Dickens Co. Times

VOLUME 10

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, MARCH 29, 1934

WHOLE NUMBER 453.

Harvey Hines Seeks County Clerk Office

The Times is authorized to place the name of Harvey Hines, of McAdoo, as a candidate for the office of County Clerk, subject to action of the Democratic Primaries. Mr. Hines is 36 years of age, and has been a citizen of Dickens County since 1926, moving here from Itasca, Hill County, where he was reared.

BATHING BEAUTIES AT PALACE TONIGHT

The wives of Spur country are going to have some difficulty in keeping their husbands at home tonight since that is the time the Bathing Beauty Revue comes off at the Palace Theatre. Bathing beauties and pajama girls will be a special feature in tonight's show at the Palace and it will be a thrill to everybody to watch them march across stage.

All characterization will be local, every one in the revue will be well known people. This performance will furnish the laughs of the season. Be present if you have "the blues" and you will go home feeling like a new person.

Joe Long, of the City Drug Store, is in Dallas attending the Druggists' Convention this week.

Robert Nickles, of McAdoo, was transacting business in our city Wednesday.

Large Crowd Attends Style Revue at Palace

The Bryant-Link Company and B. Schwarz & Son Style Revue staged at the Palace Theatre Thursday evening of last week drew one of the largest crowds of the year for a local event. Reports rated the show as the best ever put on in Spur. The managers stated they were highly pleased with results.

The models were all local people. B. Schwarz & Son displayed Wash Dresses, Sport Frocks and Suits, Street and Dressy Frocks, Evening Frocks with the following ladies as models: Mrs. James B. Reed, Mrs. Neal Chastain, Mrs. A. C. Hull, Miss Lavada McClung, Miss Julia Jo Reed, Miss Grady Vermilian, Little Miss Idalee Golding and Master Billy Scott showing boys wash suits. The following men displayed Mens' Dress Suits for Schwarz: S. M. Newberry, Guy Karr, Luther Garnet and J. D. Powell, Jr.

Bryant-Link Company showed Wash Frocks and Riding Habits, Sport Frocks and Suits, Street and Dressy Frocks, and Evening Frocks with the following models: Mrs. Lois Karr, Miss Lelia White, Miss Polly Clemmons, Miss Beth Blackwell, Mrs. Iris Harkey, Miss Lillie McArthur, Little Miss Elsie Patterson and Master Sheridan Campbell, boys clothing.

Mens' Work Clothes, Mens' Sport Ensembles, Mens' Triple Bellows Suits and Mens' Dress Suits were modeled for Bryant-Link Company by the following men: Cate Snyder, Charlie Fox, Loren Harkey and Cash Wilmon.

M. C. Golding and Miss Louise Collier were in charge of the show for B. Schwarz & Son. Carl Proctor and Mrs. J. L. Rosamond were in charge for Bryant-Link Company.

Dickens County Calf Show Best in History

The exhibition of baby beefs made by members of the Vocational Agriculture Class of Spur High School and the 4-H Club Boys of Dickens County made an interesting day in Spur Monday.

The Vocational Agriculture Class exhibited 24 very fine calves which were pronounced excellent by the leading stockmen of the county. The 4-H Club boys were unable to get all their calves into Spur on account of the wet roads caused by the heavy rains the two preceding days. Four calves were exhibited by the 4-H Club boys.

Dr. Y. J. Aiken, of Lubbock, served as judge of the local show. Results of the judging were not announced as it was the purpose of the boys to ship their calves to Lubbock where they entered the South Plains Fat Stock Show Tuesday. All 28 calves in the show here Monday were taken to Lubbock Tuesday morning where they were exhibited Tuesday and Wednesday and were offered for sale.

Much more interest among the boys has been the result this year over previous work of feeding baby beefs. Practically all the boys attended the Lubbock show.

GIBSON INSURANCE OFFICE MOVED

H. P. Gibson has moved his insurance office to the Chamber of Commerce building from the Wendell building. Mr. Gibson is also collector and tax assessor for the Spur Independent School district and will keep the tax books for the school in the new office.

Condition Improves

As the Times goes to press latest reports are that the condition of C. A. Jones is greatly improved.

Sunrise Easter Service

The young people of the Methodist Church of Spur will conduct a Sunrise Easter Service at the Methodist Church Sunday morning at 6:30 a. m., according to an announcement made by Edith Foote, president. The program will consist of a cornet solo, by Athelda Yeates; organ music, and accordian music, by Evelyn Richter. A short devotional will be conducted by the pastor, Rev. E. L. Yeates. All the young people are invited to come to this special service.

Sunday evening, the Epworth League will have its meeting at 6:00 in the basement of the church for the regular Sunday evening program, with Leon Lane conducting a special Easter program. A social hour will follow, with Athelda Yeates as hostess.

ORETHA JEAN BLAIR PASSES AWAY

Oretha Jean, 4, little daughter of Albert W. Blair, died in a Lubbock sanitarium at 2:10 a. m., Tuesday morning. She at first had measles and a complication followed. After being ill for several days, Mr. Blair took her to Lubbock where her trouble was analyzed and everything done for her recovery.

Funeral services were held at McAdoo Tuesday afternoon at 4 o'clock. Rev. E. L. Yeates, pastor of the First Methodist Church of Spur, read the funeral rites. Interment followed in McAdoo cemetery.

This is the second great sorrow to come into Mr. Blair's life recently. His wife passed away just a few months ago, and his baby was unexpectedly called away at this time.

Land Bank Commissioners Loans To Be Made Thru Fed. Land Bank In Bonds

James B. Reed, Secretary-treasurer of the Dickens National Farm Loan Association, received word today from Wm. I. Myers, Governor of the Farm Credit Administration, Washington, D. C., that Federal land bank loans and Land Bank Commissioners' loans will be made in the future through the Federal Land Bank in bonds of the Federal Farm Mortgage Corporation, which bonds are guaranteed by the United States Government both as to principal and interest, which will be at the rate of 4 per cent per annum for the bonds to be issued at this time. These bonds will take the place of the cash distribution in the disbursement of the unclosed loans previously approved by the Federal land banks.

The bonds of the Federal Farm Mortgage Corporation, according to the statement by Governor Myers, will have behind them not only the unconditional guarantee of the Federal Government as to both principal and interest, and the capital of the Federal Farm Mortgage Corporation amounting to about \$200,000,000, but also the consolidated bonds of the Federal land banks issued in exchange for the bonds of the Federal Farm Mortgage Corporation and the mortgages accepted by the land bank commissioner as security for loans.

Governor Myers assured Secretary James B. Reed that the Federal Farm Mortgage Corporation bonds will be an attractive investment. They will be as readily marketable as bonds of the United States Government and they will be quoted in all of the principal markets," he continued. "Holders who have to dispose of these bonds should not sell them without first ascertaining their real market value."

The Governor particularly stressed the fact that country bankers probably will be large investors in these securities since the creditors of farmers who are being refinanced may not be in the position where they can hold the bonds so acquired and will find it necessary to sell them. Secretary James B. Reed stated that these bonds which will be tendered to farmers' creditors in payment of the refinanced indebtedness, are "exempt from all Federal, State, municipal and local taxation, except surtaxes and estate, inheritance and gift taxes. They are lawful security for fifteen-day borrowing by member banks of the Federal Reserve System. They are also lawful investments for all trust, public and fiduciary funds of which the deposit or investment is under the authority or control of the Government. The payments of the interest on these bonds and the repayment of their principal are guaranteed by the United States, which means that if the Federal Farm Mortgage Corporation should ever be unable to meet the payments on the bonds, the Treasury will assume such payments.

"These bonds will be issued in denominations of \$100, \$500, and \$1,000. However, amounts less than \$100 will be disbursed in cash. For example, a loan of \$965 would be made in a \$500 bond, four \$100 bonds and the rest in cash. In addition, to provide for certain debts, such as taxes which cannot be paid in bonds, cash covering the required amounts will be provided.

"Loans which have been applied for and approved, but on which the cash has not been paid out, as well as those approved by the bank in the future, will be financed on the above basis. This arrangement in no way disturbs or alters the other provisions of the law. The interest rate on new loans will continue to be 4 1/2 per cent, for the emergency period when made through a national farm loan association and 5 per cent when made directly by the bank."

Plan To Shower Buckner Orphans

At the Workers meeting of the Dickens County Baptist Association the last of the week, a plan was formulated to give Buckner Orphan Home an egg shower, or rather it might be called a food shower.

People over the Dickens County Association are bringing eggs, meat, lard, canned foods, etc., and leave them at the Spur Produce Company. Crates for the eggs will be furnished by the Spur Produce Company. All eggs and foods are requested to be delivered to the produce company not later than Saturday.

Every person bringing in eggs or any foods of any kind are requested to have the foods listed under their name at the produce company or report to the committee. Mrs. P. H. Miller, Mrs. H. P. Schrimsher compose the committee. The object of this listing is that the committee wants each church to have credit for all foods furnished. The committee has arranged for transportation to Dallas which is being donated.

Members of every church in the association will be in on this shower according to a resolution passed at the Workers' Meeting last Friday.

Hubert Taylor For Co. Superintendent

To the Voters of Dickens County: I desire to place my name as a candidate for the office of County Superintendent subject to action of the Democratic Primary, July 28.

I have been a citizen of Dickens County nine years. I came here at the age of fourteen. I am a graduate of Dickens High School, and I have worked my way through three years of college work at McMurry College, Abilene, Texas. I am now principal of the Highway school. With my college work, teaching, and my school work in this county I am competent of filling the office of County Superintendent.

If I am elected to this office, I promise faithful, efficient service and impartiality to all.

Your vote and influence will be appreciated.

HUBERT W. TAYLOR

Supt. H. L. Groner, of Croton School, was attending to business affairs in our city Wednesday.

DEPUTY STATE SUPT. TO VISIT SCHOOLS SOON

Our Deputy State Superintendent, Mr. Bryan Dickson, will visit the schools of the county which he did not have time to standardize when he was here before. We know that we are going to receive standardization certificates but we are anxious to make as high a score as possible. Several of our schools will receive almost the maximum score possible, which is one thousand points. We are planning community meetings for these occasions.

Renders Farmers At District Court In Low Interest Rate

The organization of the Spur Production Credit Association affords a means for farmers to secure money at a very low rate of interest. At present the interest rate is only five and one-half per cent which is lower than ordinary interest rates.

The Spur Production Credit Association is a permanent organization and will continue indefinitely. It is true that any one securing a loan from this organization must purchase five per cent of the amount of the loan in stock. However, this seems to be a good idea since it makes the borrower a part of the association and gives him a say in how the business is managed. This stock, in course of time, will pay a dividend and render the farmer an income.

Once a farmer has purchased stock in the association he can borrow 20 times the amount of that stock without having to purchase additional stock. The interest rate is all that the borrower has to pay extra over the principal. The organization is under the protection of the federal government and is intended to help the farmers to secure money at low interest rates.

Another very fine feature is that only in very extreme cases does the landowner have to sign a waiver in order for the tenant to borrow money. The loans are secured by growing crops to some extent, but the principal security is farm stock and farming tools.

H. P. Gibson is in charge of the central district office which is located in the Chamber of Commerce building. Branch offices are located in the various counties of the district where he is an agent to take the application of farmers for loans. In the district are the counties of Dickens, Kent, King and Motley.

After a loan has been approved it is only a short time until the money on the loan is available and the farmer can use it as he feels is to his best interest.

PANSY CHURCH TO HAVE HOME-COMING SOON

The church at Pansy, a very thriving community just west of McAdoo, is planning a home-coming day in the near future. It is the hope of the membership to have all the former pastors of the church present for the service, which will continue throughout a whole day. Also, it is the earnest desire that all former members of the church, and all other persons who desire to be present for the day.

FATHER OF SPUR MAN PASSES AWAY AT RULE

Homer Ferguson, of the Ferguson Grain & Coal Company, returned from Rule last week where he had been attending the funeral of his father, W. H. Ferguson. The father died very suddenly of heart disease. He is survived by his wife and thirteen children, a brother, John Ferguson of Hamlin, and a sister, Mrs. Reed of Paradise, Texas.

Mr. Ferguson moved to Rule from Alvo, Texas, Wise County, in 1902. He had lived in Rule since that time. His first wife was Miss Elizabeth Mann of Tennessee, who was called away several years ago. He was a member and ordained deacon in the Baptist Church.

Funeral services were held in Rule, Rev. Powell, pastor of the College Heights Baptist Church, in Abilene, reading the funeral rites. Interment followed in Rule cemetery.

A. L. Putnam of Plainview, was attending to business in our city Tuesday and Wednesday. He is an operator for the Federal Land Bank and is a very close friend to Senator Arthur Duggan.

District Court In Session This Week

The District Court for Dickens County started business Monday morning with a small attendance. Judge Bain empaneled the grand jury and set it to work after giving instructions as to the class of cases it should investigate, together with emphasis of the importance of the work of a grand jury.

The court then announced that during this week all cases not requiring a jury would be taken up and disposed of. Next week cases requiring petit juries would be tried and also criminal cases would be disposed of.

District Attorney, A. J. Folley will assist the grand jury in all felony cases and County Attorney Alton B. Chapman will aid in all misdemeanor cases.

Sheriff Arthur and his bailiffs are taking care of the needs of the court relative to special subpoenas, evidence and otherwise.

Petit Jurors For Court Next Week Summoned

The following is a list of petit jurors summoned to serve with the District Court beginning next Monday and continuing through the week.

E. J. Lassetter, T. L. Conaway, V. V. Parr, Bob Gibson, O. C. Henry, Jim Hahn, Forest Martin, Jess Powell, W. B. Rainbolt, Bob Cross, Elmer Shugart, Coy McMahan.

David McAteer, Ruff Thannisch, Weldon Grimes, Cap McNeill, Jack Reator, Lee Slayden, Frank Smith, Gene Carroll, Elzy Watson, Turner Burns, Bill McArthur, Guy Goens.

Willow Street, A. Holmberg, Willie McLaughlin, Coy Dopsow, W. G. Hinson, David Wilson, Charlie Morris, T. A. Bingham, Jess Price, John Hazelwood, Bob Griffin, I. J. Hurley.

Charlie McLaughlin, of McAdoo, was greeting friends and trading in our city Monday.

Hubert M. Taylor, teacher at Highway was transacting business in our city Tuesday.

Palace To Show "The Birth of A Nation"

"Three Little Maids From School," eighteen, nineteen, and twenty are the heroines of "The Birth of A Nation," which comes to the Palace Theatre for a special school matinee from 2 to 5 o'clock and evening performance, Friday, March 30.

Lillian Gish, Mae Marsh and Miriam Cooper are the "Three Little Maids." It was D. W. Griffith who discovered this talented trio.

In its way this great spectacle is unique. Nothing of its kind has been conceived because there is no picture subject which embraces the scope of history and intense drama that is crowded into the story which is the foundation of "The Birth of A Nation."

With its historical scenes, its romantic love interest between the children of Southern and Northern parents, realistic battles of the Civil War, it taps the very heart core of the crucial welding of the greatest nation into a mighty union.

The appeal of it all will ever remain fresh in American hearts. It is praised by young and old.

"The Birth of A Nation" is returning to this section to give everyone an opportunity of seeing this great spectacle of the screen that has been always a public favorite. Many who have seen the picture are welcoming the opportunity of seeing it again— for it is history itself.

There will be no advance in prices at the theatre for this special showing, it was announced.

Reports From Schools Over County Shows Activities, Improvements

We have several athletes whom we think are good. They have spent much time in training and we are anxious to see what they can do. We should be able to find out soon, as the track meet can not be put off much longer.

We were greatly pleased with the report Mr. Dickson made of our school, especially the part relating to salary aid. Highway was granted more aid this year than we ever received before.

TWIN WELLS

Work on school improvements in our community has just about reached completion. The teachers have been remodeling, the school house and furniture has been repaired, much painting has been done, and some new equipment purchased. Mr. and Mrs. London gave a party to celebrate the completion of work on their new home.

Highway School News

We are glad to hear that the election held Saturday for the purpose of creating the office of County Superintendent in Dickens County carried by a good majority.

Many improvements are being made in our school. Our enrollment is getting back to normal since most of the pupils who have been out on account of the measles are back again; the building is being painted inside, furniture is being repaired, and playground equipment worked over and put in better condition.

Mrs. Twaddell visited our school Friday. We enjoyed having her in our school very much. She told us several jokes and a good citizenship story. She says that she believes we will be able to have four teachers next year, since the scholastic enrollment shows considerable increase over last year's enrollment. Actual enrollment this year has increased from fifty-seven at the beginning of school to ninety-three at present.

Miss Richter, the C. W. A. nurse, says she hopes to visit us again soon, she has recently been in our school. We were glad to have her because we know she is a real help to the school.

Dickens County To Retain Office of County School Superintendent

The people of Dickens County will retain the office of County School Superintendent according to the vote cast in the special election Saturday. An overwhelming majority was cast in favor of retaining the office of School Superintendent, however, there was a light vote over the county. One or two voting precincts did not open until afternoon. The inclement weather and slick roads kept a number of voters away from the polls.

Under the law, of office had to be re-established by a vote of the people since the scholastic enumeration had fallen too low to retain it under the establishment by the County Commissioners' Court five years ago.

The following is the vote by precincts as shown by the canvass of votes by the Commissioners' Court:

Precinct	For	Against
Dickens	121	26
Liberty	23	6
Afton	37	10
Dry Lake	10	0

1933 Cotton Crop For County Show Increase

With all the plow-up program in Dickens County in 1933 and the excellent co-operation given by the farmers in the program did not keep Dickens County cotton crop from increasing over that of 1932. The final report on cotton production was released by the Bureau of Census, cotton statistics, on March 26, 1934, and showed that 35,300 bales were produced in Dickens County last year. In 1932 there were 32,603 bales produced.

There was not much difference in the annual production of the two years in Kent County. In 1933 Kent County produced 15,728 bales and in 1932 the production was 15,693.

With all the acreage reduction in Dickens County, it may be interesting to note what the 1934 production may be.

BEER ELECTION CARRIES IN THREE TOWNS

In the election favoring the sale of beer of 3.2 per cent the city of Dickens voted favorable 74 to 45. The majority favoring the sale of beer was 29 votes. After the statutory limit of thirty-days people in Dickens can be selling beer over the counter to their customers.

The report received states that both Matador and Crosbyton voted favorable for the sale of beer in both of these cities.

A Special Easter Program At Palace

Manager Everts, of the Palace announces two special programs for the week-end, the first of which is "Torch Singer," starring Claudette Colbert and Ricardo Cortez and will be shown Saturday, Midnite, Sunday Matinee only.

The second picture, opening Monday and running through Tuesday will be "Her Sweetheart" (Christopher Bean) and brings together for the first time Marie Dressler and Lionel Barrymore. The question has been raised as to the meaning of "torch singer." Everyone knows that a "torch singer" is a woman, forsaken by love, who sings of her heartache for the man "who did her wrong." But on the matter of the nature of the song and its origin only contradicting explanations are found.

On the set at the Paramount studios while Claudette Colbert's newest picture "Torch Singer" was being filmed, various theories of the term's derivation were propounded.

The most commonly accepted version is that Ralph Rainger, who wrote the picture's music, and incidentally wrote "Moanin' Low" for the "First Little Show." This melody became the best known of all "torch songs." Rainger explains it as a "lover come back to me" song, offered by a singer who is supposed to be "carrying a torch in her heart" for the man who set it there.

Going back beyond the advent of "Moanin' Low" is the explanation of another music writer on the "Torch Singer" set. Back in 1924, he said, a cabaret entertainer named Tommy Lyman sang in a New York cafe that had no electric lights. Bright torches flamed along the walls. With the gathering fame of Logan, Broadway columnists often referred to his contributions as "torch-lit songs."

Still another version is "torture song," the word "torch" being a corruption of "torture."

Getting back to the picture "Her Sweetheart" Everts states there has been thousands of requests from theatre managers for a co-starring picture with Marie Dressler and Lionel Barrymore. Metro's answer was "Her Sweetheart" and is a vivid drama based on the famous New York stage hit "The Latest Christopher Bean," presented by both stars in characters unlike any they have ever played.

Miss Dressler enacts Abby, the faithful old servant. Barrymore is seen as the kindly country physician who under the lash of avarice turns to a scheming, and grasping scoundrel to rob her—only to have the woman's faith turn him back again to his lifelong path of honor.

The unique dramatic twist in the gripping drama of New England made the play, with Pauline Lord on the stage, one of the most-talked-of offerings of the decade. It is the current stage sensation of Paris and London.

CROTON GIRLS HAVE BED-MAKING DEMONSTRATION

"The mattress should be sunned every ten days to keep it fluffy and smooth. The sheets should be long enough to tuck under the mattress so that they will stay in place; they should be three yards long," Miss Pratt told the Croton 4-H club girls in a bed-making demonstration Wednesday morning.

One of the goals in bedroom work for the co-operators is to make up the bed correctly 25 times.

Joyce Hemphill, reporter.

Joe M. Rose, of Duncan Flat, was attending to business matters in our city, Tuesday.

Sam Baxter, of Afton, was greeting friends and transacting business in our city Tuesday.

Schools—

(Continued from Front Page)

Improvement made in the last year as has been made in the Red Mud School. From an old unsightly building the Red Mud School has grown to a lovely modern plant scoring high as a Standard Rural School. Such improvement as this bespeak much educational interest, wonderful community spirit, and constant and persistent effort.

Red Mud again won the visitation contest last month. This makes the second time for this school this year. The patrons are really getting the worth of their school. The more visitors a school has the more people it touches and the greater the opportunity for service.

CROTON

Mr. H. L. Groner, our superintendent has just returned from a trip to Arkansas.

We enjoyed having Mrs. Twaddell visit our chapel recently.

The sixth grade class has been having a contest in spelling. Each child has made a "word slip" book. Help Wanted: the senior English class needs help with the cross word puzzle they are making in English Literature.

Mr. H. P. Hargis, one of our faculty members, spent the week end in Lubbock.

Most of the school rooms have been adorned with peach blossom bouquets the past week.

The seniors are very happy since they received their new rings.

The sixth grade health class has on display some interesting health booklets.

Victor Lewis and Alene Jackson have been absent from school on account of the measles.

We have been quite busy working on Interscholastic League activities.

McADOO

McAdoo school has instituted a "Students Activity Organization" for the purpose of sponsoring intra-mural contests in athletic and literary events every day. The purpose of this organization is to keep alive interest in school, athletic and literary events and their regular school work as well. This will help to overcome the usual waning of interest felt after the closing of Interscholastic League work in the county.

EAST WARD, SPUR

Miss Richter, C. W. A. Nurse in her recent visit to our school pointed out various physical defects of pupils that needed attention. Some fifteen or twenty of these have been corrected up to now.

Attendance this year is larger than it has ever been before. Three hundred twenty-two pupils have enrolled to date. Attendance is very good since most of those who have been out on account of the measles have recovered. Conditions in general are much better at present than they were a year ago.

Miss Evelyn Richter entertained in chapel recently by playing the piano and accordion. Every one enjoyed the program very much.

We are preparing an operetta for May 28th. All the teachers and every pupil will participate.

ESPUELA

School is going nicely again after a week's dismissal due to an epidemic of measles which has been afflicting our community for some time.

We are very proud of the recent improvements which the trustees have made in our school and teacherage.

Two new rooms have been added to our teacherage and a two-room basement has been dug beneath our school house. One room is to be used for storing coal and the other for school supplies.

PLIES.

Two pupils from our school, Elaine Neaves and Lois Holloway, won first place in fourth and fifth grade spelling Rural School Division. Doris Neaves won first place in the 3-R contest and will go to the district meet at Lubbock.

DICKENS

Unusual interest and appreciation was developed among the Grammar School children in a poster making contest. The posters were to be used in advertising the volley ball games which are to be played in Dickens gymnasium for the benefit of the health fund to be used in giving aid to children in the county who need medical attention, but whose parents are unable to provide it.

One pupil in each grade making the best poster of any in that grade is to receive a free ticket to the games. Out of town judges were used to determine the winners. Following are the names of first place winners for each grade:

Third grade, Garland Raso; Fourth grade, Louce Stanton; fifth grade, Peggy Stephens; sixth grade, Frances Lee Speer; seventh grade, Lucille Stephenson.

Work was begun Monday on a Senior Class play, the title of which is "Which Cousin Mary?" Watch for date of presentation.

CONTOURING WILL AID PRODUCTIVITY OF PASTURES

Contouring will increase by at least 100 per cent the productivity of pastures, in the opinion of R. E. Dickson, superintendent of the state experiment sub-station here, who has such a pasture and records to back up his claim.

On a six-acre pasture, which was contoured in the spring of 1931, twice as many cattle were carried in 1933 as had been carried on the pasture before the contouring.

"We listed and contoured the six acres in May, 1931, just as we would list any field," Mr. Dickson said. "By the end of the year, the land had sodded over and it furnished more than its usual amount of pasture that fall."

"Grass is more succulent, the contour rows retain more moisture and the grass remains green longer than pasture has doubled carrying capacity on the flat top type, I find contoured by as the other kind."

About 100 head of steers, on feed at the present time at the experiment station were pastured on this "stomp ground" and on sudan during the summer of 1933 and during the fall.

Charging one cent per day per head, Mr. Dickson said he found the contoured pasture had returned 94 cents an acre during 1933.

Spur Legion Is Promised A Fat Steer For Feed

Former service men of Spur and Dickens county next fall will begin whetting their appetites for good old West Texas barbecued beef, according to Ray Dickson of the state experiment station.

Dick ought to know—he has donated a nice fat steer he is feeding out for the American Legion post's barbecue on Armistice day.

Farmer members of the post are contributing home-grown feed for the animal and Dick is doing the feeding.

"The farmers donated feed they had raised on their cotton plow-up land," Mr. Dickson said. "I told them I'd give the steer if they would furnish the feed."

"By the time Armistice day comes along, we'll have a nice fat steer that has been fed for 10 months on this high grade feed."

"I think it would be a good thing for other posts to do the same. It would make a great program if Legion posts at Lubbock, Post, Amherst, Levelland, Brownfield, Muleshoe, Littlefield, Lamesa, Tahoka and other towns all had a beef on food for a big barbecue next November 11."

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks pink, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas blasts up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. Get at drug stores. ©1931 C. M. Co.

REGIONAL ART CONTEST AT CANYON APRIL 20-21

For the first time in its history, the Texas Interscholastic League is giving students of art a chance in the regional contests, and such students from 45 counties will compete against each other at Canyon on April 20 and 21.

Miss Isabel Robinson, head of the art department of the West Texas State Teachers College, will direct the art contests. She announces to contestants that any member school may enter one contestant in each of three events which are, to draw in charcoal a group of still life objects; to paint in color, with any medium, a group of still life objects, and to model in clay, wax, soap or other material animal or figure, the nature of which will be given out only at the hour of the contest.

Schools entering contestants should notify Miss Robinson, giving names of its contestants and events to be entered by April 14. Students will furnish their own materials, except easels and drawing boards.

The winners in the regional contests will be entitled to enter the State Meet at Austin, May 3, 4, and 5.

STEEL HILL H. D. C. SPONSORS PIE SUPPER

The Steel Hill H. D. C. sponsored a pie supper in connection with their Home and Family Relationship program, February 23rd. Mrs. Alton Chapman gave an interesting talk on Home, a partnership. Mrs. Kelly talked on "Making a Friend or Pal of Your Child."

Prof. Neilson was very interesting on parents, children and money. Miss Bertha Mae Carlisle gave a reading, "Home" by Edgar A. Guest.

After the program the pies were auctioned by Webber Williams, netting the club \$19.65. We want to thank everyone who helped in any way. Your services were very much appreciated. —Reporter.

Don't Prolong The Agony!

Next time you suffer from Gas on Stomach, Headache, Sour Stomach, a Cold, Muscular, Rheumatic, Sciatic or Periodic Pains; That Tired Feeling, That "Morning After" Feeling. Get a glass of water and drop in one or two tablets of

Alka-Seltzer

The New Pain-Relieving, Alkalinizing, Effervescent Tablet. Watch it bubble up, then drink it. You will be amazed at the almost instant relief.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid.

After trying many brands of medicines—so-called relief for gas, and all of them a failure, I gave up hopes. By chance I tried Alka-Seltzer—I am more than satisfied. Geo. Bennett, New York, N. Y.

RED TOP CLUB

"What a man hears he may doubt; what he sees he may possibly doubt; but what he does he can not doubt," was one of Dr. Knapp's favorite quotations, said Miss Pratt at an educational meeting of the Red Top Club Wednesday evening.

Dr. Knapp, the father of Extension and Demonstration Work, gave his first demonstration on the farm of Walter Porter in Kaufman county, Texas.

The Constitution of the Texas H. D. Association was read and explained by Mrs. J. R. McArthur.

Miss Mattie Howell gave a summarized report on club work done in the county during 1933. This report showed a total of \$75,044.74 worth of foods canned and clothing made by club members.

Mrs. M. C. Rankin read and discussed bills effecting Extension Service work.

Farm and home demonstration work is authorized under what is known as the Smith-Lever Act, approved by Congress, May 8, 1914. The purpose of the act is to aid in diffusing practical and useful information on subjects related to agriculture economics. The scholarship fund was explained

by Miss Pratt. We were happy to know that two scholarships had been awarded to girls in our district.

If we have an eligible girl in our county we should help her earn a scholarship.

Members present at this meeting were: Mesdames J. R. McArthur, M. M. Howell, R. T. Harrell, J. C. Childers, L. B. Jones, M. C. Rankin, W. O. Garrison and Miss Lilly McArthur and Mattie Howell, Miss Pratt met with us. The next meeting will be with Miss Mattie Howell, wardrobe demonstrator. She will demonstrate using the foundation pattern. —Reporter.

DRY LAKE

Our primary room has a new coat of paint, which certainly makes it look better; but most important of all is the improvement in the lighting conditions. Bad lighting conditions in many instances have resulted in serious defects to the sight of pupils. Painting has improved the primary room in this respect one hundred per cent.

LUNCHEON

Mrs. Sam Z. Hall entertained some of her friends last Thursday at 12:00 o'clock with a covered dish luncheon. Her living room was toned in colors of spring by the first pear blossoms and dark red blooming geraniums. The guests gathered about eleven thirty with their covered dish and sewing baskets; as the clock struck twelve the French doors leading into the dining room were opened and the guests were asked to find their places around the beautiful table decorated with lovely things to eat. The table's center piece was a beautiful bowl of sweet peas and fern with long ping burning tapers at each end. After dinner much discussion was held over the new kinds of hankies, chiefs, bed spreads, scarfs and quilts that could be made. Those enjoying Mrs. Hall's hospitality were Misses James, E. Reed, A. C. Hull, F. W. Jennings, R. E. Dickson, P. C. Nichols, James O. Smith, Roy St. John, P. C. Langley.

BAPTIST CHURCH

Circle No. 1 spent a very pleasant and profitable afternoon in the home of Mrs. H. P. Schrimsher last Monday, having one new member and a total present of thirteen. The time was spent in completing the first chapter of "The New Why and How." Roll call was answered with current event pertaining to mission work. All ladies who are eligible for the circle are cordially invited to be present at the home of Mrs. C. P. Ensey, Monday afternoon, April 2nd, at 3:00 o'clock. Our church doors are still open and we are having services according to schedule. You are always welcome. —Reporter.

Judge Kenneth Bain, of Floydada, was on our streets Monday greeting friends and passing out a few cards, informing the voters he is in the race again.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

EVERYONE who can, goes south or southwest to enjoy warmth and sunshine during part or all of the cold weather, but to those who cannot travel, our various warm states send their sunshine in oranges and grapefruit, in strawberries, celery, cabbage, cucumbers, green beans, peas, lima beans, beets, carrots, Brussels sprouts, broccoli, cauliflower, lettuce, radishes, shallots, tomatoes, and new potatoes.

Southern waters supply many of the fish which are winter delicacies, including shrimp, King and Spanish mackerel, trout, croakers, porgies and bluefish. Since it is the Lenten season many menus will include not only fresh fish but canned salmon, tuna fish, sardines and shrimp.

Washington's Birthday calls for a feast which should be all the more enjoyable because of frequent fasts. A sour cherry pie or tarts is just the thing for dessert and it helps to celebrate National Cherry Week.

The Quaker Maid suggests the following Sunday dinner menus:

Low Cost Dinner

- Roast Beef with Vegetables
- Cole Slaw
- Bread and Butter
- Apple Tapioca Pudding
- Tea or Coffee Milk

Medium Cost Dinner

- Veal Chops Baked Yams
- Scalloped Eggplant
- Bread and Butter
- Baked Bananas
- Coffee Milk

Very Special Dinner

- Roast Lamb Browned Potatoes
- Green Beans
- Lettuce Peanut Butter Dressing
- Rolls and Butter
- Lemon Pie
- Coffee Milk

SINGING CONVENTION TO BE HELD NEXT SUNDAY

The Dickens County Singing Convention will hold their annual singing convention next Sunday at the school building in Dickens. O. C. Newberry will preside and everyone is asked to bring their books and dinner. The next meet will open about ten o'clock. The Stamps Music Quartet of Lubbock will be present and render some numbers. The Sims Quartet of Floydada has accepted an invitation to be present and take part on the program. Clay Beavers of Girard will bring a group of singers. There will also be a group of singers present from Snyder.

CLUB NEWS

Clara Pratt, H. D. A. DEMONSTRATOR USES PANTRY

"I had seven men come in for dinner unexpectedly the other day but it was easy to prepare dinner for I just went to the cellar and selected my meal from the canned foods there," said Mrs. F. B. Crockett the other day. Mrs. Crockett was farm food supply demonstrator for the Espuela home demonstration club last year and her pantry was complete in every respect. She planned her food supply last spring before she made her garden and found that she needed to can 609 pints of vegetables, fruits, meats, preserves, pickles and relishes to provide her family with adequate well-balanced meals during the non-productive months of the year. She needed 609 pints and she canned 1404 pints valued at \$153.45. "I use some canned food every day," she says.

DEMONSTRATOR PLANS COLOR SCHEME

"I chose white shades for the windows in my bedroom to give that much

more light. For the curtains I selected blue dotted marquisette since I am using cream and blue as the color scheme for the room." Paula Mae Johnson, bedroom demonstrator in the Prairie Chapel 4-H club, said as she showed her room to the club members making demonstration last week. "The blue bedspread emphasizes the color in the curtains." "I have built hat and shoe racks for my clothes closet. I also hung a tie and belt rack in the closet. I have given the furniture a coat of paint and will give it one more."

DEMONSTRATOR IS FITTING PATTERNS

"I am being kept busy helping cut and fit foundation patterns," says Mrs. R. C. Alexander, wardrobe demonstrator class II for the Prairie Chapel home demonstration club. "We have talked so much about sleeves and styles that everyone wants that demonstration and to get the most from the demonstration means that each one must cut her own sleeves and that makes a foundation pattern necessary first." "I have fitted two of the club girls with patterns and they have asked that I give them the demonstration on sleeves."

"It is interesting to hear the pleased comments of the ones who have fitted. Mrs. Dave Hale says she is going to fit each of her daughters and daughters-in-law with patterns so they can do their own sewing."

"I am enjoying this work as much as the ones who are being fitted. I learn something every time I do one," continued Mrs. Alexander who was wearing a beautiful navy blue pique dress made by her own pattern with sleeves a variation of the bishop sleeve being tucked as the armseye and puffed at the elbow.

EDUCATIONAL COMMITTEE REPORTS TO COUNCIL

"There are 13 active home demonstration clubs, now since a new one was organized last week, and 9 4-H clubs in the county this year," said Mrs. F. B. Crockett, chairman of the Educational committee of the county home demonstration council when she made a report for that committee in the regular meeting of the council

Saturday with five clubs represented. "During the two months covered by this report the agent spent 31 days in the field and 20 in the office. She has made 75 home visits; 113 office calls and 26 telephone calls; attended 61 meetings when 763 people were in attendance; wrote 16 news stories and traveled 2,560 miles."

"The making of concrete hollow tile was given in the home demonstration clubs during the two months with a special demonstration on making foundation patterns and two demonstrations on American cheese. In the 4-H clubs the tile was demonstrated, two and one on the complete bedroom." Programs given on making pillow slips —Council Reporter.

PRAIRIE CHAPEL HAS DEMONSTRATION

"Since fashions are emphasizing the sleeves we need to learn to make the different types of sleeves and their variations so that our sleeves will be in style. To quote Mrs. Barnes, 'We want 1934 sleeves instead of 1933 styles.'" Mrs. R. C. Alexander told her cooperators in a use of foundation pattern demonstration club in an all day meeting Wednesday. Mrs. Alexander is a wardrobe demonstrator Class II. Besides cutting five different types of sleeves from her foundation pattern each woman present learned to cut collars and princess slip patterns by her foundation pattern. Lunch was served.

MRS. M. M. McWILLIAMS PASSES IN OKLAHOMA CITY

Mrs. M. M. McWilliams, died at her home in Oklahoma City, 1745 Northwest Sixth Street, March 3, 1934. Funeral services were conducted March 6th at 2 o'clock p. m. at Watts and McAttee chapel. She was laid to rest in Rose Hill Cemetery. She was 82 years old.

Mattie Minerva Sanders was born, January 21, 1852. She married A. J. McWilliams in October 1878. To this union was born eight children. Five of whom are living: W. E. McWilliams, George McWilliams, Mrs. H. S. Smith all of Oklahoma City, Mrs. W. R. Butler of Tulsa Oklahoma, and Mrs. M. F. Hagar of Girard, Texas. She also leaves twenty-one grandchildren, and twenty-four great grandchildren. Her husband, preceded her in death, August 12, 1911. She joined the Baptist Church at the age of sixteen years, and lived faithful until the end. Our home is dark and lonely, For one we loved so well, Has left her home of sorrow, And gone with God to dwell.

We miss her soft, sweet voice, Her kind and loving hand, But she has gone to Heaven To join the Angel Band.

No more we'll see those smiling eyes, Or feel that soft grey hair, Until we meet up yonder, In that land so bright and fair.

We miss those kind and loving words, And gentle cheerful face, For there is no one here on earth, Could ever take her place.

But I know that she'll be waiting Over on the other shore,

And 'twill be so sweet to see her When we'll meet to part no more. By her granddaughter, Jewel Taylor.

REVIVAL AT CHRISTIAN CHURCH STRATS SUNDAY

A series of revival services at the First Christian Church will begin with the Sunday morning services. Rev. R. C. Brown, the pastor will do the preaching during the meeting. The music will be under the direction of local people. Services will be held Sunday morning and evening. During the week services will be held at night only until further announcements are made. The people are invited to attend and enjoy these services.

STEEL HILL H. D. C. MEET

The Steel Hill H. D. C. met on March 27th in the home of Mrs. W.O. Davenport for the purpose of making sleeves and other patterns from our foundation patterns. Mrs. Davenport said she liked her foundation pattern because she could make a dress without trying it on. Mrs. Pace said, "I like my pattern because it saves me much material previously wasted." Next meeting, April 10, with Mrs. Chester McAlphin. Lesson: "Making up a comfortable and sanitary bed." —Reporter.

A sack of planting seed—Cotton, Sorghum or Small Grains—bearing this Official Tag is the purchaser's assurance of a QUALITY product produced by a REPUTABLE concern QUALIFIED under State Laws as a REGISTERED Plant Breeder or CERTIFIED Seed Grower.

Registered INSURANCE Southwestern Life Gives You EXTRA Protection

Just as the REGISTERED and CERTIFIED Tag shown above means PROTECTION to the grower of Cotton and other crops, so does the following CERTIFICATE, which is attached to every Southwestern Life Policy mean PROTECTION to the Policyholder: "THIS POLICY IS REGISTERED, AND APPROVED SECURITIES EQUAL IN VALUE TO THE LEGAL RESERVE HEREON ARE HELD IN TRUST BY THE COMMISSIONER OF INSURANCE OF THE STATE OF TEXAS."

And, in addition to its required legal reserves actually on deposit with the State of Texas, Southwestern Life now holds, for the extra protection of its policyholders, \$6,597,248.40 of Capital and Surplus Funds.

SOUTHWESTERN LIFE DOES NOT OWE ANY GOVERNMENTAL AGENCY OR OTHER FINANCIAL INSTITUTION

Just as the State Department of Agriculture advises: "Know the QUALITY of the Seed You Sow"; so does your good judgment suggest: "Know the QUALITY of the Policy You Buy." See the Southwestern Life Man in your community; he is well qualified to help with your insurance problems, without obligation on your part.

Spring is here, even though we did have sleet, snow and ice Saturday and Sunday. How we love spring! The season of renewed life! It may be that we have many more days of snow and cold bad weather, because we have had such a mild winter. But according to the calendar, spring is here, and all the world begins to don the new. With spring here, and after us just getting a million dollar rain, the future should seem bright to us.

Mr. J. P. Meek, who formerly owned and operated a store here, was here a few days ago greeting old friends and seeing about business matters.

Mr. and Mrs. Dan Embry and C. L. Loyde were in Lubbock Thursday shopping and attending to business.

Little Oretta Jean Blair, granddaughter of Mr. and Mrs. T. L. Dozier, died Tuesday morning in a Lubbock sanitarium.

Mrs. N. V. Cypert and Mrs. Weldon Cypert entertained with a miscellaneous shower, March 24 at the home of Mrs. N. V. Cypert in honor of Mrs. Lonnie Phifer.

Mrs. Phifer received a number of lovely gifts and a very enjoyable time was had by all of those present.

Mrs. Harvey Hines underwent an operation Tuesday of last week at the Nichols sanitarium at Spur.

Miss Ola May Faulkner of Spur and "Doug" Allen were married the past week.

We wish them the best of health, happiness and prosperity throughout their married life.

A. M. Lay was transacting business in Lubbock Thursday.

Mrs. W. D. Sprayberry underwent an operation at Nichols sanitarium the past week.

Mr. and Mrs. Lee Parker were visiting relatives at Paducah Wednesday and Thursday.

Lois Nickles was in Jayton Thursday transacting business.

A number from here attended the Spring Style Revue Thursday night at the Palace Theatre at Spur.

Miss Gladys Wells and Cecil Perry were married recently.

Congratulations and best wishes to the young couple.

Mr. and Mrs. Ivey Brown and girls were shopping in Lubbock Friday.

The County Health Nurse visited our school Friday.

The girls' debating team went to Girard Thursday night for practice debate.

Our girls' debating team won first place in the county and we feel very proud of them.

Katherine, Lucille and Inez Rose, students of Lubbock High School and Texas Technological College were at home over the week end.

Misses Lois Beckett, Helen McDonald and Aline Allen were in Lubbock Saturday.

Goldie Tooke was transacting business in Lorena, Thursday.

County School Superintendent, Mrs. Madge D. Twaddell was a welcome visitor in our school Thursday.

Mrs. Taylor Rose, who stays at Lubbock with her granddaughter that attends Tech College, was at home with Mr. Rose during the past week end.

CARD of THANKS

We wish to take this means of expressing our sincere appreciation for the many kind deeds and sympathetic consolation during the illness and death of our darling baby girl. Also for the beautiful floral offering. May God's richest blessings abide with each and every one of you.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

WHEN asparagus, strawberries and chubarb come to town we know that spring is just around the corner. All three are here and moderately priced. Fish are much more plentiful due to better weather conditions. This is good news as Lent is but half gone.

The macaroni family is a nourishing and dependable ingredient of hearty and inexpensive dishes. It cooks in a short time and combines with practically every other food and so helps to use up left-overs.

Beef offers excellent value for your money at present. Veal and lamb are more attractively priced than they have been the past few weeks. Pork and ham are reasonable.

The Quaker Maid suggests the following dinner menus:

Low Cost Dinner
Veal Fricassee Baked Potatoes
Sweet-sour Beets
Bread and Butter
Rice Pudding
Tea or Coffee Milk

Medium Cost Dinner
Baked Ham Mashed Potatoes
New Spinach
Bread and Butter
Fruit Cup
Coffee Milk
Cake

Very Special Dinner
Tomato Bouillon
Roast Lamb Browned Potatoes
Broccoli with Lemon Butter
Tomato Salad with Dressing
Rolls and Butter
Orange Bavarian
Coffee Milk

CROTON WOMEN ORGANIZE CLUB LAST WEDNESDAY

Every woman present made a food budget for her family when the women of the Croton community met at the home of Mrs. W. F. Bradley in the Croton community Wednesday afternoon to organize a home demonstration club.

Mrs. W. F. Bradley was elected as president; Mrs. T. J. Randolph, secretary; Mrs. J. D. Ginjeer, vice-president; Mrs. J. W. Offield, council member; Mrs. D. M. Morgan, parliamentarian; and Mrs. J. P. Legg, reporter. Others present for the organization were: Mrs. J. M. Offield, Mrs. W. N. Thacker, Mrs. J. J. Youngblood, and Miss Pratt.

The next meeting will be April 4, with Mrs. T. J. Randolph when the county health nurse will give a demonstration and talk on first aid.

Mrs. Lige Legg, reporter.

RECEIVES LETTER FROM RAY DICKSON PAST WEEK

The Bryant-Link grocery employees received a letter the past week from Ray Dickson, Jr., student at A. & M. College. Ray expressed his appreciation for the package of the "gang" sent him.

The letter is as follows: "My Dear Old Gang. You have no idea how much I thank you for that delicious garlic, those magnificent spuds, and those incomparable onions. We made hash out of them and some sudloined steak from the mess hall.

The next time include some cookies, also, you know the kind I like best. Also send me Rawleigh instead of P. A.

I wish I was home. Such fun it would be to stroll into the good old grocery store and munch a few cookies on the house.

Well thanks a lot for the vitals. Be sweet.
Your Beloved Brother,
Ray Dickson, Jr.

FIRST REQUIREMENTS FOR A COMFORTABLE BED

"The first requirement for having a comfortable bed is a slat for every coil of springs," Miss Pratt, home demonstration agent, said while giving a demonstration on making beds for the Prairie Chapel girls Wednesday morning at the home of Paula Mae

Johnson, the bedroom demonstrator. The mattress and springs should be covered to protect them from dust and soiling. In making up the bed the mattress should be turned each week and should be sunned at least every ten days to keep it fluffy and smooth," she said.

Members present for the demonstration were Marie Bennett, Vera Livingston, Lyndell Mae Glenna, Paula Mae Johnson, Iva Lee Robertson, Alice Gipson, Alma Hale, Gay Nell Cornett, Ruth Goodwin, Opal Sharp, and Hazel Benham.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men
Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an unlikable, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or olive cures and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decayed poison in your bowels. The only mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only the mild vegetable extracts. If you would bring back your personal charm by winning men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores.

Be sure "something just as good" for it may grip, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. © 1933, C. M. Co.
