AMERICAN CAVALRY AFTER BANDITS

PURSUED THEM FAR INTO INTERIOR OF MEXICO AND CAPTURE NUMBER BELIEVED TO BE IMPLICATED

EARLY SETTLEMENT WITH RAILROAD MEN EXPECTED

Director Hines Discusses Problems Concerning the Demands of the Railroad Men With President Wilson and It Is Expected Satisfactory Adjustments Will be Made Soon.

The capturing of two United States aviators by Mexican bandits and the holding of them for a ransom of \$15,000 has brought on more serious trouble with the Mexican government if something is not done to protect American subjects in that country, and that quickly.

The ransom was made up by prominent border ranchmen and sent to the place requested that the release of the aviators might be obtained without harmful results to them, but United States Cavalrymen were at once set in pursuit of the bandits and the following from the Associated Press wires report today that Captain Leonard Matlock of the Eighth Cavalry has captured two Mexicans believed to have been implicated in the capture of Peterson and Davis. This information was brought to the border by an American cavalry sergeant and a guard of enlisted men who returned to the Rio Grande.

After securing the release of Lieutenant Peterson Monday night, Captain Leonard Matlock escaped with Lieutenant Davis without paying the

remainder of the ransom, amounting to \$6,500. Captain Matlock returned the money to H. M. Fennell, the Marfa banker, who brought the ransom here.

According to newspaper reports the United States wants the total amount of the ransom delivered to the bandits, whose trail is being pursued in Mexico by American cavalry.

Early Settlement with R. R. Men Is Expected.

Early action to settle unrest in the ranks of railroad employes who have demanded new wage increases is forecast.

After a lengthy conference with the representatives of the six shop crafts, Director General Hines went to the White House to discuss with President Wilson the problems facing the administration.

Mr. Hines promised the shopmen's leaders that he would give careful consideration to all the facts presented and would endeavor to reach a final decision in the near future, indicating that he will order into effect any changes in the wage scale without referring the demands to a board of investigation.

CROSBYTON PRISONER HUNG HIMSELF SUNDAY NIGHT

Wilkie C. Gotts, charged with the crime of committing assault upon the person of Miss Onie Hughes, daughter of Mr. and Mrs. W. T. Hughes, of the Cone community, Saturday evening, August 2, and held in the Crosbyton jail, awaiting the opening of the Special Session of District Court, to hear the evidence, hung himself in the jail sometime during Sunday night, by using his belt and bed sheet tied to part of the jail fixtures.

Much excitement has prevailed over the Cone community since the committing of the crime, and the prisoner was brought to Lubbock County jail last week and held until Sunday, when Sheriff Mitchell, of Crosbyton came after him and placed him in the Crosbyton jail to remain over Sunday night.

On account of the excitement over the country, a special session of District Court was called by District Judge W. R. Spencer, and was to have opened Monday morning of this week. This special session has, possibly, the first special session called in the history of the 72nd Judicial District.

Prosecuting Attorneys Gordon B. McGuire and W. H. Bledsoe, and Judge Spencer, were enroute to Crosbyton Monday morning and had gotten a few miles out of the city, when they were overtaken and told the news of the prisoner hanging himself.

The Crosbyton sheriff lives about one-half mile from the jail building and the body of the prisoner was not found until about eight o'clock Monday morning, or rather, when Sheriff Mitchell sent word to a party to carry breakfast to him.

TWO FORMER LOCAL BOYS HELD AT DALLAS FOR THEFT

Clyde Anderson and Fred Carrigan, two young men, who until a few weeks ago were working in this city, are now held in custody in the Dallas jail, charged with theft.

Anderson, while here, was employed by Martin's Bakery, in the fountain department. Carrigan, we understand, worked for a local tailor shop. About the 7th of this month, the boys left for Dallas, and about the same time, a .38 automatic pistol, several pairs of underwear, some shoes and etc., was missed by the Furnishing Store of L. E. Hunt of this city, who reported the loss to local officers. In turn, Marshal Mitchell, wired the captain of the secret service about the boys, and soon afterward a wire was received by Mr. Mitchell from the captain, stating that the boys were detained in the Dallas jail, awaiting for his disposition. He also stated that he had found the lost goods in the possession of the young men.

In response to the message received, Marshal Mitchell left Tuesday morning for that place, to make disposition of the men. Mr. Mitchell will be gone about three days, we understand.

JEWELL AND ROY POTTS RETURN FROM FRANCE

Jewell and Roy Potts arrived in Lubbock Sunday morning from France, where they were in service for several months, though they did not get into any of the big battles. Their parents, Mr. and Mrs. J. B. Potts were expecting Jewell, but were very much surprised when both of them came in the same day. The strange thing about it, neither of the boys knew where the other one was. One was discharged in Virginia and came in on the morning train from the South while the other received his discharge in Arkansas and arrived on the noon train from the North. They had not met but one time since they enlisted in the army, and that was in France. After that they were separated and knew nothing of the whereabouts of the other till they met in Lubbock Sunday.

LUBBOCK COUNTY WILL EXHIBIT IN NORTHERN CITIES

The local Chamber of Commerce recently received an invitation from Porter Whaley, manager of the West Texas Chamber of Commerce, to prepare and send to the following places, an exhibit to be placed in the State Fairs of the different States.

State Fair of Indiana, at Indianapolis, State Fair of Kentucky to be held at Louisville, and also at the State Fair of Tennessee, which will be held at Nashville.

This invitation has been accepted by the local Chamber, who will prepare them. The exhibit will also be placed in view at the Soil Products Exhibition which will be held at Kansas City.

ONE MONTH'S PREMIUM RE-INSTATES WAR INSURANCE

Mr. Noone, cashier of the Farmers National Bank of this city, has recently received application blanks and literature pertaining to the reinstatement of the War Risk Insurance, which many of the boys have let lapse by carelessness, and etc., since they were discharged from the army. It is now a plan of the Government to re-instate this lapsed insurance, by receiving from the insured only one month's premium in advance, with the regular monthly premium. Their plan can be better understood in this matter by reading the following, which was taken from a part of the literature sent to Mr. Noone:

"In every case where reinstatement, in whole or in part, of lapsed or cancelled insurance is desired, the insured shall file with the bureau of War Risk Insurance a signed application therefor, and make tender of the premium for one month (the grace period) on the amount of insurance to be reinstated, and also of the amount of at least one month's premium on the reinstated insurance. In cases where the insured desires to convert his lapsed term insurance he shall make tender of the premium for one month (the grace period) on the amount of term insurance to be reinstated and converted, and also of the first premium on the converted insurance.

1.57 INCHES RAIN FALLS OVER SOUTH PLAINS TUESDAY

The official register at the Agricultural Experimental farm of this county, shows that Tuesday night of this week a rain of 1.57 inches fell over this county. The faces, or rather countenances of farmers over the different sections of the county show that the rain was general; that grain which is now in the bloom and cotton would be benefitted to an amount hardly estimable in dollars and cents.

The rain came in time to assure farmers of this country in gathering a great harvest; fully developed grain will also result from this latter rain. Grass will now have time to make another growth and give plentiful time for maturing before frost.

Word received from men, returning from the north, south and west report rain as far as Amarillo, north, Clovis west and Brownfield and Sweetwater, south. The rain was reported to have been heaviest in the Brownfield territory. Some reporting about three inches. The rain was reported to have fallen lightly at Crosbyton and this side for a short distance. Although they had a nice shower.

WICHITA-SLATON OIL CO. SELLS 2-ACRE LEASE

A deal was made recently which resulted in several men of this city being boosted financially. The Wichita-Slaton Oil Company, which was organized some time ago, by local men of Slaton, and also a few of this city, sold to the Texas Oil and Refining Co., their two-acre lease in the Northwest, Bark-twoer pool, for consideration of about \$450,000. This Company was only capitalized at \$75,000, and yet have valuable leases in the Breckenridge territory. Thus stockholders of the company should receive about \$6 for every dollar invested.

FORMER LUBBOCK YOUNG PEOPLE WED. AUGUST 20

A number of Lubbock people have received during the past week invitations to be present at the marriage of Mr. Leslie Faw and Miss Noma Elliott, at the home of Rev. and Mrs. J. L. Elliott, her parents, at Olney, Texas, August 20th. Rev. and Mrs. Elliott resided in Lubbock a number of years while he was pastor of the Cumberland church at this place and Miss Noma and Mr. Faw are both known well by a large number of people here. They will make their home in Caddo, Texas.

BRADLEY BOUGHT THE WOLFFARTH BUILDING

J. M. Bradley has just closed a deal for the George C. Wolffarth brick building adjoining the Bradley Auto Sales Company building on the west. Consideration \$14,000. Mr. Bradley bought this building for his own use and is now occupying same with his auto business.

Mr. Bradley has been successful in business since locating in Lubbock, and has been fortunate in picking up some real bargains in real estate, one of which is this deal. This property is well located and a big bargain at the price.

AN ENTHUSIASTIC PAVING MEETING

CITY COMMISSIONERS AND DIRECTORS OF CHAMBER OF COMMERCE MEET WITH EXPERT ENGINEERS

PAVING, PLANS AND MATERIALS WERE DISCUSSED

Another Meeting is Called for Tuesday Night, August 26, to Go Further Into the Details of This Very Important Matter.

An enthusiastic meeting Tuesday evening of the City Council and officials of the Chamber of Commerce was held for the purpose of investigating figures, estimates and plans offered for the paving of fifty blocks in this city, compiled and offered for their consideration by David Drennan, vice president and general manager of the Ellrod Engineering Co., of Dallas, who was present at the meeting.

The purpose of the meeting was mostly for the benefit of the city council and members of the Chamber of Commerce, as to the feasibility of submitting to the people an election for the issuance of bonds, and making an acquaintance with engineering companies. The fact that the figures, and plans offered by Mr. Drennan, caused much enthusiasm among the members present, is evident because a special meeting was ordered to be held at the Chamber of Commerce office in the Court House, Aug. 26, or Tuesday evening of next week.

The petitions which have been circulated by members of the Chamber of Commerce, testing the opinion of the citizens, property owners and others interested, was incomplete at the meeting Tuesday evening. This necessitates further investigation by the city council, as the officials of the Chamber of Commerce promised to have the petition complete, ready to be submitted to the council, a special meeting was ordered for next Tuesday evening. At this meeting representatives of different engineering companies, will be present to again submit estimates and plans. The Council having made the acquaintances of R. G. Caraway, president of the R. G. Caraway, Engineering Company, also of Dallas. It is now assured that two of these companies will have their men present.

It is now very evident we find, from conversing with members of the city council, that after a successful meeting next Tuesday evening, that a special election will be called by the Council to submit to the people their vote upon the issuance of bonds. This of course would take at least sixty days, from the time called until the election would be held, as we understand from investigation. That the special election is assured of being held, is also evident because it is now the opinion of the Council that the contract for the paving will be let, to some Engineering Company at the meeting next Tuesday evening, of course with the understanding that the election is favorable. Which the City Council and Chamber of Commerce is fully assured will, be as evidenced by the unanimous signing of the circulated petition.

We were unable to find out the figures that were estimated by the Engineers and given to the Council, but the fact that they are in the best of mood regarding the proposition, establishes in our minds an opinion that the cost will be entirely satisfactory.

Bitulithic, asphalt, concrete and brick, are the materials which have been suggested by the Engineers with whom they have talked. At the present time the material to be used in fixing our streets has not been decided upon. We believe that the best opinion so far has been made for bitulithic, while some suggest that brick would be the best, others asphalt and concrete. This, also will be definitely decided upon at the special meeting next Tuesday evening.

O boy, won't it be a g-r-a-n-d and g-l-o-r-i-o-u-s feeling to ride over smooth, clean streets in Lubbock!

JNO. R. MCGEE IS APPOINTED FOOD ADMINISTRATOR

In accord with the nation-wide campaign now being carried on to rid the country of profiteers, Lubbock County this week commences its preparations. A request received this week from Federal Food Administrator for Texas, E. A. Peden, that county attorney, Jno. R. McGee, again accept the position of county Food Administrator, which place he held during the war period and released January the 1st, this year.

The first official act of Mr. McGee, will be the immediate appointment of a Fair Price Committee. This committee will be an extra legal body without power to summon witnesses or fix prices. It is requested, however, to ascertain the cost prices, determine a fair margin of profit, and if retailers are in excess of what the committee regards a fair price to have published its list of fair prices, reporting to Federal Administrator for review.

The Fair Price Committees have an additional function to that exercised during the war, in that they also provide for analysis and interpretation of prices on boots, shoes, and clothing, or the necessities of life. The committee will compose of the following:

One retailer of groceries, one retailer of dry goods, one representative of organized labor, one representative of the housewives, two or three from the general public and one wholesaler. The chairman of the committee will be selected from the personnel. It will also be the duty of the County Food Administrator to sit with the committee as an official of the Federal Food Administration.

CLEBURNE MAN BUYS A. H. CLARK'S CANDY BUSINESS

H. H. Meador, of Cleburne, Texas, has recently purchased the business of the A. H. Clark's Candy Company of this place. We understand that Mr. Meador will move to Lubbock in the near future to make his permanent home, and establish a wholesale candy business in this territory. He was employed at Cleburne with the K. & M. Candy Co.

REVIVAL NOW IN PROGRESS AT METHODIST CHURCH

Rev. G. A. Klein, of Memphis, Tenn., arrived last Saturday morning, accompanied by his singer, Mr. Beckman, and the first service of the revival began at eleven o'clock Sunday morning.

Evangelist Klein is a forceful gospel preacher, and is delivering some strong addresses, to large and attentive congregations. His manner of address is peculiar to himself and the general public is becoming more and more interested as the services progress, and the indications at this time is favorable for a sweeping revival in Lubbock, such as has not been seen for years.

Each service is preceded by a splendid song service by a large choir composed of members of the several church choirs of the city, under the leadership of Mr. Beckman. He is also training a junior choir which is lending strong assistance in the musical program.

The services are being held in the Methodist church, which has been well ventilated and provided with electric fans which makes the large building comfortable.

An urgent invitation is extended to all to attend. This large building has a great seating capacity and will hold many more people than have been attending. Fill the building at each service, and lend every assistance possible to make the revival a great success.

THE ADEHOLTS GIN IS BEING MOVED TO SLATON

The old Adeholts gin, which has been closed down for several years has been purchased by Slaton people and the building and plant is being moved to Slaton, where it will be put in running order for the coming cotton season.

CUMBERLAND PASTOR HOLDING MEETING AT PARK SPRING

Rev. A. A. Collins, pastor of the Cumberland Presbyterian church left last Monday for Park Springs, where he is holding a revival meeting. He will likely be away the balance of this week.

WANT POST FOR LEGION OF WAR VETERANS HERE

Recently we have conversed with several of the boys, who were in the army, during some of the hardest times; when they did without water and food for several days and waded in the mud in France. These boys are now wondering if some plan could not be adopted in Lubbock that they could gather and talk of old times. The hardships they underwent in France is not such a serious matter to them now and they long again to gather and talk of their experiences. Everywhere in places of less importance than our city, a Post was established for the War Veterans. The boys would meet as a social event.

We are sure Lubbock county would back the boys and help in making of their success of the Post. Mr. Noone at the Farmers National Bank of this city, formerly a captain in the army and T. E. Lokey, formerly a Lieutenant in service, are both anxious for the Post and express themselves as being willing to help in any way reasonable to secure the Post for Lubbock.

ATTENDING RE-UNION OF HEDGECOKE'S AT CANYON

Mr. and Mrs. Ben Hendricks and family of Junction, Messrs. Oscar and Otis Shearer and their sister, Miss Faun Shearer, of Mason, arrived here last Sunday and stopped over at the home of Rev. J. B. Cole, Monday morning they were accompanied to Canyon where they will attend the reunion of the Hedgecoke family to be held there this week, by Rev. J. B. Cole and wife, Mr. and Mrs. E. R. Haynes and their son, R. B. Haynes, editor of the Lynn County News, of Tahoka, and his daughter Jaunita. The trip, was made to Canyon in cars and they will probably return here today or tomorrow.

LUBBOCK SHOW WINDOWS ARE SHOWING SKILL

This week, particularly, we notice a great improvement on the already good show-window displays in our city. This adds a great improvement to general looks of the city and we wish to congratulate the parties who are taking the pains to prepare these displays. One window we want to speak of, is the City Drug Store, which is showing, not only good advertisements for their business, but a distinct touch of the artist.

TWO PEACHES WEIGHT POUND AND TWO OUNCES

T. P. Gibson brought us a fine treat of canteloupes Monday and also brought two very fine peaches, grown in his orchard in his place half a mile south of the town section. These two peaches weighed one pound and two ounces. He said it was from a seedling tree, and the peach has a very delicious flavor.

EDITOR TOOK COUNTRY DRIVE WEDNESDAY LAST

The Avalanche editor accepted a seat in Commissioner P. von Rosenberg's Super-Six last Wednesday in company with Judge J. H. Moore, L. O. Burford, H. N. Talley and M. E. Merrill, for a drive to Woodrow school house, and a look over a proposed new road that is to be opened up from Slide to Woodrow. We stopped first at the splendid farm home of J. V. McCarty, where we enjoyed a fine matmelon and invited him to accompany us over the proposed road, which he did. We passed on through lanes and down section lines passing many acres of fine crops, till we reached Slide. In that section of the county crops have suffered some for rain especially the late feed crop, and the range conditions are not altogether ideal.

The proposed road will furnish an outlet to quite a number of farmers who are at this time compelled to either drive a long way out of the way or else through farms and drop gaps, which are not satisfactory to those who have to go through them or the fellow that owns the farm or fences.

REV. ROSS HAS HELD SUCCESSFUL REVIVALS

Rev. D. C. Ross, preacher in charge of the west Lubbock Mission, says he has held revival meetings at Joe Stokes, Lynn, and Pride and in the three meetings has had thirty-five professions and thirty additions to the Methodist church. He gave us the following schedule of date that he will hold revivals during August and September.

Grovesville begins Friday night of this week; Woodrow the Fifth Sunday in August, Carlisle first Sunday in September. Rev. Townsend, of Wilson, will assist in the meeting at Carlisle.

PROTRACTED MEETING TO BEGIN AT IDALOU

Rev. C. E. Lynn authorizes us to announce that the protracted meeting at Idalou will begin on the fourth Sunday in this month, in a tabernacle. Rev. A. D. Hendricks, pastor at Lamessa, will do the preaching and A. Lynn, of Dallas will conduct the singing. The public is cordially invited to attend.

J. A. WILSON HERE FROM BRECKENRIDGE THIS WEEK

J. A. Wilson is here this week visiting his family and looking after business matters. Mr. Wilson says it is dry and hot in the Breckenridge country and much of the wheat crop is wasting in the fields on account of scarcity of labor.

The vacancy made in the fire department of this city, by the resignation of Mark Long, truck driver, is now being filled by Jack Tubbs.

LITTLEFIELD CHRISTIAN ENDEAVORS ENJOY PICNIC

The Littlefield Christian Endeavors had a moonlight picnic out at Bull Dam last Tuesday night. Everybody who had ways took those who did not have a car. About seventy-five Endeavors and their parents met at the church at 5:30 and motored out to the Dam which is nine miles from town.

Everyone who wished to enjoyed a good swim till dark when "chuck" was called and then as the moon was coming up we all did justice to the splendid supper which the girls had prepared.

Messrs. Hamilton, Matthews and Green furnished some splendid music on their guitars and mandolins which was greatly enjoyed by all.

Games were played till about 10:30 when we started on the homeward journey very happy and wishing we could have picnics quite often.

Mrs. O. G. Kelly, of Lamesa, who has been in a local sanitarium a few days, was able to return home the first of the week.

Hale County Commissioners have set the tax in the county at 60c, which is an increase over previous years.

NEWS SQUIBBS GATHERED FROM CANYON VICINITY

Canyon, Aug. 18.—The light shower that came Friday night was very much appreciated, it will help the grain and cotton. Some of the cane will soon be ripe enough to cut.

Mr. T. Crim attended the meeting of the farmers at the court house Saturday afternoon.

Mr. J. P. Webb has sold his farm to Mr. Otis Taylor. We have not yet learned where Mr. Webb will move to. His many friends regret very much to give this good family up. He was the leader in our social center and Sunday School and the community will miss him very much, but we wish them all kinds of success wherever they go. Mr. Taylor has been a citizen of the community for several years.

Mrs. T. Crim and girls spent Wednesday afternoon with Mrs. Jot Flincher and family.

SILVERTON MAN ENDS LIFE IN PUÉBLO, COLO.

Tom Trammell, a prominent stockman of Briscoe county, was buried at Silverton Wednesday afternoon. Trammell, it is alleged, took his own life in a prominent hotel in Pueblo, Colo., Sunday morning. His head was blown asunder by a bullet from a revolver. The shot was fired while he was at a table in the dining room.

Mr. Trammell leaves a wife and a four-year-old daughter. Interment was under the auspices of the Woodmen of the World Lodge.

Mr. Trammell was one of the Trammell brothers, who have engaged in the livestock business successfully on the Plains for a number of years, and has a wide acquaintance in this section. He was well known in livestock circles.—Plainview Herald.

Mrs. Grover Lewis of Amarillo, passed through here Tuesday morning enroute to Brownfield, to spend a few weeks visiting with her parents.

Carder Collins, son of Rev. A. A. Collins, who has been down in the oil fields for several weeks, returned home Monday.

Mrs. L. B. Culwell and Mrs. Edgar Allen of Crosbyton, were here Tuesday shopping and visiting with acquaintances.

Miss Maggie Anthony, daughter of S. P. Anthony, of Southland, is in a local sanitarium this week.

J. C. Burkett, of Plainview, was a business visitor here the first of this week.

A Coated Tongue? What it Means

A bad breath, coated tongue, bad taste in the mouth, languor and debility, are usually signs that the liver is out of order. PROF. HEMMETT says: "The liver is an organ of importance only to the heart."

We can manufacture poisons within our own bodies which are as deadly as a snake's venom.

The liver acts as a guard over our well-being, sifting out the cinders and ashes from the general circulation.

A blockage in the intestines piles a heavy burden upon the liver. If the intestines are choked or clogged up, the circulation of the blood becomes poisoned and the system becomes loaded with toxic waste, and we suffer from headache, yellow-coated tongue, bad taste in mouth, nausea, or gas, acid dyspepsia, languor, debility, yellow skin or eyes. At such times one should take castor oil or a pleasant laxative. Such a one is made of May-apple, leaves of aloe and jalap, put into ready-to-use form by Doctor Pierce, nearly fifty years ago, and sold for 25 cents by all druggists as Dr. Pierce's Pleasant Pellets.

LOCAL NEWS FROM THE LYNN COUNTY NEWS

Mrs. W. D. Nevels, of the west part of the county, had the misfortune to break her left arm here Saturday. Mrs. Nevels was alighting from a standing automobile and in some manner fell to the ground with above result. She suffered quite a good deal from the break, but at this writing the wounded member is healing rapidly. The family returned to the ranch Monday.

Rev. L. L. F. Parker came in from O'Donnell Tuesday morning. Bro. Parker had been engaged in a protracted meeting, but was taken ill Monday and was forced to return home. He will start a revival meeting in the Three Lakes neighborhood the latter part of this week.

Rev. W. E. Lyons, Presiding Elder of the M. E. church, residing at Lubbock, was in Tahoka Sunday, accompanied by Rev. Carmack, pastor of the Post City mission, attending the revival meeting.

T. R. Cathcart, a prosperous farmer residing southwest of Tahoka, brought to town this week a stalk of corn measuring from tip to tip 16 feet. This stalk was left at the First National Bank, and had to be trimmed off in order to stand it up within the bank building. Mr. Cathcart stated that he had many more on his place that were equally as long, which only goes to show that Lynn county is raising some feed this year.

The household goods of E. C. Connally, of Lubbock, arrived this week and the family are residing in the Ed Henderson residence formerly occupied by Mr. and Mrs. B. F. Maxey, who are moving to Lubbock.

The meeting at the Methodist Church is still in progress and the interest has been deepening all the time. Eighteen have presented themselves for membership in the church, up to Wednesday morning.

Sheriff Bruce, W. Mitchell, of Crosby County, brought W. C. Gott to Lubbock County's jail the latter part of last week. Gott is held for a serious crime committed in that county recently.

Mrs. W. C. Mathis and children passed through here Monday morning enroute to their home in Brownfield after spending a few days in Lorenzo visiting with relatives.

"We Will Make Right That Which is Not Right."

This is Certain-teed Week August 18 to 23

This is a "big" week the country over—a week especially set apart by Certain-teed dealers to assist you in properly starting your new home and in setting your present house in order for the fall and winter.

Every home and building needs Certain-teed extra quality roofing or paint; possibly the interior wood-

work needs touching up a bit, or the floors need a coat of wax or varnish.

You will find it to your advantage to visit your Certain-teed dealer this week and learn from him how you can carry out your plans at the least expense and with the best results.

Your Certain-teed dealer will advise you in making the selection which will best fit your need.

And whenever you have painting or roofing work done, make sure to specify Certain-teed. You will then be assured of the best and most lasting results.

LOCAL ITEMS FROM THE LAMESA REPORTER

The Methodist-Presbyterian meeting is drawing large crowds. Go over and do all the good you can and a little harm. There are lots of good christians in the world and if you are one of them you can do a great deal of good, but if you are a hypocrite you will do the cause lots of good by keeping out of sight and saying as little as possible.

Tandy Key was called the past week to San Angelo, to assist in settling up the estate of his father who lately died at that place. This will explain why the board of equalization did not meet. Later a date will be set for this purpose.

On last Thursday J. R. Earnest, a good and true man living in the 5-mile community passed to his reward. Mr. Earnest has been for some time a sufferer from the white plague. He fought bravely for life but the dreaded disease conquered. He leaves 7 children whose mother departed this life about 2 years ago and they are doubly orphaned. The Masonic lodge of Lamesa of which he was once a member, buried him after a regular service at 5 mile by Bro. Webb on Friday at 12 m., August 8.

NEWS ITEMS FROM THE RALLS BANNER

Gus Jones happened to the misfortune of breaking his shoulder on Friday afternoon of last week. He was driving some stock to the pasture, when the horse he was riding fell, and the above resulted.

Noel Estes was taken to a Lubbock sanitarium this week, where he was operated on for appendicitis. He was accompanied by P. B. Ralls. We understand he is getting along nicely.

Dean H. E. Kirkpatrick, of the Abilene Christian College, arrived in town this week, and commenced a series of meetings at the Christian Church Tuesday night. He is said to be an able and consecrated minister, and the services will no doubt be of unusual interest. Take time to go out and hear him; we feel sure you will be entertained and instructed.

Alec Ashley and two sons have gone to Fort Bend county for the purpose of making preparations to move back to Crosby county. Mr. Ashley having recently purchased his old home place, near Lorenzo, from Travis Bros, to whom he sold it some time ago. During the dry spell Mr. Ashley became discouraged and moved to Fort Bend county. He found an excess of moisture there which he considered a greater disadvantage than a little dry weather, so he, like everyone else who leaves the plains, is coming back.

Up to the first of the week W. L. Hendrick tells us that he had shipped 26 cars of wheat from Ralls, and owing to car shortage at this time the elevator is full, and the territory around it is crowded with wagons loaded with wheat.

The Baptist revival meeting came to a close Tuesday night. The meeting was very successful. There were many conversions, and 27 members were added to the church, eleven being baptised on Tuesday. Members of the church were imbued with new spiritual strength, and no doubt the

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

A TRACTOR DEMONSTRATION FOR THE COUNTY FAIR

The Chamber of Commerce is now making arrangements for a tractor demonstration, to be held during the Fair, September 18th, 19th, and 20th. A number of tractor companies have already signified their willingness to enter such a demonstration, and the event should prove of great interest to the farmers of Lubbock and surrounding counties.

It will be necessary to secure a clear, level tract of land, free from grubs, which contains twenty or more acres, and is accessible for the people who attend the fair, on which to hold the demonstration. Anyone who owns such a tract, or knows where it can be secured, will confer a great favor by advising the Chamber of Commerce.

The land should not be more than two miles from the square. Each entrant will be required to finish the land he takes, therefore there will be no unbroken areas left.

L. B. White, son of Frank E. White, of Crosbyton, passed through here today, enroute home after spending a few days in south and central Texas, visiting with acquaintances. Mr. White's father founded the Crosbyton Review, a newspaper of that place, and edited that sheet for several years, or until three or four years ago, when he sold out and went into the farming business near Crosbyton.

Percy Spencer returned home Wednesday morning from Clovis, where he went on a short business visit. Mr. Spencer reports the rain which fell Tuesday night, to have extended as far as Clovis, west.

John P. Lewis was in Abernathy one or two days the middle of this week, attending to business interests and visiting his sister near that place.

T. B. Duggan made a business trip to Terry county the first of this week.

LABOR TROUBLE CHANGES ASPECT—EMBARGOES OFF

Since last week, the embargoes which were sent out from many railroads have been cancelled, and the Labor trouble, which was reported to have been the reason of the embargoes, has about subsided, or rather has taken a different aspect.

W. C. Jennings, of Bridgeport, is here this week visiting with home-folks, and attending to business matters. Mr. Jennings will make a trip to northern cities in a few days and will be gone about one month.

J. M. Henley, of San Antonio, arrived here the first of this week to accept a position with Smith's Candy Land and Luncheonette, as candy maker. Mr. Henley has had a great deal of experience in candy making.

J. J. Barton, of Hale county, was in town this week, attending to business matters. Mr. Barton reports that a good rain fell in his community Tuesday night.

John W. Gordon was in town today, wearing a very pleasant expression on his face, because of the fine rains that fell over his ranch Tuesday night.

John Deere Corn Binder
The Binder With the Power Bundle Carrier

For harvesting a row crop the John Deere Corn Binder is the best binder on the market. Seventeen roller and ball bearings assure light draft, together with easy operation of all parts.

The Power Bundle Carrier, a distinctive feature of the John Deere machine, dumps all bundles beyond the path of the horses and practically parallel to the standing corn. All you have to do is simply press a foot trip lever—the bundle carrier does the rest.

The all steel, quick turn tongue truck relieves the horses of all neck weight and enables you to make a short turn. The axle of the tongue truck is flexible, allowing the wheels to follow the uneven ground.

Come in and see this better binder. We want to show you its other distinctive features—large, wide tired wheels, wide spread steel stub pole, case hardened Knotter parts, indestructible steel eveners, etc. We can make deliveries now.

DEATHS.

William E. Faulk—Born, Feb. 25, 1881, in Robertson County, Texas. Died August 13th, at Wichita Falls, Texas. The deceased has made his home in Lubbock four or five years. During the time here, he was employed dealing in cattle and hogs and live stock of different kinds. He was well and favorably known to Lubbock citizens. We understand that the deceased was employed in the oil fields, where he went from here in the early spring; some weeks before his death, he was struck by falling timber while working around a derrick, which accident we understand, caused his death. He is survived by his wife and several children, who are making this place their home at this time. The body was shipped here the latter part of last week and interment made in the Lubbock cemetery Saturday afternoon.

A. S. Robbins, of Athens, father of our postmaster, S. P. Robbins, is here this week visiting. Mr. Robbins will probably remain in the city a month or more.

Rev. W. A. Bowen pastor of the local Baptist church leaves this afternoon for Estacado, where he will begin a revival meeting tonight.

George C. Wolffarth and W. L. Elwood left Monday afternoon for the Desdmonia oil fields, and Cisco, for a short business trip.

Miss Tempie Shepherd, of Gomez, who is in a sanitarium for treatment, is reported to be improving.

H. J. and C. W. Sanders, of Dustin, Texas, are here this week, prospecting and visiting with friends.

Miss Lydia Karback is visiting in New Braunfels.

Miss Nellie Wilcox is visiting in Pecos.

Miss Harriet Baker returned last week from Lamesa.

Get the Children Ready for School!

School days will soon be here, and the children will need clothes. We have had this in mind for some time, and when we were in the market we bought heavily of the things that the children will need, and these goods are now arriving and will continue to arrive for some time. We now have in stock one of the largest assortments of school shoes that we have ever carried, and the prices are just exactly what the same shoes can be bought for on the market today. Later shipments will be much higher. It will pay you well to lay in your full winter supply now, while the present prices last.

Our stock is complete, in sizes and styles. Let us supply your footwear.

We also have many other articles of clothing for the school children—boys or girls—ready made garments. Underwear, Hosiery, dresses, aprons, boys suits, shirts, etc. Ready to put on—save the hard work of making these garments.

To those who would rather make up their own clothes, we are pleased to announce that we have a large stock of dress goods, and clothing material, and can make you very attractive prices in this department.

It will be big money saved if anyone will buy their fall and winter goods now, for higher prices are sure to come later and in the very near future.

Let us show you our stock now, while the lines are unbroken.

HOME DEMONSTRATION DEPARTMENT

Mr. H. A. Clapp, Meat Ginning Specialist of the A. and M. Extension Service is here this week. With Miss Halsey, County Home Demonstration Agent, Mr. Clapp is giving demonstrations in every section of the County. Monday Mr. Clapp gave a demonstration to the people of the Hardy, Caldwell, Shallowater, Pettit and Grovesville communities at the Hardy school house. Tuesday morning at Slide he gave a demonstration to the people of Slide, Woodrow and Primrose communities, in the afternoon he gave a similar demonstration at Carlisle to the people of Carlisle, Schroeder and District 8, communities. Wednesday afternoon Mr. Clapp gave a demonstration at Idalou for the Idalou, Acuff and Canyon communities. Today Mr. Clapp's demonstration will be at Center, for the people of the Center, Vaughn, Bledsoe, Monroe and Abernathy communities. Tomorrow, Friday, Mr. Clapp will give a demonstration in Lubbock in the building formerly occupied by the L. B. Wright hardware store. The demonstration begins promptly at nine o'clock and every housekeeper in Lubbock should make an effort to be present. Friday afternoon Mr. Clapp will give a demonstration to the people of the New Hope, Union and Slaton communities at Slaton.

Miss Halsey feels that this series of demonstrations will be of untold benefit to the people of the county and that those who are missing them are losing an opportunity that would have meant much to them.

(Delayed.)

Shallowater Conservation Club had another very profitable meeting last Thursday, Miss Halsey was with us and demonstrated on canning corn in pressure canner. Also we had a bread contest with Mrs. Needles as first on yeast bread and Miss Mamie Crump first on salt rising bread. The pie social that was held Saturday night realized enough money to pay off the entire debt of the new piano.

FARMER'S MASS MEETING SATURDAY AUGUST 30TH

A mass meeting of the farmers of Lubbock county has been called by Carroll Thompson, County Agent, to meet in the District Court room at the Court House, Saturday afternoon August 30th, at 3 p. m. The purpose of the meeting is to discuss the question of obtaining labor to gather the crops this fall, and also to discuss the prices to be paid such labor, especially for cotton picking.

If you are interested in these questions, make it a point to be present promptly at 3 p. m. Of course, if you are not interested it isn't necessary for you to attend this meeting, but if you expect to hire or need any labor in gathering your feed and cotton crops, it will be to your interest to come.

Walter Cox, cattleman of Gaines county, is in town today attending to business matters. Mr. Cox reports about one inch rain fall in Gaines county Tuesday night.

RANCHERS WILL STOCK RANGE WITH IMPORTED SHEEP

San Angelo, Texas, Aug. 16.—Sheep ranches in West Texas that were denuded of forty per cent of their flocks during the drought of 1916, 1917 and 1918, will be restocked to normal by late fall by the importing of thousands of high grade animals from Northwestern States. This is the belief of local raisers, many of whom have within the last two months received shipments from Colorado, New Mexico, Utah and Montana.

Tom Green County during the drought lost between 40 and 50 per cent of its sheep, Crockett County 60 per cent and Sutton County 15 per cent. Now with grass in abundance it appears that there will be more pasturage than there will be sheep and cattle to feed.

BAPTIST QUOTA FOR THIS COUNTY \$75,000

In the Baptist \$16,000,000 campaign in Texas, the county quota of Lubbock, Hockley, Cochran, Yoakum, Terry, Lynn and Garza counties has been announced as \$75,000.

The \$16,000,000 to be raised by the Baptists of Texas for the five year program of the Southern Baptists \$75,000,000 drive has been apportioned by the campaign directors through the 18 State districts, 120 Texas Baptist associations and counties. Individual church apportionments will be made from the county quotas.

August is being devoted to information, September to Intercession, October to Enrollment, November to Stewardship and actual campaigning "Victory Week" November 30th to December 8th.

According to Dr. F. S. Groner, State Campaign Director, the organization is rapidly being completed, and it is thought the full organization will be perfected within the next few weeks. The major portion of the campaign will be conducted thru the Baptist Standard, the church's official organ, and much stress is being placed on greatly enlarging the circulation of this paper. Efforts are being made to place the Baptist Standard in every Baptist home in the State.

The county quotas above announced cover amount to be raised in pledges and subscriptions for the next five years.

The Bradley team again faces defeat. Clovis repeated the dose handed out to the local team on the Amarillo grounds, the first Sunday in August, by defeating the Bradley team on the Clovis grounds last Sunday with a score of five and three.

Try it! Make this lemon lotion to whiten your tanned or freckled skin.

FOR SUNBURN, TAN

GIRLS USE LEMONS

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quart of the best freckle, sunburn and tan lotion, and complexion whitener, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands and see how quickly the freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

Mrs. A. J. Tucker of Slaton, who has been in a local sanitarium a few days receiving medical treatment, was able to return home Sunday morning.

Miss Lois Merrill, niece of M. E. Merrill of this place, stopped over to visit at the Merrill home a short time the first of the week, enroute from Seminole to her home near Abernathy.

DAYLIGHT SAVING LAW REPEAL AGAIN VETOED

Washington, Aug. 15.—President Wilson today vetoed the bill repealing the daylight saving law.

The President said he returned the bill without his approval with "the utmost reluctance," because he realized "the very considerable, and in some respects very serious, inconvenience to which the daylight saving law subjects the farmers of the country."

Declaring the pressing need of the country was for production by industry, the President said he had been obliged to "balance one set of disadvantages against another" and decide which was the more serious for the country.

The President's message was sent to Speaker Gillett, but when an effort was made to present it to the House, Representative Blanton of Texas made a point of no quorum and the House adjourned without the message being read.

This was the second time the President had vetoed repeal of the law by which the clocks are set forward an hour on the last Sunday in March and turned back an hour—the last Sunday in October. The first veto was several weeks ago, the repeal being attached as a rider to the annual agricultural appropriation bill.

White House officials and members of Congress could not recall today a previous instance of a President having twice vetoed the same bill. Leaders in Congress doubt that the two-thirds vote necessary to pass the repeal measure over the President's head can be obtained.

The President's message vetoing the bill follows:

"To the House of Representatives: I return this bill, House Resolution 3,854, 'An Act for the Repeal of the Daylight Saving Law,' without my signature, but do so with the utmost reluctance. I realize the very considerable, and in some respects very serious, inconveniences to which the daylight saving law subjects the farmers of the country, to whom we owe the greatest consideration and who have distinguished themselves during these recent years of war and want by patriotic endeavors worthy of all praise. But I have been obliged to balance one set of disadvantages against another and to venture a judgment as to which were the more serious for the country. The immediate and pressing need of the country is production, increased and increasing production, in all lines of industry. The disorganization and dislocation caused by the war have told nowhere so heavily as at the industrial centers—in manufacture and in the many industries to which the country and the whole world must look to supply needs which can not be ignored or postponed. It is to these that the daylight saving law is of most service. It ministers to economy and to efficiency. And the interest of the farmer is not in all respects separated from these interests. He needs what the factories produce along with the rest of the world. He is profited by the prosperity with which their success brings about. His own life and methods are more easily adjusted, I venture to think, than those of the manufacturer and the merchant.

"These are considerations which

have led me to withhold my signature from this repeal. I hope that they are considerations which will appeal to the thoughtful judgment of the House and in the long run to the thoughtful judgment of the farmers of the country, who have always shown an admirable public spirit."

PROMINENT MIDLAND RANCHMAN DIES OF PARALYSIS

Yesterday evening, in front of the Midland National Bank, our townsman, J. R. Dublin, sustained a partial stroke of paralysis, the stroke affecting his left side. He had been sitting on the curb. On arising he caught the side of a car for support. A. G. Francis and Jack Hill were near. They helped him into the car and carried him home.

Since then his condition has grown steadily more alarming and at noon today hope for even partial recovery is almost gone. We have been unable to see his physician, but substantial reports, coming almost direct to this office, sustain the most adverse interpretation as to the sufferer's condition.

This comes as a shock to all. Mr. Dublin is one of our oldest and highly esteemed citizens, having lived in Midland since it was started, along in the 80s. Here he has raised a family, and there are many relatives and friends with whom The Reporter joins most earnestly in the hope that he may yet and soon take a turn for the better and that he may recover.

—Midland Reporter.

Later daily press dispatches states that Mr. Dublin died Friday.

Mr. and Mrs. J. W. Dunlap accompanied Mrs. R. A. Willet home from a short visit to Cisco.

A. H. Clark left Monday morning for Abilene, where he goes to spend a few days visiting with relatives and attending to business interests.

Mrs. Z. H. Brock, mother of P. O. Brock, of this city, is here this week visiting, from Falls county.

MILWAUKEE ROW BINDERS

The row crops are often cut short with early frost. At this season of the year help is scarce and usually expensive. The best and cheapest way to harvest this crop will be to secure a MILWAUKEE ROW BINDER.

Milwaukee Row Binders are well made, light of draft, and thoroughly practical, evenly balanced. Gear driven insuring you a quick pick-up when you start the machine. No jerking on account of drive chains. Simple to operate, with all controlling levers within reach of your seat thereby insuring you perfect control without stopping the binder.

The Milwaukee Row Binder has three sets of gathering chains on each side to control your feed while going into the binder.

Come in and see our sample set up on the floor. This machine affords an unusual amount of advantages to you which are worth lots of money.

Music is Essential

Without music, modern life would be impossible. Thomas A. Edison realized this when he invented his Three Million Dollar Phonograph—

The NEW EDISON

"The Phonograph with a Soul"

He also realized the imperfection of the ordinary phonograph and the talking machine. He knew that a phonograph that could not be distinguished from the human voice could be designed—and he designed it.

Music critics cannot differentiate between the human voice and the world's most wonderful sound-reproducing instrument, The New Edison.

SOCIETY NOTES

Bridge Club.

Tuesday afternoon the Auction Bridge Club met with Mrs. O. F. Peebler in her lovely home on Broadway. The house was very artistic in cut flowers and two tables were arranged for the players. After the games were over delicious cantaloupe a la mode, was served to the following ladies: Mesdames Neil Wright, Griffin, Winn, Beal, McWhorter, Noone, Miss Delia Wilkinson, the hostess, Mrs. Peebler. Next meeting will be with Mrs. O. L. Slaton.

Last Friday afternoon Mrs. J. C. Royalty entertained with a lawn party in honor of her little daughter Mary Frances. Music, laughter and games were enjoyed after which the hostess served delicious watermelon and ice cream to the following children: Ruth and Maxine Cannon, Ruby Penney, Martha Alice Penney, Clementine Dodson, Louie Falger, Katherine Royalty, Opal Penney, J. V. McNeely, Lonnie Penney, Marian Royalty and the honoree, Mary Francis Royalty.

Birthday Party.

Honoring his tenth birthday Master Edward Allen was given a party on the court house lawn by his parents, Mr. and Mrs. Ed Allen, Wednesday evening. After enjoying many games pink ice cream and cake were served to the following: Glidwell Mullins, Edith Hicks, Georgina Hufstetter, Shelby Robbins, Margaret Rudd, Sam McKinney, Bud Montgomery, Clarence Witherspoon, Spence Hufstetter, John Ater, Rayfield and Granville Dickinson, and the host, Edward Allen.

Mrs. Percy Spencer entertained the ladies of the Methodist Missionary society Monday afternoon in her home on West Broadway. This was the monthly social meeting at which time money is collected on the calendar plan. About twenty-eight dollars was realized. At the close of the programme which was conducted by Mrs. H. T. Kimbro, iced watermelon was served to the following ladies: Meses Kimbro, Rylander, Sims, Runnels, Trinkle, Beach, Woolbridge, Fain, Posey, Royalty, Hutchinson, McCarver, Dane, Lokey, Ellis, Baugh, Griswold, Lyon, Mayes, Stephens, Cole, Triplett, Maddox, R. H. Martin, and Percy Spencer.

Mrs. Hoke, of Taylor, is the guest of her daughter, Mrs. H. T. Kimbro. Mrs. Rylander, mother, Mrs. Walton, and children, Dorothy and Ruth Mildred, visited Mrs. Will Murray on her ranch near Abernathy.

The Methodist ladies at the meeting of the Missionary society decided to serve lunch every day during the county fair. An extended notice will appear later.

Miss Frances McLemore of Abilene has been the charming guest of her aunt, Mrs. Colby Thomas for a week.

Mrs. Walter Myrick is visiting friends in Plainview for a few days.

W. C. Rylander, Fred C. Oliver, E. L. Klett and Robert Oliver, spent the last week at Post Lake, near Post City, fishing, and incidentally combating mosquitoes. From the looks of one gentleman, they had an even break.

REAL ESTATE LOANS

BUSINESS AND RESIDENCE PROPERTY

We are prepared to make Loans for The United Savings Bank, of Detroit, Mich., on their well known monthly payment "On or Before" plan, for the purpose of buying, building or improving your business or residence property.

The loans are made on such terms that any one able to pay reasonable rent can take care of these loans.

The loans are made on a very simple plan of one hundred monthly payments and each payment carrying also the interest for the monthly period.

The scale below based on \$1,000.00 better illustrates the wisdom and convenience of the plan:

Monthly Payments	Int. & Prin. Pd. During Year	Total Int. Pd. During Year
1st Year \$17.00	\$120.00	\$84.00
2nd Year 16.12	120.00	73.44
3rd Year 15.22	120.00	62.64
4th Year 14.34	120.00	52.08
5th Year 13.44	120.00	41.28
6th Year 12.56	120.00	30.72
7th Year 11.68	120.00	20.16
8th Year 10.78	120.00	9.36
1-3 of 9th Year 10.20	40.00	.80
Total Principal	\$1,000.00	\$374.48

From this you can see that out of 100 monthly payments the greatest being \$17 and reducing to the small sum of \$10.20 you have paid back the entire mortgage at a cost of only \$374.48 interest.

In the loan you reduce your principal 1 per cent of the total each month, thus making it very easy to calculate your amount paid.

Any amount over or under \$1,000.00 is figured proportionately.

A very great advantage of this loan is that it is payable on or before as to any part in equal hundredths or all at the end of any year without the payment of any unearned interest.

From the above you can see the loan is clear cut and easily understood.

WHO CAN USE LOANS TO ADVANTAGE

1st. Especially is this Loan a benefit to the best class of business men, who are wide awake to their possibilities of investment and the use of capital in their business.

With this loan he can give his family the home they deserve and at the same time not handicap his business capital in doing so. No one can use this to the advantage he can. The same benefits arise in the use of this loan on his business property.

2nd. To the man of limited income it enables him to fulfill his earnest desire to do justice by his family in giving them a comfortable home without greatly inconveniencing himself financially.

The excellent terms and the on or before feature of this loan are an assurance to a man that his family would not be deprived of a home in case of his death as the payments would be easily met and they would have the opportunity of wiping out the entire indebtedness if they desired.

If you are thinking of buying, building or improving residence or business property investigate this plan fully and know its advantages to you.

Yours truly,

CLAUDE B. HURLBUT

LUBBOCK SOCIETY NOTES

MRS. A. B. ELLIS, Phone 605.

Carter-Pearson.

A wedding of unusual interest occurred last Sunday afternoon at six o'clock at the home of the bride's parents, Mr. and Mrs. K. Carter, when Miss Ouida Carter and Mr. C. C. Pearson, both of this city, were quietly married. Rev. J. T. Griswold of the Methodist church officiated.

The bride was beautiful in a going away suit of blue with accessories to match. She is the accomplished daughter of Mr. and Mrs. K. Carter and much loved by a large circle of friends, having lived here all her life. The groom is the son of Mrs. Annie Pearson and a young man of sterling worth and splendid business qualifications. He holds the responsible position of assistant cashier of the Citizens National Bank.

Mr. and Mrs. Pearson left on the midnight train for a visit in Galveston, Austin, and other places, after which they will be at home to their many friends in Lubbock.

Mrs. John Simpson and Miss Bernice Kimbro gave a most delightful party last Friday morning at the home of the latter. Four tables of players enjoyed Bridge, after which a luncheon consisting of ice tea, bread and butter sandwiches, tongue sandwiches, potato chips, peach salad and sliced tomatoes, was served to the following guests: Bernice Wolfarth, Opal Ellis, Ruth Hussey, Nancy Lee, Elma Pierce, Fernie Wheelock, Ouida Carter, Guida Teal, of Fort Worth, Misses Nash, of Fort Worth, Miss Elizabeth Easter, Eula Logan, Miss Mackelmeier, Ruby Rogers of Waco, Mesdames Howard Wheelock, C. W. Murray, McLarty, D. Robinson, Floyd Beal, Forrest Robbins; Messrs. C. A. Wallace, Ross McWhorter, Carl Roberts.

Honoring Miss Violet Kiker of Farwell.

One of the most delightful events of the season was given in honor of Miss Violet Kiker Monday evening at the George Bowles' ranch. Swimming was enjoyed the first part of the evening after which a picnic lunch was spread. Dancing created a lively scene the remainder of the evening. Those present were: Eunice Smith, Olene Bates, Alice Lee, Louise Arnett, Vernon Brown, and the honoree; Violet Kiker. A. B. Conley, Jr., Stiles McCarver, Arnett Pearson, Glen Sticklin, Dudley Farrell, Wayne Hutson, Will Wheelock and Newman Bowles, Virginia Conley, Katherine Atkins and Ruth Slaton.

Picnic at Cotton Woods.

A most enjoyable evening was

spent at Cotton Wood Springs Sunday. A lovely lunch was spread picnic fashion. Those present were: Misses Clay, Bernice Kimbro, Bernice Wolfarth, Teal, Ruth Mann, Dick Jarrott, C. A. Wallace, Ross McWhorter, Kenneth Kimbro, Belcher Whaley, and Mr. and Mrs. John Simpson.

Mr. and Mrs. W. C. Terrell and son are back after visiting their old home in north Texas for several months. Their friends extend them a cordial welcome.

Dr. W. S. Ferguson, of Plainview, visited friends in the city Sunday.

Mrs. B. K. Mitchell, of Clovis, is visiting her sister, Mrs. B. E. Meredith.

Master Sam McKinney returned home Monday after a lengthy visit in Ft. Worth and Denton.

Mrs. Guy Seybold, of Ft. Worth, is the guest of her sister, Mrs. B. E. Meredith.

Miss Lois Duff has returned from a visit with her friend, Miss Madge Baker, in Austin.

Misses Edith Carter, Panay and Evelyn Posey, returned from Plainview Sunday where they visited several days.

E. O. Nichols Jr., of Plainview, is visiting his grandmother, Mrs. L. A. Posey.

Mrs. S. G. Boerner of Ennis, is the guest of her granddaughter, Mrs. W. S. Posey and grandson, Mr. F. W. Boerner.

Mrs. A. P. Green, of Austin, who has been visiting Mesdames L. A. Logan and W. S. Posey, has gone to Floydada, where she will visit other relatives before returning to Austin.

Miss Della Easter is home after an extended visit in St. Louis and points in Oklahoma and Texas.

Mrs. Fletcher and children, of Texline are the guests of Mrs. Fletcher's mother, Mrs. Annie Pearson.

Mrs. Buck Morris and daughter, of New Boston, arrived last Friday for a visit with Mr. and Mrs. George Morris.

Miss Willie Pearson, Grand Treasurer of the Grand Chapter of Texas, O. E. S., is the guest of her sister-in-law, Mrs. Annie Pearson.

Mr. and Mrs. Charlie Burrus and family have returned from Olten, where they visited their brother, Mr. Ed Burrus, who is tax assessor of that place. While there their daughter, Miss Ala, assisted her uncle with his duties in the office and "made good." Mr. and Mrs. Burrus were accompanied on their trip by their niece, Miss Dezzie Faulkner, of Post City.

Miss Florence Nelson, who has

been visiting her aunt, Mrs. W. S. Posey, has returned to her home in Floydada.

Mrs. Clara Abney and daughter, Miss Carey, returned Sunday from an extended visit in the east, also Oklahoma and Texas.

Mr. Mayes, of Rule, who has been visiting his daughter, Mrs. H. K. Porter, left for home last Thursday night. His little granddaughter, Miss Francis Mayes, of Munday, accompanied him on this trip.

Mesdames B. E. Meredith, B. K. Mitchell, Guy Seybold, and mother, Mrs. H. Green, visited their sister and daughter, Mrs. J. B. Reiger, in Slaton, this week.

KANSAS CITY MARKET MONDAY, AUGUST 18TH

Kansas City Stock Yard.—Thirty-three thousand cattle and 5000 calves were on the Kansas City market today, the largest supply in any day this year, and 75 per cent larger than a year ago. Good to choice killing cattle were scarce at steady prices, but the plainer kinds of steers, butcher cattle and stockers and feeders were plentiful and lower. Hogs were 25 cents lower compared with Saturday, and sheep and lambs were 25 to 50 cents higher, and in active demand.

Today's Receipts.

Today's receipts were 33000 cattle, 7000 hogs, 10000 sheep, compared with 16000 cattle, 4000 hogs and 7500 sheep a week ago, and 17700 cattle, 680 hogs and 45000 sheep a year ago.

Beef Cattle.

Though cattle receipts today were the largest of the season, fat steers were not as plentiful as a week ago, last week's decline tending to check the movement of good to choice steers. Prices for that class were steady. Plain light weight grass steers which declined only moderately last week were in large supply today and sold slowly at unevenly lower prices. Texas, Oklahoma and Kansas contributed the bulk of the offerings. Some came from Oregon, Idaho, Utah, Colorado, and Western Nebraska. As far as the live stock situation is concerned, railroad and labor conditions are normal. The bulk of the grass fat cattle sold today at \$9.50 to \$13.50. These below \$12.00 were lower, choice native steers sold up to \$18.85. Cows and heifers were lower, selling mostly at \$7.50 to \$9.50.

Stockers and Feeders.

A few choice feeders and stockers brought steady prices, but the large part of the run was available for country buyers and sold lower at \$9.00 to \$11.25, common stock steers down to \$8.00, stock cows and heifers were 25 cents lower and stock calves dull.

Hogs.

The top price for hogs today was \$21.00, and the bulk of the offerings

sold at \$19.75 to \$20.75, or 25 cents under the close last week. This market even at that decline remains higher than elsewhere. Packers drove here are costing 50 cents to \$1.25 more than at other markets. The price spread today broadened considerably, owing to increased receipts of rough grass fat grades. Pigs are down 50 to 75 cents, but in active demand at that decline.

Sheep and Lambs.

Fat lambs and sheep were quoted 25 to 50 cents higher, top Western lambs \$17.75, the highest this season. Feeding and breeding grades were strong to 25 cents higher. Fat lambs are quoted at \$16.00 to \$17.75, wethers \$10.50 to \$12.75, yearlings \$12.00 to \$13.50, ewes \$9.00 to \$9.75; feeding lambs \$14.00 to \$15.50, feeding ewes \$6.50 to \$7.50, and breeding ewes \$12.50 to \$16.

Horses and Mules.

Plain and common horses, and mules predominated in a liberal supply last week and they sold lower. Good to choice work grades and heavy drafters were scarce at firm prices. A special consignment of South Dakota mares will be offered Friday. There is a good demand for cotton feeders that have some size.

Lubbock Public Schools to Open September 8th.

Lubbock schools open the 1919-20 term September the 8th, or the second Monday in that month. The census shows that at least one thousand pupils should enroll in our school for the coming term, and of course with the many that will come from outside places, Lubbock city schools will enroll at least two or three hundred more than these figures.

Under the management of the board of trustees for this year and Superintendent Dupre, a salary of twenty-seven thousand nine hundred and sixty dollars will be paid for the teachers for the coming nine months. Building and housing facilities have been improved since the last term, several new teachers have been secured, and the general outlook at the present time justifies one in believing this will be one of the most successful school terms in our history.

The following is the names of the Trustees of the Lubbock City Schools for this year: Dr. J. T. Hutchinson, president, eye, ear and nose specialist with many years practice in this city; L. D. Rankin, secretary and treasurer, hardware merchant and one of the progressive citizens of this city; A. B. Conley, Jr., dry goods merchant, well known and enterprising; W. B. Atkins, manager of the A. G. McAdams Lumber Co.; S. C. Spikes, retired merchant; Dr. C. M. Ballenger, dentist and resident of this city many years.

At the present time, we understand, one or two teachers have not

been secured. Those which have been employed are:

Superintendent—M. M. Dupre. Mr. Dupre has served in that capacity for several years with credit.

First Grade—Mrs. M. M. Dupre, principal; Misses Lena Cole and Jessie Woodward, Mmes. Hubbard and Groves.

Second Grade—Mrs. E. R. Haynes, Misses Lula Jones and Estelle Ellis.

Fourth grade—Misses Johnnie Roy, Speed and Jones.

Fifth Grade—Mrs. R. A. Sowder and Miss Mabel Donnell.

Sixth Grade—Mrs. W. B. Burford and Mr. Bright.

Faculty of High School. G. N. Atkins, Principal. Mr. Atkins has served in that capacity for several years. He is also teacher of English.

History—Miss Mae Murfee. Spanish—Miss Pauline von Rosenberg.

Latin—P. F. Brown.

Manual Training—Mr. Starcher.

Domestic Science—Miss Nichols.

Freshman—Miss Stella Thurman.

Messrs. P. J. Pollard and T. J. Weeks will serve as janitors this year.

EVER SALIVATED BY
CALOMEL? HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked off and believe you need a dose of dangerous calomel, just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

TERRELL FINDS DISCREPANCY
IN OIL PRODUCTION REPORTS

Austin, Texas, Aug. 6.—Comptroller H. B. Terrell is much concerned over the newspaper reports of oil production in Texas fields as compared to the sworn reports of production made to his department and on which the State receives a tax of 1 1-2 per cent of its gross value.

Mr. Terrell says that the statistics published in the public prints show a much larger production than is reported to the Comptroller and that if the newspapers' figures are correct the State is losing a large amount of tax. Because of this discrepancy Mr. Terrell will have his examiners make a thorough study of the oil production to the end that the State collects the tax due it.

For the quarter ending June 30 the sworn reports to the Comptroller show the production in Texas, in round figures, was \$31,255,000. This would be about \$120,000,000 for the year. Mr. Terrell says that the published reports rather indicate a total of \$200,000,000 in oil produced in Texas during the year. He is unable to account for the difference in the sworn reports on which taxes are paid and the statistics furnished by oil field statisticians.

IS THE TREATY ANOTHER
"SCRAP OF PAPER"?

Whether Germany believes she has another "scrap of paper" in the Versailles Treaty is the question agitating some observers who consider Germany the "faithless among the nations." Their suspicion is confirmed, we are told, by the fact that certain Allied leaders have found it necessary to assure the world that, if necessary, Germany will be "forced" to fulfill the terms of her agreement. Bluntly skeptical is the Journal de Liege, which avers that "it is obvious Germany signs with no intention of keeping her word," and it suggests that perhaps Germany "adds a new 'scrap of paper' to her collection" in the Treaty of 1919. Equally downright is the criticism of a newspaper in neutral Spain, the Madrid Sol, which issues the warning that "all is over only in a theoretical sense, because Germany signed with mental reservations," while the Brussels Nation remarks cynically that the Germans have signed the Treaty, but they "will never execute it," as they consider the Treaty "a peace of dupes." The Madrid Figaro adopts the explanation that Germany "accepted the terms, not because she believed herself vanquished, but because she feared that her people would lose all spirit of law and order." How well founded suspicion of Germany is may be partly judged from the observation of certain sullen German newspapers, among which is the Berlin Kreuzzeitung, which laments that the destiny of Germany is "sealed for a long time," and adds surlily that "our enemies have sown the seed of hate and we shall cultivate that sowing until the day comes when our people are strong enough to break the shackles of dishonor." Again the Berlin Vorwarts remarks:

"We are the victims of force, but we may issue a word of warning to those who imagine that force shall always be possess solely by those folk at Paris who are now swollen with success. Let us have no lamentations, no despair, and let us not lose either courage or hope. The day of resurrection will surely come and the shame that has been inflicted upon us will revert on that day to those who are its author."

A cynical note sounds in the verdict of the Vienna Zeit, which says:

"It is an evil peace, but it is peace. History is no longer made exclusively around a table covered with green baize, and the inevitable development of history will upset the most beautiful treaty ever drawn. But also among the Vienna press we find the Wiener Journal pitying the Anglo-Saxon race because its chief representatives, Premier Lloyd George and President Wilson, allowed themselves to be "subjected to the fanatical hatred of Premier Clemenceau," and it calls this a "shame without parallel." This journal proceeds:

"There is no precedent for the basis of crime on which the peace is built. The death of France has been hastened by this dreadful war, and her feeling of fatal decadence explains in part the hysteria that governed her dictation of the peace."

The Vienna Neue Freie Presse joins in sympathy for Premier Lloyd George and President Wilson, as it lays all the blame for the Treaty on Mr. Clemenceau. Thus it observes:

"This Treaty is a transcript of madness—the work of a decrepit old man, who is a slave to his memories and his dreams of vengeance. Lloyd George suffered it to pass because his plans for British world-dominion are safeguarded, and President Wilson was simply incapable of meeting the European situation."

To find the silver lining of the cloud is the effort of some German papers, among which is the Berlin Vossische Zeitung, which says:

"The National Assembly has drained the chalice of sorrow to the last drops. No suffering will be spared the German people. At least, let it be hoped that through the peace all our internal discord will be ended."

The Berlin Deutsche Tageszeitung advises the people that now the peace is signed "the national ideal must grow and develop each day, and we must never tire of exhorting those who think as good Germans to stick together and work." But—to quote another harsh remark from Spain—the Madrid El Pais says:

If Your Bills are Higher

than they were a few years ago you can trace a part of it to the fact of shortage in production. But those people who have stayed with us through the years are not complaining about the H. C. L. Let us please you with the next order.

THOUSANDS QUIT TEACHING PROFESSION IN TEXAS

The publicity committee of the Texas State Teachers' Association has received numerous replies to letters sent out to city and county superintendents over the State which indicate that the school situation in Texas is in a most precarious condition. These replies show that in the cities there is a loss of thirty-four per cent of the men and twenty per cent of the best women teachers in the schools. They also show an average of only one-fifth of the qualified male and only one-third of the qualified female applicants as in former years.

Of the teachers lost, seventy per cent are among the better teachers. Texas schools have lost at least four thousand five hundred women and twelve hundred men of the better type during the past year and there are now four thousand vacancies that must be filled with untrained and inexperienced teachers. Superintendents report that they are unable to get trained teachers, but are compelled to employ almost any kind of teachers available.

With such facts staring us in the face, we naturally ask, what is to become of the schools? Never before has the welfare of our country been so dependent upon the schools as it is today and never before were the schools less prepared to assume the serious responsibilities placed upon them. Unless the salaries of teachers are doubled within a very short time the school situation in the country, and especially in this state, is going to be a tragedy. Unless the friends of education who have the power and influence awake to the emergency of the situation, the schools will lose more in the next two years than they have gained in the past twenty-five.

Legislators, school boards, and the general public must find a way to pay teachers better salaries so as to attract to the profession the best talent in the land. They must rally to the support of the schools, realizing that they are the bulwark of our democracy, the hope of our civilization, and that whatever they cost, we cannot afford not to have the best.

AVALANCHE FORCE AND EDITORS FAMILY FEAST

The Avalanche force and family have been enjoying all the good watermelon that we could stand the past week or more from our friends here and there. The Woodmen Lodge, after feasting the multitude last Monday night week, presented the force with two or three large nice ones, and Commissioner Burford brought us in a number of very fine ones. The young sons of Mr. R. M. Little, also unloaded two fine ones Friday and W. F. Dally, of near Carlisle, rolled a nice large one under our desk a few days ago while we were not looking and it was much enjoyed by the office force. Our good friend Kinser of south west of town presented the editor's family with two of the largest and finest we have seen or tasted this year, and besides all of this Mr. Heffleton, of near Carlisle, also brought us, a dandy. We have indeed been feasting, but we have taken particular precaution not to over-eat, and we are still rearing for watermelon. Many thanks people, would rather be an editor with a good appetite for watermelon and a constitution that will allow us to eat the many good things that our friends bring in than to be Mr. Millionaire with a burnt out stomach.

Since writing the above our generous friends Albert Jones and E. R. Haynes have showered down on us with some fine watermelons and canteloupes. We are still alive and feeling fine.

Tempoint!

THE FOUNTAIN PEN WITH THE TEMPERED POINT

The Tempoint has ten features that endow it with an intrinsic quality and value all its own. They are:

(1) The 14kt. gold pen. This has a steel-like hardness and flexibility, due to a hand-hammering process which affords protection against harmful ink acids and long, hard writing. This hand-hammering, or tempering process, eliminates all possibility by which ink acids find lodgment and so weaken pens that are not hand-hammered. Thus the nib of the Tempoint cannot become "sprung" but remains correctly "set" and flexible, always writing just like you.

(2) The unusually ample iridium tip is not affixed by annealing, but has the gold fused about it. This insures smoother writing and longer life.

(3) The scientific Comb Feed automatically controls the ink flow instantly for any writing, light or heavy, fast or slow, steady or intermittent. The ink cannot flow faster than needed.

(4) An air-tight chamber between the cap and the pen prevents pen from sweating in the pocket, and keeps the nib moist for instant writing.

(5) The invisible Self-Filling lever is out of the way until actually needed. There are no projecting parts to disfigure or get in the way. (Tempoint is also made in regular Screw-Joint style.)

(6) The Duralastic Ink Sack is as durable as the pen itself. Nothing to replace or adjust.

(7) The holder is scientifically balanced for easy writing. No writer's cramp. This feature is particularly well worth noting.

(8) The pocket clip is built-in—a part of the pen itself. Thus Tempoint is guarded against loss.

(9) Beautifully made through-out. Tempoint is a pen to admire for its splendid construction as well as for its wonderful writing quality.

(10) Made and guaranteed by The Wahl Company, a two-and-a-half million dollar concern—a further assurance of value and satisfaction. And, with all this, Tempoint is sold at usual pen prices—\$2.50 and up.

A NOTEWORTHY PRESENTATION OF Original Russian Blouses and Georgette Blouses

FOR FALL

You are invited to view our interesting collection of accepted modes in Blouses, both Russian and Plain Georgette Blouses for day-time and afternoon wear, for Fall 1919.

Each of the Garments is an original creation, and no two are exactly alike (except the styles that are shown in one or more colors.) Every model bespeaks refinement, neatness and artistic beauty.

Come in and have us show them to you. Acquaint yourself with the styles that will prevail this season.

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILD TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or digest the worms, and the Child will be in perfect health. Pleasant to take. See our article.

WEST TEXAS CROPS MAKING BIG YIELDS

W. D. Hornaday of Austin, director of the office of public lectures and publicity of the University of Texas, was in Dallas yesterday on his way home from a brief vacation trip through the South Plains and Panhandle region of the State. He said that never in the agricultural history of that part of Texas was the outlook for enormous crop yields brighter than now. Much of the maize is already made, and harvesting the crop has begun, while the wheat is being threshed as rapidly as threshers can do the work.

"In all that territory between Lubbock and Amarillo enormous yields of wheat are being obtained," Mr. Hornaday said. "The feed crops of maize, feterita, kafir corn and sudan grass are so heavy that it is going to be a problem to harvest them. There is already complaint of a scarcity of labor, and many farmers are discussing the matter of importing negroes and Mexicans to meet the situation that confronts them. The cotton growing territory proper, so far as the South Plains region is concerned begins in Lubbock county and extends south through Lynn and Dawson to the caprock.

"The South Plains crop of cotton that I saw gives promise of bringing wealth to many farmers. I talked with a number of growers around the little town of O'Donnell, Lynn county, who said that they were practically assured of obtaining yields of one-half to one bale to the acre. I heard no estimate of less than one-half bale. The fields are clean and there are no insect pests to contend with.

"Maize and other sorghum grains in the South Plains will give an average yield of three-fourths to one and one-half tons an acre. The market for headed maize has opened at railroad points at prices ranging from \$32 to \$40 a ton. Farmers expect the price of grain to remain along about these figures for some time to come."—Dallas News.

ON THE TRAIL OF REV. J. P. WORD

For many years pastor of the First Presbyterian church at this place, we find that Rev. J. P. Word has been moving about considerably since leaving Lubbock, and note where he stopped among old time friends in Georgia, and the following from The Quitman Free Press, Quitman, Ga.:

I am unable to express the pleasure I have expressed in coming back to Quitman after twenty years of absence. It has been delightful to meet my old friends and to make new ones and to serve, for a few months, my dear old church. I think it would be hard to find a more consecrated, kind and christian people than the people of this church, The First Presbyterian Church of Quitman, Ga.

To add to their continued kindness during my stay with them, last Wednesday night when I told them goodbye, in a beautiful and kindly speech by Mr. J. O. Lewis, they presented me with a splendid gold headed cane, for which I thank them very much indeed, as it is valuable in itself. But I thank them with all my heart for the sentiment that prompted the gift; and I feel that I can ever lean upon that love which they have, by this and in many other ways expressed for me.

J. P. WORD.

Rev. J. P. Word leaves today for Panama City, Fla. He has accepted an invitation to become the permanent pastor of the Presbyterian churches at Panama City and at Bay St. Andrew nearby. Mr. Word came to Quitman from the West in the spring to act as a substitute pastor for the Quitman Presbyterian church during the absence of Rev. C. A. Campbell.

Mr. Word says his stay here has been very delightful and he has renewed many acquaintances. He came to Quitman and Valdosia as pastor in 1887 and served ten years as pastor of both churches and after that two and a half years with the Quitman church. Since then he has been in Texas, Arizona, and New Mexico, nearly twenty years. He is greatly beloved here and his stay has been a very pleasant one to his many friends.

The pastor of the local church, Rev. Mr. Campbell, has recently returned to America from England, where he was engaged in Y. M. C. A. work. He has joined his family in North Carolina and is expected to resume his work here about the first of September.

And from Panama City, Florida, we have a letter from Rev. Word, in which he says: "This is a beautiful, delightful city, on Bay St. Andrew, and this is now my home. I would be glad to receive a copy of your excellent paper now and then and with kindest regards to yourself and all my friends in Dear Old Lubbock, I am yours truly,

J. P. WORD.

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days. I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go. I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle. I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui. Try Cardui today.

SOUTH PLAINS TOO GOOD TO LIVE IN COLORADO

Ben Hurst, son of Mrs. W. J. Luna who we stated a few weeks ago as being here from his ranch in Colorado, visiting, passed through here the latter part of last week enroute back to Colorado. Ben has decided since he arrived here on his visit, to move back to the South Plains, and his trip back to that place is for the purpose of making his arrangements for the move.

We have found by experience and by the experience of others, a person who has lived in this country for several years and then moves to another country, invariably returns. Anyway, "a wise man changes his mind."

PROMINENT BONHAM MERCHANTS HERE PROSPECTING

Charles and O. Eberts, prominent merchants of Bonham, Texas, were here the latter part of last week, looking for Lubbock county land investments. Several deals were in course of making while they were here, but we are not yet in a position to give the facts.

Only a few weeks ago several men from Bonham, mostly merchants, were here and bought several thousand acres of south plains land, and we suspect the interest developed by those men in this country, not only caused Messrs. Roberts to come and look, but many more in the near future.

MORE TOWN PROPERTY CHANGE HANDS THIS WEEK

L. C. Ellis has recently sold one of his lots on West Broadway to J. F. Tom, who we understand will start construction on a nice residence in the near future.

Frank Maddox has recently bought of J. O. Whittington, of Amarillo, his residence property on West Post Office street.

J. B. Earhart bought of Mrs. Mary Overton the nice residence property recently vacated by R. K. Henderson.

O. E. SEARS OPENS REAL ESTATE OFFICE HERE

O. E. Sears recently purchased a nice home in this city and has opened a real estate office in the Merrill Hotel. Mr. Sears is a young man, having lived in Lubbock county only about two years. During that time he has been one of the liveliest traders in the country. Through his efforts many thousand acres of Lubbock county land has changed hands in the last few months.

SAM T. DAVIS WILL MAKE DISCUSSION IN AMARILLO

"Transcripts to Higher Courts" by Sam T. Davis, County and District Clerk, of Lubbock County, will be in part some of the topics which will be discussed at the Panhandle Clerk's Association, which will be held at Amarillo, August 21 and 22, this year.

Prices on kerosene oil advanced one cent on a gallon to retailers, becoming effective we understand, on August 16. No raise in price of gasoline by local dealers has been reported till now.

Come to Lubbock.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness. GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.

The Golden Rule Does Not Afflict the Weak Because of its tonic and laxative effect. LAXATIVE BROMO QUININE is better than any other Quinine and does not cause irritation nor tingling in head. Remember the full name and look for the signature of H. W. GROVE.

Very soon the people who have persisted in letting their chickens eat up their neighbor's garden will have to put the critters up in self defense. It is quite likely the wild cats, coyotes, and other chicken loving wild beasts will be lurking in the tall weeds on some of the lots in Lubbock. There is ample hiding places for them, and if it were not for the continual thump, thump of commerce in our city, we are sure that these beasts would take refuge in the splendid weed patches.

The Rotan Advance says that a band is assured in that place now. When will the Lubbock band be put in position to do us musical service? As soon as the people of this town will guarantee enough pay for the instructor.

The Claude News has received a new newspaper press and says they have a linotype machine ordered, which will put the News plant away up in the line of progressive newspapers.

Capt. Buhl Moore, of the regular army, now stationed at Camp Gordon, Atlanta, Ga., is the guest this week at the home of M. M. Dupre, this city.

The Hamlin-Herald has recently installed a linotype in their plant, and

will otherwise improve their paper, we are sure.

ANNOUNCEMENT OF LUBBOCK SCHOOL OPENING SEPT. 8

Lubbock City Schools will open for the 1919-1920 term Monday, September 8. It was the desire of the board to open on the first day of September, but we have not yet received all our state text books and were in doubt as to when they would be shipped.

Pupils must not buy any state text books as all books will be furnished to all pupils free. We have a fine collection of them already on hand and expect the others before the opening of school. The only requirement the State makes is that all books be covered. These covers may be purchased at the stores or heavy wrapping paper used but not cloth.

We have been asked several times whether pupils will be permitted to take the books to their homes for night study. These books are to be treated the same as if they were the private property of the pupils. There must be the very best care taken of them. No writing or marking in them will be permitted and all books so defaced must be paid for.

We believe that the free text book is a good thing for the people and we shall do our best to enforce it in the interest of all pupils. With the exception of a few geometries and rhetorics all our books are new and we desire to keep them in the very best condition possible so they will last for several years though we expect the little first grades to wear out several primers and first readers each year. We here and now ask all parents to help us in making

the free text book law a success in Lubbock. M. M. DUPRE,
Superintendent Lubbock Schools.

PUBLIC OPINION.

An Issue to be Canvassed in Next Texas Biennial Election by the Democratic Party

Grant for the sake of argument that the Texas Legislature had a legal right, to ratify the Federal Suffrage amendment, which as far as their act goes amends Art. 6, Sec. 2, Texas State Constitution.

When the voice of the people of Texas had just declared against the amendment of said Article 6, Sec. 2, has not the Legislature by their act, annulled the voice—sovereignty—of the people?

Will not such a precedent finally tend to the overthrowing of constitutional government?

The first fundamental principle of democracy is, that the supreme power of government is retained by the people.

The issue above outlined is new. Such a thing has never before happened in any of the States. By a fair legal election upon the issue, the people said no. The legislature says you shall.

Shall the legislature's act of coercion stand as a precedent on challenge, by the democrat party?

SOME LOCAL NEWS FROM TERRY COUNTY HERALD

F. L. Boyd, formerly the County and District Clerk of Yoakum county, but now a ranchman of that county, happened to the misfortune of getting rattlesnake bit Monday. He was rushed to a sanitarium at Lubbock some time during the night, as it was feared that the wound would be serious.

The road crews are now on the Lubbock road leading out north of town, and in Commissioner H. H. Timmon's district, where they are doing some good work. People who have been over the road lately state that with possibly a few short places our end of the road was already better than the Lubbock end, and with this additional going over, we hope to have our end up in bully shape, and we hope our neighbor to the northeast will also get busy on their end.

The First National Bank of Brownfield, Texas, opened its doors for business Saturday morning, August 9th, at 9 o'clock, under the directing of R. M. Kendrick, formerly the cashier of the First State Bank of Plains, Texas.

We have been informed that Clyde Lewis awarded the material bill for the construction of the Dalton Lewis residence to the R. H. Kemp Lumber Co., this week. The bill amounted to about \$4,000.00.

Clarence Lewis got in Tuesday, from Honolulu, H. I., where he has been doing service as a coast artilleryman for Uncle Sam for more than a year.

Mr. Farmer and Ranchman

Put a loan on your land with terms that will help instead of hinder in the sale of your land. I can make you a loan that the terms of it will really be a selling point.

Now is the time to get all of your paper against your land rounded up and in shape to take advantage of the big advance that is bound to come to land this fall.

Come in and talk it over.
