MANY FARMERS ATTEND FIELD DAY AT EXPERIMENT FARM

A very excellent field day relative to farming was held Tuesday at the Spur Experiment Station. Feeding of live stock and caring for farm implements were among the subjects of chief interest.

Those in charge spent a great deal of time explaining methods of feeding cattle and the consistency of feeds. The station is feeding out a number of cattle which have been in the pens about forty days and which will remain there until sometime in the spring. These cattle are divided into separate pens, each pen being fed in a different manner and with a different feed mixture. This was explained and the results pointed out.

The afternoon was devoted largely to farming methods. Mr. Hawkins, of the educational department of the International Harvester Company, made a very interesting address on the importance of saving the soil. He pointed out that around 30,000,000 acres of land in the United States had been taken out of cultivation because it no longer proved profitable because of soil erosion. He admonished farmers to make plans to save the soils today in order that the people of tomorrow might have somewhere a place to produce what they will need.

Different sizes of tractor and various types of farm machinery were exhibited. Among these were the mowing machine, the feed grinder and the silo cutter. Demonstrations were given with these machines and their needs pointed out. The management of the experiment station has constructed a number of trench silos and feeds which had been preserved in these silos were exhibited and their benefits pointed out. Farmers were shown a method by which they may save their feeds from year to year, and during the years of plenty prepare enough feed to carry them thru the lean years.

The two-row lister, pulled by the F-12 tractor, was very interesting. Also, the 3-disc plow pulled by a larger tractor commanded quite a lot of attention. Farmers stood about discussing the advantages and disadvantages of these various machines.

All of the machinery for the field day was furnished by the Spur Truck & Tractor Company. J. P. Caudle, the manager of the firm, did everything he could to make the day profitable to the farmers who were present. Various farmers were asked to drive the tractors through the field while plowing and every one who tried it made an excellent success. One man remarked that he thought possibly the little tractor which pulled two listers, would get tired and want to rest before it made the round, but it kept right on just as briskly as when it started.

Although the day was cold and a cold gale was blowing there was a very large number of men present and a number of ladies remained watching the machinery work. Mr. Caudle, of the Spur Truck & Tractor Company, stated that the day exceeded anything he had hoped considering the cold atmosphere.

Spur Motor Company Deliver 1934 'Chevies'

The Spur Motor Company has delivered to customers six of the new 1934 model Chevrolets in the past week, according to E. L. Caraway, manager. Several new trucks have also been delivered:

Those receiving new cars and trucks are as follows:
I. D. Rogers, Girard, coach; Oscar Peacock, Peacock, coupe; C. D. Cope-land, sedan; E. N. Johnson, Afton, sedan; H. F. Anderson, Post, coach; Jay Bird, Post, coupe; Mrs. Maggie Metcalf, Peacock, sedan; Tri-County Lumber Company, Spur, truck; Ed Lisenby, truck; Thomas, Ralls, truck; John R. Alexander, McAdoo, truck; J. F. Anderson, Roaring Springs, truck; Reed, Crosbyton, truck.

CWA PAYROLL

The weekly CWA payroll in Dickens County for the week ending, February 8th was \$1809.12 to 232 people. The week ending February 15th, \$17,445.2 for 228 people. Press reports from Washington and Austin indicate that CWA work will be gradually decreased until it is all eliminated.

Nichols Sanitarium

Miss Novelle Witt of Kalgary, who has been in the sanitarium the past eight weeks, was able to return home Wednesday.

J. J. Carroll of Chickasha, Okla., is getting along fine after an operation last week.

M. E. Hutton of Highway community, is a medical patient in the sanitarium with an operation pending.

Miss Myrtle Boydston of Jayton, seems to be getting along fine after an operation ten days ago.

J. C. Grice of Jayton, who underwent an operation two weeks ago, is improving nicely and soon will be able to sit up some.

Miss Minibel Johnson, city, who was in a car wreck Friday evening, continues to improve and will be able to be out soon.

Little Lillian McDonald, city is in the sanitarium as a result of pneumonia. She is doing very well but is a very sick child.

Richard Varnell For Public Weigher

Richard Varnell authorizes the Times to place his name before the voters of Precinct No. 2 as a candidate for the office of Public Weigher subject to the action of the Democratic Primary. Mr. Varnell is a Democrat and holds to party principles. His experience in life qualifies him for the position which he seeks and he promises his best if the people honor him with the office. He earnestly solicits the vote and influence of the citizens of Precinct No. 2 and will appreciate any support given him. He expects to see all the voters in the precinct before the July Primary and have a personal word with them.

KING OF THE BELGIANS DIES SATURDAY

Albert I, King of Belgium, met his death Saturday while making a mountain climb. Climbing was one of the king's favorite exercises, but a crumbling stone gave way which evidently caused him to fall a long distance and he was found later with a deep gash in his head. The noble life of the beloved King of the Belgians had flown.

Being very Democratic in his methods, King Albert held the love and respect of his subjects to a greater degree than that of any other monarch in the world. He was kind and considerate of his subjects and made himself a man among men.

When the convention of Rotary International met in Belgium in 1927, King Albert personally extended the greetings and made an address of welcome to the Rotarians. It was on this occasion that a Rotarian from America requested the privilege to shake hands with the King and he gave his consent, shaking hands with the entire delegation present. It was said to be the first incident of its kind in history. Not only the Belgians, but the world at large expressed great respect for the King for this act.

The King and his family visited America in 1919 and met the applause and respect of our nation. It was he who led the Belgian army and held back the German advance in 1914 and saved all Europe from the hand of the Kaiser.

Lepold III becomes King of Belgium and is said to have many traits of his father. He is 33 years of age and is said to be very able in taking care of government business. He is well loved by the Belgians and will be a very popular ruler it is thought.

BANK NITE ACCOUNT TO \$30

Manager Everts of the Palace states that the Bank Nite Account at the Palace Theatre will be \$30 next Wednesday night because of the failure of the ones called to be present the past two Wednesday nights. H. B. Alexander's name was called last night and he was not in the house.

NEW MACHINER BEING INSTALLED AT CREAMERY

This week, the Spur Creamery is installing two new Cherry-Burrell pasteurizers. The old machines which are in good condition were not large enough to take care of the business. The new machines are 300 gallon capacity each, and it is thought will be large enough to handle the business for sometime.

Other creameries may follow but Spur Creamery leads in efficient equipment, service and quality.

School Superintendent Election Ordered

The county commissioners court at its regular session last week, upon presentation of the required number of signers of a petition, ordered a special election in Dickens County, March 24 for voting on the following question: "Whether the office of County School Superintendent shall be created." The notices have been posted and election officials appointed at the same term of court will hold the election.

Four years ago when the scholastic census showed that there were more than 3,000 scholastics in the county, the commissioners court ordered and appointed a county school superintendent. At the election in November 1930 a superintendent was elected for a four year term. The scholastic

NEW SOCIETY EDITOR

Beginning with this issue of the Times, Mrs. P. C. Nichols will be society editor. Club reporters and all other social organizations are requested to phone Mrs. Nichols an account of their meeting as soon after the meeting as possible.

Special Stage Attractions - Palace

In connection with the regular picture programs, the Palace will present on the stage tonite Abdi, the Great, in Hindu mystic and as a finale to that performance, a young couple will be united in wedlock by Judge Jim Cloud.

Abdi will head the stage show Friday nite and will feature Jolly Jack Bell, popular radio tenor in songs you love to hear.

The picture programs for tonite and Friday will be Universal's epic of the north, "S. O. S. Iceberg."

Saturday morning at ten o'clock the Palace offers a special Kid Matinee and the attraction will be "Cupid", the pony with a human mind. All children admitted for 5c each when presenting one of the special matinee tickets at the box office. A Krazy Kat cartoon and comedy will be shown on this program. Children only will be admitted.

Starting at noon "Cupid" will perform on the stage in connection with the regular Saturday program, appearing at the end of each show throughout the afternoon and evening.

This will be the one and only opportunity to see the smartest pony who toured the East with Bill Cody last summer.

Spur Bull Dogs and Pep Squad Banquet

Friday evening of last week the football boys, Junior and Senior Pep Squads girls and members of the faculty were entertained with a banquet given by the Home Economics Department of the high school.

The following program was given: Welcome—Roberta Hisey. Response—Herman Bostic. Song—Pep Squad Girls. Toast—Miss Buster.

Toast—Coach Murley. Tapping Number—Wynelle McClure Farewell—Vernon Morgan. Alma Mater.

Several other talks were made. Everyone reported having had enough to eat and hoped we'd have another one soon. After the banquet each attended the show which was also enjoyed very much. —School Reporter.

Gilberts Purchase Stockton Shoe Shop

Gilbert Bros. on Monday purchased from D. H. Stockton the shoe business and shop known as Stockton's Shoe Shop and took possession Tuesday. Mack and John O. Gilbert are both experienced shoe men having operated a shop here for several years at one time. They will continue the business in the old location next to Spur Barber Shop.

CITY DRUG STORE MAKES REPAIRS LAST WEEK

The City Drug Store has installed a complete new set of water and drainage pipes to and from their fountain. The work of installing the new pipes was completed last Friday. The change was made to improve their fountain service.

O. F. Priest, Finance Manager of Nichols Sanitarium.

"Only Yesterday" Palace Sunday

An important event in local theatricals will take place when John M. Stahl's Universal love drama, "Only Yesterday," opens at the Palace Sunday. It has just been booked by Manager Everts.

Not since "Back Street" has a picture directed by Stahl reached the screen, and the new production is said to excel in every way any previous screenplay filmed by this master in handling domestic drama. Margaret Sullivan, John Boles, Reginald Denny, Billie Burke and Edna Mae Oliver play the featured roles in "Only Yesterday," and their supporting cast includes thousands of extras and more than 75 well-known screen players in speaking parts.

The story based on the best selling "Only Yesterday" of Frederick Lewis Allen, covers a span of 12 years, follows the tragic love affair of Margaret Sullivan and John Boles, whose only meeting takes place at a dance while he is an officer in training at a local camp. Sudden tragedy and disillusionment follow, with the story sweeping on through the Armistice and up to the fateful November, 1929, the day of the Stock Market disaster.

Even in these days of staggering combinations of box office all star casts, the roster of players collected by Universal for "Only Yesterday" is unequalled for fine, expert casting. In Margaret Sullivan, Stahl firmly believes the screen has found a new, enduring star.

Benson To Open Market Saturday

R. L. Benson, who has been operating a meat market at Roaring Springs the past year, has moved his shop back to Spur and is locating it at Costolow & Johnson's grocery store. Mr. Benson stated that he hoped to be open by Saturday and would like for his friends to call and see him.

Costolow & Johnson, who recently purchased Lander's Store No. 1, have made several changes in their store the past week in order to accommodate the trade. They also became a member of the Red & White system and will handle this nationally advertised line of food products.

CLIFFORD B. JONES TO RETURN TO SPUR SOON

Clifford B. Jones, Public Works Administrator for Texas, New Mexico and Louisiana, since last summer, announced the first of the week that he would return to Spur about March to assume his duties as manager of the Swenson interests. The government is discontinuing the office of administrator and all state boards of the PWA, since they are no longer accepting projects in this line of work. The engineers and office workers will be retained in each district until completion of projects under construction.

Mr. Jones stated that he would be glad to return "home" to Spur where he has been engaged as manager of the Swenson office since 1911. He is Spur's leading citizen and will be heartily received by all his friends when he and Mrs. Jones move back to live here again.

The Spur Mutual Life Insurance Association is this month celebrating the 33rd birthday of its secretary and treasurer, Fred C. Haile. A special campaign to add a large number of new policy holders was begun by the working organization the first of the month to close with a banquet the night of March 1 at the Spur Inn.

J. L. Hutto, field manager, has active charge of the field organization and according to reports the first of the week is putting Spur Mutual over in the seventeen counties in which it operates. He is assisted by S. H. Twaddell, reinstatement man; A. A. Stephens, special agent; Ed C. Abbott, special agent; J. L. Green of Tahoka and agents in each of the counties.

The banquet will be held for all the agents, field workers, board of directors, officers and wives. The probable speakers will be Geo. S. Link, W. B. Lee, C. C. Haile, a director and founder of Spur Mutual; W. D. Starcher, vice president and Fred C. Haile general manager and secretary of the best known mutual in Texas.

The Spur Mutual has over 1500 members in its present organization, and the field force is working to bring this number to 1600 before the banquet when the losing field man will be served a plate of beans instead of the regular menu.

Young Democrats To Meet March 1

The Young Democrats of Dickens County will meet in Dickens at 9:30 a. m. Thursday, March 1 to perfect a permanent county organization. A temporary organization was set up some time ago and Robt. Nickels, county chairman, headed this organization and is slated to preside at the opening next Thursday.

All young democrats in the county are urged to be present and help in the organization and lay plans for the operation of this branch of the Democrat party. A president, secretary, executive committee and other officers are to be elected. A delegate to the state convention in May will also be selected.

Local Women Injured In Automobile Accident

When an automobile in which four young women school teachers of Spur and a brother of one were riding turned over late Friday, Miss Thelma Campbell, was critically injured. Miss Campbell was removed to the Lubbock Sanitarium where it was found she had received a fractured neck. Miss Campbell was placed in a cast and at latest reports is showing some improvement.

Miss Campbell also suffered bruises, abrasions, and shock. Her companions, Misses Minnie Bell Johnson, Ella Mae Hogan and Miss Edna Mae Flores were shaken and received treatment at the Nichols Sanitarium. Vernon Campbell escaped injury.

The party was returning from Lubbock, where they had spent the day and their car skidded when it hit the pavement that had been watered.

LEGION ENJOYS OYSTER FEED

The Boyd M. Williams Post of American Legion enjoyed an oyster supper in their hall in the Campbell building Monday evening. There were 61 Legiannaires present and they consumed 84 dozen fried oysters and no record was kept of those consumed raw. No speeches were made.

Miss Evelyn Richter rendered some numbers on the accordion which were enjoyed.

DUNCAN FLAT
Fair weather is still here. As much as we like pretty weather we would be more than glad to have a long spell of dampness of some sort.

Our school enrollment is increasing every week. We want all we can get.

Sunday School was re-organized with a larger attendance than usual. Let us hope that when Rev. Crabtree comes again we will have something to be proud of rather than to be ashamed of. We have been rather negligent of our Sunday School work the past two or three months.

Mr. and Mrs. Chester Henry entertained with a singing Sunday night. There was a large crowd present.

Nobel Dunlap has returned from Plainview. He will help make a crop awhile before returning to Plainview where he is attending business college.

Lois Vaughan of Roaring Springs spent Sunday night with Dorothy Christopher.

Honor roll of the third grade includes the following: David Jr., Smiley, Royce Jackson, Delton Roberts, First Grade: Bernice McCarty.

Glenn Rose left Thursday for Lubbock where he will attend Tech the spring term.

We are working on our Interscholastic League program.

Miss Lois Hulsey of Lubbock spent the week end with her parents, Mr. and Mrs. C. A. Hulsey of Dickens.

This community has been fortunate in escaping so far, the many contagious diseases that are raging in many communities.

The young folks of the district organized a class in typewriting Monday. Miss Mavis Stafford is serving as teacher.

The school received a circulating library from the State Library and Historical Commission the past few days. While the books are primarily for the use of the school, at least half of them are suited to the older reader. It is open to any who care to take advantage of the opportunity. Books may be kept two weeks.

Mr. and Mrs. D. W. Hughes were Lubbock visitors Saturday and Sunday.

Mr. and Mrs. Fred Christopher and daughters are visiting in New Mexico for a few days.

Everyone come out to Sunday school next Sunday. You are always needed in Sunday School.

Paul Braddock, of Prairie Chapel, was attending to business interests in our city Tuesday.

**MAXEY WILL OFFER FOR
 110TH DISTRICT ATTORNEY**

Tony B. Maxey, after serving meritoriously as county attorney of Floyd County for the past three years, is offering himself as district attorney of the 110th Judicial District composed of Floyd, Briscoe, Motley and Dickens Counties.

During the period he has served the county, beginning January 1931, Maxey has been called upon to handle a tremendous amount of work for the county in addition to the regular work of the county attorney's office, and has handled the job quite satisfactorily. Among the matters which have required his attention were the salvaging of the county funds from the failed depository and the acquisition of some forty miles of highway right-of-way through the county. He has represented the county in all its litigations since taking the office.

Mr. Maxey is 36 years of age, married and has two daughters. He is a

life-long democrat. He comes to Texas from Tennessee. His legal and political background includes study under the guidance of his father, who was an attorney before him, and service as the youngest member of the Tennessee House of Representatives in 1923-24. He has been practicing law since 1919, a period of fourteen years.

He plans soon to begin an active campaign for the nomination for the office, when he will make formal announcement of his candidacy.—Floydada Hesperian.

**DUCK CREEK DEMONSTRATORS
 BEGIN BEDROOM IMPROVEMENT**

"We are going to begin improving my room right away," Aroliene Hagins, bedroom demonstrator for the Duck Creek 4-H club, told her club members Tuesday. "We are going to put sheetrock on the walls and then calcimine them a pretty ivory. The closets need another hanging rod and some shelves. We are going to make

a shoe rack too. The wash stand will go behind that door where it will be partly hidden. With the ivory walls we can use the orchid spreads on the bed and the window curtain has a touch of orchid in it also the rug. I have not decided about the reading unit yet but think it will be close to the dresser," she added.

Each of the bedroom demonstrators are busy with their room improvements. Few have actually begun work on them but they have planned the improvements to be made and why. At the same time the girls are learning what units make up a comfortable bedroom, how to hang pictures correctly, how to select color schemes for bedrooms and many other things that they will put into practice in improving their rooms.

**FATHER OF LOCAL MAN
 CELEBRATES 50TH ANNIVERSARY OF MOVING TO HASKELL**

F. G. Alexander, father of Henry Alexander of Spur, celebrated the 50th anniversary of his moving to Haskell County on February 14. Mr. Alexander was 79 years of age at the time. Moving to Haskell County in 1884, Mr. Alexander established a ranch 14 miles from the town of Haskell. In 1891 the Alexander Mercantile Company was established in Haskell and was operated by Mr. Alexander until 1932 when he retired. Customers from all parts of the thinly settled West Texas country could be seen selecting their needs from buttons to plows.

"They came from far and wide," remarks Mr. Alexander in the Haskell County Free Press, "and they paid by check, but I never lost one penny. They were honest. They were neighbors."

In 1885, Mr. Alexander helped organize Haskell County and is also a charter member of the Haskell Methodist Church.

Mr. Alexander is well known to a large number of people in Spur country, many of whom were his customers in the years gone by.

J. P. Koonsman of Wichita community, was attending to business matters in Spur Saturday.

Miss Cedonia Dittrich, teacher at Midway, was doing some shopping here Saturday.

J. T. Cozby of White River, was attending to business matters here Saturday.

J. C. McDonald, of Girard, was in town transacting business Saturday of last week.

TECH ENGINEERING SHOW TO BE HELD APRIL 13-14

Date for the annual Texas Technological College Engineering Show has been set for April 13-14, to be given at the same time the district Interscholastic League meet is held on the campus.

General manager, Jim Frank Potts, Lubbock, has announced Oliver McEly, Lubbock, as publicity manager of the show, and eight superintend-

ents for departments of engineering. These are: Al Simmons, Santa Anna, architectural engineering; Ray Watts, San Antonio, civil engineering; Earl Davidson, Portales, N. M., electrical engineering; Henry Godeke, Lubbock, mechanical engineering; William Wilder, Pampa, textile engineering; Houston Hinson, Lubbock, geological engineering; Arledge Stokes, Abilene, chemical engineering; Eugene Watkins, Santa Anna, engineering drawing and graphics.

A special exhibition of the show will be given for the annual meeting of the Southwestern division of the American Association for the Advancement of Science to be held here in May.

CHEVROLET AVERAGE WAGE ABOVE CODE MINIMUM

That the average wage paid Chevrolet workers approximates 69 cents an hour as compared with a code minimum of 43 cents was revealed here by M. E. Coyle, general manager of the Chevrolet Motor Company.

He also announced that on February 8th, the company turned out 3,349 completed passenger cars and trucks. Plants are now headed for capacity operation as fast as manufacturing processes will permit, with prospects for maintaining peak production well into the spring months, Mr. Coyle announced. Dealers are already delivering new 1934 passenger cars to consumers, and with high volume obtained in assembly plants, any desired model will soon be available for immediate delivery, he added.

Present payrolls of over 55,000 people compare with 33,000 a year ago. "These figures cover only what we refer to as our direct employment," Mr. Coyle said. "The majority of these people are employed at hourly rates at our 21 factories in various parts of the United States."

"Present hourly rates are 20 per cent above those of a year ago and equal to those in effect in 1929. Only one trade, printing, pays a rate higher than that common in the automobile industry. At present rates, all the hours of labor we buy, divided into all the money we pay will average 69 cents an hour."

This compares with a minimum wage rate of 43 cents an hour required by the automobile code. Mr. Coyle warned, however, that while his company's payrolls have shown decided increases each week for the past several months, only regular resident workers are being put back on the job. No work can be given outsiders now or later, he emphasized.

RABBIT DRIVE AT KALGARY FEB. 23 AND 24

T. E. Howard and L. B. Grizzell were in town the last of the week and announced that a big rabbit drive will be held in Calgary country today and tomorrow, February 23 and 24. The drive will be started from Webbs Store, about nine o'clock in the morning. Anyone interested is invited to participate in the drive and the sponsors request that no one use a shot larger than number 4.

A barbecue dinner will be served each day at noon.

Jim Hahn of Dry Lake, was doing some trading in Spur Saturday. M. A. Lea and H. O. Everts were transacting business in Ralls Thursday. Mrs. V. V. Parr of the Pitchfork Ranch, was doing some shopping in Spur Saturday.

1933 ACREAGE REDUCTION NEARLY DOUBLES COTTON INCOME

This graph shows what happened when the cotton grower cooperated with the Agricultural Adjustment Administration to reduce the cotton acreage in 1933. Had it not been for the plow-up campaign and the fine spirit of cooperation exhibited by southern growers, disaster would have befallen the Cotton Belt in the fall of 1933. The above graph tells this better than words. A potential yield of seventeen and one-half million bales was reduced to thirteen and one-tenth million bales by the action of the Agricultural Adjustment Administration, and, as a result, the income that the cotton grower received from his lint cotton was nearly doubled. Realizing these facts, cotton growers are expressing a desire to cooperate in future adjustment programs.

BAPTIST CHURCH

CHRISTIANS! Do you often wonder why you suffer? By what plan or pattern are you attempting to fashion your life? The pattern made by the hand of God can be worked out by any ordinary person, provided that person keeps his face turned toward God. Each pattern must have a background, hence the dark only tends to make the bright more prominent—one must suffer in order to grow.

FAILURE OR FORTUNE—Which?

Failure due to:

- Lack of vision to conquer.
- Lack of application.
- Lack of wisdom—from above.

Success due to:

- Confidence in self.
- "Success comes in 'cans'; failure in 'cants'."

Devote your all to task in hand.

"If you are digging ditches, dig the very best ditch ever dug."

Eternity is in a minute; success comes moment by moment. Therefore, one can change "F" from failure to fortune by using each minute of his time to the very best advantage in developing his talents which represent a brick in the Building of Life. Each individual life represents a brick in the GREAT Building of Life.

FIRST TO CONGRATULATE ROOSEVELT—In the celebration of 52nd birthday, the Tidewater Travelers Quartette, stole a march on the rest of the world. Directed by Bobby Armbruster, center, they were singing at vice-president Garner's dinner to the president on the night of January 29th. Mr. Roosevelt did not rise to leave until three minutes after midnight. Realizing his birthday had arrived, the quartette immediately sang, "Happy Birthday To You"—first of millions to wish him well.

DUCK CREEK GIRLS TO FINISH PILLOW SLIPS

"Hems in pillow slips should be 2 1-4 or 2 1-2 inches wide and stitched in a straight, even hem on the machine," Miss Pratt told the Duck Creek 4-H girls in their meeting Tuesday morning. "The seams should be overcast to keep them from raveling."

The girls are to bring their finished pillow slips to their next club meeting. Every member of the club was present for the meeting.

LOCAL HIGH SCHOOL GIRLS HAVE CHANCE AT SCHOLARSHIP

University scholarships will be the goal of high school girls of Spur who compete in a nation-wide essay contest just announced in detail to local teachers of home economics.

This educational project, known as the national meat story contest, has been conducted annually since 1924 under the supervision of teachers in hundreds of high schools throughout the country, according to the National Live Stock and Meat Board, its sponsor.

National, sectional, and state winners are selected each year. Miss Merle Green, a Levelland girl, was the state champion of Texas last year.

Contestants have until March 15 to get their essays in. There essays, judging from past years, will cover

a wide range of subjects such as, meat in the balanced diet, the preparation of meat in the economy budget, the importance of the live-stock and meat industry, etc.

Selection of the winning essays will be in the hands of a committee of eminent home economics authorities whose names will be made public at a little later date, according to the announcement. Dr. Louise Stanley, chief of the federal bureau of home economics, headed this committee last year.

Teachers say they have found this type of competition of value not only for the scholarships it affords but also for the training it provides in the interests of better home-making in the future, according to the Board.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

THE passing of New Year's Day brings us to the long stretch of winter which used to result in spring fever. With plenty of milk, of the fresh and canned fruits and vegetables which are to be found so abundantly in the markets of 1934, this ailment should disappear.

Oranges and grapefruit are fine in quality, plentiful and reasonably priced. Apples in variety are low in price. The grape and cranberry seasons are nearly over.

The markets are well supplied with fresh vegetables, including Brussels sprouts, broccoli, both new and old cabbage, celery, cauliflower, green beans, lettuce, mushrooms, peas and spinach in addition to the regular root vegetables.

The Quaker Maid suggests the three following Sunday dinners as seasonable, wholesome and delicious.

Low Cost Dinner

Shoulder Pork Chops Boiled Rice
 Creamed Spinach or Cabbage
 Bread and Butter
 Layer Cake Cocoa

Medium Cost Dinner

Vegetable Soup
 Veal Cutlet Mashed Potatoes

**PLYMOUTH ORDERS RECEIVED
BREAK PREVIOUS RECORDS**

Breaking all records in the history of the company, the Plymouth Motor Corporation has already received a total of 63,000 orders from dealers for 1934 models, according to word received at the Chicago Automobile Show recently from B. F. Hutchinson, Chairman of the Board of the Plymouth Motor Corporation.

This figure is not only more than 500 per cent greater than at this time last year, but it is equal to approximately 25 per cent of the entire previous year's production of the company.

Mr. Hutchinson attributed the tremendous influx of Plymouth orders to "steadily improving business conditions and an unusual public interest in new cars as reflected in record crowds and increased sales at the automobile shows."

"Our retail sales are breaking all records for a Chicago show," Mr. Hutchinson said. "In the show just ended at Detroit, we took 370 orders

for new cars, which was three times more than the previous year.

"Production at the Plymouth factory is running approximately 1,500 cars a day. At this time last year, we were only making 550 cars a day."

M. E. Tree of Highway, was attending to business matters here Saturday. Matt Howell of Catfish community, was transacting business in Spur Saturday.

Mr. and Mrs. J. J. Lilly of Soldier Mound community were shopping in Spur Saturday.

W. J. Elliott of Spring Creek was attending to business in Spur Saturday.

T. R. Greenfield, merchant at Post, was in our city Tuesday attending the field day at the Spur Experiment Station.

Mr. and Mrs. F. G. Collier and Mr. and Mrs. A. O. White were in Sager-ton attending revival services Saturday evening. Rev. John M. Neal is conducting the revival.

**CITATION BY PUBLICATION
THE STATE OF TEXAS.**

To the Sheriff or any Constable of Dickens County—Greeting:

You are hereby commanded to summon Jack Ward by making publication of this Citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court in Dickens County, Texas, to be holden at the courthouse thereof, in Dickens, Texas, on the 4th Monday in March, A. D. 1934, the same being the 26th day of March, A. D. 1934, then and there to answer the petition filed in said court on the 22nd day of February, A. D. 1934, in a suit, numbered on the Docket of said Court as No. 1315, wherein Mrs. Velma Ward, is plaintiff, and Jack Ward is defendant, and said petition alleging that Plaintiff and Defendant were married in Las Cruces, New Mexico on the 14th day of October, A. D. 1929, and lived together until on or about the 1st day of February, A. D. 1933, when, because of the harsh, cruel and tyrannical treatment of plaintiff by defendant, Plaintiff was forced to separate from defendant. That one child was born as the fruits of said marriage, to wit, Laura Alta, a girl about 3 years of age.

That plaintiff prays for judgment for divorce upon the grounds of cruelty. Further that plaintiff is entitled to the possession, care and custody of said child.

Herein fail not, and have you before this Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of this court, at office in Dickens, Texas, this the 22nd day of February, A. D. 1934.

DR. EWTON SPEAKS IN CHAPEL

On Tuesday the thirteenth Dr. M. F. Ewton spoke to the students of Spur High School. His talk was enjoyed by everyone. We hope that he shall be with us again in the very near future.

Vance Wylie, who has been in Dallas for the past eight months, has returned to Spur to attend school. We are very glad to have Vance with us again.

DID YOU KNOW THAT—

Specimens of linen have been found in Egyptian mummy cases over 4000 years old. The lion is one of the strongest and most ferocious wild beasts known. Lippershey is the first recorded maker of a telescope. Liquid fire is a mixture of gasoline pitch or coal tar oil. Loco-foco a nickname in American politics known about 1835 applied to a radical faction of the Democrat party in New York state. Lomond is the largest of the Scottish lakes.

The Lonis is an odd looking animal belonging to the Lemur family. Lymph is a colorless fluid which is in composition like blood, but does not contain corpuscles. Lysander was a Spartan warrior who was instrumental in bringing about the defeat of Athens in the Peloponnesian war.

WATCH FOR THE SENIOR PLAY!

WEEKLY LOWDOWN

Good old fashioned drammer: The big brute from Monday who is destined to become the second Clark Gable is rendering his talents in two local plays in which two different fair young maidens are fighting for his affections.

If things develop correctly there will be shrieking and flailing and slashing of feminine meat if the two fair young maidens get their dander up, because from what ye old scandal columnist can discover they are taking their respective parts very serious.

SENIOR CRY

My father graduated when
 The gifts came thick and fast,
 He cherishes them to this day;
 Those things we made to last,
 And we look for the presents, too,
 And say with tired yawn,
 "Well, Aunt Matilda's silver mug
 At least is good to pawn."

1st. Did you know that they don't have insane asylums in Arabia?
 2nd. No, why don't they?
 1st. Because there are nomad people in the country.

Oleta. Do you think that late hours are bad for one?
 J. L. Sure, but they're O. K. for two.

"This is going to wear me out," said the pencil when the teacher started grading the freshman papers.

JOKES—Mona Lawrence

Mr. Maxey is 36 years of age, married.
 Senior—You should place your hand over your mouth when you yawn.
 Freshman—What! An' get hit?

Professor—If there are any dumbbells in the room please stand up.
 (A long pause and then a Freshman stands up.)
 What, do you consider yourself a dumbbell?

Well, no, not exactly that sir, but I hate to see you stand there all alone.

!!!
 Miss Maxwell—Johnny, would you like to go to Heaven?
 Johnny—Yes, but mother told me to come home right after school.
 Mr. Neilson—So you are back in school. I thought that I expelled you last week.
 Denny—You did but don't do it again because my dad was plenty sore.
 !!!
 They laughed when I said I could

crack a joke but they threw me out when I cracked it.
 Nedra—(running into church)—I don't see any rails.
 !!!
 Polly—Rails for what?
 Nedra—Why for the bride's train to run on.
 Vernon—About how many cigarettes do you smoke a day?
 Harry—Just any given number.
 Roberta—Darling, let's get married.
 Frank—That suits me, but whom will you marry?

Why your neighbors are saying...

"Put back my Telephone"

Every day former users of telephone service ask us to re-connect their telephones. Here are some of the reasons they give:

"My husband is working again... we missed the telephone more than anything else."

"Frankly, we were beginning to be 'back-numbers.' Our friends couldn't call us, nor we them."

"I didn't like to think of my wife and youngsters at home without a telephone. I kept worrying about fires, hoboes, accidents... they had no protection."

Do you miss your telephone? Call the business office, now. Say, "I want a telephone."

BELLE BENNETT MISSIONARY SOCIETY IN MEET FEBRUARY 8

The Belle Bennett Missionary Society attended the zone meeting held in Jayton, Thursday, February 8th of last week. A splendid program consisting of several speeches and a play, "Mrs. Porter's Publicity," with a covered dish luncheon, was enjoyed by all who attended.

The Society meets every Monday afternoon at 3:00 p. m., at the Methodist Church and all members are urged to be present for the social hour. —Reporter.

THE CHURCH OF CHRIST

Services for Sunday, Feb. 25
 Bible Study—10:00 a. m.
 Preaching and worship—11:00 a. m.
 Subject: "How the Lord Saves People."
 Preaching—7:30 p. m.
 In the discussion of the church and kindred matters one frequently hears the statement that "One can be saved out of the church as well as in it." "What the New Testament teaches on this question will be considered in the morning sermon next Sunday." Since the church is a New Testament institution, the New Testament will be the authority in the matter.
 You are cordially invited to hear this sermon.
 Albert Smith, minister.

BURTON-BOLING

Miss Minnie Boling and Mr. Allison Burton were married at Dickens Saturday, February 17th in the presence of a few friends.

Miss Boling is the only daughter of Mr. and Mrs. W. L. Boling of Floydada, former residents of Girard. Miss Boling has been employed at the Stiles Cafe in Girard the past few months. Mr. Burton is one of the highly respected young business men of Girard. The couple will make their home at Girard.

M., I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of the said W. R. Horn and Bertha J. Horn, and in compliance with law I give this notice by publication, in the English Language, once a week for three consecutive weeks immediately preceding said day of sale in the Dickens County Times, a newspaper published in Dickens County, Texas.

WITNESS MY HAND, this the 10th day of February, A. D., 1934.

W. B. ARTHUR,
Sheriff, Dickens County, Texas.

MRS. WILLIE PASSES AWAY
TUESDAY OF LAST WEEK

Mrs. Willie, who lives just north of Dickens, died in a Memphis hospital Tuesday night. She had been an invalid for a long time and the past year had been confined to her bed as a result of a paralytic stroke. She was taken to Memphis a few days ago thinking something might be done to help her. Funeral services were held at Dickens Wednesday afternoon and interment followed in Dickens cemetery. Mr. and Mrs. Willie moved to this county many years ago and developed a wide range of friendship.

BLUE BONNET CLUB MEETS

The Blue Bonnet Club and other guests were entertained Friday, February 9, in the home of Mrs. P. C. Nichols. Forty-two was played for awhile and 84 as a diversion. Those making 84 were presented with a beautiful valentine. After much merriment and excitement the tables were placed together and 84 was played for some time. Then the side making the highest score chose one of their number, making three favorite queens who were: Mesdames Barber and Campbell. A balloon was thrown in the air, Mrs. Barber caught it and was the favorite for the evening. Mrs. Sam Z. Hall furnished the party with lovely piano music throughout the evening.

Lovely refreshments consisting of sandwiches, angel food cake, olives, nuts and coffee with a valentine favor were served to the following: Mmes. Blackwell, J. P. Carson, R. E. Dickson, D. L. Granberry, Roy Stovall, B. P. Hale, Sam Z. Hall, E. L. Caraway, Jas. B. Reed, W. S. Campbell, Homer Schrimsher, M. C. Golding, Thad Murrey, W. F. Godfrey, Cal Martin, E. C. Edmonds, Birl Hight, Chas. Whitner, G. L. Barber, G. J. Lane, Luther Powell, J. E. Morris, J. H. Grace and A. M. Walker.

DICKENS COUNTY CLUB
WOMEN TO KEEP REPORTS

"I have a paper and pencil hanging in my kitchen where I keep a record of the eggs, gathered, used and sold," Mrs. W. J. Elliott told the Twin Wells Club women Tuesday afternoon. "I can add a column for canned foods, chickens used, and other things that will help me to make my food record more accurate this fall."

"As farm food supply demonstrator I shall expect each of my co-operators to keep records during the year so our reports will be accurate and complete when we turn them in in November," said Mrs. L. B. McMeans. One responsibility of the demonstrators in each major demonstration

carried this year in Extension Service work is to assist the co-operators in achieving the goals set for the county and collect the reports of the co-operators. In order to have accurate reports it is necessary that those records be kept throughout the year rather than trying to compile them in October. Wake Up Your Liver Bile
—Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25¢ at drug stores. ©1931 C. M. Co.

MRS. LULA AUSTIN

Mrs. Lula Austin, wife of W. M. Austin, of East Afton, died of complications which set up from the result of measles Tuesday afternoon at her home. Funeral services were held Wednesday afternoon at Dickens in charge of the Church of Christ. Webber Williams had charge of interment which was made in Dickens cemetery.

Mrs. Austin was about 55 years of age and had been a citizen of Afton country for over 30 years. She leaves a large number of relatives to mourn her going away.

**RECEPTION AT
BAPTIST CHURCH**

A reception was given in the basement of the Baptist Church last Friday night at 8:00 for our new Pastor and wife, Dr. and Mrs. M. F. Ewton. As this was the anniversary of the W. M. S. each past president was in the receiving line with the pastor and wife. After the crowd had gathered the following program was given:

Song led by M. D. Ivey.
Devotional—by Mrs. Minnie Lewis.
History of the W. M. S. by Mrs. Cowan.

Song by all.
Poem, "The Ladies Aid Society" read and each lady was demonstrated by Mrs. P. C. Nichols.

Quartet by Vernon Brothers, Alexander and Moore.

A short play in pantomime was presented, "Pastor's Presentation". This was a brief sketch given in pantomime and song of the pastor and his bride.

Immediately following the program two little boys appeared pulling an express wagon asking for the parson. The wagon was loaded with many useful gifts for Dr. and Mrs. Ewton, that were given by all departments of the Sunday school.

After a short talk from Dr. Ewton we were served lovely refreshments which were fruit punch and angel food cake with favors of valentines. Those serving were Mrs. Schrimsher Reed, Swan, Walker and Miss Pratt. All of near 300 declared a most enjoyable evening.

CHEVROLET ANNOUNCES
a revolutionary new line of low-priced trucks

Bigger, huskier models feature an entirely new engine, giving increased power on less fuel than ever!

THE 1934 line of Chevrolet trucks—truck-built for truck service all the way through—feature the *Blue-Flame engine*—a great new development that will be welcomed by every truck buyer in America. Here are the remarkable facts: The new Chevrolet trucks are even bigger than last year's

models—bigger in bodies, with stronger, heavier frames, huskier transmissions and rear axles, and larger brakes. They will deliver more power. They will haul bigger loads than ever. Yet, thanks to the new *Blue-Flame engine*, operating costs are actually lower than before—and that means the lowest

in the hauling field. The net result of all these improvements is a line of trucks like no others on the market—the first to offer such a combination of big capacity, great power and unequalled economy. **CHEVROLET MOTOR CO., DETROIT, MICHIGAN**

Predicts Skilled Labor Shortage In Steel Mills

NEW YORK, N. Y.—A shortage of skilled labor in the steel industry, if the expected rise in mill operations this spring reaches substantial levels, is predicted by W. S. Tower, Executive Secretary of the American Iron & Steel Institute, New York.

"Under the provisions of the Code," Tower said, "the iron and steel industry had added more than 60,000 employees before the close of 1933 despite the sharp decline in operations. Monthly pay rolls during the closing months of 1933 were at the rate of approximately \$70,000,000 a year greater than last June.

"If operations in the industry increase to as much as 70 per cent of capacity at least 125,000 additional employees will be needed, making another heavy increase in wages distributed by the steel mills.

"Many of these added employees will be skilled operators and present indications are that the present supply of such workers would be exhausted long before requirements could be filled.

"Not only have more men been added to pay rolls, but hourly wage earnings have gone up 24 per cent since the Code went into effect. Steel prices have advanced very little and are still close to the lowest levels in 20 years.

"Part of the added labor costs to the steel industry has come from practically complete elimination of the 10 hour day and adoption of the

W. S. TOWER

eight hour day, although this was not mandatory under the Code until the operations reached 60 per cent of capacity. The operating rate is now about 34 per cent with a rising trend.

"As indicated by compliance with the employment provisions of the Steel Code in spite of the huge financial burden imposed, as well as the other terms of the Code, the steel industry is co-operating wholeheartedly with the NRA in an effort to speed industrial recovery."

Production Credit Assn. Explained

The 1934 crop season will mean the beginning of a better system of credit for many farmers who are preparing to finance the year's farming by means of short term loans through the production credit associations which are being organized under the Farm Credit Administration throughout the State.

Under the Farm Credit Administration the Federal Land Bank of Houston will continue to make long-term real estate mortgage loans; but the administration is also providing a long-needed system of short-term production credit for farmers and stockmen—loans to be used for producing crops and for the breeding, raising and fattening of livestock. This is a comprehensive credit system and it is designed to be permanent.

Farmers and stockmen in this lo-

cality will be served by the Spur Production Credit Association, which was chartered on January 10, 1934 to serve producers in Dickens, Kent, King and Motley counties.

The Spur Production Credit association was organized through the cooperation of representative farmers of the counties included, with the assistance of the Production Credit Corporation of Houston. There is one of these corporations in each of the 12 land banks from the Federal Intermediate Credit Bank of Houston, which will discount well-secured notes of farmers and stockmen.

A production credit association does not lend Government money. The funds that will be loaned are obtained by the Intermediate Credit Bank which sells short term bonds, or debentures, to the investing public. In other words, the money is being borrowed to be loaned to eligible farmers to enable them to produce a season's crop. The association is not a charity institution; but a business credit institution for business-minded

farmers. The purpose is to make loans that farmers can afford to use for a season's operations, and which will be repaid at the end of the season. It is a pay-as-you-go plan for agriculture.

Most of the loans will run from 3 to 12 months, depending on the length of time required for growing and marketing the crop or livestock which the loan is made to produce. Loans for crop production will usually mature in less than a year, although loans such as those on dairy and breeding cattle may run longer. Applications for those short-term loans are handled in this territory by James B. Reed, Spur, Texas.

Applications will be acted upon quickly when they give a clear financial statement of the applicant's farming condition, listing all assets and liabilities, and estimating net worth. The applicant should name specifically all of his farming assets offered as security for the loan, and give a plan, or budget, showing how he is going to use the loan applied for and how he is going to repay it.

Primary security for production loans consists of livestock, farming equipment, growing crops, or other personal property most appropriate to secure the loan adequately and make up a chattel mortgage. It is not intended that loans shall be secured primarily by mortgages on real estate. Where this type of security is taken it will be regarded only as additional collateral.

The minimum loan is \$50 and no loan may exceed 20 per cent of the authorized capital of the association unless the loan is adequately secured by collateral and approved by the Corporation. The amount of the loan should correspond with the actual need for credit.

After a farmer's or stockman's statement is checked and the property offered as security for the loan per se is received his financial condition inspected by a loan inspector of the association. Regulations about inspection charges and collection may be charged as required by the Production credit corporation. Usually no charge will be made for inspection if the loan is not granted.

If the report of the inspector is satisfactory and the loan is approved by the loan committee of the association, the farmer's or stockman's note is endorsed in the name of the association, and sent, along with his credit statement and chattel mortgage, to the Federal Intermediate Credit Bank of Houston. If the bank approves the credit statement and the security, it makes funds available to the association, and the association sends a check to the borrower immediately.

The authorized capital stock of the Spur Production Credit Association is \$40,000.00.

Actually the Production Credit Corporation of Houston owns about three fourths of the capital stock of an association. The farmers and stockmen who borrow from it own most of the remaining portion, each borrower being required to own 5 per cent of the amount of his loan in voting stock in the association.

A farmer or stockman who gets a loan from the association does not have to advance any money to pay for his stock, as the purchase price may be included in the loan, one \$5 share being purchased as each \$100 or fraction thereof of the loan money is advanced. The stock carries no double liability. Thus a borrower's liability in any possible impairment of capital of the association extends only to his own stock holding, amounting to \$5 for every \$100 or fraction thereof borrowed.

A farmer or stockman does not have to purchase new stock each time he borrows unless the stock he owns has become impaired in value or he wishes a larger loan. A borrower not indebted to the association may sell his stock to another eligible farmer or stockman, or may exchange it at its fair book value for non-voting stock. Such an exchange must be made within two years after the holder ceases to be a borrower.

WARDROBE DEMONSTRATORS ARE TRAINED

"Now that we have our foundation patterns we want to learn more about using them," Mrs. Dora R. Barnes, Extension Specialist in Clothing, told a group of wardrobe demonstrators from Dickens and Kent counties in an all-day meeting at Jayton Saturday. Each demonstrator cut the five types of sleeves, namely, bishop, bell, leg-of-mutton, dolman, ragland, using her foundation pattern. Then each one cut the sleeve best suited to her individual figure using a variation of one of more of the types. Mrs. Barnes gave instruction in cutting pajamas and slips by the foundation pattern. "Let's be careful to incorporate 1934 styles in our dresses and put style into our clothes. Style is selecting the line, color, and design best suited to

the individual," says Mrs. Barnes.

The demonstrators attending from Dickens county were: Mrs. Jim Eldredge, McAdoo; Mrs. R. C. Alexander, Prairie Chapel; Mrs. I. E. Abernathy, Soldier Mound; Mrs. J. L. Hutto, Dry Lake; Mrs. C. C. McCombs, Twin Wells; Miss Mattie Howell, Red Top; Miss Nellie Sue Durham, Duck Creek; Mrs. F. B. Crockett, Espuela; Mrs. W. O. Davenport, Stell Hill; Mrs. Roy Arrington, Red Hill; Mrs. Clark Forbis, Chandler; and Mrs. Thurmond Moore, Peaceful Hill. These demonstrators will give a similar demonstration in their clubs in March.

L. A. Hindman is reported improving after undergoing an operation at Milford, Kansas, last Wednesday.

Miss Nevada Baker, former Spur teacher, now of Lubbock, spent the week end with Mr. and Mrs. F. G. Collier.

H. C. Draper of Highway, was a pleasant caller at the Times office Wednesday.

C. D. Bird of Matador, was transacting business in our city Wednesday.
