

WILDCAT LEASES BRING BIG PRICES IN COUNTY

Values of Property In County Released

According to information released Tuesday from the county tax assessor's department, there is quite a variety of property values in the county.

The books show that in the county there has been assessed 546,532.38 acres of land with a value of \$3,316,035.

There are 3790 horses and mules in the county with a value of \$157,752.

There are 15,470 cattle valued at \$232,050.

Sheep 1415 valued at \$2,830.

There are 23 goats valued at \$23.

Hogs, 1070 valued at \$5,350.

Automobiles and trucks 1022 with a value of \$130,985.

Tools, implements and machinery valued at \$32,335.

Steam engines and boilers valued at \$196,205.

Notes valued at \$1,000.

Utilities valued at \$63,810.

Banks valued at \$36,200.

The total valuation in the county rendered for taxation is \$5,040,855.

From this amount it is expected to raise taxes for support of the government to the amount of \$65,534.89.

There were 2797 poll taxes paid in the county which brought in taxes to the amount of \$4,195.50.

The above constitutes the property values, both real and personal, in Dickens County upon which the income for the county and to furnish our share of the state's taxes is estimated. Dickens County does not have a high tax rate, and is a little less than the average for West Tex-

County Court to Meet Third Monday

Judge Formby was in our city Tuesday and announced that the next session of county court will begin Monday, Oct. 18. He stated that the first week there would be no jury cases, but such cases as require no juries will be disposed of.

The jurors will be summoned to be present for the second week of court starting Monday, Oct. 25. Judge Formby stated there would be a number of criminal cases to be tried this term of court.

Band Mothers Club Met Tuesday Night

Members of the Band Mother's Club met Tuesday evening at the junior high school in the band room. The meeting was opened by Mrs. W. C. Gruben, president.

Mrs. A. M. Walker, secretary of the club read the minutes of the past meeting. Then Mrs. E. C. McGee, treasurer gave a report of the finances. Mr. Fielder, band instructor, reported on the bass horn that the club is buying; also on band uniforms and the program that was given Thursday night at the East Ward school.

Mrs. Gruben then assigned each member with ten names to get renewals to the Holland's Magazine. The meeting adjourned.

Itinerant Preacher Trainer Added to Staff of Tech

Miss Doris Buchanan, itinerant teacher trainer for 22 counties in Northwest Texas, arrived this week to establish headquarters in the Division of Home Economics at Texas Technological College at Lubbock. Miss Buchanan is one of several teacher trainers sent out by the State Department of Education to work in centers where teachers are being trained for vocational home economics. Cooperating with the department of home economics education at the college, she will teach some courses on the campus, besides doing extensive field work with home economics teachers in public schools throughout Bailey, Castro, Cochran, Collingsworth, Crosby, Dawson, Dickens, Fisher, Floyd, Garza, Hale, Hockley, Knox, Lamb, Lubbock, Lynn Nolan Farmer, Scurry, Swisher, Terry and Young counties.

Misses Vivian Johnson, head professor of home economics education, at Texas Technological College and Geraldine Clewell, instructor, will work with Miss Buchanan in public school field work. A resident of Snyder and graduate of Texas University, Miss Buchanan comes to Lubbock from Ames, Iowa, where she was a member of the clothing and textiles faculty of Iowa State University.

Schools Close for Cotton Picking

The schools of Dickens, Wichita and Patton Springs have closed temporarily in order to give the students an opportunity to assist with harvesting the cotton in those communities. Just how long they will remain closed is not known, but it is thought probably several weeks will be required to get the cotton now ready for harvest out.

Considering the serious condition of the country and the lack of crops in former years, the school boards of the above named districts felt that it would be the economic plan to suspend schools temporarily for a few weeks and try to give the money crop of the county. In the year of 1919 the city schools of Lubbock dismissed for a period of three weeks in order that the school children in the community might assist in harvesting the cotton. The two years before had been dry ones and little cotton had been pro-

Morris Laine Elected Vice Pres- of Press Club

Morris Laine, senior journalistic from Spur, was elected vice-president of the Press club at Texas Tech in its initial meeting of the year last week.

Laine is active in journalistic activities at the college, serving as business manager of the Toreador student newspaper. He is a member of the Silver Key Fraternity, men's social club, there.

Last spring the Spur senior was selected vice-president of the business manager's section of the Southwestern Journalism Congress, composed of schools from five states.

Bulldogs Win First Conference Game Last Friday

What is considered to be the hardest fought contest the Spur Bulldogs have encountered this season was with the Flomot Longhorns Friday afternoon on the Flomot field. The game was called to schedule and Flomot received from the Spur eleven. The first half was a contest of gaining ground and the ball was first in the hands of Spur and then being carried by the Longhorns.

Twice during the first half Spur was close to the goal line but usually suffered a penalty or encountered some other hard luck which kept the Bulldogs from scoring. When the mid-game whistle sounded the only advantage was in first downs, Spur having five and Flomot four first downs. Both teams realized from the very beginning that it was a battle royal.

At the beginning of the second half the Bulldogs turned loose their growls and with set jaws, started in to make advancement. It was not long until they went over for their first marker, using a series of line attacks and end runs. They failed to convert and the game was 6-0.

Flomot received and made the first down. However, the Bulldogs put on a good blocking campaign and soon the Longhorns had to kick out of danger. Spur returned to the 40-yard line and made the first down. The Longhorns went into a strong defense and soon recovered the ball. Then they did the very thing that lost them the chance of a game. They attempted a forward pass when one of the Bulldogs sneaked up and pulled it down and started for Spur's goal line. Making a run of something like 65 yards he went over for Spur's second score. The Bulldogs failed to convert again and the score was 12 to 0.

The Longhorns received again and gained some ground. However, after that second touchdown they seemed to lose all hope of winning the game. They played strictly defensive football from that time on. It was not so much a matter of whether they scored, but they did all they could to keep the Bulldogs from crossing the goal line again. Flomot completed their first down and started in fine for more territory. However, the Bulldogs got together and stopped the gain of territory at once. Flomot kicked.

GAS PROBLEM FOR SPUR IN FUTURE LOOKS FAVORABLE

E. G. Wallace of Fort Worth, was in Spur the first of the week investigating the gas situation for our city. There is enough gas showing in tests that have been made recently in the Bird Well No. 1 and the Harris No. 1 with the gas showing we could well afford to have a plant here and by so doing be able to furnish this community as well as surrounding towns that have never been able to have gas.

He has made the proposal to fur-

New Sanitarium Under Construction

Construction work for a new sanitarium for Spur was begun this week with the plan that the building will be ready to occupy within a period of seven weeks. The new building is being located just north of the East Ward school building on the highway leading out of Spur toward Jayton.

The building is to be one and one-half stories high above the ground with the lower story extending about four feet below the surface. The building site has a full acre of land and plenty of room to enlarge the building and for lawns, etc.

E. M. LaBeff of Big Spring, is the architect and contractor for the building. The building is to be of native stone veneer with all modern conveniences, air conditioned.

There will be an operating room fully equipped, a preparation room, four consultation rooms, and ten bed rooms, a waiting room, with a general purpose room on the first floor.

Dr. Bob Alexander is to be head of the new hospital when it is completed. It is to be known as the Spur Maternity Hospital, and will have a number of trained nurses to help care for the patients. The best of attention will be given those who go to the hospital for medical assistance or surgery. It will be about December 1 when the opening will be held.

Went Hawk Hunting Monday

Many people have gone hunting in quest of game, but few probably have spent any time hunting hawks. Monday night Joe Allison and Pat McDonald decided they would kill a few hawks and went to a large pasture west of town. They left about nine o'clock in the evening and returned just after eleven o'clock with 26 hawks in their car.

When questioned as to the method used, Mr. Allison stated that they would find hawks roosting and then throw a spot light on them which blinded them. This game the hunters a good opportunity to shoot them. Mr. Allison stated that it is one of the best sports he has enjoyed. He said that he killed a big hawk in a tree and within a few seconds Mr. McDonald killed another one in the same tree.

The hawks were placed on display at the Allison Service Station Tuesday morning where they attracted quite a lot of attention. Just how many chickens these two men have saved from being caught by hawks is not known, but it seems that it should mean a great number.

TEXAS BOY GOES TO PENNSYLVANIA STATE COL.

Word has been received at the University of Texas of the appointment of Kingsley Davis, graduate of the university, as head of the department of sociology at Pennsylvania State College. Davis was graduated with honors in 1930, and received the master of arts degree from the university in 1931. He later went to Harvard University as holder of a fellowship in sociology, obtaining the doctor of philosophy degree from that institution in 1936. Last year he taught sociology at Clark University.

Loan Brackets on Cotton Announced

According to announcements made by the vice president of the Commodity Credit Corporation new loan brackets on cotton were released Monday afternoon. The county agricultural conservation committee met with the county agent in Dickens in a special session Saturday and discussed the matter very thoroughly. County Judge Formby, working in cooperation with the committee sent a telegram to Hon. Lloyd Croslin, secretary to Congressman Mahon who wired the Commodity Credit Corporation's decision back Monday.

The following is the telegram received by Judge Formby:

Washington, D. C., Oct. 4, 1937.

Judge Marshall Formby:

Goodie, vice president of the Commodity Credit Corporation just advised me new loan brackets on cotton being announced this afternoon (Stop) Eight and half cents on seven-eighths staple and strict low middling grade (Stop) Seven cents on shorter than seven-eighths staple and strict low grade (Stop) Six cents on shorter than seven-eighths staple and low middling grade (Stop) Looks like good break for our section (Stop) Suggest you write me further regarding classing situation in your area and how new loan brackets help to move crop (Stop) Problem has been one of most interesting I have worked on. (Signed) Lloyd Croslin, secretary.

Under the new regulations cotton shorter than seven-eighths of an inch and grading strict low middling or equivalent is eligible for a loan of seven cents per pound. Cotton shorter than seven-eighths of an inch and grading low middling or equivalent is eligible for a loan of six cents per pound. Neither of these grades were eligible for loans under the initial set-up.

It will be observed that the loan value on cotton of seven-eighths inch staple and above and grading strict low middling has been raised from seven and three-fourths cents per pound to eight and one-half cents per pound. No change was made in the higher grades of cotton eligible for nine cents loan.

WILL BUY COTTON.

I will pay 12 cents per pound for cotton on the basis of 7-8 inch staple middling grade on all accounts and notes in amounts of \$60 or more. —Dr. P. C. Nichols.

Miss Oweta Towles of Amarillo, has accepted a position with the Spur Laundry. Miss Towles is a sister of Mrs. Dave Wilson.

Now Writes a Larger Policy

D. E. Bishop, general manager for the Cap-Rock Life Insurance Company, announced this week that his company is now writing life insurance policies to the amount of \$1,000 denomination. Up to recently the Cap-Rock Life wrote policies of \$250 and \$500 denomination, but the state department of insurance approved of their \$1,000 policy and they are putting that into effect.

The Cap-Rock Life is strictly a home company and has a good line of business booked at this time. Since its organization only four death claims have been paid. This indicates that they are writing a good quality of business.

Mr. Bishop stated that the intention of the Cap-Rock Life Insurance Company is to furnish a particular service to the people and give them insurance protection in amounts they can carry easily.

The tension in oil situation in Dickens County and north Kent County, seemed to tighten up the last few days and leasing has been very active. Very high prices were paid for wildcat leases the past few days, some going as high as five and ten dollars to \$15 per acre.

The Bird No. 1 well on the Williams-Moore block west of town is drilling below the 1000-foot mark and the formation looking good for production. Quite a flow of gas was encountered in this well Saturday morning and the formation is looking more favorable the deeper they go.

The Litchfield No. 1, on the W. A. Harris place north of town continues drilling below 1600 feet. The rainbow in this well shows very favorable, and it is thought some results of production will be showing soon.

Other surveys in the country are being made now and it is thought other locations for drilling will be made soon. Quite a lot of geophysical work is being done all through the Spur country. It is thought a location in the Red Mud community will be made soon and drilling with a heavy duty rig started immediately.

The oil activity in this country is looking good, and those in charge feel that production will be reached in the near future.

A number of representatives of the major oil companies with headquarters at Midland, Fort Worth, Dallas, Tulsa, Oklahoma City and other points are here, and are taking leases at extra high prices for wildcat territory. All seem to be interested and all the geological reports state this is very favorable for oil production.

It is conservatively estimated that around \$150,000 have been turned loose in this community within the past week or ten days. This money has been by way of bonus on leases, lease rentals and royalty interests. Hotels in Spur are crowded every night and people have to wire in advance for hotel rooms or take chances of having no rooms. Spur is destined to be the center of a great oil producing territory and this may come at any time with two wells drilling.

American Red Cross Responds To Chinese Call For Help

The American Red Cross has responded to a call for help from China.

There are 300,000 Chinese refugees that cannot be cared for. All hospitals are taxed to their limit and more room for hospitalization is needed.

The Chinese Red Cross is not able to meet the emergency. It is a tragic situation.

Mrs. T. H. Blackwell, chairman of the Red Cross work in Dickens County, stated this week that the local chapters are ready to receive donations from any one for aid in China. By giving this assistance to relieve the suffering in that country no one would be accused in any manner, as helping the Chinese to win the war, but to give aid to the suffering who have had to give up their homes and have nowhere to live.

COTTON REPORT

Cotton continues to roll in to Spur, as the weather is ideal for gathering. At five o'clock Wednesday afternoon the gins in Spur had ginned 3130 bales.

Cottonseed was selling for \$17 per ton and middling cotton selling for \$7.20.

Riter Hardware "True Value" Sale Begins Oct. 8th

It's not the Spanish revolution or the invasion of China that people are talking about around here. Mr. John King of the Riter Hardware Company made it known publicly this morning that his store was preparing to participate in one of the greatest selling events ever to take place in his store. His store is to participate in National True Value Week from Friday, Oct. 8 to Saturday, Oct. 16.

Under the supervision of one of the world's largest buying and distributing organizations in the hardware field, nearly one thousand independently owned stores are launching this tremendous money saving sale. The vast resources of this great concern have been concentrated on this national event. Only in this way could these phenomenal values be made possible.

A great change has taken place around Riter Hardware. Colorful streamers and pennants are being put up to give the store sale atmosphere. There is a great hustle of getting in and arranging new stock. On October 8 a big illustrated broadside will be distributed which will show a number of the sensational values that are to be offered at this great nationwide selling event.

Mr. John King urges all to take advantage of tremendous savings that are to be had at this event.

Remember True Value Week starts Friday, Oct. 8.

WPA Trying to Reduce Force

San Antonio, Oct. 4.—Reduction of adult illiteracy in Texas by 25,000 persons during the current fiscal year is the goal set by Carl W. Huser, assistant state director of emergency education for the Works Progress Administration.

Attainment of this objective will practically double the number of Texas adults who have been taught fundamentals of reading and writing in Federally-financed classes, Huser said. Currently, there are 14,099 persons attending the 924 literacy classes which are being conducted by WPA teachers.

Explaining that the Texas quota has been set as part of a national WPA anti-illiteracy drive, Huser declared:

"National emergency education officials plan that adult illiteracy in the United States will be reduced nearly one-fourth in five years as one feature of the adult education program now entering its fifth year of operations. The millionth adult to learn to read and write in these classes is expected to enroll during the term outlined for the coming months. The 1930 census revealed 4,283,753 adult illiterates in the United States."

Census figures were cited to show that Texas contained 309,000 adult illiterates in 1930. Broken down into WPA administrative areas, these illiterates were shown to be distributed as follows in the territories surrounding head-quarter cities: Marshall, 30,345; Dallas, 20,084; Houston, 44,779; Fort Worth, 8,762; Waco, 24,686; Austin, 29,274; San Antonio, 65,820; Laredo, 52,677; Amarillo, 1,893; Lubbock, 3,903; San Angelo, 8,220; El Paso, 16,677.

Judge L. A. Wicks, prominent lawyer of Ralls, was here Tuesday, looking after business interests.

Peaceful Hill and Highway Schools Join for Year

The Peaceful Hill school, a one-teacher school of ten scholastics, with Mrs. C. M. Cravy as teacher and the Highway school, a three teacher organization of sixty-seven pupils, with Mr. C. M. Cravy as principal and Miss Chestine Gibbs and Mrs. S. M. Newberry Jr. as assistants, will unite by contract for this year. As the Highway school has ample room, the teaching will be done there. Mr. Alton Estep, the Highway bus driver, will drop down off his route and make a loop in the Peaceful Hill school district and carry the pupils and Mrs. Cravy to Highway District No. 10.

This is a temporary contract for this year only. Each school will still receive all of its own scholastic money, salary, transportation, and high school tuition aid, and tax money. This arrangement does not raise costs anymore as the state will pay the transportation from Peaceful Hill to Highway. The teacher or teachers hired in these schools will still be employed by their own school. In other words, the same financial condition will continue to exist in both school districts.

This arrangement will cause all these children of the one and of the three teacher schools respectively to have the advantage of a four teacher school with the added time for recitation, for supervised study, for music, art, physical exercise, participation in interscholastic league activities in general, etc. In this county, as in other counties, the first schools to standardize were the larger schools and the last ones were the one teacher schools.

The state and county authorities, as well as most of the local school people, are sure that this joining of forces will work out to the ultimate advantage of everybody concerned. —Madge D. Twaddell, county school superintendent and secretary, county school board.

New Social Security Office Plan

Appointment of Dewey I. Reed as manager of the Amarillo field office of the social security board has been announced by Oscar M. Powell, regional director of the board at San Antonio.

Reed has been in government service since 1933, and was in the Amarillo regional office of the soil conservation service from the time it was opened in December, 1935, until he was appointed by the social security board last August. Reed succeeds Malcolm A. George, who has been transferred to the Wichita Falls office as manager.

The Amarillo field office, located at 1012 Oliver-Eagle building, has one of its functions the assignment of social security account numbers. Workers throughout the Amarillo territory who have not yet applied for account numbers may obtain application forms and assistance in filling them out from their local postmasters. These forms, after being executed, should be forwarded to the Amarillo Security Social Security Board office, where cards will be typed and returned to the applicants.

In assuming managership of the Amarillo office, Reed said an extensive effort would be made to inform eligible persons as to their rights and the procedures necessary in filing claims for lump-sum benefits, now due many workers and estates of diseased workers under old-age insurance provisions of the Social Security Act.

"Up to now, only 13 claims have been filed through the Amarillo office, although the board estimated that 780 claims would be filed in this service area during the year 1937," Reed said.

The small number of claims filed was attributed to the general lack of information concerning this type of benefit and to the fact that amounts of these claims up to now have been relatively small.

All employments in the ordinary commercial and industrial fields are covered by the old-age insurance provisions of the Social Security Act. Workers in such employments who have reached the age of 65 since January 1, 1937, and estates of workers who have died during 1937 are eligible to file claims for lump-sum benefits. These benefits amount to 3 1-2 per cent of the wages received by workers from employments covered by the act up to attainment of age 65 or death.

Judge Edgar Hutchins, of Lubbock, was a business visitor to Spur, Tuesday morning.

Judge Marshall Formby of Dickens, was a Spur visitor Tuesday morning.

McADOO LADIES TO SERVE CHICKEN BARBECUE

The Woman's Missionary Society of the McAdoo Methodist Church will serve chicken barbecue at 35 cents per plate beginning at about six o'clock Saturday afternoon, Oct. 9. The barbecue will be served near the McAdoo Mercantile Store and there will be plenty of it. Everybody is extended an invitation to be there and enjoy a good meal of chicken barbecue.

LOCAL GRANGE TO MEET MONDAY NIGHT

The local chapter of the Grange of America, a farmers organization will be held at the East Ward auditorium Monday next, October 11, at eight o'clock. The purpose of this meeting is to complete the organization, elect the remainder of the officers for the year and select committees, and to secure more members. Mr. Gaulrap, the divisional organizer, will be present to explain the plans of work. All farmers in Spur territory and any business men are asked to be present.

FARMS TO BE MEASURED SOON

Last week the County Agent, G. J. Lane received a telegram from the AAA state office that fire in Tobins Laboratory in San Antonio prevented delivery of Dickens County's aerial surveys and was advised to start chaining immediately. Complying with these instructions, the county office has given training and instructions to committeemen and supervisors in measuring farms and checking compliance. Any assistance given by operators, in the measurement of their farms, will be greatly appreciated.

FUNERAL SERVICES HELD TUESDAY FOR ALLEN BABY

Funeral services were held late Tuesday afternoon for Billy Ruth Allen, 16 months old daughter of Mr. and Mrs. W. P. Allen of the Croton community, at the Dickens Cemetery with W. S. Campbell holding the services. The baby had died early Tuesday morning of diarrhea and complications. Spencer Campbell Funeral Home was in charge.

Mrs. Kem Albin of Dickens, suffered a stroke of paralysis, ten days ago and her condition at this time is reported serious. Her relatives from different parts of the country are at the bedside of Mrs. Albin.

R. B. Stanley, of Espuela community, was in town Monday looking after business matters.

SPUR LADIES TO HOLD RUMMAGE SALE SATURDAY

The Woman's Missionary Society of the First Methodist Church of Spur will conduct a rummage sale at the warehouse of Bryant-Link Company just west of the bank. The sale will be opened Saturday afternoon, Oct. 9 at one o'clock and continue until six o'clock. The public is extended a cordial invitation to give the ladies of the Methodist Church their patronage during that afternoon.

Has 15 Acres of Special Cotton

Baxter Scoggin, of Lower Red Mud community, recently exhibited a stalk of cotton at the Spur Security Bank that contained 83 good bolls. The cotton was a sample of Lankard long staple which was grown from planting pure seed. Mr. Scoggin stated that the 1937 crop would be from pure, government certified seed planted this year and has been kept pure.

He stated that he has five acres all of which is as good as the stalk exhibited, and then he has ten acres more that is very good. He planted the cotton on a specially selected tract of land and away from any of his other cotton in order to keep the seed pure. He stated he would have some of this seed for sale and any farmers desiring good government approved seed for another year might see him soon. He stated he is picking the cotton and will not gin any of it until he has all of it picked in order to avoid getting other seed mixed in with it.

George Ackley, of Dallas, spent Sunday in our city visiting his aunt, Mrs. Kate Senning and family. He was enroute to Tahoka.

Mrs. Roy Howard, of Crosbyton, was in our city the first of the week visiting her mother, Mrs. Kate Senning, while Mr. Howard was attending to business in Abilene.

That a good "Sit-down strike in governmental strife at this time would be fine for the country as a whole.

IN MEMORY OF W. G. RUTHERFORD

We miss you W. G., you do not know how much we do,
But we know God and his Angels
Are taking care of you.

No one knows how you suffered
But you'll suffer never more
No one knows but God in Heaven
How much pain you bore.

You was to sweet a flower
To bloom in a vale of woe
And God has given you a bowser
Where death can never go.

God above knows how we loved you
But then he loved you more
And all ways doing best
He took you on before.

Let us all be true and faithful
Let us pray for ever more
That we'll meet you with the Angels
On Heaven's golden shore.

Dedicated to Mr. and Mrs. Clarence Rutherford by a friend, Mrs. J. B. Greenwood.

McADOO

Mr. and Mrs. George Harris and Eloise were among those from McAdoo to attend the fair at Lubbock Wednesday of last week.

Mr. and Mrs. J. T. Parker went to Paducah last week-end to visit Mrs. Parker's parents, Mr. and Mrs. Franks and other relatives who live there.

Mrs. Houston Barker and little son Paul Allen from Crosbyton, were guests of Mr. and Mrs. Charlie Barker one day the past week.

Sybil Brantley, freshman of Texas Technological College was at home this week-end.

Mrs. Frank Beauchamp and children and Mr. and Mrs. Beauchamp from Turkey returned Thursday from Lovington, N. M., after visiting relatives there.

Mr. and Mrs. Lloyd Hickman and family attended the Panhandle-South Texas Fair at Lubbock last week.

Mr. and Mrs. Archer, teachers of the local school went to Canyon last week-end to attend a family reunion at the home of Mrs. Archer's parents.

Edd Robertson and two boy friends from Lubbock spent the week-end at the home of Edd's parents, Mr. and Mrs. E. C. Robertson. Edd is a student of Tech College.

Mrs. Minor Yarbrough and children from Morton have been here visiting her parents, Mr. and Mrs. Jack Barton.

Ruth Ward, daughter of Mr. and Mrs. Roy Ward underwent a tonsil operation at a Lubbock sanitarium Saturday.

Mr. and Mrs. Gene Bass and family made a business trip to Lubbock Saturday.

Friends met at the home of Mrs. J. D. Morris and canned for her on Tuesday.

Several dozen jars of fruit and vegetables were canned, Mrs. Morris has been sick for some time but her condition is reported to be improving.

Three school buses loaded with students from the local school went to Lubbock Wednesday to attend the Panhandle-South Plains Fair, Wednesday was the children's day at the fair. The attendance for that day was reported 44,540. One hundred and two school buses were counted parked at the same time in the space reserved for buses without inclusion of the several removals of those departing early and those which selected parking spaces down town. Children's day with 44,540 people in attendance was reported to be one of the greatest days in the 24 years of the fair. It was a great day for students from McAdoo school who attended. They returned home tired, sunburned and reported having seen many things, especially the exhibits of the clubs and Boy Scouts.

Members of the senior class of McAdoo high school presented a play in the auditorium Friday night, Oct. 1 to a large audience. The play was entitled "When Sally Comes to Town." The cast was made up of the

following students: Claud Gregory played the part of Uncle Joshua Perkins from Strawberry Center. Sally Simple, uncle Joshua's niece was acted by Robena Formby; Velma Smith played the part of Mrs. Ethel Parker, a sister of Uncle Joshua; Nuge Rose, a son and Leota Joplin a daughter of Mrs. Parker played the parts of Loring Parker and Esther Parker, respectively; Lucille Auliff was maid for the Parker family. Felicia Winston, Loring Parker's fiancée was played by Helen Bromley; Marcelle Miller acted the part of Theresa Holbrook who was a friend of Felicia Winston; Maxine Henderson was a chorus girl; Rudolph McLaughlin played the part of Lord Cecil Raleigh who was engaged to Esther Parker; W. H. Moore acted the part of Lance Wellington, a young business man. The play was presented exceptionally well for amateur players.

Fire Prevention Week has been observed in the local school. The primary grades made fire posters. The four best ones in the first and second grades were placed on display. Posters made by Jackie Rae Richards, John A. Allen Jr., Carol French and Kenneth Edinburg were selected as the best.

All the rooms took part in fire drill which instructed pupils how to get out of the building as quickly and orderly as possible. The teachers give fire prevention talks to the pupils.

Pupils in the third grade who made the honor roll in spelling last week were Elna Jeane Eldridge, Jack Jones, Wayne Hardin and Billie Joyce Nickels.

In the second grade Anita Rae Allen was the only one to make the honor roll.

The fourth grade students wrote stories on health. Stories written by Bobby Nell Joplin and John Alexander were selected as the best.

For a history project the fifth grade have been making a miniature Indian village and furnishing a Colonial house.

Students making the honor roll in these two grades were Maedee McLaughlin, Vance Stephenson and Gwendolyn Allen.

McADOO 4-H CLUB MET LAST THURSDAY

The McAdoo 4-H Club met Thursday, Sept. 23 in the school auditorium at 11 o'clock a. m.

Our sponsor told us how to serve delicious fruit and berry juice drinks for hot summer days. She also told us how to plan a nice bedroom.

We played a few games just before the closing of the meeting.—Reporter.

Dudley Wooten, son of R. R. Wooten, is at home for a few days.

Seed, wheat, oats, and barley.—Dee Hairgrove.

NICHOLS SANITARIUM NEWS

James White of Girard, continues to improve and will be out before a great while.

Bill Swan of Dickens, who is in the sanitarium recuperating from a crippled foot, is getting along fine.

Mrs. Russell Williams, north of town, underwent an operation Saturday morning and seems to be doing fine.

Miss Gladys Mullins, of Lower Red Mud, underwent an operation Friday and is getting along fine.

Mrs. M. D. Goolsby of Croton community, underwent an operation Friday and is improving nicely.

W. T. Nichols of Bellevue, returned home Saturday after being in the sanitarium two weeks for treatment for injuries.

G. R. Twist of Glenn, returned home Sunday after several days in the sanitarium for medical treatment.

Get your coal off the car from Dee Hairgrove.

Mrs. J. E. Johnson and Mrs. W. O. McCrary of Ropesville, were visiting friends in our city Wednesday. They are former citizens of our town and have many friends here.

LOCAL BOYS FOR CCC ENROLL NOW

Quotas for the October enrollment have been drastically reduced. This reduction is due to a recent ruling of the Comptroller General of the United States. He has ruled that the new Act extending the life of the CCC program for another three years in which the ruling was made that an enrollee could not serve more than 24 months, is not retroactive, but the length of service dates from July 1, 1937 rather than from the date of enlistment, if prior to that date. This will permit numerous boys to re-apply and will also permit numerous enrollees, who are now in camp to have served 18 or more months to re-enroll October 1st.

The reduction in TRC Districts 16 and 17, comprised of 35 counties in the Panhandle, and in which Dickens County is included, is almost 50 per cent more than was expected for the October enrollment. The County Welfare worker has been accepting applications for the past 30 days. The quota is nearly filled and those wishing to make application will have to do so immediately to have their applications considered.

W. J. Conaway and family and T. L. Conaway and family visited relatives in Groom Saturday and Sunday. The elder Mr. Conaway has two daughters living there, one of whom is recovering from an operation.

Seed, wheat, oats, and barley.—Dee Hairgrove.

Mrs. Sadler, "Billie" to all her friends will accompany Mr. Sadler, and his Big Stage Show to Spur, Monday and Tuesday, October 11th and 12th. A very accomplished actress and her years of experience has made a very valuable help to Mr. Sadler.

MRS. A. J. ALLEN HAS FIRST YEAR YARD

One of the yards which shows such marked improvement in the Yard Improvement demonstration in the county is that of Mrs. A. J. Allen of the Friendship club in the McAdoo community. Begun in the spring of this year, with nothing but a few Chinese Elms set out in the yard, the yard around the Allen home is now covered with Bermuda grass, the

trees have a good start, and the foundation shrubs have grown high enough to form a background.

Mr. and Mrs. Allen have completed all the goals outlined for them to do in 1937. They have put up a paling fence across the back yard, set trees where they were needed, planted grass, shrubs and started an annual bed and a rose garden, and set out a screen planting for an out-building.

"This fall, we shall set out more trees on the west, complete our foundation plantings, and level our yard," said Mrs. Allen to the Home Agent, Miss Jean Day, September 28.

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Dickens County—Greeting:

You are hereby commanded to summon J. M. Parkhill by making publication of this citation once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the County Court of Dickens County, to be held at the court house thereof in Dickens, on the 18th day of October A. D. 1937, same being the third Monday of said month of October, then and there to answer a petition filed in said Court on the 29th day of October, A. D. 1936, in a suit, numbered on the Docket of said Court No. 598, wherein J. M. Park-

hill is defendant and Herman Earnest is plaintiff, said petition alleging.

That defendant, J. M. Parkhill did on the 4th day of February, A. D. 1935, execute and deliver his promissory note to Herman Earnest, plaintiff, in the principal sum of \$200.00, bearing interest from date at the rate of 8 per cent per annum, and due and payable on the thirteenth month after date, and providing that if said note and interest is not paid when due, then an additional amount of ten per cent on the principal and interest then owing shall be collected as attorneys fees, if placed in the hands of an attorney for collection.

That said note, principal and interest is now due and unpaid, to plaintiff's damage in the sum of his principal, interest and attorney's fees.

Herein fail not, but have you before said Court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness Fred Arrington Clerk of the County Court of Dickens County, Texas.

Given under my hand and the seal of said court, in the City of Dickens, Texas, this 3rd day of September, A. D. 1937.

FRED ARRINGTON, Clerk of the County Court of Dickens County, Texas.

Issued this 3rd day of September, A. D. 1937.

PROGRAM COMMITTEE FOR WTTA TO MEET SOON

According to announcement made recently by W. B. Garlin, president of the West Texas Teachers Association, the program committee for that organization will hold a meeting soon to outline a program for the annual meeting in March. The meeting of the next regular session will be held in Big Spring.

Mr. Garlin has asked the following educators to meet with him in the work of arranging a program. Dr. W. A. Evans of the Texas Technological College, Supt. W. B. Irvin of Lubbock City schools, Supt. W. D. Biggers of Sudan schools and Supt. O. C. Thomas of Spur schools.

It is thought at this time that there will be two speakers from out of the association of the program for the February meeting. One of these speakers may be selected from some other state.

ESPUELA 4-H CLUB MET THURSDAY, SEPT. 23

The Espuela 4-H Club met Thursday, September 23rd, at the home of the sponsors, Mrs. F. B. Crockett.

The demonstrator, Miss Day, gave a demonstration on how to serve a hostess. Miss Day served us grape juice with lemon and spice syrup.

There were three new members, Wenona Wade, Aline Ball and Velda Stanley.

Those present were: Maxine Sandlin, Mildred Neaves, Geneva Dutton, Woneva Stanley, Virginia Crockett, Wenona Wade, Aline Ball, Velda Stanley and Joyce Battles—Reporter.

MRS. LAWRENCE MURPHY HONORED

Quite an elaborate shower was given at the home of Mrs. Oscar Brittain with Mrs. E. J. Bilberry and Mrs. W. L. McAtter as hostesses. The occasion was to honor Mrs. Lawrence Murphy, a recent bride. The home was nicely decorated and Mrs. Murphy was the recipient of a number of beautiful presents.

After a very enjoyable social hour the guests were served hot coffee and cake.

Those enjoying the happy occasion were: Mesdames M. L. Rickels, S. J. Shockley, W. H. Suddeth, J. A. Murphy, Allene Dillihoney, S. R. Bowman, S. H. Twaddell, Edna Edmonds, J. C. Payne, W. K. Harvey, Cecil Caplinger, Roger Lewis and little son Mack, R. L. Westerman, Lloyd Johnson, T. B. Watson, R. T. Crawford, Coy McMahan, W. G. Hinson, H. T. Garner, Bill Davis, Al Birmingham, W. W. Ellis, T. H. Blackwell, C. R. Gunn, D. B. Sauls, Harold Blair, Cecil Brown, W. M. Moore.

Misses Annie Mae Murphy, Erie Van Leer, Vada Belle Murphy, Lona Slaton, Hazel Turpen, Ella Garner, Ella Murphy, the honoree, the hostess and Mrs. Brittain.

B. B. Epking, and Joe Bowie, of Hillsboro, were guests in the W. J. Conaway home the first of the week. Mr. Epking is a brother to Mrs. Conaway.

East Afton

Mr. and Mrs. Byron Haney made a trip to Lubbock last Tuesday. They visited the South Plains Fair while there.

The farmers and families of this community met at the Patton Springs auditorium last Wednesday for another effort to organize a Grange chapter. There were not enough people interested to organize. Miss Gentry, the Home Economic teacher, and a few of her students rendered several numbers of entertainment. The final effort to organize a Grange activity will be made on the night of October 20, at the Patton Springs auditorium.

The Help-Your-Self Laundry at Afton was closed by the County Health authorities last Tuesday. The complaint was on the fact that the overflow from the cess pool had collected in the street and stagnated. Plans are being made to have it opened some time in the near future.

Mr. Manuel Ayers, local agriculture teacher, and members of the FFA Club, attended the South Plains Fair last Wednesday afternoon.

Claude Bennett attended the organization of the Dickens American Legion Post last Monday night.

J. B. Willmon and son, Ray Willmon, left for Clyde, Texas, last Saturday morning.

Mr. and Mrs. W. J. Higgins had as their guests Sunday, her two sons and families of Matador, and his sister and family of Crosbyton.

The past week the people of these and surrounding communities have been turning out nightly for the shows.

The Patton Springs Basketball teams won two victories to one loss and a tie Friday night with the Dickens teams in the Dickens Gymnasium. The senior and junior boys won both their games. The junior girls tied the Dickens team, while the local seniors lost to the Dickens girls. Miss Aschah Morris is the girls coach and Mr. H. A. Pool is boys coach, for the Patton Springs teams.

Nuge Johnson and family moved to Lubbock last Saturday. Mr. Johnson is commissioner in this precinct.

Many people who have been unable to secure cotton picking hands this fall have gotten them the past week.

The sleeping disease seems to be noticeable in this community now. Local stockmen are using the serum preventative in hopes of saving their stock.

Mr. and Mrs. B. F. Middleton had as their guests last Sunday all of their children. The event was in honor of the birthday of Miss Mary Middleton of Lubbock.

There was preaching services at the Afton Baptist Church last Sunday.

Regular church services were held Sunday at the Gravel Hill Primitive Baptist Church.

The Dickens Basket Ball teams played the Patton Springs teams Thursday night at the Patton Springs Gymnasium. The score of

the junior boys game was 15 to 3 in favor of Patton Springs. The score of the junior girls was 3 to 4 in favor of Dickens.

(To late for last week)

Several families of this community attended the Dickens County Singing convention at Dickens Sunday.

An item of interest to local people is the wedding of Miss Dallas Mitchell of Vernon and Mr. Robert Howell of Denton, which was an event of September 17, at Vernon.

Mr. and Mrs. Howell each taught here as past school term. Mr. Howell now teaches at Carlton High School. They stopped at Afton a few minutes while on their wedding trip to Carlsbad Cavern.

The senior boys game ended in a score of 30 to 18 with Patton Springs in the lead. The senior girls game was 9 to 23 in favor of Dickens.

The game were well attended, although there was a tent show at Afton. The tent show was at Afton all the past week.

Claude Bennett, Jess Powell, Ollie Blakely and Richard Varnell, were in Spur last Monday night.

Mr. and Mrs. Howard Clark are the parents of a new baby girl. Mrs. Clark is at the home of her parents, Mr. and Mrs. G. A. Benham. The Clark's reside in Arkansas.

Mr. Jack Stephens of Dickens, and Miss Edith White of Midway, were married last Saturday. We wish them a long and happy married life.

The farmers of this community met at the Patton Springs auditorium last Friday night to discuss the organization of a Grange chapter. Manuel Ayers was presiding chairman. He introduced Mr. G. J. Lane County Agent, who made a short talk on the organization of the Grange.

Then Mr. Lane introduced Mr. Gaulrapp, who is a representative of the National Grange, from Dallas. He gave an explanation of the Grange. Then Mr. Reeves of Roaring Springs told of the benefits he had derived from his membership in the Grange. The group adjourned to meet the following Wednesday night to try to organize a chapter.

Mrs. Johnnie Glick and son, Eddie, of Portland, Oregon, who has been visiting here the past six weeks, returned home last Monday.

Mr. and Mrs. Oscar Stokes, of Paducah, were visiting his parents, Mr. and Mrs. A. P. Stokes last Sunday.

Mr. W. W. Webb, of Merkel, was in our community on business Sunday morning. He represents an oil leasing corporation in New York.

The norther which struck this past week end is another reminder that only a few days till the season of frosts and freeze.

Dickens

E. C. Purser and family, who have lived in this community for some time, have moved to McAdoo.

A number of farmers in this community are going to start picking cotton instead of snapping it. All of them want hands. Many hands pass going up to the Plains. We don't see how the cotton could be any better there than it is in Dickens community.

A nephew of C. R. Gunn is visiting relatives and friends here. He lives in New Mexico.

S. A. Anderson, daughter and son visited relatives in Lamesa the last of the week.

Mr. and Mrs. C. D. Elkins and children spent Sunday in the Red Mud community visiting relatives and friends.

The father of Mrs. Lloyd Gunn is visiting her this week.

Miss Beatrice Anderson spent Sunday in Spur the guest of Mrs. S. C. Reynolds.

Mrs. S. B. Parker was in Spur the last of the week shopping and greeting friends.

Mr. and Mrs. Jone Parker and sons, of Denton County, are here visiting in the home of E. C. Anderson and family.

Quite a number of people of this community attended the Lubbock Fair last week. They report it to be a good one.

A brother of Mrs. Son Spraberry, of California, has been visiting relatives and friends here.

Dr. A. T. Reed, formerly physician at Girard for a number of years was visiting with friends in Spur, Tuesday.

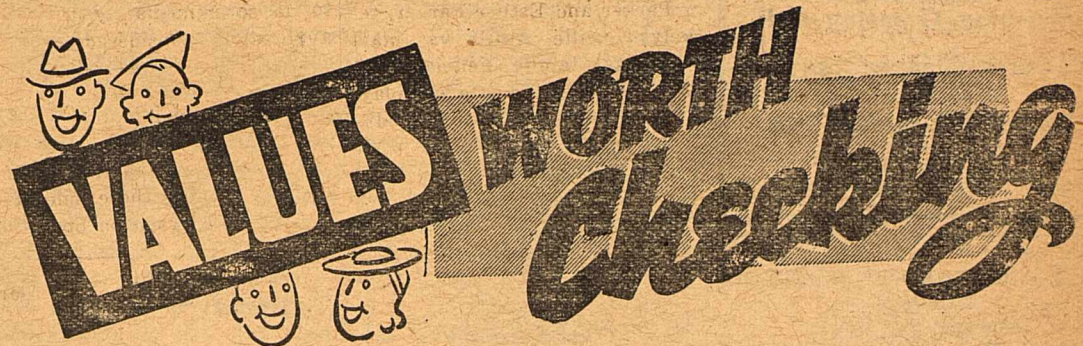

It pays to Advertise. Try it!

HELPED THE EDITOR OUT

W. E. Dortch, who has a nice farm just north of town, came into the Times office Saturday and left three nice watermelons, a number of cantaloupes and quite a quantity of nice snapped lima beans. Some people in town may wonder why we smile this week, but such thoughtfulness on the part of a friend is enough to give any one reason to smile. You just can't keep a man down when people remember you as Mr. Dortch remembered us. Thanks, friend, and we hope you have plenty more melons and beans next year.

Mrs. C. B. Gray, of Carlsbad, N. M., was the guest of Mrs. Burrell Sauls the first of the week. They also visited with relatives in Crowell.

Lubbock Cowboys Win Over Pups

It was a hard fought game which the Spur Pups put up against the Lubbock Cowboys on the local ground Thursday afternoon. The Cowboys kicked to Spur who returned to the 30-yard line. Spur lost 12 yards in three downs and then punted out of danger. The ball was on Spur's 38-yard line. Lubbock went over, but suffered a penalty and was called back. With the runs and two line drives the Cowboys secured their first marker and kicked the extra point. The game was 7 to 0 in favor of Lubbock.

The Cowboys kicked to Spur and the Pups lost the ball on the 38-yard line. Lubbock completed a pass but was called back on error. Spur recovered the ball on third down and made some good gains. A fumble cost them. A pass was intercepted at 40-yard line. Lubbock made first down but lost ball on the second down. Spur was making good gains at the half.

At the beginning of the second half Lubbock received and returned ball to 38-yard line and then lost ground on first down. Lubbock kicked out of danger and Spur returned to 35-yard line. Lubbock suffered a five yard penalty. Spur kicked and recovered on Lubbock's block and Lubbock was off side. Spur lost ball on Lubbock's 47-yard line. Lubbock made first down and then completed a forward pass for another marker. Lubbock converted making the score 14 to 0.

Spur received and returned to the 35-yard line. Spur suffered a five-yard penalty and lost the ball at the 30-yard line. Lubbock completed a forward pass for their touchdown. Then converted for the extra point. The final score was 21 to 0 for the Cowboys.

Spur's team was much lighter than the average of the Cowboys and the Cowboy team included players in the Ninth grade, being a regular Junior High School team. However, the Pups put up a good fight and with some extra training they are going to make a fine little team.

Lubbock's team is called the Cowboys this year as many of them will become members of the Cowhand team next year. Spur's team is known as the Pups as they expect to become real Bulldogs within another year or two.

Baptist Say Farewell To Joyner Family

In bidding Godspeed to their pastor, who leaves this week to accept a call to the Spur Baptist church, members of the congregation of the First Baptist church were hosts Monday night in the church basement for a farewell reception to Rev. C. R. Joyner and family. Over a hundred were present.

Garden flowers were tastefully arranged throughout the rooms where, with Clark Mundy as master of ceremonies, in interesting program was rendered. After a song led by Yates Brown, in which all joined, with Miss Emma Joyner as pianist, Rev. Ted McGehee led in prayer. A piano duet was rendered by Mrs. T. T. Earthman and Miss Doris Clyde Miller, with readings by Mrs. George Wilhite and Mrs. Comer Haynes, and a vocal duet by Misses Helen and Pauline Joyner accompanied by Miss Joyner.

In behalf of the church, Clark Mundy presented the departing pastor and family with a dining room suite, to which Rev. Joyner responded feelingly. Rev. R. A. Walker, pastor of Grace Presbyterian church and a co-worker with the Baptist church leader during the five years of his ministry here, spoke of their happy associations and extended best wishes to Rev. Mr. Joyner in his new field.

A register for parting wishes was in charge of Mr. and Mrs. Yates Brown.

Refreshments of punch and cake were served by Misses Verne Moore, Rannelle Gray, Frances Higgins and Rachel Patterson.

As general chairman, Mrs. O. R. Dye and Mrs. A. R. Booth were assisted by the following committee chairmen, Messdames Byers, Petty, Twyman Collins, Sam Swann and Frank McFarland, with their corps of helpers.

In accentuating their regard and high esteem for Rev. Joyner and to show appreciation of his services in this midst, the pastors of Grace Presbyterian Church, Rev. R. A. Walker of the Methodist Church, Rev. John H. Crow, dismissed their Sunday night services to worship with the Baptist congregation.—Merkel Mail.

J. W. Collier, of the Afton community, was here Tuesday transacting business.

Spur Library Offers New Books

The Spur Library has secured some new books for the public to read, and announce them to the people. The Library sponsors are always on the alert for good clean literature for the public, and every book is censored before it goes into the library for reading material. The library is located in the City Office where there are tables and chairs for the people who desire to read. Any one who has some extra time to wait out can spend it entertainingly and profitably in the Spur library.

American Dream
Michael Foster
Disillusioned and aimless Shelby Thrall sat reflecting over the past three futil years of his experience—just another young newspaperman, stripped of all faith by the merciless wrench and violence of politics and modern civilization in general.

But some where in his breast there remained a tiny spark of some intangible something to which to hold.

To Shelby Thrall troubled and bewildered came figures out of the shadowy past, out of his own heritage still touched, by for off and vague memories. From this pattern of interweaving American destinies, there rose a fresh perspective, springing out of vital elements of the American dream; shots echoing from an Indian besieged blockhouse; sunrise on the topsail of a racing clipper brig; weary men pushing a frontier forward inch by hard earned inch. Here is the story of that dream which sent Jean Francis Thrall adventuring to open new islands in strange seas—that tore Joanna Wells out of a Puritan back ground to die a romantic death under the shadow of the Andes—that made of John Thrall a pioneer editor, a voice for justice and tolerance in the New West. That eventually inspired, Shelby Thrall with a new hope and new desire to live.

What ever it is—intangible but ever present, working out contrary destinies. This American dream comes alive with new meaning in a story of human life that is deep and beautiful and crevel—a chronicle of three generations of the Thrall's of America.

The Romance of Rosy Ridge by Mackinlay Kantor.

Those who thrilled over the story of "The Voice of Bugle Ann," that came from the pen of this excellent author, and starred Lionel Barrymore in the movie production, will look forward to reading this little book. Again the reader may shiver as he listens to the baying of dogs through briery thickets and to the hoofs of night riders. The pride and bravery of old Missouri color this romance from the first word to the last.

The Autobiography of Lincoln Steffens—the life story of America's greatest reporter. This story is about a California boy who was a horse trainer, studied a New York newspaper, and became a great reporter. He comes near giving the key to the mystery of the personalities of Theodore Roosevelt and Woodrow Wilson—Carl Sandburg, Chicago Daily News.

The story of San Michele by Axtel Munthe. Perhaps the truth about a doctor's work and ethics has never been so frankly revealed. Certainly never before with such wisdom, such humor and irony, such realism, such raciness, and withal such art. For it is a great writing—so says Emily Newell Blair of Good Housekeeping.

SOMEbody IS WRONG AGAIN

The Band Parents Club is sponsoring a Lyceum program at the East Ward auditorium tonight (Thursday) for the purpose of securing funds for the Spur school band. They are presenting the Mississippian Singers in this program. Some one stated this company is just a bunch of negroes who live in the Dickens community. Well, they are mistaken. Dickens has as good singers as can be found in the county, but the program tonight will be rendered by a company of trained singers who have been giving programs over the United States for years. They sing in programs from coast to coast.

Those who hear the Mississippians tonight will hear some really trained singers who follow the business and give their time to it. Also, you will miss a great program if you miss this one. The members of the Band Parents Club need your patronage, and the prices are reasonable.

Mr. and Mrs. M. B. Bethel and children came in from Oklahoma the last of the week for a visit with her parents, Mr. and Mrs. A. J. Slaton of Soldier Mound community, and her sister, Miss Gillie Slaton, of the government Farm Loan office. Mr. Bethel is a former teacher of Spur and has a position with the federal government. They left Monday for a visit with relatives and friends in South Texas.

FRANK PRYOR AND HIS WOOD CARVING EXHIBIT HERE

People may have surprises in many ways, but few people get a surprise by paying their own dime for. But if you visit Frank Praytor's exhibit of wood carvings on the lot between the Palace Theater and the Masonic Hall, you are going to be more surprised than you might think. This exhibition is more than a curiosity—it is wonderful.

In the exhibit you will find the demonstration of the old trail dive showing its herd of cattle, mount of horses, chuck wagon, the rattlesnakes, the cowboys mounted, and everything is carved from wood. Mr. Praytor stated that the trail chuck wagon had an accident and one wheel is broken. The trail is of wood as well as everything else. One early cowboy stated Tuesday that seeing the trail alone is worth more than the dime.

In addition to the trail, Mr. Praytor has an exhibition of the early day towns with its bank, and most prominent building, the town saloon. He has shotguns, pistols, cowboy saddles, horses. One scene is amusing. It represents a cowboy on a pitching pony and he has just lost his hold and is leaving the horse.

There is too much to the exhibit to be described. We have mentioned only a few things. People will have to see it to really appreciate the work.

Mr. Praytor is an early day cowboy. He went into service during the World War and was in Company B, 359th infantry of the 90th division. He saw service at the Argonne Forest and St. Mehiel and many others of the great battles. He was gassed in action and when he returned to America he was not able to work and while in a hospital he started whittling for the pastime. He had no intention of trying to commercialize on his work, but after he had whittled out several hundred different articles he began to awaken to his opportunity.

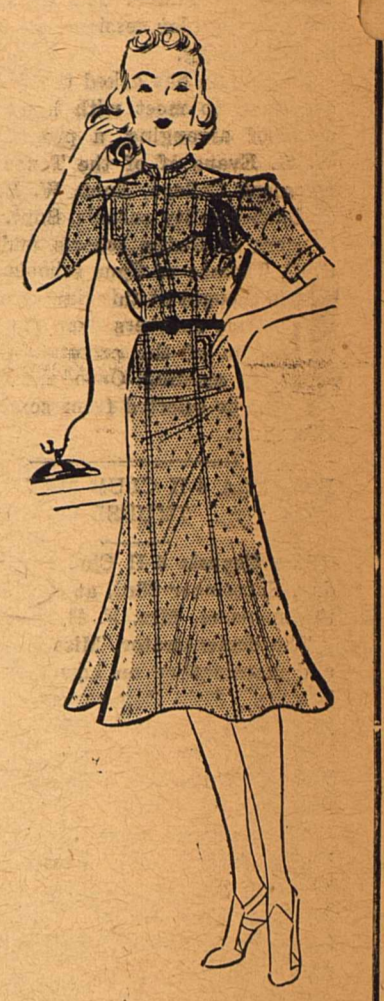

He stated this week that he is drawing no government compensation of any kind. He stated he is trying to make his way with his exhibit. He exhibited at the Tri-State Fair at Amarillo and the Fair at Dalhart last year and was one of the central figures at the Texas Centennial Exposition in 1936.

He has had no assistance in getting up his exhibit, but has formed everything with his own hands from the copy of the Holy Bible, the Southern log cabin to the trail herd and then end of the trail. He stated that all the tools he has ever used are his pocket knife, a small brace and bit and a wood file.

He is interesting to talk with, having had a wide experience in life. He knows the early day life and says there is something about it that is fascinating. He is accompanied by Jack Taylor, who assists him in moving and showing people his work. You want to see this if you can.

M. H. House, enterprising merchant, of Ralls, was in Spur Tuesday attending to business. Mr. House and family formerly lived in Spur.

ARTABAN HOLDS INITIATION

"Why are you wearing your dress backwards?" "Did you know you had a sign on your back?" were among the inquiries made of thirty high school girls, Monday, Sept. 27. The answer was, "I'm being initiated into Artaban Club."

The active members demanded that all the initiates wear their dresses backward and a sign on their backs to classes Monday and to report for the culmination of initiation activities Tuesday, Sept. 28 at 6:30 in the home of Mrs. O. C. Thomas, sponsor. Those taking the final initiation vows were: Peggy Ensey, Thelma Hale, Elaine Neaves, Iris Nelson, Adolphine Spraberry, Doris Wade, Wynell Watters, Mozelle Holloway, Charlene Applegate, Margaret Berry,

Bonnie Campbell, Dorothy Calvert, Ruth Cowan, Loretta Cruce, Lois Holloway, Virginia Johnson, Mary Mallory, Nellie McClellan, Viola Pickens, Thelma Rape, Marcelle Stinnett.

ARTABAN HOLDS REGULAR MEETING

A regular monthly meeting of Artaban Club was held Tuesday, Sept. 28 at 7 o'clock in Winifred Lee's home. Other hostesses assisting Winifred were Illaree Pickens, Naomi Franklin, Dortha Merriman, Justine Mody and Mozelle McClain.

The main feature of the program consisted of a model club session with Mrs. O. L. Kelly advising and giving questions and answers on correct parliamentary procedure. During the regular session Peggy Ensey was elected

regular parliamentary.

After adjournment the hostesses served ice cold watermelon slices to Mary Louise McCombs, Nelma Spraberry, Helen Lollar, Peggy Ensey, Elaine Neaves, Wynell Watters, Adolphine Spraberry, Thelma Hale, Iris Nelson, Mozelle Holloway, Doris Wade, Margaret Berry, Bonnie Campbell, Dorothy Calvert, Ruth Cowan, Loretta Cruce, Lois Holloway, Virginia Johnson, Mary Mallory, Nellie McClain, Viola Pickens, Thelma Rape, Mrs. O. L. Kelly and Mrs. O. C. Thomas.

VOCATIONAL AGRICULTURAL TOURNAMENT

The members of the vocational agricultural department of Spur high school are very busy at this time working out projects and doing the lecture courses. It should be a thrill to any one to sit in on one of these lectures and hear those fine boys discuss the scientific methods of agriculture. They do it intelligently and in an orderly way.

The meeting next week of the Spur chapter of FFA will include the initiation of all green hands into the first year. The second year members will be elevated to future farmers.

The work for the year has been outlined as follows: The first year work includes the study of breeds of farm animals. This is very interesting work and the boys are developing much interest. Mr. Ayers seems to be a very interesting instructor.

The second year work will include feeding and working out balanced ra-

tions for livestock.

The third year of work includes a final review of feeding of different types of animals.

All the classes are doing very practical work, and those subjects which pertain to very day problems on the farm are discussed in class.

MRS. J. K. ALBIN FUNERAL HELD IN ROCHESTER

Funeral services were held at 2:00 o'clock Wednesday afternoon at the Church of Christ in Rochester for Mrs. Ethel Elizabeth Albin, age 52 years, 7 months and 20 days, who died Tuesday morning at her home in Dickens, after a stroke of paralysis she had suffered ten days ago.

Mrs. Albin was a member of the Church of Christ at Rochester, where she had been practically reared. She and Mr. Albin came to Dickens County 20 years ago and have made their home here off and on since.

She is survived by her husband, J. K. Albin and one daughter, Miss Montie Lillian; seven sisters, Mrs. K. Worley of Rochester, Mrs. Nellie Bray of Lubbock, Mrs. Fannie Buckner of Rochester, Mrs. Tom Tanner of Rule, Mrs. Ira Roberts, who resides in South Texas, Mrs. Troy Wright of Rochester and Mrs. Paul Field of Abilene; two brothers, Fonsus Greenwade of Rochester and Prentiss Greenwade of Abilene.

Campbell Funeral Home prepared the body and a funeral coach came here from Rochester and took the body overland to Rochester.

Among relatives going from here to Rochester to attend the funeral

were H. O. Albin and son, Farrell; J. J. Albin, Mrs. T. C. Sandlin and family and Mrs. W. E. Ballard and family

Happenings at Spur Schools

The East Ward school has 276 enrolled at this time. There have been many more than that number, but several have had to be dropped from the roll for non-attendance.

A good choral club has been organized at the East Ward and is doing some good work. It is being directed by Mrs. Wadzeck and Mrs. Patton presides at the piano. They expect to enter the county interscholastic league contest later.

Work on a number of interscholastic league activities have been started at the East Ward. The work in spelling, music, memory and several others.

Quite a number of the pupils at East Ward are studying piano which is proving quite a help to the individual students and to the school as a whole.

Grammar School.

The grammar school pupils had a fire drill Monday. The time of the drill was not announced but when the signal was given, all of the nearly 200 children cleared the building in 40 seconds. Mr. Foote and his teachers are to be complimented for this work. It might mean the saving of one or more lives at some future time.

This school enjoyed a very fine chapel program Tuesday morning. Miss Johnson was in charge of the program and it was of great interest. Another chapel program was given Wednesday morning. Mrs. Giddens' room at East Ward furnished the program for this hour. At both chapel exercises Superintendent Thomas made nice talks.

The Parent-Teachers Association for the grammar school held their regular meeting Wednesday afternoon at three-thirty o'clock.

The High School.

Mrs. Minnie Lewis, former county health nurse, has been transferred to Spur high school as librarian. Mrs. Lewis is proving very efficient in her work and is doing fine.

The Spur Pups are going to Lubbock this afternoon (Thursday) to give the Lubbock Cowboys a return game in football. Lubbock won over the Pups Thursday but had a good game. Mr. Martin and Mr. Butts are coaching the Pups.

The band room at the grammar school is being newly arranged and made sound proof. A new Cello-Tex ceiling is being put in and other new improvements. The Band Parents Club is fostering the work. The school band will have a nice place for practice now.

FUTURE HOMEMAKERS AT DICKENS HOLD MEETING

The Dickens chapter of the Future Homemakers of Texas has had two meetings in the homemaking room since the opening of school.

Last year's president Francis Lee Speer, presided at the first meeting at which the following officers were elected: President, Audene Bilberry; Vice President, Doris Harkey; Secretary, Dora Ellen Dobbs; Treasurer, Chloe Slaton; Reporter, Thelma Kimmel; Historian, Syble Gilstrap; Accompanist, Francis Lee Speer. The homemaking teacher, Mrs. Arrington is adviser.

Four honorary members were elected. Three of them Mesdames J. L. Koonsman, John Gay and P. Murphy were elected as this year's honorary members, while Mrs. Leo Speer was elected to fill the vacancy created by Mrs. S. J. Lovell last year, honorary member.

The club decided to have two meetings each month on Friday of the second and fourth weeks. The first meeting of the month is from 2:30-3:30 p. m. in the homemaking room. The second meeting of the month will be in the evening.

"Worthy Use of Leisure Time," was voted to be the subject for the "Year Book Committee" to use in planning the programs for the year.

At the second meeting the officers for this year were installed and the new for the week-end to show their willingness to be loyal members, the old members ask the new ones to wear hose or anklets of contrasting colors for three days.

While refreshments were passed the new president, Audene Bilberry, read the names of the newly appointed committee chairman: Jane Murphy, year book; Lona Dell Arthur, social, and Geraldine Noland, recreation.

With a large membership than last year the club plans to complete some of last year's objectives and reach the new goals of the year.—Reporter.

Seed, wheat, oats, and barley.—Dec Hairgrove.

Bullock Tillitson, of Stamford, was a business visitor here Wednesday.

SUNDAY SCHOOL CLASS ENJOYS PARTY

One of the very prettiest parties of the season was last week when Mrs. E. L. Caraway entertained her Sunday school class in her home on Hill Street. The reception rooms were beautifully decorated with American beauty roses and chrysanthemums.

After a few games of forty-two and a Bible contest—"Bible Pi," the hostess presented Mrs. L. R. Burrow with a box of lovely gifts from the class not because she was the only one who made a grade of 100 but to show our love and appreciation of her as president of our class. We regret very much to lose Mrs. Burrow.

We were then served very lovely plates consisting of chicken salad, wafers, pickles, potato chips, cookies, coffee and delicious hot rolls.

Those enjoying this hospitality were: Mrs. Cecil Addy, Mrs. Allen, Mrs. Cecil Fox, Mrs. McGlathery, Mrs. Edgar McGee, Mrs. Wadzeck, Mrs. O. B. Ratliff, Mrs. L. R. Burrow. Guests: Mrs. B. F. Hale and Jo Nell Addy.—Reporter.

Football—

(Continued from Page 1)

ed after failing in three attempts to make their second down and Spur recovered in the 38-yard line. They set a tight line and a strong defense and started a series of line attacks and end runs. They made gain after gain and ten minutes before the time was up the ball went over for Spur's third marker. They failed on the extra point and the score was 18 to 0.

Flomot received again and made some gains down the field. They had crowded to about their own 40-yard line. Spur recovered the ball and soon a Bulldog went over for a fourth counter, but in this they suffered a call-back as one of Spur's men was offside and the marker was not permitted to be counted. Spur suffered a strong penalty and the Bulldogs were never able to get the ball back over their goal line gain.

This was one of the most diligently contested games that has ever been played in district four. The Bulldogs had to fight for every foot of territory gained, and when they made a gain they really felt they had done something. The Longhorns are plenty strong, and any team that goes against them will soon realize they have strong opposition. They were the district and bi-district champions last year, and all of the team are back this year except two players.

In point of downs the Bulldogs made 13 during the game. However, they suffered 85 yards in penalties, which was almost enough to defeat a touchdown. Flomot was able to make five first downs during the game, but suffered only 25 yards in penalties.

The Bulldogs will have no game this week end. However, they will play Matador next week-end on the Matador field. This is expected to be a good game as Matador has been putting out some good teams the past few years. This game will be in the afternoon and will be called about three o'clock. It is a conference game, being Spur's second conference game of the season.

In Memory of Walter Lee

By Elder Jno. R. Rice

The dearest friends on earth must part,
And go their way from day to day.
The parting day—that breaks the heart,
Is when our friends must pass away.

Dear Walter Lee was good and kind,
His friends, he met them with a smile;
A welcome with him you would find,
That was his lovely, Godly style.

A lovely husband in the home,
A father always full of cheer;
He's gone where loved ones never roam,

Where skies are always bright and clear.

He loved his family and his friends,
He loved his home and business, too;
He loved the God that never bends
To mortal man like me and you.

He loved the church, the blessed bride,
He loved the Christ that bled and died;

He loved the Book of God that taught
Him how to reach the other side.

His many friends with broken hearts,
Looked through their weeping,
Team dimmed eyes
And whispered, why must he depart,
While we remain beneath the skies.

I never had a better friend,
Out in this world away from home,
He's in my heart till life shall end,

And must go to that sweet home.

Dear, Sister Lee and children, too,
Just keep your hearts on God above;
Then some sweet day beyond the blue,
You'll meet the dear one that you love.

Then with the Savior you will stand,
And sing with Walter over there;
You'll meet the lovely, happy band,
When you go passing through the air.

May we all with open eyes,
Look to the God that's great and grand;

Who has a home beyond the skies,
For all his lovely faithful band.

With Walter then we'll be at home,
And with the Savior there abide;
Then from each other never roam,
In that sweet home beyond the tide.

Mr. Lee met his untimely death the 6th day of October, 1936. He had many, many friends who continue to miss him and probably he will always be remembered by many as long as they live. Mr. Lee is one of those friends. He was minister in the Church of Christ here at one time and came in contact with Mr. Lee often as a member of the church.
