MAYFIELD ADDRESSED CONVENTION WED.

Democratic Nominee for United States Senate Declares That "To Serve the People of Texas Without Regard to Religion or Creed" Is His Aim.

San Antonio, Sept. 5.—"The existence of the Democratic party in Texas and the nation is at stake as a result of the activities of the Ku Klux Klan," Colonel H. D. Lindsey of Dallas, first national commander of the American Legion, former mayor of Dallas, and a member of the Democratic State Convention in session here, declared in a statement tonight when it became known that the platform committee of the convention rejected resolutions condemning the Ku Klux Klan.

"The Ku Klux Klan issue is not state but national," Lindsey continued. If the Democratic party does not purge itself of the influence of this organization, it may soon become the party of the mob. The result will be that voters will cast their ballots not along Democratic and Republican lines, but Klan and Anti-Klan.

Lindsey also stated that the National Democratic convention must take up and make known its attitude on the Klan.

Colonel Lindsey is expected to lead an attempt to get a minority report on this issue before the convention tomorrow. It was indicated by Anti-Klan leaders tonight that their supporters may break off from the convention if the minority report is not recognized.

The first open attempt to get an expression from the convention on the Ku Klux Klan was made this afternoon when two resolutions attacking the Klan were presented to the platform committee by Dr. I. E. Clark of Fayette county and W. B. Teagarden of San Antonio. The resolutions were taken under consideration by a sub-committee in executive session late today.

After declaring the Klan organization to be a "secret militant, political party which takes in its own hands the prerogatives of executive, judicial and executive authority, and which has insinuated itself into the democratic organization in this state," the resolution introduced by Teagarden calls upon the convention to resolve:

"That the foundation of this union of states having laid in, and its prosperity, expansion and pre-eminence example in free government built upon, entire freedom of matters of religious concernment, and respect of persons in regard to rank or place of birth, no party can justly be deemed national, constitutional or in accordance with American principles which bases its organization upon religious opinions and accidental birth place. And, hence, a political crusade in the Twentieth Century and in the United States of America against Catholics, Jews and foreign born citizens of this country is neither justified by the past history or future prospects of the country, nor in unison with the spirit of toleration and enlightened freedoms which peculiarly distinguish the American system of popular government."

Teagarden and Judge H. D. Lindsey, of Dallas, stated tonight that the resolution will be placed before the convention tomorrow in a minority report if it is not accepted by the platform committee. A resolution prepared by Dr. J. C. Grandberry, of Georgetown, which declares against religious bigotry and race prejudice, also will be placed before the convention tomorrow if not included in the party platform, Grandberry announced.

More than 200 resolutions were presented to the platform body, covering a score of questions. Chief among these were:

Supporting state system of connected highways; opposing any change in national prohibition act; exclusion of negroes from primary election; elimination of second primary election; revision of property tax law; abolition of injunctions; constitutional convention; survey and revision of state tax laws, and establishment of county school unit.

The convention adjourned this afternoon without further action until tomorrow morning when nominations will be made and a report of the platform committee received. Marshall Hicks of San Antonio was unanimously elected permanent chairman of the convention after he had earlier in the day been elected temporary chairman. There were no other nominations for permanent chairman.

San Antonio, Sept. 6.—Declarations that the Democratic party in Texas is a white man's party and upholding the right of labor to organize and bargain collectively were the principal statements contained in the Democratic platform as reported to the convention today by the resolutions committee.

A summary of the platform as recommended by the platform committee follows:

Endorsement of Governor Neff's administration.

Strict construction of the constitution; separation of church and

Experiments to Determine Ways of Road and Street Maintenance Are Being Made On Main Thoroughfares

Lubbock citizens want good roads and streets. That fact is everywhere evident, but the solution to the problem is thus far obscure. The various county and city commissioners for the past several years have been trying to solve the problem of keeping Lubbock dirt in Lubbock. The town has been built upon the plan of every citizen patronizing home institutions, but somehow the elements are not so easily brought under control as are the progressive citizens, and some means of keeping the surface of our roads and streets from being blown out of the city limits, and keeping less favorable soil from taking its place, is one of great importance and difficulty. There are those, however, who believe that they can devise some means of keeping the dirt on the streets and roads, and have advanced two ideas. One is to place the white lime-rock formation, which is obtainable in great quantities along the canyon, on the streets, and keep it so thoroughly sealed for several days that it will cement, making it strong enough that the heavy traffic experienced here will not wear the road away.

This experiment is taking place out on Broadway right now. The dirt has been piled high in the streets, graded to desirable slopes, and the large fire hose turned loose on it. Thus far the experiment seems successful, but the proof is in how long that dirt will stay, and we are in hopes it will stay there a reasonable length of time.

The second experiment is to oil the surface roads, this to be tried out along the road leading to the fair park. The road is to be placed in good shape, and the oil applied. If this experiment is successful, and the dust and sand will not blow from beneath the heavy coat of oil, one of the greatest problems that confronts us will have been solved—that of road maintenance.

Good roads in Lubbock county are essential to the development of this section, and everything that will throw a little light upon the problems involved is heartily welcomed.

The fair is but a few days off, and the business men of Lubbock are exerting every effort to make that one of the big occasions of the year, and certainly the condition of the road leading to the park will have a great part to play in the comfort or discomfort of our visitors.

Here's hoping the key that unlocks our greatest problem has been found.

BONUS BILL IS DELAYED AGAIN

Washington, Sept. 5.—The soldiers' bonus bill was subjected to another delay today.

By a vote of 5 to 3, conferees representing the Senate Finance Committee and the House Ways and Means Committee decided to finish ironing out differences in the tariff bill before taking up the bonus.

Senator Smoot, Republican of Utah, and Representative Fordney, Republican of Michigan; Green, Republican of Iowa; Longworth, Republican of Ohio, and Garner, Democrat of Texas, voted to continue consideration of the tariff before taking up the bonus. They were opposed by Senator McCumber, Republican of North Dakota; Simmons, Democrat of North Carolina, and Walsh, Democrat of Massachusetts, who thought the bonus should be put ahead.

Senator McLean, Republican of Connecticut, and Representative Collier, Democrat of Mississippi, were not present when the vote was taken.

ANOTHER BRICK FOR LUBBOCK IN NEAR FUTURE

W. A. Myrick, Sr., father of our townsman, Walter Myrick, of the Cole-Myrick Hardware Co., has bought the lots on the corner of 13th and Ave. J which were formerly occupied by the Lubbock Iron Works and has contracted to place on the lots, construction to begin within ninety days, a modern brick business house, covering the two lots. It is unknown at this time what business will occupy the location.

The Lubbock Iron Works have already moved the wooden structure from the lots, and are located on Ave. I.

Abernathy's Public School Will Open September 11th—Fine Prospects For A Splendid Year's Work in School

We are looking forward to one of the best, if not the best year's work that the Abernathy school has had in its past history. We have a faculty well selected from a list of many applicants with records that show to us that they are well qualified, and are excellent instructors in their line of work.

Miss Clara Motosky will have charge of our first grade. Miss Motosky is well known to the Abernathy people, for she has been with them the past year. We are glad to have her in her former place, for we esteem her most highly.

Miss Carrietta McGuire comes to us from Ben Arnold, Texas. She has had special training in the Sam Houston State Normal College. Miss McGuire is a teachers of six years' experience. She comes to us well recommended. We feel sure she will be a success.

Miss Ruth E. Ripley comes to us from Petersburg, highly recommended. Miss Ripley is a former student of Abernathy and holds a first grade certificate. She is well qualified to handle her department. I am sure I speak the sentiment of the people in saying that we welcome her with us again.

Miss Vera Carver has had four years' experience in teaching, and is highly recommended. She was a member of the faculty at Randolph for the past year. We feel like she is capable of handling her part of the work with the best of success.

Mrs. L. A. Cooper is a former student of the West Texas State Normal College. She holds a first grade certificate, and is a former instructor in the intermediate grades.

We are very sorry indeed to lose Mr. Ray Pinson, but feel very fortunate in securing his brother, Mr.

AGRICULTURALISTS WILL RECEIVE MANY PRIZES AT SEPTEMBER FAIR

ONE EXHIBIT MAY BE ENTERED IN COMMUNITY BOOTH AND AS INDIVIDUAL EXHIBIT

THIS YEAR'S FAIR GREATER THAN EVER

Much Effort Is Being Placed Back of the Fair to Make it the Greatest Event in the Panhandle for This Month. Many Counties Are Interested. Large Crowds Anticipated.

The development of the agricultural interests of the South Plains is one of the most important things, and the South Plains Fair management recognizes this and they have made some special effort to interest the people of the rural sections in the fair, and in order that our farmer friends may know what is being offered in advance of receiving the fair catalogue, we give the following information which will be in the fair book under the head of the Agricultural department:

Division 1—County
Best county exhibit of agricultural, manufactured and general resources of any county: First \$100; Second \$75; Third \$50; Fourth and Fifth, \$25 each.

The managers in charge of said exhibit will be required to furnish affidavits that all articles therein were raised, manufactured or mined in the county, represented by him, in 1922.

The County Exhibits will be judged on Dallas Fair basis.

Division 2—Community
By community is meant neighborhood, a school district, a town and surrounding retail trade territory or any small group of people having similar interests, and like farming conditions.

Any community in West Texas can compete for this prize, except the City of Lubbock, which is barred from competition.

Any article that is part of a community exhibit may be also entered by the grower in the individual class to which it is eligible.

Community exhibits will be judged on score card below. Anything raised or manufactured in the community may be used as decoration. One community can have only one entry. First prize, \$50, also \$10 worth of trees donated by Experiment Station; Second \$35; Third \$25; Fourth \$15.

Woman's Building to be Center of Attraction at Fair
When you go to the fair, don't fail to visit the Woman's Building. You will find exhibits there which will interest you for hours. Miss Marsh, Home Demonstration Agent, has been busy for weeks, planning for this building, and with her corps of assistants, everything is being done to make this building very attractive.

Mrs. Lon Mullican, superintendent of the Floral Department, expects to have a display of flowers and potted plants that will be well worth seeing. If anyone has something in line that will add to the exhibit, notify her, and help in every way possible.

The Textile Department will be well taken care of by Mrs. Fred Boerner. Here is an opportunity for all the ladies of the South Plains to show their handiwork. This part of the Woman's Building should interest the ladies as they all enjoy this, and to get the most benefit everyone should exhibit.

The Culinary Department, under Mrs. J. S. Johnson's efficient management will interest even the men, especially if Mrs. Johnson would allow sampling of the exhibits. Mrs. Johnson is very anxious that the ladies of the entire South Plains help make this exhibit the largest in the history of the fair.

Mrs. Walter Myrick Jr. is superintendent of the Fine Arts Department. This department will be made beautiful under her management, but she desires the co-operation of everyone who can help.

Miss Delia Wilkinson will be in charge of a Department called Miscellaneous. Here will be exhibited war relics of all kinds, old documents, and many other things of interest. For example, Mr. O. D. Hargis will bring his fine collection which he gathered while sojourning in Asia. This will be worth looking over.

In this building will be located a Red Cross Rest Room, under the direction of Miss Ellis, Secretary of the Lubbock Red Cross.

Everything is being done to make this building very attractive, and the visitors to the Fair will do well to go through the building and inspect the exhibit carefully.

JACK AND THE BEAN STALK HERE NEXT SATURDAY

Through the efforts of the 20th Century Club of this city, special pictures are being shown at the R. & R. Lindsey for the benefit of the children. The show begins promptly at 10:00 o'clock and the picture next Saturday morning will be of unusual interest to the little folks, it being Jack and the Bean Stalk. These pictures are carefully selected by a committee from the Twentieth Century Club, and are censored by members of this Club, and the children will be benefited by seeing them. The management of the show cannot make a cent out of the show at the price five cents each, but if you will fill the theatre to its capacity he will be able to continue the pictures every Saturday at this extremely low price. All school children are especially urged to attend.

1500 ATTEND REVIVAL AT PLAINVIEW, TEXAS

Plainview, September 5.—More than fifteen hundred people from over this section of the Plains and other parts of the Panhandle attended the co-operative revival at the new city auditorium, being conducted by the Church of Christ, Sunday. Evangelist Foy E. Wallace, Jr. of Vernon is doing the preaching and singing. Rev. G. M. Reynolds, pastor of the local church. The meeting will continue throughout the week and over next Sunday.

Mr. and Mrs. Everett Lokoy of Amarillo, are visiting in Lubbock this week. Mr. and Mrs. Lokoy formerly lived in Lubbock, and we are always glad to have them visit with us.

A "Four" That Sets A New Standard The 1923 Buick Four Touring—'885

In beauty of appearance, dependability and economy of operation the Buick four-cylinder five-passenger Touring has established an entirely new standard for four-cylinder cars.
Its low body with its clean, straight lines, accentuated by the high radiator and straight hood, give it a long, racy appearance that is new to cars of its class. Massive crown fenders add to this distinction, as do the snug-fitting, shapely top and the handsome drum-type head and cowl lamps.
And with this beauty has come a new riding comfort. The seats are deep and low with full leg room in both compartments. The steering column has been changed in position to increase driving ease and the gear shift lever has been raised to meet the driver's hand. A transmission lock, a windshield adjustable from the inside, and a transmission-driven speedometer likewise are among the many new refinements of this model.
Material changes also have been made in motor, chassis, and body construction which contribute still further to the wonderful performance record characteristic of Buick cars for twenty years

The Buick line for 1923 comprises fourteen models:
Four—2 Pass. Roadster, \$865; 5 Pass. Touring, \$885;
5 Pass. Coupe, \$1175; 6 Pass. Sedan, \$1595; 6 Pass. Touring Sedan, \$1335; Six—2 Pass. Roadster, \$1175;
6 Pass. Touring, \$1195; 5 Pass. Touring Sedan, \$1395;
5 Pass. Sedan, \$1385; 4 Pass. Coupe, \$1395; 7 Pass. Touring, \$1255; 7 Pass. Sedan, \$2195; Sport Roadster, \$1085; Sport Touring, \$1075. Prices f. o. b. Flint. Ask about the G. M. A. C. Purchase Plan, which provides for Deferred Payments.

NEWS ITEMS OF INTEREST FROM MONROE COMMUNITY

Mr. Vaught, who lives in the Nick Beal home, has returned from a trip on which he escorted his grandchildren home, after they had made a visit with relatives here.

Our energetic trustees have repaired the school building and oiled all the floors, and made ready for the opening of a three-teacher school about October 1. Let everyone be ready to attend.

Misses Ora Carr and Thelma Stephenson are attending school in Lubbock. Their friends will find them rooming with Mr. and Mrs. Twitty.

Mr. J. A. Long and family have moved to Lubbock in order to put their daughter, Miss Mabel, and their son, in the good schools of that thriving little city.

It is reported that our fine singer, Tony Q. Dyess, will occupy the nice home vacated by the Lang family.

Mr. Greenhill and family, visited in the home of Mr. and Mrs. Falls, and were dinner guests, last Sunday.

Miss Leloa Cox has returned home from Canyon, where she graduated from the Normal college, bringing her permanent certificate, and she has opened school at Hardy, where she will teach the coming term. We congratulate the people of Hardy in securing Miss Cox who is enthusiastic and untiring in her service to the pupils.

Uncle George Robinson and his good wife had for their guest last Sunday afternoon, their children, the Paynes of Lubbock, and other friends.

Among the old time friends from "back home," who have visited in the home of Grandma Stephenson, is Mr. J. M. Garner of Denison, Mr. John Duckworth of Ravenna, Mr. D. G. Porter and son, Calvin, of Savoy, and Mr. E. M. Jones, of White Wright, Texas. These visitors are all pleased with Lubbock and the good water and cool air. Mr. Garner and Mr. Jones are connected with the work of building a string of farm houses near Monroe, by Mr. Oscar Sears, formerly of White Wright.

B. C. Clutter has moved to Lubbock, and his cottage here will be occupied after September 10, by Mr. Butler and family, of Clarksville, Texas. We regret the going of the Clutter family, but the Butler family come highly recommended, and we welcome them and hope they like us.

Mrs. McAllen of Greenville, Texas, has been visiting in the home of her daughter, Mrs. Jack Merrill. Horace and Floyd Matheny have returned from Vernon, where they made an extended visit—and report a very enjoyable summer.

Mr. Dowling Cox has returned from Canyon State Normal, where "he learned all there is to learn" and carries a diploma of which any one might be proud. Mr. Cox and his sister, Miss Irene, are leaving for Lipscomb, in the great Panhandle, where they will teach for the next nine months.

Mrs. Daugherty and children, have been attending the meeting at Abernathy.

Mr. John Williams of Lubbock, visited his parents here last Sunday.

MRS. KEACH TELLS HOW SHE GOT TO KNOW RAT-SNAP

"Have always feared rats. Lately noticed many on my farm. A neighbor said he just got rid of droves with RAT-SNAP. This started me to thinking. Tried RAT-SNAP myself. It killed 17 rats and scared the rest away." RAT-SNAP comes in three sizes, 35c, 60c, \$1.25. Sold and guaranteed by Cole-Myrick Hardware & Implement Co., and City Drug Store.

G. L. ROY FELL DEAD SUNDAY MORNING AT HOME

G. L. Roy, for the past six years a resident of Floyd county, dropped dead Sunday morning about 7 o'clock while on his way from his house to his barn, in the Lakeview community. He was dead when members of the family reached him. Funeral services were held at the Baptist church in Floydada Monday afternoon at 4 o'clock and interment made in Floydada cemetery immediately thereafter.

The deceased came to Floyd county with his wife and two sons six years ago, first living in Floydada for about a year, and later moving to the present residence in Lakeview. He came from Wolfe City to this county. He was sixty-three years of age, forty years of which he spent in Texas. He was a native of Tennessee.

Surviving him are his wife, two sons and two daughters. The sons are J. E. and J. F. Roy, of Lakeview, and the daughters are Mrs. Jasper Rhoades of Mt. Blanco, and Mrs. Abner Chambers of Clovis, New Mexico.

Rev. J. Pat Horton, pastor of the First Baptist church, conducted the funeral services, coming up from Southland, Texas, where he is conducting a meeting, to officiate.

Mr. and Mrs. Chester Wright are the proud parents of a fine boy, born Sunday morning. Mother and child are doing nicely.

Mr. and Mrs. Guy Brown arrived here Monday morning from Arkansas, where they have been living for the past five years. They expect to make their home in Lubbock county from now on, though.

Mrs. Ireland and children moved down from Dimmitt, so the children may attend school. They will stay at Mrs. Wright's until the first of the year, when they will move into what is known as the old Wright place, Mrs. Ireland being one of the heirs to the J. M. Wright estate. We are mighty glad to have Mr. and Mrs. Ireland in our community.

Mrs. J. C. Bowles and children, returned home last Thursday from an extended visit through the western states, visiting her sister at Gilmore, California, and her brother in the same state while on the coast.

Paul Wright of Dallas, is spending a few days with his mother, Mrs. J. M. Wright.

School begun Monday with nearly all the pupils present. We have a fine staff of teachers this year and we are sure that it will be a successful year for both teachers and pupils.

The M. E. meeting was begun Sunday morning. Rev. Pickens, assisted by Rev. Pickens, is holding the meeting. Let all the people get lined up and make this the best meeting yet.

CITATION BY PUBLICATION

THE STATE OF TEXAS.
To the Sheriff or any Constable of Lubbock county, greeting.
You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Lubbock County, a copy of the following notice:

THE STATE OF TEXAS.
To all persons interested in the estate of H. H. Robinson, deceased: Mollie C. Robinson has filed in the County Court of Lubbock County, an application for probate of will and for appointment of independent executrix of said estate, which said application will be heard by said Court on the 18th day of September, 1922, at the Courthouse of said County, in Lubbock, Texas, at which time all persons interested in said estate are required to appear and answer said application, should they desire to do so.

Herein fail not, but have you before said Court on the first day of the next term thereof this writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Lubbock, Texas, this 31st day of August, 1922.

SCARCITY OF CATTLE CARS MAY PROVE SERIOUS IN W. T.

Stamford, Sept. 1.—The traffic bureau of the West Texas Chamber of Commerce reports an unprecedented shortage of stock cars in West Texas at this time. Orders for such equipment placed weeks ago are in many instances unfilled, prompting numerous complaints of Chamber of Commerce member units in other towns. According to replies to inquiries directed to the railroads, the cattle movement has been larger than at any time in many months, exceeding the movement at this time last year. The demand for cars follows the severe dry weather which has depleted the grass on the ranges and necessitated movement of livestock to the feeding lots of upper Middle States and to ranges where conditions are better. The entire cattle sections of West Texas and New Mexico as well as the upper Panhandle reaches of the State, are affected by the shortage of stock cars, according to the organization.

In the case of short lines dependent almost entirely for their supplies of cars on the trunk lines of the country the shortage is much more apparent. In one instance orders for such equipment were filed more than four weeks ago without a single car being provided and without an intimation as to when the needed cars will be forthcoming.

Randall's Fair Will Be Free to All Who Come

Canyon, Sept. 4.—The Randall County Fair, which will open September 6 and continue for three days, will be free to all who come. There will be no gate admission charges, and all of the entertainment will be free on the grounds.

C. F. Walker, secretary-manager of the Randall County Fair, states that he has never had so many applications for booths on the grounds for exhibition purposes as have come in this year, and he is receiving telegrams from all over Northwest Texas from parties wanting to exhibit at the Randall County Fair.

More than forty herds of hogs have been nominated for the Futurity Shows of the Duroc and Poland China breeders. Canyon had the largest hog show in Northwest Texas last year at the Randall County Fair, and there promises to be a much larger exhibit at the fair this year.

There will be two free ball games at the fair grounds each afternoon, in addition to the other attractive free features which have been gotten together by Mr. Walker.

Randall County has good crops this year in spite of the continued drought in Northwest Texas, and the exhibits will be very large. Large premiums are being offered for the agricultural exhibits, while \$1,000 is offered in the hog shows.

BLOCK OF BRICK WILL BE ERECTED AT SUDAN

Sudan, Sept. 4.—Architects are preparing plans for three one-story brick buildings on Main street on a block 75 feet square. The present buildings have been found inadequate to care for the increasing patronage that is coming here.

Owners of horses and blooded stock are large users of Liquid Borax. It heals wounds, festering sores, barbed wire cuts by a mild power that leaves no disfiguring scars. Price 30c, 60c, and \$1.20. Sold by City Drug Store.

Finance Corporation Now Loaning Money In 8 Different States

Dallas, Sept. 6.—Applications for loans totaling \$57,500,000 have been granted by the War Finance Corporation to cotton marketing associations in eight states of the South, according to advices received here. This money is for the financing of the 1922-23 crop.

The eight states and the amount granted to each are as follows: Texas, \$9,000,000; Oklahoma, \$6,000,000; North Carolina, \$10,000,000; South Carolina, \$10,000,000; Mississippi, \$7,000,000; Georgia, \$5,000,000; Alabama, \$3,000,000; Arkansas, \$7,500,000. Total, \$57,500,000.

The pima cotton growers of Arizona have applied for a loan of \$1,200,000. Word has not reached here, however, that it has been granted.

Commenting on these figures, J. W. Hall, a Bowie county farmer and secretary of the Texas Cotton Farm Bureau Association, says: "The work of the cotton associations is directly responsible for the high price of cotton. If the news should be flashed over the country that the War Finance Corporation has withdrawn its loan to the cotton associations, where do you suppose the price of cotton would fall to?"

"Our main work is to stabilize prices so that they will not slump when cotton or any other commodity is dumped on the market, the supply is greater than the demand and the bottom falls out of prices. The business of the Farm Bureau is to sell gradually—feed it to the consumer as he can use it—make the supply just satisfy the demand. This puts a stop to the dumping. It puts a stop to the break in prices, it keeps prices high. The present high prices for cotton in my opinion are due largely to the \$57,500,000 which has been granted to the South to sell its cotton gradually and to the fact that Southern farmers have pooled nearly 3,000,000 bales to market in orderly manner."

"If the cotton marketing associations fail, then we can expect the price of cotton to fall back down to the old levels. The associations must not fail. Every broad minded farmer who stops to think will see the reason why the associations must not fail."

LIGHTNING BOLT KILLED AMARILLO MAN IN N. M.

Lightning caused the death of John Kroboth, 40, of Amarillo, Saturday, while he was on his vacation in New Mexico, and his body was brought back here yesterday.

Mr. Kroboth was standing in the Canadian River fishing at a point in San Miguel County when the stroke of lightning hit him. He fell over in the water dead. His back was slightly burned by the bolt.

He leaves his widow and a child of 7 years. Funeral services will be held at Griggs' chapel today at 2 o'clock, after which the body will be taken to La Junta, Colo., for interment.

Mr. Kroboth was formerly head butcher of the F. & M. Market. He had been a resident of Amarillo for about two years, having formerly conducted the Jensen Grocery. He was on a two-weeks' vacation and had been away from Amarillo a week when killed.—Amarillo News.

Lynn County News

In the recent mail carrier examination held in Tahoka for vacancy on Route 1, Jesse Eubanks, of this city was appointed to the position. John LeMond, who has been carrying the mail on Route A, will in the future make the run on Route 1, and Mr. Eubanks on Route A.

Mrs. M. I. Ray has as her guests this week her daughters, Mesdames Tony Chism and John Jackson, and John Ray, of Amarillo, and Mesdames Lester Stempson, of Lubbock, Grace West and daughter, Miss Rachael, of Denton, Texas. John Ray is in the employ of the Pool Drug Company at Amarillo.

Messrs. L. T. Martin, secretary of the Lubbock Chamber of Commerce, Louie Moore, Geo. W. Briggs and son, Preston, of Lubbock, spent a few hours in Tahoka last Friday afternoon in the interest of the South Plains Fair at Lubbock in September.

It was reported in Tahoka Saturday that a regular free-for-all fight was staged at Gordon, in the northeast portion of Lynn county, last Friday night, when the Slaton Chamber of Commerce made that neighborhood a social visit. Full particulars of the trouble was not given out. One young man was cut with a knife, which required several stitches to close the wound.

Alec Riddle, brought to Tahoka the first bale of cotton for the 1922 season Wednesday night. The bale weighed 461 pounds, and was bought by Paul Miller, local cotton buyer, for 22c a pound. A premium was made up for Mr. Riddle among the business men amounting to \$54.30. Total sum received by Mr. Riddle was \$102.92. The bale was ginned by the West Texas Gin Company, Thursday.

Mrs. Mary Jane McInnis Wright died at the home of her daughter, Mrs. G. W. Small, age 76 years, 11 months and 18 days. She was born in Decatur county, Georgia, September 9, 1845, and was married to Dr. T. D. Wright, May 6, 1879. To this union was born five children: three of whom survive her, Mrs. G. W. Small, Mrs. J. C. Wells and Ollie Wright of this city. Mrs. Wright had resided in Lynn county about 19 years prior to her death and during that time made a host of friends, who are grieved to learn of her death. Deceased professed a hope in Christ in her early life, and when about 12 or 13 years of age joined the Methodist Episcopal church some fifty years ago. Her body was buried in the Tahoka cemetery Monday afternoon. Funeral services were conducted by Rev. J. J. Edwards, Primitive Baptist minister of Daleon, Texas, assisted by Rev. S. J. Upton, pastor of the local Methodist church. Rev. Edwards was an old friend of the family and had known the deceased for thirty-five years.

Ask Any Carpenter

If there is any real economy in cheap lumber?

Lumber that is uneven in thickness, that is cracked or half seasoned results in loss of carpenters time and proves an extravagance rather than an economy.

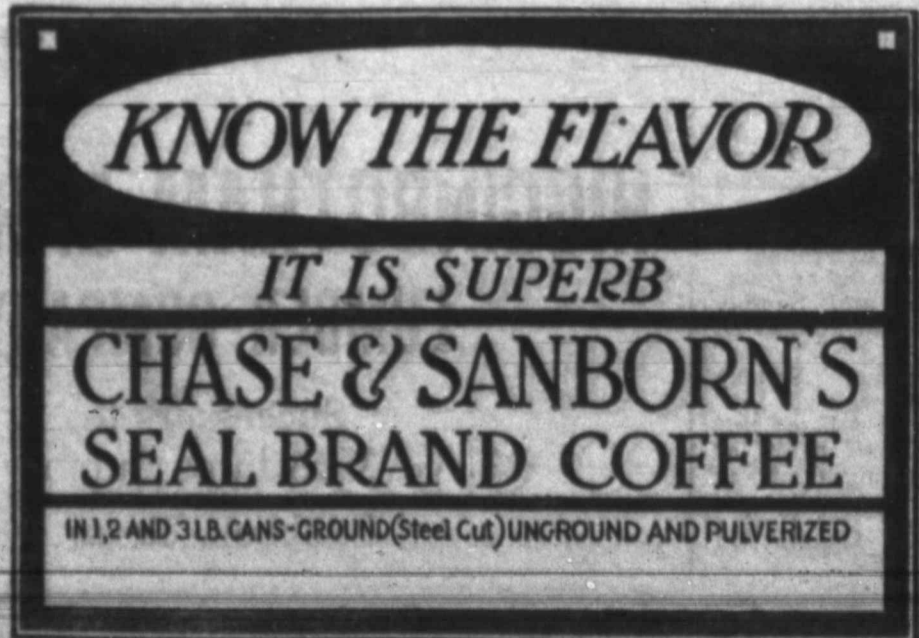

Long-Bell trade-marked lumber is of uniform high quality, and is real economy. It can be easily identified by the brand on the end of the board.

SOME TEXAS HISTORY AND PEOPLE WHO MADE IT

Histories of Texas
The earliest history of Texas was written by David Edwards and published in 1836. This was followed by Wm Kennedy's history, published in 1841, and Yoakum's in two volumes, published first in 1856. These are now out of print. From January to December, 1822, is said to mark the real beginning of Texas history as we know it today. From 1822 to 1876 almost continuous warfare raged with the Indians and outlaws of the state. Between 1836 and 1845 there was continuous warfare between Texas and Mexico. Texas history is unique and unlike any other state. To properly teach the lessons it holds for the present and future generations, it must be studied—it must be understood.

Crosby County
Crosby County was organized on September 11, 1886, and Emma was selected as the county seat. It was created out of Bexar county by act of the legislature, Aug. 21, 1876.

Capture of San Antonio
General Well, a French soldier, serving under Santa Anna at the head of a force estimated from 1,200 to 2,000 men, by a sudden attack captured San Antonio, September 11, 1842. The surprise of his attack was so complete that Judge Hutchinson, holding district court at the time, was captured, together with the officers of the court and many spectators in the court.

Mills County
Mills county was organized September 12, 1887, with Goldthwaite as county seat. It was created out of Brown county by act of legislature, March 15, 1887.

Shackelford County
Shackelford county, with Albany as the county seat, was organized September 12, 1874. Created by act of the legislature out of Bosque County, February 1, 1865.

Henry A. Wise
Henry A. Wise, who died at Richmond, Va., September 12, 1876, was long a member of the United States Congress, and served as Minister to Brazil in 1844. He was elected as Governor of Virginia in 1855 and it was during his administration that John Brown was captured, imprisoned, tried and hung for murder. While in Congress he endeared himself to the people of Texas by his masterly espousal of annexation of the state and the brilliant manner in which defended the people of this state against the attacks of their defamers. They recognized this

service and honored him by naming the county of Wise after him.

John B. Sutton
John B. Sutton was born in New-castle, Delaware, September 2, 1821. He was appointed to a cadetship at West Point, but left and came to Texas and located at Austin in 1839. Sutton joined the Ranger service soon after arrival and was actively engaged in that capacity when the Santa Fe expedition was organized. He was captured and carried prisoner to Castle Perote. After his release he returned to Texas and joined the Somervell Expedition. In 1849 he joined the throng to California in the gold excitement. From time to time he served under Jack Hays, sheriff of San Francisco. On his return to Texas he settled at Fort Lavaca and engaged in the mercantile business until 1861, when he volunteered and was elected captain of a company. When the Seventh Regiment of Texas Volunteers were organized at San Antonio, Sutton was elected Lieutenant-Colonel and went with Sibley's Brigade to New Mexico. He suffered a shattered leg at Val Verde, February 21, 1862, and refusing to have it amputated, he died from its effect. To perpetuate his memory in the State, the county of Sutton was named after him.

University Opens
The University of Texas opened for the reception of students September 15, 1883.

Querrero's Proclamation
Querrero, president of Mexico, issued a proclamation September 15, 1829, freeing all slaves within the domain of Mexico, which included Texas. The object of this proclamation was to strike a blow at the people who had located here, coming from the United States and bringing their slaves with them, and to prevent further settling up of the territory by Americans.

Captain Burnham
Captain Jesse Burnham was born September 15, 1792, in Madison county, Ky., and was reared and married in Tennessee. He served gallantly in the War of 1812. He gathered together ten Tennessee families and came to Texas following the War of 1812, and located at Pecan Point, on Red River. He later joined Austin's colony at San Felipe and received an allotment of land. Captain Burnham figured prominently in this colony as an Indian fighter.

The first surgical operation of record in Texas history was performed by him. A neighbor of his, by name of Parker had a crushed leg and begged for it to be amputated. After much persuasion, Burnham, aided by two others, and with a hand-saw, a shoe knife, a bent needle and a cat gut fiddle string, performed the operation, doing most of it himself, as his assistants became faint and had to leave the room. The patient lingered for eleven days and died.

Release of Meir Prisoners
September 16th is Independence Day in Mexico and this date in 1844 is memorable in Texas history as the release date of the Meir prisoners. (A full account of this affair, classed as the most tragic in the history of Texas, will appear later in this series).

CATTLE DIPPING RECORDS BROKEN

Washington, Sept. 3.—The cattle dipping records of Texas were broken in July when 6,783,503 dippings in that State were recorded by the Bureau of Animal Industry. The figure is more than the dippings for June, which, as recently announced, broke all records for progressive tick eradication since the work began in 1906.

There are nearly 10,000 vats in operation, of which more than 200 were built during July. The rapid progress being made in eradicating ticks is the result of thorough preparation and the excellent spirit of co-operation among the State and county officials, cattle owners, and representatives of the United States Department of Agriculture.

Have You The Courage
To meet failure and obstacles on every hand?
To meet your enemies with love for hate, good or evil?
To move steadily towards your goal with a serene mind when you know that others ridicule and consider you a failure?
To remain in obscurity to support a parent, or a helpless sister or brother, when you have the consciousness of the ability to do big things?
To bear the blame which belongs to another because you do not want

to bring pain to others?
To speak the truth when a lie would help you out of a difficulty?
To forego extravagance so that you may provide for the future welfare of those dependent upon you?—The Mariner.

Junior Twentieth Century Club

An important event in the club life of Lubbock took place on Tuesday afternoon at the Methodist Church Ladies' Parlor, when the Junior Twentieth Century Club met for the first time. The club is fostered by the Senior Twentieth Century Club, and the success of the

first meeting speaks well for constructive work in the near future. The members of the Junior club are beginning the work with an interest and enthusiasm that is a compliment to the club that fostered it. The clubs are distinctly separate in organization, and each club has its own program mapped out for the year.

The program for the first meeting held on Tuesday, proved to be very interesting, insofar as it called for an original article, poem, or criticism of some recent book.

Under the efficient leadership of Mrs. Earl Hunt, who is president of the club, and the genuine interest of the members, we look for great things from Lubbock's second literary club.

Wednesday Needle Club

The last regular meeting of the Wednesday Needle Club was held at the home of Mrs. E. L. Robertson, with Mrs. L. C. Ellis as assistant hostess.

A large number of the members of this club were present on this occasion, and the following out of town guests: Mrs. Wedemeyer, of Meridian, guest of Mrs. Ellis; Miss Klett, guest of Mrs. Klett, and the Mesdames Thomas, guests of Mrs. T. W. Thomas.

At the close of the afternoon refreshments of sandwiches, salad, la russe, olives, punch and cake were served. The next meeting of the club will be September 13.

Miss Buena Sowell, of Waxahatchie, is visiting her sister, Mrs. E. L. Robertson.

Mrs. O. L. Slaton and daughter, Ruth, left Tuesday for Dallas, where they will meet the chaperone who will accompany the girls to Sullins College, West Va.

Miss Julia Johnson and Miss Edythe Carter accompanied Mrs. Slaton as far as Dallas, going from there to Kidd-Key College, where they will be in school for the winter. We are sorry to lose our many young girls after the pleasant summer's vacation but wish for them a pleasant and profitable school year.

Childrens Matinee Saturday Morning

"Did you ever see Jack climb the Bean Stalk?"
"No!" Well, then you just be out to the Children's Matinee at 10 o'clock at the R. & R. Lindsey Theatre Saturday morning and watch the boy do that very little thing—and lots of other funny things.

"Witches, Fairies, Giants, and everything—they will all be there to make you open your eyes and mouth in wonder."
This is the promise the Twentieth Century Club, through Mr. Rowley of the R. & R. makes to every child in Lubbock of school age and under who will bring one nickel to the ticket window.

Mesdames Wagner and Wilson will be chaperones for the day.

Summer Parties

That is a misnomer for there is no such thing as these hot summer days—at least no one has taken the trouble to phone in the reports of such parties if they have been held. A large number of picnics, swimming parties and outings have been enjoyed by various groups through the week but they are seldom reported in detail.

School started Monday, as every mother knows, cooler weather is due within a week or two and the winter parties will soon start. Then we hope to make Milady's Realm a little more interesting.

High School Play

Saturday evening at 8:30, at the Community Auditorium, the 1922 Senior Class of the High School will give a comedy-drama, "The Daughter of the Desert," a play full of fun and interest from start to finish.

The members of this class won for themselves quite a bit of reputation during the past year for their dramatic work, playing in a number of the adjoining towns. This play is given to clear a few little obligations left over from last school term and the class not only will give you a play worth your time and money—but deserves your patronage on account of the purpose behind the play.

Everyone should see that they are given a full house Saturday evening.

THANKS

Words are inadequate with which to express my sincere and great appreciation to the good people of Lubbock county, for nominating me to the office of Tax Collector for your county for the next term of the office, but in as much as it is next to impossible for me to see each one of those who voted for me, and express my very deep appreciation, I take this method of letting each and every one know that I do THANK YOU from the depth of my heart, and shall always feel grateful for the favor and honor conferred.

I harbor no ill will for those who voted against me, and ask and trust that each and every citizen of the county, (both ladies and gentlemen) feel free and at perfect ease in making your wants known to me or my assistant, in any way that concerns the Tax Collector's office during my tenure and it shall indeed be a great pleasure to have you call and make yourselves entirely at home, for I know the office belongs to the people, and that I am only your chosen servant, and that it is my duty to SERVE YOU, which I am glad to do.

Again thanking you, and each of you individually, I am, your servant,

CALOMEL MAY TURN ON YOU NEXT TIME

Next Dose You Take May Salivate and Start World of Trouble

Calomel is mercury; quicksilver. It crashes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel. It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate. 10-13

POST

(Post City Post)

Today the county commissioners, accompanied by several of our business men, are on a tour of inspection of the court houses and jails. They will visit Lubbock, Lamesa, Tahoka, Claremont and several other county seat towns and look through the court houses so that Garza county will know just what she wants, and if these towns that already have the courthouses made little mistakes, we'll know how to avoid them. Work on the courthouse will begin soon.

The Post Chamber of Commerce Band has been very fortunate in securing Mr. Fred Roberts, formerly of Oklahoma, as instructor. Mr. Roberts is reviewing the band on simple music, as some are advanced more than others. Mr. Roberts has some thirty odd people taking private lessons under him, and he is also working out each section of the band separately. The band meets regularly on Tuesday and Friday

nights at the city auditorium. There has been quite an increase in membership since Mr. Roberts has taken charge of the band, which will make us quite a large band. If there is anyone else that wishes to enter the band, now is your chance. Mr. Roberts in a short time of private lessons, will have you right up with the rest of the band.

The Baptist revival at Southland was a good one, and up to Sunday there had been about 30 addition to the church. Rev. J. Pat Horton, formerly of Post, but now of Floydada, is doing the preaching and it was this editor's pleasure to hear him last Sunday morning. We were accompanied by Mr. and Mrs. Bob Warren and the high boss. We don't promise to go any more, however, as the parson called us baldheaded.

LAMESA

Lamesa Journal

Mrs. W. L. Clement came home last Friday from Lubbock, but it was found advisable to take her back to the sanitarium Monday for further treatment.

Ollie O'Neal returned from New York and St. Louis Sunday, where he purchased fall and winter merchandise for the Dawson Mercantile's company's stores at Lamesa and Seagraves.

R. L. Meyers, the first to install a radio outfit here, has been improving and developing his receiving apparatus until it is now just a little better than anything in that line in this section. He is now figuring on putting on an amplifier which will enable him to entertain crowds with radio concerts.

V. O. Key, Jr., Sam Smith and Shelly B. Moore each have installed radio receiving sets. They are receiving from various parts of the United States. They have heard Dallas, Houston, Denver, Kansas City, and a station in Pennsylvania. Last Sunday night they heard a sermon by Rev. Wood of the Congregational church at Kansas City. There was very little static in the air and they heard the sermon, the prayer and the music very distinctly. V. O. Key, Jr., is installing a loud speaker and amplifier with which a crowd can all hear at once. These boys have worked out and made a great part of their radio apparatus, and in so doing have spent their vacation very profitably.

The barbecue and banquet given by the Chamber of Commerce last Friday night at the park ground, was a big success. The attendance was very good and the interest manifested was encouraging. There was enough to eat and drink, plenty left over to feed another crowd. Full justice was done to the spread and then the program was announced by President Bridges of the Chamber of Commerce. Close attention were given the speakers. Several visitors from Lubbock were present and made brief talks. Jed Rix was one of these—but he is really to be counted as one of our own citizens now. Anyway, he made a good booster talk. At the close of the program Secretary Watson called for an expression on the question of holding a county fair here this fall. The assembled crowd expressed themselves unanimously in favor of the fair. Good feeling prevailed throughout the evening, and a number of new names were added to the Chamber of Commerce membership list.

Intelligent Banking Service Is Essential to Everyone

There are times when your banker can be your best adviser. He watches the financial conditions of the country—the progress being made by industries, the comparative activity of general business, and thus his advice can be of an authoritative source regarding many investments, etc.

It is part of a service that a bank is equipped to give because the knowledge is a necessity for successful banking.

The Lubbock State Bank

"BIG--BUT NOT ONLY BIG IN RESOURCES"

SPENDING A HUNDRED MILLION DOLLARS TO OBTAIN ROADS

The sentiment of the delegates to the meeting of the Texas Highway Association, held recently in Galveston, strongly favored the issuance of State bonds, the proceeds to be applied to the building of public highways of the first class.

While much work has been done along that line under the present plan of the general government aiding the counties, it has long been the opinion of most people, who have given the question of good roads any attention, that ultimately the point would be reached where it would be necessary for the longest and most important highways to be built at the expense of the State.

A good road is in no sense a local asset only, but it must be counted as an asset which goes to the general credit.

The Chronicle pointed out recently that the State of North Carolina has put, or is putting, fifty millions of dollars raised by the sale of bonds into good roads, and the counties are putting in the same amount. So a state with half the area and half the population of Texas is spending a hundred million dollars to obtain better roads.

The Chronicle is in hearty sympathy with any practical movement in behalf of good roads. It has devoted much space to advocating better highways, because it believes the money so expended will return large dividends to the people; but it recognizes that should the attempt be made to issue state bonds where-with to raise money the constitution will be found in the way.

Art. 3, Section 49, of that instrument reads as follows:

"No debt should be created by or on behalf of the State except to supply casual deficiencies of revenue, repel invasion, suppress insurrection, defend the State in war, or pay existing debt and the debts created to supply deficiencies in the revenue shall never exceed in the aggregate at one time two hundred thousand dollars."

It is obvious that because of the above quoted article, no State bonds can be issued for the purpose of building roads until the constitution has been so amended as to remove the inhibition which the article interposes.

The Highway Association should begin at once a campaign of education for the purpose of showing the people how the benefits of a State system of good roads will by far offset the small increased taxation which a bond issue will make necessary. Such a campaign will not only be helpful, but essential to success.

BASE BALL NEWS

Results of the West Texas League and Other Sporting News

HUBBERS' LEAVE FOR A VACATION TRIP

Monday's exhibition, when the Hubbers took two games off the Gassers at Amarillo, saw the finish of the season of the West Texas League, and although we came out a little behind, and will not have the opportunity of seeing that pennant waving over the heights of our beautiful little city, nobody is hurt

and we are a little the wiser. The Hubbers have been playing all the year within the limits of the rules and regulations outlined by the officials of the League at the beginning of the season, and we hesitate to say that others have not, but believe that some of the official records would not stand much investigation. The Hubbers left Wednesday morning as a club for their vacation

trip, and will make their expenses by playing independent ball as they go along the route. They are headed toward El Paso, with a possibility of course, of a short visit into "Old Mexico," and will probably be gone ten days or two weeks.

HUBBERS CLOSE SEASON BY TAKING TWIN BILL FROM THE GASSERS

The old Hubbers boys closed the season Monday at Amarillo by taking a double header from the Gassers the first one 9 to 3 and the second 6 to 4. Ferguson went all the way for the Hubbers, giving up nine hits in the first and six in the second matinee.

Lupher, a new annexation for the Gassers was sent to the showers in the sixth after seven runs had been gotten off of him. He was relieved by Hill. Langford connected for a circuit clout in the first stanza of the opening exhibition, scoring two men ahead of him, who were put on by errors.

Frierion, in the second game was touched for eight safeties. The score:

CLOVIS TAKES FIRST GAME FROM AMARILLO

Clovis took the first game of the play-off series from the Amarillo Gassers Tuesday at Amarillo, 4 to 2, in one of the best exhibitions of the season. Airtight fielding featured from both sides.

The game was called in the sixth inning on account of rain, after a few minutes delay from a shower in the fourth.

Wetzel held the Gassers to three hits during the five stanzas, one of which was a homer by Fitzgerald with a man ahead of him, counting the only two runs of the Gassers. Maples walked four men and was in danger from the beginning, but by airtight support by his teammates, held the Buzzers scoreless until the fourth, when they counted four runs off him after which he was relieved by Hill. Williams set one over the right-center-field fence in that frame. The score:

LUBBOCK HI FOOTBALL SQUAD START WORKOUT WITH LOST OF PEP

The Lubbock Hi Football squad started actual workout yesterday afternoon, after a couple of weeks of "hardness" exercise. Regular routine drill has been gone through for the past two weeks for toughening and wind, and yesterday afternoon saw the first real workout of the season. New uniforms were issued to thirty men, and they are entering the field with "vim, vigor and vitality." According to O. F. Sensabaugh, coach of the squad, no scrimmage work will be done until about the 15th, on account of conditioning the boys before they are put to that kind of work. Handling the ball and tackling is all that will be given them for a few days. It is hoped to have a practice game here about the 22nd, with some town in the near vicinity. Regular workouts are had on the field that has been prepared at the site of the new high school building. Workouts start at 4:30 each afternoon. If you want to see some real stuff, drive by some afternoon.

**CARDUI HELPED
REGAIN STRENGTH**

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried everything I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. . . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too.

BROWN TAKES OVER HALF INTEREST IN BUSY BEE
Vernon Brown, who played left field on the Hubber lineup for the larger part of the season, but was later transferred to the center lot, has bought the interest of Gober in the Busy Bee Cafe, and we understand will assume the duties of "feeding the public," on returning from his vacation.

At the early part of the season, Skipper Allen and Gober bought out the Busy Bee, under whose management it has been since that time. Gober will probably leave in the near future with his family, but it is not known at this time what occupation he will follow off the national sport lot.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 5c per bottle.

28 DECREASE IN CONFEDERATE PETITIONERS LAST QUARTER
Austin, Sept. 1.—Although 230 Confederate pensioners died during the quarter ending Aug. 31, there was only a decrease of 28 on the pension rolls, due to the fact that 262 new applications for pensions were approved. There are now 14,010 pensioners on the rolls and 373 in the Confederate Home, and for the quarter ending August 31, there was paid to these \$354,912, each veteran receiving \$25 for the quarter, which is an increase of \$1,947 the previous quarter.

Under a recent amendment to the Confederate pension law, the veterans in the Confederate Home and widows in the Confederate Women's Home, receive one-half the amount paid quarterly to the pensioners throughout the State.

Warrants to the pensioners were mailed by the pension division of the Comptroller's Department in time for the warrants to reach their destination by Sept. 1.

We Take Pride in Keeping the Best of Everything

Because we want your business we keep a large variety of goods. In addition to heavily laden shelves we meet the demand for fresh vegetables and fruits. If it's good to eat and in Lubbock you can expect to find it at our store. We think this is a service which the people appreciate.

Our prices are based strictly upon a legitimate profit—a profit which we earn. When you buy here you don't get one article below cost and then pay twice its proper price for another.

Try "MARTIN'S BEST" Coffee!—the home roasted and blended coffee. Inquire at your favorite eating place if "MARTIN'S BEST" is served. You will like it!

Pee Gee
means protection

The beauty of your home depends upon the way you paint and decorate it—inside and out—yet paint's most important service is surface protection. Sun, rain, wind and snow play havoc with poor paint, just as wear and tear soon destroy the beauty of poor interior finishes.

But Pee Gee Paints and Varnishes are made to stand up under the most trying conditions—that is why Pee Gee means protection in the fullest sense of the word.

For house exteriors no paint offers better and more lasting protection than

Pee Gee Mastic Paint
It is a strictly pure double-pigment paint, composed of equal parts of ZINC oxide and the highest quality White Lead, ground in pure linseed oil. Its high ZINC content (30%) gives it the stamina to resist the abuse of time and weather.

Pee Gee Flatkosit
For beautifying walls and ceilings, Pee Gee Flatkosit lends itself readily to charming color combinations. This modern, sanitary, fast-drying, oil-based, is easily restored to its original beauty with a damp cloth.

Pee Gee Re-Nu-Lux
This finish is especially adapted for home uses, as it stains and varnishes in one application. It refreshes floors and woodwork, brightens and renews marred furniture.

Pee Gee Floor Varnish
Gives floors a mirror-like finish and a hard yet elastic surface that resists heel marks, does not crack or peel and holds a brilliant polish which wears off gradually. There's a Pee Gee Varnish for each particular purpose.

Pee Gee Shingle Stain
This powerful wood preservative that protects and prolongs the life of roof and weatherboarding. No finish gives more beautiful and lasting effects than Pee Gee Shingle Stain.

SEMINOLE
From the Sentinel

T. E. McReynolds this week traded his 492-acre farm in the southeast part of the county to M. R. Brown, for his 120-acre farm two miles east of Seminole. The deal was made by Austin & Estep.

Dan, I. L. John, Cleve and Carroll Cobb, together with their families, left Monday morning for Palo Pinto county, where a reunion of the Cobb family will be held. There are five brothers, other than the ones named above, also two sisters, who expect to be present on this occasion. It has been quite a number of years since all the members of this family have been together, and a general good time is expected.

Mrs. W. R. Slaton and daughter, Elizabeth, who have been visiting Mrs. Slaton's sons, W. B. Slaton of Tahoka, C. E. Slaton of Seagraves, and daughter, Mrs. H. N. Stone of Seminole for the past month, left Tuesday for their home in Channing.

Geo. A. Pemberton, a prominent stockman of Denver, Colorado, was here last week and purchased thru Heard & Cox 2100 steer yearlings and two-year-old steers from local ranchmen. They were loaded at Seagraves Saturday of last week, and will be pastured in Colorado and Montana.

The election in Seminole was as follows: For U. S. Senator, Earle B. Mayfield 244; James E. Ferguson 136.

For Lieutenant Governor, T. W. Davidson 222; Col. Billie Mayfield 149.

For State Treasurer, C. V. Terrell 247; George G. Garrett 148.

For State Superintendent, S. M. N. Marz 274; Ed R. Bentley 84.

For Sheriff and Tax Collector, F. L. Britton 235; Cleve Cobb 168.

For Tax Assessor, S. C. Doss 227; H. M. McCulloch 175.

For County Treasurer, Mrs. T. E. Brown 247; Francis Longbottom 186.

STATE DEFICIENCY IS NOW \$376,810.00

Austin, Sept. 2.—The deficiency in the State general revenue fund, which occurred Thursday, was estimated at \$376,810.00 yesterday by State Treasurer C. V. Terrell. Warrants on the fund will be paid by serial number as taxes replenish it. Terrell announced. It probably will be six weeks before State employes can cash their August warrants, he said.

THE KEY THAT UNLOCKS THE DOOR OF LONG LIVING

The men of eighty-five and ninety years of age are not the rotund, well-fed, but thin, spare men, who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much of some article of food not suited to his constitution, causing indigestion or constipation and will need a dose of Chamberlain's Tablets to move his bowels and invigorate his stomach. When this is done, there is no reason why the average man should not live to a ripe old age. 54-4F

J. W. GRIFFIN FAMILY ENJOY A FAMILY REUNION

The hope of J. W. Griffin was a scene of happiness on August 28, when eight of his children assembled for a family reunion, only one being absent, that being Mrs. Lula McNabb, of Anna, Texas. On the 29th all went to C. O. Griffin's, where they had supper, ice cream and watermelon. This family was together for the first time in eleven years.

Mr. Griffin is an old pioneer, having lived in Texas since 1868. His oldest child was 45 years old on the date of the reunion, and the youngest 15.

Those present on this occasion were: J. W. Griffin, the father; D. P., C. O., and H. L. Griffin and families, of Lubbock Texas; Mrs. Minnie Guthrie and daughter, of Whitney, Texas; Mrs. Maude Malone and family of Rule, Texas; Misses Lela and Georgia, and Mr. Van Griffin, of Lubbock. There were twenty-two present.

PEPA-PLENTY IN
"THE THREE BUCKAROO"
Excitement From the Start Intensified as Story Unfolds
If it is fight that will lure one to the theatre, "The Three Buckaroos," is as enticing as a photograph can be. Hardly has the introductory title faded out when things begin to happen. One first has a laugh—that's always a good tonic—when Dartigan is seen meandering down the countryside astride a decrepit, pot-bellied roan horse. Farther down the road in Onyx, the nag

and its rider moved a typical "bad man" to jeers. That's where the tabasco is thrown into the composition. At this point the patron will take the kinks out of his back and sit up and take notice. The bad man becomes at once identified in Dartigan's mind as "My Man of Onyx!" and he will become identified as surely in the spectator's mind, for he and Dartigan mix things gloriously on more than one occasion. And he is not the villain, but one of the villain's henchmen. The villain has his day in court—only it isn't in court, and it is not his day. It's Dartigan's day.

Getting back to "My Man of Onyx," the pulses quicken and one's breath is almost stopped when Dartigan frustrates a stab in the back and engages the would-be assassin in a hand-to-hand encounter on the edge of a deep abyss; again when Dartigan leaps from his horse's back onto the Onyx person's back; again in a rocky, treacherous pass where nimble wits turn the tide of battle; again—but why continue? "The Three Buckaroos" will be presented Saturday at the R. & R. Lindsey Theatre. It will be found a wonderful tonic for jaded nerves or fatigued minds.
