County Producers of Middling Cotton May Secure 1940 Crop Loan From Gov't.

Dickens County cotton farmers who produce middling cotton of 15-16 staple length, may place their 1940 crop under Government loan at 9.38 cents apound, Joe M. Rose, chairman of the Dickens County AAA Committee, announces this week. Loans will be available until May 1, 1941.

Loan rates for all eligible grades and staples have been established by the Commodity Credit Corporation. They're on a net weight basis, which makes them average 40 points over commercial quotations. Premiums and discounts vary with each grade and staple length.

For example, the rate on middling 7-8 inch cotton is one-fourth of a cent less than for 15-16-inch middling, on which the loan rate is based, while one-inch cotton of the same grade will bring one-fourth of a cent more. Middling 1-1.8 inch cotton is one and a half cents above the basic rate.

All cotton submitted for the loan must be classed by a Board of Cotton Examiners of the United States Department of Agriculture, whose decision will be final. Cotton produced in this county will be sent to the office of the Agricultural Marketing Service in Lubbock, for classing.

To obtain a loan, a farmer delivers his cotton to a warehouse which has been approved for handling loan cotton. The warehouse man sends samples to the classing office, and, upon receipt of their report, inserts in the loan forms the grades and staples of the cotton. The farmer then takes his loan forms and his warehouse receipts to a bank or other lending agency and receives his cash advance or cotton loan.

The regulations under the act require that the cotton buyer's records contain the following information: (1) the name and address of the producer; (2) date of purchase; (3) original gin bale number; (4) weight of the bale or the lot of cotton purchased; (5) amount of penalty collected, if any; and (6) the serial number of the marketing card of certificate by which the cotton was identified when marketed.

"The buyer must always examine the marketing card," Rose said. "If the producer does not show his card, the buyer must make a report to the County AAA office, and remit with his report the marketing penalty of 3 cents a pound on the entire amount sold. If the card's serial number is not on the record, it is assumed that the buyer did not see the card and he will be required to submit the report and pay the penalties due."

Dickens Owls Play Patton Springs Friday, 2 P. M.

A game of great tension will be played between the Dickens Owls and Patton Springs at two o'clock Friday afternoon. This will be a Six-Man football game and any one who enjoys football will get a thrill from this game. Six-Man football is much faster than regular football and there are lots of thrills in every play.

Dickens defeated the Roaring Springs Yellow Jackets 47 to 6 last Friday. Merle Futch carried the ball over for four touchdowns and Joe Ousley went over for three.

Building New Home

Mrs. V. L. Wilson, of East Af-ton, was in town this week and reported that she and Mr. Wilson are building a new farm home on their place. It is of bungalow type and will have four rooms and bath.

G. W. Allen is doing the work and they are buying their material from the Dickens Lumber Co.

Harry Ellis, of the Rocking Chair Ranch, was attending to business matters here Saturday.

B. Schwarz & Son List Bargains

The attention of our readers is called to the page advertisement of bargains listed by the firm of B. Schwarz & Son. This store has its building full of fine merchandise at greatly reduced prices and the manager, Mr. Bolding, is in the Dallas markets selecting more merchandise. You will do well to visit this store in making your purchases.

Marriage Licenses Issued In Sept.

The County Clerk's office did not have much of a rush for marriage licenses during the month of September. Those who secured marriage licenses for the month were:

Sept. 7—Lloyd Smith and Miss Charlie Ray Holloway.

Sept. 7—Dorman Hall and Miss Irene Ware.

Sept. 17—J. E. Swaringen and Miss Opal Webb.

Sept. 21—Obie Sedgwick and Miss Lucille Orand.

Singing Convention Drew Large Crowd

The 5-County Singing Convention held in Spur Sunday was well attended. There is reported to have been between 1,500 and 2,000 people present for the occasion. Lunch was spread at the noon hour and everybody enjoyed a great day. Singers from a long way came for the day.

H. L. Futch, the president of the association, said that the convention extended their thanks to all who had a part in making the occasion a success. He said it was a fine meeting.

Band Cleared Only Small Amount From Quartette's Concert

The Spur school band sponsored the singing program at the High School auditorium Saturday night and cleared about \$12.00 for their part. There was a good program in songs rendered by the Stamps-Baxter Mixed Quartette, but for some reason people did not turn out to hear it.

Mr. and Mrs. Frank Cohlma and son, Donnie, of Wynoka, Okla., visited their daughter, Mrs. George Gabriel and family, last week.

Spur Bulldogs Displayed Much Power In Smashing Silverton Owls 47 to 6

The Spur Bulldogs gained their second victory of the season over the Silverton Owls in a carefully planned and well executed game at the Charles A. Jones Memorial Stadium Friday night. The owls kicked to the Bulldogs at the opening of the game and the ball went down on Spur's 45 yard line. First down after first down was made by the Bulldogs and finally a gain of 12 yards put them over the goal line. They failed to convert.

The Owls received at their 30-yard line and after failing to make first down on three attempts, they kicked to Spur and the ball was on Spur's 35-yard line. One feature by the Bulldogs was a 35-yard gain and then three more attempts and goal was accomplished. Spur converted, making the game 13 to 0.

Spur kicked the ball over Silverton's goal line and it was brought back to the 20-yards. Silverton made one sensational play for 50 yards, then suffered a loss on next down. After another down

Dickens Picnic Closed Friday With 3,000 Visitors

Even at the busiest season of the year, the Old Settlers Picnic at Dickens closed Friday night with 3,000 guests. The picnic committee composed of Cecil Stanford, Cayce Alldridge, Cecil Meadors and Ben Overstreet, availed themselves of every opportunity to secure every attraction which would make the annual affair a success. The high pole performance and the Dudley shows and rides are the only attractions brought in, everything else being local talent.

"Uncle Bob" Williams, the fiddling sage of West Texas, was accorded first honors in the Old Fiddlers Contest. "Uncle Bob" is 90 years of age and has won many contests with his bow throughout this country.

The young peoples' fiddling contest was won by Mrs. Delana Davis, of Spur, and second honors went to Jack Kizziah, and third honors to Raymond Brown. All of these are citizens of Spur and are fiddlers of the old class, bringing on a new class of the old time fiddlers. Judge H. A. C. Brummett sponsored the contests, and was assisted by Judge Marshall Formby.

Mrs. Davis and Jack Kizziah, and Raymond Brown and his associates provided music for the picnic in various ways. The Old Timers Dance was a great feature of the occasion.

W. L. (Uncle Bill) Hyatt, of Spur, was declared the oldest citizen of the county present at the picnic. He is now in his 63rd year of citizenship in Dickens County. He came to the county in the early part of 1878, and has roamed the breaks and plains of this country ever since. Mrs. Mattie Edwards of Dickens, qualified as the oldest resident in the county for ladies. The person had to be present to qualify.

This event usually is held the last July of each year, but this time it was not convenient to hold the date was postponed, but the committee put it over in a big way. Each year this event is one of Dickens County's celebrities of historical celebrations.

Three Babies In One Day!

The Nichols Sanitarium was quite busy Wednesday with new arrivals. Mr. and Mrs. John Freeman have a new girl born Wednesday morning. Mr. and Mrs. Homer Hill are the proud parents of a new son born about noon, and Mr. and Mrs. Virgil Morrison have a new son born Wednesday evening. All are doing well.

County League Is Organized And Directors Named

The Dickens County Interscholastic League was organized Tuesday with the following officers: Director General, G. B. Wad-zack; Director of Declamation, Miss Merle Lewis; Director of Debate, Miss Winifred Aycock; Extemporaneous Speech, Paul Patillo; Director of Spelling, Miss Nora Nickels; Ready Writers, Miss Jack Powell; Director of Athletics, M. B. Bivens; Music Memory, Mrs. Rube Gollihar; Picture Memory, Miss Helen Porter; Director of 3-R's, E. T. Cummings; Director of Arithmetic, Waid Banowski; Choral Singing, Miss Ina Bacon. It was agreed to discuss rules and regulations at a later meeting of the committee.

Final Rites Read For Mrs. Frances Skinner At Girard

Funeral services over the remains of Mrs. Frances Skinner, wife of Glenn Skinner, were held at Girard Wednesday afternoon at 3:30 o'clock. Mrs. Skinner passed away in a hospital at Clovis, N. M., Tuesday night. The body was brought by ambulance to Girard Wednesday. Wright Randolph, Church of Christ minister at Albuquerque, conducted the services. Mrs. Skinner was a daughter of Mr. and Mrs. J. F. Stephens of Girard.

County Singers To Meet In Dickens Sunday, Oct. 6th

The Dickens County Singing Convention will meet in Dickens School auditorium next Sunday, October 6th, beginning at 11 o'clock. We have invited quite a number of good singers and quartettes from other counties and we are expecting this to be one of the best singing Dickens County has ever had.

There will be basket lunch at the noon hour and everybody has a cordial invitation to attend. W. R. Williams, President, Freddie Middlebrooks, Sec'y.

"Bills' Day" Will Be Staged At Ralls

Ralls is to sponsor one of the most unique celebrations of the Southwest Tuesday, October 8—the "West Texas Bills' Day" celebration.

About four years ago, was conceived the idea of organizing a Bills' Club, to which anyone by the name Bill, Billy, William, etc., (man or woman, boy or girl) might belong. The mayor formally proclaimed a Bills' Day, and we believe it to be the only one of its kind in the United States.

This year, on Oct. 8th, is planned the fourth annual celebration which is expected to be far larger than all previous ones. Dr. W. R. (Billy) White, President of Hardin-Simmons University, together with the internationally famous Cowboy Band of that institution, will feature the speaking and the celebration.

A parade, celebration by the school children, a radio broadcast, a banquet, the Hired Hand of the Radio Station WBAP, will be features of the days celebration, all of which will be covered for the Fort Worth Star-Telegram by their staff reporter and photographer.

Jayton To Play In Spur Against The Bullpups Friday

The fast Jayton team will play the Spur Bullpups at the Charles A. Jones Memorial Stadium Friday night, October 4. The game will be called about 8 o'clock, and all the formality and routine of a regular conference game will be carried out.

This will be the second time Jayton has contacted Spur. The first game was won by Jayton, and no one here wants to say how large was their score. But Spur is hoping to bring back the honors Friday night which they have formerly lost.

The Spur boys have been diligently practicing this week and making every preparation for this game. It is going to be a battle royal for Jayton does not want to slide down any, and Spur hopes to redeem the fall they took two weeks ago.

People who attend this game will have a great thrill as both teams are fast and will be a sensation all the way through.

Dickens Church To Start Revival

The Methodist Church at Dickens will begin a revival meeting next Sunday, October 6. Rev. Carl Clement pastor of St. John's Methodist Church at Stamford, will do the preaching. Glenn Phillips, Jr., of Dallas will be in charge of the song services.

Rev. W. A. Burba, th pastor, and the membership extend a cordial welcome to everybody to attend the services. Announcements of the program of services will be made at the church Sunday.

Government Water Facilities Program Will Not Hereafter Guarantee Wells

In the beginning, the Water Facilities Program provided for digging or drilling wells, providing tanks, etc. If a loan was made for a well and water was not secured, the applicant could get another well dug without additional cost.

A recent ruling does not permit the Government to guarantee water when a well is sunk, and, if the drilling results in a dry hole, the applicant still has to pay for the drilling. In other words the Government does not guarantee water when a loan is made for a well.

The Water Facilities Program loans may still be made for wells,

Fair Store Shows New Merchandise

The Fair Store this week is having a nice opening sale on Fall Merchandise. Look over their full page of advertised bargains and pick out our needs. You can buy them at reduced prices. The Fair Store has a big 50-foot front and has merchandise from the front door to the back of the building, everthing the family needs in dry goods and wearing apparel.

Ministers Alliance Plan Thanksgiving Observance Here

The Ministers' Alliance of Spur met in the Methodist "Round Up" on Monday of this week at 10 a. m. Rev. J. E. Harrell, the president, called the meeting to order after prayer by Rev. J. L. Ponder, visiting Baptist missionary from Plainview.

Those attending the meeting H. L. Burnam, John C. Ramsay, were: C. R. Joyner, W. A. Burba, and J. L. Ponder.

Among matters of consideration the Alliance voted unanimously to have a Community Thanksgiving Service as has been done in previous years. It was agreed that the Thanksgiving Service would be held Sunday night, November 24, at 7:30, at the First Methodist Church and that Rev. John C. Ramsay was to preach the sermon. An offering would be taken for a community project.

Given a prize of \$27.00, R. A. Greer was some happy man when he returned home from Spur yesterday after attending the first Appreciation Day. There was a very commendable crowd of people present for the first program.

There will be an Appreciation Day program in Spur every Wednesday, and the longer the affair continues the greater will be the interest, is the hope of Spur business people. It's worth something to see Deacon Hull perform at the loud speaker, and he does the job well.

The names of several people were called, people whom the business men were inquiring about but they must have been too busy to be here. No one can share in the Community Chest unless they are present. The block from the Spur Security Bank east was filled with people Wednesday afternoon during the program. The business people of Spur want everybody to enjoy this day and be present Wednesday.

McAdoo Will Play Roaring Springs Friday, 2 P. M.

McAdoo gridsters will play the Roaring Springs team at McAdoo at two o'clock Friday afternoon. McAdoo team has been meeting with very fine success, having not lost a game yet. The game Friday will be a hard fought one and is a conference game.

McAdoo's record for the season is: September 20 McAdoo defeated Dickens to the score of 19 to 0. September 27 McAdoo defeated Patton Springs 42 to 6.

The McAdoo team will play Patton Springs at McAdoo in the final conference game. The game will be called at two o'clock in the afternoon.

All of these are conference games.

To Organize Rifle Club In Spur

Cecil Fox is assuming the initiative in the organization of a rifle club in Spur. A meeting to discuss plans and outline details will be held at the Scout Hall Friday afternoon at 2:30 o'clock.

A general meeting will be held at the High School auditorium next Tuesday night, October 8, at which time plans and requirements will be announced. L. C. Cole, state game warden at Paducah, will be present and exhibit a series of pictures on wild life.

J. L. Robinson of Lubbock, Mr. St. John of Abilene and Mr. Harris of Lamesa, all state game wardens, will be present for the meeting. Also, a special speaker from Lubbock will be presented to talk to the meeting about the benefits of a rifle club.

Spit And Whittle Club Organized

Monday night, September 23, the Spit and Whittle Club met at the home of Billy Scott for complete reorganization.

Neal Chastain was elected sponsor, and has accepted the position.

Members are as follows: Stephen Barclay, Billy Ray, Barrett, James Victor Allen, Joe Ericson, Charles Ensey, Matthew Gruben, Jesse Morrison, John Mac Putman, Billy Scott, Frank Vernon, Bob Weaver Duwayne Willard, and Clay Wood.

Employed To Teach In Dry Lake School

The Board of Trustees employed Mrs. Pike Nichols as a teacher in Dry Lake school. Mrs. Nichols will have charge of the first three grades. She is taking the place made vacant by the resignation of Mrs. S. M. Newberry who is now teaching in Spur Schools. Mrs. Freeman has been doing the work in these three grades, but was teaching just to help out until a regular teacher could be secured. Mrs. Freeman did not desire to teach as she has her home to supervise.

New Teacher In Spur Schools

Miss Doris Sargent, of Kellersville, has been employed as a teacher in Spur schools. She will have one division of the Sixth Grade. There are about 80 people in the Sixth Grade and two teachers could not take care of that number. Hence, they were divided into three groups. Miss Sargent is a graduate of McMurry College.

Mr. and Mrs. Weldon Cannon and baby of Crane, spent the week end here visiting Mrs. Cannon's parents, Mr. and Mrs. S. B. Scott of Calgary.

SPUR SCHOOL NEWS

The Physical Education classes are doing new work now. They are doing tumbling, forward rolls and doing dives.

These classes soon will be doing head stands, hand stands, different types of walks, types of balances, and human pyramid building. This program will be the work for the next five weeks.

Health classes will be held every Friday.

Home-Making Department

Lavorise Lee and Roma Merri-man, of the Home-Making Department will attend the Area Council at Stamford next Saturday. Miss Lee is the vice president of the council and Miss Merri-man is the treasurer.

The Future Home-Makers of Dickens, Crosby and Kent counties will have a regional meeting at Dickens Saturday, October 19. The program will be built around "Building the Personality of the Girl." Spur Home-Making Department will have charge of the recreation for the meeting.

Artisan Club Meets Tonight

The Artisan Club will hold their regular meeting tonight in the designing room of the Home-Making Department, starting at 7:30 o'clock. This will be the first meeting of this school year.

Boys initiated Tuesday night were: Rex Alexander, Billy Dan Bingham, Warren Cooner, Bobbie Davenport, Donald Delisle, Jimmie Draper, Lane Ericson, Alex Fry, Jack Hemphill, Dud Keith, Levi Meadors, Glen McDaniel, Melvin Rape, Weldon Reynolds, Preston Smith, Gerald Springer, Jimmy Vernon, Pat Fletcher.

The debating teams of the Spur schools are doing those fundamentals leading up to debating. They are studying technique and methods of presenting subjects in a forceful manner, and talking over ways of securing decisions.

The Pep Squad is putting on a

membership drive. There are only about thirty or thirty-five girls in the Pep Squad so far. There should be about fifty to carry out a beneficial and impressive showing. The football players get their zeal and morale largely from the Pep Squad, and a good Pep Squad should be on the sidelines helping the players out.

The School Band

The Spur School band is in regular practice now and is doing the best work in its history. They played for the Spur-Silverton game Friday night, and will be on hand for the Spur-Matador game Friday night, October 11. The organization of a B Band is taking form this week.

Vocational Agriculture Dept.

The FFA Chapter held a meeting Tuesday night and initiated the Green Hands into the organization. There are certain qualifications a boy must have before he can become an FFA member.

Boys initiated Tuesday night were: Rex Alexander, Billy Dan Bingham, Warren Cooner, Bobbie Davenport, Donald Delisle, Jimmie Draper, Lane Ericson, Alex Fry, Jack Hemphill, Dud Keith, Levi Meadors, Glen McDaniel, Melvin Rape, Weldon Reynolds, Preston Smith, Gerald Springer, Jimmy Vernon, Pat Fletcher.

A number of Vocational Agriculture boys are feeding steers for their projects this year. They are: W. M. Erath, Robert Ward and William Russell each feeding out

one cross bred steer.

Harland Weaver is feeding a Short Horn steer.

J. M. Karr and Virgil Rogers each are feeding a milk fed Hereford steer.

The following boys are each feeding out one dry lot or commercial fed Hereford steer: Willie Smith, J. M. Karr, Homer Ray Smith, Keith Garner, Bunk Garner, and Winford Morrow.

The sheep feeding projects will be announced next week and the hog feeding projects will be released about November 1.

Grammar School Division

The Chapel program rendered last Thursday by Miss Francis' room was excellent. Mrs. White's room will be giving her program this morning at 11:40 o'clock.

The Fifth Grade B division played the Fourth Grade at the East Ward in a game of baseball Friday afternoon. The score was very close, being 6 to 5 in favor of the Fifth Graders.

The Junior High Parent-Teacher Association will hold their regular meeting at the Junior High School

building Tuesday afternoon October 8. The meeting hour is 3:30 o'clock. The school has selected six more room mothers to assist with the P. T. A. work.

The program for the next P. T. A. meeting will be good and parents are especially requested to be present.

East Ward School

The program given last Friday by the pupils was interesting. There will be another program Friday afternoon at 1:30 o'clock, and Mrs. Pattons room will be in charge.

A quantity of new work books have been received by this school, and these are a great benefit and much help to the pupils.

Miss Dallas Smith, the East Ward Principal, attended the meeting of educational executives at Lubbock Monday evening. This is a division of the West Texas Teachers Association.

P. T. A. Meeting

The East Ward Parent-Teacher Association will hold their regular meeting next Tuesday afternoon

at 2 o'clock. Parents are especially urged to be present and assist in this great work. There will be a good program, the school children taking part and problems of helping the school will be discussed.

Getting Better Results From Your Vacuum Cleaner

By Katharine Fisher

Director, Good Housekeeping Institute

If you are not satisfied with the job your vacuum cleaner does on rugs and carpets, perhaps you may need a new cleaner. On the other hand, you may not be using your cleaner correctly so that it can do its work well. The first rule in using your vacuum cleaner is to make sure that the floor nozzle is adjusted to the thickness of each rug or carpet on which it is used. This is a must, if you want your cleaner to do its best work on rugs and carpets of different thicknesses. Some cleaners have nozzles that do not need adjusting. Find out whether nozzle of your cleaner does need adjusting and how it should be done.

If your cleaner has a motor-driven brush, the second rule is to keep the brush in good working order. Brushes will wear out with use. When worn they should be adjusted or replaced.

EMPTY DUST BAGS FREQUENTLY. Your cleaner will also be better able to do its work if you will empty the dust bag each time you use the cleaner. This is a disagreeable task, but if the bag is emptied on damp newspaper it really isn't so bad. Wear your household gloves and shake the dirt down toward the opening. Then hold the bag close to the damp newspaper and shake the dust out gently. And here's a caution note: Don't dump loose dust directly into your furnace or incinerator. Loose dust mixed with air sometimes forms an explosive mixture, which may explode on contact with flame. Disposable paper-bag linings are available in cleaners of some makes. When cleaner bags grow old, dust may escape from them. When this happens, it is better not to attempt repairing the fabric. Buy a new bag.

DAILY USE IS GOOD. How long should a cleaner be run over a rug? That depends upon the regularity with which rugs are cleaned, the amount of traffic they get, the kind of soil in the rugs, and the kind of rug. The important thing about cleaning rugs and carpets is to get the dirt before it has a chance to settle far down into the pile, where it is most difficult to remove and may eventually do damage. A good rule is to use your cleaner daily in rooms where traffic is heavy.

Even twenty minutes spent in cleaning a 9 by 12 rug will probably leave some dirt in the rug. So don't be disturbed if a vacuum-cleaner demonstrator gets dirt out of your rug immediately after it has been cleaned with your cleaner. If your cleaner is a good one, and is working properly, it would get this extra dirt, too, if you emptied the bag and started all over again.

NO HARM TO RUGS. Forget the bugaboo that a good cleaner will wear out or injure rugs or carpets. It is well established that one of the chief reasons rugs wear out before their time is the dirt that is allowed to accumulate in them. Gritty dirt, ground under the heels, can shorten the life of the best rug. Reduce the dirt accumulation by regular use of your cleaner, and you will be helping to prolong the life of your rugs.

ABOVE-THE-FLOOR CLEANING. Most vacuum-cleaner manufacturers supply attachments for their cleaners for dusting and cleaning furniture, woodwork, draperies, radiators, clothing, and the like. Ask to have the attachments demonstrated for you, and be sure you try them yourself. Some may seem more useful to you than others. You may not need them all.

Hot Rolls That Are Different

By Katharine Fisher

Director, Good Housekeeping Institute

Even though your baker may have a wide variety of bread and rolls, we're sure he won't have these specialties which are picked from among many recipes we've been trying out in our Institute kitchens. You'll find them delicious. What's more, they don't call for overnight raising. The dough grows light and feathery as you go about your other work, and you'll have all the ingredients on your pantry shelves.

Orange Bread

(All Recipes Tested by Good Housekeeping Institute)

Use Institute-approved measuring cups and spoons. Measure level.

- 1 large, thick-skinned orange
- 1/2 c. granulated sugar
- 1/4 c. butter or margarine
- 1 1/4 tsp. salt
- 1 compressed yeast cake
- 1 egg, beaten
- About 3 c. sifted all-purpose flour

Cut orange in quarters, remove white core, and grind, using fine blade of food chopper. There should be 1 c. of pulp and juice. Combine with sugar, butter, and salt, and bring to a boil. Cool until lukewarm. Add crumbled yeast and beat with a rotary beater until well-blended. Add beaten egg and enough flour (about 2 1/2 c.) to make a stiff dough. Knead on a well-floured board for 5 min., adding flour as needed to keep it from sticking to board.

Cover with clean towel, and let rise in a warm place (80° to 85° F.) until double in bulk. Then knead for 1 min. on a floured board. Shape into a loaf, and put into a greased loaf pan, 10" x 5" x 3 1/2". Cover with clean towel, and let rise in a warm place (80° to 85° F.) until a little more than double in bulk. Bake in moderately hot oven of 375° F. for 50 min. Brush with melted butter, and cool on cake rack. Makes 1 loaf.

Statler Rum Rolls

- 1 c. bottled milk, or 1/2 c. evaporated milk and 1/2 c. water
- 1/2 c. granulated sugar
- 1/4 c. shortening
- 1 1/4 tsp. salt
- 1 compressed yeast cake
- 1 egg
- 1 1/2 tsp. rum extract
- 3 1/2 c. sifted all-purpose flour
- 2 tsp. butter or margarine, melted
- 1/2 c. seeded raisins, cut up

Pour scalded milk over 1/4 c. sugar, shortening, and salt. Cool to lukewarm, and crumble yeast into it. Beat with rotary beater until smooth. Add beaten egg and rum extract. Add 1/2 the flour, and beat with rotary beater until smooth. Add remaining flour, and mix until smooth. Cover with clean towel, and let rise in a warm place (80° to 85° F.) until double in bulk—about 3 hrs. Roll dough into two strips, each 12" long, 1/4" thick, and 4" wide. Brush top with melted butter, and sprinkle with 1/4 c. sugar and raisins. Roll up, pulling dough out at edges to keep it uniform. Place in 3" greased muffin tins; cover with a clean towel, and let rise in a warm place (80° to 85° F.) until double in bulk. Bake in moderately hot oven of 400° F. for 15 to 20 min. As soon as rolls are removed from oven, brush top with icing made of 1 c. confectioners' sugar, 2 tsp. hot water, 1 tsp. rum extract. Makes 18 rolls.

Jam Buns

- 2 c. bottled milk, or 1 c. evaporated milk and 1 c. water
- 1/2 c. melted shortening
- 1/2 c. granulated sugar
- 1/2 tsp. salt
- 1 cake compressed yeast
- 1/4 c. lukewarm water
- 1 egg, well beaten
- 5 1/2 to 6 c. sifted all-purpose flour
- Jam

Scald milk; add shortening, sugar, and salt; mix well. Then cool to lukewarm (80° F. to 85° F.). Soften yeast in lukewarm water, and stir into milk mixture. Add well-beaten egg and enough flour to make a thick batter. Mix thoroughly. Brush surface of dough with melted fat or salad oil. Cover with a clean towel, and let rise in a warm place (80° to 85° F.). When dough is double in bulk, turn it onto a well-floured board, and knead, adding flour as necessary until it can be easily handled. Then break off small pieces to form into 2" balls by rolling the edges under until the top is smooth. Arrange in a greased pan, 13" x 9" x 2", with the rolls just touching. Cover with clean towel, and let rise in a warm place (80° to 85° F.) for about 15 min. Then make an indentation by pushing the handle of a wooden spoon held upright halfway down into the center of each roll. Fill each hole with jam, and let rolls rise for about 25 min. longer. Bake in moderately hot oven of 375° F. for 25 to 30 min. Makes about 2 doz. rolls.

ENJOYED FINE VISIT WITH CHILDREN

S. J. Ousley, of Red Mud community, returned Sunday night from a very enjoyable visit with his children. He first went to Rule to visit a son, N. S. Ousley, and then to Anson where he visited his preacher son, Hugh Ousley. He stated he took in the country in general, enjoying drives through the various parks and seeing the beautiful scenery. He stated that crops were a little short, but that they are much better than they are here.

West Texas Counties Participating In Government's Soil Conservation Work

Farmers in the 19 counties comprising Extensin Service District 2 might well insert that ad in their newspapers, for they'll get \$201,871 slip through their fingers by failing to earn that much building allowance set up for them under the 1939 AAA program. They earned in soil-building payments \$581,003, or 74.2 per cent of the maximum available.

Under the AAA program, a maximum soil-building allowance is set up for each co-operating farm, based on the non-depleting cropland acreage, commercial orchard acreage, and non-crop open pasture land acreage. To receive any of the payments from this allowance, the farmer must put into effect on his farm approved AAA soil-building practices. And the more work he does, the more money he earns, up to the maximum.

Topping the list of counties in this district in 1939 was Hockley, whose farmers did enough soil building work to earn 87.8 percent, \$52,272 of the \$59,565 available. Lowest ranking county was Floyd where only 59.3 percent, \$30,788 of the available \$51,951, was earned. At that, Floyd county was far above many other counties in the state and better even than the averages for some districts.

The tabulation of amounts earned by counties in District 2 are as follows:

District	Total Soil Building Allowance	Total Soil Building Pay. Earned	Unearned Soil Building Payment	Percent Soil Building Allow. Earned

Woman's Society Christian Service Met Monday

The Woman's Society of Christian Service met in the basement of the Methodist Church Monday at 3 o'clock in a regular monthly social. Theme of the meeting was "Going Back to School." Six girls sang "School Days."

Hostesses for the meeting were Mesdames: J. R. Laine, M. A. Lea, E. W. Marrs, Kate Morris and George S. Link.

A school bell rang and all assembled as if it were the first day of school. Each one present had to tell some embarrassing incident of school days. Then there was a quiz on states.

There were 25 ladies and six children present for the meeting. The refreshments consisted of school lunches in paper sacks served to all present.

There is a meeting of the organization every Monday afternoon.

Presbyterians To Hold Annual Rally

A meeting of Sunday School workers met in one end of the Presbyterian Church while at the same time the monthly Council of the Young People's League met in the other on Wednesday, Sept. 23 to complete plans for the Annual Rally Day. In keeping with all Presbyterian Churches the first Sunday in October, the 6th, is the designated day. Various classes will have charge of the special program and Cap McNeill will be master of ceremonies. A unique plan, known only to a few, will be used to get out every member and friend of the Church. The plan in other places has worked like magic. It is sincerely hoped that it will work here.

The program will begin promptly at 10 and it is expected it will close by 11:30, there being but one continuous service. The special offering will go for Sunday School Extension in destitute places, which should be generous. During the exercises eligible members of the Sunday School will be promoted. After a brief message to the whole group, the services will be concluded with the observance of the Lord's Supper. The public is cordially invited.

There will be no preaching service at 11 o'clock, concluding at noon, which is the usual custom. Everyone is asked to come early so that we can adjourn earlier. Following the morning services there will be a brief congregational meeting to select additional church officers.

The Kingdom Highways League begins at 6:30 and the evening service will be at 7:30 p. m. Please note that this earlier hour is the regular time from now on through the winter months.

SPUR GIRL PLEDGED TO TECH SOCIAL CLUB

Lubbock, Oct. 1—Regina Lee, student at Texas Technological College, has pledged Las Chaparritas, women's social club.

Regina is the daughter of Mrs. Emma Lee of Spur.

Colored P. T. A. Honors Principal's New Bride

Mozelle Yvonne Bolden, new bride of the Principal of the Colored school in the city, was the recipient of many useful gifts when the colored P. T. A. entertained the couple with an informal party and linen shower Friday evening in the school.

Mrs. Bolden was introduced to the patrons by Mrs. T. L. Goldstein, assistant teacher in the Haynes' High School, and former school mate of the bride in Samuel Houston College in Austin. Mrs. Bertha Harris, presiding officer of the P. T. A., introduced Mrs. H. T. Haynes, who in turn presented gifts to the couple.

Several other social functions have been given honoring the couple, the foremost being a watermelon outing on the Goldstein lawn and given by the Spur Negro Citizens' Council of which the groom is executive secretary, and also, an informal house party in the Haynes home.

Mrs. Bolden, bride of four months, arrived in Spur a week ago from Austin where she completed her Junior work as a student at Samuel Houston College. The couple plans on making their home with the Haynes family for the school year. —Contributed

was kicked and the score was 27 to 0.

Silverton received and the ball was at their 24-yard line. Silverton gained 7 yards, lost 9 yards, and kicked. Spur had the ball at Silverton's 39-yard line. Spur completed pass for seven yards, and another for 32-yards from Culbert to Powell who completed 39 yards for goal. The extra point was kicked and the score was 27 to 0.

Silverton received the ball at their 24-yard line. Silverton gained 7 yards, lost 9 yards, and kicked. Spur had the ball at Silverton's 39-yard line. Spur completed pass for seven yards and another for 32 yards from Culbert to Powell again and another goal was made. Converted and the score was 34 to 0.

Silverton received at their 22-yard line. After five yards gain, and failure to gain and complete a pass, the Owls kicked and Spur had the ball on their 46-yard line. Spur completed pass for 10 yards, failed on the next trial. Silverton intercepted a pass at their 25-yard line. The Owls gained three yards, completed a pass for 8 yards for a first down. Silverton gained 7 yards and 5 yards, but failed on pass. They gained three yards and kicked to Spur's 27-yard line. Spur lost 3 yards, gained four yards, lost four yards and failed on first down. Silverton's ball on Spur's 21-yard line. Silverton made a first down. Owls failed on pass, but made gains and went over for their first and only counter. They failed to convert, leaving the score at 27 to 6.

Spur received and made gains at every attempt. They suffered a penalty of five yards, and finally ended up with a 30-yard race for goal. They failed to convert, leaving the score 33 to 6.

Silverton received and after several attempts failed on first down. They kicked the ball. Spur completed a pass for 15 yards and then made a 20-yards gain for another counter. Converted, making the score 40 to 6.

In their last trial, Silverton was not able to make much showing. The Bulldogs took over the ball and made short work for another marker. They converted, making the final score 47 to 6.

Spur converted five of the seven attempts. Another feature of the Bulldogs was the accurate passing. Spur completed 7 of 12 trials at passes and Silverton completed two of nine trials. Spur secured 14 first downs to Silverton's five. Every member of the Bulldog squad was at his place at the proper time, and while Silverton has a good team, they seemed unable to handle the accurate clicking of

the Bulldogs.

Spur will play their first conference game at the Charles A. Jones Memorial Stadium with Matador Friday, October 11. This is going to be a real game as Matador has their eye on the District championship this year. There will be no game with the Bulldogs this week.

District games this week are: Matador at Crosbyton Friday, and Paducah at Lockney Friday.

OPENS SEWING MACHINE OFFICE HERE

Johnny DeCardova, formerly of Lubbock, has opened an office for the Singer Sewing Machine Company here. His location is in the front of the Sunshine Service Station. He will sell new sewing machines, give service on machines in the country, sell new parts and represent his company.

Mrs. Dolph Shields, of Crane City, spent the last of the week here visiting her parents, Mr. and Mrs. S. B. Scott.

Mr. and Mrs. J. J. Baldwin, of near Dickens, were in town Saturday greeting friends and looking after business matters.

Mrs. W. E. Martin, of West Side, was greeting friends and doing some shopping here Saturday.

Girl Scouts To Have Meeting Today

The Girl Scouts of Spur are holding meetings at the Scout house every Monday at four p.m. There is a membership drive on at this time, and the Scouts want every girl of the ages of ten to eighteen years to become a member of the Girl Scouts. Miss June Lisenby is in charge of this work, and she really is working with the girls and helping them greatly. Girls may attend the Scout meeting whether they are members or not.

Bud Smiley, of Duncan Flat, was looking after business affairs and greeting friends in town Saturday.

Dickens School News...

The schools at Dickens will enjoy a holiday today (Thursday) and go to Lubbock to enjoy the Fair. This is an annual occasion with the Dickens schools, and all say the pupils received about as much knowledge on this visit as they received in the class rooms for one day.

Football Team Made Money

The Dickens Owls sponsored a barbecue the two days of the Old Settlers Picnic at Dickens and made some good money. The boys say they want everybody to know they appreciate the patronage given them and thank all of you. They netted about \$75.00.

Win Placard Honors

The Seventh Grade pupils of Dickens schools won placard honors this year. Their placards wert industrial maps of Texas showing the sections where the different products are grown and chief industries are located.

Hauener Arthur took first place, Robert Thornton was second and Dean Smith, third place. First place map is on exhibition at the school.

Mrs. T. E. Wright, of Haskell, is here visiting her brother and sister, Mr. and Mrs. S. R. Bowman.

No. 238
