WEEKLY COTTON GRADE AND STAPLE REPORT For Week Ending August 23, 1934

The report released today by the Division of Cotton Marketing at Austin, Texas, giving the quality of cotton ginned in Texas, shows that even running grades can not be expected in all localities.

and in the Fort Worth prairies. Some of the lower grades are being ginned in the Coastal prairie area. There is an increased percentage of shorter length of cotton this week as compared with the lengths reported last week.

HIGHWAY

The members of the Highway Quilting Club met with Mrs. Bob Hahn on August 15th for a social hour and to take care of unfinished business.

The ten days revival meeting at the Baptist Church closed Sunday with a large crowd for the last service.

throughout the week. Rev. Luther Bilberry had charge of the song service, assisted by Rev. H. C. Draper. Mrs. Draper furnished the music.

WHERE SHALL TEXAS CENTENNIAL BE?

This is a question that at this time is bearing upon the minds of the members of the Texas Centennial Executive Committee who will make selection of the site next week.

True, there are other cities that are located more centrally territorially, but the main issue is to locate the Centennial grounds near the old historical points.

San Antonio has the old missions, many of the Spanish archives and various other things which will be of interest to the visitors.

Again, San Antonio has a climatic condition for the Centennial which is unexcelled in America.

Let's hope our committee will act judiciously in this matter and not let commercialized interests influence the location of the Texas Centennial, the greatest Fair of the South.

VITAMIN D REQUIREMENTS OF GROWING CHICKS

by J. Russell Couch, Assistant Poultry Husbandman, Texas Agricultural Experiment Station

The amount of vitamin D required by chickens grown in the absence of sunlight is under study at the Texas Experiment Station. Vitamin D is necessary for growth and bone development and chickens that are allowed free access to sunlight do not require additional amounts of this vitamin.

The chickens fed the second ration required 4 times as many units of vitamin D from the fortified cod liver oil as did those fed the first ration which may have been influenced by the more favorable amount of lime in the first ration.

For the first eight weeks, the growing chicks fed upon the first ration required 7.7 units of vitamin D from fortified cod liver oil per hundred pounds ration while those fed upon the second ration required 30.8 units from fortified cod liver oil for proper growth, feathering, prevention of rickets, and crooked breast bones.

Texas Legislature In Extra Session

Governor Miriam A. Ferguson called the Texas Legislature into special session Monday. Gavel for the respective Houses fell at noon Monday with Speaker Coke Stevenson in charge of the House and Lieut. Gov. Edgar Witt at the helm in the Senate. The purpose of the special session is to provide a continuation of relief work.

Many members of both houses were retained at home by run-off elections Saturday and the attendance at the special session was rather light Monday. However, a quorum to transact business was present and the solons started to their task of relieving the suffering. Unless another special session is called before the regular session in January, this will be the last meeting of the Legislature that many members will serve as about half of the House members and one third of the Senate were defeated in the election just past.

LET'S TALK ABOUT CLOTHES

By a "Young Modern" Did you ever watch an artist chipping away at a cake of soap? Smooth off the rough edges, chopping away here, rounding out there, and all of a sudden an exquisite little statue shows up. Well, that's exactly what happens when you go to select your hats!

A tilt over the right eye lends a certain note of sophistication to your entire being while one of those little "off the face" hats that proved so popular this summer seem to accentuate the girlishness and bursting enthusiasm of your individual personality. Variety is the spice of personalities and every hat you try on expresses a different one.

Students at Texas State College for Women believe that the "truly smart" always start off with a new hat that reflects the fashion mode. It doesn't seem to matter if one has to build her wardrobe from last season's clothes, because the hat must be new and up to date. And although advance news on fashions, as on anything else is apt to be upset any minute, there are certain hat trends for which to watch.

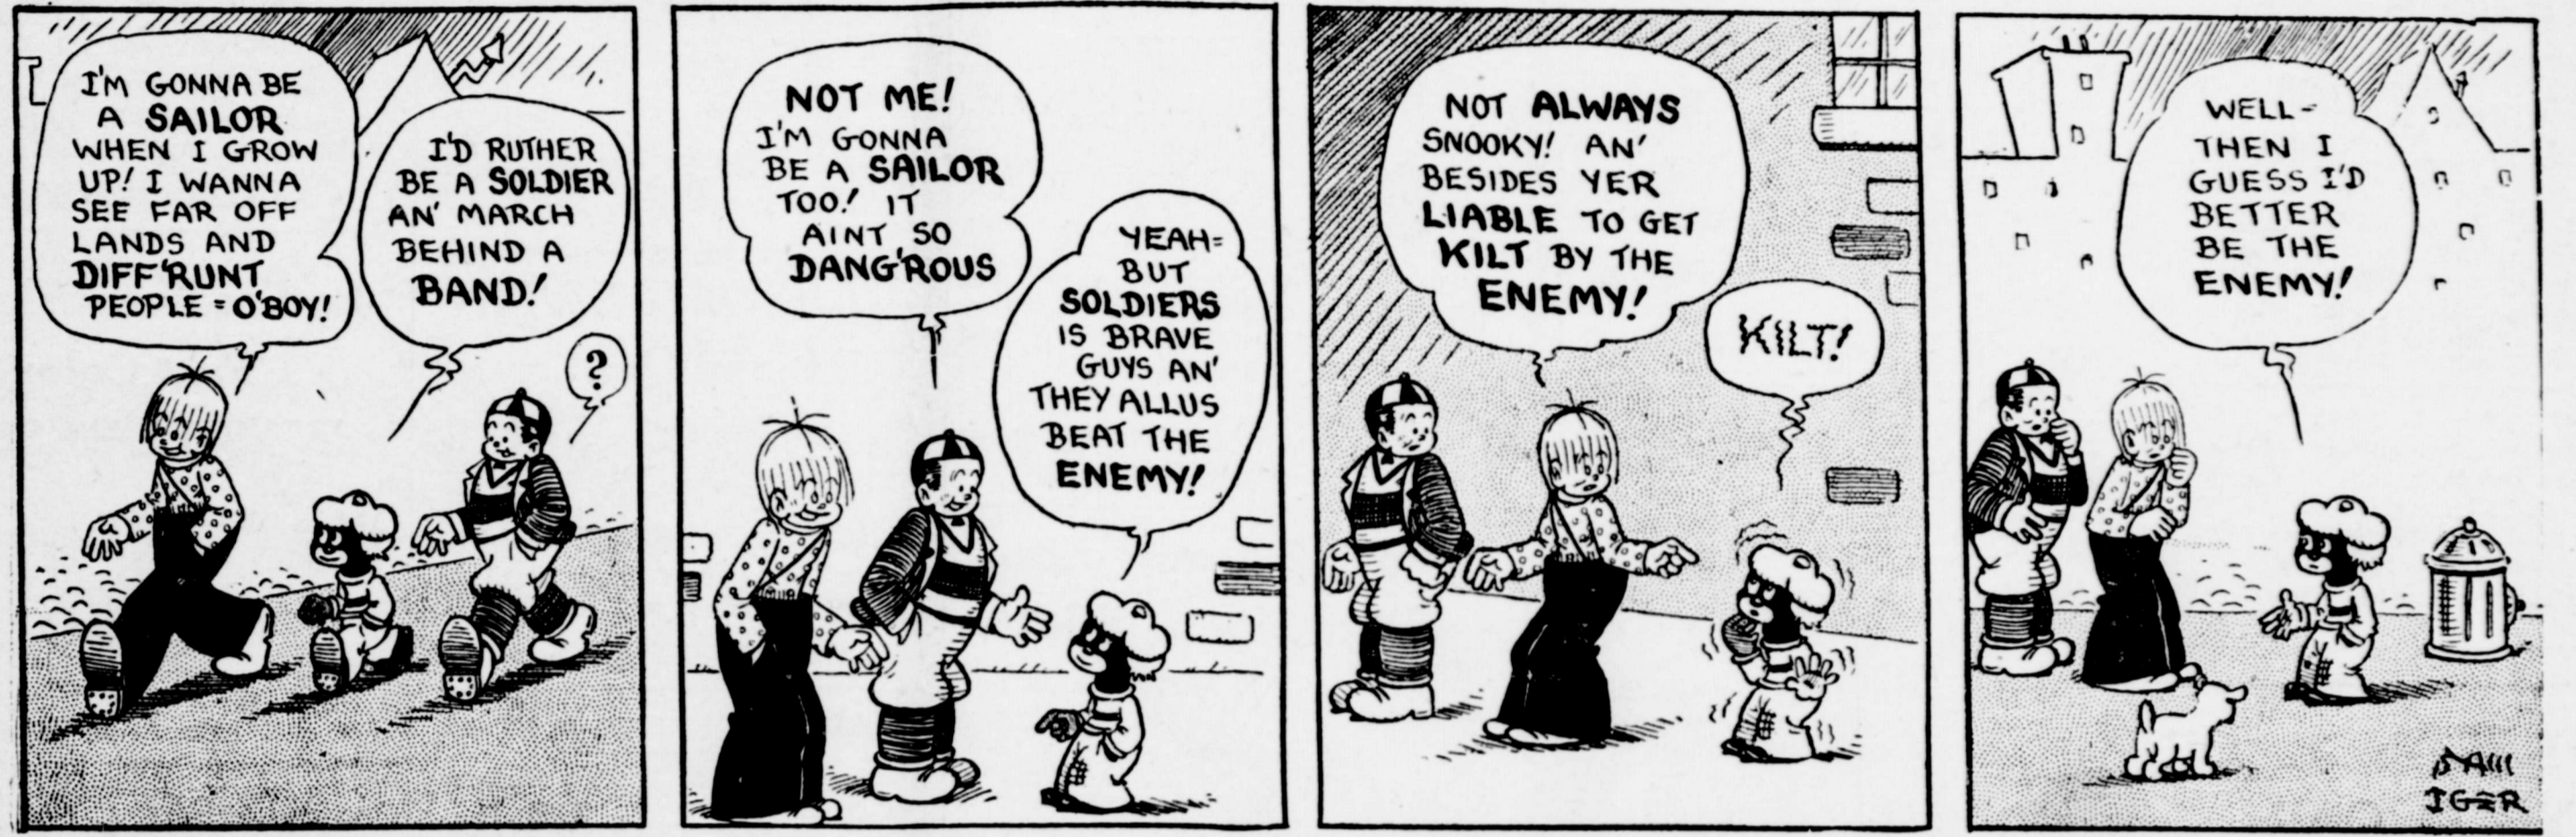

Crowns of street and sport fells deeper in the back, but still shallow at the front seem to vie for first place with the wider brimmed hats

turned up at the back and worn slanted over one eye. The classic small felt with a pointed or boxy crown is an addition to the fall mode. Then the berets! Whether stiff, formal or crushed like a pancake on the side of the head, these "little reflectors of personality," will captivate you as will the new clips, feathers, bands and bows used so discreetly as trimming.

PRESBYTERIAN CHURCH

There will be services in the Presbyterian Church on Sunday, Sept. 2, as follows: Sunday Morning at 10 o'clock, Sunday School. Sunday Morning at 11 o'clock, Morning Worship. Sunday Evening at 8:00 o'clock, Evening Worship.

Clifford B. Jones left Friday for the great Northwest to be gone about a month on a vacation. His father, C. A. Jones, who has been in California, and his brother, Hoyle Jones, of Tulsa, met him in Utah and the three will enjoy a vacation together.

Mr. and Mrs. Paul Rodgers and son came in from Colorado University at Boulder, Colorado, Thursday evening and spent an hour with Mrs. Laney.

Miss Carolyn and John Laney left Wednesday evening for Lovington, N. Mexico, where the former will teach English and the latter will play football and go to school this year.

RECIPES AND MENUS. By Department of Home Economics, Texas State College for Women (CIA)

DENTON—The ability of a person as a cook is very often judged by the biscuits she makes. Hence it is important for every cook to learn to make good biscuits. As a matter of fact they are really quite easy to make. If the recipe is followed carefully and measurements are made accurately, only a little experience is required to produce excellent ones.

Breakfast: Stewed figs, cream of wheat, top milk, poached egg, cinnamon rolls, honey, coffee. Luncheon: Scalloped potatoes with cheese, graham bread, stewed apricots, cocoa. Dinner: Swiss steak with gravy, baked potatoes, mashed turnips, jelly, bread custard pudding.

3-4 to c c milk, 1 t salt. Sift dry ingredients, rub in fat with finger tips or cut in with two knives. Add liquid and mix to a soft dough. Place on slightly floured board. Knead. Roll into shape and cut with a biscuit cutter. Bake 15 minutes in a hot oven (450 F).

Soda Biscuits: Use one-half teaspoon soda instead of the baking powder and sour milk instead of sweet. Cinnamon rolls: Roll biscuit dough to one-fourth inch thickness; spread with melted butter and then a layer of cinnamon and sugar mixture.

Parker House Rolls: Roll biscuit dough to one-fourth inch thickness; brush with melted butter, cut with large biscuit cutter and fold each round over, pressing the edges together. Place close together in pan, brush tops with melted butter, allow to stand in warm place 15 minutes, and bake in hot oven (450 F) for 15 minutes.

Clover leaf rolls: Roll bits of dough between the hands to form small balls. Place three of these in each section of muffin tins and brush with butter. Allow to stand one-half hour, and bake in hot oven (450 F) for 12 minutes.

FRANK VERNON BREAKS ARM IN FALL

Frank Vernon, elder son of Mr. and Mrs. F. F. Vernon of Harris Street, had the misfortune to break his right arm Saturday. He was visiting at the home of Mr. and Mrs. W. S. Carlisle where he was playing with some other children. He climbed into a tree and attempted to make a Tarzan spring and failed to reach his landing. He fell to the ground, breaking both bones of his right forearm and sprained the wrist joint.

Mrs. Carlisle rushed him to the Nichols Sanitarium where an X-ray examination was made and the fracture set. During the time his parents did not know of the accident, and after the broken member was in a cast, they were phoned of the accident and went to the sanitarium and learned of the accident.

Frank is getting along fine at this time, and it will not be long until he will have the complete use of his arm. However, he states that he does not think he will play Tarzan any more soon.

Mr. and Mrs. W. C. Gruben and children returned the last of the week from Chicago where they had been enjoying the World's Fair.

Miss Mary Taylor, of Taylor's Department Store, is in Oklahoma City visiting her father.

Bennett Dennison, of Pasadena, Calif., is in our city at this time visiting in the home of Mr. and Mrs. A. C. Hull.

H. R. Witt, of Calgary, was transacting business in our city Wednesday.

Sanitarium News

Mrs. J. H. Palmer, of Afton, who underwent an operation last Thursday is getting along fine.

O. B. Martin, coach for Dickens school, was in our city Wednesday attending to business affairs.

Miss Attie Jowell was a dinner guest of the Laney's Wednesday evening on her return from the University of New Mexico and a trip to Old Mexico.

Mrs. J. O. Morris, Lucille and Billy Davis of McAdoo, were guests of the Laney's last Friday afternoon.

Mr. and Mrs. Hughes Gilliam and Arthur Laney spent the week end with their parents, Rev. and Mrs. J. A. Laney, who have been attending Texas Tech for the summer terms.

Mrs. Guy Merriman was called to the bedside of her mother last week in New Mexico.

Miss Dora Gannon, of Lower Red Mud, who underwent an operation ten days ago, seems to be getting along all right.

Mrs. O. P. Vincent, of Aspermont, underwent an operation Saturday and is getting along fine.

Mrs. Kennon Boothe, of Steel Hill, who underwent an operation three weeks ago, continues to improve and will be out soon.

Mrs. B. H. Twitty, city, underwent an operation Wednesday of last week and continues to improve nicely.

Walker Aldridge, of Afton, who underwent an operation two weeks ago, had improved until he could return home Tuesday.

Mrs. J. Z. Smith, of Lower Red Mud

was in Tuesday for treatment of an infected finger of the left hand. She is improving.

E. M. Wilson, city, was in Monday for an X-ray picture of his foot. The injury proved to be a sprain, and no dislocation of joints nor broken bones showed up.

Judge Leonard Westfall, of Aspermont, was in our city Wednesday greeting the people and personally thanking them for the support given him in the election Saturday. He will represent the 118th District in the next Legislature.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rinin' to Go

If you feel sour and sick and the world looks puny, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. Read drug stores. © 1931 C. M. Co.

this country will be going back to school. Some of them will be glad, others sad, some going to learn, some to get by, some to play. Opportunity knocks at the door of almost every child in this great land of ours and if he answers, the knock offers him at least a high school education. And yet there are many who refuse to take advantage of this golden chance to equip his or herself for living.

Education is for one purpose and that is to teach us how to live, how to enjoy the beauties of nature and the beauties of character as it appears in those about us, and to so conduct our own lives that others may enjoy being associated with us. Just in simple terms may I express my thought. Education is intended to teach us how to live with the other fellow so he can get along with us. This life is, or should be, a preparatory school all the way through, so when we go into a greater life we will have some of our capacities so developed that we may be able to enjoy and appreciate. Most of us who are advanced in years, want to express ourselves as the poet. "Backward, turn backward on time and in your flight make me a child again just for tonight." And we feel if we could start all over again we would make better use of every golden moment of our youth. This cannot be, but we can use every golden moment of our manhood trying to better equip ourselves for the days we may have, be they many or few. It has been said a man is old when he ceases to be interested in things, when he ceases to learn.

Young ladies and young gentlemen: You are the architects of your own fortune. Your destinies are determined by your own actions. You build the houses in which you live and make the beds upon which you sleep. Men by their own volition proceed into Heaven or into hell. With all our great system of education, in the final analysis, it is up to the individual girl or boy as to whether they get an education or not. And in this connection let me say it is encouraging to see so many of our young women and men going away to college on meager funds and working their way where it is possible to do so. Watch these girls and boys, they will be the leaders in few years.

Say folks, you want care if I change by subject. Rogers and Brisbane do, so I'm going to for I just have to write about things that seem to get on top of my little think box, and I read in the paper today where Mr. Hoover was severely criticizing the New Deal, and I just want to say that I believe Mr. Hoover should have

kept just as silent as a dew drop. You know my Daddy taught me when a mere lad this adage, "People who live in glass houses shouldn't throw stones." Mr. Hoover had his innings and struck out. He was manager of the team for four years, and it seems to me he should sit on the side lines and yell for the fellow who is really trying to play the game in the interest of 120 million people and not taking dictation from Wall Street. Anybody can criticize and everybody makes mistakes, but it is just too sad to see some good meaning folks "biting the hand that feeds them." My opinion is, if the common people stand by this administration better days are sure to come. In fact, can you visualize the conditions if things had been carried on as they were under Mr. Hoover's administration and I intend, but was shackled by a few who controlled the finances of the nation. But folks "It's a Good Old World." Ours is the best government in the old world. Old Glory is the one flag that could not be improved on I think. I don't want to live with Hitler, Mussolini or Stalin. Say folks, if you just leave it for awhile. The fact is folks I'm for our government from President to Constable if you will let me jump "Hokey Long."

Say folks, I haven't written an article for the paper in a long time, but I'm like most candidates seeking office, I was asked to write some articles in fact, a woman tempted me to write this one. Say folks, there is lots of beauty in the lives of those about us. Let's look for the beautiful. I like folks, don't you? There is good under the hide of most of them. We all say some things about those in office sometimes we don't really mean it, but somebody may hear us and think we do mean it. Let's throw our hammers into the locker; anyone can be a knocker."

BAPTIST CHURCH Sunday School goal next Sunday, September 9th is 300. B. T. S. goal for next Sunday is 100. There is no reason why we should not reach this goal and we feel sure we can surpass this mark provided we put in a little time working this week. In the absence of our Pastor who is now in a meeting in his father's church in Nashville, Tenn., Brother Sam Cox of Jayton, will fill the pulpit both services Sunday. You will enjoy hearing this young man. Bro. Cox is only about 25 years old, but is a good speaker, and very earnest in his messages, just in the making of a great preacher, let's meet him with a full house Sunday morning. Keep your eyes on the last Sunday in this month, that will be our promotion day throughout our church life, the programs will be fine and instructive. Visitors are cordially invited to be with us next Sunday, and hear Sam

GIRARD PEOPLE ENJOY FAMILY REUNION

Mr. and Mrs. M. E. Beaver of Girard, were made happy Sunday by having their family of ten children together for a day. They met at Roaring Springs, attended church at that place, then spread dinner at the springs. This was the first time the entire family had been together since August, 1919, when they met to celebrate the homecoming of their son and brother, Clay, from France. Those present at the reunion were: Mr. and Mrs. M. E. Beaver, Mr. and Mrs. J. H. Ratliff, of Quitaque; Mr. and Mrs. Kelly Beaver and daughter of Petersburg; Mr. and Mrs. Rollie Beaver and daughters, Nancy, Jo, Verda Lee, and Arretta, all of Girard; Clay Beaver and son, Merle, of Girard; Mr. and Mrs. Charley Beaver, of Fort Worth; Hubert Beaver of Girard; Mr. and Mrs. Don Ray Jones of Pilot Point, Mr. and Mrs. Buddy Smith of Girard; Mr. and Mrs. Jess Craig, Mr. and Mrs. J. T. Stephens of Girard; Mr. and Mrs. Grady Parant and three sons, Mr. and Mrs. Olan Beauchamp, Mr. and Mrs. Wallace Ratliff and daughter and Zephania, Nadine, Artruce, Joe Beaver, and Billie Price Ratliff, all of Quitaque. After enjoying bathing in the springs, they drove to Quitaque then back to the park in Matador for a picnic supper.

The Beaver family moved to Girard in the year 1911, and the majority of them have lived there ever since. They feel that they have been the happiest, most fortunate family in the world, and have had as few of the luxuries of life as any family. The parents and all ten children are alive and healthy, having had only two operations in the family and very few doctor bills. Mr. and Mrs. Beaver were recently added to the roll of West Texas pioneers. They, very gratefully give God the glory for the happiness, health and blessings that their family enjoy. —Contributed.

1931 STUDY CLUB The 1931 Study Club met in the home of Mrs. James B. Reed, Tuesday, September 4. Each member brought a covered dish and a delicious luncheon was served to eleven members.

A business session was held and new officers were installed for the year. Mrs. E. M. Marrs, Mrs. Bob Alexander and Mrs. Gerald Wadzeck accepted membership in the club. The next meeting will be September 18 at the home of Mrs. Jephtha Craig.

AUTOMOBILE SHOW AT SOUTH PLAINS FAIR

LUBBOCK, Sept. 3.—An automobile show, with the latest model cars with their knee action, automatic shift, air flow bodies and other popular features, will be an added feature at the Panhandle South Plains Fair here Sept. 24-29, inclusive. Practically every popular car handled in the Panhandle South Plains territory will be exhibited. With heavy rains over the entire territory, interest in the agricultural show has increased and practically every county on the South Plains is now expected to have an exhibit at the Fair.

There will be keen competition for that \$75 first prize for the county exhibit will take \$50 for second and \$40 for third and \$25 for fourth. Prizes of \$25 each will be awarded to all other counties entering the agricultural show. Hundreds of individual exhibits will be entered from each county. Horse racing is expected to again lead the field in amusements, augmented by the John T. Watham Shows with the one "Loop-O-Plane" ride east of California, vaudeville acts, band concerts, and fireworks.

A SHINING MARK LAID TO REST

On the evening of August 14, 1934, the Death Angel visited the home of Mr. and Mrs. L. B. McMeans, Jr., and claimed the spirit of their darling baby boy. It is one of the inexplicable mysteries why God should take from us this little one. Since He moves in a mysterious way His wonders to perform, we must meekly submit to the will of "Thine who doeth all things well," yet the parting is none the less sad. At 11 o'clock Wednesday morning, Dr. Ewton, pastor of the First Baptist Church, conducted the funeral service, which was very solemn and impressive. After which the little body was laid in its last resting place, in the Spur cemetery. "Whom the Gods love die young." It is always the sweetest roses that are gathered first and the buds are most beautiful, so this little flower has gone to bloom in the Master's flower garden. On the sands of life sorrow treads heavily and leaves a print time cannot wash away. But the path of sorrow and that path alone, leads to the land where sorrow is unknown. No traveler ever reached that blessed abode; who found not thorns and briars on the road. We are all travelers together on this land of God's, and our precious baby has gone on before us watching and waiting for our coming. "Just over in the

Glory Land." We must not think of him as dead for there is no death for the one who is prepared to die for us. We call it death but it's the soul unfolding. Breaking the fetters of earth's sin and strife. The exit through the valley and the shadows. The great evening ere the dawn of life." —One who loved him.

A CARD OF THANKS

We want to thank each and every one of you for the good deeds and kind words spoken during the illness in our family and the loss of our precious baby. Each word and act was like a soft glow of light through the darkness cast on by the Death Angel. The flowers were beautiful, for which we can never express the depth of our gratitude. May God bless each of you and give you such wonderful help when you have to face a dark hour like this. Mr. and Mrs. L. B. McMeans, Jr. and family. Mr. and Mrs. L. K. Pettigrew and family.

WEST TEXAS HOUSING TALKS PLANNED

A series of meetings will be held in West Texas cities this week in the interest of the Better Housing Program. R. A. Stuart, director of the Federal Housing Administration in West Texas, will deliver addresses explaining how local campaigns to get property owners to obtain repair and modernization loans are to be launched. The meetings were arranged by D. A. Bauden of Stamford, manager of the West Texas Chamber of Commerce. Stuart will speak in Big Spring at 4 p. m. Thursday to representatives of counties in that section. This meeting was arranged by C. T. Watson, manager of the Big Spring Chamber of Commerce. A district meeting will also be held at 4 p. m. EPWORTH LEAGUE POP PARTY

The Epworth League sponsored a "Pop Party" at the home of Miss Edith Foote Tuesday evening at 8:00 o'clock. Each guest was given a paper sack and asked to blow it up, then hit it so that it popped. Interesting games made the evening an enjoyable one for the thirty-two young people who were present.

The last game played was called "Going to College", in which Miss Foote was presented a hand bag filled with lovely gifts. She expects to enter T. W. C. this Fall, and the tokens presented were to show in a small way the appreciation of her work done with the Epworth League.

Refreshments of sandwiches and punch were served.

BIG-LITTLE SISTER CLASS

The Big-Little Sister Class honored their teacher, Miss Edith Foote, with a farewell party at the home of Venita Briley, Monday evening. Various games were played and our Big and Little Sisters revealed.

Refreshments of punch and wafers were served to Helen Lollar, Joyce McCulley, Lorelle Twaddell, Grace Foster, Ruth Taylor, Frances Gibson, Doris Briley, Ruby Adeock, Joyce Koon, Kathryn Kilcore, Billie Jean Foster, La Fern McKeever, Edith and Dorothy Foote, Isabelle Campbell, Billie Burke Hisey, and the hostess.
