

MANUFACTURER OF GIN EQUIPMENT WILL ESTABLISH FACTORY HERE; WILL OCCUPY JACKSON BUILDING

W. R. Lamb, of Bowie, Texas, and R. G. Pepprell, recently of Palo Alto, California, and a son of Mr. Lamb, all of whom came to Lubbock on March 27th to see about a location for the manufacturing and distributing plant for Mr. Lamb's cotton cleaning and bur extracting machinery, have decided to establish a plant in Lubbock.

They have rented a building from A. W. Jackson, of Jackson Brothers Feed and Coal Company, and will begin work installing machinery in this building about May 15th.

In connection with the manufacturing plant, they will operate a general machine and repair shop and foundry, together with a sheet metal works. All these lines will be used in connection with Mr. Lamb's patented inventions which are to be manufactured here.

Mr. Lamb told an *Avalanche* representative that he has several other inventions in mind, at this time which he hopes to perfect in the near future, one of which is a cotton pest exterminator which would meet with ready sale in the weevil infested areas of the south.

Mr. Lamb is an experienced manufacturer and has perfected and sold a number of his machines prior to the war, but when all kinds of metal goods became so scarce for manufacturing purposes during the war he was compelled to abandon his business, and is just now getting lined up for another run. Lubbock people will be proud of the institution that is to be established here by Mr. Lamb and his associates.

theme on which all the subjects given the speakers were, based.

R. H. Martin, who had returned on the evening before from Wichita Falls where he attended a district convention of Rotary Clubs told the Rotarians that the trip was worth while and that the speeches heard at the convention were instructive and designed to make one feel more pride in being a Rotarian.

The following guests were present: Mrs. H. N. Roberts of H. N. Roberts; L. D. Rankin of W. B. Hilton; J. R. Panelton of L. C. Montgomery; C. W. Taylor, Slaton, of Micho Bayless; J. M. Davis, Amarillo, of W. A. Myrick, Jr., Dr. Fred W. Standefer of Sam T. Davis; H. A. Sawyer, Dallas, of Neil Wright; Dr. P. W. Horn, president of the Tech college was present but was not listed as a visitor due to the fact that he was a member of the Rotary club prior to coming to Lubbock and is listed as a "regular fellow" with the local club.

The following Rotarians from the towns listed after their names were present:

E. W. Robinson, San Antonio; J. J. Klein, Dallas, Ed Ailes, Fort Worth, A. J. Kenzie, San Antonio.

APPEAL COURTS

AMARILLO, April 10.—Proceedings had in the Court of Civil Appeals for the seventh Supreme judicial district at Amarillo, April 9, 1924.

Reformed and affirmed: A. R. Watland, et al. vs. L. E. Whitman, et al. from Wichita.

Reversed and rendered: W. B. Mitchell, vs. J. M. Honaker from Wichita. C. B. McConnell, vs. E. P. Walsh, county Auditor from Wichita. J. D. Parnell, vs. H. K. Barron from Wichita.

Cases submitted: J. D. Wheeler, vs. Jerome S. Stone, from Wichita. Travis Oil and Refining Co.,

vs. Osage Oil and Gas Co., from Wichita; Chas. Carson vs. C. M. Taylor from Wichita; M. Weitman et al. vs. Homer Lee, et al. from Wichita; W. O. Griffin, et al. vs. Mrs. C. D. Shamburger, et al. from Wichita.

Set for submission, April 1924. City National Bank, et. al. vs. Mrs. Lillis Morgan, from Wichita. W. B. Adams, vs. Texhoma Oil & Refining from Wichita county. C. W. Carey, et al. vs. First National Bank, of Burkburnett, from Wichita. H. A. O'Neil vs. Theo. Cook from Wichita; C. H. Tipps, et al. vs. T. H. Lawrence, et al. from Wichita.

TRACTOR CREWS ARE REPAIRING THE HIGHWAYS

L. O. Burford, construction supervisor for the State Highway Department, started two tractor crews to work on Highway No. 58 between Lubbock and Brownfield Wednesday morning, and good headway was made in conditioning a part of that road.

Mr. Burford stated that as soon as these tractor crews have finished work on that highway they will be put to work on No. 7 between Lubbock and Slaton.

"With favorable weather conditions we will soon have the roads in this district in good shape," Mr. Burford promised Wednesday.

INSPECTOR CHESHER IS AT HOME FROM MIDLAND

Lem Chesher, inspector for the Texas & Southwestern Cattle Raisers' Association who was stationed at Lubbock the first of this month, has just returned from a trip to Midland and other points in that vicinity where he worked with Inspector J. W. B. Hogan, in several important cases in connection with their duties in this district.

Mr. Chesher had been stationed at Herford prior to taking the work in this district.

LIVERGARD and LUNGARDIA THE HOME GUARDS

LIVERGARD is the New Laxative we can not improve excels all others. When a Laxative is needed, makes laughing babies of puny ones, keeps old folks young.

Eagle Collars FIT

SINCE nature made your neck curved, why try to wear an attached collar cut straight? The attached collars in Eagle Shirts are cut, not over the usual straight model to make manufacturing easy, but over a specially designed curved pattern to make the collars fit. That's why they hug the neck all around and give you the trim, neat appearance that careful dressers like.

One collar-attached Eagle Shirt will convince you.

TYPICAL ROTARY PROGRAM IS RENDERED

One of the best Rotary meetings that has been held in some weeks was enjoyed by the members and a number of visitors Wednesday at noon.

The program, which was well arranged and on which several able speakers appeared, had been planned with a great deal of care on the part of the program committee, and with a fine luncheon served by the ladies of the K. Carter School Parent-Teachers' Association the noon hour was enjoyed by all present.

W. B. Hilton was chairman and "The Ups and Downs of Business Men in Lubbock" was the central

Memorial Day 1924

In many things we purchase, price should be the chief consideration. There are others which the eternal fitness of things demands that we purchase the BEST.

A Monument is purchased but seldom in a lifetime. Here QUALITY, not price, is the main consideration.

A monument that we erect will be as beautiful and enduring as your love for the one it commemorates.

BIG SPRING LUBBOCK LAMESA

COUNTY SCHOOL NOTES

By W. M. PEVEHOUSE

Saturday, April 5th was trustee election day for both district trustee and county trustee. One of two trustees had to be elected in each district while for the county one each in Precincts 3 and 4, and one trustee at large. This is an obligation that each patron of a school owes to his school. To cast a vote for trustees, both district and county. We have no greater work than that of educating the coming generation, and the task of serving on the board of trustees is a civic duty. If we are not competent to serve, as one often says, then we should study up some. The simple task of casting a vote to help put in a good man is a solemn duty that we owe to our children.

This is Monday and many of the election papers are coming in to my office. Reports are to the effect that a general good feeling exists in most all communities over the results.

Out at Acuff, Mr. Ed Griffin was elected to succeed J. J. Carroll. The bond election was carried by a substantial majority. Acuff will soon be ready to build the two room addition to their brick building. And it will not be too soon for the final count on the scholastic enumeration was 175.

A community auditorium of some \$1500 valuation is being erected; so I am told by Prof. Lee Fulton, that will be used for all public gatherings, and this is certainly a forward step. A general invitation is extended for singers and lovers of good singing to attend singing at

Acuff Sunday, April 13. It is hoped that the auditorium will be finished by that date. W. C. Grimes, M. L. Brashears, and the new member of the board were in today. Mr. Griffin qualified. A meeting was held in which Mr. Griffin was elected president of the board, while Mr. Brashears was made secretary. From all reports, it will not be necessary for any man to call on this board in quest of becoming the Acuff principal for next session, for it is the sentiment of the community, it seems, that Prof. Fulton and wife are just where they are needed. Acuff boys and girls certainly made themselves known at school meet at Slaton Saturday.

First hand evidence of training somewhere in the days of life before April 4, 1924. It is hoped that Mr. Fulton and wife will see their way clear to stand hitched, if they are offered the position again. This way of changing teachers every year is a poor policy.

J. D. Tomlinson and T. M. Lawson, trustees of Liberty, were in today and looked after matters pertaining to their school. They spoke very complimentary of their teachers, C. L. Hale and Miss Annie Ford. These teachers have been two years at Liberty and all indications are that they will be re-employed. The census report from Liberty shows a heavy gain. An enrollment of 80 was made and by another year it will be necessary to have three teachers. Liberty has one of the finest auditoriums in her new building that can be found in our rural schools.

The trustees from Center were in today. H. Habbinga and Hall Looney with the newly elected member, Mr. W. A. Dunn, who qualified today, met with a bond buyer, Mr. Butler, to discuss the plans for a \$10,000 bond issue to erect a brick building at Center. That community has Prof. B. A. Myers and wife as teachers, and if they do not remain again, I think it will not be because the people do not appreciate them. It is hoped that they will be willing to sign up again at Center. Mr. and Mrs. Myers came in last Saturday and selected 30 new books to take out to the children.

Mr. Otto Simms, trustee from Wolfarth reported today that their enrollment was 70. Last year the

number was 59. W. M. Gayle and A. F. Hess, the board from Caldwell came in today and stated that the vote was heavy at their trustees election. It is hoped that a plan can be arranged whereby Prof. Kold and wife can be induced to teach for those people again. They have done fine work.

Messrs. Dixon and Rucker from McClung were in today with election returns. It seems that Mr. Alsbaugh was elected for the new member there. McClung hopes to build a brick building this summer.

Prof. Lee and wife, of the McClung school came in today after some books. Arrangements for the sale of the Barton school are about completed and now the board can have the contract let for the house. These people want to build a modern \$6,500 brick building. F. T. Green and W. D. Sealy are the present members of the board.

At Slide, a petition is out for a \$10,000 bond issue and it is hoped by some that a three room ground floor and an auditorium above can be arranged. Lonnie Williams was elected to work with W. G. Harris and J. S. Stanford on the board. Everything is in harmony. The community is on a forward step.

Last week fifty new song books were purchased and singing is held every Sunday night. The people are fortunate in having a real song leader at home, Mr. Weisner. Messrs. Davis and Copeland of the Slide community visited at the office.

W. F. Pruitt, president of the board, at Canyon, was in today and asked for an order of election for the proposed increased of tax. The Canyon board has purchased a large stationary engine and all power necessary to run lights, picture shows, etc. will be available. Prof. A. J. Ammon has had wonderful control of the student body there this session and in all probability no vacancy will occur in the principalship this session.

Prof. S. A. Ribble has had to surrender to an attack of appendicitis, much to our regret. He feared he would not be able to resume duties again this session so Mr. Hill

ton Greer, the young man who came to us last week from Henderson county, was employed by the board to fill the place. Mr. Greer fell into the work Monday morning, we understand, and as no report has been had as yet, we hope he will be able to push forward. He comes well recommended and we do not fear for him. Messrs. Gillet and Strawn are the present members of the board. They were in Saturday and reported the need of a substitute. Mr. Greer was met at Slaton school meet and told to meet Mr. Gillet at the office at 6:00 p. m. Everything went without a hitch and we feel sure that Mr. Greer will get along nicely with Prof. Ellis and Mrs. E. J. Bruner, the other teachers.

S. N. Gentry, trustee of Posey, was in today and reported an enrollment of 122 pupils.

T. J. Richardson, president of the county board and W. O. Shegy, trustee at large, called at the office today and discussed the sinking fund account with the county

superintendent. It seems that the account is not just up to standard requirements and we are attempting to straighten it out. The law requires that we deposit each year a certain amount towards redemption of the school bonds and if we neglect it, we could injure ourselves. Our county's credit on such matters would be lowered. Soon we could not sell our school bonds if we do not keep the faith. All will be made straight soon, we feel sure.

Remember the association at Shallowater, April 12. The office will be closed from 10 a. m. to 3:00 or 4:00 p. m.

PIGGLY WIGGLY VALUES Are Based on Facts

The low prices you'll find at every PIGGLY WIGGLY store are not made by accident. They are not placed on a few "leaders" and regained in other items. They are not placed on old merchandise which must "move" in a hurry.

They are every day PIGGLY WIGGLY prices. Enormous buying power, no charge accounts with bad debts, no expensive delivery service, fast moving stocks, low margin of profit and volume sales—these things make PIGGLY WIGGLY prices the lowest in Lubbock.

Table listing various goods and prices: Del Monte Pineapple Per Can 14c, Primrose Corn 2 Pound Can 17c, Brer Rabbit Syrup Per Gallon 92c, Sliced Breakfast Bacon Per Pound 34c, Mistletoe Butter Per Pound 52c, Your Luck Coffee Per Pound 42c, Calumet Baking Powder Three Pound \$1.05, Smith's Best Flour 48 Lbs. \$1.70, P & G Soap Per Bar 5c.

RESOLUTION OF SYMPATHY AND RESPECT

Resolutions of respect and sympathy passed by the Woman's Auxiliary of St. Paul's Episcopal Church at Lubbock on the death of Mrs. John Letcher Showell:
WHEREAS the omnipotent Father of us all has taken from us our beloved co-worker and friend, and
WHEREAS We have known her always as a true servant of God, ever faithful and kind and;
WHEREAS We know that in her death our Auxiliary Church and City have suffered a loss not to be measured;
BE IT THEREFORE RESOLVED: That we, the members of the Auxiliary, out of the depths of our own sorrow, extend to her family and friends our heartiest sympathy.
WE RESOLVE, That we do not intend that her beautiful life and high ideals shall have been in vain, but that daily we shall strive to emulate her shining example.
BE IT FURTHER RESOLVED, That a copy of these resolutions be sent to the family the press, and spread on the minutes of our Auxiliary.
 MRS. JED RIX,
 MRS. THAD THOMAS,
 Committee.

POULTRY IS BEING BRED FOR WEIGHT, SAYS DEALER

Richard White, manager of the Lubbock Poultry and Egg Company stated Thursday that a noticeable improvement has been made in the grade of poultry offered for sale here at this time as compared with the grade offered one year ago.
 The poultry dealers of this section have been forced to show a three cents per pound differential on light and heavy hens, the heavier birds demanding the higher price, and this fact having been brought to the attention of growers has had a tendency to cause them to select the heavier breeds for breeding purposes.
 While the Leghorn breeds are recognized for egg production, the heavier breeds commanding a higher price at the poultry house, will, in the opinion of Mr. White, prove the most profitable rowl for Plains farmers.
 He pointed out that a five cents per pound differential would be shown on heavier broilers this season, and the farmer contemplating putting a number of broilers on the market will be made to realize that the heavier breeds command a greater price.
 This differential is not brought about by local poultrymen but by the markets into which they ship their produce, and the farmer cannot expect to get as good price here for the light breeds as for the heavier ones, due to the fact that the big market centers recognize the superior quality of the heavier birds.

IMPROVING BUILDING FOR THE RED CROSS PHARMACY

Workmen have started rebuilding the floor and exterior of the Hub Barber Shop and Busy Bee Cafe building on the west side of the square, and this building will be occupied by the Red Cross Pharmacy.
 The new floor and other improvements that will be made on the building will add much to its appearance and this will be an ideal site for the Red Cross Pharmacy in that it is very close to the present location and therefore the business of the company after it has been located here will not be affected as it would if moved to a different section of the city.
 The improvements that are to be made to this building will not only be of material benefit to the company which will occupy it, but will also add much to the appearance of that section of the city.

YOUNG LADY RENTED A CAR; CANNOT BE LOCATED

Louise Bennett, age about twenty-two years, went to a local driverless Ford station Monday and rented a practically new coupe "for an hour," she told the station manager.
 The hour passed and the young lady failed to return with the car, but as such overtime use of rent cars is common, the keeper did not become uneasy, but when most of the day had passed and the car had not returned, officers were notified and started work on the case.
 The car has not been located but every effort is being made by officers to get some clue on which direction it was driven.

RETAIL DEALERS URGED ATTEND STATE MEET

Miss Gladys McSpadden, assistant secretary of the local Merchants Association has just received a number of circular letters and display sheets advertising the 24th annual convention of the State Retail Merchants Association of Texas to be held at Tyler, May 19, 20 and 21 at the Binkelman Hotel.
 "A real convention with a real purpose" is the slogan, and every effort is being made by state officers in the association, who have sent out fifty thousand invitations to that many retail merchants urging them to attend.
 The convention committee has arranged to entertain five hundred delegates, and it is believed that many will attend. Miss McSpadden declared Wednesday.
 Low rates on all railroads leading to Tyler will be given to delegates, and every effort will be made by the program and entertainment committees to see that all who attend the convention are well repaid for the time and money spent in attending.
 Miss McSpadden and probably other members of the local association contemplate attending, and it is hoped that the Lubbock delegates will be in such numbers as to make a creditable showing for their association.

RUCKER AND ATER ARE IN GROCERY BUSINESS

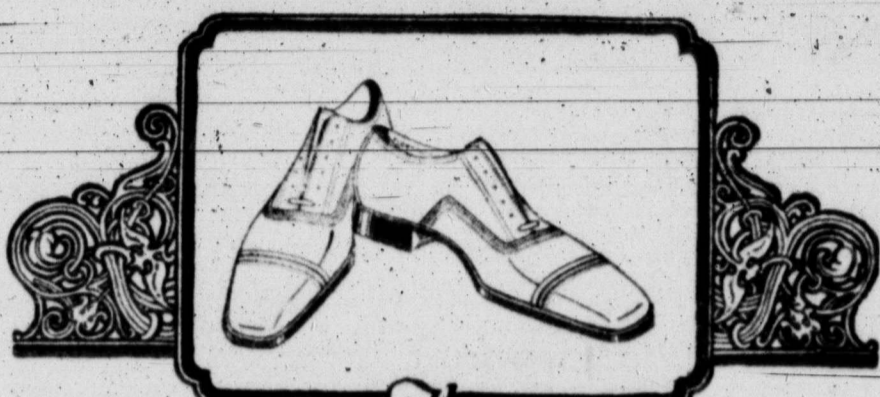

B. B. Ater, of Ropesville, and P. T. Rucker, of Rucker Produce Company, have bought a stock of groceries which they are handling in connection with the produce business, the name of the new firm being styled Rucker Produce and Grocery Company.
 Mr. Rucker has been in business in Lubbock for a number of years, and Mr. Ater is equally well known throughout the county, having been a resident of Lubbock prior to going to Ropesville.

night April 11. The proceeds will be for the superannuated Endowment fund. Everyone is invited to come and take a part. Ladies bring a pie. Gentlemen—bring your pocketbook.

TO THE CITIZENSHIP OF WEST TEXAS

We, the board of directors of the West Texas Children's Orphans Home thought it proper to address a letter to you outlining fully what we have done and propose to do, and why we are doing this work.
 The Orphans Home is now located in a rented building which has been sold and possession must be given in a short time.
 We, therefore, have decided to erect a modern fire-proof building costing about twenty thousand dollars.
 We have purchased thirteen and a half acres of land one mile south of Lubbock on the Tahoka road and have started on the building. The basement is now complete. Plans specifications and blue-prints have been prepared and we are now ready to go to work on the building proper and propose to complete it just as soon as humanly possible.

We have employed a splendid man as financial agent and another good man to assist him in raising funds necessary to pay out this fine home, wherein we propose to care for and train our own orphans of West Texas. We will not annoy anyone but earnestly request all whose hearts are touched like ours with the needs of the orphans to join with us in this noble work and make it as light on the board of directors as possible.
 We commend to your generous hearts our two financial agents Bro. M. J. Lewis and Rev. F. R. Pickens.
 Board of directors:
 Jas. H. Halsell, President.
 Jas. L. Dow, Vice, Pres.
 W. T. Gregory, Manager.
