VOLUME 10

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, MARCH 8, 1934

WHOLE NUMBER 450

COTTON REDUCTION EXCEEDS LAST YEAR

According to final tabulations compiled by County Agent G. J. Lane, Dickens County farmers are going to exceed the number of acres retired from production this year as compared to the number they plowed under in the cotton reduction campaign of 1933. This year the land is being rented to the government and a more whole hearted cooperation will not be found than was given by the farmers of Dickens County.

To date 756 contracts have been signed and approved by the county committee. Acres rented to the government by the 756 farmers is 31,275 acres, which is approximately 37% of average acres planted to cotton through the base years 1928-1932. According to contracts tabulated, the average acreage planted to cotton through the five years has been 85,270.

County Agent Lane ascribed the success of the cotton reduction campaign in Dickens County to the untiring efforts of the committeemen in each community. These men gave quite a lot of their time and an untiring effort to get this worth while result.

"Broadway to Hollywood" Boasts Large Chorus

The all-time record for "finale numbers" has been set in "Broadway to Hollywood," Metro-Goldwyn Mayer's vivid drama of three generations in the theatre, in which Alice Brady, Jackie Cooper, Jimmy Durante, Frank Morgan, Marie Evans, Eddie Quillan, Fay Templeton, May Robson and Russell Hardie will be seen, starting Saturday midnight at the Palace Theatre.

Five hundred dancers in the largest singing and dancing chorus ever assembled appear in the biggest set ever constructed in the great spectacle that furnishes the dramatic climax to the cavalcade of the stage. The spectacle is staged on a flight of two hundred steps proceeding apparently to the sky where a gigantic figure of "Father Time" is silhouetted.

Down the stairs of time come the dancers—first came men and women in their clothes of animal skins, then Indians, then an Irish ballet, then old-time Bowery dancers, all to the crashing music of a great symphony orchestra. Fay Templeton, famous Broadway star, sings her famous hit, "Rosie Posie." The whirl of dancers is in Technicolor.

Tennis-Playground Ball Contests Saturday

The first contests of the County Meet will be held in Spur Saturday, March 10th. The playground ball contestants will hold their events at the school grounds beginning about 9:30 a. m. The finals will be played in the afternoon.

The tennis contests will be held at the various private courts over town beginning in the morning but entrants will meet at the high school and receive their assignments and what hours they will play. The finals in this event will be held Saturday afternoon.

The public is invited to witness these contests. Coach Thad Murley is director of athletics for the county meet.

METHODIST NEWS NOTES

The Cap Rock Union of the Epworth League met with the Spur Leaguers the evening of March 2nd. Leaguers were present from Jayton, Dickens, McAdoo, Foreman Chapel and Roaring Springs. The next meeting will be at McAdoo, April 5th.

It is always interesting if not thrilling to be a member of a growing institution. Our Sunday School attendance last Sunday was the greatest of the church year and a spirit of optimism and good cheer prevailed.

The Stamford District Conference meets at Haskell next Tuesday, March 13th. Delegates from the local church are E. L. Yeats, W. S. Campbell, Mack Brown, H. C. Foote, Geo. S. Link, J. J. Ensey and Henry Alexander.

Bank Account Night Proving Popular

Wednesday night of last week Mrs. L. D. Rathif, Jr., was awarded a bank account of \$300.00 at the Spur Security Bank by the management of the Palace Theatre because she was present when her name was called.

There are no strings whatsoever attached to the award except that the person whose name is called must be in the theatre. It isn't even necessary to buy a ticket to sign the register, it is open to any one who hasn't signed, at all times.

Remember, a bank account is awarded every Wednesday night at 8:30 between the first and second performances.

Changes Made In Office Building

Several changes are being made in the Link Building which has been used by the Chamber of Commerce the past few years. New floors are being laid, the center partition has been removed and a new coat of paint will be added.

The building will have several different offices after completion. The Chamber of Commerce, the county Red Cross, the County Agent, the County Home Demonstration Agent and the government crop loan offices that have been in this building will continue there. In addition, the highway department will maintain an office in the back room and the Spur Production Credit Corporation will move their office to this building.

MR. AND MRS. CLIFFORD B. JONES RETURNED MONDAY

Mr. and Mrs. Clifford B. Jones, who have been in Fort Worth the past several months, returned to Spur Monday to make their home. Mr. Jones has been Public Works Administrator for Texas, Louisiana and New Mexico and closed his office in Fort Worth the first of March. The PWA office force and engineers are still at work and will continue until present construction is completed, the state boards and regional administrators being the only ones laid off.

Interest In Calf Show Increasing

Interest in the Calf Show, March 26, is increasing and a much larger crowd is expected to be present and see the calves exhibited by the vocational agriculture and 4-H club boys. Thirty-six calves have been entered in the show and they are of the best ever to be shown in this county.

The prize list announced last week will be given on nurse fed calves and grain fed calves, giving an equal chance to each calf and to the owner.

The following contributed: C. A. Jones, M. C. Golding, W. B. Lee, Bryant-Link Company, Spur Tailors, Spur Coffee Shop, Riter Hardware Company, Henry Alexander, Hogan & Patton, Hassen Bros. Company, Spur Motor Company, Jim Foster, Spur Truck & Tractor Company, Speers Variety Store, Campbell Furniture, Smitty's Tailor Shop, Rickels Market, Taylor's Department Store, Bell's Cafe, Spur Bakery, L. R. Burrow, D. Haigrove, Rule-Jayton Cotton Oil Company.

H. O. Everts, J. P. Caudle and Mr. Morgan form the committee on arrangements. The lot next door to the Palace Theatre will be used for the show. The calves will be brought in Friday and Saturday prior to the show on Monday and will be on exhibition until Monday night, March 26. W. L. Stangel of Texas Tech, will judge and place the calves and the public has a cordial invitation to be present for this feature.

THE ROWEL PRACTICE DEBATE

The debaters of Spur High School have had two practice debates with the Girard school debaters. One on Friday, March 2nd and another on Monday, March 5th. We are planning for another debate on Tuesday.

The Girard debaters are truly worthy of the conventional address of "worthy Opponents." We are very glad to have had the privilege of debating and hope that more things of their nature shall be encouraged in the future.

RITZ ENTERTAINED SENIORS

On the night of Friday, March 2nd the Ritz Theatre entertained the Senior Class with a free show, "Havana Widows." Every one enjoyed the show very much and a nice time was reported by all present.

Henry Alexander left for Dallas Tuesday to add some items to their local store. He stated before leaving that he hoped to meet Mrs. Alexander there. Mrs. Alexander has been visiting her mother in Chicago for some time.

Tom McArthur of Red Mud, was attending to business matters in our city Monday.

M. C. Golding Elected President Fair Association

M. C. Golding was elected president and Dewey L. Granberry, secretary, Friday night in a meeting of the Northwest Texas Fair Association, Plans for a Fair the latter part of September or the first of October were discussed and the date left open to be decided by the board of directors.

Mr. Granberry presided over the meeting and discussed various phases of the fair program to be submitted to the directors. It was decided to divide the fair into five departments as follows: Entertainment, Concessions, Finance, Grounds, and Exhibits. A superintendent of these departments will select assistants for each division.

Spur Mutual Adds Quarter Million In Insurance

The Spur Mutual Life Insurance Association officials, agents, directors and others climaxed a month's campaign with the celebration of the 33rd birthday of Fred C. Haile, secretary and treasurer at the Spur Inn last Thursday evening at a banquet. Field Manager, J. L. Hutto, who presided, stated that the campaign had added over a quarter million dollars in insurance to the amount already in force by Spur Mutual.

After turkey and all the "fixins" had been consumed, Mr. Hutto introduced all present and then introduced C. C. Haile, former secretary, who spoke on the origin of Spur Mutual, giving some interesting facts on the early struggles of the organization.

Spur Mutual Adds Quarter Million In Insurance

W. F. Jennings, president of Spur Mutual, spoke of the efficiency of the organization, especially the past and present management of this association was responsible for its soundness today after five years of depression.

W. D. Starcher, vice-president of Spur Mutual, spoke on "Service" and what it has meant to policy holders who have suffered death in their families. He stated that many families would have been in dire need had it not been for the service Spur Mutual gave them at their time of need.

W. B. Lee, president of Spur Security Bank, spoke on "Spur Mutual from a Banker's Viewpoint." Mr. Lee discussed the financial soundness of insurance and more especially the financial stability of Spur Mutual. He complimented the organization upon its leadership through the years.

Geo. S. Link, manager of Bryant-Link Company spoke of the work the Mutual had done and of the excellent management it had had.

Fred C. Haile was presented with a number of gifts for which he expressed his appreciation. He discussed further the future of the local mutual and what the leadership plans to do.

FACTS AND ACCOMPLISHMENTS OF COUNTY SUPERINTENDENT'S OFFICE

(The following are taken from a summary report of the work of the County Superintendent as compiled by the School Board of Dickens County, J. L. Karr, President.)

1. Inasmuch as it now becomes necessary to hold an election to determine whether the office of County Superintendent in Dickens County shall be continued, it seems worthy while to set forth some of the facts and activities of the office which have been carried out under the leadership of the County Superintendent and with the splendid cooperation of excellent superintendents and teachers, efficient trustees, and interested patrons.

2. Any discussion of the County Superintendent's office cannot fail to concern itself with the question of finance and its cost to the taxpayers. In this connection the following facts are submitted:

3. At present the cost of the County Superintendent's office to the county includes only such items as ledgers, record books and supplies all of which the county would have to provide even if the office were under the County Judge. All other expenses of the office come out of the County Administration fund. The County Superintendent is the only officer in the County who is a state officer. All of her salary, any office help she might have, and twenty five dollars per month for traveling expenses and for stamps are paid out of per capita

March 17 Dead Line For Hog Contracts

Word that Saturday March 17 has been appointed as the last sign-up day in Texas for the corn-hog campaign has been received by G. J. Lane, county agent for this county, from E. M. Regenbrecht, Extension Swine Specialist. Ten thousand nine hundred and fifty contracts were already in the offices of the county agents of Texas on February 24, according to incomplete reports from 121 counties. Contract signing has been going on as fast as it could be taken care of by the agents who have been more free to accept contracts since the heaviest of the cotton work is now out of the way. Mr. Regenbrecht stated in his letter to Mr. Lane. But unless a good many farmers get in ahead of the last sign-up day, March 17 is likely to be a rush day in county agents' offices all over the state.

Reports from Washington indicate that 450,000 contracts have been signed in the Corn Belt where great interest is being taken in this effort of the government to reduce production and raise prices for the farmer's main cash crops. Iowa holds the lead with 140,000 contracts Mr. Lane said. No particular effort has been made to push the signing of the corn-hog contracts in Dickens County, the county agent said, but the fact that this is one of the most liberal contracts that has ever been offered the farmer has acted as an incentive and farmers alive to their own interest as well as eager to cooperate with the Secretary's program for the benefit of agriculture as a whole have come in on their own initiative and signed up 29 contracts affecting 124 acres of corn and 1813 hogs.

THE CHURCH OF CHRIST

Services for Sunday, March 11. Bible Study, 10 a. m. Preaching and worship 11 a. m. Subject: Measuring the church by me.

Preaching, 7:30 p. m. Title: Our Obligation and Our Opportunity. Welcome.

Albert Smith, minister.

DUCK CREEK

Rev. Laney brought us two good messages Sunday. Good attendance for both services.

Much interest is shown in the Sunday school and we nearly always have good attendance for that.

Mrs. Poet Hagins has returned from quite an extended visit with a daughter in Waco. Mr. Hagins, W. Driggers, and Robbie Lou motored to Waco for her.

Miss Mary Pearl Hagins is right sick with flu.

Mrs. O. L. Driggers has been on the sick list for some time, but was able to be in the store Saturday while Mr. Driggers went to Spur for supplies.

Mr. Gregory and Mr. and Mrs. Vernon Gregory went to Matador Saturday to spend the week end with Mr. and Mrs. Nelson.

Sol Thomas was quite sick Friday but able to be up Saturday.

Mr. and Mrs. A. T. Bural have been going to Girard quite often to be at the bedside of a very sick friend, Mr. McDaniel.

Mr. and Mrs. J. T. Lewis, Mildred and Jack returned Sunday from Streetman, Texas, where they went to attend the funeral of Mrs. Lewis' father, Mr. Vinson.

Mr. and Mrs. Leslie Smith of Roaring Springs, were in Spur attending the theatre Tuesday evening.

BANKERS ATTEND MEETING AT MATADOR FRIDAY

The Cap Rock Bankers Association held their spring meeting at Matador last Friday. Elmer Stearns and J. K. Crews of the Matador banks were hosts to the visitors. F. G. Collier, cashier of the Spur Security Bank, president of the association presided over the meeting.

J. M. Crews of First National Bank of Childress, made the feature address of the day, discussing service charges by banks. Other speakers were: Wade Cooper of Crosbyton, Ed McLaughlin of Ralls, Fred Weise of Lorenzo, W. B. Lee of Spur, Elmer Stearns and J. K. Knox of Matador.

It was reported that the meeting was one of celebration when the bankers began comparing notes with a year ago when the banks were closed for two weeks and the future looked far from promising.

The next meeting will be held at Lorenzo, Labor Day, with the Lorenzo bank as host.

Football District Meeting at Matador

Supt. Sam Z. Hall, and Coach Thad Murley, were in Matador Saturday attending a meeting of officials in the new District 4 of the Interscholastic League of which Spur is a member. Supt. B. F. Tunnell of Matador, acting chairman, was elected chairman for the 1934 season.

The district was divided into the north and south parts, and the teams in each half will play all other teams, the championship to be decided on a percentage basis. In case of a tie, the teams will play it off, the championship to be decided not later than November 24 in order that the district championship game be played before the inter-district games. A committee was appointed to arrange for trophies to be awarded place winners.

A fee of two dollars will be charged each school for taking care of expenses of chairman and secretary, to be paid not later than September 15th.

Protest fees will be \$15.00, checks to be put up by September 15 and date left open. Eligibility lists from each school are to be furnished the committee before the first conference game.

The executive committee is composed of a representative from each school in the district as follows: Cummings, Floydada; Jones, Lockney; Jarvis, Wellington; Sharp, Dickens; Jay, Turkey; Scheid, Quitaque; Kelsey, Silvertown; and Tunnell, Matador. The next meeting will be September 22, at which time the list of officials will be taken up and their rate of pay decided. The meeting was very harmonious.

"Eyes of Love" Palace Friday

"Eyes of Love" will be presented by the Spur Dramatic Club at the Palace Theatre Friday evening at eight o'clock. The cast is all home talent and will be well worth seeing.

The play has been given at McAdoo, Jayton and Girard and was well received at these places. Miss Prescott is the director and according to reports has a well trained group of young players.

Regular admission prices will prevail and no feature picture will be shown.

H. P. Gibson Elected Secretary Loan Assn.

At a meeting of the board of directors, H. P. Gibson was elected secretary and treasurer of the Spur Production Credit Corporation Tuesday afternoon. James B. Reed, who was elected to this position at the time the corporation was formed, had too many other duties to attend to and resigned. Mr. Gibson has been taking loan applications for some time. The office will be moved in the next week to the Chamber of Commerce building in order to be on the ground floor.

Declamation Try-Outs Thursday Evening

The Junior and Senior High School elimination contests in declamation will be held at the East Ward auditorium Thursday evening, March 8th. Admission fee will be five cents and the program will begin at 7:30.

The winners will represent Spur school in the County Meet, March 16-17. The following have entered in the division named:

Senior Boys: Clifton Pope, Cecil Durham and William Starcher.

Senior Girls: Doris Arthur, Nedra Hogan and Bertha Carlisle.

Junior Boys: Edward Carroll, Van Haigrove and Coleman Dodson.

Junior Girls: Helen Hale, Nell Arthur, Marjorie Burrow, Sybil Schrimsher, Mary Louise Lisenby, Sarah B. Draper, Lois Jo Fallis, Joyce Koon, Rebecca Underwood, Billie Burke Hisey.

Mr. and Mrs. Dick Speer were in Stamford last Sunday to meet Mr. Speer's father of Winters, who visited in their home last Monday.

Regulations For Making Emergency Crop Loans-1934

Regulations for making emergency crop loans from the \$10,000,000 fund recently made available by Congress indicates that a farmer may obtain such a loan if he cannot qualify for credit elsewhere, if he has a justified need for credit and if he is cooperating with the production control program of the Agricultural Adjustment Administration, according to a statement made today by S. M. Garwood, Production Credit Commissioner of the Farm Credit Administration.

The maximum amount which will be made available to any one farmer this year is \$250 and the minimum is \$25 according to the regulations. The interest rate will be 5 1/2% per annum. Provisions for taking crop liens have been worked out under Mr. Garwood's direction and detailed regulations will be placed in the hands of local emergency crop loan committees within the near future. The time and place where these committees will receive applications will be made known locally within a short time.

Before any farmer may secure a loan, however, he must first obtain a statement from the County Production Council where one exists, that he does not intend to increase his acreage or production in opposition to the Agricultural Adjustment Administration program. Where a county production council has not been set up, the applicant will have to give satisfactory evidence that he is cooperating with the production control program of the Agricultural Adjustment Administration, before his application for a loan will be considered.

Applications for loans from \$25 to \$150 may be made directly to the emergency crop loan offices provided the applicants do not have sufficient security to obtain loans elsewhere.

A farmer applying for a loan of \$150 or more must first make application for a loan to the Production Credit Association serving his county. Rejection of his application by the Production Credit Association will be considered sufficient evidence that other credit is not available and the farmer may then make application to the emergency crop loan office.

The emergency crop loans are entirely separate from, and are not to be confused with production credit association loans. The Emergency Crop Loan Fund is an emergency relief measure for this year only, to make available funds to those who cannot qualify for credit through the regular channels of a production credit association.

In announcing the regulations, Mr. Garwood said he could not emphasize too strongly that the emergency crop loans are to provide a means of temporary relief for this year only, and this year's loans probably will be the last of their kind.

Farmers who have a source of income other than farming are not eligible for emergency crop loans.

The fund will be used to make loans not exceeding the cash cost of growing crops during the year 1934, for summer following, and for winter wheat to be planted in 1934 and harvested in 1935. An amount from the fund, not to exceed \$1,000,000 may be used to make loans to purchase feed for livestock in areas designated by the Governor of the Farm Credit Administration as drought and storm-stricken. The fund may not be used to make loans to replace workstock. Loans from the fund may not be used for the payment of existing debts, rent, taxes or past due accounts. The Emergency Crop Loan Act is an emergency relief measure and not a refinancing measure. Loans are to be made only to farmers who need relief to help carry on the basic farming operations necessary in making a living. The money was appropriated for the specific purpose of producing, planting, following and cultivating crops, and for food for farm livestock in drought and storm-stricken areas.

DR. KNAPP TO DELIVER COMMENCEMENT ADDRESS

Dr. Bradford Knapp, president of Texas Technological College, has been invited to give the commencement address at the Stephen F. Austin State Teachers College in Nacogdoches, May 28.

DR. J. O. ELLSWORTH TO ADDRESS S. S. S. ASSN.

Lubbock, Texas, March 5.—Dr. J. O. Ellsworth, head of the agricultural economics department at Texas Technological College, will address the agricultural economics section of the Southwestern Social Science Association which meets in Dallas, March 30 and 31 on the subject of "Effects of the Agricultural Adjustment Act on the Wheat Industry."

TECH TOGETHER TWO NEW DORMITORIES ON CAMPUS

A contract with the Public Works Administration has recently been signed by the directors of the Texas Technological College to finance the building of two dormitories on the Tech campus which are to cost \$650,000 and house 321 students each. The meeting of the board of directors was held in the Fort Worth offices of Clifford B. Jones, chairman.

"Only one more signature is needed for the completion of the contract," Clifford B. Jones explained. "Secretary Ickes, who is head of the Public Works Administration as well as Secretary of the Interior, will probably sign as soon as he receives the document, as it was originally prepared in Washington."

W. S. Bellows Construction Company of Oklahoma City has the contract for the building of the structures. Actual construction work is expected to begin in the near future.

TECH EXPEDITION TO YAQUI COUNTRY NOW ON ITS WAY

Texas Technological College's first major expedition is now on its way into the heart of the Yaqui River country or Sonora, Mexico, where original research as to the history, customs and habits of the Yaqui Indians is hoped to be found by Dr. W. C. Holden, leader of the group.

Three recognized scientists, a surgeon, a newspaperman, a clothing merchant and a first string Matador football player will make up the party. The scientists are, Dr. W. C. Holden, historian and anthropologist, and Dr. R. A. Studhalter, ethnobotanologist, of Texas Technological College; and Dr. Carl Seltzer, physical anthropologist, of Harvard University.

Dr. Charles J. Wagner, Lubbock surgeon; Charles A. Guy, publisher of the Lubbock Avalanche-Journal; Ross Edwards, Lubbock clothing merchant; and Bennie McWilliams of San Benito, first string tackle on the Matador football team and student in anthropology who is to act as cook, interpreter, and truck driver, complete the party.

Two cars and a heavily loaded truck are being used for transportation. A week's time is expected for the trip to the camping base which is about 60 miles inland from Guaymas, Mex-

ico, on the Gulf of California coast. Stops have been planned in Van Horn and El Paso, Texas; Tucson and Nogales, Arizona; and Hermosillo and Guaymas, Mexico.

They will be joined by representatives of the Yaqui Indians in Tucson and escorted through the bad lands to Guaymas, the nearest city to the base. A beaded rabbit's foot, belonging to Mrs. R. L. Slaughter of Lubbock, which, she claims, brought her luck at one time when she was captured by Yaqui Indians and held prisoner for 24 hours before being released, will be carried by Dr. Holden as a talisman for good luck.

Although there was a slow and drizzling rainfall at the time the group pulled out of Lubbock, everyone was in good spirits and happy to be on the way. Six weeks will be taken for the journey, the time for return being set for April 15.

HEALTH DEPARTMENT SAYS CLEAN-UP; PREVENT ILLNESS

The warm days of spring will soon be here and the Texas State Department of Health urges everyone to see that their property is cleaned of the winter's accumulation of trash. It is only through individual responsibility and effort that one can have a clean and neat appearing city.

In planning your spring cleaning start with the house itself in the attic and work down, not forgetting the basement. Attics and basements are the greatest collectors of refuse and therefore of dust and dirt that the house possesses, and their neglect often constitutes a serious fire hazard. Do not forget to screen against flies and mosquitoes. The better the job of cleaning, and with a garbage pail kept tightly covered, the fewer flies there will be, because flies love dirt and filth and breed in garbage and other filth.

Under the C. W. A. sanitary project pit privies and septic tanks may be installed at no cost for labor, also private water supplies may be installed. This will be a great improvement in rural sections and towns that do not have a city water supply or sewer system.

We are prone to judge people in no small measure by the kind of yard keepers we think they are. Many times you have heard some one say, "No, I don't know the people next door but they cannot amount to much because their yard is cluttered with tin cans and papers and their garbage can is always open." Do not let your neighbors be able to pass judgment on you on such grounds.

REVIVAL MEETING TO START AT DICKENS

A revival meeting at the Methodist Church in Dickens will begin Sunday, March 18. Rev. Frank Bishop, of Lubbock, will do the preaching. Rev. Beauchamp is an able speaker and is considered one of the leading ministers of West Texas.

The music will be in charge of the pastor, Rev. W. L. Porterfield. There will be a good choir and special selections during the meeting. The people are extended an invitation to attend any, or all of the services.

Odus Holley Makes Honor Roll at Texas Tech

Odus Holley, Spur senior at Texas Tech, according to official announcement made an average of B-plus for 18 hours of work the first semester of the 1933-34 term and was placed on the honor roll for that term.

YOUNG DEMOCRATS ORGANIZE

The Young Democrats of Dickens County met Thursday at Dickens and selected a chairman and also a secretary-treasurer for 1934 and discussed plans for putting the organization to work. Jephtha Craig of Spur, was elected chairman and Paul Akin of Dickens was elected secretary-treasurer.

Fred C. Haile, candidate for Congress, presided in the absence of Robt. Nickles, county chairman, and discussed the duties of the Young Democrats. He stated that every young person should affiliate and do their part in this organization which is for them and by them. The organization is sponsored by James A. Farley, national executive committee chairman, for the purpose of giving the younger members of the party a part to play in the Democratic. Mr. Haile continued with, "This organization should not only function through the coming primaries, but through next year and the years to follow, and only by efficient organization can they accomplish anything and carry out the program of the Young Democrats and the Democratic party."

A suggestion was made that dues be not less than 50c nor more than \$1.00. This was carried over for final decision until the next meeting. The age limit adopted was 40 years with any Democrat over that age to be considered as an honorary member but would not have a vote.

The new chairman announces that a meeting will be called again soon to elect a county executive committee and adopt a constitution and by-laws. Membership cards have been sent for and a campaign will be conducted to get as many members as possible when they arrive.

HOMESTEAD COLONY IS APPROVED FOR LUBBOCK

Approval of the Texas Rural Community Homestead colony to be established near Lubbock has recently been given by the board of directors, according to Dr. Bradford Knapp, president of Texas Technological College and member of the board. This is to be the largest homestead colony in the state, to be made up of 100 families who will settle on 40 acres each.

A. B. Davis, manager of the Lubbock Chamber of Commerce, presented the proposed brief and application to the board. Dean A. H. Leidigh, Prof. W. L. Stangel, and Dr. J. O. Ellsworth, all of Texas Technological College, together with Don Jones, sup-

erintendent of the state agricultural experiment station of Lubbock, P. T. Montfort, county agent, and Miss Hazel Brantley, home demonstration agent, were instrumental in drawing the plans and carrying out the work of introducing the plan.

This is one of five to be operated in the state. Others are at Woodlake, Nacogdoches, Mexia and Wichita Falls. President Knapp stated.

Mrs. H. K. Thompson of Trinity county will be supervisor of the project. Co-operative work in canning and meat curing, in addition to farming, will be done. A small acreage of each farm will be devoted to irrigating vegetables. Each tract is to have two mules, one cow, two meat hogs, and 50 hens.

Suitable dwellings connected with water, sewage, gas, and electricity are to be constructed. Poultry houses, storage houses, garage and wash room are to be on each farm to complete the building requirements.

This is an experiment in relief measures and is to provide for selected families of farm experience who are not at the present time on farms and are out of employment.

Each homesteader is to buy the tracts, valued at about \$3,500 complete, payable in small installments extending over 20 years. Cash income is to be derived from planting a certain amount of cotton, engaging in hog raising, dairying, or poultry raising.

The administrator of the colony is to determine the major crops to be grown, selecting those which he deems most profitable.

Additional income may be secured from such home industries as weaving, meat curing, livestock feeding, home canning, dairy manufacturing, and poultry production.

Date for occupancy has been set for May 1, 1934.

SIMPSONS ATTEND BEAUTY SCHOOL IN DALLAS

Mr. and Mrs. W. B. Simpson returned the last of the week from Dallas where they attended a show and beauty school. Mr. Simpson stated that they studied the latest methods of hair dressing and permanent waving and took a short course in skin beautification. The Simpsons' recently installed a new permanent waving machine and hair drier type as shown at the Dallas show.

RETURNS TO SPUR

Miss Alice Brashear, who has been in Cameron with her people the past several weeks, returned to Spur the last of the week and is now in charge of the Western Union office. Miss

Brashear had a breakdown in health. Miss Sarah Ragsdill, who had been in charge of the local Western Union office as relief operator, returned to her home at Clarksville.

We say . . .

"Spring at this chance before Spring!"

DO YOU KNOW why so many people are buying tires from us earlier than usual this year? Why Goodyear factories are humming? . . . Everyone believes prices are headed upward—and thinking drivers figure it's no saving to run risks while using up old rubber, only to pay more for new tires later . . . That's why we say "Spring at this chance before Spring"—this chance to buy at present low prices . . . Invest in a whole new set of Goodyears—you'll be glad you acted on our advice.

GOOD YEAR

Still priced as low as **\$6.20**

We have guaranteed Goodyears at lower prices than our All-Weather shown here—but more people buy the All-Weather! Tires are still so low in price that, unless you're trading in your car this Spring, it's best to invest in the best. That way you spread the benefit of today's great values over the most months and miles.

Knighthood of Youth Club
 On February 20th, the third and fourth grade classes organized a Knighthood of Youth Club for the purpose of adding to the happiness of everyone and to encourage each member to improve himself to the best of his ability. The club is sponsored by the National Child Welfare Association of New York City.
 Our local organization was named The Nightingale Circle. Florence Nightingale was chosen as the club's health hero.
 In the first meeting Sarah Anne Crider was elected president, Geneva Byrd vice president, Loyce Stanton, secretary-treasurer; Polly Harvey, song leader; Maggie Stone, sell leader and Peggy Slaton, reporter. The regular meeting will be every Friday. The Constitution and By-Laws were drawn up and committees appointed. Group and individual adventures were suggested for the club members to work on and everyone is extremely interested in the new projects. —Reporter.

PILLOW SLIPS ARE TO BE LABELED

Labeling their pillow slips with labels one and a half by two and a half inches on which are written the name, year of club work, and name of club, completed the work on pillow cases in the Duck Creek club Tuesday morning when the girls made and basted the labels on the inside hem of their pillow slips.
 Every member was present. Club members are Arloiene and Pauline Hagens, Robbie Lou Driggers, Marguerite Bural, Zora Mae Swaringen, Ruth Matlock, and Katherine Thach. Artie Mae Franz was a visitor.

BEDROOM DEMONSTRATOR IMPROVES WHOLE HOUSE

Improving a bedroom means also improving the whole house for Mrs. H. A. McLaurin, who is bedroom demonstrator for the Duck Creek home demonstration club. A new roof on the back of the house makes it possible to use the two back rooms thus doubling the size of the house and giving a room for a living room. Papering the bedroom improved in the demonstration will mean papering all the house. A closet will be built along one way, in the bedroom providing a large closet for both the bedroom and living room. By doing most of the work themselves the cost of making the improvements will be kept to a minimum. "It is going to be so nice, I guess it has been worth waiting two years to have it," says Mrs. McLaurin who is planning and working too.

WE ENJOY "42"

"What grand entertainers our wives are," said the husbands of McAdoo's home demonstration club Tuesday night of last week at Mrs. Frank Carter's at the night meeting of the club.

The ladies found that their husbands really like to be entertained by their wives, especially with 42. It was amusing to see Mr. Jim Nickels enthusiastic as a loser when he played his last game at the head table.

About twenty were present with Mr. and Mrs. Twaddell and Mr. and Mrs. A. M. Lay as special guests.

All women are especially invited to Mrs. Jim Eldredge's Monday, March 13 where we are going to learn to cut various sleeves by our foundation patterns.

Each lady is to bring sandwiches, fruit or cookies for lunch. Also bring pins, a large piece of paper and a yard stick. —Reporter.

L. N. R. tier returned the last of the week from Forney and Dallas where he had been attending to business matters.

M. V. Whitbeck, district manager of Safeway Stores, was here Wednesday to look after business at the local store.

Quite a number of Spur citizens were in Lubbock Monday night to see Jack Dempsey, who was there refereeing some boxing matches.

MRS. P. C. NICHOLS, Editor

FRIDAY AFTERNOON CLUB

Last Friday afternoon, March 2, Mrs. Tom Dickey opened her beautiful home in East Spur to the Friday Afternoon Club and some invited guests. Three tables were gracefully entertained with 84 while the others enjoyed 42. The tallies and score pads were of the shamrock design. At the close of the afternoon lovely refreshments of chicken salad, marshmallow pudding and coffee were served to the following members:

Mesdames Horton Barrett, Acie Bailey, Neal Chastain, Horace Gibson, Ned C. Hale, Ned Hogan, W. R. Lewis, C. L. Love, Roy Stovall, S. H. Twaddell, J. P. Carson, Nellie Davis, Tom Johnson, Weaver, H. P. Schrimsher, James B. Reed, B. F. Hale, E. L. Caraway, Jim Foster, Daniels, Jack McCulley, M. C. Golding, J. E. Morris, W. S. Campbell, P. C. Nichols, F. W. Jennings, Forbis, and Miss Maude Bailey.

INTERMEDIATE B. Y. P. U. SOCIAL

The "Pep-Ups" were joyously entertained Friday evening, March 2, in the basement of the Baptist Church. Business was the first thing to be done. New officers were elected. Then the social hour was here and all enjoyed many games. When the hour was approaching for the enjoyable evening to come to a close the sponsors who were Mrs. L. W. Langston and Mrs. Homer Schrimsher served hot chocolate and cakes. Those present were: Pauline Hutto, Evelyn Ivey, Bernice Justice, Marjorie Burrow, Jane Godfrey, Ouida Fern Dobbins, Melba Jo Hazel, Winifred Bell, Mavis Ellis, Sybal Schrimsher, Lorene McArthur, James H. Cowan, Wilson Justice, Buck Martin, Everett Martin, Norman Priest, Lanier Gilbert, Harold Cole, J. L. Hutto, John Moore, Jr., Harvey Ellis Vernon, Richard Ensey, John Laney and Lawrence Percell.

20TH CENTURY CLUB

The Twentieth Century Study Club met with Mrs. B. F. Hale at 3:30 Tuesday afternoon. The house was called to order by the president, Mrs. P. C. Nichols. The minutes were read and roll call was answered with the "oddest thing I ever saw." This was very interesting. The business hour was rather long as the club was planning an old fashioned box supper next Tuesday evening, March 13 in the home of Mr. and Mrs. J. P. Carson. Then many discussed going to the district meeting in April. After this there was an interesting program on Mexico. Mrs. Mack Brown was the principal speaker. Mrs. Caraway brought in other interesting things about Mexico and the hostess served a delicious ice punch. On account of sickness there were only 14 present.

Carson and Misses Frances Manning and Uda Mae Whitener.

RECEPTION

One of the prettiest parties of the season was given Friday evening by Miss Gerome Kooner at the home of Dr. and Mrs. P. C. Nichols for Rev. and Mrs. M. F. Ewton.

The spacious living room was decorated with large vases of red carnations and pot plants.

In the receiving line were Dr. and Mrs. Nichols, Miss Kooner and Rev. and Mrs. Ewton and Mrs. E. D. Engleman.

Miss Stella Kooner received the ladies in the bedroom to dispose of their wraps, while little Laveris Lee and Jean Engleman received the gentlemen hats and overcoats.

Mrs. E. S. Lee seated the guests in the living room.

After matching clover leaf partners they were all seated, all participating in singing the song "Smile". After a good many laughs the following program was rendered:

"Fleeting Hour", duet sung by Mrs. J. W. Henry and Mrs. R. E. Dickson. Song and readings by Laveris Lee and Jean Engleman.

Reading "The Newlyweds" by Mrs. Nell Henry.

Accordions solos, by Miss Richter.

After the program, many interesting contests and games were played, such as "Music Lovers", "Motor Romance", the couple getting the correct answer or making the highest grade were Miss Pratt and Mr. Joe Long.

As they proved to have the intelligence of the crowd they were called upon for a song, they sang as a duet, "Down by the Old Mill Stream".

Next the crowd was divided into six groups, paper sacks were handed the captains, they were to be blown up and popped and the contents adjusted by the group. This caused much merriment.

After several other joyful games the group was again favored by some more music by Miss Richter on her accordion and Mrs. Granberry gave several numbers on the piano.

Miss Kooner was assisted in serving by her sisters, Mrs. Stella Kooner, Mrs. E. S. Lee and Mrs. Engleman. Lovely refreshments of salad, olives, angel food squares and coffee with clover leaf favors were served to the following: Rev. and Mrs. M. F. Ewton, Mr. and Mrs. E. D. Engleman, Mr. and Mrs. F. G. Collier, Mr. and Mrs. J. P. Carson, Mr. and Mrs. O. L. Kelley, Mr. and Mrs. Bill Putman, Mr. and Mrs. M. D. Ivey, Mr. and Mrs. James B. Reed, Mr. and Mrs. Alton Chapman, Mr. and Mrs. H. P. Schrimsher, Mr. and Mrs. J. W. Henry, Mr. and Mrs. Roy Stovall, Mr. and Mrs. E. S. Lee, Mesdames A. M. Walker, Weaver, Thad Murley, D. L. Granberry, R. E. Dickson, Misses Clara Pratt, Rachel Langston, Jane Douglas Wilson, Rich-

ter, Stella Kooner, Laveris Lee, Jean Engleman, Dr. and Mrs. Nichols, Mr. and Mrs. Penn Shugart and Mr. and Mrs. Joe B. Long.

SHOWER

The Presbyterian ladies entertained at the home of Mrs. Roy Stovall last Monday afternoon at 3:00 o'clock with a shower given to Mrs. L. D. Ratliff, Jr. The guests were asked to write in "Wish Book" then the gifts were displayed and there were many beautiful ones.

Refreshments of ice tea and pound cake were served to the following: Mesdames T. K. Posey, Sam Clemmons, J. C. McNeill, III, Bill Dorsey, Ray Sanders, Dick Speer, Fred C. Hale, S. H. Twaddell, Frank Goff, F. W. Jennings, C. L. Love, Alton B. Chapman, J. W. Meadows, Roy Stovall and Miss Eva Murphy.

Those sending gifts were Mesdames E. A. Russell, S. R. Bowman, Thad Murley, J. P. Carson, J. L. Rosamond, James McCormick, M. W. Chapman, Geo. S. Link, Pat Watson, Coy McMahan, W. H. Suddeth, Misses Sarah McNeill and Dorothy Carson.

SETH PARKER CLUB

The Seth Parker Club met Tuesday evening March 6th at 8:00 o'clock with Mrs. B. C. Johnson. The singing was very good. The roll was called and each answered with an interesting current event of a noted writer or artist which proved to be very interesting. The minutes were read by the secretary, "Lizzie" and approved.

The group was then favored with several numbers on the accordion by Miss Richter, which everybody enjoyed. The tin cup was passed for a free will offering to complete our slogan, "Help somebody today". Plans are being made for our first anniversary celebration which will be in April. There were 20 present. The hostess passed lovely home made candy and the entire evening was enjoyed by all.

Mrs. Elmo Townsend of Madill, Okla., is here visiting Mr. and Mrs. H. O. Everts and other friends.

Mr. and Mrs. B. F. Norris, Mr. and Mrs. Ball and Mrs. Chapman of Hubbard, were here the first of the week the guests of their daughter and sister, Mrs. Lloyd Wolfe.

Ralph Rosamond of Stamford, flew up Saturday and spent Sunday with Mr. and Mrs. J. L. Rosamond.

Miss Mable King of McAloo, spent the week end in Spur with relatives.

Mrs. O. A. Lambert of Bluffdale, is in Spur this week the guest of friends and relatives.

Mr. and Mrs. O. L. Hale returned to El Paso Tuesday to be with their daughter, Miss Annie Mae, who is in a sanatorium there.

You are hereby commanded to summon Jack Ward by making publication of this Citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court in Dickens County, Texas, to be holden at the courthouse thereof, in Dickens, Texas, on the 4th Monday in March, A. D. 1934, the same being the 26th day of March, A. D. 1934, then and there to answer the petition filed in said court on the 22nd day of February, A. D. 1934, in a suit, numbered on the Docket of

said Court as No. 1315, wherein Mrs. Velma Ward, is plaintiff, and Jack Ward is defendant, and said petition alleging that Plaintiff and Defendant were married in Las Cruces, New Mexico on the 14th day of October, A. D. 1929, and lived together until on or about the 1st day of February, A. D. 1933, when, because of the harsh, cruel and tyrannical treatment of plaintiff by defendant, Plaintiff was forced to separate from defendant. That one child was born as the fruits of said marriage, to wit, Laura Alta, a girl about 3 years of age. That plaintiff prays for judgment for divorce upon the grounds of cruelty. Further that plaintiff is entitled to the possession, care and custody of said child.

Herein fail not, and have you before this Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of this court, at office in Dickens, Texas, this the 22nd day of February, A. D. 1934.

MRS. NETTIE LITTLEFIELD, Clerk of the District Court of Dickens County, Texas. Published Feb. 22, Mar. 1, 8, 15, 1934

SHERIFF'S SALE

THE STATE OF TEXAS COUNTY OF DICKENS NOTICE IS HEREBY GIVEN that by virtue of a certain order of sale issued of the Honorable District Court of Dickens County, Texas, on the 20th day of January, 1934, by Nettie Littlefield, Clerk of said Court, for the sum of Fifty-four Hundred Thirty-seven and 75/100 (\$5437.75) Dollars, with interest from the 23rd day of August, 1933, at the rate of 8% per annum and costs of suit, under a judgment in favor of Eric P. Swenson, Albin C. Swenson, Girard Trust Co., a corporation, as trustee under the last will and testament of John J. Emery, deceased, Girard Trust Co., a corporation, trustee under a certain deed of trust made by Lela A. Emery, dated January 16, 1909, and Agnes Neustadt, Donald S. Strahlen, and John M. Schiff as executors of and trustees under the last will and testament of Sigmund Neustadt, in a certain cause No. 1251 and styled Eric P. Swenson, et al vs. W. R. Horn, et al and placed in my hands for service, I, W. B. Arthur as Sheriff of Dickens County, Tex., did, on the 28th day of February, 1934, levy upon certain real estate situated in Dickens County, Texas, described as follows, to-wit:

Here Are Tips On How To Imitate Your Pet Hollywood Star

Aryne Frances, star impersonator of the "Forty-Five Minutes in Hollywood" radio show, looks as well as talks like beautiful Dolores Del Rio. (The Spanish beauty in the insert picture is the real Dolores.)

WATCH the corners of their mouths!"

That's the secret of reproducing your favorite star's voice, according to the talented impersonators who stage that "Forty-Five Minutes in Hollywood" show you hear every Saturday night at 8 p. m., E. S. T. over the Columbia-WABC network. They reproduce the voices of Clark Gable, Claudette Colbert, Dolores Del Rio, and all the movie greats so exactly that the stars' own relatives are fooled. They preview the high spots of the most important movies and dramatize inside news from

Hollywood sets as vividly as though the film stars themselves took part. "The facial expression is the key to voice timbre," explained Aryne Frances, star voice doubler, who looks as well as talks like the beautiful Dolores Del Rio. "When we have a doubling assignment, we go to all the movies we can find featuring the star. We sit 'way up front and keep our eyes glued to those muscles of the mouth. I usually mumble each speech the star makes, trying to imitate those facial movements. The only voice that's tough to imitate is the one that comes from a 'dead pan' face."

MILK SOUNDED AS NATURE'S MOST PERFECT FOOD

Pure milk is nature's most nearly perfect food, according to the Texas State Department of Health, and persons should be sure that the cows which produce the milk they use are in a healthy condition.

It is estimated that 2 per cent of all milk cattle have bovine tuberculosis. Tuberculin testing of cattle will definitely prove whether the cow has tuberculosis. If a person owns their own cow, she should be tested, and if milk is being purchased the purchaser should make sure that the cattle in the dairy he patronizes are free of this disease. These tests should be made each year, and if milk stock is to be purchased, they should be tested before completion of the sale.

About twenty-five percent of all tuberculosis in children is of the bovine type—fatal bovine tuberculosis after the fifth year is rare. It generally attacks the lymph glands and bones. When not fatal, this disease, when it attacks the joints or bones, usually leaves the child crippled for life.

The C. W. A. has created a fund to pay for the destruction of each tubercular cow. Of course, the disease must be certified by an accredited veterinarian. The State Live Stock Sanitary

Commission and State Department of Health are very anxious to control this disease. The former to improve the dairy herd and the Health Department to protect the public health. Everyone can help by demanding that the cows where they purchase milk be tuberculin tested.

NEW TECH COLLEGE SONG IS WRITTEN

"Yea, Tech," a new Texas Technological College song, has been written by Prof. Waghorne, head of the music department. This is the first original Tech college song to be submitted to the student body.

The words are as follows:

"Sing a song of Tech.
Sing a song of Tech.
Yea Tech!
Give a yell for Tech.
A long, loun droar for Tech.
Fight! Tech! Fight!
Now, with flags and banners flying.
And with eager voices crying,
Raise the battle cry.
Onward to victory glorious,
Once again the Tech victorious,
Yells with lusty voice uproarious,
Grand old Tech!"

Crop Loan— (Continued from Front Page)

en areas. The act imposes a very severe penalty for using loans from the fund for any other purpose.

Although the maximum amount of an emergency crop loan to any one farmer is \$250, as authorized by the regulations, no farmer will be loaned any more than the cash cost of producing the crops. The regulations restrict the amount that may be loaned to the tenants of any one land lord in any one county to \$500 and also restrict the amount that may be loaned per acre, depending on the kind of crop being grown.

All funds will be advanced to the borrower at the time the loan is made and not on a budget basis. The borrower must make the amount advanced run him through the entire season, for if the money is used up before the crop is finished, or if the money is spent for any other purpose, additional advances will not be made.

Loans may be made to a borrower before his crops are planted provided a first lien may be taken on the crops growing or to be grown as security for the loan. In some states, according to the law, a first lien may be taken on crops to be grown during the season even though the crops have not been planted. In other states this is not permitted. There it will be necessary for the borrower to agree to give a first lien on the crops to be grown.

All loans from the fund are to be secured by a first lien on all crops growing or to be planted or grown or harvested during the year 1934; in the case of summer fallowing or the production of winter wheat a farmer must give a first lien or an agreement to give a first lien, on such crops to be harvested in 1935.

In the case of loans to renters or share-croppers, the landlord will have to waive his claim to the rent or share of the crop. The law requires this. On the other hand, all tenants or share-croppers benefitting from any loan to a landlord must waive their claims to the crops if the landlord is to receive a loan from the emergency crop loan fund.

The recording fee or other legal fees in connection with emergency crop loans may be paid by the Farm Credit Administration up to \$1.00. The borrower must pay the balance, if any.

Emergency crop loans will mature when the crops are harvested and available for sale.

No loans will be made to any individual who has shown a lack of good faith in repaying loans and seed loans made to him in previous years. It is evidence of failure to observe good

faith if a borrower has outstanding unpaid balances for two or more years which cannot be attributed to crop failures for which the borrower could not reasonably be held responsible.

In each case the farmer is the applicant. If he is not eligible loans may not be made to his wife, unmarried children, members of his family or employees.

Joe Shelby Clay returned the last of the week from Dallas where he had been attending a short course in interior decorating. He also purchased a new supply of paint while away.

Lynn Mayfield of Abilene, was visiting relatives here over the week end.

Fred C. Haile was in Post Tuesday night where he addressed the Garza Young Democratic organization on his candidacy for Congress.

For Attorney General

WILLIAM McCRAW

William McCraw, prominent Dallas attorney, has launched his campaign for the office of Attorney General of Texas.

McCraw served three consecutive terms as District Attorney in his home county, holding the distinction of being the only prosecutor who has ever been so honored. His record as a public official and in private law practice has won him state-wide recognition.

McCraw studied law while working in his father's printing office; saw active service in France and made a notable record for law enforcement as district attorney. He has been active in the State's Democratic party affairs, being regarded as a liberal in politics.

PRESBYTERIAN CHURCH

Rev. Fred Cairns will be in Spur on March 11 to hold the following services:

Sunday school — 10 a. m.
Morning worship — 11 a. m.
Evening worship — 7:30 p. m.

You are cordially invited to be present to worship with us at those times.

LOCAL QUARTET TO GIVE CONCERT HERE TUESDAY

The Smiling-4 Quartette will give a concert at the East Side School auditorium next Tuesday evening. A small admission will be charged for the program. The object of this program is to benefit the local Athletic association. In addition to the vocal selections rendered by the quartette, there will be some piano and clarinet selections. The public is invited to be present for this good program.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxatives candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. Get at drug stores. ©1931 C. M. Co.

favorable to the securing of aid, but in Counties where the Judges were Ex-officio Superintendents, advantages have not been taken of these opportunities and much aid has been missed. This is not a reflection upon any judge, but better emphasizes the fact that no one person has time to take proper care of the two offices combined.

8. The County Superintendent's office pays a salary of \$133.33 per month and twenty five dollars per month for stamps and traveling expenses. In properly caring for the office, going wherever needed, or where there is a chance to get any extra money, or render extra service, the allotment for traveling expenses and stamps is used up and often fifty or sixty dollars of the salary besides. The net salary is probably never more than a Hundred Dollars, and in some months not more than Seventy Dollars.

CONTINUED stormy and cold weather is beginning to result in a real shortage of fresh fish. Fair quantities of haddock filets and cod, steaks from the Atlantic, and of halibut and salmon from the Pacific are available at moderate prices. Salt cod fish and finnan haddie are also fairly plentiful. Canned fish in variety may be substituted for fresh.

Eggs are fresh, plentiful and as cheap as they are likely to get. Well-aged cheese is inexpensive and probably offers more balanced food value, for the money expended, than any other food. Dried peas and beans are also nourishing and they may be purchased in cans ready to use, if desired.

Fresh vegetables in variety are plentiful and most of them are inexpensive. The asparagus season is just beginning. Apples, bananas, grape fruit and oranges are all attractively priced. Strawberries, too, are plentiful and cheap.

The Quaker Maid suggests the following dinner menus.

spite of the fact that the last few years have been the hardest in a long time, kept in a better financial condition than most of the counties in the drought stricken areas; so much so that salesmen of school supplies and other commodities have often commented on the fact. At present only three school districts in Dickens County, whose finances are under the administration of the County Superintendent have outstanding warrants that cannot be paid on presentation.

10. Efforts have been made to provide accredited high school facilities for every pupil above the seventh grade, and to a large extent this has been accomplished. It is believed by next year most of the high school subjects taught in Dickens County will be accredited.

11. Last year officials from the State Department of Education said that Dickens County was known for the extent to which it has taken advantage of the high school tuition law. Conformity to the high school tuition law not only affords, but it helps inherent right to a good high school education, but it helps both the school to which the child goes and the district from which he comes. The high school tuition pupil is educated without any cost to the district from which it comes.
