

Good Interest Displayed in School Work

Young People Leave For College

There are a number of young people, graduates of Spur High School, who will leave within a few days for various colleges to continue their work of acquiring an education. Among these are: Sylvan Golding, who will leave next Tuesday for Austin to enter the University of Texas; Joe Gilbert, who will leave next Wednesday for Abilene to enter McMurry College; Bill Putman, Jr., who leaves Tuesday for Terrell where he will continue his work in the Texas Military College; Jane Godfrey will return to Denton September 20 to continue her work in the Texas State College for Women (CIA); James Henry Cowan is leaving Tuesday for Lubbock to continue his work in the Texas Technological College; Doris Arthur is leaving next Wednesday for Abilene to resume her work in A. C. C.; Isabelle Campbell will leave Friday for Georgetown to matriculate in the Southwestern University; Bill Caraway will enter the Texas Military College September 14; Clinton Barrett will return to A. & M. College, September 20; Helen Hsieh is leaving today for Fort Worth to enter T. C. U.; Marjorie Burrow, Gladys Robinson and Mary Louise Lisenby will leave Monday to matriculate in the Texas Technological College; Dot Taylor leaves Sunday for Abilene to enter A. C. C. Maurine and Lorene McArthur will resume work at the Texas Technological College at the beginning of the second semester.

There probably a number of others young people in the community who will enter college soon and whose names we have not secured.

Will Open New Variety Store Soon

T. E. Milam, of Slaton, has secured a lease on the O'Reilly building and is having it put in condition to open a new variety store here soon. The new business will be known Milam's 5-Cent to 1-Dollar Store. Mr. Milam is in Dallas at this time buying a stock of new merchandise. Just how early the store will be opened to the public is not known, but probably around October 1.

NEW ELECTROLUX OPENS HERE

C. H. Ellis has opened a new Electrolux Store in our city. It is located in the Luce Building just south of Riter Hardware Company and the stock of merchandise was placed in the building Tuesday. Mr. Ellis is installing the Farm Gas Systems in various homes, sells gas stoves and electrolux refrigerators which are operated by the gas systems he sells.

Harold Cole will be associated with the Spur store and will be glad to have his friends call on him for demonstration of any merchandise in stock.

BRANUM-IVEY CEREMONY READ SATURDAY

Jack Branum and Miss Evelyn Ivey were married in Rotan at eight o'clock Saturday morning. The ceremony was read by Rev. D. G. Reid, of Roby, at the home of the bride's father. A few friends were witnesses.

Mr. Branum is a graduate of the Dublin High School and has been working for a geophysical company for some time. The bride is the daughter of M. D. Ivey, a citizen of Spur many years. She graduated from Spur High school with the Class of 1936. She had been working for the local office of the Southwestern Bell Telephone Company until a few days ago when she resigned and went with her father to Rotan.

Miss Winifred Bell and C. W. Barrett, of Spur, were guests at the wedding ceremony. A number of friends from Abilene were present.

Enrollment in Spur Schools Now Well Above 700

The Spur schools are starting off with more interest and enthusiasm this year than has been recognized in many years. Before the opening day there had been more than 250 pupils enrolled in High School and Monday was spent in class work all day for the first time such a thing has happened on the opening day of Spur High School. The enrollment in the various schools is as follows: East Ward, 269; Grammar School, 181; High School, 315; making a total of 765 at the close of school Wednesday.

Mr. Fielder reports that a good interest is starting off in the Spur rolled for band work and Mr. Field-school band this year. 35 have entered and there will be that many more enroll in plenty of time to get in good work.

Baptist Church Calls Rev. Joyner

After the Sunday School hour last Sunday the Baptist Church congregation held a prayer meeting service and then went into conference. As it was the closing of the church year reports of the work was read and approved.

Under the heading of new business the church decided to vote on the call of a pastor. There were names of nine ministers placed before the church. In the first ballot, Rev. R. Joyner, of Merkel, received two of every three votes cast. A motion was then made to extend to Rev. Joyner the unanimous call of the church as a pastor and he was accorded a full vote.

Word received from Rev. Joyner this week stated that he is in a revival meeting until next Sunday. After then he will be in Spur to talk the matter over with the church board. It is the hope of the church that he will accept the call as people feel he is the man needed here.

HAS ALL OF CHILDREN HOME

Mr. and Mrs. T. C. Ensey, west of town, had the pleasure of the presence of their whole family at home Sunday for a family reunion. Children who visited Mr. and Mrs. Ensey were: Mr. and Mrs. Ware Higginbotham and daughter, Solynda, of Fort Worth; Mr. and Mrs. A. D. Ensey and daughter, Monnie Ann, of Hamlin; Mr. and Mrs. Cotton Ensey of Los Angeles, California and a friend Weldon Higginbotham of Mineral Wells.

The family enjoyed a very happy day together.

ANNOUNCE THEIR MARRIAGE

Announcement was made this week of the marriage of Melvin Ensey and Miss Lavada McClung which occurred in Pecos July 8. They kept the affair a secret for reasons they did not explain, and most of their friends feel they did it just for a good joke.

These young people come of good families in our community. Mr. Ensey is a son of Mr. and Mrs. J. J. Ensey and is a young man with lots of friends in this community. The bride is the only daughter of Mr. and Mrs. Bill McClung and has spent many years in our community where she has a great number of friends. Both of them are graduates of the Spur High School.

Mr. and Mrs. Ensey will make their home in Fort Worth where he has a position with a large shoe concern as a salesman. Their many friends join in wishing them great success and happiness.

Dee Hargrove recently leased the Crouch Milling Plant and is ready to give you the best of service.

Mr. Hargrove also handles concentrate for making your own mashes and dairy feed.

Demonstration Club Sponsors Social

The Dickens County Home Demonstration Council is again sponsoring a social and educational event for all Home Demonstration club women and their friends and neighbors. This time it is a tea, featuring educational displays on various phases of the quick bread demonstration, to be held Saturday, September 18, from two to five o'clock in the building recently occupied by the Kinney Funeral Home. Each club in the County is responsible for getting up an exhibit or display showing the use of quick breads in different menus, the equipment needed for quick bread cookery, and the nutritional value of quick breads. The committees in charge of these club exhibits will have them completed by one o'clock of the date set.

The hostesses to serve tea are: Mrs. R. C. Alexander, Prairie Chapel; Mrs. Murray Lea, Dickens; and Mrs. Foster Jones, Soldier Mound. 4-H club girls will assist. Mrs. Fred Arrington, Dickens and Mrs. Floyd Barnett, chairman of the Council, will supervise the arrangements of the exhibits.

This tea is a part of the Expansion work of the Home Demonstration clubs in the county, and the Council urges all women who did not attend the demonstrations on quick breads to come to the tea. All business men and women of Spur are cordially invited to come any time during the afternoon.

South Plains Fair Opens September 27

With only two weeks left before the gala opening of the 24th Annual Panhandle South Plains Fair at Lubbock, September 27 to October 2, work crews are swarming over the fair grounds whipping things into ship-shape order.

Fair officials report a marked interest being shown in every department, including those new departments added this year. A flood of requests have been pouring in for the new premium catalogue, which is already in the mails, several being sent to county agents and home demonstration agents throughout the Panhandle and South Plains country.

One of the big features of this year's fair is the six-day race meet. Following the posting of over \$3,000 in purses, entries from race horse men throughout the state have been received at the Association's office. C. H. McMillan, well known race starter, will be at the barrier this season. Masoning, of Amaillo, will officiate as presiding steward. Every indication points to the most successful race meet ever to be held in this section of the state, a number of outstanding racing thoroughbreds participating.

A Million Dollar Midway, featuring the T. J. Tidwell shows, one of the largest carnivals to invade West Texas, will greet the visitors. Plenty of free attractions in addition to the racing programs have been added this year. Fireworks, band concerts, vaudeville acts and other spectacular displays, will make this year's exposition one of the best.

"TUTT" BRITIAN UNDERGOES OPERATION

"Tutt" Britian, son of J. B. Britian of our city, underwent an operation at a hospital at Concho Dam, New Mexico, the last of the week. The trouble was appendicitis. Mr. Britian was employed at the theater at Concho Dam.

Mrs. Loren Harkey and Mrs. Uldeen Robinson and little son, who had been visiting relatives and friends here a few days, left Tuesday for their home in Santa Monica, Calif. Mrs. Harkey drove a new Ford V-8 back which she purchased from Godfrey & Smart.

Ginning Report

Cotton prices seemed to be down a little Wednesday. It was selling around \$8.35 Middling basis, and varied according to grade and staple. Seed was bringing \$18.00 per ton.

The six gins reported 226 bales ginned up to six o'clock Wednesday afternoon. The rains the past few days has kept the pickers out of the fields, and not much cotton has been brought in. Gins are turning out good samples.

Mrs. Albert Jordan Dies Wednesday

Mrs. Albert Jordan died at the home of her daughter, Mrs. Ab McClanahan on West Harris Street, just after five o'clock Wednesday morning. Funeral services will be held today about three o'clock at the First Baptist Church in Spur. Rev. J. V. Bilberry, will conduct the services. Interment will follow in Spur Cemetery with Campbell's Mortuary in charge of arrangements.

Mrs. Jordan had been an invalid many years. For several months she has been with her daughter here in town in order to have advantage of more prompt medical attention. Her home was in Steel Hill community.

Her maiden name was Miss Ola Turnbow, and she was born in Erath County, April 1, 1888. She and Mr. Jordan were married January 8, 1908 in Erath County. In 1910 they moved to Dickens County and established a home on their farm in Steel Hill community, where they have lived since.

Mrs. Jordan was a member of the Baptist Church and had lived faithfully to her convictions the past 25 years. All her neighbors stated that she was a real friend in need and was willing to lend assistance to everybody.

She is survived by her husband, five children as follows: Marion Jordan, George Jordan, Mrs. Evelyn Marshall all of Steel Hill; Mrs. Ab McClanahan and Mrs. Nadine Hobson of Spur; one brother, Carl Turnbow of Dublin; four sisters: Mrs. Billie Fox of Carlton, Mrs. Milton Fox of Dublin, Mrs. Emma Loden and Mrs. Evelyn Matthews of Fort Worth and Mrs. Lillie Jordan of Childress.

WATERMELON FEAST

Mrs. W. D. Starcher entertained Tuesday evening with a watermelon feast complimenting Sylvan Golding. As the guests arrived, they viewed the lovely gifts which had been presented to Mr. and Mrs. William C. Starcher the evening before; then, they were received by Sylvan Golding and Mr. and Mrs. William C. Starcher, and ushered to the back lawn, which was very effectively lighted. Here games of forty two, dominoes and bridge were played until the hour of ten when iced watermelon was served to the guests. Those present to enjoy the occasion were: Mae Barnette Johnson, Miriam Reed, Lillian Grace Dickson, Joe Gilbert, Sylvan Golding, Doris Neaves, Joyce McCully, La Nell Fallis, Mary Marsh, Jerry Lee Willard, Alton Barker, Bill Putman, Carl Arthur, Johnny Nichols, Norton Barrett, Nell Arthur, Jane Godfrey, James Henry Cowan, Maurine McArthur, Lorene McArthur, Doris Arthur Isabelle Campbell, Clinton Barrett.

YOUNG COUPLE MARRIED HERE SATURDAY

A quiet wedding occurred in Spur Saturday, September 4, the contracting parties being Floyd Smith of Dickens and Miss Geneva Shackelford. Rev. O. M. Fortenberry, of the Assembly of God Church, read the marital rites in the presence of a few friends.

These young people are of two very fine families and their many friends extend them wishes for a delightful journey through life together.

Oil Test Drills Steadily Toward Pay

The Litchfield No. 1 on the W. A. Harris place continues with progress at around 1600 feet. The main drill was pulled out and the well is being cored all the way now, Litchfield in charge seem to think best that the coring operation be used all the time now and they are not saying why.

Some very hard formations are being drilled, also some formation showing saturation. Litchfield in charge of this well is not in any hurry and seems to be sure of results.

The Cluck well, based on Litchfield well showings, is located about nine miles to the Southwest.

It is rumored that at least two more wells are to be started in this area soon.

The Cluck No. 1 on the Bird Ranch twelve miles west of Spur was spudded in last week and is now ready for the surface pipe. It is thought the surface pipe will arrive today probably in time to be placed in the well. Some delay has been caused on this well because they were ready for the surface pipe before the supply company could get it here. Drilling will be resumed probably Friday and it will be rushed to completion.

New Health Units Set Up By State

September 1 was a red letter day for Texans who value their health, that day marked the opening of the six district health units appropriated for by the Forty-fifth Legislature.

"The paramount purpose of the State Health Department is to control communicable disease," states Dr. Geo. W. Cox. "Quite naturally the closer the contact to the areas affected, the quicker the services rendered and the more adequate the health protection."

"By the creation and maintenance of these new health districts we hope to standardize health procedures throughout the state, thus strengthening the health administration already in effect and extending into rural areas health protection hitherto lacking because of insufficient personnel," Dr. Cox announced.

The area of Texas made imperative the adoption of this plan dividing the state into six miniature health departments. Districting of the state, modeled on that already effected by the Highway Department and the State Department of Education, will result in better sanitary conditions in the schools, dairies, recreation centers, swimming pools, tourist inn, and the homes of Texas; better supervision and enforcement of state health laws; adequate teaching of health in the public schools; development of a well balanced program on maternal and child health, with every child immunized against all diseases for which an artificial immunity has been provided.

District headquarters are located at Floydada, Mineral Wells, Kaufman, Bryan, Kingsville and San Angelo.

Each district headquarters office has a personnel of medical director, two nurses, sanitary engineer, two sanitarians, food inspector, and clerical help, all fully trained in public health technique and devoting their full time to protecting the health of their citizenship.

CALLED TO BE WITH THEIR FATHER

Clarence Lane and Mrs. Henry Bilberry were called to Brownfield Friday to be with their father who was in a very painful condition. The father, W. J. Lane, was in an automobile accident week before last and suffered a broken limb which was so badly crushed that it had to be amputated.

Mr. Lane is a former citizen of Jayton, and last reports stated his condition to be slightly improved.

All Spur Schools Begin New Term Monday Morning

The 1937-38 session of Spur schools started Monday with great interest on the part of the teachers, students and patrons. Opening exercises were held at 8:30 o'clock at the Grammar School and the East Ward school. Enrollment and assignment of books followed. Enrollment at the High School was conducted Thursday and Friday of last week and Monday all students went to the study hall and started regular work. A program was rendered at the High School chapel hou, at 11:30 o'clock at which time all announcements were made.

At The Ward School

Principal S. L. Benefield was in charge of the exercises which started at 8:30 o'clock. A song led by Mrs. Wadzeck was sung by the student body with Mrs. Patton at the piano. Rev. Fred Cairns gave the invocation. Mr. Allen, of the Allen Auto Supply Company, made a very fine talk to the students, giving his experiences as a school boy and telling of the many things that can happen to a boy or a girl during school days. Mr. Benefield made the announcements in regard to the work. Supt. Thomas was supposed to have done this, but was detained in other work and did not arrive in time.

The school auditorium was practically filled with students and patrons, and it was surprising to see the number of new students in the school this year. The various grades marched to their respective rooms beginning with the first grade students. The teachers then took charge and the work of enrollment and assignment of books was begun. The following is the names of the

New Furniture Store Opened

S. C. Fallis opened a store of new and used furniture in the Dunn building where the Safeway store has been the past several years. Mr. Fallis started business Saturday and stated he had a very good day for his opening.

He plans to have this mattress factory in operation within a few days and will make new mattresses and make over old mattresses.

ASSEMBLY OF GOD CHURCH REVIVAL

A revival meeting will begin at the Assembly of God Church Sunday, September 12. Evangelist D. E. McGinn needs no introduction in this section, as a minister, he comes highly favored among the people. Plan to come out and enjoy yourself in these services; special singing each evening. Services begin each evening promptly at 8 o'clock. Come and bring your friends.—James C. Nelson, Pastor.

AFTON METHODIST CHURCH

The regular preaching services will be held at both the morning and evening hours, September 12.

The Young People's Department of the Roaring Springs Methodist Church will render a program just before the evening service. All young people are cordially invited to attend.—Eugene L. Nagle, Pastor.

Mr. and Mrs. Will Walker, of Kermit, are in Spur community visiting relatives and friends this week.

Mr. and Mrs. Cleve (Cotton) Ensey, Jr., and Mr. and Mrs. Willard Harkey, who have been visiting relatives and friends in our community the past ten days, left Tuesday for their homes in Los Angeles.

William Hilley, of Abilene, has accepted a position as bookkeeper at the Consumers Fuel Association. He is a brother to Mrs. Wetzel of our city, and has a fine record as a bookkeeper.

Claudette Colbert, star of "I Met Him in Paris," which is playing at the Palace, Preview Saturday Night, Sunday and Monday, is reunited with two past "suits" in the film: Melvyn Douglas, who played with her in "She Married Her Boss," and Robert Young, of "The Bride Comes Home."

"RAMBLERS" ADD HUMOR TO MUSIC IN NEW WESTERN

Swing your partners, one, two." The Tennessee Ramblers, past masters in hill-billy melody making grew up to the rhythm of the square dance.

Only one of them hails from Tennessee, but they're all as Southern as corn pone. They may be seen locally when Gene Autry's newest Republic western, "Yodelin' Kid From Pine Ridge," playing at the Palace Saturday.

Dick Hartman, the lone Tennessean is from Hartman Junction. He was singing over the air waves as early as 1922 and is now one of RCA Victor's popular songsters.

W. J. Blair hails from Martinsville West Virginia, where clan spirit runs high. He grew up during one of the most widely publicized feuds in Southern history.

Elmer Warren is from Mt. Airy, North Carolina, and another North Carolinian is Curly Campbell who worked in the tobacco fields and wrote a song called "My Little Hut in Caroline."

Happy Morris comes from Carroll County, Georgia. He hoed corn, ran an elevator and eventually turned to music as a career.

Pappy Wolf—known by his family as Kenneth L. Wolfe, was born in the Blue Ridge of Leachburg, Virginia. He boasts that he was able to call square dances at the tender age of seven.

With the Southland well represented in this delegation, Gene Autry has plenty of atmosphere for his backwoods role.

Betty Bronson is cast in the feminine lead opposite the melodious cowboy star, with Smiley Burnette, LeRoy Mason, Charles Middleton and Russell Simpson in the prominent supporting roles. The cast is rounded out with such seasoned cowboys as Jack Dougherty, Guy Wilkerson, Frankie Marvin and Henry Hall.

Miss Hazel Moore Active Demonstrator

Once a demonstrator, always a demonstrator, could well be said of Miss Hazel Moore of the McAdoo community in Dickens County, whose varied activities in 4-H and home demonstration clubs have led her to her first year in college as a Home Economics major.

Miss Moore is now sponsor of the McAdoo 4-H club and Farm Food Supply demonstrator of the Friendship Home Demonstration Club. As sponsor, Miss Moore accomplished all the cooperator's goals right along with the girls, and this year set out 20 berries, 150 strawberries, 24 grape cuttings and a number of peach and cherry trees. Last year the McAdoo Farm Fruit Plot demonstrator from the same club won first place in the county. Miss Moore may be congratulated on her excellent help in leading the girls to such accomplishment.

In the Home Demonstration Club, Miss Moore has worked to complete her food budget as nearly as possible before she leaves for college. From her spring and summer garden and orchard, she has canned 264 quarts of vegetables, fruits, pickles, relishes, jelly and preserves and has stored a bushel of onions and 1 bushel of popcorn. Her fall garden has already been planted in order that she might complete her budget of green and leafy vegetables and to-

matoes. Miss Moore began improvements on her cellar in 1936; it is cement lined, has adequate shelf space, and the shelves are labeled. For the past three years, Miss Moore and her mother have been co-operators in the Yard Demonstration being conducted in the County. Through their landscaping and improving, their yard has been brought to a demonstration status, and is now one of the most attractive yards in the McAdoo community.

At the County Clothing Fair in July of this year, Miss Moore won first place and a trip to Short Course for having the most attractive dress candlewick bedspread and pillowcases. Since Short Course was cancelled, the money allotted to her for the trip will be applied to a home project related to the demonstrations conducted in the county.

Miss Moore began her career in club work as a 4-H girl in Arkansas, where she won honors in her Clothing and Poultry projects. Her many accomplishments in club work will greatly aid her in the college course she has chosen, and all her many friends wish her continued success.

WARNING

to new users of Phillips 66 Poly Gas

Watch your speedometer the first time you try a tankful of the new Phillips 66 Poly Gas.

This different gasoline delivers such a rush of fast, smooth, sweet power... that first thing you know... you're over-stepping the legal limit without realizing it.

So go easy on the accelerator. But note the lively, flexible response. See how easily you slip through city traffic without babying the clutch. Feel your car sprint when you give it the gas on country concrete.

The extra power comes from the extra energy units added to every gallon by the patented POLYmerization process. In addition, this improved performance is protected against climatic changes because Phillips 66 Poly Gas is 100% custom-tailored.

It is a scientific fact that no other gasoline—not a single one—is so accurately matched to the month-to-month changes in your weather!

September, December, April, or June; every day in the year Phillips 66 Poly Gas is matched to the climate at the very place in which you are driving.

Remember, if you are interested in buying more miles of driving pleasure at rock-bottom cost, you have an appointment at the Orange and Black 66 Shield. Drive in... fill up... pay no more than the price of ordinary motor fuel—and then just feel that difference.

Membership Drive in Music Association Is Now Being Conducted

The South Plains Civic Music Association will hold its annual membership campaign this week, August 30 to September 4, and are maintaining headquarters in Room 301, Hilton Hotel, Lubbock.

Civic music, during its first season last year, was successful in bringing three outstanding artists to this area. Benno Rabinof, violinist; Attilio Baggiore, tenor; and the Vienna Choir Boys. This year a minimum of three concerts will be offered. A talent committee appointed by the president of the association, Rev. W. R. Vivrett, will select the numbers to be offered.

Different Program For Farm Relief Offered By Visitor

W. W. Power, of Lamesa, was in Spur the first of last week presenting a new plan, or rather some new ideas relative to the farm program for the future.

He had in his possession some copies of a resolution bearing on the matter and said that the resolution would be a good plan or something similar to it.

In speaking of the matter Mr. Power said, "Something should be done. I do not know how to fix it, but our Congress should be able to work out the situation. There can be many plans offered, but there should be one that will save the little farmer under present conditions."

His idea is to stop speculative farming. He said that any farmer should have what land he and his family could conveniently cultivate, and what they have more than that amount should be either leased, rented or sold to some one else who needs to farm.

He related that in many instances moneyed people with large acreage would take the reduction and receive the parity money and then buy more land and pay it out. He stated that such a plan would soon absorb the small farmers and before long the entire country would be controlled by a few people.

It is his idea that the large farmer—the man who is trying to cultivate thousands of acres by employing a few people and using big farm machinery should be restricted and be required to cultivate the land that he and his immediate family can handle.

Then the remainder should be either sold or rented to other farmers who have no lands to cultivate. He stated that just a few years ago many renter farmers were making a good living on the farm and today they are having to be cared for by the government.

He stated that if the plan goes on that the government would never be able to get people off the dole.

His object in visiting various counties in Texas is to get the people to organize and express themselves get an understanding of the situation and then ask their congressmen to do something about the matter. He stated that every in-

dustry in the county would be greatly helped and benefitted if these now on relief could be placed on farms and make their own support. He said that every business man in the country and 90 per cent of the farmers will be injured unless something is done about this matter.

In making his remarks he said it is not the intention to keep a business man in town from owning land. However, he said the business man should lease that farm to a farmer and let him take care of it. He said that people who have to be supported by the government do not buy much from the business man, but if those people were given an opportunity to earn a living on the farm that they would become the good customers of the business man.

He stated further that the best thing the government could do is to stop payment of parity for idle land. He stated many people farming big acreage is using that parity money to pay out their lands while the little farmer does not get enough to be of benefit to him.

Rogers Memorial Dedicated Sept. 6 At Colorado Springs

Dedication of the Will Rogers Shrine of the Sun to the everlasting memory of Will Rogers took place at 11 a. m. (MST) Monday, Sept. 6 on Cheyenne mountain near Colorado Springs. The feudal castle spire of native granite pierces the heavens high upon the backbone of America where the celestial spirit of Will Rogers reaches the humility of mankind in the sanctuary conceived and built by Spencer Penrose, Colorado Springs sportsman.

As the chimes and vibrasharp in the "singing tower" of the shrine played "Empty Saddle," a saddled, but rideless horse led a procession of statesmen, actors, aviators, cowboys, Indians and other friends up the switchback road on the face of Cheyenne mountain. When the procession approached the tower at the "end of the trail," the Men of the West, NBC cowboy quartet, sang "Old Faithful," the favorite of Will Rogers and the song that was rendered at his funeral.

U. S. Senator Ed C. Johnson of Colorado introduced Thurston J.

Davies, president of Colorado College, whose brief eulogy dedicated the shrine.

With the singing tower accompaniment, the cowboy quartet sang "Home on the Range" as the magnificent oversize bust of Will Rogers was unveiled on its granite pedestal outside the memorial. With a smile twitching at his lips, and his hair partly over his right eye, Will Rogers looks off to the southwest—across the plains that roll off into his native Oklahoma. This unveiling privilege went to three of Mr. Rogers' kin; former senator W. M. Gulagher of Muskogee, a cousin; Gunter Lane, Okmulgee, nephew who looks almost exactly like Will Rogers, and Mrs. Lasca Luckett, niece who has been hostess at the shrine this summer.

Christening of the memorial was by Fred Lookout, son of Chief Lookout of the Osage tribe in Oklahoma. The Lookouts were close friends of Mr. Rogers, who was proud of the Indian blood in his veins.

Thrilling climax to the solemn occasion came as the famous Cowboy band of Abilene, Texas, played, "The Star-Spangled Banner." As the crowds stood in the mid-day sun a squadron of airplanes circling above dipped to the shrine and dropped flowers—tribute from Rogers' friends of the sky.

Cowboys of the world had their own manner of memorializing Mr. Rogers, as did the Indians. They gathered Sept. 4, 5 and 6 for a big three day reunion and rodeo such as Will Rogers enjoyed so much in his lifetime. The Will Rogers Memorial Rodeo was held on the Broadmoor hotel polo grounds just below the shrine. The rodeo contest was held the three afternoons. There was a mammoth parade Saturday morning; big cowboy ball at the Broadmoor hotel Saturday night and Indian ceremonials Sunday night in the Broadmoor hotel riding academy.

Government Has Made 9c Loan On Quality Cotton

Announcement was made recently by the Commodity Credit Corporation that the government would make loans of nine cents per pound on cotton of 7-8 inch staple, middling basis, and a three cent subsidy to be paid to farmers next year with the provision that farmers enjoying the subsidy right would sign up for next years cotton control program. The subsidy will be paid only on 65 per cent of this years basic acreage, and will be paid next year after the cotton growers have complied with the cotton control program.

Loans, the Commodity Credit Corporation said, will be 9 cents a pound on cotton classing 7-8-inch middling cotton, or better; 8 cents on 13-16 inch staple and middling or better in grade; 7 3-4 cents on 7-8 inch staple of less than middling grade.

No loan, the corporation said, will be made on 7-8 inch cotton or better which is of a grade not deliverable on contract under regulations of the New York and New Orleans cotton exchanges. No loan will be made on 13-16 inch cotton under middling grade.

The loans will bear interest at the rate of 4 per cent and will mature on July 31, 1938. To be eligible for loans, cotton must be stored in warehouse as soon as the necessary arrangements can be completed, but not later than Sept. 15.

A condition of each loan is that the producer-borrower must agree to participate in and comply with the 1938 adjustment program.

The RFC has authorized a loan of \$150,000,000 to the corporation for the cotton loan program.

Result of Agreement The action was the result of a hurried agreement during the late days of Congress between the White House and Senate and House leaders. This provided that presidential approval for the cotton loan program would be followed by action on crop control legislation when Congress reconvenes either in special, or regular session.

Congress in the closing days of the last session authorized the Secretary of Agriculture to use up to \$130,000,000 for a cotton price adjustment payment program on the 1937 crop.

Upon proof of compliance with the yet-to-be-enacted 1938 agricultural program cotton producers who sell prior to July 1, 1938, will be paid the difference between 12 cents a

pound and the average price of 7-8 inch middling on the 10 spot markets on the day of sale. In no event, however, will the subsidy exceed three cents a pound.

Subsidy payments will be made on 65 per cent of a grower's base production.

It was explained, however, that if subsidy payments on the 65 per cent basis do not use up the entire \$130,000,000 fund, the base will be raised to a higher percentage and additional payments made on the basis of the new figure.

The amount of the individual payments will depend upon the level of the cotton prices at the time the producer sells.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Dickens County—Greeting:

You are hereby commanded to summon J. M. Burkhill by making publication of this citation once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the County Court of Dickens County, to be held at the court house thereof in Dickens, on the 18th day of October A. D. 1937, same being the third Monday of said month of October, then and there to answer a petition filed in said Court on the 29th day of October, A. D. 1936, in a suit, numbered on the Docket of said Court No. 598, wherein J. M. Parkhill is defendant and Herman Earnest is plaintiff, said petition alleging:

That defendant, J. M. Parkhill did on the 4th day of February, A. D.

1935, execute and deliver his promissory note to Herman Earnest, plaintiff, in the principal sum of \$200.00, bearing interest from date at the rate of 8 per cent per annum, and due and payable on the thirteenth month after date, and providing that if said note and interest is not paid when due, then an additional amount of ten per cent on the principal and interest then owing shall be collected as attorneys fees, if placed in the hands of an attorney for collection.

That said note, principal and interest is now due and unpaid, to plaintiff's damage in the sum of his principal, interest and attorney's fees.

Herein fail not, but have you before said Court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Nobody's Business

By JULIAN CAPERS JR.

Austin.—On the eve of two or more special sessions of the 45th legislature, called primarily to raise more tax money, there is accumulating evidence thruout Texas that with the passing of the depression emergency, the people of Texas are inclining strongly toward a return to sanity in government. Legislators have been home, and talked with the home folks. They have been reading the home newspapers. An able senate committee, with Holbrook of Galveston, Collie of England, and Stone of Brenham has been doing a yeoman service in digging into governmental waste and extravagance, and will have some pertinent recommendations to make to the legislature. Several special groups, including the All-South Development council, have been urging a taxation "breathing spell" so that business may resume activity, and new industrial enterprises be attracted to Texas.

Col. Ernest O. Thompson, a leading candidate for governor next year, has sounded a bold note by declaring that no new taxes are needed, and claiming that a little encouragement to new industry will develop business, and thus yield more revenue from existing imposts, than the strangling process of hiking existing taxes or thinking up new ones to drive business away.

Committee Is Convinced

The senate investigating committee has found some surprising things about appropriations for the departments, in a hurried inquiry. Apparently, many members of the legislature, voting for the biennial appropriation bills during the final rush of the regular session, did not even know what was in the bills. Departmental expenditures were hiked as much as 200 and 300 per cent over previous years. Some departments even got more money than they asked for. Salary adjustments were highly inequitable, ranging from 5 to 60 per cent in some cases. The committee will recommend some revision of these extravagant appropriations, but is not altogether hopeful of getting favorable action.

"I have found out enough to know that I am not going to vote for any new taxes. We can largely wipe out the deficit by cutting expenses and by diligent effort in collecting delinquent taxes," said Sen. Stone. He cited one department whose expense jumped from \$5,000 to \$70,000 since 1930, without any additional duties imposed on it by statute. The committee found that another department's expense had upped from \$250,000 to a million; and that costs of collection special taxes ranges all the way from 2 per cent to 17 per cent.

"There isn't any doubt that the cost of government can and should be reduced. It may never be possible to reduce the present cost, but we certainly don't want it to grow," remarked Holbrook.

In this connection, there is a strong movement under way to postpone passage of enabling acts to put into effect the constitutional amendments adopted last week for state aid dependent children and needy blind persons until the next regular session.

Spur Bulldogs to Play Snyder Team On September 10

The Spur Bulldogs will open the football season in a pre-conference game with Snyder Friday night. The game will be played on Snyder's field and will be called at eight o'clock. Coach Wadzeck has been putting his men through some very effective work this week in order to whip them into shape for the game.

Snyder has a good team with 12 lettermen in the line-up this year. Every man on Snyder's team that will start the game has had at least one year in playing experience, and last year Snyder was runner-up in the district conference and was proven to have an ineligible man.

Spur has a number of first year men on the team but all the boys have been in scrimmages enough to know how to take it, and to also stage a good aggressive attitude. The weight of the two teams does not vary much, and this is expected to be one of the hottest contested games during the pre-conference season.

Snyder's line-up for starting is as follows:

Pos.	Player	Wt.	Exper.
L. end	Aitrey	150	1 yr.
L. tackle	Woolever	185	1 yr.
L. Guard	N. Mebane	158	1 yr.
Center	C. Hargrove	145	1 yr.
R. Guard	J. Rogers	160	1 yr.
R. tackle	Scarborough	180	1 yr.
Fullback	Tate	185	3 yrs.
L. Half	Smith	155	1 yr.
R. Half	Head	160	2 yrs.
Q. Back	Strayhorn	160	1 yr.

The position of right end had not been selected Monday, but that position will be played by one or more of four men: Baze, Sorrells, T. Mebane and Baugh. The team average is around 160 pounds.

Spur Bulldogs have a good line-up and they are a good, husky bunch of gridsters. They have been in training several days and are in fine condition for this game. The full line up is as follows:

Pos.	Player	Wt.	Exper.
Center	Bumpus	150	2 yrs.
Center	Smart	145	None

It is the hope of Coach Wadeck and the football squad that a number of the fans of Spur will accompany them to Snyder and boost from the sideline for them. The spirit of the pep squad and boosters has much to do with the way the boys will get into the game.

Sanitarium News

Mrs. Faye Smith, of Afton, entered the sanitarium Wednesday as a medical patient and seems to be improving.

Mrs. S. P. Moseley, of Espuela, who underwent an operation two weeks ago, seems to be improving nicely.

Mrs. W. D. Robinson, of Highway, entered the sanitarium Thursday, as the result of a fracture of the left shoulder. She is getting along nicely.

Bill Schooler, of Pitchfork Ranch, was brought to the sanitarium Tuesday to be treated for a rattle snake bite. He was working with some feed and the snake bit him on the forearm. He is doing fine.

Mr. and Mrs. Tom Martin are the proud parents of a girl baby born at the sanitarium Wednesday morning. Mother and daughter are getting along nicely.

Mr. and Mrs. Ollie Hindman, of Soldier Mound, have a new boy baby born at the sanitarium Wednesday about seven p. m. Mother and son seem to be doing fine.

Joaquin Ocasas, of Lower Red Mud, is in the sanitarium as the result of a broken collar bone. He was working with a fresno and was hit with a bar. He is doing nicely.

Mrs. Pete Gannon, city, who underwent an operation ten days ago, was able to return home Wednesday.

Miss Billie Brown, city, underwent a tonsillectomy Sunday and was able to return home Wednesday, feeling fine.

Lawrence Purcell, city, was in the sanitarium the last of the week as a result of burns. He had improved until he could return home Sunday.

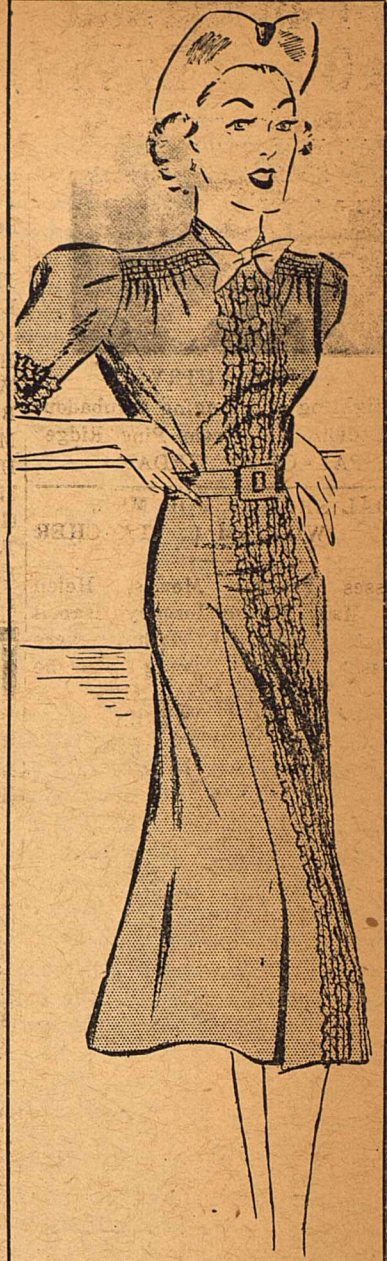

THE METHODIST CHURCH

This has been a very busy summer with many of our people, so many things to do, and so many places to go, that we have not had time to attend Sunday School and preaching, and it has been so hot that one could not stand to be in side on Sunday. I hope that you have had a good time this summer on your vacation. Now that Fall of the year is here, school has opened, gins are humming, cotton is coming, business is on the run, people are smiling, Church bells are ringing, don't you hear them?

Now let's fold up the old vacation suit case with all the old excuses why we have not been in Sunday School and preaching, and let's get right in on time Sunday morning, 9:45 for Sunday School. And remember, preaching at 11:00 and 8:00 Sunday night.

Will you be found in your place next Sunday? We will be looking for you—please do not disappoint us. —P. H. GATES, Pastor.

T. J. Walker, who was manager of the Piggly-Wiggly store here in 1928, is now district sales manager of this territory for Waples-Platter Company.

McADOO

Monday, August 30 McAdoo school opened the 1937-38 session, with an exceptionally large crowd present for the opening exercises. The teachers and several members of the school board made interesting talks. The scholastic enrollment of the school is 240. Twenty three of these scholastic are members of the senior class which is the largest senior class in the history of the school.

The school has nine teachers, four of them having taught in the school last year. Teachers who taught last year are: Superintendent O. L. Smith, Miss Lenora Nickels, Miss Bertie Lee Butts, and Mrs. Harold Hardy. Miss Nickels and Mrs. Hardy have taught in school for a number of years.

The new teachers for this session of school are Walter J. Grist, vocational agriculture; and is a graduate of Tech College. Mrs. Archer, home economics; Mr. Archer, sixth and seventh grades. Mr. and Mrs. Archer are former teachers of Bovina school. Mrs. Lewis, teaches English and typing. She is a former teacher of Roaring Springs. Mr. Davis teaches history and civics.

The senior class held a class meeting Wednesday of last week and elected the following officers: Class sponsor, Mr. Davis; president, Rovena Formby; vice-president Leota Joplin; secretary and treasurer, Maxine Henderson; reporter, Edna Ruth Melton.

The Sophomore Class met September 1 and organized and elected officers as follows: Mr. Grist, class sponsor; president, Jack Graham; vice president, Bobbie Dillon; secretary, Harold Brantley; reporter, Daisy Jo Rose.

White rose was chosen for the class flower and the class colors are green and white. The motto selected for the class is "It's better to keep up than to catch up."

The home economic club and the 4-H Club of the local school has been organized and combined into one club.

The Home Demonstration Agent, Miss Jean Day and Mrs. Archer, home economic teacher met with the clubs Thursday and elected officers as follows: Leota Joplin, president; Rovena Formby, vice president; Maxine Henderson, secretary; Helen Bromley, reporter.

Mrs. Gilmore, sister of Rev. Frank Beauchamp was here recently to see Rev. and Mrs. Beauchamp. Mrs. Gilmore lives at Morton.

Rev. Frank Beauchamp is conducting a revival meeting at Dougherty. Several people from McAdoo have attended services at Dougherty during the revival.

H. V. Nettles made a business trip to Matador Tuesday of last week.

Mr. and Mrs. T. L. Dozier, Maude and Reba went to Matador Wednesday to see Mr. and Mrs. Hansel Jackson and two daughters, Janece and Janell, who were injured in a car wreck near Roaring Springs two weeks ago. The Jacksons live at Phoenix, Arizona and were enroute to see Mrs. Jackson's father, A. J. Dozier of Afton when the accident occurred. Mrs. Jackson is a niece of T. L. Dozier of McAdoo. A car driven by Miss Carter, school teacher of Roaring Springs backed her car out on the highway, causing the wreck as the Jackson's car went to pass. Miss Carter was not injured. The car driven by Mr. Jackson turned over several times and was completely wrecked. The Jackson family were all injured. Mrs. Jackson's nose was broken and many cuts, scratches and internal injuries were received. Mr. Jackson received skull injuries, crushed lung, and a broken arm. Janell's shoulder was broken, three large gashes were cut in her back and other cuts and scratches were received on various parts of her body. The oldest daughter, Janece had her collar bone fractured and bruises and cuts. Last report of the family, they were improving and had been moved from the Traveek hospital to homes in Matador. However, Mrs. Jackson was unable to walk and it was thought it would be ten days or more before Mr. Jackson would be able to be up.

Lavern Brantley son of Mr. and Mrs. Leymon Brantley underwent an operation at a Lubbock sanitarium a short time ago, and is expected to be able to return home the first of the week. Lavern underwent an operation for appendicitis in Spur hospital a few months ago.

A two weeks revival meeting closed at the Methodist Church Sunday August 29. Several additions were made to the church. Rev. Marvin Williams, pastor of Kress Methodist Church did the preaching.

Plans are being made to build a new Methodist Church and a Baptist Church in McAdoo. The Methodist Church is to be a rock veneer building.

Mr. and Mrs. Bradford Bass and

little son, James Edwin have been to Breckenridge to see relatives. Upon arriving at Breckenridge they found Mrs. Bass' father, Mr. Herring quite ill with pneumonia. It is reported that his condition improved at this time. Mr. Herring formerly lived at McAdoo.

Beulah Mae Phifer, daughter of Mr. and Mrs. J. F. Phifer was among the one hundred and seventy four students of West Texas State Teachers College to receive a degree at the summer commencement at the college Monday, August 23.

This graduating class was the largest class in history of the institution. Dr. J. M. Lewis pastor of the First Presbyterian Church of Lubbock delivered the baccalaureate sermon. The commencement speaker was Ed Gossett, lawyer of Wichita Falls.

After graduation Beulah Mae came home for a few days vacation before going to Clovis, New Mexico, where she will teach school.

Mr. and Mrs. Thomas Milam, who have made their home in McAdoo community the past year moved to Iredell, Texas, last week.

Louie Gilmore has been to Breckenridge recently to see his little daughter, Billie Davis and other relatives. Jack Herring accompanied him and visited his father, J. B. Herring.

Mrs. A. M. Adams and son, went to Roby last week for a visit with relatives.

Gordon Miller, who has been in the marines at San Diego, California for a number of years is at home. Gordon will enroll as a student in Tech College at the opening of the fall term.

Mr. and Mrs. Weldon Cypert are parents of a baby boy born August 24. Weldon Van is the name selected for the little son.

Expecting Large Crowd For Girard School Opening, 9th

The largest crowd of the year is expected Thursday night, Sept. 9, at the opening of school program in the big Girard School Gymnasium. Gene Autry with his cowboy band and Ken Maynard will furnish the entertainment, with one of their outstanding musical western pictures entitled, "In Old Santa Fe." Everybody likes a good musical western and every one is planning to be present for the exhibition.

Mr. Rollie Beaver and his quartet will help to add color to the program by giving a few of their favorite selections. School plans for the 1937-38 session will be briefly discussed and school patrons will be asked to make short stump speeches. The purpose for having the school program at night instead of the usual procedure is to accommodate the men who often can not spare the time to come during the day. Therefore, we are expecting the biggest turnout Thursday night that has ever attended an opening program at Girard.

Con. Mahon Will Re-open Office To Visit In District

Congressman George Mahon returned from Washington Friday and opened his Colorado office Saturday. His Secretary, Lloyd Croslin, is in the Washington office in order to maintain direct contact with the Government Departments. Mahon stated that after about ten days in his Colorado office he would spend much time in various portions of the District conferring with the people.

In referring to the past session of Congress, Mahon stated that his chief concern had been farm legislation. He said that Congress was still friendly toward agriculture and the next Congress would no doubt enact a substitute law for the present AAA. He pointed out that this year Congress appropriated \$500,000,000 for AAA payments to farmers who cooperate in this year's program. This will tend to counteract the injury done agriculture by the tariff which for many years has accorded special privileges to industry and raised the prices to the consumers. This will be in addition to the subsidy payments on cotton, provided in the closing days of the session, which will tend to guarantee the farmer a total of about 12c per pound for cotton.

In adopting a substitute for the present farm program, Mahon stated that great care would have to be exercised in order to prevent discrimination against West Texas because the problem here is different from that of the old South.

Mahon said that the farm tenancy program which was adopted would be of little effect for some time, but he praised the expansion of the vocational education program in the schools which was made possible this session.

In commenting on the probabilities of the United States becoming involved in war, he said, "I join others in deploring the treatment accorded American citizens in Shanghai and other parts of the Orient, but I have no fear that we are going to rush into war. The cost is too great for us to go to war to protect the Shanghai dollars of the American investors. We learned something from the last war."

THE BIG SHOW MUST GO ON AGE OLD MAXIM RULES THE BIG TOP NOW

When you have visited the circus and watched the performers, has it ever occurred to you that wire walkers, the tumblers, animal trainers, who are smiling, cutting capers, cavorting about the sawdust with feet that seem to be fitted with wings, laughing, smiling clowns that can laugh and are dare devils that have no care. Then, have you ever walked behind the scenes, and wondered why the tears run in an unbroken flow down the laughing clowns cheeks,—he has just received a wire his Mother or Dad were seriously ill or maybe God has called his wife or babe away into the grand entry, that clown daubed a little white paint or powder on his swollen eyelids and cheeks that were streaked with tears walked into the circus tent and made you laugh when he carried a heart of lead. Or maybe it is the dare devil away up in the top of the tent who has a broken heart because of some one gone and he in his next cast, may slip because of a tear that he had brushed away, which had wet

his grasp and down thru space he goes smashing to the ground with a thud, his body carried away, and still thru it all the show must go on, forget our sorrows, forget our injuries to brighten up the lives of someone else, the show must go on since the days of Romans where the circus first originated the age old maxim has carried on. Forgotten are the sorrows of the performers to entertain you and the funny clown in their utmost desire to make you laugh and forget your sorrows Seal Bros. Circus must go on which is now entour its thirty-fifth annual and successful year which will exhibit at Spur afternoon and night Monday, September 20th.

MRS. MILLER GOES TO BROTHER IN OLAHOMA

Mrs. Ella Miller received a phone call Thursday morning that her brother, R. T. Rich at Vinson, Oklahoma, was in a very serious condition and not expected to live long. Mrs. Miller and Miss Jennie Shields left at once to be with her brother, arriving Thursday afternoon. A telegram was received Tuesday

morning stating that Mr. Rich passed away. Funeral services were held in Wellington Tuesday afternoon about four o'clock. Interment followed in a Wellington cemetery.

Mr. Rich had been ill several months, and for the past several weeks there had been no hope entertained for his recovery.

SUNDAY SCHOOL PARTY

The intermediate Sunday School class of the Baptist Church met at the home of their teacher, Miss Nell Francis on Tuesday evening of last week.

Various games were played which they all enjoyed very much. Refreshments of punch and cookies were served after which gifts were presented to Miss Francis by her pupils.

Those present were: Effie Wilson, Aleen Morrow, Nita McCombs and Janice Gibson and Messrs. Martin Cargile and Billy Thomas.

Miss Eva Albin, daughter of Mr. and Mrs. J. J. Albin, left Friday for Dallas, where she entered the Methodist Hospital to take training as a nurse.

THE REST OF THE RECORD

By JAMES V. ALLRED
Governor of Texas

By James V. Allred
Governor of Texas

Quite a few of the newspapers have carried statements lately to the effect that we didn't need any new taxes. It's hard for me to understand this contention. When the Legislature met in regular session this year I told them that the general fund deficit would be approximately fifteen million dollars on August 31. It has turned out to be just about that.

The trouble is, as I pointed out in my message to the regular session of the Legislature, that expenditures at that time (last January) exceeded income about two and a half million dollars per year. I specifically stated that I could not recommend increases in appropriations other than a little over a million dollars for the insane asylums and other eleemosynary institutions. In the face of these recommendations the Legislature increased appropriations approximately four million dollars per year and not a single penny of additional revenue was finally deficit or the increased appropriations.

In addition to the money necessary to wipe out the deficit and to take care of these increases in appropriations, I recommended that additional moneys be raised for old age assistance. This, too, was not done. I still think we need more money in the old age assistance fund to take care of many worthy cases. In my opinion, the trouble isn't so much with the law. We just need more money in the fund.

Besides we owe \$1,627,000.00 on old age assistance warrants issued before the tax laws went into effect. Claude Teer, Chairman of the Commission, says we need more money for old age assistance. Unless new money is raised before the first of January, we are going to get into a tight and more people will have to be cut off.

Besides all this, the people recently adopted several constitutional amendments. I am sorry they didn't adopt the amendment to authorize the Legislature to pay public officers out of fees or salaries. This would have saved at least half a million dollars a year, but the people have spoken and I'm always willing to abide by the will of the majority.

Two amendments adopted authorized the State to completely cooperate with Federal Government in its social security program. One authorized aid to the needy blind, and the other to dependent, neglected children. As yet I have no exact figures on how much aid to needy children is limited to one and a half million dollars a year for the State's part. In addition to this the people adopted the teachers' retirement amendment last year, and this is estimated to cost over two million dollars a year for the State's part.

Now all this adds up into millions. I'm the last person in the world to want to tax somebody, but when the people speak I think it's the duty of the Legislature and the Governor to carry out their wishes. The only way to raise this money is by taxation. It is painful, but necessary.

The argument is being made that improving business conditions will eliminate the necessity for new taxes. I hope business will continue to improve. Of course, Roger Babiss is predicting another depression, but, in any event, business will not improve to such an extent that present taxes will take care of an existing deficit of fifteen million dollars, increased appropriations of four or five million dollars per year, over one and a half million dollars which the old age assistance fund owes on outstanding warrants, at least two million dollars new money to go in the old age assistance fund, one and a half million dollars for aid to dependent children, and several millions for aid to the blind and the teachers retirement fund.

The Legislature meets on September 27th, at which time I will make my recommendations as to how this money should be raised, and it will be in their hands. I am going to work on this job as hard as I did for repeal of the race track law, and hope you will help me with your moral support.

In view of the fact that all the big interests have unquestionably unloaded most of the recent propaganda against new taxes, and are having messages to that effect sent to members of the Legislature, I think the people had better get busy and let the senators and representatives know their views.

I don't want to call the Legisla-

ture in special session and accomplish nothing. I delayed the call until the people could vote on these amendments. Now it would be a great help to the cause of the people as a whole if you would see, or write, your representatives and senators and give them your views on the necessity of providing this revenue.

The money can be raised without substantial injury to anyone.

Texas is in a fortunate position as compared with most of the other states. Due to the wisdom of our forefathers in writing certain provisions of the Constitution, we have no great outstanding bonded indebtedness. We do not have an income tax. We do not have a sales tax, a transactions tax, or anything of the sort so common in every state around us. I hope we never have to have these burdensome, or nuisance taxes, but the fact remains that we owe it to ourselves to balance the budget, to adequately provide for old age assistance and to raise money for placing the other constitutional amendments into effect at an early date. Do you agree with me?

New Enrollment For CCC Units

Notice has just been received of a CCC Enrollment to take place in October. The quota given for the Texas Relief Commission, Districts 16 and 17, comprised of 35 counties in the Panhandle, is 800. These enrollees will be selected from families receiving assistance through the Works Progress Administration, Resettlement Administration Surplus Commodities Corporation, City, County, or local charitable institutions. In addition to being from families with a relief status, a fairly large percent will be selected from families not receiving relief but in which there is an insufficient income for a normal standard of living. This is the first time in over two years that the selecting agents have been allowed to accept applications from boys whose families are not actually receiving relief. This enrollment presents an opportunity to these families to supplement their insufficient income and at the same time to give the boys of these families an opportunity for training that will be of great benefit to them in fitting themselves for future life.

Eligibility requirements for this enrollment are as follows: Boys between the ages of 17 and 23 inclusive single, unemployed, not regularly in school, having no criminal records, boys physically fit to perform a normal days work, and who have need of the training that they will receive. They must be from families in which there is insufficient income for a normal standard of living. The boys enrolled will receive a salary of \$30 per month, of which amount \$25.00 will be allotted to the dependents. The enrollment of 800 boys from which amount \$20,000 will go to the support of dependents. If the 800 boys enrolled remain in camp as long as they are permitted to, which is 2 years, the total wages of these boys would be \$750,000, of which \$480,000 would go to needy families.

The pay that these boys receive is less than half of the actual benefits that are derived. Food, lodging, clothing and medical treatment will increase the benefits received to between \$60.00 and \$75.00 per month each. Based upon \$75.00 per month this enrollment has a potential benefit of \$1,440,000 that can be received by the residents of the 35 counties in these two districts.

Applications for enrollment are now being taken by the County Welfare Workers in these counties. Those interested are urgently requested to make application at the earliest possible moment.

PREBYTERIAN CHURCH NEWS

On Wednesday, September 15th, at eight o'clock in the evening, Rev. Baker, a missionary from South America, will speak to the members of the church and all their friends who care to be present for the occasion. Mr. Baker's life is filled with rich experiences of Christian service and those who plan to hear him have a right to expect a very interesting discussion of his work.

It is not often that we have men of this type visit us and for this reason all church supporters of all denominations should plan to hear him. The general public is, of course, invited and assured that whatever effort they make to attend will be well repaid. Remember the date and the hour, Wednesday, September 15th., at eight o'clock in the evening.

Another announcement which will surely prove to be of interest to a great many friends of the churches in Spur is that which brings to us the news of a meeting in the Presby-

terian Church to be conducted by the Rev. M. H. Applewhite. The meeting will begin on Sunday morning, September 26 and will continue through the week following.

Mr. Applewhite served the Spur Church for several years during which time he made a host of friends. Thus we feel sure that the news of his planned visit will be welcome by them. It is also our desire that everyone in the city who is interested in the Christian movement begin now to make plans for their personal participation in what we believe will be the most successful meeting of its kind ever held in this Presbyterian Church.

Mr. and Mrs. Ralph Cobb and daughter, Barbara Dot, of Galveston, visited in the home of Mr. and Mrs. Roy Arrington of Red Hill community last week. Mrs. Cobb is a sister to Mrs. Arrington. They were enroute to El Paso where they expect to make their home.
