Wanted—The Devil's River News needs an employee (man or woman) for news and general office work. College helpful, but not absolutely necessary. Age not important if it does not affect productivity.

Job will entail writing news stories, and meeting the public. Willing to train someone potentially capable.

On page 7 of this week's "Devil" is an article we hope to be a regular weekly feature. Roosevelt News, by Mrs. L. D. Hollmig, carries a wide variety of happenings to the east of Sonora which we would not be able to cover without the help of our new correspondent at the Fort Terrett Station. We hope the folks at Roosevelt enjoy this new feature and will feel free to call in their news to Mrs. Hollmig.

One - Half Million Sought in Suit

Jury selection was completed Monday and trial began Tuesday in District Court in a suit seeking \$608,500 damages arising from a train-auto accident near Hereford. Four of the Latin Americans from Rocksprings were killed and the fifth allegedly permanently and totally disabled in the accident in 1962.

Claude Gilmer of Rocksprings, Pierce Stevenson of Junction, and James W. Witherspoon of Hereford are lawyers for the plaintiffs.

The case is being tried before Charles Sherrill, District judge.

BOSTICK TO BE PASTOR IN BIG SPRING CHURCH

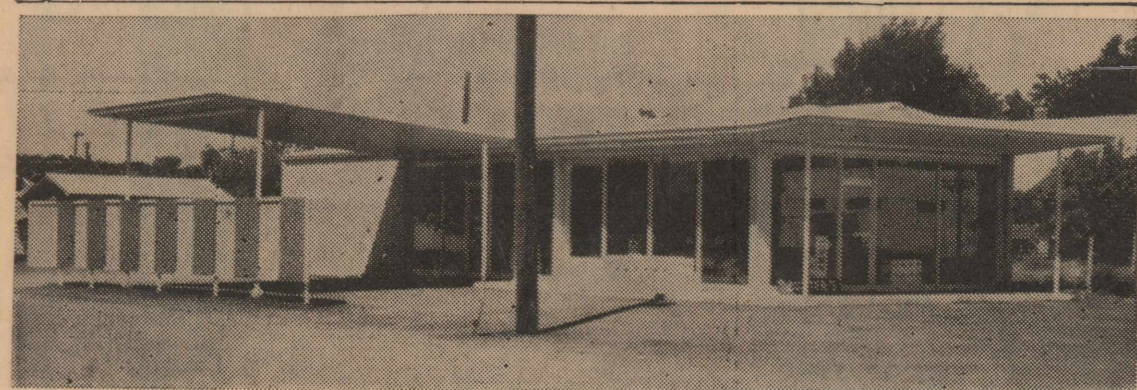

The Rev. and Mrs. Ronnie Bostick are moving this week from Clyde to Big Springs. He will assume the duties of pastor of the Airport Baptist Church there.

Mrs. Bostick is the daughter of the Rev. and Mrs. Rodney Dowdy.

TOM HORTONS TO RESUME STUDIES IN LUBBOCK

Mrs. Tom Horton, daughter of the Rev. and Mrs. Rodney Dowdy, will resume nursing training September 21 at Methodist Hospital in Lubbock.

Her husband is beginning his senior year studying animal husbandry at Texas Technological College.

OPEN HOUSE will be observed Friday and Saturday by Buster's and George's Package Store. The building, erected one block west of the Del Rio cutoff on US 290, features steel construction and extensive use of glass. The building is air conditioned and features tile

floor, suspended ceiling, and a large display-type refrigerated cabinet with glass self-service doors. Buster Shroyer, former owner of Buster's Package store, and George Humphrey, of Eldorado, plan to have door prizes and a drawing for prizes Saturday at 5:30 p. m.

Annual Labor Day Golf Tournament Scheduled

The annual Labor Day Club Tournament will be held at Sonora Golf Course Sunday and Monday, September 6 and 7, with trophies to be awarded to flight winners and runners-up.

The 27-hole match play will consist of 9 holes played Sunday afternoon and 18 holes played

Merchants Meeting Scheduled

The operation of a retail merchants association will be explained at a meeting September 10.

Mrs. Hubert Baker, owner of the Retail Merchants Association of Sonora, says that local merchants are invited to attend the meeting Thursday night at 7:30 in the fellowship hall of the First Methodist Church.

Baird M. Nevill, assistant executive vice-president of the Retail Merchants Association of Texas, is scheduled to come from Austin to discuss the services and operation of such an association at the meeting.

Youth Form GOP Unit

The Sutton County Republicans have announced the formation of a Teen-Age Republican organization in Sonora. The group includes young people in the eighth grade through high school who are interested in supporting Barry Goldwater for President as well as other conservative candidates at both state and national levels.

The new TAR group will help in various capacities during the campaign. They will attend several political rallies in other towns and possibly help organize one in Sonora. They hope to sponsor an essay contest to encourage constructive thinking along the lines "What Is a Conservative?"

John Tedford, county Republican chairman, in announcing the new organization, stated that he was "amazed at the extent to which many of our young people understand the basic issues involved in this campaign and the importance these issues hold for all Americans at this critical time."

He added that "many adults could well learn a lesson from these young people regarding their responsibility as qualified voters to know the background of candidates and the issues at stake in this election."

Any young person interested in joining the TAR organization should contact Dick Hardgrave or Brenda Browne.

Season Football Tickets on Sale

Season football tickets remain on sale in the central administration office of Sonora Public Schools.

Rex Lowe, superintendent of schools, reminds Bronco football fans that those who purchase tickets now may reserve the same seats that they had last year.

He says that the season ticket reserves a seat for the holder on the "home" side of the stadium. He adds that crowds are expected to be large this year since Sonora is once again meeting nearby towns such as Ozona and Eldorado in district play.

Price is the same as last year, \$6.25 for the five home games.

Broncs Face Mason Punchers In Football Season Opener

By Gary McGilvray

The Sonora Broncos will kick off the 1964 football season Friday night at 8 p.m. when they meet the Mason Punchers at PUNCHER field.

Jerry Hopkins, coach, says that Mason is not expected to be as tough offensively this year as they were last year.

Raymond Rapp, Mason coach, expressed surprise after a scrim-

mage with Marble Falls last week that the Puncher's "defense so far has failed to jell."

Hopkins seemed generally pleased with the Broncos after their scrimmage last Saturday with Del Rio. He said that the team looked good, especially on defense.

In the scrimmage at Bronco Stadium Del Rio got the ball first, but moved slowly against

a tough Bronco defense. After a scoring play around left end, Del Rio tried a long pass which was intercepted by Bill Elliott, who made a fine return of 25 yards.

Sonora then put the ball in play on their own 35-yard line with Elliott and Laney Cook alternating at quarterback. Sonora moved the ball fairly well with John David Fields and Ed-

die Howell doing most of the running.

Cook, who injured his knee in the scrimmage, is expected to be back in the lineup in a couple of weeks.

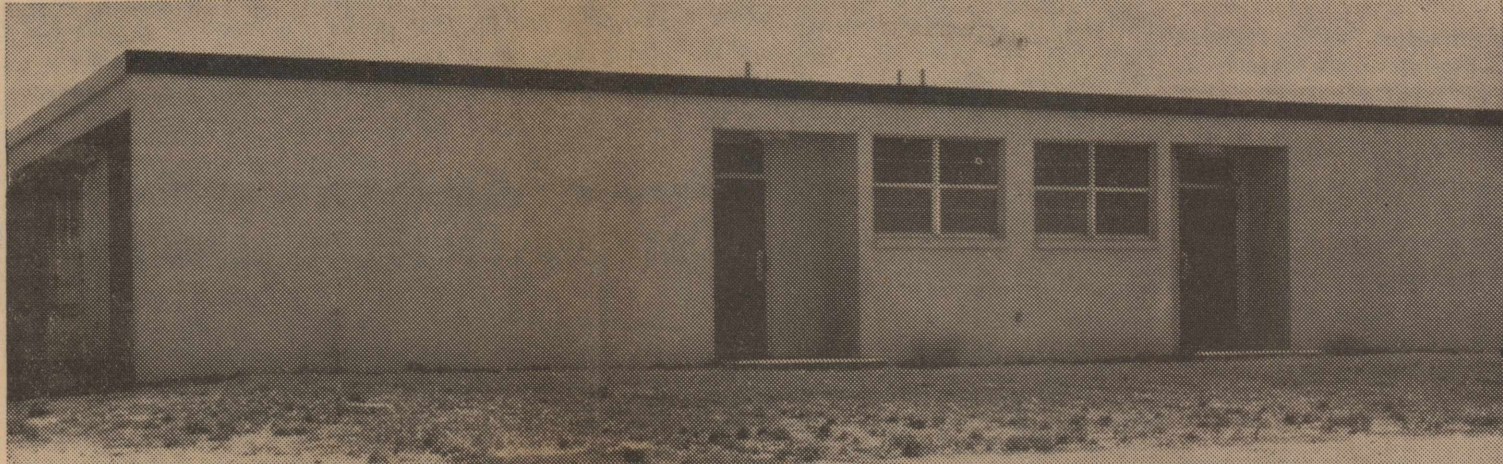

The Broncos started twice-a-day workouts August 17 and have just recently cut workouts to one each day.

Forty boys have come out for the team, with ten lettermen returning.

The Bronco roster includes the following:

Name	Pos.	Wt.
Moore, Joe	C	151
Bloodworth, Bert	C	161
Johnson, Brent	G	162
Brown, Pat	G	150
Castro, Alex	G	146

Perez, Ben	B	141
Shurley, Jerry	B	131
Howell, Eddie	B	163
Fields, David	B	165
Gosney, Mike	B	151

Managers are Robert Brown and Eddie Sawyer, and coaches are Hopkins, Dennie Hays, Bob Painter, Oliver Wuest, and Bob Snodgrass.

NEW FIELD HOUSE for the Sonora Broncos replaces the barracks type building that served in years past. The new cement block construction building has 2 dressing rooms, an

equipment room and a shower area. Construction began this spring and will be completed with the erection of a blind in front of the doors.

Funeral Rites Held For Mrs. C. G. Frame

Funeral services for Mrs. Charles G. Frame, sister of the Rev. J. E. Eldridge, were held Monday, August 31, at 10:30 a. m. at the N. S. Griggs and Sons funeral chapel in Amarillo.

Mrs. Frame died at 8:15 a.m. Friday after an extended illness. Born Erma Eldridge, she had lived in Amarillo for 55 years. She was 77 years old.

Other survivors include her husband; one daughter, Mrs. R. J. Weaver of Amarillo; three sons, J. H. Frame of Tyler, Carroll Frame of Arcadia, California, and W. H. Frame of California; one sister, Mrs. Viola Frame of Amarillo; two grandchildren; and one great grandchild.

MISS GONZALES AWARDED TROPHY FOR HAIRSTYLING

Miss Irma Gonzales, daughter of Mrs. Mike Gonzales, was presented a trophy for first place in a hairstyling contest Sunday in San Angelo.

Miss Gonzales recently completed a beauty training course at Jean's College of Beauty in San Angelo.

TS&GRA Fall Meeting Slated in Corpus Christi

The Texas Sheep and Goat Raisers' Association's quarterly directors' meeting is to be held in Corpus Christi, Friday and Saturday, September 11 and 12, at the Robert Driscoll Hotel.

Committees will begin meeting at 1 p.m. Friday, September 11. The Texas Animal Health Commission and the Southwest Ani-

4 - H Members Win District Awards For Record Books

On August 27 Ray Glascock and Jo Ann Lowe went to Fort Stockton to the District Six 4-H Council Workshop as representatives from Sutton County 4-H Club. The workshop was held to outline general arrangements for meetings and to judge 4-H record books.

Those entering record books from Sonora in the senior division were John Paul Friess and Ray Glascock. John Paul entered the Danford Achievement Program and won this district honor, qualifying him to compete in the state contest. Ray won the district Texas Sheep and Goat Raisers' Association Award Program and will also take his book to state.

In the junior division Jerry Shurley Jr. and Mark and Scott Jacoby were competing for honors. Mark and Scott brought back blue ribbons.

One of the main activities of the Council was a discussion of the 1964 Gold Star Banquet and the selection of a site for it. Sonora was chosen to host this event on December 12. This selection is considered an honor since larger towns in the district are usually chosen for the banquet.

Jo Ann was selected as District Six Council alternate representative to attend the State Fair Awards Banquet in Dallas during the State Fair of Texas. In other business the Council elected officers for 1965.

NEW EMPLOYEE

Freeman Miers has been employed by the Sonora Food Locker, according to M. C. Scott.

mal Health Research Foundation will be guests of the Animal Health Committee to discuss provisions and advantages of proposed changes in the Scrapie Eradication Program.

If promotional activities will make a meeting a success, then the Fall Directors' Meeting of the TS&GRA will be one of the best ever. Restaurant and grocery stores will feature lamb. Lamb recipes will appear in local papers. Wool and mohair is to be promoted in Corpus Christi department stores.

The highlight of the meeting will be the appearance of Lynda Allen, Miss Wool of Texas, who

will model informally at a coffee given in her honor by the TS&GRA Woman's Auxiliary.

President of the TS&GRA is Vestel Askew.

In addition to Mr. and Mrs. Askew, other Sonorans will be attending the meeting. Among those with tentative plans to attend are Mr. and Mrs. Lea Alclison, Mr. and Mrs. W. B. McMillan, Mr. and Mrs. R. A. Halbert, Mr. and Mrs. Edwin Sawyer, and Fred Earwood.

Wallace Horse Is In Ruidoso Futurity

Peck's Bar, owned by R. W. Wallace, has qualified to run in the \$302,060 All-American Quarter Horse Futurity at Ruidoso Downs, N. M., Monday, Labor Day, September 7. A time of 20.91 qualified the horse trained by Perry Walker and ridden by Billy Powell.

Hankins' Bar, owned by Lowell F. Hankins of Rocksprings, also qualified with a time of 20.85.

Cancer Board Plans Activities

Plans for the coming year were made at the meeting Monday of the board of directors of the Sutton County unit of the American Cancer Society.

Louis Droll, ACS representative from San Angelo, reviewed the past year's activities with the board members in the office of Dr. Charles Browne. The group also discussed goals for

Present at the meeting were Mrs. Alvis Johnson, Bob Johnson, Mrs. Ben Cusenbary, Mrs. W. D. Kerbow, Mrs. Joe Hull, Mrs. Myrtle Sellman, Mrs. Doc Rape, Mrs. Curt Schwiening, Mrs. J. T. King, and Mrs. W. L. (Tom) Davis.

Next meeting of the board is scheduled September 17.

Prospects Claimed Mostly Favorable For Dove Season

Texas sportsmen kicked off the fall wildlife harvest in the north mourning dove zone at noon Tuesday, September 1, with the prospects generally favorable, according to J. Weldon Watson, executive director of the Parks and Wildlife Department.

He said the annual wildlife roundup just made by the Department shows the mourning dove population to be about the same or higher than last year in three of the five state regions.

Recent rains, expected to scatter doves concentrated around water holes during the dry spell, could add to the rigors of the hunt in some places.

Watson said field personnel indicated the dove numbers are particularly promising in deep south Texas and in southeast Texas. In the Edwards Plateau numbers reportedly increased slightly.

Mourning dove hunting regulations are basically unchanged, said Watson. Daily shooting is from 12 noon to sunset. Daily limit is 12 and the possession limit is 24. Shotguns must be plugged permanently to three-shell capacity. Hunting doves with rifles is prohibited. One feathered wing must be retained on dressed doves as a means of field identification.

The north zone season, which includes Sutton County, is from September 1 through October 30.

The south zone season is from September 26 to November 24 except in those counties having whitewing season where it will be September 26 to November 20.

The weekend white-winged dove season, mainly in counties along the Mexican border and adjoining counties, is Saturday and Sunday September 5 and 6, and Saturday and Sunday, September 12 and 13.

THEY DON'T JUST HAPPEN

Labor Day is a youthful institution, as national holidays go. But its place in the national life is secure and honored. It provides a formal and well-earned salute to all working people, within and without the unions. And this is a tribute that goes beyond the changing problems and controversies that have to do with labor legislation and labor's rights and privileges.

Too, Labor Day has another special characteristic. It gives many a three-day holiday in this age of the five-day work week. And millions of people take advantage of it to journey in search of new sights and scenes, or to go again to favored vacation spots. Labor Day has become a day of fun, relaxation and sports.

Unhappily, however, that bright prospect is

not realized for an appallingly large number of us. They are the victims of Labor Day's toll of deaths and injuries. The mishandled automobile becomes a killer of almost warlike dimension. The toll of drownings steadily mounts, and ignorance or disregard of the rules and precautions that are essential to safe boating are big factors.

The tragic part of it all is that the vast majority of these and other accidents are totally unnecessary. They don't just happen—careless, thoughtless and uninformed human beings make them happen. If all of us this coming Labor Day period would use just rudimentary caution wherever we go and whatever we do, the expected accident toll would be reduced spectacularly. How about it?

Colt .45s Schedule Final Home Stand Of 1964 Season

The Houston Colt .45s' final home stand of the season opens at Colt Stadium on Friday, September 11, and runs through September 27 with the .45s meeting the Pittsburgh Pirates, Philadelphia Phillies, New York Mets, San Francisco Giants and Los Angeles Dodgers in the 14-game stand.

Danny Murtaugh's Pirates open the stand with night games Friday, Saturday and Sunday, September 11-13.

The Pirate weekend series will feature the special "Bat Night" when the .45s will give away free an approved Little League bat to every youngster that comes to the September 12 game accompanied by a parent. The "Miss Colt .45" contest will also be held during this series and Sunday, September 13, will be "family night" with all children, 16 or under and accompanied by a parent, admitted free to the general admission section and receiving a \$1.50 reduction on box or reserved seats.

The fighting, first place Phillies, who appear well on their way to the National League pennant, will play three straight night games on Monday, September 14, Tuesday, September 15, and Wednesday, September 16.

Casey Stengel's amazing Mets meet the .45s in a weekend series Friday, Saturday and Sunday nights, September 18-20, in a "Family Weekend Special." All games will be "Family Night" with ticket reductions for the kids. In addition, Saturday night, September 19, will be "Scout Night" with all Scouts admitted free.

Willie Mays and Orlando Cepeda will lead the San Francisco Giants into Colt Stadium for night games Monday, Tuesday and Wednesday, September 21-23, with field events scheduled before Monday's game and "Good Samaritan Night" Tuesday. The .45s will donate part of the proceeds from Tuesday's night game to the Good Samaritan Nursing organization.

The colorful Los Angeles Dodgers, led by the great Sandy Koufax, close out the .45s final home stand of the season in night games on Friday, September 25, and Sunday, September 27. Sunday night will be "Family Night".

Mr. C. F. Fehl, Church of Christ minister, recently conducted services at a gospel meeting at Morgan Mill. Mr. and Mrs. Fehl lived at Morgan Mill for four years before coming to Sonora.

Coast Guard Seeking Ex-Servicemen

Qualified men who have served as enlisted men or officers in any branch of the Armed Forces can join the U. S. Coast Guard Reserve in the pay grade they held at time of discharge.

During the term of enlistment, which may be 3, 4, or 6 years, Coast Guard Reservists attend weekly drill meetings. Once a year they devote two weeks to training away from home. Since these men receive a full day's pay for each drill period and regular pay for the annual two week's training, they find service in the U. S. Coast Guard Reserve can convert spare time into a worthwhile second income. In addition, they can retire with pay at the age of 60 after 20 years of service.

For complete information about opportunities in the U. S. Coast Guard Reserve, interested ex-servicemen are invited to call or visit their local Coast Guard Recruiter.

Philosopher Proposes Novel Scheme To Start Things Popping at Conventions

Editor's note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River takes a second look at the conventions in his letter this week. Dear editor:

After spending nearly two weeks watching both national political conventions this summer, a friend of mine said he'd been studying the problems carefully and the way to eliminate all the argument and trouble over seating delegates and trying to write a platform that'll please the conservatives, the moderates, and the liberals is to operate three parties.

This has some merit, since to a conservative a moderate is a liberal and to a liberal a moderate is a conservative and to a moderate both ends are wrong but it won't work.

It wouldn't make a good television show.

You get a convention hall full of people who all think alike and agree on everything, and there'd be nothing left for them to do but listen to the speeches, and anybody knows half the delegates can't bring themselves to listen half the time.

Television has long since discovered that keeping its cameras on the speaker's stand is the best way to lose its rating, and the only way to keep things lively is to send reporters around the hall with portable gear to get in on the squabbles, and if they can't find one, stir up something anyway.

I tell you, a football game Mrs. Jewell Elliott of Eddy has returned home after a visit with her sister, Mrs. Zilpha Wheelis.

IT'S THE LAW IN TEXAS Exhibits Help Jury Understand Facts

It is not unusual for lawyers to enter a courtroom carrying with them such things as moving-picture apparatus, toy automobiles, dolls, chalk and black boards, and a miscellany of other assorted devices to be used in the course of a trial.

In recent years courts and attorneys have come to realize the great importance of the fact that a jury is apt to better understand what he sees rather than what it may hear. Exhibits often speak louder than words.

Of course, any exhibits introduced must be properly identified by testimony as to the place taken, and are admissible only if proved to be relevant to the issues involved.

There are many varieties of visual evidence. Of common use and very important are the exhibits used in cases involving questionable documents such as wills, deeds and important papers that are claimed to be forged, or the authenticity of which is in issue.

Specimens of handwriting or of typewritten individual letter-characters are enlarged many times and shown on graphs and in picture form to prove characteristics, similarities, or differences.

Philosopher Proposes Novel Scheme To Start Things Popping at Conventions

where spectators spent most of their time running up and down the aisles arguing over the eligibility of a third-string tackle and speculating on who the coach was going to send in next at quarterback, wouldn't last long as a national sport.

Actually, to make the best television show, two parties are enough and they both ought to hold their conventions at the same time in the same hall. Turn them loose and let the cameras grind. Things would get to popping then.

Yours faithfully,

Austin Highlights and Sidelights

Johnson's Campaign Plans Bear "Made in Texas" Label

By Vern Sanford
AUSTIN, TEX.—Initial post-convention plans and strategy mapped by President Johnson for the November general election campaign will bear a "made in Texas" label. "Made in Austin, Texas" would be more specific, for much of it will originate here.

The President, his nomination as the Democratic party's standard bearer secured, hurried home to his ranch to rest up and do some thinking.

His visit attracted greater interest than any since his first as president, during the Christmas-New Year season.

With Vice Presidential Nominee Hubert Humphrey as his guest at the ranch, private talks inevitably turned to the battles ahead.

Gillespie County Democrats welcomed the President back to his home county with a Hill Country-style birthday celebration and barbecue two days after his 56th birthday.

OPERATION MOTORCIDE—Col. Homer Garrison Jr., Head of the State Department of Public Safety, announced that "Operation Motorcide," the grim tabulation of Labor Day week-end traffic deaths as they occur, will go into effect Saturday, Sept. 5, at 12:01 a.m.

Garrison said his department estimates 36 persons will be killed on streets and highways during the 72 hours from the beginning of "Operation Motorcide" to 11:59 p.m. Monday.

But he said the prediction won't come true if ALL drivers make certain both themselves and their vehicles are in excel-

lent condition, and if they use "caution, courtesy, and good sense" at all times while at the wheel.

EDUCATION REPORT BEATS DEADLINE—Gov. John Connally's Committee on Education Beyond the High School has completed its report and recommendations for excellence in Texas colleges and universities.

The 64-page report, recommending doubling of higher education expenditures within the decade and placing of all institutions under a strong coordinating board, has been delivered to the governor.

REDISTRICTING HEARINGS TO WIND UP—Congressional redistricting hearings conducted by a Texas Legislative Council committee will wind up here next month.

Meetings already have been held in Fort Worth, Dallas, Houston, San Antonio, Lubbock and Tyler.

Committee chairman, Sen. George Moffett of Chillicothe, said the group has "many suggestions" for redistricting.

Its big job now is to mold together and come up with a reasonable plan or set of plans for legislative consideration, thus carving the state into 23 congressional districts as nearly as possible equal in population.

CONSTRUCTION PEAK HIT—Texas construction reached a 35-month peak during July.

It was the greatest building month of the year and second highest month in nearly 18 years of records compiled by the University of Texas Bureau of Business Research.

A whopping \$140,600,000 of

building was authorized in July. It represented a 21 per cent increase over June.

Bureau also reports that retail sales in the state during July rose two per cent over June. Normally there is a small decline between the two months.

Meanwhile, the U. S. Department of Commerce reported that the average income of Texans rose last year from \$1,973 to \$2,068.

BUS FARE HEARING SET—Hearings on a request from 31 bus lines to raise their intrastate passenger fares by 10 per cent were set for September 19 by the State Railroad Commission. Motor bus express and C.O. D. charter coach services also seek an increase.

The lines, including major carriers, maintain they have had sharp cost increases in their operations since 1961, when fares were raised five per cent.

YOUTH COUNCIL ASKS INCREASE—The Texas Youth Council—administrator of Gatesville and Gainesville schools for delinquent youths and of juvenile parole programs—told examiners from Governor Connally's and the Legislative Budget Boards' offices it needs to raise its biennial budget by \$6,200,000 to \$18,300,000 for fiscal 1966-67.

Council's director, Dr. James A. Turman, warned that the youth-reform systems would be set back to the difficult days of 1957 unless the State Legislature approves a sound, long-range program of care and construction.

In addition to \$3,400,000 for construction at Gainesville, Gatesville and Crockett schools for juvenile offenders, the Council proposed establishment of a \$1,388,367 home for dependent, neglected and orphan children, (but did not suggest a location). This because the State orphans homes at Waco and Corsicana are crowded to capacity, and expansion at those sites was not deemed practical.

OIL FIGHT—Independent oilmen from East Texas Field took on major companies at a Railroad Commission hearing at which a proposal was made by Atlantic Refining Co. to give additional allowable to wells in that giant old field. The wells now have allowable on a per-well basis only, and Atlantic wants to add production based on acreage.

Small operators, conceding that it would increase their allowables, too, fear that if the Atlantic plan were adopted, it would open the door to a court review of the field rules, which could easily result in wiping out the allowables of wells drilled on tiny townlot tracts.

But the hearing also brought out a major inequity, and court action could come on that. A well capable of making only 19 barrels is exempt from shutdown days under a state law, so it can produce 30 days a month. But a well making 20 barrels a day is limited to about eight days' production a month. So the poorer

wells get to produce more oil the better wells.

DRAFT DODGE CARRIES PENALTY—Noting that an estimated 6,000 to 8,000 18-year-old men have not conformed with the draft registration law, Col. Morris S. Schwartz, State Director of Selective Service, issued a reminder that 18-year-olds who wait more than five days after their 18th birthday to register with their local board are subject to penalty.

Maximum penalty for failure to comply with the draft law, Schwartz said, is five years in prison, a \$10,000 fine, or both.

WATER NEWS—Texas Water Commission will hold a hearing on the Colorado River Municipal Water Authority's application to build a dam at Robert Lee on the Colorado River on October 19 at 10 a.m.

Commission gave the Guadalupe-Blanco River Authority permission to build a low-water dam near the mouth of the Guadalupe River in Calhoun County. The dam will have a rubber top, so it can be deflated when the river flows are high—if that day ever comes again.

Continuing its "clean-up" of unused water rights in Texas, the Water Commission this week cancelled out reduced water rights in Kimble, Mills and Coleman Counties which dated back as far as 1904.

NEWSPAPERS MUST WAIT—Atty. Gen. Waggoner Carr has ruled that the State Treasurer can put cost of publishing names of persons having money coming to them through insurance policies or annuities "on the cuff" and pay the newspapers later, as money accrues to a special state trust fund.

Advertising costs under the insurance escheat provision cannot be paid from the treasurer's own general appropriation, the opinion continued.

SHORT SNORTS—State Highway Department will open bids for construction of a new district office building at Brownwood on September 17... November 25 through January 3 is the date for the open season on ducks and coot set by the Parks and Wildlife Commission... Agriculture Commissioner John C. White granted cotton farmers in Hidalgo, Starr, Cameron and Willacy Counties (Pink Bollworm Control Zone No. 1) a 12-day extension of the plow-up deadline—until midnight September 12... Highway Department reports that motor vehicles registrations in Texas rose about 61 per cent over the past 10 years, with passenger cars and commercial trucks setting the pace, while marked decreases were shown in farm-truck and city-bus registration... Attorney general's opinion advised Grayson County Attorney Dean Martin that the county judge's opinion must be secured before seismograph blasts can be performed on land situated in Grayson County under Lake Texoma... State Health Department advised parents to be sure their young football-playing sons wear proper, well-fitted protective equipment... DPS Chief Calls For Common Sense In Holiday Traffic

Col. Homer Garrison, director of the Texas Department of Public Safety, announced this week that "Operation Motorcide," the grim tabulation of Labor Day traffic deaths as they occur, will go into effect at 12:01 a.m., Saturday, September 5.

The Department has estimated that 36 persons will be killed on Texas streets and highways during the 72-hour holiday period, which will last until 11:59 p.m. Monday, September 7.

Garrison called upon the driver

ing public to join in a "crusade of common-sense driving to lessen the toll of tragic holiday deaths caused by motor vehicles."

"The heaviest concentration of moving vehicles is during holiday periods," he pointed out, "and it is during these times that drivers should exercise caution to the utmost."

"There is always a chance that the estimate of traffic deaths can be proved too high if all motorists put forth a concerned effort toward holding the line against accidents by staying especially alert to the added dangers of holiday travel."

The DPS Director said Labor Day this year comes at a time when traffic tragedy appears to be outstripping that for 1963, when an all-time high of 2,729 deaths were tabulated. He reported that more than 1,700 persons have been killed already

this year for an increase of over 12 per cent, adding that if the trend continues the toll for 1964 will exceed 3,000 traffic deaths.

The Department of Public Safety will continue in their all-out effort to curb traffic accidents and to stop reckless and illegal driving on the highways, Garrison said. Officers from other DPS uniformed services will be assigned to Highway Patrol duty during the holiday period to add to the enforcement effort.

A&M Lab Tests Evaluate Water Used in Irrigation

Rather than be in doubt as to possible harmful effects of the irrigation water on future soil productivity, Jim Valentine, area Extension soil chemist, suggests farmers and ranchers have the water evaluated by a chemical analysis. The ideal time to collect samples is during the highest period of water use.

This need is particularly acute with new wells and in instances where wells are deeper than average for the area. Valentine says it is known that common salt in high concentrations may exist below the red bed formation. If wells extend into this strata, there is a greater possibility of dangerous salt levels in the water.

Soils vary widely in their ability to tolerate salt without being harmed—and some crops are more tolerant than others. Clays, where water intake rate is already slow, can be made even less porous by water high in sodium. Obtaining stands can become a problem on lighter soils due to sodium accumulation that "seals" or crusts the surface.

Water samples may be submitted to the Soil Testing Laboratory at Texas A&M University. Samples must be accompanied by the completed information Sheet D-617, available at the local county agricultural agent's office. The present fee is \$5.00 per sample.

Teen Scene

By Carol Hopf

The 64-65 school year opened fine Monday. Everyone but the freshmen got off to a perfect start (they sat in the wrong place during assembly.) We won't mention those students who lost their schedule slips.

A new schedule was explained by Mr. Morgan. The school will begin at 8:15 rather than 8:25 and will end at 2:30 rather than 3:30. There will be no activity period in the morning, and the lunch "hour" will be cut down to 31 minutes.

A seventh period (from 2:30 until 3:30) will be available for those students who need individual help in their low classes. This will enable them to catch up with the rest of the class. Students who have six solid subjects will now be able to use the library. This period may also be used for meetings, pep rallies, assemblies, etc., without having to take time from regular classes. Football boys will especially benefit as getting out an hour earlier will give them more time after practice to be devoted to studies and leisure activities.

Buck Bloodworth and Dick McMillan have gone to Ruidoso to visit Buck's grandparents be-

fore they must go to college. Buck will be going to Howard County Junior College; Dick will attend the University of Texas.

Ronnie Cox has been in Sonora to visit Alice Lee Duncan. Ronnie is living in Midland and will return to the University of Texas. Alice Lee went to summer school in San Angelo; she plans to attend the University also.

Sarah and Eddie Sawyer are home again. They had a nice, cool visit to Maine. There must really be an enormous difference

An Idle Mind Column

By Della King

The call of college is luring Mary Davis away from our office. She will be leaving soon to go to San Marcos, where she will be a freshman student at Southwest Texas State College.

Mary was busy at school last year since she was a senior, editor of the school newspaper, and member of the National Honor Society, choir, and band. But she found time to write a

column "Teen Scene," keeping tabs on the high school set.

Also during the past year in her after-school hours, on Saturdays and during vacation Mary has been our chief office girl, cashier, cheerer upper, book-keeper, doughnut getter, clerk, mail deliverer, and window cleaner. In her spare time she has written news articles, taken pictures, and addressed newspapers.

We hope that San Marcos realizes the extent of our sacrifice in the interest of education.

Glasscocks Observe Golden Anniversary

Mr. and Mrs. Joe Sim Glascock were honored by their children Sunday in celebration of the couple's 50th wedding anniversary.

Hosting the party were Mr. and Mrs. V. J. Glascock, Mr. and Mrs. W. A. Glascock, and Mr. and Mrs. Russell Oliver.

Members of the houseparty were Mmes. Walter Freeman, Ernest McClelland, L. E. Johnson Jr., Paul Turney, Hub Hale, Harold Friess, and Ben Cusenbary. Also in the houseparty were Misses Allison Espy, Gail Espy, Betty Jack Cooper, and Cindy Galbreath. Punch and cake were served.

Mr. and Mrs. Glascock were married in Sonora August 31, 1914.

Miss Janice McKenzie Becomes Bride Of Eugene Schulz in Church Ceremony

Woodland Heights Baptist Church in Brownwood was the scene of the August 1 wedding of Miss Janice McKenzie to Eugene Schulz.

After a short trip the couple is living in Waco.

The bride is the daughter of Mr. and Mrs. S. M. McKenzie of Brownwood, formerly of Sonora. Grandparents of the bridegroom are Mr. and Mrs. W. H. Schulz of Miles.

The Rev. H. A. Hutchens, pastor of the Woodland Heights Baptist Church, officiated.

The bride chose a gown of white organza with lace over-

skirt. She carried a bridal bouquet of white Japanese orchids.

Mrs. John Calhoun of Austin attended her sister as matron of honor. Bridesmaids were Miss Sherrell Mckenzie, sister of the bride, and Miss Vergie Lou Franks of Sonora. The bridesmaids wore lavender dresses and carried bouquets of white spider mums interspersed with lavender grapes.

Serving as best man was Larry Shearer of Mississippi.

Groomsmen were Bill Kitchens and Michael Tounel of Miles.

Lura Ator, daughter of Mr. and Mrs. Robert Ator of Brownwood, was flower girl.

Wedding music was presented by Mrs. Jerry Bob Taylor, soloist, and Nancy Hutchens, organist.

A reception after the ceremony was held in the fellowship hall of the church.

The bride is a graduate of Sonora High School and attended Howard Payne College. The bridegroom is a graduate of Miles High School and has attended business college in San Angelo.

Mrs. Ricardo Rodriguez

Miss Enedina Chavez, Ricardo Rodriguez Are Married at St. Ann's Catholic Church

Miss Enedina Chavez and Ricardo Rodriguez of Fabens were married at St. Ann's Catholic Church Saturday morning, August 22, at 9 o'clock. The Rev. Joel Byrne, O. F. M., pastor, officiated at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Antonio Chavez, and the bridegroom is the son of Mr. and Mrs. Francisco Rodriguez of Fabens.

The bride, who was given in marriage by her father, chose a full-length gown of white pure silk organza. The original design of the gown featured brief sleeves of lace and organza. The soft scooped neckline was fashioned of hand-clipped re-embroidered Alencon lace. The skirt was accented by appliques of lace in front. Full released pleats topped with a self-fabric bow fashioned the skirt back and the chapel train.

Her waist-length veil of bridal illusion was caught by a crown of pearls and aurora borealis crystals.

She carried a traditional colonial bouquet adorned with pearls, satin loops, and net puffs with a shower of bridal satin and pearls topped with a white orchid.

Mrs. Omar G. Rios of Tucson, Arizona, sister of the bride, was matron of honor. Her bouquet was a nosegay of feathered carnations and tufts of net with satin streamers.

Serving as bridesmaids were Mrs. Sixto Chavez of Brownsville, sister-in-law of the bride; Mrs. Miquel Enriquez of El Paso, sister of the bridegroom; and Mrs. Antonio Chavez Jr., of Sonora, sister-in-law of the bride.

Bridal attendants wore light turquoise silk shantung dresses with white accessories.

Best man was Omar G. Rios of Tucson, brother-in-law of the bride, and groomsmen were Sixto Chavez of Brownsville, brother of the bride; Miquel Enriquez of El Paso, brother-in-law of the bridegroom; and Antonio Chavez Jr. of Sonora, brother of the bride.

Serving as ushers were Jesus Garcia and Heraldo Martinez of Sonora.

The mother of the bride wore a turquoise silk shantung dress with white accessories. Her corsage was a pink cymbidium orchid.

The mother of the bridegroom wore a blue satin and lace dress with white accessories and a pink cymbidium orchid corsage.

Nuptial music was presented by Marciano Velazquez, uncle of the bride, and Manuel Velazquez, a cousin of the bride and the musical director of the Orfeon Normalista de la Laguna

of Gomez Palacio, Durango, Mexico.

After the nuptial mass, a reception was held in the Commercial Restaurant party room.

The couple planned a two-week wedding trip to Mexico City and Acapulco. For traveling, the bride chose a white linen suit with white accessories and a white orchid corsage.

The couple will make their home in El Paso, where he is assistant rate clerk with Southern Pacific Company. She will teach fifth grade in Burleson Elementary School.

The bride is a graduate of Sonora High School and Texas Woman's University. The bridegroom is a graduate of Fabens High School and attended Texas Western College.

Guests attending the ceremony from out of town included Mr. and Mrs. Francisco Rodriguez and Monica of Fabens, parents and sister of the bridegroom; Mr. and Mrs. Ernest Ovitz and Lydia Ovitz, Mr. and Mrs. Felix Cerna, Oscar, Maria Lilia, Carlos and Hector Cerna, Mrs. Angela Calzado, and Margarito Ontiveros, all of Eagle Pass.

Also, Mrs. William G. Shears and Miss Socorro Shears of Brownsville; Miss Andrea Garcia of Asherton; Mrs. Joyce Cardona of Houston; Miss Maria Chavez of San Antonio; Mr. and Mrs. Celestino Guadarrama, Miss Carmela Guadarrama, and Jose and Guillermo Guadarrama all of Ciudad Acuna, Coahuila, Mexico.

Also, Miss Juanita Velazquez and Marciano and Manuel Velazquez of Gomez Palacio, Durango, Mexico; Miquel Enriquez Jr. of El Paso; Dora Elia Chavez and Ignacio Chavez Jr. of Del Rio; and Mr. and Mrs. Jesus Flores and family of Rock-springs.

MAKE CHURCH-GOING A HABIT

Wake 'em up Gabriel!

There isn't much music coming out of that horn. But one thing's certain; this little fellow is making plenty of noise.

If it happens to be Sunday morning, when the family sleeps late, this sturdy musician isn't going to receive much praise. His lungs are strong, though, and he's going to sit there and toot that trumpet until Mom or Dad takes it away from him.

All of his playmates are at Sunday School, so you really can't blame him for trying to while away the idle hours. Unfortunately, his parents haven't got the Church-going habit, so this boy will probably grow up like them and sleep away the hours in which he could be getting spiritual nourishment.

You've got the right idea, Gabriel. Wake them up to their responsibility!

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

By Mrs. L. D. Hollmig
Mr. and Mrs. Lester Shroyer and Larry spent several days last week visiting in Dallas and seeing Six Flags Park.

Lester Shroyer bought 45 head of registered goats at the O. J. Camp Goat Sale August 21.

Ella Hollmig caught a three-pound channel catfish while fishing at Camp Allison Saturday with a cane pole.

The Llano river was on a five-foot rise this week, the first time in about three years.

Mr. and Mrs. Jamie Parker accompanied his parents, Mr. and Mrs. Ray Parker, on a fishing trip to Gunison, Colorado.

Mrs. D. Q. Adams had her daughter, Mrs. Blanche Crawford, and grandson, Jack Bode, visiting her this weekend. They are from Kerrville.

Mrs. D. Q. Adams entertained the Twice Monthly 42 Club in her home Wednesday, August 19. Those attending included Meses. B. F. Turney, Jamie Parker, L. D. Hollmig, Maurine Sorrells, Richard Upchurch, Willie Andrews, Vance Eubanks, Fred Maxey, Elba Adams, Estes Adams, W. J. Warren, Margurite Turney, Wendell McWilliams, Meredith Joy, and Nell Rasberry of Fort Worth.

Winning high score was Mrs. Hollmig. Mrs. Andrews won low, and Mrs. Estes Adams won the 84 prize.

Coffee and cookies were served.

She Teaches Truth ...
Not Propaganda

And the Truth, coupled with modern education, will determine our survival in the modern world. From the one-room schoolhouse of 1854 to the modern educational plants of today; from the little blue primer to the vast libraries of reference material; from "readin', ritin' and rithmetic" to the liberal arts courses of 1964 our Public School System in Texas has kept abreast of the progress in education.

Today, as never before, education offers opportunities undreamed of 100 years ago, and it is through our great school systems that our youth are so capably prepared for the responsibilities they face in an ever-changing world.

No longer must future Lincolns read by firelight, nor is any child, regardless of race or color, denied the rights of education. Today, youth stands on the threshold of an era of progress yet to be experienced by man.

Only through proper guidance in education can this progress be beneficial to a troubled world.

C of C Directors Postpone Meeting

The meeting of the board of directors of the Sonora Chamber of Commerce has been rescheduled.

Originally slated for September 8, the meeting has been postponed to Tuesday, September 15, because of a conflict with the schedule of another group. The meeting will be held at the Chamber of Commerce office at 7:30 p.m.

One of the earliest known prescriptions was a hair grower made especially for Queen Ses of Egypt about 3400 B.C. It consisted of dog toes, date refuse, and asses' hoofs, and had the same effect as present-day hair restorers and baldness cures—none.

Oh, what a blast we did have Sunday. Forty-eight golfers turned out for the Scotch Four-some. The winning team consisted of Barbara Snodgrass, Doyle Morgan, Jerry Hopkins, and Ed Grobe, while the losing team members (who, incidentally, had to go out and buy the supper) were Wanda Mackey, James Trainer, Hut Moore, and John Bell.

Many members who did not play golf were also served supper.

Along with our supper, we honored our president, Lea Roy Aldwell, and his bride, Marie. We wish them much happiness.

Our annual meeting which was to be held the ninth has been moved to Monday, September 7.

It has been changed to a barbecue night, which we are having after the Labor Day Tournament.

Ladies, we'd appreciate some of those delicious covered dishes. They have all been sooo good.
