

Dickens County Times

WITH THE WILD CATS

The well located on the D. D. Hagins place 11 miles southeast of Spur was spudded in last night according to a statement by Ray Dawson, of Big Spring. Good people are in charge of the work and they claim it is going to be a well if there is anything there.

Six-Man Football Game Here Tonight

The all-stars of Roaring Springs and McAdoo are to dispute championship title of six-man football with Patton Springs and Dickens all-stars tonight at the Charles A. Jones Memorial Stadium. The game will be called at eight o'clock this evening and will be the first game of six-man football ever played at Spur, especially under lights.

Chevrolet Salesmen Return From Pre-Showing Convention

E. L. Caraway and salesmen from Spur Motor Company returned the last of the week from Fort Worth, where they attended the pre-showing convention held for Chevrolet dealers and salesmen for their section of this state.

Alexander Hospital Adds Surgery Service

The Alexander Hospital has adequately equipped operating rooms and has added general surgery to the work. Dr. J. E. Brown has become associated with the hospital and will do surgery.

Spur Has A New Clinical Laboratory

One of the great advancements in the medical profession for Spur is the installation of a clinical laboratory at the Nichols Sanitarium. Just located at the Nichols Sanitarium does not mean that it is to be used strictly for the sanitarium, but it is Dr. Nichols' wish and hope that all physicians of Spur will take advantage of the use of this laboratory.

B. Schwarz & Son Has New Neon Sign

A big neon sign advertising Curlee Clothing has been erected at B. Schwarz & Son Store this week. This adds much to the appearance of our streets at night.

Building In Spur

At this time there are a number of new residences and two business houses under construction. Foundation is being laid for the Lee Snodgrass new residence located on the corner of Harris and Denver Streets in the new addition.

Turkey Turks To Meet Bulldogs Here Friday Night; Second Conference Game

The game between the Turkey Turks and the Spur Bulldogs at the Charles A. Jones Stadium Friday night probably will be the last night game of the season. The Bulldogs play the Silverton Owls at Silverton October 28, and play Flomot Longhorns here November 4, but the Longhorns refuse to play a night game, and the next game will be the Armistice Day game with Paducah here which has always been an afternoon game. Hence, the game Friday night will be the last night game of the season.

The Bulldogs have been going through some strenuous workouts this week, as they realize the Turks are not going to be a walk over by any means. Turkey has been making some excellent showings during the season, and while they have met defeat, they have not taken out by any means.

The probable Bulldog starting line-up will be: Tackles, York and Bingham; Guards, Murphy and Ousley; Center, Smart; Ends, Powell and Culbert; Quarterback, Haralson; Halfbacks, Garner and C. Hurst; Fullback, Wilhoit.

New Wildcat For Kent County Being Spudded In Today

Roy Dawson, of Big Spring, spudded in a new wildcat well in Kent County today, a 5,000 foot cable tool contract using a 84-foot derrick is being used. The test is on a 10,000 acre block assembled by C. L. Love and is located on Section 118 in the northeast corner of the D. D. Hagins farm in Duck Creek community.

Ashley Home Is Destroyed By Fire

The A. R. Ashley residence in Dry Lake community was destroyed by fire early Thursday morning of last week. The origin of the fire is unknown, but the home and all contents were destroyed. Mr. Ashley was sleeping in the home and when he awakened he found the building enveloped in flames. He remembered having parked his car by the building and he rushed out to move it away, and then returned to save two porch chairs and then was forced to stand by and see everything else burned.

Farm Meeting

There will be an important meeting of the Dickens County Agricultural Association at the Court House at Dickens at ten o'clock Saturday morning, October 22. All farmers are urged to be present, as we want to talk over the farm problems of the near future. Also, we especially invite all business men and other citizens to meet with us as we feel you are interested in the farm problems.

HOME-TOWN PHILOSOPHY

RUTH—There is nothing that costs so little and goes so far as courtesy. JOHNNIE KOONSMAN — A person wrapped up in himself makes a mighty small package. DON RAMSEY—Half the shadows of life come from standing in your own sunshine. O. C. THOMAS—The man who gets something for nothing is always surprised to find it is worth about what he paid for it. NONA—It takes a smart man to think of ways of making money faster than his family can think of ways of spending it.

Ford Service Station Changes Management

S. M. Newberry and son, S. M., Jr., have taken over the service station located at Godfrey & Smart Ford Station. They will handle Gulf gas and oils and other products, vulcanizing tires and they will handle a line of tires and tubes. Mr. Newberry and son invite the public to visit them at their new place of business.

Spur's First Stock Sale Set For Nov. 7

The opening date for Spur's live stock sale has been set for the first Monday in November, or November 7. The new stock barn is being rushed as rapidly as possible and the sheeting is being put on this week. The barn is 40 by 40 feet and is of the oval type. It is located on Willard Avenue just across the street west of the Tri-County Lumber Company yards.

E. S. McArthur and Sons will be in charge of the barn and lots, and an experienced auctioneer will be in charge of the sales. In speaking of the business this week Mr. McArthur stated that he is going to see that people who place their stock on sale at the Spur market are going to get a good price for it. He stated that the market in general will govern the price of stock that will run favorably to that of any market. The live stock market at Spur is going to be at the top and live stock will sell according to its grade.

A line of first class lots will be installed as soon as possible. Water tanks will be available to all lots and stock will receive the best of care. Mr. McArthur stated that everything is being so arranged that the business accommodations can be enlarged as needed. He said that if it takes more space to care for the business, that it will be provided. He said he had his goal set at a million dollar business for Spur, and hoped to build up to that mark.

Opens Retail Merchants Association Office Here

Mrs. Walter Woodrum has opened a Retail Merchants' Association office in Room 4 of the Cowan Building. Mrs. Woodrum will act as manager of the business and with her field of experience in the work Spur is fortunate to secure her service. The office is expected to furnish credit information to the various business firms or individuals. The business is individually owned. Mrs. Woodrum operated a similar business in Paducah. She worked for an oil company in Lubbock before coming to Spur two weeks ago. Mr. Woodrum is in charge of sales of Singer Sewing machines in this territory at this time.

County Court In Session At Dickens

With one of the heaviest dockets in years called, the October term of County Court was opened at Dickens Monday by County Judge Marshall Formby. L. D. Ratliff, Jr., County Attorney, represented the state. Non-jury cases will be heard this week and juries will be called in during the following two weeks.

County Court is held on the third Mondays in January, April, July and October and each court term lasts three weeks. A number of civil cases are to be heard during this term of court and several criminal cases are set for next week.

\$108,000 Asked In Damage Suits

Damages of \$108,000 were asked in two civil suits filed in Lubbock County Monday in district court against the Panhandle and Santa Fe Railway Company as the result of an automobile-train collision in Lubbock, July 26, in which three persons lost their lives. It was set out in pleadings Mrs. Bessie Gilmore and her daughter, Bernie Jean, and W. B. Neatherland died as a result of the collision. The accident happened about 8:00 o'clock on the morning of July 26 at the College Avenue crossing of the branch line of the Panhandle-Santa Fe Railroad going to Seagraves.

Plaintiffs in one case were Lon Gilmore, husband of Mrs. Gilmore and father of Bernie Jean, Leonora Latham joined by her husband, Joe Latham and Claude Gilmore, a minor, by and through his father, Lon Gilmore. They asked damages of \$50,000 as a result of the death of Mrs. Gilmore and Lon Gilmore asked \$15,000 for the death of his daughter and \$1,000 for medical and funeral expenses. Mrs. Sadie Elizabeth Neatherlin, of San Antonio, New Mexico, wife of the man killed, and Fay Neatherlin, his daughter, were plaintiffs in the other case. They asked damages of \$40,500 because of Mr. Neatherlin's death, \$1,000 for medical and burial expenses and \$500 for damage to his car.

Mrs. Gilmore and her daughter were going to visit in the home of Mr. and Mrs. Neatherlin. Attorneys for plaintiffs in both cases are L. D. Ratliff, Jr., Durwood H. Bradley, and W. D. Wilson of the firm of Bradley and Wilson of Lubbock.

Machinery Starts In For Bird No. 2

Several lads of machinery and equipment arrived here Tuesday to be installed on the Williams-Moore Block west of Spur. This machinery and equipment is to be placed on the Bird Ranch for the purpose of drilling well No. 2 on Section No. 290. Hanson and Anderson, of Coleman and Abilene, have taken over the block with a view to start another well by next week. It is thought all machinery will have arrived in time to rig up and spud by Wednesday or Thursday of next week. However, conditions could delay the spudding for a day or two.

Andrew Urban, of Big Spring, has the contract for drilling the well. He is moving in a No. 3 National rig which is supposed to be capable of drilling a well to 5,000 feet. The new operation is bringing about six more families to Spur to be citizens of our town for the present. Mr. Urban states that he hopes to complete the well to the contract depth within about forty working days.

Hanson and Anderson have made a contract and have taken over the Spur-Dickens Block north of Spur. They have entered into a contract to drill a well to a depth of 5,000 feet or secure production. Mr. Hanson came to Spur Tuesday and stated that they hoped to get started on that deep test between November 15 and December 1. The well will be drilled with a standard rig capable of making the required depth. This well will give more hope to the good people of that section who have waited so long for development.

Grammar School Gives Fire Prevention Program

The pupils of the Grammar School gave a very timely Fire Prevention Week program at the Grammar School auditorium at ten o'clock Friday morning. All grades and all teachers in the school contributed something to the program which was very instructive. The pupils rendered their program in an excellent manner and they made the lesson of fire prevention very impressive.

A number of patrons of the school were present. Also, two members of the Spur Fire Department, Willie McCombs and Geo. S. Link, Jr., Mr. McCombs made a very fine talk on how people could assist the fire department when going to a fire. He said the best thing that any one can do is to wait until the fire truck passes and then follows it and while enroute to the fire to be careful not to run into each other. He stated that when the fire alarm is sounded that all persons in cars could help greatly if they will park into the curb at once and give the fire company an opportunity to go by. People not in cars should remain on the sidewalks until after the fire department passes by.

Business Men's Club Give Barbecue

The Spur Young Men's Business Club entertained a number of guests at the City Park north of town Tuesday evening with a barbecue and picnic. The barbecue was sponsored by the entertainment committee and they handled the situation in a fine manner. A very helpful addition to the help of the committee was the service of Ralph Lewis, a former West Texas cowboy, who prepared a fine quantity of that early day cowboy ration named after a gentleman from certain places. It was delicious. There was plenty of food to spare. A. C. Hull, president of the organization, acted as master of ceremonies and stated in the beginning that there would be no long speeches. After making some very timely announcements he stated that the people were invited to enjoy fun at the following places.

Ginnings In Dickens County Reaches 5000 Bales This Week

The 5000 mark was reached in ginning this week for Dickens County. Yield of the cotton in the county is even better on many farms than had been expected. Favorable weather, some of the most unusual ever witnessed for September and October, has enabled farmers to get plenty of hands in their fields and keep the cotton gathered as it opens. The county's 62,000 acres will make from 18,000 to 20,000 bales, it is estimated, but many parts of the county will make a half or more of a bale to the acre. Some of the best cotton in the county is in the north part, near Prairie Chapel, where the yield is from one-half to three-quarters.

All-Star Six-Man Football Game At Spur Tonight

The football game of the smaller high schools has come to stay in the West. The following high schools of Dickens and Motley Counties have given the six-man football game a thorough test this fall and it bids fair to stay: Roaring Springs, Dickens, McAdoo, and Patton Springs. At the beginning of the 1938-39 school year these schools bound themselves together in the Dickens-Motley County Six-Man Football League. A Round-Robin schedule was played which gave each school six games. To climax this schedule an exhibition game has been arranged at the Jones Memorial Stadium, Spur, Texas, under the lights, Thursday night, at 8:00 p.m., October 20, 1938.

In the all-star exhibition game mentioned above, six star players from each of the high schools of the league will be selected. The six best players from Roaring Springs will join with the six best players of McAdoo to defeat the six best players selected from Dickens and Patton Springs, each.

The game should be a splendid exhibition of the new six-man football as played in the West this year. The six-man game does not detract from the eleven-man game. A good player on one of these six-man teams will make a good player on eleven-man squads. It is a fast, tricky game, with plenty of thrills for football enthusiasts. Speed, strategy, deception, trick plays, open playing, forward passing, football technique, skillful handling of the ball, punting, etc., are some of the things it develops. All of the thrills, joy, excitement, team-work, pep-squad enthusiasm, pleasure, sportsmanship, leadership, football technique, ability to pass and receive the ball, fan enthusiasm, desire to make the team and letter, etc., found in eleven-man football is found in the six-man game. The new game is an answer to the call of the small high school which cannot muster enough football men for an eleven-man team. Those who have seen the game played say that they get as much out of it as they do a game of eleven-man football.

Small High School officials of the West are urged to see this game for the good it will do their school and the possibility of inaugurating it into their schools. Football players and fans of the West are urged to see this game to compare it to the eleven-man game. Patrons of the four school districts that make up the teams are urged to support their boys in the game by attending.

Make your plans to see the six-man game at Spur, October 20.

A CARD OF THANKS

We take this method of expressing our thanks to our many friends, both white and colored, who were so dear to us during our bereavement. Also, we appreciated the lovely flowers given. Most especially do we thank Dr. Nichols and his staff of nurses. Also, we thank Mr. and Mrs. T. D. King.

- May God bless all of you.

Funeral For Mrs. H. Jackson Saturday

Funeral services were held for Mrs. Homer Jackson at the Roaring Springs Baptist Church at three o'clock Saturday afternoon. Rev. C. D. Pipkin of Matador, assisted by Rev. E. L. Naugle of Roaring Springs, conducted the services. Interment followed in the Roaring Springs cemetery with Homer Sheats, of Matador, in charge of arrangements.

The deceased is survived by her husband, H. Jackson, and one son, Harvey K. Jackson; the following step-children; Escas Jackson, of Quamah, Dick Jackson of Hickman, N. Mex.; Sterling Jackson of Olton, John Jackson of Bakersfield, Calif.; Mrs. Forrest Ragland, Loise Jackson and Cecil Jackson, all of Roaring Springs; three brothers, Sam C. Curry and Charlie M. Curry, both of Goodlett, and Tom E. Curry of Alamosa, Colo.; two sisters, Mrs. Ida Sublett of Greenburg, Ky., and Mrs. Frances Boston of Palmyra, Indiana; and a number of other relatives and many friends.

Mrs. Jackson, whose maiden name was Miss Cora Belle Curry, was born in Greenburg, Green County, Ky., May 9, 1880. She came with her family to McClennan County, Texas, in 1886 when Mrs. Jackson was a small child. They established a residence at Eddy, and in 1896 the family moved to Hardeman County.

She was married to Clarence L. Hare March 5, 1905, and this marriage was of short duration as Mr. Hare soon passed away. She married Homer Jackson February 13, 1909, and four years later the family moved to Roaring Springs where they have resided since. She passed away at the family home Friday afternoon, October 14.

Mrs. Jackson was converted when a child and became affiliated with the Methodist Episcopal Church. She was very active in church work until her health gave down some years ago. She did much practical nursing, and she went to help people more as a service to her neighbors than as a professional nurse.

She was born in a log house in Kentucky in which the first Methodist Conference for the State of Kentucky was held several years before. The building continues to be occupied as a residence at this time.

Mrs. Jackson spent twenty-five years as a citizen of Roaring Springs, and during the time she was able to go, no one every called on her as a neighbor that she was not ready and willing to render the needed service. She visited sick people constantly and she usually knew what to do to relieve their suffering. She was kind and patient in her home and no sacrifice was too great for her to make for her husband or the children. She was a neighbor and friend to every one who needed her.

Miss Jane Alden To Be In Lubbock Oct. 21

Miss Jane Alden, stylist of Chicago, will be in Lubbock, Friday, October 21, to give talks and programs on fashions. She will discuss line, color and selecting accessories and women needs in general. Special attention will be given to the stout women needs.

All who saw and heard Miss Alden at the Short Course held at College Station this summer were very interested in her demonstration.

We especially urge all the women of Dickens County to attend this meeting.

Bulldogs Take First Conference Tilt From Matador

Defending champions of District 4-B, the Spur High Bulldogs closed the first conference hurdle Friday night by trampling the Matador Matadors 32 to 6 at Charles A. Jones Stadium.

Bill Haralson scored first for Spur on the second play of the game, skirting right end for 43 yards and a touch down. His goal kick was good.

Again in the second period, Haralson took off on another touchdown jaunt this time reeling off 37 yards for the counter. It was 14 as he booted the extra point. Only a few plays later, Sparks, sidestepped 18 yards for a counter. Culbert missed goal.

In the second half Charles Hurst, who played a swell offensive game for the locals, fought his way 14 strides to pay dirt, but Culbert's kick was no good. The Spurs were held off until the last period when Wilhoit cracked center for 2 yards and the last tally. His line buster followed a 25-yard gallop by Sparks. Try for extra point was blocked.

Matador's lone score came in the fourth quarter when Allsup, flashy little Matador halfback, raced a punt back 85 yards for six points. Faulkner's try for conversion was snoo good.

It was sweet revenge for Coach Wadzeck and his team, who last year saw Matador slip up to pin the only conference defeat on the locals. New faces in the secondary, Sparks and Hurst, joined the veterans, Haralson and Wilhoit, in the mail carrying department. The win was decisive enough for the Spurs, who used re-

nerves freely and countered when touchdowns were needed. Two fine ends, Powell and Culvert, turned in steady but effective performances. Bingham, J. Powell, Ousley, Murphy, and Smart were doing forward duty to perfection throughout the game. Reserves, A. Hurst, York, McClain, and Powers showed up well in the conference melee. Matador's young ball club featured Allsup, Day, and Simpson in the secondary, with Fulfer, Rattan, and Titus sparking the forward wall.

Spur kicked off to Matador and recovered the fumbled ball. On the first play from scrimmage Wilhoit uncorked a 40 yard pass to Powell, who saw the long aerial juggle off his fingertips incomplete. Haralson, immediately skirted the right end for his opening counter. Matador came back gamely with a threatening pass attack, featuring Day to Simpson, with Allsup joining in with yardage. This drive carried close to the goal line but the Spur defense tightened and the drive was void with two incomplete passes over the goal.

In the second period Haralson again swept end to count for the Bulldogs. His kick was good for the 14th point. Matador fumbled and Spur recovered and another touchdown sprint featured Billy Sparks, who reeled off 22 yards. Culbert missed goal.

Following Matador's second half kickoff which Hurst returned 25 yards, the Dogs with Garner, Hurst, and Haralson carrying, again entered Matador territory. Hurst did the damage with a 14 yard dash for the fourth touchdown. Matador, desperately attempted to pass their way for scores, but the stout Spur line and backfield would not allow it. After a series of see-saw drives, Wilhoit joined the pay off department with a counter from the two-yard stripe.

His line plunge touchdown followed a sparkling 25 yard dash by Sparks. Culbert missed goal again.

Allsup, the mighty mite of Matador, scored his team's only points when he took a punt and sped 95 yards for a touchdown. Faulkner's kick was no good. At the end of the game Haralson was maneuvering the ball close to another score. He was using reserve backs featuring little Ellis Powers, who had chalked up a 11 yard scamper for first down as the gun sounded.

**Sing-Song At Dry
 Lake Last Sunday**
 The Dickens County-Girard Month-
 ly Singing was held at Dry Lake last
 Sunday and a large crowd was pres-
 ent. Many of the old familiar songs
 were sung and a great number of
 new ones used. People enjoyed a real
 day of singing.
 Officers for the ensuing year were
 elected as follows:
 President, Moyné L. Kelly, of Af-

ton.
 Vice-President, H. L. Futch, of
 Dickens.
 Secretary, Tab Williams of Elton.
 A complete schedule for meetings
 was outlined. The meetings are held
 in the afternoon of every third Sun-
 day in each month, and start about
 2:30 o'clock. The October meeting
 was held at Dry Lake.
 November will be at Red Mud.
 December at Highway.
 January at Croton.
 February at Espuela.
 March at McAdoo.
 April at Girard.
 May at Midway.
 June at Patton Springs.
 July at Spur.
 August at Red Hill.
 September at Steel Hill.
 Singers are requested to save the
 above outline schedule and paste it
 in your song books for future refer-
 ence. Singers from adjoining coun-
 ties have a cordial invitation from
 the organization to attend all meetings
 and enjoy the day. All singers in the
 various communities in Dickens
 County are requested to plan now to

make all meetings.
 Monthly sing-songs are a great di-
 version and should be a source of
 joy to all singers. stated Mr. Kelly,
 the president.
**Tech Enrollment
 Reaches 3500 Mark**
 Thirty-five hundredth student to
 register at Texas Technological Col-

Honorary pallbearers were Eric Ousley, E. L. Caraway, A. M. Shepherd, Dennis Harkey, Neal A. Chastain, Clyde Hindman, C. L. Love, S. R. Bowman, C. D. Bird, W. D. Starcher, and A. W. Watson.

Deputy State Superintendent Visits Schools

John L. Beard, Deputy State Superintendent of District Number 3, of which Dickens County is one of the thirteen counties, has been checking the schools of the county for State Aid. He, accompanied by Mrs. Madge D. Twaddell, has visited all the schools that were not suspended for cotton picking. He now has checked the following schools, which will get the maximum amount of State Aid: Spur, Patton Springs, Peaceful Hill, Highway, Dry Lake, and Red Mud.

Mr. Beard always compliments the progressiveness of our schools and remarks on the good school system of Dickens County.

In the last two weeks these officials have visited twice in the Spur schools. On one occasion they were entertained in the home of Mr. and Mrs. O. C. Thomas and at another time in the lunch room which is under the auspices of the Spur schools. The lunch room program was greatly complimented.

Mr. Beard and Mrs. Twaddell were visitors at the Spur High School assembly last week at which time they both addressed the high school students.

Some three weeks ago when Miss Edgar Ellen Wilson, Second Assistant State Superintendent, Mr. Beard, Mr. S. L. Stewart, County School Superintendent from Stonewall County, and Mrs. Twaddell visited the McAdoo school. They were graciously entertained in the Home Economics Cottage with a luncheon.

Mr. and Mrs. Glenn Spradling, of Girard, have a new son in their home named Terry Ben. He was born last Thursday and he and mother are getting along fine.

Mr. and Mrs. Arch Green, of Dickens, were attending to business in Spur the first of the week.

New Scout Executive Visits Spur Tuesday

Scout Commissioner Earl McClure, of Lubbock, was in our city Tuesday and Wednesday looking over the work of the two fine troops of Scouts in Spur. He was accompanied by George A. Holland, who was recently assigned the position of Field Scout Executive for the Eastern District. Mr. Holland is succeeding to the position recently left vacant by Lyndon T. Grant who was transferred to Fort Worth as Scout Commissioner, and who had so many friends among the Scouts and the Scouters of Spur.

Mr. Holland is a very experienced Scout worker and his training with boys will mean so much to the Scouts of the Eastern District. Mr. McClure stated that they were on a tour of field inspection and that Mr. Holland would pay us a visit soon at which time he will give some work in Scouting.

Rev. G. C. Hutto, of Elk City, Oklahoma, spent the first of the week here visiting with his son, Mr. and Mrs. Truett Hutto.

W. P. Foster, left Tuesday for Fort Worth, where he will buy new fixtures for his new cafe.

Alvin Marion Crouch, Jr., was born at the Alexander Hospital Monday. Son of Mr. and Mrs. A. M. Couch of Spur. All are doing well.

Presbyterians In Group Conference Here Tues.

The local Presbyterian Church was host to the group conference of the Fort Worth Presbytery here Tuesday. Representatives from the churches at Anson, Haskell, Rule, Throckmorton and Spur made up the conference. State officials from Fort Worth headquarters were in charge of the conference.

The main speaker of the day was

Dr. John Houston Robertson of the Presbyterian-Orphan Home. Dr. Robertson served many years as a missionary in the Congo country of Africa and recently returned from that field on account of ill health.

The Missionary Society of the First Methodist Church served lunch at the noon hour to the 25 delegates and the visitors present.

Norman Priest, of Big Spring, spent Sunday here visiting with friends.

Mrs. R. A. Stewart, of Sweetwater, spent the week end here with her sister, Mrs. F. W. Jennings and Mr. Jennings and friends of the city.

Little Miss Forestine Mecom spent the week end in Stamford, with her sister, Mrs. Johnnie Estes and Mr. Estes.

Miss June Day is in Dallas, this week, on business.

McAdoo

A few patrons of the Patton Springs community were present at the football game played by the Roaring Springs and the McAdoo teams in McAdoo Friday. Up until this time Patton Springs had won more games than any other team in the district, but they had already played all of their games, their record being 4 games won, 1 tied, and 1 lost. McAdoo followed right behind, their record being 4 games won and one lost. The game between McAdoo and Roaring Springs was the deciding game and it was decided in favor of McAdoo, the scores being 58-0. This gave McAdoo the Conference title.

The all-star game will be played at Spur Thursday night. A picked team from Dickens and Patton Springs at the Charles A. Jones Memorial Stadium at that date.

Everyone is taking a great interest in the boys and their playing this year and are supporting them to their fullest extent. A large group were at the game Friday afternoon to back up the boys throughout the game.

Doug Allen was in Spur Monday on business. Mrs. Allen accompanied him to the home of her mother, Mrs. Faulkner, who lives near Spur.

Austin Rose, Mrs. Taylor Rose, and Lucille Rose were in Spur last Monday on business. Lucille bought a car for her use in school. She returned Thursday to have a few parts added for her convenience and pleasure.

Mrs. Emity Beale of Oklahoma arrived in McAdoo Sunday for a short visit with her sister, Mrs. J. E. Woolley.

Earl Van Meter Sr., was able to be out some last week. Mr. Van Meter's friends are glad to see him improving so greatly.

Elder and Mrs. Frank Beauchamp and little daughters, Joan and Lela Katherine, Mr. and Mrs. J. O. Morris, Mr. and Mrs. Harris, Mr. and Mrs. H. V. Nettles and daughter, Modine, and Mable Doris Van Leer were all visitors of J. J. Griffin Sr., and Mrs. Van Lee, both patients in a Lubbock hospital. Both are reported as better although they are suffering greatly.

Due to the large rain that was received in McAdoo the first part of the week. It seems as though most of the people in the community spent a great deal of their time in Spur. Those from this community that were seen in Spur last Tuesday were Mr. and Mrs. L. H. McWilliams, Mr. and Mrs. Jackson, Mr. and Mrs. J. F. Egger, Mr. and Mrs. Will Eldredge, Mr. and Mrs. G. W. Allen, Mr. and Mrs. Lewis Bass, Mr. and Mrs. J. E. Wooley and Billie Joe, Mr. and Mrs. J. Joplin and Leota and Bobbie Nell, Ewel Buckner, Dewey Cox, Pearl Cox, Grady Allen, J. W. Jones, Ross Ford, H. V. Nettles, G. F. Smith and daughter, Mrs. Nola Wooley, G. F. Harris, M. C. Formby, Erna Mae Brown, Edna

Mae Owens, Ellis Ferguson, Gene, C. L., and Billie Brownlow, and Mr. and Mrs. John A. Allen and children.

Mrs. Robert Burks, McAdoo music teacher, was ill part of last week and was unable to give her music lessons. Mable Doris Van Leer went to Spur last Thursday to have some improvements made on her teeth.

Mrs. Charley Barker went to Crosbyton on business Wednesday. Florence Sparkman, who is now working in the telephone office in Crosbyton, accompanied her.

McAdoo is growing greatly during the busy season. In addition to a new residence, black smith shop, and grocery store, another grocery store has been opened. The grocery, which is situated by the Consumers filling station, was opened by Stephensons. Elder Henson, a retired Methodist preacher, visited in the Beauchamp home last Tuesday and Wednesday nights. Elder Henson, whose work is now with the Farm and Ranch, is a resident of Lockney.

Roger Jones went to Lubbock last Thursday night where he sat up with Mr. Griffin. Mr. Griffin is believed to be doing nicely. Two of his sons, Wade and Lee, returned to Fort Worth Thursday, where they will start back to college. Mrs. Wade Griffin, daughter of Mr. and Mrs. Roy Ward, was also with them.

Mrs. H. H. Terry and little daughter, Mary Lou of the Patton Springs community, were visitors in the home of Mrs. Bob Butler Wednesday. Mrs. Terry was an old school mate of Mrs. Butler.

Treat Frazier of Waco, a brother to Mrs. Lois Nickels, was taken to the Spur hospital last Thursday where he was operated on for appendicitis. Mr. Frazier has been in McAdoo for some time now, visiting his sister and working at the gin.

Mrs. Jack Derr was taken to the Spur hospital last Monday where she received an operation. Mrs. Derr is getting along nicely. Her many friends hope that she will be back soon.

A shower was given at the home of Mrs. Austin Rose in honor of Mrs. Vernon Ferguson, formerly Esta Mae McWilliams, who was recently married. After the guests arrived, a number of contests were played. Mrs. Ferguson being one of the leaders. When her side won, she received the prize, which turned out to be many lovely gifts presented to her by her many friends.

After the gifts were unwrapped and shown to all present, refreshments consisting of lemonade with a cherry frozen in an ice cube, cakes with a small iced flower on top, and a little bag of gum drops, all in pastel colors. A table was placed out side under the trees for the little children's refreshments.

Those present were Zola Morrison, Mrs. L. H. McWilliams, Mrs. J. F. Egger, Mrs. Carl Barton, Mrs. J. T. Rose, Bobbie Dillon, Mrs. J. A. Branaman, Mrs. Edna Ferguson, Mrs. Id. Bass, Mrs. Charlie Allen, Jackie Branaman, Mrs. Potet, Mrs. D. E. Allen, Mrs. Grady Allen, Mrs. Daisy Barton, Daisy Jo Rose, Mrs. A. C. Rose, Mrs. T. H. Rigsby and Mrs. Gene Bass.

Those that sent gifts were Mrs. J. J. Barton, Mrs. Roy Ward, Mrs. G. W. Allen, Mrs. M. C. Formby and Robena, Mrs. S. T. Dennis, Mrs. S. J. Tutthill, Mr. W. I. Moore, and Mrs. Ben Eldredge.

School started up again Monday after a two weeks vacation, so-called by some. Most of the children, however, worked and were glad, more or less, for school to start again. Most of the farmers have caught up with their work in spite of the short period in which school was turned out and the rain that came last week.

Glen Branaman, son of Elder and Mrs. J. A. Branaman, and Archie Riddle, a nephew by marriage to Mrs. Branaman, both of Slaton, were in the home of Elder and Mrs. J. A. Branaman Friday evening.

Miss Opal Nickels was in Spur visiting the sick Thursday. Charley Barker made a business trip to Lubbock Thursday.

Mrs. Robert Burks took Mrs. Johnnie Stephenson to Spur last Saturday to have a tooth extracted. Mrs. Hinton accompanied them. Mrs. Leonard Fox and children, Betty and Bobby Jean, spent last week with Mrs. Fox's parents, Mr. and Mrs. Dodson, at Rochester.

Mrs. Lloyd Goode has been visiting in Waco for some time. She has returned now.

Mrs. J. S. Hodges had as her guest for the past week Mrs. Gregory of Spur.

Mr. and Mrs. Lloyd Dean who have been living in Bradshaw for some time, have moved back to McAdoo now.

Friends of Mr. and Mrs. Lehman Brantley are sad to hear that their little son, Laverne, has diphtheria.

Juanita Brown, daughter of Mr. and Mrs. Ivy Brown, took ill last Thursday while working in the County Agent's office. Juanita is now at home with her parents.

Mrs. Winston Wofford of Olton spent several days visiting her mother, Mrs. Sparkman.

Dessie Mae Wallace returned last week after spending a week with her sister, Mrs. Simmon, of Crosbyton.

Elder and Mrs. D. D. Dennis and family of Matador spent several hours in the home of Elder and Mrs. Beauchamp last Friday. Brother Dennis is pastor of the Methodist church in Matador.

W. H. Moore spent the week end with his aunt and uncle, Mr. and Mrs. W. I. Moore. W. H. is a student of Texas Tech.

Florene Sparkman of Crosbyton spent Wednesday with her mother, Mrs. Sparkman and Jack.

Miss Robena Formby spent the week end with her parents, Mr. and Mrs. M. C. Formby, and brother, John Formby, and family. Pitts Formby was also in over the week end as well as a few days during the week. He came home when he took ill in the middle of the week.

A great many of the friends of Miss Geraldine Robertson and Filmore Cypert were greatly surprised when the couple announced last Saturday night that they were married last February. Their friends wish them a long, happy married life.

Miss Helen Porter, teacher at Patton Springs, was a week end guest in the home of Mr. and Mrs. Austin Rose. Miss Porter and Miss Lucille Rose were room mates while teaching together.

France McLaughlin spent the week end with his parents, Mr. and Mrs. Rush McLaughlin. He is a student of Texas Tech.

Mrs. Buford Cooper was able to return from the hospital with her little son, Buford Mike, Monday. She and the baby are both doing fine.

Mr. and Mrs. Allen and children, Anita Ray, Betty Jo, Edith, and Charles Wayne, Bobbie Dillon, and Edward Dillon were in Spur on business last Wednesday.

Mr. and Mrs. Bryan Radney and three children and Mrs. Sam Wilson and three children of Childress were the guests of Elder and Mrs. Frank Beauchamp Sunday.

Miss Inez Rose of Lubbock visited in the home of her parents, Mr. and Mrs. Austin Rose Sunday.

Mrs. W. A. Lewis returned to her home in McAdoo Sunday after spending the two weeks at Roaring Springs during which time school was turned out for cotton picking. She visited her husband who is a teacher in the Roaring Springs school. Mrs. Lewis is a teacher in the McAdoo high school.

Miss Emma Pipkin, a student of Texas Tech, spent the week end with her parents, Mr. and Mrs. Bush Pipkin, and brothers, Lawrence and Nathan.

Nathan Pipkin had his tonsils removed by a doctor in Matador last Monday. He suffered a great deal but is improving nicely now.

Thursday evening of last week, the Producers of McAdoo community met and perfected an organization by which they made available a free grading and classification of their own variety cotton. This branch of government service comes through the bureau of Agricultural Economics and insures every one of a correct grade and staple of their cotton, that will be recognized and accepted by industry.

This service is also available for an entire crop, where the producer has planted as much as 50% of his acreage in the one variety that was adopted at a previous meeting.

Details of the procedure will come through our County Agent's office, who has made this service possible. It will affect a saving of 25c per bale in costs, as well as securing true values for the commodity.

This meeting was called by the local Committeemen, Mr. Butler and assisted by Mr. Grist, Vocational Agriculture teacher, and discussions were conducted by G. J. Lane, R. R. Wooten, Chas. Taylor, and Joe M. Rose.

In the future there will be a series of meetings held for the purpose of enlisting producers of the various phases of the program, a sthey are made current for use.

Miss Elizabeth Swim spent the past two weeks in Roaring Springs with her relatives. Miss Swim works for Mr. Lewis.

R. I. Wallace spent Sunday with his wife and daughter, Dessie Mae. Mr. and Mrs. Butts, Miss Bartie Lee Butts, and Preston Davis were guests of Mr. and Mrs. C. L. Smith and children, Velma, Bruce, and Jay, last Sunday. Mr. and Mrs. Smith live in Plainview now.

Mr. and Mrs. J. V. Vestal and little daughter, Arlene, were the guests of Mrs. Vestal's parents, Elder and Mrs. Branaman, Sunday. Mrs. Vestal and Arlene stayed until Wednesday, when they returned to their home in Lubbock.

Goldie Tooke and Miss Helen Bromley announced last week that the date of their wedding was last spring, before school was out. Mrs. Tooke

was a senior of McAdoo High School last year. Friends of the couple wish them much happiness in the years to come.

Jack McLaughlin and wife went to Sudan Monday where they will make their home. Jack will work in an office there.

Miss Lenora Nickels came home Sunday after spending the past two weeks with her sister, Mrs. Winnie Gardner, at Lubbock and her mother at Beaulah.

Mrs. L. H. Perry left the first of the week to visit with relatives in Hobbs, New Mexico.

Alvin Leon Wyatt, who reached his parents home October 10, is doing nicely. He is a son of Mr. and Mrs. Frank Wyatt of Spur.

Mr. and Mrs. R. D. Morgan, of Croton, have a new daughter, Shirley Arne, born at Alexander Hospital Sunday. Mother and baby are doing nicely.

Soldier Mound H.D.C. Met With Mrs. Jones

"There are a number of tests a homemaker may easily make for herself to determine if her housekeeping equipment is of proper working height and arranged to allow her proper posture while performing the common every day tasks of baking, preparing vegetables, dish washing, mopping, sweeping, laundering and ironing," Mrs. Floyd Barnett told the Soldier Mound Home Demonstration Club in a talk on "Posture in Housework," in the home of Mrs. Foster Jones, Thursday, October 6.

The best test for correct working heights: Lay the hands flat on the top of the working surface; if your arms are straight and if you can stand straight, the surface is alright for you. If your hands are three inches from the surface, it should be raised three inches. The bottom of a sink should allow the worker to stand straight and just touch the bottom with her knuckles.

Mrs. Ollie Hindman suggested that October is the month to plant many early blooming bulbs. They are very easy to grow, serve many purposes, and their beautiful blooms will repay you for your trouble, however, Hyacinth and tulips should not be planted before November or December.

Those present were Mesdames W. E. Ballard, Ollie Hindman, Floyd Barnett, W. H. Condon, V. L. Groves, I. E. Abernathy, Paul Lee.

Local Boy Goes To Ohio For Contest

Clayburn Harrell, senior dairy manufacturing student from Spur, has been selected as one of four members of a judging team to represent Texas Tech at a Dairy Products Judging Show in Cleveland, Ohio, October 17. Harrell is a former Spur High School graduate and is employed by the college dairy department. He is employed summers here with Spur Creamery.

The Cleveland contests are sponsored by the American Dairy Science Association and will see contestants entered from 20 large schools from all parts of the United States. Medals will be awarded winning members of various teams. Winning teams receive cups. Last year in similar contests held at New Orleans, Texas Tech ranked eighth among 17 entries.

According to K. M. Renner, head of the Tech dairy manufacturers department, the Lubbock team will visit outstanding dairy plants enroute to Cleveland. They will also attend a meeting of the International Milk and Cream Dealers Association while in Cleveland.

County Official Visits Here Wed.

C. S. McKinney, County Judge of Schleicher County, was attending to business matters in our city Wednesday. Judge McKinney has been elected to his third term as County Judge. He owns the newspaper at Eldorado and was the active manager of the paper before being elected County Judge. He stated that newspaper people make good county judges as they are greatly interested in the success of the county.

Be Careful of Your Health At Games

Gridiron fans should take a tip from football players this fall and protect themselves at games by keeping in good physical condition, the Texas State Department of Health advises. The nervous strain brought on by the Southwest's razzle-dazzle style of play, exposure to extreme climatic conditions for long hours in an open stadium and sudden changes in weather are particularly dangerous to football spectators who have been leading sedentary lives indoors," state health officer warns.

"The healthy person, like the athlete who adheres to strict training rules won't be kept away from games because of illness. The spectator who keeps fit maintains his 'eligibility' throughout the season. But one who is careless with his health is apt to miss a few games or be out for the season with a cold, influenza or more serious illness. This is particularly true of the late fall games when the weather varies greatly from week to week.

Again using the players as an example, Doctor Cox urges fans to dress carefully for the games. It is a foolish gamble with ill health to wear heavy garments to opening games when the thermometer is hitting 99, no matter what fashion decrees. And late season games necessitate warm clothes and wraps, of course.

Doctor Cox also asks football fans to cooperate with the Department of Public Safety in driving carefully to and from football games. Congested week end traffic and the probability that some drivers are over enthusiastic and careless, add to traffic hazards, and serious accidents.

Dickens Owls To Play Tatum Team

The Dickens Owls will leave Thursday, November 3, for Tatum. New Mexico, where they will meet the Tatum Cagers in a hot game. The game will be played at Tatum Friday, November 4.

The Owls are going through hard scrimmages at this time getting themselves in condition for the game. The Cagers have never been defeated this year and the Owls are doing their best to make sure they can be a little above par on the Cagers.

Dickens is reported to have a hard schedule for the remainder of the season. The Dickens School is behind the Owls to the last game and the team that goes up against them will know they have been in a hard game.

Tech Garden Projects Proving Successful

Rutabagas and common cabbage rub elbows with thyme, sage, and salvia in experimental gardens planted by horticulture students at Texas Technological College. Fifty-seven men and one woman student select seeds, plant, irrigate, and cultivate the twenty-eight small gardens used as laboratory for a class in vegetable crops. Average area of the garden plots is twenty by thirty feet and each is planted with fourteen to twenty vegetables.

Purpose of the project is to teach planning of a family vegetable garden so that it may furnish adequate vegetables for canning, drying, and eating fresh.

Endives, kohlrabi, chicory, fennel, dill, rhubarb, climbing cucumber, black radishes, popcorn, pumpkins, chard, kale, cos lettuce, brussel sprouts, eggplant, onions, pepper, asparagus, and sweet potatoes are among the vegetables selected.

OUR WEEKLY MEDITATION By J. H. Miles

REGARDLESS of the number of years you may actually spend on this earth the time is going to slip away all too quickly for the accomplishment of a worthy ambition. You are not going to find time to do all of the things that would contribute so much in making others happy.

There is so much beauty and goodness—even in the material world about us—that a man is sure to gain some inspiration and joy from his contact with it. This privilege brings with it the responsibility of leaving the world just a little better than it was when you came into it.

True—life does disappoint us occasionally. Yet instead of being hardened and saddened by disappointment let us draw from our trials the strength for greater ones. In the days of lost courage and faith let us strengthen our hearts by lifting our chins just a little higher and walking straight ahead, confident in our God—whose we are and whom we serve.

The lost deal—the foolish judgment—the careless slip of a tongue bent on wickedness—the friend who betrayed us in our time of need—these can and must be forgotten in the busy rush of our renewed efforts to build that mansion for our soul's eternal dwelling place.

No—there is no place in this life for regret over the past experiences. No place for bitterness or anger or the cheap little tricks that people may work on each other for gain or revenge.

The best antidote for the poison of self pity and despair is a man sized dose of work.

The most useless thing in the world is a man who will not work. An individual with capacity and ability to rise and accomplish worth while things—who does nothing but find fault with everything and everyone except himself.

The shortest life is the idle life—no matter how long it lasts.

The things which I have regretted most are not the things I have done, which were useless and wrong, but the things I did not do; the opportunities I have failed to account for and the joys of achievement which I have missed.

Spur School Band Activities

The Spur School Band will be at the scene of the Six-Man football game at the Charles A. Jones Memorial Stadium and will furnish music during the game. Spur Band is doing this through courtesy of neighbor schools of the north side of the county.

The Spur School Band gave a concert at Crosbyton last week which met with commendation from the good citizens of our neighbor city of the Plains. Crosbyton has been trying to sponsor a band for some time, but has met with rather discouraging success. The Spur School Band was invited there to see if some greater interest might be stimulated. Crosbyton is made up of a fine citizenship and anything Spur can do to assist them is willingly done.

The School Band will play at the Spur-Turkey football game at the Charles A. Jones Memorial Stadium Friday night. It is hoped they will play the selections which will enable Spur Bulldogs to be winners in this, their second conference game. The Turkey Turks are by no means an easy team to defeat.

Mr. and Mrs. Jack Rector are the proud parents of a new daughter born at the Alexander Hospital Friday. Mother and baby are doing fine. The little one will be known as Elsie Kathleen.

SPUR HAS NEW LABORATORY—

(Continued From Page One)
analysis as there is not enough of that type of work here yet, but so far as blood, urine, sputum and smears are concerned that work can be done here.

Speaking of prices Mr. Miles stated they are in line with the work done in all other laboratories and people have been paying the rate all the time. He said that they do not expect to hold people up on prices, but will give them the top service at a medium fee.

So far as biological and physiological chemistry is concerned the Spur laboratory is as good as that in any city, it is in just as competent direction as any laboratory can be. It is open to the medical profession of Spur and any physician can have work done there. It will save time in securing proper analysis and diagnosis of a case. In fact, that is what it is for—to assist a physician to give proper diagnosis of a patient. Most every town has a clinic and this is what the Spur clinical laboratory is—a clinic in its special line. Mr. Miles in his work may be the means of assisting in saving many lives in this country, and physicians can give much better service to their patients.

Mr. and Mrs. Ty Allen and Mrs. J. C. McNeill, III, spent Saturday in Abilene attending to business.

Word was received in Spur Tuesday of the birth of an eight pound son to Mr. and Mrs. Bynum Brittain at their home in Ballinger.

Mrs. J. B. Haralson spent the week end in Dallas, visiting with her mother, Mrs. Sallie Carmichael.

Mrs. Berl Sauls, Mrs. Lester Ericson and Mrs. George Sloan are leaving Sunday for Houston where they will attend a meeting of the Order of the Eastern Star, that will be held there next week.

Mrs. J. L. Rosamond, of Lubbock, spent the week end here with her daughter, Mrs. Ferrell Albin and Mr. Albin. Mrs. Albin and little daughter returned to Lubbock with Mrs. Rosamond to visit this week.

Pete Carney, of Levelland was here last week visiting with Mrs. Carney and other relatives and friends.

McADOO F.F.A. NEWS

By Eugene Brownlow, Reporter
The McAdoo F.F.A. Chapter is being represented at Kansas City, Mo., this week by N. V. Cypert, senior agricultural student in the McAdoo school and member of the local Chapter.

Cypert was selected by majority vote of the members of the Chapter. He will travel by bus from Lubbock, with a delegation of 34 other F.F.A. boys from various schools of Area 1 under supervision of O. T. Ryan, who is Area Supervisor.

Cypert left Saturday morning with Mr. Ayers, Vocational Agriculture teacher of Spur and the delegate from the Spur Chapter, with whom he went to Lubbock, where the two Dickens County boys caught the special bus. The delegates will have opportunity to attend the American Royal Livestock Show with the various contests held in connection with it and we are hoping they will bring back some interesting things to Texas when they return next Saturday.

Mr. and Mrs. Charles Taylor spent Sunday visiting with relatives and friends at Lueders.

Miss Ethel Green, Home Economics teacher in the local school attended a rally held Friday and Saturday in Lubbock.

Berl Sauls, of Houston spent the week end here visiting with Mrs. Sauls and friends of the city. Mr. Sauls left Monday for Del Rio.
