

**MULESHOE IS NOW
A COUNTY SEAT**

Muleshoe is now the permanent County seat of Bailey County, Texas, the matter having been permanently decided on the 12th, when Muleshoe received a two-thirds majority over the other contestants. The matter of the organization of Bailey county has now been passed upon by the higher courts and there will be no other obstacles in the way of the county perfecting its organization.—Clovis News.

E. C. Murphy and wife of Lorenzo were over the first of the week attending to business interests.

Miss Viola Morgan of Spur, was over the first of the week shopping and visiting with acquaintances.

Mrs. J. O. Jones left the first of the week enroute to Fort Worth to visit a few days with her daughter, who is attending school at the Texas Christian University at that place. Mrs. Jones also intends to meet her son, Russell, at Camp Bowie, as he has landed from overseas, and will probably be at Camp Bowie this week.

Messrs. Roscoe Wilson, Judge Bean, C. H. Smith and Judge W. R. Spencer left Monday morning for Brownfield to attend to business pertaining to this session of District Court there. Only four or five cases are reported to be on the docket at that place this term.

James Bierson of Amarillo, was here the first of the week trying to interest buyers of cattle with some of our cattle.

**MILLION BUSHEL WHEAT
CROP PLAINVIEW COUNTRY**

A wheat harvest of more than a million bushels within a twenty-five mile radius of Plainview is practically assured. The acreage is very large, and the condition is fine, and this coupled with the heavy rains of 2.1 inches which fell all over the Plains last night, making the prophecy almost certain.

The rain began early in the night, and was heavy practically all night, and this morning a heavy mist is falling. Trainmen this morning said "rain all the way along the route."

Not only will a bumper wheat crop be harvested, but also heavy crops of kaffir, maize, alfalfa, millet and other standard products of the Plains will follow, for the acreage will be much larger than ever before. Already many farmers had begun planting these crops.

Verily, prosperity has struck the Plains, and everything should boom from now on.—Plainview News.

**BRISCOE MAN IS BAD
SHOT WITH WINCHESTER**

If the soldier boys who went across seas and got the kaiser's gear were no better shots than Jack Bridges, an 18-year-old Briscoe county youth, it would have taken a much longer time to obtain his angora.

Wednesday of last week near Silverton Bridges took five shots at R. W. Thomas with a 30-30 rifle, and missed him every time. Ex-Sheriff Bob Stevenson saw the shooting and swore out a complaint against Bridges charging him with assault with intent to kill, and he was arrested and placed in jail, where he was Saturday having been unable to give \$1,000 bail. It is stated that Thomas done some artistic ducking and dodging when the bullets were being fired at him.—Plainview News.

**J. E. FERGUSON SUES HOUSTON
CHRONICLE FOR HALF MILLION**

Belton, Texas.—Five separate suits for \$100,000 each were filed in the District Court here by former Gov. James E. Ferguson of Temple against the Houston Chronicle Publishing Company of Houston, Texas, styled in the petition as publishers of the Houston Chronicle and Herald.

The article published in the publications named in the petition appeared on June 30 and July 20, 22, 24, 27, 1918, and entered into a discussion of the paramount issues of the gubernatorial campaign. The plaintiff asks for judgment in the sum of \$50,000 actual damages and \$50,000 exemplary damages in each case.

**SAN ANGELO MAN IS
FOUND DEAD IN STORE**

San Angelo.—Si Hodges, 50, whose dead body was found in his hardware store here Monday morning with a bullet hole in his head, will be buried Tuesday at Brownwood, his former home. Hodges lived there twenty-five years before coming here in 1901.

For the past nine years he had been president of the San Angelo Hardware Company. His mother, one brother and one sister survive. Hodges had been despondent over ill health.

**CONTRACT FOR BRICK SCHOOL
BUILDING AWARDED AT SPUR**

Spur, Texas, April 26.—The contract has been let for the construction of a new and modern brick high school building at Spur.

The school building at Spur was destroyed by fire last September.

The contract was let to J. E. Sanders, a local contractor, and the building is to be ready for occupancy by September 1.

Mrs. E. Graham went to Lubbock yesterday to meet her sister, who is a delegate to the Club Convention there, from Abilene.—Plainview Herald.

**WINTERS SEEKS NEW
TRAIN TO ABILENE**

Abilene, Texas, April 22.—Winters thirty miles south of here, wants the Abilene & Southern to put on another train, now that the war is over and conditions are normal again.

Winters' commercial club, recently organized, will join with Ballinger in asking for the train.

**SLOW RAIN FELL AT
SNYDER LAST SATURDAY**

Snyder, April 28.—A slow rain fell here throughout Saturday and at night this section was visited by a downpour. It is believed that this will save the wheat crop, which had begun to suffer on account of dry weather.

A quarter saved is a quarter earned. If it is put in a Thrift Stamp and afterwards with others like it, exchanged for a War Savings Stamp, it earns still more. Save for that happy opportunity. War Savings Stamps give you a fund on which you can always call—and which is always larger than when you started it. You can always cash your War Savings Stamps at your postoffice on ten days written notice to the postmaster.

A. F. McDonald returned the first part of the week from Naacogoches County, where he has been for several weeks. Mr. McDonald shipped several Jacks and Stallions to that country some time back to sell. He reports that never before did that part of the state promise so much fruit, vegetables and crops as it does this year.

Robert Holgate, cattleman of Terry county, was here last week on a business visit. Mr. Holgate for several years has been in the hardware business at Gomez and Brownfield, but just recently disposed of these interests and moved to his ranch in the northern part of the county to enter the cattle business strictly.

Joe Henderson, of northwest Lynn County, was here Tuesday, transacting business with our merchants. He reports fine rains—about three inches during the past week, and says there is more water in the lakes than he has ever seen in that part of the country.

Alton Green of Terry county was brought here last Saturday to undergo an operation for appendicitis in one of the sanitariums. Latest reports are that he is improving and will probably be able to return home in a few days.

Worth Adams of Shallowater is here in one of our sanitariums receiving treatment. Mr. Adams will probably undergo an operation the latter part of the week.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

Frank Conner, wagon boss of the Slaughter ranch west of here came in town this week for a rest. Mr. Conner seems to be having a tough time of getting on his feet. Influenza and a fractured ankle have kept him in bed.

Clyde Smith of Crosbyton, returned home the first of the week, after undergoing a successful operation in a local sanitarium last week.

S. E. Wasson of Lamesa, was a business visitor here Monday and Tuesday of this week.

Mrs. H. A. Hannam of Slaton, who underwent a very serious operation last week here, is improving.

Calomel Today! Sick Tomorrow!

I Guarantee Dodson's Liver Tone

Don't take nasty, dangerous calomel when bilious, constipated, headachy. Listen to me!

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

SOME ITEMS FROM THE LYNN COUNTY NEWS

Last Sunday afternoon the Baptist minister of Tahoka, executed the ceremony that made two young hearts happy. Mr. Ollie White and Miss Esther Young, of near Lubbock, drove up to the Pastorium in their little Dodge and after a pleasant chat in the parlor of the pastor's home, were united in the holy bonds of wedlock. After the wedding they motored back to the bride's father's, where they will make their future home. Mr. White has recently arrived home from overseas, where for more than a year he had fought the Huns. He was in the Thirty-sixth Division and did some desperate fighting in the last days of the struggle. This noble young soldier is going to make his home on the farm and fight the blue weeds as faithfully as he did the Huns. They were a bright, handsome couple, and we wish them the very greatest blessings in our power to wish.

Uncle Sam Singleton, owner of the Singleton ranch in Lynn County, shipped in 1000 head of cattle from Clarendon, Texas, yesterday where he had them on grass during the winter. Messrs. Dud Singleton and Billie Brandon came in with the cattle. They will return to Clarendon Saturday after another shipment.

Claude Kuykendall and wife, left Tuesday for Amarillo, Texas, where Mr. Kuykendall will obtain employment in the railroad shops. He had just returned from overseas, and spent several days here visiting his parents, Mr. and Mrs. W. L. Kuykendall.

Mrs. J. S. Weatherford and daughter, Miss Inez, left for Mineral Wells Thursday for the benefit of Mrs. Weatherford's health. Her sister, Mrs. S. W. Sanford accompanied her as far as Slaton, returning home in the afternoon.

Four big road graders were unloaded here Monday for the county. These machines were ordered by the Commissioners several weeks ago from the Case Company, through their local agent, C. C. Barnes. They are first class in every respect, and will be put to work repairing the public roads of the county.

A deal was consummated this week whereby Sheriff S. W. Sanford purchased the residence property belonging to D. W. Rogers, in the north part of town. Mr. Sanford and family expect to occupy the newly acquired property about the first of May.

SOME LOCAL ITEMS FROM THE SLATONITE

Alvin O. White, who answered his country's call and went to France to help put the kaiser down, was recently discharged from the service and came back to Slaton to claim one of the county's fairest maidens for his life companion. On last Sunday afternoon he and Miss Esther Young drove to Tahoka, where they were united in marriage in the presence of a few close friends.

On Wednesday, April 16, Charles McManus and Miss Buna England surprised their friends by going to Amarillo, where they were united in marriage.

On last Monday Rev. T. C. Willett was called to Post to conduct the funeral of a little daughter of Mr. and Mrs. J. A. Byrd, who live ten miles north of that place. Burial was made at 4 o'clock that afternoon. The little girl became suddenly ill at 2 o'clock Sunday morning and expired that afternoon. This is the third child they have lost in the same way during the past six years.

Mrs. W. E. Porterfield of Post underwent an operation at Lubbock Wednesday. She will be remembered here as a daughter of Mr. and Mrs. W. R. Hampton, former residents of this city.

John DeLong, a former resident of this city was married to Miss Ora Kirkpatrick, in Clovis, N. M., Saturday, April 12. They arrived here last Sunday to make their home.

Why They Quit

In November last a message was flashed from the German Front to Berlin that it was useless, hopeless, to fight any longer. America was ready to smash the German armies.

It was true. For every ton of mustard gas the Germans possessed America had ten tons ready for shipment. Soon America would have had a tank on every seventy-five feet of front. Thousands of batteries of guns would soon have been placed, where we had none before.

By making these preparations and letting the Kaiser know what was coming we ended the war, and saved the lives of thousands of American boys, who would otherwise be fighting and dying in the trenches to-day.

This is what we want you to pay for by lending your money to the Victory Liberty Loan--American boys' lives. You will not fail to respond to this kind of appeal. From a sense of duty, and in a spirit of gratitude,

Annual Report of the Lubbock Chamber of Commerce. 1918-19

President's Report.
 To the Members of the Lubbock Chamber of Commerce:
 One of the duties, and a rather agreeable and pleasant one, of the president of your commercial organization, is that required of him annually, namely, to make a report of the activities and accomplishments of the organization for the preceding term of months, thereby rendering an account of his stewardship.
 That this is a rather agreeable and pleasant duty to me, is not to be construed as meaning that I consider this an opportunity to exalt myself, for I assure you that in overseeing the activities of the organization, I have been my own severest critic; but because in making this annual report, an opportunity is offered of rendering to the membership in particular, and the general public as well, a detailed account of one year's time and effort spent for the good of the community, as well as to produce evidence that the purposes of the organization have been continually kept in view, namely, to promote and protect the material and general welfare of the city and community.
 Space, of course, will not permit a detailed account of the many activities of the Chamber during the past year, which on the whole must be passed over briefly, and with attention to only the more important.
 The Chamber is just now closing the sixth, and in many respects most satisfactory year. While, because of the constant calls upon our time and resources by the various War organizations, we have not been able to devote as much of our attention as we should have liked to community development, yet our organization has accomplished gratifying results in the betterment of our city, and in placing Lubbock, city and county before the world.
Membership.
 Owing to unexampled conditions in this section, and to the many demands upon the finances of our people for the various war activities, our income has not been so large as in the preceding year, yet the financial condition of the Chamber at this time should be very gratifying to the membership. Membership dues have been paid promptly in almost all cases, thus giving concrete evidence of your interest in the Chamber. Beginning the year with a deficit, we end with, I think I may say without exaggeration, our club stronger financially than that of any city of our size in the State.
Board of Directors Meetings.
 During the past year the board has held seventeen meetings, at fourteen of which I have presided as president. The average attendance at these meetings has been ten members, which shows strikingly the keen interest on the part of the directory.
War Activities.
 I hardly seems necessary in offering a summary of the various activities of the Chamber of Commerce during the past year, to call attention to the fact that the first consideration of the organization was to place its every facility at the command of the government in the supreme endeavor to help win the war in which we were engaged. All other activities which a Chamber of Commerce could conduct were of no value, if the lack of national support by every community should result in the defeat of our boys.
 With a full appreciation of the crisis confronting our democracy, and

the apparent need of whole-hearted support by every individual and every organization, the Lubbock Chamber of Commerce has, during the past year, endeavored to meet every demand from this direction.
Advertising.
 Recognizing the great opportunity afforded, the Chamber has taken advantage of every occasion possible in placing Lubbock and Lubbock county before the investor. Advertisements have been carried in the leading newspapers in the new oil fields of West Texas, and the facilities of the Chamber of Commerce have been placed at the disposal those seeking information as to our section. The organization has recently compiled a booklet featuring the Lubbock country, which will be distributed as rapidly as possible where they will do most good.
 Unfortunately, owing to war conditions, and the cancellation of the Dallas State Fair, we were unable to hold our annual Lubbock County fair and exhibit, however, plans are now under way to make our 1919 Fair the best and most satisfactory ever held in this section.
Civic and Industrial.
 The Chamber has at all times given its most hearty co-operation and assistance in promoting better civic and industrial conditions. Largely through the efforts of the Chamber of Commerce, appropriation for a Federal Building for Lubbock was included in the general appropriation bill, which was approved by the congressional committee, but lost in the filibuster at the close of the session.
 At the present time several matters for civic improvement have been initiated by the Chamber, and will doubtless be carried to a successful conclusion by the new directory.
 To your new president, and new board of directors, I would suggest that in selecting your membership committee, you use great care, as this committee makes or breaks the foundation of the organization.
 In conclusion, I wish to extend my thanks and appreciation to each member of the Board of Directors of the Chamber of Commerce for the courtesies shown me during my term as president, and last but not least, I wish to give my heartfelt thanks and appreciation to Mr. Briggs and Mr. Brown, who have so faithfully served the organization as secretaries, and without whose support the small things I have accomplished would have been impossible.
 Respectfully submitted,
 O. E. RADFORD, President.

It is now my purpose to present to you a brief statement of the activities of the organization during the past year. Such a report must of necessity be incomplete in its scope, passing over all but the more outstanding features. Much effort and energy directed toward civic and community betterment must always go unrecognized and unrewarded.
 In spite of the very heavy demands made upon your organization for the support of the national government in the great war, the record of achievement since the last annual meeting, has been such as to reflect credit upon the Directory.
 The members have responded quickly, willingly and efficiently to all calls made upon them. This would indicate that the actions and decisions of the directors have interpreted correctly the wishes and ideas of the membership. This harmony of feeling has promoted co-operation, and insured success through unity of purpose and action.
 The work of many of the committees has spread over a period of weeks, requiring frequent meetings with thoughtful planning, and continued endeavor. It is manifestly impossible in a brief summary such as this report allows, to indicate adequately the careful consideration and concentrated effort which has accomplished the results attained in the service of our city and nation.
 It is a matter of satisfaction to record the close co-operation which has obtained between the Chamber, and the various city and county officials, the war organizations, the government authorities, schools, churches, and lodges of the city during the past year.
 It will be well to remember that hundreds of items and time consuming details must be passed over in this report, and that only items of general interest may be recorded. Also that a few words in this report may represent weeks of effort of many men. For instance the work in co-operation with the Food Administration called for weeks and months of heavy detail work upon the part of your officers.
 For the many accomplishments and undertakings as a whole, great credit is due your president, directors, and committeemen. They have cheerfully given their time, and at much personal inconvenience, have administered the affairs of your Chamber loyally, and efficiently.

Patriotic Activities.

- The Chamber has placed all the machinery of the organization at the disposal of the county organization in each of the Liberty Loan campaigns, and has assisted in every way in securing the oversubscriptions which have attended each of those campaigns.
- Have distributed thousands of copies of patriotic literature.
- Assisted the county food administration, issued thousands of sugar and flour cards, furnished statistics to the government, organized and maintained Fair Pride Committee, and held dozens of meetings of merchants and business men in the interest of food conservation. Secured the establishment of the co-operative delivery. Secured the establishment of a common closing hour for merchants of the City.
- Co-operated with the War Garden Commission in the campaign for home gardens, and distributed hundreds of pieces of literature with regard to this movement.
- Assisted in the organization of

National Guard unit, raising more than \$700.00 for maintenance before the organization was completed, and afterwards lending the credit of the Chamber until refund could be made by the State.
 6. Assisted in the work of the County Council of Defense, the Secretary of the Chamber of Commerce also acting as Secretary of the Council of Defense.
 7. The Secretary, Mr. Briggs, was loaned to the Red Cross for some time, during which time he acted as Field Secretary of that body, organizing Red Cross Chapters and assisting in organization work in a district of fifteen counties.
 8. The Chamber acted as headquarters for, and had supervision over the Second Red Cross War Fund Campaign, the United War Work Campaign, and the Red Cross Christmas Roll Call, in each of which campaigns Lubbock county oversubscribed her quota.
 9. The Chamber has organized, and is now conducting an employment bureau for returned soldiers and sailors, of which the Secretary is acting as manager.
 10. Promoted patriotic mass meetings at frequent intervals.
Membership.
 Your membership committee at the close of the last annual meeting, devoted several days of their time in signing up members for the new year. Many new members were secured, however, owing to the many demands upon the finances of our membership because of war conditions, there has been a considerable drop in our income below that of the year preceding. Collections have been made promptly, and we have lost but few members during the year.
Entertainment.
 Due to war conditions the Chamber has attempted very little in a social way since our last meeting, however luncheons have been served on various occasions at the visit of out-of-town parties. The Chamber co-operated with the Panhandle District Medical Association and West Texas Dental Association during their convention in this city, the district convention of the West Texas Chamber of Commerce, and also assisted in the entertainment of the Inter-scholastic league during the district track meet at Lubbock.
Rural.
 Because of the splendid spirit of co-operation evidenced, the relationship between the Chamber and the County Agricultural Agent and Home Demonstration Agent has been very close during the past year.
 The Chamber of Commerce has used every endeavor to further the friendly feeling existing between the business men, and the farmers and ranchmen of the county, and to maintain the position of Lubbock as a trading point for the surrounding territory, including all the fifteen counties of the South Plains.
Exchange Courtesies With Other Commercial Organizations.
 Exchange relations and courtesies have been established, and maintained with the commercial organizations in nearly all the larger cities throughout the United States, courtesies and conveniences being thereby made available which could not be obtained through any other source.
Public Use of Chamber of Commerce Office.
 Many meetings have been held in the Chamber of Commerce office during the past year by such organizations as Council of Defense, Citizens Good Government League, Retail Merchants Association, and all the various War Organizations.

France was able to perform the superhuman task of keeping up a brave defense until America was ready only because the French are thrifty. Had it not been for French thrift, the war would have been over long before the Yanks came to the rescue. Americans should profit by the lesson. Investing in Thrift and War Savings Stamps will help greatly in acquiring habits of Thrift.

Backache? Rheumatism?

Those of us who are past middle age are prone to eat too much meat and in consequence deposit lime-salts in the arteries, veins and joints. We often suffer from twinges of rheumatism or lumbago, sometimes from gout, swollen hands or feet. There is no longer the slightest need of this however, as the new prescription **Anuric** is bound to give immediate relief as it is many times more potent than lithia, in ridding the impoverished blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for "Anuric" for kidneys or backache. It will overcome such conditions as rheumatism, dropsical swellings, cold extremities, scalding and burning urine and sleeplessness due to constant arising from bed at night.

Send to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for a 10c. trial package.

MADERA, CAL.—"I recommend Doctor Pierce's Anuric very highly. I have suffered for the last three years with attacks of the bladder, having tried every remedy I heard of but without relief. I saw Anuric advertised in the paper, and like a drowning man grabbing at a straw I thought I would try it also, which I did with great success, as it relieved me almost immediately, before I had taken all of the trial package, and having great confidence in the remedy I immediately sent to the drug store and bought a full-size package. I can say to all suffering from any disease of the kidneys or uric acid troubles, try this remedy and suffer no longer. I have great faith in Dr. Pierce's remedy."—E. F. MESSLEY.

BUG GRAVES MAY PLEAD INSANITY IN MURDER CASE

Nothing new has developed this week in the case of the State vs. Bug Graves, charged with the murder of Joe Wrotan, and Joe Stovall and Billie Graves, held as accomplices. All defendants waived examining trial, and Stovall was granted bond in the sum of \$15,000, and Billie Graves in the sum of \$2,000, which they made. Bug Graves was denied bond.

It is the general supposition that Graves will fight the case on the grounds of temporary insanity.—Ralls Banner.

CASCARETS' WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a gas barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to night will give your constipated bowels a thorough cleansing and straighten you out by morning. been stationed for nearly two years with the 64th Coast Artillery at the Panama Canal. Mr. Fitzgerald and Mr. Johnson also have been doing duty in the canal zone, having been stationed there the last seven or eight months with the 33rd Infantry. On account of the excessive heat of that climate, many of the boys who have been stationed there, declare that they would rather be in real warfare than to be doing guard duty there.

J. H. Jennings left the first of the week, attending to business interests in the oil field at Bridgeport.

Perry Thomas, of Crosbyton, returned the first of the week from Camp Bowie, where he has recently received a discharge from army service. Mr. Thomas enlisted here and went off with a bunch of Lubbock boys, and landed in the 142nd Infantry, after some training he was sent overseas July 31st. After he arrived in France he was transferred to the 111th Military Police force, which he states was a reason for him not seeing active service on the front lines.

RALLS NEWS ITEMS FROM THE RALLS BANNER

Emory Kirb, of Happy, Texas, and Miss Maydelle Wester, accomplished daughter of Prof. and Mrs. Wester, of Ralls, were married at Post City last Saturday. Miss Maydelle has many friends here who extend congratulations, and hope that she and the gentleman she has chosen as a partner may find a pleasant and prosperous pathway through life.

Major Oliver Spencer, son of Mayor Spencer, of Crosbyton, who had been discharged from the army about four months, died at DeLeon last week, the immediate cause of his death being pneumonia. Mayor Spencer was called to his bedside last week, and for a time it was thought that he was better, but the improvement was only temporary, and he died as above stated. The remains were interred in the Crosbyton cemetery Monday afternoon.

Mrs. H. Simmons went to Lubbock Tuesday for the purpose of having a growth removed from her eye.

A meeting of the citizens of Crosby county was held in Ralls Thursday afternoon to prepare for the Victory Loan drive.

Judge Pink L. Parrish, chairman, was present, and opened the meeting with a patriotic talk, saying we should keep faith with those "over there" who are sleeping in silent graves; that we should not break the covenant that was made when the American troops left for the battle front. They did not falter, or give a foot of ground, he said, and now that the supreme test had come we should keep faith with them. This is likely to be the last loan that will ever be launched, and we must put it over.

The Lubbock Avalanche notes that Mrs. J. K. Shipp and Mrs. W. H. Onstead, who were operated on in a sanitarium at that place, have so far recovered as to be able to return home.

Judge Jones, of Crosbyton, said that the Federal Land Bank was willing to advance money to buy bonds, provided the directors of the Associations in the county would sign the note. Each bond bought this way will go to the credit of the district in which the person buying it lives. The county was divided into three districts, Ralls, Lorenzo and Crosbyton. R. L. Travis was appointed chairman of the Ralls district; Frank McLaughlin, chairman of the Lorenzo district, and G. W. McKee of the Crosbyton district. The chairmen went into conference and placed the quota of each district as follows: Ralls, \$24,000; Lorenzo, \$15,000; Crosbyton \$24,000. It was stated by Chairman Parrish that no district would be allowed to oversubscribe.

In the United States the Federal Board has selected the Elks fraternity as the private agency to assist in this work. The international conference was addressed by Joseph T. POOL HALL INJUNCTION GRANTED AT DALLAS

Austin, Texas, April 29.—All peace officers were advised in a statement issued this afternoon by the attorney general that the temporary court injunction granted by the U. S. district court at Dallas against attorney general and others is sufficient to prevent all officers and citizens from attempting to enforce the pool hall law, which goes into effect on May 1.

ANNUAL REPORT OF THE CHAMBER OF COMMERCE

Continued from page 1.
Industrial.
The Chamber of Commerce has used every effort for the location of desirable business concerns in Lubbock, and in the assistance of those already here.

Chautauqua.
The Board of Directors have underwritten the contract for the Redpath Horner Chautauqua, to begin in Lubbock, May 19th.

Membership Other Organizations.
The Lubbock Chamber of Commerce has maintained its membership in the United States Chamber of Commerce, the Texas Commercial Executives Association, and has taken the full quota for Lubbock County in the West Texas Chamber of Commerce.

Advertisement and Publicity.
A great deal of literature descriptive of Lubbock and the South Plains country has been distributed during the past year, and hundreds of inquiries have been answered. Numerous parties desiring information regarding this section have visited our office, and have been courteously received, the facilities of the Chamber being placed at their command.

A comprehensive list of Lubbock County products has been maintained in the Chamber of Commerce, and County Agricultural Agent's Office, which has called forth many complimentary expressions during the past year.

Several quarter, half, and full page advertisements for Lubbock have been carried in the newspapers of the oil fields of West Texas, among them the Ranger Record, Cisco Sound-Up, DeLeon Free Press, Eastland Oil Belt News, and Eastland Chronical.

A new booklet descriptive of Lubbock has been prepared, and is being distributed to prospective investors, and others interested in this section.

Believing that such an advertisement would be of great value to the city, whereas a page divided among the individual merchants would be of no value whatever, the Chamber has purchased the entire page allotted to Lubbock in the Memorial Edition of "The Texas National Guardsman."

County Officials.
We desire to express to the County Judge and Commissioners Court, our appreciation of the splendid office facilities furnished us without charge during the past year.

Conclusion.
With the foundation of past achievements on which to build, the Chamber of Commerce at the close of its sixth year, can undertake the plans for the future with confidence in the loyalty of its membership and faith in the future greatness of our City. The Chamber of Commerce is the agency through which public spirited men make their investment in community development. The membership dues constitute but a fraction of that investment. It is the thought, the loyalty, the faith, and the mental and moral force of those unselfish men with the welfare of our community at heart, that constitute the greater investment on which real community dividends accrue.

Nor do the accomplishments herebefore set out constitute all of the real dividends resulting from that greater investment. There is not an intelligent man in Lubbock who does not sense the spirit of good will, of courage, of optimism, of progress; the spirit of mutual confidence and united purpose, which the Chamber of Commerce has engendered in this community.

It would be incomplete to conclude a summary of the activities of the Chamber of Commerce without giving expression to the deep feeling of appreciation on the part of the officers, to all of the many members

who have contributed untiring effort and means toward promotion of the various activities. Well worthy of especial commendation is also the excellent support given to the Chamber by the Lubbock Avalanche, as the persuasive publicity given to the projects aiming toward community welfare has been of inestimable benefit. I do not know under whose leadership the affairs of your Chamber will be conducted during the coming year, but I believe that to them an opportunity is afforded far exceeding any year within the history of our city. With adequate financial resources which I am sure you will advance, the Chamber will be able to launch upon an era of industrial development and prosperity greater than any which has thus far been passed through.

The eyes of the Nation's Business are upon West Texas today, and it rests with the people of Lubbock and the South Plains, whether or not we shall secure our portion of the immense developments which will be carried through in this section during the next twelve months.

Again I wish to express my appreciation for your splendid co-operation and for the honor I have received in serving your organization. May the magnificent, progressive community spirit which distinguished our citizenship in the past continue throughout the coming years, and may the dividends of prosperity and civic welfare be their reward.

Adequate Telephone Rates Are Needed, Too

PUBLIC utility organizations have been forced to meet the same increases in the cost of commodities that have affected all industry, and that the public in general is meeting to-day when it purchases the necessities of life. These high costs are reflected in railroad freight rates by an increase of 27% in five years. They are shown in railroad passenger rates by an increase of 26% in the same period. They are indicated in street railway rates, in American cities of more than 400,000 population, by an increase of 17% in the same time. But telephone rates throughout the United States have shown so slight an increase in the period 1913-1918 that it can reasonably be said they have not reflected the increased telephone costs at all!

Yet telephone companies have faced the same unprecedented increases in the costs of labor and commodities that have made increased selling prices necessary in all business organizations. This Company is operating its telephone property under the direction of the Postmaster-General for the United States Government and adequate telephone rates are needed to secure the necessary revenue to cover the increased cost of rendering the service.

"The Phonograph With a Soul"

VERNON DALHART singing in direct comparison with a Re-Creation of his voice on the Edison

AFTER hearing a noted singer and Edison's RE-CREATION of her voice side by side, a famous musician called the New Edison, "The Phonograph With a Soul."

VERNON DALHART

THE FAMOUS TENOR

Made this same test at the Methodist Church last Friday night. 900 music lovers heard the test, and not one of them could distinguish his actual voice from Edison's Re-Creation of it.

Wouldn't it be a delight for you to have Vernon Dalhart and other great artists sing and play for you any time you chose—right in your own home—just as they do on the operatic and concert stage? In only two ways is this possible, one by having the artist appear at your home in person or by possessing

The NEW EDISON

which will bring to you all that the artist can bring, excepting only his physical presence.

May we soon have an opportunity to explain to you how you can make Edison Re-Creations a constant source of mental refreshment for you?

Wednesday Afternoon Bridge Club.
Last week Miss Bernice Wolfarth entertained the Wednesday afternoon Bridge Club. The Wolfarth home was decorated profusely with pink and white carnations. Each present drew a dainty pink and white score card and for a seemingly short time played bridge. At the close of the games, the hostess, assisted by Mr. Howard Wheelock, served an elaborate salad course of chicken salad in timbals, potato chips, olives, tomatoes, a sandwich, cake and ice tea. Those participating in this delightful affair were Misses Bates, Abney, Easter, Bellah, Conley, Mesdames Doss, Harper, Wheelock, Lindsay, McLarty, Beall, and Robbins.

The Twentieth Century Club met April 22nd, at the school building with a full attendance. Mrs. H. T. Kimbro was elected delegate to the district meeting of Federated Clubs to be held at Stamford this week. Mrs. Frank Winn was voted on as alternate. Mrs. Randall of Seymour and Mrs. Randall of Brownfield, were guests at the club. The former is district chairman of the Library Extension work and gave the club some helpful suggestions along that line. Mrs. Dick Arnett presented a well prepared program on Irving S. Cobb, assisted by Mrs. Frank Winn, Mesdames L. C. Ellis, and H. A. Davidson.

Mrs. Eastin Wolfarth was hostess to the ladies of the Methodist Missionary Society in their regular monthly social meeting Monday. They met at the home of Mrs. W. M. George. Thirty-five or forty ladies were present and the offering amounted to about \$40. An interesting program was arranged and rendered, at the close of which ice tea, sandwiches and salad on lettuce leaves were served.

Miss Pansy Posey gave a Slumber party to four of her intimate friends Friday night. They went first to the Lyric and from there to the home of Mrs. L. A. Posey, where they made candy and had a jolly good time till a late hour. The occasion was that of Miss Pansy's birthday. Those present were Edith Carter, Alice Johnson, Verna Brown and Irene Mimms.

One of the most enjoyable affairs in a social way occurred Friday afternoon when Mrs. McElroy in her charming way entertained the Friday Needle Club with a matinee party. The ladies met at 2:30 o'clock going in a body to the matinee where a splendid picture was enjoyed. After the show they were invited to the Manhattan where refreshments of sandwiches and pickles cake and coffee were served. The next meeting of the club will be with Mrs. Denman at her home.

Mesdames B. O. McWhorter, A. R. Ponton, W. S. Posey, and Mrs. Barfield, of Ft. Worth, were the guests at the Auction Bridge Club Tuesday afternoon. They met with Mrs. Morton J. Smith. At the conclusion of the games a delicious salad course was served and the club adjourned to meet with Mrs. Triplett next Tuesday.

Mr. and Mrs. George Morris entertained Monday evening honoring Misses Karbach, Robertson, Wilcox, Brown and Edler. Music was furnished by Mrs. A. B. Ellis and Mr. Michael. A general good time was enjoyed and before goodnights came ice cream and cake were served.

Mr. and Mrs. A. W. McKee gave an informal dinner Saturday evening. Those present were Messrs. and Mesdames L. C. Ellis and S. E. Cole. The occasion was a farewell to Mr. McKee who left on Tuesday for Memphis, Texas, where he goes to take charge of Nobles Bros. Grocery Company of that place.

A jolly crowd of young people started out Saturday night to have a social evening with friends on West Broadway, but after the rain, they changed their course and gave Miss Irene Mimms a surprise party. Dancing filled the time till a late hour and a good time is reported.

The Sacred Concert given at the Baptist Church Sunday evening under the direction of Mr. John Gein with Mrs. B. P. Hopkins at the piano was a rare treat to all present. The house was crowded to its full capacity and some turned away.

The Methodist ladies wish to thank all members of other congregations who have in any way assisted in entertaining the delegates to the Woman's Missionary meeting of the Northwest Texas Conference held in Lubbock April 19th to 23rd.

Mrs. C. J. Wagner left Friday for points in Illinois to visit until late summer. Dr. Wagner accompanied her as far as Amarillo.

Mr. and Mrs. A. D. Shook visited friends in Lubbock the early part of the week.

Mrs. V. S. Moody of Eastland and her sister, Mrs. Britton, of Moran, are here visiting their parents, Mr. and Mrs. Adams.

Mrs. Wanda Eubanks and little nephew left Wednesday on the southbound train to spend a few days in Post with relatives.

Mr. and Mrs. R. L. Slaughter were in from the ranch Tuesday.

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sickness, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Phillips, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me. One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today.

SOME NEWS ITEMS FROM TERRY COUNTY HERALD

Elder Chas. E. Metcalfe, of Idalou, Texas, came in on schedule time last Friday, and began preaching a series of over Sunday sermons at the Church of Christ. There was a very small crowd on hand that night, and a little better Sunday night, and in the afternoon at Gomez, he had a good hearing. Two made the confession here Sunday, and were baptized Sunday afternoon at six o'clock. He will be with the congregation on the third Sunday in May. His sermons received many compliments by all who heard him, regardless of the church they belonged to, or whether they belonged to any congregation or not.

K. Carter, of Lubbock, was down this week, looking after his mercantile business, and while here he decided that inasmuch as it was unhandy for him to come down so often that he would close out the stock in a big sale, a page ad of it being in the Herald this week, and we want our readers to carefully examine these rare bargains, and to take advantage of them. We are sorry that Mr. Carter has seen best to take these steps, as the stock is needed here, but we cannot blame him for the course he has taken.

Tom May left Tuesday for Lubbock, where he went to attend the district meeting of the Magnolia Petroleum Co.

C. L. Williams had business in Tahoka the first part of the week.

Attorney G. E. Lockhart passed through here last week after the session of District Court in Yoakum county, and informed us that there

was a number of cases on the docket over there this term, but that most of the cases were civil, there being only two criminal cases on the docket, neither of them being tried. He reported quite a number of prominent attorneys present, and that a lively interest in the cases were manifested.

Mrs. B. F. Dixon, of Lubbock accompanied by Mrs. B. L. Scroggins, of Rodgers, Texas, were here over night Wednesday, visiting Mrs. Dixon's daughter, Mrs. Walter Scudday.

ITEMS OF INTEREST FROM ACUFF COMMUNITY

(Delayed.)
Acuff, April 22, 1919.

We are all enjoying this beautiful weather and the farmers are very busy planting their crops. The ground is in such good shape for planting.

Several of the Acuff folks attended the singing at Moore Sunday and report an excellent time. We all surely enjoyed the good dinner and appreciate the hospitality of those good people very much.

Mrs. W. D. Davis is spending the week in Lubbock with her daughter, Mrs. Paul Selman. Mrs. Selman's little girl, is very sick with Scarlet fever and Mrs. Davis is helping nurse her.

Mrs. M. L. Kelley of San Antonio, Texas, is visiting her mother, Mrs. S. S. Rush at this writing. Mr. and Mrs. Kelley came in Saturday morning and will be here about three weeks. They will return to San Antonio to make their home. Mr. Kelley is just back from France and is visiting his people at Idalou.

Mr. and Mrs. Metcalfe went to Lorenzo Tuesday afternoon.

Several of the Acuff fellows were in Lubbock Monday and heard Mr. Bledsoe's address.

Mrs. G. C. Davis called on Mrs. D. Pounds Sunday P. M.

Grandmother Rush, Mr. S. S. Rush's mother, is very poorly at this writing.

Miss Linna Metcalfe called on the Misses Baker Tuesday afternoon.

Mr. and Mrs. M. A. Eviitt visited with Mr. and Mrs. E. O. Eviitt Tuesday. Mrs. J. M. Bloyd visited them also.

Mr. M. L. Kelley will talk at the Acuff school house Friday evening. Everyone come and hear what he has to say about War.

Mr. Farris bought some calves out in this community last week.

Mrs. R. D. Looney of Texico, N. M., and Mrs. Dinnie Atkins, visited Mrs. S. S. Rush the first of the week.

Mr. and Mrs. Elmer Rush, Bud Lambert and Misses Baker and Acton Baker attended the singing at Mr. Granville's Sunday night.

LUBBOCK COUNTY AN EXAMPLE FOR THE STATE

The following paragraph from a letter to County Superintendent, J. H. Moore from the inspector of rural schools which is quite complimentary to Judge Moore, as well as to Lubbock county. He says:

"After much running, your good

letter caught me. Since I left you I have worked both in the extreme north and south—even to Brownsville in the South, and everywhere I have used you and your county as an example of proper enthusiasm and progress in school work. By your good work, I have been able to spur up many other counties.

THE SOUTH PLAINS

Anyone who looks out over this country can hardly persuade himself that we ever had a drought. It is today flower carpeted for literally miles and is variegated as God ever made the fair garden of Eden.—Lamesa Reporter.

It is just the wonderful recuperating powers of the South Plains soil. It is rich, full of life and when the proper amount of moisture strikes it, there is something doing right now. Unlike the soil in many other sections of the state and in some of the older states, it does not require a lot of fertilizing to bring it around and produce the crops, but just a little water, and not very much, will produce a great harvest.

Come to the South Plains Lubbock is the hub, but there are some mighty good little towns all around us, and the country is rich and productive for several hundred miles in every direction.

That Methodist people are taking hold of the Centenary movement in great shape is assured by a statement made in a recent letter from J. Winford Hunt, of Abilene, who is Conference secretary of this Conference. He says "One Southern Methodist layman has already subscribed five million dollars to the Centenary and another is ready with five hundred thousand dollars."

There was a man in our town,
 And he was wondrous wise;
 He piled him up a fortune
 Of quite uncommon size,
 And when he saw what he had done,
 He lit his auto lamps—
 Jumped in his car; rode down town;
 Bought more War Savings Stamps.

Woodmanse Mogul Windmills are storm proof, will pump more water than any mill made. A whirl wind can't blow the sections out. "Guaranteed." Wiley Puckett, Agt. 44

CHURCH NOTES

Baptist Church.

These are great days in the Plains country and in Lubbock county especially. The long continued drought and the dreadful war together with the deadly influenza and cold desolate winter have held the people in fear and dread. Now that these things are gone and the rain and sunshine are in happy co-operation to bless the world let us throw aside our blues and go in for a blessed year of service for our Lord and His people. What a happy time we ought to have this year in revival work and in building up our Christian character. Let us make it the banner year of our love and labor for our Heavenly Father.

I make two appeals, first to those who come regularly to church that they will try to bring others with them and work and pray for the salvation of lost people and the bringing back of every prodigal child of God. What a work might be done if every one of us would enlist for this work with all our hearts in the effort. The second appeal is to non-church goers both the saved and unsaved. Dear friends, it is of first importance to our growth in our Christian life and happiness that we go to church regularly. There are few if any happy Christians except those who attend regularly all the services of the church that they possibly can. If a backslider would get filled with loving interest it is necessary that he return to the Father's house and there feed on the good word of the gospel. If an unsaved man will but place himself in the congregation of those who gather to wor-

ship regularly soon he will find himself thinking on the worth of his soul and the way to be saved. Oh! it is good for us all that we gather regularly at the house of the Lord. Come to the Baptist church next Sunday. Your Brother,
J. B. COLE.

IN MEMORY OF MRS. FRANK VAUGHN

Mrs. Kate Vaughn (nee Cooper) one of the best beloved women of Lubbock, passed to her reward on April 24, 1919. Mrs. Vaughn was born July 12, 1874, hence in her 44th year. She leaves a husband and six children, father, several brothers and sisters, besides a host of friends to mourn her loss.

Mrs. Vaughn was a strong character, a noble christian. She was an ideal wife and mother, one of the best of neighbors. She was a devout member of the Church of Christ. She became a christian at the age of 14 years and lived and died in the triumph of a living faith.

The funeral services were conducted at the Church of Christ on Saturday afternoon. Notwithstanding the rain and mud there were a number of friends present.

The family church and community has suffered a great loss in the passing of Sister Vaughn, the world has been made better by reason of her living in it. Every good and noble life has left a great influence for good. May God bless this family in their great loss. It is a source of comfort to remember that she so lived that she could look for a home in the city who's builder and maker is God. "Blessed are the dead that lie in the Lord."
Liff Sanders.

Mr. and Mrs. J. Ed McLaughlin, Mr. and Mrs. Dean, of Ralls, were here last Friday visiting friends.

P. B. Ralls was over last Saturday from Ralls attending to business matters.

Mrs. W. E. Porterfield of Post City, underwent a very successful operation the first of the week in a local sanitarium.

CENTRAL TEXAS GRAIN CROP NOW ASSURED

Abilene Reporter: Central West Texas is assured of its grain crop as a result of the rains that fell throughout this section Saturday, according to information which has been received by The Reporter, and according to belief expressed by farmers of this territory. The rain started in the city about noon Saturday, and continued for several hours, thoroughly soaking everything. The official precipitation as announced by the local station of the weather bureau was .90 inch, making a total since January 1 of 8.38 inches.

Telephonic communication with The Reporter's correspondent at Winters, was to the effect that that section had been visited by a fine rain which started Saturday morning about 11:30 o'clock. Reports received at that place indicated that the rain was general over that entire section. Reports from numerous other towns near Abilene, such as Caps, Ovalo, Buffalo Gap, Potosi indicated that farmers there were very optimistic over the prospects of a bumper grain crop, and the opinion seemed to be universal that the crop was saved. The verdict is that Saturday's rain will be worth in the neighborhood of one million dollars to this section of the state.

LOCAL NEWS ITEMS FROM THE ABERNATHY BREEZE

C. G. Goodman bought a section of land in the Murray community last week from R. S. Barnes of Lorena. He immediately traded the land to Chas. Schuler for the hardware stock and the tile and stucco building it occupies at Petersburg. The stock invoiced \$14,000, the building at \$10,000, and the land was priced at \$30 an acre.

Sam W. Smith was re-elected as school trustee in Saturday's election. As secretary of the board he has done some good and patriotic work. J. M. Fields was also elected. He is a progressive citizen, and a friend to education, and the voters made a wise choice when they elected him. N. C. Hix and W. A. Harral are the retiring members. The work accomplished by the school board during the past two years will remain a monument in the coming years. An independent district created and the erection of a magnificent building during their incumbency of office marks the beginning of a new era in the history of the Abernathy school.

Mrs. Goodman, president of the Community Club, advises us that a new piano for school auditorium has been purchased.

Mrs. Stanford has returned to her home after a visit to her daughter, Mrs. J. C. Arnett.

A. D. Payne and Earl Maupin came in from Cedar Lake to spend Sunday. They are putting down the service well preparatory to drilling for oil, and announce that their big rig is in transit, and will be erected immediately upon its arrival.

Harry Edison, W. A. Richter and Howard Pearson, as inspection committee, awarded the first place to Mrs. Daniel Preston in the clean-up contest promoted by the Community Club. Other homes were recommended for favorable mention.

THE CROP OUTLOOK IN ARMSTRONG COUNTY

Not since the spring of 1915 have crop prospects been better than they are today.

With one of the biggest wheat crops in the history of the county, farmers will, at present prices, regain a portion of the losses sustained during the disastrous years of 1917 and 1918.

It is conservatively estimated that 40,000 acres was sown to winter wheat last fall. It is estimated rather highly, we think, that 10,000 acres or twenty-five per cent, was blown out by the high winds during February and March, leaving us 30,000 acres of winter wheat. Admitting that these figures are correct and basing the yield at 15 bushels, Armstrong county will harvest a 450,000 bushel wheat crop. Basing the markets on conditions which promise to obtain for a year or more, farmers will in all probability get \$2.00 for their wheat, which means that we will have a \$900,000 wheat crop.—Claude News.

RAIN REPORTS FROM VARIOUS TEXAS POINTS

The following dispatches under date of April 26th, tell of the rain in various portions of the state:

Cleburne—A light rain fell here tonight.

Merkel—One inch of rain fell this afternoon. The wheat crop is saved.

Paris—Fires and overcoats, have been comfortable here since early last night.

Paducah—Heavy rains over Cottle county make the best prospects for wheat ever known here.

Chillicothe—Half inch of rain fell here last night and rain is still falling. Wheat is excellent.

Vernon—Rain has fallen practically all afternoon. The wheat crop is assured and row crops are greatly benefitted.

Sweetwater—Fine rains fell over this territory this afternoon. The rain came just in time to save growing crops.

Abilene—One inch of rain fell here today, insuring a splendid yield of wheat. It was general over Central West Texas.

Ballinger—A slow rain, with intermittent downpours throughout the day over this territory, insures a good grain crop.

Childress—About five inches of rain has fallen over Childress County since Thursday. The wheat crop is the best ever known. Harvesting will begin May 15. Hundreds of hands will be needed.

Stamford—A slow rain has been falling for five hours and prospects are the ground will be soaked before it ceases. Wheat was suffering and this rain will be of much benefit to wheat as well as to other crops.

San Angelo—Rains began falling here at 10 o'clock this morning and continued all day. Telephone reports indicate the rainfall is general in this section. It came where the need for it was just beginning to be urgent.

Spur—The Spur country has had in the last twenty-four hours .65 of an inch of rain and it is of great help to the wheat crop and will place the land in shape for planting other crops.

E. F. Dorothy, of Pierre, S. D., was here this week looking over some of the plains cattle. Mr. Dorothy has a big ranch in Dakota and has come to this country every year to buy steers and other cattle for many years, and is well known among the Plains cattlemen.

JUST TRY IT AND SEE how much better you feel in the morning. That "toggery" headache, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, salt, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what relief! You'll be surprised to find how much better you feel—brighter, better every way. If habitually or subconsciously constipated, take one NR Tablet each night for a week. Then you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling just best. Get a 25¢ Box

SNYDER OIL COMPANY TO DRILL TEST WELL

Snyder, April 28.—The name of the Scurry County Oil Exchange has been changed to the Snyder Oil Association. This company was recently

organized with a paid capital stock of three thousand dollars. It was the intention of the company to drill a test well on the Baptist church land near Snyder, but owing to an unfavorable geological report, the idea has been given up.

Arrangements are being made, however, to drill a test well in another section, where the conditions are more favorable. It is not known at this time just where the new location is.

It is probable that the stockholders will meet this week for the purpose of increasing the capital stock.

ANNUAL MEETING OF LUBBOCK CHAMBER OF COMMERCE

The annual meeting of the Lubbock Chamber of Commerce, will be held in the W. O. W. Hall, Tuesday, May 6th, beginning promptly at 8:15 P. M.

This is a meeting of great interest to the membership of the organization, and every member should make his arrangements to be present promptly at the time set. The ladies are especially invited.

Following is the program for the meeting:

- Report of President.
- Report of Secretary.
- The Chamber of Commerce and the Rural Community—Carroll Thompson, County Agricultural Agent.
- Lubbock and the West Texas Chamber of Commerce—Geo. W. Briggs, Field Manager West Texas Chamber of Commerce.
- Round Table.
- Report of Nominating Committee.
- Election of Officers.

The Board has decided not to hold the annual banquet, with a charge per plate as heretofore, but will instead serve luncheon without charge. Opportunity will be given in the Round Table, for a discussion of the organization affairs. If you have any suggestion to offer for the good of the Chamber of Commerce, bring it with you.

The President and five directors for the coming year will be elected at this meeting.

Be a Joy-Walker, "Gets-It" for Corns

5 Drops, 2 Seconds—Corn Is Doomed!

When you almost die with your shoes on and corns make you almost walk sideways to get away from the pain, take a vacation for a minute or two and apply 2 or 3 drops of this magic and only genuine corn-peeler, "Gets-It." Then, and then only, will you be sure that your corn will loosen from your toe so that you can peel it right off gloriously easy with your fingers. Take no chances of continued pain and soreness—why use greasy, irritating salves, plasters that shift and press into the "quick," razors and "diggers" that make corns bleed and also grow faster? Use painless, easy, always sure "Gets-It." There's only one like it in the world—that's "Gets-It." Millions have tried and O. K.'d it for years. It never fails. "Gets-It" the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago, Ill.

SEEDS! SEEDS!!

Bulk watermelon, bulk cantelope, seed corn, broom corn, peanuts (the double-jointed kind), rep top, orange seeded ribbon cane, pop corn, feterita, alfalfa seed, velvet beans. Blue Grass, Bermuda and Winter Clover.

RED CROSS ITEMS

The following communication has been received by the Red Cross from headquarters in St. Louis:

We are in receipt of your report on the clothing collection showing that you have collected 1099 pounds and have exceeded your quota of 1000 pounds by 99 pounds. It is very gratifying to receive such a report. It is particularly gratifying at this time when the Red Cross is making the transition from a war to a peace basis. It assures us that your Chapter has the interest of the Red Cross at heart and that we can still count upon your co-operation as we have on so many occasions during the stress of war activities.

And from Major George W. Simmons:

Vladivostok, March 5, 1919. Off for 6000 miles across Siberia and back. Surely America must help these people to help themselves—they saved the war in 1915-1916—Our American Red Cross is doing great work here. Best Regards, George W. Simmons. Mrs. M. Fulton, Secy.

Messrs. Tom Sears and Tom Barby of Whitewright, Texas, have been here this week, visiting with friends and relatives. They left for home Wednesday morning.

W. E. Cope returned last week from Fort Worth, Abilene and other central Texas points, where he spent the past winter.

T. J. Marks of Pride, was here the first of the week attending to business matters, and visiting with acquaintances.

Mrs. A. E. Helber left this week for Pueblo, Colo., where she will spend the summer with her daughter, Mrs. R. C. Reeves.

KANSAS CITY LIVESTOCK MARKET REPORT FOR MONDAY

Kansas City Stock Yards, April 28.—Speculators paid as high as \$21 for hogs today and packers \$20.85, but the market weakened and closed 5 to 15 cents lower. Liberal receipts 61,000 in Chicago was the cause of the decline. The top there was \$20.90. Trade in cattle was dull at weak prices. Sheep were quoted 15 to 25 cents higher. Fed lambs up to \$18.90.

Today's Receipts.
Today's receipts were 13,000 cattle, 16,000 hogs, 11,000 sheep, the same number of cattle, but 1000 fewer hogs, and 6000 fewer sheep than a week ago. Offerings were drawn from a wide area. About forty car loads arrived from California, and about 300 cattle from South Texas, with Oregon, Idaho, Utah and Colorado fairly well represented.

Beef Cattle.
Chicago's receipts of 25,000 cattle and lower prices there tended to slacken demand elsewhere. Here prices for beef steers were 10 to 15 cents lower, and butcher cattle steady to 10 cents lower. No prime steers were offered, and the upper crust of the offerings was only fair. Most of the killing steers sold at \$14.50 to \$16.25. That included California, Idaho, Oregon, Colorado and native grades. The top price \$17.15 was paid for Colorado steers. Cows sold at \$5.00 to \$14.50, the canner and cutter end below \$7.00, and fat grades above that price. Heifers brought \$8.00 to \$15.25, bulls \$7.50 to \$10.50 and calves \$8.50 to \$13.50.

Stockers and Feeders.
There was a fairly good demand for the better grades of stockers and feeders at steady prices. The plain and ordinary kinds were in slow demand at weak prices. Receipts were liberal. A good many steers are going to Kansas grass, and heavy steers are being bought by Missouri and Illinois feeders. Feeders are quoted at \$12.50 to \$16.25 and stockers \$8.50 to \$16.00, mostly \$11.50 to \$14.50.

Hogs.
Chicago reported 61,000 hogs today, the largest supply for some time. Elsewhere receipts were about normal. Trades were in evidence here and paid as high as \$21.00, the top price of the year, but packers traded slowly, and were unsuccessful in trying to keep this market in line with Chicago. Packer market averaged about 10 cents lower, extremes steady to 15 cents lower. Their top was \$20.85 and bulk of sales \$20.25 to \$20.75. A liberal supply of pigs and light weight hogs is available but they are finding a ready outlet to feeders at \$16.00 to \$19.50, a hundred pounds.

Sheep were in about normal supply. Fed lambs sold at \$18.50 to \$19.90, and were quoted 10 to 25 cents higher. Woolled ewes brought \$14.50 Texas sheep \$13.25, and Texas goats \$7.50 to \$8.40. Some clipped lambs brought \$15.10, and Mexican yearlings \$17.00. The market now affords a wide variety in offerings. The Texas movement is under way and western feed lots are cleaning up rapidly.

Charles M. Pipkin, Market Correspondent.

On account of the severe winters in the northern counties most all the south plains counties have been heavily stocked with herds the past winter, for wintering purposes the stockmen prefer this country to any other. Now that spring is here, many of these herds will be shipped back to their northern pastures.

Mansie Wood is here this week from Sweetwater attending to business matters.

WAR DEPARTMENT WILL HAVE THIRTEEN ARSENALS

Washington, April 28.—The approved arsenal plan of the War Department, Acting Secretary Crowell announced today, contemplates the maintenance of thirteen manufacturing and finishing arsenals with the possible addition of the East Springfield, (Mass.) and Detroit plants, should Congress authorize the necessary expenditures for these two.

The arsenals definitely decided upon for the permanent program include the plants at Edgewood, Md.; Rock Island, Ill.; Watervliet, N. Y.; Watertown, Mass.; Old Hickory, Tenn.; Amatol, N. J.; Tullytown, N. J.; Frankford, Pa.; Rochester, N. Y.; Erie, Pa.; Chicago (shell machine parts); Madison, Wis.; and Springfield, Mass. (small arms plant.)

HIGH SCHOOL EXAMINATION QUESTIONS BEING PREPARED

Austin, Texas, April 28.—The committee on inspection, classification and affiliation of Texas high schools with State institutions of higher education has requested the division of high schools of the State Department of Education to prepare and distribute questions for college entrance examination.

The committee designated May 12 to 15, inclusive as the dates for the examination and questions will be sent to superintendents so that opportunity will be given in each county for students in non-affiliated schools and in schools not having full affiliation to take these examinations in their home counties. The papers will be sent to Austin and graded by the high school superintendent.

MINISTER FOUND THE REMEDY AT LAST

While the editor of a certain newspaper was away from home for while he left the paper in charge of a minister of the gospel. During the minister's stay in the office the following letter came from a subscriber: "I know very well that I paid my subscription to your paper the last time I was in your office. If I get any more letters from you as I received last week I will come in and maul him—ll out of you." The minister answered the note like this: "I have been trying to get that out of the editor for ten years, and if you will come down and maul it out of him then, my dear sir, I have twenty members of my church I will let you operate on."—Ex.

Smartest Hen in Panhandle.
We have often heard (back in Missouri) about birds getting so friendly that, while people slept in the shade of the old apple tree, the feathered friends would come and pick out the hairs on one's head to make itself a nest. That probably accounts for so many bald heads in old "Missourio." That's a "bird story."

Now this is a "hen story"—and we are inclined to believe this as we saw the bright shining countenance of her beautiful henship. This certain hen keeps its office hours along with its owner, and attends to her business with just as much regularity and promptness in the same office while her owner looks after his business. Biddie had a certain hour and at that hour she proceeded to the office waste basket and deposited her egg. At other hours she was busy entertaining customers. When at last she decided she had about enough eggs she jumped on the adding machine to make sure the number—the machine added a total of 22. She at once decided to resign her job as entertainer, and went to work setting—like all good hens should do. This all happened in Swisher county and we want Swisher to get the credit for it.—Tulla Herald.

J. P. Ackers of Littlefield, was here Tuesday trading, and attending to other business interests.
