NOTICE TO BIDDERS AND OF INTENTION TO ISSUE WARRANTS

NOTICE IS HEREBY GIVEN that sealed bids will be received by the City Commission of the City of Muleshoe, Texas, up to 10:00 o'clock A. M. on Friday, February 21st, 1941, at the office of the City Secretary in the City Hall Building, at Muleshoe, Bailey County, Texas, for the purchase by the City of Muleshoe, Texas, of certain pipe, line, sewer, tile, connections, reducers and other sewer and water line supplies, a detailed list of which, together with a complete list of specifications, is now on file in the office of the City Secretary of Muleshoe, Texas, and copies of which list and specifications may be secured at the office of said City Secretary which said pipe and sewer supplies and equipment are to be used by the City of Muleshoe, Texas, in the construction, extension and maintenance of the water and sewer system of said City.

The successful bidder shall be required to give bond in the full amount of the contract price, for the faithful performance of such contract, executed by some surety company authorized to do business in this State. The City Commission reserves the right to reject any and all bids. The specifications of such materials and equipment are so prepared that separate bids may be made on sewer equipment and water equipment and either on the whole or on parts thereof to be purchased at the unit price for same. It is the intention of the City Commission to make payment of all or a part of such equipment and supplies by the issuance and appropriation of warrants hereinafter mentioned, not exceeding \$10,000.00 of the amount of the consideration for said contract; however, a condition of receiving bids is that such bids must be submitted upon the basis of cash payment, inasmuch as the City Commission has no arrangement for the sale and delivery of said warrants at par and accrued interest, and the successful bidder of bids shall be required to receive said warrants and immediately en-

dorse and deliver the same to the purchasers thereof, whether such bids be successful or not. The successful bidder shall receive the cash par value thereof, plus accrued interest and accrued taxes to be paid up to date of delivery must be paid to Muleshoe, Texas.

NOTICE IS HEREBY FURTHER GIVEN that the City Commission of the City of Muleshoe, Texas, will construct and install certain water and sewer extension lines and mains, such construction and extension to be done under the immediate supervision of the City Commission of the City of Muleshoe, Texas, and to be paid for by the day as the work progresses. It is the intention of the City Commission to issue interest bearing time warrants of said City, payable from ad valorem taxes, levied against all real and personal property within said City, in payment of claims, approved by the Mayor and City Secretary, and audited and allowed by said City, to be incurred by said City in the construction, extension and installation of said water and sewer lines and mains, above mentioned, the total aggregate amount of said warrants to be issued for this purpose not to exceed the sum of \$40,000.00.

NOTICE IS ALSO HEREBY FURTHER GIVEN that it is the intention of the City Commission of said City to enter, pass, approve and adopt a certain ordinance on the 21st day of February, A. D. 1941, providing for and authorizing the issuance of the interest bearing time warrants of said City, in the maximum amount of \$15,000.00, bearing a maximum interest rate of not exceeding five per centum (5%) per annum from date, and maturing serially over a maximum period of not exceeding sixteen years from maturity, with a maximum maturity of 1956, such warrants to be issued in payment of the sewer, tile, and water pipe equipment above mentioned, and to the amount of not exceeding \$40,000.00, to be issued in payment of claims, approved by the Mayor and City Secretary, audited and allowed by the City Commission, to be incurred by said City for the installation, construction and extension of said sewer and water mains above mentioned, and to be done under the immediate supervision of the City Commission and paid for by the day as such work progresses, and said warrants shall be retired and redeemed out of an ad valorem tax levy made against all real and personal property situated within said City of Muleshoe, Texas.

This notice is given pursuant to a resolution passed by the City Commission of Muleshoe, Texas, on February 4th, 1941, and in accordance with and in strict compliance with the provisions of Chapter 163, Acts of the Regular Session of the Forty-second Legislature of Texas, and all amendments thereto. R. L. BROWN, Mayor, City of Muleshoe, Texas.

News From Bula School

By O. G. DICKENSON, Supt.

The first semester of the school year has passed for 40-41 with a reasonable degree of success. The children have taken their examinations and the grade slips have gone out to the parents for their approval or rejection. We want every parent to look over the reports and if the grade is not what the parent thinks it should be, we hope you come and discuss any question that might be in your mind. We are interested in every child and we want every child to do well. We, the teachers, are just human beings and being that way, we make mistakes, but I think the teachers are fair-minded and will discuss any problem concerning the student.

This year we are making a special effort to establish something lasting in the life of the child, we are teaching and even requiring good citizenship, good manners, and good or moral conduct.

The local P. T. A. met in its regular session Monday night with its membership of fifty, plus fifty-seven others, making a total number of one hundred and seven present. There was an interesting program rendered after which refreshments were served.

There are several new students entering Bula school for the first time, more than twice as many have entered than have checked out, and we would like to say to the new families who have moved into our community we welcome you and invite you to visit the school any time you see fit, and to the patrons and parents of Watson community we want to thank you for your cooperation for we feel that you have an important part in the success of the Bula school, and as far as the beautifying of the school yard, the caring for the twenty rose bushes and shrubs recently set out, and the laying of twelve joints of pipe which has put water to the shrubbery and also to the gym, and also caring for the school plant, we will place credit where credit is due, and that goes to Chester Pendleton.

We are also cooperating with the new mattress and comfort program of which there have been about 50 applications filled out.

MEETING ON "LIFE" TO BE HELD SOON AT CANYON

Many visitors will hear Dr. Paul Popenoe during the second annual conference on marriage and family life at West Texas State college, on February 12-17.

The first of these will be representatives of Parent-Teacher associations, women's clubs, home demonstration clubs, church workers, and similar organizations. They will hear Dr. Popenoe at 2 p. m., February 13 on the subject, "Can The Family Have Two Heads?" This meeting will be open to the public and several from Bailey county are contemplating going.

Soldier Tells Of Life At Camp Bowie Since Div. Arrived

Camp Bowie, Texas Dear Editor:

We have finally settled down so that we can at least half way feel what we are going to do the next hour. At the present time we are going to school and trying to learn something about respective jobs.

I am in the radio section, so we are having lots of code practice every day. It is interesting to me, and I think I will be able to pick it up pretty fast. I have been practicing in my tent tonight with a practice set.

The top sergeant ran into me a few minutes ago and asked me if I had looked at the bulletin board recently. I told I had not, and he said that he was on it tomorrow and decided maybe I had better quit practicing and get to bed a little earlier.

Our regular routine is not so bad now. We get up anywhere from 5:30 to 6 a. m. and make up our beds, wash up, etc., in time to meet recruits at 6:45. Then we fall out, and fall back at 7:00 for breakfast. At 8:00 we fall in and go over to Brigade headquarters for thirty minutes physical drill. After this is over we take general schooling until 11:30, then back to camp, and lunch. After lunch we go back to Brigade headquarters for thirty minutes physical drill. After this is over we take general schooling until 1:30 to 4:30. Sometimes we go back early and have games for exercise. We eat dinner at 5:30 and then we are off for the rest of the day—if they can't find you to put you on detail of some kind. Three of us happened to be in our tent a little while ago, so they had us to take a tent down.

On the whole, things are pretty easy for us here, especially in comparison to the way some of the other companies have to do. The rifle companies get out every morning and drill all day, maneuvering, etc. We won't have but a very little of that to do until we actually get out in the field and start using some of that we are learning now.

I saw Charles Alsup last Sunday for the first time since I have been here. His outfit is several miles from here, and we can't make connections here on the ground without a lot of walking.

I heard the other day there were 27,000 men here in camp now, and more are arriving daily. We have received many draftees, or rather selectees, as they tell us to call them—as yet, but we are due to get about 90 all told in our company.

I am always glad to get the paper and read about the happenings at home.

Sincerely, Pvt. George Wood, Camp Bowie, Texas.

45th Division Will Move To Abilene Camp

FORT SILL, Okla.—Maj. Gen. W. S. Key announced recently the 45th Division had been ordered to move within ten days after February 28 to Abilene, Texas, where a new camp is being built to house the inducted guardsmen from Oklahoma, New Mexico, Arizona and Colorado.

General Key, commanding officer of the division, said the orders came from Maj. Gen. Walter Krueger, Fort Sam Houston, Texas, commander of the Eighth Corps Area. About half the division's service troops will go to Abilene about February 24. General Key added, with the first general movement of about 7,980 officers and men scheduled February 28.

Second big movement will be March 3, and the cleanup March 5, under tentative plans.

All of the trucks of the 45th division, and the motorized equipment of the 36th stationed at Brownwood, Texas, will be used. In addition, about 100 trucks from Eight Corps Area headquarters will take part of the move.

The first contingent, February 28, will move out at sunrise and will be expected to reach Abilene, 208 miles away, by sundown.

Officers of the 45th inspected the site of the new camp last week. General Key said, and reported they were "astounded" at the progress being made.

More than 7,000 men were employed on a 10-hour work day. All sanitation lines were laid and concrete roads were rapidly taking form. It was estimated the camp was more than 40 percent complete, with bases set down.

There are now 16,435 officers and enlisted men in the 45th. When it was inducted into federal service September 16, 1940, there were 10,442. When all selectees assigned to the division have been received, the command will total 18,600.

Mr. Sam Rutledge, engineer for the Civil Works Administration at Amarillo, has moved to Muleshoe, where he will be located during the construction of the new TEEA high-line.

A large truck overturned in the edge of Sudan last Sunday evening, covering a good section of the highway with oranges. It was not learned who owned the truck.

1941 Highway Map Now Available To Public

The 1941 spring edition of the Texas Highway Department is now available to the public. The cover of the spring edition is natural color photograph picture showing a sunrise scene on the Gulf Coast of Texas, and the new map shows all State highways, cities and towns, and, as with every issue of the map, shows that pavement has been placed on many unpaved gaps since the last map was issued in the spring of 1940.

Features of the 1941 spring edition map are the new Federal census figures for Texas cities and towns. Shown on the map itself are oil and gas regions, national forests, and principal lakes and streams. Insets around the map in larger scale into and thru larger cities. On the back is a brief description of State parks, and other attractions; facts about Texas, and interesting pictures of industry and development in the State. The data includes comparative distances showing that it is farther between some cities in Texas than from the same cities to Los Angeles, Chicago.

and Jacksonville on the Atlantic Ocean. The Highway Department constantly strives to improve the map, and this edition is the most complete map yet issued. While new paving is shown, it is impossible, of course, to indicate on the map the many miles of old type paving or which reconstruction, improvement modernization has been done. The map is free to the public and copies may be obtained by writing the State Highway Department at Austin, or any of its District offices.

FEB. TERM DISTRICT COURT CONVENED AT OLTON MONDAY MORNING OF THIS WEEK

Judge C. D. Russell officially opened the 5-week session of District court in Olton, county seat of Lamb county, Monday morning of this week.

The first week of the term has been set as appearance week, and Judge Russell will call the docket and set cases for trial.

First petit jury panel has been summoned to appear on February 12 at the opening of the second week of the term. Third term of court is expected to be set aside for the criminal docket, which is unusually heavy at this term, according to district clerk Frank Cummings of Lamb county. A light civil docket is forecast.

LOCALS

Mrs. Arthur Dameron of Littlefield visited in Muleshoe Thursday afternoon of last week with her mother, Mrs. H. A. Robb, and friends.

A. X. Erickson and son, Bill, accompanied by Carl Modest, all of Denver, Colorado, were here the latter part of last week looking after the large land holdings of the Ericksons. The party left Saturday evening returning to Denver. Mr. Erickson has visited in Muleshoe and Bailey county for the past several years.

A. C. Woodward of Lamesa, was in Muleshoe attending to business and visiting friends Monday morning. He left here enroute to Ft. Worth to transact business.

Norman LaVigne, small son of Mr. and Mrs. Albert LaVigne, residing a short distance northwest of Muleshoe, was very unhappy last Monday morning when he awoke to find his Shetland pony had strayed to unknown parts. He says "If anyone should see his pony to please let him know at once."

C. E. Dotson of the West Camp community was attending to business in the county seat last Monday.

Mr. and Mrs. Levi Churchill and daughter, Miss Doris Campbell, attended to business and visited their daughter and sister respectively, Miss Grace Churchill, in Amarillo Saturday of last week.

Mr. and Mrs. Delma McCarty and two sons, formerly of Muleshoe, but now residing at Spur, where he is employed with the Works Progress Administration, spent the week-end here visiting her mother, Mrs. I. W. Harden, and friends.

J. W. Randolph of Lubbock transacted business and visited various acquaintances in Muleshoe Saturday of last week.

C. C. Nixon of Brownfield was here the latter part of last week prospecting for a land location in this section of Bailey county.

Mr. and Mrs. Richard Moore of Muleshoe spent the week-end in Plainview visiting her parents and friends. They returned here Monday evening.

Mr. and Mrs. M. G. Bass and son, Raymond, of Muleshoe, accompanied by Mr. and Mrs. J. L. Phipps, of Goodland, visited in Slaton last week-end with Mrs. Bass and Mrs. Phipps' parents, Mr. and Mrs. Reynolds. Sunday afternoon their brother, Luther Reynolds, and family of Lubbock, and Mr. and Mrs. Bert Mathis and two sons, Allen and David of Muleshoe also visited in the Reynolds' home in Slaton.

F. O. Settles of the Old Age Assistance, Lubbock, was in Muleshoe at the court house Monday attending to business.

Miss Turlington, WPA supervisor, with headquarters located in Lubbock, was in Muleshoe Monday attending to business at the court house and interviewing Bailey residents.

Mr. and Mrs. G. A. Davis of the Wilson community in south Bailey county, were in Muleshoe on business Monday afternoon.

Everett Wallace, principal of the Fairview school, transacted business and visited various business acquaintances here Saturday afternoon of last week.

C. O. Ball of the Wilson community as a business visitor in Muleshoe Saturday afternoon of last week.

Mr. and Mrs. S. C. Clements of Baileyboro were visitors in Muleshoe Saturday of last week.

T. J. Brannon of Vernon was in Muleshoe attending to business on Wednesday of last week.

Otto Kortz, Leonard J. Steinko and Arthur Keller of Idaho Falls, Idaho, were in Muleshoe the first of this week prospecting for a location in this irrigated section of Bailey county. In recent months there have been several citizens from Idaho Falls to visit Muleshoe and surrounding territory. They are becoming quite attached to this region and numerous ones have secured farming land and plan to put in crops of various types this year.

Muleshoe High School News

By SUPT. W. C. COX

We have too long thought of the public schools as institutions merely for the instruction of children, hoping by some mystic power the teachings could impart knowledge and appreciations which would prepare the youth of one generation for the unknown problems of a future generation. Three facts have gradually dawned on us: (1) That children are more concerned about problems with which they are now confronted than with the distant future. (2) That adults are confronted with problems of which no one had ever dreamed a generation ago. (3) That we do not get too old to learn. Hence the child centered school for the child, and the community center for the adult should be developed in every community.

A school library for adults as well as for school children would be a pretty good start.

The time is here for putting out shrubbery. The Muleshoe Parent-Teacher Association has taken for their project again the beautification of the school grounds. Several have expressed the desire to furnish a shrub for this program. You will be given the opportunity within the next few days. Anybody that desires to furnish a shrub or any plant that will add to the beauty of the grounds please see Mrs. Osborn or let the school know about it.

Absence from school is one of the greatest problems of the teacher. Many people do not realize what absence for even one day does to the accomplishment of the child. We find that most of the failures in school subjects are caused by absence. The parent should see to it that his child has an even break with his fellows by keeping the child in school if at all possible.

Home study is almost a thing of the past, but we find that those students that still indulge in this ancient practice are the ones that stand at the head of the class. We still believe in it, especially through the intermediate and high school. In fact, parents should be surprised to see their child making his work if he never uses a book at home. This should be the answer to several parents who wonder why the child is doing so poorly in school. This lack of study at home is forcing a school adjustment for more actual study time in the school under supervision. The recitation period will be divided into study and recitation. This will require a more expensive library since it will have to accommodate more students at the same time, and naturally increase the length of the recitation period.

Billy M. Black At National Guard Camp Writes

In a letter received this week from Billy M. Black, who is stationed at Fort Bliss, El Paso, Texas, with the National Guard, he gives the hometown a few good ideas to think about. He has been in the service only a few months and likes it fine.

He was a member of the 1939 graduating class of Muleshoe High school and resided south of here in Bailey county. For a few months previous to his joining the National Guards he was employed in Clovis, N. M., at a theatre.

In his correspondence to friends here he always writes in the style of poetry. From all accounts he is becoming "quite a poet."

You may not understand things we're doing. For it's not right for the women know.

What each soldier is doing within each day To keep the U. S. Flag afloat.

I could write you stories and letters And yet, still you couldn't understand; Why your brother, son, or friend is here. And all the while, a soldier and a man.

We're here for one big purpose— And also, we have so many jobs to do. And too, I'll only have you understand

It's all because of you.

Now if our nation happens to fall— The "Youth of the Nation" is to blame.

And forever, the rest of our life we'd go With our heads hung down in shame.

Now think real deep, and you'll realize— The reason the Youth is "Called to Colors."

The only reason is, for your protection, friends And not at all, there's any others.

Mrs. Frances Robb Entertained Needle-Craft Club Members

Members of the Needlecraft club met Thursday afternoon of last week at the home of Mrs. Frances Robb.

An enjoyable afternoon was spent by guests engaged in various kinds of needlework and visiting.

Refreshments were served to the following members: Mesdames El-In Spence, Ruby Troutman, Margaret Ann Swanson, Irene McHorse, Virginia McHorse, Lema Cook, Myrtle Alexander, Jessie Wright, Alvena Dyer, Laura Bass, Alma Speight, Velma Renfrow, one visitor, Mrs. Bee Dameron, of Littlefield, and the hostess, Mrs. Frances Robb.

Mrs. Margaret Ann Swanson and Mrs. Alma Speight will be co-hostesses to the club members Thursday of this week (today) at the home of Mrs. Lema Cook. A covered dish luncheon at the noon hour will be a highlight feature of the all-day meeting.

Mrs. Jess Osborn Entertained 1939 Study Club

Members of the 1939 Study club met Thursday evening of last week at the home of Mrs. Jess Osborn, with Mrs. Earl Hicks, co-hostess.

Mrs. Ray Griffiths, president of the club, was in charge of the meeting.

One new member, Mrs. E. E. Dyer, was initiated into the club.

Mrs. Mills Barfield presented the second lesson in "Practical English."

After the regular business was attended to, tempting refreshments of brick ice cream, centered with pink hearts carrying out the Valentine motif, and cake were served. Plate favors were chocolate hearts.

Members present were: Miss Helen Jones, Mesdames A. W. Copley, Mills Barfield, Joe Dameron, C. D. Gupion, Ray Griffiths, R. L. Hobbs, Jess Mitchell, Irvin St. Clair, J. Clyde Taylor, W. B. Wagoner, George Johnson, E. E. Dyer, Jay Weyer, Hubert Rutherford, Howard Carlyle and the hostesses, Mrs. Hicks and Mrs. Osborn.

The next meeting of the club will be held Thursday evening, February 27, at the home of Mrs. Hubert Rutherford with Mrs. John Farley, co-hostess.

JOLLY FRIENDSHIP CLUB

The Jolly Friendship club met in the home of Mrs. Ava Ashford, February 5. Mrs. Barnett, president, presided over the business meeting, after which the members were entertained with games provided by Mrs. Robinson and Mrs. Trayweek. Refreshments were served to Mesdames Barnett, Nelson, Pochell, Robinson, Pauline Stevens, Willman, Oliver, Trayweek, Moses, Stevens and the hostess, Mrs. Ashford. Later, Mrs. Ashford entertained with piano music. A very good time was had by all.

Sixty-Five Percent Of Texas Wheat Under Loan

Texas wheat producers placed 65 percent of the wheat they produced in 1940 under the government loan, receiving an average of slightly more than 64 cents a bushel with protein premiums taken into account. Of the 29,355,000 bushels of wheat produced in the state last

year, 19,390,000 were the Commodity Credit loan, Charlie L. Thom announced, amount loaned in the \$95,523.

Sunday School Class Holds Monthly Meet Business Attended To

At the monthly meeting of the Jessie White Sunday school class held the latter part of last week, the leading team entertained the winning team with a covered dish luncheon beginning at one o'clock.

The business meeting was held after the luncheon. Rev. F. B. Hamilton read a passage from the Bible and gave a very encouraging talk on the progress, the class is making.

The class then drew names for their Sunshine friends. Mrs. Griffiths announced the chili supper the men's class are giving Friday evening at eight o'clock at the Baptist church annex.

The class then voted to have a covered dish luncheon at the next monthly meeting which is to be

"Guest Day," and appointed a committee of Mrs. Bruce Cobb, Mrs. Esther Donnell, Mrs. Bill Dawson and Mrs. Rufus Gilbreath to be hostesses.

Those present included: Rev. and Mrs. F. B. Hamilton, Mrs. Gladys Edwards, Mrs. Bill Dawson and Billie, Mrs. Richard Moore, Mrs. Lavonia Pierce, Mrs. Dottie Plummer, Mrs. Jack Price, and Bobby Clint, Mrs. Gladys McWilliams, Mrs. J. L. Taylor and son, Mrs. Erma Ray, Mrs. Frances Cobb and Nancy, Mrs. Vern Johnson, Mrs. Dorothy Green, Mrs. Blanche Lancaster, Mrs. Ware and Ralph, Mrs. Elizabeth Smith, Mrs. Virginia McHorse and Mrs. Ray Griffiths.
