VOLUME XIX

LUBBOCK, LUBBOCK COUNTY, THURSDAY, JUNE 5, 1919

NUMBER 49

BEGINS A YEAR OF CONSTRUCTION

CHAMBER OF COMMERCE BEGINS ON A NEW YEAR'S WORK WITH BRIGHT PROSPECTS

GEO. W. BRIGGS IS ELECTED SECRETARY FOR YEAR

This Organization Has Devoted Much Time to War Work, but This Year Expect to Devote Most of Time to Constructive Work in City and County

Beginning with this week the Lubbock Chamber of Commerce starts a new year. During the past two years, the work of this organization has necessarily been largely confined to war work, and this was the patriotic thing to do. Now that the war is over, the drouth has been broken, the Chamber of Commerce, once more turns to constructive work for the development of the South Plains country.

The eyes of Texas now turned towards this country. People who know the southwest, realize today that this section is a worthy country. They know that a country that can go through a two years' drouth and be in the good condition that Lubbock is today, ready to go forward as never before, is a country to come to. Thousands of people are looking towards the South Plains as never before. The Chamber of Commerce thus has an opportunity to do a big work, and we believe that it is going to do so.

The organization has laid plans to take advantage of conditions and put Lubbock before the country as never before. It's plans embrace a local fair this fall, a fine exhibit at the Dallas fair, and another on the special train that the West Texas Chamber of Commerce is to send through a dozen or more states this coming fall. This last, will put West Texas before hundreds of thousands of people, many of whom are looking for just such a country as we have surrounding our city.

The South Plains has hundreds of thousands of acres of land subject to cultivation, and once we show the country in general what we have, thousands will come and invest and help develop our country.

The Chamber of Commerce, is now working on a plan to pave a portion of the city streets. That this is needed, goes without question. When once the citizens of this city have the privilege of driving over smooth streets brought about from paving, they will wonder why it hasn't been done before, and will cry for more. One of the great criticisms of Lubbock is its streets. This does not imply any criticism upon the authorities, for conditions have not been such that paving could be done. But the fact remains, that this city is behind most of the towns and cities of the west in regard to its streets.

Another matter that will be pushed at the proper time, is a public park which can be improved and used al-

so as a fair grounds for a South Plains Fair. Such a fair will be of untold value to this whole section.

The Chamber of Commerce, also intends to do more work in bringing the people of this section closer together. While it is a fact that few people are more closely united, and work together more harmoniously, than Lubbock people, there is still room for more close cooperation. To bring this about will be one of the objects of the Chamber of Commerce.

With such plans, and others before the Chamber of Commerce, the people of this city and surrounding territory should rally to the organization and assist in every way to develop Lubbock country.

At a meeting of the Board of Directors last week, Geo. W. Briggs was elected secretary, and F. D. Brown assistant. With the progressive Board now acting, and these two men, who are experienced in this work, with the cooperation of the people of Lubbock, the coming year should be a great one for Lubbock.

To The Citizens of Lubbock:

At a meeting of the Board of Directors of the Chamber of Commerce last week, I was elected secretary. I feel it an honor to be again chosen to take charge of this difficult work. I have accepted the position, not only because I feel that with the experience I have had as secretary before, and especially the training I have had during the past three months as Field Manager of the West Texas Chamber of Commerce, I can render good service for Lubbock, but also from the fact that my business connections in the firm of Briggs & McWhorter are such that I can give a large part of my time in serving my home town. I have travelled thousands of miles over West Texas during the past three months, and have had it impressed upon me, that Lubbock is the place where there are great opportunities. Therefore I am here to stay.

I wish to state also, that while the greater part of my time will be devoted to Chamber of Commerce work, the insurance business of Briggs & McWhorter will not be neglected, as a competent force will at all times, be at the command of the people of Lubbock in an insurance way.

Let the citizens of Lubbock rally to the support of the Chamber of Commerce, as never before, for the opportunity is here this year to do wonderful work for Lubbock.

GEO. W. BRIGGS.

PANHANDLE PLAINS CHAMBER OF COMMERCE ORGANIZED

Amarillo, Texas, June 3.—Delegates from practically every county in the entire Panhandle assembled in Amarillo today and organized the Panhandle Plains Chamber of Commerce. A. S. Stinnett of this city was selected temporary chairman.

P. E. Bosen of Sudan, in his opening address, urged that the organization turn its attention to developing the agricultural resources, rather than oil, gas and minerals. A minimum budget of \$15,000 was voted for the year 1919.

The constitution provides that the board of directors shall consist of one member from each of the thirty-one counties. The body will have one general convention each year.

VILLA CAPTURES CHIHUAHUA CITY

Washington, June 3.—Private advices received here today in Mexican circles said Francisco Villa's forces captured Chihuahua City yesterday. This advices were without confirmation in official quarters.

"GEORGE WASHINGTON" IS HELD IN READINESS

Brest, June 3.—The liner George Washington, in which President Wilson has three times crossed the Atlantic, has been ordered to be ready to sail on twelve hours' notice at any time after midnight June 5.

LUBBOCK IS HEAD OF W. S. S. DISTRICT

The quota for the district is \$611,460.00.

WORMS ARE EATING COTTON BADLY IN PLACES

Most farmers report worms working on their cotton crop badly the past week, and it is feared that they will injure it permanently, and at least cut the stand down to where the yield will be greatly impaired.

MR. HELBER RECEIVES A MESSAGE OF SON'S ARRIVAL

A. E. Helber received a message from his son, Marcus E. Helber, the first of this week announcing his safe arrival on American soil once more, and says he is enjoying the finest of health. He will be demobilized at Camp Bowie.

BRIGGS RE-ELECTED C. OF C. SECRETARY

At a meeting of the local Chamber of Commerce last Saturday afternoon George W. Briggs, formerly the secretary of the Chamber, was re-elected to hold this place. Mr. Briggs a few months ago resigned the secretaryship of the Chamber to become actively engaged as field manager of the West Texas Chamber of Commerce. After experiencing the new position, which caused him to be away from the city so much and having other business interests in Lubbock, was the reason, we understand, for his decision to resign the position in the West Texas Chamber of Commerce and again come to Lubbock to stay. F. D. Brown, secretary pro tem during the absence of Mr. Briggs was elected to fill the office of assistant to him.

LUBBOCK SHOULD HAVE BIG CELEBRATION THIS YEAR

If ever in the history of the town, Lubbock should pull off a sure enough big Fourth of July event, it is this year. The return of prosperity to this section warrants it. The return of our soldier boys warrants it. The general health conditions of the South Plains warrants it, and there is a demand for a big meeting of this kind some time during the year. Let us have a celebration and get all the soldier boys together and show them our appreciation of their faithful services over there by honoring them with a big barbecue-picnic, etc.

LAWRENCE DAVIS IS BACK IN UNITED STATES AGAIN

George L. Davis has received a message from his son, Lawrence, that he has arrived in the United States once more after having spent a pretty rough time overseas. Lawrence was reported missing by the government and did not show up for several weeks, but finally answered roll call and is able to be back in the home land. He was severely gassed and will remain in the government sanitarium, for a few weeks before coming home.

SERGEANT J. W. R. BROWN RETURNS FROM CAMP

Band Sergeant J. W. R. Brown returned Tuesday morning from Camp Travis, where he has been for the past eleven months. Mr. Brown was connected with the Robinson Furniture Company here prior to enlisting in the army.

GET TOGETHER MEETING CHAMBER OF COMMERCE

In order to bring together the citizens of Lubbock who are interested in the development of Lubbock, a luncheon and smoker has been arranged by the Chamber of Commerce to be held at the Woodman Hall, Friday night, June 13th. All citizens of Lubbock who wish to be counted as backers of this city and county should be present at this meeting. The luncheon will be furnished by the Chamber of Commerce, and there will be no admission charged.

The thought of the Board of Directors is that there are many questions of much moment that should be discussed by the citizens, with regard to the development of this territory, and everyone should be interested.

This will be an informal meeting, and no special invitations will be issued, but every live citizen interested in the work of the Chamber of Commerce, and Lubbock should make an effort to be present.

IS LUBBOCK TO HAVE A TRADES DAY SOON

We understand that many of the farmers are in favor of a trades day in Lubbock, and if the business men will give the proposition their support there is no question that the event can be made one of great importance to the people of the county. A good auctioneer is necessary to sell the stuff that is brought in and while this service is usually rendered on a percentage basis, it will require some money for advertising purposes to start the thing to going and get it established, after that it will not require much money from public subscription to keep it running in good order.

J. R. INGRAM SEVERELY INJURED YESTERDAY

J. R. Ingram, garage man, was severely injured Wednesday evening when he was struck down by a car and ran over on the crossing between the Bradley building and the Lindsey Theatre. It was a purely accidental occurrence, but resulted in Mr. Ingram receiving several severe cuts and bruises, and is now in a local sanitarium recovering slowly from the shake-up. The car which struck him was driven by Mr. Ralph Moore, and it seems that the driver and Mr. Ingram got started dodging and came together with the result of Mr. Ingram being downed and rolled under the car.

BUYS FINE FARM NEAR SHALLOWATER

V. P. Hadsell and T. C. Calley were in town last Saturday transacting business. Mr. Hadsell has just recently purchased a fine farm from Mr. Calley, near Shallowater and has moved his family there. Mr. Hadsell comes from the southern part of the State here.

MOVED HERE FROM PLAINVIEW RECENTLY

M. Hager and family have recently moved here from Plainview where they have been making their home for several years. Mr. Hager while in Plainview was connected with the Texas Land and Development Company of that place. He will enter into business here in the near future.

LUBBOCK SCHOOL CLOSES FOR TERM

IT HAS BEEN ONE OF THE MOST SUCCESSFUL OF THE HISTORY OF THE CITY

EIGHTEEN BRIGHT YOUNG PEOPLE GRADUATE THIS YEAR

Though the Term Has Been Completed Under Very Trying Conditions the Pupils Have Made Splendid Progress and All Exercises Showed Good Training

Last week closed the 1918-19 sessions of the Lubbock public schools, and all the exercises were attended by unusually large crowds. The weather was very fine, and everything worked out for the complete success of the closing program in every particular.

Lubbock schools are now recognized by school authorities as the very best and although the past term has been conducted under very trying circumstances, on account of flu epidemic, drouth conditions and a scarcity of teachers, it has been brought to a triumphant close and unusual progress is noticeable in all departments. The teachers have worked hard, and deserve much credit for the success of the pupils in making their grades in spite of those things that might have caused them to fail.

Sunday, May 26th, the commencement sermon was preached by Rev. J. T. Griswold, of the Methodist church in that building and the following program was rendered:

Processional—Orchestra.
Doxology—Congregation.
"Praise the Lord," Wennerberg—Choral Club.

Invocation—Rev. Liff Sanders.
"My Dream Ship," C. Gabriel—High School Octette.
Scripture Reading—Rev. Griswold.

"The Mar'v'ous Work (Creation)" Hayden—Choral Club.

Washington, June 2.—The American naval seaplane NC-4, which arrived at Plymouth, England, Saturday, thereby completing the first trans-Atlantic flight, will not attempt a non-stop or any other kind of a flight back to the United States, Secretary Daniels said today. The seaplane will be dis-assembled and shipped to this country.

ATTENDING BEDSIDE OF HER FATHER

Mrs. C. Henry received a message from her father, Mr. Lee of San Antonio, stating that he was seriously ill. Mrs. Henry left Friday for that place to attend his bedside. Mr. Henry received a word from his wife Wednesday stating that Mr. Lee was in a very serious condition.

RETURNS PUT 4TH AMENDMENT IN LEAD

Returns received Tuesday wiped out the small majority against home ownership and gave that measure a lead of 1,312 votes. The result, however, remains in doubt, as a number of counties have not reported completely.

The totals now are 134,662 for the amendment and 133,350 against it.

I Owe My Life to PERUNA

Mr. McKinley's letter brings cheer to all who may be sufferers as he was. Read it:

"I can honestly say that I owe my life to Peruna. After some of the best doctors in the country gave me up and said I could not live another month, Peruna saved me. It was a long time to town, throughout the country and having to go into all kinds of badly heated stores and buildings, sometimes standing for hours at a time while trying my trade as a messenger. It is only natural that I had colds frequently; so when this would occur I paid little attention to it, until last December when I contracted a severe case, which, through neglect on my part, settled on my lungs. I was almost too late, I began coughing, but, without avail, until I heard of Peruna. It cured me, so I cannot praise it too highly."

SHALLOWATER SCHOOL BUILDING SOLD RECENTLY

The old school building, which has until recently been in use at Shallowater, was sold recently to J. C. Bowles. The price being paid for it was \$325.00.

R. A. Burgess, a teacher of Lubbock schools, left Monday morning for Austin, where he will spend the summer attending the State University.

SOME LOCAL ITEMS FROM THE SLATONITE

J. S. Edwards, president of the First State Bank of Slaton, closed a deal this week for the Kendrick section No. 40, lying just east of the depot, and will cut the west half of the section into 140-acre tracts to sell to home-builders. This is the closest-in acreage to be had around Slaton and will make fine homes for those wishing a small acreage close in.

Prof. A. L. Foster, who has been principal of the Slaton high school for the past year, has accepted the position of superintendent of the Lockney public schools at an attractive salary. He and his family expect to move to that city in about two weeks. Prof. Foster is an able instructor and the people of Lockney are fortunate in securing his services.

Briggs Robertson of V-Ranch, has returned home after spending a few weeks in Fort Worth. He was accompanied home by Arthur Woodward. Mr. Woodward formerly lived in Slaton.

Mrs. J. D. Haney and daughters Mrs. Guy Nix and Miss Margaret Haney, visited friends in Lubbock last Tuesday.

Forest Payne, son of Mr. and Mrs. A. J. Payne, arrived home Monday after serving Uncle Sam in Europe. He is looking hale and hearty.

W. S. Adams, one of the pioneer residents of this city, brought in a large bunch of fine red cherries that were plucked from a three-year-old tree at his home here. He has a number of other trees and states that they are all heavily loaded with fruit this year.

TERRY COUNTY MEN GO TO IOWA PARK

Messrs. Oscar Campbell, Lee Fulton, Luther Johnson, Jim Johnson, Weaver Lovelace, W. M. Goldston, Aubrey and Ernest Nichols, J. R. Lindley and W. B. Johnson, all of Terry County, passed through here Tuesday morning enroute to Iowa Park, Texas, where they will work in the harvest fields. They shipped a car of horses, a binder and some wagons there also to help in the harvest. Mr. Goldston who has been there a few days recently says that men are needed very much there, and that they were expecting to harvest the biggest crop known there. Men who have hired out single handed will be paid five dollars per day and board, work promised until the first of September.

NORTH LUBBOCK COUNTY PEOPLE WANT ROAD

Petitions are being circulated asking for an election to determine whether or not bonds shall be issued to macadamize the road from the city limits of Lubbock to Abornathy. It is predicted by parties in a position to know that the issue will carry. This is recognized as a highway, and no doubt is one of the worst stretches of road on this highway. Texas has entered upon an era of good roads building and the county that does not fall in line will soon be a back number.

Those progressive citizens of north Lubbock county are to be commended for taking the initiative in this movement. It remains for Hale county to continue the work. The good roads movement has gained such impetus that the county failing to keep the chain unbroken will awaken one day to a realization that the tourists have passed by "on the other side."—Abernathy Breeze.

MOVING TO BROWNWOOD THEIR FUTURE HOME

L. W. Kitchens, wife and daughter, left Monday morning for Brownwood, where they will make their home in the future. Mr. Kitchens has been living in Lubbock about a year. While here he was proprietor of the Alpine Hotel for a while, later in the restaurant business. Account of the altitude here Mr. Kitchens was advised by physicians to seek a lower climate.

PUBLIC OPINION.

Suggestion for Getting Governor's Salary Increased.

To the News.
I want to say that the defeat of the raise in the Governor's salary wins a very bad mark against the people of this Empire State. Anyone who will analyze the vote of the people throughout the State as regards road bonds and taxation to maintain said roads must readily perceive that the people are not penniless. So there must be some other cause. My view is as follows: They have never put the question of salary increase up to the people in the proper form. So as to avoid any prejudice existing against the Governor, whoever he might be, the Legislature should state that the increase in salary should take effect at some stated time in the future, then it would not apply until that time was reached, and the people in the meantime could look around for some big man who would be worthy of the increase and induce him to run. Were the people asked in this manner there is no doubt in my mind but what they would vote the \$10,000 salary.

PAT O'KEEFE.
Dallas, Texas, May 29.

The above article clipped from the Dallas News is attractive. Yes, the defeat of the salary amendment was an error. As a rule the big men Mr. O'Keefe refers to are not money makers.

We all know that it takes a good sum of money, for living expenses and the up-keep of the dignity of the high office of Governor, and that all of our big governors quit poorer financially than they were when they assume the office.

Politically a big man means an honest man. With plenty of brain power and nerve, and well trained in the rules of right and reason democratically; such men should be amply paid for their services and the necessary expenses needed for this high office.

CORN KNEE HIGH IN PARTS OF TERRY COUNTY

E. M. Fleming, stockman farmer of Terry county is in town this week, trading and visiting with relatives. Mr. Fleming cultivates about two hundred acres of land. He has planted one hundred acres this year in cotton another hundred in mixed feed stuff. He says that his cotton is up and with a fine stand. Corn is knee high and never looked finer.

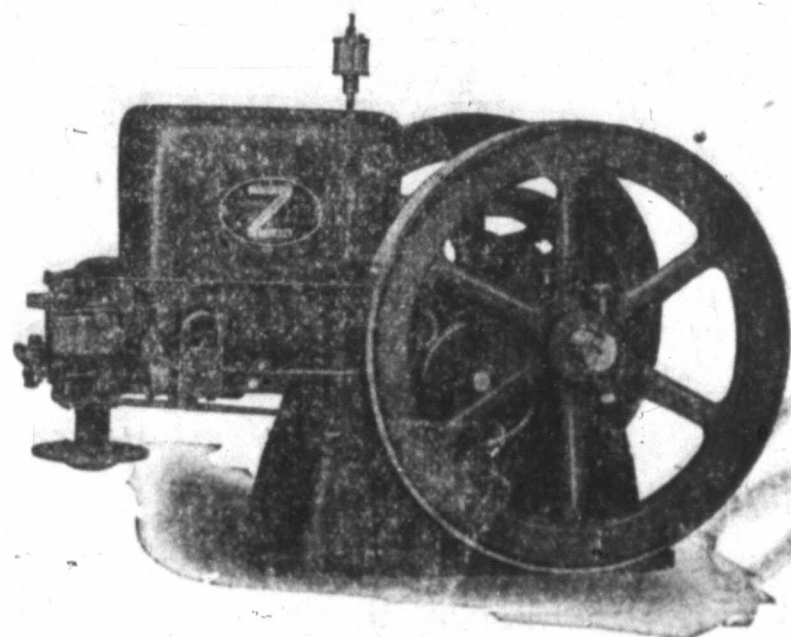

Prohibition is possibly the only amendment that will finally weather the storm of opposition encountered by the voters over the State on May 24th. There seems to be slight hopes for the home amendments, though the margin will be extremely light if it receives a majority at all.

3 H. P. and 6 H. P. "Z" Kerosene Engines

No effort is spared in making these "Z" Engines of the very highest quality in every detail. All parts are precisely made and fitted and standardized for interchangeability. The cylinder and crank case being cast together distributes the weight where needed for strength, giving lightness as well. The finely ground piston and piston rings give exceptional compression. The water cooled cylinder and valves eliminate heat strains and keep the valves tight. The effective lubrication—accessibility—reliability—are found in every one of these engines.

In addition to all this—the "Z" Engines have special distinctive features that single them out from all others—that make them far superior in point of service rendered.

Farmers Find Easy Method of Saving

Farmers who are making a habit of getting a few Thrift Stamps every time they market anything from their farms are finding that they are able to save regularly and that they do not miss the small amounts invested. The average farmer in this section of the country depends largely on his "money" crop, which he harvests once a year. Almost every one of them, however, grows something else which he markets at odd times.

An occasional load of hay may be taken into town and sold. The thrifty farmer also plants peas, beans, okra, lettuce, beets or some of the other vegetables which thrive in the Southwest and for which there is a ready market. Butter and eggs form staple articles to be marketed between seasons. By buying just a few Thrift Stamps each time the farm-wagon makes a haul to town, the farmer or his wife is providing a fund which they will be able to turn to good account later on, for when these Thrift Stamps are exchanged for War Savings Stamps, they increase in value automatically, and may always be turned into cash on ten days, written notice to the postmaster, although the longer they are kept the more they earn.

Have you bought your Thrift Stamps today?

TOOT YOUR OWN HORN—JOIN THE BAND

Lubbock is now in need of a first class band. Already there is on foot a movement started which promises to give one. Monte Bowron is the bandmaster here and he wants at least fifteen good fellows, who can devote enough time, one or two evenings in the week to become expert bandmen. The few who already have joined are meeting and practicing, but they need more.

Uncle Sam Wants 50,000 Volunteers for Overseas Service

A drive is now on to secure 50,000 volunteers for service with the American Expeditionary Forces in France and Germany. Up to date, several thousand of this number have been secured, but there is still an opening for many more. Wouldn't you like to be in on it? Just think of the splendid opportunity you would have to see these foreign countries, see how the people live, work and how their customs differ from those of our own country. How about the battlefields of France and Belgium, the destroyed towns, and the ruined churches and cathedrals? Don't you think that it all would be well worth seeing?

Besides men being wanted for service with the A. E. F. many others are wanted for service in Siberia, China, Alaska, Philippines, Hawaii, Panama, United States and Europe. The opportunity to visit our foreign possessions is now open to everyone, previous service men and recruits. Is this a chance to be passed by lightly?

You know what it is at Panama—the big canal, and the monstrous artillery that defends it. Thru it pass ships from all countries of the world. Besides the sights to be seen, the nice, balmy summerlike climate is not to be forgotten.

Men are wanted for Alaska, and altho that may sound like a cold country, better strawberries are grown on the southern coast of Alaska, than are able to grow in New England.

Then there is the chance to see if they are still "Woarin'" 'em higher in Hawaii. Wouldn't you like to see the Hawaiian Islands, ride on the surfboards, and sometimes listen to the music of the uelolo, wouldn't you enjoy that; and do you know that Honolulu is rated as being one of the most beautiful cities in the world?

In the Philippines you would be able to see hemp growing from which we secure our rope, and many other interesting forms of vegetation. Or perhaps you would like to go to China, that country in which gunpowder was first used. But more than this, doesn't the trip across the United States and the Pacific Ocean

appeal to you? It alone, ought to prove a mighty big inducement.

Many men pay large amounts of money in order to see the different countries of the world; but here is the United States Army offering you a chance to see them without any expense whatever. The Government is even offering you good pay to go. Besides giving you an excellent opportunity to see the world, your country pays you \$30.00 a month to start, and as you advance, so does your pay, and you are furnished with board, clothing and medical attendance. After serving a specified length of time, you can retire with a steady substantial income. Can you beat it in civilian life? And the form of enlistment for this foreign service is only for three years. Of course, all branches of the army are open for enlistment for service in the United States. A recruit may enlist for only three years, and a previous service man may enlist for either a three or a one year term.

Call or write Army Recruiting Station, Sweetwater, Texas.

LOOKING AFTER RESIDENT PROPERTY IN LUBBOCK

D. R. Hinds, of Mountainair, New Mexico was here one or two days this week, attending to business matters and visiting with acquaintances. Mr. Hinds has just recently been discharged from the Navy where he had been in service nearly a year. His mother, Mrs. O. Jay has property in Lubbock which she has owned for several years, and Mr. Hinds was here looking after matters pertaining to it.

Mr. and Mrs. V. E. Hargett, Regina and Robena Hargett of Seagraves were in town Tuesday and Wednesday shopping and visiting with acquaintances.

O. V. Bagwell and family are in the southwest part of the state visiting and taking a summer vacation. They will visit at Houston and Galveston.

District Court will convene in Lubbock next Monday morning.

NEWS ITEMS FROM THE LYNN COUNTY NEWS

E. H. Crie underwent an operation at the home of his son, H. C. Crie, last Thursday night and is resting nicely at this writing. Mr. Crie has been a sufferer from bladder trouble for some time and last week received a fall which for a time was considered serious. We hope to be able to announce soon that he is entirely well and able to be about.

In a letter from Prof. A. L. Foster, who taught in the Tahoka Public schools last year, and who has been teaching at Slaton the past year, he states that he has accepted the superintendency of the Lockney schools for next year. The many friends of Prof. and Mrs. Foster in Tahoka wish them every success in their new home.

Coleman Wells and wife returned from Dallas Saturday, where they spent the past two weeks on a vacation.

Mrs. Clifford Thomas, of Tahoka, is in a local sanitarium and will probably undergo an operation in a few days.—Avalanche.

Mrs. A. B. Ellis of Lubbock, was here the latter part of last week visiting in the home of Mr. and Mrs. W.

S. Swan. She returned to her home Saturday morning.

Ed Sanders, one of the returned soldiers from overseas, returned to Tahoka Friday, after having seen several months on the battle front in France. He is a nephew of F. E. and Mike Redwine of this county.

Jim, Boswell, accompanied by his son and daughter, A. T. and Aline, returned to their home at Plainview Saturday, after having attended the funeral services of James Crie here last Friday.

Miss Era Small left Saturday morning for Brownwood, where she will enter college for the summer months. Her mother and little brother and sister accompanied her as far as Slaton on her journey.

F. Holloway, from the southeast part of the county, came in Saturday morning and took the train for Waxahachie, Texas, where he will reside in the future.

If the frog hadn't slid back, he would have got out of the well. Don't be a frog. Keep your War Savings Stamps.

Mrs. L. H. Shelton is visiting in San Angelo this week with her daughter, Mrs. M. H. Liming.

County Home Demonstration Department

Acuff.
The Acuff Conservation Club met with Mrs. O. R. Patterson on Wednesday, May 21, 1919. Twelve members were present. There was also three club girls present. Miss Halsey talked to the women and gave a demonstration on bread making and cottage cheese making, also cooked a roast in her steam pressure canner. Miss Craddock gave the girls a sewing lesson.

Several of the members brought samples of their bread. We are doing splendid with our bread making. Some real nice bread was exhibited. After the work was finished sandwiches were made of the bread and other things the members had been thoughtful enough to bring, and a real picnic lunch was spread out in the yard on the grass.

After lunch a few games were played. Each one declared this the best meeting we have had.

We now have twenty-five members. Let each one do your best to be present next time, for you certainly do miss a lot of good things when you miss one of these meetings.

We meet next with Mrs. W. N. Williams on Wednesday, June 18. Secretary.

Idalou

May 27.—The Idalou Canning Club met at the home of Mrs. Gassaway, on the eve of May the 27. Miss Halsey and Miss Craddock was in charge of the meeting.

The art of making bread was demonstrated by Miss Halsey and was appreciated by all. She also gave us a nice talk on grading and caring for eggs, also advocated the infertile egg for marketing. She also gave some instructions as to the separating the starch from the protein in flour. Miss Craddock had charge of the girls and gave them some valuable instructions. It was decided to have the next meeting at the residence of Mrs. L. E. Hamlin. The next demonstration is to be the art of making cottage cheese.

After the work was finished refreshments were served to the following: Mrs. Turner, et al. oTetao following: Mesdames Turner, Johnson,

Morris, Gassaway, McCurdy, Hinshaw, Long, Weaver and Garner. Respectfully,

SECRETARY.

Making Money Out of Poultry

I visited W. C. Pearsons, one of my demonstrators on Wednesday and obtained some interesting figures on a flock of White Leghorn hens, says Mr. Jack Shelton, County Agent in Denton County, in reporting to the Extension Service, A. and M. College of Texas. He has 216 hens. During the month of January he got 206 dozen eggs, in February 329 dozen eggs, and in March 407 1-2 dozen eggs, making a total of 942 1-2 dozen eggs for the three months. He Hatchery for 70 cents a dozen. They sold all of them to the Rockwood brought him \$659.75. During the three months his feed cost him \$156, leaving a profit of \$503.75.

These hens have been culled and selected very carefully. One failing to lay cannot remain on the farm.

Mr. Shelton reports that he is trying to impress upon the farmers of the county the importance of giving their chickens the proper care, and with such remarkable results as an object lesson he should meet with remarkable success.

Shallowater Conservation Club.

The conservation club met at the school house last Thursday with a nice number present. Miss Halsey and Miss Craddock were with us and demonstrated on cooking a meal in the steam pressure cooker. This was a great help to the members as a number have the steam pressure cookers. Cottage cheese and straight dough process bread was also demonstrated on. Sandwiches and salads were made of cottage cheese.

After everything was ready Miss Halsey explained about a balanced meal, after which the members done justice to the fine dinner.

We wish to thank Mr. Duff for the discount on the oil stove. We understand this is the only oil stove in the rural schools in the county.

The first Thursday of June Miss Halsey will be with us again. Every one is invited to come. Secretary.

IMPROVING FAST AND WILL RETURN HOME SOON

Mr. H. T. Boyd received a message from his wife last Saturday from Temple where she has been attending the bedside of her daughter, who recently underwent a very delicate operation at Temple, stating that her daughter was recovering from the operation fast, and they would probably return home in a few days.

ROSWELL COUNTRY WILL HAVE BIG PEACH CROP

J. L. Graves returned to Lubbock the latter part of last week from a two weeks visit to the Pecos country. Mr. Graves says that the country around Roswell will have the best crop of peaches this year ever known in that country. The apple crop, however, will be light on account of the late freeze. Alfalfa is in fine condition and many are cutting now, trying to get to the market before the price drops to a lower scale.

Rev. J. B. Cole went to Crosbyton last Saturday morning. He will conduct services at the Baptist church here Sunday.

NEWS OF THE PAST WEEK AROUND ROPES

C. C. Wicker and family moved to Seagraves Monday.

The school bonds for the Ropes school building was purchased by the State School board, May 10th. Mr. Taylor, the architect, says work will begin on the building as soon as material can be gotten on the ground.

Messrs. Carter, Wilson and Timmons and families attended singing at Lakeview Sunday.

Friday evening there was a cloud began to form that looked very much like a cyclone. It was funnel shaped and all at once it dipped down to the ground and began whirling around. In fact, it was a cyclone, but a rather small one as the width of it was only about fifty feet. It formed in the Spade pasture and traveled a south-east course of about twelve miles when it scattered. It went west of Ropes one half mile, east of school house about three hundred yards. It tore up a few telephone posts and the fence on the right of way, passing between L. P. Price's and Hope Timmons' houses. Prof. Wilson and family started to run to Mr. Timmons' cellar when he realized they couldn't make it. He had them turn west and run to a lake in Mr. Timmons' pasture, thereby saving all their lives, as the cyclone passed just ahead of them. There was considerable hail and rain followed the cyclone. The hailstones bruised and beat Mr. Wilson's children pretty bad.

Ye scribe will soon have passed his fiftieth mile post, and this was the first cyclone I ever saw.

W. W. Price and family and W. J. Souter were visitors at L. P. Price's Sunday.

Claud Branch from Commerce, Texas, is visiting his uncle, Sam Branch of this place.

The young people of this neighborhood attended the closing exercises at Lakeview Friday night. They report the entertainment good, but the cyclone broke up the ball game that afternoon.

Messrs. Hickey, Lanham and families spent the afternoon Sunday at Prof. Wilson's.

We are having ideal summer weather now. We never saw grass or plants grow faster. Corn, kaffir and some cotton is up to a good stand. The farmers are still planting.

Miss Anne Mae Wilson came home from Canyon Friday where she has been attending school the past session.

Messdames Timmons and Carter visited Mrs. L. P. Price Saturday.

JAKE MABE TO WED IN ODESSA SUNDAY

Jake Mabe of the firm of Mabe-Karr Company, of Crosbyton and Lorenzo, passed through here last Friday morning enroute to Odessa where he will be married to Miss Floy Johnson of that place Sunday afternoon. Mr. Mabe has been connected with the firm of Mabe-Karr Company for about three years at Crosbyton. He has recently opened up a mercantile business at Lorenzo and is making that place his home now.

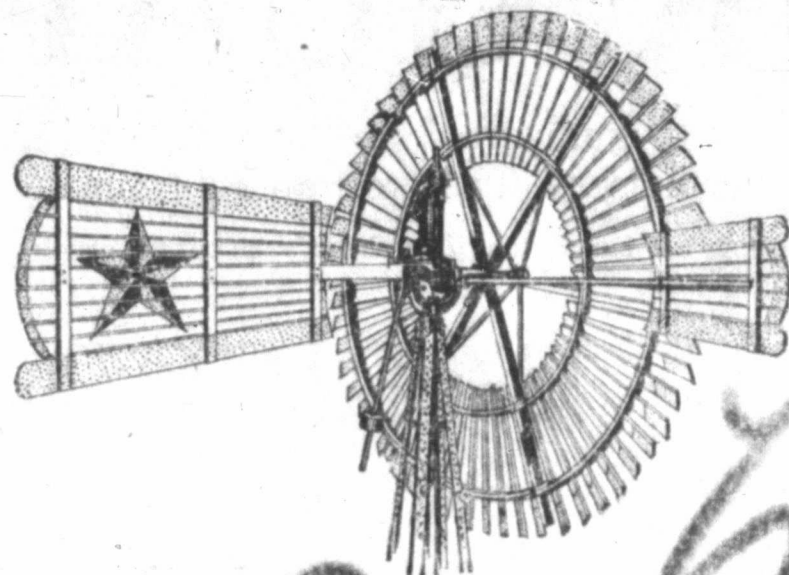

Miss Floy Johnson is well known in Crosbyton, having taught in the schools there in nineteen seventeen. She was the principal of the school at Grand Falls this year. She is the daughter of Mr. and Mrs. G. H. Johnson of Odessa. The wedding will take place at the home of Mr. and Mrs. Johnson. The groom was accompanied by Miss Johnson's brother-in-law, J. A. Parks, manager of the telephone exchange at Crosbyton. They will return Monday and will be at their home in Lorenzo.

Mrs. Webb Brewer and little son, of Memphis, Texas, and sister, Mrs. Quentin Shelton, of Slaton, are here this week visiting with Mr. A. J. Hicks.

L. J. Mathis, of Lorenzo, was over one day the latter part of the week, attending to business matters.

CITATION FOR PUBLICATION

THE STATE OF TEXAS.
To the Sheriff or any Constable of Lubbock County, Greeting:

You are hereby commanded to summon Bismarck Ferguson by making publication by citation once in each week for four (4) successive weeks, previous to the return day hereof in some newspaper published in your county, to appear at the next regular term of the District Court of Lubbock County to be holden at the courthouse thereof in the town of Lubbock, on the second Monday in June, 1919, same being the 9th day of June, 1919, then and there to answer a petition filed in said court on the 13th day of April, 1919, in a suit numbered on the docket of said court No. 1228, wherein M. Fulton is plaintiff and Bismarck Ferguson and others are defendants, said petition alleging that in November, 1915, the plaintiff purchased from the defendant, H. C. Ferguson, Lot 8 in Block 105, Original Town of Lubbock Texas for a consideration of \$3000.00 for which 3 notes were executed by the plaintiff payable to H. C. Ferguson; that in the deed of conveyance by said Ferguson to said Fulton reciting said consideration, the said H. C. Ferguson agreed and bound himself to clear the title to said lot of all liens and incumbrances whatsoever as well as remove any cloud upon the title existing or claimed by any person whomsoever on the date of said deed, which same to be done within a reasonable time from the date of said deed, thereby to prevent loss and damage to the plaintiff, M. Fulton.

That said Bismarck Ferguson is now claiming to be the owner and holder of said notes and that he took the same with knowledge of the provisions of said deed relating to the clearing of the title to said lot by the grantor.

That at the time of the making and execution of said deed and notes there were, and are now, incumbrances against the said property, as follows: One of the defendants, The City of Lubbock, \$101.50; and accruing interest; Mattie Fain, \$572.92 and accruing interest; the Conway-Leeper Number Co. \$1691.18 and accruing interest, now owned by defendant, A. E. Eckert; W. E. Schenck, \$506.25 and accruing interest; the land records of Lubbock County, Texas showing indebtedness existing against said property of \$2912.50, and which indebtedness and record is a cloud upon the plaintiff's title to said lot which liens and cloud the said defendant, H. C. Ferguson obligated himself to remove or cause to be removed from the title to said property and that he and the said Bismarck Ferguson have not complied with the terms and conditions of said deed and are seeking and demanding payment of said indebtedness evidenced by said notes. Judgment is sought by the plaintiff requiring the defendants and the several defendants holding claims to appear and present evidence thereof, and for judgment adjudicating the amounts due on each and which amounts when so found to be subtracted or deducted from the indebtedness evidenced by said notes or to be paid in full

You Do More Work.
You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine. It is simply IRON and QUININE suspended in Syrup. So pleasant when children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is sure evidence of a neglected scalp. Dandruff is a destructive to the hair and scalp. It robs the hair of its luster, its strength and its life; eventually producing a permanent itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and fall. Then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

BANKERS RETURNED FROM CONVENTION SATURDAY

C. E. Maedgen and wife, and Ura Embry returned last Saturday morning from Galveston where they were attending the Bankers Convention. "The water was fine," Mr. Embry says, "but the plains sure looks fine after seeing the swamps of the lower country."

Miss Maxie Speer of Plainview, arrived here last Friday morning to visit with her brother, L. W. Jones, of the Citizen's National Bank. Miss Speer taught school in Plainview the last term.

BANNER WHEAT CROP PREDICTED FOR TEXAS

Fort Worth, Texas, May 26.—"Prospects for a banner wheat crop in Middle North and West Texas have never been better," according to G. W. Orms, district agricultural agent from Agricultural and Mechanical College, and S. M. Davis and H. W. Simpson of Rule, Haskell County, Texas, who came to Fort Worth in an effort to get assistance in harvesting the wheat crop in that section of the State. "The crop may not be the greatest yield per acre this year," Mr. Orms said, "but the cotton acreage in the middle northern section of the State was greatly reduced and the land planted in wheat."

"The harvest season this year is going to be very irregular," Mr. Orms continued. "There are many fields which are now ready, or almost ready for harvest, while others in the same locality will not be ready for several weeks."

There are about 65,000 acres of wheat in Haskell County this year, whereas there were only about 25,000 acres planted there last year, according to Mr. Davis. He said that the harvest season there was upon them, but that the farmers are experiencing a shortage of labor and teams. During the drought last year many of the small farmers were forced to sell their best teams and as a result most of the teams now in that section are of the poorest sort.

Too Much Rain.

Mr. Davis and Mr. Simpson came to Fort Worth because of a report which they had heard that the Government had authorized the rental of army trucks for farming and road work purposes. They called on the motor transportation officer at Camp Bowie, who informed them that he had received no such authority from the War Department or his commander and that he was unable to give out any official information in regard to the matter. Mr. Davis said that he had requested the Fort Worth Chamber of Commerce to wire the motor transportation officer at Washington for definite information.

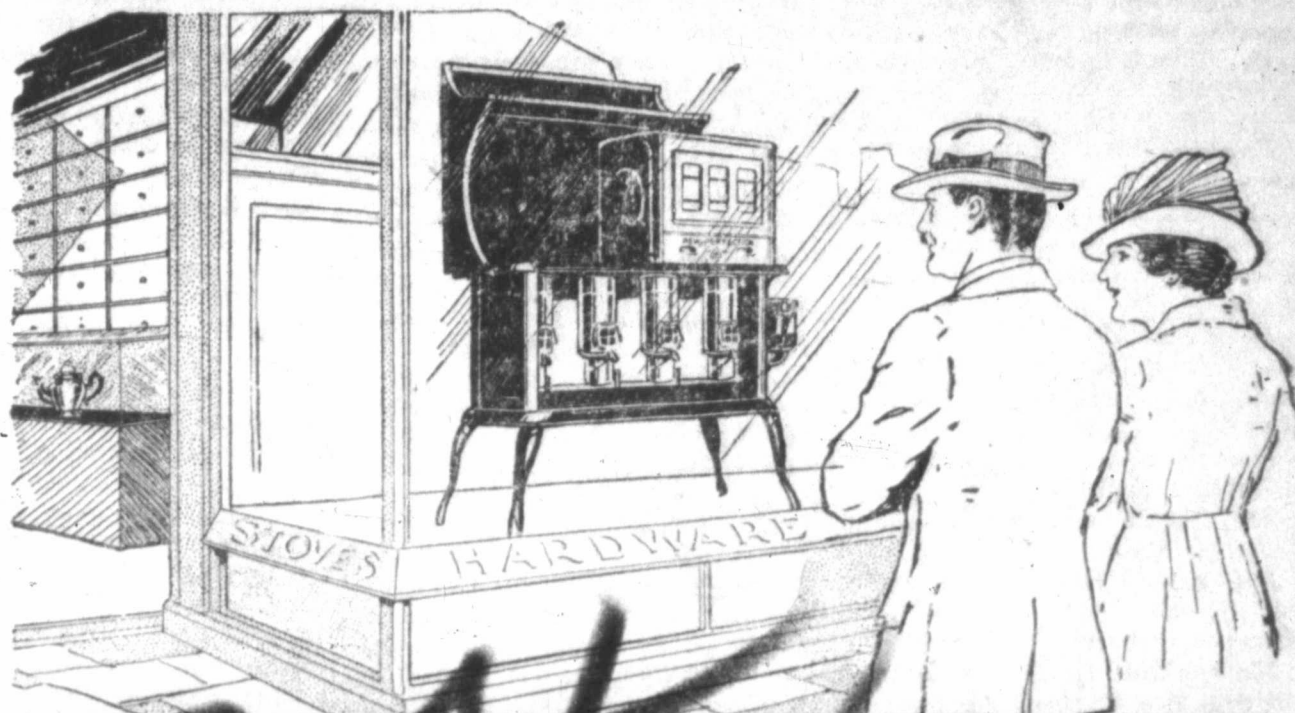

"The continued rainfall all over North and West Texas is causing the farmers anxiety about their wheat crops," he said. "If the rain continues it will cause the wheat to fall on the ground, where it will be lost, and with the fields as wet as they now are, binders can not be put into the fields. "Very little damage will be caused in West Texas from rust," Mr. Davis said, due to the fact that the wheat was so well matured before the rust disease attacked the grain that it will affect nothing but the foliage.

BIG CALF CROP DESPITE HARD WINTER

Bert Smith, manager of the Yellowhouse ranch near Littlefield was here a few days the latter part of the week attending to business matters. Mr. Smith says that he has never known range conditions to be better than now. This ranch has about fifteen thousand head of cattle on it. "Despite the shortage of grass and the extreme hard winter, we will have a greater percentage of calves this year than usual," he states.

Mrs. B. H. Jones left Friday morning for Fort Worth to visit with her mother, Mrs. W. H. Teel. Mrs. Jones will probably be gone a month.

Rev. J. T. Hicks, of Stamford, Texas, was here the latter part of last week, visiting with friends and acquaintances.

ACUFF ITEMS OF THE PAST WEEK

June 3.—The farmers look discouraged this week. The dry weather seems to be hurting the crops as badly as the worms. However, we hope we will soon have a good slow rain and prospects look much brighter in the near future.

Mr. and Mrs. W. N. Williams and Mrs. W. D. Davis made a flying trip to Crosbyton Sunday afternoon and visited a short while with Mr. Williams' brother, Prof. Cooper. They report a splendid time.

Davis Pounds is on the sick list this week.

Mrs. W. P. Rush and Mrs. S. S. Rush visited Mrs. O. E. Rush Tuesday.

Mr. and Mrs. S. C. Davis and D. Pounds and boys called on Mr. and Mrs. Ashley Davis Sunday evening and had a nice time eating ice cream.

Mr. M. A. Deitt of Idalou, Texas, and A. C. C. W. and E. O. Evitt, all made a trip to Slaton Monday afternoon.

Mr. and Mrs. Earl attended church in Lubbock Sunday.

Bro. Metcalf preached at League No. 4 Sunday.

Miss Allene Baker spent from Friday afternoon until Sunday with Misses Metcalf.

Mr. and Mrs. E. O. Evitt took dinner with Mrs. Kimbrell Sunday.

Bro. Metcalf preaches at Acuff Sunday. Everyone come out and hear him.

Mr. and Mrs. L. S. Evitt took dinner with Mr. and Mrs. Elmer Rush Sunday and motored to Idalou in the afternoon.

R. M. Clayton, Jr., of Midland, was in town the first of the week, transacting business.

Come to Lubbock.

RAGS WANTED

AN INTERESTING BATCH OF SHALLOWATER NEWS ITEMS

The new school building has at last been completed and was formally dedicated May 23. Rev. Chase of Lubbock, preached the dedicatory sermon. The auditorium is not entirely seated yet; an unexpected shortage in some of the necessary parts caused the delay, however, all seats will be down by the end of the week.

Another meeting is called for Saturday night to discuss further the proposition to secure a gin for Shallowater. Crop prospects now make the need for a gin here obvious.

Mr. L. B. Seaton, for two years local manager of the McAdams Lumber Co., yard here, has accepted a position with the same company at Littlefield. Mr. Seaton and family leave today (Wednesday) for Littlefield. We hope that they may be both happy and prosperous in their new home.

Mr. T. C. Calley has been selected for the local manager of the McAdams Lumber Co. here.

Tuesday night was another Fite-Nite for Shallowater's athletes of a pugnacious temperament. The Shallowater Athletic Club has had a number of interesting programs since its organization. They are planning an exhibition program to be held soon.

A baseball team has been under consideration by the Club, and if organized, opposing teams may look out for some hard hitting if they strike like they box.

The Shallowater Social Center is to meet Saturday night. Everybody is invited to come.

School closed Friday, May 30. The term was successful in spite of the fact that two months were lost on account of influenza and cold weather. We trust that next term will be the most successful of all.

Mr. Geo. W. Roberts and Miss Katie Bell Crump have for the third term been elected to care for the school interests of the Shallowater community.

Mr. Calley and family are moving into the house formerly occupied by Mr. Seaton, he having sold out to Mr. Calley.

Mr. Hadsell, formerly of New Mexico has bought the Calley farm and has moved his family here.

Miss Haskins, who has been here visiting her sister, Mrs. Hadsell left Tuesday for her home in Denton.

BILL TO RETURN

WIRES FAVORED

Washington, June 3.—Favorable reports on the bill of Senator Kellogg, Republican of Minnesota, for the immediate return of the telephone and telegraph wires to private ownership was ordered today by the Senate Interstate Commerce Committee, after the measure had been amended so as to continue existing telephone rates for sixty days after final action by Congress.

The vote of the committee was unanimous.

INTERESTING ITEMS FROM UNION COMMUNITY

We are having some rather cool weather at present for this time of the year. It makes us feel like a fire would feel good. We are in hopes it will not last long as it is doing the crops no good.

The worms are eating on some of the crops around here. It is hoped that they will quit before they do much damage.

Everybody is very busy now fighting weeds but they are putting up a pretty good fight for their lives, and in some places seem to be pretty hard to conquer.

There was a good many from this community went to the children's Day exercises at New Hope Sunday; they report a good program and lots of nice dinner and a large crowd. There were several from Lubbock present.

Albert Motes, who has been working in Oklahoma, came home for a short visit with home folks before going to the harvest fields. He left last Friday for the harvest fields and will return home again after the harvest is over to help gather some of the big crops we are going to make in Lubbock county.

A crowd of young folks from here attended the singing at Mr. Richardson's Sunday night.

Mr. Charley Griffin's little boy happened to a very painful accident last Sunday evening while playing in the workhouse. He fell from a bench and tore his collar bone loose from his shoulder. He was put in a car and taken to Slaton at once where Dr. Adams dressed his wound and he is doing nicely at present.

Mrs. Pierce and Mrs. Geter received a message last week that their father at Cooper, Texas, Delta County, was very low, and left at once to attend his bedside.

T. B. McDonald and Mr. Sooter were in Lubbock Saturday on business. Mr. Bud Copp and son, Melvin, Grandma Copp, and Miss Lydia Copp were all in Lubbock Saturday evening shopping.

J. T. Coleman and family attended the school program at Lubbock Thursday and Saturday nights. They report it to be real good.

The Sunday School at Union is progressing nicely. They have good crowds every Sunday and everybody seems to be taking an interest.

Mr. Little and son, who is batching out here making a crop went to Lubbock Saturday night to stay with home folks until Sunday evening.

The farmers are beginning to look forward for another good rain, hope they will not have to look long but that it will come; of course we are not looking for hail but guess we will have to take it as it comes, but we are hoping the rain will come without the hail.

M. V. Brownfield, of Terry county was in town the first of the week transacting business and visiting.

LUBBOCK, TEXAS

KANSAS CITY LIVE STOCK MARKET REPORT

Kansas City Stock Yards, June 3.—Trade in cattle today was extremely dull at unevenly lower prices. Hogs were quoted up 15 to 25 cents and sheep down 25 to 40 cents. The cattle market suffered because of continued liberal receipts, and hog prices went higher, notwithstanding liberal supplies.

Today's Receipts
Cattle receipts today were 14,000, hogs 15,000, and sheep 14,000, a decrease of 3,000 cattle, an increase of 4,000 sheep, and the same number of hogs compared with a week ago. Cattle came from nearly all western states, and the bulk of the sheep and lambs from Arizona, Texas and California.

Beef Cattle
Cattlemen did not take the warning of last week's decline in prices, and today there were nearly as many cattle at the five Western markets as a week ago. Prices were unevenly lower. In most cases steers were down 15 to 25 cents with trade dull. Western steers are selling at \$10 to \$14.75, and native steers \$9.50 to \$15.50. Prime corn fat steers are quoted as high as \$16.00, cows and heifers are selling at \$7.00 to \$14.25 and yearling steers and mixed grades at \$9.00 to \$14.50, bulls \$7.00 to \$10.00. In the past seven days, declines amount to \$1.50 to \$2.00. Veal calves are steady at \$9.00 to \$14.50.

Stockers and Feeders
Prices for thin cattle show about the same decline as fat grades. The market today was 10 to 25 cents lower and dull. Feeders are quoted at \$10 to \$14.50. Those above

\$13.50, carry considerable flesh. Stockers are selling at \$9.00 to \$13, stock cows \$7.50 to \$10.00, and stock calves \$8.00 to \$13.00.

Hogs
Though hog prices were depressed 50 to 60 cents from the high level a week ago, and Wednesday was the low day last week, the market has rallied 25 to 35 cents. Today 15 to 25 cents was added and trade was active. The top price was \$20.75 and the bulk of the hogs sold at \$20.20 to \$20.60. Demand showed considerable urgency. Pigs are quoted at \$15.50 to \$19.50.

Sheep and Lambs
After reaching the high point of the past two weeks last week, the sheep market today turned down. In most cases declines of 25 to 40 cents were quoted. The bulk of the offerings were from the Southwest and California. Sheep sold at \$9.50 to \$10.00, and spring lambs \$17.75 to \$18.50. A big bunch of Angora goats sold at \$8.50.

WOODMEN TEAM HAVE A LARGE CROWD AT BANQUET

The banquet given last Monday night at the hall by the local team and ladies of the Woodmen Circle was a great success. Two of the recently elected officers were installed. Mr. Kline, who was elected to Consul Commander, succeeding E. L. Noey, was the first installed. William Griggs newly elected Escort was next officer installed, he is now in line for Grand Arch Warden and will probably attend the meeting at Houston the latter part of the year. There was

a voting contest next on their program to find out which one of the ladies present was the best looking. To vote you only had to pay one cent for each vote, no limit was placed on the number to be bought. For the race, Miss Thaxton, Miss Perkins, Miss Slover and Miss Hawkinson were nominated, twenty-four and fifty votes were cast (all bought votes). Miss Thaxton was found to be the most beautiful lady present when the votes were counted. G. K. Watkins entertained the crowd a few minutes with some "personations" and music also was another entertainment of the evening. When the program was over Miss Thaxton was presented a big cake by the captain of the team, for being so beautiful.

Robert E. Downey and family were here the first of the week from Abernathy. Mr. Downey says he will cease the publication of the Breeze after the issue of next week, and will move the plant to Barnhart, Texas, where he will publish a newspaper.

Leeman Wilson and family came in this week from Wyoming where they have been making their home the past few years. Leeman left Tuesday for Ranger, where he will work with a drilling crew in the oil fields.

Miss Mae Murfee left Wednesday morning for Pampa, where she will spend a week with her brother, J. E. Jr., and will go from there to Washington, where she will visit her sister, for a few weeks.

Mrs. J. R. Burrus has returned from several weeks stay in Slaton.

NOTICE

Much to our regret Mrs. Summers has resigned as society editor of the Avalanche, but we are glad to announce that we have secured the services of Mrs. A. B. Ellis for this place, and she will have charge beginning with our next issue. Those having society items will confer a great favor on her and the Avalanche as well if they will phone her every news item possible to 605.—Editor.

The home of Mr. and Mrs. Theo. Summers was the scene of a beautiful wedding Sunday afternoon when Miss Ethel Summers, their sister was married to Mr. Edwin McCrummin. Rev. J. T. Griswold, pastor of the Methodist Church, officiating. The house was decorated in a profusion of pot plants and cut flowers forming an altar, in the arch leading from the front to the dining room where the couple stood during the short but impressive ceremony. The bride wore a dainty creation of snow white and carried a bouquet of cape jasmynes. Color scheme of pink and white was carried out in the two course luncheon served to the bridal party. Only a few relatives present. Miss Cecil McCrummin, sister to the groom was present and left Monday to attend the wedding of another brother who married on June 4th. Several cars accompanied them to the ranch where they will reside. The groom is well and favorably known in Lubbock. The bride has lived in Lubbock the past few years during which time she has made a host of friends. Long life, joy and success to these worthy people!

Mr. George Morris was host at a surprise party given Monday evening honoring Mrs. Morris (2) birthday. Six nurses from the West Texas Sanitarium happened in at the appointed hour. Later a few more ladies came. The evening was spent in a jolly round of jokes, music and games and dancing. Not until Mr. Morris finally made his appearance and talked into the microphone of serving delicious pineapple and strawberry ice cream with dainty wafers and big Newtons did Mrs. Morris realize that this party was a pre-arranged plan. While "good night" was being said it was suggested that Mrs. Morris break the monotony of the summer months by having a birthday every few weeks.

Mr. and Mrs. Sam T. Davis opened their hospitable home Tuesday night to a jolly group of young people who gathered to play 42, hearts, etc. Beautiful music by Victrola and Player Piano was enjoyed. Refreshments of hot chocolate and banana cake were served to the following: Misses Oleene Fain, Winnie Davis, Lena Jones, Celeste Ellis, Vellie Stringer, Gertrude Gillan, Lois Duff, Nobia Slagle, Mabel Guinn, Callie Lindsey, Grace Howard, Evelyn Jennings and Mrs. Louis Murfee; Messrs. Slagle, Trevey, Beard, Bennett Slagle, Robert Bean, Waldo Michael, Ed Haynes, Luther Collett, Joe Baldrige, Harry Morris, Warren Moore, Louis Murfee, Robert Hurst and Louie Moore.

The Robertson Ranch near Slaton was the center of an enjoyable house party last week. Miss Gertrude Nolan of Slaton and her friend from Amarillo were present and those attending from Lubbock were Misses Winnie Bates, Ouida Easter and Ruth Hussey. A dance was given at the ranch Thursday night. On Friday afternoon the crowd motored to Ralls to attend the ball game and Saturday's recreation was a dance given in Slaton. A tired but happy crowd returned to their homes Sunday.

Miss Josephine Cooper was the guest of honor at an evening party given Monday, June 2nd, at the home of Mr. and Mrs. Guy Hufstader. Miss Cooper has been teaching in town during the school term and will soon go to spend her vacation on the ranch. Refreshments of strawberry ice cream and cake were served to about seven couples.

A group of young ladies enjoyed a Theatre Party Friday afternoon by invitation from Miss Jennings who proved to be a charming hostess. The guests of honor were the three young ladies from Plainview who visited Miss Mayme Alexander Friday and Saturday. Miss Jennings also gave a slumber party Saturday night for these same visitors.

Mrs. Fred Boerner assisted Mrs. Fred Oliver in entertaining the 1911 Needle Club Thursday, May 29. A goodly number of members were present all with their hand work and kept busy till a late hour. Mrs. Peck was a visitor. Refreshments of sandwiches, salad, potato chips and tea were served.

The C. W. B. M. met at the First Christian Church Monday afternoon, June 2nd, with Mrs. J. F. Tom, as leader. Subject for the afternoon's work, "Oriental Ladies." This finished the series of lessons planned the past year and further studies will be taken up later.

Mrs. Jim Ashford, daughter of Mr. and Mrs. D. B. Hamilton is in Lubbock visiting home folks and friends, her home is now in Abilene.

Bud Roberts and Herbert Martin assisted Misses Mayme Alexander and Beulah Dixon in entertaining with a Senior Party at the Alexander home Thursday, May 29th, honoring Misses Goode, Rosser and Anderson, visitors from Plainview.

The Auction Bridge Club met Tuesday with Mrs. Roscoe Wilson. There were two tables of players. An ice course was served. Mesdames Peck and Slate were the only guests present. Mrs. Frank Winn will be the hostess next week.

Mr. C. W. Smith, brother of Mrs. R. W. Heim of this city returned from England last week where he has been stationed for the past several months as musician in the army. Mrs. Smith came to Lubbock Saturday to meet her husband and visit with Mrs. Heim. They returned to Amarillo Monday where they will make their home.

Mr. A. W. McKee arrived Friday from Memphis, Texas, and spent Saturday loading household goods. He and his family left Monday morning by auto and bade farewell to Lubbock. These good people will be greatly missed from our midst and the best of wishes follow them in their new home.

Mrs. C. L. Fry, of Canadian, spent the commencement week in Lubbock and returned to her home Monday. She was accompanied by her daughter, Miss Francis, who has been staying here this winter to finish out the school term.

Miss Sam Padgett left for Ballentine Sunday. She was accompanied by her two nephews, Frank Maddox, Jr. and Baby Padgett, who will visit their grandparents, Mr. and Mrs. W. T. Padgett.

Mesdames R. A. Barclay and Frank Barclay are visiting in western towns this week.

Miss Thurman left Sunday for her home in Hamlin after a very successful year's work as teacher in the Geo. M. Hunt building.

Mrs. W. E. Lyon returned from Ft. Worth last week where she had been to attend the graduating exercises of which her daughter, Miss Mary, had some part as Senior.

Mr. Ed Trevey, of Snyder, was guest of Mr. A. B. Ellis and family this week.

Mrs. Conder Henry went to San Antonio, Texas, Saturday for a few days stay.

Mrs. Flo Hutchinson of Post-City came in Saturday to visit her daughter, Mrs. A. B. Ellis spent a few days in Tahoka last week.

Rev. and Mrs. J. B. Cole have as their guest, Mrs. Cole of Pecos City, Texas.

Misses Electra Anderson, Fannie Goode, and Grace Rosser, all of Plainview, arrived Thursday to spend the week-end with Miss Mayme Alexander.

J. W. Quillen returned to his home in Temple, Texas, after a short visit with his son, Mr. Louis Quillen on his ranch north of Lubbock.

Misses Julia Jennings, Pansy Posey, Evelyn Jennings and Mayme Alexander visited in Plainview last week.

Mr. Robert Johnson is home for a visit with relatives after an absence of one year during which time he has been employed in Montreal, Canada.

Mrs. George Murfee is visiting in Houston, Texas.

Miss Pipkin, who has been visiting in Littlefield spent Tuesday with relatives in our city and left on the northbound for her home in Abernathy.

Mrs. Frank Brown is visiting in Cisco and Weatherford.

The families of R. H. Martin and H. O. Martin motored to Oklahoma for a few weeks visit with relatives.

Mr. and Mrs. T. W. Finn made a flying trip to Lorenzo and Ralls Wednesday.

Mrs. Claude Paulger left Friday to spend the summer in Aspermont, Texas.

Mr. Walter Craddock of Spur passed through Lubbock Wednesday enroute to Canyon where he will attend the normal.

Mr. and Mrs. Luther Williams came over from Olton Wednesday to visit C. A. Burrus and family. Misses Alta and Ola Burrus went home with the motor a short visit and will stop over in Littlefield on their return trip.

SUMMARY OF THE AUSTRIAN PEACE TERMS

Washington, June 2.—The following official summary of the official Austrian peace terms was made available today in diplomatic circles here:

The Frontiers of Austria: The northern frontier facing Czechoslovakia follows the existing administrative boundaries formerly separating the provinces of Bohemia and Moravia from those of upper and lower Austria, subject to certain minor rectifications, notably in the region of Gmund and Feldsberg and along the river Moravia. The southern frontier facing Italy and the Serb-Croat-Slovene State is to be fixed by the principal Allied and associated powers at a later date. In the eastern part of the line passing just east of Bleiburg crosses the Drave just above its confluence with the Lastant and thence will pass north of the Drave as to leave to the Serb-Croat-Slovene State Marburg and Radkersburg, just to the north of which latter place it will join the Hungarian frontier. The western and northwestern frontiers facing Bavaria, the western frontier facing Switzerland and the eastern frontier facing Hungary remain unchanged.

Political Clauses—Europe: The high contracting parties recognize and accept the frontiers of Bulgaria, Greece, Hungary, Poland, Rumania. The Serb-Croat-Slovene State and the Czech-Slovak State as at present or as ultimately determined. Austria renounces in favor of the principal Allied and associated powers all her rights and titles over territories formerly belonging to her which though outside the new frontiers of Austria, have not at present been assigned to any State undertaking the settlement to be made in regard to these territories.

The Czech-Slovak States: Austria recognizes the complete independence of the Czech-Slovak State, including

the autonomous territory south of the Carpathians in conformity with the action already taken by the Allied and associated powers. The exact boundary between Austria and the new State is to be fixed by a field commission of seven members, five nominated by the principal Allied and associated powers and one each by Austria and Czechoslovakia. Czechoslovakia agrees to embody in a treaty with the principal Allied and associated powers such provisions as may be deemed necessary to protect racial, religious or linguistic minorities and to assure freedom of transit and equitable treatment for the commerce of other nations.

The Serb-Croat-Slovene State: Austria similarly recognizes the complete independence of the Serb-Croat-Slovene State and renounces her rights and titles. A similarly appointed field commission, including a member nominated by the Serb-Croat-Slovene State is to fix the exact boundary. The question of the basin of Klagenfurt is reserved. The Serb-Croat-Slovene State agrees to a similar treaty for the protection of minorities and freedom of transit.

Roumania: Roumania agrees to a similar treaty for protection of minorities and freedom of transit.

Russia: Austria is to recognize and respect the full independence of all the territories which formed part of the former Russian Empire. She is to accept definitely the annulment of the Brest-Litovsk treaty and of all treaties of agreements of all kinds concluded since the revolution of November, 1917, with all governments or political groups on territory of the former Russian Empire. The Allies reserve all rights on the part of Russia for restitution and satisfaction to be obtained from Austria on the principles of the present treaty.

What they think of the Victor

FARRAR

"I am delighted to contribute a word of appreciation in favor of the Victor, and congratulate myself that my selections are brought before the public in so admirable a manner, by means of its wonderful merit."

When selecting a musical instrument for your home, wouldn't you value the opinions of the world's greatest artists? Wouldn't you like to benefit by what they think of it?

Certainly no one is better qualified to judge a musical instrument! They know music. Their life-work is music. And what they say about the Victrola is of the utmost importance.

They not only endorse the Victrola, but they show their unbounded confidence in it by making Victor Records exclusively.

Come in and let us demonstrate the Victrola to you.

GLUCK

"I would like to express my delight at renewing my contract with the Victor Talking Machine Company for ten years more."

"During my extensive travels I have had such a vivid illustration of the great work you are doing for the world that it is with the deepest feeling that I say I'm proud to be a part of such a great work, and that I may long enjoy the privilege of the earnest wish of

GALLI-CURCI

"As any true artist must realize, it is of great benefit to 'sit in the audience,' as it were, and be the critic at one's own performance. In this way I have learned a great deal from listening to my records on the Victrola and can truly state that it has been my best teacher."

ME CORMACK

"I believe that the process by which the Victor Records are made is the most perfect of all methods of voice reproduction. I have made records exclusively for the Victor since February 1910 and my present contract does not expire until February 1925."

HOMER

"The reproductions of the Victor Records are wonderful. It is my great desire to sell up and present a complete set of my Victor records for my children."

SCHUMANN-HEINK

"The Victor today is the most reliable and the most just critic, as it reproduces absolutely what we have done."

DE LUCA

"I consider my Victor Records absolutely life-like reproductions of my singing—that is the reason I make records only for the Victor."

MARTINELLI

"I wish to express my appreciation of the series of reproductions of my voice which the Victor Company has made. They seem to me remarkably lifelike and faithful."

SCOTTI

"The improvement in Victor records during the past years has been so great that a singer is compelled to give the master of making Victor Records the most serious and conscientious consideration."

No Worms in a Healthy Child.

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

SAY BOY! THIS BIRD SURE WOULD BE A BIG GAZOOK

If his arm was long enough to wear 'em, he would be a big guy. Yessir, he shurwud. He'd have feet long enough to be bridges over the English Channel. He could hold his hand over New York and cause an eclipse; he could have one finger in Detroit, a thumb on Philadelphia, another finger in Chicago and one in Timbuctoo while he stirred the waters of the Great Lakes with the fifth one.

A ship load of beans would be too small to find a lodging place between his teeth. One of his eyelashes would be four feet thick and a mile, seven hundred and eighty-four yards long, plus some odd feet and inches. As for Cognac, the great dipper would not hold enough to give him a sip and his head—yes, his head—but why get personal?

Who? Why the guy who has an arm long enough to wear all the service stripes issued to the A. E. F. He'd be a funny gazook though if his other arm was only as long as the wound stripes issued. It would be nineteen-twentieths shorter—WOW! And it's all true. Our statistician figured it out to the last Frog hair. Ain't he a wizard?—The Pontonzen Duckboard.

John Schwartzbach, H. Y. Larmon and Howard Lester, all of Big Spring, were here last Friday and Saturday, transacting business and visiting with acquaintances. The trip was made here in a car. They report oil leases on the land near the drilling site ten or twelve miles south of Big Spring, is leasing from ten to thirty dollars per acre. The derrick has been erected, and are now waiting for the rig.

W. B. Shelton was in from Idalou Saturday. Mr. Shelton reports crop conditions very favorable indeed. He has a little over a hundred acres in cultivation on his place. He is working seventy acres himself and has thirty-five acres rented out. He has all of it planted to row crops, corn, kafir, maize, sudan, etc., and most of it is up and looking good.

One of the features of the Texas Postmasters' Convention to be held at Mineral Wells June 4th, 5th and 6th, will be a conference at 4 o'clock the afternoon of June 5th on handling Thrift and War Savings Stamps. A representative of the Treasury Department will be present to direct the discussions.

Mrs. E. M. Jones and daughter, Mrs. Fred Cockerell, went to Amarillo last Thursday afternoon to meet Mrs. Cockerell's husband who is coming here on a visit from Savannah, Georgia.

PRODUCE INFERTILE EGGS AND INSURE GOOD MARKET

Poultry experts in a position to know whereof they speak estimate that \$15,000,000.00 are lost annually because of the production of fertile eggs during the summer months.

Fertile eggs will not keep well in warm weather at a temperature above 60 degrees, and few people in the rural districts are in a position to keep their eggs below this temper-

ature. Infertile eggs will keep for about two weeks in edible condition, which gives time to gather the eggs and get them to market.

Furthermore, during the spring and summer when eggs are plentiful it is customary to eat eggs morning noon and night until one can scarcely stand the sight of an egg, simply because they are plentiful and may spoil.

It would be much better to save these eggs for use when the hens are not laying so bountifully, at which time eggs are at a premium.

This may be done by producing infertile eggs. Drive the rooster from the flock. This will not interfere with the production of eggs. In fact expert poultrymen seem to feel that it helps the production. Kill the scrub roosters, and isolate the pure breeds until fall. Do not place them in a small pen, but rather in a roomy, shady enclosure, where they may get plenty of exercise, grass and insects.

May the 29th was set aside as the day to banish the rooster from the flock and introduce the great drive for the production of infertile eggs in order to save Texas' proportion of the usual annual loss.

Mr. and Mrs. Melvin Walker, of Amarillo, spent Saturday and Sunday in Lubbock, guests of Mr. and Mrs. C. E. Hunt. They were returning from a visit with Mr. Walker's parents, Mr. and Mrs. J. G. Walker, at Hillsboro, Texas, and Mrs. Walker's parents, Mr. and Mrs. S. T. Oliver, at Meridian, Texas. They left Monday morning for Amarillo, where Mr. Walker is now associated with the express company.

RENEWED TESTIMONY

No one in Lubbock who suffers headache, or distressing urinary ills can afford to ignore this Plainview man's twice-told story. It is confirmed testimony that no resident of this locality can doubt.

Dr. V. C. Canon, retired physician, W. California Ave., Plainview, Tex., says: "I suffered from lumbago and other signs of kidney complaint. I also had trouble with my bladder and sharp twinges shot through my loins when I stooped or got up from a chair. I used Doan's Kidney Pills and they relieved me."

Over three years later, Dr. Canon said: "I don't have nearly as much trouble with my kidneys now as I did, but when I do I use Doan's Kidney Pills."

NEW HOPE COMMUNITY WEEKLY NEWS LETTER

Our weather prophet says we are going to have a flood in June. Maybe so, but we saw a rainbow last week.

The days of summer were likened unto the days of winter Sunday, Monday and Tuesday. But can't a fellow sleep during such weather—if his conscience will let him. Judging from the recent election there's lots of men that haven't any conscience.

Calvin and Eeley Eoff are in Runnels county helping in the wheat harvest.

Miss Bertha Posey, of Slide, visited Mrs. T. A. Battin first of the week.

Mrs. R. Huber and children have returned from a visit at Southland.

Mrs. Louis Richardson received a telegram, Monday from her brother, Johnson Sansing, saying he had arrived in New York on his way back from France.

The Children's Day exercises at New Hope Sunday was attended by many from Slide, Union, Posey, Canyon, Woodrow, Floydada, Slaton and Lubbock. After the opening song, Rev. Lynn, pastor of the church at this place, made an excellent talk to the children. Then the following program was rendered:

Recitation, "We Welcome You,"—Valree Pate.

"Happy Children's Day"—Glen Richardson, Pauline Pate, Buford Battin, Frances Stewart.

Judge Moore gave us an excellent talk concerning our duty in Sunday School work. A sumptuous dinner was served at the noon hour. The collection for Foreign Missions amounted to \$7.75.

M. S. Farr, manager of the Coble ranch, about seventeen thousand acres, forty miles west of here, was in town the first of the week trading and attending to other interests. Mr. Farr says range conditions are fine on his place, and cattle are doing better than usual.

W. K. Dickinson, Jr., left Wednesday morning for Dallas where he will enter a barber school. He will probably be gone two months.

BIG SPRING BOY VISITING HERE

Ledford Beard, of Big Spring, is here this week visiting with Harry Morris. Mr. Beard has just recently returned from France where he was in duty about eighteen months with the 117th Supply Train, Rainbow Division. "From February until the armistice, we were in active service at the front without rest," he says. "And the rainy weather and cold which the truck drivers who were out encountered, was worse on the boys than the shell fire."

MOVES HERE FROM ALABAMA TO FARM

Mrs. C. J. Halmark, of Lorenzo was in town the first of the week shopping and visiting with acquaintances. Mr. Halmark and family have just recently moved to this country from Birmingham, Ala., and purchased a farm near Lorenzo.

Of course Lubbock County is going to put on one of the biggest and best county fairs this fall that she has ever put over, but that need not hinder us from pulling a big event in July, too.

Lubbock County so much needs that fair park. We believe that this issue should be put before the people again this fall. Begin to think about it.

The farmers are knocking weeds right and left now, most of them are through planting unless the sand cuts off what they have up.

The Sunshine Club met at Mrs. David Myers' home last Thursday afternoon. There were twenty-one members present. Everyone reports a real nice time. After serving refreshments they dismissed to meet again June 12th. We hope that more will be present next time.

There was a real nice crowd out at Sunday School Sunday. We enrolled some new students. The singing is improving very rapidly also.

Miss Theodore Goebel left for Marble Falls, last Wednesday where she will spend the summer with friends and relatives.

Mr. and Mrs. J. H. Emery spent the week-end in Lynn county with their daughter and family, Mrs. Dixie Evang. They say that they found them in very good health but all had severe colds.

Eugene Emery and children, Eugenia and Horace, were callers of this vicinity one day last week.

Most all the young people went home with Miss Erna Goeth from Sunday School where they ate cherries and made candy until about sundown, then they went to the singing at A. W. Jones'. Everyone seemed to enjoy the evening and several new songs were learned.

Bro. J. T. Emery will preach for us, at the school house next Sunday at 3 o'clock. Everybody be sure and come early for Sunday School.

Those who were in Abernathy from these parts Tuesday morning were Messrs. Norwood and Edgar Abney and wife and Miss Erna Goeth. Mrs. Joe Burrus is improving very rapidly at this writing.

The neighbors took their teams and lists and planted about sixty acres for Mr. Joe Burns one day last week. Miss Ewell Haney was on the sick list one day last week.

Mr. John Schroeder and family, who live near Monroe were callers to this vicinity Sunday.

The singing school is still moving along nicely.

Miss Katie Sanford is visiting on the John Jones ranch somewhere near Abernathy at this writing.

H. H. Griffith, special salesman for the Rix Furniture and Undertaking Company, is spending a few days in Big Spring this week, visiting with his parents.

It Stands Secure

Legal Reserve Life Insurance stands without a peer in all the realm of finances, for stability and for permanency.

Bradstreet tells us that within the past 10 years, there has been business tragedies as follows:

100,000 commercial failures with liabilities of \$1,000,000,000.
Railroads gone into the hands of receivers with liabilities of \$700,000,000.

Banks and Trust Companies with liabilities of \$600,000,000.

But in the past 30 years there has not been ONE SINGLE Legal Reserve Life Insurance policy that has failed.

The above figures should challenge the thought and demand the action of every thinking man in this country who is seeking to build an estate for himself and for his family.

Legal Reserve Life Insurance is the ONE Giant of Mercy in all the business world that extends to her small policy holder the same careful and thoughtful attention as she does to the large purchaser, and at the same time she offers to the largest policy holder the same protection and administration of the funds he entrusts to her keeping, as she does the beneficiary of a \$1,000 policy.

Legal Reserve Life Insurance is the ONLY Sinking Fund in all the world that promises to pay, and does pay, a certain sum at an uncertain time.

Legal Reserve Life Insurance is the ONLY commodity in all the world that can be purchased on 20 years time, and if the purchaser dies the first year of the contract, the remaining nineteen payments are cancelled in full, and the face of the Contract accrues to the purchaser.

Has any living man the moral right to withhold from his family the protection and blessings that is afforded them by Life Insurance?

EFFORT TO LIMIT BALLOT TO WHITE VOTERS FAILURE

Washington, June 3.—The Senate failed to reach a vote today on the House woman suffrage resolution and final action is expected tomorrow. When Senator Watson called up the resolution, attendance of Senators was the smallest ever recorded during debate on the question.

Senator Harrison, Democrat, of Mississippi, offered an amendment proposing that the resolution apply to white citizens only, but it was voted down later, 58 to 17.

Senator Reed, Democrat, of Missouri, opposing the resolution, declared the one "insuperable objection" to the amendment was that it proposed to take away from the people the individual States the right to prescribe qualifications for voters. "This amendment," he said, "is an outrage upon our form of government."

The Avalanche acknowledges receipt of an invitation to be present at the Commencement exercises of the College of Industrial Arts, Denton, Texas, June first to third, F. M. Bralley, President.

Mrs. Levey and two daughters of Slaton were in town the first of the week, shopping and visiting friends.

MAN WANTED IN MURDER CASE PLACED IN JAIL HERE

Sheriff Russell, of Dawson County, brought Henry Crossett whom he had arrested in that county last week on a warrant from Travis county charging him with murder, here and placed him in the county jail to be turned over to Deputy Sheriff Holley of Austin.

The charge against Crossett is alleged to have resulted from the death of a woman with whom he had been living in Austin as man and wife, following an illegal operation some two or three weeks ago. The woman is said to have lived in Dawson county before going to Austin, and the remains were taken back there for burial. The physician who was charged with performing the operation is alleged to have committed suicide.

Deputy Holly left Tuesday with the prisoner for Austin.—Sweetwater Reporter.

D. 1919, then and there to answer a petition filed in said suit on the 15th day of May, 1919, in cause No. 1242, the docket of said court, wherein D. M. Lee is plaintiff and the defendants above named, together with Mrs. Alva Jay, Merl Jay, John Goodall, Thomas Goodall, Ruby Benton, Willie Benton, Ralph Goodall, Bonnie Goodall, Marie Goodall, Mrs. Myrtle Webb and Pearl Webb are defendants, the nature of plaintiff's demand being an action brought to quiet the title to Survey No. 152 in Block C and Survey No. 10 in Block D-7 in Lubbock County, Texas, in the said D. M. Jay and the parties to whom he has sold the same, petitioner alleging that he

was heretofore divorced from the said L. M. Jay and the lands so described set apart to him, but the decree of divorce through oversight failed to recite the same. Petitioner alleging that he has conveyed parts of said land to different persons and is the owner of vendor's lien notes upon certain parts thereof, and defendants are claiming some sort of an interest therein, when in truth and in fact they have none, and are threatening to institute suits to establish such pretended interest, which would subject your plaintiff to many vexatious lawsuits, and he prays that defendants be perpetually enjoined from asserting any claim to said lands.

Herein fail not, but have you before said court on the first day of the next term this writ with your return thereon, showing how you have executed the same.

Witness my hand and seal of said court this May 15th, 1919.

APOLOGIES

The Colorado Record seems long on apologies. If we remember correctly that paper has not come to our desk for several weeks without an apology of some kind for its appearance. Apologies are poor assets in business or anywhere else. Usually if a person or thing is not up to the standard, people will know it, but often we think we have failed, when others do not see it that way, and by calling attention to our failure it makes it the worse, instead of better. In reading the Record the past week, we stumbled against the following: in fact we were looking for a paragraph of the kind, as we have become accustomed to look for it each week. "If the Record is not up to the standard this week, lay it to several causes. First, this is the fifth issue this month; and the office has been busy on job work; besides we had 20,000 potato slips to set out (which is no little job.) A combination of circumstances tend to weaken this issue, but still, by comparison, the Record is the best local paper in the west."—Record.

"We do not know whether the Record wanted its readers to know that they had twenty thousand potato slips planted, or whether the editor was afraid that they might not recognize the Record as the 'best local paper in the west.' The Record is a good local paper, and the Avalanche appreciates its weekly visit, and we were about to pronounce the last issue a 'hum dinger' and a plum good one, but after reading the apology we thought possibly we were mistaken, and found that it was a little short—only eight pages full of good live ads and local reading matter, well composed, neatly made up and nicely printed.

AS OTHERS SEE US

Through the courtesy of a friend, the senior editor of The News has been regularly receiving a copy of the Lubbock Avalanche for several weeks, and a perusal of its columns is all that is necessary to convince anyone that Lubbock, away out on the plains of Texas, is a mighty good town. Every issue of The Avalanche

is from 16 to 24 pages, and from the appearance of its advertising columns every business institution in that town must carry an advertisement in the home paper. That is what it takes to make a good newspaper and create an impression of a good town. The Avalanche is a credit to Lubbock both from a typographical and literary standpoint, and is doing a splendid work for the great plains country.—Lufkin Daily News.

This comes from away down in the extreme eastern portion of Texas, but they recognize the signs of a good town, which is very true and never failing. Where the newspaper is well patronized there is pep and thrift in the town, and it cannot drag. The amount of advertising carried in the Avalanche is a very noticeable thing and it carries with the impression that our town is "some pumpkins," and it is.

We greatly sympathize with Mr. and Mrs. H. C. Crie in the death of their son, Jim, which occurred in Hurley, New Mexico, several days ago. Jim was for a number of years connected with the publication of the Lynn County News and was well known in this section of the country. He was working for a copper mining company, as assistant foreman of the boiler rooms and in some way was so severely scalded that death resulted within a few hours.

Lubbock County might just as well have a big lake with fish and boats and swimming, etc., as any other place in the world and this can be created by making a lake on the canyon and can be done at a comparatively small cost. Let's have this kind of place soon.

Now is a good time to send out advertising literature about the South Plains and Lubbock. We know of no better way advertising the county than send the Avalanche to your friends and prospective buyers of property in this county.

Quite a number of new buildings will be erected in Lubbock this year. Some very handsome residence buildings are being planned now.

THREE HUNDRED MILLIONS IS LOST YEARLY IN FAKE

There is a mire in which hundreds of thousands of Americans of small means bog themselves yearly. The fact that makes their case the more pitiable is that their number is made up largely of the hard-working and industrious sort, who are the most keenly ambitious to better their financial condition.

These are the people who lay aside small sums from their weekly or monthly pay and then succumb to the glib promises of vendors of worthless stocks and bonds.

No less than \$300,000,000 is gathered in annually, it has been estimated by financial authorities, by these "stock and bond sharks," and their tolls have been exacted from those who could least afford to lose the money.

In the 133 years since 1776 no investor in United States Government securities has been unable to redeem them at par with the promised interest.

When the rate of 4 per cent interest, compounded quarterly, was fixed for War Savings Stamps it was the highest rental the Government had paid for money since the Civil War.

This high rate was decided upon to coax into use the small sums lying idle in pocketbooks and cupboards. Their aggregate reached the amazing sum of more than \$1,000,000,000, and should all of the War Savings Stamps represented in that investment be held for redemption in 1923, the profit to the holders will be approximately \$200,000,000.

Buying War Savings Stamps and keeping them will cheat the "confidence men" of their \$300,000,000 yearly collection of "easy money."

THE PROHIBITION AMENDMENT CARRIED

For more than a generation the fight against the saloon in Texas has been going on. The first State-wide election on a constitutional prohibition amendment was back in 1887. The vote in that election was 129,270 for and 220,627 against. The second election was in 1911, and the vote as announced was 231,096 for and 237,393 against.

There was a general feeling throughout the State that prohibition was in this second election if there had been an honest count. Since that time the prohibitionists have repeatedly tried to have the amendment submitted again, but the liquor forces have succeeded in defeating the wishes of the majority of the people this year. The third election was held last Saturday, May 24. The returns are still incomplete, but the amendment seems to have a safe majority. There was but little interest in this election as there are no open saloons in Texas and the Federal prohibition law will go into effect in a few months. Then the State is also under statutory prohibition, though this law has not been fully tested in the courts. The adoption of this amendment to the Constitution of the State banishes the saloon from its borders whatever the courts may decide about statutory prohibition and whatever steps may be taken to delay the operation of the Federal law. We predict that there will never be an open licensed saloon in Texas again.—Texas Christian Advocate.

BLUE MILK

Bob Downey of the Abernathy Breeze has joined the tribe of "nature fakers." He says he has discovered that flies do not like the color blue. It is said that dairymen who have painted the interior of their dairy barns and milk sheds blue have little bother with flies.—Plainview News.

This probably accounts for the milk being blue. Eh?

Among the many invitations which we received to attend graduating exercises we found one from our young friend, Helen G. Guinn, of Crockett, Texas. This family formerly resided in Lubbock and Miss Helen was a student in Lubbock school for a number of years. We extend to her congratulations and best wishes.

OPTIMISM AND PESSIMISM

Grovesville, June 2.—One is supposed to be the opposite of the other. I am some times called a pessimist because I see things in their true light and so express myself. How can a man be optimistic over a matter that he knows is wrong because it don't suit the other fellow? Now for instance we will take our cotton crop for this year. We have planted twice already with \$1.50 per bushel seed and have no stand yet, and now comes a norther the first of June to freeze it and the web-worm to eat it. Now to be optimistic we must say this is for the best and every thing is lovely. If we express ourselves otherwise we are a pessimist in the worst form. I stepped into a restaurant in Lubbock and called for sausage. After a while they brought me a great big dish with two small black spots in the middle about the size of a quarter. I thought it was where they accidentally dropped some catchup and the sausage would come later. But this was all I was to get. I waited some time to commence eating because I did want to be optimistic if I could. I managed to make three small bites out of the two spots they called sausage, drank my glass of water and was handed my ticket stamped 40 cents. I walked up to the cashier, handed him the ticket, felt in my pocket for my only 50 cents, with one hand and with the other I felt my stomach. That 50 cents felt as big as a wagon wheel and my stomach, oh, where was he. Empty as a last year's bird nest. But to be optimistic I must say my stomach was full and the "two drops" was worth the money.

I bought two pairs of boy's shoes in a dry goods store in Lubbock. I paid \$10.00 for the two pair. If those shoes cost the half of that and the other goods cost in proportion that merchant had \$150,000 stock in that house. This is too much. I will bet my ears those shoes never cost over \$2.00 per pair. But to be optimistic I must say that was not too much to make on two pair of boy shoes. I bought 50 cents worth of spuds from a grocer in Lubbock. When I opened the little sack at home there was two of the biggest of the whole half dozen rotten. But this is alright or I am a pessimist. Now after studying these two terms and referring to Webster's dictionary he wrote on a bridge, I have decided that I am neither optimistic or pessimistic. But I am what I am and no more. Yours truly,

TENDERFOOT.

Steady saving keeps you on the road to prosperity and comfort. Keep your War Savings Stamps.

ALLIES REFUSE THE GERMAN DEMANDS

Paris, June 2.—The reply of the Allied and associated Governments to the German counter proposals, the Echo De Paris declares, will be handed to Count Von Brockdorff-Rantzau on Friday. It will constitute a refusal of the German proposals. The Germans, the newspaper adds, will be told they must either accept or refuse the Allies' conditions before June 25.

Paris, June 2.—Norway has refused to join in a blockade of Germany in case the German delegates refuse to sign the peace treaty.

St. Germain, June 2.—Austria was today given fifteen days to reply to the terms of peace presented by the Allied Nations.

The entire peace treaty was not presented to the Austrians today and the fifteen days' stipulation with regard to their reply, therefore, refers only to the portion of the terms handed them at today's session.

The conditions of peace of the Allied and associated Governments, with the exception of military, reparations, financial and certain boundary clauses, were handed to the Austrian plenipotentiaries. Those clauses which are not yet ready for presentation will be delivered as soon as possible, the Austrians in the meantime having the opportunity to begin work on the greater part of the treaty in an effort to facilitate final decision.

The Austrian treaty follows exactly the same outline as the German, and in many places is identical with it except for the change in name. Certain specific claims which applied only to Germany are, of course, omitted and certain new clauses included, especially as regards the new States created out of the former Austro-Hungarian Empire, and the protection of the rights of the Hungarian Empire, and the protection of the rights of the racial, religious and linguistic minorities in Austria, Czechoslovakia, Roumania and the Serbian-Croatian-Slovanian State.

E. L. NOEY HAS GONE TO CLARKSVILLE

Lubbock, Texas, June 4.—To my friends and the good people of Lubbock: I wish to state that the two and one-half years that I have been with you has been very pleasant, considering the conditions of the country, and I shall always hold the good people of Lubbock in sacred memory. While I am not moving away from Lubbock, I don't know yet, just where I will settle, but I am going to Clarksville to spend the summer with mother and father, and it may be my good fortune to be back in Lubbock in time for the fall term of school. Saying the least, I am leaving my things and my home and am not burning any bridges, and I feel like that Lubbock is destined to be the best city on the plains in a few years, and I think the best people in the world live in Lubbock. I am glad to have the honor of the friendship of such people, and while I am taking this vacation and enjoying sports among the finny tribe and the squirrels, and listening to the hum of the bees in the trees, the hounds on the deer trail and the turkeys gobbling on the mountainside, I shall not forget the good people of the Hub.

Very truly,
E. L. NOEY.

COURT UPHOLDS FEDERAL RIGHT TO RAISE RATES

Washington, June 2.—Increased telephone and telegraph rates put into effect last Jan. 21, under an order of Postmaster General Burleson were upheld by the Supreme Court. The court held that under the joint resolution by which the wire systems were taken over by the Government there was authority for interfering with intrastate rates.

The court, set aside South Dakota Supreme Court decrees enjoining the Dakota Central and three other telephone companies from increasing intrastate toll rates in compliance with the Postmaster General's order.

Federal Court decrees permanently restraining the Postmaster General from charging increased telegraph rates in Illinois were dissolved by the court.

The opinion in all of the wire cases was unanimous. Massachusetts decrees dismissing the State Public Service injunction were affirmed and original proceedings brought by Kansas were dismissed.

Washington, June 2.—Railroad freight and passenger rates increases made by the Railroad Administration last June were upheld by the Supreme Court.

North Dakota Supreme Court decrees enjoining the Northern Pacific Railroad and Director General Hines from enforcing an order of the Railroad Administration increasing rates in that State was reversed.

The court also set aside lower court decrees which held that under section 45 of the railroad control act, pre-existing intrastate rates remained in effect as lawful police regulations.

The court held that the authority conferred by the resolution and the act were war powers conferred on the President and that the power of the Federal Government "was supreme and conclusive."

The opinion was unanimous.

ROY DALTON VISITING HERE THIS WEEK

Roy Dalton is here this week from Magdalena, New Mexico. Mr. Dalton until a few years ago was a citizen of Lubbock county and is well known on the south plains. He has a ranch out west of Magdalena, about ninety miles, near the Arizona line. Despite the unusual severe winter there and snow very deep four months, cattle on his range came through in fine shape, while sheep losses were great. Very little feed was used there this winter on account of being so far from a railroad it was nearly impossible to feed as is done in this country. Mr. Dalton made the trip from there in his car and will probably remain here only a few days. He was accompanied by his family.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! It is coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or get naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without griping and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

Brighter prospects for crops than they have had for a number of years, the people of the Panhandle are anticipating great prosperity this year, according to J. N. Browder of Giles, who was in Dallas recently. "Conditions all over the Panhandle are fine," he said. "While there is a heavy growth of weeds on the range from the excessive rains, every indication goes to show that grass is assured for the stock raiser this year. Wheat in Donley County is as high as a man's shoulders, and the oat crop is doing fine. Kafir corn and maize are up, but some of it must be replanted. We have reasonable assurances of a good cotton crop this year. The Panhandle country will not suffer from the rains unless they continue into the harvesting season."

Mr. Browder mentioned that boring for oil was going on in Donley, Hall and Childress counties.—Dallas News.

LOCAL NEWS ITEMS FROM THE RALLS BANNER

A rain and hail storm in the vicinity of Cone, covering about a two-mile scope of country, did considerable damage last Friday afternoon. Most of the wheat was a complete loss, and considerable damage was done to the oat crop. The hail was something like two inches and a half deep. Luckily few row crops were up. Most of the wheat crop was insured.

We are sorry to note that S. S. Thomas, who was recently operated on at Lubbock for bodily ills, is still very feeble, not being able to leave the house, and we understand that he and Mrs. Thomas contemplate breaking up housekeeping and spending the remainder of their days with their children.

The election passed off quietly in Crosby county Saturday. Owing to the fact that the farmers are badly behind with their work, and failed to come to the polls, the country vote was light. Following is the result in the county: For prohibition 305, against 112; For woman suffrage 281, against 193; For raising governor's salary 186, against 228; For granting state aid to soldiers and others in acquiring homes 237, against 154. It will be noted that all amendments carried in the county with the exception of the one increasing the governor's salary.

No business of general public interest was disposed of at the recent session of Crosby county district court with the exception of the Graves murder case. As stated in last week's Banner, Graves was given a sentence of 25 years in the penitentiary, and it is understood that no effort will be made to appeal the case. Graves being satisfied with the result of the trial. As no extenuating circumstances developed at the trial, the sentence is very light, and no doubt Graves is of the opinion that he is getting off easy. The grand jury failed to indict young Graves and Stovall, who were present when Wrotan was killed. The grand jury was in session several days, and as a result of their work sixteen true bills were turned in, 12 misdemeanors and four felonies. The felonies are: Forgery 1; murder 1; horse theft 1; disposing of mortgaged property 1.

Sam T. Davis and family went to New Hope last Sunday and spent the day attending Children's Day exercises.

C. M. Thomas of Canyon was a visitor here the first of the week.

Just One Moment---Please

In the four months ending April 30, 1919, there was only one National bank failure in the entire country—a small bank of \$25,000.00 capital. During the three months ending March 31, 1919, (April returns not received), there were twenty-four (24) failures of banking institutions under State supervision, including banks and trust companies—an average of approximately two a week.

For the sixteen months' period from January 1, 1918, to May 1, 1919, there have been only two national bank failures in the entire country—an average of one each eight months. In the fifteen months' period from January 1, 1918, to April 1, 1919, the returns indicate failures of between fifty and sixty State banks and trust companies under State supervision. These are cold facts that are embodied in the report of the Comptroller of Currency of the United States and are given you for whatever value they may be to you.

FINE CROP PROSPECTS IN CROSBY COUNTY

Ralls Banner:

Monday morning the heavens were covered with a solid mantle of clouds, and along about eleven o'clock a slow steady rain commenced to fall—rain that did not pack, but was absorbed by the earth and will be of vast benefit to the crops that have been recently planted.

Last week we were blessed with the sunshine of "Southern Italy," and our farmers made hay while the sun shone, consequently when this rain came everyone had finished planting, and while the rain was not particularly needed, it was appreciated, and assures us that before many days the Ralls country will be decked in her Sunday-go-to-meeting clothes.

Thousands of acres of new land have been put into cultivation in the immediate vicinity of Ralls this year, and are now covered with a splendid crop of small grain. This means a largely increased volume of business for our town this fall.

The future of Ralls is, indeed, bright. That an era of unprecedented development lies just ahead of us is certain, and every citizen of the town should put his shoulder to the wheel and push. Nature has been lavish in giving us desirable surroundings and we should not be backward in doing our part. Ralls should double in population during the next twelve months, and all land that is available should be put into the hands of the farmer. Let us strive to bring about this desirable result.

Ed Green is in town this week from the Mallet ranch, transacting business.

Miss Lenora McDermott of Ralls is here this week visiting with Mr. and Mrs. P. O. Brock.

Camp Cody is noted for high winds and lots of sand to go with it, and many of the boys who were in training there couldn't understand how one could endure such a place. The same boys however, who thought this, later were sent to France and as Mr. Karr says "we were sorry that we kicked about the wind and sand, after we were in France a short time, many times we wished for them." Mr. Karr was transferred from the division that he trained with and was placed in the

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, you have a running ear, which is not perfect hearing, and what it is you cannot hear. It is the inflammation and the tube is closed, and the hearing is lost. The tube restores the normal condition. Hearing will be restored and the cause of deafness removed. Catarrhal deafness is an inflammation of the mucous membrane of the Eustachian tube. It acts through the blood in the mucous surfaces of the system.

NEWLY ENACTED LAWS TAKE EFFECT JUNE 18

Austin, Texas, June 29.—Acts of the regular session of the Thirty-Sixth Legislature passed without emergency clause and the necessary vote to take effect become effective and go into force on June 18 next, according to an opinion given today by the Attorney General's Department to Judge Ben E. Powell of the Twelfth Judicial District.

The opinion is to the effect that an act of the Legislature passed without emergency clause and the necessary two-thirds vote does not go into effect until ninety full days after the adjournment of the session, exclusive of the day of adjournment and the day upon which the act takes effect.

Judge Powell in requesting the opinion said that there is a difference of opinion among the officials of his district, some holding that these acts take effect on June 16, and others on June 17. According to the holding of the Attorney General's Department all of the officials are wrong, and that the acts go into effect on June 18. The regular session of the Thirty-Sixth Legislature adjourned on March 19.

WEST TEXAS TO BE WIDELY ADVERTISED

BONES OF A HUMAN GIANT UNEARTHED IN BAYLOR CO.

Seymour, Baylor Co., Texas, May 29.—This town is all excited over the recent discovery of the remains of what is said to be a prehistoric giant. The bones were disinterred by W. C. McKinney of Seymour on land on which the Harry Van Ness Oil Syndicate of Wichita, Kan., is drilling a 3,000-foot test well, five miles southwest of town. Geologists contend that the bones are those of a man at least ten feet in height and proportionately broad.

This find has occasioned almost as much excitement in the town as the present drilling operations in its neighborhood. The remains are now on view in the local oil exchange.

DAVIS SCOTT RETURNED FROM OVERSEAS RECENTLY

Davis Scott, well known in Gaines county was here a few days the first of the week, visiting with acquaintances. Mr. Scott has just recently returned from overseas duty with the 115th Military Police of the 40th Division. He enlisted at Albuquerque, N. M., in the first New Mexico National guard in nineteen seventeen. Later he was taken out of the Guard and placed in the 40th Division, in training at Camp Kearney, Calif., about ten months before sailing for overseas. "No like Sunny France" is the way he tells of overseas service.

Mr. and Mrs. Warren, recently of Big Spring, arrived here the first of the week, and will make their home with their son, D. A. Warren in the future.

CARRANZA SENDS ENVOY TO WASHINGTON, D. C.

Juarez, June 2.—Many residents of Juarez are sending their belongings and their families across the international bridge into American territory today, although there is no report of Villa forces near.

Colonel Escobar, commanding the garrison in Juarez, admitted today he had no communication whatever with Chihuahua City today. A military train sent out on a reconnaissance from Juarez yesterday returned after having gone no further than Samalayuca, twenty miles south of Juarez.

Fall of Chihuahua Taken as Confirmed.

El Paso, June 2.—That Consul General Garcia representing the Mexican Government at El Paso, left hurriedly for Mexico City in pursuance of orders wired him from President Carranza immediately following the report today that Chihuahua City had fallen, is taken by Carranza and Villa officials here as proof that the situation at Torreon, Jimenez and Chihuahua City is critical.

Yaqui Indians Join Villa Tonichi Column.

Douglas, Ariz., June 2.—It is unofficially announced at Auga Preita, across the border from Douglas, that the Yaqui Indians have joined the Villa column which recently left Tonichi and attacked and raided several villages east and south of Guaymas.

Reports are meager, but it is reported that many families are leaving for points of safety near the border as a result of yesterday's depredations on the part of the Yaquis.

Carranza Envoy Hurries to Capital

Laredo, Texas, June 2.—Candido Aguilar, Mexican Minister of Foreign Relations, will arrive here tonight, according to information received at the Mexican consulate here. He is to leave for the North tomorrow. It was rumored that he was en route to Washington on a special mission for the Carranza Government, but this could not be confirmed at the consulate.

BASE BALL WILL BE FEATURE HERE FRIDAY

A challenge which was sent here by the baseball boys of Littlefield, has been accepted by the Lubbock Athletic Club. The game will be played on Lubbock grounds, Friday afternoon about four o'clock. It is expected to be a good game and many will no doubt be out to witness it. The local club claims to have some good players. And from the challenge received here from Littlefield, the boys there evidently feel like they will have some show here.

Miss Mary Lyons returned Monday morning from Fort Worth where she has been attending school there. Miss Mary graduated from that place this year.

W. D. Winn and wife were here the first of the week, transacting business and visiting with friends. Mr. Winn is an old timer on the plains, having lived in Terry county about twenty years.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Frezzone costs but a few cents at any drug store. Apply a few drops on the corn, calluses and "hard skin" on bottom of feet, then lift them off. When Frezzone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

JUDGE BLEDSOE RECEIVES NICE GIFT FROM FRIENDS

Judge W. H. Bledsoe, who is representative in the Legislature from this district is the proud possessor of one of the finest, if not the very finest colts pistols that the Colts factory ever produced. It is a gift from the Texas Ranger force and was sent by Senior Captain, W. M. Honson, as a token of appreciation for Mr. Bledsoe's splendid work in framing the recently enacted ranger bill in the legislature.

This splendid firearm was on display in the show window of Henderson & Jones for a few hours Tuesday afternoon, and was seen by a large number of people. It is a colts .45 single action, gold mounted, pearl handle. On the right side of the handle is engraved a Hereford bull's head. The eyes are of ruby, horns gold tipped. On the other side of the handle is the seal of Texas and state of god's of Justice.

It is a gift that the Judge highly appreciates, and is very proud of it.

LINDSEY THEATRE RE-OPENS FOR BUSINESS

The Avalanche extends thanks to Mr. F. D. Stockbridge, manager of the Lubbock Creamery and Bottling Works for a case of assorted soda water, Cocoa Cola, etc. The force has enjoyed the treat very much.

Mr. and Mrs. J. M. Slagle are rejoicing over the return of their last soldier boy, who arrived this week. Four were mustered in and three served overseas, but they all got back home safe and sound.

Miss Jane Mann of Lubbock has been the guest of Plainview friends the past week, and several parties have been given in her honor. Plainview News.

Under Four Flags on Texas Soil

Hampton Steele and Great Grandson, Walter A. West

Mr. Hampton Steele, who is visiting in our city has a most interesting family history, and his career has been one of unusual interest and fraught with many thrilling events. We find from talking with Mr. Steele, who is hale and hearty, and though in his eightieth year, would pass as a man in sixty, was born in 1839 under the Republic of Texas and has lived under four flags and did not move out of the State of Texas to do it. He was born in Montgomery County, Texas, then known as the Robertson Colony. In 1844 his father moved to that portion of Texas that is now Limestone County, and at that time only thirteen families constituted the population of that settlement, which was fifty miles from Old Franklin which was the nearest mill, and his father took corn there to have made into meal for bread. Mr. Steele was raised in this county, attended the first school in that settlement, which was a subscription school, and lasted only eight or ten weeks. He was married on the second day of December, 1858. He raised seventeen children, fourteen of whom are still living. He has fifty-four grand children and thirty-five great grand-children. His children living are as follows: Mrs. Claude Green and Miss Ethel Steele of this city; John D., H. A., P. P., Bernard, Mrs. Bessie Chisum, Mrs. Lease Hayworth, all of Altus, Okla., Mrs. Allie Sparks, Mrs. Beulah Locke, Mrs. Gertrude Rodgers, Tom Steele, Alvin Steele, all of Limestone County, and L. C. Steele, of Erath County. The children are all married and have families except Miss Ethel of this city.

Mr. Steele says he cast his first ballot in 1860. He enlisted in the Confederate service in 1862, in Sweet's regiment, 15th Texas, at Springfield, Limestone County, and was afterwards discharged from this regiment and re-enlisted in April, 1864, in Ford's command and served on the Rio Grande River, stationed at Brownsville and was on detailed service when the news came to cease hostilities, and was soon discharged. Mr. Steele also had two brothers in the Confederate army and both saw real service and were wounded. Mr. Steele did not get into the fight and

came out without a scratch. Mr. Steele and one brother, who resides near Mexia are the only two living in that county of the original fourteen families who located there, and he says he knows of only five of that bunch who are now living—his brother, who now resides near Lovington, N. M., one lady in Graham and another in Lampasas county.

When Mr. Steele arrived here two weeks ago he found that his great grandson, Walter A. West, had arrived in Lubbock just a few weeks previous, from Camp Bowie, where he had been honorably discharged from service in France. Young West was among the first who enlisted for service and was placed in training at El Paso, later sent to Camp Bowie and after about twelve months training was sent overseas with the 167th Infantry of the famous Rainbow Division and participated in some of the biggest battles of the European war, taking active part in the famous drive in September on the Argonne front and was also in the battles of St. Mihiel, Verdun, and Meuse. He brought back a splendid record and a load of souvenirs. Mr. West is a grandson of Mr. Steele's first child who died in 1887. He is a son of Mrs. Ida West now living in Terry County near Gomez.

Mr. Steele is the oldest son of Alfonso Steele, who died July 8th, 1911 at the age of 94 years and three months. Up to the time of his death he was the only survivor of the battle of San Jacinto, and Mr. Steele has in his possession a solid gold medal presented to his father by the Thirty-first Legislature, February 10th, 1909, as one of two survivors of the battle of San Jacinto at that time.

WILLIAM G. RUSSELL CONVICTED SECOND TIME

Wm. Russell stood a second trial on a charge of murder last week in El Paso, and was found guilty and his punishment assessed at ten years imprisonment. Notice for new trial was promptly filed, and if this fails an appeal will be taken. Judge Bledsoe attorney for the defense is confident of a reversal of the case.

HEALTH

Erysipelas

Erysipelas is an acute infectious disease, the most prominent symptom of which is a spreading inflammation of the skin caused by the presence of a specific germ, a species of streptococcus. The germ usually gains admittance through a wound in the skin, such as a scratch, a cut, an ulcer or an operation wound, although many times the wound is so slight as to escape notice. In some cases, although there is no abrasion of the skin the infectious agent enters the body through the hair follicles, the tonsils, the nose, or an ulcerated tooth, as happens in certain other acute diseases of this class.

When the disease occurs without any evidence of a wound, the inflammation usually affects the skin of the face. The greatest number of cases of facial erysipelas occur in adults from twenty-five to fifty years of age; young infants also are frequently the victims of this form of the disease. Erysipelas, especially facial erysipelas, prevails in the late-winter and early spring, when the cold, damp and changeable weather of that season lowers our resistance to infection.

The disease begins with a chill, and that is quickly followed by high fever, loss of appetite, headache, lassitude, and often by nausea and vomiting. Within a few hours the inflammation of the skin appears; it shows itself at the site of the wound or, in facial erysipelas, on the side of the nose near the eye, and it spreads thence rapidly to the cheek and sometimes to the eyelids. In some cases the inflammation is limited to one side of the face, but quite as frequently it involves both cheeks, and often it spreads up over the forehead

and backward over the ears to the nape of the neck. The skin is hot, red and swollen; the edges of the affected parts are raised and painful to the touch; and sometimes blisters form over the inflamed skin. In the facial form erysipelas lasts about a week, but when it takes its origin from a wound it usually lasts longer.
