COOLIDGE ASKS EXCLUSION DELAY

FORMAL DENIAL CAPITOL GOSSIP IS MADE BY PRES.

STORY CENTERS AROUND LEASING OF MUSCLE SHOALS TO FORD

WASHINGTON, April 28.—President Coolidge has issued a formal denial aimed at gossip which has been flitting around the capitol to the effect that Henry Ford endorsed Coolidge for another term in return for white house support of his Muscle Shoals offer.

The story has caused much annoyance to the president and his friends, but it was not until the insinuation came out Monday in connection with the senate agriculture committee's investigation of the Muscle Shoals projects that Coolidge had a basis for registering a denial.

At the hearing, Chairman Norris of Nebraska, republican, insurgent, and opponent of the Ford offer, produced a telegram which had been sent to Ford representatives at Detroit by James Martin Miller, Washington newspaper correspondent at that time contributing to the Dearborn Independent the Ford Weekly. Miller in this telegram sent October 17, last, stated that he had had a private interview with the president who said:

"I am friendly to Mr. Ford, but wish some one would convey to him that it is my hope that Mr. Ford will not do or say anything that will make it difficult for me to deliver Muscle Shoals to him, which I am trying to do."

HUGE IRRIGATION PROJECT IS PLANNED

AUSTIN, Texas, April 28.—A Texas water power and irrigation project rivaling the great Roosevelt dam and Elephant Butte is assuming definite shape as a result of preliminary selection of two reservoir sites, it was announced by H. A. Dunlap, member of the state board of water engineers, on his return Monday from the Pecos river territory in Northeast Texas.

The project to be handled by the federal government, will call for expenditure of more than two million dollars, it is estimated. It will supply water for the irrigation of Crane, Ward, Pecos and Reeves counties.

The large Red Bluff reservoir originally planned by the federal government for construction in New Mexico has been abandoned, and two sites in Texas selected which it was found would serve the purpose of the government better than the New Mexico location.

DISTRICT COURT CONVENED MON. MORNING

The April term of the District Court convened Monday morning, with all officials of the court in readiness for the six weeks work that is ahead of them.

District Judge Clark M. Mullican delivered his charge to the grand jury in the morning, following which that body went into session, and it was announced shortly afterwards that S. C. Wilson had been elected foreman.

Judge Mullican charged the jury with the responsibilities of law enforcement as regards their authority, and in his usual forceful manner made it known to them that the court expected a great deal of worthwhile work to be accomplished during the term.

GOV. McCRAY IS FOUND GUILTY

ORDERED JAILED PENDING PRONOUNCEMENT OF SENTENCE TUES.

By United News. INDIANAPOLIS, Ind., April 28.—Convicted by a jury in federal court of fraudulent use of mails, Governor Warren T. McCray was ordered to jail tonight by Federal Judge Anderson.

McCray was taken into custody immediately by United States Marshal Meredith. He was kept for some time and then taken from the federal building by a backdoor. On the way to jail the party stopped at a dairy luncheon for the governor to eat supper.

The jury returned its verdict at 6:30 p. m. after being out less than ten minutes. The verdict was reached on the first ballot. Judge Anderson ordered the defendant brought into court at 10 o'clock Wednesday morning for sentence.

In ordering the governor to jail, Judge Anderson described McCray as "one of the worst criminals he had known in his 21 years on the bench."

McCray was placed in the "bull pen" in federal row in the county jail shortly before 10 o'clock. Broken-hearted and weeping the governor entered the prison. He was not given opportunity to say farewell to members of his family who awaited the report of the jury's action at the governor's mansion.

After McCray was locked up it was officially reported among his friends that he would resign as governor before being called into court for sentence Wednesday morning.

It was reported that McCray will not take an appeal from the verdict of the jury. In the event he does not resign but takes an appeal, he will automatically be removed from office when he is sentenced. He will be succeeded by Emmet Branch of Martinsville, lieutenant governor.

MAYFIELD CASE BE RE-OPENED ON MAY 8

WASHINGTON, April 28.—Another senatorial investigation will get under way May 8, when airing of charges of election fraud against Senator Mayfield of Texas will be begun by a special sub-committee of privileges and elections committee.

The date was fixed Monday after preliminary arguments were made by counsel for Mayfield and George E. B. Paddy, who is contesting Mayfield's seat and has asked that he be ousted. The K. K. K. is involved in the charges. They include excessive expenditure of money and other alleged irregularities.

W. E. Zumbamm, of Kansas City, attorney for Mayfield, demanded Monday that the committee decide the question of the legality of the votes cast before beginning open hearings.

"If the challenge made by our opponents are legal then Mayfield is entitled to be seated," Zumbamm said. "We contend that the challenge are founded on flimsy grounds and we do not believe they can be allowed."

Luther Nichols, attorney for Paddy, demanded that the committee go on with the hearing and award final tabulation of the ballots before deciding against legality of the vote. Attorneys of both sides were ordered to submit briefs on their arguments regarding legality of ballots cast in Mayfield's election.

Fifteen witnesses, most of them from Texas, are to be subpoenaed at the request of Paddy. It is understood that several high Klan officials will be called also.

Senator Watson of Indiana, was appointed on the sub-committee on Monday in place of Senator Greene, of Vermont, who has not yet received from the pistol wound received in a battle between prohibition agents and bootleggers several weeks ago.

URGES STATE DEPARTMENT HAVE TIME TO NEGOTIATE JAP TREATY FOR VOLUNTARY EXCLUSION IN U. S.

By THOMAS L. STOKES (UN Staff Correspondent) WASHINGTON, April 28.—President Coolidge has proposed that congress delay the date when the Japanese exclusion feature of the immigration law becomes effective in order to give the state department time to negotiate an agreement whereby Japan could arrange for voluntary exclusion.

FIVE KNOWN DEAD IN EXPLOSION OF MINE

BENWOOD, W. Va., April 28.—While but two of the 104 men employed by an explosion in the Wheeling Steel Corporation's mine and five are known to be dead, rescue workers are encouraged to believe that many others will have survived, owing to the absence of fire and gas in the shattered pit.

The first of a series of underground rumblings which appraised relatives of the underground workers that an explosion had occurred was heard 30 minutes after the day shift had entered the mine. Great clouds of smoke shot toward the sky from the main slope and from a subsidiary entrance known as Browns Run, nearly three miles below.

Two men were discovered alive 1,500 feet within the Brown Run slope. Physicians treated two others 2,700 feet from the main entrance who died, and three bodies were found soon afterward.

Rescue workers sent word that 13 men had been brought to the interior terminal of the main entrance slope but did not say whether they were alive or dead.

The anguish scenes which have accompanied other mine disasters took place as terrified women and children rushed to the slope head to learn if their loved ones had escaped.

Checks for entering the mine were issued to 104 men, half an hour before the accident and mine officials believe that represented the number underground.

Physicians are penetrating deeper within the mine in an effort to search the many believed to have been crushed and bruised as supports and palings were torn to match wood by the force of the explosion.

Interrupted telephone communication between Moundsville and Benwood prevents immediate reports of the rescuers progress. The blast shattered lines of communication.

The Benwood mine is working from sloped openings instead of vertical shafts and the output is consumed by the operating company.

Rescue work proceeded slowly but chances of life for the imprisoned were enhanced by the clear air which freed them from the scene of asphyxiation or death by fire.

Frantic women ran to and fro in the rain which added its melancholy pattering to the already precarious situation, were held in check as they surged toward the sloping prison.

ONE CRUSHED TO DEATH; TWO OTHERS INJURED IN AUTO ACCIDENT

GALVESTON, Texas, April 28.—Arthur E. Anderson, 34 treasurer of S. Spiteovitch and company, ocean brokers and shippers was crushed to death beneath his automobile on the Galveston road between Lamarque and Dickinson Monday afternoon. His neck was broken.

A. T. Holloway employee of the company and Roy T. Terry auditor for the shipping board who were in the car were injured. Holloways leg was broken and he and Terry received numerous bruises.

The accident which resulted in Anderson's death was caused by the blowing out of a tire. He is survived by his widow and two children.

FEW TICKETS YET LACKING FOR SPECIAL

Five more live-wire, progressive and loyal citizens today bought tickets for the Brownwood Special which will leave Lubbock at nine o'clock in the evening of Monday, May 12, for the biggest Chamber of Commerce meeting ever held in the United States.

That is right folks. The sixth annual convention of the West Texas Chamber of Commerce which will be held in Brownwood May 12, 14 and 15 will be absolutely the biggest Chamber of Commerce meeting ever held in the world.

And while about seventy of Lubbock's finest have bought tickets for the special train out of Lubbock, we must have fifty-five more before the train can start and the Santa Fe must have the money for every one of these fifty-five tickets which week. The original requirement was that the special would have to be paid for last week, but our time has been extended for a few days.

Lubbock is a part of the West Texas Chamber of Commerce and every citizen of Lubbock owes a great deal to this wonderful organization. The way to pay some on the bill is to go to Brownwood and help make this the great occasion it is going to be.

But of more importance, is that Lubbock shall have a big delegation of representative citizens who will go to Brownwood not only to express their appreciation of past favors but to make friends for your city and our institutions for the years that are to come.

If Lubbock is to be the metropolis, the "Hub" that she hopes to be, she must have the friendship of every man, woman and child of this great western country, and the best place in the world is to make them at Brownwood where more people can be seen in less time than any other place or time.

If the committee hasn't called on you, take your check for \$25.00 over to the Chamber of Commerce office, or just phone 469 and say you want a ticket and some one will call for your check.

Show your loyalty to Lubbock and to the West Texas Chamber of Commerce—show your appreciation of the benefits you have received by going to Brownwood, having a \$100.00 worth of fun and at the same time, doing thousands of dollars worth of good for your own home town.

A tree before my doorway stands And welcomes me with open hands. I hear it through my window pane Singing an anthem to the rain.

Grow proud and feel myself secure And think my conquests shall endure; And yet I know some day the tree Shall see the gray hearse come for me.

COTTAGE BEING BUILT TO CARE FOR LUBBOCK SANITARIUM PATIENTS; BRICK ADDITION TO BE MADE SOON

J. W. Neves, local building contractor, started work Monday morning on a ten-room cottage for the Lubbock Sanitarium on the lots west of the present sanitarium building.

Mr. Neves has promised the sanitarium management that this building will be completed throughout by Saturday night. Equipment for the cottage has been ordered by wire, and it was announced at the sanitarium Monday that they expect to have it ready for patients by the first of next week.

This cottage is being built as an emergency measure, the sanitarium having been crowded to its utmost capacity for the past four or five months, and there is at this time a great need for additional rooms.

This cottage will be used to help take care of patients until another main sanitarium building of fire-proof construction has been completed, plans for which are about completed by the architect.

The new building will be three stories and will contain forty or forty-five rooms. It will join the present building on the west and will be absolutely modern in every respect.

Some added features, which have just been developed in hospital building, will be provided, Dr. M. C. Overton announced Monday. The contract for the new building will be let some time during the coming month, it was announced.

The enlargement of the Lubbock Sanitarium is a compliment to the development of the territory adjacent to this city, and proys conclusively that Lubbock is ready to march forward along development lines along with her fast developing trade territory. The Lubbock Sanitarium is an institution to which every Plainsman might well point with pride, and Lubbock citizens will receive the news of its expansion with genuine interest.

CITATION BY PUBLICATION.

THE STATE OF TEXAS
To the Sheriff or any Constable of Lubbock County, Greeting:

You are hereby commanded to summon C. M. Norwood by making publication of this Citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 72nd Judicial District, to appear at the next regular term of the County Court of Lubbock County, to be held at the Court House thereof, in Lubbock, Texas, on the 5th Monday in May, A. D. 1924, the same being the 19th day of May, A. D. 1924, then and there to answer to a petition filed in said Court on the 29th day of January, A. D. 1924, in a suit numbered on the docket of said Court No. 1120, wherein Lub-Tex Motor Company is Plaintiff and C. M. Norwood, W. D. Cullum, and Dyke Cullum, are Defendants; and said petition alleging that on Jan. 17, 1924, defendant, Norwood for a valuable consideration made and delivered to plaintiff his promissory note in writing in the sum of \$250.00, dated January 17, 1924, payable July 17, 1924, to Lub-Tex Motor Company, at Lubbock, Texas with 10 per cent per annum interest from date until paid and providing for 10 per cent attorney's fees.

That to secure said note defendant Norwood executed and delivered to plaintiff a chattel mortgage on one Studebaker Roadster Automobile, Engine No. 29001, State License No. 384-743, which chattel mortgage was filed for registration in the county clerk's office of Lubbock County, Texas, January 19, 1924, and became and still is a valid and existing lien on said automobile to secure the payment of said note. And said chattel mortgage provides that upon seizure of said automobile by due process of law or if the holder of said note shall at any time feel unsafe or insecure from any cause, then said mortgagee may declare all of said note due and take actual possession of said automobile, etc.

That said plaintiff has reason to feel and does feel, insecure in that the above mentioned mortgagee included in said mortgage fifty acres of wheat owned by him on the E. V. Harlan farm about 8 miles north west of Idalou, Texas; but in fact the said mortgagee has not retained any hand on said farm for the year 1924 and owns no wheat thereon, and such statement or recitation is fraudulent, and gives this plaintiff good grounds to feel insecure in its debt. And further, said defendants Cullum have caused said automobile to be seized by process of law, and are now claiming a lien thereon; and by reason of said fraud on the part of mortgagee and the seizure as above mentioned, plaintiff has a right to declare its paper due and foreclose its mortgage.

That plaintiff is still the legal holder and owner of said note and mortgage lien, and by reason of the foregoing, has declared said note due; and although often refused, defendants have failed and refused, and still fail and refuse to pay said note or any part thereof, to plaintiff's damage in the sum of \$400.00.

That since said note has been declared due and default made in the payment thereof, plaintiff has placed the same in the hands of Wilson & Douglas, attorneys at law, for collection, and contracted to pay

them a fee equal to the attorney's fees provided for in said note, and by reason thereof defendant Norwood is liable for said attorney's fees.

That the lien asserted by said defendants Cullum is inferior to the lien of this plaintiff.

That said automobile is of the reasonable value of \$250.00.

Wherefore, plaintiff brings this suit and prays that defendants be cited to appear and answer herein at the next regular term of this court, and that upon final hearing hereof it have judgment for its debt the principal, interest, and attorney's fees due upon said note against the defendant Norwood; that its mortgage lien be decreed to be superior to the lien or claim asserted by defendants Cullum, and that its mortgage lien be foreclosed against all of said defendants; for costs of court; and for such other and further relief, general and special, at law and in equity, to which it may be entitled.

Herein, fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Lubbock, Texas, this 17th day of April, A. D. 1924.

HERBERT STUBBS, Clerk,
County Court, Lubbock County,

THE HOUSE OF RIX INSTITUTES BIG WRITING CONTEST AMONG SCHOOLS TO ADVANCE ORPHANS HOME FUND

As is the case with every other worthy cause instituted in Lubbock or in West Texas, the Rix Furniture and Undertaking Company is squarely behind the West Texas Children's Orphans Home, and every member of that firm's three big stores are bending their efforts in helping put the building program for the home over in grand style.

Mr. Standefer, advertising manager of the company, has just mailed out a copy of the following letter to every school in Lubbock county, and it is hoped that before the end of this month the students will be busy writing the articles mentioned therein. These articles will be judged at the Avalanche office, and as stated in the letter, the three selected as being the best handed in will be published.

This contest will not only provide great practical benefit toward advertising the Orphans Home building campaign, but it will be of inestimable educational value to all entrants, who are urged to give as a great deal of their time and do their dead level best to furnish this paper some real booster articles.

The letter is as follows:

Why We Should Contribute to the West Texas Orphans' Home

Dear Sir:

Would you and your school be interested in writing an article on this subject?

The West Texas Orphans' Home belongs to no individual, religious institution, state or company. It belongs to you, to me and to all other individuals in West Texas. It must be supported by all of us.

No one questions its worthiness. It is a necessity and not at present our pleasure to support a greater cause.

While this institution is only seven months old it must now have a home with more room and greater facilities. Work began on this new home April 2nd, but more money is now needed. With the cooperation of the teachers in West Texas in giving to publicity, this money can be easily and quickly raised.

To help the home secure this publicity the Rix Furniture and Undertaking Company will give a \$25.00 cedar chest to the girl who writes the best article on the title given in the beginning of the letter. If it be a boy we will give a trunk of equal value. Any boy or girl now attending school is eligible.

All work must be neat, written on one side of the paper only, and it must bear the name, address, age and sex of the author.

Send all articles to the editor

of the Morning Avalanche. All work will be read and judged by them and the best three will be published. All articles should reach the office of the Lubbock Morning Avalanche not later than Wednesday, May 7th.

We trust this will be of great educational value to the contestants and at the same time be of immediate help to a worthy cause.

With a desire to always be of assistance in moulding the lives of the men and women of tomorrow, we are

Very respectfully yours,
RIX FURNITURE COMPANY

GUEST NIGHT ON THE RADIO

Edgar A. Guest, whose poems appear daily in the Lubbock Morning Avalanche, will be the feature of the radio program broadcast from the Detroit Free Press station, WGX, on Tuesday, April 29, from ten o'clock until midnight (Eastern Standard Time). The voice of the poet will come to thousands who have learned to honor and love him through his writings.

Mr. Guest will appear several times on the program of the Red Apple club, the famous weekly feature of WGX broadcasting, so that those who have difficulty in tuning in early in the evening will have an opportunity to hear him before midnight. He will read some of his best known poems and have an intimate talk with his unseen audience.

WGX will send one of Mr. Guest's books, personally autographed by the author, to the sender of the first telegram from each state and a handsome picture of the poet to each one who wires that the program is being heard.

Telegraph companies have agreed to keep all offices in the United States open until after the Guest night program is closed. Telegrams must not be filed until WGX announces the code word. This word will be given at frequent intervals as soon as the program starts.

This will be the second time that Mr. Guest has consented to talk over the radio. He was the feature of the first program broadcast by The Free Press station two years ago, but since then has evidenced a decided shyness toward talking to the unseen audience.

WGX is heard nightly in every state and readers of the Lubbock Morning Avalanche should have no trouble in tuning in on 517 meters.

BIG PICTURE PROVES VERY POPULAR

Marion Davies proved at the R. and R. theatre, last night, where her new Cosmopolitan picture "Little Old New York" was screened, that her entry into the ranks of the ablest screen stars of the day, through her work in "When night-hood Was In Flower," was no "fluke" but the result of an inborn gift for acting, of a determination to give the best of herself to the screen public, and of her ability to work hard.

"In Little Old New York," adapted from Rida Johnson Young's successful play by Luther Reed, Miss Davies set the role of Patricia O'Day, misquering as her dead brother Pat, in order to inherit a fortune left by an uncle in New York. She brings to the part a wistfulness, charm and naturalness which former screen roles had given no inkling that she possessed. Her part O'Day proves beyond doubt that she is a screen star to be reckoned with in any list of the foremost players of the day.

The supporting cast is one of exceptional brilliancy. Harrison Ford appears opposite the star, and there are fine characterizations by Mahlon Hamilton, J. M. Kerrigan, Courtney Foote, Norval Kennedy, George Barraud, Sam Hardy, Andrew Dillon, Charles Kennedy, Riley Hatch, Spencer Charters, Harry Watson, Louis Wolheim, Charles Judels, Gypsy O'Brien and a number of others. The settings by the famous artist, Joseph Urban, re-create the charm of old New York and add materially to the effectiveness and popular appeal of the production.

Mingled with the charm and comedy of the story is a compelling strain of drama and several spectacular episodes which make "Little Old New York" ideal screen entertainment. It is a production which will bear seeing many times—a thing that can be said of but few motion pictures.

FUNERAL SERVICES FOR CHARLEY BRADSHAW CONDUCTED SUN.

The people of the Wolfarth community were saddened by the untimely and unexpected death of Charley Bradshaw, which occurred at four o'clock Friday afternoon, April 25th. An account of the sudden death of Mr. Bradshaw was printed in Saturday's issue of the Avalanche.

It has been stated by members of his family that he had suffered keen pains in his side and was expected after any over-exertion. Little he thought that the trouble was caused by a heart disease; this, having been pronounced by physicians shortly after his death.

Funeral services were conducted at the grave Sunday afternoon at 1:30 o'clock by the pastor of the First Methodist Church of Lubbock, and interment was made in the Wolfarth cemetery.

A large crowd of relatives and friends attended the funeral. Charley Bradshaw was married in 1900 to Miss Nettie Evans, in Hill county. To this union six children were born. The family left Hill county nine years ago, moving to West Texas, locating on a farm near Tahoka, from there they later

moved to near Ralls, and two years ago moved from there to Lubbock county.

He is survived by his wife and six children, namely: Mrs. R. D. Greer, A. W. J. K. Truman, Rufus and Wakentine.

LUBBOCK'S DUTY: SHE HAS NEVER FAILED TO PERFORM IT; TOO LATE NOW TO BEGIN.

The bigger the town, the greater the duties, and the more demands are laid at the door of the people of the city, but Lubbock has never failed to perform her duty in great style, and we cannot at this late date begin to weaken on any proposition...

We have been told that there will be about five hundred women here to attend this meeting, and they are going to have to be entertained because this is the only way that they can stay here. We do not have hotel facilities for taking care of them...

Lubbock can, and will entertain the club convention, but it will take close co-operation on the part of the people all over town. You certainly should do your part, and you cannot be a good citizen without you do, in everything that is brought to the city...

If you have a spare room that two or three of these club ladies can use, let the committee know about it, and you should not confine yourself to what you have to spare exactly, but should make room for two or three ladies...

Did you want the convention, or did you not? You will answer it by the way you tender the use of your homes, and the manner in which you entertain this large number of women.

BIG YIELD OF SUGAR BUT TARIFF KEEPS PRICES HIGH.

There is to be a record-breaking production of sugar in the world in 1924, according to reports received and published by the U. S. Department of Agriculture. The forecast is for a production of 21,600,000 short tons...

As most of this sugar is produced in foreign countries and is subject to a tariff of at least 2 cents a pound when imported into the United States, the larger supply will not mean materially lower prices to American consumers...

John E. Andrus of Yonkers, N. Y., may be said to have a mortuary magnificence complex. He is building a tomb for himself which will cost half a million dollars.

IS LUBBOCK TO HAVE A DEMOCRATIC VICTORY CLUB?

With National Democratic Victory Clubs springing up like mushrooms throughout the country, the Democrats of Lubbock can show in satisfactory measure the deep interest we know they feel in the Party welfare...

Under the National Democratic Victory Club plan, launched by National Chairman Cordell Hull, an effort is being made to have a Democratic Victory Club in every one of the 6,000 larger towns of the United States...

Qualification for membership in a Democratic Victory Club is \$5.00 as a contribution to the Democratic national campaign fund. The Victory Club idea is both sound and honest...

The Editor of The Avalanche is ready to send to Chairman Hull in Washington the name of any good Democrat who will take the Presidency of the Democratic Victory Club in Lubbock...

CAREFUL PEOPLE, YOU WOULD NOT HURT ANYONE, BUT YOU MAY. There is much real danger of people getting badly injured or possibly killed on our streets. People are just simply reckless in their driving...

gled a young goat, quartered the glands and then inoculated themselves with the fluid. All of the men, it is said, had followed with interest accounts of gland operations being performed on prisoners in the San Quentin penitentiary and determined to make similar experiments themselves. Last Wednesday Merton's sight began to dim. He told friends he felt "jumpy". In San Rafael he consulted a physician who kept him under observation for a day, later ordering him to a hospital where he became totally blind Sunday. Death followed Monday morning. Merton was to have been married in two weeks. None of the others involved in the strange operation have felt any ill effects they say.

BRITISH RECOGNITION OF MEXICO IS PROBABLE. LONDON, Eng., April 28.—A British diplomat is being sent to Mexico to investigate the possibilities of Britain's recognition of the Obregon government and recognition is expected to follow if his report is favorable. It is officially announced that Premier MacDonald has ordered T. B. Hobler, British minister at Budapest to proceed to Mexico City on an official mission to investigate and report on the situation there. In connection with the mission Hobler has been made a knight commander of the Order of St. Michael and St. George. He is noted as an expert on Mexican affairs. It is learned that the mission is connected solely with the question of possible recognition of the Obregon government.

BARNES BROTHERS WIN FOR GIANTS AND DODGERS; LIL STONER HANGS UP THIRD STRAIGHT WIN FOR DETROIT

The Barnes brothers, who formerly dined out of one feed bag as fellow members of the New York Giants, pitched and won a game apiece Monday, adding much glamor to the already lustrous name of Barnes.

Jess, the elder, who was sent to the Boston Braves two seasons ago, shut out the Brooklyn Dodgers in Boston, 8 to 0, and Virgil, who remains with the Giants, beat the Phillies at the Polo Grounds 4 to 2.

Jess, who has been in the big league for the last ten years was extremely meagre with his favors, allowing the Dodgers only three hits and two passes. It was the first time the Dodgers had been shut out.

Virgil permitted the Phillies just five successful slaps, including a double and walked four men.

The Cincinnati Reds by defeating the Cards in Cincinnati, 5 to 4, managed to pass the Cubs and go into second place as the Cubs were beaten by the Pirates in Chicago.

Babe Ruth smashed out two more homers, number four and five of the 1924 edition in connection with the overwhelming of the Athletics by the Yankees in Philadelphia. The score was 11 to 6, and Ruth scored three of them. The Babe popped out on his first trip and fouled out

the second.

He seemed to be in for a dismal day when he walked on the third trip but Walter Pipp's double scored him and the skies brightened for the day. His first homer cleared the right field fence in the seventh and the other went into the left field stands in the next inning.

However, the Yanks did not take the lead in the American league for the Tigers held the top by winning from the White Sox in Detroit 7 to 2.

The Browns happened to win another game, beating the Indians in St. Louis, 4 to 3. A seven-inning game in Washington between the Senators and Red Sox ended in a tie of 2 to 2.

BASEBALL WILL BE ATHLETIC FEATURE OF CONVENTION

BROWNWOOD, Texas, April 28.—Evidence that baseball will be one of the favorite athletic entertainments during the annual meeting of the West Texas Chamber of Commerce in Brownwood May 13, 14 and 15, is shown by both Howard Payne and Daniel Baker colleges and the high school here arranging for games and word being received from cities over the state wanting to bring clubs to represent that city, it was told today by the central committee which has all events in charge.

The athletic authorities at both the Brownwood colleges are now working on the matter of arranging fast college games here during the affair and it is quite probable that the Texas-Intercollegiate Athletic Association championship will be played off here, but this, of course, will be decided by future contests. The Brownwood high school club is also arranging for contests here at this time.

Liano has written making that a club representing that city might play some affairs during the meeting. This club is being managed by C. M. Head. Stanton would likewise like to bring a nine here to participate in games, according to its manager, H. W. Haynie.

According to the present prospects it seems as though baseball will have a big part on the athletic program.

1500 KLANSMEN INITIATED AT TEXARKANA MONDAY

TEXARKANA, Tex., April 28.—A class of 1500 Klux Klansmen from 36 klans surrounding Texarkana were initiated into the second degree of the order, the Knights of Kamella, at the grand mesa house here Monday night. The initiation work was by a degree team from headquarters at Atlanta, Ga., which arrived Monday morning in a special pullman.

The team and officers of the visiting klans were guests of the Texarkana klans at a banquet at the Hockley House following the initiation work here Monday night.

TROOPS ASKED TO AID FIGHT ON DISEASE

SACRAMENTO, Calif., April 28.—Fresh alarms in the hoof and mouth situation came to headquarters of federal authorities here Monday, breaking the optimism that had been expressed when Idaho and Oregon announced they were considering relaxation of the rigid regulations that have not only barred livestock shipments but fruits, vegetables and other products.

These were a call for troops to assist Madera county in fighting the plague which has made new inroads in that area and the announcement that Idaho has protested Oregon's plan to release the ban on fruits and vegetables.

No action has been taken on Madera county's call for troops, as the government officials have ordered that an additional force of deputies to the area to handle the situation.

A compilation of data on the plague made Monday showed that 68,773 animals have been killed to date. Of these 30,314 were cattle, 19,616 sheep, 18,402 hogs and 412 goats.

OCCUPATION OF RUHR TO BE CONTINUED

PARIS, April 28.—Although Premier Theunis, of Belgium left for Brussels voicing optimism after his conference with Premier Poincare it is learned that the leaders decided that the military occupation of the Ruhr must continue.

The United States, it has been said, came to confer with Poincare on the experts report in the hope of acting as mediator between the French and British.

"I am full of optimism following

J. FRANK NORFLEET WRITES BOOK RELATING THE INCIDENTS OF HIS CAPTURE OF GANG OF SWINDLERS

Senator W. H. Bledsoe, personal friend of J. Frank Norfleet, has just received a copy of "Norfleet," the book in which the noted adventurer who was swindled by a gang of confidence men and who affected the arrest of the last one of them, relates the incidents of the chase.

The book is well written, the story of "Norfleet's" many adventures is well connected throughout, and all local people who have read the book, including Mr. and Mrs. Norfleet, have expressed themselves as being highly pleased with it.

"Norfleet didn't tell half his adventures in that book, though, and it's well he didn't, for only those of us who know him intimately can understand or believe the nights of terror and days of suspense spent by Norfleet on his spectacular man-hunts," Senator Bledsoe commented.

Norfleet is a Plainsman. The story centers about his Hale-Center home, where one of the "bunco men" enjoyed the hospitality of the Norfleet home just prior to his wrenching the small fortune from Norfleet in a hotel at Fort Worth which started Norfleet on his hunt that took him into all sections of the globe, and which was the cause of all the confidence gang involved in the swindle being hunted down and lodged behind prison bars.

There is probably not another book in the country that contains so much first hand information concerning the activities of the confidence gangs in this country and the methods they employ in stealing from unsuspecting victims, nor is it possible that any other book published at any time in the history of the country relates so boldly the protection given criminals by men holding places as officers of the law. These "skunks" as Norfleet calls them, were the cause of a great deal of his trouble during his man hunt. However he emphasizes that but for the splendid cooperation of some of the officers of the law who were loyal to him the incidents of his hunt might have been altered considerably.

The book which has been received by Senator Bledsoe is the first sample edition, and after it has been corrected and perhaps some additions made, the completed work will be published, and will be on the market about May 15th.

DELEGATES AT BROWNWOOD WILL BE ENTERTAINED

There will be features at the sixth annual meeting of the West Texas Chamber of Commerce to be held in Brownwood, May 13-14-15, that will interest all classes, ages, sexes and sections.

Delegations will begin to arrive as early as May 10th and the local committees are hopeful that a large part of the registrations will be accomplished before the opening of the convention on the morning of May 13th.

The entertainment and educational features will be experienced in the airplane flights, and maneuvers that will be given by a fleet of a dozen planes from Ellington, and Fort Clark fields; in the army formations of various kinds; in the delegation and illuminated parades; pageant of progress; races, games and other wholesome sports; social events, etc. The spirit of fraternity and fellowship, however, will be the crowning events in this connection.

Reports received in the general offices of the West Texas Chamber of Commerce at Stamford, and at the headquarters in Brownwood indicate an increasing interest in the convention, and the staff of workers who are handling the details of the event, are firm in their conviction that the attendance will exceed twenty thousand souls.

Brownwood will have everything in readiness for this great convention, and the Central Committee announces that entertainment will be provided for all who come, and that a cordial welcome will be extended to all.

"SIX CYLINDER LOVE," FAST COMEDY

The play selected by Charles F. Horner for the premier Circuit "Six Cylinder Love" is a worthy successor to the "Whirlwind Comedies" of past years. It is produced in the same excellent way as past ones have been. A thoroughly competent Metropolitan cast is a matter of course.

It has been said that the world has two kinds of people. Those who own automobiles and those who would like to own them. "Six Cylinder Love," Anthony Maguire's comedy has to do with two families who could not afford an automobile and had one.

This situation is so uncommon in every city and town in America, that the comedy and tragedy of it is apparent to everyone.

"Six Cylinder Love" is a powerful sermon against extravagance; but it is crammed full of the finest kind of comedy.

"Six Cylinder Love" ran for 54

weeks in New York and after that a full season at the New Harris theatre in Chicago. During the last few months it has been produced for the screen.

SIMS REPORTS BUSINESS IS GROWING

A. W. Sims, general manager of the Merchants Life Insurance Company's business in Texas, and who has active charge of the business out of the Lubbock office, stated Monday that the company has fifteen sub-agencies on the Plains at this time.

Mr. Sims established an office here January 1st, and has made rapid progress in establishing active agencies in his West Texas territory since that time.

B. A. Norton, of Des Moines,

and who is vice president of the company, spent two days in Lubbock last week looking after business and declared himself as being favorably impressed with this territory.

Mr. Norton has shown such enthusiasm in the growth and development of her territory that he will give the local office of his company a great deal of his personal attention.

STATE EXAMINER FOR NURSES WAS HERE LAST WEEK

Miss Dorothy Wentland, of Waco, a member of the state board of nurse examiners, was in Lubbock Thursday, Friday and Saturday holding a state board examination for nurses.

They were applicants from Anson, Amarillo and the Lubbock Sanitarium graduating class, to take the examination, results of which will be determined later.

Miss Wentland spoke very highly of the Lubbock Sanitarium's facilities.

24-42 Club Husband's Party Enjoyed Event.

Mrs. C. M. Ballenger was the delightful hostess to the 24-42 Club husband's party Thursday evening with only club members and their husbands present. A dainty menu in two courses was served, consisting of roast turkey, buttered hot rolls, frozen fruit salad, asparagus tips, cheese carrots, potato chips, coffee, ice tea and apple orange punch. The evening was spent in a number of games of forty-two which were enjoyed by the following: Miss James Mauden, J. S. Johnson, Messrs. and Mesdames Robice Wilson, T. B. Duggan, H. T. Kimbro, W. H. Bledsoe, Sam Arnett, Estia Wolfarth, R. Q. Pierce, Hilburn, A. V. Weaver, F. R. Friend and W. H. Meador.

PEOPLE DON'T ADMIRE ROUGH, PIMPLY SKIN

Before you can impress some one of the opposite sex enough to get them to share the happy state of love with you, you certainly must keep your appearance pleasing and attractive. Pimples, blotchy, eczemic skin seems ten times worse to strangers and new acquaintances. And even husbands, wives, parents and kin feel sorry for loved ones who suffer from such skin diseases. The way to get rid of all these drawbacks is to use Black and White Ointment and Soap, like thousands of people are doing. They are economically priced, in liberal packages. The 50c size Black and White Ointment, contains three times as much as the 25c size. All dealers have both the Ointment and the Soap.

Local Happenings

P. W. Wood, for several years a citizen of Lubbock, but for the past few months making his home in Tennessee, returned to Lubbock Saturday and will probably make this city his home in the future.

F. B. Reed, of Bell county, was in Lubbock Saturday on his way to Crosby county where he has large holdings. Mr. Reed is to be in this section for some time and will visit relatives in this city.

C. A. Burke, traveling salesman of Muskogee, Okla., was visiting with old time friends and looking after business in Lubbock Monday.

Mr. Burke will probably be in the city for several days.

W. H. Ardis and daughter, Mrs. C. W. Peeler, of El Paso, passed through Lubbock Saturday enroute to Dallas and placed this equipment with Mr. Simmons.

C. B. Dillard, of Lorenzo, passed through Lubbock Saturday on his way to Amarillo, where he will visit and attend to business for some time.

Miss R. Walker, formerly making her home in Clovis, New Mexico, arrived in Lubbock Saturday, where she joined her husband, J. R. Walker. Mr. and Mrs. Walker will make Lubbock their future home. Mr. Walker is salesman for the Kuykendall Motor Car of this city.

Miss Verna Brown, who is teaching in the Littlefield high school, visited in Lubbock Sunday. Mr. and Mrs. W. G. Sholey and L. E. Baker, of Shallowater, were in Lubbock Saturday enroute to Woodrow, where they attended quarterly conference.

O. E. Fisher of Slaton was in Lubbock Saturday visiting his wife, who is in a local sanitarium for treatment.

Mr. J. D. Settle, of Clovis, was here yesterday looking after business matters, and seeing her many friends in Lubbock. The family formerly lived in Lubbock, and are remembered very tenderly by a large number of people in this city.

Charles Moorehouse, hardware merchant and J. J. Driver, cashier of the First National Bank of Benjamin, and R. R. Bass, traveling salesman of Monday, were here yesterday looking after business matters and visiting their old time friends, Ed Young, Tom Teay and others.

Felix O. Kelly and family, who have been visiting relatives and friends at Big Spring and vicinity for the past several days returned to their home here Monday.

Bob Haynes of the Hockley and Cochran County News, made a business trip here yesterday and will probably spend several days here. He says his company has loaned more money to build residences in Amarillo than any of the other companies. Jones Bros. will represent that same company here.

W. A. Askew, of Amarillo, representing the Standard Saving and Loan Association of Detroit, Michigan, was here yesterday and will probably spend several days here. He says his company has loaned more money to build residences in Amarillo than any of the other companies. Jones Bros. will represent that same company here.

SIMMONS UNDERTAKING CO. BUYS LIFE SAVING DEVICE

The Simmons Undertaking Company, has just purchased a Lungmotor for resuscitating of drowned or asphyxiated, also can be used in case of electric shocks or pneumonia or asphyxia neonatorum. Mr. Simmons purchased this machine at a considerable cost and purely from

a humanitarian and philanthropic standpoint. The Lungmotor will be installed in the Simmons Ambulance at an early date and will be in charge of a competent operator who will be thoroughly instructed in its use. The citizens of this community will be at liberty to call for the services of this life saving device at any time when the occasion arises for its use.

Mr. James W. Graef, was here from Dallas and placed this equipment with Mr. Simmons.

AT THE CHURCHES

First Methodist Church
Large congregations attended both the morning and evening services conducted by Rev. W. P. McMickin and great messages were heard. These were the first services conducted in Lubbock by Rev. McMickin, who is an able preacher and will have charge of work in the local church to fill the unexpired

term of the late Rev. C. N. Ferguson. Sunday school was well attended and splendid interest was shown in all classes.

A large number of young people of the church attended the Epworth League, a talk by Rev. McMickin being a very interesting feature of the program. Announcement was made of the committee appointed to help entertain the League convention delegates who will be here June 9th to 14th, and several meetings of the committee will be held this week.

ABERNATHY STUDENTS VISIT INDUSTRIAL PLANTS HERE.

Prof. J. P. Nystel, principal of the Abernathy High School, accompanied all of the members of the physics class to Lubbock Monday and they visited the Texas Utilities Company Ice and power plant, the City Power plant, the printing office of the Avalanche Publishing Company and other institutions in Lubbock where the students were shown through the plants.

T. B. Stone and Carl Hodgins accompanied the class but they are not studying physics. The members of the class who made the trip are as follows:
J. B. Castles, Edwin Settle, J. B. Hudgins, Glenn Smith, Glenn Davis, John Rankin, Jimmie Harrell, Frank Tannehill, King Riley, Virgil Zimman, Rudd Hardesty, Trix Karr, Ojal Daniels, Ruby Eddleman, Fern Zeman, Rose Eddleman, Connie Davis, Olin Buske, Lorene Johnston, Thelma Smith and Lois Merrill.

This trip will doubtless prove of great practical benefit to the students, and in behalf of the management of the various industrial plants they visited while here we sincerely trust they will find a hearty welcome at any and all of these places on any other occasion that they see fit to visit here.

NEW MEXICO MAN TO PRINT PAPER AT MEADOW

A. C. White, publisher of the Elida, New Mexico, Enterprise, was in Lubbock Monday on business and stated that he will begin the publication of a newspaper at Meadow, in Terry county, on or about the 22nd of next month.

Mr. White is an experienced newspaper man, is thoroughly conversant with conditions in West Texas, and is every way equipped to occupy the position of editor and publisher of the new paper. Terry county is one of the fast developing sections of West Texas, and that the Messenger will prove a valuable asset to Meadow and its thriving business institutions is assured.

DISTRICT COURT OFFICERS AND ATTORNEYS BUSY ALL DAY TUESDAY SETTING CASES FOR THE COURT TERM

The second day of the April term of the Lubbock County District Court was uneventful, in that the routine work of setting the various cases appearing on the dockets of the court consumed the entire day.

Court convened Tuesday morning at the usual hour, with Judge Clark M. Mullican on the bench.

Eighteen members of the local bar were present, while several out-of-town attorneys were represented by letters and telegrams which had been received by the District Clerk, Louie F. Moore.

The overcrowded conditions of the court has caused no little worry on the part of all court officials as well as practicing attorneys and a great deal of comment was to be heard about these conditions.

It was intimated by a prominent local attorney and approved by all others present that Lubbock should have at least six months of district court. This is because of the fact that with the short terms very little headway can be made in disposing of the numerous criminal cases, while the civil docket is equally crowded as a usual thing but at the beginning of the term is exceedingly light. Despite the fewer number of cases on the civil docket, however, a majority of them will doubtless have to be continued at the end of this term.

The fact of the business is that the 72nd Judicial District has been so rapidly developed during the past few months that a division is necessary, else the appointment of another corps of district court officials to help clear up the dockets is imperative, and the feasibility of this move is doubted.

The first day of the term was consumed in empaneling the Grand Jury, as follows:

W. A. Bacon, Clarence Symes, R. C. Russ, S. C. Wilson, J. W. Baker, T. J. Richardson, Loren Williams, Bailey Guess, J. F. Goodnight, W. G. Murray, Jot Smythe and J. W. Hood. S. C. Wilson was appointed as Foreman of the Grand Jury by the court.

Considerable business is in store for the Grand Jury at the present term. Many violations of a felony nature have transpired, and the violators are with few exceptions now confined in the Lubbock County jail, awaiting the returning of bills of indictment and will probably be tried during the latter part of the present six week term.

Approximately eighty-six cases are pending on the criminal docket to begin with and with the number to be returned by the Grand Jury for those now confined in jail, the number will exceed one hundred. The civil docket is light compared with past terms, something like one hundred and sixty civil cases are on

the trial dockets.

The first week of the term will be consumed in the trial of non-jury and cases where judgments by default will be taken.

The second week will be given to the trial of criminal cases, as well as the fourth and fifth jury weeks, while the third and sixth weeks will be devoted to civil matters. It is hoped with one-half of the term given to trial of criminal cases that the number of cases can be cut down to a minimum.

Among the outstanding cases on the criminal docket to be heard will be the case of the State of Texas vs. J. R. Walker, charged with the killing of J. S. Lanham, of Stanton on October 10th of last year. A special venire of 100 men has been summoned for the trial of this case on May 19th. The W. E. York and W. E. Frazier robbery cases, originally indicted in Crosby County and transferred to Lubbock for trial, are set down for trial on May 26th, and a special venire of 75 men has been summoned for that date, from which a jury of twelve men will be selected for the trial of the cases. A rape case is also set for trial May 22nd, requiring an additional 100 veniremen from which to select a jury.

Fourteen felony cases of various charges including bootlegging, theft of automobiles burglary and the like are set for the week of May 6th, two criminal cases set for week of May 13th, one case for May 20th, one case for May 27, and four felony cases set for trial for the week of May 26th, a total of 22 criminal cases that have been scheduled for trial.

The following cases were set for trial as follows:

May 12th—1. Stanton vs. Brasfield, 2. Alfalfa Lumber Co. vs. Hope, et

al, 3. Owens vs. Reiger, 4. Judd vs. Mutual Aid Association, 5. Douglas vs. Edwards, 6. Lyne vs. Lyne, 7. Roland vs. Hunter, 8. June 2nd—1. Petit vs. Spencer, 2. Coleman vs. Putnam, 3. Charbonneau vs. Turner, 4. Perry vs. Crone, 5. Mann vs. Wright, 6. Wicker vs. Whitehead.

NEW CITY OFFICERS QUALIFY AT LAMESA

LAMESA, Texas, April 29.—The new city officers qualified at a recent meeting and have started to work on some big problems confronting the city. One of the first things brought to their attention was the election of a city marshal. There were five men in the race for nomination, J. W. Howell being the successful candidate. J. R. Lowrie was re-elected as city secretary.

A brick pump house is under construction and will be pushed to completion. Tom Hotin was awarded the contract.

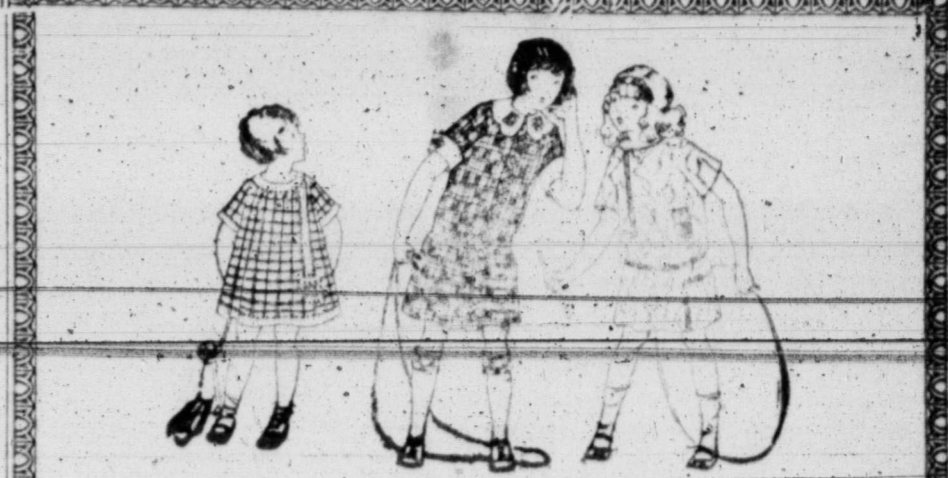

Within the next few days a clean-up campaign will begin and this will be one of the first civic moves by the new council. The new officers are S. E. Cleveland, mayor, succeeding Hess Walker; O. K. Jones, succeeding J. E. Klami; Ken. C. H. McCormick, re-elected.

The Time is Short

—Only 27 more working days before MEMORIAL DAY, and it requires just so long to finish a monument as it should be, it is a task that can not be hurried, so if you wish your monument delivered on time we advise you place your order as soon as possible so as not to be disappointed.
