KATHERINE LEA KILGORE HONORED

Supper was served in buffet fashion Thursday evening, when Mrs. Sneed Twaddell and Lorelle honored Katherine Kilgore, who left Saturday to make her home in Denton.

Guests were Misses Katherine Kilgore, Grace Foster, Joyce Koon, Lillian Grace Dickson, Joyce McCulley, Regina Lee, Frances Gibson, Helen Lollar, Margaret Mae Weaver, Mae Barnette Johnson, La Fern McKeever, Mrs. M. A. Lea and the hostesses, Mrs. Twaddell and Lorelle.

After the eats and much merriment Mother Lea's treat came last, but not least, when she took us to the picture show. After we all enjoyed that treat we departed for our homes wishing Katherine much happiness in her new home but hoping she would not make it her home permanently. —Contributed.

V. C. Smart reports that his father, who underwent a very serious operation in a Fort Worth sanitarium, is improving very nicely and soon will be able to return to his home at Rotan.

CARD OF THANKS

We want to take this means to express our appreciation to our many friends and neighbors in the death of our brother and uncle.

FRIDAY AFTERNOON CLUB

The Friday Afternoon Club met in the home of Mrs. Ray Sanders Friday night 7:30 o'clock for short social and business meeting.

The following officers were elected for the new year: President, Mrs. Horace Gibson; Vice President, Mrs. Hill Perry; Secretary and Treasurer, Mrs. Lawis Lee; Club Reporter, Mrs. L. D. Ratliff.

Mrs. P. C. Nichols and Mrs. Marvin Vaughn were voted into the club as new members.

A delicious salad course was served by the hostess to the following members: Mesdames W. C. Gruben, Horace Gibson, E. D. Engleman, L. E. Lee, S. H. Twaddell, W. R. Lewis, Hill Perry, C. L. Love, Horton Barrett, L. R. Barrett, L. D. Ratliff and Mrs. J. P. Carson, a guest.

The next meeting will be Thursday, January 31, 1935 at 3 o'clock in the home of Mrs. Sanders with Mrs. Ratliff as hostess. Please let the hostess know if you will not be there. —Reporter.

VISITS IN OUR CITY

Miss Mary Z. Potts, of Archer City, spent last week here visiting her uncle and aunt, Mr. and Mrs. M. A. Lea. She left Saturday for her home. She was accompanied by Mr. and Mrs. Lea who went on to Denton and other points. Miss Catherine Lee Kilgore a granddaughter, went with them to Denton to be with her mother.

Mrs. Kilgore, who used to be in our city, has purchased the Womack Beauty Shoppe in Denton and asks that her many friends here visit her when they are in that city.
Mr. and Mrs. Lea plan to be away about one week.

1917 STUDY CLUB

The 1917 Study Club met with Mrs. W. T. Andrews Tuesday afternoon, January 15, carrying out the lessons in our yearbook, "This Country of Ours." Seventeen members answered roll call by telling something about a Virginia statesman.

The program led by Mrs. W. C. Gruben was a very interesting study. Mrs. M. L. Jones gave the History of Virginia.

Mrs. Ernest Lee introduced a guest speaker for the afternoon, Mr. Harry Turner, from Abilene, who is a graduate of Virginia Military Institute. Mr. Turner very clearly portrayed to the club the Virginia Military Institute as it has been since its founding and as it is today.

Bill Gruben with Mrs. W. T. Andrews at the piano, played a violin solo.

After a short business session the club adjourned to meet January 29 with Mrs. Fred C. Haile. —Reporter.

THE BELL SYSTEM AT A GLANCE

How a nation-wide telephone network is organized

The Bell System is big, but its organization is not complex.

The A. T. & T. is parent company, service and research organization, and financial headquarters of the System. It owns Western Electric, which buys and manufactures for the System at prices about a fourth below the prices of similar equipment in the competitive market. Jointly with Western, it owns Bell Laboratories, where science constantly seeks better and cheaper methods of giving you telephone service.

It owns more than 90 per cent of the voting stock of the 24 associated companies (of which the Southwestern Company is one) and it operates the long distance trunk lines linking the territories of these companies. Its staff carries on for these companies a constant search for more economical ways to give good telephone service.

Each part of the organization exists because the function it performs is essential to the job of giving good telephone service at fair cost to you.

Texas Tech Named Library Depository

WASHINGTON, Jan. 21— (Special) The announcement has been made from the office of George Mahon, Congressman of the 19th District, that Texas Technological College has been named as the Government Depository Library for his District.

After contacting the Government Printing Office, Mr. Mahon found that he was entitled to designate one school in his District to serve as a depository for all Government documents and publications. In answer to a written request that a selection be made, he sent his official choice to the Superintendent of Documents, naming Texas Tech.

Mr. Mahon expressed pleasure at being able to cooperate in aiding the college in this matter.

CEREMONY READ FOR MISS YEARY AND MR. SAULS

Miss Bessie Yeary and W. F. (Bill) Sauls were married in a quite and simple ceremony Monday evening, January 14, at the home of the Methodist pastor, Rev. E. L. Yeats.

The bride is the daughter of B. Yeary of Floydada, however, she has made her home in Spur the last few years. She has been operating a beauty parlor in partnership with Mrs. Uldeen Robinson, and has many friends and patrons who sincerely regret her retirement from business, yet who wish for her greater happiness in her new paths.

The couple went for a short trip to Roswell, Carlsbad and other places in New Mexico.

They will make their home a few miles from Spur where Mr. Sauls is engaged in the stock and farming business.

HONOR GUESTS AT TEXAS CLUB

WASHINGTON, Jan. 21— (Special) Mr. and Mrs. George Mahon, Mr. and Mrs. Maury Maverick, Mr. and Mrs. Charles L. South, and Mr. and Mrs. Nat Patton were honor guests at the first social function sponsored by the Texas Club in Washington this year.

Mr. Mahon was called upon for a brief talk. He expressed his appreciation for the friendliness of the Texas people in Washington, and stated that it was his desire to do his job as well as the able statesmen already in Washington serving his State.

Now Enjoy--- MODERN ELECTRIC COOKERY AND WATER HEATING SERVICE ---At Low Cost!

Hundreds of West Texas women the past year have changed from old-fashioned methods of cooking to a clean, dependable and fast automatic Electric Cookery.

Electric Cookery produces consistently better results. No flames, odors or watching, waiting or pots and pans to scrub because electric cookery is automatic and clean. The beauty part of Electric Cookery is that it is not costlier than less convenient methods.

This beautiful electric water heater gives you dependable, economical service without the disadvantage of flame noise, fumes, soot or odors! This beautiful heater itself is controlled to use electric service when other major appliances are not in use. In this manner water heaters may be served without increased investment and at an extremely low off-peak energy rate.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule ... and adds only a small amount to your total bill?

J. S. JONES DAUGHTER INJURED

Mrs. J. C. Moore received severe injuries in an accident Saturday afternoon while en route to Spur from the home of her father, J. S. Jones, in the Catfish community. It is reported that a truck in which she and her husband and others were riding was stalled in a deep sand bed near Tom McArthur's place. Each one was doing his part in helping push poles under the wheels so that the truck could pull out. Mrs. Moore fell and was caught under a wheel. Her left leg was broken, and she also suffered some hip injuries. She was given medical attention in Nichols Sanitarium in Spur where she will remain for several days. Mr. and Mrs. Moore now make their home in Fluvanna, Scurry County.

Dick Lewis, who is employed in the G. Gabriel Store at Roaring Springs, visited his mother, Mrs. Minnie Lewis, and brothers in Spur Sunday.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum, and expect them to make you suddenly sweet and buoyant and full of sunshine. For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. Skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned. It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, having when it comes to making the bile flow freely. But don't look for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. Get at drug stores. © 1931 C. M. Co.

Bills In Congress Involving 19th Dist.

WASHINGTON, January 21—(Special). The Congress of the United States has been in session for two weeks and 4138 bills have been introduced. These bills have been referred to committees and will be considered there before being given a chance to be brought before the House itself. The first bill to be introduced into the House was one providing for the payment of the Soldiers' Bonus. It is still being considered by the committee. The only one to pass the House of Representatives was an appropriation measure known as the Independent Offices Bill. Some bills that have been introduced which involve the interests of the 19th District particularly might be briefly outlined as follows: 1. A bill providing for the re-establishment of the HOLC. 2. A bill providing for a continuation of farm seed and feed loans. 3. A bill that would give the Western part of the State of Texas a sup-

ply Federal District Judge.

A. W. Moseley of Brady, is visiting his sister, Mrs. S. I. Powell, this week. J. N. Lawson, of Afton, was attending to business matters in our city Saturday.

E. B. Shaw, of Wichita community, was doing some trading in our city Saturday.

DICKENS COUNTY

School Notes

By MADGE D. TWADDELL

SCHOOL IMPROVEMENT

The McAdoo School is getting a new coat of calcimine on the walls of the building. The foot ball field and grounds will also be worked on. The school has an open air gymnasium recently constructed.

The Dickens School—The new and beautiful Dickens School Building is beginning to show up to an advantage now that the school grounds have been cleaned, leveled and drained. In February, shrubbery and trees will be set out.

The Twin Wells School is very beautiful. It has just about everything that a two teacher school needs. Recently, a wind mill and a water system were installed. We have fountains and lavatories in each room.

The Peaceful Hill School is building a new coal house. It has set up saws and swings which the children are enjoying immensely.

The Wichita School is only three years old, but notwithstanding its age, it has a splendid system. It has new cistern houses and has just been granted State Aid to paint the teacherage and both school buildings. Also, it was granted one hundred dollars of aid with which it can and will construct play ground equipment.

Patton Springs—The new consolidated school in the north end of Dickens County presents one of the most interesting spectacles in the county. The large main building is being built well and rapidly. This will be one of the best constructed buildings in this part of Texas. In another part of the large campus, the bus sheds are going up. Across from the main building the superintendent's home is under construction. The vocational agriculture class is supervising the construction of an adobe house for their class. Some decorative masonry is being done at the front of the campus. Much of this work is being done with federal labor.

The Spur Stadium is a marvelous and stupendous thing. It is said to be second in the United States. Only the Rose Bowl in Los Angeles surpasses it.

Other Schools—All of the other schools have yearly accomplishments worthy of mention, which will be described in a later issue.

DICKENS COUNTY SCHOOL INSPECTION COMPLETED

Miss Sue B. Mann, Deputy State Superintendent, who is the supervisor over District No. 3 with headquarters at Abilene, has just completed the inspection of the Dickens County Schools. These duties occupy somewhat the same position that the Aid Inspectors formerly held. They live out in the district by way of keeping in closer contact with the schools, than did their predecessors. It is thought that in this way they can render a very definite service.

Our particular deputy is one of the best qualified and most likeable of the twenty two in the state. She is recommending the county for over

\$33,000.00 of State Aid this year. In addition to that we shall receive about \$10,000.00 in High School Tuition and in other transportation aid not counted in the above grant. Some of the schools, too, will be eligible for Federal Aid.

Miss Mann says that she never heard of such grades as the schools made on Standardization, and never saw such enthusiasm before as our teachers, trustees, pupils, and patrons have. Much hard work has been done in making our schools standard.

Below is listed the schools with their grades:

Duck Creek	100%
Red Mud	97%
Prairie Chapel	95%
Dry Lake	90%
Highway	97 1-2%
Wichita	98%
Peaceful Hill	94 1-2%
Steel Hill	97%
Twin Wells	97 1-2%
Espuela	97%
Wilson Draw	90%

The highest possible grade is 1,000 points. Before these schools receive the certificates, we must wait for examinations which will be given the last part of April.

Miss Mann complimented our schools from most every angle, and thinks we have remarkable teachers, trustees, and patrons. Much of the progressiveness and leadership occupied by Dickens County Schools can be attributed to our wide awake, loyal and enthusiastic citizens.

MUSIC PROGRAM

The schools of the county have Victorrolas, one song book, and uniform sets of records bought by the State of Texas. These records contain one hundred and forty pieces of music. We shall get a few more records later when our Texas songs have been recorded. The State has published a music bulletin which is in the hands of our teachers. Some of the songs are so selected as to be appropriate to primary children, some to intermediate, and others to high school and community singing. These songs are so written as to develop the ability of the children in the use of their voices.

These songs will be sung both with and without the Victrola. The children will memorize the songs. Mental development will come from the memory work connected with the music project.

Each school will have a choir of from 10 to 30 pupils. The larger schools will have a primary and intermediate choir, and the rural schools a mixed choir. From these community choirs a county choir will be selected. This choir will be carried to Abilene in April to sing before a State Convention of Rural School Superintendents and County Superintendents. In 1936, Dr. Woods, the State Superintendent, wants each county to take a choir to Dallas to sing at the Texas Centennial. He hopes to have as many as 50,000 children together, singing the same songs to the same time with uniform enunciations, etc.

This is the first effort the State of Texas has ever made at a music program. Dickens County has done more with the program up to now than the neighboring counties, but it still has much to do.

Each year for four years, we have

given scientific tests to the pupils of the county. We have found from year to year, as the county becomes better organized, that the grades made are higher. If the condition of the pupils can be normal when these examinations are given, they serve as a very accurate barometer of the work done.

This year before our schools achieve their standardization certificates, the pupils in the schools concerned must make grades that measure as average grades in the State. We in District No. 3, which is composed of twelve counties, are going to give our final tests about the last of April. The tests will be uniform examinations given by teachers trained in a school to be held at Aspermont. These key people will be selected in an educational meeting. The purpose of this district training is to assure us that all of them will be administered in exactly the same manner.

Dickens County has been recognized as a leading county in the educational field as in other lines. It is up to us, as patrons, pupils, trustees, teachers, and county school superintendent to see that our standard of school work is so high that we can retain our position of leadership. There is a contest on between us and these other eleven counties. Let us not fail our county. If we are to become as good as we hope to be it is going to take an everlasting and persistent effort on the part of all of us.

Mr. and Mrs. T. F. Collins and Mr. and Mrs. L. L. Adams were week-end visitors in Spur. Mr. Adams is collection supervisor of this district for the Federal Land Bank of Houston, and Mr. Collins is on the loan committee. They have been in this section working and visiting the various farm loan associations during the past week. James B. Reed, secretary-treasurer of the Dickens National Farm Loan Association, stated that he expected Mr. Adams and Mr. Collins to be back here about the middle of next month to look after business matters.

Miss Lida Cooper, Home Demonstration Agent for District Two, was in our county Wednesday night and Thursday morning. Miss Cooper is the immediate supervisor of our home agent, Miss Clara Pratt.

Mr. and Mrs. L. E. Abernathy returned Sunday from a five weeks visit with her sons, W. E. Abernathy in McCamey, and D. S. (Tink) Abernathy in Menard. D. S. Abernathy and family came home with her for a short visit with other relatives and friends here. Among those whom they will visit are his sisters, Mrs. Lawis Lee and Mrs. H. P. Gibson.

Joe Anderson, of Silver City, New Mexico, is here visiting his sister, Mrs. Jerry Ensey, and other relatives.

D. L. Granberry returned Saturday afternoon from a business trip to Austin. He went from Abilene with J. D. Sandefer, President of Simmons University, and Judge W. R. Cammack of Matador.

CLUB NEWS

YARD IMPROVEMENT GOALS TO REACH

Each cooperators in the club should be able to reach the following goals on yard improvement this year: remove all rubbish; repair fences; make a flagstone walk; and name and locate five native shrubs.

These facts were emphasized by Miss Pratt in her talk on yard improvement to the home demonstration club of Steel Hill in the home of Mrs. J. W. Carlisle Tuesday.

Members present were: Mrs. J. B. Carlisle, Mrs. W. M. Hunter, Mrs. H. L. Underwood, Mrs. George Vaughn, Mrs. Forney Morris, Miss Exie Morris, and Mrs. Rex Carlisle. Visitors were Mrs. Carl Patton, Mrs. Roger Lewis, Mrs. M. D. Ivey, and Miss Clara Pratt, home demonstration agent. Our next meeting will be with our wardrobe demonstrator, Mrs. Rex Carlisle, Tuesday, January 22.—Reporter.

PATTON SPRINGS CLUB PLANS WORK

Listing the goals and outlining the year's program was the center of interest in the Patton Springs 4-H club Friday morning. Three cooperators, Clarice Hughes, Opal Sharp, and Iva Lee, are to keep a record of their clothing expenses during the year.

One goal for the year is to learn something of the history of the county and the birds, flowers, shrubs, and trees native to this country. For the next meeting, each member is to write a story on the history of the community or county.

Members present were: Edith and Lizzie Lou Baxter, Willie Galloway, Evelyn and Lillie B. Hamm, Clarice Hughes, Iva Lee, Robertson, Opal Sharp, Ruth Flippen, Hazel Benham, and Ruth Goodwin.—Reporter.

YARD IMPROVEMENT WORK IS STARTED

Yard improvement is one of the major demonstrations to be followed in the home demonstration clubs this year. In the program this month the goals for the cooperators are studied and the planting plan for the demonstrator drawn and her work outlined. The goals for the cooperators have been planned for the next three years so that at the end of that time the cooperators who have reached the goals each year will have as well planned and planted yards as the demonstrators.

Yard improvement includes trees grouped to the side and back as a frame for the house, shrubs set at the base of the house to tie the house to the ground, a smooth unbroken lawn, a clean back yard with beds of flowers and roses and green plantings where needed. The goals for the cooperators this year are to remove all rubbish and repair fences, lay a flagstone walk, learn and locate five native shrubs, and make reports to the demonstrator.

Yard demonstrators for 1935 are Mrs. R. V. Allen, McAdoo; Mrs. E. A. Bailey, Friendship; Mrs. J. W. Carlisle, Steel Hill; Miss Bertha Cooper, Chandler; Mrs. E. S. Crider, Dickens; Mrs. T. C. Dempsey, Croton; Mrs. Tom Gilmore, Twin Wells; Mrs. Floyd Forrest and Mrs. A. Holmberg, Dumont; Mrs. R. L. Griffin, Duck Creek; Mrs. W. A. Harris, Espuela; Mrs. Matt Howell, Red Top; Mrs. Val Smith, Soldier Mound; and Mrs. Floy Watson, Red Hill.

CLUB REPORTERS ARE TRAINED

To make club reports interesting, brief, and accurate were three points emphasized in the meeting of the club reporters Saturday afternoon. "The 'lead' or opening sentence should tell who, what, where, when, and sometimes how and why," Miss Pratt told the group. "The remainder of the first paragraph may give more detailed information. The second paragraph of the report may give any business of the club of interest to those not club members and the last paragraph lists the members and visitors present," she added.

Club reporters then wrote reports of their last club meeting or of a demonstration given by the agent. These reports were read and improved in several instances. Mrs. Clark Forbis, Council Reporter, is chairman of the reporter group which will meet once a month, to file and criticize their work.

Reporters present were: Mrs. J. W. Carlisle, Steel Hill; Mrs. Emmett Higgins, Duck Creek; Miss Daisy Ball, Espuela; Mrs. Matt Howell, Red Top; Mrs. G. Dunwoody, Twin Wells; and Mrs. Sue Patterson, reporter for the Steel Hill Agricultural Association.

S. M. Newberry was the guest of friends in Roby Sunday.

ALLEN P. SMITH PASSES AWAY

Allen P. Smith, 51, died at his home four miles north of Spur at 7:30 o'clock Wednesday evening of last week. Mr. Smith had appeared to feel in better health Wednesday than he had the day before. After eating supper Wednesday evening he assisted his little niece with her school lessons and then went to his room to lie down. Members of the family heard a noise in his room and went to him to find him dying. He never spoke a word to any of them after the attack came over him.

Funeral services were held at the First Baptist Church in Spur at three o'clock Friday afternoon. Dr. M. F. Ewton, the pastor, was in charge. Being an ex-service man he was given a military burial at the cemetery. The active pall bearers were: L. E. Lee, Fred C. Haile, W. M. Bumpus, W. A. Walker, Mack Tidwell and Austin Bell. Mr. Williams acted as funeral director. A large number of people attended the last rites of respect.

Mr. Smith was born at Rockdale in Milan County August 11, 1883. He spent most of his life in that country until the World War started when he enlisted in the cause of his country. He served in the war two years when he returned home and he and his brother, Val Smith, became associated together in business. He has been with this brother ever since he returned from the war.

In 1921, while living at Corsicana, he began working for the Humble Oil Company and spent several years with that company. He was with the Phillips Petroleum Company and the Prairie Oil and Gas Company later. When his brother became ill a few years ago and had to give up his work with the Humble Company, Mr. Smith took his place and was with them until he resigned to move to Spur about four years ago.

He and his brother bought a place just north of Spur four years ago and built a nice home on it. He assisted with his farm work and assisted with the care of his brother who was unable to work on account of illness.

Mr. Smith always held to high ideals of manhood. About six years ago he made a profession of the Christian religion but never affiliated with any church. He was somewhat reserved in his attitude but always was willing to help his fellow man when in need.

He is survived by six brothers and three sisters: John Smith of San Angelo, C. W. Smith, R. S. Smith, and Hicks Smith all of Houston, H. H. Smith of Waco and Val Smith of Spur with whom he lived; Mrs. Emma Mitcham and Miss Bettie Smith of Houston and Mrs. Segars of Mineral Wells.

He was a man who attended to his own affairs, but no one was ever more willing to assist people in need than was Mr. Smith.

Mrs. George Harper, of Loraine, returned home last week after a visit here with her brother and daughter, John King and Mrs. Willis King.

Miss Lillian Bond of Abilene, is here for a few weeks visit with her sister, Mrs. Bill McDaniel.

Mrs. P. H. Miller is in Dallas to be with her brother-in-law, Henry Rich, who is suffering with an eye trouble. The report is that he may lose his sight.

R. L. Tolbert and W. H. Foley attended the annual Safeway employees banquet at the Wooten Hotel in Abilene Sunday evening at 7:00 o'clock. There were about one hundred and fifty employees from various towns present. Music was contributed by the Abilene High School Orchestra and a college quartet.
