Advisory Board For Registrants—Their Duties

1. One advisory board for registrants will be appointed by the Governor for each of the State Judicial Districts as shown below. The membership of these boards will be limited to the Judges of the District Bench and will consist of all District Judges within the Judicial Districts. The Senior Judge in each district will be the Chairman. The Chairman of each Advisory Board will recommend for appointment to the Governor one Board member for each Local Board area in his district and one Advisory Board Member for each Local Board area will appoint associate members to the number required in his area. The number of associate members in each Local Board Area should normally be at least one per thousand inhabitants. However, local conditions, such as a high degree of illiteracy, may render it advisable to increase the number required. After work has actively commenced. The Board Member for the Local Board Area should appoint such additional associate members as may be required to take care of the work.

2. It is unnecessary that Associate Members of Advisory Boards for registrants to have legal training. Competent laymen such as bankers, insurance agents, educators, ministers and priests, members of patriotic societies and other volunteers may serve as associate members. All that is required is intelligent answers to the questions contained in the questionnaire and a willingness to help registrants fill out the questionnaire properly. The Chairman and Member for each Local Board, however, will be appointed from the legal profession.

3. It shall be the duty of Advisory Boards for Registrants to organize their respective districts to advise registrants and render assistance in preparing questionnaires and to have certain Associate Members designated to visit the sick or other registrants who are unable to come to the designated headquarters and shall instruct or issue instructions to Associate Members as may be needed to carry out their mission.

Office space for the Board Members and Associate Members of each Local Board Area will be obtained in schools or other public buildings such as court house or City Hall which is convenient to the registrants. Registrants will be notified by the Local Board through the press, bulletin board and other means of the names of the Associate Members for the area, and the place in which they may be found and the hours at which they may receive assistance. No compensation is provided for Advisory Boards of Registrants or their Associate Members.

Editor's Note: Judge Alton B. Chapman is Chairman of the Advisory Board for the 110th Judicial District, and Judge H. A. C. Brummett, of Dickens, is the member of that Advisory Board for Dickens county. Other helpers will be appointed by the Advisory Board as they are needed. These men serve without pay in this work.

Other members of the advisory are: C. W. Norrid of Silvertown, Judge Jeff D. Ayers of Floydada and Farris Fish of Matador.

WOULD CONSIDER ORGANIZING A PHYSICAL EDUCATIONAL CLUB

Miss Marie Simpson, physical educational instructor in our schools, has organized a physical educational club among the ladies in the town. Miss Simpson stated that if other ladies are interested that they can get in touch with her. A meeting was held Tuesday night.

It would be fine for the ladies to get an organization and meet once or twice each week, take some building up exercises play some games and enjoy the association. Our school gymnasium is a fine place to hold such meetings and the ladies enjoy the work.

Local Masons In Special Meeting Friday Night

The Spur Masonic Lodge will have a special meeting Thursday night of next week, October 24. The meeting will be called at the usual hour of assembly which is about 7:30 o'clock.

Last Thursday night was regular meeting and there was one of the largest attendance that has been present in many years.

The Lodge membership have been divided into four groups with group captains in charge. The group captains are M. E. Tree, Glen Huls, Lonnie Lewis and Eric Ousley. Lonnie Lewis and Eric Ousley had to set up the feed last meeting night, and everybody enjoyed oysters. There were about 100 Masons present.

The attendance contest is active for the regular meetings only.

The officers and members request that all Master Masons be present at the meeting next week.

American Legion Elect New Officers

The Boyd M. Williams Post of American Legion held a meeting in the Scout Hall Tuesday night to elect officers and attend to other business. The first business taken up was the election of officers, which were as follows:

- R. C. Brown, Commander.
 - L. E. Barker, Senior Vice Commander.
 - J. T. Powell, Junior Vice Commander.
 - L. D. Powell, Adjutant.
 - D. A. Wilson, Finance Officer.
 - E. M. Hale, Chaplain.
 - Cliff Bird, Sargeant at Arms.
- Armistice Day program was outlined and they are going to try to have the best program yet. Posts at Paducah, Matador and Crosbyton have been asked to cooperate to make November 11 the biggest day yet.
- After the refreshments, Cecil Fox made a short report about the Rifle Club which is sponsored by the American Legion. Also, he spoke about Boy Scout Troop No. 36 which is sponsored by the American Legion Post. The American Legion and the Legion Auxiliary voted to get behind the troop and give it all the encouragement possible.
- The Toy Drive which has been sponsored by the American Legion was outlined. Troop 36 Boy Scouts have been looking after this work. All persons who have toys slightly damaged, or that have been discarded are asked to be turned over to Cecil Fox and these will be repaired and given to less fortunate children.

Rifle Squad
Under the direction of Dr. L. E. Standifer, it is hoped the American Legion can secure a rifle squad for the Armistice Day program. There are, or should be about 25 or 30 army rifles in this country, and those who have them are being asked, if they will, to bring them to Lawis Lee at Brazelton Lumber Company. Mr. Lee will see that every rifle is returned to the owner after Armistice Day program. It is hoped all will cooperate in this matter.

Mr. and Mrs. W. K. Harvey, of Soldier Mound community, were in town Saturday doing some trading. Mr. Harvey stated he is greatly improved in health since returning from the Veterans Hospital at Amarillo.

Austin C. Rose, of McAdoo, was attending to business affairs and talking with friends here Saturday.

Mr. and Mrs. S. P. Orand, of Red Mud, were in town Saturday doing some trading and greeting friends.

W. S. Driggers, of Gilpin, was attending to business affairs and chatting with friends here Saturday.

Jackrabbits Here Friday Night

The Spur Bulldogs will have another thrilling time at the Charles A. Jones Memorial Stadium Friday night when they meet the Ralls Jack-Rabbits in their second conference game. This is going to be a real game and Ralls has a good team, averaging around 164 pounds.

The Bulldogs will play at a little disadvantage as some of the first string men are badly bruised up from the Matador game. However, this year Spur has a line of good subs which will be able to fill the places in a grand way. Those Bulldogs will possibly make the fur fly from those Jack-Rabbits Friday night. The game will be called at eight o'clock.

The following are some of the Ralls players.

No.	Name	Pos.	Weight
88	G. Smith	FB	170

Spur's starting line-up has not been announced this week. Coach Duckworth stated he would not know until Friday morning just who would lead off for Spur.

West Texas To Honor Olin Culberson Sun.

A meeting of citizens of the 30th Senatorial District, of which Judge Marshall Formby is now Senator-elect, will be held at the McKenzie State Park near Lubbock next Sunday and have as their guests Mr. and Mrs. Olin Culberson. Mr. Culberson is the newly elected Railroad Commissioner of Texas. The meeting is to be at 12:30 and everybody is invited to bring a well filled basket and all enjoy a basket dinner.

Attorney George W. Dupree is chairman of the Invitation Committee, and people from the 24 counties in the 30th Senatorial District have been given an invitation to be present and lend assistance to this great event. Mr. Dupree says, "Let's make this old-time gathering of West Texas a real meeting, where we can all get together in unity and think together for the good of our West Texas." There will be no political speaking, and no politics discussed.

Continuing, Mr. Dupree says, "Everyone bring a basket and we will get together and get acquainted for the general good of West Texas.

The time is next Sunday at 12:30 p. m. for Sunday dinner.

Wichita People To Give Play Friday Night

Citizens of Wichita community are presenting a play at the Wichita school house Friday evening, October 18, starting at 7:30 o'clock. The title of this play is, "When Salley Comes to Town," and is a three act comedy. The characters are all home talent.

Those taking part in the play are: Jackie Stubblefield, Ardelle Pierce, Oran Beechly, Foy Jackson, Snooks Swan, Miss Drennen, Miss Lovell, Mrs. Stubblefield, and Ernest Stubblefield. The play is under the direction of Mrs. E. T. Cummings, teacher at Wichita.

A small admission charge of ten cents for children and fifteen cents for adults will be made. The proceeds of the play will be used to repair the light plant at the Wichita school.

There will be good music and readings in between acts. People are extended a very cordial invitation to give the school their patronage at this play.

Attend K. of P. Lodge At Abilene

A number of members of the local Knights of Pythias attended a district meeting in Abilene Monday night. Officers of the Grand Lodge were present. John Lee Smith, supreme vice chancellor, made the address of the evening. A number of people took degree work. David McAteer, Leonard Wilson and Joe Jeffreys of Spur took degree work.

Others from Spur who attended the meeting were: Homer Whitwell, L. R. Barrett, Ernest George, Charlie Applegate, E. L. Smith, W. N. McCombs, Cecil Ayers, J. W. Meadors, W. C. Starcher, Clyde Walthall, Ralph Rosamond, Carl Murray, Richard Gibson and Rev. J. E. Harrell.

Red Cross Preparing For Expansion

To relatives and friends of men registering today for military training, Clyde Walthall, Roll Call chairman of the Spur Red Cross chapter, extended assurance the Red Cross is making full preparation for expansion to deal with welfare problems of all men who enter service as well as their families at home.

Pointing out that the Red Cross is the government's official agency chartered to deal with personal or family problems of men of the army and navy, Mr. Walthall said the public will be asked for increased membership support during the organization's annual Roll Call, November 11 to 30, that military, public health, first aid and other National Defense responsibilities of the Red Cross may be met adequately.

"Increased staffs of chapter home service workers, and field representatives at training points," Walthall said, "will assist the men or their dependents in matters of illness, emergencies, material relief, obtaining of information needed by military authorities for furloughs or dependency discharges, advising in business difficulties, obtaining of employment for a member of the family, and other problems.

"Army hospitals have already asked or more than 4,000 Red Cross nurses to be on duty next July. The first groups have been called, on September 15 and another yesterday. For convalescents, Red Cross 'Gray Ladies' will write letters, read books, provide games and other amusements. Red Cross volunteers will make comfort items for hospitalized men.

"Among other preparedness measures being taken by the Red Cross, our chapters will be expected particularly to train more women and girls in home hygiene and prevention of disease as a civilian safety measure, train additional thousands of first aiders in industries affected by war materials production, increase enrollment in the Red Cross nursing reserve corps and in nurse's aide special courses for training of assistants in civilian hospitals in time of national emergency. In addition, they must continue to produce garments and surgical dressings for use overseas and here at home. This expansion will take into account, also, the continuing need of domestic Red Cross peace-time services."

Ed McLaughlin, of Ralls, who is Area finance commissioner, gave a very fine talk showing how the money of the Council is being spent. He outlined the budget and methods of financing. Jack Stone, Area Council executive, then stated that scouting in the entire council is looking up, but that more workers are needed. He said the great thing about Boy Scout is that it is all volunteer work and supported by those interested in the future manhood of our country.

Charles Taylor, of Dickens, was present and gave a report on the work of Scouting at Dickens. He stated there are 16 Boy Scouts in the organization there and the finances of the District. He stated that a little more money is going to be required for the next year. He outlined the quotas for each town in the district and stated most of them are up.

O. C. Thomas reported on advancements and Courts of Honor for the district. Only one Court of Honor has been held during the fall. Another Court of Honor will be called about November 15.

Reese McNeill reported on Cub work and stated they were sadly in need of more Den Mothers and more Den Chiefs. The work is going fine he said. W. F. Godfrey reported on camping and activities and said people should take more interest in going out with the Scouts and enjoying a good time.

W. D. Starcher made the report for Troop 36 Spur, which is the only troop report made. All other representatives were absent.

Soil Conservation Checks Received

The County Agricultural Department this week reported the receipt of 88 soil conservation checks. These amounted to \$18,307.60 and were the first of this class received in the county. There should be checks amounting to approximately \$200,000.00 received in this work in the county this year.

There have been additional parity checks, or crop assistance checks received the past week. There were 21 checks amounting to \$1,327.75, and 14 checks amounting to \$476.89. This makes a total of \$1,804.64 for the week. Adding the former amounts of checks received by farmers for parity assistance, gives \$136,434.76 that has come into Dickens county in the form of parity checks. This does not include the above \$18,307.60 conservation service.

Joe Cornett, of Afton was in town Saturday transacting business and enjoying friends.

Patton Springs Schools Out Another Week

The Patton Springs schools will be out all next week to give the children an opportunity to assist in the cotton harvest. It was thought they might get back to school next Monday, but the cotton picking period has been extended another week by the school and they will not take up school before October 28. If further extension on cotton picking is given, announcements will be made next week.

District Scout Committees Holds Meeting

The Executive Committee for Scout work in the Eastern District held a meeting at the Methodist Church Round-up Tuesday evening and had a very nice line of reports. George S. Link, who is chairman of the committee was in charge of the meeting.

J. C. Grimes, Scout Executive for the northern division of the South Plains Council Area, was present and read a very nice set-up for scouting, giving the district leaders some fine ideas about carrying on scout work.

Ed McLaughlin, of Ralls, who is Area finance commissioner, gave a very fine talk showing how the money of the Council is being spent. He outlined the budget and methods of financing. Jack Stone, Area Council executive, then stated that scouting in the entire council is looking up, but that more workers are needed. He said the great thing about Boy Scout is that it is all volunteer work and supported by those interested in the future manhood of our country.

Charles Taylor, of Dickens, was present and gave a report on the work of Scouting at Dickens. He stated there are 16 Boy Scouts in the organization there and the finances of the District. Doctor W. C. McLaughlin At Presbyterian Church

Dr. W. C. McLaughlin, of Hainchow, Ku, China, a well known missionary for twenty-five years in the services of the Presbyterian Church, U. S., will speak Thursday, October 24, at 7:30 p. m. Accompanying Dr. McLaughlin in his itinerary will be Dr. J. H. Patterson, pastor of Westminster Church, Fort Worth, who is chairman of the Committee on Foreign Missions, who will also speak and introduce Dr. McLaughlin.

This is a rare treat. Dr. McLaughlin was one of the main speakers at the recent annual meeting of the Synod of Texas in the First Presbyterian Church, Kilgore, the oil capitol of the world. His messages thrilled the great gatherings of ministers and laymen. Dr. McLaughlin's field of labor is situated in one of the most contested areas in China, where contending Chinese and Japanese armies have taken and retaken positions continuous eight times, and where the devastation of war has been disastrous. There are spots where not a stick of wood remains where formerly large habitable centers flourished. Churches, business blocks, and homes have been completely obliterated, yet as never before in the hundred years of Protestant missions in China have the Chinese so universally accepted Christianity, and never before has there been such a warm friendship for the missionary of the Cross.

The general public is most earnestly urged to come to this service.

County Selective Service Board Meet In Dickens

The Dickens County Selective Service Board, composed of three members, R. C. Brown, O. L. Kelley, and R. R. Wooten, met in the Court House at Dickens, Saturday, October 12. R. C. Brown was elected chairman, O. L. Kelley, secretary, and Mrs. R. C. Brown, clerk. The office of the local board will be on the second floor of the Court House at Dickens. A telephone has been installed and equipment borrowed from the county temporarily. The board will have its first official meeting Thursday, October 17, however, no registrants will be interviewed at that time. Registrants will be notified individually when to appear before the board.

Registrants desiring aid in preparing questionnaires or desiring information about any official papers should consult members of the Advisory Board, who are as follows: H. A. C. Brummett, Chairman, O. B. Ratliff, E. H. Boedeker, Charlie Powell, V. C. Smart, Spur; Moyné L. Kelly, Afton; Joyce Dobkins, Glenn; H. U. Butts, John Formby, McAdoo; Fred Arrington, Wayland Lee Dickens, and O. C. Newberry of Afton.

The first duty of the local board will be to receive all registration cards from the county clerk. The board will then select all non-resident registration cards and mail to the Governor. Then all registration cards will be shuffled serially in the order in which they appear commencing with Number "1" (one) and continuing consecutively until all cards of registrants have been numbered. The order numbers of the cards will be entered after these numbers are received from Washington. As soon as each registrant has been numbered by the board, a copy of Form III, which is a list of registrants together with their number, will be posted in the Court House and given to the local press. Deferred registration will then be taken care of by the local Selective Service Board at its office in Dickens.

Information will be posted and released to the press as it is needed and in accordance with official instruction from the Selective Service Headquarters.

SPUR SCHOOL NEWS

The Spur school band held a meeting Monday afternoon and elected officers for their organization. Those elected were:

President, Frank Vernon; Vice-President, Bob Weaver; Secretary-Treasurer, Ouida Lisenby.

The School Band led the parade Tuesday afternoon for the Harley Sadler show which was in town. Also, they played several selections at the opening of the show Tuesday evening, and then all the band were guests of Mr. Sadler at the Tuesday night performance.

The music department has organized a Glee Club which is doing some very fine work. There are about 25 girls in this work. Several voices among the girls are being tested out at this time for quartettes. It is the hope of this department to have a Junior High school choral club organized sometime next week. Miss Bacon is directing the music in Spur schools and is meeting with fine success.

Momemaking Department
The Artisan Club served a luncheon Tuesday night to the members of the Daughters of the 1933 Study Club. There were about forty guests present and the Homemaking girls did a very complete job serving the luncheon.

The various classes of the Homemaking Department will hold meetings today and the newly elected officers will preside. The program discussion will be on parliamentary procedure.

Grammar School
The Gramma School contest on P-T. A. Membership will close

Friday. The check up shows that all rooms are very close in this contest and no one knows who will win. The school has about reached its quota of membership in P-T. A. The room which wins this contest will get to enjoy a theatre party through the courtesy of the Palace Theatre.

Miss Thurman's room will have charge of the assembly program which will be this morning at 11:40. The program theme had not been announced.

The Grammar School has charge of all foods at the Halloween carnival which will be Thursday night, October 31. Mr. Williams and Miss Julia Mae Albin are the teacher members of the committee.

Mrs. Latham has had to be out of school all of last week and this week on account of serious illness of her father, Mrs. Henry Gruben has been teaching her work.

There have been 20 new books received for the Grammar School library. All of these are on the state approval list of supplementary reading for schools.

Mr. and Mrs. C. C. Haile, of Afton were in town Saturday doing some trading. Mr. Haile stated he has some very fine young cattle on his ranch now.

Bernard Golding, of Houston, and Sylvan Golding, of Austin, were here visiting their parents, Mr. and Mrs. M. C. Golding, and sister, Miss Idalee Golding the past week end.

ARE YOU PLANNING TO USE GAS FOR HEATING THIS WINTER? IF SO YOU WILL BE INTERESTED TO KNOW THAT:

- 1—The cost of gas from the City is cheaper than you can own your own system, and much more satisfactory. You do not run out of gas on cold nights and the pressure does not drop.
- 2—The cost of heat for five room houses in the coldest month last winter was only \$5 to \$10.
- 3—You can have heat in every room not just one or two.
- 4—It does not cost anything to connect on the City gas, this is done free of charge.

Ask your neighbor what he thinks about the cost and convenience of City gas.

We want you to know the facts on the use and cost of gas. Call us or come to see us if you are interested.

Just What They Enjoyed

County Clerk Eric Ousley stated this week that he was included in a fishing party with the County Commissioners Court the last of the week to Lake Kemp. Judge McDaniel, County Judge of Baylor county, invited the Commissioners Court of Dickens county, with two other friends, to be his guests on a fishing party at Lake Kemp. The entire County Commissioners Court: Judge Formby, Commissioners H. D. Nickels, E. J. Offield, W. H. Hindman and M. B. Gage and Clerk Eric Ousley selected Sheriff-elect Fred Christopher and Cecil Meador as their guests and went to Lake Kemp the last of the week and enjoyed a big time with fish fries galore.

Judge McDaniel owns a camp on the lake shore and has all the conveniences of a modern camp there. It was a real treat to our Commissioners Court to enjoy this fine hospitality.

TWENTIETH CENTURY CLUB MEET

The Twentieth Century Study club met Tuesday in the home of Mrs. J. N. Foster. During a short business session presided over by Mrs. O. C. Thomas, Mrs. Cliff Bird was introduced as a new member.

Mrs. Thomas was elected delegate to the State Federation meeting in Austin November 12-15.

Mrs. Oscar McGinty was leader of the program for the afternoon. The club read the club collect. Mrs. Cook gave a most interesting review of its book, "Wild Geese Calling," by White.

Refreshments were served to Mesdames O. C. Thomas, O. L. Kelly, Oscar McKinty, D. P. Condit, T. H. Blackwell, Cliff Bird, A. M. Walker, E. S. Lee, W. B. Lee, J. A. Kooner, B. F. Hale, E. D. Cook, L. D. Ratliff, Geo. S. Link, W. S. Campbell, P. C. Nichols and the hostess, Mrs. Foster.

East Ward School

The East Ward School has on a drive for membership in the Parent-Teacher Association. The report Wednesday morning stated there were 75 paid members in the organization now. The contest will close tomorrow and the room securing the greatest number of P-T. A. members will be given a theatre party through the courtesy of the Palace Theatre. Mrs. A. G. Dunwoody has assisted greatly in this drive. She has solicited, and wrote each Room Mother a letter giving lists of prospective members, has kept a check on the drive and assisted in many other ways.

Mrs. Cravy and her pupils will be in charge of the assembly program Friday afternoon at 1:30 o'clock. Parents are extended an invitation to be present for this program. It affords an excellent time for parents to visit the school.

Plans have been formulated for the annual Hallowe'en program which will be given Thursday night, October 31. A very fine carnival is being arranged and a program which people will enjoy.

This week closes the first six weeks term of school and the first report cards will be given out about the first of the week. There is a new type of report card this year with the information more simple. Parents are asked to examine these new report cards.

Two more new books have been added to the school library this week. Mr. Johnson has them listed and the pupils have access to the use of them. There are about 44

volumes in the school library at East Ward.

Mrs. John King's room won the prize at the Parent-Teacher meeting last week for having the greatest number of parents and visitors to the meeting. They are holding the banner at this time, and will continue to hold it until another room wins over them.

Try telling folks the rates have been cut in half!

1 I work for the utilities and the other night I had supper over at Jim and Edith's house. It was a swell supper and I told Edith so. "Cooking," she said, "is easy. We have nearly everything electric." "There is a point," I says, excited-like. "And you're using about twice as much electricity today as you did 10 years ago for the same money." "Maybe you mean the bill is twice as high nowadays," Jim chimed in. "It may be just as high, Jim," I said. "Mine is, too. But there's a good reason for it. Look here..."

2 Then I took them around the house, pointing out their refrigerator, electric washer, the percolator, radio, toaster, iron, and all the other electric appliances, not to mention the better-light-better-sight lamps. I said: "Now, honestly, aren't you using a whale of a lot more electricity than you did just a few years ago?" They said that was right.

3 Then I tossed a couple nickels on the table, real dramatic-like, and said: "The average person pays only about a dime a day for electric service! Some pay less, some a little more. And the more you use, the lower the rate!"

4 "Is this a bargain or isn't it?" I asked Edith. "Never thought of it like that," she said. "I certainly do get my money's worth!"
