

Lubbock Morning Avalanche

VOL. 2; NO. 164

LUBBOCK, LUBBOCK COUNTY, TEXAS, THURSDAY, MAY 8, 1924

FULL LEASED WIRE UNITED NEWS

PRES. MAY SAVE C. O. P. PROGRAM

CANYON NAMED AS HOST TO NEXT T.F.W.C. MEETING

GREATEST CONVENTION IN HISTORY OF CLUB CLOSED WED.

The 1925 convention of the Seventh District, Texas Federation of Women's Clubs will be entertained at Canyon, it was decided at the conclusion of the convention here yesterday afternoon by unanimous vote of the delegates.

Invitations for the 1925 convention were extended by Childress, Vernon and Canyon, but before voting started Childress withdrew, and when the first votes were tabulated showing favor to Canyon, Mrs. Eugene Keltz, Division chairman and whose home is at Vernon, moved that the vote be made unanimous for Canyon.

The reception given at the country club by the Delphin Club of Lubbock, of which Mrs. Sid Wells is president, formally concluded what has been declared to be the greatest district convention held in the history of the state federation in Texas.

Final figures showed a total attendance of 276 clubwomen, representing eighty five clubs in the district as well as the state organization and other auxiliaries.

Wednesday's business session which was held at the First Methodist church was one of the most active sessions held in the district, able speakers having been heard and much business concerning the future welfare of the organization and its policies was discussed.

The Wednesday's session was opened with several announcements made by the chairman, who introduced Col. Clark M. Mullican, Judge of the 72nd Judicial District and all others who were to appear on the program. Following the announcements and introductions, the clubwomen stood at attention facing the flag and sang "The Star Spangled Banner."

Col. Mullican spoke on "American Citizenship," assuring the clubwomen that theirs was a noble work that will eventually lead to the establishment of higher ideals of citizenship in every American home. He spoke of the part the clubwomen will have and are taking in fostering great national principles, urging them to thoroughly acquaint themselves with the business of their government and pointed to the high standards of citizenship that are to be reached through the exercise of suffrage by the good women of Texas and other states of the Union.

Col. Mullican declared that it is the duty of every holder of a poll tax to vote and emphasized the fact that suffrage carries with it the responsibility of voting on every county and state issue involving the welfare of the people of our country. While his broad subject would naturally require much time for a thorough discussion of its many applications, the thirty minutes.

DEPOSITS NOT BE RETURNED IS STATEMENT

By United News

EL PASO, Texas, May 7. W. C. Weiss, president of the City National bank which closed its doors Tuesday, says that deposits received Monday will not be returned to depositors as the City National "was not known to have been insolvent" on Monday, the last day of business. This statement followed much speculation by the public, citing as precedent the action of the First National bank at Deming, New Mexico, which placed deposits in envelopes and returned them to the depositors on the last day of operation.

Thus, it is claimed, the federal law prohibiting receipt of deposits after knowledge that the bank affected is insolvent, does not apply in this case.

Belief is expressed in financial circles that the depositors will be paid, possibly in full, and at least 80 or 90 cents on the dollar. The cause of the closing of the bank is given as measures to protect all depositors, because of a steady withdrawal of funds by other depositors.

OLD FOLKS HOME IS DYNAMITED IN CHICAGO

By United News

CHICAGO, May 7.—A dynamite bomb explosion which rocked the home for the aged maintained by the Little Sisters of the Poor, headed Wednesday's program of Chicago's criminal gentry. Other features included the kidnapping of a woman, an attempted poisoning of a child and a gun fight between a policeman and an astonished safe cracker.

The bomb shattered all the windows in the old peoples home and terrorized the 200 aged inmates. The proprietor of a neighboring tailoring shop informed puzzled police officers that he was sure the missile was intended for his place. "I don't know how I got there and why I'm here. I'm being held by some men and women. Come quickly," Mrs. Elsie Walker's brother heard her say over the phone. She had been abducted. An all day search failed in locating the call.

N. C. Wagner took a bar of candy away from his six year old son and had it examined. Enough arsenic and Paris green were found in it to kill three persons.

Wagner suspected an enemy may have presented the candy to the boy. Patrolman James C. Lyons was strolling over his beat early in the morning when he saw a light in a building, climbed in and found a safe cracker at work. Annoyed at being disturbed, the robber fired at the policeman who returned the fire and subdued the thief with his club.

Worker Falls to Death. FORT WORTH, Texas, May 7.—Becoming dizzy while working on a steel tank, 45 feet from the ground, John Elmer Garrison, 49, fell to his death here Wednesday. He fell into the tank, breaking his arms and fracturing his skull, and death soon followed.

NOTED ARTIST APPEARS HERE

DWIGHT BROWN ASSISTED FINE ARTS PROGRAM AT CLUB MEETING

By MRS. MEADE F. GRIFFIN (Special Correspondent.)

Fine Arts Evening, easily the most delightful occasion of the meeting of the Seventh District, which concluded its sessions last evening, was enjoyed by a large and appreciative audience which filled the Methodist church and left no standing room for the many who thronged the vestibules.

The program which was arranged by Mrs. Tillman Jones, Chairman of the Division of Fine Arts, and Mrs. J. D. Cole, Amarillo, chairman of the Division of Music, was well balanced and most artistic. To each artist appearing in this program a splendid word of praise is due, and the continued and generous applause of the audience was proof of the beauty and dignity of all numbers.

The Seventh District is to be congratulated upon the talent that appeared on Tuesday's evening program, and it is hoped that Fine Arts Evening will continue to be a feature of the District meetings.

This program was a triumph and as a climax to the entire convention, and there were many in the large audience that expressed delight in words of lavish praise. The Seventh District and Lubbock were especially to be complimented upon the appearance of Dwight Brown, a former Lubbock citizen, who made the evening one that will long be remembered and assisted materially in lifting the program to artistic heights seldom reached upon any occasion. Mr. Brown has been a pupil of Pietro A. Yon, world famous Vatean Organist, who has predicted for his pupil a career of real triumph. Mr. Brown's appearance upon a Federation program is all the more to be appreciated by the members of the seventh district because it was

POLICE DOUBT GIRL'S STORY OF ASSAULT

By United News

EL PASO, Texas, May 7.—Lillian Green, 16 year old adopted daughter of Mr. and Mrs. Charles de Costa was found late Wednesday afternoon staggering along the Santa Fe railroad tracks, with her hands and feet tied and a gag in her mouth. The girl told police she had been gagged and assaulted.

The girl was found about 400 yards from where the dead body of Roxana Robinson was found last January, after she had been criminally assaulted and murdered.

The Green girl was taken to the Smelter hospital by a railroad switchman, who found her. She was in a hysterical condition and told police a rather incoherent story saying she did not know the name of the man who she claims had assaulted her, but that he had been "talking to father."

Hospital authorities, after an examination, said the girl had not been assaulted.

A close investigation of the affair is being made by officers, who are inclined to believe there is something wrong in the story of the girl, as they say, she was found not long ago with her hands tied and claimed an assault.

COOLIDGE LEADS JOHNSON IN CALIFORNIA

SAN FRANCISCO, May 7.—President Calvin Coolidge Wednesday night was more than 20,000 votes ahead of Senator Hiram W. Johnson of California in Johnson's home state in the count of ballots cast at Tuesday's primary election.

The count covered 5,515 precincts out of 6,794 in the state, precincts not heard from are Montana and remote districts which will be coming in and which cannot well cast enough votes to influence the result in any particular. They are about evenly divided between Johnson and Coolidge territory.

The count Wednesday night showed: Republican Coolidge 261,457; Johnson 241,987. Coolidge's majority 20,370. Democratic McAdoo 92,386; Unpledged 20,590. McAdoo's majority 71,796.

President Coolidge took the lead at the opening of the count Tuesday night and only once was Johnson near him and then it was only a short time until enough Coolidge votes were tallied to place him comfortably ahead of the previously invincible California senator.

Throughout the count, Northern California gave Johnson the majority and Southern California went to the president. Mr. Coolidge, however, invaded Northern California in a few instances carrying Alameda county in which Oakland is situated, Santa Cruz and Santa Clara counties on the coast and Stanislaus county in the interior. Johnson did not carry a southern California county. In Los Angeles, Mr. Coolidge's lead came dangerously close to two to one.

The result of the election was a surprise to Johnson's supporters. They had made the campaign on a platform of Johnson's "past performances" and the preservation of the reforms he placed in effect in California, when he was governor.

In the last day's of the campaign, a slogan of "a vote for Johnson is a vote for Japanese exclusion" was used but apparently to little avail.

WOMAN MAY DIE FROM ACCIDENTAL GUNSHOT. TEXARKANA, Texas, May 7.—Mrs. E. P. Roach, wife of a tenant farmer living six miles east of here is in a local hospital suffering from gunshot wounds which will likely prove fatal. Early Wednesday, her husband telephoned in for help, saying that he and his wife had been playfully scuffling about the room when they accidentally knocked over a shotgun which discharged, the load lodged in the woman's thigh. She was unconscious when brought here from loss of blood but later revived and confirmed Roach's statement that the shooting was accidental.

ASSUMES COMMAND OF SITUATION AND PRODS LEADERS TO ACTIVITY FOLLOWING REPEATED REBUFFS

SIGNAL MAN HELD FOR S. P. WRECK WHICH KILLED ENGINEER

By RAYMOND CLAPPER (UN Staff Correspondent)

WASHINGTON, May 7.—In a series of conferences with house and senate leaders, President Coolidge has taken command of the legislative situation in vigorous fashion seeking to prod his lieutenants at the capitol into saving as much as possible of the administration program.

Coolidge has been inwardly displeased at the failure of his lieutenants in congress to protect the administration from repeated rebuffs. Several incidents Tuesday, including the rejection of his immigration plan by the conferees, the threat of the insurgents and democrats to hold congress in session indefinitely, and the republican surrender of the Mellon surtax schedule, caused Coolidge to interfere at this time.

In rapid succession he called in groups of republican senators and congressmen and by noon they were back at the capitol. Results began to show immediately.

1. The immigration conferees reversed their previous action and accepted in an essence the president's compromise on Japanese exclusion.

2. House and senate leaders began shaping their program to bring about the adjournment by June 1 if possible and by June 7 at the latest.

3. Opposition to the Bursum bill was organized and appeared so strong that Senator Bursum decided to delay his effort to pass the measure over the president's veto.

4. Republican senators began to lay plans for overthrowing the Simmons tax schedules to which the president objects, when the tax bill gets into conference where they hope to substitute the house rate.

Coolidge also suggested to the senators that he would like to see reclamation and farm legislation enacted before adjournment, but he indicated opposition to the features of the McNary-Hughes bill which would appropriate \$200,000,000 for creation of grain export machinery. This and other outlays such as contemplated by the Bursum pension and insurance bonus bills would upset the administrations hope of tax reduction in the president's opinion and his leaders were given to understand that they were expected to do everything they could to hold appropriations to the minimum.

House leaders also advised the president that they would leave nothing undone to block the Barkley bill to abolish the railroad labor board.

The first conference was held at breakfast when Speaker Gillett, Majority Leader Longworth, Chairman Snell of the house rules committee, and Chairman Madden, of the house appropriations committee were invited in. Soon after they left Senator Lodge Majority Leader of the senate and Chairman Smoot, of the finance committee, were called in. Senator Borah, of Idaho, was summoned to join them a little later. The general legislative situation was covered in these conferences and then Coolidge turned to the delicate task of undoing the Japanese exclusion action of the conferees Tuesday. He consulted Secretary of State Hughes, Senator Reed, Pennsylvania and Representative Johnson, Washington. The result was a quick somersault when the conferees returned to the bill.

TEXAS-N. M. BOUNDARY DISPUTE IS RE-OPENED. EL PASO, Texas, May 7.—Deposition of L. M. Crawford, claimant of about 200 acres of land under New Mexico title was taken Wednesday in the New Mexico-Texas boundary dispute involving property of the country club, which has been improved to the extent of \$185,599 and which is claimed under Texas title.

It is claimed that the change of bed by the Rio Grande River caused the dispute. The case is pending before the supreme court of the United States and was reopened by agreement to secure the testimony being taken here.

WEST TEXAS: Fair tonight and Thursday, somewhat colder or tonight with frost in the Panhandle.

United States Bureau of Mines experimenters have developed portable indicators to be carried on motor trucks to analyze their exhaust gases for proper adjustment of their carburetors.

SIX MAIL FRAUD CHARGES ARE RETURNED

By United News

FT. SCOTT, Kans., May 7.—A charge of using the mails to defraud was placed against six men indicted here Wednesday by the federal grand jury in connection with the failure of the Vernon State bank at Vernon, Kansas.

The bank which closed its doors last year, is now in the hands of the state banking department. Fifty six counts were contained in the indictments.

Those indicted were: W. C. McClintock, Kansas City, Mo., lawyer; John F. Brady, president of the bank; R. A. Simpson, bank cashier; R. N. Stout, Kansas City, Kansas, and S. A. Shockey.

The men were charged with using the Vernon bank for the purpose of hiding checks, drafts and notes, amounting to \$250,000 which were floated on inadequate securities. Postoffice inspector E. R. Cochran, for the Kansas City district, claimed the alleged frauds extended to several other banks in Kansas and Missouri.

RELATD RETURNS GIVE McADOO INCREASING LEAD. DALLAS, Tex., May 7.—McAdoo votes in the state convention to be held in Waco, May 27, continue piling up as belated returns are received from remote counties.

When returns from 166 counties, 772 delegates have been instructed to support McAdoo; 81 instructed for Underwood, and 250 uninstructed.

The 166 counties reporting have a total of 1,103 votes of the 1,257 votes in the state convention.

DEPOSED OKLA. GOVERNOR FILES SENATE APPLICATION. OKLAHOMA CITY, Okla., May 7.—J. C. Walton, impeached governor of Oklahoma filed his application for the United States senate here Wednesday.

Opponents of Walton while he was chief executive declared that he was waging his spectacular campaign against the Ku Klux Klan in the state which brought about his impeachment, with intentions of filing for the senate.

Just Folks by Edgar A. Guest

WHEN WE HAD IMAGINATIONS Oh, the fun we used to know In the distant long ago! Golden treasure used to yield; Then green apples we could eat, Sure the bitterest was sweet, And the dog which used to be Didn't need a pedigree.

Three or four an army made, Fit for battles or parade, And a sandpile served us well For an armored citadel: Give us but a plank or two, And we'd ride the ocean blue, Bravely weathering every gale With an apron for a sail.

We had but to think of things, Pirate caves or circus rings, And their joy was ours to know, And we could hunt for buffalo,

# As They Come and Go

HOW, WHY, WHEN AND WHERE

M. A. Crockett, of Sanger, Denton county, is in Lubbock on business.

J. E. Hardin, of Bartlett is in the City this week, and we understand has purchased land near here and expects to make his home in this section. His family will arrive next week.

J. C. Ardis and Joe Henderson, both of Rome, were attending to business in Lubbock Wednesday.

Mr. Mapel, business man of Norman, Okla., was attending to business interest in Lubbock Wednesday.

Mr. and Mrs. G. M. McKey and Miss McBride all of Crosbyton, were in Lubbock Wednesday to attend Mr. Stephens funeral held at the First Methodist Church Wednesday.

J. D. Tomlinson, prominent citizen of Liberty, was in Lubbock looking after business interest Wednesday. Mr. Tomlinson stated that the school at Liberty had closed and Prof. Hale had been employed for another year.

Mr. Garner prominent farmer of Idalou spent the day attending to business in Lubbock Wednesday.

Rev. B. P. Wallace of Broadway was in the City with his son Wednesday for an examination, by a local Specialist.

A. L. Ausmus, of Dallas, was in Lubbock visiting with a brother in this place. Mr. Ausmus stated that Dallas was growing faster than ever before.

R. Mathinia of Abernathy was visiting and attending to business in Lubbock Wednesday.

Mr. Mills, substantial farmer of Shallowater, was looking after business in Lubbock Wednesday.

C. A. Lawson and C. T. Nail both of Ada Okla., were in Lubbock on business Wednesday, and while here became subscribers to the weekly Avalanche, for which they have our thanks.

R. J. Ellington, making his headquarters in Lubbock and placing on the Market a large tract of land in Cochran County left Wednesday for Mexia, his home, where he will spend two or three weeks visiting and looking after business.

W. L. Bailey of Sulphur Springs who has been in Lubbock for some time attending to business left Wednesday for Abilene.

## DUNLAP SENTENCED TO SERVE ONE YEAR IN PENITENTIARY

J. B. Dunlap was sentenced to a year in the state penitentiary by a jury in the 72nd Judicial District court here.

Dunlap was tried for violation of the prohibition laws, and the states attorneys offered as exhibit in the trial a jug and several bottles, together with a quantity of liquor which officers testified they took from a car which was driven by Dunlap at the time of his arrest in November, 1923.

The state was represented by District attorney Gordon B. McGuire and county attorney Owen McWhorter, while the defense was represented by Attorney J. P. Wood, of Meridian and Vickers & Campbell of Lubbock.

The case will be appealed.

## SMALL POX EPIDEMIC MUST BE CHECKED SAYS OFFICER

It is a fact that we have small pox in Lubbock and some of you are very careless. The people must be protected, even if we have to take drastic measures. Co-operation is the only way to handle the situation. We are having to go from place to place looking up cases who refuse

to call a doctor; to avoid quarantine. If you are at all suspicious that you or any of your family have a contagious disease, and you are honorable, and have any desire to treat your friends and neighbors right, you will call a doctor and find out the truth. Don't make us quarantine the whole town and don't cause the death of some one by your carelessness. If you are already quarantined, remember you and everyone who comes in the house must stay in and nothing must be removed until the quarantine is raised. Do not try to send letters to the mail, nothing should leave the house. Do not try to sun or air your clothes or bed clothes. The scales that are in them will be blown to innocent people and spread the disease.

G. G. CASTLEBERRY, M. D., City Health Officer.

## MAIL ROUTE HAS BEEN ESTABLISHED FOR MORTON

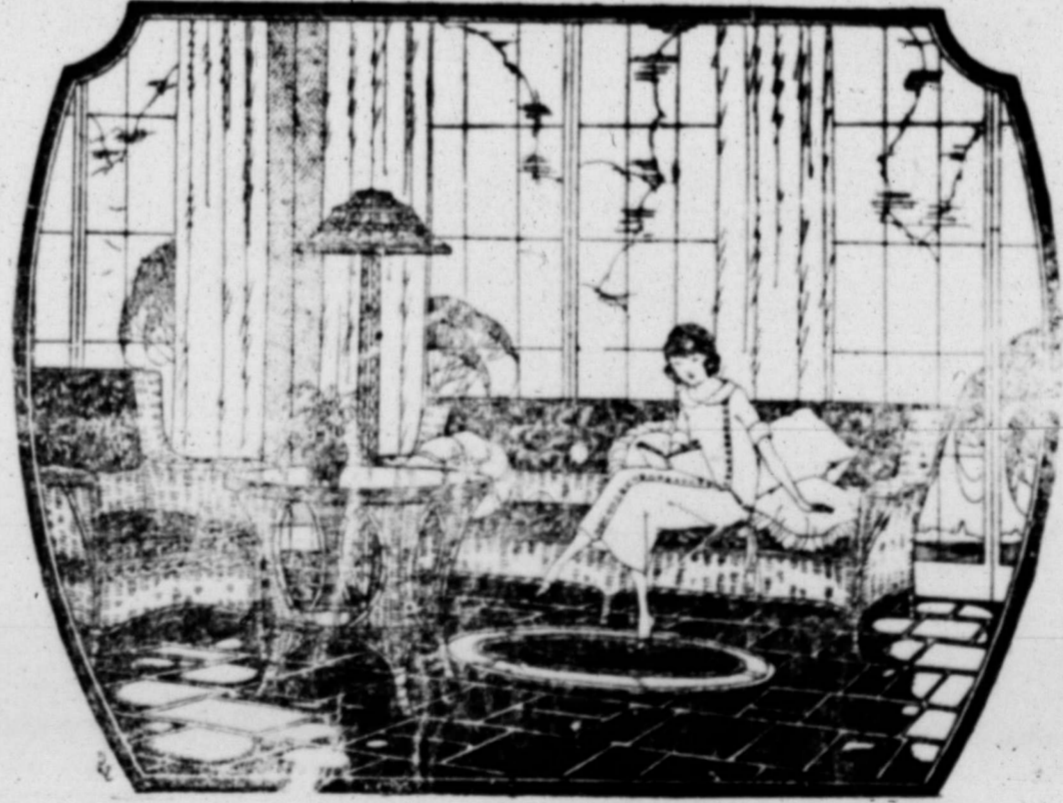

LITTLEFIELD, Texas, May 7.—A daily mail route to Morton, in Cochran county has just been established from Littlefield. The car leaves in the morning and returns in the afternoon. The route is by Pep, the new town in Hockley county, and a number of people will be served.

# NATIONAL HOSPITAL DAY WILL BE FITTINGLY OBSERVED BY LUBBOCK SANITARIUM; INSTITUTION GROWS

Preparation for National Hospital Day, May 12th, are being developed at The Lubbock Sanitarium as well as at about five thousand hospitals throughout the United States and Canada. National Hospital Day is the day on which the hospitals of the United States and Canada and of other countries unite to give all the people a chance to learn what hospitals do and how they do it.

There will be "open house" to give everybody a chance to see how the sanitarium is prepared to serve the community. Everyone is urged to visit the sanitarium on that day. National Hospital day was established to make the public better acquainted with hospitals, so that hospitals may win greater interest and support from their communities. The movement has been endorsed by leaders in public life in the United States and Canada, by all leading hospital associations of these countries and has also been observed in Alaska, China, and Egypt. The development of the hospital work and equipment in our country in the last quarter century is surely one of the striking accomplishments of advancing civilization.

The two hospitals in Lubbock are doing probably more than any other line of business to bring people to our city. Their reputation for successful work is growing all the time. The Lubbock Sanitarium has had to build a ten room building to use while their large west wing is being added to the present building. It had been planned to have the graduation exercises of the Lubbock Sanitarium Training School for Nurses in the evening of National Hospital Day but owing to the West Texas Chamber of Commerce meeting at Brownwood on the following day, the special train will have to leave on the evening of the twelfth and the graduation exercises have been postponed. Dr. P. W. Horn will deliver the address to the graduating nurses. The exact date of the exercises will be announced in a few days.

### FACTS ABOUT EDUCATIONAL CANDIDATES IN TEXAS

FORT WORTH, Texas, May 7.—Facts about educational conditions in Texas, as determined by the Texas School Survey, will be made public in August according to Director George A. Works in a statement made to President G. O. Clough of the Texas State Teachers' Association. Field work is practically complete, and the findings are being tabulated and compared.

The survey was ordered a year ago by the Legislature, the aim being to find just what Texas schools are doing and what they need to do to lift them out of thirty-fifth place among the states of the nation.

### PREPARING FOR PLAINS-PANHANDLE TEACHERS INSTITUTE

CANYON, Texas, May 7.—R. P. Jarrett, head of the department of education of the Teachers College has recently sent a letter to a large number of county superintendents in the Panhandle, inviting their counties to join in the Panhandle-Plains Teachers Institute which will be held in Canyon the first week of September. Mr. Jarrett who is general director of this institute has announced that R. B. Cousins of Houston will have charge of the high school section. Mr. Cousins is a former president of the Teachers' College at Canyon. Dr. S. C. Garrison of Peabody College of Nashville will have charge of the intermediate grade section. Dr. Garrison is well known in Texas. Miss Laura V. Hamner, county superintendent of Potter county, will be in charge of the meetings for county superintendents and will assist in the work for rural teachers. Miss Laspcomb of Dallas and Miss Anna Hibberts of the West Texas State Teachers' College will conduct the work of the elementary teachers.

Professor S. C. Wilson of the Teachers' College at Huntville, will direct the vocational section. Mr. Jarrett is at present making arrangements to secure a nationally known leader in rural education to have charge of this phase of the work. Dr. David H. Munson, L. F. Shoffy, Edna Graham, Dorothy Walker of the West Texas State Teachers' College faculty will do departmental work in English, History, Mathematics, and Geography respectively.

Dr. Ferguson, Dentist, Conley Bldg., knows how to cure Pyorrhea, 297-30p

Make your next cake with Mrs. Tucker's

AND notice how light, how soft and tender it is. Cake made with Mrs. Tucker's Shortening is ever coarse and heavy as so often is the case if you use lard. And a Mrs. Tucker's cake stays fresh considerably longer than one made with ordinary shortening.

Mrs. Tucker's is a fine vegetable shortening, absolutely pure, rich and wholesome. You have only to see it to appreciate its snow-white purity. And you need only use one pail to realize the economy and the superiority of Mrs. Tucker's for all shortening purposes.

Mrs. Tucker's is a southern product. You'll like the air-tight, sanitary, easy-opening coiflainer for

## Mrs. Tucker's Shortening

Made exclusively of choice Cotton Seed Oil. The South's own cooking fat.

### HAGGARD, PALE

Texas Lady Suffered from Womanly Weakness, Pains and Aches; Says She Took Cardui and Got Well.

Dayton, Texas.—Mrs. E. H. Weidel, of this city, writes that she has, for a long time, known of the value of Cardui from personal experience. "I don't know where I would be had it not been for Cardui, for it made a new woman out of me," says Mrs. Weidel.

"I was haggard, pale—worn to a frazzle all the time. My health was wretched. I had womanly weakness, painful . . . pains and aches.

"I heard of Cardui, and decided to use it. Cardui built me up. I grew well—like another woman—hence the praise I give it. Cardui is the best medicine I ever saw in my life."

Cardui, which this lady found so helpful, is a purely vegetable, medicinal tonic.

For more than forty years, Cardui has been taken by thousands and thousands of women, everywhere, and praised by them for the beneficial results obtained from its use. If you are a woman, and suffer as many women do—

Take Cardui! NC-148a

### TEACHERS COLLEGE TO TRAIN AGRICULTURAL DEM. AGENTS

CANYON, May 7.—According to plans submitted by Director of Extension, T. O. Walton of the A. & M. College, while here to attend the Stock Judging Contest, graduates of the Teachers College who have done satisfactory work in the Home Economics and Agricultural Departments for county agent positions.

Mr. Walton stated that there is a law on the statute books of Texas which requires that an examination be given at the A. & M. College to all men and women entering this particular field of service. However, he assured Miss Burton and Mr. Phillips that any of their graduates could expect to pass such an examination with a very creditable showing.

In speaking about this matter, Mr. Phillips who paid his expenses while at the A. & M. College by working in Mr. Walton's department said that he expected to give the courses in agriculture which Mr. Walton thought desirable for the men agents and also the lady agents to take, and that the Agricultural Department had anticipated this requirement for girls when the courses of dairying, poultry and gardening were outlined. These courses which Mr. Walton was of the opinion one should have previous to becoming a home demonstration agent will not be separate from the courses which are given for the boys.

Mr. Walton stated to Miss Bur-

ton that the average turnover in the home demonstration field was about two years, while in the county agent field it is a longer period of time, due perhaps to the fact that county agents do not resign upon entering the field of matrimony.

Three of the former students of this institution are now doing extension work in Texas. The salaries in the county agent work run from \$2,000 to \$5,000 per year. Those interested in this particular field of service should talk to Miss Burton or Mr. Phillips.

### BIG RAINS ARE REPORTED IN THE LAMESA SECTION

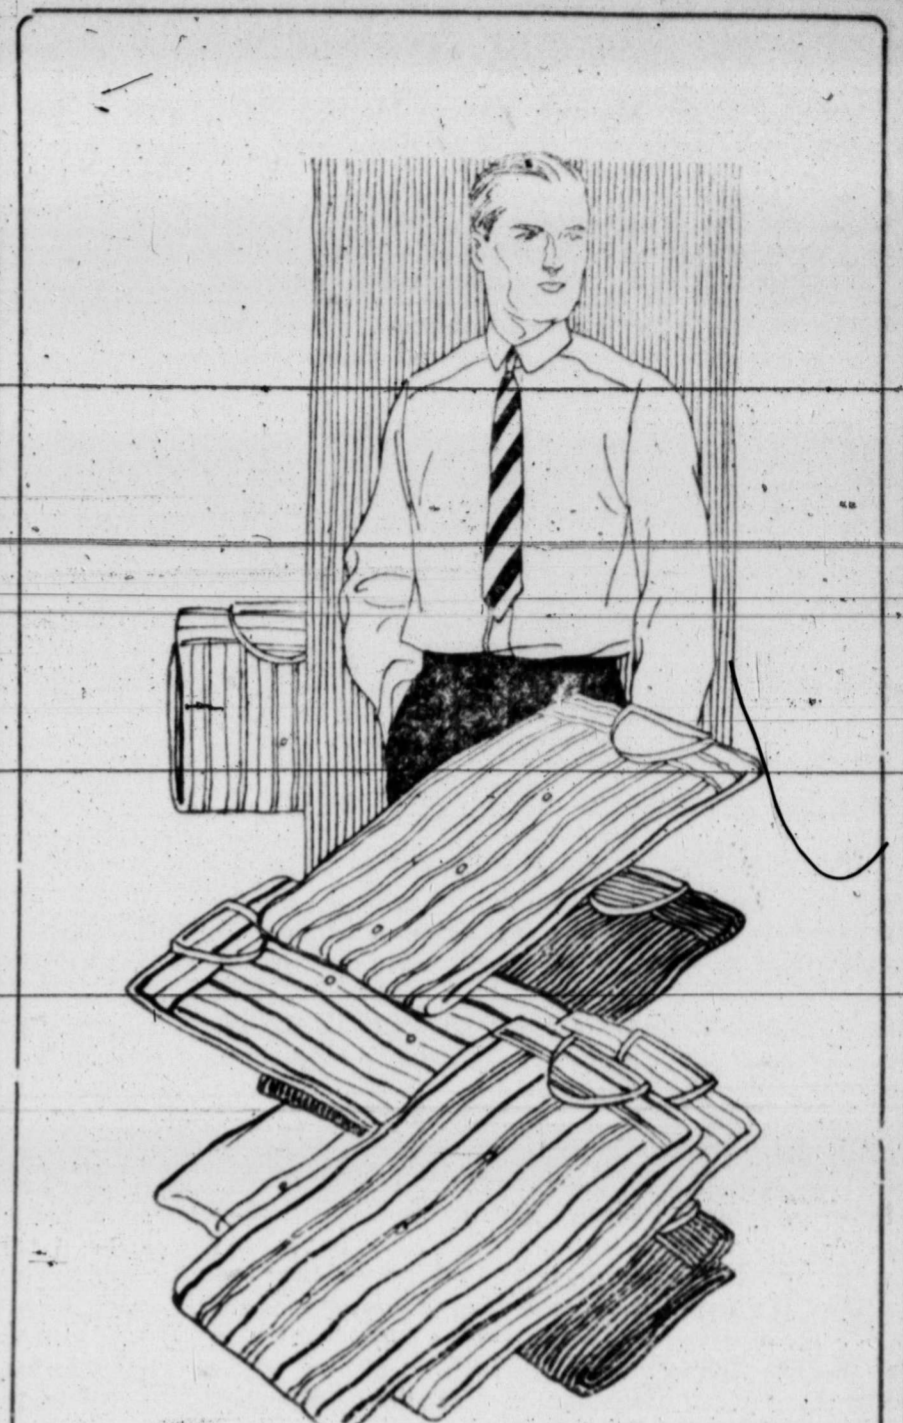

LAMESA, Texas, May 7.—A heavy rain fell over the South Plains and will be very beneficial to the crops that have been planted and those that will follow as soon as the ground is dry enough.

In general, prospects were never better for a good crop, with the deep underground season together with the recent rain has put things in exceptionally good condition for planting.

Range conditions are very fine. Stock cattle are mending at a rapid rate. Grass is better than it generally is this early in the spring.

Why buy 50 by 100 ft. lots when for the same money you can own 2 1/2 or 5 acres in Tech View? See John W. Jarrott, Leader Bldg., Phone 346. 163-6t

## OUR BOYS—WHAT ARE THEY WORTH?

Our boys! What are they worth? They will probably be almost entirely worthless so far as being an asset to the community, unless the fathers and friends of the boys wake up to the importance of placing better environments about them, than we have at the present time. The school terms are rapidly coming to a close, and hundreds of boys will be thrown on the streets of the town, with little or nothing to engage their attention. Parents should, if possible, arrange to get employment for them if there is any chance whatever, whether they get anything for their work or not. It is a good thing to have their minds and hands employed, and while they are getting this experience they are equipping themselves for business. The practical experience they get during the vacation periods may be of as great benefit to them in life as their education obtained through the schools.

From what we can learn, and what we are reading, Lubbock seems to be more indifferent on the boy situation than any other town in this section of the country. The week embracing the last days of April and the first days of May was designated at National Boys' Week, and many of the towns throughout the nation observed this time in a manner that showed an interest in the welfare of the boys of the community, each day being designated for a certain program that was intended to educate the boys in the different phases of life, teaching loyalty, patriotism, etc. Lubbock has so far, done absolutely nothing, and we believe that it is not in keeping with the spirit of the community in other lines, and we should yet put on a week's program in observance of this week. In Plainview the plans are going forward to observe Boys' Week at an early date, and the Plainview Herald so truthfully and splendidly words the conditions that confront the nation in regard to the boys, that we are using their remarks to further stimulate the argument that we have often attempted to place before our readers. The Herald says:

"One of the happiest signs of the times is the way men are waking up to their relation to boys. If men ever fully awake to the joy of the companionship of real boys it will do more to renew their youth and keep them young and happy and strong and healthy than all the monkey glands that could be collected in South America and injected into our American manhood. And there is no farce about the first operation. It will work every time.

"Two great things are bound to happen when men take a vital interest in the building of the character of the boys of our land. First, it will make better men for the future. And the second big item is, it will make better and happier men for this very day. Some men are going to realize that they are responsible for a lot of the meanness of this day. We mean the good men, the nice men, the fine fellows, even those men who all but boast of their superior manhood and Christian characters. This is what ails the world of boys today. Good men have been satisfied to be good. And while they are sitting around congratulating themselves on 'Oh, how good I am,' somebody else is walking away with their boys by making sin a more pleasant pastime than Sunday school or day school or any kind of constructive pleasure or any form of juvenile business.

"If men only knew it, boys are their greatest admirers and truest friends. Next to a dog, a boy is the truest friend a man has. Women admire men and sometimes love a half dozen or so. But there is a different motive and a different sentiment in the love and admiration of women for men. There is usually something personal and selfish in a woman's love for man. But it is not so with a boy. Boys love men because they are going to be men some day themselves. Boys have the natural instinct of manhood born in them, and there is not a boy in this nation that is not looking for some man as a pattern for his life. And how often he has to go away from home to find that pattern! Boys have a lot more sense than most folks think they have.

"If the time ever comes when intelligent folks study boys first and then books, we will then build schools to fit boys instead of trying to force every kind of a boy to fit the same kind of a school. And if the time ever comes when the city and the country spend as much thought and time and money planning ways to keep boys out of trouble as punishing them for their troubles, there won't be much trouble. And all our boys will become an asset to the community in which they live instead of a liability.

"Plainview, Texas, has reached this conclusion. Plainview has learned it is even cheaper for the town and country to furnish schools and camps and bands and pleasure that will build up the lives of their boys than it is to let them go to the bad and then try to round them up and force them to be good. In keeping with this policy, Plainview is putting on this week a Hale County Boys' Week.

It began last week with a big boys' rally at the city auditorium. Every boy in the county between the ages of 10 and 17 years was invited to attend that meeting. Special speakers were invited to address the Hale County boys on subjects dear to the heart of a boy.

Through the entire week every boy who comes to Plainview, and registers will be given a badge to let the other boys know he has registered. When he registers he is to give his name and address, whether he lives in Plainview or in the country or some other town in the county, what school he attends and also what Sunday school he attends. And Plainview is going to make a sure-enough effort to get every boy in Hale county in some Sunday school this summer. Don't you guess that even the church folks of Plainview will get a lot of good lessons out of such a survey of the boys in the county? Every day this week something will be doing of interest to boys. Concerts, entertainments, horseback riding, camping out at the city park. And, oh, boy! The Rotarians and the Kiwanians are going to invite a boy to be their guest at their weekly luncheons. Every man voted to bring his own son if he had one and could find him that day. But if he does not have a son, then he is to invite some other boy who may not have a father. Anyway, the Rotarians and the Kiwanians are putting on Boys' Week in Plainview, and whom do you think will have the most fun of all?

Isn't it a fine piece of citizenship work that the men's business and social clubs are doing for these boys? And another fine piece of work that the Plainview men have done for their boys is the making of the Plainview Boy Scout Band. There is no other product that has so happily advertised the spirit of Plainview as the Boy Scout Band. They are doing more than making musicians of those boys. They are making useful public-spirited men and citizens of them. But even that is not the biggest thing Plainview is doing. She is challenging every other town, and city and county in the state and nation to do the same thing for their boys. There is music enough in the boys of every town and county going to waste and the boys going to waste with their unused talent that would and could be a joy to the county and help on every public occasion if only some one would train the boys and the town would back the movement. Happy and lucky is the town that has a band leader who loves boys. If there is one thing more than another that America needs today it is a generation of public-spirited men that have been trained from boyhood for citizenship. But these boys must be trained by men. Plainview is doing her part. Are you?"

## NO ONE LIKES A WHINER.

Try and look on the right side of life. Don't think because today has been full of pain and disappointments that tomorrow may be a duplicate of it. The world likes to see a man cheerful. Even a cheerful liar is tolerated. Everywhere in the world partings are taking place and some one is either starting out in life with high hopes, or else passing out of it with a curse or a prayer on his lips. For every tear that is shed by some one, there is a smile upon the lip of some one else. While the hearse is moving towards the cemetery, a doctor's flivver is hurrying to the bedside of a prospective mother. Don't listen to the man who would tell you his troubles. Tell him you are busy. The pessimist avoids the busy man. Human derelicts naturally drift together on the sea of life. The old saying, "Laugh and the world laughs with you" is as true to-day as it ever was. The world has too many troubles of its own to listen. People don't like to hear a whiner. When you feel that you can't stand the strain any longer, but must tell some one else about it, why just think a little and then you will feel better. When you have done a thing, even if it was done wrong, don't regret it. Don't review the situation a dozen times a day and wall like some weakling because you made a mistake. All of us make mistakes, but it takes strong men and women to see that. When you do admit it, forget all about it. Crowd the matter out of your life for there are so many other mistakes yet to be made. How glorious it is to be able to carry a smile upon the face, and a kindly word for every one. How splendid to be able to make others feel joyous by your presence and long for your smiling face. It is like a ray of sunshine in the room when this kind of a fellow comes around. Talk about sermons! Why people like this can do more actual good in the world than all the sermons combined. Theirs is the religion of Christ, for it is the gospel of doing good to others and making the world better for having lived.

## THE COST OF ILLITERACY.

Texas has lost more than \$30,000,000 during the past 12 months through the ignorance of 322,914 of her citizens. These more than a quarter million citizens know neither how to read nor write the English language, and many do not even speak it. The most conservative estimates place the earning power of these people at an average of \$100 per year less than the literate citizen.

If all the mistakes, the losses of opportunity, and waste were actually arrived at, the economic loss would probably be more than \$50,000,000 per year, say prominent educators of the state. They are asking that there be a general awakening of the people of Texas to these facts, and that a comprehensive public school program be developed to save these vast energies for Texas.

Denominational differences are not to be allowed to stand in the way of educational progress in Montana. The Presbyterians and Methodists have united for the financial support of another Protestant college which is badly needed and other denominations are invited to share the expense and benefits.

Judging from the linen washing, Washington has been transformed into a big business laundry.

## MARKETS

### OIL SUFFERS IN ATTACK OF BEARS

By EDWARD J. CONDLON (United News Financial Editor.)

NEW YORK, May 7.—The shift in support of some groups of stocks rendered some sections of the list susceptible to the onslaught of the Bear crowd who, though weakened by the recent rally, are still full of fight and quick to take every advantage.

The Achilles Heel of the market was found in the oil stocks when the bear element attacked Sinclair, depressing that stock to a new low for the year at 18 5/8 and dragging the balance of the group lower in sympathy. The sinking spell in the oil failed to arrest the improvement in the market as a whole. Standard made a new high of the recovery as did American Can at 104 3/8 with Corn Products, Pan Petroleum B and Western Pacific.

The money market is setting up new records—or rather, setting them down again. 3 1/2 per cent was the ruling rate for call money with some transactions in the outside markets reported at 3 1/4. Interior banks continued to send funds to this center as the movement of crops draws close in some sections with the consequent releasing of funds.

The further gain of Coolidge in the race for delegates to the Cleveland convention was made all the more impressive by the successes in California, in Johnson's own bailiwick, so to speak. Inasmuch as Senator Johnson has loaned as the principle center for republican honors, it would appear a foregone conclusion that Coolidge will lead the procession of the republican party. At least this is the view that Wall Street takes of it and that lane is sometimes alluded to as the index of the nation's business.

Fort Worth Livestock. FORT WORTH, Texas, May 7.—Cattle: receipts 2,500; market steady; hogs \$4.50@48.25; cows \$3.00@36.00; heifers \$3.50@38.50; calves \$2.50@27.50; stockers \$4.65@47.00; canners \$1.50@1.75; bulls \$2.50@4.25; yearlings \$4.00@39.35.

Hogs: receipts 800; market higher; lights \$7.00@7.25; medium \$7.40@7.50; common \$3.50@5.50 packing sows \$5.50@6.50; mixed \$7.25@7.40; pigs \$3.50@6.00. Sheep: receipts 3,100; market is higher; lambs \$12.00@15.50; yearlings \$10.00@12.00; ewes \$6.00@7.00; goats \$2.50@3.50; feeder lambs \$10.00@12.00; wethers \$7.00@8.00; culls \$1.00@2.00; stock sheep \$5.00@8.00.

Kansas City Livestock. KANSAS CITY, Mo., May 7.—Cattle: receipts 8,000; calves 1,500; practically no early sales beef steers better grades the stock around steady; others slow; beef cows and heifers \$4.50@8.00; calves strong;

practical top veals \$5.00; stockers and feeders slow around steady. Hogs: receipts 1,000; 5c to 10c up to shippers; desirable 170 to 240 lb averages \$7.00@7.20; packers bidding \$7.15 or 5c up; bulk packing sows \$6.50@6.60. Sheep: receipts 4,000; lambs generally 10c to 15c up; Arizona springers \$17.35; Colorado woolled lambs to shippers \$17.25; clipper mostly \$14.50@14.75; some held higher.

### MORTON NAMED COUNTY SEAT COCHRAN

An unofficial tabulation of the votes cast in the Cochran county organization election was made after the polls had closed at seven o'clock Tuesday evening, and at one o'clock Wednesday morning all of the elected officers arrived at Levelland where the ballot boxes and ballots were turned over to the officers of that county.

According to the votes cast in Tuesday's election, Morton will be the county site of Cochran county, as in the election 79 votes were cast for this place while 20 votes were cast for Ligon.

The following were elected to fill the offices of the newly organized county: R. T. Campbell, judge and superintendent of schools; P. B. Penny, sheriff and tax collector; G. H. Matthews, commissioner precinct 1; H. T. Boyd, commissioner precinct 2; D. P. Earnest, commissioner precinct 3; Lem Shipman, commissioner precinct 4; Lem Cooper, tax assessor; R. D. McCasland, county and district clerk; Mrs. Maud M. Jones, county treasurer; R. T. Smith, justice of the peace.

After the newly-elected officers had arrived at Levelland, all bonds were drawn and executed with the Surety-Fidelity and Deposit Company of Maryland, represented by the Lubbock Insurance Agency. Just at sun-up these transactions had all been completed, and a new day dawned for the county, whose newly elected officers have declared themselves favorable to all progressive methods to be employed in the further development of that section of West Texas.

### C. OF C. PUBLICITY COMMITTEE MET WEDNESDAY

The publicity committee of the Lubbock Chamber of Commerce, composed of James L. Dow, Curtis A. Keen and Joe Hess, met at the chamber of commerce rooms Wednesday afternoon with the secreta;

and made plans for the publication of a quantity of advertising matter to be distributed at the West Texas Chamber of Commerce Convention to be held at Brownwood.

The committee decided to issue a number of folders, that will be small enough to fit into the regular business envelope and will contain a brief review of general conditions in Lubbock and the south plains and will give facts and figures concerning the growth of the city and the development of the country, together with an account of the development of the various industries operated in this territory.

White these folders will be issued primarily for use at the Convention an ample supply will be furnished to anyone wishing to send them away from Lubbock and to be used in connection with letters written by the secretary on request of out of town people desiring information of this immediate territory.

### G. F. J. STEPHENS WAS BURIED HERE WEDNESDAY

Funeral services for G. F. J. Stephens, of the Stephens-McKeeley Wholesale Grocery company who died suddenly at his home here Monday night at 10 o'clock, were conducted at the First Methodist church here yesterday afternoon at 3 o'clock.

Rev. Jack M. Lewis, pastor of the Presbyterian church of which the deceased had been a faithful member, conducted the services. All business houses in the city were closed from 3 o'clock until after the funeral, which was attended by many friends of the deceased. A liberal floral offering attested the high regard with which he was held in Lubbock. Interment was made in the Lubbock cemetery.

### LOAN COMPANY MAKES LARGE APPROPRIATION IN LUBBOCK

Word has been received through the Jones & Jones Loan Company of Lubbock that the Standard Savings & Loan Association, of Detroit, Michigan, has \$750,000 ready to be loaned on Lubbock property. The company is one of the big financial institutions of this country and the people of Lubbock have right to feel proud of the fact that it is represented in Lubbock, and will have a part in the further development of the city.

### MORE THAN TWENTY SMALL POX CASES HERE

More than twenty small pox cases have been located in Lubbock and Dr. G. G. Castleberry, local health officer, is making every effort to carry out a strict quarantine and insists that without the closest cooperation of all local citizens the epidemic might spread to dangerous proportions.

### SENIORS ENJOY PICNIC AT IGO SPRINGS WEDNESDAY

"Senior Day" was fittingly observed by all members of the Lubbock High School Senior Class, as they went by truck to Igo Springs, where they enjoyed an afternoon picnic. They returned to their homes here last night at 8:45 o'clock.

SPORT NEWS

OLSON WINS DECISION OVER CAL FARLEY AT AMARILLO SETTLING CONTEST OF LONG STANDING

AMARILLO, May 7.—Chas. Olson, from Lubbock, middle-weight champion of Canada, drew a decision over Cal Farley, local man here tonight in one of the cleanest matches ever seen on a local mat, thus settling a contest of long standing which has begun more than four years ago when the two met in Winnipeg, Canada where they went for three hours in a terrible tussle to a draw.

Olson took the first fall in 41 minutes with a double toe hold. Farley won the second in 12 minutes with a hammerlock. Olson then took the third fall in 30 minutes when he hurled Farley backward over his head causing him to fall on his head, the fall dazing him and he was pinned to the mat before recovering.

Farley was outweighted in the match by 16 pounds, and although wrestling out of his class, he being a welterweight, put up one of the best matches of his career, and has met his first defeat since entering the professional ring.

The match tonight was one of the cleanest ever seen here, neither man showing any tendency to begin any rough stuff, whatever, and neither clawed for the ropes during the course of the contest.

CARPENTIER EN ROUTE FOR GIBBONS FIGHT

PARIS, May 7.—After a thousand promises to sail for the United States at various times since he was knocked out by Jack Dempsey in 1921, Georges Carpentier actually walked the plank and cast off for those profitable shores Wednesday to fight Tom Gibbons at Michigan City, May 31.

Douglas Fairbanks took a last look at Carpentier's countenance at the railroad station and also examined his hands to see what shape his knuckles were in.

TAHOKA GAME IS CALLED OFF TODAY

For more than one reason, according to Skipper Allen, the scheduled Lubbock-Tahoka game will not be played this afternoon. It was found, upon a check-up of the roster that one or two of the Lubbock lads would be forced to be out of the city for the day, and that others, for different reasons, would not be able to leave their places of business. It was also pointed out that Tahoka preferred not to stage the game as scheduled today.

Thus the contest has been postponed, and Tahoka will not meet Lubbock before next Sunday week. An effort is being made for a game with them here on that date, but as yet nothing definite has been announced.

In the mean time, Littlefield is scheduled for an exhibition here next Sunday, and in all probability will work Herb Mueller, on the mound. Mueller is the lad who handed the locals their first defeat of the season in the Tahoka exhibition.

GIANTS TIGHTEN HOLD ON TOP POSITION

Cramped by the tension of their position at the head of the National League the New York Giants struggled manfully Wednesday to relieve the situation. It took 10 innings to do it.

After suffering a two day setback in Philadelphia where the Phillies twice triumphed over them, the Giants came back in Wednesday's game with their less able competitors and beat the Phillies in a ten inning battle by the score of 1 to 2.

A full game now separates the Giants from the second place Reds who were again rained out in St. Louis and were thus unable to maintain the situation.

The Dodgers, who only the day before had risen to third place, slid back to their former position when they were beaten by the Braves in Brooklyn 4 to 1 while the Cubs, just winning from the Pirates in Pittsburgh 5 to 1, the Cubs advanced to the third berth.

In the American League, the Yanks gained a half lap by again defeating the fast sinking Athletics in New York 7 to 4. This was Philadelphia's ninth consecutive defeat.

Rain held the Tigers and White Sox idle in Chicago. The Browns moved into a tie for fourth place with the White Sox when they beat the Indians in Cleveland 10 to 8.

TWO MEN AND GIRL BEING HELD AT EL PASO FOR TOURIST ROBBERY

EL PASO, Texas, May 7.—Two young men and a bob-haired girl are being held by police for questioning following robberies of motor parties in East El Paso. The trio claim to be tourists en route to Alamogordo.

The detention of the young man and girl followed two robberies Tuesday night when small amounts were secured, and descriptions given by the occupants of two automobiles, in each case a young man and girl, were the same, of two men who came up on each side of their cars and remanded their values.

Numerous robberies of this kind have put an effective stop to parking in secluded spots by late hour automobilists, police say.

### LUBBOCK COUNTY FARM BUREAU TO ENTERTAIN BUSINESS MEN OF LUBBOCK WITH SUPPER AT ACUFF MAY 20

Lubbock business men will be guests of the members of the Lubbock County Farm Bureau at a big supper and get-together meeting to be held at the Acuff school, Tuesday evening, April 20th.

At the regular county-wide meeting held here Saturday of last week the Farm Bureau members agreed upon the date to entertain their friends of Lubbock, and also agreed that Acuff would be the meeting place.

John T. Orr, president of the Texas Farm Bureau Cotton Association, will be in Lubbock on that date and will speak here that afternoon at two o'clock and will attend the Acuff meeting, and appear on the program that will immediately follow the supper.

The supper will be prepared by the Farm Bureau members and their wives, and will consist of a basket lunch, barbecue, hot coffee, and all the trimmings that go to make a supper complete in every appointment.

Members of the Farm Bureau will invite all business men of Lubbock to the entertainment, especially though will they invite all members of the Kiwanis and Rotary Clubs and the Chamber of Commerce.

It is altogether probable that no luncheons of the Kiwanis and Rotary Clubs will be held on that week, due to the fact that the memberships of both clubs will be brought together on this occasion.

The committee appointed to make necessary arrangements for the entertainment to the Lubbock business men is composed of A. G. Ross, Billie Ross, W. W. Ferguson, W. G. Sheely, and Douglas Pounds. This committee has already started active work making arrangements for the entertainment and those who contemplate attending the meeting are assured of its being a good one.

#### SMALL FORTUNE SPENT ON ROSES FOR FIESTA

Five hundred dollars was spent for roses used in a gorgeous Spanish fete scene which is a feature of "Her Reputation," Thomas H. Ince's new film production starring May McAvoy. The fiesta was staged in the patio of Thomas H. Ince's luxurious ranch home in Beverly Hills, one of the show places of the Pacific coast.

Bright colored streamers and heavy festoons of roses and greens were hung from every wide balcony. Below, on the flagged pavement, groups of Spanish beauties and caalleros in picturesque costumes danced in a shower of fluttering rose leaves as a clown ca-

orted in and out between the dancing couples.

The scene, made under the direction of John Griffith Wray, was so artistic that a famous painter has secured Mr. Ince's permission to reproduce it on canvas.

"Her Reputation" will be shown at the Lindsey Theatre today.

May McAvoy displays some marvelous frocks from Paris, and from Spain in "Her Reputation." Thomas H. Ince's big screen special in which she is starred.

#### PHARR AND SAWYER WILL SPEAK TO KIWANIANS

Attorney Homer L. Pharr and T. W. Sawyer are on the program for the principal talks at the Kiwanis luncheon today, and "The Needs of Our Public Schools," will be the topic for discussion.

C. E. Macgregor, of the Security State Bank & Trust Company, will be chairman of the day.

The contest between the Evens and Odds will come to a close and while one side has a big lead on the other, things could loom up pretty well for the apparent losers, so it's up to all to get in line for a one hundred per cent attendance today.

#### PROMINENT LUBBOCK MAN ENTERS I. T. A. FIELD

F. L. Hargis, prominent local man, and who has been a resident of Lubbock for the past three years, has resigned his position as automobile salesman with the Lubbock Buick Company to take charge of the business of the International Travelers Association, of Dallas, in the West Texas territory.

Mr. Hargis has had a great deal of experience in the insurance business and the association is fortunate to be represented in this territory.

#### MANY PATIENTS ARE BEING ADMITTED AT LOCAL SANITARIUM

Twenty-three patients were admitted to the Lubbock Sanitarium Monday and Tuesday, May 5th and 6th.

They are as follows: Mrs. M. E. Haire, Post, route A; Mrs. George Ferguson, McAdoo; Chas. Sanders, Tahoka; Nola Smith, McAdoo; A. K. Lackey, Crosbyton; Louise Davidson, Southland; Chas. Tate, O'Donnell; S. C. Shipley, Lamesa; Afton Maupin, Ralls; M. L. Stevens, Springs; L. D. Smallin, Lorenzo; Miss Bessie Hyatt, Lubbock; Mrs. C. R. Brownlee, Lubbock; Morse Bantam, Jr., Snyder; Glenn Redwine, Tahoka; Marvin McNutt, Meadow; Lena Barron, Lamesa; Mrs. T. R. Pridoux, Lubbock; Billie Make, Crosbyton; Walter Beauchamp, Snyder; Mrs. S. D. Kimbrough, Cone, and Mrs. Jack Parrish, Abernathy.

Elvin Burdett, of O'Donnell; J. E. Barron, of Lamesa and J. H. Bradley, of Amburst, were admitted Wednesday.

Why buy 50 by 100 ft. lots when for the same money you can own 2-1/2 or 5 acres in Tech View? See John W. Jarrott, Leader Bldg., Phone 346. 163-6t

#### MANY NEW FARMS TO BE FOUND ON THE SOUTH PLAINS

A trip across the plains from Lubbock to Farwell will convince anyone that this country is being developed faster at this time than at any other period in its history.

The vicinity of Littlefield is the center of much activity on the part of the farmers, who are getting their land ready for spring planting, which will begin this month, and hundreds of acres of virgin soil has been turned into farms and everywhere the untiring hands of the farmer have wrought changes in the country that will result in increased prosperity for all of West Texas.

The rich sandy land in Bailey county is being converted into farms, and with anything like a reasonable rainfall these farms will produce large yields of all kinds of feed crops, and some cotton will be planted this year.

R. L. Brown, real estate man

of Muleshoe, reports a large increase in the number of farmers in the county at this time as compared with a year ago, all of whom will complete breaking in time to plant early as is necessary for the best yields.

#### RALLS ELECTS SCHOOL SUPERINTENDENT FOR NEXT YEAR

Special to the Avalanche  
RALLS, May 7.—C. H. Hale, superintendent of the Ralls High School has been re-elected for the 1924-25 school term. The present

term will close May 23 and Mr. Hale will go immediately to Stephenville where he will take up his duties as member of the John Tarleton faculty for the first half of the summer then he will attend the University of California the second half. Unity of school spirit in the community, a loyal student body, an earnest faculty, all have tended toward success this year and the trustees are fortunate in keeping the faculty in tact. Superintendent Hale has proved to be a man of unusual ability; a man of ripe experience and earnestness of purpose, if you would know him ask the students.

## FIGHT OVER "NO WAR" FACTION IN CHURCH

By United Press  
SPRINGFIELD, Mass., May 7.—Pacifist elements and 'patrols' may wage a bitter fight in the general conference of the Methodist Episcopal Church, which opened here May 7.

The 850 delegates, men and women representing the laity and clergy in all parts of the world, may be called upon to express their views regarding "peace at any price" pacifists.

The pacifist group in Northwestern University, Methodist institution at Evanston, Ill., recently created a stir when they pledged themselves against all war. The demonstration brought forth a declaration from Bishop Nicholson of the Chicago area that "the church is loyal to the Government and does not adhere to the 'peace at any price' doctrine."

The bitter fight is expected to result in some declaration by the conference as to the positive stand of the church on the issue of war.

The discussions of pacifism and loyalty may supersede the other important issues of the month's conference, which include: Review of episcopacy with a view to reorganization; contemplation of union with the Methodist church of the South and consideration of reorganization for the controlling boards of the church.

Some delegates to the conference are said to favor reorganization of the episcopacy, or body of bishops so that a bishop will hold office for eight years instead of for life. There are also elements favorable to a ruling that one bishop shall hold control over an area, or diocese, for only a specified time. The re-establishment of the office of missionary bishop is also advocated.

In discussing union with the Methodist Church, South, the conference will have before it a plan drawn up by a joint commission of the two churches. The report recommends union of the churches with two jurisdictions.

Acceptance of the plan for unification will probably result in a special call for a general conference of the Southern Church. Acceptance of the plan by both conferences, governing bodies of the churches, will join the two. The Southern general conference would not ordinarily meet until next year.

Feasibility of uniting the two highly specialized boards of the church into one general board, with many departments, will be discussed. The boards regulate the foreign and propagation activities of the church.

The world service program of the church and the progress of the five-year centenary expansion program will be talked.

Women delegates will be more numerous in this year's general conference than they have been in the past, according to the churchmen. The conference closes May 31. Sessions are to be held during each day of the month.

## LAMESA'S \$10,000 BAND WILL LEAD PARADE AT CONVENTION

LAMESA, Texas, May 7.—Lamesa has been accorded a place of honor in delegation parade. Lamesa's band, followed by the Lamesa delegation will lead the delegation parade on Wednesday morning, the 14th. There will be about forty bands represented in the parade and between one and two hundred towns with representations.

This parade will be staged the second day of the Chamber of Commerce convention at Brownwood.

The Lamesa delegation is making plans to leave Lamesa Monday morning, the 12th, on a special train. The Lamesa Chamber of Commerce Band will be represented with about 45 instruments.

Operated by a push button by the motorman, a device for street cars has been patented that an-

nounces streets and prominent buildings as they are passed.

# TICKETS READY FOR DELIVERY ON SPECIAL

The Chamber of Commerce is now ready to deliver tickets to all who have made reservations on the special train which will leave here Monday night for the West Texas Chamber of Commerce convention at Brownwood, according to an announcement made Wednesday, and letters are being placed in the mail today asking that those who have made reservations call at once for their tickets and draw for their berth number. Each will also be presented with an official delegates badge.

An urgent appeal is being made also that as many as possible take their wives, and quite an inducement is being offered along this

line in a much reduced rate if man and wife occupy the same berth. The additional cost will be about half the amount of the first ticket. But it is also plainly pointed out that two men will not be allowed to occupy the same berth at reduced rates, unless it be a case of lack of accommodations brought about by the over-buying of equipment ordered. But it is urged that as many ladies take advantage of the trip as possible, as many features of the program to be offered at the convention will be of as much interest to them as to the men.

Lubbock has ordered and paid for three pullman coaches, giving accommodations to 81. The fourth car from the immediate section will be picked up at Post. According to present plans, Amarillo will also have two cars hooked to the Lubbock special.

According to the official count made at the offices of the Chamber of Commerce Wednesday, eight above the three-car capacity for Lubbock have paid for reservations, leaving room for seventeen more in the fourth car. These seventeen reservations, according to Secretary Davis will be scheduled on the basis of "first come, first served," and the late ones who yet wish to take advantage of the trip are urged to make all speed to the office this morning if they wish to be assured of a reservation.

Automobile travel for the trip is being discouraged on account of the uncertainty of accommodation after reaching Brownwood, as practically all of the nearby cities will probably use this means of transportation. Thus it can be readily seen that parking space will probably be at a premium. Several local people who had planned to make the trip in cars have already changed their minds and have made reservations on the special train.

### CANYON NAMED AS HOST TO NEXT T.F.W.C. MEETING

(Continued from page 1)

in which Col. Mulligan spoke revealed to the clubwomen something of the benefits to be derived thru unity and cooperation between the women of all Texas in helping to raise the standard of citizenship in the Lone Star state.

Col. Mulligan was followed by Mr. Villars, of the Southwestern Division of the American Red Cross, who in well chosen words told the clubwomen of the activities of the Junior Red Cross members in their field of endeavor.

Mrs. Phoebe K. Warner, nationally known Texas writer and one of the most influential club women of the state, spoke on "Club Membership", pointing out that there are more than fifty thousand women in Texas who are not members of clubs at this time whose efforts and influence should be diverted into the field of club activities. In supporting this contention, Mrs. Warner called the attention of her hearers to the wholesome influence of properly conducted clubs on rural and urban life.

Mrs. Warner told the clubwomen that every club in the great Seventh or any other district in Texas should bring friendliness a keener and more effective spirit of cooperation, higher ideals of life and the dedication of the members to service for the common good into their respective communities, and pointed out that a club that does not wield this influence should be improved. She urged the organization and development of the county federation as the best and surest unit for club work in rural communities and said it was unsurpassed as a medium for bringing rural and urban women together in a common work.

Mrs. Meade F. Griffin, of Plainview reported the status of the endowment fund, showing that \$860 of the \$2,000 pledge made at the Clarendon-convention last year, and which it to be paid in two years from the date of that convention, had been paid to date. Her report also revealed the encouraging fact that the Seventh District leads all other districts in the state in endowment work.

Mrs. Griffin's report concluded the morning session.

A well prepared lunch was served by the community clubs of Idalou, Shallowater, Becton, Acuff and other communities of Lubbock County, and an interesting and instructive program was carried out during the noon hour with Mrs. J. H. Hankins of Lubbock as chairman. Beautiful numbers were rendered throughout the program by the Lubbock High School Orchestra.

The afternoon session was called to order at two o'clock, and in the absence of Mrs. R. F. Lindsey, the state chairman of "Anti Narcotics" Mrs. Henry Redmond of Corpus Christi and state president, spoke of the growing menace of narcotics and urged the clubwomen to take an unfaltering stand against it.

Routine business, club reports, reports of department and division

chairmen and the drafting and adopting of resolutions occupied the remainder of the afternoon session.

### NOTED ARTIST APPEARS HERE

(Continued from page 1)

made possible by the citizens of Lubbock.

In his handling of the organ, which he spoke of as a magnificent instrument, he proved himself a master artist. He carried his audience with him where he would inspired by the mighty tones or the haunting melodies which he produced at will. Seldom have the members of any district meeting been so swept up to artistic heights as were those of the seventh district Tuesday evening. It is a memory that will live long in the hearts of those who heard that entire program.

The program appears in full as follows:

Mrs. Tillman Jones, presiding.  
Invocation, Rev. J. M. Lewis.  
Voice, "I", Novello—Mrs. Coleman Haze, Memphis.

Piano, "Arabesque" Miss Lucille Strayhorn, Snyder.

Piano, Caprice Viennois, Fritz Kreisler—Mrs. Carl G. Goodman.  
Voice, Pale Moon, Frederick Logan—Mrs. Homer K. Fox, Hereford.  
Dramatic Art and Pageantry—Mrs. Curtis A. Keen, Lubbock.  
Violin, The Old Refrain, Fritz Kreisler—Miss Simon Truelove, of Amarillo.

Voice, (a) The Spirit Flower, by Campbell Tipton (b) Love is Springtime, Arditi—Mrs. A. J. Worzell, Amarillo.

Reading, the Florist's Shop, Doris Holman—Miss Irene Ingram, Wayland Baptist College, Plainview.

Soprano, (a) When Celia Sings, Bingham; (b) My Mother Bids me Bind My Hair, Haydn; (c) If in the Great Bazaars, Amy Woodford Finden—Miss Mabel Ellen Ricker, Lubbock with Mrs. A. E. Haroun, accompanist.

Organ, Toccata and Fugue in D Minor, Bach; Gesu Bambino (the Infant Jesus) Pietro A. Von; Suite Gothique, L. Boellman; Marche Champetre, Boek; Ave Maria, E. M. Bossi; Rhapsodia Italiana, Pietro A. Von; Dwight Brown.

### PIMPLES AND BUMPS ARE AWFUL PESTS

Girls and women of the most even dispositions are quick to resent direct attacks on their character, or bold advances. But it is hardly explainable why these same folks tolerate disfiguring pimples, blotches, bumps, "breaking out," etc., which are even worse pests than that.

These skin diseases quit annoying people quickly after first few applications of the wonderful Black and White Ointment, and the regular use of Black and White Soap. The cost is so small none need hesitate because they "can't afford it." The 50c size of the Ointment contains three times as much as the liberal 25c size. All dealers have both Black and White Soap, and Ointment.

### MUCH ACTIVITY CARRIED ON IN DISTRICT COURT

Much activity has been carried on in the 72nd Judicial District court during this week and the attention of the District Judge, the District attorney and all court attaches has been directed toward making some disposition of criminal cases, with the result that splendid headway has been made.

The suspended sentence has been brought into great popularity, and many pleas of guilty have been made by defendants asking that their sentences be suspended.

The following juries have been summoned for service this week: W. A. Robertson, S. P. Robbins, city; L. P. Smallin, S. A. Abbott, Slaton; R. T. Penny, city; J. N. Sowder, Idalou; E. B. Woolever, C. L. Storrs and E. N. Harrison, Idalou; Guy B. Ely, W. C. Rylander, city; L. C. Ellis, city; J. T. Frye, Slaton; E. P. Norwood, city; T. D. Johnson, Frank Kerr, Idalou; J. R. Johnson, Slaton; Stockton Henry, city; W. M. Weaver Idalou; H. H. Frye, Slaton; W. A. Looney, Slaton; C. T. Lokey, Slaton; T. W. Sawyer, City; S. C. Marrs, W. A. Davis, Acuff; Rawleigh Martin, city; and A. H. Turner.

To Street Car Riders.  
I rose and gave her my seat;  
I could not let her stand—  
She made me think of mother with  
That strap held in her hand.

**SOCIETY NOTES**

Gentlemen Hosts to Bon Temps Bridge Club.

Long shall it be remembered when the gentlemen members of the Bon Temps Bridge Club were hosts to their wives, for indeed they were perfect entertainers. They succeeded in keeping their wives guessing from the time they met at Mr. and Mrs. S. E. Cone's home on Broadway at 6:30 o'clock Tuesday evening until eventually a picnic party was revealed down on the canyon.

A great picnic was enjoyed along with such a lot of "good food" to eat, strawberry cream and cake completed one fine feast. Games and story telling around the camp fire were greatly enjoyed and made memories which shall ever be golden.

At a late hour the party adjourned with each wife so proud of her husband's entertaining, husband, and each one declared the occasion was the best of the club meetings.

W. T. Raybon will be especially remembered for his well laid plans for the occasion and the other men were great in helping to carry out the plans. The participants were: Messrs. and Mesdames S. E. Cone, W. T. Raybon, Swindell, T. G. Waldrup, Earl Moore and Clayton A. Gammill.

The next regular club meeting will be held at the home of Mr. and Mrs. S. E. Cone on Broadway.
