents at 702 North Cowan Avenue on Monday, October 2nd at 8:35 p. m. Just three hours and twenty five minutes ahead of the dead line set by the Palace Theatre managed in order that she might have the distinction of being the youngest customer of the Spur National Bank.

Last week, Manager Everts announced in this paper that he would offer as a gift to each baby born in Spur during a certain period, an account at the Spur National and as a special inducement to be on time, he offered a \$5.00 account to the first baby born. Of course, Patsy Maurice took advantage of this offer in a big way. In fact, she weighed six and one half pounds.

Mother and baby were doing fine from last reports.

## Spur Mutual Offers Schools Proposition

Fred C. Haile, Secretary of the Spur Mutual Life Insurance Association, announced this week that he is offering an essay proposition to the high schools in the seventeen counties in which they are operating.

The Spur Mutual is offering a prize for the best paper on the subject: "Why my father and mother should carry Spur Mutual life insurance." No one but a regular student in high school and enter this contest. The prize for the best paper on this subject is \$25.00; the prize for the second best paper on the subject is \$12.50.

In conjunction with this contest the Spur Mutual is offering a negative contest to the high school students in the 17 counties. The subject to be used is: "Why My Father and Mother Should NOT Carry Spur Mutual Life Insurance." The prize for the best paper on this subject will be \$25.00, and the prize for the second best will be \$12.50.

Mr. Haile asks the contestants to get in touch with the Spur Mutual agent in the county in which they live for any desired information, or they may write the home office of Spur Mutual Life Insurance Association in Spur.

All papers of the contest must be in the Spur Mutual office by December 10th. Mr. Haile stated that he wanted to get the judges to mark the papers and get the prizes out to the winners by Christmas morning.

English teachers can use the subject on theme work if they desire and in this manner assist their pupils. However, the pupil must secure all subject matter and prepare outline and write the story.

Spur Mutual is going strong with a good field force and a fine prospect of securing the greatest membership in its history.

J. A. Vaughn, of Afton, was in our city Wednesday. He is suffering from a felon on his thumb and had it lanced Wednesday.

## Classic Love Story Unfolded in "The White Sister"

"The White Sister" Metro-Goldwyn Mayer's new talking picture version of F. Marion Crawford's undying romance, will be the attraction at the Palace Theatre for the next three days starting Sunday. Helen Hayes and Clark Gable are co-starred for the first time on the screen in the classic love story and a prominent supporting cast features Lewis Stone, Louise Closser Hale, May Robson, Edward Arnold and Alan Edwards, under the direction of Victor Fleming, who filmed the successful Gable-Jean Harlow talkie, "Red Dust." In the present film, Miss Hayes plays the role of an aristocratic Italian girl who turns down the suitor of her father's choice in favor of a young officer in the Italian air force. When notified of his death at the front, she enters a convent. The story rises to a sensational climax when the lover returns and finds the girl's religious vows an obstacle to his happiness.

## BAILEY-JOHNSTON TO HOLD DEMONSTRATIONS SATURDAY

Saturday is to be demonstration day at the Bailey-Johnston Food Store. This new store is demonstrating General Foods products, Maxwell House coffee and other good things Saturday. There will be added free cakes and crackers by the Brown Company.

Swift & Company will have a representative present to demonstrate salad dressing and lunche meats. With coffee, cakes, crackers salad dressing lunch meats, and the General Food products it looks as if one might get a good strong appetite satisfied once. This store invites you to visit them during the day, see the demonstrations and get acquainted.

## Federal Land Bank Adds Night Crew

Facing an unprecedented number of applications for loans, the Federal Land Bank of Houston has added a night crew as well as enlarging its day force to speed up the consideration of applications and the closing of loans. A. C. Williams, President of the Federal Land Bank said recently.

"In the past seven weeks," Mr. Williams said, "more applications have been received than during the previous 29 months, beginning at the outset of 1931. In the first three weeks of September, 2,631 Texas farmers applied for loans totalling \$12,023,828." This was nearly twenty-four times the volume of loans sought during the same period of last year.

"When the Emergency Farm Mortgage Act of 1935 was passed by Congress in May, we had nine appraisers. We now have 113 appraisers in the field and about 125 men in training.

When their training is completed those who are qualified will be appointed and assigned to regular appraisal work. This will further accelerate the handling of the large number of applications now on hand and being received daily by the bank. Officers and employees of the bank are earnestly endeavoring to give prompt assistance to deserving farmers of Texas," Mr. Williams said.

## GIN REPORT FOR SPUR

According to reports turned in at two o'clock Wednesday Spur ginner had ginned 872 bales of the 1933 crop. This is a gain of 584 bales since last report. Cotton as selling on Spur market from 9:30 to 9:50 middling basis.

## Nichols Sanitarium

Mrs. J. W. Rogers, of Dry Lake, underwent an operation Tuesday and seems to be getting along fine.

Mrs. W. W. Newby, of Snyder, who underwent an operation two weeks ago, continues to improve.

Mrs. J. M. Duran, of Roaring Springs, underwent an operation Tuesday and seems to be getting along all right.

Mrs. H. B. Parker, of Peacock, who underwent an operation ten days ago, continues to improve and is able to sit up some.

Mrs. M. E. Manning, city, underwent an operation last week and is doing fine. She is able to sit up some.

Ben Henze, of Gilpin, was a medical patient Tuesday and Wednesday and seemed to be all right when he left.

Mrs. Mary Gonzales, of McAdoo, continues to improve under medical treatment at the sanitarium.

S. B. Boykin, of Soldier Mound, had an X-ray examination Wednesday for a growth on his right elbow. He has been suffering greatly from this trouble.

## DRY GOODS STORES HOLD MEETING

The various dry goods firms held a meeting Tuesday afternoon and voted during the busy season on Saturday nights they will hold their stores open until ten o'clock. Other days in the week stores will open at eight o'clock in the morning and close at six o'clock in the afternoon. But an extra hour has been added to the usual Saturday hours since NRA went into effect.

## Cotton Plan Offered to Growers

Details of the new 1934-35 cotton plan to be offered Southern cotton growers by the Agricultural Adjustment Administration were received at College Station in a telegram to O. B. Martin, director of the Extension Service, from C. A. Cobb, chief of the Cotton Section. The plan contemplates a 25 million acre crop next year, cash rentals for the land left unplanted with cotton, county production control associations of farmers, no plow-up campaigns, and parity prices for at least a part of next year's crop.

Secretary Wallace also offers to cotton producers loans of 10 cents per pound on their present crop to enable them to hold their cotton until prices are nearer a fair exchange value.

The new program will allocate the acreage by states among cotton farmers and restrict total plantings to approximately 25 million acres next year. This is expected to be about 60% of the five year average for 1928 to 1932 inclusive, and this will be the basis on which allotments are made to states, counties and individuals.

The grower will be compensated in part by cash rentals for the land left out of production on a sliding scale based on the productivity of the land. The big feature of the new plan according to Mr. Cobb, is the domestic allotment clause which provides that a producer shall receive approximately parity prices for that part of next year's crop consumed in the United States. Payments are to be based on the proportion of the 5 year average production which is domestically consumed.

The new program will operate thru county cotton production control associations through which growers will enter into contracts for two years with the Secretary of Agriculture.

The acreage to be planted in 1934 is to be determined on or before January 1st next. Compensation for 1935 reductions is to be on the same basis as for next year. Reductions for 1935 in acreage will not be more than 25% of the five year acreage. Mr. Cobb said.

## REST ROOM NOW OPEN

The ladies rest room located in the Hale building next door to the post office is now ready and complete. Chairs, a settee, tables and other conveniences have been arranged. Ladies who become tired of walking the streets can go to this room and rest as long as they desire.

There will be an attendant furnished every Saturday.

## FIRST FIRE ALARM TUESDAY

The fire alarm sounded Tuesday afternoon for the first time in many months. A little flame at the Spur Bakery caused from a gasoline burner flaming up caused the excitement. The call was of no consequence as the water never was turned on.

Our town has very few fires of any consequence due to the excellent precaution of our city officials. Again, we have an excellent fire department and a fire must have a good start if much damage is done.

## NOTICE TO PUBLIC

I have been appointed by the Sheriff's Department to take up all stock running loose in Spur precinct. I will take up everything loose irrespective. People may get me by calling 216W. W. C. SUITS. Itc

## RAILROAD SHIPS COTTON

Several cars of cotton have been shipped from Spur by the Stamford and Northwestern Railroad. E. A. Russell, local agent, reports that a round 1,000 bales of cotton of the present crop have been shipped.

## E. L. ADAMS TAKES OVER STUDIO

E. L. Adams has again taken over the Spur Studio and will operate it full time within another month. At present Mr. Adams will have to continue his work on the road, but Mrs. Adams also is a good photographer and will take care of the work until Mr. Adams can be released. Mrs. Adams will take pictures any time people call on her. She will be at the studio all the time practically. Any one desiring good photo work will make no mistake in visiting this studio.

Mr. and Mrs. C. B. Kilgore, who were in charge, left Tuesday for Haskell where they expect to engage in business again.

## PRESBYTERIAN CHURCH

Since October 8th is the second Sunday in the month, Rev. Fred Cairns will be in Spur to hold services both morning and evening. You are cordially invited to worship with us.

Sunday school 10 a. m.  
Morning Worship 11 a. m.  
Evening Worship 7:30 p. m.  
—Reporter.

Mr. and Mrs. H. O. Everts went to Temple Sunday to be with Mrs. Everts mother who is in a sanitarium there. The mother underwent an operation Tuesday morning.

Cecil Jackson of Espuela, was attending to business affairs in our city Tuesday.

**BULLDOGS DEFEAT KNOX CITY 13 to 6**

(JEP)  
The Spur Bulldogs with a revamped line up looked very impressive their 13 to 6 victory last Friday afternoon over Knox City. Coach Murley moved some of his backfield to the line and some of his line to the back field in an endeavor to find a winning combination in this last game and it looks now as if the Bulldogs were headed for a victorious season.

Captain Vernon Morgan ably assisted by DeLisle, Scoggins, Bell and Chapman led his team by scoring both touchdowns of the afternoon. He fumbled on the goal line once and Knox City covered the ball for a touchdown. Spur had difficulty handling punts, dropping several that were covered nearly every time by Knox City and we look for some long practice sessions on this phase of the game this week. Coach Murley's boys displayed more pep and played better all round football the second game than in the first at Matador.

Knox City presented a clever back in McCarty and a good quarter in Hyde. Their backs and ends were well grounded in pass receiving and used them to an advantage. They had several intercepted though, pass being intercepted by Morgan, who ran 60 yards for a touchdown.

**FIRST QUARTER**  
Knox City kicked to Morgan on the 20 yard line, Morgan returned to his 32. DeLisle made 1 at right tackle, Chapman 2 at left tackle, DeLisle 1 at right end and Chapman punted to Knox City 31. Stovall made 2 at right tackle, McCarty 7 at right end and Armstrong made it a first down around right end. Hammock was thrown for a two yard loss by Morgan. McCarty passed to Hyde for 12 yards. Hammock picked up 5 yards at right end, Stovall failed to gain at right tackle. Incomplete pass, twice, and Knox City was penalized 5 yards. The ball went to Spur on downs. Chapman made 2 at right tackle before a fumble by the Spur backfield, Knox City covering the ball on their 48. Hammock lost a yard and McCarty made 3 at right end. Incomplete pass. McCarty punted to Spur 10 yard line, Spur returning the ball to the 17. Chapman made 2 yards at left end, 4 at right tackle, 3 at right end and then punted to Spur 47 yard line.

Harry Martin was hurt on this play and had to leave the game, Spur lost one of their cleverest back field men. Morgan began calling signals from the guard position.

Carlisle made 3 at right end, Hyde failed to gain at right end, Carlisle was thrown for a loss of 7 yards by Scoggins. McCarty punted to the 10 yard line, Suits returning to the 30. Chapman made 3 at right end. Pass intercepted by Knox City on Spur 40. Armstrong made 4 at right end.

**SECOND QUARTER**  
McCarty passed to Carlisle for 4 yards. McCarty made 6 at right tackle and Stovall 2 at right end when Spur covered the ball on a fumble. Suits failed to gain at right end and lost 10 at left end. DeLisle made 10 at right end and Morgan punted out of bounds of Spur 41. McCarty failed to gain at right tackle. Armstrong was thrown for a loss of 5 yards by Green. Incomplete pass. McCarty punted out on Spur 24. DeLisle made 4 at left end, 3 at right end, 1 at left end and Knox City was penalized 5 yards for off side, twice. Chapman picked up 2 yards at right end and Knox City intercepted a pass on their 45 yard line. McCarty made 1 at left tackle and Armstrong lost 5. McCarty's punt was blocked and Bingham covered for Spur on the Knox City 33. Chapman made 1 at left end. Incomplete pass. Spur penalized 5 yards for off side. Morgan made 11 at right end, and 8 at the same place. DeLisle lost 1 at right end, Morgan picked up 11 at right tackle and 5 at the right side of the line to 1 foot of the goal when the whistle blew ending the half.

**SECOND HALF**  
Spur kicked to 16. Incomplete pass. McCarty lost 2. Incomplete pass, penalty on Knox City 5 yards. Button punted out on K. C. 26. DeLisle made 3 at right end and Morgan went the balance around right end for a touchdown. Morgan failed to make the point on a line buck.

Spur kicked to 15, Knox City returning to 34. McCarty made 6 at right tackle. Carlisle made 6 at right guard. Spur penalized 15 yards. Incomplete pass. Carlisle 4 at right end, Knox City lost 2 and penalized 15. Punt blocked but Knox City recovered on their 17. Spur penalized 15. Incomplete pass. Spur penalized 5 for off side. No gain. Incomplete pass. Knox City punted to Spur 8 and recovered. Knox City penalized 5 yards for off side. No gain. Incomplete pass. 2 at left end and ball went to Spur on downs on their 10 yard line. Fumble covered by Knox City over the goal line. Hyde failed to place kick for the point.

Knox City kicked to Spur 44 and recovered the ball. Incomplete pass. Knox City lost 6. Punt to Spur 38. Knox City getting the ball on fumble. Knox City lost 2, incomplete pass, 5 yard penalty on Knox City. Punt covered by Knox City on Spur 37. Incomplete pass. McCarty 2 at right tackle, Morgan intercepts pass on Spur 40 and races 60 yards for touchdown. Morgan went around right end for the point.

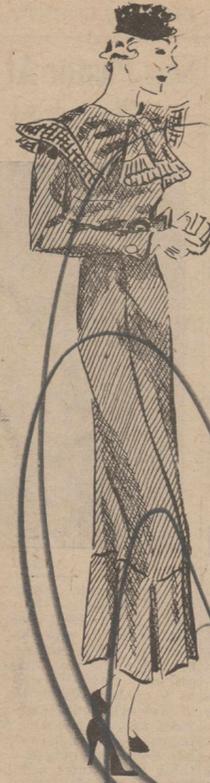

Knox City received the kick on their 31. McCarty made one at center. Incomplete pass. Punt to Knox City 45 recovered by Knox City. Armstrong 4 at left end. Pass for 6 yards. DeLisle intercepted pass on Spur 45 returning to Knox City 46. DeLisle 2 at left end and Knox City penalized 15 yards. Morgan 2 at right tackle. DeLisle no gain. Incomplete pass. 5 yard penalty on Spur and 5 yard penalty on Knox City.

**FLOOD OF THOUGHTS**

Ghandi has lost two pounds. He must have changed to a light towel for the summer months.

A lady recently requested a surgeon to operate on her so she would have something to talk about at her bridge parties. Aside to the surgeon—How about her head?

And we still think that was a good suggestion.

Nudist colonies are growing in the United States. The next bit of news will likely be headlined, "Sale of telescopes have increased 150 per cent."

Newspaper headline, "Tennessee, Missouri, Louisiana, flood Arkansas with beer." At least there is one flood not blamed to the Mississippi river.

At times, we might take a few examples from animals. Not long since

we observed one cow facing north, another at her side facing south, keeping the flies from each other. It might look foolish, but its cooperation.

**SUNDAY SCHOOL PICNIC**

The Juniors of the Highway Sunday school enjoyed a picnic Sunday, October the 1st on the creek near the Vernon Powell home. Basket lunch and iced tea were served at the noon hour. A number of games were played in the afternoon. —Contributed.

**STEADY RECOVERY SHOWN IN TEXAS CHEESE INDUSTRY**

The cheese industry is making one of the steadiest recoveries of any industry, according to A. J. Riddle, division manager for the Graft-Phenix Cheese Co., Denison, in announcing a milk price of 28c a pound.

Mrs. T. E. Howze, north of town, was in Saturday doing some shopping and paid the Times office a pleasant visit.

Mr. and Mrs. L. M. Handley, of McAdoo, arrived in our city the first of the week to make this their home. Mr. Handley is bookkeeper for Godfrey & Smart, local Ford agents.

**HOW WOMEN CAN WIN MEN AND MEN WIN**

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and

expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores.

Refuse "something just as good", for it may gripe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, G.M.Co.

HIGHWAY

Mr. and Mrs. Carl Tree of Jayton, spent the week end here with his parents, Mr. and Mrs. M. E. Tree.

Mr. and Mrs. Moore of Spur, visited in the Williams home Sunday.

Rev. Young of Girard, filled his appointment here Sunday at the 11 o'clock hour due to illness Bro. Young returned to his home Sunday afternoon.

A good crowd attended the Sunday school and church service.

Several folks from here went to Dry Lake and heard Bro. Stokes preach Sunday.

Mr. and Mrs. Bryant Bristow visited relatives at Espuela Saturday and Sunday.

Mrs. Williams is quite ill at this time.

Mrs. Bob English is on the sick list this week.

Mrs. Jones of Lubbock, is visiting Mrs. A. C. George and other relatives here this week.

Mr. and Mrs. Forest Martin of the West End community, attended church Sunday morning and visited in the M. E. Tree home.

Mrs. Penn Howell is ill at this time.

Our school will be dismissed for possibly two months next Friday, so the school children may help in gathering the crop.

A large crowd from Dry Lake came up for the ball game Friday afternoon. Our boys lost the game, our girls won.

Quite a number of the folks from this community were in town Saturday. Most of them attended the free show in the afternoon.

AN APOLOGY—AND MORE ABOUT CONSOLIDATION

What we said about Charley McLaughlin's interest in behalf of consolidation was not meant that he was dishonest. I have never, so far, heard of any dishonesty in his generation, was personally acquainted and associated with his father. He was a good Christian man and we missed him and mourned his passing away.

I oppose consolidations as much as Mr. McLaughlin is for them. I yet have my first person to meet coming from a country consolidated district who ever wanted to live in one again. Their complaints were about the same, "Ruined our schools, killed our community interests and raised taxation."

Texas is a large state, and why should she want to force our little nook here into a consolidation to secure State aid, and thousands of other rural districts free and drawing state aid?

Here is what First Assistant State Superintendent W. E. James has to say about state aid: "No school or group of schools shall be forced to consolidate in order to secure state aid under the new law."

And this is what Col. Lawrence Westbrook has to say about their relief money on buildings: "That 30 per cent of the money for the building would be given not to be paid back, but the other 70 per cent could be secured only through a bond issue, and the debt canceled when the last penny was paid." He sent a booklet setting their iron-clad contract to be signed, and our county indebtedness will be considered.

And if I understand it right all delinquent taxes will have to be paid up. The trucks and their upkeep will have to be furnished by the districts.

This statement from A. A. Bullock, director rural aid in regard to transportation aid in consolidated districts. "All students who live more than two miles from the school house are to have an amount not to exceed \$1.00 per pupil per month. All high school children coming from the districts outside of the district in which the high school is in will receive an amount not to exceed \$2.00 per pupil per month." No specified time as to how long this will last.

My suggestion for the consolidating enthusiasts would be to only take the high school students and leave the rural districts with the grades up to the 8th. When students reach the 7th grade if they were kept in that grade two years which is the most important grade in the school, then take a commercial course, they will be prepared for a practical business life without the other four or five grades. Of course, the other grades are no disadvantage, but usually by the time a boy stays in school to finish the other grades with at least one third of his time spent in playing games, going to neighboring towns and districts in contests, to settle down on a farm

Every Small Farm Needs

the New **FARMALL 12**

**\$525**  
f.o.b. Chicago

The new Farmall 12 displaces four or more horses in field work. Pulls a 16-inch or two 10-inch plow bottoms. Plants and cultivates 25 to 33 acres a day. Now ready for fall plowing, belt work, etc.

**T**HE thrifty all-purpose McCormick-Deering Farmall 12 is exactly suited to small farms and small fields. It extends the enormous benefits of Farmall farming to any farmer of limited acreage, and it is a handy unit for large farm operators who need auxiliary power. It weighs little more than a ton, yet it does as much work in a day as four or more horses.

Let the new Farmall 12 apply its power to your work. Its utility, performance, and ability to cut costs will prove a pleasant surprise to you.

Come and see it now in our store. We also have the Farmall in two other sizes.

and go to work after he finishes, is too common place and a waste of his valuable time. His urgent need is a car to keep up with the times and hunt pleasure.

Educate the boys and girls to make home owners and home makers, not home wreckers and wage earners. Our missionaries tell us Japan is a highly educated nation. And what are they with their high text book learning—a heathen immoral nation.

Read what O. H. Moore has to say in Farm and Ranch of August 1, and also in May issue, about consolidations and their causes titled, "Better Day for Rural Schools."

(Signed) MRS. E. D. CHAMBERS.

**The Criminals' Helpers**

Introduction in the special session of the Texas Legislature of the bill prohibiting sale except to peace officers of certain types of armament serves to call public attention to a condition discussed by the Chicago Daily News in a recent editorial, "Ca-

tering to the Bandit Trade." Pointing out that it is possible in Chicago to fit a motor car with bulletproof glass, a police siren, a short-wave radio set, and a device for manufacturing a smoke screen, the Daily News notes that "so long as supplying the professional requirements of robbers is looked upon by some business concerns as just so much desirable trade about which it is not well to show curiosity, 'big shot gangsters' will have a safe foothold in Chicago.

This is beyond question. Business can not complain of excessive taxes created through the waste and extravagance of public officials, if it obtains favors by bribery and corrupt ion. The public can not complain of crime as long as it abets crime. There is no valid excuse for supplying arms, ammunition, and equipment of questionable legal use to any but peace officers. Racketeering and criminality can not long exist without the cooperation of business, ordinarily legal.

The Federal Government is blazing a new trail in crime repression by its effort, exemplified in the Urschel

trial, to make accessory to crime any participant in the profits. This includes the lawyer who is paid in criminals' spoil and the persons who knowingly harbor fugitives for pay. It should include the unethical tradesman who winks a weather eye while he armor plates a gangster's car.

The Chicago Daily News puts a striking sermon into one sentence: "The foothold of gangsters in Chicago can not be destroyed until their allies in business and politics are sub-

jected to proper classification and punishment." —Dallas News.

Miss Robbie Lee Abernathy has accepted a position as a simplex operator for a big oil company in McCamey and has gone there to assume her duties. Reports state she is making good at the job.

C. A. Jones, manager for the local office of S. M. Swenson & Sons, was in Fort Worth the first of the week visiting his son, Clifford B. Jones.

**CAN IT BE TRUE?**

Well, just see for yourself how far \$20.00 goes this year.

- \* A comfortable, well-furnished, outside room, in a large modern hotel, with ceiling fan and circulating ice water.
- \* All meals—excellent food planned and prepared with the knowledge that good food goes hand in hand with good health.
- \* Have you ever experienced the stimulating, refreshing, rebuilding tonic of a complete course of baths under trained masseurs? Daily baths are included in our vacation plan.
- \* All the Crazy Mineral Water you can drink, hot or cold, at the noted Crazy bar, or served to you in your room. Rid your body of accumulated poisons; go home with a robust appetite, good digestion, and proper habits of elimination.

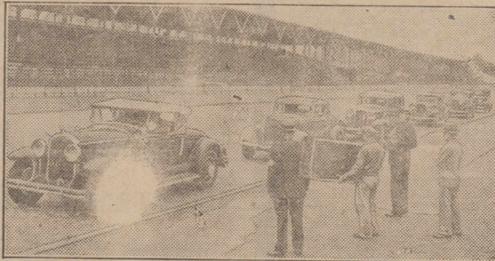

You will find the following sports at hand for your enjoyment:

- Golf at the Mineral Wells Country Club.
- Good swimming.
- Good fishing.
- Riding along the many beautiful bridle paths close by.

Don't worry about reservations—Just come on out!

Mineral Wells, Texas

*Advances in Oil Refining*  
*Result in Higher Mileage*

Cars picked at random from the streets, lined up on Indianapolis Speedway before starting four-day test of new high-mileage motor oil.

**B**ECAUSE the average motorist is becoming more and more concerned with motor oil performance, the refining industry has recently been turning its attention to improved refining methods designed to meet the public's demand for better lubrication from the medium-priced lubricants.

For years the main problem confronting the industry was reduction of carbon deposits, and like matters, but today the important problem is how to provide better lubrication.

Very definite and satisfactory progress has been made along this line, as shown recently in mileage tests conducted at the Indianapolis Speedway under supervision of the Contest Committee of the American Automobile Association. These

tests showed that a new high-mileage oil, produced by the Gulf Refining Company, gives 28.5 per cent more miles to the quart than any of the other three popular, medium-priced oils tested against it.

The cars used in the test were low and medium-priced autos picked at random from the streets of Indianapolis. Each car was run 450 miles with each of the four brands of oil, the test lasting for four days, during which time each car covered 1,800 miles.

Oil consumption was carefully checked by contest officials of the A.A.A., and it was found that the new high-mileage oil was 28.5 per cent cheaper to use, the figure being an average based on the oil's performance in all the cars used in the test.

## Dress Shirts New Fall

A great assortment of all new shades in just what you want in even-efast color. Excellent values at

### 45c to \$1.95

NEW TIES—The gay as well as the more modest shades are here in profusion. SEE THEM

And again your hose this new season will tone in with your costume. Taupe shades will be worn with black, blues, reds, greys . . . and brown shades with brown (sometimes with green or red).

**THE MODE IN SHOES . . .** The Oxford is a very smart fashion and is designed to fit up high on the foot. Kid skins are first . . . with suedes running a close second. Ornamented with self or contrasting stitchings . . . a new note and very flattering.

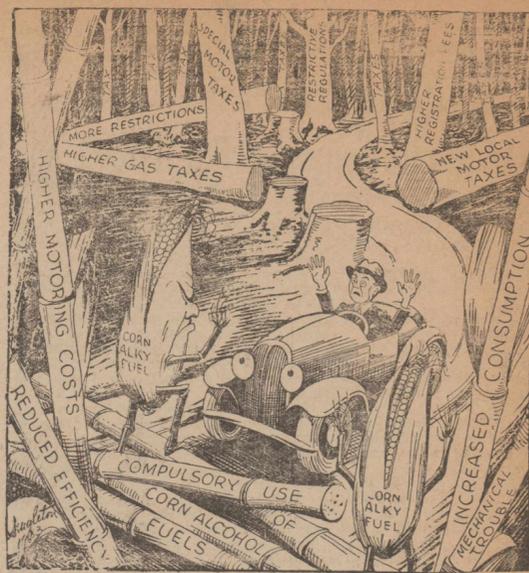

**THE EVENING MODE IS GLAMOROUS . . .** The Sheath silhouette or the mermaid silhouette holds the stage . . . It is straight and slinky . . . moulding the figure from shoulder to knee . . . and often flaring from out below the knee with an exaggerated ruffle called by some the Rumba ruffle. Sleeves are appearing in many of the new evening gowns.

**COATS FLAUNT A NEW NOTE . . .** Even the dressy coats are showing a hint of the swaggerish line . . . not so fitted as in other seasons . . . The around about town coat is created on swagger lines and is very youthful and becoming . . . Fur is used lavishly on many of the new coats, but trims the neckline to emphasize the bosom. Fur is not found below the elbow on the sleeves. Nubby materials in fascinating weaves are used in these new coats.

**UNDER FASHIONS . . .** This is a season to conform the figure with one's underthings. Simplicity is the keynote for not a ripple must destroy the perfect silhouette. Materials . . . sheer silks and cobwebby jerseys, touched with lace to make them feminine.

**A WORD ABOUT COLORS . . .** Black, Chona Brown, Ell Grey, Dundee and Murky Olive. Bergundy and shades of Taupe are very smart.

## AND HE THOUGHT HE WAS OUT OF THE WOODS!

Calamity." Bette and Albright have played together before, however, in the Barbara Stanwyck picture, "So Big." In the latter picture he is a rejected lover, while in "The Working Man," he finally wins the fair lady's hand.

This program is being sponsored by Mrs. W. S. Campbell's Sunday School Class of the Methodist Church.

### JUNIOR CLASS MEETING

The Junior Class of 1933 had a surprisingly orderly class meeting last Thursday and after subsequent whispering, nominations, and votes elected the following class officers:

Sponsor, Miss Pauline Buster. President, William C. Starcher. Vice President, Katherine Ensey. Secretary-Treasurer, Kit Carson Hefner.

Reporter, Edwin Hight. Immediately thereafter several well meaning students were drafted into selling pop at the football games in order to finance a banquet for our seniors. —Reporter.

### Tenant Cannot Increase Wheat Acres

A tenant who participates in the premiums paid on the 1933 wheat crop by signing a Government contract with his landlord, and who moves to another farm will not be permitted to seed more wheat on the new farm than was grown there last year, ac-

ording to a new ruling of the Agricultural Adjustment Administration. This is different from the previous understanding, Extension Service officials at Texas A and M College point out.

Another recent ruling at variance with former interpretations concerns wheat farmers in counties where very little wheat is grown. It was previously understood that isolated wheat farmers in such areas might sign individual contracts which would be forwarded by the county agent direct to Washington via the Extension Service. As it now stands every farmer who signs must be a member of a wheat production control association. It is suggested that a county association be formed in such places even though there may be no more than half a dozen members. Officers might serve without pay and the heaviest cost would be inspection next spring. Another way out for isolated wheat farmers is to get the county attached to a neighboring county association, or to help organize several adjoining counties into a district association.

Mrs. S. C. Fallis has accepted a position with Bryant-Link Company and is assisting in the ready to wear department.

Miss Mary Cloyd Harrison, of Abilene, is in our city the guest of her sister, Mrs. A. M. Walker.

Miss Mary Powell and Presley Powell, of Abilene, are here spending the week with their father, J. D. Powell, at the Central Hotel.

## HIGHLIGHTS OF 1933 FASHIONS

(CARL PROCTOR)

The fashion clock turns its hands back and points to 1910 for the inspiration of the new mode. The responsibility for its rebirth can be partially laid at the feet of the redoubtable Mae West, whose film "Lady Lou" rekindled sparks of genius in the minds of our very best Paris Couturiers, and they in turn have sent collections of crisp, new clothes . . . wearable and very becoming. These forerunners of new fall fashions have been adapted into smart, lovely fashions for women everywhere . . . It is here that we present interesting notes about these new clothes . . . May we have your attention?

**THE SILHOUETTE GOES FEMINE** . . . It's vertical, but well formed; it makes the women look extremely tall, but at the same time rounded. No extreme bulk, but the natural, normal curves of the figure . . . a fitted line follows and displays the feminine form . . . curves at last have come into their own.

**NECKLINES ARE AN IMPORTANT NOTE . . .** The "cabbage" neckline is very feminine and very new . . . and will be seen on many afternoon dresses. New and intricate collars add a decided touch . . . and the Jabot in versions very pleasing to the eye find

their way on many a new frock. Bows and scarfs, too, are important.

**SHOULDERS ARE MODIFIED.** One must have broad shoulders, but not laden and bedecked . . . but smart shoulders will be helped with a very light and clever touch . . . tucks, a few rows of clever cording . . . but they are not emphasized too much. Remember that this autumn sleeves will be flat and long and clinging.

**JACKETS ARE IN HIGH FAVOR.** They take a definite part in the life of the modern woman . . . You'll see them for daytime wear, afternoon and evening. There seems to be no substitute for the jacket.

**SUITS WALK INTO THEIR OWN.** For earlier wear the Satin suit is a favorite . . . with three-quarter or long sleeves . . . The suit of faille will also be seen . . . Later youthful looking woollens with short and below the knee coats, swaggish in line, will be worn. Swagger suits made of sport materials are very important. No wardrobe is complete without at least one suit.

**MATERIALLY SPEAKING . . .** Satin is here again, and in a very big way . . . bengaline returns . . . failles . . . the new dull rough surface crepe material . . . velvets, satins. Woollens are very smart in sheer and tweed weights.

**JEWELRY GOES SAVAGE . . .** At least in design . . . the large wooden heads and bracelets . . .

Gallith in bright colors. For evening wear very lovely necklaces and bracelets set with semi-precious stones and rhinestones are seen . . . beautiful in the candle light.

**BAGS HAVE A WORD TO SAY.** Many smart fabrics are seen in the new bags, satins, velvets, corded materials, tweeds, and the leather bag, in shapes that fascinate. Gloves were never more individual . . . made to match the material of your frock, your hat, your bag. Some have deep cuffs, with ruffles or flares. Often they are in a bright color to contrast, again they match. The pull on glove of kid, doe skin or suede has a definite place in your wardrobe.

**THE HAT PROBLEM . . .** And hats are truly a problem. Versions of the Beret are most unusual and are known by the knome and the clown . . . These little tricks of fashion are worn over one eye and perk up in the back . . . in velvet, satin, fabrics, and felt. Perhaps you will prefer the shallow crown sailor—it's very sophisticated . . . but smart.

**HOSIEY IS SHEER OF COURSE**

## SUNDAY DINNER SUGGESTIONS

By ANN PAGE

THE recent storms along the Atlantic seaboard have interrupted the flow of fresh fruits and vegetables to market. Many fields of vegetables and melons have been under water and it will take at least a week of good weather to restore conditions when the damage is not complete.

It will be necessary in many instances to depend on root vegetables and such imports as the far south and west can supply. Among the fruits apples, peaches, pears, and seedless grapes are good choices. With tomatoes among the more seriously injured vegetables I suggest substituting these fruits for salads. Fruits combine surprisingly well with olives and a fruit salad using olives and salad dressing makes a good dinner salad. Lettuce and celery for combining with fruits will be available.

The Quaker Maid Kitchen has prepared menus to meet this unusual market condition.

MALCOLM HARRIS BRANNEN, JUNIOR HOST

Little Malcolm Harris Brannen, Jr., was host to a number of friends recently in honor of his third birthday nice birthday cake with three candles was cut and served with fruit punch. Anniversary Games were played. A Those present for the occasion were: Nip McNeill, Anne Hull, Jean Granberry, Doris Wylie, Sarah Sample, Creola Rector, Jane Brannen, Robert Andis, Laurie Robert Burrow, Billie Wayne Dyess, Pat Watson, Cash Wilemon, Jr., Buddy Johnson and the host.

WHITE RIVER

Mr. and Mrs. Bud Williams and daughters, Orian and Hazel, of Catfish, were visiting in the R. M. Slack home Sunday.

Mr. and Mrs. J. T. Cozby were in the Highway community Monday.

Pat Patterson of Calgary, visited relatives of this community Saturday.

Mrs. J. J. Rogers has been on the sick list this week.

Mrs. Ivey Slack was in Spur Saturday shopping.

Quite a few of this community have been attending the meeting at Red Mud the past week.

Mr. and Mrs. John Cannon and daughter of Corona, New Mexico, have returned to make their home here.

Mr. and Mrs. Grayden Swanner and daughter of Spur, visited in the R. M. Slack home Sunday.

Mrs. J. T. Cozby and daughters and Mrs. Ed Martin and children attended club at the Peaceful Hill school house Friday afternoon.

Norville Rogers was attending to business in Spur Wednesday.

Mr. and Mrs. J. R. Cozby and son, Rozzie, and daughter, Alba, and Sid Richards of east of Spur were visiting in the J. T. Cozby home Sunday.

A. L. Walker was in Spur one day the past week.

R. M. Slack was transacting business in Spur Friday.

1933 STUDY CLUB

Mrs. Charlie Powell was hostess to the 1933 Study Club, October 3rd. There were eleven members present. After the business session a program was given with Mrs. Bailey as leader.

Roll Call—Health Statistics Everyone Should Know.

State Health Requirements; Duties of State, County and City Health Officers—Mrs. Sloan.

Health Habits for Children—Club.

Mrs. Weaver will be hostess October 17th.—Reporter.

1931 STUDY CLUB

The 1931 Study Club met Tuesday afternoon at 3 o'clock with Mrs. C. B. Middleton as hostess. Eighteen members were present. Mrs. Joe E. Boyd was received as a new member

in the club.

It was decided that the club would sponsor a booth at the East Ward school Halloween carnival. Mrs. Russell, the president, appointed committees to make arrangements for the booth.

Mrs. Jack Rector led the program on China. She gave a brief resume of Chinese history. Mrs. Jerry Ensey told many interesting things about the Great Wall and Mrs. Jephtha Craig talked on Religions and Customs of Chinese life. Mrs. A. C. Hull told a quaint Chinese tale.

After a short parliamentary drill led by the parliamentarian, Mrs. Reese McNeill, the hostess served a lovely salad plate with tea.—Reporter.

SEW-SUM CLUB MEETS

The Sew-Sum Club held their meeting with Mrs. J. M. Foster Tuesday afternoon. Every member of the club was present for the meeting. Mrs. Caraway resigned as president of the club and Mrs. Foster, who was vice president, automatically was given the place as president.

Members were served lemonade during the afternoon, and a great time was reported. The next meeting will be held at the home of Mrs. B. F. Hale.

NEW BOOKS ADDED TO LIBRARY

A number of new books have been added to the Spur library recently. The list consists of: The Spirit of the Border, The Rainbow Trail, The Shepherd of Guadalupe, Desert Gold, Sun Pass and Forlorn River all by Zane Grey; the Marriage in Gotham by Isabel Ross; Life Begins at Forty by Walter B. Pitkin (fifth Thousand Edition) Short Grass by Hal G. Everts

TAKES OVER SERVICE STATION

Morris Collett has leased the Motor Hospital Service Station and has opened it for business. He is handling a full line of Sinclair products—oil, gas and greases. He says he will appreciate the public trading with him.

Tom McArthur, of Red Mud community, was attending to business matters in our city Tuesday. He says cotton soon will be in full swing and pickers will have plenty of work.

F. E. Henze, of Duck Creek, was attending to business matters here Tuesday. He reported that his son was quite ill Monday night.

Earl Van Meter, of McAdoo, was attending to business affairs here Tuesday. He reported conditions on the Plains encouraging.

J. S. Davis and son, Kenneth, of Dallas, were through our city Tuesday. They have been in the newspaper business in Dallas but sold their business recently. The young Mr. Davis is seeking employment with a good newspaper.

C. A. Carroll of Lubbock, has accepted a position with Hassen Bros. Company. He is a shoe specialist. He and his wife and baby want to secure an apartment in our town.

J. M. Rowland, who has spent the summer in Fort Worth and in Calif-

ornia, arrived here Sunday and now can be found in his office over the Spur National Bank. He states that business conditions everywhere he has been are about like they are in Spur.

B. F. Ford, of Calgary, was in our city Wednesday looking after business interests.

Tom Cross of the 24-Ranch community, was transacting business in our city Wednesday.

J. E. Sparks, of Highway, was looking after business matters in our city Wednesday.

Floyd Taylor, manager of Taylor's Department Store, is visiting his mother in Altus this week.

Cheap Clothes and Pretty Made in Texas Observes State Press

A major development in Texas industry is the growth of the manufacture of women's clothes, largely wash dresses. The 1930 census shows there were thirty-eight plants making women's clothes, employing 2,097 persons with payrolls aggregating \$1,350,063 and producing articles valued at \$5,310,971, more than half of which—\$210,686,051—was "value added by manufacture."—Progressive Texans, Inc.

Somebody is making pretty dresses for little money, for some of the dresses are selling at a price which indicates they were made close to the stores selling them. Only the other day State Press saw a personable lady in a tidy and becoming cotton dress, for which she admitted paying only 58c. She wasn't a doll-sized lady, either. Of course, the cotton that goes into an unpretentious dress doesn't amount to much, but it is difficult to understand how the cutting and sewing and styling of even a simple gingham garment could be done in a manner to afford as profit to manufacturer and retailer both at a price of 58c. Nobody could complain of the high cost of clothing this year. There have been plenty of neat cotton suits for men at prices as low as \$2. Work shirts and overalls are manageable at less than \$1, if extra quality is not required. When all prices are on a level, a depression hurts taxpayers and other debtors more than it hurts the selling and buying public. When the cost of production is reduced to correspond with depleted buying strength the public gains about as much as it loses. What are called good times are best for those who owe money. Unfortunately, it is in good times that the most debts are made. Perhaps there ought to be a law passed to prohibit anybody from going into debt. Uncle Sam excepted.—State Press in Dallas News.

Probably the above dress now would cost a customer around 98 cents since the processing tax, wage raise, short hours for factory workers and other Recovery expense have been added, but even at that, it is much cheaper than the \$1.49 house dress manufactured in New York and New England States. "What Texas makes, makes Texas."

Time of Wheat Acreage Reduction Is Extended

A large part of the wheat growers in heavy wheat producing counties in Texas are signing applications for Government wheat contracts, but in the remainder of the State the sign-up is scattering, according to reports on the campaign received at Extension headquarters from county agents.

The final date for completing the sign-up for these domestic allotment contracts for wheat has not been named for Texas, but it is understood that the date of September 25th set for the entire country will not apply here. A postponement has been requested of the Administration because the completion of the cotton campaign delayed the start of the wheat campaign, and also a re-check of Texas wheat production figures is in process.

ACC OPENS 28TH ANNUAL SESSION

The twenty-eighth annual session of Abilene Christian College at Abilene, Texas, has begun with the largest enrollment in the history of the institution, it has been announced from the office of James F. Fox, president. This is the second successive year in which there has been a record enrollment at this institution, Mr. Cox said. Four instructors have been added to the faculty to take care of the increase in enrollment.

Saturday, September 30, with some still to enroll the enrollment of the college department had reached 506. One hundred-thirteen had entered the elementary and high school departments, making the total enrollment of the institution 614. These students come from twelve different states: Oklahoma, New Mexico, Arizona, California, Missouri, Ohio, Alabama, Arkansas, Louisiana, Texas, and Tennessee, and Kansas.

Miss Estelle Oliver of Spur, has entered as a member of the Freshman class. Miss Ruby Rae Williamson of Spur, a senior, Miss Mary Wooten of McAdoo, and Arnold Cross of Calgary are freshmen.

Miss Mary Taylor, of Taylor's Department Store, left Tuesday for Dallas to buy a selection of new merchandise for that firm.

Mrs. Charlie Powell and Mrs. E. L. Smith were in Abilene visiting relatives and friends during the week end. Mrs. Troy Stricklin returned here with them and will spend a few days visiting.

PREPARE NOW FOR CLUB EXHIBIT DAYS, NOV. 17-18

Are you doing your part for the club exhibit? If not, why not? If your club is worth being a member of, it is worth boosting, and what better way can you boost your club than by having something at the exhibit? If you can not enter a complete list of articles, enter what you can. Don't be a slacker and let one or two have all the work to do. But, let's each and every club member have a part in the work and the exhibit. Let's be able to say "OUR EXHIBIT" and mean it.

Don't you like to be on the inside of things? And wouldn't you like to win a prize or prizes? Then have your things ready to enter by the exhibit, and by doing so help your club, yourself, and your demonstrator.

I heard one inspiring remark and I will pass it on to you. Mrs. Bell Martin of Peaceful Hill club has just finished a hooked rug for the club exhibit, it is her second one.

Mrs. Thurmond Moore, Peaceful Hill; Mrs. A. T. Bural, Duck Creek; and Mrs. F. B. Crockett, Espuelo, were appointed by the County Council Chairman to serve as a publicity committee for the club exhibit to be held in November. They will appreciate each club sending in stories of the products to be exhibited.—Publicity Committee.

A HISTORY OF MY CLUB WORK

(Lizzie Lou Baxter, Afton 4-H Club.)

At the age of thirteen years I became a member of the 4-H club. For a long time I had wanted to be a club member; at first because my sisters were, and later because I realized the value of its teaching. At this time I was especially interested in knowing how to cook and sew which were two of the main studies of the work. Poultry was also one of the projects.

Between gardening and poultry, I chose gardening as my project. I have been garden demonstrator for my club this year. With the help of my mother and the home demonstrator agent I planned the garden for our family of ten. We planned to produce at least 8,000 pounds of vegetables to use fresh and canned. We have had 9,633 pounds of 21 varieties during the year and including the foods that are growing or are maturing in the garden and will be used the next two months. We have a garden plot close to the house and one in the orchard. These are watered from the tank. Then we have corn, beans, and peas in the field. Our garden has done remarkably well and because of it our grocery bill has been unusually low for a family our size. Besides the garden we have a good orchard, and of course cows and chickens to provide milk, butter, eggs and meats.

Each member of the family has helped with the garden work and has

been interested in the records I have kept on the garden.

The girls as cooperators in the garden work had as goals to grow 25 feet each of lettuce and string beans, 150 tomato plants, and prepare for exhibit one quart of canned tomatoes and one pint of chili sauce. Of the eight girls in our club, four have completed their goals and four have reached all except growing the tomatoes. They have the exhibit however.

The first year of my club work was not what I had hoped for. The second and third years seemed to interest me more. I learned to make light bread, salads and other dishes for the table at demonstrations given by the home demonstration agent. As a result of this I now prepare, or help prepare every meal for the family and it is no longer difficult to prepare different dishes instead of serving the same things over and over.

During the latter part of my third years work, which found me more successful, I helped to can for the family a great deal. I had received a book on canning from the home demonstration agent which enabled me by following its directions, to can with success anything I wanted to. At the close of the year I entered some of my products in the county exhibit. All this was wonderful to me, but greater is my fourth year's work as garden demonstrator. This year I have helped with all the canning and it has been a real pleasure.

My first year's work found me interested in clothing sales. At the close of my second year I had completed two aprons and a cap. Along with these I had learned to make button-holes. The third year I made a pair of pillow slips, a dresser scarf, and a pin cushion. This year in my bedroom improvement work I made a braided table mat using old silk stockings.

During my four years work I have learned much in the improvement of the home. One of the most important things in exterior improvement is that of arranging the flowers and keeping the yard clean. In interior improvement I learned that much can be saved by refinishing old furniture or by making furniture fruit crates. The rearrangement of the furniture has helped the looks of my bedroom wonderfully and the clothes closet is much more convenient since it has been improved by having shelves for folded clothes and hats and a shoe rack.

Since I have been a member of the club, I have served as secretary, garden demonstrator one year, and reporter. One enjoyable phase of the work I regret missing very much is the encampments we have had. Nevertheless I feel that club work has meant more to me than I shall ever be able to express in words. By this work I have added much to the knowledge for the foundation in making a real home.

As garden demonstrator this year,

the Brady Jubilee Races and the Panhandle Race Meet. Unless a conflict arises with the Victoria Race Meet...

With purses greater than any offered in West Texas this year and with a track equal to any entries are already being received by the committee in charge of the Haskell Races.

To provide entertainment during the races the services of the Hollywood clowns has been secured. Betting as now legalized in Texas will be conducted either by the Haskell Fair Association or the United Interstate Racing Association of New Orleans.

During the three days of the fair and race meet entertainment will be offered nightly for all the visitors.

stand, and dances featuring a real floor show down town.

FERGUSON FAVORS DELAYING SUITS

On account of the NRA program and temporary suspension of the Texas anti-trust laws, former Governor James E. Ferguson is favoring the suspension of the suits by Attorney General Alford against the 15 major oil companies for two years.

DUNCAN FLAT

After the good rains of last week this community is preparing for a bountiful harvest. Unless some unexpected calamity arises, this section bids fair to harvest a bumper crop of feed, cotton and forage.

A splendid crowd assembled for Sunday School Sunday. In spite of the shortage of literature, a very pleasant service was held. We begin with the new literature after next Sunday, so why not come out and get your quarterly and be with us from now on.

Quite a number of our citizens have

been made happy by the arrival of those long looked for cotton checks.

Joe Rose made a business trip to Spur Monday.

Miss Ethel Hulsey visited in Dickens Sunday afternoon.

Heading maize is the order of the day among those unfortunate enough to secure their acreage reduction checks. Cotton picking seems to be just around the corner.

Headed by the arrival of those long looked for cotton checks.

Miss Ethel Hulsey visited in Dickens Sunday afternoon.

Heading maize is the order of the day among those unfortunate enough to secure their acreage reduction checks.

Cotton picking seems to be just around the corner. Some few are picking now, but it will be another week or so before it will be general.

Nerves

Do they torture you by day? Keep you awake at night?

What is it that keeps hospitals open and doctors busy? NERVES.

What is it that makes your face wrinkled and makes you feel old? NERVES.

Nine times out of ten it's NERVES that make you restless, worried, haggard.

Nerves

Do they make you Cranky, Blue—give you Nervous Indigestion, Nervous Headache?

When nerves are over-taxed, you worry over trifles, find it hard to concentrate, can't sit still. Nerve Strain brings on Headache.

Nervous people often suffer from Indigestion. There may be absolutely nothing wrong with the organs of digestion, but the Nerves are not on the job to make the organs do their work properly.

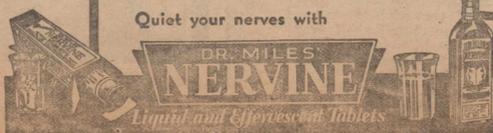

Nerves

Do they interfere with your work; ruin your pleasure; drive away your friends?

You're cheating yourself and the man who pays you if you work when your NERVES are not normal.

You can't have a good time when you are nervous. You can't make or keep friends when you are keyed up and irritable. You may excuse yourself, but to others you are just a plain crank.

Quiet your nerves with

Joe Rose and E. Jackson made a business trip to Lubbock Tuesday.

Mr. and Mrs. Fred Christopher and Mr. and Mrs. D. P. Smiley transacted business in Spur Tuesday.

Mr. and Mrs. D. W. Hughes entertained the young folks with a party Saturday night. A large crowd attended and all report a good time.

THE KELLEYS CAPTURED

George (Machine Gun) Kelly and his wife, Kathryn Cleo Kelly, charged in the kidnapping of Charles F. Urschel, were captured Tuesday at Memphis, Tenn., by Federal officers.

JUDGE DECLARES THE SHANNONS ARE GUILTY

In the trial of Harve Bailey and Albert Bates for the kidnapping of Charles F. Urschel of Oklahoma City, Federal Judge Edgar S. Vaughn declared Saturday that the three Shannons on whose farm Urschel was found are guilty of the crime, being accomplices to it.

Bailey and Bates are being tried in Oklahoma City and the court has not given them any consideration in

any manner, overruling all objections without comment. Bailey, who escaped from the Dallas County jail is being kept under heavy guard all the time.

The latest development in the trial is that Bailey tried to bribe two officers with \$5,000 each to give up the search after Bailey had escaped. The officers refused the bribe and Bailey was recaptured and placed under heavy guard. The officers stated the report is a rumor.

"MICKY" AND HIS GANG

was in the community Wednesday night.

Mr. and Mrs. Bob Smith of Peaceful Hill and son, Otis, were attending preaching here one night the past week.

Mrs. Millsap and granddaughters of Lamesa, who have been here with Mrs. Willie Rogers, returned home Wednesday.

Mr. and Mrs. El Martin and children were in Spur Saturday.

**GIRLS LEARN TO CAN TOMATOES AND MAKE CHILI SAUCE**

The last goal in the garden work of the 4-H clubs is being achieved by a number of girls over the county since attending the demonstration on canned tomatoes and making chili sauce in the clubs this month. Each girl is to can a quart or pint of tomatoes and a pint of chili sauce for exhibit.

Only firm ripe tomatoes should be used for canning. After they are scalded and peeled they are packed firmly in the hot jar or can and the container filled with hot tomato juice and sealed. The tomatoes are then processed at 5 lb. pressure 10 minutes for pints and 15 minutes for quarts or in boiling water 25 to 30 minutes. For home use only the juice that drips from the tomatoes in peeling and packing may be used in the jar but for exhibit the jar should be filled. The result is a bright, well flavored tomato. "That looks good enough to eat," exclaim the girls when the jars are ready to be processed.

The girls are using for their chili sauce 5 pints peeled chopped ripe tomatoes, 1 cup each chopped red sweet pepper and green pepper, 3-4 cup chopped onion, 1-2 cup sugar, 1-2 cups vinegar, and 1-2 teaspoon each ground cloves, allspice, and cinnamon. The chopped vegetables are combined with the salt and sugar and allowed to simmer until the mixture begins to thicken. The vinegar and spices are then added and it is cooked until it becomes a thick sauce. The sauce is poured into sterilized jars and sealed. This amount makes about 3 pints.

CLARA PRATT, H. D. A.

**HIGHWAY SCHOOL NEWS**

Our school is progressing nicely and this is our sixth week. We have a large enrollment in the elementary grades.

Attendance is good. Our boys and girls baseball teams played Dry Lake Tuesday afternoon. The boys were defeated by a score of 18 to 2. The girls won by a score of 9 for us and 6 for Dry Lake. A practice game of basket ball was also played by the boys, the score being in favor of the Dry Lake team. All the games were interesting and both teams showed a fine spirit of sportmanship.

Cotton is rapidly opening in this community and several pupils will soon have to stop school for a few weeks and help gather it.

The sixth and seventh grades have their classes organized and are busily engaged in working out several prepared projects of both instruction and social natures. Miss Doris Walker is president of the organization with Madeline Ward secretary. Mr. Taylor and Miss Goodrich are joint sponsors.

Our primary department, with Miss Imogene Neaves as teacher, is finding school life interesting. And all the pupils are hard at work with their studies.

Mr. Taylor and Miss Goodrich attended the County Teachers' Meeting at Spur Tuesday evening.

Miss Goodrich has been suffering with a badly infected hand, but so far has been able to meet her classes.

**KALGARY**

Bro. Sifford filled his regular appointment here last Sunday.

Nice crowds were out to Sunday school and B. Y. P. U. Sunday and Sunday night.

Mrs. Jim Crump and Miss Frances Crump entertained a group of ladies with a shower last week. The shower was given in honor of Mrs. Raymond Sparks. Refreshments were served to 14 ladies.

A big crowd was out to the Sunday school and B. Y. P. U. social last week. Bro. Dick, the Baptist pastor of Crosbyton gave a good talk on Sunday school. The Crosbyton B. Y. P. U. rendered a splendid program. There were several numbers by the orchestra and Judge Hutchins made a good talk.

Luke Grizzle was a business visitor in Crosbyton Saturday.

Mr. and Mrs. Jabe Morris and Mr. and Mrs. Hays Powell were among those that attended the singing convention at Jayton Sunday.

Jim Crump was in Lubbock on business Saturday.

The ginning season has started at Kalgary. There were several bales ginned last week.

Mr. and Mrs. Roy Hammonds of

Red Mud, have moved to West Kalgary.

Bud Pierce of Morton, and George Pierce of east Texas are visiting with relatives here.

Mr. and Mrs. Jabe Morris were in Crosbyton Saturday on business and shopping.

**GIRARD**

Mr. and Mrs. Charles Hunter of Clairemont, spent the week end here with her parents, Mr. and Mrs. E. Peek.

Mr. and Mrs. Pleas Montgomery and children of Gorman, are visiting friends here at this writing.

Misses Bonnie Spradling and Edith Harwell were shopping in Spur Saturday.

Mr. and Mrs. Glen Skinner was a Spur visitor Saturday.

Mrs. Frank Stephens was shopping in Spur Saturday.

Bill Hale made a business trip to Oklahoma last week.

Mr. and Mrs. Herm Gilbert were shopping in Spur one day last week.

Mrs. C. H. Thompson was a Spur visitor Saturday.

Tom Marshall is back from a several weeks visit in the East.

Mr. and Mrs. John Goodall were attending to business in Spur Saturday.

George Boland left Thursday for Lubbock to attend Texas Tech the coming year.

Mr. and Mrs. Clyde Long entertained with a musical Saturday night.

Calvin Dickerson made a business trip to Spur Saturday.

Carney Sherer and Tom Wilson were Spur visitors Saturday.

Dunk Fuqua and Pete Sherer have returned from a two weeks visit in Seminole.

Bill Vencil is driving a new Chevrolet.

Luther Goohey made a business trip to Spur Saturday.

Mr. and Mrs. John Boland made a business trip to Lubbock one day last week.

George Goodall and family were Spur visitors Saturday.

Green Waldon and family are visit-

ing relatives here at this writing.

Pete White is back from a short stay on the plains.

Mr. and Mrs. John Boland spent Sunday in Swenson with Mr. and Mrs. John Gregory.

Mr. and Mrs. Ralph Noble were shopping in Spur Saturday.

Mrs. George Spradling was shopping in Spur Friday.

**FROM OUR EXCHANGES**

The Hamlin Herald announces there are seven wells in the process of drilling in the Fisher County-Hamlin field which is located west of Hamlin.

Although almost three weeks in advance of the event, the Munday Times reports that entries for 76 horses have been made for the Haskell Race meet which will be October 19-21. This promises to be a great event and \$1500 have already been set aside for purses in the various events.

The Odessa News-Times last week gave a good explanatory article on a method the Odessa Chamber of Commerce has adopted to assist cattle-men of that county to secure new cattle loans. That is one way the C. of C. has of helping the country.

The Post-Dispatch last week gave a fine account of an excellent good will tour which is being sponsored by the Post Chamber of Commerce. Practically every community in the Post trade territory has been invited and a good program rendered.

The Lockney Beacon announces that the P. T. A. organizations of Lockney have outlined their programs for the entire year, and persons responsible for the programs know far in advance what is their duties.

The Haskell Free Press stated last week that the Commissioners Court of Haskell County has been informed by the Highway Department that a contract will be let for the construction of Highway 120 extending from Haskell to Rule. This is a much needed highway at this time.

According to a statement in the Motley County News last week Highway 24 will receive a caliche base and asphalt top from Matador west to-

ward Floydada.

The Scurry County Times is jubilant over the excellent success of the big annual Round-Up at Snyder held recently, and from reports from other sources the event must have been greater than was expected.

The Roaring Springs News gave a front page account of how the Roaring Springs Yellow Jackets won over Floydada eleven recently for the first game of the season. The News is a booster for the schools in Roaring Springs.

All entries must be postmarked not later than October 31st midnight. The entries will be judged by executives of the Ford dealers' advertising agents, and winners announced by November 15th, if it possible to complete judging the incoming mail by that time.

**Ford Dealers Offer \$1000.00 In Prizes**

The Ford Dealers of Oklahoma and Texas are offering one thousand dollars in prizes for a fifteen word statement describing "The Feel of the Ford at the Wheel."

Simple rule contest blanks are available at local Ford dealers. Anyone is eligible by taking a 20 mile drive at the wheel of a new Ford V-8 car accompanied by the dealer; then writing their impressions of "The Feel of the Ford at the Wheel" in a fifteen word statement.

The one thousand dollars prize mon-

ey will be awarded in twenty-three units: \$500, first prize; \$250, second prize; \$100, third prize; ten prizes of \$10 each, and ten prizes of \$5 each.

An interesting phase of the contest is the fact that the winner of the first prize will be receiving better than thirty three dollars a word for the statement, which is better than the price paid to big name authors for their stories.

All entries must be postmarked not later than October 31st midnight. The entries will be judged by executives of the Ford dealers' advertising agents, and winners announced by November 15th, if it possible to complete judging the incoming mail by that time.

Robert Nickels, one of the progressive gin owners of the Plains, was at tending to business matters in our city Monday.

S. T. Battles, of Espuela, was at tending to business matters in our city Saturday, and while here visited the Times office and had his subscription set forward one year in advance. Thanks.

Mrs. D. H. Stockton, of Lubbock, was in our city Tuesday visiting friends.

**METHODIST CHURCH**  
Sunday was a happy day of worship for us. Services for the day were well attended. The people worshiped God in the Holy Communion, and pledged anew their love and devotion. There were nine new members added to our fellowship. Our hearts rejoice to welcome these children of God into our church family.  
The membership of the church and our friends who worshiped with us rejoiced in the evening service as our Young People's choir lead us in singing the Beautiful Life of Christ. We felt our hearts strangely warmed as we followed our Christ from the first prophecy of His coming, as the angels sang of His birth, of His life of service and compassion, of the cross and

**Druggists In Contest Teach  
America Value Of First Aid**

Four American druggists whose merchandising originality won them trips to Europe. Top, Mrs. Bess G. Brewer; left, William J. Witte; right, Charles J. Neun; bottom, Herbert R. Woods.

With insurance and other vital statistics recording a considerable increase in minor injuries, the Red Cross Products Division of Johnson and Johnson, New Brunswick, N. J., recently undertook to educate the public to the value of first aid and the necessity of promptly taking care of little hurts—cuts, burns, abrasions and bruises which, when neglected often lead to complications.

Making America first aid conscious—a titanic task was accomplished in three months through the logical medium of the public-spirited group which is always ready to serve—the corner druggist, who sells band-aids and Red Cross gauze, cotton and bandages and many other products which are mighty important in the family medicine chest.

Staging an essay contest for druggists, assistants and drug clerks, the Red Cross Division of Johnson and Johnson offered four trips to Europe as major prizes to druggists in the various sections of the country who could most effectively stimulate the public's interest in first aid.

Of the thousands who entered the contest, Mrs. Bess G. Brewer, Brewer Drug Co., Oklahoma City, Okla., Mr. M. J. Witte, of England and McCaffrey, Inc.,

Utica, N. Y., Mr. H. R. Woods, Woods Drug Corp., Evansville, Ind., and Mr. C. J. Neun, Morgan and Millard, Inc., Baltimore, Md., were selected as first prize winners in the four divisions, while twenty-seven lesser prizes in each division were awarded.

The contest winners showed a great deal of ingenuity and keenness in educating the public to the value of first aid. Window displays and radio talks, announcements from the stage of local theatres and essay contests by school children, demonstrations on life and on wax models were some of the methods used to focus attention on the increasing necessity for paying attention to little hurts.

So effectively did this education progress and so widespread were the results that Mr. Ellsworth Gale, director of the Red Cross Division of Johnson and Johnson announced that a somewhat similar contest would be held annually, in order that the thought of taking care of itself, would not be forgotten by the public.

The four first prize winners are sailing on the S. S. Scythia from New York late in July for a tour of Europe in which they will meet the leading pharmacists of Paris, London, Brussels, Heidelberg and many other cities.

His suffering and how He triumphantly arose and finished the plan of salvation.

The fellowship services are growing in interest. Together we are drawing nearer our master as we sing, pray and study our master's way for us. These mid-week services are just what a hungry Christian heart needs. We expect to work and pray till the

membership of the church finds joy in seeking these services.

May we invite all who will to worship with us next Sunday. One of the vital subjects of our Christian faith will be presented, "The Holy Sabbath." The Christian Sabbath is one of our foundation stones, you'll enjoy this message.

Joe E. Boyd, Pastor.

**MRS. STOVALL ENTERTAINS**

Mrs. Roy Stovall was hostess to the Presbyterian Auxiliary Society at her home on West Harris Monday afternoon. The occasion was a handkerchief shower in honor of Mrs. Pauline Clemmons who plans to leave for Dallas in the near future to be gone several months. There were 14 present.

Tea and cookies made up the refreshments.
