#### THE TREASURER'S QUARTERLY REPORT.

In the matter of County finances to the hands of J. E. Grimland, Treasurer of Sutton County, Texas.

Commissioners' Court, Sutton County, Texas, in regular Quarterly Session, May Term, 1913.

WE, THE UNDERSIGNED, as County Commissioners within and for said Sutton County, and the Hon, E S. Briant, County Judge of said Sutton County, constituting the entire Commissioners' Court of said County, and each one of us, do hereby certify that on this, the 13 day of May A D. 1913, at a regular term of said Court, we have compared and examined the quarterly report of J. E. Grimland, Treasurer of Sutton County, Texas, for the quarter beginning on the 12th day of Feb. A. D. 1913, and ending on the 12-h day of May A D. 1913, and finding the same correct have caused an order to be entered upon the minutes of the Commissioners' Court of Sutton County, stating the approval of said Treasurers' Report by our said Court, which said order recites separately the amount received and paid out of each fund by said County Treasurer since his last report to this Court, and for and during the time covered by his present report, and the balance of each fund remaining in said Treasurer's hands on the said 12th day of May A.D. 1913, and have ordered the proper credits to be made in the accounts of said County Treasurer, in accordance, with said order as required by Article 867, Chapter 1, Title XXV, of the Revised Statutes of Texas, as amended by an Act of the Twenty-fitth Legislature of Texas, at its regular session, approyed March 20. 1897.

And we, and each of us, further certify that we have actually and fully inspected all the assets in the hands of the said Treasurer belonging to Sutton County at the close of the examination of said Treasurer's Report. on this the 12th day of May A D. 1913, and find the same to be as follows,

#### BOSTON'S EARTHQUAKE.

The Five Minute Shock That Rocked 'the City In 1755.

On Nov. 18, 1755, "a little after 4 on a serene and pleasant night," Boston was roused by an earthquake Bolomon-like justice. which lasted nearly five minutes. A writer of the times gives an account but one square mile, the greater "Start. Light launches you from exclaiming, "This is the weapon ed him on continually, and there

houses were thrown down.

noise like several coaches rattling there circulate no fewer than 1,800 step over pavements, or rather like many policemen. After 9 o'clock in the cart loads of paving stones thrown evening the silence of the streets down. The first motion was a strong there is broken only by the slow pulsation, which threw my house tread of these "bobbies." It would upward. Immediately after a trem- be a bold burglar indeed who at or succeeded; then instantly a quick tempted work in this well guarde vibration with sudden jerks fol- area. lowed.

The first view I had was of the downright criminals give the city steeples of the churches, and I was wide berth, the chief offenders hale glad to see them standing, but the before the lord mayor in the mor spindle and vane of Faneuil hall ing are those who have looked up market weré thrown down.

Many persons ran into the streets. The lord mayor's salary is twi-shricking with apprehension of its that of the prime minister. He is being the last day or the judgment, ceives as much pay as does our preand some thought they heard the ident. He is the highest salare last trumpet sounding and cried for magistrate in the world. mercy. The beast creatures lowed, It is not to be assumed, however the birds fluttered in surprise, and that, aside from disposing of the all the animal creation was filled morning's "drunks," the lord mayo with terror. Every face looked has nothing to do. One such offi ghastly, and many knees smote to- cial, who kept a record of his ac gether. Never was such a scene of tivities during the course of one disaster in New England before.

#### The Way of the Ant.

The tropical white ant builds tended 130 public and semipublic large cities formed of mounds of dinners, 85 balls and receptions, 365 hard earth from two to three meters | meetings and committees. He dein height. In each one of these ant livered 1,100 speeches and paid 20 cities there is only one female, the state visits to churches. queen, who is the mother of the entire family.

If an ant shows a disposition not pensation of justice a brother alderto work, or is unable, he is conveyed man takes the lord mayor's place to the "policeman," and the jaw- on the bench.-Harper's Weekly. bone of this official puts the incompetent out of the world. Rest ap pears to be unknown in the ant hill. The bodyguard installed at the top Sidon, during the war with Syria of the house exercises ceaseless vigi-Jance against the coming of enemies troops to advance across a long, un
