VOLUME 10

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, APRIL 26, 1934.

WHOLE NUMBER 457.

WEST TEXAS FEEDERS' DAY AT THE SPUR EXPERIMENT STATION FRIDAY MAY 4

Six questions pertaining to farm feeding problems are being asked 100 yearling steers. The questions are to be answered in a 112-day feeding test to end May 4. The questions are:

- (1) Can a part of the grain ration be replaced with cotton seed?
- (2) Can cotton seed be profitably used in place of cotton seed meal?
- (3) Is silage more profitable than dry roughage?
- (4) Does it pay to grind milo heads?
- (5) Does it pay to grind roughage?
- (6) How much mineral should be added to a ration?

For twenty years the Spur Station has been conducting feeding tests with cattle and sheep to secure additional information pertaining to the feeding value of West Texas feeds. The information obtained has played no small part in an intelligent use of the 60 million bushels of grain sorghum produced annually in Texas and also has helped to place these grains in the enviable position they now hold on the grain markets of the country. The grain sorghums, especially yellow milo, are valuable in many feed mixtures and feed rations. Their excellent value is reflected in prices on primary grain markets during the past year on a par with that of corn and 7 or 8 years. Prices generally have very frequently higher than corn.

Many other feed lot problems have been studied at the Spur Station and the information obtained has been invaluable in promoting the finishing of livestock. With an almost unlimited number of excellent feeder calves and lambs, an increasing supply of cheap feed, an abundance of water, an ideal climate, and reliable information rapidly accruing, West Texas is coming to the front as a feeder section.

If West Texas is to develop as a feeder section as it should, it is certain that an intelligent use of the rough feeds will be necessary. Frequently the grain crop is short. There is a big waste in the rough feeds. Most of the cattle in this test were purchased as short yearlings weighing 413 pounds in March, 1933. They were carried during the summer and fall of 1933 and until January 10, 1934 on alfalfa and sudan pasture and fed bundle feeds, silage and a limited amount of cotton seed meal and cotton seed. During the period they gained 503 pounds, a daily gain of 1.59 pound, at a cost of \$2.96 a hundred pounds gain. This gain was made without the use of grain. Since they have been in the dry feed lot on a heavy grain ration the cost of grain has doubled. The cattle will show a nice profit in spite of the low price of beef and the relatively high prices charged for feeds. This is due to the early cheap rains.

You are cordially invited to attend the field day meeting on May 4, at which time the final results of the tests in progress will be made available.

Spur Ladies Win First Honors

The Twentieth Century Study Club of Spur had the honor of winning first place with their year book at the convention of Federated Clubs of the Seventh District at Amarillo last week. In winning this honor the local club contested against 41 other towns including Lubbock and Plainview, Amarillo, Pampa and other large towns of West Texas. There are about sixty counties in the Seventh District of Federated Clubs, and the Spur Club proved the best and was from about the smallest town represented.

This should be an excellent representation of the intelligent standing of the membership of the Spur Club. The committee who passed on the work presented complimented it very highly. It was a piece of work compiled by local people and printed on a local press and hence, all the honor goes to local people.

Insurance Co. Places Agency Here

C. I. Reed, of Sweetwater, Superintendent for the American National Insurance Company, is in our city in an effort to establish an agency field for his company. Two men, E. T. Clay and H. C. Ashley, will have charge of the local office and look after securing business for the company. Mr. Reed, who has headquarters at Sweetwater, will work in co-operation with the local office.

The American National is one of the oldest and best established old line insurance companies in the South. Their home office is in Galveston where they have been doing business many years. They write ordinary life and industrial insurance, and state they have a policy to fit the purse of everybody.

NEWS FROM CALIFORNIA

Mr. and Mrs. L. A. Rainwater of Lomita California are the proud parents of a girl baby, born April 8th. Mr. and Mrs. Rainwater were formerly of Spur. Haskell Rainwater and Mrs. W. D. Spraberry, Jr., a son and daughter still reside here.

Junior-Senior Affair Gayest of Season

Last Friday the large dining room at the Spur Inn was made gay with beautiful decorations and a color scheme of red and white was carried out by the Junior Class of Spur High School. It was the occasion of the annual banquet given by the Juniors to the Seniors, faculty and school board.

The annual banquet in honor of the Seniors has become an established custom in the Spur school, and it is looked forward to every year as a great occasion. It is purely a class event and has no connection with the school in any manner. The Juniors furnish all expenses, make all arrangements, invite the outside guests and manage whatever else is necessary to make the event a complete one.

About 140 students, teachers, board members and guests were present Friday evening. A nice program was rendered and a number of inspiring talks were made and everybody enjoyed the evening.

Those present were: J. R. Cole, Woodrow Simmons, Jessie Belle Kiziazia, Lucille Frye, Ivan Mayfield, Barney Yeakle, Dorlan Hutto, Wallace Conaway, Sam Hood, Arden Holmes, Weldon Delisle, J. W. Neilson, David Sisto, Oliver Brinell, Thad Murley, C. M. Middleton, Misses Sarah McNeill, Ba. Lasseter, Pauline Buster, Julia Maxwell, and Mrs. Louise Chapman.

Starting tonight with "Midshipman Jack" featuring Bruce Cabot and continuing through next Tuesday night, Manager Everts of the Palace Theatre has booked some excellent programs.

The feature attraction Friday night will be an old-fashioned Country Store, put on in co-operation with Spur Merchants and the screen program will be headed with Richard Dix in "Day of Reckoning."

John Wayne, two-fisted western ace in "Riders of Destiny" comes to the Palace Saturday Matinee and night until 11:30 p. m. when the preview of "Prizefighter and the Lady" starts, featuring Myrna Loy, Max Baer, Primo Carnera and Jack Dempsey. Everts especially recommends this picture for the ladies, and it will be shown again Sunday afternoon.

Mac West in "I'm No Angel" will be shown Monday and Tuesday with a special program of short subjects.

With half the work, half the time, and no more expense you can do your home laundry at the Help-Selfy.

Miss Ruby Eubanks, of Abilene, is now with the Nichols Sanitarium.

LARGE BUSINESS EXPECTED AT PALACE IN OBSERVANCE OF WOMAN'S DAY TONITE

With the usually strong screen attractions set in for April 26th — Woman's Day — Manager Everts of the Palace Theatre has announced today that everything was in readiness for the redletter day in the history of women's clubs in Texas.

"Woman's Day" was set aside as the date of a state wide drive for funds to cut down the indebtedness of the Texas Federation of Women's clubhouses in Austin. This plan originated with Mrs. Volney W. Taylor of Brownsville, President of the Federation, and Karl Hoblitzelle, pioneer theatrical man and president of the Interscholastic Circuit, Inc., with offices in Dallas.

Under this arrangement a portion of the receipts of the Palace Theatre here, together with an equal portion of the receipts from theatres in every city and town in Texas will go to the clubhouse fund of the woman's organization.

"I am looking forward to a record business tonight," said Manager Everts. "We have arranged to present an outstanding screen program. We feel that it is a worthy cause and are doing everything possible to assist the ladies in putting across an event that will make history in theatricals as well as in club circles. The splendid co-operation of the ladies of the local organization has made it a pleasure for me and my staff to assist to the utmost."

Manager Everts was unusually cheerful in outlining his program for the day. "Midshipman Jack" RKO-Radio Picture featuring Bruce Cabot and Betty Furness.

Cabot in the title role of "Midshipman Jack," is a young cadet who shuns rules and regulations to court his commandant's daughter.

The climax of the production is an elaborate and thrilling spectacle, presenting a war manoeuvre with seaplanes and speedy submarine-chasers making an attack upon enemy submarines. The spectacle is topped with a daring stunt, a head-on-crash between an airplane in full flight and an oncoming subchaser commanded by the film's hero.

Cabot and Betty Furness head the cast of "Midshipman Jack," supported by such popular performers as Frank Albertson, Arthur Lake, Margaret Seddon and John Darrow, Christy Cabanne directed.

More Special Pro- grams For Palace

Starting tonight with "Midshipman Jack" featuring Bruce Cabot and continuing through next Tuesday night, Manager Everts of the Palace Theatre has booked some excellent programs.

The feature attraction Friday night will be an old-fashioned Country Store, put on in co-operation with Spur Merchants and the screen program will be headed with Richard Dix in "Day of Reckoning."

Supt. Hall To Serve Two More Years

At a meeting of the Board of Education for Spur Schools last week, Superintendent Sam Z. Hall's term was set for two more years as head of the local schools. Mr. Hall has served Spur schools for four years and there has been great improvement in school conditions since he took charge and under one of the most trying times in our history. Financial conditions have been very adverse since he was elected four years ago. He has reduced the running expense of the schools from \$58,000 per year to \$32,000 per year since coming to Spur and at this time there are more teachers in our high school than ever before.

American Legion Play Tonight

The local post of the American Legion will give a musical drama at the East Side auditorium tonight and tomorrow (Friday) night the proceeds to go to the Crippled Children's fund in Dickens County. This play is strictly a home talent play and is said to be one of the greatest thrillers on the stage. A visitor in our city recently said that he witnessed the play in Lubbock and that it is one of the best plays he ever saw. He said, "you just cannot pay too much to see it, it is worth more than it costs."

Those in the play have been working diligently for the past two weeks in order to perfect the different characterizations, and those who have witnessed the rehearsals state that it is going to be good. It is worth any money to see Buck Neilson play a junior part, or Jim Cloud pull his stuff; and then there is James B. Reed who is acting as chief deputy. Who would refuse such a no opportunity? The ex-service men invite you to be present tonight and watch them go over the top with "Crashing Thru".

The following is the cast:

Prologue
Thos. Jackson, an old man, E. C. McGee; Helen, his wife, Mrs. P. C. Nichols; Thos. Jackson, Jr., Pat Hogan.

Act I.—Thos. Jackson, as a youth, Faust Collier; Helen, his sweetheart, Winnie McKeever; Priscilla Collins, Elizabeth Keene; Newt Ketchum, deputy, Jas. B. Reed; Minnie Girls and Seth Parker Chorus.

Act II.—Thos. Jackson, Jr., Buck Neilson; Betty, his sweetheart, Mrs. Guy Karr; Mary Belle, office girl, Evelyn Foote; Forgan, Pres. Watson; Roy Atwell, V. L. Patterson; Gracie Allen, Minnie Johnson; Baron Munchausen, Fred C. Haile; Mae West, Johnnie Marsh; Jimmie Durante, Jim Cloud.

Act III.—Thos. Jackson, III, Bottles Mason; Nancy, his sweetheart, Winnie McKeever; Edgar Broker, Guy Karr; Chief Inspector, James McCormick; Water Inspector, Monk Rucker; Posture Inspector, Joe D. Giddens; Air Inspector, Alph Glasgow; Age Inspector, David Sisto; Census Inspector, Harvey Giddens; License Inspector, Geo. S. Link, Jr.; Inferiority Complex, James Perry; Modesty Inspector, Enoch Pendleton.

MRS. CHAPMAN RESIGNS AS H. E. DEPARTMENT HEAD

Mrs. Alton B. Chapman, who has been head of the Home Economics Department of the Spur schools the past three years, has tendered her resignation to become effective at the close of the present term. Mrs. Chapman was re-elected for another term, but feels that her home duties are too great and will require all her time.

OFFERING A PRIZE ON ADVERTISEMENT

Bryant-Link Company is offering a very attractive inducement in regard to their advertisement this week. Three dollars off on a suit of clothes will be that much saved since most of the suits are being offered at a reduced price. If you comply with the advertisement the offer stands good to everybody.

NORTHWEST TEXAS FAIR DATES SET FOR SEPTEMBER 20, 21, 22 TO BE HELD HERE

Condition of Soil Moisture April 20th

On the 20th of each month during the growing season the amount of moisture in the soil is measured at 48 points at a depth of 1, 2 and 3 feet. These measurements are made by taking samples of the soil with an auger, weighing the wet samples, drying off all the moisture in an oven, and then weighing the dry samples. It is then a simple matter of calculation to determine the amount of water in the soil. Farmers of Texas, and West Texas especially are becoming more interested from year to year in what is commonly called "bottom season."

The following gives the amount of water in inches available for plant use on April 20 for 5 years:

1930—Depth, 6 to 18 inches, 87;
18 to 30 inches, 49, 30 to 42 inches, 40. Total 176.
1931—Depth, 6 to 18 inches, 190;
18 to 30 inches, 195; 30 to 42 inches 121. Total 506.
1932—Depth, 6 to 18 inches, 196;
18 to 30 inches 181; 30 to 42 inches, 71. Total 448.
1933—Depth, 6 to 18 inches, 2.05;
18 to 30 inches, 2.00; 30 to 42 inches 1.48 Total 5.53.
1934—Depths, 6 to 18 inches, .82;
18 to 30 inches, .72; 30 to 42 inches, .55. Total 2.19.

On April 20, 1933, there was more stored moisture at a lower depth than there has been in five years. The upper six inches, however, was so dry that planting was impossible and West Texas did little planting until after the general rains the latter part of May. This year there is good excellent top moisture for getting crops started but there is little in reserve for the hot, dry months to follow. The section will be more dependent on current rainfall than it has been since 1930.

Mrs. J. R. Christol Passes Away Here

Mrs. Joe R. Christol, who had been a sufferer for the past four years, passed away at her home on East Hill Street about 10:15 o'clock Wednesday night of last week. Funeral services were held at 10:30 o'clock Thursday morning at the Presbyterian Church. Rev. Fred Cairns, the pastor, reading the funeral rites. Interment followed in Spur cemetery, Webber Williams acting as funeral director.

Mrs. Christol had been ill since sometime in 1930 suffering from malignant tumor in the left side of her head and face. It was classified as carcinoma of the left antrum. While a constant sufferer from the condition yet she was patient and kind and looked on the bright side of life until her last moments passed.

She is survived by her husband and three sons: Marion, John O. and Pat, and a great host of friends.

Mrs. Christol was born January 1, 1894, and was a daughter of Mr. and Mrs. J. F. Fullingim. She was a devoted Christian lady, always trying to do her part to help her neighbors and friends. One person who had known her many years stated that she was one woman that everybody had confidence in because of her noble life. She and her husband moved to Spur several years ago and both won the respect of the people of this community.

Good Funds Raised From Dickens Play

The people of Dickens presented a very interesting play last Friday evening, the proceeds going to the benefit fund of Crippled Children in Dickens County. The title of the play was "Whittlin'" and a very large audience enjoyed the program. The receipts for the evening was \$56.00. This play will be given at McAdoo on Friday night, May 4, and the proceeds are to go for Crippled Children. It is hoped that many people will be present to see it that evening.

DICKENS SCHOOL BOARD ELECTS FACULTY

At a meeting of the Board of Education for the school at Dickens Friday night, the entire faculty was re-elected for another term. L. A. Sharp is superintendent and will be at the head of the school next year.

Dickens has enjoyed a very fine term of school this year and the good people there are interested in seeing the work continue.

Sanitarium News

Miss Ora Burrow, of Floydada, is a medical patient in the sanitarium with an operation pending.

Miss Helen Douglas, of Sylvester, limb amputation is getting along fine at this time.

The officials of the Northwest West Texas Fair Association have definitely settled on the dates for the fair to be held at Spur this fall, September 20, 21, and 22.

The officials realize that only through the full cooperation of the people of this territory can the fair be made a real success. They realize further that since it has been several years since a fair was held here it is of vital importance that the people know in advance something about the exhibits in order to be fully prepared to show worthy products. With this idea in mind arrangements are being made to publish in this paper beginning with the May 3rd issue, sections from the catalogue showing entries and prizes available in the various departments.

Those who are interested may get from the above named issues of this paper the information necessary to make preparations in advance toward having the best possible products in all departments to show.

Any one interested in further information relative to the fair, may communicate with D. L. Chamber, Fair Secretary, at the Chamber of Commerce office in Spur.

The entertainment committee are busy working out the most complete and interesting program ever to be seen at a small-town fair. Three full days of fun and education may be enjoyed by the people of this territory upon the date set.

Watch the papers and read every notice about the progress of the fair. Full and complete announcements will be made through the papers as they are perfected.

Notice: Corrections will gladly be made next week on any of the above records when authorized by both players concerned.

Tuesday afternoon the members of the Golf Club met at the course and enjoyed a very fine barbecue. It was understood that individual losers should treat the winners to a barbecue, and they certainly made good Tuesday afternoon. It was a great time, everybody enjoying a social hour and forgot business worries.

OPENING BUSINESS COLLEGE HERE

Mr. and Mrs. W. H. Grothe, formerly of Ranger and Abilene, are establishing their business college in Spur and will be ready for class work Monday. The school will be located in the Wendell building in the offices so long occupied by Dr. Brannen. The name of the school will be Turner Business College.

Mr. and Mrs. Grothe have been instructors in business colleges the past five years and are very capable people. Mrs. Grothe formerly was federal court reporter for the Abilene U. S. District Court.

The courses will include typing, shorthand, bookkeeping, correspondence and secretarial work for office.

Many of the young people in our community can secure a practical education in business training at a home school now which will be far less expensive than going away for the training.

W. S. Smiley, of Duncan Flat, was transacting business in our city Wednesday.

at this time.

V. C. Bromley of McAdoo, who underwent an operation two weeks ago, continues to improve.

Rosannell Gilmore, city, underwent an operation for appendicitis Saturday and is getting along fine at this time.

T. C. Cooner For Commissioner Pre. 3

TO THE VOTERS OF DICKENS COUNTY, TEXAS

I take this method of announcing to you, my candidacy for the office

of County Commissioner of Precinct No. 3, Dickens County. In making this announcement, I am fully aware of the responsibility of the work of a county commissioner, and am aware that the commissioners court of the respective counties of our great State, has all the financial problems of their respective counties to deal with.

I was born and reared in the State of Texas, have been in Dickens County, since 1922. I have been engaged in business since coming to Dickens County, and have come in contact with the citizens of every walk of life, have had an opportunity to study the needs of county government, both from the standpoint of the people and the standpoint of the officers, which qualifies me for the office I am now asking for your hands.

As your County Commissioner, I will use all powers I possess, both in my official capacity and personally to curtail the public expenses as much as is possible for a county commissioner to do, in his official capacity.

I am making this race for the office of County Commissioner of Precinct No. 3, Dickens County, upon my own merits, and not on the demerits of either of my opponents. I am asking your support in the Democratic Primary on July 28th, because having had business experience and knowing the needs of the people and also the needs of our county sufficiently to enable me to serve you as your commissioner, in an efficient manner, and to make you an honest officer.

I have no glittering promises to make before the election that cannot be fulfilled after the election. The only promise I have to make to the voters of Precinct No. 3, is that I will at all times try to make you an honest and efficient officer; always working to their interest as much as it is possible for me to do, always keeping in mind the duties I owe to the welfare of Dickens County.

I believe in conducting the affairs of the county on an economical basis as much as possible, and not jeopardize the interest of either the people or the county, as much as is possible to do.

I am opposed to unnecessary or extravagant expense in the administration of the county's business. I am also opposed to unnecessary high taxes for any purpose other than is absolutely necessary to carry on the business of our County in an efficient manner. I believe in equal rights to all and special privileges to none.

And if elected, I will always be found willing and ready to discuss with you all matters appertaining to the duties of my office. It is my desire to meet each voter personally if it is possible for me to do so before the election, but it is quite a task to do so, and if I fail to see you it will be my misfortune and not my fault, and I wish in this announcement to assure you that no one will appreciate more than myself any support given me at the Democratic Primary on July 28th, and if elected will serve you in the best manner I know. Thanking you in advance for your support I am respectfully subject to

the will of the people by their ballots on July 28th, 1934.

Respectfully,
T. C. COONER.

McADOO

The plains were soaked with another good rain recently. The wheat and grass can almost be seen growing. Some of the farmers have been planting feed and some few have planted cotton. Possibly some of them will have to replant after the rain.

Mr. and Mrs. Bradford Bass and little son, visited Mr. Bass' father, Gene Bass and family of near Lubbock last week.

Jack Derr, who has been in the Nichols Sanitarium at Spur, returned home Thursday.

Mrs. Dan Embry attended the Annual meeting of the Womens' Missionary Society at Lubbock the past week.

Mr. Brumley was carried to Nichols Sanitarium at Spur last week for an appendicitis operation. Mr. Brumley has been quite ill, but we hope that his condition is improved very much by now.

The Home Demonstration Club met at the home of Mrs. G. W. Allen, Tuesday afternoon, April 10.

The County Nurse, Miss Richter, met with the H. D. Club, and gave a first aid treatment for all types of wounds and injuries including the stopping of bleeding, and artificial respiration. All of this was very interesting as well as helpful.

A large number were present to secure this valuable information. Including old club members, visitors and new club members, there were twenty or more present.

Mr. and Mrs. Louis Gilmore and Billie Doris of Meador were visiting relatives and friends here the past week.

Rev and Mrs. Hood, Mrs. C. Gellihar and possibly others from here attended the Annual Meeting of the Womens' Missionary Society that was held at Lubbock last week.

Mr. and Mrs. Lee Parker were in Crosbyton Friday.

A large number from here attended the Annual District Interscholastic League Meet at Texas Tech College, and the electrical engineering show at the college Friday and Saturday.

Our volley ball girls won second place at the district meet.

Ivy Brown, Dan Embry, Mr. Grissom and John Powers could not resist the beautiful warm days any longer and left for a fishing trip Saturday. They plan to return near the last of the week, and will tell of their success when they return.

CLUB WOMEN IMPROVE YARD

"We underpinned the house with rock from around some flower beds and from the river. We have set all the shrubs in the foundation plantings that the plan calls for. Four Chinese elms were set in a group planting to the west of the house to provide shade," reports Mrs. Matt Howell of the Red Top home demonstration club who is improving her yard according to plans drawn by the home demonstration agent.

"We are enlarging the yard and because the yard is so sloping we are building a rock terrace across the

front and will fill it in with soil. We have used some native material and some flowering shrubs."

HOME CRAFT CLUB MEETING

The Croton Home Craft Club held their regular meeting at the school building, Thursday, April 19th. It was an all-day meeting, devoted to demonstrations of the uses of foundation patterns supervised by Mrs. Alexander of Prairie Chapel.

SECOND SHEETS AT TIMES Office

When your head aches; when Neuralgia tortures you; when Muscular Pains make you miserable—take a Dr. Miles' Anti-Pain Pill.

FIRST AID IN THE HOME

My most used remedy is salt water and Lifebuoy soap, answered Mrs. Thurmond Moore to the roll call Friday afternoon, April 20. Other remedies given were Mentholatum, Ly-sol, Camphor and Iodine for just everyday use.

We should all have a first aid kit, because sometimes we may be able to save a life, or at least prevent a lot of suffering by using it.

Artificial respiration will sometimes restore life in a drowned person so we should all know how to give it.

Lay the person on the stomach with one arm under head with the other arm straight above the head; straddle him about the hips lean forward with the hands on either side just below the lower rib.

May 4th we have a meeting "seeing the Beauty" at the home of Mrs. Marie Ward. Bring something of Artistic value for discussion.

A FIRST AID KIT FOR EVERY HOME CLUB THEME

The club women enjoyed an interesting talk by Mrs. I. E. Abernathy on the use of a "Home First Aid Kit," and "The Things It Should Contain," at a meeting at the home of Mrs. Sam Nally on the afternoon of April 19th.

Those present at the April 19th meeting were: Mesdames I. E. Abernathy, Chas. Gyr, Joe Watson, J. W. Pickens, John Bachman. —Reporter.

IMPROVED ROOM ENCOURAGES NEATNESS

"Won't have any trouble keeping the boy's room from now on for they keep their clothes hung up and keep everything in order," says Mrs. W. O. Garrison, who improved her sons bedroom in her work as bedroom demonstrator in the Red Top home demonstration club.

"We have everything done in the room except finishing the floor and hanging the window curtains; I mean my husband and the boys have finished the room. The boys had measles and were home so they did most of the work. They painted the woodwork and the furniture, using ivory enamel. My husband hung the paper. I selected a pattern with a tiny vine in the design that tends to give height to the room."

"The bed needed two slats and these were added. I also have put spring and mattress covers on the beds."

"The clothes closet in the room had only a hanging rod; we have added shelves, hat and shoe racks."

"It surely looks like a different room, and we are proud of it."

NEW CLUB HAS PATTERN DEMONSTRATION

Fourteen foundation patterns were cut and fitted in an all-day meeting of the Croton home demonstration club at the home of Mrs. J. D. Guyear, Tuesday when Mrs. R. C. Alexander wardrobe demonstrator of the Prairie Chapel club, gave the demonstration. She will give a demonstration on the use of foundation patterns for the club, April 19. The Croton club has been organized and had not had any work in foundation patterns.

Each member brought covered dishes and the noon hour was an enjoyable social hour.

Those present for the demonstration were: Mesdames Earl Butler, Edith Cheyne, J. J. Watson, O. L. Harris, J. D. Guyear, J. W. Offield, J. C. Smith, T. J. Randolph, Phenn Graves, Nathan Thacker, Rosa Earnest, D. F. Ritchie, Velma Jackson, M. Scoggins, S. L. Porter, R. L. Littlefield, Bruce Scoggins, R. C. Alexander, Miss Francis Wasson and Mrs. Ervie Guyear.

DUCK CREEK GIRLS SCORE CAKE

"The texture of the cake should be fine and even," said Miss Pratt Tuesday morning when the Duck Creek 4-H girls scored their cakes. Each girl had baked a layer cake and brought it to be scored in club meeting. "A porous cake may be due to several reasons, usually to much baking powder was used or the temperature of the oven was not right," Miss Pratt said. "On the whole, the cakes are very good for the first or second cakes you have made."

Before scoring the cakes a demonstration on etiquette was given which included introductions, table service and manners.

Girls present were: Aroliene and Pauline Hagins, Dot Swaringen, Ruth Matlock, Robbie Lou Driggers, Marguerite Bural, Kathryn Thach and a new member, Artie May Frantz. Kathryn Thach, reporter.

CLUB WOMAN IMPROVES HOME

"I knew if I improved a bedroom I would have to improve the rest of the house too, said Mrs. Forest Martin, bedroom improvement demonstrator for the Peaceful Hill home demonstration club. "We have calmed the walls in the kitchen, living room and

two bedrooms, and the bedroom I began to improve has not been done yet. I have added a door to the clothes closet in my room and want to build a closet in one of the other bedrooms."

Mrs. Martin is improving her yard too, having enlarged the front yard by having the fence moved out six feet and setting it with Bermuda grass. She moved four lilacs from the front yard and used them with native shrubs and vines and other flowering shrubs in foundation planting about the house.

HEALTH NURSE VISITS McADDO HOME DEMONSTRATION CLUB

"Never give up in less than three or four hours when giving first aid treatment for a person who has been drowned," explained Miss Richter who with the McAdoo Home Demonstration club Thursday afternoon at the home of Mrs. George Allen.

Miss Richter gave a lecture and demonstration on "How to Treat All Types of Wounds, Sprains, Broken Bones, etc."

There were twelve members present and seven visitors.

CROTON GIRLS DISCUSS MANNERS

"When in doubt do as your hostess does," said Miss Pratt, county home demonstration agent, when talking on manners in a meeting of the Croton 4-H Club Wednesday morning. Address the lady or present to the lady men, younger women, girls or boys when making introductions. If possible when introducing two people mention something about one of them for an opening for a conversation."

Wonderful RELIEF

Here's good news for you people whose nerves are so jangled, you can't eat, sleep, or rest; who worry over trifles, start at sudden noises, have Nervous Indigestion, Nervous Headache.

Dr. Miles' NERVINE Liquid and Effervescent Tablets

At the next club meeting, May 2, we are to have a demonstration on using and canning carrots and spinach. Club members present were: Francis Wasson, Joyce Hemphill, Dorine Lee, Mildred and Juanita Bradley, Bernice Mayo, Allene Jackson, Olitha Harvison and Alvertia Butler. Joyce Hemphill, reporter.

PRAIRIE CHAPEL CLUB

"Every family should have a First Aid Kit in their home," said Miss Clara Pratt, County home demonstration agent, while talking to the Prairie Chapel Club Women at the home of Mrs. Leon Robertson Wednesday, April 18.

Miss Pratt gave a demonstration on "First Aid in The Home." "Accidents don't only happen on the highway and at public gatherings, but often happen in the home. That is why I'm urging each one of you to assemble a First Aid Kit, continued Miss Pratt.

In the business session the Club decided to have a pie supper at the School Auditorium Friday Night, April 27. Every one is invited to attend. After singing a few hymns the club adjourned to meet with Mrs. F. L. Byars Wednesday, May 12.

Trose present were Mesdames F. L. Byars, R. C. Calloway, Pink Robertson, Davie Hale, W. F. Vanceve, Theo

Blasingame, Annie Alexander, C. W. Vanceve, J. W. Hilton, J. E. Hale, R. C. Alexander, Miss Pratt and Mrs. I. E. Abernathy, visitor from Soldier Mound. Mrs. R. C. Alexander, reporter

DEMONSTRATOR HAS 300 FEET OF TILE LAID IN GARDEN

"We have made and laid 300 feet of tile in the garden and I mean to keep on until we have it under the whole garden," says Joe Hale, whose wife is farm supply demonstrator for the Prairie Chapel home demonstration club. "I have used about 2 1/2 sacks of cement to make the 300 feet."

"You can see what sub-irrigation has done for that row of strawberries," said Mrs. Hale, pointing to the row. "The rows beside it are the same age and are surface irrigated. The sub-irrigated row has made twice the growth the others have."

"Our vegetables are growing fast, planting for the birds at the first too, however, these are the second ones. We shall set the tomatoes and peppers over the tile."

Where Safety Award Was Won

Photo courtesy U. S. Rubber Co.

This mountainous road in West Virginia over which pedestrians used to walk in fear of their lives today has become equally famous as a thoroughfare of safety.

YEARS ago, legend has it, miners traversed the road and passed through the rocky cut en route to spend their Saturday nights in the boom town of Keystone. On their return, they were often waylaid by bandits, who so often killed their victims, that the path became known as "Dead Man's Cut."

Last year, however, the road, which links Welch and Bluefield, West Va., became prominently associated with the thought of safety, for it was over this stretch and the

highway between Bluefield and Roanoke, Va., that the safest inter-city small fleet bus operation in the United States was recorded.

Although the road curves its way in a series of horseshoe loops up and down and around the sides of several mountains of the Alleghenies, the Pocahontas Transportation Co., of Bluefield, covered 555,090 miles over it without accident during the period July 1, 1932 to June 30, 1933, and thereby won the award of the National Safety Council

which is made each year to the bus line registering the least percentage of accidents per 100,000 miles.

The company attributes its achievement to the careful manner in which it selects its drivers and to its equipment, particularly the U. S. tires whose traction was such that drivers rarely used chains even when the mountains were covered with snow and ice in mid-winter.

McADOO

Little Le Roy, 3-year-old son of Mr. and Mrs. Frank Macon, passed away Monday evening. The little child was sick only a few hours. Leroy was the only child of Mr. and Mrs. Macon. Funeral services were held at the Methodist church, Tuesday afternoon at 3:00 o'clock. Rev. Hood, pastor of the Methodist church read the funeral rites. Interment followed in the McAdoo cemetery.

Truly we know how to sympathize with the sorrowing loved ones and wish to extend condolence to the mother and father and near relatives. Juanita Hodges, a junior in McAdoo high school was carried to the Nichols sanitarium last week for an operation. We are all wishing Juanita a speedy recovery and are anxious for her to return to school.

Mr. and Mrs. L. E. Bass and family of near Lubbock are visiting Mrs. Bass' parents, Mr. and Mrs. H. P. Edwards.

Rev. Hood was visiting and greeting friends in Spur Wednesday. The entire community was again saddened Thursday at the death of Mr. Isaac. Mr. Isaac took sick after noon and died before night.

Funeral services were held at the Methodist church Thursday afternoon at 3:00 o'clock. The pastor of the baptist church, Rev. Ewton, of Spur read the funeral rites. Interment followed in the McAdoo cemetery.

Decensed is survived by his wife, five sons and a daughter.

We extend sympathy to the bereaved family.

Mr. and Mrs. T. L. Dozier, Maude and Reba, were in Crosbyton Saturday.

Lovie Gilmore of Meador was in this community Wednesday on business.

Mr. and Mrs. J. T. Parker and family were at Flomont Wednesday of last week visiting relatives. Mrs. Parker's niece, Allie Davidson, returned home with them for a few days' visit.

Buelah May Phifer, a student of Tech, was at home a few days the past week.

J. R. Roberson was in Spur Wednesday, seeing after business matters.

Mr. and Mrs. Ivy Brown were in Crosbyton Saturday. Mr. Brown has been sick the past few days. We hope he will soon be able to be up again.

Lingo Gilmore of near Lubbock was here the past week.

Roy Isaac, student of Lubbock Tech, College and Amos Isaac of Afton are spending a few days at home with their mother.

A large number from McAdoo attended the singing at Pansy Sunday night. The Lubbock quartet was there and presented some very good singing.

Mr. Bursleson, a member of the Lubbock quartet is to teach a singing school at Pansy in the near future.

Grandpa Early is quite ill at this writing.

SPOTLIGHTING THE STARS

HELLO! More news and views of the stars you see and hear. Are you ready? Okay, let's go! Big Bill Tilden and bigger Kate Smith just signed for what will probably be the world's funniest tennis match with opponent John McCormack and poker-faced Helen Wills. The contest will take place some time this summer, the proceeds to charity. Have you a mental picture of Kate Smith rushing to the net???? A new beauty contest winner is Claudia Small, and a plenty cute gal too. Selected from 4000 contestants, Claudia arrived in Hollywood via Atlanta, Jo-juh. Deserting the Treasure Island set between shots, Jackie Cooper played host to this charming visitor. Swap you a bag of marbles for that job, Jackie!!!!

Wally "Pancho" Beery strikes a brand new note in witainy in his portrayal of the life of the bandit who gave "Black Jack" Pershing such a hot time on the Mex border way back when... Gracie Allen yearns to croon—which is a pretty good gag all by itself!!!! Basketball is rapidly becoming a new Hollywood sport fad. The fast moving Washington State five turned in a few exhibition thrills the other day and were rewarded with a few thrills in return when Clark Gable entertained the team on the lot... Here's an interesting fact—you can state with authority during the dinner table conversation tonight that Queen Christina actually was in love with the Spanish envoy. A prominent New York collector discovered a letter in Europe signed by Christina and addressed to her sister, the contents of which substantiate her undying love for the Spaniard just as Garbo played it in the picture. So that's that!!!! They tell me that Carol Lombard loves it. I mean that "bee-bee-bo-bo-bo-bo" of our friend Bing Crosby. Incidentally, when he was a small fellow, Crosby's favorite game was "Cops and Robbers," hence his nickname which has been shortened from Bing-bang to Bing. To the lovely Lombard goes the credit for a new style-craze—bangs curling in the middle of the forehead. How would they look on you??? Well, see you next week.

INTERESTING COTTON PRODUCERS TO BE HELD AT LUBBOCK TECH GYM

Farmers of the South Plains and adjacent territory will gather in Lubbock, Tuesday, May 1, for an all-day program to be held at the Texas Tech gymnasium beginning at 10 o'clock. The program will be of special interest to all cotton producers with some of the most experienced National leaders in the cooperative move-

ment who have definitely agreed to be present including E. F. Creekmore vice-president and general manager of the American Cotton Cooperative Association.

On the morning program, beginning at 10 A. M., May 1 at the Tech Gymnasium, E. F. Creekmore will speak on the subject "The National Association in its relation to regional organizations."

Dr. Bradford Knapp will discuss: "Necessity for Cooperation in The New Deal."

On the afternoon program, Sterling C. Evans, Houston, President, Bank for Cooperatives, will discuss the operation of the bank.

C. O. Moser, New Orleans, with the

American Cotton Cooperative Association will discuss: "A cotton marketing program for Northwest Texas."

The educational program is being called by the Directors of the Northwest Texas Cotton Growers Association including the following: M. S. Hudson, President, Hale Center; C. A. Barron, Vice-President, Lamesa; D. L. Tucker, Levelland; Joe Y. Thompson, Tahoka; J. T. Ellis, Littlefield; W. H. Hanes, Crosbyton; R. D. Jones, Paducah.

ASSEMBLING OF CHEVROLETS AT CENTURY OF PROGRESS

Installation of equipment for the assembly of Chevrolet automobiles in the General Motors Building at the 1934 "Century of Progress International Exposition," Chicago, has already been started by the Chevrolet Motor Company, M. E. Coyle, president and general manager, announced this week.

Complete installation will be effected well in advance of the scheduled re-opening of the 1934 World's Fair on May 26, Mr. Coyle said, assuring early visitors that they will be able to see an automobile built from the bare frame to the completed car, from the opening till the closing day of the exposition.

Machinery is identical with that used in Chevrolet's nine other assem-

bled plants, with the exception of overhead conveyors. The latter have been replaced by floor type conveyors to bring parts to the proper stations along the line. This slight change in factory procedure provides visibility for the thousands who will watch the assembly each day. Machines will again be finished in silver with black trim and will be manned by approximately 200 workers in white uniforms.

A balcony seven feet above the assembly line and erected in circular form so that the maximum number of visitors may walk completely around the line and watch every operation in the building of a typically modern automobile, has been provided, Mr. Coyle said.

Production of 25 to 30 cars a day is planned. Two body types—coaches and sedans—will be built on the Master Chevrolet chassis. Regular inspection posts will check every operation along the line, and the cars will be driven out under their own power, tested and put through final inspection right on the spot.

Additional interest will be furnished this year in the Chevrolet assembly plant by the installation of a knee action assembly, an outstanding feature of the 1934 Chevrolet. Visitors will see just how this remarkable development which contributes so materially to riding comfort, is constructed.

Chevrolet is again the only company which will operate an automobile assembly line at the Fair, Mr. Coyle stated.

REX WALLER CANDIDATE FOR STATE TREASURER

Austin, Texas. — Rex Waller of Trinity County, candidate for State Treasurer, has opened headquarters in the Driskill Hotel here with Richard Hudson in charge of the office.

Mr. Waller is well known throughout the state, having been Assistant State Tax Commissioner during the administration of Gov. Pat Neff. He has served as Assistant Controller of Houston and as Comptroller of Westlaco. He was also City Manager in the Tri-Cities, Goose Creek, Pelly, and Baytown.

In a statement to the press, Mr. Waller declared, "If I am elected State Treasurer, I shall see that the State Treasury is not used as a dumping ground for worthless securities and that the taxpayers' money is not lost in defunct banks. I am as equally determined that there will be no job selling or job swapping in the State Treasury Department during my administration."

Mr. Waller, who is 33 years of age, is seeking an elective office for the first time. He was born in Houston County, and received his common school education in that county and Trinity County. He later attended Allen Academy, Tyler Commercial College, and the University of Texas. In 1928 he married Mary Louise Anderson at Westlaco, Texas, and they have a daughter three years of age.

Mr. Waller was a delegate to the National Democratic Convention in 1928, and served as secretary to the State Democratic Convention at Lubbock in 1932. He has been active among the Young Democrats of America, having helped to organize them in all four zones of Texas.

Knighthood of Youth Club

On Friday, April 20, the nightingale Circle met for the seventh time. After a short business session, the club enjoyed a miscellaneous program, which included the dedication of the picture "The Pilgrims," that the room won in a contest.

These people recorded individual adventures as stones in their castles: Geneva Byrd, Ellison Crider, Sarah Anne Crider, Floyd Horton, Irene Blackman, Wylie Kennedy, Purdy Hayes, Dalton Moss, Loyce Stanton, Lorene Durham, and Virginia Berset. The meeting adjourned until Friday, April 27th.

A RAT STORY OF MAN'S FOODS

Today 500,000 farmers and their families are sitting down to dinner in Texas. The wholesome viands on most of their tables are rich in food values, fats, carbohydrates, proteins, and incidentally the necessary minerals and vitamins. The wise mother should know from experience the food on which her family thrives and only a calamity prevent their inclusion on her table. She probably does not know that vitamin A is the anti-ophthalmic or anti-infective vitamin and is necessary for a good appetite, health and vigor, prevents infections especially of the eyes and lungs, and is essential for normal reproduction and lactation; but she does know that spinach, mustard, carrots and tomatoes are good for the family and father knows that green grass is food for the chickens, cows and pigs. Mother knows the deep yellow yolks are in the best eggs and rich yellow butter is best; but that all of these ordinary foods supply vitamin A has not occurred to her.

She may not know that vitamin B protects the body from such nervous diseases as beri-beri or polyneuritis, but she knows that whole cereals, peas, wheat bran, rice bran and egg yolks are necessary for the health of her family and the fact that vitamin B is supplied by these is only of incidental importance to her.

That vitamin C is the anti-scurvitic vitamin and protects the body from scurvy and keeps the bones and teeth in good condition, does not mean so much to her as being sure the family have plenty of oranges and lemons and plenty of other fruits and salads; but with these she unconsciously supplies the needed vitamin C.

If the children or the young animals have rickets or poor bone development she does not charge it to lack of vitamin D, the anti-rachitic vitamin, but the prudent well-informed mother hustles the sufferers into the sunshine and buys some salmon and feeds them yeast and cod liver oil until relief is noted.

That barley, beans, corn, peas, rice and oats for the table and alfalfa added for the feedlot, supply the vitamin E that prevents sterility is interesting to her of course, but at any rate she knows that such items are desirable in the diet.

She also provides plenty of yeast, liver, sweetbreads, and lean meats, as well as milk, eggs, cheese, turnip greens and potatoes, and the fact that these supply vitamin G that prevents pellagra is only secondary importance to her.

Mother knows that an abundance of

all sorts of wholesome foods will keep off ailments and keep the family strong and happy. She may not know that every day in the Experiment Station laboratory nearly four hundred rats, carefully bred for uniformity, are measuring the minutest degree the vitamin potency of the feeds and foodstuffs on which our people and our animals must subsist and that they are measuring the quantities of each various item of food needed to supply the body requirements, not only for maintenance but for proper growth and production and reproduction; but she does know that somebody has figured out some mighty good menus for the table and some mighty good rations for the feedlots and she is not too prejudiced to use them for all things she desires the health and happiness of her family and the thrill of successful livestock production is pleasing to her.

Vitamin C is measured by feeding guinea pigs and the other vitamins are measured by feeding rats. No other method so satisfactory is known for evaluating the vitamin potency of feeds and foodstuffs. From Bulletin 477, one learns that a human being needs at least 1000 units per day of vitamin A and that foods carrying this amount can be provided for one-half cent or less; that milk cows and hens require green feed in the regular ration in order to continue in good health and be able to produce milk and eggs of high vitamin A potency, and that hays and fodders and even sorghum silage do not supply enough vitamin A for cows to produce milk in normal amounts.

GARZA COUNTY HEN BELIEVES IN TRADE MARKING EGGS

The following article is a clipping from the Post Dispatch published at Post, Texas, and has to do with a story of a Garza county hen that we must admit believes in trade marking her eggs. Here tis:

"A Garza County hen certainly be-

lieves in trade marks as this week she left the drawing of a chicken on an egg. The wings, head and body are in deep raised outline leaving no doubt as to whether it was a duck or a hen egg.

Just A Spot of Ancient India In The Heart of "Old" New York

THE above pictured diorama of a northern India tea estate is now being exhibited in New York City. (Incidentally, cross-word puzzle creators have so far overlooked that word, "diorama"). The original of this diorama is on display at the Imperial Institute, London. The background, showing the Himalayan Mountains, is painted in oils by the noted London artist, Jane Jackson. In the middle foreground are graphically natural figures of tea pluckers and foreman. The diorama is enclosed in a case 7 feet wide, 5 feet high and 3 feet deep. Under electric illumination, it is a splendid visualization of a tea garden of India, whence comes most of the world's tea.

The egg was discovered by Lawrence Evans, Piggly-Wiggly employee, as he was counting eggs Monday morning at the store.

signing the Recovery Act, he asked that "first consideration be given improvement of operating figures by increased sales." He reminded them that "the pent-up demand of the people is very great, and that they "need not fear a lagging recovery," provided prices were not inflated beyond the actual margin of increased costs.

Henry Ford's thesis, recently reiterated, that "when prices go up, business goes down," seems to have been in the minds of merchants who have passed out of the red ink into the black. This vital subject is discussed by the New Haven Register as follows: "Those who are wondering how much the cost of setting the family table is going to increase from this point on, have an answer from an unexpected source. It comes from the War Department and the Appropriations Committee of the House of Representatives. The current ration cost is 31.5 cents per day. In the new appropriation bill for the fiscal year ending June 30, 1935, the allowance for subsistence was increased to 35 cents. The anticipated increase, therefore, is less than 10 per cent."

COTTON GROWERS TO MEET IN LUBBOCK MAY 1

E. F. Creekmore, vice-president and general manager of the American Cotton Cooperative Association, New Orleans, will be the principal speaker at an educational meeting at Lubbock, Tuesday, May 1st, for the recently organized Northwest Texas Cotton Growers' Association, N. H. Payne, manager of the association, has announced.

C. O. Moser, also with the American association at New Orleans, Sterling C. Evans, president of the Bank for Cooperatives and others, will likewise appear on the program.

A thousand farmers from 23 South Plains and adjoining counties are expected.

WORDS OF THANKS

We wish through this means to express our appreciation and thanks to our many friends who were so kind during the sickness and death of our darling baby LeRoy. We thank you especially for the comforting words and beautiful floral offerings. May God bless every one of you is our prayer.

Mr. and Mrs. Frank Macon and relatives.

ELBERT LEROY MACON

Monday afternoon, April 16, the death angel visited the home of Mr. and Mrs. Frank Macon and took away their only child, Little LeRoy. He was born March 1, 1931 and at the time of his death was 3 years, 1 month and 16 days old. His death was a great shock to the entire community, as he was ill only a few hours.

The funeral was conducted at the Methodist church, Tuesday afternoon at 3:00 o'clock with Rev. A. O. Hood conducting the service, assisted by Mmes. S. D. Potts, R. E. Everts, teachers, members of his Sunday School class, Doris Jean Potts, Mary Leatrice Cherry, Billie Joyce Nickles, Elna Jean Eldridge, Rita Mac Phifer, Joyce Marie Eldridge acted as flower girls. They sang "Little Feet Be Careful," a song LeRoy loved, at the request of his mother, Mrs. Tom Eldredge and Miss Opal Nickles sang, "Gathering Buds." The floral offerings were beautiful.

He leaves to mourn his departure, his mother and father, his grandparents, Mr. and Mrs. J. F. Phifer, Mr. and Mrs. M. D. Macon and a number of aunts and uncles.

Jesus has taken a beautiful bud Out of your garden of love, Borne it away to the city of God, Home of the angels above.

Full blooming flowers alone will not do; Some must be young and ungrown, So the frail buds, He is gathering too, Beautiful gems for his crown.

Father and mother weep not or be sad Still on the Savior rely, You shall behold him again and be glad, A beautiful flower on high.

Blooming in beauty in Heaven is he,

Hamlin Tri-Conty Fair and Rodeo Show Invites the Public, May 4 & 5

Sponsored by the Hamlin Lions Club, the Hamlin Rotary Club and the Hamlin Chamber of Commerce, the citizenship of Hamlin invites the surrounding towns and communities to attend their Third Annual Tri-County Fair and Rodeo Show which

is dated for May 4 and 5 of this year. The dates for the Tri-County Fair and Rodeo Show are set much later this year than formerly, owing to the fact that the weather is more likely to be warm and other conditions more favorable than in February

or early March. Hamlin Clubs and citizens in general, have been for several years, sponsoring the raising of fat calves by the 4-H boys and girls, urging better and fatter stock of all kinds, including high grade poultry and dairy products, and especially have they given attention to the support of Home Demonstration Work and Rural Welfare. Last year in addition to the Agricultural Show a big first class Rodeo Show was given for entertainment

and it proved to be one of the best "Wild West Rodeo Shows" that could be pulled off in any of the smaller communities. This year the Rodeo Show will be just as good and perhaps better than last year. \$500 or \$600 is being offered as awards and prizes to those who win places in the various shows, including the Home Demonstrations, the Calf Show and other features. The public is urged to come to Hamlin on May 4 and 5 and see the big morning parade, each day, enjoy see-

ing the fat calves and other stock and in the afternoon attend the big Rodeo Show and stay for the night performances. The management assures two big days of enjoyment and two full nights of entertainment. Keep the dates in mind and hitch up your "conveyance" and come. Its two good days for a picnic, and Hamlin is a good place to spend your time. Tell your friends to meet you in Hamlin, Friday and Saturday, May 4 and 5.

The big mammoth tusk and parts of skull, discovered several months ago by George Doughty, were shipped this week to the American Museum of Natural History in New York City. The shipment weighed nearly seven hundred pounds. The tusk is supposed to be the largest ever found. It took several men under the direction of Mr. Doughty to bring it in from the Slaughter ranch where it was discovered, into town.—From the Post, (Texas) Dispatch.

CHEVROLET When you pay the price of a Knee-Action car, you naturally want genuine Knee-Action and all that goes with it. You want the new gliding ride at its best. You want the huskiest, sturdiest front-end you can buy. And, of course, you want shock-proof steering. You pay for them all—but you get them all, in the low-price field, only from Chevrolet. The reason is simple. Fully-enclosed Knee-Action wheels are costly to build—so costly that only Chevrolet, world's largest builder of cars, can afford to make the necessary huge investment in new machinery—and still keep prices among the lowest of the low. Only Chevrolet has the resources and the assured volume of sales that permit this extra production cost. Chevrolet does it because Chevrolet believes that, to **KEEP ON SELLING THE MOST CARS, YOU MUST KEEP ON BUILDING THE BEST.**

TWENTIETH CENTURY STUDY CLUB MEETS

The Twentieth Century Study Club met Tuesday with Mrs. H. C. Foote. Mrs. Nichols presided and the program for the afternoon was postponed until Tuesday May 2. Much business of importance was transacted and reports were heard from delegates to the Seventh District Federation meeting at Amarillo.
Mrs. F. B. Crockett gave a most inspiring report of the meeting, and Mrs. Caraway and Mrs. Nichols also gave interesting reports concerning their trip and the wonderful hospitality of the Amarillo Club women.
The Twentieth Century Club won the first prize of five dollars on their year book for 1933-34. This prize is awarded the Club in the 7th District that has the best year book. The Club is decidedly proud of this distinction.
Refreshments consisting of cream and cake were served. The Club adjourned to meet May 2 with Mrs. Caraway.

TO TEACH AT WILSON DRAW

Miss Launa Cozby, has been employed as a teacher at the Wilson Draw school. Miss Cozby, a daughter of Mr. and Mrs. J. R. Cozby, has just finished a two-year course at the West Texas State Teachers College at Canyon, doing the work with good standing.
Miss Cozby has spent most of her life in the community, completing the grade work at Wilson Draw before entering Spur High School. She is a graduate of the Floydada High School.

CHURCH OF CHRIST

Attendance was good Sunday. We had the largest attendance at Bible Study we have had since the first of the year. We have set the goal for 100 for next Sunday. The meeting conducted by Kermit Upshaw of Lovington, New Mexico is progressing nicely. At this time the attendance is on the increase. The meeting will continue into next week. We invite you to attend these services.

TO PEOPLE OF SPUR COUNTRY:

Our laundry is meeting with great approval to those who have used it. They like the Helpy-Selfy way of doing the family wash. If you have not enjoyed a free wash at our Helpy-Selfy laundry we want you to have one. We are extending the privilege of a free wash to all who have not enjoyed one to the extent of one hour. Bring your clothes and find out the difference.
MRS. N. O. GOSSETT

Club Women Attend District Club Meet

Several Club women of Spur were in Amarillo the past week for the Seventh District of Federation of Women's Clubs. Many interesting features were had during the week. One was the "Everybody's Luncheon" the first day, then the tea given by the Amarillo Club Women in the beautiful home of Mr. and Mrs. Allen Earley, honoring State and district officers, delegates and visitors. After being received and served we were directed to the third floor where we were entertained for two hours by the Little Theatre. Good interest and instructive programs were given each hour of the day.
The "Texas Luncheon" at 12:00 o'clock Tuesday was one worth mentioning. Decorations were of bluebonnets and favors in same motifs. Tuesday evening "The Thirteenth Anniversary dinner" was one that will be long remembered. This was given as a Japanese motif in decorations and favors and entertainment. The entertainment was given by the "Little Theatre", presenting Act III, Scene 1 from Madame Butterfly.
Tuesday evening's program was Fine Arts Evening and it was a lovely program, especially the Woodrow Wilson Kid Band, from Tampa. The children who played were ages from 6 to 12 years and they really could play. Philharmonic Symphony Orchestra was wonderful and worth mentioning. The Little Theatre presented the "Will-O-The-Wisp" which was very interesting. Many other numbers we would like to make mention, but for lack of time were also presented.
Wednesday morning was the last session. The delegates from Spur gave their reports and the prizes were awarded to all who won in different phases of the work. The Twentieth Century Club of Spur took off the 1st prize for having the best year book in the 7th district. Mrs. Nichols, the

president, read the prizes for the club.
The following ladies from Spur enjoyed this meeting: Mrs. Fred C. Haile delegate; Mrs. Nellie Davis, as Alternate from 1917 Study Club; Mrs. Sam Z. Hall from the 1933 Study Club; Mrs. Weaver from the 1934 Study Club; Mrs. F. B. Crockett, delegate; Mrs. E. L. Caraway, Alternate; Mrs. P. C. Nichols, visitor from 20th Century Study Club.

SAMPSON ISAACS DIES AFTER SHORT ILLNESS

Sampson Isaacs, 56, farmer, living in McAdoo country, died Wednesday evening of last week after an illness of a few hours.
Mr. Isaacs was working at the Gollilar farm assisting with grinding some maize when one of his neighbors remarked to him that he was perspiring very freely. He did not seem to be alarmed and stated that always he perspired freely when working. In a few minutes he sat down and stated that he did not feel right and soon became unconscious.
He was removed to his home and a physician was summoned. Mr. Isaacs revived and seemed to be feeling all right when the physician arrived. However, in a short time he suffered a relapse and never was conscious any more, passing away about 5:30 Wednesday afternoon.

Funeral services were held Thursday, Rev. M. F. Ewton, pastor of the First Baptist Church of Spur, conducting the rites. Interment followed in McAdoo cemetery.
Mr. Isaacs was born in Jackson County, Kentucky, he later moved to Arkansas and from there moved to McAdoo community two years ago.
He is survived by his widow, six children and two brothers: Mat Isaacs of Lubbock, and Jasper Isaacs of Shamrock.

JOHN PUNDT FOR STATE RAILROAD COMMISSIONER

Dallas, April 26.—(Special). Pointing out that an oil man's assistance is needed by the Railroad Commission to help work out the oil problems facing the State, John Pundt, leading Texas independent oil man, is seeking election as railroad commissioner.
Although considered one of the foremost authorities of the oil industry in the United States, Mr. Pundt's varied interests have made it necessary for him to familiarize himself with problems of railroad and railroad legislation and their rate structures.
Having reached the pinnacle of success as an oil operator, Mr. Pundt can review a life that reads like the pages of a Horatio Alger novel. He started life as a farm boy, was born on a little farm five miles south of

Navasota in Grimes County forty-three years ago. He had to take his turn in the fields, in hard farm labor when six years old, helping to eke out a living for his family. When his father got a job as machinist with the Santa Fe and moved to Navasota it opened up a new life to the boy, but he still had to work to help the family with its living expenses, carrying a paper route before school and acting as messenger boy after school.

The activities on Ceremonial Day will begin with the registration of novices at Maskat Temple at 9 a. m. There will be a business meeting at 10 a. m. and the Shrine Luncheon Club will be hosts at noon for Shriners and their ladies at the Wichita Club. A matinee dance will be held at the Temple at 2 p. m., and the Ceremonial parade will begin at 4 p. m. The Parade Committee includes Chairman J. T. Yeargin, Jimmie M. Williams, Perry Browning, Theo Beck, Clyde Bartlett, Dave Shepherd, Frank H. Watkins, R. E. (Shep) Shepherd and J. P. Tarry. All Nobles will participate in the parade.
Following the parade, the Ceremonial will begin at Lakeside Park where a stag supper will be held. More than 100 persons will take part in the Ceremonial, termed by Potentate Fletcher as "new from start to finish." All Nobles will wear their fezzes all day.
A large attendance for the Ceremonial is anticipated and a special invitation is extended to all Nobles belonging to other Temples.
A registration both for ladies of the Nobility will be in the Kemp Hotel lobby, and entertainment will be offered them while the Ceremonial is in session.
Novices and their wives are invited to participate in the entertainment throughout the day.

CROTON

Jud Wasson is moving near Dickens this week. We sure hate to see this family leave Croton.
Supt. H. L. Groner and Mrs. S. L. Porter returned Thursday from a business trip to Austin.
Mr. Patton of Conway, Arkansas, arrived Saturday for a visit with his sister-in-law, Miss Amelia Hargis and his brother-in-law, Mr. H. P. Hargis.
Mr. and Mrs. J. D. Guyard visited Mr. and Mrs. Clarence Smith Sunday afternoon.
Rev. Porterfield made an interesting talk on "The Baptism of Christ," when he filled his regular appointment here Sunday afternoon.
Mr. and Mrs. J. P. Legg and Mr. and Mrs. T. S. Lambert left Wednesday for a ten days visit in Bluffdale and Longview, Texas. They said they might go on into Louisiana and Arkansas before they came back to Croton.
