## REV. JOHN M. NEAL DRAWING BIG CROWDS IN REVIVAL AT M. E. CHURCH

The series of revival service at the First Methodist Church is developing much interest in the community. The first services were held Sunday morning with the church auditorium filled to capacity in cluding the balcony.

Rev. John M. Neal of Huntsville, is doing the preaching for the meeting and is bringing some very able messages to the congregation. Rev. Neal is a fluent speaker and has a way of denouncing sin in no uncertain terms. He has a great sense of humor which is natural to him, and which he emphasizes the great truths outlined in the Bible.

Services are being held each morning at 10 o'clock, continuing for just one hour. Then each evening services begin at 7:30 o'clock. The evening service continue for about one hour. There is good singing at all services, and Rev. Neal's messages are worth the time any day.

The pastor and membership extends cordial invitations to everybody to attend these services.

## Announcements About Co. Meet

Playground ball for boys and girls, tennis in four divisions, volleyball, junior track and field events and the regular track and field meet for Class B and Class A high schools, as well as the Rural Pentathlon, are all to be included in the athletic program for the Interscholastic League meet next spring, according to Mr. Thad Murley, recently elected Director of Athletics for the League in this county.

"Here is a plan," he said "which offers physical development as well as wholesome recreation for every boy and girl in the public schools. The matter of winning should be stressed but not stressed too much. If you don't win this year, you are getting good training for winning next year or the next. Make a beginning by getting in the game, and then see what happens."

The new edition of the Constitution and Rules is being distributed from the State Office of the League, and the schools expecting to participate should get a copy at once. All of the contents are described therein and rules given in great detail. Also, the eligibility rules, some of which have been changed, should be studied carefully.

"There is nothing which makes schools more attractive to children than participation in healthful sports and games. We need not only one hundred per cent membership in the League, but one hundred per cent participation."

The County meet is to be held in Spur this spring. The exact date will be set later and the program printed in local newspapers.

## Mrs. Littlefield Announces For District Clerk

TO THE VOTERS AND MANY FRIENDS IN DICKENS COUNTY:

I am again asking for the office of District Clerk of Dickens County.

I have served you to the best of my ability and will continue to do so, as long as I hold the office.

Your SUPPORT in the past has been greatly appreciated. I ask for your VOTE AND INFLUENCE in the July Primary.

Sincerely,  
NETTIE LITTLEFIELD.

## Palace Has New Sound Equipment

Manager Everts of the Palace announces completion of the installation of the latest type, Wide Range, High fidelity Universal Sound Equipment and those who have heard the performance of the new equipment pronounce it as perfect in reproduction of talking pictures.

This equipment will reproduce faithfully, recordings from the moving picture film, from the very lowest note to the highest. It's high range will record up to 9000 kilocycles, a feat that has never before been accomplished with any but the very highest priced equipments, such as are installed in the largest theatres.

Naturally, this new equipment calls for some of the best pictures and Mr. Everts has secured for the Sunday Nite program, Monday and Tuesday nites, Marie Dressler and Wallace Berry in "Tugboat Annie", a picture that has been requested by many of the Palace patrons.

"Her First Mate", featuring Slim Summerville and Zasu Pitts will be the offering on the Saturday Nite Prevue and Sunday Matinee.

Both of these programs come highly recommended and carry the personal endorsement of the management, which means your money will be re-

## Local Fireman Enjoy Banquet

Thursday night was a gala night with the local volunteer fire company. A meeting was called in the basement of the Bryant-Link Company store with practically every member present. Chief Roy Stovall presided at the meeting and announced he knew the members were good at fighting fire with water, but wanted to learn how good they would be fighting sea animals.

An elaborate oyster fry was the result, and reports are to the effect that every member is a good fighter whether fire or sea food.

Many plans of how the local fire company could serve the community were discussed. It was decided that two drills per month would be needed in order to develop efficiency. This was agreed upon, and in the future the fire drills will be a part of the routine of our little city. A plan of how to reduce the key-rate on insurance was discussed. It is thought by the fire company that a reduction of 15 per cent in key-rate can be effected before long.

Several new members were added during the meeting and the number now stands at 21.

W. J. Bryant, C. Speck and Tom Teague, all of Hamlin were guests at the meeting. All three of these men have been members of Spur's fire department and they drove all the way from Hamlin to Spur to enjoy the meeting.

The members of Spur's fire department should have the support and cooperation of our citizens. They are doing and will continue to do much good for our city.

## Educational Assn. Holds Meeting

The Dickens County Educational Association held their regular monthly meeting in Spur Tuesday evening. A very interesting program was arranged.

The main speaker of the evening was Bryan Dixon, Deputy State Superintendent for District Three. Mr. Dixon explained the set-up of the State Department and stated that he was sent to the district in order that the work of the State Department might be brought closer to the people.

Another subject of great importance at this time was discussed. Sam Z. Hall, Superintendent of Spur Schools, led the discussion. The question whether the office of County Superintendent should be continued, or should the office be consolidated with the office of County Judge. Chas. McLaughlin, a former County Judge, spoke on this question and stated that he did not see how the County Judge could do justice to the County Superintendent's office and at the same time serve the people as he should as County Judge. He stated that many times duties relative to the two offices conflicted and one or the other had to be neglected.

Judge Cloud was asked to say a few words. He stated that if the two offices were consolidated again that it would cost the people of Dickens County \$900.00 more per year than the cost at present. He stated that this amount would have to come from a fund that is already overloaded, and he did not see how any more expenses could be incurred upon the people now.

Various others were asked to speak on the subject and all stated that they felt it would be a bad idea to abandon the office of County Superintendent. Mr. Groner, Superintendent at Croton, stated that the office of County Superintendent had brought far more money into the county than it had cost the people.

At the close of the meeting the local P. T. A. organization served refreshments.

## T. A. ROGERS SELLS BLACK-SMITH SHOP

T. R. Turner, formerly of Paducah, has purchased the blacksmith shop which was operated by T. A. Rogers. This business is located near the Consumers' Fuel Association on South Willard Avenue.

Mr. Turner is comparatively a young man but has been engaged in the blacksmith trade about ten years. He is a good workman and states that he wants to give the people real service in his line of business in Spur.

FOR SALE—Bundle feeds, different kinds at farm five miles from Spur, one mile east of Dry Lake, at 2c per bundle.—Mrs. Emma Russell.

Ed C. Gibbs of the Baptist Standard was looking after business for his paper here Saturday.

B. J. Howell, of Lubbock, was looking after business here Saturday.

W. O. Cherry, of McAdoo, was looking after school business here last Thursday.

Roy Stovall of the Spur Creamery, was transacting business in Lubbock Tuesday.

Both of these programs come highly recommended and carry the personal endorsement of the management, which means your money will be re-

## County Health Nurse Continues Inspection

Miss Evelyn Richter has inspected the children in three of the schools of the county since she began work a short time ago. At Afton there were 84 children inspected, at Prairie Chapel 65 and at Duck Creek 34. Fifty two children have been given the first dose of diphtheria toxoid and forty five have received the second dose.

Miss Richter made ten home visits during the last week and made a talk on Health to the health class of Junior High school last Monday. She will make another health talk to the Junior High School Feb. 1.

A meeting of the general health board will be held in February, announcement of exact date will be made soon. Dr. P. C. Nichols has been added as one of the medical advisors.

## What CWA Is Doing Here

One year ago the citizens of our county who were given work, through the R. F. C. work, felt they were objects of charity. They were working just because there was a means for them to secure something for their families to eat and not because they felt their labor was useful to the community they served.

At this time there have been well planned jobs provided for these same people, and through their labor they are real citizens serving their country in a useful manner. They are glad to work because they feel they are accomplishing something.

The week ending January 18 (last week) there had been 256 men and women employed in the county. Their work was on public improvement projects which were properly supervised and the work done to an engineering scale. Last Saturday these people were paid \$2,908.95. This money was used to the support of the various families in the county and the bread winners felt they had earned the money they received in return for honest labor.

The CWA means something to Dickens County.

## Mrs. Cobb For County Treasurer

To The Voters of Dickens County:

In announcing that I am again a candidate for the office of County Treasurer of Dickens County, I desire first to thank the people of the County for support given me in the past; this support is really appreciated.

I have endeavored to give impartial, just, honest, efficient, and upright service to every one I have had business with. I have made mistakes, just as others may have done at some time, but I believe my experience qualifies me to perform the duties of the office with fewer mistakes in the future than I have in the past.

Your support, influence and kind words in my behalf of other voters will be appreciated.

Mrs. Nannie Cobb.  
Respectfully yours,

## YOUNG PEOPLE STEAL A MARCH

Dial Hindman and Miss Estelle Oliver put one by their many friends in Spur by enjoying six weeks of married life without any one knowing enough to file an objection. These young people were married in Jayton December 9, the pastor of the Methodist Church in that city reading the ceremony. The bride at that time was a student in A. C. C. at Abilene and went on to school as though nothing happened. The groom holds a position with Godfrey & Smart here and went about his business and work as though marital ideas were foreign to him. Just a few days ago the news began to circulate in regard to their marriage.

The bride is the youngest daughter of Mrs. F. N. Oliver and has spent much of her life in Spur. She is a graduate of Spur High School, spent two years in A. C. C. and at present is a student at the Texas Technological College at Lubbock.

The groom is a son of Mr. and Mrs. L. A. Hindman and is a much respected young man. He is a graduate of the Spur schools and has college training. He has been with the firm of Godfrey & Smart, for some time where he is rendering efficient service.

For the present Mrs. Hindman will continue her work in college while the husband will keep faithfully with his firm. Probably they will make their home in Spur where they have a great number of friends.

## OPENS BEAUTY SHOP AT HOME

Miss Rita Mecom announces the opening of Rita's Beauty Shop this house South high school building. Miss Mecom states that she has all new equipment of the latest design and asks the ladies to call and visit her. She will offer some shampoo specials for this week to demonstrate her work.

Jephtha Craig, of the Times office, was confined to his bed the first of the week as a result of influenza.

## W. M. Malone For Justice of Peace

We are authorized to announce the candidacy of W. M. Malone for the office of Justice of the Peace for Precinct No. 3. Mr. Malone has held this office for the past two years and has ably looked after the duties of it. He is careful and considerate and renders able decisions in the court. He asks the consideration and support of the voters of Precinct 3, and if he is re-elected promises the same faithful service in the future he has rendered his first term.

## Sweaters Awarded Spur Bulldogs

Again the Spur Bulldogs are to be rewarded for their hard work they did in scrimmage and on the field of battle during the season which just closed. The business men of Spur never have let the members of Spur's football squad go unrewarded, and while cash may have been a little scarce, there is nothing that gives Spur people more pleasure than seeing those boys fitted in nice sweaters.

As a result, all those members of the team who are eligible will be awarded sweaters in the very near future, probably this week. It will be another instance where both the donor and the receiver will be happy over the event.

Among those who assisted with this work were:

Spur Tailors, Spur Mutual, Palace Theatre, Hogan & Patton, Spur Security Bank, Dickens Co. Times, B. Schwarz & Son, Texas Spur, Bryant-Link Company, Watson-Sanders Gro., Mission Service Station, New Deal Grocery, Spur Motor Company, Taylor's Department Store, Godfrey & Smart, Rickels' Market, West Texas Utilities Co., Spur Coffee Shop, City Office, Bailey's Food Store, Spur Truck & Tractor Co., City Drug Store, C. Kelley, Spur Barber Shop, Johnson's Truck Line, Uldeen's Beauty Shop.

## Young Democrats Hold Meeting

The young Democrats of Dickens County went into session at Dickens Tuesday morning and elected officers and selected delegates to the Lubbock meeting which will be next week.

The officers elected were: Chairman, Robt. Nichols, McAdoo. Secretary, O. C. Arthur of Spur.

The following were the delegates selected for the Lubbock meeting: H. A. C. Brummett, Judge Cloud, O. C. Newberry, Alton Chapman, Robt. Reynolds, Z. W. Fowler, O. L. Kelley, L. D. Ratliff, W. B. Arthur, J. L. Karr, W. F. Foreman, O. C. Arthur, Miss Alma Lee Yeats, Mrs. Neal Fowler, Mrs. Oran McClure, Mrs. O. L. Kelley, A. B. Hogan, Fred Arrington, Fred C. Haile, W. B. Williams, Jephtha Craig and M. H. Brannen.

Every young Democrat in the county is urged to attend the Lubbock meeting Saturday night of next week. Especially those Democrats under the age of 35 are urged to go. Secretary Arthur is instructed to supply badges in the county for all who go and will maintain headquarters at the Hilton Hotel in Lubbock the day of the convention.

## MRS. JIMISON AND MRS. KARR GIVES RECITAL

Violin pupils of Mrs. Jimison and dancing pupils of Mrs. Guy Karr gave a very fine entertainment last week at the auditorium of the East Side School. Many very fine violin selections were rendered, and the cute little tap dances given were thrilling to all present.

## GIRARD HOLDS COMMUNITY BANQUET

The people of Girard will have a community banquet at the high school building Friday evening. The program begins at eight o'clock and the main speaker will be Supt. Sam Z. Hall of Spur Schools. There will be musical selections during the evening. A good dinner is to be enjoyed, plates selling at 50 cents each.

## Gaston Jackson For Public Weigher Precinct No. 2

The Times has been authorized to announce Gaston Jackson as a candidate for the office of Public Weigher for Precinct No. 2. Mr. Jackson is a life long Democrat and is making his announcement subject to action of the Democratic Primary. He is a young business man, and for the past few months has been acting as assistant Public Weigher, having charge of the yard at East Afton. He asks the consideration and support of the voters of Precinct No. 2, and if elected he pledges his best service to the people.

## PRESIDENT'S BIRTHDAY BALL ARRANGEMENTS COMPLETED

Complete arrangements have been made for the President's Birthday Ball which will be next Tuesday evening. Ben Rutherford's orchestra has been secured and plenty of good music will be enjoyed.

The Host Committee is arranging for various types of entertainment, and there will be something suited to everybody during the evening. The President's address will begin about ten thirty and there will be loud speakers installed so that everyone present can hear this address.

A large number are expected to attend the evening exercises, headquarters for which will be at the Spur Inn. However, another building down town has been arranged for in event there are more people than can be accommodated at the Spur Inn. Tickets for the Spur Inn proper will be sold at \$1.50, while those for the down town entertainment will be only \$1.00. Tickets are on sale now by the committee. Webster Williams is chairman of this committee.

## J. E. LAVERTY DIES IN CARLSBAD SANITARIUM

James E. Laverty, father of E. F. Laverty and Mrs. L. H. Perry of this city, died in a Carlsbad sanitarium at 10:20 o'clock Monday morning. Mr. Laverty was taken seriously ill with pneumonia and lived only a few days. As soon as they learned of their father's illness, Mr. and Mrs. Laverty and Mrs. Perry went to Carlsbad to be with him. Mr. Laverty was very much attached to his home but consented to go to the sanitarium where everything possible was done to save his life. Funeral services were held at the First Methodist Church at Carlsbad Tuesday morning. Rev. Sam E. Allison, pastor, read the funeral rites, assisted by Rev. A. G. Tozer of the Presbyterian Church. Ceremony of the Odd Fellows Lodge was used and interment followed in the Odd Fellows Cemetery at Carlsbad.

Mr. Laverty, 84 the day before he died, was a pioneer citizen of Carlsbad. He moved there from Midland in February 1893, and was actively associated in a business way, as a city official and as a progressive citizen. He was a native of Tennessee, moving with his parents to Alabama and then to Texas. He was the first mayor of Mineral Wells and moved further west on account of his wife's health.

Mr. Laverty was a member of the Odd Fellows Lodge and was a charter member of the Eddy Lodge at Carlsbad. He was zealous of his order and always had a friendly handshake for a brother Odd Fellow. Next to his lodge affiliation came his political party principles. He was an uncompromising Southern Democrat, and advocated that the interests of the people should be above that of any corporation or other organization. He kept well posted politically and had biographies of many of the great Democratic leaders.

Mr. Laverty visited Spur very often, especially the past ten years since his wife passed away. He had many friends here who appreciated him greatly and enjoyed talking with him. He was kind, and considerate of others, and had a way of leading people to think as he thought without invoking any argument.

He is survived by his three children: Mrs. John Emerson of San Francisco, Mrs. L. H. Perry and E. F. Laverty of Spur.

## BASKET BALL TOURNAMENT FEBRUARY 17-18.

The tentative date for the basketball tournament for Dickens County has been set for Friday and Saturday, February 17 and 18. Schools expecting to enter the tournament are expected to send names to the Athletic Director not later than Wednesday, February 7.

Other plans and arrangements will be worked out and further announcements will be made later. All schools in the county interested are requested to be on the lookout for announcements relative to the tournament.

## Bill Arthur Candidate for Re-election-Sheriff

The Times is authorized to make the announcement of W. B. Bill Arthur as a candidate for reelection to the office of Sheriff and Tax Collector for Dickens County, subject to the action of the Democratic Primary next July.

Mr. Arthur stated that he would make the campaign on his record of service and efficiency while in office. He said he has tried to enforce the laws at all times regardless of persons, and to fulfill all the duties of a Sheriff and Tax Collector.

Mr. Arthur plans to meet every voter possible between now and the Primary and ask for your vote and influence.

## Neal Fortson Fowler For Re-election As County Clerk

To the Voters of Dickens County:

In making my announcement as a candidate for reelection to the office of County Clerk of this County, I wish first, to thank each of you, and especially my friends, for your splendid vote and cooperation in the last election. I am now serving my first term as your County Clerk, and can truthfully say that I have thoroughly enjoyed the work and in serving the people to the best of my ability. I have tried to give honest and efficient service, and believe that my work and my record during the past year show that it has been satisfactory to all.

In July of last year I underwent two major operations, and so far, all that I have realized out of the office financially, has gone to pay hospital bills, doctor bills, etc. But I realize that if I had not had this office, it probably would have been much harder, and I am very grateful in that respect. I would like to have the office another term to realize some profit out of it, as well as the pleasure of serving you.

I have learned that it is being said that if I do win the office for another term, that I would probably resign and join my husband, thereby leaving the office open to appointment of some one else. But I promise you that if you do give me the office for a second term, that I intend to and will serve the entire term, and not resign before it expires. Other married women over the country today are holding similar positions, and if I have served you well, and you are satisfied with my work, why should I be the exception?

Experience in this line of work is the most essential feature, and I have had five years experience as Deputy Clerk, and until now, one year as your County Clerk. Up until I became ill, I did my own work, thereby doing it more economically than it has ever been done before.

I shall try to see each of you individually as I did last year, and assure you that I will appreciate your VOTE and your COOPERATION in the coming Primary.

Do you think I deserve a second term?

Gratefully yours,  
Neal Fortson Fowler.

## NICHOLS SANITARIUM NEWS

Bobbie Montgomery, of Post, underwent an operation last week and is getting along fine.

Mrs. M. J. Holloman, of Peacock, underwent an operation Saturday and seems to be getting along all right.

John A. Moore, Jr., city, is a medical patient in the sanitarium as a result of pneumonia. He passed the crisis Tuesday and seems to be improving nicely.

Mrs. Ada Majors, city, who underwent an operation ten days ago, continues to improve.

Miss Novella Witt, of Kalgary, who underwent an operation three weeks ago, seems to be doing very well.

Miss Neva Hooker, of near Dickens, underwent an operation Friday and is getting along fine.

Lockwood South of Afton, underwent an operation Wednesday morning—gumorous appendix, general peritonitis and influenza are the troubles.

J. L. Beechley, Jr., of Wichita community, is a patient in the sanitarium and probably an operation pending.

## MAY INSTALL THEATRE AT RALLS

M. A. Lea and H. O. Everts were in Ralls Monday looking out a location for a new theatre in that city. Mr. Lea and Mr. Everts own the Palace Theatre here and are very fine show people. If they decide to locate a theatre in Ralls the people of that little city will be able to enjoy some very fine programs. They give the people of Spur country a very fine line of pictures. They stated they can get a very favorable location at Ralls and have much encouragement to go in.

These men are installing a new theatre in Spur near the post office and are trying to open it Friday night.

They were working just because there was a means for them to secure something for their families to eat and not because they felt their labor was useful to the community they served.

At this time there have been well planned jobs provided for these same people, and through their labor they are real citizens serving their country in a useful manner. They are glad to work because they feel they are accomplishing something.

The week ending January 18 (last week) there had been 256 men and women employed in the county. Their work was on public improvement projects which were properly supervised and the work done to an engineering scale. Last Saturday these people were paid \$2,908.95. This money was used to the support of the various families in the county and the bread winners felt they had earned the money they received in return for honest labor.

The CWA means something to Dickens County.

**Mrs. Cobb For County Treasurer**

To The Voters Of Dickens County:

In announcing that I am again a candidate for the office of County Treasurer of Dickens County, I desire first to thank the people of the County for support given me in the past; this support is really appreciated.

I have endeavored to give impartial, just, honest, efficient, and upright service to every one I have had business with. I have made mistakes, just as others may have done at some time, but I believe my experience qualifies me to perform the duties of the office with fewer mistakes in the future than I have in the past.

Your support, influence and kind words in my behalf of other voters will be appreciated.

Mrs. Nannie Cobb,  
 Respectfully yours,

**YOUNG PEOPLE STEAL A MARCH**

Dial Hindman and Miss Estelle Oliver put one by their many friends in Spur by enjoying six weeks of married life without any one knowing enough to file an objection. These young people were married in Jayton December 9, the pastor of the Methodist Church in that city reading the ceremony. The bride at the time was a student in A. C. C. at Abilene and went on to school as though nothing happened. The groom holds a position with Godfrey & Smart here and went about his business and work as though marital ideas were foreign to him. Just a few days ago the news began to circulate in regard to their marriage.

The bride is the youngest daughter of Mrs. F. N. Oliver and has spent much of her life in Spur. She is a graduate of Spur High School, spent two years in A. C. C. and at present is a student at the Texas Technological College at Lubbock.

The groom is a son of Mr. and Mrs. L. A. Hindman and is a much respected young man. He is a graduate of the Spur schools and has college training. He has been with the firm of Godfrey & Smart, for some time where he is rendering efficient service.

For the present Mrs. Hindman will continue her work in college while the husband will keep faithfully with his firm. Probably they will make their home in Spur where they have a great number of friends.

**OPENS BEAUTY SHOP AT HOME**

Miss Rita Mecom announces the opening of Rita's Beauty Shop third house South high school building. Miss Mecom states that she has all new equipment of the latest design and asks the ladies to call and visit her. She will offer some shampoo specials for this week to demonstrate her work.

Jephtha Craig, of the Times office, was confined to his bed the first of the week as a result of influenza.

**W. M. Malone For Justice of Peace**

We are authorized to announce the candidacy of W. M. Malone for the office of Justice of the Peace for Precinct No. 3. Mr. Malone has held this office for the past two years and has ably looked after the duties of it. He is careful and considerate and renders able decisions in the court. He asks the consideration and support of the voters of Precinct 3, and if he is re-elected promises the same faithful service in the future he has rendered his first term.

**Sweaters Awarded Spur Bulldogs**

Again the Spur Bulldogs are to be rewarded for their hard work they did in scrimmage and on the field of battle during the season which just closed. The business men of Spur never have let the members of Spur's football squad go unrewarded, and while cash may have been a little scarce, there is nothing that gives Spur people more pleasure than seeing those boys fitted in nice sweaters.

As a result, all those members of the team who are eligible will be awarded sweaters in the very near future, probably this week. It will be another instance where both the donor and the receiver will be happy over the event.

Among those who assisted with this work were: Spur Tailors, Spur Mutual, Palace Theatre, Hogan & Patton, Spur Security Bank, Dickens Co. Times, B. Schwarz & Son, Texas Spur, Bryant-Link Company, Watson-Sanders Gro., Mission Service Station, New Deal Grocery, Spur Motor Company, Taylor's Department Store, Godfrey & Smart, Rickels' Market, West Texas Utilities Co., Spur Coffee Shop, City Office, Bailey's Food Store, Spur Truck & Tractor Co., City Drug Store, C. A. Jones, Gruber Drug & Jewelry Store, Bell's Cafe, Red Front Drug Store, Brazleton Lumber Co., Campbell & Campbell, Henry Alexander & Co., Sanders Pharmacy, Simpson's Barber & Beauty Shop, Rucker's Shoe Shop, Speer's Variety Store, Good Will Grocery, The Fair Store, Spur Grain & Coal Company, Spur Laundry, Sam Z. Hall, Spur Inn, Hotel Wilson, Spur Hardware & Furniture Co., Wooten Grocery, Clemmons Insurance Agency, Dr. Dan H. Zachry, Spur Bakery, Queen Cafe, Highway Cafe, Oriental Cleaners, Dr. M. H. Brannen, Fox Barber Shop, New Ice Company, Mims Garage, Farmers Co-op Gin, Ramsey's Garage & Service Station, Citizens Gin, R. B. Neilson, Spur Gin Company, Spur Compress, Williamson Bros. Gin, Swofford Coal Co., Swift Gin, David Sisto, Williams & Miller Gin, Nichols Sanitarium, Hairgrove Feed & Produce, Watson Bros., Safeway Store, Ericson's Grocery, Riter Hardware Company, R. A. Taylor, Malone's Second Hand Store, Rule-Jayton Cotton Oil Co., Musser Lumber Co., Fred Hisey, Spur Creamery, Jo-Boy Candy Man, Hassel Bros. Co. Geo. Lisenby, Walt & Shorty's Barber Shop, H. E. Kelley, Spur Barber Shop, Johnson's Truck Line, Uldeen's Beauty Shop.

**Young Democrats Hold Meeting**

The young Democrats of Dickens County went into session at Dickens Tuesday morning and elected officers and selected delegates to the Lubbock meeting which will be next week.

The officers elected were: Chairman, Robt. Nickels, McAdoo. Secretary, O. C. Arthur of Spur.

The following were the delegates selected for the Lubbock meeting: H. A. C. Brummett, Judge Cloud, O. C. Newberry, Alton Chapman, Robt. Reynolds, Z. W. Fowler, O. L. Kelley, L. D. Rattiff, W. B. Arthur, J. L. Karr, W. F. Foreman, O. C. Arthur, Miss Alma Lee Yeats, Mrs. Neal Fowler, Mrs. Oran McClure, Mrs. O. L. Kelley, A. B. Hogan, Fred Arrington, Fred Craig and M. H. Brannen.

Every young Democrat in the county is urged to attend the Lubbock meeting Saturday night of next week. Especially those Democrats under the age of 35 are urged to go. Secretary Arthur is instructed to supply badges in the county for all who go and will maintain headquarters at the Hilton Hotel in Lubbock the day of the convention.

**MRS. JIMISON AND MRS. KARR GIVES RECITAL**

Violin pupils of Mrs. Jimison and dancing pupils of Mrs. Guy Karr gave a very fine entertainment last week at the auditorium of the East Side School. Many very fine violin selections were rendered, and the cute little tap dances given were thrilling to all present.

**GIRARD HOLDS COMMUNITY BANQUET**

The people of Girard will have a community banquet at the high school building Friday evening. The program begins at eight o'clock and the main speaker will be Supt. Sam Z. Hall of Spur Schools. There will be musical selections during the evening. A good dinner is to be enjoyed, plates selling at 50 cents each.

**Gaston Jackson For Public Weigher Precinct No. 2**

The Times has been authorized to announce Gaston Jackson as a candidate for the office of Public Weigher for Precinct No. 2. Mr. Jackson is a life long Democrat and is making his announcement subject to action of the Democratic Primary. He is a young business man, and for the past few months has been acting as assistant Public Weigher, having charge of the yard at East Afton. He asks the consideration and support of the voters of Precinct No. 2, and if elected he pledges his best service to the people.

**PRESIDENT'S BIRTHDAY BALL ARRANGEMENTS COMPLETED**

Complete arrangements have been made for the President's Birthday Ball which will be next Tuesday evening. Ben Rutherford's orchestra has been secured and plenty of good music will be enjoyed.

The Host Committee is arranging for various types of entertainment, and there will be something suited to everybody during the evening. The President's address will begin about ten thirty and there will be loud speakers installed so that everyone present can hear this address.

A large number are expected to attend the evening exercises, headquarters for which will be at the Spur Inn. However, another building down town has been arranged for in event there are more people than can be accommodated at the Spur Inn. Tickets for the Spur Inn proper will be sold at \$1.50, while those for the down town entertainment will be only \$1.00. Tickets are on sale now by the committee. Webber Williams is chairman of this committee.

**J. E. LAVERTY DIES IN CARLSBAD SANITARIUM**

James E. Laverty, father of E. F. Laverty and Mrs. L. H. Perry of this city, died in a Carlsbad sanitarium at 10:20 o'clock Monday morning. Mr. Laverty was taken seriously ill with pneumonia and lived only a few days.

As soon as they learned of their father's illness, Mr. and Mrs. Laverty and Mrs. Perry went to Carlsbad to be with him. Mr. Laverty was very much attached to his home but consented to go to the sanitarium where everything possible was done to save his life. Funeral services were held at the First Methodist Church at Carlsbad Tuesday morning. Rev. Sam E. Allison, pastor, read the funeral rites, assisted by Rev. A. G. Tozer of the Presbyterian Church. Ceremony of the Odd Fellows Lodge was used and interment followed in the Odd Fellows Cemetery at Carlsbad.

Mr. Laverty, 84 the day before he died, was a pioneer citizen of Carlsbad. He moved there from Midland in February 1893, and was actively associated in a business way, as a city official and as a progressive citizen. He was a native of Tennessee, moving with his parents to Alabama and then to Texas. He was the first mayor of Mineral Wells and moved further west on account of his wife's health.

Mr. Laverty was a member of the Odd Fellows Lodge and was a charter member of the Eddy Lodge at Carlsbad. He was zealous of his order and always had a friendly handshake for a brother Odd Fellow. Next to his lodge affiliation came his political party principles. He was an uncompromising Southern Democrat, and advocated that the interests of the people should be above that of any corporation or other organization. He kept well posted politically and had biographies of many of the great Democratic leaders.

Mr. Laverty visited Spur very often, especially the past ten years since his wife passed away. He had many friends here who appreciated him greatly and enjoyed talking with him. He was kind, and considerate of others, and had a way of leading people to think as he thought without invoking any argument.

He is survived by his three children: Mrs. John Emerson of San Francisco, Mrs. L. H. Perry and E. F. Laverty of Spur.

**BASKET BALL TOURNAMENT FEBRUARY 17-18.**

The tentative date for the basketball tournament for Dickens County has been set for Friday and Saturday, February 17 and 18. Schools expecting to enter the tournament are expected to send names to the Athletic Director not later than Wednesday, February 7.

Other plans and arrangements will be worked out and further announcements will be made later. All schools in the county interested are requested to be on the lookout for announcements relative to the tournament.

**Bill Arthur Candidate for Re-election-Sheriff**

The Times is authorized to make the announcement of W. B. Bill Arthur as a candidate for reelection to the office of Sheriff and Tax Collector for Dickens County, subject to the action of the Democratic Primary next July.

Mr. Arthur stated that he would make the campaign on his record of service and efficiency while in office. He said he has tried to enforce the laws at all times regardless of persons, and to fulfill all the duties of a Sheriff and Tax Collector.

Mr. Arthur plans to meet every voter possible between now and the Primary and ask for your vote and influence.

**Neal Fortson Fowler For Re-election As County Clerk**

To the Voters of Dickens County:

In making my announcement as a candidate for reelection to the office of County Clerk of this County, I wish first, to thank each of you, and especially my friends, for your splendid vote and cooperation in the last election. I am now serving my first term as your County Clerk, and can truthfully say that I have thoroughly enjoyed the work and in serving the people to the best of my ability. I have tried to give honest and efficient service, and believe that my work and my record during the past year show that it has been satisfactory to all.

In July of last year I underwent two major operations, and so far, all that I have realized out of the office financially, has gone to pay hospital bills, doctor bills, etc. But I realize that if I had not had this office, it probably would have been much harder, and I am very grateful in that respect. I would like to have the office another term to realize some profit out of it, as well as the pleasure of serving you.

I have learned that it is being said that if I do win the office for another term, that I would probably resign and join my husband, thereby leaving the office open to appointment of some one else. But I promise you that if you do give me the office for a second term, that I intend to and will serve the entire term, and not resign before it expires. Other married women over the country today are holding similar positions, and if I have served you well, and you are satisfied with my work, why should I be the exception?

Experience in this line of work is the most essential feature, and I have had five years experience as Deputy Clerk, and until now, one year as your County Clerk. Up until I became ill, I did my own work, thereby doing it more economically than it has ever been done before.

I shall try to see each of you individually as I did last year, and assure you that I will appreciate your VOTE and your COOPERATION in the coming Primary.

Do you think I deserve a second term?  
 Gratefully yours,  
 Neal Fortson Fowler.

**NICHOLS SANITARIUM NEWS**

Bobbie Montgomery, of Post, underwent an operation last week and is getting along fine.

Mrs. M. J. Holloman, of Peacock, underwent an operation Saturday and seems to be getting along all right.

John A. Moore, Jr., city, is a medical patient in the sanitarium as a result of pneumonia. He passed the crisis Tuesday and seems to be improving nicely.

Mrs. Ada Majors, city, who underwent an operation ten days ago, continues to improve.

Miss Novella Witt, of Kalgary, who underwent an operation three weeks ago, seems to be doing very well.

Miss Neva Hooker, of near Dickens, underwent an operation Friday and is getting along fine.

Lockwood South of Afton, underwent an operation Wednesday morning and is doing very well. He has tonsilitis and influenza are the troubles.

J. L. Beechley, Jr., of Wichita community, is a patient in the sanitarium and probably an operation pending.

**MAY INSTALL THEATRE AT RALLS**

M. A. Lea and H. O. Everts were in Ralls Monday looking out a location for a new theatre in that city. Mr. Lea and Mr. Everts own the Palace Theatre here and are very fine show people. If they decide to locate a theatre in Ralls the people of that little city will be able to enjoy some very fine programs. They give the people of Spur country a very fine line of pictures. They stated they can get a very favorable location at Ralls and have much encouragement to go in.

These men are installing a new theatre in Spur near the post office and are trying to open it Friday night.

### ODD, BUT TRUE

The brain of the Ant is larger in proportion to the size of its body than any other living creature. A cubic foot of water weighs 64.4 pounds. Branding cattle began 3,500 years ago in Egypt. Manufactured ice and condensed milk had origin in Texas. Fine walking a wire ceremony of East Indian Countries is still performed by religious fanatics, who walk with barefeet over large beds of burning charcoal in order to purge their souls of sin. America leads all other countries today in the use of narcotics for medical purposes, requiring 245 milligrams of morphine per capita annually. On Tibet the customary method of greeting is to stick out the tongue. The letter "A"

is used as the first letter of almost every alphabet in the world. More than one-third of the life guards of English swimming places are women. If two pieces of glass be ground optically perfect and placed together it is impossible to pull them apart. The Palm furnishes a greater variety of useful things than any other tree. Disease germs cannot live on soap.

### WHAT HE NEEDED

Mountaineer (taking son to school-room):  
My boy's arter larnin'. What have you got?  
Teacher: We offer arithmetic, English, trigonometry, spelling, etc.  
Mountaineer: Just give him some of that trigonometry; he's the worst shot in the family.

### MAN vs. MULE

Over the hill trailed a man behind a mule drawing a plow. Says the man to the mule: "Bill, you are a mule, the son of a jackass, I am a man made of the image of God. Yet here we work hitched together year in and year out. I often wonder if I work for you or you work for me. Sometime I think this is a partnership between a mule and a fool for surely I work as hard as you do, if not harder. Plowing here we cover the same distance, but you do it on four legs and I do it on two, so mathematically speaking, I do twice as much work per leg as you do."

Soon we will be preparing for a corn crop. When corn is harvested, I give one third to the landlord for being kind enough to let me use this corner of God's universe. Another third goes to you and what is left is mine. But while you consume all of your third with an exception of a few cobs, I divide my third among seven children, six hens, two ducks and a banker. Bill, you are getting the best of me. It isn't fair for a mule, the son of a jackass, to rob a man—the lord of creation—of his substance, and come to think of it, you only help to cultivate the ground. After that I cut shock, and husk the corn while you look over the pasture fence and 'he-haw' at me.

All of the fall and part of the winter the whole family from Granny down to the baby picks cotton to help raise enough money to buy a new set of harness and pay interest on the mortgage on you. And, by the way what do you care about the mortgage? It doesn't worry you any—not a darn bit. You leave that to me you ungrateful cuss.  
"About the only time I am your better is election day, for I can vote and you can't but if I ever get any more out of politics than you do I fail to see where it is."—Anon.

### PLAGIARISM

When Mark Twain was living in Hartford, Conn., where Dr. Doane, later Bishop of Albany, was rector of the Episcopal Church, he went to hear one of the clergyman's best sermons. After it was over, Mark approached the Doctor and said politely: "I have enjoyed your sermon this morning. I welcome it as an old friend. I have a book at home in my library that contains every word of it."

"Why that can't be Mr. Clemens," replied the Rector.

"All the same time it is so," said Twain.

"Well, I certainly should like to see that book," enjoined the rector with dignity.

"All right," said Mark, "you shall have it."

The next morning Dr. Doane received, with Mark Twain's compliments, a dictionary.

### CREDIT

Answering an inquiry from a New York firm as to the credit standing of one of his neighbors, Lincoln before his election to the Presidency, wrote the following reply:

"First of all the man has a wife and baby; together they ought to be worth \$500,000 to any man. Secondly, he has an office in which there is a table worth \$1.50 and three chairs worth, say, \$1. Last of all, in one corner there is a rat-hole that will bear looking into."

The lowest temperature is 93 degrees below zero at Verkhorsk, Siberia which is close to the Arctic Circle. The coldest day recorded in the United States was January 1884, the temperature went to 65 below zero at Miles City Mont. ### GREETINGS TO 1934!

The United States has come to the end of one of the most momentous years in its history. It has been a year in which vast unprecedented experiments have been tried. It has been a year in which governmental problems and issues have, to a great degree than any other time since the World War, engaged the attention and interest of the public. It has been a year of trial and error, of achievement and failure. And finally, it has been a year of astonishing change.

For the first time since government was founded, there has been sweeping legislation to control the wages and hours of the entire working population, and the competitive methods of virtually all industry. A dramatic and frankly experimental effort to solve the farmers' problems has become part of the law of the land. The largest public works program we have ever known has been inaugurated. Everything that the present leaders of government believed would spur recovery, has been done. Advisors who had no previous connection with politics have been adopted. The whole prestige of government, and the immense power of the public treasury, have been used whole-heartedly and sometimes ruthlessly to bring us stability and prosperity.

To say that these efforts have been entire successes is to close our eyes to facts. To say that they have failed is to be unjust. They have fallen between these extremes. Men have been put to work by the hundreds of thousands—men who had had little or no work for two or three years, and had been forced to suffer the

ignominy of organized charity in order to keep their families and themselves from utter privation. Wages have been appreciably raised and the sweat-shop, encouraged by the depression, has been eliminated. Child labor is on the wane. The C. C. C. camps, whatever their shortcomings, have served to provide thousands of young men with useful work under army pay and discipline, and have kept them away from debilitating and demoralizing influences.

And in other fields the Administration has much on which it can honestly pride itself. It has started a program whereby the transportation difficulties of the country may eventually be solved. It has done a good job in solidifying and safeguarding the banking structure. It has attempted to protect the public against stock swindlers and fly-by-night promoters, who reaped a fine harvest in the boom years and even after. It has created machinery seeking to encourage home financing and private construction.

This is all on the credit side of the ledger. The entries on the debit side are not less important—and it does the country and the Administration no service to overlook them. All great experimental movements breed errors—and Mr. Roosevelt and his ad-

visories would have been a great deal more than human had they avoided them. It is unquestionably true that, in working to bring recovery, methods have been adopted, and laws passed, which will make arid some of the springs from whence recovery must eventually flow.

Clothes washed this modern and efficient way last longer... look nicer... and are actually cleaner. Added to these major advantages, the knowledge that each passing washday credits a substantial cash savings to your household budget makes the installation of this essential equipment doubly attractive.

With these important time and labor-saving advantages, you are sure to agree that a modern THOR washer and ironer is a wise investment—especially when the results are far superior.

Ask a salesman to arrange a demonstration for you in your own home. The purchase price is negligible... and operating costs amount to but a few pennies a week!

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

### Nation Plans Birthday Gift for President, An Endowment for Warm Springs Foundation

"More than 300,000 people in America . . . are partly or wholly crippled. About half of this number are victims of infantile paralysis. Most of them could be greatly benefited if adequate facilities existed."  
From a statement by President Roosevelt.

A birthday hall in every community in the United States in honor of President Roosevelt on his 52nd anniversary on January 30 is planned by a committee of national leaders headed by Colonel Henry L. Doherty. The process is to go to an endowment for the nation-wide work of the Warm Springs Foundation for Infantile Paralysis, the presidency of which was the only outside interest retained by Mr. Roosevelt when he entered the White House. Upper picture, a group of child patients at Warm Springs; lower left, President Roosevelt dining with child patients at Warm Springs; right, one of the many child victims of infantile paralysis who are regaining the use of their limbs at Warm Springs. Among nearly 100 leaders on the national committee are General Pershing, Cardinal Hayes, William Green, Owen D. Young, Will Rogers, Will H. Hays and Edsel Ford.

#### WILL THE GRAVEL BE SUFFICIENT?

We heard a certain citizen remark recently that the City Commission of Spur should make application through the CWA and get all the streets in Spur graveled FREE. He went on to say that gravel costs practically nothing and all the hauling and other work would be paid for by the government and many people would secure employment. But the question comes up, Will Graveling the Streets of Spur be sufficient?

Listen, Neighbor. It looks as if graveled streets of Spur is one of the best ways of wasting a lot of money and the people not be benefited by it that cerebral action can connive. If you want a plain, honest to goodness example of such economy we want to cite you to West Harris Street. They have been thousands of dollars spent in graveled that street, and if it is not one of the roughest streets in town at this time, we will stake the coco's to you and the entire City Commission.

Now there is one way that gravel will help. Get it spread as it should be and then our City Commission spend a little of the tax money that is being paid and will be paid within the next few days, for some cut-back asphalt and construct a good topping on our streets. We believe our City Commission are wide awake business men who believe in doing the thing right, and a cut-back asphalt topping will put our streets in good condition and practically eliminate all

expense for upkeep in the next several years. This can be purchased at around \$300 to \$400 per block, and the CWA will do the work for the town. This will give the people something that everybody will be proud of and it will be a monument to the taxpayers hard earned money. But, let us have the modest decency and intelligence of not wasting a lot of money on gravel topping for our streets.

Our City Commission wants to spend your money in the best way. Tell them your opinion and encourage them to give us the best system of paved streets of any town in all of Texas.

GASTON JACKSON

SAVIOR OF MINE

As I journey toward the evening of my time,

Wondering what have I done for this savior of mine,

Have I turned the stranger from my door,

Or did I the widow and orphans ignore?

Have I tramped the Son of God under my feet,

And counted the blood of the covenant incomplete?

Then I see Jesus looking down the end of time

Searching for fruit upon my vine. Then he will say the ax is laid at the root of the tree

For everyone that be with no fruit for me

Then all who has an old Satan at-tire

Will be brought forth and cast in the fire.

So let us come down from our lofty height

And humble ourselves in Jesus sight

For pride and high looks doth God hate

And it will surely turn us from the gate.

And when we come to the end of our way

I have no doubt you will hear him say

Oh, if I could live my life again, I would live closer to the Son of Man.

So let each of begin to repent

Of the days gone by and a life mis-spent.

For Jesus is always ready to forgive, If we only our lives for Him would live.

I pray all who may read these lines

Will ever look to this savior of mine,

For beside him there is no other.

A friend that sticketh closer than a brother.

—Mrs. H. J. Parks.

THE GIRLS SAD FATE

Fogie mother I must cry

Says the girl of today,

I will smoke and I will dance,

I will go without a chance.

Until at last its now too late.

I will stop at mother's gate,

Mother now is my only friend,

I wonder if she'll take me in.

—Mrs. H. J. Parks.

YOUNG DEMOCRATS HOLD CONVENTION

Lubbock, Jan. 17.—Eyes of Texas political observers will be trained on Lubbock, Feb. 3, when Young Democrats of 125 West Texas counties gather here for their first annual convention.

State Democratic Chairman, Maury Hughes of Dallas will make the principal address. Candidates for all state offices are invited and many will be called upon during the convention, which is expected to draw 300 enthusiastic young party leaders.

State officials of the Young Democratic Clubs are urging young Democrats in all counties to organize and send a sizeable delegation to Lubbock and where it is impossible to organize in advance, a large delegation of individuals interested in the movement is urged.

Permanent organization of the Young Democratic Clubs of West Texas, similar to the South Texas organizations, will be formed here and an East Texas organization will be held for that section later. After formation of the three regional organizations a state convention will be held at some central point.

J. Doyle Settles, president of the Lubbock Young Democrats Club, has appointed a large number of committees to work with the Lubbock Chamber of Commerce in handling local arrangements for the convention.

Dances, banquets and other entertaining features are being worked out which will make the convention a gala affair outside of the business and organization sessions.

Committee chairman are: Hugh Anderson, arrangements; Mart Pederson; C. W. Ratliff, publicity; Rob O'hair, registration; and Ben Kucera, decorations.

FOR THE PRESIDENT'S BIRTHDAY

It is a humane as well as happy thought which lies behind the plan to raise an endowment for the Warm Springs Foundation for Infantile Paralysis, and offer it to President Roosevelt as a gift on his birthday, Jan. 30. A series of balls in his honor is projected for communities in all parts of the country, the proceeds of which will be turned over to this beneficent institution. Nothing could be nearer the President's heart. It is he who has made Warm Springs and what it symbolizes, near to the heart of the American people. They recall his own uncomplaining and gallant and successful fight against the affliction which overtook him, and which threatened to end completely his public life. They also remember how his sympathies and hopes turned to the help and relief of others crippled as he temporarily had been. Now at Warm Springs an establishment with skilled and experienced treatment is able to work almost miracles of recovery, and needs only larger resources in order to extend its benefits more widely. All must hope that this plan to delight and cheer the President by such a birthday present, insuring as it would the larger success of Warm Springs, will be carried out enthusiastically and triumphantly.—New York Times.

STATE SERVICE MEDAL AUTHORIZED FOR TEXAS VETERANS

By a Joint Resolution the 43rd Legislature Texas has honored all its military veterans who have served the nation's armed forces during time of war. Above is shown the attractive new medal authorized by the 43rd Legislature for all residents of Texas who have honorably served in the United States Army, Navy or Marine Corps during the Spanish War, Mexican Border, Mexican Expeditionary or World War. Veterans may secure the necessary application blanks by writing The Adjutant General, Austin, Texas.

Every member in the Dry Lake 4-H club is going to work to achieve the six goals set for the girls in the county and win a club pin at the end of the year. Each girl listed the goals in her notebook and will check the goals as they are reached. The club enrolled four new members at the last meeting.

DRY LAKE GIRLS TO WORK FOR GOALS

Those present were: Dorothy and Mildred Calvert, Leota and Edith Mae Stuckey, Iva Smith, Kathryn Rogers, Bonnie Lee Elms, Pauline Yocoes, Ava Nell Swanner, and Edith Jewel Sprayberry.

HOW WOMEN CAN WIN MEN AND MEN WIN The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only shove out the tail end of your bowels and that doesn't take away enough of the decayed poison. Sometimes won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) is Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. Stop at drug stores. Refuse "something just as good" for it may irritate, loosen teeth or cause other troubles. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M.Co.

**EDITORIAL FROM NEW ORLEANS STATES**

We printed in our news columns yesterday a statement given to the Associated Press at Houston by Senator Connally of his individual conclusions from the recent hearing in New Orleans by the Senate Committee on the Overton election of last year.

Mr. Connally is chairman of the special election committee. When Senator Logan left here, the committee not having retained counsel, the Texas Senator undertook the examination of witnesses called by both sides. Whatever may have been his previous predilections, it is only just to say that Mr. Connally lived up to the reputation he had as district attorney, before going to Washington, in his skillful development of pertinent facts concerning the conduct of the election in this city.

In the Houston statement Mr. Connally said he had "no hesitancy in saying that I heartily condemn the practice of using dummy candidates for the purpose of gaining control of election machinery as practiced in Louisiana."

Mr. Overton, in his effort to take the curse off the dummy abomination, attempted to show that it was employed by both sides. But in the Overton election it gave Mr. Overton nearly 1200 commissioners in the boxes against less than 200 to Mr. Broussard,

and put the control of practically all the polls in the hands of the experienced and talented legerdemain artists of the Regular organization.

Mr. Connally emphatically condemns the assessment of state and city employees and deductions from their salaries for political and campaign purposes. It was that diabolical system that helped to supply the sinews of war for Mr. Long's campaign to stifle the voice of the people of this city; and there is evidence in the record, by Mr. T. O. Harris for instance, who served in high position under five governors, that never before the Long administration had there been any such compulsory levying of tribute against public employees.

Mr. Connally said further he had no hesitancy in declaring that the Long organization completely bosses the state outside of New Orleans as Mayor Walmsley bosses it within the state's greatest city.

It is the combination of these two machines, ruthlessly suppressing the popular will that is breeding the revolution in Louisiana today that may have far reaching consequences and that is responsible for the extraordinary conditions that exist in the Sixth district today.

"For many years there have been many abuses and irregularities with regard to election in Louisiana," Mr. Connally said. In that summation we have the impressive conclusion of the

chairman of the Senate committee that in Louisiana we no longer enjoy the privilege, if not the right, of fair elections and an honest count; but elections in which there is no fair expression of the will of the electorate.

If the whole committee agrees with the individual opinion of Chairman Connally, as expressed by him in The Associated Press interview, and so reports to the Senate, the decency of Louisiana will win a tremendous moral victory over the villainies of Long despotism in this state.

**LABOR IN TRIBUTE TO THE PRESIDENT**

Washington, Jan. 23.—Replies from more than 500 representative trade union officers throughout the United States, accepting invitations to membership on committees to promote the Birthday Ball for the President on January 30 have been received from President Green and Vice President Matthew Woll of the American Federation of Labor, who are serving as chairman and secretary of the Labor Division of the National Committee. Proceeds of the balls are to provide an endowment for the nation-wide work of the Warm Springs Foundation for Infantile Paralysis.

Three great national labor committees are being formed. One, known as the Labor Advisory Committee, is composed of officers of national and international unions and numbers about 150 of the national leaders of labor. The second committee, known as the Labor-Co-operating Committee, is composed of officers of the state federations of labor and of city and central labor bodies. Members of this committee, which is expected to total fully 500 members will serve as local chairmen. A third committee is the Labor Press Committee, under the chairmanship of Chester M. Wright, editor of International Labor News Service. There will be fully 100 members of this committee and perhaps twice that many.

Arrangements for the holding of balls are proceeding already in many cities, including New York, Philadelphia, Washington, Chicago, Salem, Mass., Fitchburg, Mass., Marion, Ohio, Lynn, Mass., Portsmouth, Va., Ashland, Ky., Buffalo and Albany, N.Y. Each central labor council in the country has been asked to arrange a ball, either in cooperation with other organizations, or by itself. Formal reports on decisions are just beginning to come back to headquarters of the Labor Division in 509 Carpenters' Building and it is expected that by the end of the coming week fully 500 reports will have been received.

In the replies thus far received, both in acceptance of committee memberships and in recording plans for participation, there has been an unprecedented enthusiasm, according to Secretary Woll. Almost every letter, he said, contained warm expressions of enthusiastic support for the unique project, while the same is true of telegrams. An interesting feature of the labor division's results is in the numbers of wires received. Telegrams far outnumber letters, indicating the eagerness of labor officials to speed their participation.

**TEXAS OIL PERCENTAGE STILL INCREASING**

Since 1925 Texas' share of total national production of oil has been increasing in volume, according to Elmer H. Johnson, regional geographer in the University of Texas Bureau of Business Research.

"Whereas other states have had a decreasing volume Texas' percentage of national production has grown considerably, from about 20 per cent up to around 40 per cent," Mr. Johnson continued. "The great recent increase in Texas production was occasioned, of course, by East Texas. In this connection it is well to note that since even prior to 1925 there has been a marked tendency for oil production of any particular year to converge upon a few large fields. There is moreover, the marked trend of Texas contributing an increasing percentage of national production. These trends of major production converging on a few large fields of districts are of great significance, not only to the oil producing part of the industry but to the transportation and refining phases as well.

"In production, in transportation, and in refining, the oil industry is well on its way toward realignments quite different from those obtaining in 1921-25. In these readjustments Texas is playing a larger and larger part. Furthermore, due to its geographical location and to its huge reserves, Texas is destined to play for some time to come an increasingly larger part in the destiny of the oil industry. A fact of importance remains to be stressed here—and it cannot be too strongly emphasized—and that is, that the vast and wonderful oil resources of Texas when once produced and refined are gone forever. Our great production is depleting our reserves of this major resource of the State. Conservation measures of various kinds have already been initiated by the oil industry itself—but the development of a scientific and economic State conservation policy backed by Texas citizens—and Texas citizens are the ones whose welfare is most greatly concerned—is yet to come."

R. R. Wooten, one of the progressive citizens of McAadoo, was transacting business in our city Monday.

T. C. Ensey, of Bryant-Link Company, left Sunday to join the buyers of other stores who will spend several days in St. Louis purchasing new merchandise for all the Bryant-Link Company stores. Carl Proctor accompanied Mr. Ensey to Dallas, returning Sunday night.

M. T. Thannisch, of Wichita community, was attending to business affairs in our city Monday.

W. D. Blair, east of town, was in Spur attending to business matters Monday.

Horace Hyatt is reported on the sick list this week, having a case of influenza.

Connally Would Extend Aid

Legislation which is intended to make permanent and extend to benefits that farmers of the nation have already received from the Democratic "new deal" will be a chief concern of United States Senator Tom Connally, of Texas, one of the administration leaders in the new session of Congress, which got under way first of the month.

The administration's farm relief policy, which Connally helped to frame and for which the Texan battled vigorously at the last session, has already more than demonstrated its fundamental soundness, Senator Connally has told close friends here. With some amendments to correct inequalities which have developed in its practical application, and to put the well-being of the farmers of the nation upon a permanent basis for future years, he believes that American agriculture can be restored to a plane of prosperity which will serve as a basis for general recovery of the nation.

"The Farm Relief legislation which Congress passed at the last session, and which has been so ably administered by the Roosevelt administration, brought the cotton farmer of my state alone \$277,384,000 for their 1933 crop, as compared with \$158,371,000 for the 1932 crop," said Senator Connally on his arrival in Washington recently. "It has brought and will bring during the next crop year, many more millions in similar benefits to all other major classifications of agriculturists, including wheat, corn, swine sheep and cattle producers throughout the nation. Coupled with the Roosevelt policy of revaluation of the dollar to bring parity prices to the things which the farmer's dollar must purchase, it marks the most momentous and most successful governmental economic effort in the history of the United States."

"It is my intention during the present session to continue to work closely with the administration officials toward securing passage of the necessary amendments which will keep the nation upon the clearly charted course pioneered by the Farm Relief Act, to lead our basic industry back to prosperous times for many future years."

Senator Connally advocated a Government managed currency almost identical with the present plan sponsored by the President Roosevelt, as an aid to agriculture during the last session of Congress under the Hoover administration, when he introduced Senate Bill 1111, providing for the reduction of the gold content dollar, and establishment of a valuation based upon a composite of commodity values.

5000 LOCAL BALLS TO HONOR PRESIDENT

NEW YORK, Jan. 3—The heart of the nation responded immediately to the appeal of a committee of national leaders that every community in the United States hold a Birthday Ball in honor of President Roosevelt on the night of January 30, the proceeds to go to a permanent endowment fund for the nation-wide work of the Warm Springs Foundation for Infantile Paralysis. The President will be 52 on that day.

Early indications are that the President's Birthday Party will be one of the unique social events in American

history, with balls in honor of President Roosevelt in 5,000 communities in every state in the Union.

In a few days following the first appeal of the Committee, hundreds of communities and organizations telegraphed National Committee headquarters in the Waldorf-Astoria that local committees had been appointed and were already working with enthusiasm.

"Unprecedented Enthusiasm"

In the first five days after the national appeal, more than 500 representative trade union officers telegraphed enthusiastic cooperation to William Green, President of the American Federation of Labor, who is Chairman of the Labor Division of the National Committee. Matthew Woll, Vice-President of the Federation and Secretary of the Labor Division, reported that labor was responding with unprecedented enthusiasm.

Among the members of the national committee already numbering more than seventy leaders in American life are General Pershing, Cardinal Hayes, Harvey S. Firestone, Adolph S. Ochs, publisher of the New York Times; Governor Lehman of New York, Colonel Robert R. McCormick, publisher of the Chicago Tribune; John L. Lewis, President of the United Mine Workers; W. W. Atterbury, President of the Pennsylvania Railroad; Will Rogers, Edsel B. Ford, Dr. William B. Mayo, Cornelius N. Bliss, A. F. Whitney, President of the Brotherhood of Railway Trainmen; Owen D. Young, Dr. George W. Crile, famous surgeon of Cleveland; Vincent Astor, and Will H. Hayes. The Chairman of the Committee is Colonel Henry L. Doherty.

"When President Roosevelt stepped into the White House the only office

which he retained among his many other interests was the Presidency of the Warm Springs Foundation," said Colonel Doherty's statement announcing the committee.

"The retention of that office shows how near and dear that potentially great medical and charitable institution is to his heart. I do not think that the President would appreciate any tribute to his unselfish and unflagging devotion to the public welfare more than the act of the American people in fulfilling his dreams for a great institution for the treatment of infantile paralysis at Warm Springs. With this fund the Foundation will be able to do a wider national work."

"One-third of the physically handicapped in the nation are crippled as a result of infantile paralysis, and it ought to stir all of us to action to learn that this is essentially a children's disease and that the majority of these young victims could be helped immeasurably toward recovery by the kind of exercise and treatment given at Warm Springs. No one can visit Warm Springs without being touched to the heart by the work being done there."

Not the Usual Fund Drive

"This is not the usual kind of drive for funds. Our committee is not soliciting large amounts from any person. We ask only that our fellow citizens spend a part of their usual and normal recreation budget on the President's Birthday Ball in their own communities on January 30, not only as a personal tribute to the President for his zealous and unselfish devotion to Warm Springs, but also for the purpose of having a good time without increasing that week's expenditures. It is a small thing for each of us to do for him."

BLUE EAGLE DISPLAY DENOTES ACCEPTANCE

WASHINGTON—Manifestly pleased with increasing evidences of an upturn in business and moved by a sense of loyalty to the President, a great many employers have signified their acceptance of his extension of the President's Reemployment Agreement in writing. The tenor of these communications from every section of the country is determination to continue flying "and defending" the Blue Eagle. However, in reminding the Nation that "in the midst of winter and with many persons out of work, it is essential that the new year should not bring with it any let-down in the recovery program," the President said in his public statement: "Display of the Blue Eagle on or after January 1, 1934, by an employer whose business is not entirely covered by an approved code will be treated as an acceptance of the extension of the President's Reemployment Agreement and a representation that he is complying with it for that part of his business not covered by approved codes."
