

A WEST TEXAS PAPER FOR WEST TEXAS PEOPLE

Dickens County Times

VOLUME 11

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, NOVEMBER 22, 1934

WHOLE NUMBER 487

Relief Canning Kitchen Opened

At last the Relief Canning Kitchen for Dickens County was opened Monday morning with Mrs. Cecil Fox in charge of the plant. Vegetables are being canned this week and as long as vegetables are available they will be given preference; however, several are beginning to sign up to have beef canned. It is imperative that those having foods canned at the canning plant come to see Mrs. Fox and sign up for a day since their program is full and products brought in without appointment will only cause confusion and loss of food. Mrs. Cecil Fox is supervisor working in cooperation with the Texas Relief Commission and Miss Clara Pratt of the Extension Service of Texas.

Previous to opening for canning the kitchen was used as a sewing laboratory to make 52 uniforms, 52 head coverings, 48 cup towels, 48 pot lifters, and 14 dish cloths to be used by the workers.

Visitors are not allowed in the kitchen while food is being prepared and canned. Those entering must don uniforms and head coverings along with the workers.

The workers are making progress. Tuesday the group trebled Monday's output due to more workers and more systematic work. Canning is done on a 50-50 basis. That is, the producer furnishes the product to be canned, the Texas Relief Commission furnishes the labor, equipment, and cans and the producer and Texas Relief Commission each receive 50% of the canned products.

Important School Meeting Tonight

The Dickens County Educational Association will hold its regular meeting at McAdoo tonight (Thursday) in the auditorium of the McAdoo school. It is the desire of the officers and County Superintendent that all teachers and trustees of the county attend this meeting as the Deputy State Superintendent, Miss Sue Mann, will be present. It will be nice for the teachers and trustees to give Miss Mann a good hearing as she will address the meeting tonight.

The following is the program outline. Entertainment by McAdoo school and community. Address by Miss Sue Mann, Deputy State Superintendent.

Singing of War Songs, Mrs. Zachry, leader. Music in the Public Schools for the next two years—Mrs. McKnight. Reading—Miss Cedonia Dittich. The School and Citizenship—Rev. E. L. Yeats. Auditorium Activities—Mrs. Oscar McGinty.

Thelma Todd and Dorothy Lee Aid Wheeler and Woolsey

Reminding one of their success in "Hips Hips Hooray," Thelma Todd and Dorothy Lee once more play "straight" for Bert Wheeler and Robert Woolsey's insane activities in "Cockeyed Cavaliers," new comedy hit burlesquing the knighthood era coming to the Palace Theatre.

Wheeler and Woolsey portray comic knights in this RKO-Radio film. Bert is engaged in a gay love with Miss Lee, a fugitive from an amorous duke. Bob conducts a rollicking romance with Miss Todd, as the Duke's niece.

The romancing jams when the duke and the niece's husband intervene. The chivalrous vagabonds flee into the thick of a wild boar hunt in a tumultuous climax.

The music, sound effects and dialogue blend with the story in smooth-running fashion, as a result of Mark Sandrich's unique directorial technique which won a 1933 Motion Picture Academy award. The musical numbers were composed by Val Burton and Will Jason, notable being "I Love to Dilly Dally" and "I Went Hunting."

"Cockeyed Cavaliers" comes to the Palace Sunday and Monday. The usual preview will be screened at 11:30 p. m. Saturday.

DEPUTY STATE SUPERINTENDENT HERE

Miss Sue Mann, Deputy State Superintendent of this district with headquarters at Abilene, is in our county this week and will remain over until the first of next week visiting our schools. The object of Miss Mann's visit is to check the work of schools in regard to state aid and standardization.

Our County Superintendent says the schools are in the best of condition and all are doing excellent work.

EASTERN STAR MEETING TONIGHT

The Spur Chapter, Order of Eastern Star, will hold their regular monthly meeting at the Masonic Hall tonight. There is important business to be transacted, and the Worthy Matron will give a report on the meeting of the Grand Chapter of Texas. This will be interesting and all member will enjoy it.

F. B. Crockett, of Dry Lake, was transacting business in our city Tuesday morning.

ATTEND FUNERAL AT LITTLEFIELD

W. B. Lee and family and E. S. Lee and family were in Littlefield last Thursday attending the funeral of an uncle, L. D. Reed, Mr. Reed was 88 years of age when he passed away and was very active until he became ill. He lived a mile from town and would walk the distance, sometimes two and three times each day. He sat up in a chair and even raised up out of the chair the day before he died.

District Court Opens Session December 10

The next regular term of District Court for Dickens County will be held at Dickens starting Monday, December 10. It will be observed that the grand jury and a petit jury have been summoned to appear the first week of court. Hon. Kenneth Bain will be presiding judge during the term.

The first business probably which will demand the attention of the grand jury will be the case of Virgil Stalcup and Clarence Brown. It is thought there will be no trouble in securing an indictment against these men for the murder of Sheriff W. B. Arthur. If the indictment is found probably their cases will come up the first week of court.

There is rather heavy docket for this term of court and it is thought most of the three weeks allotted will be crowded with business.

List of Grand Jurors for December 10th, 1934, term of court: J. C. Christopher, E. D. Chambers, G. W. Allen, T. M. Brantley, T. L. Conaway, R. E. Dickson, M. P. Duncan, M. B. Gage, H. P. Gibson, W. A. Harris of Dry Lake, R. R. Wooten, Harvey Holly, J. L. Karr, J. P. Koonsman, J. A. Legg, J. Hickman.

List of Petit Jurors for December 10, 1934, term of District Court: R. A. Drennon, Paul Lee, T. V. Shockley, A. K. McAllister, H. C. Edwards, J. N. Lawson, W. A. Kimmel, J. F. Phipps, J. C. Dops, S. T. Battles, A. Frazier, Joe Cornett, J. Vernon Powell, W. C. Musser, W. C. McArthur, D. J. Harkey, E. J. Bilberry, G. F. Smith, V. C. Finney, C. T. Burns, Sam Clemmons, G. A. Carroll, W. F. Cathey, J. T. Powers, S. L. Porter, C. H. Morris, W. A. Drennon, W. K. Walker, C. L. Serwick, Hugh J. Gray, Don Brewster, Floyd Forrest, T. G. Cherry.

Farmers To Meet Friday Night

A meeting of farmers of Spur country has been announced for Friday night at 7:15 o'clock to be held at the East Ward School. The purpose of the meeting is to discuss the Bankhead Act as to its value and hindrance to the farming industry.

This meeting is especially called for those farmers who signed contracts under the Bankhead law. Competent speakers will be present to talk to the farmers.

Spur Country Gets Good Rain

The Spur trade territory seems to be wet again so far as the weather man is concerned. According to reports at the Experiment Station the precipitation amounted to 35 inches Monday and was duplicated with another good rain Wednesday, making a total of 1.8 inches during the week. This report was secured at six o'clock Wednesday afternoon.

According to reports brought in from different sections there was more rain in other portions of the country than fell at the experiment farm. The heaviest rains seemed to be south and east of Spur and on to Stamford. At Rotan heavy rains fell Tuesday and continued through Wednesday.

The rainfall at Spur was excellent. It had been so long since we had enjoyed a rain that even a shower would appear like a flood. The country seemed to be in good condition so far as surface moisture is concerned. However, it will require much more rain to get a good underground season.

Grocery Burglarized Monday Night

The firm of Sanders-Watson, retail grocers, was burglarized sometime Monday night. Entrance to the store was made by breaking out a rear window close to the bar on the door which enabled the intruders to unbar the door and go through.

There was about \$15.00 missing from the cash register Tuesday morning. As to what was taken from stock could not be determined since the shelves had not been refilled from the day's business.

The Sheriff's department was notified and Deputy Sheriff Barber has been working on the case. There seems to be no definite clues as to who are the intruders.

Atty. W. D. Wilson of Lubbock, was in our city Tuesday on professional matters.

BANKHEAD ACT REFERENDUM TO BE HELD DEC. 8 IN DICKENS COUNTY

The Bankhead Act Referendum for Dickens County will be held on December 8, 1934. The date was declared by the Dickens County Farm Association in a call meeting held last Saturday at Spur. The hours for balloting in each community. However, the majority of places will be held in the local school buildings.

Eligible voters may be defined as: any person who signed a 1934-35 Cotton Acreage Contract, any person who is or was eligible for tax exemption certificates in 1934; any person in case of ownership and the present right to produce cotton on such farms held jointly, in common, or in community by two or more persons, all of such persons shall be entitled to vote; any person having a present right to produce cotton on a cotton farm; or any person who signs and files a witnessed statement that he has made arrangements to produce cotton on a cotton farm in 1935, is deemed eligible to vote on the continuation of the Bankhead Act for the crop year 1935-36, which requires a two-thirds majority to be effective.

Points that should be borne in mind by cotton farmers in determining their votes in continuing the Bankhead Act for 1935-36 include:

Regardless of whether or not the Bankhead Bill is effective for 1935-36, the Secretary of Agriculture has announced that contract signers of the 1934-35 Volunteer Acreage Reduction program will be held to their contracted acreage for the 1935-36 season. This simply means, all the contract signers, which is 74% of the cotton farmers in Dickens County, are going to allow the non-contract signers, which is the remaining 26%, to plant and gin as much cotton as they can produce for 1935-36.

Non-signers, who couldn't come into the reduction program last spring will be given the opportunity to join the reduction program for the 1935 season. This means that Dickens County will receive more rental and parity payments, and producers will be paid to reduce rather than being forced to do so.

Large increase in cotton is expected for the 1935-36 season if the voluntary cotton adjustment program is to be in effect without the Bankhead Bill. We know what this will do to the price of cotton. The question is, do the cotton producers want 6 cent cotton or an amended Bankhead program, which runs interference for the Voluntary cotton adjustment program. One without the other means defeat, and the South will go off on another Cotton Drunk.

Supplies tax exemption certificates will be needed for the coming year if the Bankhead Bill carries, but they will be worthless if the cotton producer votes the act down.

The total allotment for the U. S. under the Bankhead Act for 1935-36 in the event it is made effective, is not set, but in all probability, it will be a 12 million bale crop instead of the 10 million bale crop for the Bankhead Act of 1934-35. A gradual increase in total allotment will occur if the program continues, to absorb the enormous carry-over. This means that all farm allotments for the coming year will be raised.

The final point is, in the event the Bankhead Act of 1935-36 is ineffective, new farm averages will be used in determining the manner of allotment to the individual farmer, and will provide that the farmers who have reduced their cotton acreage voluntarily shall not be penalized in favor of those farmers who have not done so. There will be larger differences in farm allotment on adjoining farms to take care of the progressive farmer and the better farm lands.

The Bankhead Act was passed by Congress to supplement and not supplant the voluntary acreage adjustment programs. We must bear in mind that the Bankhead Act of 1935-36 will be different in national quota, and new farm allotments, without the Act for 1935-36, the South will see low cotton prices.

It is necessary that every eligible voter on Bankhead Referendum attend the local meeting held in each community for the purpose of getting the true facts concerning the continuation of the Bankhead Act for 1935-36 season.

Wm. W. GREGORY, Adjustment Asst. in Cotton.

A PURE FOOD SHOW TO BE HELD IN SPUR

The Ladies Council of the First Christian Church is sponsoring a Pure Food Show to be held Friday and Saturday, December 7th and 8th, in the Old Hassen building.

This show is somewhat on the order of a fair. Foods, clothing, furniture and other merchandise will be displayed and demonstrated in decorated booths. There will be music and special entertainments, such as a style show, old fiddlers contest, musical numbers, readings, etc. Something doing all the time.

Other attractions will be the drawing of some 20 or 30 prizes. Also, a cake baking contest with a cash prize.

This show will be something no one can afford to miss. There is no admission charge. Watch for further announcements.

Ford To Build Millions Cars In 1935

Dearborn, Mich., Nov. 1—Henry Ford announced today the beginning of another of those titanic industrial drives which, from time to time throughout the last 30 years, have caused the world to wonder and in the minds of millions, given him the stature of a modern giant.

Early in the day Mr. Ford announced plans to build, during the coming year, "1,000,000 cars or better."

Later in the day, officers, engineers and statisticians of the Ford Motor Company, asked for figures showing the magnitude of the movement in terms of goods and dollars, disclosed that commitments have been going out for several weeks on a buying and productive program that will run into a total cost of more than \$415,000,000 to be spent during 1935 and 6,008 suppliers scattered all over the United States.

When large scale production is resumed—now planned for early in December—the Ford monthly payroll in the Detroit district alone will run to \$6,861,000.

In discussing his industry Mr. Ford indicated that "so far as the Ford Motor Company is concerned the depression is over."

"Our experience during the last six months," he said, "and what we see in the future tells us a year of improved business is ahead."

"Do you think 1935 will end the depression?" he was asked.

"Why, the depression would be over for the whole country very soon," he answered, "if American industrialists would just forget these alphabet schemes and take hold of their industries and run them with good sound American business sense. They should take hold of their country, too, in the same way and run it with good, sound American common sense."

The new industrial drive will call for considerable additional employment. Company officials stressed the fact that more than the company's labor requirements is already available in Detroit and its suburbs. For the last several months approximately 55,000 men have been employed in the Detroit area. At present, with the plants re-tooling this number has been greatly reduced.

When production is resumed all additional jobs will be given to former Ford workmen or other mechanics in the Detroit area.

It is estimated that when the drive to produce 1,000,000 cars is in full swing, 87,000 men will be employed.

The project calls for the spending of tremendous sums. For example, it is estimated that the bringing in of raw materials will require 164,000 cars and outbound products 160,000 cars, involving payment of freight bills, largely to the railroads, of \$74,000,000.

The greatest single item listed in the 1935 Ford production budget is \$100,000,000 for bodies. This huge sum will be spent almost entirely in purchases from the Detroit body building industry.

Almost as great is the total to be spent for steel, iron and nonferrous metals which runs to \$75,000,000. The bulk of this, \$53,600,000, will go for steel, purchased in the open market, which will be in addition to steel made in the present Ford mills. A total of \$6,618,000 will be spent for malleable castings and \$2,683,000 for grey iron, exclusive of that produced by the greatest foundry in the world at the River Rouge Plant.

Requirements of non-ferrous metals are topped by aluminum, of which \$6,000,000 is to be purchased. Other such requirements are—copper, \$3,800,000, lead, \$1,443,000, tin, \$1,151,000, zinc, \$337,750.

The rubber industry will benefit tremendously from Ford expenditures. A total of \$22,500,000 is scheduled to be spent for tires, and \$6,000,000 for crude rubber.

Materials required for finish of Ford car bodies will require spending of another \$32,000,000. Of this total \$16,727,000 will go for upholstery cloth, carpet, leather and other body-trimming materials, \$11,000,000 for glass, and \$4,300,000 for paints and lacquers.

Lumber requirements, including that necessary for boxing, crating, and ship ping braces will run to \$3,000,000.

Of major importance is the large sum to be spent by Ford in extension of the present steel mills and in expansion of the present power plant to supply the added power required by the new strip mill. This will total \$14,000,000. In addition Ford is spending \$2,500,000 for machine tools and

Old Age Pension Club Organized

About 300 citizens of Dickens County and adjoining counties held a meeting in the Palace Theatre at ten o'clock Saturday morning for the purpose of discussing the old age pension plan, a movement which is being boomed over the entire United States. The movement was started by Dr. J. E. Townsend, of California, and it seems to be gaining in favor all over the country. The great sentiment seems not to be so much with the aged for whom it is intended, but the younger citizenship of the country are becoming more enthused than are those for whom the plan is intended to help.

The plan that every man and woman who has reached the age of 60 years be granted a monthly pension of \$200 per month on the condition that they spend all of it during the month. Persons who have continued penal records will not be eligible, and the pension will be confined to loyal, law-abiding citizens. Persons who have an income must give up that income in order to get the pension. If any one has a job or position they must resign in order to get the pension. The persons getting the pension must have no other source of income, and if they do have any other income they must surrender it. The chief reason for this is that it will enable some younger person to take up the work of the older people and give them employment and permit the older people to enjoy life without any responsibility.

The meeting in Spur Saturday was very orderly, a few people explaining the plan. W. E. Dorch, who was responsible for the meeting, gave a very fine talk telling why the plan should be adopted. Mr. Murphy stated the purpose of the meeting was to organize an Old Age Pension Club and to elect officers. A temporary chairman was selected and a nominating committee was appointed which made recommendations for a president, vice president and a secretary. A treasurer was elected from the floor and Geo. F. Harris, of McAdoo, has that position. There will be a small amount of expense and the treasurer will secure a small fund by public donation to meet the expenses.

Another meeting is called for next Saturday morning at ten o'clock which will be held in the Palace Theatre. At this meeting will be selected a board of advisers to assist the officers and the organization will be completed. There will be some other business to be discussed. About 500 persons have placed their names on petitions endorsing the Old Age Pension.

The meeting called Saturday morning will have to be prompt since the Palace Theatre starts a picture, and there will be just a little more than one hour allowed for the meeting. Everything will have to be outlined and business will have to be transacted rapidly in order to get through. It is hoped people will be punctual and be present at ten o'clock and the work started.

A resolution was offered by Mr. Murphy as follows: "Resolved that we tender our thanks to the ownership of the Palace Theatre for the use of their building for our meeting." The resolution was voted unanimous.

Spur Merchants Offering Bargains

This week the Fair Store is starting a big Thanksgiving sale which means a wholesale reduction in prices of nearly everything in their stock. The object of this sale is to give people of Spur country an opportunity to buy some very fine merchandise at reduced prices. We call your attention to their big double page advertisement of bargains which should be of much interest to you.

B. SCHWARZ & SON
This live firm is joining other stores in our city in bargains this week. They have a full page advertisement which is jam full of bargains in every goods and ready to wear. These are just the merchandise items which are timely and in demand at this season of the year. People of Spur country have a large stock from which to select their needs, and there are real bargains.

BRYANT-LINK COMPANY
Bryant-Link Company is Spur's only department store. You can buy most anything needed at this store in dry goods, groceries, ready to wear, hardware and furniture. This week they have a full page advertisement featuring \$1.00 specials in quality merchandise. This store has served Spur country for 25 years and is a real benefactor to the country.

GROCERIES
The people of Spur country will find grocery bargains in Spur this week end, also, The Safeway Store and Sanders-Watson both have excellent displays of grocery varieties and bargains. Both of these firms carry complete lines.

The stores in Spur will supply the people with the highest grade of merchandise and at prices as low as anywhere. The merchants at Spur appreciate your patronage as much as any one, and you can get the very best service here. Just come to Spur to trade and you will go home happy.

Additional sums including costs of fuel and unproductive labor—such as that required for moving machinery, cleaning, washing windows, etc.—brings the estimated total cost of 1935 operations to more than \$415,000,000.

NATIONAL LEGION COMMANDER ANNOUNCES PROGRAM

Below is a copy of a letter sent to all post commanders by Frank N. Belgrano, Jr., National Commander of the American Legion. The program in the letter was the one adopted recently in the National Convention at Miami, Florida, and will outline the purpose and plans of American Legion work for the year.

The letter is as follows:
Indianapolis, Indiana, November 15, 1934

Dear Mr. Commander:
In this year I am summoning every member of The American Legion to active duty. We have adopted a splendid program of action, a program of high service to God, Country and Legion. We have every right to be proud of it and every reason to fight for it. Its success depends upon the courage and the unflinching loyalty of each member of our great organization.

As Commander of your Post you are one of my captains on the firing line. Alone I can accomplish little. But with the united support of you and your Post members we can accomplish everything. As my first act, therefore, I am asking you to read this communication personally at the next meeting of your Post, to give it your own active support, and add your voice to mine in mobilizing the united membership of your Post behind our whole program.

Our first attention must be to our membership. That is our strength in whatever we seek to accomplish. We are the greatest organization of veterans ever assembled under any banner. That is a striking tribute to our high purposes. But we can be greater. There are thousands of World War veterans eligible for membership in the Legion who can and will endorse the principles and the objectives for which we are fighting; who can and will add their strength to our own in carrying them through to success.

Briefly I submit some of them to you, as affirmed in our Miami Convention:

Final fulfillment of our program for the adequate care and protection of all disabled World War veterans, and the dependents and survivors of veterans.

Making Americanism the primary thought of Americans and the primary activity of The American Legion.

Recommending immediate payment of Adjusted Service Certificates and elimination of interest charges.

A strong national defense, not to foment war but to assure peace.

Profit for none and equal service for all in time of war.

Keeping partisan politics out of Legion activities.

Withdrawal of recognition to Soviet Russia and the elimination of ALL un-American influences from our country.

The promotion of child welfare,

abolition of child labor and encouragement of healthy youth activities.

Individual and collective community service.

Federal aid without Federal control where necessary to assure the proper education of our children.

Elimination of discrimination against World War veterans in government service.

Keeping Grover Cleveland Bergdoll—and all Bergdolls—out of America.

Making America the home of AMERICANS.

This is our program in a nutshell, without going into details of all the resolutions adopted in Miami, which nevertheless remain equally forceful mandates. It is not for us to quibble about which shall be first or last. It is our duty and our job to see that ALL are accomplished. Under this banner we can step forth with pride, and invite all of our eligible comrades of the World War to join us in carrying them to victory.

Therefore, I urge you to make membership your first activity. I ask you, your Post officers and every individual member to assume as a primary obligation the building up of your Post membership not merely to quota-strength but to the greatest strength ever. If you do this victory is certain. I am confident that you will.

Comrade Commander, in the name of the things for which we are fighting as good citizens and good Legionnaires, I salute you and bid you all God speed in the completion of our entire Legion program.

Faithfully yours,
FRANK N. BELGRANO, Jr.
National Commander.

THANKSGIVING SERVICE

According to plans made by the ministers of Spur, there will be a special service held on the morning of Thursday, November 29, which is Thanksgiving Day. This service will begin promptly at 10 a. m. in the First Christian Church. Mr. Faust Collier will have charge of the music and will offer specials from the Methodist choir. Rev. Fred Cairns, of the Presbyterian Church, will preach the sermon.

It is the sincere desire of all the pastors that the congregations will support and attend this service. This is not a denominational affair and every person in the community is invited and urged to attend with the feeling that it is especially for them.

Miss Clara Pratt, home demonstration agent, attended a conference in Stamford Monday and Tuesday with Miss Lida Cooper, district home demonstration agent of this district and twelve other home agents from the east side of the district.

Miss Ruby Coury of Rotan, is visiting Miss Sadie Gabriel this week.

Home Demonstration

CLUB NEWS

4-H CLUB SELECTS GOALS

The three goals for the cooperators in clothing work for the year were discussed in the Patton Springs 4-H club Thursday morning. The goals selected were: 1, make a collar; 2, make a school dress; 3, wash underwear after each wearing. Two of the Patton Springs girls have completed their collars and the others are under construction.

Edith Baxter, song leader, lead the club in singing two peppy songs. Club members present were: Edith

and Lizzie Lou Baxter, Leta Floyd, Willie Galloway, Evelyn and Lillie B. Hamm, Clarice Hughes, Paula Mae Johnson, Iva Lee Robertson, Vera Livingston, Opal Sharp, Ada Mae Ussery, Lois Willmon, and Bernice Mayo.

DUMONT 4-H CLUB ORGANIZED

The high school girls of the Dumont school organized a 4-H club Wednesday morning. After Miss Pratt explained the club work for the year and the duties of the officers the following officers were elected: Evelyn Matthews, president; Alma Scholer, vice president; Dorothy Scott, secretary; Lometa Brewster, song leader; Violet Flippin, reporter; and Mrs. Chan Smith, sponsor.

Alma Scholer was selected clothing demonstrator; Estelle Park was selected garden demonstrator. The club will meet the second and fourth Wednesday at 1:00 p. m. Club members are Lometa Brewster, Alma Forrest, Violet Flippin, Evelyn Matthews, Estelle Park, Lillian Pense, Marie Pense, Alma Scholer, Dorothy Scott, Alma Thomas, Beatrice, Bessie Lee and Gladys Thompson.

DUMONT CLUB HAS BED-SPREAD DEMONSTRATION

"Tufted bedspreads are ideal for farm homes because they are easily made and require no ironing," said Miss Pratt, home demonstration agent, in a meeting of the Dumont home

demonstration club at the home of Mrs. A. Holmberg Wednesday. The making of tufted bedspreads was given in the other clubs earlier in the year before the Dumont club was organized.

Mrs. R. E. Lasater was elected council member for the club. Mrs. Charles Deaton enrolled as farm food supply demonstrator; Miss Edna Erle Lasater as wardrobe demonstrator, and Mrs. Floyd Forrest and Mrs. A. Holmberg as yard demonstrators.

Those present were Mrs. A. Holmberg, Mrs. Charles Deaton, Miss Edna Erle Lasater, Mrs. V. M. Hand, Mrs. Lowell Smith, Mrs. Floyd Forrest, Mrs. Chan Smith, Mrs. Grover Criswell, Mrs. R. W. Brewster, Mrs. E. J. Reeves, Mrs. Otho Smith, Mrs. E. P. Downing, Miss Mildred Deaton, Mrs. Otis Smith, Mrs. Lillian Shirey, Mrs. Tom Johnson, Miss Irene Flippin, Mrs. C. R. Pense, Miss Dale Brewster, Mrs. W. R. King and Miss Clara Pratt, of Spur, were present.

Dale Brewster, reporter.

STEEL HILL CLUB NEWS

"Health and happiness in the home are the things that I am most thankful for," said Mrs. Donnie Pace, in answer to roll call in the Thanksgiving program which was rendered by the home demonstration club, Tuesday, November 13 in the home of Mrs. J. W. Carlisle.

After the program the following officers were elected: Mrs. J. B. Carlisle, President; Mrs. Donnie Pace, vice president; Mrs. W. M. Hunter, Secretary; Mrs. George Vaughn, Parliamentarian; Mrs. J. W. Carlisle, Council member and reporter.

We cordially invite every lady in the Steel Hill community to be with us in our next meeting, which will be with Mrs. J. B. Carlisle on Tuesday, November 27, at two o'clock. —Reporter.

COUNCIL TO HOLD ANNUAL MEETING

The Dickens County Home Demonstration Council will hold its annual business meeting Saturday, November 24, at which time each officer and standing committee chairman will make a written report of her work. Each club will make a summary report of its work on these items included in the agent's annual report.

New officers for the coming year will be elected at this time. The nominating committee, appointed by the October Council meeting will nominate officers for the Council. The Finance Committee will present a proposed budget for the Council for next year. This budget will be accepted or revised and accepted by the Council Saturday. It is important that every home demonstration club in the county be represented at this important Council meeting.

Farm Credit Administration Helped Farmers

Development of a complete, well rounded credit service that has advanced more than \$126,000,000 to the farmers of Texas in the short space of 12 months is the record established by the Farm Credit Administration of Houston, which was created October 31, 1933, just one year ago. More than \$100,000,000 has been advanced to farmers in the form of Land Bank and Land Bank Commission's loans in that time, while crop and livestock production loans and loans and commitments to farmers cooperative associations will add \$5,400,000 to the total.

By discounting the notes of farmers and stockmen through agencies other than production credit associations, the Federal Intermediate Credit Bank of Houston has extended \$21,000,000 in credit to Texas agriculture bringing the total amount of new credit by the Farm Credit Administration of Houston during the year to \$126,400,000.

At the close of business October 31st, the Federal Land Bank had outstanding loans totaling \$213,400,000 and loans by the Land Bank Commission to Texas farmers and ranchmen aggregated \$43,950,000—a total of \$257,350,000. The Federal Intermediate Credit Bank had loans and discounts totaling \$23,718,000, and the Production Credit Corporation had invested \$7,935,000 in Class A stock in production credit associations on that date. The Houston Bank for Cooperatives had, as of October 31, loans and commitments totaling \$519,479.77 outstanding.

HONOR ROLL AT A. C. C.

First six weeks of the Twenty-ninth Annual session of Abilene Christian College show 276 making the honor roll or an average of 90 or above in one or more subjects, according to records in the office of Mrs. Clara Bishop, registrar. This is 7.7 per cent of the grades which were given.

Fifteen of the 590 college students made 90 or above in five or six subjects, the regular college load, 21 made 90 in four subjects, and 25 were on the honor roll in three subjects. The roll of honor students is posted each six weeks in the bulletin board of the Hardin Memorial Building.

Among those on the list of honor students is Mary Wooten of Spur, who is listed for honors in Bible; Claudia Gilstrap of Spur who is listed in library science; and Anne Lee of Spur, who is listed in English and business administration.

DICKENS SCHOOL NEWS

In order to secure some additions to the library, the week of November 12-16 was book week. As an inducement for work in soliciting books a contest was inaugurated. The room that contributed the most volumes, all pupils of that room were to be given a free pass to any program in Dickens school for the year. The fifth grade, Mrs. McGinty, teacher, won the contest. The pupils voted to wait until spring and attend the senior play.

More than 106 volumes were contributed to the library. Many of these were direct gifts and some were loan-

ed to be used until June 1935. Some individuals making greatest donations were: M. B. Young, 14; Donna Lou Gpison 14, Ellison Crider 7, Billy Dobbs 7, Cecil Hugh Meadows 5, Jimmie Fowler 4, Loyce Stanford 7, Sarah Ann Crider 5, Ruby Dell Overstreet 4, Laydas Stanton 3, Pauline Reynolds 7 and Worth Green 8.

On Friday night, Nov. 16 there was a "Free Band Concert" by the "Merry Millers String Band" of Floydada in the school auditorium following the music was a pie supper. Proceeds will be used to make payment on new piano bought for the school. Miss Vesta Arthur was selected as most popular girl with Kathryn Berset a close second.

The Dickens School Basket Ball teams have been very successful in their opening games. The Owls defeated McAdoo 19-14, and Girard 32-31. The girls lost to McAdoo 32-31, and won from Girard 22-14. The Owlets defeated Kalgary 14-9, and lost to Girard 13-9.

Mrs. Coy McMahan, Mrs. Hugh Gray and two daughters, Bendor and Nadine, Mrs. J. W. Pickens, Mrs. Murphy and son, Pike, Mrs. Kidd, Mrs. Zelma Armstrong, Glenda and Charles; Mrs. A. H. Horne, Mrs. J. J. Lilly, Mrs. Ollie Hindman, Billie Marie and Donald.

Mesdames A. C. Hindman, W. A. Johnson, W. H. Condon and son, R. L. Wade and son, J. W. Meadows, Kate C. Buchanan, Julia Faulkner, the hostess, and Mr. "Dad" Adams.

Mr. and Mrs. Jephtha Craig spent Sunday in San Angelo visiting Mr. and Mrs. L. M. Potts and family.

BACKSTAGE in the TELEPHONE SERVICE

The telephone service this company furnishes you could not be as uniformly good, as quietly accurate, as far-reaching and inexpensive, if the nation-wide organization of the Bell System did not stand behind it.

There is American Telephone and Telegraph Co., the parent organization, furnishing technical and business guidance to the 24 operating companies.

There is Bell Laboratories, the research organization, constantly seeking better and more economical methods and equipment.

There is Western Electric, the supply unit, buying and manufacturing at a cost in most cases below what would be paid in competitive markets.

Each of these units stands behind the men and women who give you your local telephone service. Each is dedicated to the fundamental and enduring Bell System policy of giving good telephone service, at a fair cost to the user.

Back of this policy lies our belief that in an undertaking such as ours, planned for the long run, what is best for the telephone user becomes in the end the course that will bring us the sounder, more enduring success.

SOUTHWESTERN BELL TELEPHONE COMPANY

SAVE \$2.00 to \$5.00 a Year

**NO WASTED CURRENT
NO SCORCHED CLOTHES**

Coleman
Automatic
ELECTRIC IRON

THE Coleman Automatic Iron saves \$2 to \$5 a year on electric current.

When it reaches the temperature at which the thermostat is set, the current is automatically cut off. It "coasts" or "free wheels" on stored heat. 40% of the time it is in use it consumes no electricity. This saving on your electric bill goes on year after year as long as you use your Coleman! This same automatic action of the thermostat eliminates fire danger and scorching of clothes. Saves work... does more than the ironing.

The Coleman is beautifully designed and finished in super-chromium. Has long tapering point, button bevel and glass-smooth ironing surface.

Come in and see this beautiful iron. Let us prove our statements about the money it saves you.

RITER HARDWARE COMPANY

Don't Get Up Nights

IF YOU ARE OVER 40 If so, nature is warning you of danger ahead. Get rid of your trouble early. Make this 25c test. Get Juniper oil, Buchu leaves, etc., in green tablets. Ask for BUKETS, the bladder laxative. Take 12 of them in four days; if not pleased go back and get your money. BUKETS work on the bladder similar to castor oil on the bowels. Flushes out excess acids and other impurities which cause getting up nights, frequent desire, scanty flow, burning, backache or leg pains. You are bound to feel better after this flushing and you get your regular sleep. Guaranteed by Gruben Bros., Druggists.

QUILTING AT HOME OF MRS. McMAHAN

A number of guests called at the home of Mrs. O. C. McMahan three miles northwest of Spur, last Friday for an all day quilting. Each person brought a covered dish, dinner was spread and a great time enjoyed.

The guest list included: Mrs. Riley McMahan and son, Roy, Mr. and Mrs. Dan McMahan, Mr. and

Stated Meeting of SPUR LODGE No. 1023 A. F. & A. M. Thursday night on or before each full moon. Visitors welcome. JIM CLOUD, W. M. W. R. KING, Secretary.

THOR Electric Servant

with...

A HALF DOZEN EXTRA USES besides WASHING AND IRONING!

SEE IT TODAY!

You've never seen a household servant like this... so handy, so compact, so practical! You'll use it every day of the week... not just on wash-day! Thor Electric Servant contains a full size QUALITY THOR WASHER with the Super Agitator whose gentle, fast washing action doubles the life of clothes. A Lovell Wringer stores out of sight when the washing is done. Then slip on the Monel metal table-top cover and your Electric Servant becomes an extra table, a place for mixing food with Thoromix, new electric mixer powered by the same motor that operates washer, wringer and Thor Speed Ironer! The automatic timer and switch stops the motor on the minute!... a feature you'll appreciate when washing delicate silk things or when Thoromix is at work! A convenience outlet lets you plug in a radio or other appliances for buffet service. Don't miss seeing the Electric Servant... it's the hit of the World's Fair Electrical Exhibit... brought to town!

ESTATE NOTICE

State of Texas County of Dickens To those indebted to, or holding claims against the estate of Mrs. Annie Baxley, deceased.

The undersigned having been duly appointed administrator of the estate of Mrs. Annie Baxley, deceased, late of Dickens County, Texas, by Jim Cloud, County Judge of the County Court of said county, on the 22nd day of October, A. D. 1934, during a regular term thereof, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claim against said estate, to present them to him within the time prescribed by law at his residence in Spur, Dickens County, Texas, where he receives his mail, this the 28th day of October, A. D. 1934.

M. D. IVEY, Administrator of the estate of Mrs. Annie Baxley. Nov. 8, 15, 22, 29, 1934.

Texan Speaks In New York City

Voicing his belief "that the primary cause of the world depression is to be found in the World War and that the primary economic necessity for the future is the prevention of war," Peter Molyneux, of Dallas, editor of The Texas Weekly and trustee of the Carnegie Endowment for International Peace, addressed the Academy of Political Science at its annual dinner meeting in New York Wednesday night, November 7th. The dinner was presided over by Owen D. Young, president of the Academy, and the two speakers were Mr. Molyneux and Newton D. Baker, former Secretary of War.

The subject shared by Mr. Molyneux and Mr. Baker was "The Outlook for World Peace, and Mr. Molyneux, Texas' best known economist in the East, emphasized that a policy of economic cooperation between the United States and the world was necessary for international peace. "The immediate task in relation to the prevention of war," he declared, "is to check the process of disintegration which had its origin in the World War and to begin the work of world reconstruction through patient and persistent international cooperation."

The Texas editor warned that the tendency toward narrow economic nationalism in the United States and other countries was aggravating conditions of suspicion and unrest, and declared it was reasonable for the United States, as the richest nation, to assume leadership in guiding the

world from beneath the menacing war clouds by pursuing policies to promote sympathetic understanding between nations through economic channels of trade.

Mr. Molyneux reminded, however, that these policies must spring from the American people themselves and that leaders in thought must educate the people to that end. "There will never be a dominant public opinion in the United States in support of a program of international cooperation until the American people become convinced that such a program is essential to their welfare," he told his large audience. "There must be a conviction that only through such a program can genuine recovery be attained in the United States and economic and social progress be resumed."

34 Tech Instructors Have Doctor's Degree

Faculty members of Texas Technological College having doctor's degrees compose over 24 per cent of the entire teaching staff. Thirty-five have received their Ph. D.'s excluding all honorary and vocational degrees. These members and institutions where they received their doctor's degrees include:

W. H. Abbit, professor of physics, Chicago; Archie J. Bahm, instructor in philosophy and sociology, Michigan; Allen L. Carter, professor and head of the English department, Pennsylvania; William M. Craig, Harvard, professor of chemistry; Albert B. Cunningham, associate professor of English, New York; D. W. Douglas, instructor in biology, Michigan; J. O. Thompson, associate professor of mathematics, Chicago; R. S. Underwood, professor of mathematics, Chicago.

SAN ANGELO WANTS PART IN CENTENNIAL

San Angelo is anxious to be designated as the site of central or main West Texas feature of the Centennial commemoration in Texas in 1936. Plans have been outlined for a six-month real life action, dramatically depicting the Western frontier and its progress as San Angelo still is the typification of the frontier. Cowboys in boots are not unusual on its streets today and here visitors can obtain a realistic picture of the ranch life of the West.

Historic significance of San Angelo also is stressed, it having been the center of development of the great plains country with Tom Green county, in 1875, comprising what is today sixty-seven counties. Fort Concho, located principally in the city's limits, was the largest frontier Indian post established after the Civil War. It was born as Camp Hatch, in 1867, named for Col. Edward Hatch, Ninth U. S. Cavalry. Its name was changed to Camp Kelly and later to Fort Concho.

AUSTIN CLAIMING HISTORICAL SPOTS FOR CENTENNIAL

Historical pageants exemplifying the State capitol, the University, schools and governmental agencies are proposed for Austin's participation in the State Centennial celebrations in 1936 together with the erection of a State museum on the University campus, to be built with by State appropriation and the money obtained by the American Legion from the sale of Centennial half-dollars.

Historical spots to be emphasized during the Centennial include: the famous old Treaty Oak; old Fort Coleman and Fort Kinney; the old French embassy; Laguna Gloria, Stephen F. Austin's choice for his home; the Eliza Beth Ney studio; the O. Henry home; the Governor's Mansion; Amelia Barr's home; the original settlement of Hornsby's Bend; James Stephen Hogg's grave; Governor Pease's old home and St. Edward's University.

Linnville Scene Of Indian Raid

Calhoun County, in planning its participation in the Texas Centennial celebrations of 1936, proposes pageantry portraying such events as the landing of La Salle at Matagorda Bay, the life of his colonists at Fort St. Louis, the Comanches' raid on old Linnville in 1840, the building of Indianola, which served as a port for almost all of the country west of the Colorado River

and extending to the Rio Grande for years, its destruction in the disastrous storm of 1886 and the building of the first Texas railroad. State parks are located at three sites of Indianola and Linnville and a marker at the spot of La Salle's landing.

Many in Texas today are unaware that the sacking of Linnville constituted what was probably the greatest single raid conducted by Indians in the Southwest. Appearing Aug. 5, 1840, the band of 1,000 or more Comanches swept down the valley of the Guadalupe, killing a large number of persons in the vicinity of Cuero and Victoria. They sacked the town of Linnville, while the residents took refuge in boats on the bay. After several days of raiding and with 1,500 or more horses and much merchandise stolen at Linnville, they started their retreat but were overtaken and defeated decisively, Aug. 12, in the Battle of Plum Creek, near San Marcos, by a volunteer force of Texans, led by Gen. Felix Huston, Col. Edward Burleson, Capt. Matthew Caldwell and others.

CAR COLLIDES WITH STAMFORD & NORTHWESTERN TRAIN

J. Carl Brian, of Aspermont, suffered a lung injury, a broken limb and many other injuries Friday evening at Sagerton when his car collided with the Stamford & Northwestern train. Mr. Brian was driving from Sagerton to Aspermont when the lights of an approaching car blinded him so that he could not see the train which was approaching the highway at a crossing. Before he realized his condition he went head on into the train.

Jess Dobbins, of Aspermont, who accompanied Mr. Brian, received a broken nose and a very severe shock. Both men were rushed to a Stamford hospital where emergency treatment was given them. Mr. Brian was unconscious and was in a very critical condition. However, he seemed to rally some Sunday night and apparently was holding his own Monday morning. Mr. Dobbins soon recovered from the shock and soon will be all right.

Mr. Brian had been serving on a jury of the federal court at Abilene and was returning home. His wife is a daughter of George S. Link of this city.

McADOO
Mr. and Mrs. George Harris and daughter, Mrs. Hazel Twaddell, were in Lubbock Wednesday of last week. Mr. and Mrs. H. V. Nettles were business visitors in Spur Friday. Rev. A. O. Hood was at Abilene Sunday attending the Annual Conference of the Methodist Church and there were no preaching services here. After Sunday school, Mr. Kelly, principal of Leatherwood school, gave a very interesting and helpful talk on "Words". Following the talk a solo, "Wonderful Words" was sung by his little nine year old daughter, Helen. Sunday night the Leaguers presented a very interesting pageant. Katie Miller was in Lubbock Wednesday and while there visited her sister, Fay Ola, a nurse of Lubbock sanitarium.

Chester Clark returned home last week after being in New Mexico for

some time. Mr. and Mrs. Clyde Moore were in Spur Saturday. Mrs. H. Gilliam visited her parents Rev. and Mrs. Laney of Spur, during the week end. J. T. Parker and Bernard were transacting business in Lubbock Wednesday.

Harvey Hines was a business visitor in Spur Wednesday. The P. T. A. held its regular meeting Thursday night in the high school auditorium.

The organization will meet only once a month from now on. The next meeting will be in December, the exact date has not been announced. W. W. Barrington of Afton, was in McAdoo Friday.

Mr. and Mrs. George Harris have returned to their home from Vernon, where they have been for some time. Mr. and Mrs. Willie Clark are the proud parents of a new daughter in their home.

Mr. and Mrs. Ivy Brown were in Crosbyton Saturday. A group of the young folks enjoyed a party at the home of Mr. and Mrs. A. W. Van Leer Wednesday night.

Florence Ross returned home the last of the week from visiting her mother, Mrs. Gene Bass of near Lubbock.

Mrs. Hazel Twaddell took her son to Lubbock to have his tonsils removed one day the past week. The play, "Drums of Death" has been selected for the annual faculty play and members of the faculty have begun practice on the play. The date that the play will be given will be announced soon.

Mr. and Mrs. J. W. Jones were in Spur Saturday.

Mrs. W. C. Brister's father, Mr. Evans of Hillboro, died recently. Mrs. Jim Eldredge and Martha Helen were in Crosbyton Tuesday.

Frank Barton of Morton, visited friends and relatives here last week. Chas. Barker made a business trip to Lubbock Tuesday.

Lawrence Pipkins underwent a tonsil operation recently and was absent from school last week.

Mr. and Mrs. Clyde Moore entertained with a party Saturday night. A number of the ladies met at Mrs. J. O. Morris home Thursday for an all day quilting. Several quilts were quilted and a most enjoyable day was spent by all of those present.

Mr. and Mrs. Lee Parker have spent the past week at Centerpoint with Mrs. Parker's sister and husband, Mr. and Mrs. J. T. Holmes.

Beauty Leads

CAROLYN EICHHOLT - PRESIDENT

JUANITA KASTNER - VICE-PRESIDENT

Freshmen go in for beauty at Texas State College for Women (CIA) in selecting officers for the 1934-35 class. Both Miss Carolyn Eichholt, Taylor, and Miss Juanita Kastner, New Braunfels, have been named freshman candidates for college beauty.

bers not officers were cohostesses with Mrs. Murley in serving a most delicious refreshment plate. Club adjourned to meet December 4 with Mrs. J. M. Foster.

BAPTIST NOTES

A special service for girls and young women will be held Sunday night at the Baptist Church. A most cordial invitation is extended to all the young women of Spur to hear Dr. Ewton's message, "QUEEN VASHTI" Sunday morning the pastor will speak on the subject, "WITHOUT FAITH IT IS IMPOSSIBLE TO PLEASE GOD." The church doors are open to you. Come and worship.

Earl Hunt and mother, Mrs. I. L. Hunt, of Lubbock, were in our city a short time Tuesday as guests of Mr. and Mrs. W. D. Starcher. Mr. Hunt attended to business matters here, also.

Rev. H. L. Burnam, of Silverton,

was in our city Tuesday and Wednesday attending to business matters. Rev. Burnam has a nice home just north of town and says when he gets to where he does not preach that he expects to make his home here. He is pastor of the First Baptist Church at Silverton.

Mrs. Crites and daughter, of Lubbock, were visiting friends in our city Tuesday.

Adding Machine Paper at Times.

FOR MOTORISTS

Only

If you're a car owner, interested in avoiding costly winter driving troubles, let us drain your old used oil. We'll fill your crankcase with winter grade Texaco—the oil that flows freely in coldest weather. You'll like our service and won't mind the little time required to do it.

ENTERTAIN AT SPUR INN

Misses Alice Wright and Anna Mae Lasseter were hostesses at a dinner in the Spur Inn Tuesday evening at 7:30.

The decorations were of fall flowers. The guests were: Misses Hazel Watson, Mary Lee Cherry, Nell Albin, Edith and Alva Ince, Naomi Lee, Louise Collier, Athel, Yeats, Ruby Rae Williamson, Rachel Langston, Clara Cammack, Charlie Hayes and the hostesses.

1917 STUDY CLUB

The 1917 Study Club met Tuesday afternoon with Mrs. R. C. Forbis in the home of Mrs. Nell Davis, our president.

Roll call was answered by each member giving quotations from "Poor Richard's Almanac". A very interesting program was led by Mrs. R. E. Dickson.

The History and Geography of Philadelphia was presented in a very striking manner by Mrs. Ernest Lee. A Thanksgiving reading by Miss Jennie Shields was thoroughly enjoyed.

Mrs. W. C. Gruben told interesting facts about Philadelphia, "The City of Brotherly Love". Lillian Grace Dickson favored the club with a piano solo.

Delicious refreshment plates were served by the hostess. —Reporter.

DOING HIS PART TO RID THE DEPRESSION

"Make it a million or better," was the statement of Henry Ford three weeks ago when giving instructions in regard to 1935 business program for the Ford Motor Company. Then continuing, stated that Ford Motor Company "is Out of the Depression". In setting his mark for manufacturing 1,000,000 cars and placing them on the market in 1935. Mr. Ford felt

very confident of his statement.

"Our experience during the last six months and what we see in the future tells us a year of improved business is ahead," he advised his associates.

"Why the depression would be over for the whole country very soon if American industrialists would just forget the alphabet schemes and take hold of their industries and run them with good sound American business sense. They should take hold of their country, too, in the same way and run it with good, sound American business sense," was Mr. Ford's further comment.

The Ford Motor Company has passed the 600,000 mark in production this year, and there is less than a normal supply in the various branch sales districts at this time. Probably the number will reach 800,000 before the year closes.

Mr. Ford is spending more than \$18,000,000 in construction of a new steel plant at Dearborn as he said "to show confidence in President Roosevelt."

I am for President Roosevelt, have confidence in his ability to lift us out of the depression and intend to support him for a second term," Mr. Ford said.

Construction of new steel mills is expected to require eight months. When completed they will enable Ford Motor Company to produce 3,000 cars per day without buying a pound of steel in the open market.

TWENTIETH CENTURY STUDY CLUB

The Twentieth Century Study Club met Tuesday with Mrs. Thad Murley as hostess.

Mrs. Caraway called the club to order for a business session. The club voted to establish a Loan Fund for the purpose of helping finance college courses for young people of Spur. The club hopes to add to this fund from time to time and that before many months a nice sum will be in the treasury for use in this work.

Roll call was answered with items of Federation News, this being our annual "Federation Day" program. Mrs. Nichols was leader for the afternoon. Mrs. Walker gave an account of the State Federation meeting which convened in Austin, Nov. 12 to 15. Many accomplishments of the Texas Federation were given and the club received many ideas of the work of the Texas club women.

Mrs. Nichols gave a most interesting report on the Women's Auxiliary of the Southern Medical Association meeting in San Antonio last week. Mem-

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

ALTHOUGH summer fruits are disappearing from the markets, the arrival of many typical fall vegetables and the lowest prices for two months on beef and lamb should make it easy for the housewife to plan interesting and varied meals.

Fine quality cabbage is cheap and abundant; cauliflower, broccoli and Brussels sprouts are also in season. The makings of pumpkin or squash and apple pies and of sweet potato pone are all seasonable and moderately priced. White potatoes are cheap. Good spinach is high, but green beans are still low in price. Grapefruit is beginning to be plentiful though the season is still early. Persimmons and pomegranates with grapes, pears and bananas help to make a colorful bowl of fruit.

The following menus are made up from the latest market news available.

Low Cost Dinner

Seven Roast Beef White Potatoes Mustard Greens Bread and Butter Butterscotch Pudding Tea or Coffee Milk

Medium Cost Dinner

Roast Lamb Browned Yams Creamed Cabbage Bread and Butter Prune Whip Tea or Coffee Milk

Very Special Dinner

Fruit Cup Chicken Fricassee Baked Mee Baked Okra and Tomatoes Green Salad Eggs and Butter Vanilla Ice Cream Chocolate Sauce Coffee Milk

IF YOUR BREATH HAS A SMELL YOU CAN'T FEEL WELL

When we eat too much, our food decays in our bowels. Our friends smell this decay coming out of our mouths and call it bad breath. We feel the poison of this decay all over our body. It makes us gloomy, grouchy and no good for anything. What makes the food decay in the bowels? Well, when we eat too much, our bile juice can't digest it. What is the bile juice? It is the most vital digestive juice in our body. Unless 2 pints of it are flowing down our liver into our bowels every day, our movements get hard and constipated and 4 of our food decays in our 23 feet of bowels. This decay sends poison all over our body every six minutes. When our friends smell our bad breath (and we don't) and we feel like a whipped animal, don't use a mouthwash or take a laxative. Get at the cause. Take Carter's Little Liver Pills which gently start the flow of your bile juice. But if "something better" is offered you, don't buy it, for it may be a colored (sawney?) pill, which causes tooth, gripes and sends the poison in many people. Ask for Carter's Little Liver Pills by name and get what you ask for—44, C184, C.M.C.
