

THE LUBBOCK AVALANCHE

VOLUME XXIII. No. 46.

LUBBOCK, LUBBOCK COUNTY TEXAS, FRIDAY, AUGUST 4, 1922.

PUBLISHED TWICE A WEEK

COMMUNITY-WIDE INTEREST IN CHURCH AMONG YOUNG PEOPLE

CLOSE OF REVIVAL FOUND YOUNG MEMBERS OF VARIOUS DENOMINATIONS EAGER TO WORK TOGETHER

HUNDREDS TO ATTEND MEETING AUG. 10

Aggressive Advertising Campaign, Backed Up by Work On Part of Attendance Committee, Will Assure Large Attendance—Constructive Work to Be Accomplished.

A community-wide frolic for the purpose of promoting a spirit of greater interest and unity among the young persons of the community will be held Thursday evening, August 10th at the First Methodist Church of this city, according to a statement made Wednesday. The plans for the frolic grew out of a meeting of representative young persons held at the Methodist parsonage Monday evening, at which time the needs of the youth of Lubbock were discussed and a constructive program for the church in meeting these needs was mapped out.

Extensive plans are being made for the community-wide entertainment and a thorough advertising campaign will be inaugurated at once. The work of acquainting the young persons of the city and surrounding country with the plans for the frolic will be in charge of Curtis Keen, chairman of the committee on advertising. It is the hope of those working on the entertainment to make it one that will secure the attendance of every person of Lubbock who is between the ages of 15 and 31. They believe that great work can result from such a coming together and no effort will be spared to make this one of the greatest events in the history of the city.

It seems to be a consensus of opinion among those who attended the committee meeting Wednesday night that the great need of the young life here was something that would bring them together in a spirit of unity and get them interested in the problems which confront them. It was with this in view that the big affair of August 10th was planned and work was begun at once to make this event a gala occasion in Lubbock.

The entire church building will be at the disposal of the hundreds of young people who are to be provided for those who have no means of coming; a thorough canvass of the city is to be made by the attendance committee; a program and means of amusement and entertainment will be under the supervision of another committee; and a plate lunch to cap the climax is to be provided for.

It is the desire of those who have the event in charge that it be definitely understood that the event is community-wide and is for every young person, between the ages of 15 and 31, in the city or surrounding country. If the present plans in any way materialize, a good time can be assured and the occasion

can bring much good to the city. Those in charge of the various committees are: Advertising, Curtis Keen; attendance, Pansy Posey; program, Chas. Ferguson; lunch, Mrs. L. E. Hunt. More definite announcements will be carried in the next issue of this paper. Everyone is urged to enter heartily into the spirit of this occasion and make it one of the red-letter days in the young life in Lubbock.

The evening services for young people superintended by Mrs. Fisher during the revival were instrumental in getting the young people of the various denominations together, and in working for the winning of the contest they created a spirit of friendliness among these on the respective sides which indicated the great possibilities of putting the work of the young people on a community-wide basis, and with the work started in the matter as above proposed, we are sure that much good will be derived from the beginning of a great revival in interesting the young life of Lubbock in church work.

We suggest that all young people of Lubbock take close notice of what is being done by the committees appointed on this work, and when the opportunity to assist with the program comes, get into it with all the pep and vigor that is about you, and help make life in Lubbock worth while for the young people.

The Avalanche is glad to give space to the articles relating the activities of the various committees, and will give wide publicity to every entertainment, which we believe is to play a great part in the social and religious life of Lubbock.

YOUNG MAN HURT IN AUTO ACCIDENT SATURDAY NIGHT

Frazier Stevens, of the Citizens National Bank accounting department is suffering with a badly bruised eye and forehead as the result of an accident which occurred Saturday night west of Lubbock, when a Cadillac in which Mr. Stevens, Bill Burleson and Newman Boles were riding plunged into a Fordson tractor which was left in the road.

Mr. Stevens was thrown from the car, which resulted in the above mentioned injuries. The other young men were more fortunate, and went thru the wreck unhurt.

The car was badly damaged, and the Fordson broken in several places.

L. T. Martin Jr., Stabbed in Back and Face by Striker in Amarillo Sunday Evening—Assailant Now Under Arrest

The many friends and acquaintances of Mr. and Mrs. L. T. Martin, of Lubbock, were sorry to hear of the stabbing of their son, L. T., Jr., at Amarillo, Sunday evening, July 30th.

Sunday evening at about 10:00 o'clock, young Martin and two comrades had taken a short walk, and were returning to the depot, when a band of men stopped them to make inquiry as to where they were going. They replied that they were going to the depot, and as they started on their way, Martin was attacked by the crowd, receiving a deep stab in the back, and an almost fatal slash across the face.

He was rushed to a sanitarium where physicians attended the wounds, and before many hours it was determined that he was not dangerously hurt, and later developments prove that he will be able to be out again within a few days.

The men who attacked young Martin are strikers who are out by recent orders of their union leaders, and it was because of this employment with the Santa Fe that the attack was made.

Young Martin is well known in Lubbock, which was proven when shortly after knowledge of the affair was received, his parents were called by telephone and in person from every angle of the city, and many sympathetic friends sent floral offerings to the wounded man.

Mr. Martin, his father, is secretary of the local Chamber of Commerce and has been a prime mover in the development of Lubbock for the past several years, having at one time been president of the Farmers National Bank of this city, which was, before being sold to other interests, one of the strongest financial institutions in this section and has many friends over Texas who are eager for the recovery of his son.

Word has been received here

that the assailant has been arrested, and much will be done to punish him severely for the crime.

Union Executive Arrested. Four complaints, ranging from violation of the Open Port law to assault with intent to murder were filed against Ralph L. Hull, who, according to officers, is chairman of the Executive Committee of striking shop craftsmen, yesterday afternoon.

Hull is charged with assault with intent to murder in connection with the knife wounding of L. T. Martin, Jr., day engineer at the electrical plant of the Santa Fe shops. His bond was set at \$5,000 which he made.

Hull was charged with violation of the Open Port Law on three counts. These all read that Ralph Hull "did then and there unlawfully and through the use of physical violence and by intimidating and threatening and destruction of property interfere with, molest and harass Alf Wright (herein the other two complaints appear the names of L. P. Hickman and L. T. Martin) then and there engaged in the unloading and transportation of commerce within the State of Texas, and county of Potter."

Hull made bond in the Wright and Hickman cases of \$1,000 each and in the Martin case of \$2,500. These bonds made his total for the day \$9,500.

Martin, Hickman and Wright are alleged to have been attacked Sunday night about 10 o'clock at Fourth and Grant Streets. Martin was severely cut about the face and back. He was taken to St. Anthony's Sanitarium for treatment. The long gash in his face and the knife wound in his back. Martin came here recently from Lubbock. Wright is alleged to have been carried off and whipped. Hickman broke loose during the melee.

Hull denies the charges.—Amarillo News.

Madden Brothers Case Now In Court Attracts Many People—Ladies Are Showing Great Interest In Trial

The jury selected from the veniremen called in the State of Texas vs. J. Y. and Will Madden, charged with the murder of Jerry Madden, Santa Fe brakeman, near Roundup on June 29th, is as follows: Robert Denson, farmer; J. H. Sowder, farmer; E. F. Kendal, farmer; Will McCrummen, stockman; Alex Weaver, farmer; D. P. Warren, grocer; George W. Pickle, contractor; Joe Garrison, real estate; F. A. Pool, farmer; H. L. Williford, grocer; J. P. Breedlove, farmer; R. H. Martin, baker.

The trial was begun Monday morning and selection of jurors started in the afternoon, four jurors being chosen Monday, the other eight, completing the panel being completed Tuesday afternoon. The court room has been jammed since the trial begun and widespread interest is manifested in the outcome. Attorney Percy Spencer has been employed to assist Gordon B. Mc-

Guire, District Attorney, while the defense lawyers are W. H. Bledsoe, Clark H. Mullican, J. E. Vickers and W. W. Campbell.

Taking testimony of the states witnesses was started Wednesday morning, as the case is an important one, and the best legal talent in West Texas is employed on both sides, cross examinations of the witnesses consumed more time than ordinarily, and it will be the last of this week before the case is completed.

The fact that the large courtroom has been crowded to full capacity throughout the trial, and many women are among those attending, some question has been asked about the reason for the ladies taking so much interest, which is accounted for in the fact that the brakeman who was killed was a young man, and the defendants are both young men, and interest in youth more than anything else is what is taking the ladies to the courtroom.

Returns From 180 Counties Do Not Change Standing

Dallas, July 29.—With the complete vote from 180 counties tabulated by the Texas Election Bureau tonight, accounting for 477,584 votes, Ferguson was leading Lubbock for second place by 16,173. No incomplete reports are included. The relative positions of the other candidates on the state ticket are not changed. Totals follow:

U. S. Senator—Cullberson 31,009; Ferguson 97,272; Henry 31,739; Mayfield 125,636; Ousley 47,736; Thomas 68,102.

Governor—King 128,483; Neff 235,589; Rogers 138,082; Warner 43,984.

Lieutenant Governor—Davidson, 129,428; Edmondson, 46,817; Jamison, 21,718; Johnson 60,670; Mayfield, 148,868.

State Treasurer—Carroll 49,404; Christian 43,688; Garrett 95,388; Kerr 34,282; Kirgan 20,046; Tension 28,351; Terrell 110,076.

Railroad Commissioner—Mason, 136,149; Mayfield, 239,033.

Commissioner of Land Office—Robison 292,843; Thompson 172,130.

Superintendent of Public Instruction—Bentley, 164,388; Marrs, 155,617; Smith, 71,777.

Judge, Court of Criminal Appeals—Harper 163,114; Morrow 208,450; Comptroller—Smith, 212,080; Woodall, 162,538.

With all counties heard from, eight complete and three incomplete. Black, for Congress in the First District, 17,992 and Cyclone Davis 17,441, a majority of 551 for Black.

LUBBOCK COUNTY SINGING CONVENTION MET SUNDAY

One of the largest crowds that has attended a regular meeting of the Lubbock County Singing Convention in some time, attended the meeting here Sunday, and a program of exceptional entertaining features was rendered.

The Lubbock County Singing Convention has been making constant growth since its organization, and the members have shown much interest in its development. In the regular meetings the very best talent in the country adjacent to Lubbock is brought together, which gives our people an opportunity to be entertained by home talent in as pleasing manner as could be desired.

Romney Springs, Lamesa, Vernon, and Portales, New Mexico, were represented at the Convention, as though it is only a county affair it is affiliated with the Plateau Singing Convention, largest in scope of territory in the States, and its members keep up with the activities of the various county conventions, and attend the meetings.

COLORADO MAN HAS DISAPPEARED REPORTS DECLARE

Colorado, Texas, July 29.—C. N. Lankford left Colorado July 18, presumably for Caddo on business, stating to Mrs. Lankford that he would return to Colorado within a few days. When Mr. Lankford did not return a few days ago, Mrs. Lankford became uneasy about him and upon communication with friends at Caddo found that he had never reached that destination. Continuous search has been made since that time, but no trace of the missing man after he left Lorraine, ten miles east of Colorado, can be found.

Lankford is a former service man and saw service in France. He was gassed and since returning to America has experienced considerable trouble from his heart. Relatives here fear he might have succumbed to heart trouble while enroute from here to Caddo.

The missing man is a traveling salesman by profession, having sold both groceries and hardware lines.

Wm. Green and son, W. D. and Shiner, Texas, and his associate, Mr. Houston, accompanied by L. Lumsden, of Lynn county, were in Lubbock Wednesday. They are owners of extensive cattle interests in West Texas and we are glad to have them become acquainted with the genuineness of Lubbock.

Church of Christ Revival Meeting Begins Sunday

Beginning Sunday, August 6th, at the community auditorium, the Church of Christ holds its annual protracted meeting. Evangelist East Arceaux of Killeen, Texas, is to lead the forces in this great campaign, the objects of which are to strengthen and encourage Christians, reclaim backsliders, and to save sinners. Mr. Arceaux comes to Lubbock highly recommended as a man who is clean in his life—living and practicing the things which he preaches to others. He is a very strong Bible man, a fluent speaker, and preaches the gospel with power.

Hear him!

Services twice each day—10:00 a. m. and 8:30 p. m., during the week. On the Lord's day 10:45 a. m. and 8:30 p. m.

The Bible Study will also be held at the auditorium beginning at 9:45 a. m.

Come and worship with us. Comfortable seats, plenty of fans, no collections taken except in connection with the worship on Lord's days.

John T. Smith, Minister.

VARIOUS BRANCHES OF MASONRY ELECT OFFICERS

At a recent meeting of the Masonic bodies of Lubbock, the following officers were elected, and ushered into the responsibilities and pleasures of that work:

Yellowhouse Lodge 841, A. F. & A. M.—S. R. Jackson, W. M.; Earl Hunt, S. W.; W. A. Myrick Jr., J. W.; Joe Boyd, Treasurer; Chris Harwell, Secretary; Roche Newton, Tyler.

Lubbock Chapter 248, R. A. M.—Douglas Pounds, E. H. P.; J. R. Germany, E. K.; Geo. W. Briggs, E. S.; R. C. Mowery, C. of H.; W. H. Jones, Treasurer; Geo. W. Briggs, Recorder; E. A. Moran, Stewart; W. A. Myrick, Jr., Sentinel.

TWO CHILDREN RELIEVED OF COINS AT SANITARIUM

John, the three-year-old son of Mr. and Mrs. J. J. Kendrick, of Plains, was brought to a local sanitarium last week to have a penny which he swallowed removed from his throat where it had lodged.

After taking an X-ray photograph to locate the penny, it was removed without difficulty, and the little fellow is able to be about again at this time.

The old story that a Methodist minister should be called on in such instances seemed not to have been thought practical at the actual occurrence of coin swallowing, as the little fellow above mentioned was hardly off the operating table until Reba, the five-year-old daughter of Mr. and Mrs. W. E. Doggett of Post City, was brought in to have a quarter which she had swallowed removed, and again the physicians were successful in accomplishing their work.

WIFE OF PHYSICIAN UNDERWENT OPERATION TUES.

Mrs. J. T. Krueger, wife of Dr. Krueger, of the Lubbock Sanitarium, underwent a tonsillitis operation in that institution Tuesday.

She is getting along nicely at this time, and will soon be able to be about again.

Mrs. Krueger is prominent in the social circles, and was keenly missed during the few days spent in the sanitarium.

Mr. and Mrs. M. A. Stewart, Mr. and Mrs. W. B. Pottou and daughter and Miss Marie Rowell, returned last Saturday from an auto trip to Post City and Lubbock.—Big Spring Herald.

ADEQUATE FIRE EQUIPMENT IS LUBBOCK'S MOST URGENT NEED

ROTARY AND KIWANIS CLUBS ARE CO-OPERATING TO BETTER CONDITIONS IN LEAST TIME POSSIBLE

CITIZENS REALIZE INVESTMENT FEATURE

Will Decrease Insurance Costs to Such Extent That By Purchasing Equipment On Time the City Will Save Sufficient Cost to Tax Payers to Meet Payments.

When Lubbock business men go after a thing is about all that is needed to get it.

The fact then that Lubbock is after better fire protection facilities for the city is indeed evidence that there will be no chance for the fire department to interrupt the progress of this city as soon as enough time for the achievement of that work has passed.

The Rotarians and Kiwanians may not be such "spizz" cats when it comes to twirling the old pill or getting beat at Bond elections, but when it comes to going out after something that Lubbock must have they are all furred out and equipped for the little scrap, and the fact that it is the unanimous opinion of the Club members that something must be done to get better fire fighting equipment for this city, is proof conclusive that they will finish the little job in due time.

Geo. W. Briggs, of the Briggs & Denman Insurance Company, has put the proposition before the members of the clubs in an able manner, and they readily understand that without additional fire fighting facilities we are to pay in insurance premiums and subsequent fire loss much greater sums than the installation of adequate fire fighting equipment would aggregate.

Lubbock must do something! The scene of our city standing an easy victim to the fire demon is enough to make the blood beat in the veins of any thoughtful patriot, and we are in hopes that nothing will be thrown in the way of the men who are to accomplish the work at hand.

The city commission has not been asleep on this matter. The officials have long since understood the folly of doing without the equipment, but they have been helplessly in need of funds for carrying on the work at even the small expense incurred by the operation of our present inadequate equipment and the campaign now launched is to align the forces of the clubs to assist the commission in doing the thing they know to be best for the city.

The subject Mr. Briggs discussed to the Kiwanians at their Luncheon Thursday, was introduced by Kiwanian Smylie Wilson, who pointed out how, when recently two fires broke out in the city at the same time,

the department was able to put up any fight against but one of the flames, and but for quick work on the part of neighbors of the man whose house was afire without any assistance whatever from the department, his property would have been consumed.

That is a pitiful condition, and one that Lubbock citizens will not tolerate, and the Avalanche has too much respect for our people to stress the need of our business men getting to work on the problem, for already they are at work doing all they possibly can for the execution of the work at hand, but this article is printed to remind some of the less thoughtful that Lubbock merchants and businessmen are working to the better interest of the city in every way possible, and deserve the closest co-operation from every resident citizen.

Yes, Lubbock businessmen have rolled up their sleeves for another long, hard fight and will come out winners before many days, and if you have not had a part in the little scrap you will be so badly disappointed in yourself that it will be hard for you to call Lubbock home. Better get lined up with the fellows who are going after the installation of adequate fire fighting facilities for this city.

AUNT OF LOCAL MAN DIED AT HER HOME IN IOWA

Word was received in Lubbock Monday of the death of Mrs. Nairn, of Burlington, Iowa, at her home there Sunday evening at five fifteen p. m. She was buried in the Burlington cemetery Tuesday.

Mrs. Nairn's nephew, L. T. Martin, lives in Lubbock, and his many friends regret to hear of her death.

DIRECTORS OF ROTARY CLUB ENTERTAINED THURSDAY EVENING

The directors of the Rotary Club, consisting of Jed Rix, Rossow Wilson, J. O. Jones, W. A. Bowen, Earl Hunt, Walter Myrick, L. T. Martin and George Briggs, met at the home of L. T. Martin Thursday evening.

A chicken dinner with all trimmings was served, after which the business of the club was attended to.

Judge J. R. Frost Died Suddenly At Eastland and Funeral Was Held Monday by the Masonic Order

Frank W. Frost, of this city, who was called to Eastland last Friday to attend the funeral of his father, Judge J. R. Frost, who died suddenly there that day, returned Wednesday morning. The following account of the death of this prominent jurist appeared in the Oil Belt Daily News Saturday:

The funeral of Judge J. R. Frost, one of the best known members of the Eastland bar, who died Friday, will be held Monday morning. The funeral services will be held at the Baptist church at 10 o'clock. The Eastland Masonic Lodge will have charge of the services.

J. R. Frost, born near Cumberland Gap, Tennessee, March 15, 1849; died at Eastland, Texas, July 28, 1922.

His father was Jonas Frost, a Methodist Minister. There were six brothers and one sister. Two brothers, Dr. Sam Frost of Birta, Arkansas and Tom Frost, of Ola, Ark., survive him. John Frost died at Cisco five years ago. Dr. Cyrus E. Frost died at Duncan, Okla., six years ago, N. V. Frost died north of Comanche two years ago, and his sister Callie, has been dead many years. The mother of Mr. Frost came to live with him and family in Eastland after the death of her husband, and she died and was buried in Eastland in December 1898.

J. R. Frost was educated in Illinois, began school teaching there at 15 years of age, and taught his last school as Superintendent for the Bowie, Texas schools. He studied law and began the practice at Gainsville, Texas, then at Bowie and Bowie to Eastland, where he has practiced 32 years. At different times he had associated with him in the practice were the Hon. D. G. Hunt and Claude P. Chastain, who are still engaged in the practice here. For the last ten years he and his youngest son, Cyrus R. Frost, have had offices together, and until death, in his early practice he was attorney for the Fort Worth & Denver Railway company. He appeared in many celebrated cases and always enjoyed a big practice.

J. R. Frost married Miriam A. Cherrhomes at Gainsville, Texas,

in October, 1875, and his wife survives him. There were born to these seven children: Snow C. Frost, who lives in Eastland, Texas; Clester Clay who died at the age of 4-1-2 years; Fred W. Frost, who now resides at Dallas; Frank W. Frost of Lubbock; Cyrus E. Frost of Eastland; Nelle L. Frost, who married Otis Pottorff, who now resides at Honey Grove; and Miss Beulah V. Frost who resides with the family here at 703 West Moss street.

He represented Eastland and Palo Pinto county in the 26th legislature, and made one of the nominating speeches for Charlie Cullberson for his first term for the United States Senate, at this time the legislature electing the United States Senator. He has supported him in all campaigns since, including the one through which we have just passed. He always took a great interest in the politics of his government, State and nation, and never failed to take a decided stand on all public questions.

He was one of the early pioneer campaigners for prohibition in Texas, having made numerous fights in many Texas counties. He always did this for the love of the cause, and would accept pay for the same, refusing to accept pay for the same.

He was baptized in infancy into the M. E. Church South. He had many friends who were ministers, and he especially loved to hear the Rev. G. W. Shearer preach, who was once pastor here, and who is now presiding elder of the Lubbock district, who will arrive here on the Sunshine today to be with the family and conduct the funeral services in connection with Rev. W. J. Nelson, pastor of the First Baptist church here, and the Masonic Lodge of Carbon and Eastland.

He never joined any lodge except the Masons, but he was especially devoted to this lodge, taking all the degrees on both the Scottish and York Rites, his thirty-second degree membership being at Dallas and Shrine membership at Fort Worth, the other membership being at Carbon, Cisco and Eastland.

Full funeral announcements cannot be announced until the arrival of Fred W. Frost, from Long Beach, California.

CALOMEL MAY TURN ON YOU NEXT TIME
Next Dose You Take May Salivate and Start World of Trouble

Calomel is mercury; quicksilver. It crashes into your bile like dynamite, tramping and sickening you. Calomel attacks the bones and should never be put into your system. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. Don't take calomel. It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate. 10-13

Dallas Convention for Mayfield—Ferguson Was Denounced

Dallas, Texas, July 29.—Unalterable opposition to any modification of the Volstead Act, strict enforcement of criminal laws, by constituted officers indorsement of the administration of Governor Pat Neff, recognition of labor's right to organize and of collective bargaining, economy in government, opposition to monopoly, support of the University of Texas and its chain of normal schools, freedom of speech, opposition to paternalism in government and approval of the women's equal suffrage amendment were the principal planks by the platform which was adopted by the Dallas County Democratic convention meeting at the City Hall auditorium Saturday evening.

The convention, controlled by the faction which was victorious in last Saturday's primary election got under way at noon and took up the preliminary work of launching a vigorous campaign in behalf of those who will be supported by the Ku Klux Klan in the "run off" primary, August 25. The efforts of the organization will be centered on the senatorial contest was indicated by several speakers who bitterly denounced former Governor James E. Ferguson on the floor of the convention.

The Rev. A. C. Parker, exalted cyclops of the Dallas Klan, responding to insistent calls from the floor, sounded the sentiment of the convention in a stirring plea for the support of Earle B. Mayfield, senatorial candidate.

The convention adjourned at 3 o'clock following an appeal for funds to carry out the national campaign, by John Harris.

TO THE VOTERS OF LUBBOCK COUNTY

November 26, 1920.
Hon. J. H. Moore, County Judge, Lubbock, Texas.

Dear Sir: The Attorney General is just in receipt of yours of the 15th inst. in which you state among other things that at the last general election C. A. Holcomb received 54 votes as Sheriff and 8 votes as Tax Collector and 1260 votes as Sheriff and Tax Collector of your county. You also state that S. C. Spikes received 1087 votes as Tax Collector.

From previous correspondence we understand that the 1910 United States census showed your county to have a population of less than 10,000. But after the primary election and before the general election, a certificate was issued by the Director of Census showing your county to have a population in excess of 10,000 inhabitants. Under these circumstances you propounded the following questions:

1—This being the case, whose bond should the Commissioners approve for this office, and to whom should I, as County Judge, issue certificate of election for these offices?

2—Should I issue certificate of election to C. A. Holcomb as Sheriff and Tax Collector, or should I issue certificate to him as Tax Collector? Should I issue certificate of election to S. C. Spikes as Tax Collector?

3—In the event that bonds are presented to the court, should they approve bonds in accordance with the votes cast, or should they approve bonds as stated below.

(a) Holcomb as Sheriff and Tax Collector, or as Tax Collector, should he present a bond made out in that form; in other words could he under the present status choose which of the two offices he would assume duties?

(b) Should he approve the bond of Spikes as Tax Collector?

(c) Or should he approve all of the bonds and let the court decide which is entitled to which office?

Under the facts here stated your county was not entitled to elect or could not legally elect one and the same person to the office of Sheriff and Tax Collector. There being no such office to be filled in your county by election or otherwise, at such election.

On the contrary the county was required to elect and have two different persons for these respective offices. That is, one as Sheriff and the other as Tax Collector. (State Constitution, Sec. 23, Art. 5; State Constitution Sec. 16, Art. 8; E. C. S. 1911 Arts. 7119, 7120, 7605, 7606, 7607.)

Under these facts you are advised that in the opinion of the Attorney General, Mr. Holcomb is entitled to the office of Sheriff of

Church of the Nazarene of Texas Meet At Ballinger

Ballinger, July 31.—The Church of the Nazarene of Texas will hold its ninth annual assembly here October 18 to 22, bringing several hundred ministers and laymen from all over Texas and New Mexico.

The sessions will be presided over by Dr. John W. Goodwin, D. D., of Pasadena, California. Many other noted divines of the denomination from this and other states will be in attendance and take part in the proceedings.

It is expected that committees from the Young Men's Business League will have charge of all arrangements, entertainment. It will sponsor the movement to give a reception to the visitors.

The Church of the Nazarene at its eighth annual assembly made reports which indicated that it had the greatest percentage increase of any Protestant church in Texas. Figures later compiled for the United States showed that it sustained this record all over other denominations for the year ending with last October. The denomination owns a large college at Hamlin, Texas, which teaches a regular college course and prepares young men and ladies for the ministry.

Rev. E. D. Messer, pastor of the local church, will be host to the assembly. Messer was formerly a stenographer at Austin and Houston, was licensed to preach and received Ballinger as his first charge. Since he took charge the membership has been greatly increased and the acquisition of a splendid stone building has been made possible.

LAMESA

Lamesa Journal.

The Rix Furniture and Undertaking Company of Lubbock and Big Spring, are about to close a deal with Mrs. Emma Kelly for the stock, fixtures and good will of the Cash Furniture Store on the South side. While we regret to lose Mrs. Kelly from our business circles, we extend to Messrs. Rix a hearty welcome.

Mrs. Reed, wife of Mr. R. L. Reed, died very suddenly last Friday, July 21, at the family home north of Lamesa. Funeral services were conducted Saturday by Rev. Thompson, pastor of the Lamesa circuit, and the remains were laid to rest in the Lamesa cemetery. Mrs. Reed was 36 years of age. Besides her husband, eight children survive her, one an infant ten days old.

Rev. M. O. Grant, pastor of the First Baptist church of Lamesa, closed a two weeks engagement here last Sunday night. The meeting goes on record as one of the most successful meetings ever held in Lamesa. Attendance and interest were good at both the morning and night services.

W. R. Smith, evangelist of the Church of Christ, will begin a series of sermons at the Woody school building Saturday night, July 29th. There will be an all-day service Sunday with dinner on the ground. A cordial invitation is extended to the public.

Little Cleone, 13 months old daughter of Mr. and Mrs. Clyde Birdwell, died last Monday and was buried Tuesday. We extend sympathy to the bereaved relatives.

One of Lamesa's most pressing needs is a hotel large enough to accommodate the people who come here. Hardly a day passes but what our hotels are forced to turn away people, who must find lodging the best they can. We hope some of the plans talked about will ere long result in action.

Did you see it? That fiery cross Wednesday night. It means that the Ku Klux are here. The Journal is in favor of any and every effort for law enforcement in the moral condition of the community—we care not what name the organization carries. If the Klan stand by and assist our officers to improve conditions, we say welcome.

SAME OLD STORY BUT A GOOD ONE.

Mrs. Mahala Burns, Savannah, Missouri, relates an experience, the like of which has happened in almost every neighborhood in this country, and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people, since I first used it and shall continue to do so for I know it is a quick and positive cure for bowel troubles."

COMMISSIONER OF LABOR WITHDRAWS RESIGNATION

Austin, Texas, July 29.—Labor Commissioner Joseph S. Myers today withdrew his resignation wired to Governor Neff several days ago from Denison.

The withdrawal was made by wire from Denison. Mr. Myers said that "after further consideration I would like to withdraw my resignation if agreeable with Governor Neff."

Governor Neff said it was agreeable to him and complimented Mr. Myers on his services as labor commissioner, adding that he "appreciated his splendid and efficient services."

"RAT-SNAP BEATS THE BEST TRAP EVER MADE" MRS. EMILY SHAW SAYS

"My husband bought a \$2 trap. I bought a 65c box of RAT-SNAP. The trap only caught 3 rats but RAT-SNAP killed 12 in a week. I'm never without RAT-SNAP. Reckon I couldn't raise chicks without it." RAT-SNAP comes in cakes. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Cole-Myrick Hardware & Implement Co., and City Drug Store.

MR. BOURLAND EXPECTS LARGE SCHOOL ATTENDANCE

F. C. Bourland was in town Saturday of last week to call on County Superintendent Haynes, in regard to business concerning the school in his community.

He says that they have been successful in securing capable instructors every year, and that from all appearances the coming term will eclipse all others insofar as attendance is concerned.

Lubbock county is making gain in population by leaps and bounds, and we are glad that our people are so fully interested in the education of the children over the county to provide adequate educational advantages for them.

CARD OF THANKS

It is not possible for me to see my friends in person to thank them for their whole hearted support during the recent election but I want each of you to know and feel that I fully appreciate your interest in my behalf.

It has been a great pleasure to serve you in the past and my desire is to even give you better service in the future if it be possible to do so.

Wishing for each one who added to my success and to each and every voter in this great county, I extend cordial greetings and want you to know that I am the assessor of all the people.

Sincerely,
 R. C. (Rolly) Burns,
 Tax Assessor, Lubbock County.

SHERMAN BUYING BOLL WEEVILS FROM CHILDREN

Get a lot of children to work on any proposition and there is a strong likelihood that much effective work will be done. This must not be understood as being in approval of child labor, but there are some chores a child may do about the house, and

there is some work a child may do in the field for a money reward that will not tax its strength or impose any undue burden. The Retail Merchants Association of Sherman has inaugurated a novel method to fight the boll weevil. No direct bid is made for child labor, but an inducement has been offered that will attract the children. Members of the association have raised a fund and have offered a bounty of one-half cent for each boll weevil captured in Grayson county and brought in for destruction. They have bought something like one hundred thousand boll weevils to date, costing about \$500, and presumably are in the market for more.

The boll weevil propagates very rapidly. One pair will grow into several million pairs before the end of one season. It may readily be appreciated that many boll weevils that might have been hatched have been kept from the light of day by the destruction of the hundred thousand already bought and paid for.

Where do the children come in? Why, they catch the boll weevils.

They may not be so easy to pick as berries, being much more difficult to see on the plants, but they can be brushed off with brooms or sweaters and picked off the ground. And when there is an opportunity for the children to earn a few dollars in this way the older persons are always glad to help them. It means a more concerted attack on the cotton boll pest. The Sherman method is recommended to other communities in the cotton belt.

RALLS
Ralls Banner

Dr. Bates of Lubbock, was transacting business in Ralls Friday. He was accompanied by Miss Lena Atter, R. N. While here they were pleasant callers at the home of Mr. and Mrs. W. L. Owen.

The Ralls Fair is attracting much attention and elaborate preparations are being made for same. The fair, with the co-operation of the people, will be one of the biggest events of the kind ever held in Crosby county and prizes that are worth while will be offered to our farmers. Begin now to prepare an exhibit.

The revival meeting, which has been in progress at the Baptist Church for the past two weeks, is being largely attended. The sermons being delivered by Rev. Matthews are powerful and to the point and the song service, which is being conducted by John Rice, of Fort Worth, is of a nature that reaches the heart, and, consequently very gratifying results are being obtained. Up to Tuesday of this week there had been more than 47 conversions and additions to the church. If you are missing these services, you are missing a treat. They are edifying and entertaining.

Nyles N. Morris was at Lubbock Saturday where he went for the purpose of taking Charley Perino, who left for his home in Braceville, Ill.

Work was commenced Monday morning on the new hotel building, which N. Hinson has been planning to construct for some time. This building, we are told, will be modern in every respect, and will rank among the best of West Texas. Mr. Hinson is to be commended for his enterprise. It seems that Ralls in now in for a veritable building boom, and that ere long the hammers and saws of the carpenters will make sweet music on the morning air. Let the good work go on.

The Banner has heretofore failed to mention that the election held in the Fairview School District recently for the purpose of determining whether or not the people favored issuing \$8000 bonds for the purpose of building a new brick school house resulted unanimously in favor of the bonds. So this will give us five brick school houses in this section of the county, viz: Ralls, Fairview, Cone, New Home and then we have fine school buildings at Emma and League 4.

Fire which proved very disastrous to Mrs. A. E. Johnston, occurred last Friday morning when her own home and a rented house were destroyed by fire. Nothing much was saved except the piano and the household goods of Mr. Klein, who is not here at this time. Her daughter, Miss Beattie was barely able to make her escape by jumping from the second story window. And luckily she was not injured. The property was partially insured. This is another solemn and impressive warning to our people that fire protection is absolutely necessary. Protection from fire loss now stands out as one of our chief necessities, and a need that may result in thousands of dollars worth of loss at any time. The destructive hand of fire may be laid upon our residence or business property at any moment—and then we will see what we have missed by being unable to give the fire demon battle. Everything we now have stands at the mercy of the flames, and there is no protection. Are we willing that conditions should continue to exist that way?

Miss Johnson was carried to a Lubbock sanitarium shortly after the lean from the second story window, and we are glad to report that word has been received from there that she is getting along nicely, and will in all probability be able to return to Ralls within a few days.

TAHOKA

Lynn County News

The Tahoka Chamber of Commerce band gave a concert on main street Saturday night and several hundred people were present to hear the music. The band has only been organized about three weeks and our citizens were agreeably surprised at the progress they have made. The band is under the leadership of Carl King, formerly with the Abilene band.

The Baptist revival at the city tabernacle is growing in interest daily. The preaching by Rev. R. E. Smith of Waco, is of the highest order and is being highly praised by those in attendance. Already some great themes have been ably discussed and a great array of Bible truth packed into each discourse. It is expected that these messages will grow in strength and interest from day to day. The singing is being led by Rev. Cowles of Waco, and seconded by a large local choir, which is also attracting much interest and is being greatly enjoyed. The two pianos are being presided over by Miss Smith, daughter of the evangelist, and Mrs. Sam Reid of Tahoka. The business houses have agreed to close their place of business one hour each day next week, except Saturday, in order to give the fullest possible endorsement of the meeting. It is believed that a great religious quickening is in store for Tahoka, and every one is urged to join in to make the meeting the largest possible success and also to get a personal blessing out of it.

The annual reunion of the Hedgecoke family was held this week at Lubbock and Post, near the famous lake near that town. The Hedgecoke family is composed of Messrs. J. M. Hedgecoke of Ende, N. M.; W. P. and S. M. Hedgecoke of Plemons, Texas; Messdames J. B. Cole of El Paso and E. R. Haynes of Lubbock. The reunions are held each year at different points in the state, and are always well attended by the immediate kinspeople of the brothers and sisters. The News editor and family were absent from home two or three days this week attending this event.

Rev. L. L. P. Barker, pastor of the First Baptist Church at Spur, accompanied by Mrs. Parker and children, were visitors in Tahoka Friday and Saturday of last week. They also visited with relatives in the New Hope community. This estimable family have many friends in Lynn county who are always glad to have them pay us a visit. Rev. Parker was pastor of the church here for more than three years before being called to the church at Spur.

Dr. R. J. Hall returned Sunday from Morgan Hill, California, where he spent several days visiting with his brother. He spent some time touring that state, and reports that a very interesting and worth-while vacation was enjoyed.

CAUSE OF APPENDICITIS

When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.

THOMAS GRAIN & FUEL COMPANY

GRAIN GROWERS

Think About This

Will your grain bring more just after harvest, or several months later?

When are prices generally best—when millions of bushels are being rushed to market, or after the bulk of the crop has changed hands?

Much of the grain you sell at harvest time, is not ground till after Christmas—it is stored till needed. Who pays the storage—YOU do.

It costs only one cent per bushel per year to store grain on the farm in a Long-Bell granary.

Why rush the grain to market—bankers are glad to lend money on a farm stored crop that is insured.

We have the plans and lumber you need to build your own storage. Better not put it off.

Prevent fouled spark plugs and carbon troubles

Do you know what causes carbon—with all its evils and wastes? A large part of it comes either from using compounded, low-quality oils, or good oils of improper type.

Poor oils break down under heat. And their sticky, gummy residues—plastered over spark plugs, cylinder walls, pistons, etc.—are baked into hard carbon.

Wrong types of good oil are just as bad. Cylinders are not sealed—power is lost—too much oil gets into the firing chambers and too much gas into the crankcase.

SUNOCO Motor Oil eliminates these troubles. Being wholly-distilled—not a compound—it keeps the vital parts of your engine CLEAN.

And by holding your cylinders compression-tight, SUNOCO stops oil pumping, crankcase dilution and insures greater power and mileage.

Motorists who use SUNOCO are enthusiastic. You will be the same. Why not give it a trial? Drive your car to the nearest SUNOCO dealer and have him drain the crankcase before refilling with SUNOCO. Do this today.

TO DEALERS We have an attractive sales plan to offer dealers. Let us explain it.

The outlook is brighter. We saw a man buy a new dinner basket.

West Texas Will Produce Thirty-Five to Forty Percent of the Cotton Crop of Texas This Year According to Reports

Stamford, July 29.—The research department of the West Texas Chamber of Commerce predicts that this season fifty-seven West Texas counties will produce from 35 to 40 per cent of the entire cotton production of Texas. Estimate is based upon conditions prevailing in those counties and in other parts of the state. West Texas has more than fifty-seven counties, so that in making a comparison, the organization is virtually putting these fifty-seven counties not against the other sections of the state, but also against a portion of the state which is within its jurisdiction.

The counties which were picked out for this comparison are Archer, Baylor, Brown, Callahan, Childress, Clay, Coke, Coleman, Collingsworth, Comanche, Concho, Cottle, Crosby, Dawson, Dickens, Donley, Eastland, Erath, Fisher, Floyd, Foard, Hale, Hall, Hardeman, Haskell, Hood, Howard, Jack, Jones, Kent, Lubbock, Knox, Lynn, McCulloch, Menard, Mitchell, Montague, Motley, Nolan, Palo Pinto, Parker, Runnels, Schleicher, Scurry, Shackelford, Stephens, Stonewall, Taylor, Tarrant, Throckmorton, Tom Green, Ward, Wheeler, Wichita, Wilbarger, Wise and Young.

Detailed figures are interesting. In 1921 these fifty-seven counties of West Texas produced 866,893 bales of cotton of the total of 2,129,660 produced in the state, giving them a percentage of 26.5 per cent. In 1920 they produced 899,724 bales of the 4,148,399 in the state, or 21.7 per cent of the total. In 1919—the record year—these counties produced 1,066,340 of the 2,960,355 bales produced in Texas, or 35.9 per cent of the whole.

Production in bales followed by percentage of total crop in the state is listed herewith for the fifty-seven counties mentioned from 1905 to 1919, figures for dates since then having already been mentioned in this article:

1905, 551,820, or 22.7 per cent; 1906, 870,835, or 22 per cent; 1907, 542,656, or 24.6 per cent; 1908, 918,416, or 25.3 per cent; 1909, 504,024, or 20.4 per cent; 1910, 515,019, or 18.8 per cent; 1911, 676,017, or 16.2 per cent; 1912, 852,425, or 18.3 per cent; 1913, 1,236,780, or 28.2 per cent; 1915, 693,635, or 22.6 per cent; 1916, 591,282, or 16.6 per cent; 1917, 354,304, or 11.6 per cent; 1918, 165,278, or .063 per cent; 1919, 1,006,340, or 33 per cent.

For the seventeen years embraced in these records Jones County is shown as having produced more cotton than any of the other counties during that period. In 1919 Jones County produced 72,967 bales, putting it the second producing county in Texas for the year. The next county in the group for that year was Runnels with 50,656 bales.

Most of the counties included in this group are free from the boll weevil, but there are several which of recent years have been infested and the production has fallen off considerably. It is noteworthy that the advance of the boll weevil has been little north of the Texas & Pacific railroad and west of the Wichita Valley railroad. This season the Plains and Panhandle country have increased their cotton acreage from 22 to 10,000 per cent. The condition of the crop is said to be very fair, but in many parts of the belt the need of rain is beginning to be felt.

With a vastly increased acreage and prospects favorable for rain before the crop has advanced too far, the prospects for West Texas to be a leader in cotton production are very bright. The fifty-seven counties shown in the tables above were selected by the Fort Worth and Denver Railroad Company for comparison purposes. A rearrangement of the table, eliminating some of the counties oppressed with the boll weevil and the inclusion of some of the Plains counties, might radically change the figures, especially if this rearrangement were made next year after the present growing crop was marketed.

The possibility of the boll weevil getting a foothold in all the territory of West Texas now growing cotton is not far-fetched. The erroneous idea that this territory is immune from such insects because of altitude, freedom of timberlands and other deterrents must be forgotten and every cotton producer must take means to prevent the incursion of the weevil. "An ounce of prevention is better than a pound of cure," should obtain, says the research department of the West Texas Chamber of Commerce.

NOTICE OF SHERIFF'S SALE

In the District Court of Lubbock County Texas; Morton J. Smith vs. J. N. Rice, et al:

Whereas, by virtue of an Order of Sale issued out of the District Court of Lubbock County, Texas, on the 24th day of July, A. D. 1922, on a judgment rendered in said court on the 13th day of June, 1922, in cause No. 1566, in favor of Morton J. Smith as plaintiff, against the defendants, Ura Embry, J. N. Rice, W. E. McClendon, J. A. Blackwell, W. B. Thorp, Mrs. T. L. Moody, and E. A. Moody, and in favor of the defendants, Mrs. T. L. Moody and J. A. Blackwell, on their cross-actions against the other defendants, I did on the 26th day of July, 1922, at 10:00 o'clock a. m., levy upon the following described tract of land, to-wit: The Northeast Quarter (NE 1-4) of Survey No. Twenty-two (22), L. & S. V. R. R. Co., Certificate No. 29, Block "D," containing 160 acres of land, situated in Lubbock County, Texas, and being the same land described in said judgment and order of sale, and on the 5th day of September, 1922, being the first Tuesday of said month, between the hours of 10:00 o'clock a. m., and 4:00 o'clock p. m., on said day, at the Court-house door of Lubbock County, in Lubbock, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said defendants in and to said property.

Witness my hand at Lubbock, Texas, this 26th day of July, A. D. 1922.
44-4F C. A. HOLCOMB,
Sheriff of Lubbock County, Texas.

RANGE CONDITIONS IN N. M. ARE REPORTED AS O. K.

Amarillo, July 31.—Range conditions are good and the hay crop in the Pecos Valley is heavy, with other crops in general in good condition. That is the report for New Mexico as furnished by the local offices of the Rock Island Railway. In the Panhandle proper, splendid rains have benefitted the row crops. Wheat has turned out much better than was expected. The pecan crop is short. Ranges generally are in excellent condition.

RANGER TAKES ONE-SIDED AFFAIR BY SCORE OF 9 TO 2

The Hubbers fell victim to the airtight work of Lefty Lybrand Monday, and Ranger took the first of the home series from them 9 to 2. The visitors jumped on Morgan in the first stanza, and hard hitting linked with errors netted them three runs. In the third they counted another, and Morgan was relieved by Cantrell, but he was unable to stop the slugging of the Nitros, who pounded him for four more runs in the fifth, adding another in the seventh.

The first count of the locals came in the fifth when Pyle dropped the Skipper's long fly to deep right, allowing Earnshaw to score. One more was marked in the sixth, beyond which the locals were not able to scratch. The work of Phillips, Ranger pitcher, as umpire, was somewhat off color. The score:

HUBBERS DROP SECOND GAME TO RANGER

One bad inning on the part of Woolridge Tuesday, lost the second game of the series against the Ranger Nitros 4 to 2, making it two straights. Four hits, a hit batsman and a onehead in the second frame off Woolridge, netted the visitors

SPORT WOOLDRIDGE SOLD TO THE CHICAGO CUBS

A deal was closed a day or two ago between Skipper Allen, manager of the Lubbock Hubbers, and Jack Doyle, scout for the Chicago Cubs, whereby the Cubs became the owner of Sport Woolridge, ace twirler of the Hubber staff, delivery of Woolridge to be made at the end of the present season, until which time he will remain on the staff of the Hubbers.

Doyle saw Woolridge work in the second game with Ranger, in which game he was beat out 4 to 2, but was so impressed with Woolridge and his work that he immediately closed out a deal for him. We understand now that negotiations are under way for the possible selling of Sam Langford, outfielder, and Dick Morgan, another of the Hubber pitching staff into the majors, as scouts have been frequent in this territory lately, thus proving that Skipper Allen is not only a baseball man, and knows a ball player when he sees one, but knows how to take a youngster in charge and train him up. Both Woolridge and Morgan are still under the twenty year mark, with Langford a very little bit beyond.

HUBBERS TAKE LAST OF SERIES FROM THE NITROS

The Hubbers took the third of the series from the Ranger Nitros here Wednesday in an eleven-inning exhibition 5 to 4, all the runs coming by the sacrifice route, except for a homer by Earnshaw in the ninth when he buried one in the trash just outside the right field line, causing Pyle to have to "dig in," but he was unable to retrieve the apple before Earnie scored.

Sparks allowed eight hits in the five frames worked by him, after which he was relieved by Cantrell, who allowed them one additional hit. Earnshaw led the locals in the hit column, chalking up a homer, a double and a single out of five, while Flagg and Langford were getting two singles and a triple out of five. Billing's umpiring exhibition was rotten.

T-O LEAGUE WILL BE CUT TO FOUR CLUBS

Dallas, Aug. 1.—Doak Roberts president of the Texas-Oklahoma League, announced tonight that after August 6th the league would be cut from a six to four city league, with all of the present towns dropping out except Mexia and Corsicana. It is probable, Mr. Roberts declared, that Fort Worth and Dallas would take over the Paris and Greenville clubs, respectively, thereby giving the two larger cities continuous baseball. The Ardmore and Sherman clubs of the Texas-Oklahoma League would be dropped under this plan, he said.

The fact that the league would simmer down to four cities leaked out in Ardmore, Mr. Roberts said. This action was decided upon at an executive meeting in Dallas last Saturday, and the original plan was not to announce the decision until August 6th.

BIG LEAGUE SCOUT LOOKING OVER WEST TEXAS LOOP

Bob Conner and Jack Doyle, scouts for the New York Yankees and Chicago Cubs, respectively were in Lubbock Tuesday on their swing of the West Texas loop, looking over the future possibilities of some of the youngsters.

They are finishing up on this end of the line, and have seen practically all of the clubs in action, but as yet haven't made any contracts. They are both old heads at the game and know a ball player when they see one, and say they have just about quit making class A and AA circuits. The real stuff, they say is in the younger blood, which are always found in such clubs as compose the West Texas League and other of like nature.

LOCAL BOY PLAYED NINE GAMES WITH STAMFORD TEAM

Gilbert Jackson, son of Gib Jackson, of the Long Bell Lumber Company, returned last week from Stamford where he spent ten days playing in the Stamford Colonels, in the West Texas League. Young Jackson has a wonderful knack for the great American game, and we are sure he will be placed among the big players if he is willing to stay in the game, which we learn, however, he has no desire to do, as he is taking literary work, and expects to enter professional life.

He made good with the Stamford team, having played the full nine games allowed an out-of-the-team player.

BASEBALL SUMMARY

Monday's Games:
Lubbock 000 011 000—2 4 5
Ranger 301 401 000—9 13 2
Morgan, Cantrell and Allen; Lybrand and Clayton.

Amarillo 000 203 000—5 6 3
San Angelo 003 001 410—9 14 7
Badger and Byers; Moore and Klindworth.

Clovis 211 000 21x—7 11 9
Stamford 200 400 000—6 14 1
Wetzel, Vick and Erwin; Appleton and Schmidt.

Tuesday's Games:
Lubbock 010 100 000—2 7 0
Ranger 040 000 000—4 7 4
Woolridge and Allen; Thomas and Clayton.

Amarillo 010 011 30x—9 11 0
San Angelo 100 001 000—2 4 2
Morton and Byers; Ray, Cocks and Klindworth.

Clovis 213 003 12x—12 13 1
Stamford 000 250 000—7 11 5
Mickey, Burleson and Erwin; Mitchell, Knadler and Schmidt.

Wednesday's Games:
Lubbock 000 100 021 01—5
Ranger 001 001 002 00—4
Sparks, Cantrell and Allen; Phillips, Lybrand and Clayton.

Amarillo 121 010 14x—10 15 0
San Angelo 200 001 000—3 4 3
Smith and Douglas; Flock and Klindworth.

Clovis 000 200 12x—5 12 2
Stamford 000 000 003—3 5 1
Vick and Erwin; Billings and Schmidt.

Sweetwater 4 7 5
Abilene 12 15 1
Hays, Gressett and Howze and Phipkin; McAbee, Scruggs and Burch.

KANSAS CITY MARKET

Kansas City Stock Yards, July 31, 1922.—The decline in cattle prices last week caused a moderate decrease in receipts today, and the general market showed renewed strength, with prices going to 25 cents higher. General activity prevailed in the trade. Hogs were generally 10 cents higher, with the top price \$10.10, and bulk of sales \$9.75 to \$10.05. Sheep and lambs were strong with native lambs selling up to \$12.70.

Today's Receipts
Receipts today were 17,000 cattle, 9,000 hogs and 7,000 sheep, compared with 18,000 cattle, 9,000 hogs and 4,000 sheep a week ago, and 18,800 cattle, 7,950 hogs, and 4,800 sheep a year ago.

Beef Cattle
Prospects for a settlement of the railroad strike together with more moderate receipts of cattle revived the market considerably. A good many fat steers at \$9 and \$10 were quoted a full quarter higher, and fair to good grass steers were strong to 5 cents higher. Plain to grass fat cattle from Kansas, Oklahoma and Texas predominated in the run. Choice 1,100 pound fed steers sold up to \$13. Some Kansas wintered grass fat steers brought \$9.25, and straight grassers sold up to \$8.40. Common grass steers sold at \$4.25 to \$5. Cows and heifers were 10 to 15 cents higher, with veal calves generally steady.

Stocks and Feeders
Demand for stock and feeding steers was active at strong prices for the plainer kinds and a moderate advance showed in the better classes. The low prices which prevailed last week brought out increased demand.

AT THE CHURCHES

St. Paul's Episcopal Church
St. Paul's Protestant Episcopal Church, Sunday, August 6th: Church School—10 a. m. Miss Mable Marsh, Superintendent. Celebration of the Holy Communion and sermon—11 a. m. Evening prayer and sermon—8 p. m.

"I was glad when they said unto me, we will go into the house of the Lord."
J. L. Showell, Rector.

The T. E. L. Class

The T. E. L. Class of the Baptist Sunday school met in business and social meeting at the home of Mrs. Lee Smith, and after an interesting business meeting the class enjoyed a social hour, during which refreshments of ice cream and wafers were served to the following members: Mesdames Bryan, Herrin, Hall, Arnett, Wall, Harris, Waldrop, Haynes, Merlin Gunn, Barnett, Alston, G. A. Gunn, Moore, Denman, Baywell Morris, Matthews Smith, Cox, the class having as guests Mrs. W. A. Bowen and Miss Mina Ellis.

First Presbyterian Church
All of the usual services will be held Sunday at the church. Sunday School 10:00 a. m. Morning Worship 11:00 a. m. Evening Worship 8:15 p. m. The pastor will preach at both services. The evening service will be held on the lawn. Come.

First Presbyterian Sunday School
Men and women take notice, next Sunday morning at ten o'clock you are urged to be present for Bible Study. Mr. G. F. J. Stephens, one of the most competent Bible teachers in the city, will welcome the ladies at the church. Rev. J. M. Lewis, pastor of the church, is teaching the men. The men's class

To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues. A box of GROVES O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup. The healing effect of Hayes' Healing Honey aside the throat combined with the healing effect of Groves' O-Pen-Trate Salve through the pores of the skin soon stops a cough. Both remedies are packed in one carton and the cost of the combined treatment is 35c. Just ask your druggist for HAYES' HEALING HONEY.

meets at the manse, next door to the church, each Sunday morning at 10:00 o'clock. At the present time these two classes are engaged in an attendance contest and much interest is being manifested by both classes.

Men and women who are not already identified with another church and Sunday School, are urged to be present next Sunday. We believe you will enjoy an hour thus spent.

First Presbyterian Meeting
Rev. H. W. Burwell, D. D., of Dallas, will begin a meeting for us on Wednesday evening, August 23. All are looking forward to this occasion with a great deal of eager anticipation.

Cumberland Presbyterian Church
Sunday School 9:45 a. m. Preaching—Services 11 a. m. and 8:15 p. m. Junior Endeavor, 2:45 p. m. Senior Endeavor, 7:15 p. m.

This is our first regular service following the annual revival, and we trust that all members of the church will be in your place on this coming Lord's Day. God has well paid us for all our efforts during the past year in the salvation of our children and friends. All together for another great year's work for our Lord and our Master.

We most urgently request as well as invite all who may desire to worship with us in any and all services conducted in the "Little White Church" on 10th Street.

Remember, that August 9th is our "Anniversary Home-Coming Day" for the Lubbock congregation. Further announcements will be published in Tuesday's issue. However, there will be services all day with a basket dinner in the Cumberland Park just north of the church. All charter members of this congregation it is hoped will be present. Floydada, Rails, Petersburg, and other points in Amarillo Presbytery will be represented.

"WHY I PUT UP WITH RATS FOR YEARS," WRITES N. WINDSOR FARMER

"Years ago I bought some rat poison, which nearly killed our fine watch dog. It so scared us that we suffered a long time with rats until my neighbor told me about RAT-SNAP. That's the sure rat killer and a safe one." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Cole-Myrick Hardware & Implement Co., and City Drug Store.

Colds Cause Grip and Influenza
LAXATIVE BROMO QUININE Tablets remove mucus. There is only one "Bromo Quinine." C. W. GROVES' signature on box. 35c.

SOCIETY

Eldredge-Miller
Mr. Frank King Eldredge of Slaton and Miss Louisa Downard Miller of Amarillo were quietly married at 7:30 p. m., July 29 at the altar in the First Cumberland Presbyterian church on 10th street in the presence of a few friends.

Rev. J. Fred Baker of the church performed the marriage rites, using the ring ceremony in a few well chosen words.

Mrs. Carl Bair was hostess to the members of the Community Club in the home of her mother, Mrs. W. B. Shelton. The home was tastefully decorated in cut flowers and ferns. After a short program was rendered an ice course was served to the following members and guests: Mrs. Jim Brabham, T. S. Reynolds, E. T. Daniel, John Carlin, Lubbock, J. H. Vanderslice, W. B. Shelton, Mrs. Alvey, Mrs. L. W. Young of Wichita Falls guests. Mrs. Carl Barr hostess.

HUNGER, THE BEST SAUCE

Sauce is used to create an appetite or relish for the food. The right way is to look to your digestion. When you have a good digestion you are certain to relish your food. Chamberlain's Tablets improve the digestion, create a healthy appetite and cause a gentle movement of the bowels.

Mr. and Mrs. Ned Robinson and little daughter, of Brownwood, Mr. and Mrs. Guy Mann, a little daughter of Dallas, passed thru Lubbock Sunday enroute to Denver, Colo., and while here spent some time at the home of Mr. and Mrs. J. A. Pourdan. The party is making the trip by automobile, and will spend about a month in Colorado.

NOTICE

Free Clinic, on Tuesday and Friday evenings I will have a free clinic for the benefit of those who are not able to pay for our services. Free Diagnosis for all others. Come and get acquainted and learn of the great work that Chiropractic is doing in the healing science. Dr. Council, the Pioneer Chiropractor of the Plains. 46-10

G. E. McCelvey and son G. E. Jr., accompanied by H. M. McCelvey, brother and uncle, passed through Lubbock the first of this week enroute to Lamb county, where they will visit and inspect their property holdings, the ranch known as the McCelvey-Ely Ranch. These men were highly pleased with the development of the country and were very complimentary of the city of Lubbock. They visited a short time with their close friends of this city, L. C. Ellis and C. E. Maedgen of the Security State Bank. Their home is in Temple.

NOTICE

Some say that they do not believe that there is any merit in Chiropractic. Why? Because they have never taken any adjustments for any trouble and therefore do not know anything of the marvelous results that Chiropractic brings by removing the cause of all diseases, give us a trial and be truly convinced of our ability to relieve your troubles and give you health. Wood, Mutton T. Council, D. C., Ph. L., N. D. & M. T. D., Lubbock, Texas. Burrus Building. 46-10

Mr. and Mrs. J. K. Lowrey and Miss Irene and Earnest left Tuesday for Brady, Texas, and other points in that section for a short vacation. They made the trip by auto. The Avalanche is glad to hear of Mr. Lowrey's vacation, as his work at the City Drug Store has been constant, and he certainly deserves the rest.

NOTICE

When in Lubbock make my offices your resting place. We always have lots of company, books and music. We will be glad to entertain you and give you free advice concerning your health. Dr. Council, the Chiropractor. Phone 540. Offices in Burrus Building. 46-10

Mrs. John Simpson of Lubbock, is in Hereford visiting at the home of Mrs. Chas. Murray. Mrs. Simpson is very popular in Lubbock and is greatly missed by her many friends here.

RENT A FORD DRIVE IT YOURSELF

We rent Fords by the day or hour. When you need a car Phone 83 or 163, and we will deliver the car to you. A. & M. Ford Rental Company, at Elk Cafe. 45-1f

A message to the man who is worried because of dry weather—

JUST THINK!

How much good can be done with a

DELAVAL CREAM SEPARATOR

with, even just a few cows regardless of whether crop conditions are what they should be or not.

Ask your banker! He won't say buy a DeLaval Cream Separator unless he has been taught the big difference in them, but he will say to keep those cows and buy a Separator.

There are More DeLaval Separators in Use Than All Other Kinds Combined!

We have DeLaval Separators in stock in different sizes. We will gladly take one to your home and demonstrate it to your satisfaction.

Don't worry over your crops—you can't better them. Buy a DeLaval and milk your cows to prosperity—if that's where you are wanting to get to.

RANGER BUSINESS MEN HERE TO ATTEND BASE BALL GAME

R. B. Waggoman of the Ranger Daily Times and J. C. Smith, dry goods merchant of Ranger, were in Lubbock Wednesday to witness the game between the Lubbock Hubbers and Ranger Nitros, and while in Lubbock made the Avalanche a very pleasant call.

They report conditions in that section somewhat improved because of the recent development in the Eastland field, and are optimistic as to the ultimate outcome of the Ranger oil fields.

The Ranger Daily Times is one of the liveliest dailies in the oil fields, and we are glad to assure Mr. Waggoman that his publication is appreciated by the people of the oil fields as well as right in its home town.

TO MY FRIENDS

I wish to avail myself of this method of expressing my most sincere appreciation of your wholesome support in securing my nomination for the office of County Attorney. I want to thank you for this manifestation of confidence in me, as a

young lawyer, and I pray that I shall (to some extent at least) prove worthy of this commission. I wish to take this opportunity to solicit your co-operation in carrying out the duties of this office. Sincerely,
46-1 Owen W. McWhorter, Democratic Nominee.

OKLAHOMA PEOPLE VISITED RELATIVES HERE RECENTLY

Mr. and Mrs. C. D. Stanton, of Sand Spring, Oklahoma, visited at the home of Mrs. Stanton's brother G. R. Trim of the Avalanche force, recently, and Mr. Stanton's nephew, N. F. Stanton, of Stanton's Chocolate Shop.

"We are glad to report that they were highly pleased with Lubbock, and will no doubt make their home here before many years, for when the plains claims the member of a family, there is but little time passed until the relatives are attracted here, and such visits as the Stantons made here is always a great factor in rushing the participants to the plains to make their home permanently."

Senator Smith Urges Farmers In Boll Weevil Section to Abandon Cotton As Remedy for Combating Pests

Washington, July 23.—Abandonment of cotton production every other year in states east of the Mississippi, is being agitated by Senator E. D. Smith of South Carolina, as a means of combatting the boll weevil, and reducing its operations to a minimum. The off-years could be devoted to other crops, Senator Smith said, with profitable result both as to crop price and use of the land without fertilizer.

"The matter is being agitated as

about the only means to fight the weevil," said Senator Smith. "It has been found that in the areas of dense woods and other heavy growth the weevil hibernates from one crop to another, coming out when the cotton appears and feasting for the season. Give it no cotton to feast upon and death overtakes the weevil in six months, according to the research of the entomologists. By dropping a year the Southeastern states would find no weevil to cope with the following year, and cotton production could be resumed.

Not Needed in Texas.

"Such a program would not be necessary in the Plains States like Texas, where the heavy wood growths do not exist as a general rule. The weevil there has not the advantages of hibernation as in other sections." Entomologists have about reached the conclusion, it is said, that the

weevil is here to stay, more or less, and that the best to be done is to fight it back as much as possible.

In making the next report on cotton the United States Department of Agriculture will also report on the boll weevil, in response to a resolution by Senator Smith, adopted by the Senate. The hope is to procure a more accurate statement of the anticipated production by showing the extent of the weevil and its ravages. Complaints have reached members of Congress from Texas and other cotton-growing sections, that the Government's report on production this year did not approximate the weevil's damage, thus tending to place the estimates of production too high.

Senator Smith presented to the Senate in connection with the resolution, a statement from British business men, who are reported as "thoroughly frightened" over the danger that the American cotton crop will be below the world needs because of the boll weevil, and that the American estimate of 11,000,000 bales for this crop is too high.

Low Yield Expected.

The British express the opinion that the maximum to be expected in view of the insect is 9,000,000 bales, which, they say, would be disastrous to British trade. The weevil has appeared in Northern Egypt from Brazil despite the heroic methods to debar it, and the British do not look upon the situation with any degree of composure.

Senator Smith points out that the United States government has pent \$12,000,000 in an effort to control the weevil but without success, and that now the loss of about 7,000,000 bales annually "spells the weevil." The world's normal cotton consumption, Senator Smith continued, is about 4,000,000 bales, and there is but a 2,000,000-bale carry-over this year.

"American spinners have consumed as high as 7,000,000 bales, but are now going at the rate of 5,000,000," said Senator Smith. "The United Kingdom is spinning only 4,000,000 bales with Germany 2,000,000."

FORD OWNER GETS WRONG CAR THROUGH MISTAKE

Stamford, July 31.—A traveling salesman for Wooten Wholesale Grocery, who left his car a few moments to step into a grocery house came back to find it garaged. Officers were put on the trail and car from the wholesale house were started on several roads leading out of the city to apprehend the supposed thief. However, the whole thing proved a joke. The owner of a jitney which had been "tethered" near the place where the car was taken, mistook the car for his own and did not discover his mistake until he reached home. Presto! Then he broke the speed limit taking it back—fearing a noose.

Many Industrial Wage Earners In Texas Counties

Dallas, July 27.—The industrial importance of Texas is shown by the fact that in 158 counties the number of wage earners in manufacturing industries is more than 90,000 and the average annual amount paid to these wage earners is \$93,521,636, according to statistics on industrial operations announced today by W. M. Barrickman, secretary to the Texas Industrial Congress.

Of the 5,724 manufacturing plants in Texas, returned in the census of 1920, 5,153 are reported in the 158 counties considered in the above statement, according to Secretary Barrickman, while the remaining 571 manufacturing industries are contained in the other 95 counties of the State. The latter group of industries employs an average of 17,283 workmen, with wages amounting to annually \$22,882,164. Thus it is seen that the wage earner in Texas industrial plants receives an average annual wage of \$1,074, based upon the census of 1920.

A tabulation of the leading counties of the State in industrial activities, shows that Dallas county stands

first in the number of manufacturing establishments, with 492; Harris county stands 2nd with 422; Bexar third with 328; Tarrant fourth, 257; and El Paso fifth with 217.

Harris county leads the State in the number of wage earners and wages paid, according to the tabulation. The southern Texas county, with Houston as the chief center, has an average of 11,411 workmen who receive an average of \$12,173,174 annually in wages. Tarrant county, with Fort Worth as the principal center of activity, stands second, reporting 9,196 wage earners and a payroll of \$10,563,246; Dallas county third, with 8,708 wage earners and wages amounting to \$8,752,026.

CISCO & NORTHEASTERN RY. BUILDING SHOPS AT CISCO

Cisco, July 31.—The new round-house and shops of the Cisco & Northeastern Railroad are being rapidly completed at a cost of \$13,000. The buildings are of brick 40x200 feet in dimension, with a 40x40 foot for the machinery and blacksmith shop. Work will start September 1, on the ballasting with rock of the entire road from Cisco to Breckenridge, the contract having been let to R. C. Diefenderfer of Ranger. The crushed rock will be shipped from Raylee. When the present improvements have been completed this road will make very fast time.

NEFF IS BESEIGED BY OFFICE SEEKERS

Austin, July 28.—Governor Neff is already receiving applications for appointment to the positions of Railroad Commissioner to succeed Earle B. Mayfield, high candidate in the United States senatorial race, and Labor Commissioner to succeed Joseph S. Myers, resigned. All of the applications, however, include the proviso that Mr. Mayfield is elected in the second primary and the Governor accepts Mr. Myers' resignation. Such information was obtained at the Governor's office today.

The applications came by wire and letter, some with endorsements attached. They are still arriving, one having been received this morning.

As yet Governor Neff has announced no decision in Mr. Myers' case, and whether Mr. Mayfield's position becomes vacant remains for the second primary next month.

ELDORADO CALVES NET OWNER \$18.10 LAST WEEK

Eldorado, July 31.—R. A. Evans last week sold 68 head of calves on Kansas City market which netted him \$18.10 per head. He purchased quite a large number of steers during the past week.

You Have no Idea Just How Well We Can Serve You

There isn't a member of your family but who can find in this hardware store many useful things to buy. Here you won't waste money because every article we sell is useful—of high quality and moderate cost.

Take the question of shaving: We are well stocked with razors, razor strops, hones, etc. Also our stock of pocket knives is the place to select yours. And of course while we are speaking about things for men, the carpenter, the machinist and the laborer will find

our tools living up to their reputation of being the best at any where near their price.

We believe we offer you the widest range of selection in cooking stoves in this section. We know that when you purchase the cheapest or the highest priced stove from us, you are getting full value for your money. Take our enameled ware, aluminum ware, crockery, glassware, queensware, dishes of nearly every nature and you have quality with the assurance that your money couldn't buy more anywhere else.

R. A. Rankin & Sons "Lubbock's Finest Hardware Store"

Ex-Service Men Can Now Re-Instate Their War Time Insurance Policies And Take Out Old Line Policies

This publication is being made for the purpose of disclosing to ex-ser-

vice men the fact that they have the privilege of reinstating their term or war time insurance and converting it into an old line insurance backed by the United States Government.

Many of you have heard a lot about insurance and some of you have heard a great deal that is not true. No man should refuse to investigate a good sound business proposition, and be assured that Government Insurance is all that and more, and stands ready for investigation at any time.

Any ex-service man may reinstate his term or war time insurance by paying two month's premiums on the amount of insurance reinstated and by submitting satisfactory proof of insurability.

If you are unable to reinstate under the conditions just mentioned on account of a disability which was contracted in or aggravated by active military or naval service during the World War, you may reinstate, if not permanently or totally disabled, an examination being required to determine physical condition, by paying all premiums due since your insurance lapsed, with interest at the rate of 5 percent per annum, compounded annually on each premium from the date such premium was due. You may reinstate to any amount you desire in multiples of \$500, but not less than \$1,000, nor more than the amount of insurance originally granted to you.

Any ex-service man may convert Term or War-Time Insurance which is in force into any or as many of the six forms of permanent insurance as you desire, in multiples of \$500, but not less than \$1,000, by making application and paying the first monthly, quarterly, semi-annual, or annual premium in advance. It is advisable to convert now, to secure your permanent insurance at your present insurable age, which carries a lower rate than if you delay conversion.

On account of your military or naval service you enjoy a privilege accorded to no other class of citizens in the United States, that of purchasing life insurance backed by the United States Government at absolutely net cost.

All forms of Government Permanent life insurance, namely, Ordinary Life, Twenty-payment and Thirty-payment Life, Twenty-year and Thirty-year Endowment, or Endowment maturing at the age of 62 years, are payable as death claims in "one sum" or installments at the option of the insured.

All Permanent (converted) policies have a cash loan, paid up and extended insurance value, available after the policy has been in force one year.

The converted or Permanent Life Insurance is written at guaranteed premium rates, which rates are not increased each year as do the yearly renewal term (war-time) insurance rates.

All Government (converted) insurance is issued at net cost rates, according to the American Experience Table of Mortality and 3 1-2 percent interest, and without charge being made in the premium for operating expense, which is borne by the Government.

Any excess interest earnings over 3 1-2 percent, together with any savings in the mortality, accumulate a fund from which dividends may be apportioned by director and paid to Government (converted) policy holders. \$1,030,000 has been apportioned to be paid in dividends during the year 1921 to those whose policies have been in force a year or more.

There are no restrictions in the policies as to residence, travel, occupation, or military or naval service. No charge is made in the premium for permanent total disability benefits, which are not limited as to the age at which disability may occur or the cause of such disability.

To the average man, life insurance is a mystery, and yet it is one of the simplest things in the world. It is not a gamble, as some people claim—

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI

The Woman's Tonic

"I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

At all druggists.

ADDITIONAL NEWS FROM THE CARLISLE COMMUNITY

The laymen of the Baptist church deserved special mention, the excellent talks by Mr. Bynum, Judge Foster and Mr. Sawyer, were all fine and helpful to the people. The talk by Mrs. Moore was fine and goes to prove that she is one of the Lord's chosen. The Carlisle community was proud to have such people visit among them and we welcome them back anytime they can come.

We wish to correct an error made last week by the Carlisle reporters, and of course they did not make the error intentionally, however, it was not voiced by the Carlisle people, in fact they were proud to have the candidates out and they contributed liberally toward paying for the ice cream—in fact they would not have sung much anyway, so we were not put out at all, and we wish to say in behalf of Carlisle people that the people of Lubbock are always welcome to Carlisle.

On last Thursday evening the people of Carlisle community assembled to pay the last tribute of respect to Mrs. J. B. Moore, who died on Wednesday, and was buried at Carlisle on Thursday. A large crowd assembled to pay this last tribute to this good woman. Rev. Ferguson read a passage of scripture, after which Reverends Pickens and Ross made good talks. After the services were conducted the people looked for the last time at the remains of Mrs. Moore, until the Master cometh to make up his jewels.

"A precious one from us has gone, A voice we loved is stilled— A place is vacant in that home That never can be filled."

The District Singing Convention met at Lubbock Saturday and Sunday, July 29 and 30. On account of not having practiced the Carlisle class did not sing, the director and manager, Mr. Pevchouse, having gone on a vacation. There was a large crowd and we had some singing.

ASPHALT ROAD TO BE BUILT NEAR ELDORADO

Eldorado, July 31.—A. E. Morgan & Co., Dallas, were awarded the contract for building 13 miles of highway in this vicinity at a cost of \$26,859.

the gambler is the man who is not insured. Don't fool yourself by thinking that you can be sure of providing for death or old age through savings or other investments alone. You may die before they amount to anything. Whereas, every premium you pay on a life insurance policy makes you richer, if you live, and the very first premium insures the payment of your insurance to your beneficiary, if you die, or to you, should you be totally disabled.

For further information and rates regarding reinstatement and converting war time insurance write the U. S. Veteran's Bureau, 2nd floor Crowds Building, Fort Worth.

ORDER OF SALE

THE STATE OF TEXAS, County of Lubbock.

In the District Court of Lubbock County, Texas. Long Bell Lumber Company, Plaintiff, vs. John Bernard and E. B. Bernard, Defendants.

Whereas, by virtue of an order of sale issued out of the District Court of Lubbock County, Texas, on July 20, 1922, on a judgment rendered in said Court on the 17th day of June, 1922, in favor of said Long Bell Lumber Company against said John Bernard and E. B. Bernard, No. 1589 on the Docket of said Court, I did on the 24 day of July, 1922, at 4 o'clock p. m., levy upon the following described land in Lubbock County, Texas, belonging to said John Bernard and E. B. Bernard: Lots Nos. Two (2), Three (3), and Four (4), Block No. One Hundred and Eighty-eight (188), Original Town of Lubbock, in Lubbock County, Texas, and on the 5th day of September, 1922, being the first Tuesday of said month, between the hours of 10:00 a. m. and 4:00 p. m., on said day, at the Court-house door of said County, I will offer for sale, and sell at public auction, for cash, all the right, title and interest of the said John Bernard and E. B. Bernard in said property.

Dated at Lubbock, Texas, this 24 day of July, A. D. 1922.

week by merchants who are selecting and buying Fall and Winter stocks.

The first to leave was Mrs. L. H. Barkham, who has been in St. Louis purchasing millinery for the past week or more. Next was Ernest Conley, who is buying in Chicago and New York. This week Messrs W. O. Stevens and Ross Edwards leave for a buying trip which will include only a short stop-over in St. Louis, a few days in Chicago and make New York the principal purchasing point.

Miss Annie Mallard of Mallard Sisters Dress Shop also will leave this week for St. Louis and Chicago to purchase Fall Millinery and Dresses and Women's Dress Accessories.

Mrs. Parke, of the Millinery Department of Barrier Bros. Store left Sunday for St. Louis, Chicago and other points, and whether or not she will go to New York is uncertain, but she is endeavoring to return with a splendid selection of the very latest and most popularly priced millinery available, and the extent of her shopping tour depends largely upon her success or failure to attain that goal at the markets mentioned.

Dallas seems to be only a point from which the regular stocks are re-filled and this year there are very few merchants from this section who are making Dallas their principal point of purchase. The reason, we are told, is that while Dallas merchants' stocks are very complete, the price is higher than that offered in the larger markets.

WHY PEOPLE BUY RAT-SNAP IN PREFERENCE TO RAT POISON

(1) RAT-SNAP absolutely kills rats and mice. (2) What it doesn't kill it scares away. (3) Rats killed with RAT-SNAP leave no smell, they dry up inside. (4) Made in cakes, no mixing with other food. (5) Cats or dogs won't touch it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Cole-Myrick Hardware & Implement Co., and City Drug Store.

LINDSEY THEATRE ADVERTISES FAST PICTURE IN A SLOW WAY

"Going to see Tom Mix" is the way a sign borne upon a well worn rickety old buggy, with a donkey hitched at the rear end of the vehicle with the shaft turned bottom side up to allow the sturdy Mexican steed complete control of the vehicle, attracted no little attention on the streets here Saturday, and the Lindsey Theatre management certainly pulled another good one in thinking up the slow idea for advertising a fast picture.

HOT WEATHER DISEASES

Special Litter Show To Be Held at the South Plains Fair

The South Plains Fair Board, co-operating with the Poland China breeders of that locality, have arranged for a special litter show, to be held in connection with the Fair at Lubbock, Oct. 17-24, according to Curtis A. Keen, of Lubbock, who is secretary.

A purse of \$200 has been provided, over and above the open class money, which will be awarded in ten prizes on litters of four pigs from the same farrow. The first prize will amount to \$40, while the tenth prize is \$5.00. The Fair Board and the promotion organization of the Poland China breed each guarantee half of the purse.

According to J. W. Jennings, County Agent of Lubbock, at least ten herds must be nominated before the show is assured, and he reports that he has secured the nomination, with a \$5 fee each, from the following owners of herds in his locality: G. T. Hackleman, W. B. Trotter, Claude Hurlbut, M. T. Warlick, E. H. Bullion, L. F. Frizzell, Mr. Barker, and Mrs. M. T. Warlick, of Lubbock; G. D. Atkinson, of Crosbyton; and Newt Contrell, of Slaton.

The advantages of such a litter show, according to Mr. Jennings, is that large numbers of swine are drawn to the Fair, and new breeders are induced to exhibit. All the animals exhibited in the show must be spring pigs, pure-bred, and recorded before the fair.

Notice is hereby given that the co-partnership heretofore existing between C. H. Tubbs and F. L. Winn, under the firm name of Lubbock Buick Garage, and transacting a retail garage business in the city of Lubbock, Texas, and has this day dissolved by C. H. Tubbs buying all interest and title of F. L. Winn.

C. H. Tubbs assumes all indebtedness of the firm and all liabilities of the business, and is authorized to collect all accounts and debts owing the firm in his possession. And, to make all settlements of whatsoever character or nature relative to the final adjustment of the matters of the partnership.

Witness our hands, this 12th day of July, 1922.

Signed: C. H. TUBBS, 40-4F F. L. WINN.

WEST TEXAS LEAGUERS MAY BE SIGNED TO MAJOR LEAGUES

Stamford, July 31.—Bob Conery, widely known scout for the New York Yanks, is giving players in the West Texas League close scrutiny looking to the possible drafting of some for the major leagues. He has already visited

Some of the Reasons Assigned by the Railroad Employees, for Striking as Told By One of the Craft Membership

A lot of people do not know what the present strike by railroad employees in certain crafts is really about. The following outline of the situation from the strikers side of the question will likely be of interest to many of our readers:

The present strike centers around three issues, (1) The establishment

of unjust wages by the recent decisions of the labor Board; (2) the establishment of unjust working conditions through the amendment by the Labor Board of the certain rules of the national agreement, and (3) the contracting out of shops and work by a large number of railroads as a means of evading the application of the law to their properties.

The wage rates set for shop crafts in the second decision No. 1036 were considerably below the rates necessary to meet the increase in cost of living since 1915. As a result the purchasing power of our members under these decisions would be materially lower than that which they enjoyed in 1915. In 1915 the average daily rate of pay for mechanics in the railroad shops were \$3.57. Under the recent decision of the Railroad Labor Board the average daily rate will be \$5.36. This means an increase of 50.1 per cent between 1915 and 1922. But the cost of living is today 58.8 per cent higher than it was in 1915. This means that the purchasing

power of mechanics, if the new wage rates go into effect, will be 51.2 per cent less than that which they were allowed in 1915. In the same way the amount which helpers and apprentices can purchase with their wages under the decision will be 2 per cent below that which they could purchase with the wages paid them in 1915.

The third decision, No. 1047, affected the clerical forces, the freight handlers, the stationery firemen and oilers, and the signalmen. The rates of pay established were unjust because they were a continuation of the unjust wage scale started with the low minimum to track labor.

The text of this decision contained a majority opinion which we must reject as strenuously as we reject the unjust wages, for it lays down the principles on the basis of which the Board established the wage rates which appear in all three decisions. In this decision the Board stated that the pressure of complicated circumstances was so great that it could not proceed calmly to the determination of just and reasonable wages. It stated, further, that the carriers must be satisfied as to rehabilitation and profits and that the employees must bear and forebear until the carriers are back on their feet. The Board says in its decision that only after this rehabilitation is safely under way can it give consideration to the matters involved in determining just wages which must wait until owners are satisfied with the profits of the industry, with the further statement that labor cannot be freed from the law of supply and demand. This decision shows clearly that the Board has been influenced by the market value of labor where labor is treated as a commodity. Finally the decision says that if the employees will give up the extravagance and loose living which they grew accustomed to during the war their wages will go further.

The Rules Issue
In decision 222 and its addendum 8, the Board modified certain rules of National Agreement. The modification of certain of these rules was not justifiable. We could not accept the following rules as written by the Board: Rules 6, 10, 12, 14, 15, 46 and 177, because the modification of these rules tended to take away just conditions enjoyed on a large number of roads for 30 or more years. Especially important is the fact that this decision of the Board practically took away punitive time and one-half payment for Sunday and Holiday work when the roads regularly assigned certain men to work on these days, it granted the railroads permission to use the physical examination as a means of excluding applicants for employment who were not liked by the managements, and it opened the way for the railroads to introduce men without mechanical experience into carmen's work.

(1) The organized employees are not combating the Labor Board or the Government.

(2) The organized employees are engaged in a dispute with the managements of the railroads.

(3) The Labor Board has failed in its efforts to decide this dispute by obtaining an agreement upon wages and working conditions ac-

STRIKE CONDITIONS INTERFERING WITH CISCO WORK

Cisco, July 31.—Strike conditions are interfering with rapid progress on new structures in Cisco, according to contractors. Carpenter work is continuing on the new Christian church, but brick layers have been taken off due to failure of brick to arrive.

The new high school is ready for the foundation. Brick and steel are on the road, but badly delayed. Work on the Christian college is progressing. Contractors say completion will be on time as needed material can be secured locally. The new college will open this fall.

The new 40x60 red-brick express building at the union station is progressing, with sufficient brick on hand to complete it.

The new dressing room for employees at the Jodia Theatre is being

rapidly completed. The Mayhew building on Avenue D and Eighth Street is completed. Fronts will be installed to suit the renter. The building is to be occupied by Carroll Brothers at the corner of Main and Broadway, for the erection of which J. H. Leston has the contract, is at a stand still waiting for brick.

NOTICE

THE STATE OF TEXAS, County of Lubbock. To those indebted to, or holding claims against the estate of F. V. Neil, deceased:

The undersigned having been duly appointed administrator for the estate of F. V. Neil, deceased, late of Lubbock County, Texas, by P. F. Brown, County Judge of the County Court of said County, on the 17th day of July, A. D. 1922, during the regular term thereof, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to him within the time prescribed by law at his residence at Hale Center, Hale County, Texas, where he receives his mail, this, the 17th day of July, A. D. 1922.

J. H. REED,
Administrator of the estate of F. V. Neil, deceased.

Attempt Made to Slay Tulia Woman By Unknown Man

What appears at this time to be one of the most mysterious accidents ever recorded in this section of the State, occurred late Tuesday afternoon at the home of T. A. Ross, a resident in the southeastern portion

of the city, when an attempt was made by an unknown man to take the life of his daughter, Mrs. George Stratton.

Mrs. Stratton, according to her own statement, was working in the kitchen at the time of the accident, and with the exception of her small child, was alone. For some reason she left the kitchen a moment and upon returning caught sight of the intruder, a man dressed in white, just as he made his exit. She only saw his back and would not be in a position to identify him. In a few seconds a terrific explosion occurred. Mrs. Stratton says that the man placed a jar of powder in the cook stove—moving back the pan she was using to cook beets in order to get the jar to the fire.

For a second, all was blank. When she realized what had happened she ran for her baby and then to the street in an attempt to leave the danger and call for assistance. The fire department was called out and very little damage resulted before it arrived.

Mrs. Stratton had one of her hands horribly mangled, and received burns on the lower limbs, while painful, are not considered by attending physicians as serious. The baby sustained only slight injuries.

Neighbors heard the explosion,

but no one, it seems, other than Mrs. Stratton, saw the man responsible for the accident. Local officers, as well as scores of local citizens have looked over the scene, but so far there is no clue on which they may work. It is just a mystery—one of the many which in all probability will never be solved.—Tulia Herald.

MISS ALA BURRUS UNDERWENT OPERATION MONDAY

Miss Ala Burrus, daughter of Mr. and Mrs. C. H. Burrus, was taken to a local hospital Monday, for an appendicitis operation. Miss Burrus has been in the employ of the Barrier Brothers Department store, where her work has been a great asset to the company, and the many people who go there and are given the opportunity to be waited on by her will be greatly disappointed to know that it will be several days before she is able to return to her post of duty.

She was among the graduates of the local High School last term, and is making preparations to enter Abilene Christian College this fall, and though she was not suffering with appendicitis at the time of her going to the hospital, she had just recovered from an attack, and the operation was submitted to in order that she may not be bothered with the dreaded menace to her health again.

Her many friends regret very much to know of the necessity of the operation, but are glad indeed to know that she is gaining strength rapidly, and will be in normal health again before many days.

ROSS EDWARDS OFF TO NEW YORK MARKETS

Ross Edwards, of the Leader Department Store, left Wednesday for New York to purchase the Fall and Winter stock for that store.

The Leader has been conducting a clearance sale for some time to make room for the new goods, and we are glad that they have been successful in their attempts to dispose of all the old stock goods, which they succeeded in doing by placing the price way below the regular price, and advertising the fact to the world.

Mr. Edwards will not complete his shopping until every department of the store has been looked after, and we are sure that he will have that store sufficiently stocked to care for the needs of the people of this territory.

It is the opinion of most of our business men that there will be a greater demand for goods this fall than in some time, and they are endeavoring to replenish their stocks with the goods which will be most in demand, as a revival in business is appreciated and they are hopeful that they may be able to purchase their goods at prices which will enable them to effect great savings for their customers over the average price one year ago.

Lubbock business men are looking after the interest of the people of this section with a view of helping them in every possible way in the development of this great territory, and close co-operation on the part of all concerned is making conditions here favorable indeed.

LUBBOCK COUNTY SINGING CONVENTION MET SATURDAY

Last Saturday night and Sunday was by far the best meeting ever held by the Lubbock County Singing folk and quite a number of visitors assisted us materially in the program.

Prof. Jno. F. Taylor, G. R. Soper, Martin and wife of Clovis, N. M., and F. G. Bridges of Eida, N. M., Prof. McClamery of Georgia and R. L. Northam of Lynn county, and J. M. Thomas of Vernon, Texas, were among the visitors present and their assistance was greatly appreciated and we cordially invite them to meet with us again.

The old officers were elected for another term, namely: T. Q. Dyess, president; R. L. Powell, vice president; R. I. Wilson, secretary.

A collection of \$51.00 was made for benefit of Auditorium fund.

R. L. Wilson, Sec.

Goodrich new tire prices

—lowest cost mileage ever known

The new base line tire prices established by Goodrich, effective July 20th, give motorists a definite guide to tire prices as Goodrich Tires are the definite standard of Tire quality. They know now they can buy the very best tire—the one quality Silvertown—the tire that has always held its leadership because—it wears longer, looks better, and because, mileage considered, it costs less than any other tire at any price. Dealers have been quick to point out to their customers the big advantage and economy of buying

Silvertown Cords

at such base line prices as these:

SIZE	BASE LINE PRICE	SIZE	BASE LINE PRICE
30 x 3 1/2 CL.	\$13.50	34 x 4 S. B.	\$30.85
31 x 3.85 CL.	15.95	32 x 4 "	37.70
30 x 3 1/2 S. B.	15.95	33 x 4 "	38.55
32 x 3 "	22.95	34 x 4 "	39.50
31 x 4 "	26.45	35 x 4 "	40.70
32 x 4 "	29.15	33 x 5 "	46.95
33 x 4 "	30.05	35 x 5 "	49.30

New base line prices are also effective on Goodrich Fabric Tires

SIZE	BASE LINE PRICE	SIZE	BASE LINE PRICE
30 x 3 "55"	\$9.65	32 x 4 "S. B. (safety)"	\$21.20
30 x 3 1/2 "55"	10.65	33 x 4 "	22.35
32 x 3 1/2 "55"	16.30	34 x 4 "	22.85

No extra charge for excise tax. This tax is paid by Goodrich

BILL STEVENS, JR., TAKING VACATION IN COLORADO

Bill Stevens, Jr., of the Citizens National Bank, left last week for a trip to Colorado with friends from Brownwood, among whom is a young man with whom he was a classmate in school.

The young man has been working in his father's bank throughout the vacation periods for the past three years, and this work added to the strenuous efforts put back of his school studies has certainly merited a vacation, and we are glad that he has selected the invigorating climate of Colorado to revive his overworked mental and physical being. He is a brilliant young chap whose opportunities to go to school have been grasped with the enthusiasm and strength of youth, and we are sure that before many years the result of his work will be evident in the success he will achieve.

MRS. NEAL DOUGLASS AT HOME AFTER VISIT IN ARK.

Mrs. Neal Douglass, Jr., returned Monday from Pochontas, Arkansas, where she has been the past seven weeks visiting her parents, Mr. and Mrs. W. E. Hughes. We will admit that there is not half so much fun to getting the madam off on a vacation trip as Jiggs would have us to believe, and possibly displayed that fact a little when we had to go to Sweetwater to see that the wife didn't take a change of heart and decide on backtracking to the old haunts at the foot of the Ozarks.

It's pretty hard on a reporter's reputation to write half a dozen accounts of the wonders of the Plains in every issue of the paper that is printed, then almost fall down on the idea of selling the plains to our better half, but as she has about half way admitted that the cooling breezes of the plains have their part in making life out here worth while, we will no doubt come out winner in the long run, and have the winning of at least one argument to our credit.

OKLAHOMA PEOPLE MAKE HOME IN LUBBOCK

Mr. and Mrs. T. W. Stratton, of Ft. Cobb, Oklahoma, arrived in Lubbock Monday to make their home.

Their son H. B. Stratton, recently accepted a place with the Rix Furniture and Undertaking Co., as special Phonograph Salesman and it was the favorable opinion he has of the Plains that caused him to induce the parents to make their home here. He has found business mighty good in his work, and declares that Lubbock has brighter prospects than any other town in the state.

Some People Get Ice at 70c Per Hundred---Do You?

Yes, and there are those who get it at 65c and others as low as 60c per hundred. A great many people are charged 80c per hundred! Let us explain to you why this is so and how you may lower the cost of your ice bill. Just phone the office or ask the driver for a little information about the difference in price, about why those who pay cash pay 80c per hundred and how some buy ice as low as 60 cents. It's paying your neighbors! Why not you?
