By John King

Sam E. Jones Jr. reports that an 18-month-old child in Alice demolished the rear of a car, belonging to his daughter, Pam.

Pam was visiting with the Jack Wardlaw's daughter Linda, and had parked her car near the trailer house. A mother drove in across the street and left her motor running with the gear shift in "park."

The child, alone in the car, pulled the lever into reverse and backed across the street and into the rear of the Moody car. No one was hurt.

Pyracanthas and cannas were planted Monday in the vacant lot between Sonora Men's Store and the Courthouse as a start to beautify the spot that is usually an eye-sore.

Three boys and a woman worked cutting weeds and setting out the plants that had been donated. A merchant picked up the tab for the three boys' wages.

If any individuals or merchants want to contribute to a fund to help keep the spot beautified, the Devil's River News will be happy to take care of making the money go as far as possible.

Teacher: "Not only is he the worst behaved child in my class but he also has a perfect attendance record."

Funeral Rites Held For M. W. Vicars, 67

Funeral services for Marshall Walker Vicars Sr., brother of R. C. Vicars, were held Saturday, March 27, in the Methodist Church of Wise, Virginia.

Mr. Vicars, 67, died early Thursday morning in Wise.

Born in Wise County, Virginia, he attended Washington and Lee University and the University of Richmond.

He was a lawyer and was past president of the Wise County Bar Association and a member of the Virginia State Bar Association. He was a captain in the Infantry during World War I, and he had served as mayor of Wise.

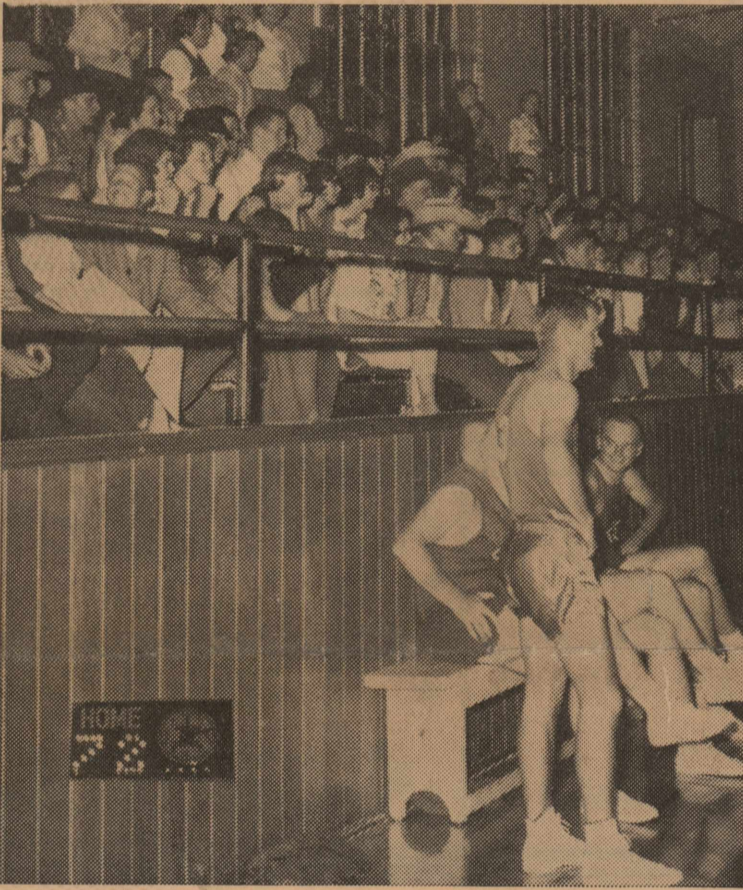

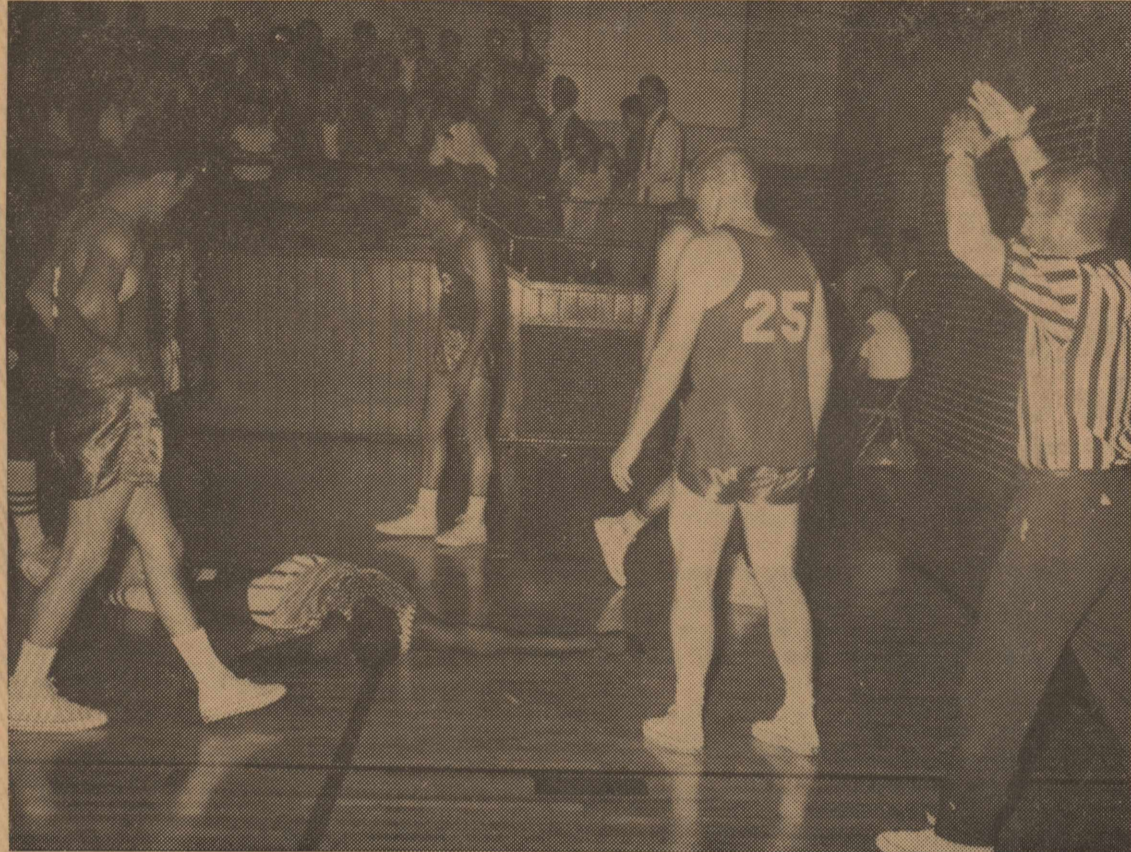

Survivors include his wife; two daughters, Mrs. Elmer C. Stanley of St. Augustine, Fla., and Mrs. Shirley V. Kugler of Arlington, Va.; two sons, Joseph McFairland Vicars of Martinsville, Va., and Marshall Vicars Jr. of Hyattsville, Md.; two sisters, Mrs. R. M. Deskins of Whittier, Calif., and Mrs. Ethel Bentley of Wise; another brother, Lacy M. Vicars of Lexington, Ky.; and seven grandchildren.

Jan Keng Wins Trip to Washington D. C.

Jan Keng, second-year dental student in the University of Texas Dental School at Houston, has won a trip to Washington, D. C., in April.

SEEMINGLY OUT COLD is a member of the Harlem Stars comedy basketball team at the game against the Sonora Knee Actions Friday night in Bronco Gymnasium. Pictured above around the "unconscious" player are Knee Action team members (left to right) Gene West, Norman Rousselot, and Jimmy Harris. Clay Cade, referee, calls time. The player was revived by a shoe from the crowd. At left the crowd and members of the Knee Action team watch the high jinks on court. Standing is Jerry Hopkins. On the bench are Bob McMinn and Bob Painter.

Lions Nominate Slate of Officers

A slate of Lions Club officers for the 1965-66 year was announced at the Lions meeting Tuesday, March 30.

Nominated for president was Herbert Fields; first vice-president, Jimmy Harris; second vice-president, Ralph Finklea; third vice-president, Gene Wallace; secretary-treasurer, A. E. Prugel; lion tamer, John T. King; and tail twister, Doyle Morgan.

The Rev. Rollin Polk was nominated for a one-year term as crippled children director. Nolan Johnson was nominated for a one-year directorship.

Two year hold-over directors are Gene Wallace and Herman Moore, and those nominated for a two year director's term are Norman Rousselot, George Wallace, and J. C. Luttrell.

The election will be held Tuesday, April 13.

75th Planning Proceeds, Decisive Meeting Slated

Plans for a celebration of the 75th anniversary of Sutton County began to take shape at a meeting Thursday night, March 25, in the County Courthouse, and another meeting was scheduled for April 1.

Persons attending expressed their unanimous approval of a celebration of some type, whether locally produced or directed by a professional company.

Sam Grogg of the Rogers Company, which specializes in directing community celebrations, explained to the group the services his company might offer in Sutton County, and he was authorized to conduct a survey of the size of production which the area can support.

The proposal outlined by Grogg included the staging of an outdoor historical spectacular written and directed by his company using local players. The company's three-level stage, professional lighting, and costumes would be used.

Grogg is to present a concrete proposal including costs at a public meeting Thursday, April 1, at 7 p.m. in the county courtroom, and Sutton Countians are to give an answer to his proposal.

Officers elected by the group last Thursday were the Rev. King, secretary; and Mrs. Armer George Stewart, president; Bob Earwood, treasurer.

PROCLAMATION

The President of the United States, by direction of an Act of Congress, and the Governor of our State of Texas have proclaimed April as Cancer Control Month.

The magnitude of the problem of cancer needs to be recognized here in our own community, for if present rates continue, one out of every four persons will be struck by cancer—almost every family in our city will have experience with this dread disease. Yet one half of all cancer cases can be saved, but only if the patient receives prompt diagnosis and immediate treatment.

In this coming month, our friends here in Sonora will carry on the "Tell Your Neighbor" Crusade, visiting you in your homes, and distributing life-saving information through pamphlets and discussions.

Therefore, I urge the citizens of Sonora to participate in the activities of Cancer Control Month to combat and defeat this dread disease.

In official recognition whereof, I hereby affix my signature this First day of April, 1965.

[s] A. E. Prugel
Mayor, City of Sonora

Cancer Crusade Opens

The Sutton County Unit of the American Cancer Society begins its annual month-long Cancer Crusade this week.

April has been designated as Cancer Control Month nationally and statewide, and locally A. E. Prugel, mayor, has stressed the value of the campaign against the disease.

"An important theme will be emphasized in the campaign," says Mrs. Alvis Johnson, co-chairman of the drive.

The "Tell Your Neighbor" theme will be stressed by volunteers as they distribute leaf-

lets containing life-saving facts about cancer and information about the society's effort to help conquer the disease.

An estimated 1,300,000 Americans are now alive, cured of cancer, and a contributing factor has been broad public and professional education programs and research efforts.

Cancer Society members also point out the value of an annual health checkup which can usually reveal the disease early when it is most curable.

One of the opening activities of the drive here will be a 15-minute talk by Dr. Charles Browne Thursday morning, April 1, on radio station KOKG.

Crusade chairman is Mrs. W. B. McMillan.

Elliott Wins Top Honors

By Gary McGilvray

Sonora's track star, Bill Elliott, collected a number of points for the Broncos in the San Angelo Relays held in San Angelo Friday and Saturday, and he was selected outstanding performer in Division II.

Elliott set a new record in the broad jump when he uncorked his longest jump of the year, a measurement of 22 feet, 9 1/2 inches. He grabbed another first place in the high jump at a height of 6 feet, 1 inch.

With a time of 15.3 he finished third in the 120-yard high hurdles, and he earned two more points when he finished fourth in the 180-yard lows.

Slow Response Eyed In Screwworm Drive

"The time for contributing to the Screwworm Eradication Program is short, and the response is not as good as we had hoped," Ralph Mayer, chairman of the local screwworm eradication committee said this week.

Ranchers in Sutton County have been asked to give \$7 per section of land they own or operate to the program so that the screwworm eradication work may continue until July, when it is hoped the Federal government will take over the program.

The Texas Legislature has appropriated \$250,000 and Congress is expected to designate \$550,000 to add to producers' funds to continue the program until July.

The screwworm fly has been eradicated from most of the southwestern states, but a barrier of live, sterile flies must be maintained along the U.S.-Mexico border to prevent fertile flies from Mexico from reinfesting the U.S.

Mayer, who attended a statewide meeting in Austin Friday kicking off the drive, pointed out, "We cannot afford to let the program stop now. We would

lose all that we have worked for in the last three years."

Mayer said Monday afternoon that about \$2,000 had been received, while the suggested quota for the county is \$8,467. "And the quotas suggested for the counties are minimum amount," he explained. "Every county would have to meet its quota for the state's producers to raise the \$300,000 needed."

"I am sure all ranchers mean to contribute to the program," Mayer said, "but they are busy and have put it off. Our deadline is April 12; so we have less than two weeks left."

Bob Johnson Sr., Chamber of Commerce manager, reported Wednesday morning that the current total of contributions was \$3,116, about one third of the amount needed. Thirty-five out of 170 Sutton County ranchers had donated, Johnson emphasized that the deadline for the drive is April 12.

Ranchers may leave contributions at the First National Bank or the Chamber of Commerce office.

Sonora To Compete In Literary Meet

Sonora students are entered in the District 8-A literary meet, part of the University Interscholastic League program, being held in Ozona Thursday, April 1. Sonora students begin competition at 9 a.m.

Chris Frizzel is competing in the boy's extemporaneous speaking, with Mike Richardson as his alternate. Entering girl's extemporaneous speaking is Carla Whitworth. Barbara Holland is the alternate for this division.

Boys' persuasive speaking contestant from Sonora is Teddy Wheelis, and Louis Wardlaw is alternate. Jo Ann Lowe is entered in girls' persuasive speaking, and Peggy Grobe is her alternate.

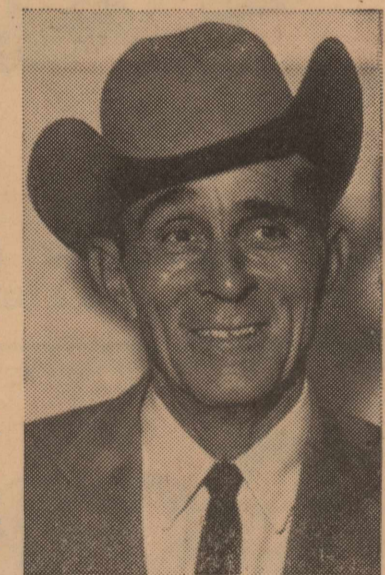

Elementary students entering ready writing are Shelly Morriss and Sharon Johns, with Jane Sawyer as alternate. High school contestants entering ready writing are Carla Whitworth and Cathy Moffett. Carol Hopf and Irene Davis are alternates in this category.

Contestants in number sense are Bill Elliott, Jim Fish, and Mike Gosney; slide rule, Anita Bassham, Ray Glasscock, and Mike Richardson.

Spelling competitors from the seventh and eighth grade are Evelyn Lowe and Kathy Morgan with Dick Bundy and Mark Jacoby as alternates. High school spelling contestants are Cindy Galbreath and Carla Whitworth. Jerry Shurley and Calvin Sanders are high school spelling alternates.

Anita Bassham, Cathy Moffett, and Barbara Trees are entered in the typing contest.

Entered in boys' and girls' poetry interpretation respectively are Gary McGilvray and Cindy Galbreath. Guy Askew and Margaret Bundy are alternates for See Sonora to Compete, Page 8

PRYCE TAYLOR, NEW CITY MARSHAL—Taylor assumes the city marshal's duties April 1 when Omer Grelle's resignation becomes effective. Taylor and his wife are from Cotulla. He has had two years' experience with the state wildlife and parks department and many years' experience as a construction man.

Election Set Apr. 3

The school board election will be held Saturday, April 3, at the courthouse from 8 a.m. to 6 p.m. Albert Ward will be election judge, and Mrs. W. B. McMillan and Mrs. R. L. Hardgrave will act as election clerks.

Rex Lowe, Sonora schools superintendent, said there will be three vacancies to be filled, and three incumbent candidates are asking for re-election. Candidates are Armer Earwood, Mrs. Allie Askew, and Gene Shurley.

A DEMOCRATIC DISEASE

Cancer is a democratic disease. It seems to strike without regard to wealth, status, character, or personality. That it inflicts many older people is well known. That more school children will die of cancer this year than from any other disease is perhaps not such common knowledge. April has been designated in the nation, in Texas, and in Sonora as Cancer Control

Month. Volunteers will give all of us the opportunity to learn more about the disease, how to recognize it, and how to fight it. Someday, perhaps, we will be able to receive a vaccination that will protect us from cancer in all its forms. But until then, let's each recognize our common responsibility to fight this treacherous disease.

Post Office Needs Summer Employee

The Sonora Post Office has a 90-day summer job opening, announced James Trainer, local postmaster, and he added that so far no one in Sonora has been certified as eligible.

Starting salary for this summer job opening is \$2.48 per hour, according to Trainer.

In order to qualify for the position, applicants must take and pass the required postal examination. An application card form 5000-AB may be obtained at the Post Office. The application must be filled out and sent to the Executive Secretary, Board of U.S. Civil Service Examiners, U.S. Post Office, 207 Federal Building, San Antonio, stated Trainer.

The examination will be held at Junction, and applicants will be notified of the exact time and place to report for the written examination.

Sprinkle garlic salt on potato chips while they're in the bag, shake, heat in the oven. Ditto corn chips. Wonderful flavor!

IMPORTANT DATES AND EVENTS FROM YESTERYEARS

APRIL 1, 1955 Marie Watkins attended the music clubs convention in San Angelo Thursday.

Mrs. B. W. Hutcherson and son, James Ed, and Mrs. J. W. Mayfield spent Monday and Tuesday with Mr. and Mrs. J. E. Grimland near Kerrville.

56 YEARS AGO Dan Cauthorn of Porter, Okla., arrived in Sonora, Friday on a visit to his brother, A. R. Cauthorn, and family.

Joe Wyatt was in from the ranch Monday for well fixings.

John S. Allison and C. B. Wardlaw have bought the mail contract and express business on the San Angelo line from Clendenen and Robbins.

W. L. Aldwell, cashier of the First National Bank of Sonora, was in Eldorado Monday attending district court.

Mrs. R. F. Halbert is at Fort McKavett on a visit to her mother, Mrs. Lehne.

W. A. Miers was in from his ranch, 20 miles south of Sonora, on Thursday and reports two good rains Monday.

APRIL 6, 1945 Members of the High School Choral Club and James Hunt furnished the program for the Lions Club meeting Tuesday at noon.

Total donations to the local Red Cross War Fund this week stood at \$3,651.75, according to report made by Red Cross treasurer, Mrs. Maysie Brown.

APRIL 5, 1935 Mrs. Edgar Shurley and Miss

SHS Golfers Eye District Contest

Several Sonora High School boys are preparing for the district golf competition to be held in Big Lake April 12.

Trying out for the golf team are Gary Hardgrave, Mike Wuest, Jimmy Trainer, Chris Berger, Gary McGilvray, Robert Brown, Al Letsinger, and Laney Cook. Coach is Doyle Morgan, high school principal.

A group of the boys, accompanied by Morgan and W. F. Berger, went to Ozona Saturday morning to gain experience on a different course. They plan a trip to Big Lake for practice before the district meet.

Johnson Attends Training Course

Earl Johnson, West Texas Utilities Company employee, attended a training school in San Angelo recently.

Boyd Lovelace, local W.T.U. manager, says that all employees of the company attend training courses from time to time. Each service man and local manager periodically studies new repair methods and new appliances. Lovelace says that the schools also include training in each phase of the W.T.U. operation. Annual woman's conventions emphasize developments in office procedures.

MISS COOPER SELECTED FOR STUDENT CONGRESS

Miss Betty Jack Cooper has been elected to represent the school of fine arts in the student congress at Texas Christian University in Fort Worth. Miss Cooper is the daughter of Mrs. Pat Cooper.

Mrs. Elvis Brown has been receiving treatment in Shannon Hospital in San Angelo.

Conservation: Our Best Insurance

(Editor's note: Following is the essay which won first place this year in the junior high-elementary division of the annual essay contest sponsored by the Edwards Plateau Soil Conservation District.)

By Lucy Bundy When we think of insurance, we usually think of things like fire insurance, life insurance, or auto insurance. These kinds of insurances protect us from the loss of money and property. There is another type which may be more important than the others. It cannot be bought at any insurance agency. It is insurance against the loss of our rich soils, pure water, and other natural resources. The only way we can get this insurance is through conservation.

We must practice conservation because the land produces the food we eat, the clothes we wear, and the homes we live in. Without conservation of our natural resources we will not have rich soil to produce the things we eat, pure water, our forests would not produce lumber for homes, and our natural resources and minerals would be used up.

We can prevent this by resting

Animal Health Unit Accredits County

Dr. S. B. Walker, executive director of the Texas Animal Health Commission announces the reaccreditation of Sutton County as a Modified Accredited Tuberculosis Area.

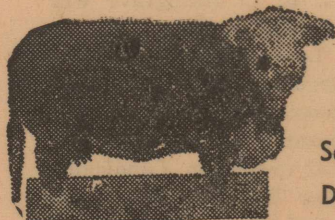

D. C. Langford, county agent, has received a certificate which is good for six years and is on display in his office.

Dr. Walker states, "This Commission wishes to express its appreciation to the people of Sutton County for the splendid cooperation extended to its representatives while work was being conducted in Sutton County; and requests the further cooperation of the citizens of the area to maintain the tuberculosis status of the county."

From Grandmother's Grandmother: Make a short biscuit dough, roll as for jelly roll, spread with butter. Then spread a good cupful of sliced onions—cooked until yellow in butter and well seasoned. Bake in a moderately hot oven—yummy!

New Corvair Corsa Convertible and Sport Coupe top Corvair's 7-model lineup for '65—all with Body by Fisher.

Zing into spring! Corvair by Chevrolet

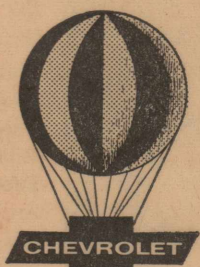

The steering's crisper, the ride's flatter, the style's racier—even the grass looks a shade greener from behind the wheel of this new Corvair

For all its finely calibrated instrumentation—tachometer, manifold pressure gauge, even an electric clock with a sweep second hand for rally buffs—the most important thing that happens when you get a Corvair Corsa

out on the road doesn't register on the dash. It registers on you.

You feel it in the steering—crisp and precise—as you double back on a curve. In the flat riveted-to-the-road stability of the new fully independent suspension. In the response of the rear engine (up to 180 hp available now in Corsa's Turbo-Charged version).

Drop down to your dealer's now—while the trading's extra good—and see for yourself.

People Are Waiting for Friendship

"People in this world are just waiting for sincere friendship," Mrs. Preston Dial of San Antonio told persons attending the Fifth Annual Convention of the Heart of Texas District of the Texas Federation of Women's Clubs.

Dressed in a Peruvian costume, Mrs. Dial spoke to the group at the Texas Heritage banquet held Monday, March 22, at the Central Elementary School cafeteria.

Mrs. Dial, chairman of the

International Affairs Department of T.F.W.C., told of her travels round the world on behalf of international goodwill in her speech entitled "Our Part in This Changing World."

She said that the first women's clubs were organized 75 years ago when a group of women wishing to hear Charles Dickens were told that only men were allowed to hear the speaker.

"Now," Mrs. Dial said, "all over the world women are taking

MRS. PRESTON DIAL
their places beside the men. In Turkey they are taking off their veils, and in Latin America they are coming down off their balconies, taking the roses out of their hair, and helping the poor."

She pointed out that a major project of the Texas clubs this year is Peru, which has been designated by the State Department as Texas' partner in the Alliance for Progress. With a group of young people, Mrs. Dial spent three weeks in that

country, staying in the homes of Peruvians.

Using the Peruvian President's airplane and Army busses, the group toured the country.

T.F.W.C. is currently building libraries for underprivileged children in Peru.

Two awards were presented at the banquet.

Mrs. C. D. Bruce of Santa Anna was named federation mother of the year, and Mrs. Etta Rushe Hickman of Llano was selected federation teacher of the year.

Mrs. Bruce, mother of three daughters, has served as district president and chairman of a number of district departments.

Mrs. Hickman, who holds her master of arts degree, has served as president of the Llano Self Culture Club, chairman of the local Heart Fund Drive, and president of the Wesleyan Service Guild.

The Sonora Woman's Club was responsible for arrangements for the banquet. Decorations followed a West Texas theme with cactus and flower arrangements in iron skillets centering the tables. A miniature filled wool sack was at each place.

MRS. C. D. BRUCE
... Mother of the Year

MRS. ETTA RUSHE HICKMAN

TEXAS HERITAGE BANQUET was a high point of the Woman's Club convention held here last week. Mrs. Preston Dial of San Antonio (left) wore a bright pink Peruvian costume, and in her speech at the banquet she discussed a project to build libraries in Peru. Funds collected in the Heart of Texas District will

build a library named after Mrs. J. O. Mills, district president. Others pictured before the banquet are (left to right) Mrs. Mills; Mrs. J. L. Ginnings, state Federation president; and Mrs. Armer Earwood, Sonora Woman's Club president.

Awards Presentation Highlights Convention

Presentation of awards to senior and junior clubs was one of the features of the convention of the Heart of Texas District of the Texas Federation of Women's Clubs held here March 22 and 23.

President Reviews Clubwork

"Ask yourself, 'What would my club be like if every member were like me?'" Mrs. J. L. Ginnings of Pilot Point urged women at the Fifth Annual Convention of the Heart of Texas District of the Texas Federation of Women's Clubs here March 22-23.

Mrs. Ginnings, president of

the T.F.W.C., chose as the topic of her speech "Making Clubwork Meaningful." She stressed the value of following the Golden Rule and of being socially, politically, and intellectually good.

Mrs. Ginnings emphasized that the good clubwoman fulfills her political responsibilities. For example, she serves on a jury when called. The good clubwoman also informs herself and forms her own opinions.

Finally, Mrs. Ginnings pointed out the value of Americanism, "which will be the most highly prized legacy that we can bequeath to our posterity."

A graduate of North Texas State University, she is a mem-

ber of the Woman's Chamber of Commerce of Dallas. She has served as club president, district president, and state first and second vice-president. In 1954 she was selected District Clubwoman of the Year.

Junior Quarter Horse Show To Be Held Here for Contestants from 7 Counties

The Sonora Junior Quarter Horse Show is scheduled to get underway at 10 a.m. Saturday, April 10, at the Sonora Park and Horse Show Association track.

The event is being sponsored by the Sutton County 4-H Club for 4-H Club and F.F.A. members of Menard, Schleicher, Sutton, Yal Verde, Edwards, Kimble, and Crockett counties. Judge will be Sparks Rust Jr. of Del Rio.

The show will open with the halter classes at 10 a.m., and performance classes are scheduled for 1:30 p.m.

Halter classes include mares foaled in 1964, mares foaled in 1963, mares foaled in 1962, stallions foaled in 1964, stallions

foaled in 1963 or before, and geldings, any age.

Performance classes include western pleasure, pole bending, and barrel racing.

Trophies will be given to the first place winners in each halter class and to the champion showman, and a trophy will be awarded for the high-point horse of the show. First place winners in performance classes will receive trophy buckles, and ribbons will be awarded for ten placings in halter classes and for six placings in performance classes.

Each contestant must be at least nine years old, and his horses must be his projects in club work. Entry fee is \$5 per horse.

Librarians To Buy Pen Set for Desk At SHS Library

By Carol Hopf
The last scheduled meeting of the Library Club was held Monday, March 22, in the library. Jimmy Wilson, club president, made a brief report of the club's successful year.

Motions were made by John David Fields and seconded by Jo Ann Lowe to use part of the club's treasury funds to purchase a pen set for the check-out desk and an embossed stamp which will appear on all the magazines and books belonging to Sonora High School.

Bulletin boards for the month of March were decorated by Wanda Cole and Elsa Martinez. They chose the theme "March Winds Blow Good Books to You."

This month we have received three gift books. Denton High School's speech department gave "Sixteen Famous American Plays" in memory of Mrs. Dan Cauthorn. "Scandinavia Revisited" was a gift from the author, Bergljot Abrahamson. The third gift book was "Adventure In Partnership: The Story of Polaris."

The librarians are working diligently to do their research work in the library and to assist others who are also looking for material. Speaking for all other librarians, too, I should like to say "Thank you for teaching us so much!" to Mrs. Dameron. The help she has given us will come in very handy when we go to college.

FEBRUARY BOND SALES TOTAL \$1,447 IN COUNTY

The residents of Sutton County purchased \$1,447 in Savings Bonds during the month of February, according to Jack Neill, chairman of the Sutton County Savings Bond Committee.

"If you have not already filed your income tax return for 1964, we would like to remind you that you may get your tax refund in the form of U.S. Savings Bonds. You will be more apt to hang on to your refund if it is taken in Savings Bonds and you will also have the satisfaction of helping your country," Neill stated.

Kennedy, Abilene, Named New Director At WTU Annual Stockholders Meeting

R. E. Kennedy of Abilene was elected a new director, and Arch D. Batier, R. W. Hardy, E. L. Harwell, J. C. Hunter Jr., J. F. Longley, S. B. Phillips Jr., W. G. Swenson, and C. L. Young, all of Abilene, and M. D. Bryant and Armistead D. Rust of San Angelo were re-elected to the board of directors of West Texas Utilities Company at the annual stockholders meeting of the company.

After the stockholders meeting Tuesday morning in the general offices of the company at Abilene, the board of directors met to elect officers of the company for the coming year.

John A. Hutchison was named as a new vice-president. J. C. Crownover was promoted from assistant secretary and assistant treasurer to secretary and treasurer. Otey H. Cannon was named assistant secretary and assistant treasurer, and R. L. Dunwoody was elected as a new assistant treasurer.

Other officers re-elected were C. L. Young, chairman of the board; S. B. Phillips Jr., president; J. F. Longley, executive vice-president; R. W. Hardy, vice-president and controller and R. E. Kennedy, vice-president.

The new director, R. E. Kennedy, has more than 31 years service with WTU. A graduate of Hardin-Simmons University with a bachelor's degree in business administration, he joined WTU in 1934. He has worked in the treasury department, as assistant purchasing agent, as advertising manager and manager of the public service department. He has been vice-president since 1961 directing the operations of the merchandise, commercial, area development and public service departments.

The new vice-president, John A. Hutchison, is known for his civic work. He was first employed by the company in 1936 in the engineering and transmission department. After Army service in World War II, Hutchison was promoted to district distribution engineer and in 1954 was made assistant construction and distribution engineer. The next year he became assistant superintendent of the company's production and engineering divisions and has served as chief engineer since 1960. As a vice-president he will continue to supervise the company's various engineering divisions and activities.

J. C. Crownover, named to succeed Arthur Harker as secretary and treasurer, has more than 33 years of service with the company. He began his career with WTU in Abilene in 1928 and has served as lighting supervisor and storekeeper, cashier, and was assistant district auditor in the Abilene district office when he was transferred to the treasury department as chief clerk in 1943.

Crownover was elected assistant secretary in 1950 and assistant treasurer in 1956. He has been serving as assistant secretary and assistant treasurer since 1961.

Harker retired after 41 years' service. Otey H. Cannon joined WTU in 1935 as a cashier in the Cross Plains office. Later he served in the Cisco office and the Quanah

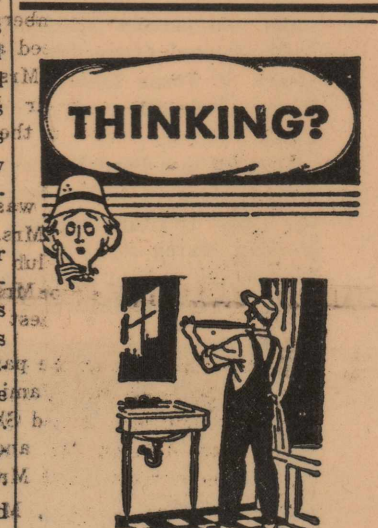

district office where he worked as assistant chief clerk.

A Veteran of World War II, Cannon was discharged from the Army in May, 1946. Following his discharge he served for a time as a contact representative with the Veterans Administration. He rejoined WTU in 1950 and the following year was transferred to the treasury department as paymaster. In 1956, he was elected an officer of the company and has been serving as assistant treasurer since 1960.

Employed as tax commissioner in the treasury department, Roland L. Dunwoody was named as a new assistant treasurer. He was first employed in 1941 as assistant manager in Baird, where he later served as local manager. He was transferred to the general office in Abilene in 1949. Since that time he has served both as assistant tax commissioner and as tax commissioner.

Old trick still good—for soup that's too salty, add a thick-sliced potato. Before serving remove the potato—it's too salty to eat.

The Cooper-Garrett Barber Shop is open behind the Elliott Humble Station and again ready to serve you.

Lowes Entertain 'Tres Seises' Chosen as Name for Club Couples Club Sat.

High scores in bridge play were won by Mr. and Mrs. D. C. Langford among club members, and Mr. and Mrs. J. L. Steed among guests when Mr. and Mrs. Rex Lowe entertained their bridge club Saturday night at the Holiday Host Restaurant.

Mrs. E. D. Shurley Is Designated Bridal Consultant

Slam prize winner was Bob McMinn, and Mr. and Mrs. Dennis Hays won the club prize, while Mr. and Mrs. Joe Neil Smith received guest prize.

Others present at the party included Mr. and Mrs. David King, Mr. and Mrs. John King, Mr. and Mrs. Ed Lane, and Mr. and Mrs. Ed Gro-

Mrs. E. D. Shurley, owner of the Ruth Shurley Jewelry, has recently completed the Professional Bridal Consultant's Seminar conducted by the National Bridal Service in Atlanta, Ga. Participants from 14 states attended the school and were designated as registered bridal consultants upon completion of the four-day course. Purpose of the school was to teach how to assist the bride in preparation for a wedding. For most brides, the school pointed out, the wedding is a "first" and there is a need for professional help in planning.

While in Atlanta, Mrs. Shurley and the group toured the city and visited points of interest.

Pastime 42 Meets In Hutcherson Home

Mrs. B. W. Hutcherson entertained the Pastime 42 Club in her home Thursday, March 25. She was assisted by her daughter, Mrs. Batts Friend.

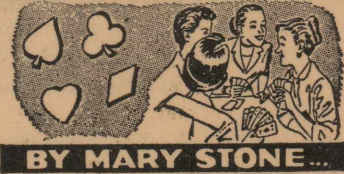

Mrs. O. G. Babcock won high score for members, while Mrs. Fred Nichols won high for guests. Mrs. Lee Labenske won the traveling prize.

Other members who were present included Mmes. T. R. Sandherr, Lottie Mae Kelley, J. A. Cauthorn, John Reiley, Auther Simmons, and Mayste Brown.

Also a guest at the party was Mrs. Belle Steen.

Mrs. Hutcherson served grape tapioca, a Norwegian recipe which she says was handed down to her from her ancestors.

 ♦ A K 9 4 3
 ♣ A 10 8

The bidding:
 East South West North
 pass 1 ♦ pass 2 ♣
 pass 2 ♦ pass 3 ♦
 pass 5 ♦ pass pass

Opening lead: nine of hearts.
 South won the opening lead with the king in the closed hand. South then drew trumps in three rounds; cleared the club suit, picking up the queen on the second club trick. South stuffed his two losing spades on the last two club tricks and trumped the losing heart in the dummy to make seven.

Comment: South had a strong hand of eighteen points. When north gave a positive response of 2 clubs, South should have jumped to three diamonds. The two hands were a perfect fit.

Teen Scene

By Carol Hopf

It seems that everyone around Sonora High School has been especially busy lately. From what I have observed over at Carl Teaff's house, the members of the Senior Class of '66 are the busiest ones. I wonder what they are in such a stir about. . . could it have anything to do with the JUNIOR-SENIOR BANQUET and SPRING FORMAL? We Seniors of '65 surely hope so.

Along with our other famous people, SHS has two new television celebrities. They are none other than Bill Elliott and Ray Glasscock who appeared on a science panel discussion which was televised last week in San Angelo.

When we speak of celebrities, we must not forget to mention Teddy Wheelis, who is better known as "Whiskers-Wheelis" since the latest Southern Schools Assembly program. The program was centered around magic, and the performer wished to share the limelight with another capable magician. And, my friends, that was Teddy, the guy hidden under a moustache and a beard as well as a towel to cover his head.

Other students who were included in the program were Chris Frizzel, Larry Shroyer, Louis Wardlaw, Nancy Pearl, Patricia McLaughlin, Rande Fawcett, and Roy Glasscock.

At the Harlem Stars basketball game last Friday, Margaret Bundy really got a surprise. Actually, she helped the Harlem Stars to win the game when she let the manager revive that player by using her shoe as smelling salts. Now we all know why the Knee-Actions lost. Say, how about that water, Knee-Actions? Wasn't that something?

One freshman has not done much in the last few weeks, but she wants to see her name in the paper. So, here it is: Cathy Grelle.

Kaye Ellis found the way to get attention whether she wants it or not. Sunday afternoon she and Prissy Howell made a lot of noise out at the Dairy Mart. It seems that Kaye's car-horn just went wild and decided to blow every time she turned the steering wheel.

Spring vacation is here, and so are lots of college kids: Diana Cahill, Joyce Hearn, Mary Adele Wilson, Francine Fields, Johnny Merck, Jack David Wardlaw, Cleve T. Jones, Corky Fields, Jimmy Cahill, John Paul Friess, and Larry Bob Moore.

The big thing at Del Rio was the Western Shindig in honor of Mimi Wardlaw and Candy Jones. Several from Sonora turned out for it: Diana Black, John Paul Friess, Karen Davis, Jerry Shurley Jr., Elsie Earwood, Maxie Delrie, Kay Campbell, Mike Key, Nedra Raye, Louis Wardlaw, Carla Whitworth, Cleve T. Jones, Gail Espy, Bill Glasscock, Carl Teaff, Guy Askew, Rande Fawcett, Teddy Wheelis, Roy Glasscock, Bill Karnes, and Libb Mills Wallace.

Monday was the District One-Act Play Contest in San Angelo.

WTU, SAC Sponsor Symposium Thurs. On Atomic Energy

Outstanding high school students from the San Angelo area are attending a symposium on atomic energy featuring some of the nation's leading scientists being held April 1 on the campus of San Angelo College.

The all day conference is sponsored by West Texas Utilities Company and SAC.

It is the hope of WTU that this program will not only prove to be informative to the high school students but will also be an inspiration to those students who may be considering science as a career.

The program has been arranged by the Texas Atomic Energy Research Foundation of which WTU is a member. The Foundation, which is composed of 10 investor-owned electric utility companies in Texas, is engaged in a program of nuclear fusion research with the General Atomic Division of General Dynamics Corporation seeking to harness the energy process of the hydrogen bomb for peaceful purposes, including the generation of electric power.

A nuclear scientist, Dr. Martin Stern, is appearing on the program. He is from General Atomic's John Hopkins Laboratory in San Diego, where the fusion research is being carried out.

The best news is usually saved until last, as some say, but some of us are not so sure that this news is so good—Six-weeks tests will be given next Wednesday and Thursday. 1, 3, and 5 are scheduled for Wednesday, and 2, 4, and 6 are scheduled for Thursday.

Back to the research paper and homework is the place for me to go so that I won't be tempted to peek in at the work going on at the Teaffs' for the big event Friday night.

A thin slice of cold roast beef or ham wrapped around spicy cold slaw, plus hot potato or macaroni salad, makes a grand meal.

A bright colored piece of adhesive tape around the handles of your luggage makes it easy to identify. Or tie a narrow ribbon on them.

Your Wedding

Mrs. Shurley of the Ruth Shurley Jewelry has just completed a bridal consultant's seminar in Atlanta, Georgia. As a registered bridal consultant, Mrs. Shurley is now ready to assist the bride-to-be with every aspect of her wedding from the time of the engagement to the reception.

IN SO MANY WONDERFUL WAYS SOFT WATER SAVES DRUDGERY AND DOLLARS

Experience the pleasure and practicality of soft water . . .

You'll wonder why you waited. Soft water stretches soaps and detergents, saving you extra dimes that soon mount into dollars. Leisure hours stretch, too, as soft water cuts away at cleaning time. And, for sheer luxury, you need only a single bath or shower to know "any" water won't do. Learn more about the wonderful ways of soft water soon!

Clothes Come Cleaner

With less soap or detergent, too. Your sparkling wash is never dulled by curds or scum. And, even suds rinse away faster, with less water.

Water Tastes Better

Because there are no minerals to cloud the natural refreshment of pure, fresh water, the whole family will enjoy drinking their healthful quotas.

Fabrics Feel Softer

Nicer to touch, nicer to wear. Especially important for baby's things and your delicate washables. You'll find longer wear is a soft water bonus.

Cleaning Is Easier

More complete. Grime and grease whisk away in less time. Soft water leaves no bacteria-breeding film so surfaces stay cleaner. Far more sanitary for dinnerware and silver.

Pampers Skin And Hair

Helps keep your complexion smooth and blemish-free. Adds highlights to hair. Kinder to children's delicate skins. And, Dad shaves faster and cleaner with soft water.

Pipes Won't Lime Up

Soft water leaves no minerals to "lime up" pipes. Plumbing and appliances function better, last longer. Costly repairs and time-consuming inconveniences are minimized.

Food Tastes Better

Washed and cooked in soft water, full fresh vegetable flavors come through. You'll relish the difference in cereals, soups and beverages prepared with soft water, too.

Free Water Test

Is your water hard? How hard? Only an expert can tell you. Let our water specialist test your water. Takes only a minute or two and it's free. Call or visit us today.

Class Has Meeting At Regeon Home

The Fidelis Class of the First Baptist Church met Friday in the home of Mrs. Eulah Regeon for a social and business meeting. Mrs. J. E. Eldridge, class teacher, led the opening prayer, and Mrs. Dollye Glasscock delivered the devotional. Others at the meeting included Mrs. Addah Cauthorn, Mrs. Pearl Crites, and Mrs. Nora Sofge. Mrs. Regeon served cookies, chips, juice, and coffee.

Lions Clubs Collect \$1,237 From Sale

The Downtown and Westside from the Lions Club, hurting the Lions Clubs collected \$1,237.55 during their annual broom sale Tuesday, March 23, announced Herbert Fields, vice-president of the Downtown Lions Club and chairman of the broom sale. He said that the Lions Club was the only organization authorized to sell Light House for the blind and Light House for the blind and 25 per cent will go to the Lions Clubs to pay for Sonorans' eye treatment and to finance the broom sale. He said that the other group was reported that they were selling on behalf of the Lions Club. In the future, Fields asked Sonora residents to remember that only local Lions Club members will be selling Light House for the Blind merchandise. Fields commented that the sale was reasonably successful; however, it was not as successful as had been anticipated due to a group of transient salesmen said to have come into Sonora two or three weeks ago and sold household wares. Many persons purchased merchandise from the out-of-town salesmen thinking that they were

YOUR MINISTER SAYS

By the Rev. Allen Roe
Pastor, First Methodist Church

Early in the book of Acts we find that souls were being added to the church if they were saved by the spirit of Christ. If their lives reflected the image of the living Lord, they were added to the spirit-filled fellowship. Every member had a personal experience of Jesus Christ as Lord. He had stamped himself upon their minds and in their hearts. Their faith in God was unswerving. They didn't fear what man could do to them, for they preached and practiced the faith that they must obey God rather than man.

This caused the Roman world to listen to their message. It is said of the early church that they "turned the world upside down." Being a member of the fellowship did not mean belonging to a committee. It meant a new quality of life, a changed relationship to God.

Many feel that these qualities are now disappearing from our local churches. Some days ago I received from a preacher friend a newsletter which he had sent to his membership. In this letter he inquires, "What has happened to the Church?" and then he answers by saying, "Nothing has happened unless we have per-

mitted it, or caused it to happen." He was saying that the church is what we make it. If it is cold and indifferent, we have caused it to be so, and if it is spirit-filled and aggressive, it is because the members are reflecting the image of Christ.

Since I am a Methodist preacher, I will ask you to bear with me as I give John Wesley's definition of a Methodist Christian; however, I believe we can well apply his words to us all.

Mr. Wesley wrote, "The distinguishing marks of a Methodist are not his opinions of any sort. A Methodist is one who has the love of God in his heart. He loves his neighbor as himself. His heart is full of love to all mankind. The one design of his life is to do the will of God. As he loves God, so he keeps his commandments. He thinks, speaks, and lives according to the revelation of Jesus Christ."

Surely the same can be said of all Christians. We are not our own. We are bought with a price; therefore we should serve God with our bodies and minds which are his.

Fire Wives Plan for Fire Convention

The Fire Wives Auxiliary met Tuesday, March 23, in the fire hall for bridge, 42, and a business meeting.

Mrs. Cashew was the hostess. At the business meeting, which preceded the party, teams and captains were selected for the bucket race or the water polo team and the six-woman team or the pumper team to be entered in the contests during the Firemen's Convention to be held Saturday, April 10, in El-dorado.

Mrs. Buddy Joe Brown won high score among the bridge players, Mrs. Darcy Carroll won low score, and Mrs. Fred Adkins binged.

Forty-two winners were Mrs. H. V. Humphreys, who won high score; Mrs. J. W. Joy, low score winner; and Mrs. Billie W. Taylor, winning the 84 prize.

Others present for bridge were Mmes. Lester Byer, E. R. Olinick, Frank Adkins, Ray Shelton, and Collier Shurley, who was a guest.

Others present for 42 included Mmes. Joe Ed Harrell, Kyle Donaldson, Billy J. Jolly, Ervin Willman, Leon Neely, Jack Hite, Bill Radle, Phillip Cooper, and A. H. Adkins.

Mrs. Taylor served sandwiches, cookies, punch, and coffee

The Devil's Workshop

An Idle Mind Column

By Della King

We hope that next time you are passing by the Devil you will drop in—we have several things we are showing off.

A number of the winning pictures in the Woman's Club Student Art Show are being displayed here. The paintings are really delightful, and we feel extremely cultured being the only combination art museum and newspaper office in the county.

And we are also currently hanging another artistic work. It is a water color of an old scene, and the picture itself has a little history of its own.

Painted by Maxine Browne, it pictures the main street of Sonora in 1894 when a number of freight wagons were unloading. Mrs. Devers Valliant found it in a closet of her home which formerly belonged to the Felix Vander Stuckens. She had it framed and is letting us display it so that others may enjoy it.

Maxine says that she painted the scene from an old photograph a number of years ago as a poster to advertise the "country store" at a bazaar held by St. John's Episcopal Church. Mr. Felix Vander Stucken was so taken by the picture which showed the old Vander Stucken Store that instead of buying some of the bazaar merchandise, he bought the advertising poster.

Incidentally, the picture shows up especially well on the new color of our walls. We are now duckling instead of fawn, according to the paint samples, or yellow instead of brown—as the men around here say it.

And, finally, we wouldn't mind if you looked at our award plaque. It is quite pretty, and we are sincerely grateful to Albert Everett, the doctors and nurses, and the members of the hospital staff for their help in gathering the information for the articles.

Mrs. Steen Hosts Pastime 42 Club

Mrs. Belle Steen entertained the Pastime 42 Club in her home Tuesday, March 23.

Mrs. Lossie Mae Kelley won high score for members at the party. Mrs. John Reiley won the member's traveling prize, while Mrs. A. W. Awalt won the guests traveling prize.

Other members and guests at the party included Mmes. J. A. Cauthorn, T. W. Sandherr, O. G. Babcock, B. W. Hutcherson, Auther Simmons, Lee Labenske, C. E. Stites, Maysie Brown, and R. G. Nance.

Mrs. Steen served black bottom pie and coffee.

Tarantella Club Has Western Dance

"Chow time" followed by "toe tapping" were the activities planned for La Tarantella Club's dance held Saturday night, March 27, at the 4-H Center.

Music for the western dance was presented by the Bob Hudnall band of Odessa, and decorations included bales of hay and other western items.

Members of the host committee were Mr. and Mrs. Lee Fawcett, Mr. and Mrs. Lin Hicks, and Mr. and Mrs. W. L. Whitehead.

Mrs. Kenneth Stokes of Lubbock was in Sonora last weekend visiting her parents, Mr. and Mrs. W. J. Thompson.

STRONG CHURCHES

Make STRONG COMMUNITIES

Beyond the Blossoms

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

When the buds burst into fragile flower, and their breath is everywhere, and a warming breeze caresses the cold, damp earth . . . this is more than Spring. This is the time of Promise.

For these same festive branches shall lift a precious burden of fruit when the red-gold mantle of harvest falls across the land.

When human souls awaken to the reveille of faith, and hymns and prayers fill the arches of heaven, and the warmth of an ageless hope reaches from heart to heart . . . this is more than Lent.

For the faith which blossoms today will bear its own precious fruit. Love! Joy! Peace! The harvest of souls like yours and mine is beginning anew to grow.

WSCS Easter Program Set for Wednesday

The Woman's Society of Christian Service will present an Easter program entitled "It Is My Son" in the sanctuary of the First Methodist Church Wednesday at 3 p.m.

Mrs. J. F. Howell is in charge of the program.

Others participating will be Mrs. Allen Roe, Mrs. Robert Hardgrave, and Mrs. Warren Hemphill. Mrs. James Wilson and Mrs. Dennie Hays will be in charge of the music.

All members of the church are invited to attend the program, explained Mrs. Howell.

Income Tax Q and A

This column of questions and answers on federal tax matters is provided by the San Angelo office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q - I'm not sure what's called for on line A part II on the second page of the 1040 form. Do you want all my income other than wages listed as the gross amount on line A?

A - No. Enter on line A only that portion of your income which comes from dividends and similar distributions. Note that even dividends which are nontaxable should be included on line A.

You will find this section explained on page 6 of the 1040 instruction booklet that accompanied your return.

Q - I think I can take the retirement income credit this year. How do I go about it?

A - Check page B-3 of the instructions to Schedule B (Form 1040) to make sure you qualify. The instructions will also tell you how to figure your credit.

When the retirement income credit is taken, Schedule B must be used.

Q - I've been able to get most of the federal tax forms I need from my local post office. There is one form, however they do not stock. What should I do?

A - Get in touch with your nearest Internal Revenue office. The form you are looking for should be available there.

When cooking root vegetables—carrots, potatoes, parsnips, and the like—turn off the heat when they're just tender. They'll finish nicely in the hot water.

A BIG CATCH, one approaching 5 pounds, is displayed here by Bill Savell. The bass were caught on the Devil's River early last month.

"THEY WERE BITIN' TODAY," explained Pete Thompson, Texas-New Mexico Pipeline employee, when he displayed this string of bass caught March 15. Nine of the 15 bass he caught from 4 to 5 p.m. on the Main Llano River near Junction weighed 31 pounds.

16 Sonora Members Attend TSGRA Meeting

Sixteen Sonora Texas Sheep and Goat Raisers' Association members attended the association's quarterly meeting in Brady Saturday, March 27, reported Vestel Askew, immediate past president of the organization. He added that Sonora had the best representation this year than in a number of years.

Among those present at the meeting to discuss the drive to raise \$300,000 for the screwworm eradication program were Fred T. Earwood, chairman of the wool and mohair marketing committee; Armer Earwood, chairman of the research and improvement committee; Bryan Hunt, vice chairman of the membership committee; Ralph Mayer, vice chairman of research and improvement committee; and Norman Rousset, vice chairman of the wool and mohair promotion committee. Directors from the Sonora area present at the meeting included W. R. Cusenbary, Joe Brown Ross, Bill Morriss, W. B. McMillan, Edwin Sawyer, R. A. Halbert, Walter Pope, James Hunt,

Robert Pfluger, and Jimmy Rieck. In addition to endorsing the drive for \$300,000 for the screwworm program, the organization made some resolutions including one to thank the Congress and the executive branch of the Federal government for their favorable consideration toward extending the National Wool Act.

A proposal to change the Association's name was referred to a study committee.

Sonora to compete ... from page 1

these divisions. John David Fields is entered in boys' prose reading, and Grady Roe is alternate. Carol Hopf is entered in girls' prose reading, and Irene Davis is alternate.

Boys' seventh and eighth grade declamation contestants are Thurston McCutchen and alternate, Dick Hamilton. Girls' seventh and eighth grade declamation contestants are Shelly Morriss, and alternate, Susan Stewart.

Ray Glasscock, Mike Wuest, and Jim Fish are entered in the science contest.

ELLIOTT PLAY PLANNED

Billy the Kid and Jesse James will have a shoot-out at the L. W. Elliott School late in April when adults put on a play to raise funds for the school. Oscar Galindo will portray Billy the Kid and Robert Zapata will play Jesse James in the cast that features about eight characters.

Use Shells for Sinkers

Loop a short piece of wire into an empty .22 shell and fill with lead. Makes a good, light sliding sinker. Works equally well without the loop as a wrap around sinker if longer wire is used.

Landing Net Tip

Do you have trouble with your landing net drying out between catches so that it floats when you try to slip it under fish?

Stop this in a jiffy by dipping the net in melted paraffin before you go out. Then it will sink like a rock.

Curry Comb Scaler

There is no better fish scaler than the curry comb used to rub down horses.

Save on all your sporting goods when you buy at the Gulf Restaurant and Discount Center.

Best Time To Seed Native Grasses Is April to Early May in Edwards Plateau

By E. B. Keng
Soil Conservation Service

Ranchmen in the Edwards Plateau soil conservation district have found April to early May is the best time to seed native grasses. Expected spring showers should germinate the seed and help the young plants become established before hot weather. Native grass seed should always be planted on some type of seed bed or disturbed area. Range pitting, or brush dozing breaks the soil surface and makes a good home for seedlings.

Many native and introduced grasses have been tried in the Sonora area. Grasses that do best are sideoats grama, green sprangletop, blue grama, and plains bristlegass. An introduced grass—King Ranch bluestem—also does well. A small amount of sorghum alnum may be added to a grass mixture to temporarily occupy the ground and compete with weeds. The sorghum alnum will die out after two or three

years and leave the native grasses.

Many ranchmen who have old cultivated fields would do well to seed them to native grasses. Joe M. VanderStucken cut 1,000 bales of native grass hay from an old field last year. He seeded a mixture of sideoats and blue grama, green sprangletop and KR bluestem. The supply of native grass seed is short this spring, and the price is somewhat above normal. Ranchmen should locate a source of seed before preparing any land for seeding.

Ranchmen interested in seeding may obtain approximately half the cost through the Sutton County ASC program. Soil Conservation Service personnel will be happy to help determine land preparation and seed mixture needed.

Such common and useful items as household ammonia and laundry bleaches can cause burns or other injuries if misused. The labels on these products, as required by Federal law, bear warnings and other information to help you use them safely. Remember, too, that ammonia and bleaches should not be mixed.

Cloths used for polishing furniture should be kept in the air to prevent spontaneous combustion.
