VOLUME XX

LUBBOCK, LUBBOCK COUNTY, TEXAS, THURSDAY, OCTOBER 9, 1919.

NUMBER 15

PLAN FOR CHARITY ORGANIZATION

MINISTER SUGGESTS OUTLINE OF PLAN FOR ORGANIZATION THAT WOULD FILL REQUIREMENTS

PRESENT ORGANIZATION IS NOT EXTENSIVE ENOUGH

An Organization Should be Perfected so That All Cases of Charity Could be Referred to Proper Party Who Would Pass on Their Worthiness and Render Assistance.

In last week's Avalanche the Editor had an article on the need of a charity organization for our town that ought to appeal to our entire citizenship. Every town has more or less needy cases to be cared for. Appeals are frequent, and where these are made to individuals the burden is usually unequally distributed, and without system to the work. The one in either case he usually acts without knowing just whether the need is real or not, and he has neither the time nor the inclination to find out. By suggestion we here mention a plan in which we have worked, and know it to be successful. At a mass meeting of the citizenship a temporary chairman is elected to preside over the meeting. The body expresses its purpose to create a charity organization, name to be selected. An executive committee of not less than five is elected, with officers appointed. Those who contribute to the fund become members of the organization, and, in the case of business men, membership cards, such as used by the Retail Merchants Association, are printed and placed in the store or office. The executive committee organizes and directs its campaign throughout the town for funds. It receives all applications for help, investigates reported cases of need, and treats each case on its merits. It makes a report through the local paper, as often as may be designated by the body at the time of organization, of all funds received, and how and when expended. The advantages are several. Some such plan will give system to our benevolent work, and usually provides a

large amount of fun than are available otherwise. It believes business men of much worth and responsibility as he refers the application to the executive committee, who, in turn, investigate the case. It safeguards charity work, of which there is a great deal misguidedly and misplaced. Sometimes it is far better to find a person a job that will give him money, unless for immediate necessities.

We would be glad to see some benevolent organization in our town and will gladly pledge to our encouragement and hearty cooperation.

W. A. JEWEN.

Since writing the article last week we have learned that there was an organization and still composed of a number of young men of the town, that did much work of this nature last winter and helped many needy cases, and at the same time some money on hand to use in case it is needed. We do not wish to minimize in the least the work these splendid young people have done and are doing, but we believe that their scope of usefulness could be enlarged, and placed in position that all the people of the town will be made to feel a personal interest in the work, and if the young men are thoroughly organized for their work, then we are in favor of joining hands with them in making a drive for funds that they may be in position to take care of the situation it may arise. Lubbock should have a well organized charity association that is capable of meeting every requirement of this nature, and that is indicated by Rev. Bowen as a very feasible one.

A COTTON FAMINE SEEMS TO BE IN SIGHT

Austin, Texas, Oct. 6.—The Government estimate of 10,695,000 bales of cotton for this crop, is 534,000 bales less than Sept. 2nd. Nearly the entire belt is infested with boll weevil, leaf worm or boll worm. The effect of the boll weevil and leaf worm upon the final yield, is not easily determined early in the season. Bolls which appear safe this week, may prove ruined next. Immature bolls never fully mature when the leaves are stripped from the stalks before they are grown. This lessens the yield and length of fiber. The damage by these two insects may be expected to continue as a surprising factor through the season. A 10,000-000 bale crop, or less, should not be a surprise.

The serious question arising, and now being considered by cotton consumers is, "where will the supply of raw cotton come from?" English spinners now in the United States attend the New Orleans Conference, say "The South made a great mistake in reducing the acreage. That English spinners want 4,000,000 bales of this crop for their own use." English spinners are furnishing German spinners cotton to spin into yarn, on commission, and need 2,000,000 bales for that purpose. The mills of the United States want 7,500,000 bales, and Japan and Canada at least 1,000,000 bales. Neutral nations having plenty of money, want at least 1,000,000 bales. This makes 15,500,000 bales, and all want a better grade of cotton than that which was carried over from last year. France, Italy, Belgium, Germany, and other countries, are in need of from four to six million bales.

Of the carry over, after eliminating the linters and unspinnable cotton is estimated to be not more than 3,000,000 bales. Thus we have an eighteen to twenty million bale demand and a possible 13,000,000 supply. Can anyone imagine the scramble for cotton in the near future?

This country is tied up in a steel strike and England has been blocked with a railroad strike. President Wilson is sick and the Peace Treaty not signed. All of which will be adjusted soon. We should use good judgment and quit selling when such conditions arise. Added to these, we should not forget the shipping facilities of the world are not equal to that previous to the war, and cotton cannot be moved as fast as gathered. To rush it to market faster than it can be handled, is very foolish. Have we forgotten the loss of ships by the submarines?

The European countries are not back to normal conditions in finances. It will be several years before they are. They cannot buy a year's supply of cotton as fast as gathered. Someone must carry it. These spinners must have 8 or 10 months to buy and pay for the cotton they use of this crop. If we sell it faster, some speculator must carry it, and he will carry it only at a sacrifice to the producer. Bankers and merchants, you are business men, you know these are facts, you know the farmer ought to hold his own cotton. Are you doing your duty to him or yourself, if you do not urge him to do so?

While none of these handicaps

SOME REPORTS FROM THE RAIN OVER THE STATE

Rains covered practically the whole of Texas again during the past twenty-four hours, but in most sections this moisture at this time is considered an excess, and a detriment to crops. This is particularly true of North and Central Texas, where cotton that is already three weeks late will be thrown back another two weeks.

West and Southwest Texas points report particularly heavy rains Monday night. San Angelo, Kerrville, San Antonio, Snyder and Fredericksburg had torrential rains.

Showers are due to fall again in North, East and West Texas Tuesday night. Frost did not appear in the Panhandle Monday night, contrary to the weather promise.

Within the last forty-eight hours Fort Worth has received more than two and a half inches of rain, this making a total of about thirty-five inches since Jan. 1, or five inches above the normal fall for twelve months.

Rain points Monday night were as follows:

Abilene .32, Ballinger 2.10, Brownwood 1.38, Brownville .12, Clarendon .70, Corsicana .18, Dallas .16, Haskell .16, Kerrville 1.52, Lampasas .30, Luling 1.74, Quanah .80, San Antonio 2.56, Taylor 1.72, Austin 2.18, Hondo 1.40, Llano .90, Snyder 1.30, Uvalde .82, Waxahachie .34.

Heavy hailstorms which fell Monday in the ranch area about Big Spring killed some sheep and knocked the horns off of cattle. Abilene crops were likewise damaged by the hailstorm.

At Childress floods did great damage. The Fort Worth & Denver roundhouse was flooded and the structure caught fire, burning off the roof.

Railroad wire reports Tuesday indicated the extent of the rain, as follows:

Light on the Texas & Pacific from Fort Worth to Marshall; heavier on the same line from Fort Worth to Big Spring.

Good precipitation along the International & Great Northern to Mart.

Fair between Fort Worth and Waco on the Katy; heavy on the Rock Island to Waurika; good on the Frisco to below Brownwood.

STATE BOARD OF HEALTH TO MEET IN AUSTIN FRIDAY

Austin, Texas, Oct. 7.—The State Board of Health has been called to meet in Austin next Friday morning. It is a periodical session to generally discuss health conditions in the State and more particularly to consider the measures available for fighting influenza should it recur this winter in epidemic form. The meeting was called by Dr. C. W. Goddard, State Health Officer, who is president of the board.

SPEAKS FOR FIRST TIME IN FORTY-SEVEN DAYS

Vernon Smith, son of Ed Smith, of this city, who was injured by a horse which fell with him near Plains, in Tarrant county, spoke for the first time in forty-seven days, Tuesday of this week. Vernon's condition has never been thought serious enough to be fatal. Attending physicians made several examinations but found nothing apparently wrong internally. He lay during the forty-seven days apparently conscious but unable to speak. His father was living at Plains at the time of the accident, but since bought property here is making his home.

LUCK NEGRO FINDS SOME COTTON PICKERS

You men who have made trips in vain to different portions of the State and who are wondering how they can secure cotton pickers quickly, should contact Buster Halley, a new Lubbock, who returned this morning from South Texas—Buster brought home the goods. He was sent by J. O. Jones of the Security Bank and Trust Company, of this city. "Mista, you just to steal 'em. That's why I see a const larn to steal. Get in a const larn to where they are, call 'em any on to 'em until youse back home the advice Buster gave to a const larn interested in securing labor suppose the advice is good for it brought home a half dozen bibles."

CINCINNATI NATIONAL WIN WORLD SERIES

In the eighth game of the World Series played at Chicago, between the Chicago American League and the Cincinnati National League, the Cincinnati National became the owner of the pennant for the World's Championship baseball club. The score of the game was 10 to 5, four of which were made in the first half of the inning.

The National Baseball League made the owner of the pennant the first time in the past four years.

The Lubbock Battery Company has a message for you this morning. Read it. One of the strongest battalions of the South Plains and want a share of your business.

G. C. Jones on Wednesday from a few weeks in the oil fields in and Ranger. Mr. Jones also spent days in Fort Worth while attending to business matters.

F. N. manager of the Texas Motor Company, of this city, returned this morning from a business trip to Ralls and community

SUFFER LOSSES BECAUSE OF FAILURE TO PROTECT BALES

Another illustration of the enormous losses suffered by Arkansas cotton interests through failure to shelter cotton after it has been ginned is cited by D. C. Welby, agricultural commissioner of the Missouri Pacific railroad. He tells of the case of a planter near Morrilton, Ark., who suffered a loss of more than \$1,000 on 28 bales of cotton simply because he would not take the trouble to shelter the cotton from the elements.

The 28 bales, all owned by one planter, were brought to the compressor at Morrilton last week, according to Mr. Welby. After the cotton had been ginned, the owner had allowed the bales to lie out on the ground, exposed to the elements.

When they were brought to the compressor every bale of the 28 had suffered loss which ranged from 80 pounds to 410 pounds per bale. The four bales that had been damaged worst had averaged 520 pounds at the gin, making the total weight of the four bales .080 pounds. When these four bales were reconditioned, which included removing the cotton that had rotted, one weighed 180 pounds, a second 190, a third 120 and the fourth had left but 110 pounds. The total weight of the four bales after they had been reconditioned was but 600 pounds, making an actual loss of rather waste of 1,480 pounds on the four bales.

The other 24 bales of the shipment lost from 80 to 150 pounds each, making an additional loss of at least a ton of cotton.

"In these days of high-priced living, one of the most serious and unwarranted wastes is that which results from weather damage due to the careless handling of cotton," says Mr. Welby.

RECOMMEND SIXTY PARDONS BE GRANTED

Austin, Texas, Oct. 7.—The board of pardons advisors have within the last two weeks presented to Governor W. P. Hobby approximately 60 recommendations for pardons of Texas prisoners, according to information obtained today. A majority of the recommendations are for friendly convicts whose cases were investigated by the board upon its own initiative, as the convicts had no one to present their requests and evidence. These recommendations are awaiting action by the Governor, who is out of Austin at present.

COMMISSIONER'S COURT HELD SPECIAL SESSION

Last Saturday or October 4th, Commissioner's Court met in special session and the following is a copy of the minutes of the session as the same appears from the Commissioner's Court File Docket of Lubbock county:

Motion made that the place for holding an election in precinct 6 be at the residence of blank temporary until the school house in said District 6 is erected.

C. E. Moore was appointed overseer of the D. M. Moore road.

Motion made to order an election November 4th, 1919, for the purpose of determining whether the Commissioners court be authorized to assess, levy and collect annually a tax of and at the rate of not exceeding five cents on the \$100 property valuation for county park purposes.

Motion made to adjourn with one day per diem, except L. O. Burford, not present.

NEW AGENT FOR LOCAL EXPRESS COMPANY

E. H. Wagner and wife arrived in our city recently from Comanche to make their home. Mr. Wagner comes here as agent for the local office of the American Railway Express Company. He was agent at Comanche for the same company before coming here.

Since Mr. Reed, former agent here has been out of our city, C. J. Purden, of Plainview, has been acting as relief agent.

O. P. Sensabaugh, of Amarillo, also formerly of this city, has accepted a position with this company as cashier.

FURTHER DAMAGE REPORTED BY HAIL NEAR BIG SPRING

Big Spring, Texas, Oct. 7.—Further reports of the rain and hailstorm Sunday evening increase the damage. Many calves and sheep were killed in the pastures. Several houses in the Lees community had the roofs entirely riddled and the windows all knocked out. It is estimated that at least 200 calves of cotton and much feed were destroyed. The section visited north of town was about three miles wide and six miles long. South of town only about fifteen sections were included.

We call attention to the half page of the Texas Motor Car Sales Company in this issue. This company is making a fine record on sales and will in the near future have some extensive sales rooms in which to display their cars. For the present they will be on display in the Buick Garage building, on West North First Street.

Mrs. G. M. Thompson, mother of Mrs. George Murfee, of this city, who has been here spending the summer with her daughter, left this morning for her home in Weldon, Houston County.

Charlie Middleton of this city left last Sunday for Magdalena and other points in western New Mexico where he goes to attend to business matters.

LUBBOCK INSURANCE MAY GO HIGHER

RECENT INSPECTIONS BY STATE INSURANCE COMMISSION REVEALS HAZARDS THAT MUST BE CORRECTED

WEEDS, TRASH AND OTHER HAZARDS MUST BE MOVED

Every Property Owner Should Make a Special Effort to Have a General Cleaning Up and Prevent the Raise of Rates That Is Sure to Follow if Something is Not Done.

Austin, Texas, October 6, 1919. Mr. F. K. Mitchell, Fire Marshal, Lubbock, Texas.

Dear Sir:

We have your report on the original list of hazards sent you on September 20th, and note that some of them have been corrected while quite a good many remain the same. We especially note that some of the conditions reported not corrected are not necessary to the conduct of any business, that they are in violation of the Fire Marshal Ordinance, and therefore if not removed, the party should have fines assessed. We beg to inquire what action you take with reference to conditions of this character, where your orders for correction are not obeyed? It will be absolutely necessary for you to take action in some of the cases you mention, if Lubbock is to retain the credit which it now enjoys in key rating. Excessive and dangerous accumulations of buildings, and dangerous metal flues are within the provisions of your Ordinance, and this office is depending upon you to enforce the ordinance to the extent of having these accumulations removed and these flues repaired.

We have sent to each of the occupants or owners a "follow-up" letter direct, and we believe if you will again call on them you will be able to get conditions corrected in most cases, but if you do not, then it is your duty to immediately file complaints and ask the Police Judge to assess adequate fines.

Very truly yours,
S. H. INGLISH,
State Fire Marshal.

According to the above letter received by our fire marshal from the State Fire Marshal is self explanatory, except that it merely deals with the Marshal's duty in the matter. The State Insurance Commission is also watching the situation and if these corrections are not made within a reasonable time this commission will raise the key rate in Lubbock which will offset all the property owners of the city, and will work a great hardship on the property owners of the city. It will mean an increased rate of insurance that will amount to a large sum of money within a year's time, and we cannot afford to run the risk of this increase by merely being contrary or negligent in the matter of removing some of the hazards connected with our business houses, shops, etc.

Some of these hazards are mentioned in the Fire Marshal's letter, but another that confronts the property owners of Lubbock, is the immense accumulation of weeds on many of the lots and right up against some of our business houses.

It is greatly to the interest of every property owner in Lubbock to see that the premises are cleaned up. The weeds cut and all other necessary cleaning that the town needs in order that we may retain our present key rate and if possible get it reduced, which could be done if every property owner would keep the hazards far removed from the property all over the city.

Some of these hazards are mentioned in the Fire Marshal's letter, but another that confronts the property owners of Lubbock, is the immense accumulation of weeds on many of the lots and right up against some of our business houses.

LUBBOCK MAN TO ATTEND COTTON CONFERENCE

C. E. Maedgen, President of the Security State Bank and Trust Co., of this city, accompanied by his wife, will leave Saturday for New Orleans, where he goes as a delegate of the Texas Bankers' Association. Mr. Maedgen is also a member of the Agricultural Committee of this association. The World's Cotton Conference which Mr. Maedgen goes to attend convenes at New Orleans October 10th-18th.

CAPITAL AND LABOR MEET IN CONFERENCE

Washington, Oct. 6.—Interest in the nation's industrial situation, which is regarded as being critical because of increasing controversies between capital and organized labor, is centered here today, where representatives of both elements as well as public were to begin a conference. Their aim, according to the President Wilson when he issued the call for the meeting, will be to "arrive upon some common ground of agreement and action with regard to the future conduct of industry." Secretary Wilson, acting for President Wilson, will call the meeting to order.

FIVE COUNTIES HAVE FEW SCHOOL CHILDREN

Austin, Texas, Oct. 7.—There are five counties in Texas with less than one hundred children in the scholastic age—from seven to seventeen—according to the rolls of the state department of education. Cochran county has only two scholastics; Winkler 13; Hockley 20; Reagan 82; Upton 83.

Harris county leads in the number of scholastics with 46,666. Dallas county comes a close second with 46,494. Bexar county is third with 39,471.

HAIL DAMAGES AROUND STANTON

Stanton, Martin Co., Texas, Oct. 7.—A heavy rain and hailstorm visited this section Sunday evening, greatly damaging crops and grass. Five farmers have reported their entire cotton crop completely ruined by the hail.

The estimated damage to the community is between 25 and 50 bales lost in the fields. About four inches of rain fell.

The Texas Land and Oil Exchange Alexander and Posey, have moved from the Robinson Building on the South Side of the Square to the Lindsey Theatre Building. They have fixed up two nice office rooms there and are ready for the fall business.

F. M. Howard of Terry county, passed through here today enroute to Burkburnett, where he will spend the winter. Mr. Howard is shipping a car of horses and wagons there that he will work in the oil fields.

Dr. I. E. Barr returned this morning from a short business trip to Littlefield and Amarillo. Very bad roads were encountered by Dr. Barr on his trip which was made in his car, on account of the general rains over that section of the country.

According to the above letter received by our fire marshal from the State Fire Marshal is self explanatory, except that it merely deals with the Marshal's duty in the matter. The State Insurance Commission is also watching the situation and if these corrections are not made within a reasonable time this commission will raise the key rate in Lubbock which will offset all the property owners of the city, and will work a great hardship on the property owners of the city. It will mean an increased rate of insurance that will amount to a large sum of money within a year's time, and we cannot afford to run the risk of this increase by merely being contrary or negligent in the matter of removing some of the hazards connected with our business houses, shops, etc.

THREE ACCIDENTS AT PLAINVIEW DURING PAST WEEK

Friday night while Arthur Garrett and Ben Cox, two local young men, were driving a Ford car near town, and were racing with another car, an accident happened to the Ford and it turned over a couple of times, injuring both of its occupants. Garrett got his head badly cut, an artery in his head broken and there were many bruises all over his body. Cox got one of his legs injured. They were brought to town and given medical attention, and were up and about next day, though Garrett still has bandages about his head. The car was badly damaged.

The 12-year-old son of Mr. and Mrs. Amos Anderson, who recently moved here and bought the Campbell place in the western part of town was seriously hurt Sunday afternoon near the home, and has since been lingering unconscious except at intervals. He was on the running board of W. R. Hall's car, and stepped off most likely backward, and fell on his head.

While cranking a jitney Saturday night, J. B. Scott, manager of the Texas Utilities Co., broke an arm when the crank kicked backward.

Eric Posey, prior to entering the army some two years ago, was manager of the Lubbock Tailoring Company of this city, returned recently from overseas service with the Motor Transport Corps. Mr. Posey was overseas about fifteen months.

Mr. Posey informed us that he would take over the management of the Lubbock Tailoring Company Monday morning and wishes his old customers and new ones his trade.

SWEETWATER FREIGHT OFFICES WILL BE OPENED

Sweetwater, Texas, Oct. 6.—The Orient and Santa Fe Freight depots at this place will be opened up in a few days which will to some extent relieve the congested conditions of traffic.

This decision was reached at the meeting held at Fort Worth Saturday.

QUICK SERVICE STATION CHANGES MANAGEMENT

J. Morris Murphy has purchased the Quick Service Filling Station of Nevil and Hall and now has charge of the business. Mr. Murphy is from Plainview.

The following parties were issued license to marry as shown by clerk's record: E. Milford, Williams and Opal Akin, of Ralls; J. E. Gassaway and Joy A. Kelly; William J. Spikes and Pat Geraldine Rhea; Hubert L. Allen and Bernice Mae Blankenship.

E. M. Fleming, farmer, of Gomez, passed through here today enroute to Dallas, where he will attend the State Fair.

Sam Bennett of Ralls, who recently underwent an operation in a local sanitarium, is reported to be doing nicely and may return home today or tomorrow.

LUBBOCK MAN MARRIES AT AMARILLO TODAY

H. L. Allen, manager of the Texas Utilities Company of this city, and Miss Bernice Mae Blankenship, of Senath, Missouri, were married this morning at the First Baptist church in Amarillo. The ceremony was conducted by Dr. H. W. Virgin, pastor of the First Baptist Church of Amarillo.

Mr. Allen has lived in our city only about three months, coming here from Senath, Mo., where he has made his home since childhood. Mr. Allen, prior to coming to our city, was in active service with the Second Division of Engineers, for two years. Fifteen months Mr. Allen saw service as Master Engineer with this division in France. He is a young man with

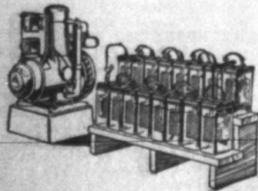

a very pleasant personality. The bride is the daughter of Mr. and Mrs. P. L. Blankenship of Senath, Mo., well known and highly respected citizens of that place. Mrs. Allen has also lived in the same city since she was a child. She and Mr. Allen having known each other as school children.

Mr. and Mrs. Allen will arrive in our city tomorrow morning from Amarillo and make their future home here.

O. F. Sensabaugh Jr., express man of Amarillo, formerly of this place, is here this week looking after his property interests.

J. E. Shelton, of Brownfield, was a business visitor here Tuesday, returning home Wednesday morning.

NEWS ITEMS FROM THE TERRY COUNTY HERALD

Raymond Barrier is having the old Barrier Brothers store building torn down, and will use as much of it as possible in the construction of a splendid new residence in the east part of town. We congratulate Mr. Barrier on becoming a home owner in our little city. We wish there were more such.

On last Sunday afternoon, Elmer Green and Miss Addie Whitley, both of Gomez, were quietly married at the bride's parents, Mr. and Mrs. Joe Whitley, of the above place, Rev. J. C. Lewis, officiating. Both are popular young people of the entire county, being well known, and they have a host of friends who join the Herald in wishing for them a long and happy married life.

Mrs. Simon Holgate left Tuesday for Lubbock to have some dental work done. Brownfield is again out of a dentist temporarily, and it is a big expense to have to go away each time one wants a little work done on the teeth.

There were about thirty cars of cattle loaded here Saturday, as follows: W. M. Stovall of, Dickens county loaded on twenty-six cars, purchased from Mr. Armstrong of Yoakum county, for the Fort Worth market. W. M. Herring, of Amarillo, 2 loads to Fort Worth and Ben Smith, of Lovington, N. M., loaded two cars at Seagraves for Ft. Worth.

There was kind of a family reunion at the editor's house this last Friday, when the madam got in from the Lubbock sanitarium, and we believe we were the prouder of the two, although she stood all the suffering. But like all the other patients that come out of that great institution, there was nothing but praise of it from Mrs. Stricklin, and that praise reached from the youngest nurse to the head nurse, and on to the heads of the sanitarium. By the way, they are going to add a new story to the building in the near future, and Dr. Ponton assured us that it would be dedicated to Terry county. Well, when the big dedication ceremony takes place, and the big banquet is spread, they can just bet that old Terry will be there with a great majority. These folks are needing some more nurses badly, and any young lady in good health, and with a good character can get in there, and good wages are paid. After a young lady serves the allotted time, and becomes a graduate nurse, her career is then assured at splendid wages the balance of her life.

BOY SCOUTS HAVE OUTING AT COTTONWOOD

Last Friday night proved to be a hilarious time for the seventeen scouts who went to Cottonwood for an outing. Provided with blankets, supper, and breakfast, the boys were taken in cars to this ideal place. After playing ball for awhile the crowd got busy cooking supper. A rest was necessary just after the meal, and then the fun began. At the wee small hour of 2 a. m. quiet settled down over the camp, but this was broken at daybreak by the early risers.

We are indebted to Mr. Geo. Boles and the men who furnished the cars for the pleasurable occasion which we shall not soon forget.

Scout Leader.

S. B. Hatchett of Tahoka, was here Tuesday of this week attending to business matters.

C. I. Bedford, of Plains, was here one or two days the first of this week transacting business.

OUR DEPOSITORS

Is it not reasonable to assume that a bank is more willing to assist its customers than those who keep no bank account? The more dealings you have with a bank, the better acquainted you get with its officers and the more willing they are to accommodate you in any way consistent with sound banking.

The policy of the FARMERS NATIONAL BANK is to be helpful to its depositors and to make it pleasant for them to use our bank by attending to their financial wants promptly, courteously and satisfactorily. We feel that between us and our depositors there exists a strong bond of confidence, co-operation, and business friendship.

We cordially invite your banking business of every character.

CITATION BY PUBLICATION

THE STATE OF TEXAS. To the Sheriff or any Constable of Lubbock County--Greeting: You are hereby commanded to summon--Mary M. Conklin, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District; to appear at the next regular term of the District Court of Lubbock County, Texas, to be held at the Court house hereof, in Lubbock, Texas, on the 2nd Monday in December, A. D. 1919 the same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said Court on the 24th day of September, A. D. 1919, in a suit numbered on the docket of said Court, No. 1272, wherein J. F. Conklin, is plaintiff; and Mary M. Conklin, is defendant; the nature of plaintiff's demand being as follows:

That plaintiff is an actual bona fide inhabitant of Texas, and has been such inhabitant for more than twelve months next preceding filing this suit, and he has resided in Lubbock county more than six months next preceding the filing of this petition in this cause.

That on February 18, 1912, plaintiff was married to defendant and lived with her until April 15, 1917, when defendant abandoned plaintiff, since which time, plaintiff has not seen the defendant. That defendant was guilty of cruel treatment and outrages toward plaintiff of such a nature, as to render their longer living together as husband and wife, wholly unprofitable. That defendant has no love for plaintiff, would not consent to his company and refused to be a wife to him, or to attend to her household duties, and would not cook plaintiff's meals, and would leave home without knowledge or consent of plaintiff, not returning until late hours at night, and would refuse to tell plaintiff where she had been or what she had been doing. That defendant is a woman of violent temper, and without cause and on the slightest pretext, would fly into a rage and threaten to cut plaintiff with a knife or strike him with any object she could get her hands on. That defendant persisted in associating with persons of low morals, and of bad reputation in the community, in which they lived, knowing such persons to be of such reputation, and over the objections of plaintiff, would bring such persons into his home. That defendant, clandestinely and without the knowledge of plaintiff and while he was away at his work, left him, under circumstances of a suspicious character, and plaintiff has not seen her since and never has known since she left, anything of her whereabouts. Plaintiff prays for judgment for divorce, costs of suit, etc.

It is herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Lubbock, Texas, this 25th day of September, A. D. 1919.

JAM T. DAVIS,
Clerk District Court, Lubbock County, Texas.

FARMERS PROPOSE TO KEEP MORE SHEEP

That there is room on the average farm to care for a small herd of sheep and ultimately result in more profits and security is being realized by many of the Lubbock county farmers. Sheep on a small scale, being a wool-bearing animal, besides prolific in lambs, is sure to be regular commodity for the better farmers in the South Plains. An investment of a few hundred dollars, or to say, an investment for the average Lubbock county farmer, is more apt to return part of the investment, securing the principal at the least expense in quicker time than any other safe investment. We have seen the results that our farmers who cared for small herds of sheep this year got, and now believe as they do, that with sheep on our farms, Lubbock county will have more happier and prosperous farmers than it would otherwise.

S. D. Stewart, one of our successful farmers, who lives eight miles south of our city, recently bought two hundred ewes, which he will put on his pasture in a few days. Mr. Stewart has found by figuring a little, allowing plenty of margin for

losses that sheep will return more dividends in less time than cattle. Mr. Stewart finds that his investment of \$2000 in the two hundred head of sheep, should return at least, judging from the past year's results, eight hundred dollars in wool, and figuring at least one hundred and fifty lambs for his next year crop, the lambs figured at \$7 per head--last year's figures--leaving only one hundred and fifty dollars unreturned the first year, of his first investment of \$2000.

With a small herd of sheep on all our farms, we believe we will have a more prosperous country. These men can receive the aid and advice regarding the purchase of these herds, through the County Agricultural Agent or the Lubbock County Sheep and Wool Growers' Association.

J. E. Fleming, of Southland, is here this week, consulting with local physicians and attending to other business matters.

Mrs. M. E. Lowery of Hoquiam, Wash., arrived the first of this week in our city, to spend a few days visiting with her brother, G. K. Watkins.

SADDLE SHOP GETS LOCATION ON NORTH FIRST ST.

The building recently vacated by Davidson's Feed Store, has been leased by the new firm of Midland which will start a saddle shop in the immediate future. Mr. G. M. Caudle and family, of Midland, arrived in our city the first of the week. Mr. Caudle is a member of the new firm and contemplates making our city his permanent home.

Neuralgia of the face, shoulder, hands, or feet requires a powerful remedy that will penetrate the flesh. BALLARD'S SNOW LINIMENT possesses that power. Rubbed in where the pain is felt is all that is necessary to relieve suffering and restore normal conditions. Sold by All Drug-gists.

WHEN MEALS HIT BACK

"Pape's Diapepsin" instantly Ends Indigestion, Sourness, Stomach Acidity

Are lumps of undigested food causing you pain? Is your stomach acid, gassy, sour, or have you flatulence, heartburn? Then take Pape's Diapepsin.

Just as soon as you eat a tablet or two of Pape's Diapepsin all that dyspepsia, indigestion and stomach distress caused by acidity ends. These pleasant, harmless tablets of Pape's Diapepsin never fail to make sick, upset stomachs feel fine at once, and they cost very little at drug stores.

LUBBOCK COUNTY EXHIBIT LOST IN TRANSIT

F. D. Brown, assistant secretary of the local Chamber of Commerce is in receipt of two communications from George W. Briggs who is in Dallas in charge of Lubbock County's exhibit for the State Fair. The first letter received was Monday morning. In this letter Mr. Briggs states that the exhibits had been delayed and expressed some anxiety about the inconvenience of the delay to his successfully handling the exhibit. Tuesday Mr. Brown received a wire message from him, stating that some of the freight and express, meaning some of the exhibits, had been lost en route and that there seemed no hope of their recovery; also he requested that Mr. Brown express to him immediately, samples of cotton and sudan.

On account of the incessant rains this week, practically stopping travel from and into the country, the samples will be hard to secure, however, Mr. Brown is trying hard to get them quickly.

Things have taken a wonderful change in the past twelve months many of those fellows who were howling drouth devastation of West Texas are now coming from the great North Texas and East Texas seeking work. Well, we receive the prodigals and there is plenty and to spare in West Texas, and we are glad to have them come and help us gather our bumper crop. Just keep coming and bring your duds with you and stay.

PUBLIC OPINION

The Federal Supreme Court Has He'd "A Constitution is the Form of Government, Delineated by the Mighty Hand of the People", Which Means, and not, Their Representatives.

The query with some is, why such a cry against a precedent nearly as old as the government. My answer is, because the State of Texas had had a fair and legal election and proposed an amendment of the State's constitution, duly submitted and the people by their votes declared against the amendment. And in less than thirty days after the election, the legislature convened and openly declared you—the people—shall submit to the amendment. This is something new and without precedent, this is one of my reasons, and not that it happened to be the Suffrage amendment. My other reasons are, I think that all proposed federal amendments should be submitted to conventions of the States, then it would be legal and right to a certainty, and protect the supreme right retained by the people, against the fiat of their representatives.

The amendment of a constitution is the making of constitutional law, just as much as was the making of the original. And it is conceded by all: That the supreme power of adopting a constitution for federal or State government is retained by the people. And it is a rule of constitutional law, that only the power that adopts, can alter or amend. The Supreme Court has held: "A constitution is the form of government, delineated by the mighty hand of the people, in which certain first principles of fundamental laws are established. It is the basis of legislative authority, and lies at the foundation of all law." VanOrne vs. Dorrone 2, Dall 304.

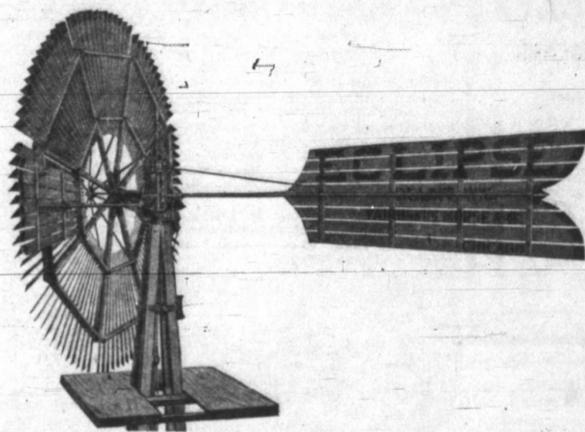

The power given Congress and State legislatures to amend—make—constitutional laws, conflicts with Art. 5, Federal constitution, which provides that proposed amendments be submitted to conventions of the States. Also with Art. 7, which provides that the constitution be submitted to conventions of the States for adoption, and in the main the decisions of the Supreme Court. When laws conflict, and one mode is shadowy and unsubstantial, and the other mode substantial, the latter must prevail. 16, Pat. 539. Precedents, as a rule and custom, is an excuse for further actions along the same line, but when judicially tested, and is found to conflict with law, the law prevails.

The exact point—issue—Has Congress and State legislatures the power to make and alter constitutional laws—has never been presented to the Supreme Court for judicial action. This court has many conflicting decisions, as to whether the government was formed by the people of the States, or the whole people, regardless of the States. But that the government and its constitution was created by the people and not their representatives. There is no conflict in these decisions, as to amendments of federal constitution; the great error is that the courts and people acquiesce in the precedent laid in the early days of our government. Geo. L. Beatty.

"SEE ME BEFORE YOU DIE"

More people can afford to buy Life Insurance today than ever before in the world's history; and more people need it, appreciate it, and are buying it. No longer need our country have its appalling and disgraceful record of 3,127,000 widows over 65 years of age, 33 per cent of whom lack the necessities of life and 90 per cent its comforts; 7,000,000 women compelled to earn their own living; 1,900,000 children from 10 to 15 years of age working for their living who ought to be in school; 1,000,000 dependents and delinquents in public institutions. A great part of this condition can be and will be eliminated by means of life insurance.

THE ECLIPSE MILL

Is the Mill for You---It is the Cheapest Pumping Power on Earth

Sold for 50 years—some of them erected 38 years ago still running. When you consider the life of an Eclipse mill it is certainly economy to buy one. Many ranchmen have used the Eclipse mill for years and it is no trouble to find mills which have been used for 10 to 20 years and good for many years to come.

The Eclipse is made from the best material that can be gotten, true to pattern, so that they are perfectly balanced. They have few working parts to wear out. The fans in the wheel are wider than any others, hence have more wind surface, consequently more power.

If you want satisfaction and service, you want the Eclipse.

The Western Windmill Co.

GAINES COUNTY DISTRICT COURT SESSION SHORT

It looks as though Gaines county holds the record in the 72nd Judicial District, relating to court matters. From members who attended the session held at Seminole recently we learn, that only one indictment was found and turned into the court, by the grand jury, that there was but one case on file on the docket and it necessitated continuance. So court adjourned without hearing a single case.

Why Suffer?

Mrs. J. A. Cox, of Anderson, W. Va., writes: "My daughter... suffered terribly. She could not turn in bed... the doctors gave her up, and we brought her home to die. She had suffered so much at... time. Having heard of Cardui, we got it for her."

CARDUI

The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at... Cardui cured her, and we sing its praises everywhere. We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. Try Cardui. E-77

There should be a general cleaning up of the town this month. All the weeds should be cut, raked and burned. It will insure better health and there will be less danger of fire.

LUBBOCK SOCIETY NOTES

MRS. A. B. ELLIS, Phone 605.

Last Saturday night the Methodist parsonage was the scene of a merry party when members of the Intermediate League were entertained by Mrs. J. T. Griswold. The early part of the evening was devoted to music and games and at a late hour ice cream and cake were served to the following guests: Misses Anita Green, Vada Cannon, Dorothy and Addie Lou Posey, Robbie Turley, Edna and Flora Sims, Ina Mae McCollum, Ferrell Maud Harvey, Vesta Lancaster, Lois Tubbs, Dollie Pruitt, Evelyn Posey, Addie Concord, Jewel Pollard, Anna McClendon, Bessie Stringer, Edith Thomas and Clarence Phillips, Alton Hutson, Raymond Bullock, Lata Adams, George Stringer, Lonnie and Bob Brown, Eugene Wilson, Jack Griswold.

Bridge Club
Mrs. A. V. Weaver proved a charming hostess to the Bridge Club Tuesday afternoon in her lovely home on West Broadway. Five tables of players enjoyed a number of interesting games. Mrs. Woodall of Austin, Mesdames G. G. Johnson, T. B. Duggan, D. Robinson, Misses Marion Conley and Ruby Rogers, were guests of the Club.
Dainty refreshments of gelatine salad, bread and butter sandwiches, coffee and cake were served to the guests and members of the Club: Mesdames Neill Wright, J. A. Rix, McLarty, L. S. Mast, L. T. Martin, Noone, W. B. Powell and the hostess Mrs. Weaver.

Rhea-Spikes
Miss Pattie Rhea and Mr. W. J. Spikes were quietly married Monday night at the Cumberland Presbyterian Manse, Rev. A. A. Collins performing the ceremony.
The bride has made her home here for some time with her sister, Mrs. Ed Wilson. She possesses the many attributes which characterize a true woman and by her charming manner and gentle disposition has made many warm friends.

The groom is the son of Mr. and Mrs. Sam Spikes, of Lubbock, and has lived here for a number of years. He has recently returned from France where he performed valiant service for his country. He is a promising young man of splendid business ability and is to be congratulated on his choice of a life partner.
The many friends of this estimable young couple wish them much happiness.

A delightful dance was enjoyed by quite a large crowd in the Elk Hall last Friday night. An orchestra of several pieces furnished good music and dancing was enjoyed until a late hour.

Miss Alberta Edler has returned from a visit to relatives in Crosbyton. Mrs. Duke, of DeLeon, is in Lubbock attending the bedside of her mother who is ill in a local sanitarium.

Mr. and Mrs. W. E. McClendon have returned from a visit to points on the Orient. While away they attended the marriage of their niece, Miss Ruth McClendon, of Rochester, to Mr. Kirby Woods, of Ranger. Mr. and Mrs. McClendon report a most delightful visit.

Mr. J. E. Blackwell is visiting friends in Ranger this week. Mrs. Mullican and children spent the week-end at the parental Mullican home near Shallowater.

Mr. Cooke returned from Abilene Monday where he was called by the illness of his father.
Mr. E. W. McGaff of Wichita Falls, was the guest of Mr. and Mrs. George Morris Sunday.

Mrs. Adalaide Green arrived Thursday from Floydada to visit a few days with her sister, Mrs. L. A. Posey.

Miss Lottie Settle returned to Slaton Monday to resume her duties as music teacher, after spending the week-end here with her parents.

Mr. Erick Posey returned last week from overseas duty. He has been gone from the United States for nearly two years and his many friends extend him a warm welcome home.

Mrs. E. O. Nichols, of Plainview, visited her mother, Mrs. L. A. Posey Saturday and Sunday.

Mrs. T. C. Willett of Slaton is the guest of Mrs. J. P. Posey.
Mrs. Buchanan of Post City, is here with her son who is receiving treatment in a local sanitarium.

Mrs. Hoke returned to her home in Taylor this week after visiting in the home of her daughter, Mrs. H. T. Kimbro.

Mrs. John Denman and children are home after an extended visit in Floydada with relatives.

Mr. and Mrs. Fletcher Richardson and mother have gone to California where they will reside in the future.
Mr. and Mrs. Elton George and children visited Mr. and Mrs. William George last week.

Misses Mary Dickinson and Yancy Lee visited in Floydada Saturday.
Misses Edith Carter and Ruth Barber returned Sunday from Floydada where they visited with friends.

Mr. Harry Miller, of Ralls, visited in the home of Mr. and Mrs. A. B. Ellis Monday and Tuesday.

Mrs. Clyde Lewis, of Brownfield, was the week-end guest of Meses. May James and Adalaide Summers.

Mrs. J. J. Blain left Monday for a few days stay in Slaton.
Mrs. J. R. Irvin who has been visiting her daughter, in Crosbyton, passed through here Monday on her way to her home in Maysville, Mo.

HIGH SCHOOL NOTES
Lubbock High School entered upon its fifth week of work Monday, October 6, 1919, with quite a few new students in the primary department, as well as in the high school department.

On account of the heavy rains this week there have been several absences, also some sickness.

Bro. Graves, of Allen, Texas, gave us a splendid talk last Thursday morning, which was thoroughly enjoyed by everyone present. We hope Bro. Graves will make Lubbock his future home, and visit the high school quite often.

A very interesting game of football was played between the Lubbock team and the Plainview team, at Floydada last Saturday. The score was 44 to 0 in favor of Plainview. The Lubbock boys, however, do not feel that they were beaten, owing to the many difficulties under which they were playing. The old players displayed wonderful skill, as did each of the new players, but the Plainview team had the advantage all the way around, both in weight and experience. Mr. Slagle has asked Plainview for a game Thanksgiving, and we hope they favor us with their presence here at that date.

There is a great future ahead of the Lubbock team and we are sure by November they will be entirely able to give Plainview what is coming to them.

Last Friday morning the newly elected yell leaders, and their assistants, with the help of Mrs. Meskimmens, and Miss Nichols, took the chapel period to practice some songs and yells. We are having some folders printed with several yells and songs on them, and by the next football game we will be in perfect readiness to back the team.

Two of our ex-senior girls, who are attending school in Virginia, write back saying they are delighted with the school, and certainly are shining at the formal receptions, and other social functions.

Friday afternoon, after school hours, there was a teachers' meeting in the senior room. Each teacher came out with a beaming countenance, and rejoicing hearts, and they have been so pleasant all week, we investigated the matter, and found it was pay-day.

More people are finding their way to the MILLER GROCERY EVERY WEEK, because those who trade with us make no secret of our prices and service being the very best. The school children find our store a pleasant place to trade. We invite you to give us a trial order.

For the best satisfaction in tailoring see the Lubbock Tailoring Company. Phone: 85. 151

Miss Corrine Witt of Slaton, who underwent an operation in a local sanitarium last week, was able to return home Tuesday.

Rev. H. L. Hughes of Ralls, is in town today transacting business and visiting with friends.

Be a hundred per cent citizen—cut the weeds off your premises and if you own vacant lots clean them up too.

Our East Texas friends fight the west, but we notice in an article published recently that Lubbock county is contributing from five to fifty thousand dollars every year to the support of the schools in some of the eastern counties. Lubbock county pays into the state school fund \$31,213 and the state returns \$18,090, just \$13,123 less than she pays to this fund, and every other West Texas county receives about the same treatment in proportion.

"Just can't work any more." The faded, faded, over-worked woman, with pains here or there, should ask her neighbor for advice. Ten-to-one she was dragged down by the pains and ailments of her

sex, and was completely cured by that temperance tonic made from wild bark and roots, and known for 50 years as Dr. Pierce's Favorite Prescription. When a woman complains of back-ache, dizziness or pain—when everything looks black before her eyes—a dragging feeling, or bearing-down, with nervousness, she should turn to this "temperance" herbal tonic, known as Dr. Pierce's Favorite Prescription. It can be obtained in almost every drug store in the land and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid. Dr. Pierce, of Invalids' Hotel, Buffalo, N. Y., will send a trial size for 10-cents.

BATON ROUGE, LA.—"Going thru middle life I was afflicted with heat flashes and dizzy spells. Some friends of mine advised me to try Doctor Pierce's Favorite Prescription and I was mighty glad I took their advice for it gave me more comfort and relief than any medicine I had ever taken. I came thru the change in excellent health; the heat flashes and dizzy spells left me at once. I cannot praise 'Favorite Prescription' too highly for the good it did me at that critical time."—Mrs. N. B. LUTHERMAN, 128 St. Napoleon.

Your Old Suit

Will Look New

if you will send it to us and have us clean and press it you will not need to spend that \$50 or \$60 for a new rig.

If you want a suit however, we have a fine selection of samples to select from, and our tailors are as good as the best, and you will be pleased with the suit you buy from us.

KINDERGARTEN HELPS FOR PARENTS

(By Sarah G. Simpson)

Consistency

Consistency is one of the fundamental qualities of discipline, and from my own experience I have found it to be most important. It should always be accompanied by kindness. More mothers have trouble with their children because of their own inconsistency than for any other one reason.

Johnnie comes home from school and asks, "Mother, may I go over to Billy Baker's to play?" and Mother, knowing that Billy's influence is not good, refuses. Johnnie displays more or less temper, but Mother is firm, and Johnnie stays at home. A few days later, however, Johnnie makes the same request, and Mother, who is entertaining a caller, lets him go for a little while. This is a case of inconsistency, and in order to save one scene, Mother is laying a good foundation for many more. The probability is that had she replied, "Mother has told you before," the matter would have ended there, or even if he had cried a little and "made a scene" the son would have had a valuable lesson and learned that Mother meant what she said. His love for the moment might have been shaken, but eventually Johnnie would have been a happier boy and his love and respect for his mother would have been greater.

The value of consistency cannot be over-estimated. The tiniest baby should be dealt with kindly, but firmly. A mother can develop the teasing habit in her child while he is still in his cradle if she lacks this quality of consistency. At one time when her baby cries she does not pick him up for she says, "It is not good for him and he is forming bad habits." But the next day if she is nervous and unwilling to endure his noise, she yields "just for once." The result is that she gives in to her child more or less through his later childhood.

Again, with an older child, the mother will partially concede, a sort of compromise, and the child is keen enough to know that he has gained his point and each time he will seek to gain a little more, until the mother realizes when it is too late, that her problem is great and her word really has very little weight.

My advice is: be considerate in your requirements of a child, and then be consistent in seeing that these requirements are carried out. Irritable, nagging mothers and unattractive, nervous children would be almost unknown if the former could realize the importance of kindness and consistency. Lack of sympathy and strained relations between parents and their older children often spring from habitual inconsistency.

Perhaps the most important thing of all is this. When you make a legitimate request you must know

READY

I am ready for business and am prepared to do your work promptly. I have installed a

Phone 319

within yourself that you expect it to be carried out. Then if you are disobeyed you must calmly, but definitely and emphatically, see to it that your request is complied with. This method cannot be practiced today and neglected tomorrow, but must be consistently followed.

The future happiness, character, and well-being of your little one depends entirely upon firm, wise and consistent guidance. It is these fundamental qualities of mother-discipline that train the strong-willed little sons and daughters into splendid men and women.

Farmers are bringing their cotton to Lubbock this year to sell it. Some are coming from the very door of other towns. They get a better price, who could blame them?

LYRIC

THE PLAYHOUSE OF QUALITY

the support of the State government, schools and pensions. There are eight counties which receive almost as much from the State for their purposes, and there are seventy-six counties which receive more school funds than they pay in school taxes. All the foregoing is substantiated by the figures in the table given below, this being the first compilation under the new assessments and new scholastic apportionment.

Of the four counties which receive more than they pay three are in East Texas, with large negro populations, and one is a Mexican border county, with a large number of Mexicans within its borders. Houston County received \$84,517 this year in scholastic apportionment and pays \$64,750 in ad valorem, school and pension taxes, Panola receives \$54,622 and pays \$45,000, Upshur gives \$57,052 and contributes \$53,500 and Starr will get \$24,502, while paying but \$22,119.

The eight counties which receive almost as much from the State as they pay in all State taxes are Gregg, Harrison, Hopkins, Marion, Shelby, Smith, Webb and Wood. It is noticeable that seven of these are East Texas counties with large negro contingents, while Webb is a border county with numerous Mexicans.

In the west and northwest, where there are large cattle renditions and the population is sparse, these counties pay a materially larger per cent in taxes than is returned to them from the State available school fund.

The table below shows in the first column the amount each county will pay the State on the new school tax rate of 35c on each \$100 of assessed valuation, the second column the amount apportioned on the basis of \$7.50 for each child within the scholastic age enrolled in respective counties.

County	Amt. Paid	Amt. Recv.	County	Amt. Paid	Amt. Recv.

For Your Complexion

The ladies of Lubbock will find EVERYTHING FOR THE COMPLEXION at our store any season of the year. We handle the very highest grades of all kinds of toilet articles and we can supply your wants in this line.

FANCY STATIONERY, WRITING MATERIAL, BOOKS AND MAGAZINES.

TO STOCKMEN—We have the cheapest VACCINE in the city. See us about it.

LUBBOCK DRUG COMPANY

"The Yellow Front"

G. GRANVILLE JOHNSON, Prop.

Phone No. 152

Mrs. Wm. J. Goldsworthy received word Monday from St. Louis, Mo., stating that her husband, who is receiving medical treatment in that city, was not doing so well, and would probably undergo an operation this week. Mrs. Goldsworthy left Tuesday morning for St. Louis.

J. K. Hall, apple dealer of Plainview, was in our city this week attending to business matters.

Dick Howard wants to sell you gas and oil. Phone 29. 13tf

SHROPSHIRE RENTS QUARTERS IN THOMAS BUILDING

Louie Shropshire, the well known racket goods dealer, has found that his business has grown to an extent that it demanded larger quarters. Mr. Shropshire has leased half of the Colby Thomas building on Broadway and will move his stock to that place in a few days.

RILEY DUFF LEAVES FOR EASTERN MARKET

Riley Duff, furniture dealer of this city, left Tuesday morning for Dallas. Mr. Duff will remain there a few days to attend the reunion of the 90th Division that will be held there October 11th, and the State Fair. From Dallas, Mr. Duff will go to eastern markets to purchase more stock for their growing furniture business.

Dick Howard wants to sell you gas and oil. Phone 29. 13tf

LEASE SPECULATOR MAKES SHORT VISIT HERE

John Crawford of Desdemona, who it will be remembered, leased several thousand acres of Lubbock county land, for oil and gas purposes, was here the first of this week attending to business matters. Mr. Crawford recently sold these many leases that he held in this country to different oil companies, who in turn have subleased to individuals, mostly in the northern countries. Mr. Crawford does not believe there is a chance for oil wells in this country. Because, he says, this country is void of the formations shown in geological maps of oil countries.

Anyway Mr. Crawford has scattered leases over the northern countries. Indirectly these leases have reached individual investors. It is an every day occurrence for some of our county officials to receive inquiries regarding oil development in Lubbock county. Some write and wish to know, "how far the pipe line is from their holding." Others write and want to know how many flowing or producing wells we have in our county and the number of dry holes. Mr. Crawford says that he can have a well dug in our county, even though the geological reports are unfavorable, if he could secure a lease of twenty-five thousand acres.

The Avalanche is in receipt of a letter from Willie Russell, formerly with the Jackson Brothers grain and feed store at this place, now at Eastland, Texas. He is with the Guaranty State Bank of Eastland and seems well pleased with his position, and orders the Avalanche sent to his new address. He has for some months been attending a business college at Abilene.

C. M. Furneaux and wife, of Sudan, were here one or two days this week shopping and attending to other business matters.

Universal Electric Irons now on hand. Cole-Myrick Hardware and Implement Co. 14-1

SMITH'S CANDYLAND

THE NORTHERN STATES HAVE ADOPTED THE 56" AUTO TRACK WAGON

Which Wagon?

The One that Fits the Road—or the One that Rides the Ridge

Recommended by the Government. The standardized wagon fits the prevailing track made by automobiles and is the wagon you will want to buy.

This Wagon is Out of Date. This 60" wide track wagon no longer fits the roads when they are muddy and soft.

WOULDN'T you rather buy the style of wagon recommended by your Government, especially when it is designed to pull easier, ride smoother, and last longer—the wagon that fits the roads and does not ride the ridge?

The Standardized Weber "Auto-track" Wagon saves wear on itself, other wagons, automobiles, and rubber tires.

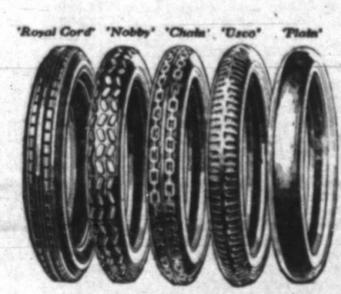

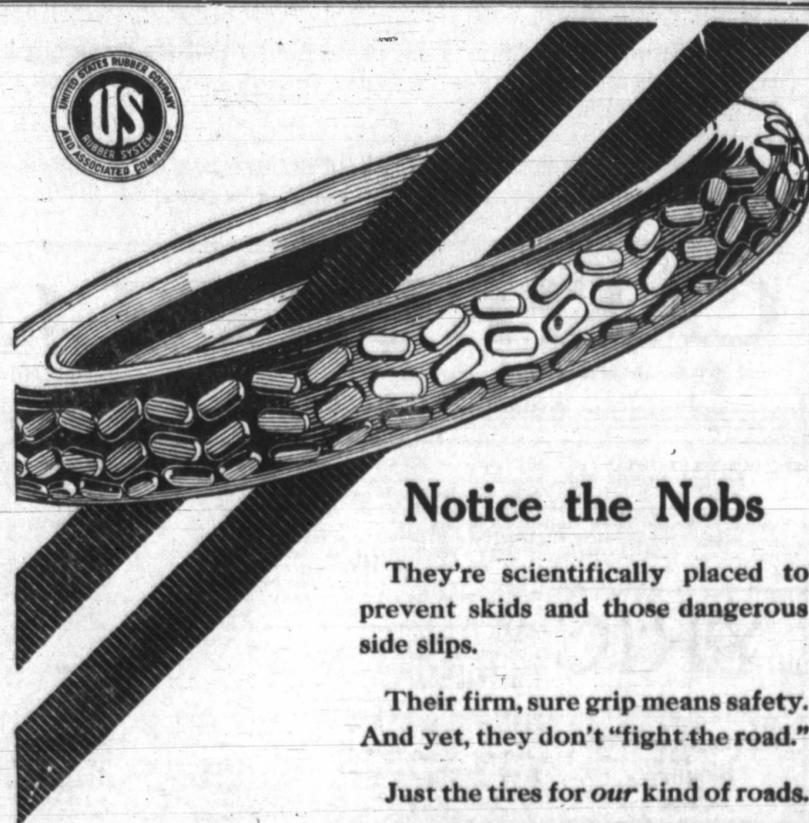

The Weber fifth wheel and swivel coupling wagon is either sold at a price much too low or most other wagons are sold at prices much too high, quality considered. Compare and draw your own conclusion.

To date the leading wagon manufacturers of America have sold at the most conservative estimate 100,000 standardized auto-track wagons. From this introduction it is but a step to universal use of this type of wagon.

Wouldn't you rather be identified with progress and recognized as an up-to-date farmer by doing your hauling with such a wagon than to be classed as an unprogressive "back number" by buying a 60-inch wide-track wagon, thereby helping some manufacturer and dealer to "unload" an obsolete type? Think it over—and then come and see us about a standardized auto-track Weber.

COLE-MYRICK HARDWARE & IMPLEMENT CO.

THE SOUTHERN STATES HAVE ADOPTED THE 56" AUTO TRACK WAGON

Notice the Nobs

They're scientifically placed to prevent skids and those dangerous side slips.

Their firm, sure grip means safety. And yet, they don't "fight the road."

Just the tires for *our* kind of roads.

There are four other United States Tires—every one of them a good tire.

No matter what your individual needs may be, we can fill them.

United States Tires are Good Tires

We know United States Tires are GOOD tires That's why we sell them

BRADLEY AUTO CO., Lubbock, Texas; TOMSON'S GARAGE, R. TOMSON, Lorenzo, Texas; IDALOU GARAGE, Idalou, Texas

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lubbock County, Greeting:

You are hereby commanded to summon Hazel Everline, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District, to appear at the next regular term of the District Court of Lubbock County, Texas, to be held at the Court House thereof, in Lubbock, Texas, on the 2nd Monday in December, A. D. 1919, the same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said Court on the 11th day of September, A. D. 1919, in a suit numbered on the docket of said Court, No. 1268, wherein George F. Everline is Plaintiff, and Hazel Everline is Defendant; the nature of plaintiff's demand being as follows:

That plaintiff has been an actual bona fide inhabitant of the State of Texas, for twelve months, and of Lubbock County for more than six months next preceding the filing of this suit. That on March 2, 1912, plaintiff was lawfully married to defendant, and cohabited with her as her husband until about September 14, 1914, when defendant left plaintiff with intention of abandonment, and did then and there abandon him, since which time plaintiff and defendant have not cohabited as husband and wife, and said abandonment took place more than three full years prior to the filing of this suit. That no children were born of said marriage and there are no property rights

IF TO BE FOUND ANYWHERE HARWELL'S GROCERY HAS IT

All will admit that we keep the best assortment to be found in the city, at prices that defy competition.

We give you merchandise—no premiums.

The highest prices paid for country produce. We pay 60c for good country butter and 45c per dozen for fresh eggs.

Chris Harwell's Grocery

WEST BROADWAY

to litigate in this cause. Plaintiff prays for divorce from the defendant, costs of suit, etc.

Herein fail not, but have you before said court, on the first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Lubbock, Lubbock County, Texas, this 11th day of September, A. D. 1919.

(Seal) SAM T. DAVIS, Clerk, District Court, Lubbock County, Tex. (12-4)

You need not hesitate to send the most delicate fabrics to our shop. We clean them perfectly and without the slightest injury. Lubbock Tailoring Co. Phone 85. 15-1

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 50c per bottle.

It would be a good idea we believe if our farmers would plant a good acreage of wheat this fall. With the start of season we have, we believe there would be no doubt of a good crop, and the pasturage will be worth a great deal this winter.

Universal Electric Irons now on hand. Cole-Myrick Hardware and Implement Co. 14-1

Are You Protected By Insurance?

You should know that your property is covered by insurance. BRIGGS AND YOUNG represent companies that make you absolutely safe should fire losses come. We keep you insured as long as you entrust your insurance with us.

Briggs & Young

Someone always on the job.
Lubbock, Texas Phone 96

LOCAL ITEMS FROM THE LAMESA REPORTER

The Chamber of Commerce has sent an exhibit to the Dallas Fair and probably C. T. Watson will attend to it there and at the Cotton Palace at Waco. Pamphlets have been ordered printed and about 10,000 will be distributed at the two places describing truthfully the advantages of this country. There is no real estate boom thunder in it but the real truth so when a man reads it and gets to this country he will not be disappointed. This institution is doing some real work.

On last Sunday at Lovington, N. M. Mr. Buck Crowley and Miss Addie Robinson were united in mar-

riage at the home of the bride. These are excellent young people and we welcome them to Lamesa. Mr. Crowley is clerking for Simpson & Jones. Mud and rain prevented the fair from being all it could have been and yet the field, garden and fruit products equalled any we ever saw and in some instances exceeded by far any we ever saw. The canned products were unsurpassed.

The rain fall according to the government test by Mr. Austin has been as follows for 1919 up to this date: January 30.100; Feb. 15.100; March 2.69; April 1.86; May 2.11; June 3.29; July 2.35; Aug. 2.35; September 5.46; Total for this year twenty and twenty-nine one-hundredths inches. Pretty good rain fall and at a time when it did good too.

PUBLIC OPINION.

Lubbock, Texas, R. F. D. The Avalanche.

I wish to inform the cotton growers of this county of the necessity of diversifying. Cotton at 33c will not pay the cost of production. When you consider the cost of labor, this year is proving very disastrous to us farmers in not receiving more labor. We have all, speaking generally, lost from 1-4 to one-half of our grain crops, and will lose a great deal of cotton now. We should diversify and not plant so much of one product. I came from North Texas to this country and I can average more off all farm products here one year with another than I could in Fannin County. I see a future to this South Plains country that no other country has or ever will have. While the eastern land is rising in value it is also wearing out. This country will prove to be one of the best cotton producing counties in the South Plains country but we should be conservative and take care not to overcrop ourselves. 75 to 100 acres diversified will produce far more than 100 planted as usual. We plant too much maize and kaffir and not enough other grain. Maize, at say \$20 per ton is very cheap, considering the value of it as a feed, and over production of maize is always going to place it below the cost of producing it. Now, if cotton could always bring 35c to 40c per lb. we farmers could afford to raise it. Now, some one may say the farmer is coming into his own, it's true he receives more for his products, but he also pays more for what he buys. So there it goes, the income is not equal to the outgo. It costs from \$1000 to \$1500 for a farmer to begin farming. For that reason there will be no one to begin unless things change. Therefore it is up to the farming class to keep production behind demand, and that will keep prices up. A warehouse at Lubbock for storage of grain and cotton would be a great thing for farmers who wish to hold their grain. Insurance, rent, would be very little to them, as they could sell as the demands should come. Better than way than dumping their products upon a market and overdoing the thing. Let's all cut cotton acreage down and plant something else. The whole cotton-growing states will make another reduction next year, let's get in line. 12 bales at 40c is better than 24 bales at 20c. Save labor and cost of production by planting some other crops and less cotton.

Yours for better times,
J. S. Richards.

WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong and Healthy

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 50 grains of waste matter daily, when unhealthy some part of this waste matter is left in the blood. This brings on many diseases and symptoms such as "water on the head," pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the stomach and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But you keep the filter right and the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.

J. H. Cooper, Propy, blacksmith shop, Sixth and Oak Sts., Colorado, Tex., says: "I have used Doan's Kidney Pills several times in the past. I took them for trouble with my back and from the results obtained, I know they are a good, reliable medicine. I gladly recommend Doan's to anyone, for they have surely benefited me." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cooper had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

A POINT OF VIEW

Some people, we fear, look upon a bank as a place where a few "Rich Old Codgers" keep their money.

Others not so fully prejudiced, may think only large accounts are wanted and that this bank would not care for their business.

If your point of view has been anything like this, we want to correct it NOW. We want you to feel that this bank wants and appreciates your business—large or small—and that an account here will be of great practical value to you.

If you are not already a customer of this bank, we will appreciate your giving us a trial and let us convince you that we are here to render a service that really serves our friends and customers.

The Citizens Nat'l Bank

"THE BANK OF PERSONAL SERVICE" LUBBOCK, TEXAS

IMPORTANT ELECTION NOVEMBER FOURTH

November the 4th a special election has been called by the Governor of this State in which several constitutional amendments will be submitted to the people's vote. On the same day a special election will be held in Lubbock county to vote on giving authority to the Commissioner's Court for assessing, levying and collecting a tax, not exceeding five cents on the one hundred dollar valuation of property in Lubbock county for County Park purposes. This last named election was ordered at a special session of Commissioner's Court held last Saturday. The order was made by the Court, following a presentation to them of several petitions signed by nearly a hundred tax payers, requesting the election.

There are several constitutional amendments that will be voted upon, November 4th, that all should consider well before casting a vote. Among those are:

Amendment to Section 49, Article 3, providing authority for the State to issue bonds, not exceeding 20 cents on the hundred dollars valuation of property in the State. These bonds not to be issued for more than the amount of \$75,000,000. The purpose being for the construction and maintenance of roads and highways.

Amendment to Section 51, Article 3, providing a special State Ad Valorem tax of 7 cents on the one hundred dollars, to create a special fund for pensions of confederates and their widows.

Amendment to Section 1, Article 16, providing for a division of the net profit derived by the State prison system, between the State and the prisoners confined or their dependents.

Amendment to Article 16, section 1, providing the city and county of Galveston with authority to issue bonds to the amount not exceeding five million dollars each. These bonds to be used to pay for the construction of water breaks, sea walls and other protections for the property and inhabitants of the County and City of Galveston. This amendment does not provide for a like issuance of bonds by any other county in the State. Galveston county feels able to construct and pay for the construction of their protection. She only asks that the people of the State give her the permission to issue the bonds.

Amendment to Article 7, Section 10, 11 and 12; providing for the separation of the funds provided for the upkeep of the State University, the Agricultural and Mechanical College, the State Normal and Industrial College. Providing that the University receive 66 2-3 per cent of the funds the State derives from the State School land. And 33 1-3 per cent to the Agricultural and Mechanical College. The State Normal and Industrial College of Prairie View (colored school) to receive its funds from the same source. The amount to be distributed by the Board of Directors of the A. & M. College. The Prairie View College will be a part of the A. & M. ceasing to be part of the State University.

Lubbock county will have a chance to provide the commissioner's court with power to levy a tax, not exceeding 5 cents on the \$100 property valuation in the county, for Park purposes. As the present time there is no provision of this nature in the

DEWS OF EVE

No More Gentle Than
"Cascarets" for the
Liver, Bowels

It is just as needless as it is dangerous to take violent or nasty cathartics. Nature provides no shock-absorbers for your liver and bowels against colic, harsh pills, sickening oil and salts. Cascarets give quick relief without injury from Constipation, Biliousness, Indigestion, Gases and Sick Headache. Cascarets work while you sleep, removing the toxins, poisons and sour, indigestible waste without griping or inconvenience. Cascarets regulate by strengthening the bowel muscles. They cost so little too.

Messrs. Martin and J. W. Gordon, of the northern part of Terry county, were in town one or two days this week attending to business matters.

Bring me your sweet potatoes to cure on the shares. Vest Manly, Phone 625. 1511

Universal Electric Irons now on hand. Cole-Myrick Hardware and Implement Co. 14-1

Lubbock is the center of many of most of the important Highways of the State. Yet there is no provision made, that tends to encourage travelers to pass this way or stop over. Lubbock is now past the stage of the average western village and is putting on developments of city nature. Unless we establish the many necessary improvements for the health and enjoyment of the people we will be with the bunch behind.

Every city in the State the size of Lubbock needs a park; places of recreation, amusement and other outdoor refreshments. To make these many things possible demands the expenditure of funds.

Whether we have a park, a place that could be used by the County in the Fair days or other like occasions of the county, a resting and recreation place, will be up to the voters November the 4th.

W. G. Cook, of Brownfield, passed through here Tuesday enroute home after spending a few weeks in the northwest Texas oil fields, attending to business.

Wormy children are unhappy, puny and sickly. They can't be otherwise while worms eat away their strength and vitality. A few doses of WHITE'S CREAM VERMIFUGE performs a marvelous transformation. Cheerfulness, strength and the rosy bloom of health speedily return. Sold by All Druggists.

LOCAL ITEMS CLIPPED FROM THE LORENZO ENTERPRISE

Matt Kirksey, a prominent farmer living three and one-half miles south east of town, was in last Monday with a bale of cotton and while here paid the Enterprise a pleasant call. He brought to town last Saturday a bale of cotton which, including seed, brought over \$200. Mr. Kirksey planted several acres this year with Mebane cotton seed as an experiment and which he said, would make more than a bale to the acre.

Mrs. J. E. Huckaby returned the first of the week from Huckaby, Texas, where she attended the bedside of her sister, Mrs. Pack. The sick lady was brought to Lubbock and placed in a sanitarium to receive treatment.

The meeting which is being conducted at the tabernacle by Evangelist C. D. Crouch is attracting considerable interest. While people are very busy yet there has been a fine hearing each evening. You cannot but be benefited when you hear these most excellent lessons. The

meeting will continue through Sunday. Be sure to attend.

Mr. and Mrs. R. L. Durham and Mr. and Mrs. L. J. Mathis were visitors in the city of Lubbock last Sunday afternoon.

Misses Eva Kelsey and Pearl Laird accompanied by Mrs. Llonia Laird were shopping in Lubbock Tuesday.

W. A. Ferguson and Irl Robertson left Monday for south Texas in the hope of securing negroes to help in the cotton fields. The cry for more hands becomes louder with each day and we are told by prominent land owners and farmers that it is not a question of high wages, but a question of saving their crops. A great many farmers will realize a bale, and over to the acre and the cotton is now opening faster than it can possibly be gathered under the present shortage of labor. If you want to get work come to Crosby County.

J. C. Whisenant of Terry county, is here this week attending the bedside of his son, Jim, who is in a local sanitarium receiving medical treatment.

KANSAS CITY MARKET REPORT OF LIVESTOCK

Kansas City Stock Yards, Oct. 8.—Hog prices were 25 to 40 cents higher today, sheep strong to 25 cents up and cattle steady to 25 cents lower. Demand for hogs and sheep was active, but liberal receipts of cattle, 37,000, the largest supply this year, had a weakening influence in the trade. The volume of business in the cattle pens however, was large.

Today's Receipts.
Arrivals today were: 37,000 cattle, 11,000 hogs, and 10,000 sheep, compared with 35,000 cattle, 10,000 hogs, and 15,000 sheep a week ago, and 41,800 cattle, 16,350 hogs, and 19,300 sheep a year ago. The bulk of the cattle came from Kansas, Oklahoma, and Colorado. Receipts from the Panhandle and the Southwest were moderate. A train load arrived from Utah.

Beef Cattle.
Several loads of choice heavy Missouri fed steers sold at \$16.25 to \$17.50, and wintered Kansas grass fat steers \$14.00 to \$14.50. They

WHEN THE GROCER'S BOY SAYS: "A DOLLAR-FIFTY-THREE!"

Of course you never have the even money—and the boy never has any change. You rummage everywhere for pennies

Or you run around among the neighbors—or the boy goes off with your five dollar bill. Or he takes back the groceries.

It's always annoying, isn't it?

And so unnecessary. When you open a charge account at our store your grocery troubles will stop and we will be mighty glad to have you among our hundreds of other satisfied customers.

Of course we expect all accounts to be paid on the first of each month and not later than the 10th so you can get trading stamps.

We quote a few prices below that will prove to you that we will save you money.

Spuds, in sack lots	3½c lb.	Coffee, Chase & Sanborn's Seal Brand	
Dry Salt Meat, by the Side	26c lb.	3 lb. can	\$1.85
Smoked Bacon, by the side	32c lb.	Cheese, full cream	40c lb.
Coffee, dark roast, bulk	35c lb.	Dr. Swartz Complexion Soap per box	65c
Coffee, Peaberry, bulk	45c lb.	Wild Rose Soap, 5 bars	50c
Coffee, Chase & Sanborn's	50c lb.	Light House Cleanser, 4 for	25c
Coffee, Chase & Sanborn's High grade	55c lb.	2 Washington Crisp for	25c

Watch this space each week, it will be interesting to you.

Martin & Wolcott

RALEIGH MARTIN, Manager Phones 309-310 West Broadway

were quoted steady. Grass fat steers sold slowly and were 10 to 15 cents lower. Cows and heifers were quoted off 15 to 25 cents. Cows sold mostly at \$6.50 to \$9.25. Veal calves were steady. Though trade seemed dull the movement over the scales was large, and the feature of the trade was that the supply moved in big bunches.

Stockers and Feeders.
Stock and feeding cattle were in liberal supply and sold 15 to 25 cents lower. Country demand was about the same as a week ago. A ten car bunch of 825 to 950 pound Colorado steers sold to country buyers at \$10 and the bulk of the thin cattle brought \$8.75 to \$10.50. Some fleshy feeders sold at \$12.25. Stock cows and heifers brought \$6.50 to \$8.50, and stock calves \$12.50.

Hogs.
Though hog receipts were liberal, trade was active. Hog prices were 25 to 40 cents higher. Receipts were \$16.70 and the trade was active.

THE BAPTIST 75 MILLION CAMPAIGN

Dear Brother:
We are mailing out a list of our churches and their quotas in the 75 Million Drive. None of these are assessments at all; they are only proportionate requests. The 75 million only represents one-half of the actual needs of the Baptist denominational work as it is today. That half of our needs is fairly prorated to each state, each association, and each local church. Will you do your part of it? Lubbock Church \$15,000; Slaton \$10,000; Post City \$10,000; Tahoka \$10,000; Brownfield \$8,000; Plains \$3,000; Friendship Church, \$3,000; Gomez \$3,000; Southland \$2,500; New Home \$2,500; Grassland \$2,500; Garlynn \$2,500; Three Lakes \$2,500; Needmore \$2,000; Wilson \$1,500; Redwine \$700; O'Donnell \$700; Lou Church \$700; Lynn \$700; Union Church \$700; Pleasant Valley \$700.

DENVER ROUNDHOUSE AT CHILDRESS IS DESTROYED

Fire of unknown origin, breaking out at 1 a. m. Monday, destroyed the round house and damaged five locomotives of the PRT Worth & Denver at Childress, entailing a fire loss at present estimated at \$100,000, but which may go higher when the extent of damage to locomotives is ascertained.

The extensive shops of the road, which represent an investment of about \$500,000, which begin only 50 feet north of the round house, were saved from damage through the efficient work of the railroad employees, reinforced by the Childress fire department.

Further details are expected at the local offices of the roads in a report due later in the day.

BUFFALO GAP FARMER HELD ON MURDER CHARGE

Abilene, Texas, Oct. 8.—Next Brockreson of the Buffalo Gap community was released on bond here this morning in connection with the shooting and killing of Oscar Knight and the serious wounding of his brother, Oliver Knight, on a farm near Buffalo Gap yesterday afternoon. It is alleged a shotgun loaded with buckshot was used.

ENGLAND UNDER FOOD RATIONING DUE TO R. R. STRIKE

London, Sept. 29.—London today faced stricter food rationing than for a year. It is roughly estimated that there is a 14-weeks food supply in the country, if it is conserved. The 14 million miniature tin tins again are in evidence.

LOCAL ITEMS CLIPPED FROM THE LORENZO ENTERPRISE

Matt Kirksey, a prominent farmer living three and one-half miles south east of town, was in last Monday with a bale of cotton and while here paid the Enterprise a pleasant call. He brought to town last Saturday a bale of cotton which, including seed, brought over \$200. Mr. Kirksey planted several acres this year with Mebane cotton seed as an experiment and which he said, would make more than a bale to the acre.

Mrs. J. E. Huckaby returned the first of the week from Huckaby, Texas, where she attended the bedside of her sister, Mrs. Paek. The sick lady was brought to Lubbock and placed in a sanitarium to receive treatment.

The meeting which is being conducted at the tabernacle by Evangelist C. D. Crouch is attracting considerable interest. While people are very busy yet there has been a fine hearing each evening. You cannot but be benefitted when you hear these most excellent lessons. The

meeting will continue through Sunday. Be sure to attend.

Mr. and Mrs. R. L. Durham and Mr. and Mrs. L. J. Mathis were visitors in the city of Lubbock last Sunday afternoon.

Misses Eva Kelsey and Pearl Laird accompanied by Mrs. Llonis Laird were shopping in Lubbock Tuesday.

W. A. Ferguson and Irl Robertson left Monday for south Texas in the hope of securing negroes to help in the cotton fields. The cry for more hands becomes louder with each day and we are told by prominent land owners and farmers that it is not a question of high wages, but a question of saving their crops. A great many farmers will realize a bale, and over to the acre and the cotton is now opening faster than it can possibly be gatered under the present shortage of labor. If you want to get work come to Crosby County.

J. C. Whisenant of Terry county, is here this week attending the bedside of his son, Jim, who is in a local sanitarium receiving medical treatment.

KANSAS CITY MARKET REPORT OF LIVESTOCK

Kansas City Stock Yards, Oct. 6.—Hog prices were 25 to 40 cents higher today, sheep strong to 25 cents up and cattle steady to 25 cents lower. Demand for hogs and sheep was active, but liberal receipts of cattle, 37,000, the largest supply this year, had a weakening influence in the trade. The volume of business in the cattle pens however, was large.

Today's Receipts.
Arrivals today were 37,000 cattle, 11,000 hogs, and 10,000 sheep, compared with 35,000 cattle, 10,000 hogs, and 15,000 sheep a week ago and 41,800 cattle, 16,350 hogs, and 19,300 sheep a year ago. The bulk of the cattle came from Kansas, Oklahoma, and Colorado. Receipts from the Panhandle and the Southwest were moderate. A train load arrived from Utah.

Beef Cattle.
Several loads of choice heavy Missouri fed steers sold at \$16.25 to \$17.50, and wintered Kansas grass fat steers \$14.00 to \$14.50. They

WHEN THE GROCER'S BOY SAYS: "A DOLLAR-FIFTY-THREE!"

Of course you never have the even money—and the boy never has any change. You rummage everywhere for pennies

Or you run around among the neighbors—or the boy goes off with your five dollar bill. Or he takes back the groceries.

It's always annoying, isn't it?

And so unnecessary. When you open a charge account at our store your grocery troubles will stop and we will be mighty glad to have you among our hundreds of other satisfied customers.

Of course we expect all accounts to be paid on the first of each month and not later than the 10th so you can get trading stamps.

We quote a few prices below that will prove to you that we will save you money.

Spuds, in sack lots	3½c lb.	Coffee, Chase & Sanborn's Seal Brand	
Dry Salt Meat, by the Side	26c lb.	3 lb. can	\$1.85
Smoked Bacon, by the side	32c lb.	Cheese, full cream	40c lb.
Coffee, dark roast, bulk	35c lb.	Dr. Swartz Complexion Soap per box	.65c
Coffee, Peaberry, bulk	45c lb.	Wild Rose Soap, 5 bars	.50c
Coffee, Chase & Sanborn's	50c lb.	Light House Cleanser, 4 for	.25c
Coffee, Chase & Sanborn's High grade		2 Washington Crisp for	.25c
at	55c lb.		

Watch this space each week, it will be interesting to you.

Martin & Wolcott

RALEIGH MARTIN, Manager Phones 309-310 West Broadway

were quoted steady. Grass fat steers sold slowly and were 10 to 15 cents lower. Cows and heifers were quoted off 15 to 25 cents. Cows sold mostly at \$6.50 to \$9.25. Veal calves were steady. Though trade seemed dull the movement over the scales was large, and the feature of the trade was that the supply moved in big bunches.

Stockers and Feeders.
Stock and feeding cattle were in liberal supply and sold 15 to 25 cents lower. Country demand was about the same as a week ago. A ten car bunch of 825 to 850 pound Colorado steers sold to country buyers at \$10 and the bulk of the thin cattle brought \$8.75 to \$10.50. Some fleshy feeders sold at \$12.25. Stock cows and heifers brought \$6.50 to \$8.50, and stock calves \$12.50.

Hogs.
Though hog receipts were liberal, trade was active and prices were 25 to 40 cents higher. The market was \$16.70 and the market for hogs sold in the morning in the pens were the same as the afternoon. The trade and the market were steady. THE BAPTIST 75 MILLION CAMPAIGN

Dear Brother:
We are mailing out a list of our churches and their quotas in the 75 Million Drive. None of these are assessments at all; they are only proportionate requests. The 75 million only represents one-half of the actual needs of the Baptist denominational work as it is today. That half of our needs is fairly prorated to each state, each association, and each local church. Will you do your part of it?

Lubbock Church \$15,000; Slaton \$10,000; Post City \$10,000; Tahoka \$3,000; Brownfield \$8,000; Plains \$3,000; Friendship Church, \$3,000; Gomez \$3,000; Southland \$2,500; New Home \$2,500; Grassland \$2,500; Gariynn \$2,500; Three Lakes \$2,500; Needmore \$2,000; Wilson \$1,500; Redwine \$700; O'Donnell \$700; Union Church \$700; Lynn \$700; Union Church \$700; Pleasant Valley \$700.

Please post this apportionment in conspicuous place in your church. We are personally to do this apportionment in your church. We are personally to do this apportionment in your church.

DENVER ROUNDHOUSE AT CHILDRESS IS DESTROYED

Fire of unknown origin, breaking out at 1 a. m. Monday, destroyed the roundhouse and damaged five locomotives of the Ft Worth & Denver at Childress, entailing a fire loss at present estimated at \$100,000, but which may go higher when the extent of damage to locomotives is ascertained.

The extensive shops of the road, which represent an investment of about \$500,000, which begin only 50 feet north of the roundhouse, were saved from damage through the efficient work of the railroad employes, reinforced by the Childress fire department.

Further details are expected at the local offices of the roads in a report due later in the day.

BUFFALO GAP FARMER HELD ON MURDER CHARGE

Abilene, Texas, Oct. 2.—News Brockreson of the Buffalo Gap community was released on bond here this morning in connection with the shooting and killing of Oscar Knight and the serious wounding of his brother, Oliver Knight, on a farm near Buffalo Gap yesterday afternoon. It is alleged a shotgun loaded with buckshot was used.

Brockreson was held in bonds of \$5,000 on a murder charge and \$2,000 on a charge of assault to murder, both of which were made.

ENGLAND UNDER FOOD RATIONING DUE TO R. R. STRIKE

London, Sept. 29.—London today faced stricter food rationing than for a year. It is roughly estimated that there is a 14-week food supply in the country, if it is conserved. The familiar miniature war streaks again are in evidence.

ENGLAND STRIKE IS AFFECTING U. S. SHIPPING

Washington, Sept. 29.—All sailings to ports in Great Britain have been cancelled by the Shipping Board because of the strike of railway workers there.
London, Sept. 29.—Improvements in the situation by the general strike on British railways was announced in official quarters this morning. The distribution of food was being carried out without friction and volunteer help was being freely offered, it was stated.
Premier Lloyd George, Sir Auckland Geddes, the minister of national service and reconstruction, and Sir Robert Stevenson Horne, the minister of labor, were in conference throughout the forenoon today, while the strike committee also were in constant session.

An open letter to the Texas Public, by W. K. Kellogg

K!-K!-K!

The sign of the best, thick corn flake at your grocers.
Money-Back Guarantee.

"The proof of the pudding is the eating thereof"

You can no more argue down facts, than pull yourself to heaven by your boot straps.

I make the unqualified statement that

Kellogg's
(Roasted)

KORN KRISP

ARE the best-tasting, crispiest, most nutritious, thick corn flakes on the market today.

This either is the TRUTH or it is not the truth. Let the Facts speak for themselves. Everyone claims his product, is best, and many use all the power of printers' ink, and genius-inspired imagination to paint glowing word pictures of their product.

—But we concentrate on the product itself. We use all our talent in making *Korn Krisp*.

We ask the public to prove the BEST by ACTUAL TEST.

Contrast Kellogg's *Krisp* KORN KRISP with the thick, limp, leathery flakes now on the market. You be Judge and Jury. Your decision is final.

Buy the large, full, "Waxtite" package. Let your family eat it down to the last, thick, crackling, toothsome flake.

If they don't all vote it the best, thick corn flake they ever tasted, we lose. The grocer will freely give you your money back.

Can I offer any fairer test than this?

Very sincerely,

(Signed) *W. K. Kellogg*

TERRY COUNTY COTTON
WILL YIELD HALF BALE

Bert Shepherd, of Terry county was here visiting with his family, last Saturday and Sunday. Mr. Shepherd says his county will yield on an average of one-half bale per acre; and there are more acres planted to that crop this year than any time in the past. Cotton is opening fast he says against the farmers of that county and the shortage of labor is working the same as others on the south plains. Mr. Shepherd returned to his Terry county farm Monday morning.

C. C. Cox, of Gorman, Texas, is here this week looking after his recently purchased property in this country. Mr. Cox has more than two thousand acres of land in Lynn county.

OVER \$5,000,000 BUSINESS
DURING ITS OPENING YEAR

Wichita Falls, Texas, Sept. 7.—Wichita Falls' biggest insurance institution, the Wichita Great Western Underwriters announced Saturday several plans to extend their field of operations to take in several new states. The company which is made up of home capital and which has on its advisory board some of the leading men of Texas in financial circles, expects to bring into local bank deposits through their underwriters, hundreds of thousands of dollars in new capital during their new fiscal year.

The Wichita Great Western Underwriters started in business just a year ago and during the first twelve months, secured on their books more than five million dollars insurance, with three million dollars more in hand at the close of the twelve months period. The company writes fire insurance on the reciprocal plan, and were able at the end of the year to refund to their policy holders 52 per cent of the premiums paid. According to Mr. Mabry, who is one of the executive officers of the company, this remarkable result was obtained through the careful selection of preferred risks accepted. The personnel of the institution is well known to the southwest as leading bankers and business men. John S. Mabry and R. E. Huff are managers and attorneys for the company. J. O. Powers is secretary treasurer. The advisory board is composed of the following prominent Texans:

D. E. Waggoner, president Security National Bank, Dallas.

RULES WOMEN'S POLL TAX
LAW IS NOT MANDATORY

Austin, Texas, Oct. 6.—Assistant
Attorney General Townsend has for-
warded to the County Attorney of
Fayette County a copy of an opinion
written by E. F. Looney, when Attor-
ney General, holding that the law
levying a poll tax on women is di-
rectory and not mandatory.

The effect of the answer is not on-
ly to say that women may pay the
poll tax if they so desire, but that
they may pay their property tax with-
out paying the poll tax.

A male property owner is required
to pay his poll tax when he pays his
property tax.

HOME DEMONSTRATION
DEPARTMENT

Meat Canning.
Chorizo—Four pounds pork chop-
ped fine, add 1 clove garlic, 4 tea-
spoons vinegar, salt to taste and add 4
to 6 tablespoons chili. Mix and let
stand over night. Make into small
balls, fry until brown, pack hot into
cans, fill to one-half inch of top with
boiling gravy made from the grease
in which the cakes were fried, to
which water has been added. Cap,
tip, process No. 2 cans 50 minutes;
No. 3 cans 60 minutes; 15 pounds
steam.

Fish Chowder—1 ounce salt pork
diced, 1 lb. fish, 3 onions, 3 cups
milk, 6 good sized potatoes sliced, 1
green pepper, 1 clove garlic or more,
a little water. Fry pork or bacon
brown, cut in small pieces, add garlic
and onions cut fine, and fry light
brown. Then add potatoes sliced and
little water. Cook fish until you can
separate skin and bones. Add this
and the water it was cooked in to the
potatoes with the green pepper cut
up. Put all in baking dish and add
three cups milk lightly thickened. Do
not stir; bake 20 minutes, fill in cans
hot. Cap, tip and process same as
above.

Hungarian Goulash—2 lbs. beef,
pork, veal or heart; 2 ozs. butter or
peanut oil, 2 onions medium size
chopped fine, 1 carrot sliced, 1 stalk
celery chopped fine, 1-2 pint toma-
toes, 1-2 bay leaf, 6 cloves, 6 or more
small red peppers, 1 piece mace, dash
thyme, 1 teaspoon chopped parsley,
salt, black pepper, curry powder,
paprika, chili, tobasco sauce to taste.
Small quantity flour. Cut meat into
small squares and sprinkle with flour.
Melt fat and add onions, carrots, ce-
lery, brown and then add meat and
stir with spoon. When all is brown
empty into stew pan, add other spices
tied up in cloth or loose as desired;
also tomatoes. Cover with water or
if to be obtained use soup stock, if
not, 1 or 2 teaspoons beef extract.
Simmer 45 minutes, season to taste.
Add Worcester sauce if desired. Fill
into cans hot. Cap, tip and process
as above.

Oxtail Soup—1 oxtail, 1-2 cup of
ground oats, 2-1/2 teaspoons salt, 2
tablespoons fat, 2 cups tomatoes, 4
cups water, bay leaf, 1 onion, 1 green
pepper, 1-2 cup carrot, 1-4 cup on-
ion, 1-4 cup turnip, 1 teaspoon table
sauce, 1 teaspoon celery salt, 1 tea-
spoon beef extract, pinch chili, dash
tobasco, little barley and rice. Fry
tail after being cut into pieces in
fat until browned. Add tomatoes
and water and cook 15 minutes add
balance and cook 10 minutes. Pack
hot into cans, cap, tip and process as
above.

Pork Sausage—This recipe has
been used in the writer's family for
more than 100 years. 4 lbs. lean
pork, 2 lbs fat pork, 3 teaspoons salt,
2 teaspoons black pepper, 2 tea-
spoons chili, 1 teaspoon cayenne, 2
large onions, 1 or more cloves garlic,
1 spring bay leaves, 3 sprigs sage, 1
sprig thyme, pinch mace, 1-2 tea-
spoon allspice. Grind all together
fine, mix thoroughly and let stand
over night. Make into small balls,
fry in dripper or frying pan, when
brown pack hot into cans and fill to
within 1-2 inch of top with the hot
gravy. Cap, tip and process as above.

Vegetable Soup—10 gal. of soup
stock, 5 gal. water, 1-2 lbs. diced
carrots, 2 lbs. diced turnips, 2 lbs.
diced sweet potatoes, 2 lbs. diced
Irish potatoes, 2 lbs. canned corn, 1
lb. canned peas, 1 lb. canned lima
beans, 1 lb. canned navy beans, 2
cans tomatoes, 8 good sized onions,
1 lb. rice, 1 lb. barley, 1-2 lb. salt,

WEATHER AND CROP RE-
PORTS FROM VARIOUS POINTS

Sherman, Texas, Oct. 6.—Sherman
and vicinity were visited by a heavy
rain, which fell at intervals, begin-
ning Saturday afternoon and contin-
uing through last night and this
morning. Cotton picking may be in-
terfered with to some extent. All
local gins are busy now with the in-
coming crop. The average receipts
on the local market are 10 bales a
day.

Georgetown, Texas, Oct. 6.—A
heavy rain fell in this section today.
Open cotton will be damaged and
picking will be interrupted for sever-
al days.

Paris, Texas, Oct. 6.—A heavy
rain with a stiff breeze for a while
fell Saturday night. It is feared that
cotton has been slightly damaged.

Crowell, Texas, Oct. 6.—A great
many of the farmers had their stub-
ble land plowed before the rain came
now have a fine lot of volunteer
wheat growing, and are disking and
harrowing in order to get the wheat
killed before sowing.

Big Spring, Texas, Oct. 6.—Rain
fell over this section this evening,
varying from one-fourth to three-
fourths of an inch. Cotton picking
and other field work will be hinder-
ed. Excessive rains and scarcity of
labor are retarding the gathering of
the best crop ever produced in this
county, according to the oldest set-
tlers.

Snyder, Texas, Oct. 6.—Rain fell
here last night and today. Cotton
picking is at a standstill.

Cleburne, Texas, Oct. 6.—Rain fell
in this section this afternoon.

Brownwood, Texas, Oct. 6.—Al-
most four inches of rain has fallen
here in the last twelve hours. It is
feared much damage will be done to
growing crops and stock in the low
land.

Sweetwater, Texas, Oct. 6.—Three
and three-fourths inches of rain fell
here last night in two hours. It was
accompanied by considerable wind.
No considerable damage was done,
except to cotton that was open. A
slow rain fell most of today, mak-
ing about five inches in 24 hours.
Lake Trammel, the city's water sup-
ply, is running over the spillway.

S. W. TEL. & TEL. CO. BUYS EXCHANGE AT BIG SPRING

On last Wednesday, the first of October, the Local Exchange of the Western Telephone Company was sold to the Southwestern Telephone and Telegraph Company, of Dallas. The local exchange at Stanton was included in the deal also. The local exchange was owned by the Alderman and Fisher families who were interested in the first telephone service given in Big Spring and the subsequent growth of the Western Telephone Company from a small outfit in 1903 to the present company giving service through its local exchanges and long distance lines over the greater part of the South Plains and West Texas. The company will continue the operation of the remaining property and will retain its headquarters in Big Spring.—Big Spring Herald.

An excellent musical program will be given at Rix's opening. Souvenirs and refreshments. You are invited.

SOME NEWS ITEMS FROM THE SEMINOLE SENTINEL

News of the sudden death last Friday afternoon of Dolph Lusk came as a shock to his family and many friends. Mr. Lusk was in a run down condition, but was able to be up and was in Lovington Friday morning attending to some business. Late in the afternoon he asked his wife to drive the car to town for his brother Sam, who was to spend the night with them. Returning from Lovington with Sam Lusk about forty minutes later they failed to find Dolph in the house and went out to look for him and found him lying on his face at the barn door. All things point to the fact that his death was instantaneous. The coroner's jury returned a verdict that the "deceased came to his death by natural causes."

Rev. A. L. Williamson of Slaton, came in Wednesday afternoon and will remain here for a few days. Rev. Williamson is a missionary for the Baptist church for this district and will hold services at the court house Saturday evening and Sunday morning and evening at the usual hours.

Judge W. R. Spencer, District Attorney Gordon B. McGuire and Court Stenographer Smith arrived last Sunday afternoon to be on hand Monday morning to open district court Monday morning. Court being very light as usual at this place they left Tuesday afternoon for their homes.

Mrs. W. B. Austin came home Wednesday from Crosbyton, where she had been attending the bedside of her sister, Mrs. J. F. Boyd. The many friends of Mrs. Boyd will be glad to learn that she is improving.

G. E. Lockhart, formerly district attorney for this district, was here Tuesday from Tahoka attending district court.

PLANE COLLIDES WITH A WAGON, DRIVER MAY DIE

Stamford, Texas, Oct. 5.—R. K. Caffey, a farmer living near here, is lying at the point of death as a result of injuries he received when an airplane owned by W. K. Whipple, of Oklahoma City, and piloted by L. A. Caffman of Fort Worth, collided with a wagon in which he was driving here Friday.

The aviators were making a take-off, and crossed a public road on which Caffey, driving a wagon loaded with cotton, was riding when the accident occurred.

Whipple was recently in Fort Worth in search of a pilot so that he would be able to proceed to Floydada. The plane was for exhibition purposes, a ride being given for \$10.

SOUTH PLAINS EXHIBITS ARE CAUSING COMMENT

Terry County, South Plains district, is back as usual, with William Howard, also as usual in charge. Mr. Howard is lamenting that a watermelon, weighing ninety pounds or more spoiled before it could be exhibited. However, he is showing one

When Baby Talks

From room to room and use with Baby laughter. Is it enjoying a real home? Is it merely passing the time in a rented house? Is it a real Baby in a real B and Better Service HOME.

W. C. BOWMAN LUMBER CO.

Quality Lumber and B & Better Service Lubbock, Texas

that appears to be a close relative to the one that perished on the long trip. Mr. Howard says the Terry county exhibit is far better than ever before and visitors appear to agree with him. Maize, kaffir corn and cotton. South Plains staples, comprise the bulk of the showing.

"When that watermelon you see, was pulled it weighed ninety-eight pounds and it has shrunken but little" mentioned Mr. Watson, of Dawson County, who in dual capacity as county agent and secretary of the Chamber of Commerce of Lamesa, is presiding over the Dawson county exhibit at the State Fair. "I saw a Shetland pony at the Fair that weighed about the same as the melon, and I am telling people that we raise melons as large as horses."

"The best part of our display apparently was lost after it reached Dallas," said Mrs. George Saigling, one of the parties who have the Hale county exhibit in charge.

"Most of our exhibits have been lost in transit; if you'll find it, I'll put it up" reads a sign in the booth of Lubbock county put up by George W. Briggs, Secretary of the Lubbock Chamber of Commerce.—Dallas Morning News.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists.

12 INCHES RAIN AND BIG HAIL DESTROY CROPS

Ovalo, Texas, Oct. 6.—Twelve inches of rain fell here Sunday night. The lake near here is overflowing for the first time in the history of the town and for the first time since it was built.

Hail covering a strip of several miles width ruined the crops around Guion, Ovalo and Lawn. The hail and rain fell about midnight.

Old Man Winter Is Arraying His Forces

for his first great drive. Don't let him catch you off your guard, but fortify yourself NOW with our line of winter garments. We have the kind that will foil the hardest assaults of winter.

For Instance in Underwear

We carry the VASSAR line and can FIT YOU in your favorite weight, style and material, whether you want Fleece-lined, cotton ribbed, wool mixtures or Pure Wool, in sizes 34 to 50. Big Values, priced at \$1.75 to \$5.00 per suit.

Ford
THE UNIVERSAL CAR

The Ford truck is just another arm and hand to the business man, adding through its manifold usefulness to the possible volume of his business, and at the same time doubling the value of every hour.

Another Hand for Business

In so many ways its all round utility serves the urgent demands of business—big and little—the retailer and wholesaler, the manufacturer and consumer, the contractor and farmer. Everywhere where business exists there is a present want for Ford trucks. Consider the price \$550, without body, f. o. b. Detroit. Let's talk it over with you.

BRADLEY AUTO COMPANY

FAMOUS MUSIC ARTIST MAKES VISIT HERE

Abe Levy, famous Clarinet player and one time member of the famous Sousa Band, stopped over last Friday and Saturday in our city, attending to business matters.

Mr. Levy was engaged for more than thirteen years with the Victor Company's Orchestra. Shortly after the Great War started, he volunteered into the services of his country. During the months of service he sustained injuries to one of his hands which resulted in his inability to follow his former musical profession. After his return to civil life the Victor Company placed him in a position as traveling salesman, thus his visit to our city.

Like many of most of the northern people, Mr. Levy was expecting to see a great sparsely settled desert in West Texas. Imagine his surprise, after seeing the wonderful crops and advanced developments of this section. To rid the country in which he has made his home for many years, of their incorrect impression of this prosperous country, Mr. Levy visited with members of the local Chamber of Commerce and secured several samples of the cotton and feed products raised this year. Mr. Levy will take these samples back to his northern home to bear witness to what he will have to say in regard to West Texas being what he now thinks "the country with the greatest possibilities and the grandest future promises in the whole of the United States that I have traveled over on this, my first trip into the great Southwest." Nor is this all, so enthusiastic is Mr. Levy about our country, he is now seriously contemplating, something which is considered folly in his country, a move to Texas, and more, to West Texas and enter business for himself. Anyway here's a man that has got his "eyes opened".

STATE ENLISTING PHYSICIANS TO FIGHT FLU

In order that every possible contingency may be provided for in the event of a recurrence of influenza in epidemic form, I am now calling upon the medical profession for 100 volunteer physicians who are willing in case the necessity arises, to serve as acting assistant surgeons of the United States Public Health Service, co-operating with the State Board of Health, at a salary of \$200.00 per month, \$4.00 per diem for subsistence, together with railroad fare.

It is the desire of the United States Public Health Service and the State Board of Health to enlist 100 physicians who are willing to go to any designated point in the State and do relief work during a possible epidemic of influenza and without any charges for their services other than that above indicated.

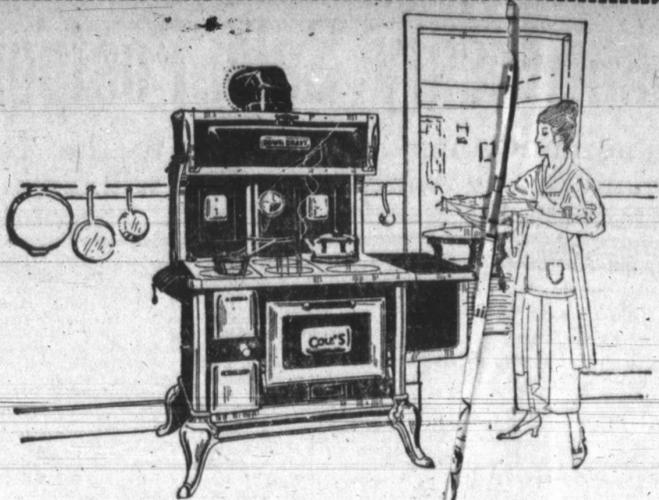

Physicians desiring to enlist in this volunteer corps may do so by filing their applications in writing with me. All applications received will be duly recorded and given careful consideration in the order in which they are received.

Very truly yours,
C. W. GODDARD, M. D.,
State Health Officer.

Tobe Marcy, of the Meadow community was in town last Saturday transacting business. Mr. Marcy is very busy these days, he says, gathering "the best crop in years."

Representative R. A. Baldwin, of Slaton, was here last Saturday attending to business matters.

Dick Howard wants to sell you gas and oil. Phone 29 131f

Be Prepared for Any Emergency

With the price of fuel high the situation demands that you be equipped to burn any fuel and make each ton go as far as possible.

Burns Any Fuel

All bottom draft ranges now a very large amount of the fuel or gas portion of the fuel to go up the chimney unburned. The Hot Blast draft

Cole's Down Draft Range

enables you to burn any available fuel—even cheapest soft coal slack, with practically the same results as with hard coal.

It is all in the Hot Blast combustion, which means exactly the right amount of fuel delivered to the fire at exactly the right place, burning the engine fuel gases and producing a clean even heat.

In this range you can cook, broil, and the wash boiler and irons all at the same time with the gases which are thrown away were you using any other range means double capacity just because they are so arranged that they burn them to the bottom.

This range pays for itself in fuel it saves you that it is pure velvet. This range is made of malleable iron features in and see us, and let us show you this range and prove to you in dollars and cents that it will save you.

COLE-MYRICK WARE AND IMPLEMENT COMPANY

CITATION BY PUBLICATION

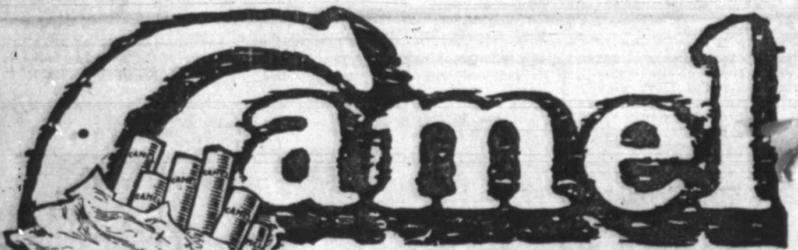

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lubbock County, Texas, Greeting:
You are hereby commanded to summon Mary J. Niblick and husband, John Niblick, Elizabeth E. Morrison, a widow; Hattie E. Obenauer and husband, Phillip Obenauer; David E. Studebaker; William J. Vesey; Margaret Vesey; Sallie Vesey Max and husband, C. A. Max; Dick M. Vesey; David S. Vesey; Catharine Vesey, and William J. Vesey, Jr., by making publication of this Citation once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the Seventy-second Judicial District; to appear at the next term of the District Court of Lubbock County, Texas, to be held at the Court House thereof, in Lubbock, Texas, on the 2nd Monday in December, A. D. 1919, the same being the 8th day of December, A. D. 1919, then and there to answer a petition filed in said Court on the 15th day of August, A. D. 1919, in a suit numbered on the docket of said Court, No. 1265, wherein George C. Wolfarth and Eastin Wolfarth are plaintiffs, and Mary J. Niblick, John Niblick, Elizabeth E. Morrison, Hattie E. Obenauer, Phillip Obenauer, David E. Studebaker, William J. Vesey, Margaret Vesey, Sallie Vesey Max, C. A. Max, Dick M. Vesey, Catharine Vesey, David S. Vesey, and William J. Vesey, Jr., are defendants, the nature of plaintiff's demand being as follows:
Plaintiffs sue the defendants in trespass to try title for that tract of land situated in Lubbock County, Texas, being Survey 15, Block A, Certificate issued to T. T. Ry. Co., located about one mile North of the town of Lubbock, containing 640 acres of land; plaintiffs also set up, as a basis of recovery, the five and ten years Statutes of limitation under the laws of Texas.
HEREIN fail not, but have you before said court on the first day of the next term thereof this writ, with your return thereon, showing how you have executed the same.
Witness my hand and official seal at my office in Lubbock, Texas, this 10th day of September, A. D. 1919.
SAM T. DAVIS, Clerk District Court, Lubbock County, Texas.

List Your Property With me for Quick Results

Office at Head of Stairs, Citizens Bank Building

Lubbock, Texas

State Comptroller H. B. Fell has resigned his office because the salary of \$2,500 per year was not sufficient to meet his living expenses. L. W. Tittle, of Rusk, is chief clerk in that office, has been appointed by the Governor as successor to Mr. Terrell.

J. D. Boyd of Snyder whom we stated last week as being in our city looking for a location to put in a music store in our city, has secured same, the building adjacent to the Avalanche and is now fixing for business.

Attorney George E. Lockhart, Tahoka, was here last Saturday tending to business matters.

George W. Neill, abstractor of Brownfield, was in town last Saturday transacting business and visiting with friends.

FARMING ON HALVES EASY JOB HERE

Our local Chamber of Commerce Secretary is in receipt of several inquiries from people in different sections of the State regarding the possibility of securing farms to cultivate on the halves for the coming year. As usual the Secretary made it a point to ask the first farmer he met whom he thought might have a farm to rent on the halves, so the inquirer would receive immediate reply. The first man questioned on renting his farm out on the halves had about one hundred acres in maize this year, much of which is lying on the ground, also a like amount in other grains. His answer was: "what does a man want to cultivate all these many acres for six or seven months on the halves, when I am willing to give a man half of the maize for only gathering it—also agree that he will have work until near the first of the year?"

Farming on the halves on the South Plains has been successful in many of the past years, in fact more farms have been rented that way than otherwise until the past two or three years. This year is not the first time recorded when farmers were willing to give half their yield to the gatherer. But in other years when farmers were willing to do so, prices on all farm products were more in accord than this year. The farmer who made the above statement in regard to giving half his yield to the gatherer, is paying today eight dollars per ton for help to gather his maize, or more than half of the actual market price is being paid.

SOME LOCAL ITEMS FROM THE SEMINOLE SENTINEL

L. L. and Jno. Cobb this week started work on the vault for the county. It is being constructed just east of where the court house now stands. It is being built to care for the county records until the new court house is completed. The old one had to be torn away when the wooden building was moved.

Cox & Heard this week sold to Andy Williams 500 two and three-year old steers belonging to New Mexico parties. They also sold 125 steer yearlings belonging to Beckham Bros. of near Lovington to Scott Doss.

Herring & Son of Amarillo shipped eight cars of fat cows Saturday to the Fort Worth market. These cattle were being pastured northeast of Seminole.

Mr. and Mrs. T. L. Harwell and daughter, Miss Una, left Monday afternoon for Lubbock, where the latter will undergo an operation for appendicitis.

Gaines county this week received another rain, about two inches falling this week. The rains of the past ten days are estimated to have amounted to be between ten and twelve inches. Grass is fine and late crops are making good yields.

FARMERS GOING OUT IN SEARCH OF LABOR

Last Saturday two well known farmers of Ralls stopped a few hours in our city. These men have large acreages in cotton this year which they say will make at least one half bale per acre. They sought advice at the local Chamber of Commerce in regard to securing cotton pickers. They were advised to go to Waco and points in that country as a few of our local farmers have done. The two men left Sunday morning for Roswell, N. M., in hopes of finding help at that point.

Delco Lights—Monte Bowron Agt.

For every use.

On buildings with broad roof areas, on soaring sky-scrapers, and all kinds of farm buildings, *Certain-teed* Roofing is giving lasting and complete weather protection.

On every sort of building it is turning back rain and snow, heat and cold, year after year, with almost no up-keep cost. Severest weather cannot affect it.

Certain-teed Roofing is easily and quickly laid by anyone who will follow the directions that come with the roll. It costs less than the ordinary kind of roofing—and lasts much longer. It sturdily stands against sparks—a real fire protection. It cannot corrode or rust. For your buildings new or old—large or small—in the city or country—*Certain-teed* is the logical roofing investment.

Certain-teed is made in rolls, both smooth and rough surfaced (red or green)—also in handsome red or green asphalt shingles for residences. *Certain-teed* is extra quality—the name means *certain* of quality and satisfaction guaranteed. It will pay you to get *Certain-teed*—most dealers sell it. Ask for *Certain-teed* and be sure to get it.

Certain-teed Products Corporation
Offices and Warehouses in Principal Cities

Certain-teed Paints and Varnishes are the highest quality and will give you the best results and most economical results.

ALFALFA LUMBER COMPANY

ESTIMATES DELAY THE LUBBOCK PAVING PROGRAM

As there is absent in Lubbock, an Aladdin with his magic wand, the usual course of procedure will have to be followed in our paving program. It would indeed be fine to have our streets fixed into first class shape overnight, but this is impossible.

Engineers of the Elrod Engineering Company have completed their survey of the city and have been out of the city several weeks; at the same time, there are hundreds of like jobs for these companies who are suffering many delays on account of the scarcity of labor and difficulty that all have more or less experienced, therefore the estimates and Blue Prints that this company is making to submit to the city council has also suffered a delay. Nothing out of the usual procedure in like matters has been met, we are assured by our mayor and commissioners. As soon as the estimates compiled by our engineers are brought to the council, more news of an interesting nature will immediately be given out.

"THE ONLY GIRL" SHOW WELL ENJOYED HERE

It now looks as though the Chamber of Commerce knew a good thing when a chance came. "The Only Girl," a light comedy, the first of the four that will be played here this winter by the Horner Dramatic Company, was rendered at the Lindsay Theatre last Saturday night with a full house of enthusiastic listeners. A fine orchestra and many good singers were greatly enjoyed.

Avoid vexation and trouble by getting a range made by recognized experts. Cole's Down Draft Ranges work perfectly. Always, Cole-Myrick Hardware and Implement Company.

Hale County people are threatened with a lady candidate for the office of County and District Clerk next election.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had malaria or needed a body-building, strength-giving tonic. The formula is just the same.

Watch for announcement next week of musical program for Rix's at Rix's, Saturday, October 18th, opening—Saturday Oct. 18th. 15-1

EDISON SAYS

"People have to put up with many strange things in music." Perhaps with some phonographs but never with

The NEW EDISON

"The Phonograph with a Soul"

The New Edison RE-CREATES the human voice and human-played instruments with such minute accuracy that there is not the slightest deviation from the original. There is nothing strange, forced or artificial about it. It's just as natural as life itself.

And when 2,000 celebrated American music critics tell us that this is absolutely true, we place the utmost confidence in such statements. Ask us for the interesting brochure "What the Critics Say" and see for yourself just what they did say about the New Edison.

Rix Furniture & Undertaking Company

LUBBOCK, TEXAS

GROCERS MUST MARK ACTUAL WEIGHT ON PACKAGES SOLD

The department of weights and measures rules that all grocers who put up packages of sugar and other commodities in order to forestall a rush must mark thereon the net weight of the contents of the sacks. The same rule applies to those stores which package their goods in order to save clerk hire and who permit customers to serve themselves. This is a reversal of a former rule by the department which was found not to work very well.

The local inspector at San Antonio found twenty-three short weight packages out of a total of ninety-four which were re-weighed, most of these being butter.

MUCH LOSS REPORTED FROM HAIL AND RAIN

Big Spring, Texas, Oct. 6.—Rain varying from 1 3/4 inches at the Government farm to an estimated fall of 7 inches on the W. P. Edwards ranch, south of Big Spring, fell in this county last night and today. Hail fell in the northern part of the county, and in the southwest section much damage was done to crops. Sheep were killed on the Edwards ranch, and the horns of cattle knocked off.

Rain Causes Heavy Damage at Childress

Childress, Texas, Oct. 6.—Considerable damage was caused in Childress by the torrential rains that flooded the streets Saturday night and Sunday morning. It was learned today that the Scott elevator lost about 2,000 bushels of wheat when its pits were filled with water.

Crops Badly Damaged by Hail Near Abilene

Abilene, Texas, Oct. 6.—The heaviest rain in the history of Taylor County fell this morning at Ovalo, in the southern part of the county, where twelve inches of precipitation was recorded, it being accompanied by hail, which seriously damaged crops.

The Abilene & Southern Railway lost a portion of its tracks near the village of Coates, fifteen miles south of Abilene. The rainfall here was three-quarters of an inch.

Seven Inches Rain at San Angelo
San Angelo, Texas, Oct. 6.—Rain that fell at intervals Sunday and Sunday night throughout this section totaled at one place, seven inches. All the rivers here are on big rises, and the Orient railroad bridge over North Oak Creek, in Nolan County, has been washed out. Hail damage in some parts of Coke county was serious, and the cotton crops of several farms are reported as entirely lost.

Saturday, October 18th is the day of Rix's opening. Come and bring your friends. 15-1

Mr. and Mrs. H. C. Scott returned Sunday from Plainview where Mrs. Scott had been visiting friends and relatives for the past week.

CONQUER WEAKNESS
