Bulldogs vs. Matadors In Title Game Friday Nite

Questions And Answers Concerning Registration Given As Aid

Matadors to Oppose Bulldogs Here Fri. Night

The Matador fast team has marked up opposition to the Spur Bulldogs at the Charles A. Jones Memorial Stadium here Friday night. Matador has one of the best teams in District 4-A, and many think they are the prospective district champions. However, there are several contests to pass through before that question is settled.

The game with Matador is thought to be the outstanding game of the year for the Bulldogs. Matador took the Crosbyton Chiefs down last Friday afternoon to the score of 20 to 6. Also, they defeated Olton's fast team 12 to 6. Olton defeated Spur in the first game of the season, but Matador did not have one of those fast half back twins to deal with in their game.

With Spur's record over the Haskell Indians and the Silverton Owls, it is thought Matador may be walking up against a real Gibraltar in the coming game Friday night. The Bulldogs are in fine condition and they have in mind to give Matador all they have from the first of the game until the last gun.

The probable starting line-up for Spur will be: Harold McClain, left end; Noel Delisie, left tackle; Clyde Whitford, left guard; Nolas Byrd, center; Buster Smith, right guard; Billy Yoakum, right tackle; Jack Powell, right end; Ross Culbert, quarterback; Elbert Garner and Alfred Elkins, halfbacks; Stephen Barclay, fullback.

This is going to be a battle royal and if the fans of Spur county want to see a good game, they had better be present Friday night.

Will Step Into A Big Job

When Judge Marshall Formby takes his oath of office as State Senator for the 30th Senatorial District January 14, he will assume a great responsibility. He will represent one of the largest senatorial districts in the State. There are 260,018 people living in the 30 Senatorial District, according to the 1940 census. This is fifty per cent larger than the constitutional allotment. There are 24 counties in the district with 60,000 voters.

When the present district was altered in 1920 (the City of Lubbock had only 4,300 population. Today Lubbock is a city of 31,000 people. Lamesa had about 2,000 citizens then, and now it is a city of 6,000 people. Brownfield was a new town of about 1,500 people and now there are 4,000 population in Brownfield. Other towns in the district have grown until the 30th District represents a big assignment for any one to assume the duties in our State Senate.

S. R. Bowman, who had been at Mineral Wells a week for medical attention, returned home Monday afternoon. He stated he is feeling much improved.

Robert Davis and Julius Fumigalli, both of Post, were in our city Wednesday greeting friends. Mr. Davis is a son of Mrs. Nellie J. Davis.

Mr. and Mrs. John E. Freeman are the parents of a daughter born at Nichols Sanitarium last Wednesday. The little lady weighed nine pounds and has been named Edith LaDorce Freeman. Mother and daughter are doing fine.

Enrollment In Spur Schools Reach 903

A number of pupils in Spur schools have not yet been able to matriculate because of the cotton picking season now on. These will be coming in within a few days. There are at present 903 students enrolled in all of Spur schools.

The High School has 275. Junior High School, 233. East Ward school, 325. Haynes school, 70. Other pupils will be enrolling later on.

Spur Homemakers Attend Area Meet

LaVoris Lee, is vice president, and Roma Merriman, who is treasurer, of the Area No. 2, Homemakers Council, attended a council meeting at Stamford Saturday. Other officers of the council are: Fannie Pitzer of Eastland, President; Edith Horn of Eastland, recording secretary; Loy Dunn of Union School in Dawson county, corresponding secretary; Laverne Ahrens of Wilson, reporter; Merle Mimms of Ralls, parliamentarian. The meeting was held in the Homemakers' Cottage at Stamford during the morning session. The officers and sponsors discussed plans for the year.

At noon the girls enjoyed lunch at a cafe while the teachers took lunch at the Stamford Inn. The meetings were separate in the afternoon. The girls composed their invitation letter for District meeting in Vernon next month.

One high light of the Area meeting at Vernon will be a panel discussion on Future Homemakers place in National defense. The president of the Federated Clubs of Plainview District will lead this discussion. Other discussions will follow, ther being ministers, lawyers, business men, teachers and other avocations represented on the program.

Riter Hardware Features Nat'l. True Value Week

Have you visited the Riter Hardware Store during the past few days? People who have are doing a lot of shouting . . . because NATIONAL TRUE VALUE WEEK has created a real buying panic.

Mr. King of the Riter Hardware Store with the cooperation of the world's largest Hardware Wholesale House, Hibbard Spencer, Bartlett & Company, of Chicago, have made this great sale possible. "It's been most gratifying," says Mr. King, "to offer our customers these money-saving values knowing that the sales we made so far will make this Nation-Wide Selling Event truly an outstanding event in this community."

And so it is with independent hardware merchants in other cities . . . results are highly pleasing. Mr. King urges that you take advantage of this money-saving opportunity now. NATIONAL TRUE VALUE WEEK will be in progress at the Riter Hardware Store through Saturday night, October 12 . . . and a near sellout has been predicted.

More Boys Start Steer Feeding

The additions to the steer feeding projects since last weeks write-up are: Hereford steers—Carl Grantham—2 head; Troy Boothe, and William Randall, 1 head each of cross-bred steers. A summary of the hog feeding projects will be given next week.

American Legion to Have November 11 Program

The Boyd M. Williams Post of American Legion is preparing for an Armistice program for Monday, November 11. All plans have not been formulated yet, but the various committees are in action and a full rounded out program will be announced in the near future.

The local post of American Legion feels that Armistice Day should not be forgotten so easily or so quickly, and they want the principles for which the Service Men fought to be held before the people. Watch for future announcements.

Appreciation Day Draws Large Crowd

Miss Pauline O'Keefe, of Girard, went home Wednesday afternoon feeling that she was a lucky young lady. She secured an eight dollar cash prize at Spur's Appreciation Day when the program was rendered at 3:30 o'clock Wednesday afternoon. There were \$155.00 in cash prizes Wednesday and Miss O'Keefe was a happy winner.

Spur's Appreciation Day is held every Wednesday and the program is at 3:30 o'clock Wednesday afternoon. There will be about \$180.00 in cash prizes for next Wednesday. People of Spur county are buying their merchandise at real bargains in Spur these days and every purchase should mean something.

Be in Spur next Wednesday. No prizes are given unless the person is present. So be present for the program at least, which is at 3:30 o'clock Wednesday afternoon. Ask the merchants about coupons with your purchases. You are entitled to them. Ask your merchants about the plan of Appreciation Day, and be present each Wednesday.

Dist. Homemakers Meet Oct. 26

The Homemakers of Crosby, Kent and Dickens counties are making great preparation for their district meeting in Dickens Saturday, October 26. This meeting has been postponed one week because Dickens schools and Patton Springs schools have dismissed to assist in harvesting the cotton crop.

Great preparations for a great day are being made. The meeting will be of great interest. Spur Homemakers will be in charge of the recreation for the meeting.

HERE VISITING DAUGHTER

Sam McClain, a former citizen of this country, but recently having been living in Louisiana, is here visiting his daughter, Mrs. Ben Schussler of Highway community. Mr. McClain was in this country in the early Eighties and worked as a cow hand on the ranches here.

He stated that he been farther than the Santa Fe Trail, going from Indiana to California in a wagon. He spent several years in Missouri and built a lake near Kansas City which became a beautiful spot for a park in later years.

Spur F. F. A. Starts Lamb Feeding

The Spur F. F. A. Boys started 20 lambs on feed this past week. These lambs were bought from Charley McLaughlin of McAdoo, Geo. S. Link, Jr. of Spur and Horace Wood of Spur. The boys who are feeding the lambs are: Leonard Wilson—3 mutton type, Jimmie Draper—3 mutton type, Pat Fletcher—3 mutton type, J. R. Stanley—5 fine wool lambs, Billie Smith—3 mutton type, and Clarence Ward—2 fine wool and 1 mutton type. These boys are feeding rations of milo, cotton seed, cotton seed meal, alfalfa hay and cane bundles. They expect to market the lambs around April first.

Vocational Agriculture Teachers Meet

The Vocational Agriculture Teachers of Crosbyton District will meet tonight at Jayton for their second meeting of the year. Further plans for the district program of work will be worked out. At the last meeting which was held in Spur on September 12, Boyd Ball was elected 2nd Vice President of the District boys association, and Marvin Taylor was elected Parliamentarian. Cecil Ayers, local teacher, was elected Secretary of the teachers organization.

The schools in Crosbyton District are: Ralls, McAdoo, Crosbyton, Jayton, Patton Springs and Spur.

Legionaries Admonis All to See Picture

The Boyd M. Williams Post of American Legion at Spur, urges every patriotic citizen of the country to see the picture, "The Flag Speaks," which is being shown at the Palace Theatre in Spur today (Thursday) and tomorrow. This picture has been filmed at the suggestion of the American Legion organization, and tells one of the best stories in American history.

You get two programs at the same price. The famous picture, "I Want a Divorce," is shown along with the picture, "The Flag Speaks," and both make up an extraordinary program. See them at the request of the local Post of American Legion today and tomorrow, October 10-11.

More Farm Checks Received

The County Agricultural Agents office reports 51 more checks received this week to help the farmers along in their struggle to keep their farms going. These 51 checks represent a value of \$5,894.63.

There had been about \$129,000 reported before this allotment of checks had been received. The total amount received so far to assist farmers in all the farm program amounts to \$134,630.12, according to figures by the County Agricultural Department.

PROCLAMATION

WHEREAS, the President of the United States and the Governor of Texas, following a mandate of an act of the National Congress, have designated Wednesday, October 16, 1940, as army draft registration day; and since the county commissioners' courts with the county clerk in Dickens county is responsible for registration in Dickens county; and

WHEREAS, there is no money available for the paying of any clerks during this registration, but rather registration will depend on the patriotic service of our Dickens county citizens;

THEREFORE, I, Marshall Formby, county judge of Dickens county, acting in behalf of the Dickens county commissioners' court composed of Horace D. Nickels, E. J. Offield, W. H. Hindman and M. B. Gage, and working in conjunction with E. H. Ousley, county clerk, do hereby proclaim the following:

It is ordered that the following be hereby appointed to act as registration judge for registration on October 16, 1940, at the boxes listed as follows:

It is ordered that the 17 registration judges be present in the district court room at Dickens on Friday afternoon at 1 p. m., October 11, at which time further instruction for registration in their respective boxes will be given.

THEREFORE, it is requested that all citizens cooperate in every way with the 17 registration judges in offering their services to help in the registration and to help in any other way possible in their defense drive.

Dated this 7th day of October, A. D. 1940 at Dickens, Texas.
MARSHALL FORMBY, County Judge.
Attest: E. H. OUSLEY, County Clerk.

Sing-Song At Dry Lake Sun., Oct. 13

The regular meeting of the Girard-Dickens County Sing-Song will be held at Dry Lake next Sunday, October 13, beginning at two o'clock in the afternoon. This meeting has been changed from the third Sunday back to the second Sunday to cooperate with the Motley County Singing Convention which meets at White Flat October 20.

Everybody has an invitation to be present at the meeting next Sunday afternoon, and bring your song books.

Rifle Club Organization Discussed

A meeting was held at the High School auditorium Tuesday night to discuss the organization of a local rifle club. There were about 100 people present which demonstrated much interest.

Cecil Fox acted as temporary chairman and explained the purpose of the meeting. He called on L. C. Cole of Paducah, district game warden, who discussed some features of sportsmanship. He introduced H. S. Henika, of Lubbock, regional game manager, who talked on the management of a rifle club.

Virgil Murray and Tommie Burger furnished music from string instruments while the people were gathering for the meeting.

Jack Christian made a talk on the methods of organizing a rifle club and the benefits it will be to the community. It appears that the local people want to be neighborly and include the citizens of Kent county and Motley county to join with Dickens county in making this a Tri-County Rifle and Wild Life Club.

Officers were elected as follows: President, Jack Christian. Vice President, Cecil Fox. Secretary, Guy Karr. Treasurer, Spencer Campbell. Executive Officer, Reese McNeill.

Range Committee, Mack Woodrum, Reese McNeill, Alf Glasgow, and Eric Ousley. Committee on constitution and By-Laws is Cap McNeill, John King, Jr., and Charlie Fox.

Another meeting will be held at the high school auditorium Tuesday night, October 22. Pictures of Wild Life will be shown at that meeting.

People interested in preserving game and learning how to shoot are extended an invitation to be present at the next meeting.

Pioneer Post Official Dies

Judge H. G. Smith, a pioneer citizen and county official of Garza County, died at his home in Post about five o'clock Wednesday morning. Funeral services will be conducted at the First Baptist Church in Post at two o'clock this afternoon.

Judge Smith served the people of Garza County many years as a practicing attorney. He was elected County Judge in 1918 and served several terms, making a good record. Later he was elected County Attorney and was serving as County Attorney at this time.

He had been in ill health several term and would have served two more years had he lived.

He had been in ill health several months and had been confined to his bed the past two months.

Selective Service Question and Answer Series

(Editor's Note—Below are ten installments of questions and answers relative to the registration of citizens. All persons who have reached their 21st birthday and have not yet reached their 36th birthday, must register regardless of station in life, job, etc. It costs nothing to register, but it will assist our government greatly. It is compulsory if you are of ages 21 to 35 inclusive.)

History and Purpose

1. Q—What is the purpose of the selective service program?

A—The program's purpose is to train a body of reserves capable of meeting any military emergency that may confront this nation, and to select the men for this national duty by the fairest method possible—and enrollment of every man between the ages of 21 and 36, regardless of wealth or influence or social position. From this enrollment the United States Army will choose those men whom it deems best fitted to receive a year's training.

2. Q—Is the selective service program a newly-developed plan?

A—No. The selective service program was put into effect during the World War after the volunteer system of recruiting soldiers had failed to supply the nation's needs. After the war—in 1926—the United States Congress instructed the Army and Navy to work out a comprehensive selective service plan, and the program now being put into effect is the result of years of active planning by the nation's military authorities.

3. Q—How many men will be affected by the selective service program?

A—Military authorities estimate that approximately 16,500,000 men between the ages of 21 and 36 will be registered under the program in the United States and its territorial possessions. In Texas approximately 900,000 men are expected to register. Approximately 5,000,000 are expected to be available for the training program.

4. Q—Who will administer the program?

A—The President of the United States will name a national director of selective service. In each state the Governor will serve as the coordinating head, and will appoint a State Director of Selective Service. Governor W. Lee O'Daniel has named Adjutant General J. Watt Page to hold this position in Texas.

5. Q—When will the selective service program go into effect?

A—President Roosevelt has issued a call for the registration of all men between the ages of 21 and 36 who are living in the United States and its territorial possessions. This registration will take place on Wednesday, October 16, and the first class of men called will probably begin their training about November 15.

6. Q—How long will this program last?

A—The present selective service law, just passed by Congress, will remain in effect until May 15, 1945.

General Provisions

1. —I now have a job. If I am called for training and give up my job, can I get it back after my training is completed?

A—Congress, in the selective service law, seeks to insure that men called for training will regain their jobs if the job is with the Federal government, its return is guaranteed. If the job is with a private employer, it must be returned unless the employer's circumstances have changed so as to make it impossible or unreasonable. (See Questions on Page 8)

Court Decision Protects Investors

A Federal court decision, giving needed protection to the millions of people who have invested their savings in utilities property only to see its value endangered by threats of public ownership confiscation, recently was handed down in the State of Washington which forces payment of a fair price for any part of a utilities system taken over by government agencies. Legal authorities regard it as having potentially great importance, according to news reports.

It was held by the court that a utility company is entitled to severance damages when it is compelled to sell a portion of its system to a public utility district. In the case on which the court rendered its decision, the public ownership promoters involved must pay \$5,000,000 for the properties they tried to force the private company to sell for \$3,000,000.

"It is obvious that the value of any of an integrated utility system cannot be accurately judged by the worth of the physical property it represents," it is pointed out by the decision. "Instead, the value must be established in its relation to the whole system if it is to be fair and equitable."

In other words, "the more money value of the distribution lines serving the city are no arbiter of their worth to the worth to the utility as a whole."

One technique of the power socialists, it was recalled, "has been to force private utilities to sell the best parts of their systems, at low prices, and without severance damages."

It is expected that, in the interest of fair play, to say nothing of the welfare of the millions of people who actually own the utility properties, that the Washington decision will do away with a gross injustice.

Spur Bullpups Pulled Feathers From Jaybirds

One of the most thrilling football games was played at the A. Jones Memorial Stadium Friday night when the Jayton Jaybirds went down in defeat before the Spur Bullpups. The game was started at the usual time with Jayton receiving at their 30-yard line. The first down the Jaybirds lost ten yards but the play was canceled and Spur given a 5-yard penalty for being off side. Jayton made no gain next down and on the third down kicked to Spur's 40-yard line.

Spur made 22-yards for first down, but had a pass intercepted on next down at Jayton's 28-yard line. Jayton kicked but Spur blocked and had the ball at the 25-yard line. Spur lost seven yards and failed on three passes, and Jayton had the ball at their 32-yard line. The Jaybirds failed on pass, made five yards and kicked to Spur's 12-yard line. Spur made seven yards and eight yards for a first down. Spur lost five yards and then punted. Jayton had ball on Spur's 36-yard line. Jayton made six yards and then 15 yards complete first down. Jayton made five yards and then went over for touchdown. The extra

point made the game 7 to 0 for the Jaybirds.

Spur received and the ball went down at the 22-yard line. Spur made five yards and 19 yards for a first down, failed on two passes, then made 10 yards for a first down, 14 yards for a first down, A fumble cost Spur the ball at Jayton's 28-yard line. **Good News! In the Face of Rising New Car Prices
—Nash Announces 1941 Prices \$70 to \$159 LOWER!**

TODAY—there's a new kind of car in the lowest price field—the 1941 Nash! Little would you believe, as you look at the size of it—194 inches long—that it delivers 25 to 30 miles a gallon, to good drivers. Powered by Nash's new "Flying Scot" Engine, it's the fleetest, smoothest "six" you ever drove! You'll be delighted by the way it responds to the wheel and holds to the road. With Two-way Ball-bearing Steering and soft coil springs on all four wheels—it rides like a miracle in motion.

Its amazing quiet, its unusual roominess are due to a new kind of "unitized" construction. Frame and body are welded together. The front seat's almost five feet wide. The rear has ample space for Nash's big Convertible Bed. Even the air you breathe is different—thanks to the new Weather Eye

Mr. and Mrs. R. B. Williams, of Weatherford, Okla., left for their home Sunday after having spent a week here visiting their daughter, Mrs. Jasper Wood, and family.

Mrs. Clark Lewis and Mrs. Jasper Wood spent a day in Lubbock the last of the week, Mrs. Lewis visiting her husband who is working there and Mrs. Wood visiting in the home of Mr. and Mrs. Eugene Wood.

SPUR SCHOOL NEWS

The Speech Department, Miss Aycock instructor, is working on debates using the subject Socialized medicine.

The speech classes are doing fundamentals of speech. Each Thursday and Friday the pupils conduct demonstration speech.

Pep Squad

The school Pep Squad have a few new members. There are 35 members in the squad now, but many more are wanted. A number of girls in the school would like to be members, but live too far out to participate in the work. They hope to have a stunt for the game Friday night. At least, they will be on hand yelling for the Bulldogs.

Pupils making up the debate teams are: boys—Billy Addie, Alfred Walker, Donald Elliott, and Robert Ward; Girls—Virginia Johnson and Iwannah Drennen.

In the Gym

Miss Simpson reports that the Physical Education classes are doing tumbling at this time. Also, there are health classes each week, instructing pupils how to take care of their health.

Piano Department

This department is under the direction of Mrs. J. C. McNeill, III, and is doing some fine work. There are 28 students taking piano, and each one gets individual attention. Mrs. McNeill reports the organization of an adult beginners class in piano.

McADOO BOY MEMBER DAIRY CATTLE JUDGING TEAM OF LUBBOCK

Koy Neeley, Senior agricultural student at Texas Technological College, is a member of the dairy cattle judging team leaving Lubbock for Harrisburg, Pennsylvania, to compete in the National Dairy show contest, Oct. 12.

Koy is the son of Mr. and Mrs. C. C. Neeley of McAdoo.

Mr. and Mrs. Thos. L. Williams, of Cedar Breaks settlement, were here Saturday trading and chatting with friends.

1931 STUDY CLUB

The 1931 Study Club met Tuesday, Oct. 1, in Mrs. Morris' home with Miss Mary Nelda Vaughter as hostess.

During the business session Mrs. Alf Glasgow was elected as secretary to take Mrs. Vernon Campbell's place during her leave of absence. Mrs. George Glover was elected as a member of the County Library Committee; Mrs. E. W. Marr conducted an instructive parliamentary questionnaire; Mrs. Lucy Cowan, as guest, speaker gave a very interesting and informative talk on the subject, "Know Your Town." Miss Belva Swan gave a musical reading, "Grandmother's Patchwork Quilt." She was accompanied at the piano by Miss Jean Engleman.

Delicious pie and coffee were served with United States flags as plate favors.

HIGH SCHOOL P-T.A. MEETING TUESDAY NIGHT

The Parent-Teacher Association of the high school met Tuesday night. A business session was first number on the program. The program theme was, "A Well Formed Attitude." Mrs. W. C. Gruben was the leader for the evening.

Mrs. John C. Ramsey gave a very fine talk on the subject of "Parental Example." The subject, "What Can Parents and Teachers Do About Vocational Guidance," was discussed by G. B. Wadzeck, high school principal.

The High School Parent-Teachers organization passed a resolution that they will assist in sponsoring a lunch room.

The meeting carried quite a lot of interest and everybody present stated they enjoyed it.

McADOO F. F. A. CHAPTER IMPROVING SHOP

The McAdoo FFA Chapter are getting some new shop equipment for the betterment of the shop.

RIGHT! WRONG!

Proper methods of displaying and saluting the American flag are shown in "The Flag Speaks," a new sound-by-Meyer two-reeler. When displayed with other flags it should be in the center and on the tallest staff. Men in uniform give a hand salute. Men in civilian clothes place their hat over their heart. Hatless men and all women place their right hand over their heart. The flag should never be used as a table cloth or to adorn the hood of a car.

Also, there is some new room equipment being received.

A short meeting was held by the Chapter Wednesday to set the work for the next few days. A program work committee was appointed by the president. A report was heard from the reporter on the results of the booth.

A report was heard from Clinton Formby, chairman of the party committee appointed at the last meeting. The initiation committee is working on the initiation of two Greenhands who will be brought into the Chapter at the next meeting.

Mrs. Lewis Buried At Tatum, N. M.

Funeral services were conducted at the Spur Church of Christ over the remains of Mrs. W. R. Lewis at five o'clock Sunday afternoon. J. H. Miles, minister of the local Church of Christ, and C. V. Allen, local minister, were in charge of the services. Campbell's Funeral Chapel was in charge of arrangements.

Active pallbearers were: J. B. Morrison, John Albin, J. S. Johnson, F. W. Jennings, R. L. Westerman, Luther Caraway, O. C. Arthur and O. L. Kelley. Flower bearers were: Miss Doris Arthur, Mrs. Luther Caraway, Miss Julia Mae Albin, Mrs. Ouida Harkey, Miss Ann Lee and Mrs. Frances Walton.

The body was transferred by ambulance to Tatum, N. Mexico, where additional funeral services were conducted at 11:00 o'clock Monday morning. Interment followed in a Tatum cemetery, with Campbell's Funeral Chapel still in charge of arrangements.

Mrs. Lewis was found in a dying condition by her husband at her home about three o'clock Saturday morning. Mr. Lewis rushed for a physician but when he returned it was too late. They took Mrs. Lewis to a sanitarium but she had been in ill health several weeks and suffered a great pain. Mr. Lewis had given her all the medical attention possible, but she seemed not to improve.

She was a daughter of the late Mr. and Mrs. J. H. Moore and was born at Arapaho, then Oklahoma Territory, May 4, 1895. She moved with her parents to West Texas and to New Mexico where she grew to womanhood. She became acquainted with W. R. Lewis and they were married at Plains, Texas, June 11, 1913. They have one child, Miss Annie Laura Lewis, of Lubbock. She had lived in Dickens county the past 22 years, Mr. Lewis being engaged in the grocery business during that

time. The past four years Mrs. Lewis assisted her husband in their store, The New Deal Grocery, where she made a real hand.

When about 20 years of age Mrs. Lewis made a profession of religion and was baptized into the Church of Christ. She was devoted to her church, and more especially used her religion in service to those about her. She was quiet in her attitude, reserved in her nature, but always helpful to those about her and who needed her assistance.

Besides her husband and daughter, she is survived by the following brothers and sisters: Mrs. Anne Brooks of Hinton, Okla.; Mrs. Alice Rogers of California; Mrs. Pearl Thompson of Oklahoma City, Okla.; Mrs. Ora Davis of Harlington, Texas; Mrs. Blanche Stovall of Granite, Okla.; Mrs. Hart Lewis of House, N. Mexico; John Moore of Caprock, N. Mexico; Also, a half brother, C. M. Stanley, of Foss, Okla.

CARD OF THANKS

With hearts sad, yet full of gratitude, we wish publicly to express our very great appreciation of the kindness and sympathy shown us by our many friends, during the death of our dear wife, mother and sister. Such sympathetic expressions and deeds of kindness of loving hands, certainly helped to lift from our hearts the burden of sorrow. We especially want to thank you for the tokens of regard manifested by many beautiful floral offerings and words of condolence.

May heaven's richest blessings follow you as the years go by, and when at last you have drifted away into life's evening twilight, may you be surrounded by helping hands and sympathetic friends, in the prayer of

W. R. Lewis, Annie Louie Lewis, Mr. and Mrs. John H. Moore and family, Mr. and Mrs. Hoyt Lewis and family, Mrs. Blanche Stovall and family, Cully Stanley and family, Mrs. Dr. Jim Roberts.

McAdoo F. F. A. Wins Again

The McAdoo F.F.A. Chapter brought home fifth of the 17 places awarded at the Panhandle South Plain Fair. Mr. McCreary, with the assistance of Billie Joe Wolly, Billie Morris, Davis and

Moody Feuell constructed the booth on soil conservation Saturday and Sunday.

The booth showed the contrast between straight rows on a slope and closed in terraces. The closed in terraces yielded about one-third more than did the straight rows on slope. The cotton grown on the closed in terrace plat was a tall, rank stalk loaded with

about 20 bolls, while the other plant was a short, wilted stalk with about three or four bolls.

These were shown to exhibit the difference between the closed in terrace and the straight row. Both were figured with the same amount of rainfall on the same kind of soil, side by side. The statistics on this have been gathered by the whole Chapter since

Father of Mrs. Engleman Passes Away

Word was received here Tuesday announcing the death of J. W. Martin in a Stamford sanitarium. Mr. Martin had been ill several days but was thought to be improving. However, a change for the worse developed and he passed away early Tuesday morning.

Mr. Martin was the father of Mrs. E. D. Engleman, one of the teachers in our schools. Mrs. Engleman left at once for the family home at Haskell. Funeral services were held Wednesday afternoon.

Friends here join in extending sympathy to Mrs. Engleman.

There were only two Chapters chosen from this district to construct booths—McAdoo and Ralls. McAdoo won fifth place with Ralls Chapter as staff competition, winning in sixth place. Although the prize money was both the same for each place, \$15.00, McAdoo was proud of the one place lead.

TWENTIETH CENTURY STUDY CLUB MEETS

The Twentieth Century Study Club met with Mrs. E. L. Caraway Tuesday, October 1. The president, Mrs. O. C. Thomas, presided over a business session. After this a program on health and government was given.

J. H. Miles was guest speaker and made a very interesting talk on modern medicine. Mrs. O. C. Thomas discussed the government health program.

A refreshment plate was served to the following:

Mesdames T. H. Blackwell, W. S. Campbell, D. P. Conditt, E. D. Cook, E. J. Cowan, F. B. Crockett, J. M. Foster, B. F. Hale, O. L. Kelley, J. A. Koen, E. S. Lee, Emma Lee, George S. Link, Oscar McGinty, L. D. Ratliff, Jr., O. C. Thomas, A. M. Walker and Mr. J. H. Miles.

5,000 TEXAS BOYS TO ENTER CCC NEXT MONTH

Five thousand Texas boys will have opportunity to enroll in CCC camps October 17-18, it is announced by Washington and Austin authorities. Every county in the State will be permitted to enroll some of its boys.

The popularization and enlargement of the CCC program, its approval by President and Congress, have caused enrollment to be eagerly sought by youths all over the Nation.

Admission to the CCC camps does not make a boy more liable for military call. Nor are the enrollees given distinct military training. The training is of a non-combatant type, calculated to aid the country in case of a national emergency. But it is primarily intended to fit the boys for profitable places in civil life.

Vocational and business training of many types are given in the camps, as well as regular school

work for those needing it. A competent staff of technical and academic teacherse is on duty at each camp. Instruction and books, as well as good food, shelter and medical care are provided the boys in the CCC.

The purpose behind the Civilian Conservation Corps is not chiefly to keep boys off the streets, but to make of them good American citizens. Right leadership, work habits, and sportsmanship combine to develop these boys.

Thousands of boys each month go directly from the Camps to worthwhile jobs, as a result of their training. Only ambitious boys are sought for enrollment, those willing to work and to take instruction.

All boys are required to enroll for six months. A shorter period accomplishes nothing and is expensive for the government.

CCC rules now permit enrollment of all boys "employable and in need of employment." This includes the sons of families re-

Invites New Business To West Texas; Join In

Better times for West Texas are foreseen by the West Texas Utilities, which this month is changing its advertising slogan from, "Invite a Friend to West Texas," to, "Invite a New Business to West Texas—the Land of Opportunity."

The company, according to W. R. Weaver, local manager, anticipates a shifting of industry and business and believes that the Southwest will capture a good-sized portion of the flow from eastern commercial centers.

"We in West Texas have many advantages to offer most types of industry," he declared, "and it is up to all of us to help publicize the fact and secure new concerns which will bring new money to our community as well as consume more of our own agricultural products."

He mentioned West Texas' mild

climate, "good, clean air and plenty of space," cheap, ample supply of fuel and power, and superior living conditions as being among assets which would prove attractive to business once "we build up the reputation of welcoming private initiative and enterprise."

The tendency toward widespread distribution of industry, he added, gives West Texas an unusual opportunity to secure self-supporting a community-building business institutions.

The utilities company maintains an industrial department, headed by T. J. McCarty and R. M. Fielder, that devotes full time to work with business concerns either already here or seeking desirable locations. The department has just completed a detailed survey of the region's mineral resources and now has available much valuable information on the location of numerous minerals, for which there is a wartime demand, such as magnesium and iron ore.

Information also includes data on the quality and quantity of the minerals, the possibilities for processing, cheap fuel and power sources, ample water, labor, housing, and transportation facilities.

Local groups were invited to call upon them "if they can be of any help."

The slogan, "Invite a New Business to West Texas—the Land of Opportunity," will be carried in the company's institutional advertisements in over 80 newspapers this fall and winter.

1,074 STUDENTS ENROLLED TEXAS COLLEGE OF MINES AND METALLURGY

There are 1,074 students enrolled at the Texas College of Mines and Metallurgy at El Paso at this time. This is 80 more than were registered last year. The Texas College of Mines and Metallurgy is a branch of the University of Texas.

University of Texas students called to arms in national defense will not lose either class rank or tuition, a ruling made by the Board of Regents. After having served their year in training students may return to the University and take up where they left off, with no loss of time. Tuition will be refunded when they enlist, except that portion used when enlistment is made.

The University of Texas has 639,732 volumes in the University library. 26,117 volumes were added last year of which 6,375 were gifts to the University.

New Business In Operation

Jack Simmons returned from Fort Worth Sunday and stated he has his taxicab and city delivery business in operation now. He has his office at the Spur Cafe and can be reached by phoning No. 46. He delivers parcels for any one and gives taxi service to any point in town for 10 cents. This makes conveyance very nice for ladies who have to make church and club meetings.

Our city needs this service and if possible will give proper patronage. Mr. Simmons will always be on hand.

1941 PARITY PAYMENT REGULATIONS ANNOUNCED

The provisions under which producers of cotton and wheat may earn 1941 parity payments were announced last week by the Agricultural Adjustment Administration. Payments will be made to eligible producers from a fund of \$212,000,000 appropriated for this purpose.

The 1941 parity provisions are essentially the same as those in effect for the 1940 program. A producer who participates in the 1941 AAA Farm Program will be eligible for payments if: (1) the 1941 planted acreage of the commodity for which payment is made does not exceed the farm acreage allotment for such commodity, (2) he plants within the total of the acreage allotments of cotton and wheat established for his farm in 1941, (3) he does not offset his performance by overplanting these commodities on any other farm, wherever located, in which he has an interest.

As provided in the Agricultural Adjustment Act of 1938, the 1941 parity payment rates for the five commodities will be based on the amount by which the returns from the 1940 crop of each falls below the parity income. The rate for any crop can not exceed the amount by which the 1940 average farm price is less than the parity price and will be as nearly equal to parity as the available funds permit. Rates will be announced later when the information upon which they are based is available. In 1939 and 1940 the rate of payment and the average farm price combined could not exceed 75 per cent of parity.

As in the two previous years, parity payments will be made on the normal yield of the farm acreage allotment determined for each commodity under the 1941 program.

Dangerous Road Shooting

Sportsmen are being warned by game wardens that shooting from public highways is not only illegal, but extremely dangerous. Dove hunters recently wounded a brother and sister who live in Hunt County as they returned from school. Game wardens immediately got to work on the case and discovered the identity of the three hunters who fled after wounding the children. They were arrested. To date, one has pled guilty and paid a fine of \$100, plus costs.

Hunting is not allowed, under the law, on public highways, nor from motor cars.

It is also being pointed out to hunters that carelessness in shooting live stock makes for considerable ill feeling between landowners and hunters and sportsmen are being urged to never shoot in the direction of livestock.

HARLEY SADLER

Harley Sadler and his all new stage show will appear in Spur October 14 for two nights only, Monday and Tuesday. They are being sponsored by Spur Fire Department, who respectfully urge the people of this section to attend. Mr. Sadler this year promises one of the biggest and finest attractions ever brought to Spur. Besides outstanding plays a marvelous orchestra is carried and vaudeville features that consist of many radio, stage, and recording stars. One of the big features will be the musical comedy presentations, which will be given preceding the play and in addition to the regular line of vaudeville that you have always witnessed with the Sadler company. The opening play will be "The Lovable Old Groach," featuring Harley as the crabbed old father, a play of outstanding merit and comedy galore. If you really enjoy a good stage show, Mr. Sadler urges that you not miss a performance this year. The big tent theatre is waterproof, and will be comfortable in all kinds of

weather. Popular prices will again prevail. Children 10 cents and adults 20. Special reserved chairs are 10 and 20 cents extra, government tax included. Remember the date and see ad elsewhere in this issue.

Questions—

able to do so. If the job is with a state or local government, Congress advises that it be restored.

2. Q—What must I do to get my job back?

A—If you have completed your year's training and are still capable of holding the job which you gave up to enter training, you must make application for re-employment within 40 days after the training is completed.

3. Q—If the employer will not rehire me, what can I do?

A—You can take your case to the U. S. District Attorney who, if he believes you are entitled to re-employment, will file suit in Federal district court against your employer to force him to rehire you and compensate you for any losses due to his failure to comply with the reemployment provisions of the law. The District Attorney will act as your attorney, and no court costs can be assessed against you.

4. Q—Will I lose my seniority and benefits such as insurance, by giving up my job to go into training?

A—The law provides that all persons who give up a job to enter training shall be reemployed in the same position, or in a position of like seniority, status and pay, without any loss of seniority or benefits such as insurance.

5. —I have already enrolled in college for the school year 1940-41. Will I have to drop out of school to report for training?

A—You can be called for training, but you will not have to report before July 1, 1941, giving you a chance to finish the school year.

6. Q—What will the men called for training be paid?

A—The base pay for those called under the selective service program will be \$21 a month for the first four months, and \$30 per month thereafter.

Registration—Administration

1. Q—What is the purpose of the registration under the Selective Service Act?

A—The purpose is to get a complete census of all men between the ages of 21 and 36, with a view to determining which are most eligible for military training.

2. Q—When will the registration take place?

A—The President of the United States has proclaimed Wednesday, October 16, as national registration day. Registration booths will be open from 7 a. m. until 9 p. m.

3. Q—Where will the registration booths be located?

A—Each registrant will report to his usual voting place where he will be registered. Customary polling places are being used for registration because the public is familiar with their location.

4. Q—Who will be in charge of the registration?

A—The Governor of the state will be directing head of the registration, but the key men will be the county clerks.

5. Q—How will the registrars at each polling place be selected?

A—The presiding judge and judges for each voting precinct, as provided by the County Commissioners' Court, are the registrars. The county clerk will appoint enough additional helpers to complete the registrations in one day.

6. Q—Will these registrars be paid?

A—No. They will not be paid. It is the consensus of opinion that the election personnel should be willing to contribute one day's service to the national defense program.

7. Q—Where will the registrars get their instructions and their materials for registration day?

A—The Governor will forward to each county clerk sufficient supplies and instructions for the registration. The clerk will then hold an instruction school for the chief registrars from each precinct, and these chief registrars will in turn instruct the assisting registrars.

8. Q—How many registrars can one registrar handle between 7 a. m. and 9 p. m. on registration day?

A—Experience has proven that it will take an average of 20 minutes per registrant, therefore the average number of registrants one person can handle will be about 30 during the day. Presiding judges will make sure they have sufficient helpers to take care of the registration for each voting precinct.

9. Q—Will the results of the registration be reported?

A—Yes. Local registrars will report results to the county clerk who will relay them to the Governor. When all returns are in, the Governor will make his report to the National Director of Selective Service in Washington, D. C.

Registration—Who Is Affected

1. Q—Who must register on October 16 under the selective service program?

A—Every male citizen of the United States and every male alien who has declared his intention of becoming a citizen, must register unless he is specifically exempted by law, provided he has reached his 21st birthday and has not passed his 36th birthday.

2. Q—What classes are exempted from the registration?

A—The Selective Service Law provides that the only classes exempt from registration are members of the armed forces of the United States, the National Guard, the reserve corps, the coast guard, the coast and geodetic survey, the public health service, and cadets and midshipmen at national military academies. The staffs of foreign diplomatic establishments in the United States are also exempt.

3. Q—Suppose a registrant is absent from his home voting box on registration day. What procedure does he follow?

A—Many registrants, such as college students, traveling men, and business men, will be away from their homes on registration day. They must go to the nearest polling place on that day and register. Their registration card will then be forwarded to the proper place.

4. Q—Suppose a registrant is sick on registration day. What should he do?

A—He may deputize some person to get a registration blank for him and to assist him in filling it out. In some cases the person will be too sick to permit registration, so he will be allowed to register later on presentation of a doctor's certificate explaining the reasons for his non-registration.

5. Q—Suppose a man is married or suffers from some physical ailment which would make it impossible for him to perform military service. Does he have to register?

A—Yes. All persons between the ages of 21 and 36, regardless of physical handicaps or conditions of dependency, must register on Wednesday, October 16.

6. Q—Can a man register late without being penalized?

A—Only if he can produce sufficient evidence to justify his failure to register on the national registration day.

7. Q—What is the penalty for the failure to register?

A—A heavy fine and prison sentence is provided for failure to register. Registration officials will make up a list of those failing to register, and this will be turned over to law enforcement officials who will round up the truants.

Registration—The Actual Procedure

1. Q—What, exactly, will the registrars have to do on October 16?

A—He will report to his local polling place between the hours of 7 a. m. and 9 p. m. on Wednesday, October 16, 1940, to answer questions on a registration form which will be asked by the registration officials.

2. Q—How long will this registration take?

A—The registration for each individual will require about 20 minutes.

3. Q—What questions will be asked?

A—The registration form includes questions on the registrant's name, age, mail address, telephone number, employer's name and address, the place and date of birth, the citizenship, and the name of a close relative of each of the registrants.

4. Q—Is a physical description required on the registration blank?

A—A brief physical description will be made by the registrar noting the race, height, build, color of hair and eyes, complexion, and obvious physical defects of each registrant.

5. Q—Will the registrant swear to his answers?

A—Yes. After the form is filled in, the registrar will read the answers back to the registrant who will then sign the registration form with the declaration that his answers are true. The registrar will also sign the form.

6. Q—What proof will an in-

dividual have that he has registered?

A—After the form is filled in, each registrant will be given a certificate showing that he has already registered.

7. Q—Will it be necessary to keep these registration certificates?

A—Yes. The registration certificate must be carried at all times so that it can be presented on demand to law enforcement or selective service officials. The registrar also must notify his local board immediately of any change of address.

The National Drawing

1. Q—In what order will the registrants be considered for classification and induction into service?

A—One of the basic principles of a selective service system is that all registrants shall be treated on an equal basis. The order in which individuals will be considered for classification and possible service will be determined by lottery—a national drawing.

2. Q—Will each local registrant receive a definite number?

A—Yes. After the registration is complete in each local area, the registration cards will be shuffled and mixed before numbering. Each person will then be assigned a serial number, and a list of these numbers in each local area will be posted for public inspection. It is contemplated that there will not be more than 3,500 registrants in any single area, so the serial numbers will run from 1 to 3500 or less.

3. Q—Will Number 1 in each area be the first man called for classification?

A—No. Numbers corresponding to the numbers in each local area—probably from 1 to 3500—will be placed in a container in Washington, D. C., and a drawing for order will take place. For example, Number 2875 may be drawn first, then Number 147, then Number 3033, and so on, until all numbers have been drawn. The order in which they were drawn then will be made into a code list.

4. Q—Will the first number on the list—say Number 2875—be the number of the first man in each area to be called?

A—No. To insure the most complete impartiality in the administration of the selective service act, another drawing will be held. This time only one number will be drawn—possibly by the President of the United States. This number might conceivably be Number 3033, and will be known as the key number. This will be the number of the first man called in each local area for classification.

5. Q—After the numbers have been drawn in the national lottery, what will happen then?

A—A list of numbers, in the order in which the men will be called for consideration, will then be posted in each area so that all may know how soon he may expect to be called. Each man will then be assigned what is known as an "order number."

Classification—General Nature

1. Q—What does classification of registrants mean?

A—It means that every person between the ages of 21 and 36 who registers on October 16, 1940, will be classified according to his availability for a year's military training.

2. Q—What will be the classes in which the registrants will be placed?

A—The man class—Class I—will be composed of those who are available for training immediately. Persons whose service in civil capacities is of great importance (workers in munitions plants, for example) will be placed in Class II, and their call to training will be deferred. Those with dependents (wife, children, etc.) may be placed in Class III, deferred on grounds of dependency. Certain individuals will be placed in Class IV when their service is undesirable on moral, physical, or other grounds (ministers, etc.)

3. Q—How will the classification be made?

A—The local boards will classify all registrants on the basis of detailed questionnaires, interviews with registrants, and other information gained through private research.

4. Q—Will all registrants be placed in Class I, unless additional facts prove that they should receive a different classification?

A—Yes. If a registrant does not claim a deferment, for example, he will automatically go into Class I. If he fails to fill out his ques-

tionnaire, he will be placed in the same class. The only way to get out of Class I, is to prove the right to a deferment or to be removed as the result of a physical examination which shows the registrant is not suitable for service.

5. Q—Suppose some citizen of the community is not satisfied with the classification given to a registrant. What can he do?

A—Each citizen is interested to see that no favoritism and no errors creep into the classification. In each local board area a Government Appeal Agent, recommended by the Governor and named by the President, will appear from any local board decision which he believes is wrong. If a citizen feels that Registrant X, who has been given a deferred classification, should be classified as available for training, he will present his facts in secrecy to the Government Appeal Agent who will then act. The Government Appeal Agent will also help ignorant registrants to secure justice.

Classification—The Questionnaire

1. Q—How will the classification of the registrants take place?

A—After the registrants have each received their order numbers, they will be given a detailed questionnaire by their local board which will provide the basis of their classification.

2. Q—How long will a registrant have to fill out this questionnaire?

A—The completed questionnaire must be returned to the local board within five days.

3. Q—Who can help the registrants in completing the questionnaires?

A—In each local board area, an Advisory Board for Registrants, composed of one or more members serving without pay, will assist registrants in answering the questionnaires.

4. Q—What will the questionnaire include?

A—The questionnaire will consist chiefly of questions which will divulge the information on which the registrant's desirability for military training will be determined. It will call for detailed information on a registrant's family, economic, physical, and occupational condition.

5. Q—Will this information be kept confidential?

A—All information of a personal nature given in the questionnaire will be kept confidential.

6. Q—What is the importance of this questionnaire?

A—On the basis of the answers given to these questions, the local boards will determine whether the registrant should be classified as available for immediate induction into training, or should be temporarily or permanently deferred from the training program.

7. Q—Must claims for a deferred status be made at the time the questionnaire is filed?

A—Yes. Unless the registrant demonstrates in his questionnaire, by specific request, a desire for a deferred status, he will be classed as immediately available for the training program.

Classification—Procedure

1. Q—What does classification mean?

A—After all men between the ages of 21 and 36 have registered, selective service officials must then determine which men are best fitted for immediate military training. In other words, each man will be classified as to his availability in one of several groups—1 immediately available for training, 2 deferred for occupational reasons, 3 deferred because of dependent relatives (wife, children, etc.), or 4 miscellaneous deferments (death after registration, physical incapacity, etc.)

2. Q—Who will determine what classification a man shall receive?

A—The classification is left up to the local boards, composed of three or more local citizens recommended by the Governor and named by the President. Texas will have 341 such local boards, with no board having more than 3500 registrants under its jurisdiction.

3. Q—What procedure will these local boards follow?

A—First, each registrant will be sent a detailed questionnaire which will serve as the basis of the classification. After these questionnaires are returned, the local boards will consider them in the order in which the registrant's numbers were drawn in the national lottery.

4. Q—Will the classification be on the basis of the questionnaires alone?

A—In many cases it will be pos-

sible to classify a registrant on the basis of the questionnaire alone. In other cases, the registrant will be called before the board for personal inquiry, but all additional information must be reduced to writing.

5. Q—Suppose a registrant fails to return the questionnaire. What will happen to him?

A—The Local Board will automatically classify him as immediately available for training. The same thing will happen when a registrant returns the application and makes no application for a deferment.

6. Q—How will the registrant know how he has been classified?

A—At the end of each day, the local board will notify all registrants who have been classified that day of its action.

7. Q—Will the board order a physical examination for registrants?

A—Ordinarily physical examinations will be ordered only after a man has been classified as immediately available for training. A preliminary examination will be conducted by the examining physician of each board, who will be named by the President in recommendation of the Governor. The preliminary examination will weed out the obviously unfit. The final examinations will be made at regular receiving stations.

8. Q—Can the registrant appeal from the action of a local board?

A—Yes. If the registrant is not

satisfied with the classification he receives from the local board, he may carry his case before a Board of Appeal which is set up on a regional basis. If there is a dissenting vote on this Board of Appeal, the registrant may appeal to the President of the United States in certain restricted cases.

Induction and Mobilization

1. Q—How many men will be called for training under the selective service program?

A—The law provides that not more than 900,000 men shall be in active training at any one time. This would indicate that 900,000 men will be called for training each year.

2. Q—When will the first men be called for training?

A—The first group of men—probably 400,000—are scheduled to report for training between November 15 and December 1, 1940.

3. Q—How will the number to be called from each state be determined?

A—A quota system will be established to make sure that each state, and each section of a state, furnishes its fair share of the men called for training.

4. Q—How will this quota system work?

A—After all registrants are classified, each state will report the number of men in Class I, (available for immediate training.) For example, Texas may have 5 per cent of the total number of men in this class. If so,

Texas will be expected to furnish 5 per cent of the men for each call. The same system will be used within each state to make sure that each local board area furnishes its proper share of men.

5. Q—How long will the training last?

A—Each man will receive 12 months training.

6. Q—After a man completes his 12 months training, what will be his status?

A—He will be placed in the reserves for 10 years, or until he is 45 years old, or until he is discharged from the reserves, whichever occurs first. As long as he is in the reserves, he will be subject to call should his services be needed.

7. Q—Where will the training take place?

A—The men will be sent to regular military camps where the staffs of the Regular Army and the National Guard will conduct the training.

8. Q—Who will pay for the cost of transporting the men to these camps?

A—The Federal Government will pay all transportation and maintenance costs while the men called for training are enroute to their camps.

Mrs. J. L. Garner and baby were able to return home Tuesday from the Alexander Hospital. Mrs. Garner and baby are getting along all right and J. L. is about normal once more.
