LION'S CLUB WAS ORGANIZED HERE WEDNESDAY NIGHT

41 CHARTER MEMBERS FOR ORGANIZATION

25 of the 41 charter members of the Sonora Lions Club were present Wednesday night in the Woman's Club building at which time the organization was perfected. A team from San Angelo, composed of Ira L. Cain, Millard L. Cope, Gus Miller, Mr. Gaines, and Mr. Galloway, W. E. Caldwell, manager of the West Texas Lumber Company, was elected president; W. C. Gilmore, vice president; Geo. H. Neill, secretary and treasurer; M. M. Stokes, tail twister; G. G. Stephenson, Roy E. Aldwell, W. H. Danerion, superintendent of the Experiment Station, and J. D. Lowrey, directors. A. C. Elliott was elected lion tamer.

Messrs. Miller, Cope, Cain and Galloway spoke on Lionism, telling the benefits derived from the organization, and what the Lions Clubs were doing for the towns. Those present were very enthusiastic over the prospects of a live Lions Club.

The Lions will meet every Monday at noon in the basement of the Methodist Church building.

Thanks for the nice luncheon served go to Mrs. S. T. Gilmore, W. C. Gilmore, A. C. Elliott, Miss Tansey and others.

FRISCO READY TO MAKE EXTENSIONS

E. K. Fawcett, director of the Sheep and Goat Raisers Association, was here for a short while this morning enroute to his home in Del Rio. Mr. Fawcett had been to a meeting of that organization at Menard. He is president of the Del Rio Chamber of Commerce, and ex-president of the Sheep and Goat Raisers Association.

Mr. Fawcett said he conversed with Mr. Oliver, an official of the Frisco, and that Mr. Oliver stated to him that the Frisco was ready to extend that road, however the route had not been chosen. Mr. Oliver said there was a chance for a road to build from Menard to Sonora and on to Del Rio. Mr. Fawcett believes that Sonora and Del Rio should encourage the Frisco to come this route. He pointed out that there were twenty-five miles of dump in Val Verde County that could be used for the road, and that this would be some inducement for the line to come via Sonora to Del Rio.

Mr. Fawcett would like to see Edwards, Sutton, and Val Verde counties improve the highway in Edwards County, and believes that this should be done.

Mayor Proclaims Save-a-life Campaign

The appalling increase in the number of accidents brings about a need for the betterment of automotive conditions. I have, therefore, endorsed the Save-a-Life Campaign as covered by Proclamation of Governor Moody in effect May 19th to June 9th, 1928.

Prevention of motor car accidents, and reduction of resulting casualties, is a duty incumbent on every person in all walks of life. The mounting death rate of men, women and children, especially children—whose lives are crushed out annually or maimed and crippled permanently—should arrest the attention of every one to the performance of their duty in an unbiased, unprejudiced effort to assist in reducing accidents, a real humanitarian act, "Save-A-Life."

Take your car to a dealer, garage or service station, have it inspected and an official State inspected tag put on the windshield.

I urge motorists, therefore, to be exceedingly careful when passing children playing in the streets or on the sidewalks and be ready to act instantly if they should dart into your path, see that your brakes are in good condition, make sure that your headlights are properly focused so that their glare does not blind oncoming motorists. Never drive a car with only one headlight or with the tail-light extinguished and see that your horn is in good order.

I also urge that all pedestrians bear in mind that accidents are not always the motorists' fault and exercise care crossing streets. In particular, I hope that all mothers and school teachers will impress upon the children the necessity of keeping off the streets in play, of observing all traffic signals and of glancing left and right before crossing a street.

Every man woman and child in our city has a personal interest in reducing this appalling record. Let us all make every endeavor to "drive sanely" and "walk sanely" during the campaign, to the end that we may continue to do so and thus save lives.

Signed C. G. Dunklin

Sonora Fire Dep't. Thanks Ozona Boys

To the Citizens and Fire Boys of Ozona, Texas.

"We would like to express our thanks and appreciation for your coming to our assistance the night of our fire. Such acts of friendliness are appreciated and never forgotten. As a token of appreciation, we are enclosing our check for \$50 to be used as you wish for your fire department.

Had it not been for the timely assistance of all, the loss would have been much greater, even that it was. If you ever need us in time of trouble, please call on us.

Yours truly,
The Sonora Fire Department
By Fire Chief.

M. E. CONFERENCE CLOSED WORK HERE THIS WEEK

The District Conference of the San Angelo District convened here at the Methodist Church at 3:00 p. m. Tuesday, entering at once into the business of the conference. Reports were given by the pastors and delegates from the different churches of the district. These reports showed a decided gain over all lines of church work during the past year.

After a delicious luncheon served to the Leaguers of the District by local Leaguers, Rev. Bolton Boon of San Antonio and Rev. Stanley Hoover of Midland took charge of the services. Rev. Boon was the speaker of the hour. He brought an inspirational message to the young people.

Wednesday morning Conference opened at nine o'clock with Dr. Sterling Fisher in the chair. Continuing in an interesting business session until eleven o'clock at which time Rev. H. E. Draper, former Presiding Elder of the San Angelo District, brought the Conference a great message on the Superannuate Endowment Fund.

The noon lunch was served in the basement of the church to 150 delegates and visitors.

The Conference closed its work Wednesday evening after a splendid sermon by Rev. M. K. Tred of Brady.

Junction will get the meeting of the District Conference for 1919.

Sonora Now Has an Athletic Club

Realizing the need of a place of recreation for local people who have time to spend around town, and believing that there is no better or more scientific game than billiards, H. V. Stokes has opened a club here with four new Brunswick pool tables, domino tables and other equipment used in indoor games and athletic events. The club is in the Jackson Hotel and is being managed by H. V. Stokes.

The by-laws of the club prohibit gaming of any kind, drinking or playing by members or visitors who are drinking or any rough-housing of any kind. Mr. Stokes says that the by-laws of the club are to be rigidly enforced.

One of these clubs is functioning in Rocksprings, and Mr. Stokes says that it is well managed and has proven to be an asset to the city. Anyone in small towns, as a rule, especially young men, find so much idle time and visitors that a club of this kind affords a place of recreation.

Mr. Stokes retains his interest in the Rocksprings Record, which paper he established there shortly after the disastrous cyclone last April. His partner, Mr. Hutt, will have charge of the paper during Mr. Stokes' absence.

Miers' Condition Is Not Very Serious

W. A. Mires, local wealthy ranchman, was taken to San Angelo Wednesday evening in a critical condition. Thursday found him to be much worse and word was sent to his relatives here who immediately went to his bedside.

Today at noon his condition was improved, though he was not able to leave St. John's Hospital. Mr. Mier's condition was not considered dangerous, and that he was feeling much better.

FREAK EGG EXHIBITED AT SCHOOL TUESDAY

Edwin (Potty) Hollmig exhibited a freak egg at school Thursday afternoon that his mother had gathered that morning from a chicken hen's nest. The egg, a very small one about two inches in diameter and about the size of a quail's egg, had no yolk or yel-low. Inside of the shell was a half shell about half the size of the outer cover and looked as if it had been cut half in two. This smaller shell showed no indications of fluid. Members of the High School faculty have seen eggs similar to this one, but had complete shells.

W. L. McCurdy, local barber, wife and baby visited relatives in Mertzon over the week-end.

LADIES GIVE LECTURES AT BAPTIST CHURCH

The ladies of the W. M. U. were honored this morning when Mrs. Murry, president of the Concho Baptist W. M. U., Mrs. Smith, Corresponding Secretary, and Mrs. Douglas, mission chairman, spoke at the Baptist Church concerning the great work of the organization. The talks of each speaker were an inspiration to those who listened. Mrs. Murray speaking on mission work and the W. M. U.'s apportionments. Mrs. Douglas spoke on missionary study books and Mrs. Smith's theme was a plea for prompt settlement of the quota to be raised for Howard Payne College in the sum of \$200.00.

The three visitors were luncheon guests of the W. M. U. at the Hotel McDonald.

Hutcherson Buys 3,500 Mutton Goats

B. W. Hutcherson recently bought 800 yearling muttons from W. E. Glascock at ten cents per pound at Barnhart from which place they were loaded for the Fort Worth markets. Mr. Glascock also sold Mr. Hutcherson 450 two-year-old muttons at \$7 per head. These sheep were loaded Sunday at Barnhart for Fort Worth.

Sol Mayer sold to Mr. Hutcherson 2200 yearling muttons which were loaded at Mertzon for Fort Worth. Mr. Hutcherson also bought 150 yearlings from the Experiment Station, and twenty-eight yearling and two-year-old heifers. The heifers were sold to H. P. Cooper, proprietor of the City Market.

Fish and Sophs Were Entertained

Friday night May 4, the Freshmen and Sophomores were entertained at the home of R. E. Taylor with a party and dance. The young people played games and danced until eleven o'clock, and then refreshments were served.

The following were present: Muriel Simmons, Jack Trainer, Allie Halbert, Louie Trainer, Junior Brasher, Zella Lee Thorp, Miss Dorothy Mims, Mae Cauthorn, Emerald Johnson, Stephen Carpenter, Edith McGhee, Elizabeth Caldwell, Granville Barker, Chas. Harold Evans, Seth Lancaster, Dewitt Lancaster, Wesley Hill, Otis Murray, Pottie Hollmig, Lottie Hull, Rostein Pfister, Jack Pfister, Marvin Barnes, Frances Trainer, Mrs. Jim Cauthorn, Lester Archer, Jessie Louise Evans, Lena V. 35 YEARS AGO

(From Devil's River News of March 28, 191.)

The wedding of the popular young druggist, W. H. Cusenbary to Miss Annie Gurley, at the school house Wednesday night, was one of the prettiest affairs it has been the duty of the Devil's River News to chronicle. At eight o'clock the school house, which was handsomely trimmed with evergreens and flowers, was crowded. On the arrival of the bridal party the organist executed the wedding march, and the beautiful bride and handsome groom supported by E. S. Briant and Miss Buena Day and Felix Vander Stucken and Miss Ollie Gurley, passed up the center aisle to the pulpit and were united in marriage by Rev. J. W. Sims, of Junction City. The bride was becomingly attired in cream silk trimmed with lace, flowers and gold ornaments, with orange blossoms in hair. The groom was dressed with regulation black and looked the happy man he ought to be. The bridesmaids were very pretty and pleasantly dressed in cream albatross with trimmings and flowers to match, flowers in hair. The groomsmen in black were handsome and were evidently thinking what a fortunate fellow Henry is and if theirs will be next. After the ceremony the party with a few friends were driven to the residence of Mr. and Mrs. W. A. Stewart, where congratulations were tendered the joyous couple, and regular supper royally disposed of. The party then returned to the school house where a reception and dance was held for a few hours. The presents were numerous and costly, of which the following are a few: D. B. Cusenbary silver set, W. B. Sanderson oxidized silver butter dish and knife, Mr. and Mrs. R. W. Callahan glass set, Mr. and Mrs. Frank Kantz wine set, Max Mayer and E. F. Vander Stucken silver knives and forks, E. S. Briant China tea set, H. C. Reynolds table lamp. Mr. and Mrs. Cusenbary will make their home in Sonora and the Devil's River News and their many friends wishes them a long and happy life.

JOHNSON KILGORE

Thursday evening at 8 o'clock, the marriage of William H. Johnson to Miss Jennie Kilgore, was solemnized at the residence of Mr. and Mrs. O. T. Word, 10 miles south of Sonora, Justice Traweck, officiating. The room in which the ceremony was performed was tastefully decorated with evergreens. The beautiful bride was becomingly attired in cream albatross, trimmed with silk, lace and orange blossoms, with a wreath of orange buds. The groom, in black ever handsome and manly, was particularly so on this occasion, and proved beyond a doubt that fortune favors the brave. The presents were sensible and well chosen. The attendance was very large and after the wedding all enjoyed themselves to the utmost tripping the light fantastic until early in the morning. The supper was one of the best on record and Mr. and Mrs. Word should receive the premium as entertainers. It is doubtful if such a large crowd could be induced to attend elsewhere unless a few more couples as popular and worthy of respect as Mr. and Mrs. W. H. Johnson, to whom the Devil's River News humbly tenders its congratulations and only expresses the sentiment of their many friends in wishing them a long and happy life.

Sonora Girl Member of S. U. Society

Georgetown, Texas, May 5—Eight new members have been added to the Southwestern University undergraduate scholarship society, which is the mother chapter of the scholarship societies of the South. At the recognition service held in the university chapel, Prof. W. P. Davidson, who is president of the more state-wide organization, gave an address on the value of a high scholastic standing in college to the business man.

The new members honored because of their high averages in college work are: Alice Hargreaves of Dallas, La Verne Stirling of Kileen, Evelyn Marsh and Mrs. Alice Marsh, Georgetown, Lula Bell Caldwell of Sonora, George Lee Bennett of Temple, Etta Fly, of Hondo, and Douglas Dashiell of Austin.

BENEFIT PLAY NETTED \$125 FOR P. T. A.

The P. T. A. play, "Clubbing a Husband," was well received at the school auditorium Monday night. The play netted the ladies \$125. Over three hundred were present.

GLASSCOCK SELLS RAMS FOR \$25 PER HEAD

W. E. Glasscock has sold 30 three-year-old rams to Ira L. Wheat at \$25 per head. Mr. Glasscock has contracted to deliver in October 850 head of four-year-old ewes at \$10 per head to Sol Mayer.

The dance was given Wednesday night in honor of Mr. and Mrs. W. H. Cusenbary was largely attended and everybody danced in honor of the bride. The following were present: Mr. and Mrs. W. H. Cusenbary, Mesdames Stuart, C. R. Mathis, J. M. G. Baugh, Dave Dunagan, Geo. Traweck, Jno. Sowell, Frank Large, Eugene Ohlenburg, Perry McConnell, Ike Ford, P. McHugh, L. N. Reynolds, C. F. Adams, Mrs. Carson and Mrs. Oosley, Misses Ollie Gurley, Buena Day, Ella Winson, Lucille Adams, Cotter Dunnagan, Alice Fulcher, Bessie Baugh, Susie Martin, R. E. Chick, Ollie Mitchell and the regulation set of boys.

Misses Ollie Gurley and Lucille Adams called at the Devil's River News office Tuesday.

Mrs. Jno. W. Hagerlund, returned Tuesday from a short visit to Austin.

Mike Wiggling, foreman for Bird & Mertz, was in Sonora Friday. He has 7,000 mutton on the road to Angelo.

The West Texas Utilities Company will celebrate the official opening of the "Great White Way" at Ozona Friday night with a big, free dance at the Ozona fair grounds.

Taylor Rowe, district manager of San Angelo, and Mr. Frye of Abilene are expected at this opening, according to George Murphy, assistant superintendent from San Angelo. Mr. Murphy, J. D. Westbrook, local manager here and Otho Drake, commercial agent will be present.

The Utilities have extended a cordial invitation to everyone to be present at their official opening.

A RANK INJUSTICE

An example of the stubbornness of government bureacrats is seen in the persistence with which the Post Office Department clings to its practice of competing with local printers in the sale of printed envelopes at less than cost.

There is no more justification for this practice than there would be for selling clothing, groceries, or any

other commodity at less than cost, and making up the deficit by taxation. Still, evrey administration, whether Republican or Democratic, has effectivly resisted every attempt to put an end to this unfair and indefensible proceeding.

Local printers do not object to the sale of plain envelopes or those bearing the return address of the post office with a blank line for the name to be written in. They do not object to the printing of individual return addresses practically for nothing, the expense being paid from the public treasury.

It is not selfishness that impels small local printers to protest against this practice. They ask no favors from the government. They merely protest against the rank injustice of a policy which singles them out for a species of discrimination not employed against other citizens and taxpayers.—Morehouse (Iowa) Enterprise.

DID YOU EVER STOP TO THINK

(By Edson R. Waite, Secretary of the Shawnee, Okla. C. of C.)
 That a city should keep dressed up, not once in a while, but all the

while, so that it will appear better dressed and more attractive than other cities.

That the city that is not only a good place in which to live but a good place in which to make a living, makes the strongest appeal to the outside world.

That visitors to a city should be given a pleasant greeting and their visits made enjoyable so that they will be pleased with the city and will desire to buy and work and live in it.

That if a city expects to move ahead in the march of progress it must extend a welcoming hand to the outside world by advertising, thereby showing the people desiring to live in a better city how wise it would be for them to look at their city before settling.

That those who are seeking sites for industries or homes are always seeking those cities that are progressive and who tell the world about it.

The negro population is greater than the white in two States in the United States—South Carolina and Mississippi.

CHAMBERS OF COMMERCE

The growing influence of Chambers of Commerce in State and National affairs is very evident. The world itself is not too large a field for Chamber influence. Chamber of Commerce work has many discouragements—but its widening horizon gives breadth of vision and an opportunity for service whose significance can hardly be overestimated. Membership in your Chamber of Commerce means good citizenship, because a man joins to help the other fellow, and together they help the city and the community. That is the spirit of a Chamber of Commerce—to interest itself in the welfare of the community as a whole. Your Chamber of Commerce may not help you directly, but it does improve the community, and it is hardly possible to improve the community in which you do business without assisting every member in the organization. The Chamber of Commerce works constantly to accomplish only those things most necessarily for the ultimate public good. It is unfair to ask others to carry all the burdens of a community's commercial and civic growth. Everybody should be glad to help. It is a fact that greater achievements for the public good are possible through organized effort. A Chamber of Commerce performs great public service, but it is only through a large and representative membership that a Chamber of Commerce can hope to properly accomplish its purpose of serving a community. What you do for yourself is personal. What you do for your business is for profit. But what you do for your community is unselfish. And you should do it through your

7th Grade Exercises

Tuesday, May 24

Promotion exercises will be held Thursday night, May 24th at the High School auditorium for the seventh grade. While the complete program has not been prepared, the general program has not been announced.

A short program of about fifty minutes will precede a short play, entitled, "No Girls Admitted." All members of the seventh grade will make up the cast for this play. Miss Dorothy Mims will direct the play.

Members of the class are: Ealen White, Gene Saunders, Margaret Williamson, Pauline Rape, Jamie Glasscock, Morris Bricker, Jas. Ed Hutcherson, Willie B. Wilson, Bernice Bricker, Morris Bricker, G. W. Archer, Jr., Walter Hollmig, Charlie Pharis, Elwood Dunklin and Mora Lee Meckel.

Sonora Shells Ozona Pitcher for 12 Hits

The Sonora Bronchs went on a hitting spree here Sunday, defeating the zona Giants in a slow ball game 10 to 3. Smith hurled air tight ball until the latter part of the game when Ozona, aided by errors, scored three runs. Sonora garnered eleven hits to Ozona's six. Kelly King, former Miles ace moundsman, was in the box for Ozona, but lacked control to hold the Bronchs.

This was the third straight game Sonora has won, the other two from Big Lake in one sided scores.

Russel, for Ozona, was credited with four hits in five times up, while Delma Smith, for Sonora got the same number in as many times at bat.

Smith, for Sonora got twelve strikeouts while King for Ozona was credited with nine.

Sonora baseball fans are taking much interest in the team here, and it is believed that, with their support, Sonora will have one of the fastest home talent clubs in West Texas.

Manager Driskell states that dates are open for games with any club, and that this challenge holds good with any club.

Removal of Baylor Unfavorable Here

Most of the Alumni and ex-students of Baylor University, in Sonora are opposed to the removal of that institution from Waco to Dallas. Local Baptists have received this week literature from the Alumni Association of Baylor opposing the move.

The ex-students and alumni of Baylor now residing in Sonora are: Mrs. Edgar Shurley, Rev. J. A. Stephen, and Mr. and Mrs. W. W. Halcomb.

Aside from the sentimental and personal reasons for opposing the proposed move, the outstanding argument against removal is that the Dallas offer of one-half million dollars and one thousand acres of land will not compensate the school for its resources now located in Waco. A recent accountant's report shows a total valuation of over one million eight-hundred thousand dollars assets. In addition the business men of Waco has pledged a \$350,000 stadium, a chapel building, and a girls dormitory. The total value of these three buildings to be approximately one-million dollars.

A called session of the Texas Baptist general convention will be held at Mineral Wells, in June, to vote on the recommendations of the educational committee, which advocates the removal of Baylor.

"A CANDLE BURNING FOR THE LORD"

As a member of the Executive Board of the Y. W. C. A., a member of the National Educational Association and in many other social welfare capacities, she has served creditably and with distinction.

And now the fifteen districts of Mothers and Parent-Teacher Associations meeting in annual conferences in their respective districts, are giving their beloved leader rising votes of love and appreciation and sending to the National Congress of mothers their expression of high regard and affection for her. They know her ability and they are glad to share her with the larger interest of the great organization of which they are a part.

"The doors in the wall of life" seem ever to be opening to Ina Caddell Marrs, and through them she walks by faith into ever widening fields of service, with a fine maternal sympathy and understanding which is womanhood's glory. Always giving her best to "that cry in her heart" which echoes back, "the love of childhood is the common tie which should unite us in the holiest of purposes."

Mrs. Marrs is developing the old-fashioned career of motherhood in the new fashionable way. From the viewpoint of a mother in the home and a teacher in the school she will, as our National President, worthily uphold the standards first erected on that history making day in February, 1897, when the first National Congress of Mothers assembled in the Arlington Hotel in Washington. "The Republic's greatest work is to save its children" was the far-flung battle cry and still comes ringing down the corridor of time, commissioning humanity always to the interest of Children.

Motherhearts, Fatherhearts, and Teacherhearts have caught the appeal and are broadcasting the message on and on as time goes. The heart of Ina Caddell Marrs long ago caught this message and has in her own intelligent way sent it on and out far from the point of beginning.

In the years to be, as President, she will still meet nobly this appeal even as did the great women who preceded her in the line of official duty.

The message will be courageously and worthily carried, the aim, the purpose and the methods will ever be maintained and developed. I dare say in great strength and virility under the guidance of the new President from the Lone Star State.

Texas believes in Ina Caddell Marrs. Texas follows her leadership with tender consideration. She is a woman of great heart, strong faith and willing hands; and a woman who "lifts her head above the fog" in public duty and in private thinking.

Ever keeping fellowship with hearts, Intelligence, Strength, and Dignity are the elements planted deep in the soul of the new President of the National Congress of Parent and Teachers—Ina Caddell Marrs. MARY WATKINS JONES. Mrs. H. Worth Jones) Mrs. Marrs will be remembered

Majority of Seniors Will Go to College

While most of the Senior Class of the local high school are busy at this time preparing for graduation and all of its incidentals, most of them expressed their intentions this week of continuing their education next year in various colleges and universities. Some have not decided definitely their future courses. Their plan for next year, at this time, are as follows:

Weynan Williamson, John Tarlton, Stephenville; Nan Karnes, Vanderbilt University, Nashville, Tenn.; Bernice Stokes, Ward-Belmont College, Nashville, Tenn.; Lida Archer, Pauline Kring and R. E. Taylor, Howard Payne College, Brownwood; Anys Whitley, Texas University at Austin; Thelma Johnson and Alma Ory, will work; Estelle Watkins, Southwest State Teachers College, San Marcos; Joe Hull, undecided; Alvin Hollmig, Schreiner Institute, Kerrville; Jame Caldwell to continue his education but undecided where he will attend school.

Joe Logan Succeeds Glasscock as Trustee

At the Sonora Independent School District election last Saturday in the Gilmore Hardware furniture department, Joe Logan was elected to succeed W. E. Glasscock, who refused to serve owing to business matters requiring his attention.

Mrs. Maysie Brown and R. A. Halbert were re-elected for another term. Teachers will be elected by the new board of trustees tonight, (Friday night), it was announced.

Third English Prince Becomes a Mason

London, Eng.—Prince George was initiated into Freemasonry at a special meeting of Navy Lodge No. 2612, April 12, 1928. He was proposed by his brother, the Prince of Wales, Provincial Grand Master of Surrey, and seconded by another brother, the Duke of York, Provincial Grand Master of Middlesex. It was found impossible, owing to the large number desiring to attend, to hold the lodge at its usual meeting place, the headquarters of the Ancient and Accepted Rite, so the new Temple of the Cafe Royal on Regent Street was chosen.

The lodge was opened and closed by the Duke of York who is permanent Master. The Prince of Wales was unable to attend the meeting but arrived in time for the banquet which followed. A large number of officers of the United Grand Lodge were present on this occasion.

Lord Amphil, Pro Grand Master, in addressing the assembly, said that he whole of the craft was rejoicing and would be rejoicing for many a day to come, that another Prince of the blood royal had been initiated into Freemasonry. The fact that the Royal family took such an important part in Freemasonry was of extreme value to the craft. Freemasonry, he continued was a valuable element in their national life and in the life of their Empire; that value was increased because the Royal family had always regarded Freemasonry with favour and had taken such an important part in its activities.

by many in Sonora. She was the guest of Mrs. S. T. Gilmore for two days at which time she was honored with a luncheon given by the Sonora P. T. A., who also invited the neighboring towns to meet with them (El Dorado and Ozona sending over 20 delegates to meet her). It was indeed a happy occasion for the organization as Mrs. Marrs held her school of instruction and gave us many interesting phases of the work. She is in inspiration to those working with her and we rejoice with the State of Texas that this honor has been bestowed upon her.

**Livestock Trading
Continues Active**

Livestock deals continue active in this section, according to recent sales made by T. L. Benson Commission Company. The following sales were made during the past ten days:

Sold for Jess Elrod, Eldorado, to C. K. Middleton, Greenfield, Ohio, 640 yearling ewes at \$10; 480 yearling weathers for B. R. Murphy and 200 for Willis Burk to northern feeder buyers; sold 700 yearling ewes for J. A. Whitten of Eldorado, to Jim Bledsoe of Boulder, Colorado; 1900 yearling chevons at \$5 for C. T. Jones of Eldorado to Thompson and Duderstadt of Junction; sold 900 goats for Ben Mittel, 500 for John Fields and 600 for J. C. Baker to Jim Thompson, all at \$5 per head.

Recent rains which have benefited the range in this county, wool having been contracted for a good price, mohair selling good, all classes of cattle demanding a good price, the ranch men here are feeling optimistic for another good year.

Various ranchmen over the county, despite a dry spring, reported from seventy to ninety per cent lamb crops. Fair calf crops and kid crops were had. Some calves have been contracted for \$35.00 for fall delivery. Several of the ranchmen have contracted their lamb crops for September delivery for \$7.00 per head.

**Protect Your
Investment
in Your
Model T Ford**

THE Ford Motor Company is making a new car, but it is still proud of the Model T. It wants every owner of one of these cars to run it as long as possible at a minimum of expense.

Because of this policy and because of the investment that millions of motorists have in Model T cars, the Ford Motor Company will continue to make parts until, as Henry Ford himself says, "the last Model T is off the road."

More than eight million Model T Fords are still in active service, and many of them can be driven for two, three and five years and even longer.

So that you may get the greatest use over the longest period of time at the lowest cost, we suggest that you take your Model T Ford to the nearest Ford dealer and have him give you an estimate on the cost of any replacement parts that may be necessary.

You will find this the economical thing to do because a small expenditure may enable you to maintain or increase the value of the car and give you thousands of miles of additional service.

No matter where you live you can get these Ford parts at the same low prices as formerly and know they are made in the same way and of the same materials as those from which your car was originally assembled.

Labor cost is reasonable and a standard rate is charged for each operation so that you may know in advance exactly how much the complete job will cost.

Always... a square USED CAR deal from the Buick Dealer

The Buick dealer is in business to stay. His future reputation depends upon his treating used car buyers fairly.

He wants to please used car purchasers because he knows that satisfied used car customers, are prospective new Buick buyers.

The man who buys a good used car—honestly represented—at a fair price—receives splendid value in transportation.

In his enthusiasm for the car he has bought, and the value he has received, it is only natural for him to look upon the dealer as his friend.

The Buick dealer has many such friends because he represents the true condition of the used cars he offers for sale.

And that is good business—for the Buick dealer, as well as the used car buyer.

High In QUALITY Low In PRICE

There's a big difference in tires, although they all look pretty much alike.
 Some are made with skimpy, short staple cotton. Some have an overdose of "filler" in the rubber of the tread. Some are long on looks and short on quality.
 But you won't need a microscope to be sure that the Goodyear Tire you get from us is a real buy. Goodyear mileages tell the story of "The World's Greatest Tire."
 Goodyears are performing so satisfactorily for our customers, that they invariably come back—not with a kick but with a boost, and for another Goodyear when they need tire equipment.
 We have your size—in fresh, new stocks—at low prices.
