Governor And Mrs. W. Lee O'Daniel Given Royal Welcome By 500 Citizens At Dickens Last Friday Afternoon

W. Lee O'Daniel, Governor of Texas, and Mrs. O'Daniel enjoyed a real reception at Dickens Friday afternoon. The Governor and Mrs. O'Daniel were just making a trip through West Texas and had planned to stop in Dickens and have a visit with Judge Formby, State Senator-elect. However, the Dickens County Times announced he would be in Dickens and around 500 people went to see him and the First Lady of Texas.

Governor O'Daniel stated that he did not stop to make a speech but he finally did make a short talk to those present by way of greeting them. He stated in his remarks that he did not intend to go into politics when he started out to run for Governor because it is so dirty, but since he had gotten into it, he liked it better than he thought he would. He talked in a general way and added quite a lot of humor in his remarks.

Judge Formby had to be in Amarillo as he is president of the West Texas Judges and Commissioners Association, and they were assembled in their annual convention there this week. However, he contacted the Governor and Mrs. O'Daniel in Amarillo and talked over matters of state with them. In his absence Senator Grady Hazelwood took charge and assisted the people in meeting the Governor. Judge Alton Chapman, who was in Court at Dickens, gave of his assistance and made the Governor and Mrs. O'Daniel feel they were getting in touch with really close friends during their stay in our county seat.

The Governor was in Lubbock Saturday night where he and Mrs. O'Daniel enjoyed a very fine reception put on in "blue-stocking" style. The Governor says he does not like too much society as it might cause him to forget the common people—the people who made him Governor. He is very Democratic in his attitude and shook hands with practically every person who went to Dickens to see him. Mrs. O'Daniel spent her time passing through the crowd and meeting people. In fact, she is a much better campaigner than is the Governor. That may be because she is not the Governor, yet, and he is. But both of them are fine.

School Students To Sell Tickets For Stamps Concert

The Five-County Singing Convention meets at Spur Sunday, September 29th, with the Stamps-Baxter Mixed Quartette coming Saturday night before, for a concert at the Spur High School Auditorium with the Spur School Band sponsoring it. Help your school by buying your tickets before coming to the concert Saturday night as the school gets fifty per cent of all tickets sold before hand. Admission 15c and 25c. Tickets will be sold by school children.

The convention begins at 10:30 o'clock Sunday morning. We are expecting a lot of singers and fine quartettes from all five counties, besides the Stamps-Baxter Quartette from Dallas and promise of some others from other counties.

Everybody come and bring lunch and enjoy the day.

VISITED IN DICKENS

E. W. Perkins, of Delwin, was in Dickens Tuesday calling on his friends. Mr. Perkins has been a citizen of Cottle County since 1930 and says he likes the West. He is nearly 81 years of age and says he has never had to pay a fine, nor had trouble with a neighbor in his life. He stated he was able to do farm work, even to picking cotton until he was 75 years of age.

REPRESENTED THE SPUR ROTARY CLUB

The Rotary Club at Spur was not left out of the inter-city meeting at Lubbock last Thursday evening. Spur was represented by T. Y. Allen, president of Rotary here, George S. Link, Olin Arthur, and M. C. Golding. Also, Judge Alton E. Chapman, a former member of Spur club, and Clifford B. Jones, a former Spur member, were present and Spur claims one extra point on their attendance. Those attending stated it was a great meeting and a fine program was given.

American Legion Picnics And Elects New Officers

Monday evening at seven o'clock, the American Legion met for a "feed" and business meeting in the City Park north of town. The Women's Auxiliary was present, and also was responsible for fried and baked chicken, dressing, gravy, fruit and vegetable salads, iced tea and coffee, ice cream, and cake.

After the "feed" the regular meeting was opened in due form, and officers for a new year were elected. They were: R. C. Brown, Post Commander, L. E. Barker, Senior Vice Commander, Jess Powell, Adjutant, David Wilson, Finance Officer, E. M. Hale, chaplain, and Cliff Bird, Sergeant at Arms. These are the elective officers, and after they go into office they will appoint the appointive officers.

A committee was appointed to work on plans for an Armistice Day program, and a vote was taken and favored to sponsor a Civic Rifle Club. Plans for this club have not been completed, as the Legion must first get a charter from the Government, but they are well under way. Lavis Lee stated that any citizen will be eligible for membership, if and when the charter comes through. The meeting adjourned.

Court of Honor For Boys Scouts Set For Monday Night

There will be a Court of Honor and promotion of Boy Scouts held at the grove of the Methodist Church Monday evening, September 23, at 8:00 o'clock. O. C. Thomas, chairman of the Advance Committee, will be in charge of a program. George S. Link, District Chairman, possibly will serve as master of ceremonies. All Boy Scouts and Cubs and Scouters in the Eastern District are requested to be present.

BOUGHT ANOTHER HOME IN TOWN

J. A. Wade made a deal last week for the Albert Bingham residence on West Harris Street. Mr. Wade stated he would not move in to the property but would rent it to people. He owns an acre tract and residence just north of town besides other property and about four good farms in the community.

A. G. Jones, of Swenson, Commissioner-Elect, was a business visitor in Spur Saturday.

Fred P. Dawson and W. J. Hoyle, two lively citizens of Roaring Springs, were transacting business in our city Tuesday.

Ralph Hargrove, of Fort Worth, visited his mother, Mrs. M. Hargrove, the past week end.

W. R. Drennan, of Croton, visited friends and acquaintances in Spur Saturday.

Will Edgar, of Dickens, was visiting friends in Spur Saturday.

Moves Scheduled For Three Local Furms In Near Future

The C. H. Elliott Appliance Company has rented the Jennings building where the New Deal Grocery was located and will occupy it soon. They will stock their second hand appliances in that building and make a real store of it. They will retain their main office where they are now located.

Lester Ericson, proprietor of Ericson's Grocery, has leased the Cowan building where the City Grocery was located and is having the building newly finished. He expects to move his grocery into that building about October 1. Thacker-Godfrey Company has secured a lease on the W. F. Godfrey building, where Ericson's Grocery now is and will occupy it shortly after it is vacated. They expect to make some changes in the interior of the building, to treat it to a new coat of paint and make some other changes. They will display a nice line of new furniture in the building later on.

Receipt of 345 More Parity Checks Is Announced

The County Department of Agriculture reported the receipt of 345 more parity checks within the past week. The amount represented by this number of checks is \$32,899.32.

This brings the amount of checks paid to Dickens County farmers for government crop assistance up to \$121,899.32. There yet remains about \$257,100.68 in parity to be paid to Dickens County farmers on this year's crop program.

Cattle Feeding To Be Discussed With Farmers Friday

The Dickens County Agricultural Association will be in session at the courthouse in Dickens Friday (tomorrow) afternoon at two o'clock. The subject for discussion is "Feeding Cattle." Mack Woodrum is chairman of the program and E. R. Eudaly is to be the principal speaker. Mr. Eudaly is well posted on the subject of feeding cattle and will give some helpful points to both farmers and ranchmen if they hear him.

It is hoped that people will give Mr. Eudaly a good hearing.

Ten Thousand Wheat Farmers Insured For 1941

More than ten thousand Texas wheat farmers are certain to harvest a crop in 1941, because that many producers signed their applications for all-risk wheat crop insurance before August 31 deadline, insuring their crops against drought, wind, hail and all other unavoidable hazards.

Although the number of producers insuring their 1941 crops was slightly less than took out insurance on the current crop, the total coverage in bushels and acres will equal, and possibly surpass, the coverage for this year, E. R. Duke, state crop insurance supervisor with headquarters at Amarillo, reports. No compilation is available yet on the 1941 total coverage.

Meanwhile, indemnity payments on the 1940 insurance contracts are practically complete, the supervisor said, with 5,314 claims, amounting to 1,647,238 bushels, approved for payment to insured producers.

Darwin Sprouls, of the Spur Security Bank, underwent an operation Thursday at a Lubbock sanitarium for mastoid trouble. He is reported getting along fine and hopes to be back home this week end.

Boxing Contests, Grid Game Added To Dickens Picnic

With the addition of an amateur boxing contest on the program of Dickens' annual old timers picnic, it is thought a number of people will enjoy the program more. Coach Eivens will be in charge of this event, and adequate arrangements are being made for a fine program. Boxing will be held both days of the picnic which is Thursday and Friday, September 26-27.

The Dickens Owls have matched a real game with Roaring Springs to be played at Dickens Friday afternoon, September 27. This game will be called about two o'clock in the afternoon and will be an added attraction to the picnic program.

The picnic is going to be of great interest being boosted by such attractions as the Dudley shows and rides, the man performing on a pole 120 feet high, the old fiddlers' contest, the young fiddlers' contest and others. Those in charge of the picnic program are trying to give the people a good time, and it is their hope that a great number of people will be present for the program September 26-27.

Positions In Army Service Open

Lieut. J. T. Carroll, assistant recruiting officer of the Army, states that several positions in the Army are open at this time. The recruiting stations at Lubbock, Pampa, Amarillo, Childress and Plainview are asking recruits in:

- Infantry, field artillery, coast artillery, signal corps, cavalry, air corps, quartermaster corps, and medical department.

Young men desiring to get into any of the above classes of services can make application at any of the above named recruiting stations.

State Committee To Ask Differential In Wheat Crop Loans

Steps are being taken to avert the possibility of a decline in the Texas reputation for growing good baking varieties of wheat.

Concerted effort is being made by various educational organizations to encourage the planting of wheat for the purpose of maintaining the high reputation that Texas wheat enjoys on the market. The reputation of Texas wheat can be maintained only by the production of high quality varieties such as Kanred, Tenmarq, and Turkey, which fortunately are among the best yielders.

Pledging its aid to the movement to encourage the use of good varieties of wheat, the state AAA committee meeting at College Station, expressed the opinion that an effort should be made to establish a differential in the Commodity Credit Corporation loan rates on the Chiefkin, Early Blackhull, Superard, Blackhull and other poor varieties of wheat.

"It is too late to do anything about it on the 1940 loan," Charlie Thomas, state committeeman and wheat grower from Pampa, declared, "but a lower loan rate for the poorer varieties might be requested in the future if Texas producers continue to plant such varieties."

Thomas emphasized that nothing could be done about the loan rate differentials against the poorer varieties of wheat this year, but declared the committee would pursue the matter further before next year's loan is announced.

Mr. and Mrs. Ted Goodwin, of Croton community, are the proud parents of a son born Tuesday. The youngster weighed five and one-half pounds and has been named Harold Harison. Mother and son are doing fine at Nichols Sanitarium.

New Feature At Palace Theater September 29-30

Sidetracking a very popular selection, "All This And Heaven, Too" the Palace Theater has secured that new feature, "The Westerner," to be shown here September 29-30 at popular prices. This picture features Gary Cooper who is with the picture in Fort Worth today for its first showing—the world's premier.

If the people of Spur county desire to see a picture close to its first appearance on the screen, they have the opportunity of seeing this great feature in Spur ten days after its first showing anywhere. It is a new feature, and should you see this picture in Fort Worth today, it would cost you a dollar and tax. You can see it several times at the Palace in Spur for that price.

Margie Bell Will Attend Meeting Of Home-Makers

Miss Margie Bell, State corresponding secretary for the Future Home-Makers of Texas, will leave Friday afternoon for Dallas to attend the State Executive and Advisory Council at the Baker Hotel Saturday morning. Miss Ethel Green, her instructor, will accompany her to Dallas and attend the meeting.

The meeting has been called by Miss Ruth Huey, State Director of Home-Making. The meeting will convene about 9:00 o'clock Saturday morning and be in session until about four o'clock in the afternoon and the two Spur representatives will return to Spur Saturday night.

County Tax Rate Was Set By County Officials Monday

The Commissioners Court in session Monday set the County Tax rate for 1940. It remained the same as last year, \$1.10 per \$100 valuation. The Commissioners Court seemed to think this rate will adequately take care of all county expenditures for the next year.

The county budget of expenses has been filed with the County Clerk and with the State Auditor, outlining the expenses of the different departments of county government. This budget is made up by the County Judge and submitted to the Commissioners' Court for approval.

Local Baptist Church Reports Progress Past Year

In talking over the work of the First Baptist Church for the year ending September 1, had the following to say:

We have held two revival meetings during the year and have had 65 additions to the church. 24 of them have been by experience in baptism and 41 by letter. The Sunday School work is going along in about a normal manner.

Our expenditure for the year has been a little over 5,100.00. This includes all local work, benevolence, missions and other work for the year.

Rev. C. R. Joyner is the pastor and is now starting his fourth year of work with the church.

Local Minister Has Returned From Church Convention

Rev. C. W. Henderson returned Saturday afternoon from Louisville, Ky., where he had been attending the Baptist Convention for Negroes. He is pastor of the Lake Side Baptist Church here. He stopped off at Tyler and visited with his father a short while. He stated his father is ill at this time. He reports a great time at the convention.

Spur Bulldogs To Play Haskell Indians At Haskell Friday Afternoon, 20th

Local Negro Citizen Injured When Car Struck By Train

Will Chattam and his son were severely injured in a car wreck at Terrell Saturday afternoon. The car was completely demolished by impaction of the T-P Sunshine Special train. Chattam was rendered unconscious for several hours and suffered many cuts and bruises. The little son had both arms broken. Felix Lacy, who was with them, had a shoulder joint dislocated.

Chattam is one of the pioneer Negro citizens of Spur country.

Rotarians Heard District Governor

The Rotarians of the Spur Club really enjoyed a treat at the meeting last Thursday. Governor Frank Roberts brought a very fine message on Rotarians as citizens. He impressed upon the minds of Club members that they have a duty to perform as citizens, and many times it requires real courage and determination to go through with those duties. But he said "You should go through and show your colors" by doing these things.

There was a good attendance on the part of the members and quite a few visitors were present. The meeting was one of good fellowship and much information. Governor Roberts is a forceful speaker and knows Rotary.

The meeting of the Rotary Club this week will be held tonight. Ray Dickson will be in charge of the program and the Rotarians are to entertain a number of the early settlers of this community. The regular hour of meeting is 12:00 o'clock noon, but the hour has been changed until the evening for the convenience of the guests to be present.

Chairman Ray is hoping for a good attendance tonight and hopes every Rotarian in the Club will be present. In fact, it has been the hope of the officers to secure a hundred per cent meeting in the near future, and it is hoped this will be one of them.

Lubbock Boosters To Visit In Spur Today at 2:25 P.M.

The Lubbock Boosters who are advertising the Panhandle South Plains Fair to be held there September 30 to October 5 inclusive, will be in Spur today. The Boosters will have lunch at Matador and then go south to Roaring Springs, arriving there at 1:15. They will be at Dickens at 1:55 and remain fifteen minutes.

The Boosters will arrive in Spur at 2:25 p. m. and remain until three o'clock. They will have a large selection of souvenirs for the school children.

DICKENS COUNTY BOYS ENLIST IN ARMY SERVICE

Three more young men from Dickens County have enlisted in the service of their country. The enlistments were dated September 12. They are David S. Beechly, of the Wichita community, who entered the cavalry service at Fort Bliss. Cleo R. Thompson and Robert Del Harrell, both of Spur country, who have enlisted in the Air Corps service at Brooks Field. Wallace M. Smith, of Spur, enlisted in the Air Corps at Fort Sam Houston, September 16. William C. Sparks, of Spur, entered the Air Corps at Brooks Field, September 17.

W. F. Clements, of Glenn, was transacting business and greeting friends here Saturday.

The Spur Bulldogs will try their skill Friday with the Haskell Indians. Considering the fight they put up last Friday with Olton's champion team, those Indians are going to be on the run from the first whistle through. The game will be at Haskell and will be conducted in regular order as though a conference game, although it is a non-conference tilt. The remainder of the schedule for the Bulldogs for the season will be as follows:

- Sept. 21—Silverton at Spur,
- Oct. 4—Open,
- Oct. 11—Matador at Spur,
- Oct. 18—Ralls at Spur,
- Oct. 25—Spur at Lockney,
- Nov. 1—Spur at Crosbyton,
- Nov. 11—Paducah at Spur,
- Nov. 15—Open date,
- Nov. 21—Spur at Floydada.

The last one named is the regular Thanksgiving game which is always played with the Floydada Whirlwinds.

Engineer Here To Inspect Airport Facilities

H. M. Smith, of the Civil Aeronautics Authority with headquarters at Fort Worth, was in Spur Tuesday afternoon looking over facilities for a landing field. Mr. Smith is the acting regional engineer for the Civil Aeronautics Authority and it is his business to seek out proper places for airport service.

A number of citizens accompanied him to different places within reasonable distance from Spur, and he stated that several places would be suitable. He did not definitely decide on any particular field, but asked for further descriptions to be sent in to the main office for recommendations.

Those who seem greatly interested in the project are Roy Stovall and G. H. Snider, members of the City Commission of Spur, Truman Green, City Manager of Spur, all these men acting for the city. Dr. Bob Alexander, George S. Link, Jr., Neal A. Chastain, W. F. Godfrey, and others. These men accompanied Mr. Smith to the different places to give him an idea of the lay of the country and the distances the fields would be from town. Further information will be furnished later on relative to this.

Spur Appreciation Day Organized By Merchants

The business men of Spur, 41 of them in all at present, have definitely decided to have an active community day once in each week and to style this as Appreciation Day. Final arrangements were completed this week for this activity and the day will be instituted in the very near future. Watch for announcement of the opening date.

As soon as all supplies are ready, a meeting of the membership will be called to discuss final plans and make full announcements. It is very essential that every member of the organization attend this meeting. They will receive due notice of the time on the day of the meeting and should make arrangements to be present. The weekly dues should be turned over to the secretary, and members should not wait for him to go to them to collect. If this movement is to be a success, everybody will have to take an interest in the project and not depend on the secretary. This is your organization and you should see that it is a success.

Senior NYA Air Mechanics Unit Is At Duncan Field

Operation of the National Youth Administration air mechanics resident center at Duncan Field Air Depot near San Antonio to train 100 youths in the repair, construction, and maintenance of airplanes and airplane engines was initiated Wednesday under the sponsorship of the United States Air Corps, J. C. Kellam, state NYA administrator, announced.

Designed to become the senior unit of the eight NYA air mechanics projects operating at South Houston, Marshall, Waco, Fort Worth, Ranger, Canyon, Tyler, and Dallas, the new center will provide the youths 44 hours of actual shop work and related training a week.

An additional 25 boys will receive work experience as cooks, helpers, waiters, and clerical assistants.

Approximately 1,000 Army mechanics at the Air Depot repair all Army planes in the 8th Corps Area, and it is in the Depot shops that the NYA boys will receive their training, under the direction of the shop personnel and the supervision of Colonel Henry J. F. Miller.

A short wave transmitter will also be set up at the project, with classes in radio transmission to be held nightly in addition to the shop work done by the boys.

MIDWAY NEWS

Church News Sunday School and B. T. U. were conducted at the usual hours Sunday morning and night at the Baptist Church. A pulpit committee was elected by the church as follows: George Hicks, Roy Atchison, H. L. Futch and J. T. Campbell. We cordially invite your attendance at all services.

W. M. S. Meets The ladies of the Women's Missionary Society met at the church at 2 P. M. Monday for their regular meeting. The meeting opened with the theme song, "How Firm A Foundation." Mrs. L. L. Slayden led in prayer, then the hymn, "Ready," was sung. Mrs. H. L. Futch led in prayer, before the business meeting. Mrs. J. T. Campbell, former president, resigned because of other duties and the following officers were elected: President, Mrs. George Hicks; vice-president, Mrs. Turner Burns; (Re-election); Secretary-Treasurer, and Corresponding Secretary, Mrs. L. L. Slayden. The president will appoint the committee chairmen at the next meeting.

A Dinner The following from this community attended a dinner in the home of Mr. and Mrs. Vance Hughes, of Duncan Flat, Sunday, September 15: Mr. and Mrs. Johnny Blakley, and daughters, Mable, and Doris Dell; Mr. and Mrs. Roy Atchison and children, Mr. and Mrs. George Hicks and son, Kenneth; Mr. and Mrs. Thurman Tooke and son, Howard Edwin; Mr. and Mrs. J. T. Campbell and children and Miss Norma Middlebrooks. A lovely dinner was served and a very enjoyable day reported by those present.

News Briefs Grandmother White who has been seriously ill for some time, died at her home Wednesday night. Funeral services were conducted Thursday afternoon at the Church of Christ and buried at Dickens cemetery. This reporter joins their many friends in sympathy to the loved ones who mourn her passing.

Misses Maxine and Ruby Lee Slayden, daughters of Mr. and Mrs. L. L. Slayden, left Saturday for Denton North Texas State Teachers College where they will enter for the fall semester.

W. M. Moore of McAdoo and Bernice Bilberry of Espuela, were in this community Sunday.

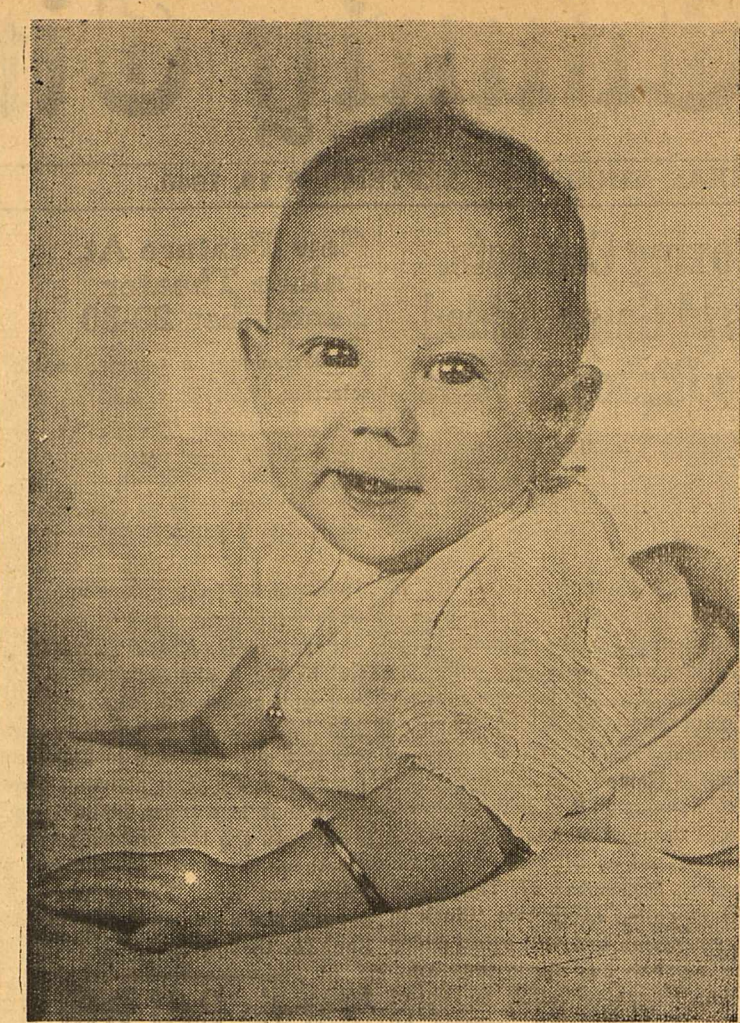

Several from here went to Spur Saturday to shop in the various stores and visit with friends.

Mr. and Mrs. Cecil Imel and family of Hall County, spent Saturday night with his sister and family, Mr. and Mrs. Toad Wiley.

Mr. and Mrs. H. L. Futch and family and Misses Freddie, Faye, and Unell Middlebrooks attended a singing at Steel Hill Sunday afternoon.

Several families from here attended the Primitive Baptist meeting at Afton last week.

Carol Ann, Baby Daughter of Dr. And Mrs. F. Cole of Houston, Died From Burns Received From Scalding Coffee

CAROL ANN COLE

Who passed away at 7:55 o'clock Thursday morning after suffering burns from steaming hot coffee spilled upon her little body Monday morning before. Funeral services were held at two o'clock Friday afternoon at the West University Place Baptist Church in Houston. Interment followed in a Houston cemetery with Hyde Park Funeral Home in charge of arrangements.

Carol Ann was the 9-months old daughter of Dr. and Mrs. B. F. Cole who live at 3755 University Boulevard in Houston. When the baby received the injuries the parents rushed her to St. Joseph's Infirmary where everything possible was done to save her life. Uremic poison complications set in which proved fatal.

Mrs. Cole is the former Miss Lora Cammack and was known here. She was reared at Matador and is the second daughter of Judge W. R. Cammack, and a niece to Mrs. W. D. Starcher. Dr. Cole taught school at Roaring Springs before leaving to attend medical college. Mrs. Starcher attended the funeral, returning home Sunday night.

Several years ago Violet Alleyen Storey wrote a poem, "Prayer For A Very New Angel," composing it in a few minutes shortly after a neighbor's baby was buried. She thought little of it at the time but since its publication in an obscure page of a national magazine she has received hundreds of letters from sorrowing parents, and sons and daughters, thanking

Panhandle South Plains Fair Adds New Attractions

It takes all kinds of people to make a world and all kinds of entertainment to please Fair patrons. "Attractions, with other Fair features, must advance with the times," announced C. E. Maedgen, President of the Panhandle South Plains Fair Association at Lubbock, "because Fair visitors are always demanding something new and different. We think we have just that thing for all who attend the 27th annual exposition in Lubbock, September 30 to October 5, inclusive," Maedgen continued.

In making their plans this year, fair officials considered an afternoon grandstand attraction which would please young and old alike and have at last signed contracts for an afternoon entertainment worth several dollars. All of it is to be free. Final announcement came late this week when directors announced in conjunction with free school children's days, a free grandstand performance each afternoon—big-time circus and vaudeville acts, clowns, animals and plenty of laughter.

As previously announced, the night grandstand attraction will be the \$200,000 federally-backed Entrada of Coronado, an hour and a half show worth ten times the price of admission. Over 1,000 persons are expected to be in the cast

playing their role on the world's largest stage. The stage is over 400 feet in length and the height of the scenery at the center is well over 800 feet. This immense stage setting is moved about on rubber-tired wheels running on large wooden tracks. Exquisite lighting effect, beautiful costumes, horses and real Indians will thrill you as you gaze in wonder at the true story of Coronado in his search for gold unfolds before your very eyes. Night grandstand admission is only twenty-five cents. Reserved seats and box seats will go on sale the last of next week.

SHOWER HONORED MISS LA FERN HAZLEWOOD TUESDAY AFTERNOON

Miss La Fern Hazlewood was honored with a miscellaneous shower at the home of Miss Marian Hale on Tuesday afternoon of last week. The event was a combined shower and announcement tea heralding her approaching marriage to John H. Carlisle, of near Lubbock.

Decorations were early fall roses in blue and white vases throughout the house, with the color motif repeated in plate favors of tiny blue and white wedding bells bearing the words, "La Fern and John—Sept. 15."

In the receiving line were Mrs. Henry Gruben, the bride-elect and her mother, Mrs. John Hazlewood, Mrs. John T. Carlisle and Mrs. Cecil Phillips of Lubbock, mother and sister, respectively, of the groom-elect, and Mrs. Laura Thomas, of West Point, Miss, aunt of the bride-elect.

Miss Jennie Shields read "The Bride's Prayer," and Miss Marian Hale read "The Wooing" from Longfellow's "Hiawatha."

Guests, after viewing the gifts, were served punch and cookies and olives from a lace covered table laid with a crystal punch bowl and matching cups and plates. Miss Constance Teague, of Hamlin, officiated at the punch bowl.

Hostesses were Mesdames Homer Cargile, John Adams, Bob Dixon, W. B. Lee, Bud Thompson, J. D. Powell, Henry Gruben, Homer Dobbins, E. L. Smith, and Misses Jennie Shields, Dot Taylor, and Marian Hale.

Pat Patterson, of Brownfield, was attending to business matters in Dickens Tuesday. Mr. Patterson once was a citizen of our town.

J. P. Middleton, of Lubbock, a representative of the United Fidelity Life Insurance Company, was attending to business matters in our county Tuesday.

Charlie Aull, of McAdoo, was transacting business and talking with friends here Saturday.

Bob Money, of Highway community, was greeting friends and acquaintances in our city Saturday.

Ferber Speaks For America

In a world that is rocked with dismay and riddled with confusion and doubt, it is good to hear an unfrightened, untrammeled voice ring out. When that voice speaks with an unmistakable American accent and evident American spirit, it is doubly welcome to ears that too long have been disturbed by sound and fury and not enough common sense.

Edna Ferber, great writer and greater American, speaks with such a voice in her article "Something to Believe In" which she has written for the October Cosmopolitan. Says Miss Ferber: "We are listening, listening for the high free ringing voice of America. We want to hear the united voices of the one hundred and thirty millions of citizens in the United States. They will speak as one voice because, except for a handful of weaklings, spies, traitors and paid henchmen, the whole land is thinking one thought. —Let me help to keep this country a free and vital land."

Miss Ferber goes on to decry the misuse of the word vitality as applied to the dictators of the world who go about huffing, and puffing, murdering, pilfering, burning. True vitality, that which is the birthright of Americans, is a force that builds, not a force that destroys. But even American vitality that is unused may become destructive. It must be harnessed to a useful, productive, building star if it is to save us all.

"We have allowed people and groups to revile our country and its institutions unfairly without lifting our voices in protest or refutation. They had, according to our laws, the right to speak. So had we the right to protest, but we were too lazy or too indifferent to do so. So their voices have grown louder, their tones more insolent, their abuse more vile."

Melburn Norris, of Childress, underwent an operation Sunday and is getting along all right.

MCADOO NEWS

McAdoo, Sept. 11—A meeting of the Women's Society of Christian Service was held at Plainview Tuesday of last week. In the morning the new organization plans were explained. Since the Methodist Churches have been united the Missionary Society will be re-organized and will be known as The Women's Society of Christian Service.

A review of the study books for next year was given in the afternoon. Those attending the meeting from the local church were: Rev. and Mrs. J. E. Baker, Mesdames E. C. Robertson, M. A. A. Graham, M. L. Vanderford, Lois Brownlow, C. Gollihar and Miss Opal Nickles.

Doris Egger and Billie Norris attended the South Central Jurisdiction Conference at Mt. Sequayah, Arkansas. Doris was selected as a delegate to represent the Northwest Texas Conference. The South Central Jurisdiction is composed of the following states: Texas, Oklahoma, Arkansas, Louisiana, New Mexico, Missouri, Kansas and Nebraska.

Doris and Billie gave a very interesting report of the conference in the local Methodist Church Sunday night.

A family reunion was held in the J. I. Chambless home recently. It was the first time the family had all been together in ten years.

Visiting their parents, Mr. and Mrs. J. I. Chambless, were Mr. and Mrs. Freeman Chambless and baby of Bakersfield, Calif., Miss Tommye Chambless of Bakersfield, Calif., King Chambless of Fresno, Calif., Mr. and Mrs. J. Russell Odor and children, of Cincinnati, Ohio; Mr. and Mrs. Bartos and family of Bomarton, Texas; Mr. and Mrs. Lindley Carter of Seymour, Mr. and Mrs. C. H. Beck of Phoenix, Arizona.

Mr. and Mrs. Chambless have seven sons and daughters and they live in four different states. Two sons and one daughter live in California, one daughter lives in Ohio, two daughters live in Texas and one daughter lives in Arizona.

Mr. and Mrs. J. H. Chambless of Santa Anna, California, also visited in the home. The men are brothers.

Mr. and Mrs. Jim Derr returned home Tuesday from a vacation trip. While away they visited in Lawton, Okla., and points in Texas. They were in Dallas and attended the Stamps Memorial Services. They visited their son, Jack Derr and Mrs. Derr at Irvin, Texas, and also Mr. and Mrs. Sam Derr of Hillsboro. Sam Derr is a brother of Jim Derr.

Mrs. J. D. Fox has been visiting her mother at Petersburg.

Mr. and Mrs. Winston Woffard of Olton were week end guests of Mrs. Woffard's mother, Mrs.

Sparkman and son. Miss Edith Neeley has returned to Abilene after spending some time here visiting in the C. C. Neeley home.

Mr. and Mrs. Norman Eldredge have been here to see their daughters, Mrs. I. J. Brantley and Mrs. Lawrence Fox and their families. Mr. and Mrs. Eldredge live at Mart.

Levis Pullen and Lewis Hickman have returned home from a vacation trip in the state of New Mexico, Juarez, Mexico and other places in Mexico. According to report, the boys feel much safer in the good ole U. S. A. than in another country. The boys also spent some time seeing the air maneuvers at El Paso. The airplane bombers and parachute activities were interesting to them it is reported.

Mr. and Mrs. John Holloway and children have moved into this community. They are living on the Dee Hairgrove farm.

Lee Griffin, student of Wesleyan College, Fort Worth, has been spending a few days vacation here with his parents, Mr. and Mrs. J. J. Griffin and family.

Charlie Baker of Lubbock, and a former grocery man in McAdoo, was a business visitor in McAdoo one day last week.

Miss Marcelle Miller, daughter of Mr. and Mrs. Bud Miller, is back at home after spending a vacation at Ruidosa, New Mexico, and Lubbock.

J. P. Meek, of Childress, was in McAdoo last week attending to business matters and visiting old friends and acquaintances.

Mrs. Moore and Miss Ovie Barton of Matador were visiting in McAdoo Monday.

Jim Derr made a trip to Brownwood Sunday to take his mother, Mrs. J. S. Derr, for a visit with her daughter, Mrs. John Anderson. She will be away several weeks.

Miss Katie Miller, who has been here visiting her parents, Mr. and Mrs. Bud Miller, has returned to Wassum to resume her work as a beauty operator there.

Mr. and Mrs. T. L. Dozier and daughter, Maude, and Mr. and Mrs. Clayton Snow, were Sunday guests of Mr. and Mrs. Cuger Wade of Spur.

Mr. and Mrs. Gene Bass were guests of relatives in this community Sunday, and attended services in the local Methodist church.

Miss Rosamary Hickman who spent several weeks in Muncie, Indiana with relatives and friends, has returned home. Miss Hickman is a teacher in the local school.

Mr. and Mrs. Wade Griffin and baby of Fort Worth, were week end visitors in the home of their parents, Mr. and Mrs. Roy Ward and Mr. and Mrs. J. J. Griffin. They returned to Fort Worth Sunday.

Mrs. Ivy Brown and daughters, Billie and Geneva, of Crosbyton, visited friends in the community Wednesday.

Louise and Jackie Carlene Wade of Spur, spent last week in the T. L. Dozier home. They returned home Sunday.

Ozie Owens accompanied his daughter, Mrs. Darrel Carathers, and Mrs. Corathers and baby to East Texas where they will visit relatives. They are expected to return home Tuesday of this week.

Chicks Are Safely and Cheaply "Mothered" by Electric Brooder

Allow at least seven square inches of hover space for each chick.

By IRA MILLER
Farm Electrification Bureau

PRACTICALLY every farm, regardless of size, has some poultry. Whether he raises little or much, or hatches his own chicks or buys them from a commercial hatchery, the general farmer as well as the poultryman must keep the baby chicks in some kind of a hover for an average of six to eight weeks.

Of course, the hen is the natural hover. But profitable farming demands more efficient brooding methods and, hence, numerous substitute hovers have been developed including those heated by coal, oil, wood, gas, steam and hot water. Because it has more advantages and yields results more nearly identical with Nature, the electric brooder is generally preferred wherever high-line power is available.

There are several reasons why the electric brooder is preferable to other types: Little time is required to install and adjust; fire hazard is practically eliminated; temperature is automatically and accurately controlled; less labor and attention is required; mortality is usually lower; overall cost is usually less; fuel need not be stored or paid for in advance; and it may be used under a wide variety of conditions.

Another important advantage of a well-built electric hover is that it does not heat the entire brooder

house as do those using other fuels. This fact promotes vigorous exercise among the chicks, causing them to develop faster, feather earlier and better, and to grow strong and sturdy. It also helps prevent cannibalism, toe picking and other brooder vices.

When selecting an electric brooder, the following points should be considered: Size and type; wattage, type and control of heating element; and insulation, construction and ventilation. Depending upon those factors, electric brooders vary in price from about \$8.00 to \$90.00, with the average hover type selling around \$40.00. In the final analysis, it usually is cheaper to buy a more expensive unit as, because of its superior construction and insulation, it will give better results, last longer and have lower operating costs.

The amount of electricity required by an electric brooder depends upon several factors: Outside temperature; construction of brooder house; brooder temperature; type, construction and insulation of brooder; number of chicks; and management. However, the power used in a six-week brooding period during March, April and May varies from 0.5 to 1.5 kw.-hr. per chick. At the three-cent rate, this gives a brooding cost of from 1.5 to 4.5 cents per chick, with the average approaching the lower figure.

Full information on electric brooding can be obtained by writing your state college or university, or from the manufacturers.

Program Committee Meets

The Home-Making Club program committee met Monday after school and finished plans for the club year book. The book will be made by the typing classes after the club approves it.

After the year book plans were completed the committee, Della Dean Baxter, Helen Kelly, Bobby Randolph, Pauline Fore and Mrs. Jeffers went to Spur to see "Andy Hardy Meets Debutante." Achievement Day Tour Set For September 14

The summer project girls will meet Saturday morning at 8:00 to start a tour of all the projects. Each girl will score each project in the home.

The group will visit the following girls in their homes in the order listed: Avelyn Osborn, Purnie Marie Elkins, Helen Hotchoo, Calie Sedwick, Lorene Sedwick, Eva Lee Goolsby, Louise Riggsby, Helen Kelly, Johnnie Ruth Belcher, Hazel Hill, Ada Lou Robinett, Melba Robinett, Jean Byars, Sue Loe, Lola Drennon, Margie Randolph, Jackie Young, and Mozes Cates.

Each girl has finished one hundred hours in Homt-Making problems during the summer months.

Twenty-One Varieties Canned

Canned pineapple, peaches, green grapes, wild plums, apples, tomatoes, beets, snapped peas, shelled peas, snapped beans, cream peas, and okra. Pickled pepper, peaches and apples. Peach jam and plum butter. Tomato chili sauce and sandwich spread may all be found in Purnie Marie Elkins' pantry for winter use. In 1939-40 she has canned 190 quarts of fruits and vegetables, made two tacked comforts and learned how to make yeast bread for her family of seven.

Jeff Simth, of Dry Lake, was looking after business affairs here Saturday.

Mrs. Bobbie Pope journeyed to Henrietta last week to spend some time with her mother.

Mrs. J. O. Winsler left last week to visit her mother in Gainesville.

Buying And Making Good Coffee

By Katharine Fisher, Director, Good Housekeeping Institute

You cannot make good coffee unless you start with a good blend—one that suits your taste. Try out a number of brands to find out the one you like best.

Fresh coffee, one that has plenty of real coffee flavor is just as important as a good blend. Unfortunately, coffee is perishable. Oxygen of the air destroys flavor formed by roasting and finally produces the stale flavor.

There are just two ways of insuring your purchase of fresh coffee. Buy it in a vacuum-packed container, or in a container that specifies the date.

After you have chosen the blend you like, use it correctly by measuring it carefully with a level standard measuring spoon. Use the standard eight-ounce measuring cup for water—not a serving cup.

Use a very fine grind of coffee for the vacuum-drip type coffee maker. Other types generally perform well with the "drip grind."

HOW TO BE YOUR OWN DECORATOR

By Helen Kousa, Director, Good Housekeeping Studio

Camps and Playrooms

Not so very long ago, I did suggest in this column, various ways to decorate your camp. Letters, however, still ask for more ideas as well as ideas for the winter play room.

Here the fabrics, the curtains which shut it off, the decorations on the wall, the rug, and the bedspread are of Indian character and most effective for such use.

Use the same striped band as a cornice across the top. The small curtains should be of a solid color appearing in the stripe and the bedspread could be of striped material.

An alcove off the main camp room may be curtained off with unbleached muslin with gay striped applique

Making Your Jellies Jell

By Katharine Fisher, Director, Good Housekeeping Institute

It is the pectin in fruits that makes jellies jell. But unfortunately, every fruit contains a different amount of pectin; some fruits have very little.

Today most of the risks are matters of the past. Now a natural fruit pectin, in liquid or powder form, is available at your grocer's.

There's still another method of making jelly more successfully. It utilizes a special glass, tubelike device now on the market.

In using fruit pectin for jellies it is most important that you follow exactly the manufacturer's directions and recipes which accompany every bottle or package.

Housekeepers sometimes question the need for what may seem an excessive amount of sugar in recipes using fruit pectin.

Be sure your jelly kettle is large enough so that the jelly or jam has room in which to boil hard.

Should jelly glasses be sterilized before using? No, but be sure to wash them, as well as the tin covers, thoroughly in hot soapy water.

Fill the glasses only to within 1/2" of the top, so that there will be a space between the paraffin and the tin or paper covers.

Paraffin your jellies immediately after filling the glasses. Mold spores in dust on the surface of jellies may cause them to spoil.

Melt your paraffin in a small teapot set in a pan of hot water which is kept hot by low heat on the top of your range.

Should old paraffin be used a second time? No, it is always better to use new paraffin, unless thoroughly washed in boiling water immediately after removing from the jelly glass, and then stored in a covered container.

Don't worry if your jellies fail to set immediately. Many jellies grow progressively firmer for a week to a month after being made.

How To Be Hostess, Cook And Waitress, Too

By Katharine Fisher, Director, Good Housekeeping Institute

No one finds it easy to play the gracious hostess when she must double in the roles of cook and waitress, too.

SAVING ON DISHES. Arrange vegetables on one platter or other plate, as, for example, buttered peas in center and broiled tomatoes around them.

SAVING STEPS. Use a tray or tea wagon for setting and clearing the table, etc. Keep extra bread, the butter, water, silver and dishes for later courses on a small table or tea wagon conveniently near your end of table.

SAVING TABLE SPACE. Arrange the food on a buffet or side table, so that everyone can help himself and carry his own plate to the set dining table.

SAVING TIME. Plan menus of fewer courses that are easy to serve. Choose dishes that can be cooked early in the day or the day before, and kept in the refrigerator until mealtime.

Woman's Society of Christian Service Organized Here

The Women's Society of Christian Service of the Methodist Church was organized last Monday afternoon with 26 charter members present.

The new organization was presided over by Rev. J. E. Harrell, pastor, who stated that the purpose of the organization of women is United Methodism.

The enrollment ceremony was conducted as the women registered in six groups expressing their desire to become members of the Woman's Society of Christian Service.

The following officers were elected: President, Mrs. C. H. McCully; vice president, Mrs. Hollis Atkieson; Corresponding Secretary, Mrs. Vernon Campbell; Treasurer, Mrs. J. C. Payne; Secretary of Missionary Education and Service, Mrs. D. P. Condit; Secretary of Church Social Relations, and Local Church Activities, Mrs. M. A. Lee; Secretary of Literature and Publication, Miss Etta Fite; Secretary of Supplies, Mrs. J. R. Laine; Secretary of Student Work, Mrs. C. O. Fox Jr.

The President of the organization presided for the remaining part of the meeting. She read the charge saying "We must look to the future not to the past. Glorious as have been the achievements of the past, they are stepping stones by which to rise to greater heights."

The President is to be the delegate to the conference meeting in Memphis, October 10 and 11.

Mr. Gaylor was associated with the Ward Funeral Home for several months. He is associated with the Sullivan Furniture Co., at Granger where he assumed his duties September 1, and where they will make their home.

"The Return of Frank James" Said To Be Top In Thrills

Filed in spectacular Technicolor, the exciting and stirring climax to the daring exploits of the world's most famous outlaws, "The Return of Frank James" plays at the Palace Theatre Preview Saturday night and Sunday and Monday. The millions of moviegoers who thrilled to last year's "Jesse James" will find this new Darryl F. Zanuck production even more colorful and action-packed. These same millions will also find many familiar faces in the cast, for "Jesse James" players fill most of the important roles.

Henry Fonda, who created the part of Frank James, Jesse's grim older brother, is cast in the title role. Others appearing in the production, who were also featured in "Jesse James" include Henry Hull, John Carradine, J. Edward Bromberg, Donald Meek, Ernest Whitman, Charles Tannen and George Chandler.

The cast is completed by Gene Tierney and Jackie Cooper, who are featured, and such popular favorites as Eddie Collins and George Barbier.

The story of "The Return of Frank James" is the story of Frank's determination to avenge the cowardly murder of his brother who was shot in the back by the traitorous Ford brothers. Railroad money was paid the Fords, and a gubernatorial pardon set the Fords free after a jury had convicted them, so Frank realizes the only way he can revenge Jesse is to return to outlawry.

Ruling Elder J. W. Meadows and Rev. John C. Ramsay, pastor, represented the Presbyterian Church of Spur, at the Fall Meeting of Fort Worth Presbyterian last week. They left Tuesday morning and returned Thursday morning. The Presbytery met in the Oakhurst Presbyterian Church, Fort Worth. Each church, they report, is one of the youngest organizations in the area, yet one of the most promising. They report a majority of the 25 churches were represented by both lay and ministerial representatives and that a most enthusiastic meeting was held.

School Trustees Entertained Local Teachers

Tuesday evening at seven-thirty the School Trustees entertained the teachers of all three schools with a garden party at the home of Mr. and Mrs. W. C. Gruben.

A lively evening was enjoyed by all who were present, and games of dominoes, 42, and Donkey, furnished the chief entertainment. Refreshments of ice cream and cake were served to Messrs. and Mesdames: O. C. Thomas, O. L. Kelley, Cecil Ayers, John C. Ramsey, John King, S. M. Newberry, W. F. Young People Of Presbyterian Churches To Meet

Saturday, September 21st, from 10:30 A. M. until 3 P. M., there will be the Fall Rally of the Kingdom Highways Young People's Leagues, District No. 3. Miss Rebel Hope, Abilene, presiding chairman. Young people from Abilene, Anson, Rule, Rochester, Haskell, Graham, Sweetwater, and Rising Star will come with their Adult Advisors to represent their Leagues. Mrs. Martin Singleton Director of Religious Education for Fort Worth Presbytery will be one of the main speakers. Rev. M. H. Applewhite, Clifford W. Williams, and Shirley C. Guthrie will have parts on the program. This Rally will take place in the Presbyterian Church at Spur.

Luncheon will be served by the Women's Auxiliary in the Park at 12:30. All young people of the Spur Church are asked to be on hand to welcome the visitors and to enjoy the inspirational messages in these conferences. Those expecting to eat at the luncheon are requested to either phone Mrs. Pauline Clemmons, President of the Women's Auxiliary, or the pastor at No. 276, not later than Thursday noon.

Mr. and Mrs. J. A. Garrison, of Red Mud, were in town Saturday doing some trading and greeting friends.

E. J. Bilberry, of Espuela, was transacting business here Saturday.

Beauty Reaches All-Time High in New '41 Chevrolet

Completely new styling joins with numerous mechanical improvements to make the new 1941 Chevrolet, now on display at all dealers, a worthy successor to the cars which have earned first place in public favor year after year. The greater size and roominess of the new models, as well as their sleek new beauty, are apparent in the Special De Luxe Sport Sedan, shown above.

At (2) is shown the spacious interior of the same model's rear compartment, and at (3) is its front compartment, showing two-spoke steering wheel with horn-blowing ring, new sliding-type sun visors, and smartly re-styled dash.

One of the major changes is substitution of concealed safety-steps (4) for the running boards of other years, an improvement adding to the car's beauty without sacrifice of the safety and convenience which running boards provide. At (5) is the six-cylinder Chevrolet valve-in-head engine for 1941, in which many refinements have been made. Horsepower is increased from 85 to 90 without affecting economy; and cooling, lubrication and carburetion are all improved. In circle is the new switch which reverses the ignition current polarity each time the starter is operated, indefinitely prolonging the life of distributor points.

Spur Schools Make Fine Progress

The health and physical education division of our schools has an enrollment of 235 girls and almost that many boys. Miss Marie Simpson has charge of the girls in this work, and all the pupils seem to be thrilled with their courses.

They offer gymnastics, tumbling, basket ball, volley ball, tennis, baseball, marching, folk and tap dancing and many floor games. Girls dress in blue gym suits with white socks and white tennis shoes. Miss Simpson instructs the girls in both the Junior High School and the High School in this work.

Commercial Department
There are 125 pupils enrolled in the commercial training department. Mrs. Almie Harris is the instructor and the classes seem to be greatly interested. They are offering typing, short hand, book-keeping and commercial arithmetic. This course is one of the practical courses in our high school work.

Home-Making Department
Miss Ethel Green stated this week that 80 pupils have enrolled for Home-Making courses. They are offering first and second year work this year but will offer third year work next year. First year girls are practicing personality and personal development, and the second year girls will do food preservation work for their first unit.

New Pupils in Junior High
Eugene Walthall is a new pupil in the Junior High School, having enrolled this week. He is getting adjusted and seems to be starting off fine in his work.

The teachers in the Junior High school seem to be greatly pleased with their new quarters. They seem to think that working conditions are much better than they were last year in the old building.

EAST WARD NEWS

AA New Teacher
Mrs. S. M. Newberry has been selected as teacher in the first grade in the East Ward building. Mrs. Newberry has been teaching at Dry Lake and holds a B. A. Degree from Texas Technological College. The First Grade at East Ward has about 75 pupils enrolled in the three divisions.

All rooms in the East Ward have been newly refurnished and new

fixtures have been placed in each room. The teachers are hoping for a new covering for the hall floors which will keep down noise caused by people walking through the hall. Also, there is a great need for more drinking fountains at that school.

Program Every Friday
The teachers and pupils have arranged for a program to be given every Friday afternoon at 1:30 o'clock. Parents are requested to be at these programs. In fact, this is a good time to visit the school and might give the parents the best time to observe the work of their children and cause less disturbance. Teachers are hoping parents will come at this time. The clubs will be in charge of the program next Friday afternoon with their Cub Master, J. R. McNeill as leader.

Rhythm Band Soon
The East Ward will have a Rhythm Band in the near future. Mrs. E. D. Engleman will serve as director and Mrs. Carl Patton will be the pianist. The pupils of East Ward are good musicians.

No Morning Play Hour
There will be no play hour at the East Ward school before the opening of school. The bell will ring at 8:30 o'clock and all pupils on the grounds are expected to go to their respective rooms and study. Teachers will be in the rooms at that time to assist pupils with their work. Children are not counted tardy until 8:50, but there will be no playing on the grounds before school in the morning. It is best that pupils not arrive at school before the 8:30 o'clock bell.

Library Period
The Library period at the East Ward will be started the last of this week, possibly today. W. G. Johnson is librarian and he has moved to be very efficient.

P. T. A. Room Mothers Selected
The Parent-Teacher Association for the East Ward School meets the second Tuesday in each month at two o'clock, P. M. The teachers and pupils have selected their room mothers, there being four for each room. They are:

Miss Veatcher's Room—Mesdames Henry Simmons, Dee McArthur, Dan Merriman, and Chapel Reese.
Mrs. Engleman's Room—Mesdames L. S. Wilson, S. C. Booth, J. H. Miles and Horace Wood.
Mrs. Newberry's Room—Mesdames Ollie Hindman, V. L. Graves, Richard Gibson and P. T. Thomas.
Mrs. King's Room—Mesdames Joe McDaniel, J. D. Hopkins, J.

I took a walk, as people do,
 To give me time to think of you.
 I found a poem in my head,
 But it was words that you had said,
 I tucked the poem in my heart
 To comfort me when we must part.
 Now if you go, or if you stay,
 I have you with me night and day.

A MESSAGE OF APPRECIATION

To each and every person who has had an interest in helping me to attend Hardin-Simmons University, I am very grateful.

First to Dr. W. R. White for the scholarship he gave me, then to each church in the county which contributed money to pay my expenses, and to each person who had a part in that contribution; to Brother Joyner and Mrs. P. H. Miller who helped me to find a place to stay; to Mrs. T. J. Seale and the W. M. U. women of the county who gave me such a lovely shower; and everyone else who gave me gifts that, otherwise, I would have had to buy. To Mr. and Mrs. R. C. Alexander of Afton, and all of my other good friends in Dickens County, I am grateful and I appreciate every interest you have shown in me. The opportunity you have given me in representing the Dickens County Association is, indeed, an honor, and I'm happy to represent you—my Christian friends. I pray that God will bless each of you for giving me this wonderful opportunity. I need all of your prayers to help me to be worthy of your sacrifice.

Panhandle South Plains Fair Tickets To Go On Sale Soon

South Plains Fair Directors announced early this week that an advanced ticket sale would begin immediately and continue until Saturday, September 28, thereby giving residents of the South Plains an opportunity of securing special rates to visit their Fair.

Tickets have been placed on sale in Lubbock and other places at a special price. Regular fifty-cent single admission tickets, four to a strip, are being placed on sale for \$1.00—a regular \$2.00 value. The regular 50c front gate admission will remain the same, officials declared. The special bargain sale makes the cost of the tickets only 25c. This special advance ticket sale will be in effect until Saturday, September 28. After that time the regular admission price will be in effect. All those interested in securing these bargain tickets may do so by writing the Panhandle South Plains Fair Association, Lubbock, enclosing a money order or bank draft in the correct amount. No tickets will be sold under \$1.00. Each person

may buy as many tickets as he or she desires.

This special sale will make possible attendance at the Fair by hundreds of South Plains families who heretofore have not been able to attend as many times as they would like.

BULLDOGS LOSE HARD FOUGHT GAME TO OLTON 13 TO 0

Bulldogs Impressive Even In Defeat; Fans Elated With Stubborn Defense Work Of First-Year Gridsters

Although the Spur Bulldogs went down in defeat in their first game Friday night, all will have to agree that they put up a valiant fight in the face of great opposition. The score was 13 to 0 in favor of Olton who won the district, bi-district and went into the regional contest last year. Olton retained seven letter men on their team this year and had practically all of their old backfield of last year in the game this year. Spur Bulldogs are practically new, having only seven men back from last year and very few of them letter men.

Spur kicked to Olton at the beginning. The ball went out of bounds between the goal posts and was brought back to the 20-yard line. Olton made three first downs and suffered a fifteen yard penalty and the ball went over. Spur made one first down and was going good when a fumble cost the Bulldogs six yards loss and they kicked to Olton's 32-yard line.

Olton made three first downs, but a fumble cost them the ball at Spur's 31-yard line. Spur failed on first down and kicked to Olton's 31-yard line. Olton made two attempts with no gain. However, Spur suffered a 5-yard penalty which encouraged Olton to go over for a first down. Olton completed two more first downs, and then made an excellent run of 20 yards, but the play was called back and Olton given a 5-yard penalty for being off side. Olton completed a pass for four yards, lost three yards on the next attempt. Olton suffered a penalty of five yards for being off side, then made a 5-yard gain. Olton made a 6-yard gain to complete a first down.

Olton then got in earnest and kept going through the line and

making end runs, completing first downs until they went over for their first counter. Spur substituted two players and Olton made one substitution. Olton plunged over for the extra point.

Spur received and returned to their 31-yard line. Failed on pass. Gained 7 yards and then 4 yards for first down. Was at 42-yard line as quarter closed.

Spur received and ball was brought back to 20-yard line. After two attempts at passes had failed, Powell went through for 31-yard run to put Spur in good position again. Spur made gain and then tried a pass which failed. Spur lost four yards and kicked to Olton's 30-yard line. Olton made four yards and two yards and completed pass for 20 yards. Olton made 23 yards, then failed on pass. Olton made six yards, two yards and ten yards to complete first down. Then with a long left end run Olton went over for goal. They plunged over for the extra point but were called back, and failed the extra point on an end run. The game was 13 to 0 in favor of the Mustangs.

Spur received at their 18-yard line, made 9 yards and 6 yards to complete first down. Olton substitutes two men. Spur six yards and then 20 yards for first downs, then 11 yards for another first down. Olton substitutes two more men. Spur goes ten yards for a first down, and another ten yards for a first down. Spur lost four yards which put them back to Olton's 11 yard line. Spur made one yard then tried for pass which was incomplete. Failed on goal at Olton's 10-yard line.

Olton kicked out of danger and Spur recovered. Spur completed pass for six yards. Pass failed,

Spur made three yards and then failed on first down. Olton's ball at 30-yard line. Olton lost one yard, then gained 16 yards on run. Olton gained 6 yards, 5 yards, 5 yards, 5 yards and then were halted with no gain. Olton gained 13 yards and one yard and the Bulldogs suffered 5-yard penalty, placing the ball at the Bulldogs' 12-yard line. Olton lost one yard and then lost five more. Olton made ten for first down. Olton gained four yards and four yards and one yard, and the ball was on Spur's one-yard line when the gun fired.

The above is not just every play, but the main plays to show the results of the game.

Country Roads Show Increase In Traffic Accidents

According to reports sent out by the Traffic Department of Texas, accidents and deaths on country roads how an increase of 27.19 per cent. This is the only feature of travel in Texas that shows an increase in accidents and deaths for the past seven months. All other features of travel in Texas show a decrease as follows:

- Accidents in cities decreased 5.15 per cent
- Deaths by accidents in cities, decreased 1.97 per cent
- Accidents in towns decreased 19.61 per cent
- Deaths by accidents decreased 18.18 per cent
- State Highways, decreased 2.84 per cent
- Deaths decreased on highways 1.39 per cent
- Deaths caused by accidents in all types of travel by automobiles and trucks in Texas showed a general increase of 1.14 per cent, but this was due to the increase of deaths by accidents on country roads.

Mr. and Mrs. Archer L. Powell, of Dry Lake, were doing some trading and greeting friends here Saturday.

LITTLE HULA

Favorite hobby of Lenore Wenzel, tiny 19-year-old tap-dancing beauty shown above, who will be seen with the Rubin and Cherry Shows at the State Fair of Texas, Oct. 5-20, is jitterbugging. Lenore who is only 39 1-2 inches tall, admits, however, she has difficulty finding a partner short enough for her.

The petite entertainer, whose body is as shapely and well proportioned as that of any girl, has a 20-inch waist, a 24-inch bust measurement.

IN MEMORY OF LITTLE KENNETH DALE BILBERRY

Gone from this world to a better one on high,
Where there is joy and peace and never a sigh,
Tho' we miss the smile on the little face,
Yet we are happy to know he is in a peaceful place,
Where no sorrow or care can ever enter, or even pain,
But joy and happiness in the new life is his gain.
His little playmates miss his chat and laughter gay,
And wonder why he was taken away.
We hope in time to come they can understand,
That "Snookie" as they knew him, has joined the happy angel band.
Then as they grow older may they realize that he in Heaven,
And prepare to meet and love him as when he left at the age of seven.
Dear father, mother, sister and brother, you miss him every day,
You are sad and heavy hearted to have him gone away.
Let your hearts become lighter as you think of him at rest,
And say, "Yes, Blessed Savior," You always know what's best.
Then as we all travel the rough and rugged way,
Pray and prepare to meet him yonder some glad day.
A friends,
Mrs. Lee Williamson.

Daughters Of 1933 Study Club Met With Miss Shirley Powell

Miss Shirley Powell was hostess to the Daughters of the 1933 Study Club on Wednesday of last week. Members answered roll call with names of women who have made the federation.

Lavoris Lee gave an interesting address, "What is the General Federation of Women's Clubs?" Allie Beth Arthur spoke on a valuable club topic, "Why Is Our Club Federated?" and Shirley Powell gave Federation News.

After this program fifteen members were served rich sandwiches with punch and cookies.

Mr. and Mrs. G. W. Bennett, of Elton, were greeting friends here and doing some trading Saturday.

We Feel Congress Is Too Slow

The selective draft bill seems to have been delayed for two months by the action of the Congress. We feel this action is both unfair and constitutes too much delay. It is unfair because it seems to be the hope of members of Congress to fill the 400,000 army enlistment with men from the poor families. It seems to be the hope of Congressmen that all boys who are now without jobs, all of said boys coming from the more unfortunate families, will enlist and fill this quota and sons of the rich will get to remain at home and not have to serve their country. Such pussy-footing usually creates a bad taste in the mouths of patriotic citizens, for all feel that everybody, rich and poor, great and small, should stand ready and be willing to protect a country and a government which gives us the freedom we enjoy.

Congress has shown they are too slow in their thinking, because at times like this, no one knows what is coming up in the future.

We feel that England will never have to yield to the Nazi forces now because they have had time to hedge against Germany, but should Germany win, what would be the condition of America? The President is right when he says we should get ready to protect ourselves whether we need that protection or not. It is not going to do our people any injury to accept and do military service as a peace time preparation. It is only fair that everybody's boy do this service, because if we must need to go to war, it is going to be everybody's job to be prepared to do something to assist in winning the victory. The sixty days delay caused by Congress in this draft act is sufficient time to start preparations for a good sized army of trained men. Japan seems

to be ignoring our country's entreaties because Japan feels that we cannot, at this time, put up much of a fight. If our army, navy and air forces were what they should be, Japan would think three or four times before she would ignore a request from our State Department. Let's get started in these preparations.

Stockholders Of Spur National Farm Association Met Here Last Saturday For Annual Report And Election

The stockholders of the National Farm Loan Association held their annual meeting at the Spur Theater Saturday morning. F. W. Jennings, the president, was in charge of the meeting. He asked the secretary to read the code of ethics of the organization. The president then introduced the directors who stood up to be recognized. They were Joe Rose, George Sloan and R. R. Wooten. One director, H. O. Albin had passed away during the year, and the audience stood for a minute in due respect to his memory.

The minutes of the last meeting were read and approved. The minutes showed that 146 members were present one year ago. At the meeting Saturday there were 256 registered.

A nominating committee composed of C. A. Witt, who was the chairman, C. C. Halle and M. E. Tree, was selected to recommend members for two directors. They reported in favor of G. A. Sloan and J. L. Karr. Nominations were called for from the floor by the president, but no one was recommended and Mr. Sloan and Mr. Karr were elected by acclamation. The directors elect their officers for the year.

The financial report and other reports were read and approved. These reports showed the organization to be in excellent condition.

Visitors were recognized, among these were: J. H. Weatherbee of Floydada, M. S. Patton and Mr. Rusing of Matador and a number of local people, friends of the association.

Miss Cletus Clinton, a 4-H Club girl of East Texas was introduced and asked to make a short talk. She has been working for the Federal Land Bank during the summer. Miss Clinton gave her experiences in 4-H Club work and related how her work changed the home life of her family. She said she is a country girl and glad of it. She loves the farm and farm life, and gets more thrills from doing things on the farm than anything else she ever did in her life.

Joe Breed, a West Texas boy, now assistant secretary for the Federal Land Bank, made a short talk giving a short history of the Spur Farm Loan Association. He stated that the founding of the organization went back to President Wilson's administration, who appointed a committee to go abroad and study farm loan conditions in Europe. This resulted in the organization of the Federal Land Bank and in 1922 the organization of the Spur Farm Loan Association. The purpose of the organization is to give the farmers an opportunity for funds at a cheap rate of interest and with sufficient time to pay larger sums of money.

He stated that funds for the Federal Land Bank are secured by the sale of bonds which must be secured by good collateral. He stated that in proportion to the way farmers meet their farm loan payments is just how strong the credit of the Federal Land Bank is made. He said this is the farmer's organization for cheaper funds, and it is up to the farmers to keep its credit good. He stated that the Bank at Houston has always been on sound basis due to the promptness of the farmers who secured loans in making their loan payments.

J. N. Neblett, of Matador, regional appraiser was asked to make a talk. He stated that he hoped his services would always be helpful to the people, and when he could help them, he wanted them to call on him.

James B. Reed, the secretary-treasurer, expressed the appreciation of the organization to C. F. Hardwick for the use of the Spur Theater for the meeting. He announced that a good double program was being given at the Palace and those who would be in town could enjoy themselves there in a nice comfortable place with a good entertainment.

Then a picture of farm life was shown through the courtesy of the Federal Land Bank. Miss Clinton explained the pictures as they went on the screen. One farmer in the audience recognized one farm home as that of a cousin of his and stated that he knew the picture was true.

The meeting was very instructive to all who attended.

MRS. ANDREWS ENTERTAINS

Mrs. W. T. Andrews entertained the Thursday Breakfast Club at her home on Trumbull Street last Thursday morning at eight thirty. The guests were served a fruit plate, scrambled eggs, bacon, little pig sausage, and Southern Spoon bread. Decorations were early fall roses placed through out the house.

After the breakfast a delightful morning of bride was enjoyed by Mesdames Ty Allen, M. C. Golding, C. H. Elliott, G. L. Jennings, O. C. Thomas, Neal Chastain, and L. E. Standefer.

CARD OF THANKS

With grateful hearts do we wish to thank our many friends who so kindly and lovingly did so much for us during the sickness and death of our loving mother, for each kind word, deed, flowers, and food, we thank you. Your manifestations of love could not have been more, and we wish for God's richest blessings upon each and everyone of you.

Dickens School Has Good Interest

Dickens City schools seem to be enjoying the best interest in years. Teachers say that pupils are taking more interest in their work and there is a greater cooperation from the parents than has been known before.

Football Friday Afternoon
The Dickens Owls are to meet McAdoo on the McAdoo field Friday afternoon at two o'clock in a game of six-man football. This will be the first game of the season for both teams and it is expected to be a hard-fought battle. Dickens will be strengthened with Joe Ousley as quarterback.

P. T. A. Meeting
The Parent-Teacher Association for the Dickens schools held their regular meeting last Thursday evening with an excellent attendance. It was designated as Fathers' Meeting and a prize was offered to the grade that secured the attendance of most fathers. The Second Grade won the prize.

Choral Work Being Started
The grade pupils in Dickens schools are doing excellent work. A choral club is being organized in the grades. Dickens won honors last year in this work and was awarded a trophy for their fine work. Miss Erna Mae Newman is in charge of this work and will be assisted by the piano teacher. The choral club went to Childress in May to the music festival.

Speaking of the piano teacher, Dickens has a new teacher for this work. Mrs. J. C. Smith is in charge of that work and has a nice class built up. Other pupils are preparing to start piano soon.

Study Texas
The Sixth and Seventh Grades of the school are making a special study of Texas at this time. They are securing products and describing where these products are produced in the state. Also, they are preparing a products map of the state showing where the different products are produced.

Home-Making Department
This department is in the charge of Miss Mabel-George Tanner, a graduate of Texas Technological College. They are offering first year work and third year work this year. Pupils who are taking third year work, did the second year last year. Second year work will be offered next year and those who do first year work this year, will do second year work next year. This enables pupils in the work to secure three years during their high school career.

Funeral Services For J. A. Bird At Post Wednesday

Funeral services over the remains of J. A. Bird were held Wednesday afternoon at three o'clock. Rev. Grable, pastor of the Methodist Circuit at Post, was in charge of the services. Interment followed in the Post cemetery with Davis-Mason in charge of arrangements.

Mr. Bird passed away about 3:35 o'clock Tuesday morning in a Lubbock sanitarium. His first illness was heart trouble and later pneumonia developed which proved fatal.

He is survived by his widow and the following children: Al Bird, Charlie Bird, Richard Bird, Mrs. Mary Fumigalli, all of Post; and Shirley Bird, 4, at home. Also two step children survive, one being Mrs. Richard Bird. One brother, C. D. Bird, of Matador, and an aunt, Mrs. W. P. Laramore of Georgia, survive.

Mr. Bird was born in Arkansas December 20, 1868, and would have been 72 years of age next December 20. He came to Texas when a very small boy and has been in West Texas fifty years. He was very successful in business and acquired quite a great deal of property.

Mr. Bird was a loyal member of the Methodist Church, and always wielded an influence for right in everything. Although most of his life was spent as a cattleman in West Texas, yet he always realized those great things in life were the most beneficial. His method of fair dealing with his neighbors won for him the confidence of all who knew him, and his record as an honest man was always linked with his name wherever mentioned.

Scout Committee Held Interesting Meeting Thursday

Member of the Troop Committee for Troop 35 of Boy Scouts held a conference last Thursday afternoon. The meeting really developed into a Troop Council meeting before all business had been completed.

George S. Link, chairman of the Eastern District Council, presided and there was a very snappy discussion relative to Scout activities of Troop 35 and in the town as a whole. M. C. Golding reported on the financial conditions and they do not seem to be in as good condition now as they should be. However, the committee formulated plans to bring this matter up to proper condition.

W. F. Godfrey gave a report on camping activities stating that the members of Troop 35 have really been going out camping this year. W. N. McCombs, Assistant Scout Master for the Troop, reported on Troop Accomplishments, and it looked as if those boys have really been doing things. He reported on the summer camp and the district and council swimming contests and it seems that Spur Scouts held a fine lead over other troops in the Council.

O. C. Arthur, who is the Health and Safety member of the Committee, made some timely remarks along that line of work. He stated that something should be attended to whether they are thought important or not, and that the health of children should mean much to us.

O. C. Thomas, who is the advance member of the committee, stated that a Court of Honor should be held at once. Mr. Link, as district chairman, called that Court of Honor to be held Monday night, September 23, at the grove at the rear of the Methodist Church.

The committee had the pleasure of having J. C. Grimes present at the meeting. Mr. Grimes is the new regional executive of the northern region of the South Plains Council. He is just a new man on the field but he is active and knows his business. He made the committee for their interest in a short talk and secured a report on the work, and then commended the work.

Members of the committee present were: W. F. Godfrey, George S. Link, M. C. Golding, O. C. Thomas, O. C. Arthur, and W. D.
